Tax Re-Allocation Election Is Called

Lynn county Commissioners' Court has ordered a tax re-allocation election for Saturday, August 21, in which all qualified property taxpayers voters are asked to participate.

Approval of the proposal will not raise taxes in any manner, but is necessary by law to allocate tax monies to proper funds for operation of the county's business.

Such a re-allocation was approved by the voters on Dec. 22, 1947, but Texas laws require that such a re-allocation, when found necessary, must be approved by the voters every six years.

The statutory tax rate is 80 cents, of which 25 cents is provided for the general fund, 15 cents for the jury fund, 15 cents for roads and bridges, and 25 cents for permanent improvements.

Since this amount is not needed for the permanent improvement and jury funds, but since more is needed in the general and road and bridge funds, the Commissioners Court is proposing the following division of the 80-cent tax: 35 cents, general fund; 25 cents, road and bridge; 5 cents, jury; and 15 cents, permanent improvements.

County Convention Set For Saturday

Lynn County Democratic Convention will be held Saturday at 3 p. m. in the district court room, according to John Saleh, county chairman.

Precinct conventions were held in several of the 12 precincts last Saturday. These meetings went off very quietly in Lynn county, as in contrast to "fireworks" which broke out in some counties between conservative and liberal forces.

Scouts Tell Of Mountain Trip

Four Tahoka Explorer Scouts, Guy Witt, Karl Prohl, John Ed Redwine, and Jerry Freeman, returned home Saturday night from Philmont Boy Scout Camp in the mountains of Northern New Mexico.

Scouts from every state in the Union were at the camp, and Guy says he and Karl enjoyed the experience even more than they did the National Jamboree.

Tahoka furnished four of the eight Explorers in the patrol from the Tejas and Quanaah Parker districts, the other four being from Seagraves.

The patrol spent eight of their ten days while at Philmont on an 80-mile hike through a wilderness area of the mountains. The boys carried most of their provisions in a pack, and slept in tents at night. They saw possibly 200 deer and other wild animals.

Each of the four Tahoka boys received four out of six awards at the camp, these being in Camping, Conservation, Nature Study, and Woodsmanship.

DOCTOR PREPARING TO OPEN OFFICE

Dr. Noble Rumbo has rented the Fenton building next door north of the county agricultural building, and is remodeling the interior for offices and a clinic.

Mrs. W. G. Briles is a medical patient in Tahoka Hospital.

Burglars Hit O'Donnell Store

Burglars broke into O'Donnell postoffice and Ellis Chevrolet Co. some time during Tuesday night, taking \$35.75 in cash from an unlocked safe in the automobile firm but failing to open the postoffice safe.

No arrests have been made, according to Sheriff Norvell (Booger) Redwine, who has been investigating the crime along with postal authorities. It is believed at least two men entered the buildings.

Entrance to each building was gained through a skylight on the roof. Nob of the postoffice safe was knocked off, but the burglars failed to open it. The 1,000-pound safe was dragged about 70 feet to the rear of the building. They brought a cutting torch and oxygen tank from the auto firm to the postoffice which played out before they could cut through the safe.

Congratulations:

Mr. and Mrs. L. L. Watley of route 1 on the birth of a son weighing 6 pounds 11 ounces in a Lamesa Hospital Wednesday, July 21. Name, Harvey Lamoine. Mr. and Mrs. H. M. Jenkins and Mr. and Mrs. L. A. Watley, all of route 2, are the grandparents.

Mr. and Mrs. Dick Franklin of O'Donnell, route 3, on the birth of a daughter weighing 7 pounds 2 ounces at 3:47 p. m. Monday in a Lubbock hospital.

Mr. and Mrs. Ralph Laswell of Snyder on the birth of a daughter weighing 7 pounds Sunday at 11 p. m. in a Colorado City hospital. She has been named Lynda Beth, and Mr. and Mrs. John A. Roberts of Tahoka are the proud grandparents. The Laswells teach in the Snyder schools.

HOT AT BOWIE

Last week end Mr. and Mrs. W. T. Kidwell and children carried Mrs. Kidwell's mother, Mrs. W. R. Rogers, down to Post Oak, near Bowie, for a visit with her sister. W. T. says people who think it hot on the South Plains haven't seen anything. He says the temperature there was 106 degrees in the house at 10 a. m. Sunday and the humidity was high, too.

In this world of turmoil and strife, what is a minute compared to a life?

Dates Set For County Fair

Dates for the 1954 Lynn County Fair were set for September 22 and 23 by Association officers at a meeting held Monday night. All exhibits must be put in place on Sept. 21, and judging will be on Sept. 22 and 23.

Run-Off Set In Three Offices

Three races for state offices go into a second primary on August 28, but there will be no run-offs for local offices in Lynn county. Final unofficial tabulation of state returns, with less than 2,000 votes still out. Governor Allan Shivers was leading Ralph Yarborough by 23,852 votes. Shivers had 866,226 to Yarborough's 642,374 out of 1,344,730 cast. Cyclone Davis had 16,147, and J. J. Holmes had 19,963.

For Associate Justice of Supreme Court, Few Brewster of Bell county had 461,167 to 315,373 for Alfred M. Scott of Travis county, and these two enter the run-off. For the Court of Criminal Appeals post, Lloyd W. Davidson of Travis county had 328,800 votes and Alan Haley of Wichita county had 241,002 to enter the run-off.

Scouts To Appear On TV Program

Tahoka Boy Scouts will appear on a TV program over KDUB, Lubbock, Monday, August 2, at 6:30 p. m., according to Mitchell Williams, president of the Chamber of Commerce, who arranged the program. The boys will advertise the annual Boy Scout swimming contest being held at the Tahoka pool Friday, August 6.

CHILD STILLBORN

A boy still-born to Mr. and Mrs. Frank Rodriguez, who live on the Joe Unfred farm at Petty, Wednesday midnight at Tahoka Hospital will be buried here Friday.

Showers Aid Some Sections

Showers varying from a mere sprinkle up to an inch or more fell over much of Lynn county Wednesday morning starting at about daylight.

Tahoka received only .24 of an inch, but scattered areas north of town received as high as 1.23. More than an inch was reported at Carter's store eight miles north and more than an inch was reported northwest of New Home. Wilson had a half inch. Most of the north half received from a quarter to an inch. The showers tapered off to the south and east of Tahoka. A heavy shower also fell east and south of Draw Wednesday evening.

Total rainfall for the year is now 8.19 inches in Tahoka. This was the first rain since June 14 when .70 fell. The last heavy rains were in mid-May. However, cotton is still holding up unusually well, although the crop is beginning to wilt in spots and will need rain soon to do its best.

The heavy acreage in feed this year will be cut short in production because of the past six weeks of hot, dry weather. Most of the old feed has burned badly, and younger feed is needing rain immediately. Wednesday's showers will be a big help to many farmers, it is believed, but even these farmers need more rain.

Baby Hurt In Fall At Home

Little Leslie Raye Halamick, age 15 months, was injured when she fell from a second story window at the home of her grandparents, Mr. and Mrs. Paul Halamick, Sr., at about 8:30 p. m. Wednesday.

She had a head injury and severe bruises, but they were not believed to be critical, attendants at Tahoka Hospital said. X-rays were to be taken Thursday morning.

The little girl had gone upstairs with her grandmother, Paul Jr. said, to open some windows. While Mrs. Halamick was looking the other way, the tot fell out one of the windows on the east side of the house.

She is the daughter of Mr. and Mrs. Paul Halamick Jr., of Galveston, who are here visiting his parents. Paul is a pharmacist in Galveston.

There will be fun and entertainment, free ice cream and soda pop, according to members of New Home Civic Club, sponsors of the event.

Entertainment in the amateur contests will include songs and dances, instrumental music, comedy skits, hillbilly band, etc. Some club members will "attempt" to present some music with Joe D. Unfred playing a trombone solo, J. W. "Red" Edwards singing a vocal solo, and a "mystery couple" doing the Black Bottom.

If you don't like fun and fellowship, don't come, members of the club state.

Mrs. Minnie Fender, 64, formerly of Tahoka, died at 9 a. m. Thursday in Amarillo of a stroke. She had been ill about six weeks, and visited here with her daughters, Mrs. Everton Nevill of Tahoka three weeks ago.

Funeral services will be held in Amarillo Saturday. Mrs. Fender moved from Tahoka to Amarillo about 12 years ago.

One new Lynn county official and two new precinct officials were nominated in the Democratic Primary election held Saturday. There were only 2380 votes cast, far below normal, but the vote cast about equaled the number of poll taxes paid.

Mrs. Ruth Jolly defeated Mrs. Lenore M. Tunnell for County School Superintendent by a vote of 1708 to 653. Mrs. Tunnell will have held the office 16 years next January 1.

Woodrow (Ode) Brewer of Draw defeated C. W. Roberts of Grassland, running for a third term, for Commissioner of Precinct 2. The vote was 278 for Brewer and 248 for Roberts.

D. Sanders defeated C. A. Clem for the office of Justice of the Peace, Precinct 1, Tahoka, 620 to 424. Present incumbent, A. L. Dunagan, was not a candidate.

J. E. (Red) Brown was returned to the office of Tax Assessor and Collector over Marvin J. Munn, the vote being 1598 to 747.

Thomas Reid was re-elected County Treasurer by a vote of 1383 to 917 for his opponent, James W. Smith.

Clarence Church of Wilson was again named Commissioner of Precinct 1, defeating his opponent Herbert Watson, from the east part of the precinct, 571 to 377.

These were the only contested county races.

In canvassing the returns Tuesday, County Chairman John Saleh and the Democratic committee found that J. T. (Jack) Brice had received 21 write-ins for Tahoka Constable. There were also write-in votes for Garland Pennington and W. L. Rowe. Brice is currently serving as Constable, being elected by write-in in 1952.

Officials re-elected without opposition were: W. M. Mathis, (Cont'd. On Back Page)

Miss Lina Waller Dies Suddenly

Miss Lina Ruth Waller, 15, daughter of Rev. and Mrs. Homer D. Waller, new residents of Tahoka, died in Tahoka Hospital at about 11:30 a. m. Wednesday.

Funeral services were held Thursday at 4 p. m. in United Pentecostal Church, of which her father is pastor, with the Rev. Frank Martin of Plainview officiating. Burial followed in Tahoka Cemetery under direction of Stanley Jones Funeral Home.

Lina Ruth was born at Walnut Springs July 26, 1939, and she was just two days past her fifteenth birthday when death came. The family moved to Tahoka July 19 from Colorado City. Death is believed to have been from a brain abscess.

Survivors include the parents; one sister, Juanita, and one brother, Homer D. Jr., both of the family home.

Former Citizen's Rites At Draw

Mrs. R. D. (Margurete) Humphreys, 85, who died in Amarillo Tuesday, will be buried at Draw Cemetery this afternoon. Funeral services will be at Draw Methodist Church at 1:30 p. m. Friday.

Mrs. Humphreys left here about thirty years ago after having lived at Draw for some years. Her husband is buried there.

She is survived by one daughter, Mrs. Lenora Weaver, with whom she was living at Amarillo at the time of her death. A son, Mike Humphreys, was drowned in a lake while trying to make a rescue in 1924. Two daughters also preceded her in death, Mrs. Agnes Ash of Lubbock and Mrs. Rena McDaniel of Oklahoma.

Farm Labor Will Be Available

Grassland Farm Labor Association is set up to take care of almost any farm labor situation, according to Carl Jones, president, and E. L. Short, secretary. The local office has been set up on a permanent basis.

Farmers are urged to sign up housing papers at this time so there will be no delay when Bracero labor is needed. The Association is also prepared to help the farmer obtain barracks furnishings.

Cost of getting each laborer to the farmer here, including transportation and meals en route government expense, etc., is \$17.50, but the farmer gets to deduct \$4.00 from each worker for insurance, leaving a net cost to the farmer of \$13.50.

The Association's office is across the street from the Keltner Hotel, phone 210.

Two Ladies Visit In Hawaiian Islands

Miss Echo Milliken of Tahoka and Mrs. Inez Knight of Lubbock, formerly of Tahoka, are expected home this week end from Hawaii. The two ladies left July 14. They flew from Los Angeles to the Islands, and expected to return to the States by plane.

Herman (Curley) Reid and daughter, Sandra, of Opelika, Ala., were here the past week visiting his parents, Mr. and Mrs. Thomas Reid, and his brother, Charles, who with his family came down from Hereford. Herman owns and operates a grocery store in Opelika. His wife, for several years, is doing fairly well, Herman reports.

As vows were spoken, Mrs. Rockne DeShazo and Miss Roberts sang "Always" and "I Love You Truly," accompanied by Mrs. Clay Bennett. Following the ceremony, Lynn Mink sang "The Lord's Prayer." The Rev. Jimmy Murphy offered a wedding prayer.

Given in marriage by her father, the bride was attired in a gown of ice blue tulle over white taffeta, styled with a fitted midriff accented with strapless bodice. Completing the ensemble was a white, long-sleeved jacket of Chantilly lace trimmed with seed pearls.

Her shoulder-length veil of illusion was attached to a small lace hat adorned with orange blossoms. She carried a white Bible beneath two light blue orchids arranged with gypsophelia.

Attending her sister as maid of honor was Miss Betty Findt of Lubbock. She wore a ballerina-length dress of royal blue organza over taffeta fashioned with a fitted bodice accented with pleated shoulder straps and a circular skirt.

Bridesmaids, who were Mrs. Ted Corbett of Shreveport, La., Mrs. Willis McNeill and Miss Ann McFarland, Childress, wore dresses styled identical to that of the maid of honor in light blue. They carried fans of sweetheart roses.

Serving his brother as best man was Cpl. Rockne DeShazo. Ushers were Garland Shaw of Lubbock, and the Rev. Jimmy Murphy and Lynn Mink of Childress.

At a reception in the church parlor, the bride's table was laid with white lace over blue and decorated with bouquets of the attendants and a tiered wedding cake. In the house party were Miss Juana DeShazo, Miss Wanda Marlin, Miss Jane Adair, Mrs. Wayland Mitchell and Mrs. James McNeill.

The couple will be at home in Lubbock today. For a wedding trip to New Mexico, the bride wore a sheath dress of white linen trimmed with blue and white accessories.

The bride was graduated from Tahoka High School. At Tech, where she is a senior majoring in journalism, she is president of Theta Sigma Phi, vice president of Association of Women Students, and is a member of Forum. She is employed by Camp Fire Girls of Lubbock.

A graduate of Childress High School, the bridegroom is employed by Ater-Whitwell Lumber Co. in Lubbock.

Dry Sizings Adds Lot to Garments

The Dry Sizing system, recently installed by Ayer-Way Cleaners, really does a wonderful job of restoring the new luster and body of new garments.

Gravel says the cleaning industry has always been plagued with garments being limp and lifeless after a few cleanings but now due to advancements in dry-sizing and equipment, it is possible to re-vitalize those limp garments to their new texture and stiffness without using a wet starch that dulls our pastel colors.

This dry sizing is added to our regular cleaning solvent where all garments needing additional body are thoroughly rinsed. Dry sizing does not alter the measurements of any garment, although it does help them retain their original shape.

For the finest cleaning, using the most modern techniques of the cleaning industry, try Ayer-Way Cleaners.

Mrs. J. Y. Thompson Owner Of "Mystery Farm" No. 3

Fifty-four people correctly identified "Mystery Farm" No. 3 as being that of Mrs. J. Y. Thompson, who lives six miles east of Tahoka.

Mrs. Corene Cathcart and C. A. Marlin were the first Tahokans, a tie, to guess correctly, and Mrs. C. L. Walker of Route 2 was the first rural reader to guess the picture correctly.

Mrs. Thompson's beautiful farm home is located on the Post Highway east of Tahoka. She has 252 acres adjoining the house which is farmed by Elvis Philpot. She also owns three sections of farm land in Cochran county, and has a half section irrigated farm in Pecos county.

The Tahoka farm was originally owned by the late Frank and Alee Vaughn, who "took up" three sections in the vicinity in the early days of Lynn county's history. Her late husband, who died February 10, 1952, bought up 355 acres of the Vaughn estate about 16 years ago, but sold a part of the farm a few years ago.

The couple built the two story rock veneer garage-apartment when they bought the place. Then four or five years ago they built the beautiful rock-veneer home.

Mrs. Tompson's maiden name was Della Curry, and she is a sister to Wiley Curry. She and Mr. Thompson were married in Hill county in 1908, and they moved to Lynn in 1916.

They have three daughters, Mrs. Pauline Walker of Jacksboro, Mrs. Grace McIlwain of 29 Palms, Calif., and Billie Brooks of Brownwood.

The News identifying the farm were:

MRS. R. R. ADAMS IN HOSPITAL AT TEMPLE

Mrs. Roy Adams of Wells underwent surgery on her left knee in a Temple Hospital Thursday of last week.

Roy writes The News that the entire knee cap was removed, and that doctors assured them she will have normal use of the leg again. They hope to be home next week some time.

Mrs. Adams received a crushed knee cap and other injuries in a car accident at Leveland on June 14.

Mr. and Mrs. Homer St. Clair recently had their News subscription changed to Garner, Texas. Homer was formerly manager of Cicero-Smith here and later at Lamesa. They write that Mrs. St. Clair's mother, Mrs. S. N. McDaniel of Tahoka, has been taking treatments at a sanatorium in Mineral Wells.

It's not new, it's just been dry sized at the Ayer-Way. 41-ltc

Agent Discusses Cotton Insects

Cotton insects, both harmful and beneficial, were discussed by County Agent Bill Griffin before Tahoka Rotary Club Thursday noon of last week.

There are about ten beneficial insects found in our cotton fields, he said, the principal four being lady bugs, or beetles; orris, or flower bug; the big-eyed bug, and the lace-wing fly.

Principal damage done in this area to cotton is by thrip, fleahoppers, and bollworms. He minimized the damage that is done by leafworms.

Most of these insects were displayed live in glass containers by Mr. Griffin.

He described the insects, methods of control, the damage or good they do, etc.

Adrian Evans, E. R. Blakney, and Joe D. Unfred, all of New Home Civic Club, were special guests of the club, and Mr. Unfred issued an invitation to all Tahokans to attend the big free talent contest and community party at New Home the night of Monday, August 2.

Alton Cain and Granvel Ayer arranged the program.

Mrs. E. C. Patton of Guymon, Oklahoma. "I use my left-overs for planned-overs! There are many reasons my home freezer is a saving. I always look for economy, because with four growing boys, it takes plenty of food and clothing."

Behind my home freezer door, I have a store at home that is open 24 hours a day, 7 days a week. No more trips to the grocery store when one expects company drops in. I have complete meals in my freezer which include a variety of meats, vegetables, and poultry.

ELECTRIC HOME FREEZERS ARE AVAILABLE IN UPRIGHT OR CHEST MODELS

All homemakers are looking for economy these days, and the home freezer is one of the best places to find it. Better meals at lower cost, with less work, is the assurance a home freezer will give you.

and then some forty or fifty miles further on. So, he was now in Missouri, or in the land that was to be Missouri. He had been out there just a few years, when Thomas Jefferson made that big land deal. I figured that Daniel Boone, out there in the Wild West, might have found out about those Mandan Indians, especially in the light of the World Book...

Well, I guess that Boone was the best scout that ever came down to pike or rode through the brush either, but after he had made quite a jag of money at surveying and serving as a public official he set some city slicker beat him out of all his earnings. Flat broke, he decided to go west and grow up with the country, so he moved away out to St. Louis.

bought the Louisiana Territory. He must have had a long and intimate acquaintance with Jefferson when he was living east of the Mississippi and east of the Allegheny and Cumberland Mountains. He had been an officer in Braddock's Army and assisted George Washington after Braddock was killed in extricating and saving a portion of the army from total destruction. He had had much other experience in fighting Indians and had spent much of his life in Jefferson's home state, Virginia. He was 69 years old when Jefferson purchased the Louisiana Territory. Naturally Jefferson knew that the Indians in the purchased territory would constitute one of the most delicate and dangerous problems for his Administration to deal with.

"MANDAN"—A vigorous tribe of Siouan stock, which had been almost wiped out by epidemics of small-pox and by old-time raids by the Sioux. Little is known of their early history except that they were gradually crowded north along the Missouri River, and finally in 1837, were reduced to one village on the Knife River in eastern Montana. In 1870 they were living near the mouth of the Heart River, a tributary of the Missouri also in eastern Montana. Only about 200 yet remain, and they live on the Fort Berkehold Reservation in North Dakota. While they were free, their houses, built of logs, were low roofed, and chinked with mud and grasses. Great herds of buffalo on the Plains supplied them with meat and warm robes for the long cold winters. The dressed hides, when stretched between posts, made comfortable beds; placed over willow frames, they formed queer tub-like canoes. The Mandans raised beans, corn, sun-flowers, and tobacco.

Now, let's put together a few known facts. According to the World Book and the old P. F. Collier encyclopedia, the Mandan Indians were a comparatively small and unimportant tribe of Indians. At some time in the past they had resided as far south as Arkansas, but were being pushed or had been pushed gradually up the Mississippi and the Missouri Rivers to the Sioux Indian country. They were related to the Sioux but had been oppressed and reduced in number by the Sioux. Apparently they were not of a war-like disposition.

In the second place, Daniel Boone had been living down or very near the Missouri River for several years, when Jefferson

Edwards Breaks Under Strain

Mayor E. R. Edwards is completely irresponsible for anything he did or said last Saturday. Friends say he finally broke under the strain.

All he had on Saturday was the wedding of his daughter, Jan, his job as election judge of voting precinct 1, his job as Mayor of the City, of Tahoka and his job as manager of the Union Compress.

To cap it all off, a bunch of relatives piled on him for the wedding. It was then that Roy broke down and began imposing on his friends (?) or former friends.

G. A. Scott of Dallas, brother-in-law, says his car was taken away from him and he and his family were sent to the home of Mr. and Mrs. "Cotton" Carter for food and lodging. Calloway Huffaker and family had sensed the impending crisis and had left town on a fishing trip. In spite of this, Roy took over Calloway's

home and let another bunch of relatives "root hog or die" at the Huffaker home.

Scott says he understands Roy's plight to some extent. But, one thing, Roy had better remember when he comes to board with him in Dallas next time is that he's going to have to go slow on the red beans and sow-belly.

AT BASEBALL CAMP

Garland Huddleston and Gordon left Sunday for Meridian, where they are spending three weeks, until August 14, at a summer baseball camp for boys.

It's the Hit that's writing New History

TAKE a look, if you please, at the car and the styling that are changing historic sales standings.
Take a look at the beauty and the buy called Buick—the car that is forging ahead to new sales heights in the 1954 market.
Take a look at the new best seller that has moved into the "Big Three" of the nation's top sales leaders—into that very exclusive circle that for two decades has held only the so-called "low-price three."
For today, as national sales figures for the first five months reveal, Buick is outselling all other cars in America except two of these "low-price three." And each new

month firms Buick's new position.
It takes solid worth to bring this about—a lot more automobile per dollar in Buick than in other cars. But it also takes the glamorous new tomorrow styling that is Buick today. It takes the highest V8 horse-powers, Series for Series, in all Buick history. It takes the room and comfort and ride and handling that are Buick's proud tradition.
And it takes a range of cars to satisfy a wide range of people—with prices that most people can well afford. So you find the low-priced SPECIAL, the high-powered CENTURY, the extra-spacious SUPER, and the custom-built

ROADMASTER—the four big reasons for Buick's tremendous sales success.
Come in for a demonstration and you'll see what we mean.
With the years-away styling of this glamor car, you'll be way ahead at resale time. And right now you're money ahead with the big trade-in allowance our volume sales can bring you. Drop in this week.
