

1850 Southwestern Employees Work Million Man-Hours Without Accident

One million consecutive man-hours worked without a lost-time accident is the safety record achieved this week by the 1850 employees of the Southwestern Public Service Company. This is the longest continuous accident-free accomplishment in the company's history.

"This safety accomplishment, and we regard it as only our first goal, is of vital importance to our customers. It is safety which makes it possible for us to offer dependable, economical service to our customers when we reduce them to the minimum. Our employees have continued to work for this goal in the face of several setbacks, and now that they have reached their mark, you can be sure they will continue their efforts to add another million," A. R. Watson, Executive Vice President and General Manager, said.

The accident-free period started on January 30 of this year, and remains uninterrupted at the moment, with, as Mr. Watson points out, 2,000,000 man-hours the next goal of the electric light and power company employees.

The 1,000,000 man-hour goal was set first in 1953. Last year the employees worked one 910,000 man-hour period without an accident. Time ran out on them before it was again possible to amass a million before the year's end.

The goal was re-established for 1954, and after a temporary setback on January 29, the string of consecutive accident-free days, it takes nearly three and one-half months for the 1850 employees to work a million hours, reached the mark this week.

To more dramatically portray the magnitude of this accomplishment it can be pointed out that it would take one man working 2000 hours a year—that's 50 forty hour weeks, 500 years without an accident to work a million accident-free hours.

Southwestern Public Service Company's safety record is one of the most outstanding in the electric light and power industry. Last year, the industry averaged 11.50 lost-time accidents for every million man-hours worked, while Southwestern's figure was 4.52 per million man-hours. The 1954 figure for the Public Service company is now down to 1.56 lost-time accidents for every million man-hours.

DIXIE H. D. CLUB MET WITH MRS. CARL SPEARS

Mrs. Carl Spears was hostess to members of the Dixie Home Demonstration Club members at a meeting in her home Tuesday May 4.

Miss Wanda Roach presented an interesting talk on "Skin-Care." Roll Call was answered with "a helpful cosmetic."

A council report was given by Mrs. A. D. Smith.

Refreshments of banana nut cake and bottle drinks, were served to three visitors Mrs. J. A. Havens, Mrs. E. F. Bagby, Mrs. T. W. Spears and little daughter, Linda, Miss Roach, and 11 Club members. Mrs. A. C. Aycox will be hostess to the next meeting at 2:30 p. m. May 19 in her home.

FAMILY FLIES BACK FROM PACIFIC ISLE

Lt. Jack C. Goodman and wife and three children arrived in Tahoka last Friday for a visit with Mrs. Goodman's parents, Rev. and Mrs. Jim H. Sharp.

Lt. Goodman has been stationed at Guam, in the Pacific as a Navil Airforce Navigator. He and his family flew back to the States, arriving on the West Coast May 7. They will leave Friday to visit his mother and other relatives at Palestine.

He is to report to Whitty Naval Station, Washington, June 1 for duty.

The Goodmans and Rev. and Mrs. Sharp visited the latter's sons, Rev. J. B. and Milburn Sharp in Midland Monday and Tuesday. Miss Grace Marie Sharp

O'Donnell Teachers Resign Positions

The following teachers have resigned from the O'Donnell faculty: Mr. and Mrs. Choice Robertson, and Mrs. R. D. Worthington, who will be connected with the Irving Schools near Dallas.

Mrs. Refie Sanders, who plans to re-enter to college.

Mrs. Kenneth Sutton, who has taught in the commercial department the past three years.

Mrs. Ruth Jolly, who offered her resignation in the interest of her campaign for County School Superintendent of Lynn County.

By having this number of resignations, the Board was able to elect the remaining teachers who can qualify for positions by the beginning of the school term in September.

Theodore Roosevelt was the youngest President ever inaugurated.

a teacher in the Portales schools, was here over the week end to visit them and her parents.

PARDON MY PRIDE!

ONE MILLION MAN HOURS WITHOUT A LOST TIME ACCIDENT

... but I'm just bustin' my buttons over the fact that my fellow employees at the Public Service Company have worked one-million man-hours without a lost-time accident.

They've been striving for this goal for a long, long time, and have been mighty close to making it before. Yes, they made more than 600,000 hours one time, and 910,000 another, but they never quite hit the magic million. This time they have!

This safety record is, of course, very important to you. The safe worker is the dependable, productive worker, and the one that makes possible the most economical, as well as the best, electric service.

Making a million man-hours without a lost-time accident is like making your first million dollars—it's the hardest million. We're shooting for two, now, and hope to make it, for safety makes your service better.

Wilson News
MISS ANN DAVIDSON
Correspondent

A tea given in honor of Mothers was given May 2, at 3 p. m. in the home of Mrs. Beno Wilkie. A short program was given by Mrs. O. L. Brieger, Mrs. Arthur Hagens, and Mrs. Wilkie. Special music was given by Marion Stienhauser, Ellen Maeker, Verlene Ehlers, Geraldine Hagens, and Cnita Ehlers. A corsage was presented to the oldest and youngest mother. The oldest mother was Mrs. R. J. Nieman while the youngest mother was Mrs. Curtis Wilkie. Refreshments of punch, angel food cake, nuts and mints were served to approximately thirty-five guests. Guests attended from the following towns: Friona, Hereford, Slaton, Possey, and Wilson.

Mrs. Lonnie Lumsden wishes to thank each and everyone for the many cards, letters, and other acts of kindness shown her since her misfortune of breaking her hip. May God bless each of you is her prayer.

Mrs. W. J. Hancock left Thursday for several days visit with friends and relatives at Hearne, Texas.

Bro. J. A. Martin left Sunday for Decatur, Georgia to attend the Rural Pastors Conference.

Visitors in the Harry Hewlett home Sunday were: Mr. and Mrs. A. M. Cookston, Joe and Tom of Levelland and C. C. Cookston of White Face.

Mr. and Mrs. Howard Cook and Mrs. J. O. Robbins attended the state one act play contest in Austin over the weekend.

Mr. and Mrs. Orval Gryder of Lubbock visited Mr. and Mrs. Carl Gryder Sunday. Other visitors in the Gryder home Sunday were: Mr. and Mrs. S. H. Gryder of the Dixie community, Mr. and Mrs. Curtis Richey and family, and Mr. and Mrs. Grover Richey and family all of Meadow, and Mr. and Mrs. John Gayle.

The W. M. F. of St. John's Lutheran Church held their monthly meeting May 4. Slide pictures were shown by Mrs. McPherson

Story Features
McCord's Farm

The Yoakum County Review of Plains, published by Roger Curry, brother of Mrs. Borden Davis of Tahoka, and himself a former resident of Tahoka, recently carried a feature story on the farming operations of Rollin McCord of Tahoka.

Rollin owns a one section farm southwest of Plains, which he deep broke and put into cultivation last spring. It is irrigated by sprinkler system from four water wells.

Due to getting the land ready very late, Rollin had to plant most of the farm in feed, but he raised a fine crop.

However, his conservation practices were the topic of the feature story written by Wyatt Liscomb, work unit conservationist of the Soil Conservation District.

A thick cover left on the ground was cited as a fine example of a practice to prevent soil from blowing, return a large amount of organic matter to the soil, break the force of falling raindrops, prevent excessive runoff, and decrease evaporation.

An accompanying picture was taken of the field while a 30-mile per hour gale was blowing and visibility was less than half a mile to show that McCord's field was not being harmed.

The field was stubble left standing of combine maize which had been seeded in 20-inch rows. Such stubble had furnished excellent protection from the spring winds, the SCS man said.

of Slaton. A Mother's Day program followed. Mrs. A. Ahrens and Mrs. Beno Wilkie served refreshments to twenty members and several visitors.

Mrs. Willa Wakeland spent the weekend visiting her daughter in Austin.

Miss Lois Ware spent the weekend in Dallas.

Miss Gladys Kirtley visited relatives in Cleburne over the weekend.

The Junior Wilson Band of St. John's Lutheran Church met Tuesday evening.

Mrs. Roy Lynn Kahlich of Decatur visited friends and relatives here recently.

Blanche Groves and Lillie Handlay circles of the W. M. U. of the Baptist Church met Monday for Bible Study Mrs. Roger Blakney led the study.

Mr. and Mrs. L. G. Fuller and son attended the funeral services of their brother-in-law, E. N. McDonald, in Odessa Tuesday.

The Junior Girls Auxiliary met Monday afternoon for mission study. Eleven members and their leader were present.

Miss Dorothy Knippling spent the weekend with her parents in Sagerton.

"Mail Box Improvement Week" Will Feature Program Of Beautification

Postmaster General Arthur E. Summerfield has announced the week beginning May 17th as "Mail Box Improvement Week." This will be the sixteenth consecutive campaign to tidy up the official mail receptacles.

Local carriers request that the rural patrons in this area repair and beautify their mail box equipment and approaches to help lend brightness to the scenic beauty of the highways, roads and drives.

The Post Office Department is the most important agency in keeping the people of the nation informed. The rural delivery is a post office on wheels and many times these services are taken for granted and not fully appreciated. The carriers are trying to serve patrons promptly with as few mistakes possible. Errors are sometimes caused by patron's name being omitted on the mail box, especially when a substitute serves the route while the regular carrier is on vacation or sick leave. The substitute is not always acquainted with the route as well as the regular carrier.

Many boxes which are the highway billboards of the postal service, have become unsightly with rust, unserviceable due to a leaky condition, broken doors or no lids, missing signals, no name, supports being bent or rotted which need replacing, weeds and wild grass grown around the supports and approaches, and in many places the ground is rough and full of chuck holes.

Patrons are asked to cooperate

in improving their mail box equipment during this period, May 17, to 24. He desires that the routes become a source of pride for the patrons, the Post Office Department and the carriers. For those patrons desiring additional information on the proper size and height for their rural box, they may gain this information from the postmaster or the rural carrier.

COUNTY BOARD HONORS FORMER MEMBER

The Lynn County School Board in session Monday morning passed resolutions honoring W. W. Caswell for his long service as a member of the board.

Mr. Caswell resigned on April 3 because of ill health.

Board members present were B. M. Havens, acting chairman, Graham Hensley, H. B. Crosby, and Fritz Speckman, and Mrs. Lenore M. unnell, ex-officio secretary.

You'll never know how easy driving can be —

UNTIL YOU TRY A MERCURY

COME IN...DISCOVER MERCURY'S NEW 161-HORSEPOWER ENGINE, BALL-JOINT SUSPENSION, MERC-O-MATIC DRIVE AND EASY POWER FEATURES

It's an entirely different feeling from any car you've ever driven. So effortless and sure-footed you won't believe it until you try it.

The first thing you notice is the easy passing power that comes from Mercury's entirely new overhead valve V-8 engine. The secret is Mercury's new four-barrel carburetor with the two rear barrels vacuum-operated. These rear barrels deliver extra power at the precise second you need it.

Coupled with this new passing power is the biggest improvement in front-end design in many years—revolutionary new ball-joint suspension that lets you take every corner, every curve more smoothly—easier than you ever thought

possible. Two simple ball-and-socket joints replace old-fashioned kingpins that tend to bind and make steering stiff. These smooth-operating ball-joints give you a new feeling of road stability... of extra highway safety.

But you can make your driving still easier with Mercury's 5 easy power features.* Power steering, power brakes, a 4-way power seat, smooth, no-shift Merc-O-Matic Drive... even electric window lifts.

Come in and let us show you how easy driving can be—and why it will pay you to own America's fastest growing car. Take a demonstration drive in a Mercury today!

*Optional at extra cost.

IT PAYS TO OWN AMERICA'S FASTEST GROWING CAR —

MERCURY

IT'S AMERICA'S "BEST SELLER"
Because it's America's Best Buy

Ford has pioneered in bringing the most worth-while things to the most people... and more and more people are now buying Fords

FOR A LONG TIME, people have recognized that Ford is the "Worth More" car. And they have been expressing their preference in a great and growing volume of purchases.
The reason is simple. More and more people have found in Ford everything they want and need.
If you're in the market for any new car, Test Drive a Ford and find out what a brilliant performer it is and you'll really understand why Ford is America's Best Seller and America's Best Buy.
In the first place: Ford offers the two most modern engines in the industry: a new 130-h.p. Y-block V-8 and 115-h.p. I-block Six.
As for comfort—Ford is the only car in its field with Ball-Joint Front Suspension for handling and riding ease.
Choice, too, is a department where Ford excels. You'll find just exactly the car for you among the 14 body styles and more than 100 body color and upholstery combinations in Ford's three great lines.
Ford is a completely modern car. The advanced fine-car features that make it "Worth More" when you buy it, will also make it "Worth More" to someone else when you sell it.
Why not accept our invitation to Test Drive a '54 Ford... and see why America's best seller is your best buy!

FORD'S OUT FRONT
National new car registration figures for a seven-month period show Ford in the lead by thousands!*

WEEK

ODDS AND ENDS

(BY E. L. THE ELDER)

During the past two years, I have made mention several times of the little city of Acapulco, which has recently become Mexico's chief seaside resort on the Pacific coast, a place of marvelous beauty which the late W. G. Boyd of Wilson and I visited while we were in Mexico a little more than two years ago.

My Mexico correspondent, Senorita Aurora Gutierrez, who recently sent me a series of articles about the state and the city of Veracruz for publication in this paper, has now sent in an article about Acapulco, entitled THE ODYSSEY OF ACAPULCO. For the benefit of those who have never had occasion to study ancient Greek mythology or literature, the word Odysseus is the name of a long epic poem written by Homer, the greatest of all Greek poets, describing the wanderings and sufferings of one of the Greek gods, Ulysses, imaginary, of course—a hero of the Trojan War. It was written some 600 years before Christ but has been famous ever since as a masterpiece of Greek literature. The history of Acapulco is spoken of as an Odysseus because of the perils from storm and wind and sea-robbers that infested the islands of the South Pacific from the shores of Japan and China to its eastern shores along the coasts of Mexico, Central America and South America. Acapulco was the only possible port of any consequence along the western and southern coasts of Mexico. Now for the article. Quote.

Acapulco, thanks to new high-

cerning all these tribulations, Genelli wrote: "The voyage from the Philippines to America may well be called the longest and the most terrible in the world, not only because of the great ocean which must be crossed against head winds almost half way around the world and because of the terrible storms which are encountered, one after another, but also because of the sickness which attack the mariners, the violent changes from weather of torrid heat to bitter cold which wear down the strength of men of steel, and for the invariable lack of proper food on voyages of this kind. The unhappy passengers on these vessels enroute to the Promised Land of New Spain suffered no less than the Biblical Children of Israel on their pilgrimage from Egypt to Palestine. Hunger, pestilence, thirst, cold, continuous worry and other troubles were added to the terrible battering of furious waves." (To be continued.)

Now, in order to make the "Odyssey of Acapulco" more understandable on the part of the readers of this column, I want us to get clear in our minds the geography and the physical relationship between Mexico and the Philippine Islands and between Mexico and the Orient in general.

First, the city of Mexico is situated almost exactly on parallel 20 North latitude, which means that it is 20 degrees north of and parallel with the equator around the world. Going west from Mexico City this parallel runs directly through the Hawaiian Islands a few miles south of the city of Honolulu far out in the Pacific Ocean, and about the same distance still further west this same parallel No. 20 skirts the north edge of a group of islands bearing the name of Ladrones (Ladrons in Spanish mentioned above by Senorita Aurora, and then still further west it misses the northern end of the Philippines by scarcely more than one degree of latitude, and then strikes into Indo-China, a French possession, scarcely more than one degree south of the capital city of Hanoi, now very much in the limelight because of the frenzied attack being made upon it by a huge army of Chinese Communist demons intent upon driving the French out and thus making all southeast Asia secure for the thugs and the crooks of the Kremlin in Russia.

Not very far from this Parallel 20, the United States has a number of small islands which are fortified as naval bases, such as, particularly Wake, Johnston, Guam, Okinawa, and numerous

others. Both Great Britain and France have a lot of island possessions throughout the South Pacific. If these Chinese Communist demons should take Hanoi and Indo-China, it is not at all unlikely that they would then turn their guns on the Philippines, with the intention of eventually wresting Okinawa and Guam out of our possession "eventually," I said, I do not think they would attempt it any time soon. But there are countless millions of those Chinese, and the capture of Indo-China would add other countless millions to their number.

But getting back to our geography for a paragraph or two. Acapulco is about three degrees of latitude south of Mexico City, almost exactly on North parallel 17. A line running due west from Acapulco out across the Pacific would cut Luzon in the Philippines squarely in two, with Manila on the south side of this line. Furthermore, there are hundreds of other South Pacific islands lying south of this line, and in the days about which Aurora is writing the sea-robbers were

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upsets! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get relief but gentle relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

working among them like bees in a flower garden.

They operated further north also Japan lies across the Pacific due west of San Diego, Los Angeles, and San Francisco, and some of the pirates operated far up along the California coast.

Incidentally, the word Ladrones, or Ladron in Spanish means robber, and that accounts for the name of the Ladrones Islands.

Our observation is that there are some powerful robber nations across the Pacific, judging by the attacks made upon Pearl Harbor, the Philippine Islands, and South Korea in 1941 and during the ten years that followed. We finally whipped the "britches" off of them all over the Pacific, but it was a terrible fight.

And it looks now—as if we might be compelled to fight some more—but I hardly believe that Russia will start another war up on the United States. It would be just too terrible for the whole world, Russia included.

ONLY PHILLIPS 66 BRINGS YOU

Flite-Fuel

PHILLIPS IS FIRST to bring you a gasoline with the added super aviation fuel component, Di-isopropyl (pronounced di-iso-pro-pull). A Phillips exclusive, developed originally for highest performance military aircraft.

Phillips was the first to make Di-isopropyl and HF Alkylate—so valuable to smooth motor performance that, until recently, their use was restricted by the U. S. Government to high performance aviation gasoline. Now authorities have removed these restrictions, and these powerful components can be blended into new

Phillips 66 FLITE-FUEL. New FLITE-FUEL provides increased power, higher anti-knock performance, greater fuel economy and freedom from cold stalling. You also benefit from Phillips 66 controlled volatility and remarkable clean burning qualities which eliminate the need for an additive to combat engine deposits.

Only Phillips 66 FLITE-FUEL contains added Di-isopropyl. Get it at stations where you see the orange and black Phillips 66 Shield.

Wilson News

(Cont'd. From Page 1, Sec. 2)
 Mr. and Mrs. Curtis Richey and family and Mr. and Mrs. Grover Richey and family all of Meadow visited Mr. and Mrs. John Gayle Sunday.
 Mason Davidson visited his mother, Mrs. Pearl Davidson and Ann, over the weekend.
 Mr. and Mrs. Livouil Baxley of Lubbock spent Wednesday night with Mr. and Mrs. W. A. Baxley.
 Mr. and Mrs. D. W. Hancock of Lakeview were Sunday visitors in the home of Mr. and Mrs. Frank Schneider and family.
 The Wilson School band gave its annual spring concert in the Wilson High School auditorium Tuesday night.
 The First Baptist Church held a special Mother's Day program Sunday. As everyone entered the Church a rose was pinned on them by an intermediate girl. A Bible was presented to the oldest and youngest mother present. The oldest mother was Mrs. Nanie Rudy while the youngest one was Mrs. Mary Ann Roe. Bro. Martin then brought a special Mother's Day Message.
 Mr. and Mrs. Clarence Church and family spent Sunday with Mr. and Mrs. C. S. Childers of Merkel.
 Mr. and Mrs. Claude Coleman, Mrs. C. A. Coleman and Mrs. Jimmy Coleman and Kathy visited Mr. and Mrs. Charles Tyler at Spade Sunday.
 Visitors in the Ed Crowder home Sunday were: Mr. and Mrs. Benak and Marilyn, Mr. and Mrs. Bil-

ings, Calvin Sylvia, and H. V. all of Lubbock. Mr. and Mrs. E. S. Chastin of Georgia, and Lila Faye of Lubbock.
 Mr. and Mrs. Henry Dryer of Falls visited Mr. and Mrs. A. L. Holder Friday.
 Mr. and Mrs. Clyde Moore and family and Mr. and Mrs. Roy Moore were in Jacksonville over the weekend to attend the funeral of an aunt of the Mr. Moor's.
 The Mary Sunday School Class held their monthly party Tuesday night at the church. A covered supper was served to seventeen members, the members had their mothers as guests. Mrs. J. T. Campbell of Shallowater brought the devotional on "Building Better Homes."
 Mrs. Judson Hewlett, Jud, and Bruce had as their guests Sunday Mr. and Mrs. Walter Surovik, Darla, Bill, and Mike of Lubbock, Mr. and Mrs. John Griffen, Deborah, and Nathan, of Union, Mrs. Marion Black of Oklahoma City, and Mrs. W. E. Surovik of Lubbock.
 Mr. and Mrs. Leonard Briger and Mr. and Mrs. Buddy Briger and family spent from Friday until Sunday at San Angelo, fishing.
 Marvin Hagens is visiting his parents, Mr. and Mrs. Arthur Hagens.
 Mrs. Ira Clary carried her daughter, Carolyn, to the doctor Thursday.
 Jerry Dean Mahurin fell out of a tree Sunday and broke her left arm.
 The Brotherhood of Wilson Baptist Church met Monday night and enjoyed a Barbecue chicken supper.
 Daisy Standefer entertained the members of the eighth grade class with a party Friday night. Refreshments of cake and cokes were served to about twenty-five.
 Mr. and Mrs. W. J. Coleman of Ackerly visited the G. C. and L. A. Colemans Friday.
 Mr. and Mrs. Homer Campbell and Shirley and Mr. and Mrs. Homer Campbell Jr., and Virginia visited relatives in Merkel over the weekend.
 Mr. M. L. Murray accompanied his daughter-in-law to Greenville Sunday and returned Monday.
 Mr. and Mrs. J. A. Martin visited Mrs. Ira Crooks in the Plains Hospital Wednesday.
 Mr. and Mrs. Arvan Holder and family visited his parents at Grassland Sunday.
 The Wilson High School one act play cast left with their sponsors Wednesday for the state meet. They returned Sunday. The play from Wilson did not win anything. But Shirley Hewlett was named all star cast. Shirley Hewlett, Don Evelyn Joines, Don White and Dan Cook, Mrs. H. H. Hewlett and Mrs. J. C. Robbins made the trip.
 Mrs. Howard Cook, Mrs. Floyd Heck, and Mrs. John Heck attended an announcement tea for their niece and granddaughter in Idalou Sunday afternoon.
 Mr. and Mrs. D. C. Roberts of Post visited Mrs. Earl Davidson, Ann and Mason Sunday.
 Mr. and Mrs. Roger Blakney entertained with a 42 party on Saturday night. Those present were: Messrs and Mesdames Jack Blevins, Floyd Heck, Arvan Holder, Erwin Sander, Jiggs Swann, George Williamson all of Wilson and Messrs and Mesdames Mack Blev L. C. Unfred of New Home.
 The Junior Class was host to the Seniors with the annual Junior-Senior Banquet Monday night in the school cafeteria. The theme "Hitch your Wagon to a Star"

 FUEL FOR A GROWING EMPIRE

"Best Seller" for 3 good reasons

Buick now outsells all other cars in its price class and above

You've probably noticed it right in your own neighborhood. Bright new Buicks appearing here, there, everywhere. And more and more of them in recent weeks. Know what's happening? Folks in growing numbers - (and maybe you'll be joining them soon!) - are finding Buick styling, performance and value far too wonderful to pass up. So Buick is selling at a record pace - outselling all other cars in its price class and above. Matter of fact, latest figures for the first quarter of 1954 show that, in total national volume, Buick is outselling every other car in America except two of the so-called "low-price threes."

A look and a ride and a peek at the price tag will be all you'll need to know what's back of this best-selling success. There's styling in Buick that's the greatest beauty advance in years - the very look of tomorrow - and with the spectacular panoramic windshield that's part and parcel of this dream-car look. There's performance in Buick as never before - with record-high V8 power, with the sensationally smooth whip of Twin-Turbine Dynaflo,* with the buoyant ride of all-coil-springing, with a new precision of control and handling. And there's value in Buick that's hard to match - with prices starting near the "low-price three" - prices that buy more Buick beauty and power and thrill and sheer automobile than smart money ever bought before.
