### Senator Rogers Is Re-nominated

Sen. Andy Rogers swept Bailey county along with him in his bid for reelection in the 30th Senatorial District Saturday. He defeated both opponents and won without a run-off.

Sen. Rogers led everywhere over the district, carrying all counties excepting Hale, where Leroy Saul led the field.

Final vote in the district was 14,852 for Rogers, 6,196 for Saul, and 2,784 for Karl L. Lovelady of Muleshoe.

Mr. Rogers had a majority of the votes cast in Bailey county. His total was 618 against 542 for Karl L. Lovelady and 131 for Leroy Saul.

### Lions Donate \$1,000 To WTSC Student Plan

The Muleshoe Lions club Wednesday voted to give \$1,000 to the Opportunity Plan for students at West Texas State College at Canyon, to be used in the financial aid of students desiring to complete their college education.

Although details of the administration of the gift have not been settled, the plan will generally advance in the form of loans, money to deserving students from this area at WTSC or who desire to attend WTSC.

Strict accounting of funds is kept through the office of Milton Morris, former district governor of Lions International, at the college, and all funds are paid back, to be loaned again to other deserving students.

Several hundred students have been able to attend WTSC through the Opportunity Plan, and it is the hope of the Muleshoe Lions club that students from Muleshoe and its environs may be aided through the club's donation.

In voting to participate in the Opportunity Plan, club members joined Lion Boss Wilbur LeVeque who said, "We feel that our club, as a service institution can find no finer way to serve our community than in aiding deserving young people to attain an education."

### Plans Announced For Vegetable Research Program

Plans to establish an 80 acre vegetable research experiment program on a new Texas Extension research station on the Plains, were announced this week.

Tentative plans call for the expenditure of about \$25,000 annually for vegetable research on the acreage.

But, points out county agent J. K. Adams, the research program will not go into effect unless farmers and businessmen of this area evidence interest in it by attending planning meetings to be held throughout the area.

A planning meeting is scheduled for tonight (Thursday) at 8 p.m. in the district courtroom at Littlefield, Adams said, and anyone wishing to attend, should contact him.

### Mrs. L. L. Lowery Funeral Services Are Held Thursday

Mrs. Sarah M. Lowery, 77, died July 29 at 10 a.m. in the home of a daughter, Mrs. Jerry Carter, at Hereford. Mrs. Lowery was a longtime resident of Muleshoe, moving here from Slater, Mo., in 1917.

### Four Day Pre-School Workshop For Muleshoe Teachers Begins Aug. 26

A four day pre-school workshop for all teachers and administrative personnel in Muleshoe schools will be held here beginning August 26 and continuing through August 29, superintendent Jerry Kirk has announced.

The workshop will be based on the theme of increasing the efficiency of teacher training. In a foreword to the program for the four day workshop, Mr. Kirk points out that teaching efficiency can only be measured by the student's "take home" knowledge, skills, attitudes and appreciation.

All the preparation, planning, presentation and evaluation is of little use, Kirk says, unless the student becomes more proficient in matters presented.

The workshop will begin with an 8 a.m. breakfast in the high school lunchroom, followed by a general assembly in the auditorium. A talk on the topic, "To teach is my task" will be a feature of the morning assembly program. Refreshments will be served by the Muleshoe P.T.A.

The afternoon session will be devoted to faculty meetings and discussion groups. Further discussion and research periods will occupy Wednesday of the meeting, with group leaders in charge.

On Thursday, August 28, registration of all grade school and junior high, details of which will be published later.

High school registration will begin August 29, and the balance of the day will be devoted to enrollment, faculty meetings and setting up class schedules.

### Max Barnett To Speak At Rally

Max Barnett of Littlefield will be the speaker at the Youth Rally to be held tonight at the First Baptist Church. The rally will begin at 8:00 p.m. and all youth are invited to attend.

### Savings Bond Sales Pass Halfway Mark

"Savings Bond sales for the first half of 1958 totaled \$71,997," Mrs. Inez Bobo, chairman of Bailey County's Bond committee reported today. "Our county has now reached 58.5% of its 1958 goal of \$123,000. June sales were \$4,239."

Sales in Texas for the first six months of 1958 were \$88,850,546 which was 3.4% greater than the same period in 1957.

"Every American who buys Savings Bonds is providing for his own future, adding to the strength of his country, both militarily and economically," stated Mrs. Bobo.

### Vaccinate Pets Monday At City Hall

Dogowners may have their pets vaccinated against rabies Monday afternoon at city hall between 1-5 p.m.

Dr. E. E. Krauss of Clovis will be on hand to administer the vaccine, and pet owners should have their pets at city hall between the above hours.

### Retail Sales Up In Bailey County

Retail sales in Bailey county in 1957 climbed more than \$1.1 million over retail sales in 1955, according to a survey just made public. Sales in 1957 were more than \$934,000 over those of 1955, also.

Retail sales in this county, above that of 83 other counties in Texas, totaled \$13,689,000 in 1957, as compared to \$12,755,000 in 1955, and \$12,556,000 in 1955.

The effective buying income of Bailey county residents in 1957 was \$13,140,000, giving local residents buying income greater than that in 66 other Texas counties.

### Bob Newton Is Prec. Chairman

Bob Newton of Bula was nominated and elected permanent chairman of this convention of Precinct 6 at the Democratic convention meeting last Saturday. R. P. McCall was nominated as secretary of the convention.

Seven delegates and three alternates were elected from the convention to attend the Bailey County Convention.

Elected were: Mrs. John Blackburn, Mr. and Mrs. E. P. Gage, Jim Claunch, Mrs. R. P. McCall, Howard Weaver, and John Hubbard.

### Funeral Monday For Father Of Jerry R. Kirk

Funeral services were held Monday afternoon at Sulphur, Okla., for S. H. Kirk, 79, father of Muleshoe school superintendent Jerry Kirk.

The elder Mr. Kirk passed away Saturday at Sulphur, after a lengthy illness.

He is survived by his wife, five sons, one daughter, a number of grandchildren and three great-grandchildren.

### Eleven Entries In Queen Contest For Friday Nite

Eleven contestants will compete for the title of Bailey County Farm Bureau queen in a contest to be held August 1 at 8 p.m. in Muleshoe high school auditorium. Winners of the first three places will receive cash awards, and the top winner will represent the county at the district queen contest to be held in September at Lubbock.

Entries received by the Tuesday deadline this week included Janice Latimer, Anonnie Hightower, Paula Kindle, Shirley Cox, Nancy Julian, Virginia Klutts, Betty Hutton, Elizabeth Moraw, Doris McBe, Rose Lee Millen, and Gwendia Lee Parker.

A talent hunt contest will be presented in connection with the judging of the FB queen contestants, with cash prizes to be awarded winners.

A rehearsal dinner for all competitors will be held tonight, July 31 at 7:30 in Leigons.

## Yarborough, Daniel, Gilbreath and Rogers Win In Bailey County Election

**STATE RACES**  
U. S. Senator Ralph Yarborough carried Bailey county in his successful bid for renomination in Saturday's Democratic primary.

The senator had a total of 913 votes to 653 for his opponent, former senator William A. Blakely. The latter led in only one box, Prec. 1, in Muleshoe, with 426 votes to 423 for Mr. Yarborough.

The vote cast for Congressman George Mahon, running for renomination with no opposition, about represented the number of votes cast in the county. He had a total of 1621.

Gov. Price Daniel was not troubled to outdistance all three opponents in the county voting; he had 1022 votes against 62 for Joe A. Irwin; 103 for Henry B. Gonzalez; and 370 for W. Lee O'Daniel. Gov. Daniel was renominated by Texas voters and no run-off will be needed.

**Ramsey Wins**  
Lt. Governor Ben Ramsey, seeking renomination, far outdistanced his young opponent, George Nokes, in the voting here. He had 1108 votes to 358 for Nokes and carried all boxes handsly.

John C. White, running for renomination as Texas Commissioner of Agriculture, had more votes than both of his opponents combined and carried all boxes. His total was 930; Glen H. Kothman had 133, Tom Griffin 308.

**Allcorn Favored**  
Bailey county voters favored Bill Allcorn in the race for commissioner of the General Land Office, giving him 832 votes against 372 for his opponent, L. J. Dimmitt.

Judge Robert W. Hamilton, seeking nomination as Associate Justice, Texas Supreme Court, Place 1, led Bailey county voting 620 to 126 for Wilmer B. Hunt and 215 for J. Edwin Smith. In the contest for Associate Justice, Place 4, Bailey countyans gave the nod to Joe Greenhill, 473 to 362 for Sarah T. Hughes.

Also renominated Saturday was Jesse M. Osborn, of Muleshoe, for representative, 96th Texas Legislative District.

**Couch Is Winner**  
Woodrow Couch, running for renomination as county commissioner for Precinct 2, Bailey county, amassed 183 votes in the two voting boxes at West Camp and Mays, against 76 votes for his opponents.

Sherman Inman received 41 votes and W. E. "Jinks" Meyers had 35.

**McCall Is Renominated**  
Also renominated by the voters was R. P. McCall, Commissioner in Precinct 4. Voting boxes in this precinct are Circleback, Bula and Baileyboro.

McCall led in each box and had a total vote of 159. P. A. Altman, a former commissioner for this precinct, had 46 votes and John Hubbard got 162.

**Others Renominated**  
Running without opposition and renominated by the voters were the following:  
E. A. Bills, district judge.  
Bill Sheehan, dist. attorney.  
Glen Williams, county judge.  
Dess Stafford, tax assessor-collector.  
Edith Wilt, county treasurer.  
Joe D. Vaughn, Justice of the Peace, Prec. 1.

**Postal Receipts Up 6.5 Percent**  
Postal receipts at Muleshoe postoffice for the 1957-58 fiscal year ending July 25, 1958, are up approximately 6.5 percent over the same period last year, postmaster Arnold Alcorn announced Tuesday.

Receipts in the local postoffice for the current year ending July 25, totaled \$29,481.54, as compared to \$28,029.74 for a like period one year ago.

The amount of increase of this year over last is \$1811.80, accounting for an approximate increase of 6.5 per cent.

**OFFELLOWS MEET WITH NEEDMORE**  
The Secretaries, Scribes and Clerks Association of the Plains Oddfellow organization will hold a district meeting, Saturday, August 2, in the Needmore Oddfellow Lodge. The meeting will be at 1 p.m.

**COUNTY RACES**  
Mrs. Hazel Gilbreath outdistanced her two opponents in the race for nomination as district and county clerk for Bailey county in the Democratic primary held Saturday. She had more votes than both opponents combined and a run-off without a run-off.

Mrs. Gilbreath, who for eight years has been chief deputy in the clerk's office, had 851 favorable ballots. D. M. (Jack) Obenaus had a total of 251 votes and C. P. (Calvin) Calvert had 467 votes in the county.

There won't be any August run-off election so far as Bailey county local races are concerned.

**Krazy Daze Sales Scheduled By 32 Stores In August**  
At least 32 Muleshoe merchants have indicated they plan to participate in the Krazy Daze three day sales promotion scheduled for August 14 through 16, by the retail merchants committee of the Muleshoe Chamber of Commerce.

The unusual promotion will include the sale of some strange items at even stranger prices, by clerks dressed in crazy looking costumes.

Almost half a hundred local firms will enter into the spirit of the promotion, displaying Krazy Daze banners in their windows, although some institutional type businesses will not dress their employees in unusual costumes or feature special sales.

Lyndal Murray and Muri Wilson, co-chairmen of the stunt are stressing the point that complete cooperation by all merchants in Muleshoe is necessary to insure the success of the three day event.

Cash prizes will be awarded on the afternoon of the final day of the promotion, for the most unusual costumes, selected by a committee of three secret judges.

**Postal Receipts Up 6.5 Percent**  
Postal receipts at Muleshoe postoffice for the 1957-58 fiscal year ending July 25, 1958, are up approximately 6.5 percent over the same period last year, postmaster Arnold Alcorn announced Tuesday.

**OFFELLOWS MEET WITH NEEDMORE**  
The Secretaries, Scribes and Clerks Association of the Plains Oddfellow organization will hold a district meeting, Saturday, August 2, in the Needmore Oddfellow Lodge. The meeting will be at 1 p.m.

**PARTY RACES**  
Harvey Bass, Muleshoe business man, was elected chairman of the Bailey County Democratic Executive Committee by voters in Saturday's Democratic primary.

He had a total county vote of 782 against 499 for his opponent, W. T. "Bill" Millen. Bass carried all boxes with the exception of Mays, where the two men tied with 11 votes each.

Bass will succeed Dr. B. R. Putman who resigned recently after being elected to the Muleshoe school board of trustees. In the interim, George Johnson has served as acting chairman upon request of the other members of the committee.

**Wollard Elected**  
Gil Wollard was elected chairman for Precinct 1, Muleshoe box. He received 517 votes against 248 for Bill Wilson, who was seeking re-election.

Other members of the executive committee, running for re-election without opposition, and re-elected Saturday, are:  
Tom Watson, Prec. 2, West Camp.  
B. M. Seals, Prec. 3, Mays.  
George Tyson, Prec. 4, Three Way.  
J. H. Damron, Prec. 5, Circleback.  
V. C. Weaver, Prec. 6, Bula.  
W. R. Young, Prec. 7, Baileyboro.

**Sixty-Six Absentee Votes**  
Apparently the number of ballots cast in absentee voting was 66. Joe Vaughn received that number, Edith Wilt, Jesse Osborn, and Dess Stafford the same.

**Child Burned In Thursday Fire**  
The young daughter of Mr. and Mrs. John Bruton received burns in a fire at the Bruton residence last Thursday evening about 6 p.m.

Muleshoe firemen answered the call and found that the little girl and her brother had set fire to a pile of lumber near a well house, and the child's clothing caught fire.

Damage to the lumber and well house was estimated at \$200.

**Muleshoe Group Requests Charter For Credit Union**  
Application has been made for a charter for a community credit union to be called the Muleshoe Federal Credit Union. A group meeting at Leigons' Tuesday night filed all necessary papers, and expect to have a favorable report by the first week in September.

J. D. Luton, of Lubbock, who represents the Texas League of Credit Unions in West Texas, was here to explain the operation of a community credit union, and to advise on organization. He will return when the charter is issued to guide the organization.

Meanwhile a drive for members will begin at once. Several fairly large groups of employees here in Muleshoe were represented at the meeting, as well as several managers and employees. The Credit Union offers a facility where small deposits may be made, there being no limit as to how little it may be, and where the member can build up his credit, secure small loans, and learn to manage better his own financial affairs.

Anyone residing in the city of Muleshoe and within a 25 mile radius of the postoffice here will be eligible for membership. Only cost is a 25 cent membership fee. Members of the Union will, at the time of the organization, elect 7 directors, 5 members of a credit committee, 5 members of a supervisory committee. Directors will then elect their officers and appoint a treasurer.

More information will be carried in coming issues of The Journal concerning the local Credit Union.

FARM BUREAU QUEEN CONTESTANTS. Here are six more entrants in the queen contest which will be held Friday night at Muleshoe high school auditorium. From left to right they are Virginia Klutts, Janice Latimer, Rose Lee Millen, Elizabeth Moraw, Betty Hutton and Shirley Cox.

### Barbara Bogard Honoree At Shower In Bula School Cafeteria Thursday

Miss Barbara Nell Bogard, bride-elect of Ray Kinnison of Seagraves, was honoree at a miscellaneous shower last Thursday afternoon. The Bula school cafeteria was the scene of the event.

Miss Sandra Spence registered approximately 75 guests in the bride's book.

The serving table, which was covered with a Madeira cut-work cloth, was centered with an arrangement of red carnations and greenery. Other table appointments were silver and crystal.

Red punch and individual white cake squares topped with red roses were served by Miss Carolyn Young and Miss Carolyn Reynolds.

The honoree was presented a corsage of white carnations to complement her red costume.

School friends of Miss Bogard made a scrapbook of her life and presented skits and songs for

each special event of her life.

### Miss Carol Jean Cartwright Marries Stanley Otwell In Morning Ceremony

MR. AND MRS. STANLEY OTWELL

The Main Street Baptist Church was the scene of the ceremony uniting Miss Carol Jean Cartwright and Stanley Otwell last Friday morning.

The Rev. Paul Robinson, pastor of the church officiated the double-ring ceremony before an archway of greenery and large white wedding bells.

Mr. and Mrs. J. W. Cartwright of Amherst are the parents of the bride and the bridegroom's parents are Mr. and Mrs. R. E. Otwell of Sudan.

The bride was attired in a day length gown of white Chantilly lace over satin accented with ruffled tulle encircling the portrait neckline which dipped to a low "V" in back. Tulle streamers flowed to the hemline from the bottom of the "V".

A white flower encrusted bandeau secured her shoulder length veil of illusion. The bride's flowers were blue carnations on a white Bible. White rhinestone studded satin shoes completed her ensemble.

Miss Betty Winfield of Littlefield attended the former Miss Cartwright as maid of honor. She wore a dress of blue taffeta, which featured a scooped neckline, a fitted bodice and a bouffant skirt. Like the bridal gown, Miss Winfield's dress was fashioned with taffeta around the

### Miss LaVon Copley Is Scholarship Winner Second Consecutive Year

Miss LaVon Copley, daughter of Mr. and Mrs. A. W. Copley, has been notified that the conservatory of music at North Texas State College has awarded her another music scholarship.

Miss Copley, who held a full music scholarship during the long session last year, will be a sophomore at the College in Denton, where she is majoring in organ.

Organist for the First Methodist Church here in Muleshoe since the age of 11, Miss Copley now serves in that capacity for the Methodist Church in Lewisville, near Denton. She was a student of Cecil Bolton of Lubbock for four years, as was her twin brother, Don.

Last year, Miss Copley won the title of Farm Bureau Queen of District 2 over a field of 11 contestants. She was also chosen, in 1957, as outstanding senior student in District 7 of the Texas Federation of Women's Clubs at a meeting in Amarillo.

LaVon Copley

#### CARD OF THANKS

I want to thank everyone for the kind reception given me during my campaign for Commissioner of Precinct 4.

I deeply appreciate the confidence expressed in me by reelection to the office and I will do my best to justify that confidence by making you a hand.

Sincerely yours,  
R. P. McCALL, Jr.

### Mrs. Claude Locke Honoree At Shower

Mrs. Claude Locke, formerly Julie James, was the guest of honor at a bridal shower last Friday afternoon in the home of Mrs. E. E. Dyer.

Approximately forty guests were registered by Miss Jackie Burton.

A fan of blue carnations, white gladioli and silvered fern formed the centerpiece on the serving table which was laid with a lace cloth and crystal appointments.

A blue cake in the shape of an umbrella and a ceramic bride and groom completed the arrangement.

Cupcakes, leed with blue, bear-shaped drinking straw handles formed inverted umbrellas and were served to the guests with pastel blue fruit punch.

Hostesses for the courtesy were Meses, Milton Forbes, Howard Cox, S. E. Goucher, Ingle Gatewood, Jerry Otwell, Elmer Davis, Walter Sain, N. W. Lee, F. Allison, Eddie Lane, Roy Dyer, E. E. Dyer, and Meses Jackie Burton and Emilee Jacobs.

### Sunday Barbecue With Friends Proves "Bad Day" For Mrs. Boyd Landers

A Sunday afternoon barbecue turned into quite an unfortunate day for Mrs. Boyd Landers.

Mrs. Landers, with Mrs. B. H. Wittingham and Mrs. Wittingham's mother-in-law, Mrs. Anne Farley of Long Beach, Calif., were preparing a barbecue supper at the Wittingham home last Sunday when rain forced them to shelter.

Mrs. Landers stepped off the porch and into a rain puddle. Her foot slipped and she fell, hitting her leg against the leg of the portable barbecue pit.

Dr. George Chambers was called to render emergency treatment. After X-rays were made, Mrs. Landers was taken by ambulance to Methodist Hospital in Lubbock where bone surgery was performed earlier this week.

Mrs. Landers is expected to return home this weekend or early next week, although it will be several months before she will be able to walk normally.

A former employee of Bobby's Beauty Box, Mrs. Landers is not expected to return to work for about a year.

### REMEMBER WHEN?

by JOHN CROW

The attention of Americans was largely on Germany that year... and the spreading terror which had engulfed all Europe. The United States was sending aid to Britain and adopting a stiffer attitude toward her enemy, Adolph Hitler's Nazi Germany.

In November that year two Japanese envoys arrived in Washington for peace talks between Japan and the United States. The negotiations dragged on through the month and into December, and little seemed to be accomplished. Still America looked toward the war that raged in Europe... and wondered when we would be drawn into it. Then, on a Sunday morning, December 7th, came the world shattering attack. The Japanese bombed Pearl Harbor, inflicting disastrous damage on the American fleet in the harbor. On the following day, Congress voted to declare that a state of war existed with Japan.

Remember the Year?

People who bought cars earlier that year weren't thinking about the possibility of not buying another car for many years to come. They little realized how much service those cars had to give... and how important dependable auto service would be.

The year was 1941.

Dependable service is important to every car buyer... from the initial "shake down" checkups to the periodic service and repairs which every car needs as it begins to wear. We're proud of our complete automotive service... and of the fact that most of the people who buy a car from us bring it back for dependable service when needed.

### MOCKS ATTEND FUNERAL

Mr. and Mrs. John Mock and family left Thursday afternoon for Marlow, Okla., to attend the

funeral of Mrs. Mock's grandfather, H. D. Miller, 78. Mr. Miller died Wednesday and funeral services will be held Friday in Marlow.

## Prec. 1 Elects County Delegates

Bailey County Democratic Convention will be held in the courthouse here at 8:30 p.m. Saturday, August 2. Control of the county convention by the conservatives, or Price Daniel adherents seems certain.

Here in Precinct 1 the convention held last Saturday elected a list of 41 delegates to the county convention and concluded its business in a few minutes.

Barry Lewis was elected permanent convention chairman, Mrs. Pat Bobo permanent secretary.

Precinct conventions were held in all except the Mays precinct.

Delegates chosen by the precinct convention here are:

Mr. and Mrs. Burl Black, Mr. and Mrs. H. S. Sanders, Jr., Mr. and Mrs. Morris Childers, Mr. and Mrs. W. T. Miller, Mr. and Mrs. Farris Heathington, Mr. and Mrs. Ray Griffiths, Mr. and Mrs. S. E. Goucher, Gilbert Lamb, Mr. and Mrs. J. D. Black, Mr. and Mrs. Charles Lenua, Mr. and Mrs. Pat R. Bobo, Mr. and Mrs. Bernard Phelps, Arthur Crow, Mr. and Mrs. Barry T. Lewis, Harrol Griffiths, Byron Griffiths, Jack Bruns,

Sam E. Fox, H. H. Carlyle, Mr. and Mrs. A. S. Stovall, Helen Stovall, H. O. Barbour, Clyde A. Bray, Travis Reed, Norman W. Bays, and Mr. and Mrs. Martin Oliver.

Revival Services

### Begin August 8 At 3-Way Church

Revival services will be conducted August 8-17 at Three Way Baptist Church, Maple. Guest evangelist will be Rev. D. R. Phillely, pastor of Phillips Memorial Baptist Church in Big Spring.

Guest evangelistic singer will be Harold Drennen, director of music at First Baptist Church

damage from the hail in Bailey county were Lonnie Wilhite, Jenks Meyers, Hugh Alexander, and T. H. Clem.

The hail area extended in a strip from West Camp community to Lariat community.

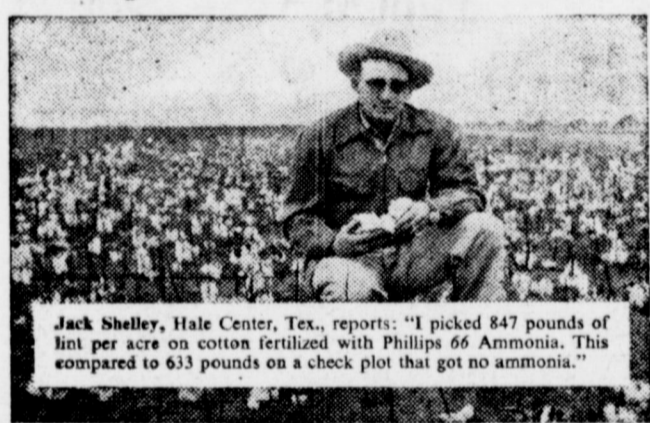

Heavy rains, as much as two inches, were reported from various spots in the south county, but no hail damage was turned in from that area.

## Hail, Heavy Rain Damages Crops In West Camp Area

A bit over 100 acres of Bailey county cotton and grain sorghum land was decimated by hail Sunday evening, with most of the damage located in the area southwest of Muleshoe around the West Camp community.

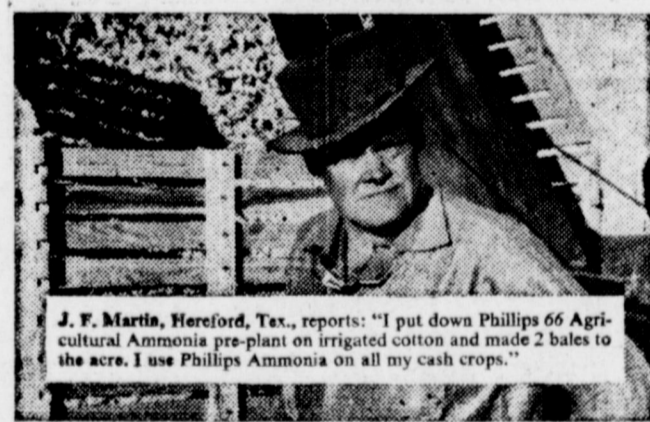

Among those reporting severe

## Phillips 66 Ammonia...

Jack Shelley, Hale Center, Tex., reports: "I picked 847 pounds of lint per acre on cotton fertilized with Phillips 66 Ammonia. This compared to 633 pounds on a check plot that got no ammonia."

## Gives Southwest Farmers...

J. F. Martie, Hereford, Tex., reports: "I put down Phillips 66 Agricultural Ammonia pre-plant on irrigated cotton and made 2 bales to the acre. I use Phillips Ammonia on all my cash crops."

## More Cotton Per Acre

From all over the Southwest, successful farmers report higher yields and more profit per acre using Phillips 66 Agricultural Ammonia. They get more cotton that classes higher at the gin... yields of sorghum grain and ensilage are increased... more marketable vegetables are harvested... and profits on wheat are increased through higher grain yields and extended grazing periods.

Phillips 66 Agricultural Ammonia contains 82% nitrogen and gives you more nitrogen per dollar than any other form of commercial fertilizer available.

## Bracero Users Group—Department of Labor Reach Agreement On Wage Scale Formula

The bitter controversy between the Department of Labor and the Mexican National Users, over proposed changes in wage formulas and policies for Braceros, has ended in a compromise agreement that is satisfactory to the User group. That is the information released this week by Joe Sooter of Muleshoe, who with Charlie Jackson of O'Donnell, represented the Plains Cotton Growers when the Users group met with the Department of Labor in Washington last Thursday.

The last meeting between the Department and the Users, held prior to the one last Thursday, ended on a discordant note with the Users charging the Department of Labor with intentionally devising new wage formulas that would set a minimum wage in agriculture, destroy the incentive of piece rate system and promote continuous rise or "escalation" of farm wages.

At the meeting last Thursday, the Users and the Department of Labor again went over the controversial proposals and as the discussion progressed, changes were made which were acceptable to the User group.

The three controversial wage formulas that were discussed and agreed upon were:

1. The 10%-90% formula in regard to the 50 cent per hour minimum on piece rate work.  
2. The 115% formula on piece rates averaging above 50 cents per hour.

3. The 40%-50% formula defining "prevailing wage".

**THE 10%-90% FORMULA**  
The 10-90 rate formula provides that if more than 10 percent of a crew, working on piece rates (as per hundred pounds in picking cotton), failed to make 50 cents an hour, it would be an

indication of "adverse effect" and would require an upward revision in rates.

Agreement was reached on this formula when Department officials submitted a memorandum which in effect stated that it was not the intent or purpose of the formula to guarantee a minimum wage or subsidize indolence or incompetence; that the 10-90 formula would not apply where there was evidence of indolence or incompetence; and that the achievements of other crews working in the area, under similar conditions, could well be used as a guide to determine the diligence of competence of a crew or worker not achieving the 10-90 goal. This removed the major objections of the User group.

**THE 115% FORMULA**

This formula provides that in areas where the prevailing wage is higher than 50 cents per hour, the crew average per hour on piece rates should be 115% of the "prevailing wage". This means that if the "prevailing wage" in an area was for example, \$1 per hour, then the crew average, working on piece rates, should be \$1.15 per hour.

The Users contended that the application of such an across the board formula would promote a slowdown of crew production since they would know that it would force a raise in piece rates if they did not achieve the 115% goal; that the crew average on piece rates need not be more than the hourly prevailing wage to be fair, and that sub-standard piece rate problems should be corrected on an individual employer or specific area basis and not by the application of a general formula that would penalize all Mexican National users.

Agreement was reached on

this formula when the Department of Labor concurred in the views held by the Users.

**THE 40-51 FORMULA**

This formula provides a new method for determining the "prevailing wage" in an area or activity. It stipulates that if 40 percent of the workers fall in one wage group then that rate will be the "prevailing wage". If no group comprises as much as 40 percent of the domestic workers then the highest wage paid to any worker or group of workers in the lower 51 percent of the workers in any activity will become the bottom of the prevailing wage range, and the range will extend upward from that rate to the highest rate paid in the activity.

The User group contended that the application of this formula would result in a continuous rise or escalation of farm wages. The Department contended that there would be no rise in farm wages other than a small initial rise that would not affect more than 15 percent of the farm wages. And that there would be no escalation following this initial rise.

A compromise was reached by the Users agreeing to a trial of the formula, and the Department agreeing that if any escalation developed they would call in the Users to reconsider the problem.

According to Sooter, the agreements required a retreat by the Department of Labor from the position they took in previous meetings. During the intervals between meetings, numerous Congressmen, Republican Party officials and the governors of Texas, New Mexico and Arizona rallied to the support of the Users, Sooter reported.

## Issue Warning On Dumping Trash On School Property

Continued use of school property as a dumping ground for tree limbs and other trash, this week brought a stern warning from Muleshoe public school officials.

John Thomson, school business manager said that the public must stop dumping trash on school property, or be prepared to take the consequences. Thomson said the vacant playground lot just north of DeShazo Elementary school was a particular target for trash dumpers, and warned that prosecution might follow the apprehension of anyone dumping trash on the grounds.

## ATTEND REUNION

Mrs. Cecil Tate, Gaylord Tate, and Mrs. H. B. Mathis attended the Barrington family reunion at Lake Brownwood last weekend. Mrs. Mathis and Mrs. Tate are sisters.

Sooter also stated that Congressional irritation over the Department's attitude jeopardized the extension of Public Law 78 (the Bracero law), which expires in June, 1959. Failure to extend the law would have meant the end of many jobs in the Department of Labor.

"All these factors", Sooter concluded, "contributed toward a more compromising attitude by Labor officials."

## Examinations To Be Given For 200 Vacancies In Highway Patrol Dept.

Competitive examinations will be given on September 16 in Lubbock; September 17 in Amarillo; and September 18 in Wichita Falls to fill approximately 200 vacancies in the ranks of the Texas Highway Patrol. Major R. A. Crowder, Regional Commander, announced today.

In making this announcement, Major Crowder, Commanding Officer of Region 5 of the Texas Department of Public Safety listed the following requirements:

An applicant must be between the ages of 21 and 35 years of age, and have at least a high school education or the equivalent. He must also be in good physical condition, be at least 68 inches, and not more than 76 inches, in height, and weigh not less than two pounds, nor more than three pounds, per inch of height. An applicant must also have been a resident of Texas for at least one year prior to the date of the examination.

Major Crowder pointed out that to the man who can qualify, the Department of Public Safety offers career employment with one of the most respected State Police Agencies in the Nation.

"We offer ten weeks of general training in Police Science, Tactics, and Administration under the direction of some of the Nation's foremost professional Police Authorities at the Department of Public Safety Police Academy at Austin", Major Crowder said.

He stated that men graduating from the Academy hereafter will be outfitted with the entire

new western type uniform which will be worn by all the Services of the Department.

According to Major Crowder, the positions offer many personal benefits, including job security, retirement benefits, annual vacations, the best in training, modern equipment, and sick leave. He stated that students will be paid while in training, with merit pay raises thereafter. A Patrolman may, if he possesses the necessary ability, progress to a top salary of \$380 per month. All uniforms and equipment are furnished by the Department.

Persons interested in making application for employment may pick up application forms and receive additional information at any Department of Public Safety Office or at any office of the Texas Employment Commission. Applicants unable to pick up application blanks at these offices may write to the Texas Department of Public Safety, Lubbock, and receive one. All applications must be in Austin by September 6, 1958, to be eligible for the September examinations.

## HAVE NEW DAUGHTER

Mr. and Mrs. Kirk Herrington, of Omaha, Neb., are parents of a girl, Deborah Kay, born Tuesday morning, July 29, in an Omaha hospital, and weighing 5 lbs., 10 ozs. The couple have another daughter, Gayla, age 2. Grandparents are Mr. and Mrs. Bob Herrington, Omaha, and Mr. and Mrs. Buck Creamer, Muleshoe.

## Local Men Drive To Georgia For School Buses

Five men, including school tax man Connie Gupton and school business manager John Thomson left Monday afternoon to pick up and drive back three new buses for the Muleshoe school system.

Making the trip by car, in addition to Gupton and Thomson, were Gil Wollard, Wink Thomson, and Ross Langham.

They will pick up two new buses near Macon, Ga., and a third at Kosciusko, Miss.

The group expects to return to Muleshoe Sunday.

### THIS WEEK —In Washington With Clinton Davidson THE CRISIS IN SCHOOLS

In September some 43 million Americans—one out of every four people in the nation—will go to school, most of them to overcrowded, understaffed, and ill-equipped classrooms.

In a nation of abundant production, great wealth and the highest standard of living in the world we have a "backward" school system. When the schools reopen there will be a shortage of 200,000 teachers and 150,000 schoolrooms.

Three million children will be entering school for the first time, and the only way we can make room for two million of them will be by overcrowding still further our already packed classrooms, and by spreading our teachers still thinner.

Those are parts of the distressing story of our school crisis brought out in a nationwide study by groups of educators and laymen and financed by the Rockefeller Brothers Fund. It is called the "Rockefeller Report."

#### The Worst to Come

Our school enrollment is increasing even more rapidly than our total population. Between 1870 and 1955, while our population was increasing four times, our public school enrollment was increasing approximately eighty times.

Some elementary and high schools and colleges have found it impossible to hire well-equipped teachers in such basic subjects as English, languages, and social science. Some have even had to drop chemistry, physics, and mathematics from their curriculum since there were no teachers to teach them.

The pressures will become more severe in the years ahead, when the population bulge will press even more urgently on already overburdened facilities. The shortage of both buildings and teachers is becoming increasingly acute.

**Educational Opportunities Limited**  
The study predicts that elementary school enrollments will rise from about 22 million today to about 34 million in the 1960-61 school year, an increase of over 50% in only three years.

By 1969 high schools will be deluged with 50% to 75% more students than they can now accommodate, and by 1975 our colleges and universities will face at least a doubling, and in some cases a tripling, of present enrollments.

"Not only must our educators handle a huge increase in the number of students," the report emphasizes, "but they must offer higher quality in education."

"We must not be forced to choose between educating the few well or the many poorly. There must be no limitation placed in educational opportunities. Our kind of society calls for the maximum development of individual potentialities at all levels."

The report recommends that local leadership and control over education be continued and that state, local and private funds continue as the major source of school revenues, and that Federal funds without controls, be used only to close the serious gaps in the total educational system.

mon and Mr. and Mrs. Jimmie Presley and son attended a family reunion of Mrs. Sweatmon's family at Wellington.

### Ruidoso Derby Set Sunday, August 10

The Ruidoso Quarter Horse Derby and the New Mexico Bred Quarter Horse Futurity are weekend headlines for the coming two weekends.

Nominees for the Fourth Annual running of the Ruidoso Quarter Horse Derby parade to the post Saturday, August 3, in the trials in an effort to remain eligible for over a \$200,000 purse. Should all enter the Trials, three divisions will be necessary to select the finalists.

The Derby will be run Sunday, August 10. Leading contenders for the race at the moment appear to be Mr. Bar None, Don Bar, Spanish Fort, Bar the Door, Fly Chick Fly, Apache Agent, Diamond 2 Bar, Arrived and Tonto Junjo, Mr. Bar None, winner of fifteen races and approx-

mately \$40,000 in less than two seasons of campaigning, seems to have a strangle hold on the field at the present, but the Trials may bring out some unheralded hopeful that will humble the better-liked colts.

An interesting angle was injected into the Second Annual Running of the New Mexico Bred Quarterhorse Futurity with the supplemental nomination of Nosey Josey for the race. This fine filly, owned by Ken Gaston, of Roswell, N. M., is a seven-time winner and has earned over \$15,000 to date. However, Nosey Josey is a thoroughbred and is tackling the "short" horses at their own game as the Futurity is at the 400-yard distance. Her last win was July 6 over 6 furlongs.

## Big Changes Occur In Agriculture

Agriculture has a highly shifting nature—big changes are in store and many have already occurred, according to Alvin B. Wooten, extension economist.

For example, U. S. farm population dropped nearly two million persons in 1956—an all-time record drop for any single year, says Wooten. But while numbers are decreasing, farm size is increasing. Since 1940, average farm size has increased 40 percent and investment per farm has shot up 300 percent (when inflation is allowed for). Farm land values have risen 40 percent in the last seven years.

Only 12 percent of the population is engaged in farming, says the economist. This means 12 percent of the population now provides the raw material to feed itself and the remaining 88 per-

## Parmer County Farm Bureau News

by Raymond Euler

It appears that a petition will be prepared and circulated in some areas of Parmer County requesting an election to create a weed control district. If such a district is created, it will mean that the Johnson grass on road right of ways within the district will be kept under control. A maximum of three cents per acre on land lying within the district can be levied to finance the weed control program. Control of weeds declared noxious by the board of directors would be mandatory, both on private and public land within the district.

There are certain regulations governing the creation of a weed control district and its operation. The act authorizing creation of such districts was promoted by Farm Bureau and passed by the

## Hoeing Wages Set At 55-65 Cents

Wage findings effective July 23 for Bailey county for hoeing cotton and grain with mixed crews, has been established at 55 to 65 cents per hour, by the Bureau of Employment Security.

## School Lunch Fund Increased In Texas

First installment of \$5,488,245 of federal funds for Texas schools in the national lunch program will be released by the food distribution division, Agricultural Marketing Service, Dallas, around September 1, reports John J. Slaughter, chief of the Dallas AMS office.

Texas public schools will get \$5,166,017, an increase of \$661,449 over last year and private schools will get \$322,228, an increase of \$72,570, according to Slaughter.

Funds appropriated by Congress for the program are released to the states according to the number of children between 5 and 17 years of age, inclusive, and the relation of the per capita income in the U. S. to the per capita income in the state.

The public school allotment for Texas will be used by the Texas Education Agency to reimburse schools in part for the food bought from local merchants. Texas private schools secure their allotments directly from Slaughter's office. Last year about 3,000 public and 131 private schools operating under the school lunch program spent about \$20,780,935 with local merchants for food, Slaughter said. They served 90,860,139 meals, nearly all with a half pint of milk and the average cost was about 25.4 cents during November, the peak month of participation last year.

"With the use of USDA funds and foods, schools can keep the cost of lunches at the lowest possible level", Slaughter said, emphasizing that each school determines the cost of its lunches

Weather conditions during the past weeks have been favorable for fruiting of cotton. Most plantings have good to excellent set of forms. Insect infestations have been light in a majority of fields. Fleahoppers were reported in light infestations in all counties. Medium infestations were found in some fields in Dawson, Hockley, and Yoakum counties. Since most cotton has a good set of fruit, the insects are causing little damage in most fields.

Bollworm activity continues light. While scattered eggs and small worms have been found throughout the area, no reported infestations were sufficient to require control. Since increased bollworm activity often follows irrigation in a week to ten days, cotton should be checked for eggs and small worms.

Cabbage looper ragging of cotton leaves has been more apparent during the past week. In most fields a majority of the worms were large or had pupated. Diseased loopers were common in many fields.

Spotted heavy infestations of aphids were present in scattered fields. Lygus bugs were found in small numbers in many fields, but no damaging infestations were reported. False chinch bugs occurred in light infestations on cotton in many fields, but were not reported seriously damaging at the present time.

The program is designed to improve the diets of school children and to enlarge the market of farmers. At the same time, it creates local business and jobs.

## WHAT ABOUT THE PEST SITUATION

Some expressed opinions to the contrary, there are not armies of imported fire ants gnawing at the very steps of the Texas State Capitol Building nor are there frightened South Texas mothers guarding their cribs against hordes of rats which come in the night. The pest situation is not at such hair-raising proportions.

But we do have serious problems with fire ants, rats, and other of nature's pests which will cost Texas agriculture hundreds of thousands of dollars in damage alone in this critical year.

The imported fire ant, subject of a great deal of national notoriety during recent months, has established itself in eastern Texas, and a concerted effort is being made, through quarantine inspections of soil-bearing plants, to curb any further westward movement. Where he finds a home, the fire ant builds its near-impenetrable mounds and makes misery for every creature that comes near. Results of the anti-ant push in recent weeks are encouraging.

Down in the Winter Garden area have appeared a number of nature's most unpredictable

And there are others—at least one serious pest for every major commodity.

South Texas pecan growers, for instance, are uniting to fight the destructive walnut caterpillar which has forsaken his namesake in favor of the best of all edible nuts—the Texas pecan. Cotton farmers have the boll weevil and the pink bollworm to contend with.

There is no point in denying the annoying presence of undesirable pests. The important thing is not to accept or give in to them. Because they can and will be coped with.

## Social Security Representative Here August 7

You may get your first social security check faster if you have proof of your age available at the time you file your claim, according to John G. Hutton, district manager of the Social Security Administration.

"But don't delay filing your claim just because you don't have proof of your age handy", he added.

While a birth or baptismal certificate is generally the best proof of age, certain other old documents or records are acceptable, Hutton explained. He suggests that persons who believe

they may have difficulty in locating proof of age communicate with his office for specific information on what types of proof are acceptable and how they may be obtained.

"Some people", Hutton said, "have gone to the trouble of establishing a 'delayed' recording of birth for social security purposes. Not only is this unnecessary, but in some instances, such a record is by itself unacceptable."

A representative of the Lubbock Social Security Office will be in Muleshoe on August 7 at 9:30 a.m. at the courtroom and will be glad to assist in all matters pertaining to Social Security.

by Mrs. Norman Hodges

Let's not forget the Farm Bureau Queen Contest the 19th of August. All girls in this area who are interested, please contact Mrs. Oscar Allison soon. Kenneth Duncan is our county chairman, so let's all get behind him and help him in this project.

Mrs. Oscar Allison entertained with a birthday party Sunday at the sandhills for her son, Mack, on his fourteenth birthday. Those attending were: Mr. and Mrs. Kenneth Osborn, Becky, Beth, and Steve of Lovington, N. M.; Mr. and Mrs. John West, Johnny, Butch and Katherine, Mr. and Mrs. E. K. Angeley and Patsy, Mr. and Mrs. Gerald Allison, Bobby and Larry, Mrs. Sam McKinstry, Veta, Freddie, Carolyn and Jack Allison, Carroll Kirby, and Billy Huckabee. Refreshments were served even though the rain almost drove them inside.

Rita Turner spent from Tuesday to Thursday at the District 4-H Leadership Encampment in Lubbock.

**County Fair Held**  
Fifty-five women registered for the County Fair held in the community building Friday afternoon. Home Demonstration clubs represented were Muleshoe, Oklahoma Lane, Rocky Ford, Spade, Sunnydale, Springlake, Pleasant Valley Social Club, and the hostess club.

Mrs. Vera Barnett acted as mistress of ceremonies for the afternoon. Mrs. Ruth Robbins and Mrs. Connie McMinn gave a skit. Mrs. Barnett also gave a skit.

The 4-H girls modeled the skirts and blouses they made, and the Home Demonstration club presented each girl with a white apron containing the 4-H emblem on it for completing their work this year. The girls then sang songs for entertainment.

Also singing were Carol Hendricks, Diana Blair, Shirley Gregory and Billy Huckabee. The 4-H girls include Veta and Caroline Allison, Sheryl Stephens, and Patsy Angeley. Those giving demonstrations were: Mrs. S. C. Caldwell and Mrs. S. L. Robison on candle decorating, Mrs. Elmo Stevens on textile painting and hobbies.

administration did not come into being until July 26, 1948.

It was on that date that Major General K. L. Berry, state adjutant general, took the oath of office as state director of Selective Service. Local boards went into operation at that time.

Colonel Schwartz, the present state director, pointed out Friday that Selective Service in Texas has been in "almost continuous operation" for nearly 18 years. Draft boards were established by law in 1940, lasting until March 1947. No boards existed from that time until the present act was signed by the President in June 1948.

First duty of the draft boards 10 years ago was to register the state's manpower from age 18 through age 25. About 450,000 men were registered in August and September 1948.

Since that time, the boards have maintained a constant inventory of military-age manpower by registering males as they became 18 years old. Registration now stands at nearly 1,100,000.

# MARTIN HARVEST HOARDER SYSTEM

THE MARTIN SYSTEM is a Drier and Storage Unit all in one. Yet it costs little more than ordinary storage facilities.

Large Farmer or Small Farmer — You can follow the 4 key steps to profits with A MARTIN HARVEST HOARDER SYSTEM.

1. Harvest early — at 33% Moisture Content. Gain 10 to 15 more bushels per acre because your crop doesn't stay in the field to dry, where it is at the mercy of the sun, wind and rain.
2. Dry with Low Cost Forced Air. Drying with forced air is cheap because the air is free and it takes only pennies a day to run the fan. Dry without danger of fire
3. Store in the Same Bin. Just turn off the drying switch and your crop is in storage. No expensive handling equipment or labor. Condition the grain at any time by turning a switch.
4. Sell or Feed More, Better Crops. Sell No. 1 corn or grain and you are free to sell any time of the year on better markets. Whether you feed or sell, the greater profits will soon pay for your Martin system.

## Today's Meditation

Read John 14:15-21.  
A new commandment I give unto you, that ye love one another; even as I have loved you, that ye also love one another. (John 13:34, ASV.)

Someone has stated that among the virtues love is not known, because love is all of them contracted into one. We understand the meaning of such a statement when we accept and act upon the fact that "God is love". It is through His love that God always expresses His great goodness.

Christ, the perfect One, has given us a new commandment that is most significant for all time—as He loves us, so we are to love one another. That is very difficult in a world that is becoming more complex. With our human weaknesses, how can we measure up to the standard of love that calls for the exercise of all virtues?

Dare we try, as Christ has further commanded us, to be perfect even as our Father in heaven is perfect? With the help of Christ, we can dare to be perfect in our thoughts, deeds, and expressions of love to one another in every area of life. Then we discover to our great joy and blessing that we are part of the heaven that

promotes Christian love.  
**PRAYER**  
Heavenly Father, it is our desire to love Thee as we should and to love one another, as Christ, Thy Son, has taught and exemplified. May Thy gifts of power and love be upon us as we endeavor to fulfill this desire: through Christ our Lord. Amen.  
**THOUGHT FOR THE DAY**  
Today I will try to love others as Christ loves me.  
—Harry W. Schuh (Md.)

**VISIT IN AMARILLO**  
Mr. and Mrs. R. A. Bradley visited with Mr. and Mrs. Curtis Crofford in Amarillo Sunday. Mrs. Bradley and Mrs. Crofford are sisters.

**VACATION IN COLORADO**

## WHEN'S THE TIME TO BUY A CAR?

**"WHEN I CAN AFFORD IT!"**  
Task, task! Too bad he hasn't checked up on car prices lately. He'd find that Ford is the lowest priced\* of the best-selling three!

**"WHEN THEY INVENT A CAR THAT DOESN'T NEED GAS!"**  
Gracious! The gentleman obviously hasn't heard about Ford's Mileage Maker Six—the modern short-stroke Six that delivered the most miles per gallon in Class A in the last two Mobilgas Economy Runs!

**"WHEN THE OLD CAR'S HAD IT!"**  
But it has... and so has his budget. If he could only have back all the money he's been paying out (and is going to pay out) in repair bills... he could be the proud owner of a 58 Ford!

**"WHEN MY PRESENT CAR IS WORTH MORE!"**  
Poor man, He's not only missing out on summer driving in a Thunderbird-inspired Ford... he's missing out on money! Doesn't he know that his present car will NEVER be worth more in trade than right NOW!

**"WHEN FORD DEALERS ARE GIVING THE YEAR'S BEST DEALS DURING FORD'S SUMMER TRADING PICNIC!"**

Smart fellow! He's buying NOW while Ford Dealers are holding their Summer Trading Picnic and giving the longest deals and the highest trades ever... and while the selection of models and colors is best. What's more, he'll find that Ford is the lowest priced\* of the best-selling three! Why not join him at your Ford Dealers?
