## Signing Members For Country Club

Fifty-two people representing most communities of Lynn county attended an enthusiastic meeting at the Legion Hall Tuesday night at which definite plans for forming the T-Bar Country Club and recreation center were formulated. The group included about a dozen ladies.

O. C. Elliott, acting as temporary chairman, explained the proposal on which a number of citizens have been working for many weeks.

In fact, some work has already been done on the site even before setting up a definite organization. The site is 125 acres out of the northwest quarter of the school building section.

Everyone present, which included delegations from O'Donnell, Wilson, Grassland, and New Home, seemed enthusiastic over prospects for success of the recreation center. In fact, a number from these communities have already signed membership blanks.

Only the golf-country club part of the project was taken up at this meeting. However, plans are already underway by J. E. Nance and others for an airport with two runways, and by the Scoutmaster A. V. Barnes and Boy Scouts for a park and camp area.

Mr. Elliott, helped by J. E. (Red) Brown, told of plans for a nine-hole grass greens golf course, club house, putting green and driving range. The course has already been laid out and dicing of the land started for planting of grass on the fair ways. An interested citizen has offered to drill the water wells. Tractors, grass seeders, trucks, and some labor have also been offered as donations to do the work.

Plans are to make the project strictly a county-wide affair open to everyone. In order to finance the project, memberships are being sold at \$100.00, preferably payable in a lump sum, but having a provision where by a person may pay \$25.00 cash and the remainder in 12 monthly installments. Each membership entitles use of the facilities of the country club by the member and his household.

Backers of the project declare that the sooner sufficient members enroll, the quicker work will start on the course.

The airport and Boy Scout sites, and any other community or county civic organizations may have space for projects of a county-wide non-profit nature.

The land will be administered by a Board of Trustees, in the name of the people of Lynn county, composed of the administrative officer of the local bank, W. B. Slaton; the county judge, W. M. Mathis; the mayor, E. R. Edwards; president of the Rotary Club, A. M. Bray; President of the Garden Club, Mrs. John Witt; and Truett Smith, selected last week by the ministers to represent the churches.

At Tuesday night's meeting, Truett Smith was elected temporary president and Ray Adams was named secretary-treasurer.

In caucuses held by delegations from each area, the following were named chairmen of the temporary steering and membership committee: New Home, Kay Moore; Wilson, Arvan Holder; Grassland, Harry Lee Short; O'Donnell, J. T. Forbes; Tahoka, Lester Streh; and a woman member, Mrs. Myrna Verner.

Everyone interested is invited to meet back at the Legion Hall on Tuesday night, Nov. 16, at 7:30 p. m., to make further plans.

**MEXICAN BABY DIES**

Ellick Alejandro Garcia, age six months, son of Mr. and Mrs. Pablo Garcia of Petty, died Monday in Tahoka Hospital.

What safety needs is more back seat drivers.

## Tahoka Scouts Get Eagle Award

Two Boy Scouts from Troop 21, Tahoka last Sunday afternoon received their Eagle Awards at a Special South Plains Area Council ceremony in Lubbock.

Denver Ford, son of Mr. and Mrs. Roy Ford, and Cecil Hammonds, son of Mr. and Mrs. Cecil Hammonds, were the Tahoka boys who received the Eagle badges, the highest award in Scouting.

Also attending the ceremony were the parents of the two boys, Scoutmaster, A. V. Barnes, and a number of Tahoka Boy Scouts and other Tahoka citizens.

This gives Troop 21 five active Eagle Scouts. The other three are Guy Witt, Karl Prohl, and John E. Redwine.

## Plan Paving In County In 1955

The Texas Highway Commission has taken the first step to inaugurate a new two year Farm-to-Market Road Program for Texas. E. H. Thornton, Jr., Chairman of the Highway Commission stated that the funds for this program are being derived from the Federal Aid Highway Act of 1954, matched with State Highway funds on a dollar-for-dollar basis.

Mr. S. C. McCarty, District Engineer of the Texas Highway Department at Lubbock, Texas, has stated that the following farm-to-market roads in this area are scheduled for work under this program:

From FM 211, 2.0 miles East of Lakeview, North to Lubbock County Line, a distance of approximately 4.4 miles.

From end of proposed Farm-to-Market at Garza County Line West to Gordon, a distance of approximately 2.3 miles.

Mr. McCarty stated that this year the Commission has authorized the development of some roads which will serve the dual purpose of service to the adjacent land as well as aiding in the development of the entire area of the State.

It was announced that work will begin on these projects just as soon as final planning is completed and right-of-way secured. Resident Engineer, F. C. Stanley, will be in charge of the work in this area.

## Burglars Enter Three Businesses

Burglars entered three Tahoka business firms some time during Wednesday night, taking a total of only about \$30.00 in cash. Nothing else of consequence has been missed.

Bill Chaney Service Station and G. H. Chestnutt Service Station were each entered by breaking out a window pane. A piece of tin was pulled off the Jones Grocery to gain entrance.

Sheriff Norvell Redwine, who has been investigating the burglaries, said Chaney lost \$15 in cash, Chestnutt \$3 or \$4, and Jones \$8 or \$10.

## Gavino Vasquez Is Death Victim

Gavino Vasquez, 74, a farm worker for W. A. (Dub) Fultford, died last Friday of a heart attack in Tahoka Hospital, where he was taken for treatment.

Funeral services were held here Sunday at 4 p. m. by a Catholic priest, and burial in Tahoka Cemetery was under directions of Stanley-Jones Funeral Home.

DR. A. HOPE OWEN

## Wayland President Coming To Wilson

Dr. A. Hope Owen, president of Wayland College of Plainview, will preach at the 11 a. m. service next Sunday at Wilson Baptist Church.

Rev. John Martin, pastor, invites all people of the area to come out and hear Dr. Owen.

## Farm Bureau Exceeds Quota

Lynn County Farm Bureau is over the top on its annual membership drive, having signed up a total of 512 members, the local office reports.

The quota was 500 members. As a result, this county will be entitled to five votes at the annual State Convention in Galveston November 8, 9, and 10.

N. E. Wood is the new president of the Lynn County organization.

Puerto Rico means rich port.

## First Frost Is Received Here

The first frost of the fall came Sunday morning, when the thermometer went down to 29 degrees, and again on Tuesday morning there was thin ice at a temperature of 30.

Most farmers say the frost will help, killing cotton leaves and allowing the sun to dry out cotton bolls and permit them to open. However, many farmers hope a hard freeze will stay off a few days. A hard freeze would damage sappy bolls not quite mature.

Possibly 65,000 bales have been ginned in Lynn county to date. Some areas report the harvest about 70 percent complete, while the irrigated areas may be no more than 60 percent complete.

The coldsnap has sent some of the Mexican Nationals scurrying for warmer climates but there are still many pickers in the county. After a hard freeze, many farmers will use mechanical means of gathering the remainder of the cotton.

Tahoka has recorded 13.51 inches of rain this year. During October, 2.06 inches fell in town 27 on October 1, .46 on the 5th, .96 on the 6th, .28 on the 7th, and .09 on the 27th.

## Roy Appling's Brother Buried

Walter Appling, 71, brother of Roy Appling of Grassland, was buried Wednesday of last week in Fairview cemetery, between Hamlin and Stamford. His wife is buried there.

He died on October 23 while visiting a daughter in Long Beach, Calif. He made his home in Snyder with another daughter, Mrs. Bentley Baize, and husband.

SUE WILLIAMS

## Tahoka Girl Is Librarian Officer

A Tahoka girl, Sue Williams, was elected secretary of the Teen Age Library Association for District 1 at its annual meeting in Dumas Saturday.

The association is made up of High School library assistants. Next year's meeting will be in Lubbock.

Bobby Draper, also of Tahoka, was district vice president this year and was in charge of program arrangements at the Dumas meeting.

Those attending the meeting from Tahoka were Mrs. Opal Pittman, local librarian and sponsor of the Tahoka High School Library Club, Virginia Gable, and Bobby Draper and Sue Williams.

## PATIENT IN HOSPITAL

Mrs. K. R. Durham entered the Tahoka Hospital as a patient Wednesday.

J. P. Bradley of Lubbock is a patient in Tahoka Hospital, having entered Wednesday.

## Bulldogs Play Slaton Tonight

It's do or die again tonight for the injured-riddled Tahoka Bulldogs when they meet the improving Slaton Tigers in an important District 5-AA game at Slaton.

The Bulldogs must win to stay in the race for the district title, and Slaton faces exactly the same situation, as does Spur Bulldogs in a game at Abernathy, Post is idle.

Tahoka won last week over Abernathy here 29 to 18 in a thrilling homecoming game, but had previously been tied by Post 13-13. Slaton defeated Post and the previous week had been tied 13-13 by Spur.

The local boys will get a well-needed rest next week-end before

their final scheduled game here with Spur on November 19.

Coach Bill Haralson's squad has not been up to top strength because of injuries for several weeks. Last Friday, Halfback Tommy Franklin was lost to the team with a shoulder injury; the week before, End L. W. Castleberry was lost when he received a chipped bone in his foot. Others are either out of action or battered and bruised. The 1954 team has suffered more injuries, possibly, than any team ever had here.

Slaton started off slow, but has been gaining steam in recent weeks. The Tigers record follows: Lost to Coahoma 14 to 13, to Sea-

graves 18, to 13, to Olton 13, to 0. Then, won over Ralls 19 to 13 and Floydada 12 to 6, tied Spur 13-13, and defeated Post 35 to 20.

Coach Homer Tompkins' team operates from the spread, single-wing, double-wing, and T. The offense is built around Halfback Ronald Smith, 165; Fullback Wayne Muse, 168; Halfback Lee Ham, 165; and Quarterback Wendell Aiken, 150.

Among the linemen are: Harold Trout, 203, center; Don Wright, 240, James George, 198, and LeRoy Bloodworth, 172, tackles; Loran Gilliland, 193, and Tracy Crawford, 156, guards; Tommy Shearer, 170, Dickie Thomas, 145, and Ronald Woolver, 150, ends.

## Lynn County "Mystery Farm" No. 18

Two readers of The News may get a six month's subscription by identifying the above Lynn county farm home: The first town resident and the first rural resident to call The News will get the subscriptions. Owner of the home will be presented a free enlargement of the picture on calling at The News.

## Clem Elected; Vote Here Is Very Light

### Chamber Plans Bigger Program

Plans for Christmas decorations and programs and for a membership drive were made at a meeting of Tahoka Chamber of Commerce officers and directors Thursday night of last week.

Due to limited finances, few new Christmas lights will be bought this year but the present lights will be used to best advantage possible in decorating the courthouse. Fred McGinty heads a committee in charge of the decorations.

On the suggestion of W. B. Slaton and others, who believe that the C. of C. does not have sufficient funds with which to operate, a membership drive is planned. Present income is only \$106.00 per month, plus a few members who pay annually. Directors voted not to increase the dues, but to seek more members and to urge the larger business institutions to take out more than one membership at \$2.00 each per month.

Plans were discussed for again sponsoring the Junior Livestock Show in February or March, and the C. of C. will furnish \$350.00 of the prize money, with the Rotary club furnishing the other necessary \$100.00. County Agent Bill Griffin was present to tell of his plans for this year's show.

In view of limited finances, President Mitchell Williams and Secretary Gene Jones said they felt the C-C had done much work during the past few months of value to the town, county, and individual members.

They listed some of these projects:

1. Sponsored parade, radio, television and newspaper advertising for Lynn County Pioneer Association Reunion.
2. Sponsored Tahoka night on Personality Puzzle program of KDUW-TV.
3. Sent delegation of club boys to College Station.
4. Sponsored TV program and newspaper publicity in weekly papers of area on Boy Scout Swim meet held here.
5. Provided refreshments for Soil Conservation tour.
6. Promoted better relations by sponsoring delegations to community meetings at Grassland, Wilson, and New Home.
7. Extended first bale premium to entire county, with help of county ginner, and raised largest premium ever given for a first bale in this county.
8. Passed resolution to Commissioner's Court on four-lane highway proposal.
9. Sponsored rides for football boys after each day's practice session.
10. Set up three-man secret committee to investigate and approve or disapprove all solicitations of funds from merchants. All members are urged to help the Chamber in its solicitation program by refusing solicitations unless the solicitors bears a letter of approval from the C. of C.

Progress of the 1954 Census of Agriculture is being delayed because farmers have not completed the forms which were sent to them by mail. This work comes from the director of the census to Bill Griffin.

Failure to complete the census questionnaire slows down the enumerators and greatly reduces the number of farms which can be visited each day, explained Mr. Griffin. This makes the work of the enumerators more difficult and materially increases the cost to the undertaking.

The information which farmers are being asked to supply is not only valuable to them in planning future operations but to business men who supply the farm market's needs; agricultural leaders to whom farmers look for guidance and the agencies and organizations which service agriculture. Too, says Mr. Griffin, the census information on the nation's agricultural resources is of vital importance to the 163 million citizens of the country.

The nation's taxpayers are footing the bill for the census taking job and point out that anything which a farmer can do to speed up the work will reduce the cost. All farmers who have not completed the census questionnaire should give it immediate attention so it will be ready for the census taker when he visits the farm.

## Garnolia School Holds Carnival

About \$400.00 was raised for the school lunchroom program by the school Halloween Carnival held at Garnolia School last Thursday night according to Ivan McWhirter, principal.

Minnie Lee Mathis won the contest for school queen.

A large crowd was present and enjoyed an evening of fun.

Mrs. Susie Locks is the other teacher at Garnolia this year. Garnolia school extends its thanks to the business men who made contributions to the success of the event.

Only 928 votes were cast in Lynn county in the General Election held Tuesday, with a majority turning thumbs down on six of the eleven proposed amendments to the Constitution of the State of Texas.

Except in a race for Justice of the Peace, Precinct 1, won by C. A. Clem over Sam Reid, there was little or no interest in the rest of the ballot. Only a scattering of Republican votes were cast, a total of 31, to be exact.

An unofficial tabulation of the voting on the amendments was made by County Judge W. M. Mathis Wednesday, with the official tabulation to be made after a canvass of the votes next week.

Voting on the amendments in Lynn County follows:

Old age assistance: 467 for, 249 against.

Retirement credits: 355 for, 328 against.

Employee benefits: 271 for, 374 against.

Confederate pension fund: 499 for, 196 against.

State salary raised: 274 for, 409 against.

Toll road grants: 328 for, 346 against.

Women jurors: 318 for, 401 against.

Four year terms for county officers: 279 for, 413 against.

Hospital districts: 269 for, 402 against.

Military voting: 463 for, 203 against.

Tax officials: 411 for, 211 against.

**Farm Census  
Now Underway**

Progress of the 1954 Census of Agriculture is being delayed because farmers have not completed the forms which were sent to them by mail. This work comes from the director of the census to Bill Griffin.

Failure to complete the census questionnaire slows down the enumerators and greatly reduces the number of farms which can be visited each day, explained Mr. Griffin. This makes the work of the enumerators more difficult and materially increases the cost to the undertaking.

The information which farmers are being asked to supply is not only valuable to them in planning future operations but to business men who supply the farm market's needs; agricultural leaders to whom farmers look for guidance and the agencies and organizations which service agriculture. Too, says Mr. Griffin, the census information on the nation's agricultural resources is of vital importance to the 163 million citizens of the country.

The nation's taxpayers are footing the bill for the census taking job and point out that anything which a farmer can do to speed up the work will reduce the cost. All farmers who have not completed the census questionnaire should give it immediate attention so it will be ready for the census taker when he visits the farm.

**HAT GIVEN WALKER**

Clint Walker, who has been handling the public address system at home football games for a number of years, was presented a \$25.00 Stetson hat last Friday night at the game in appreciation of his work.

The "pot" for the hat was raised by Mayor E. R. Edwards, and the presentation was by Supt. Otis Spears.

Local fans will agree Clint does the best job of anyone in this area in announcing the games.

with the  
**NEW BOONE TWO-ROW COTTON STRIPPER**

Fits More Makes and Models of Tractors than any other Mounted Harvester

**NEW** Sealed Anti-friction Bearings eliminate daily lubrication, reduce friction, increase efficiency and provide longer life.

**NEW** Full Floating Stripper Boxes are self-adjusting from 38" to 40" row centers. They are pivoted on the center of gravity, enabling the flexible pickup fingers to maintain sliding contact with the ground, gathering in the lowest bolls.

**NEW** Longer Double Stripper Rolls harvest taller cotton. There are no projections on the rolls to tear the cotton and reduce the grade. Smooth double rolls gently remove the cotton from both sides of the stalk, resulting in a higher stripping efficiency than is possible with a single roll.

**NEW** Design for Tractor Mounting makes the Boone easiest to install of all mounted strippers available today.

**NEW** Power Train with larger, hardened steel gears operating in an oil bath; high carbon steel sprockets; sealed ball bearings throughout; and separate slip clutches on each conveyor shaft, gives long life with low power requirements and minimum maintenance.

**What Cooperators Are Doing**  
People in the Lynn County Soil Conservation District are busy improving their farms from the standpoint of soil and water conservation measures, and for increased production.

Billie Hancock of New Home, is bench leveling 80 acres and has installed concrete pipe for more efficient water application. Hap Smith has started terracing on 93 acres east of Tahoka. He says he wants his terraces now in order that he may catch and hold any rainfall that comes from now on.

**Water Conservation Problem**  
Landowners in the Lynn Coun-

ty area will be interested in a series of articles on water problems of Texas now running in SOIL AND WATER, the non-profit magazine published by the Association of Texas Soil Conservation District Supervisors.

"Texas has enough water, but Texans don't," the article in the November issue points out, explaining that the average run-off of surface water, the water which flows down the streams of the state, is 53 billion acre-feet. Of this amount, less than 5 million acre-feet are used, the rest running into the Gulf of Mexico.

"This isn't to say," the article continues, "that many Texans aren't short on water, because they are, but the state as a whole has far more water available than is used or is likely to be used in foreseeable future."

"To say this though, still leaves the water problem unanswered," the article adds. "A city running low on water can get no more comfort from the knowledge

**Clem Winner For Justice Peace**

C. A. Clem was elected Justice of the Peace of Precinct 1, Tahoka, in the General Election Tuesday over his written opponent, Sam Reid, by a margin of almost two to one. The vote was 306 to 157.

Mr. Clem, who was defeated by a small margin in the Democratic primary by Dee Sanders, who died a few weeks ago, was selected by the County Democratic Committee for a place on the ballot.

Two weeks ago, Mr. Reid, on the solicitation of friends, entered the race as a write-in candidate and made an active campaign for the office.

The result by voting boxes follows:

	Clem	Reid
South Tahoka	63	49
North Tahoka	155	70
Garnolia	22	0
West Tahoka	53	21
Absentee	13	17
Total	306	157

there's plenty of water in Texas than can a farmer with a dry well and bawling cows." Detailed figures on the amount of surface water plus the estimates on the amounts of underground water are given, and the problems of distribution and conservation of the supplies, are discussed.

The article is the second in a series being published by the magazine. Next in the series will discuss some of the proposals being made for more equitable distribution of the total water supply.

**Plan Water Conservation Practices**

Speaking of water conservation, now is the time to plan to have your farm terraced, leveled for better irrigation, lay out contour lines, change row direction for improved water application, install concrete pipe, and plan a cropping program that will conserve the soil and water on your farm. The extra water held on fields by terraces this year meant the difference between a crop harvested and no crop harvested in many cases. Soil Conservation Service technicians are available to help with all phases of farm operations concerning soil and water conservation. If you are in doubt about the help you need, stop by the SCS office and talk it over. If you are not a cooperator in the Lynn County Soil Conservation District talk to the Supervisor in your community, or another cooperator, and find out what you are missing. There are many services that are available to you that you may not have considered.

**ROY RIDDLE WRITES**

Pvt. Roy Riddle writes The News that he is in a 14-weeks course at the Quartermaster School studying general equipment repair at Fort Lee, Virginia. He says Virginia is a pretty country but nothing like Texas. "I would like at this time," he writes, "to express how much I enjoy receiving The Lynn County News. It helps a lot in keeping up with the news at home."

**STORIES VISIT HERE**

Mr. and Mrs. H. C. Story of Austin were here last week end visiting her brothers, Dudley and Weldon Martin, and families at Draw, and at Lubbock visiting a daughter, Mrs. Waggoner Carr, and family.

H. C. formerly was county clerk of Lynn county and has been in the office of the State Comptroller for a number of years.

**CARD OF THANKS**

We want to extend our grateful appreciation to our friends for the floral offerings, cards, letters, consoling words and deeds during the illness and death of our mother, Mrs. H. B. Howard of Lubbock. May God bless each of you. —Mrs. Harley Henderson and Mrs. Frank Hill.

Murry Denzy, (Colored), daughter of Red Denzy of Tahoka, but now a student in Lubbock High (colored) entered Tahoka Hospital as a patient Tuesday.

**Congratulations:**

Mr. and Mrs. Reuben E. McElroy, route 3, on the birth of a son weighing 8 pounds 4 ounces at 11:55 p. m. Sunday in a Lubbock hospital. He is their first child, and has been named Gary Boyd.

Mr. and Mrs. Warren Hardt on the birth of a daughter weighing 6 pounds 4 ounces Monday at 8:30 a. m. in a Lamesa hospital. She has been named Tricia Ann.

Mr. and Mrs. J. D. Davis on the adoption of a son, Nov. 1, weighing 7 pounds 2 ounces. The young man has been named Jerry Don.

**Governor Proclaims "Beef Week In Texas"**

Beef Week in Texas, November 8 to 14, was made official this week when Governor Allan Shivers handed an official proclamation to Roy Parks, Midland, President of the Texas Beef Council. The proclamation urged all Texans "to eat beef at least once a day." Shown with the Governor and Mr. Parks is J. D. Sartwell, Houston, center, TBC first vice-president.

**Littlepage Heads Dairy Association**

Cleve Littlepage, prominent Lynn county farmer and dairyman and president of the South Plains Cooperative Marketing Association, was re-elected to the body's board of directors at its annual meeting Monday in Lubbock.

More than 100 dairymen and guests attended the meeting.

Littlepage is active in local agricultural circles and is a teacher in the Lynn County Vocational School.

Mrs. Louella Sayles (colored) who had a foot amputated in the Tahoka Hospital last week, was able to return to her home near the Cotton Compress Sunday.

**Lynn County CHECKERBOARD NEWS**  
by Dale Thuren

**USE LIGHTS IN HEN HOUSES**

Bill Clayton, from down O'Donnell way, was in today to get a new automatic switch to throw on the lights in his hen house and some automatic electric water warmers. He said he had been getting a high egg production this fall but knew it would drop off now that the days are getting shorter, and that we are having freezing weather. Bill knows that hens must have 12-14 hours of "eating time" in order to maintain a high production. The switch he purchased allows the hen house lights to come on automatically at 4:00 a. m. and shuts them off at 8:00 a. m. The hens are allowed to go to roost normally at sundown. This is called a "morning" switch.

**CAN'T DRINK ICE**

Chickens don't like icy water. Since the egg is mostly water, the hens will "dock" you in the number of eggs when they don't drink sufficient water during the freezing weather. They also don't like hot water. Mr. Clayton bought water warmers that lay in the water pan or trough. They come on automatically as the water temperature drops below 50 degrees. They shut off when the water is above 50 degrees.

**75% INCREASE IN PRODUCTION!**

We have had customers who actually added 25% to their winter egg production by the means of electric lights and water warmers. If your production is slipping, better get the lights on and provide warm water.

Can you imagine a hen laying many eggs when she is confronted by frozen or icy water when she gets down off the roost, and then has to wait most of the day before she gets a drink?

**DALE THUREN FARM STORE**

**Frank Brown Is Improving Slowly**

Frank Brown, who suffered a stroke while visiting in Houston last week, is reported to be improving slowly. Even Sunday, his physicians believed it would be almost impossible for him to get well.

His lower right arm and hand are paralyzed and he is nearly blinded, but he has shown a remarkable turn for the better. Frank has been suffering from diabetes for a number of years.

His mother, Mrs. Pearl Brown, is in Houston with him. His brother, J. E. Brown, was called to his bedside Thursday of last week, but returned home Monday.

**FIRST BAPTIST CHANGES TIME FOR NIGHT SERVICE**

The First Baptist Church in conference Wednesday night reset the time for the Training Union on Sunday night at 6:15 p. m. and for the Preaching at 7:30 p. m.

On the coming Sunday night at 6:15, the third of the series of films on Christ, entitled, "The Childhood of Jesus," will be shown. The public is invited.

Fifty-eight are enrolled in the Study of "Building a Standard Sunday School," this week. Dr. W. P. Phillips closed lectures Thursday night.

## Large Crowd Hears George Mahon At New Home Civic Club Meeting

Approximately 200 people attended the open meeting Monday night of New Home Civic Club, at which Congressman George Mahon was the principal speaker. Many of the guests were from Tahoka, Wilson, and Lubbock.

A dinner was served cafeteria style preceding the program, the latter presided over by E. R. Blakney, Civic Club president, who welcomed the guests. Joe D. Unfred introduced the visitors.

Bob Stevens of Radio Station KFYO introduced Harry Keckerlin of the State of Parana, Brazil, who is in the United States studying American agricultural methods under the Point Four Program. Mr. Wekerlin talked briefly on agriculture in his country and explained some of the reasons for the high price of coffee. He said an unusual frost in that country killed 400 million coffee trees and that it requires four or five years to get a coffee tree into production.

Sid Tilson, west Texas representative of the Cotton Trade Journal of Memphis, Tenn., also spoke briefly.

Kay Moore introduced Congressman Mahon, who gave a very interesting and informative talk on problems facing the nation.

Mr. Mahon praised the evidence of wholesome home and community life, as evidenced by the live wire community of New Home.

He said community pride, good schools, and a constant awareness of the presence of God is what makes America great. Working together, along with faith, we can find success in solving our world and domestic problems.

In his talk, he answered a lot of questions being asked him by the people since his return from Washington.

What about government spending? Our all-time high of 90 billion reached during World War II

dropped to 38 billion on the disarmament program, was back up to 72 billion last year and back down to 67 billion now. He believes defense spending will continue to be very high, but that such is necessary to prevent World War III. He thinks this artificial prosperity will continue as long as defense spending remains high. He sees little prospect for a substantial reduction in taxes.

What is the chance for a depression? He thinks a depression is unlikely as long as the tremendous defense spending program continues.

Is the present Administration friendly toward farmers? He says it is not friendly to the agricultural program we have been accustomed to. He does not believe South Plains farmers will be hurt too badly by the program, but over the nation as a whole he sees rough sliding ahead for the farmer, especially the small farmer of the deep South.

What about Ezra Taft Benson? He is one of the most wholesome, honest, and sincere Christian gentlemen he has ever known, but he does not believe in the price support system. All the farmers ask, Mr. Mahon says, is a fair break such as other lines of endeavor, such as the oil business, which practices proration to maintain a decent price and preserve the supply. The farm program is not disaster insurance, but is property insurance, he declared.

If a Democratic Congress were to be elected Tuesday, will we get 90 percent parity restored? No, he says, because the Metropolitan press has been "sold a bill of goods" by the Republicans—that the farmer is making too much money. Once, we had the cities on our side, but now they have been turned against us. Congressmen elected from the metropolitan areas have, therefore, turned against us, including many of the Democrats.

The cotton acreage for next year will be cut from 21 million to 18 million acres. He thinks the cotton farmer will not be hurt too badly in this county, and that 90 percent parity will remain, but the administration has not expressed itself on a support program for grain sorghums and may not include this crop.

What is the cost of the support program? In refuting its excessive cost to the government, he said the support price on cotton has cost one million dollars a year, which is the approximate price of the Saturday Evening Post's postage bill.

How serious is the threat of war? His work has thrown him in close contact with President Eisenhower and Secretary Dulles. In fact, he has been in close contact with Eisenhower since long before the change of administration. He has every confidence in the two men, and thinks we should back them up to the limit on the foreign policy. He says our foreign policy is materially the same as under the Democrats, and both parties are agreed on the vital matters of the policy.

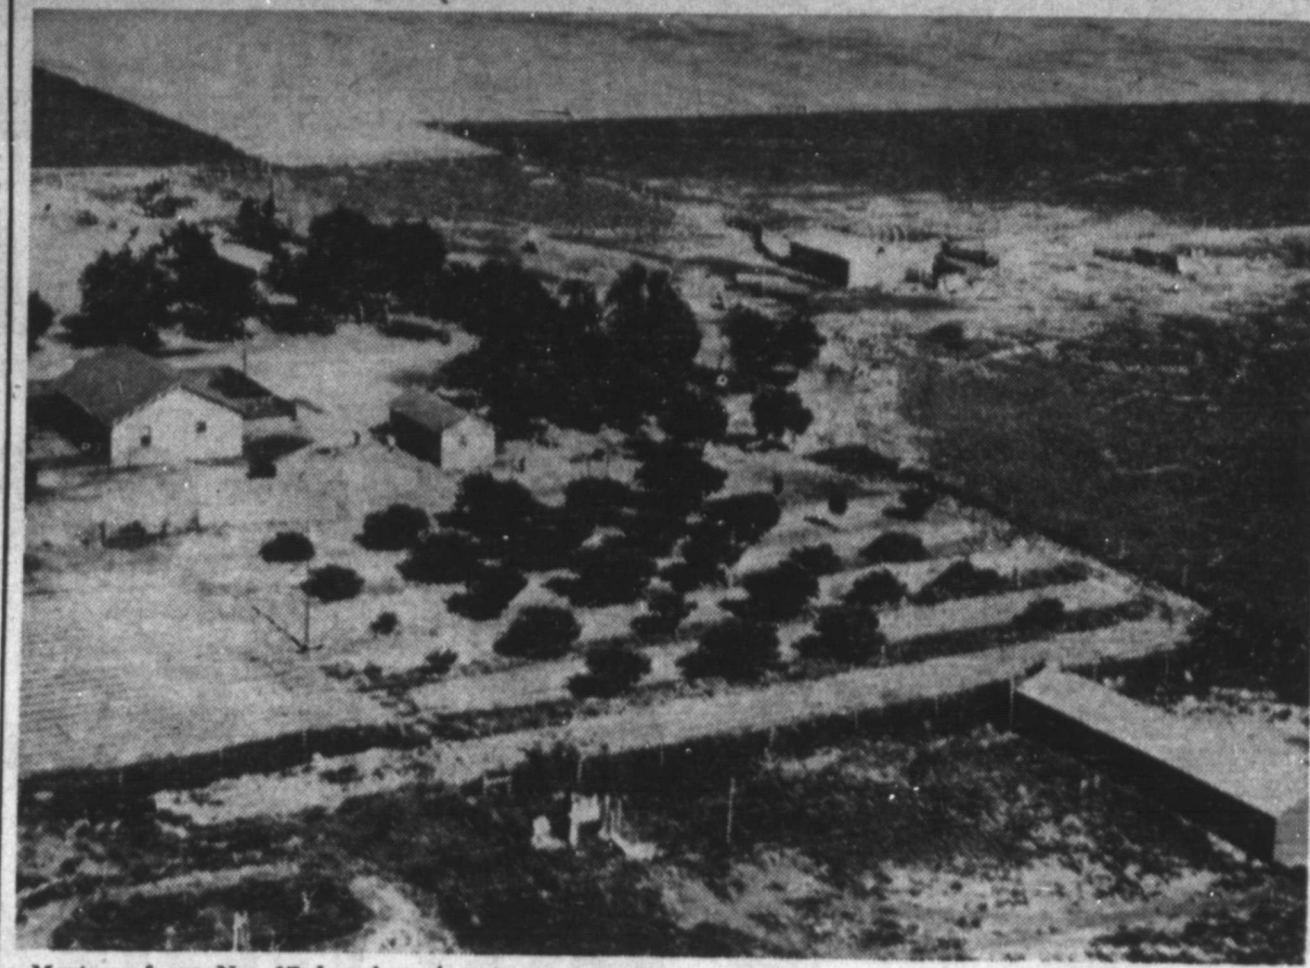

Every effort is being made to prevent World War III. We are attempting to discredit the "big lie." One third of the world is now dominated by the Communists, but another great war might make the rest of the world a fertile field for Communism even if we won it. We cannot defeat an ideology with bayonets. Our long range program is peace without surrender and short of total war.

He said we have a wonderful country and people, and if we will maintain our trust in one another and in God, staying close to the cardinal virtues, we will come out all right in the end.

Wilmer Smith supervised the drawing for the door prize, won by J. T. Whorton of Tahoka, a Stetson hat.

E. R. Blakney announced New

## G. A. Henry Has Been Farming Here For A Long Time

Mystery farm No. 17 has been in cultivation 52 years and is owned by George A. Henry, who lives four miles east and seven miles south of Tahoka.

Only person to correctly identify the place, besides Mr. Henry, was a neighbor, Paul McDonold. The 225 acre farm is a part of the land acquired by the late Mr. and Mrs. J. W. Luttrell when they came here in 1901, and the land was broken out the next year.

Mr. Henry, who had married Daisy Luttrell in 1919, moved on the place in 1921, and has been farming it since. Mrs. Henry heired the place in 1938.

The Luttrell family was one of the first farmer-stockman families to come to Lynn county, and Mrs. Henry and her brothers and sisters were reared here.

Mr. Henry came to Tahoka with his parents, Mr. and Mrs. J. W. Henry, in December, 1915, and they spent their first night in Tahoka in a wagon yard located about where the Keltner Hotel now is located. His mother, Mrs. Mattie Henry, still lives here.

The Henrys carry out a pretty well balanced farming program, always raising cotton and feed, a few cows, hogs, and chickens, and have a garden and orchard which produce in normal years. This year they made a pretty fair feed crop and about a third of a bale per acre on their cotton land. They built the modern home shown in the picture in 1940.

They are regular attendants at Bethel Baptist Church, about two miles away.

The couple have seven children of whom they are proud, Mrs. D. R. (Clara Lee) Thomas on route 2, Mrs. Surman (Katherine) Hill of Lubbock, John of the Army, stationed in Maine, Mrs. Doyle (Betty Lou) Sparks of Fort Worth, Loretta, Jackie, and Jimmie Sue, all of the family home.

G. A. says he's about decided to stay. Seriously, he has no desire to live anywhere else. The land has been good to him and his family, and they love the people of Lynn county.

### Harvick Rewarded For Good Service

Cleveland, O., Nov. 4—William Harvick, local sales representative of The Premier Autoware Company, has been presented a service award by the company for loyal and dependable service. J. C. Mandel, president announced today.

Harvick, who is well known to automotive dealers in this area lives with his family at 2020 N. 5th.

### CARD OF THANKS

We wish to thank our friends for every kindness shown us on the losing of our brother, Walter Appling, of Snyder. Your words and acts of sympathy and understanding are sincerely appreciated.—Mr. and Mrs. Roy Appling.

Have News? Phone 35.

Home Civic Club will sponsor a turkey shoot on November 20, 22, and 23.

The meeting was greatly enjoyed by the crowd, and most of the attendants remained 30 minutes or more after the program to visit and drink coffee.

# In its first year, millions of motorists have proved the benefits of Conoco Super Gasoline with TCP

## The Greatest Gasoline Development in 31 Years

### Here are the facts proved by millions:

1. TCP boosts your car's power as much as 15% (because it neutralizes power-robbing lead deposits).
2. TCP gives you extra gas mileage (motorists report up to 3 miles more per gallon).
3. TCP is just like an engine tune-up (because it lets you enjoy your car's built-in power).
4. TCP increases spark-plug life up to 150% (because it actually preproofs your spark plugs).
5. TCP makes it possible for you to enjoy all the extra performance of Conoco Super's higher-octane rating.

But don't take our word for it! Read what motorists, themselves, say about Conoco Super with TCP.

1 "I remember when tetraethyl lead was first put into gasoline 31 years ago. Now comes Conoco Super with TCP! It's lived up to my '51 Mercury—and now I get 3 more miles to the gallon."  
Mr. John T. Knudson, Traffic Officer  
3089 South Fourth East, Salt Lake City, Utah

2 "Conoco Super with TCP is doing everything it's promised in giving our '53 Cadillac extra mileage, power, and performance. We won't take any other gasoline, because TCP has no substitute."  
Mr. S. E. Brooks, Retired Oil Engineer  
107 North Third, Dallas, New Mexico

3 "I maintain four cars and three trucks. In all of them, it's Conoco Super with TCP. I'm getting new-car performance! Starting on cold mornings is 50% better. I'm sold on Conoco Super!"  
Mr. Ray B. Crowley, Wholesale Florist  
Littleton, Colorado

4 "Conoco Super Gasoline with TCP does the job as no other gasoline has done before. My 1950 Chevrolet runs quietly, doesn't make knocking noises, starts right up and goes farther to the gallon."  
Mrs. S. J. Crosby, Housewife  
415 West 6th Street, Anaconda, Montana

5 "Conoco Super with TCP is a vitamin tonic for my '48 DeSoto. The engine starts promptly. And the mileage savings are like getting up to a gallon and a half of free gas to every tankful."  
Mr. William Grabowski, Electrical Contractor  
402 North Wirth Ave., Elgin, Illinois

After one full year, there's still no substitute for

## Paul McDonald Tells Experiences With Big Cat In Early Days Here

(As Told to Ben Moore)  
There are many folks living in my county (Lynn) who are pretty far removed from the caprock of the plains, hence do not realize that many bobcats and quite a number of Lynx cats reside along the caprock. But I, along with two brothers, Clyde and Henry were born and reared very near to the brakes, out where one of the tributaries of the Double Mountain branch of the Brazos begins to take on the appearance of a stream. It fades into a draw up on the plains and is often unnoticed far up to the northwest of it's going down-place at the caprock.

When we boys were yet pretty small we possessed a bulldog of which we were very fond. And since all of the early settlers in our section depended pretty much upon beans as an important article of food, we boys loved them, and named our bulldog Beans, in honor of our favorite article of food.

One fine afternoon, while prowling about among some scrub mesquite bushes, we heard Beans set up a savage barking. Rushing to see what caused the commotion, we beheld a large but quite poor bobcat backed up against a bush, every hair seemingly sticking straight up. His fangs were bared and he was a very formidable looking opponent to Beans, who seemed frightened.

This we could not understand, as he had conquered every dog in the neighborhood. So we hissed him and encouraged him to make an attack at once. Of course the cat, like every other from the lowly house variety to the largest mountain lion will do in

### Vic Vet says

MORE THAN \$450,000,000 OF WORLD WAR TWO GI TERM INSURANCE WAS CONVERTED LAST YEAR TO PERMANENT PLANS OF GI LIFE INSURANCE SUCH AS ORDINARY LIFE, 20-PAY, 30-PAY AND THE ENDOWMENTS.

such cases, stood and waited for the enemy to make the first onslaught.

Before we could so much as think of "scat", the bobcat parried the dog's pass and landed right up atop of his back and was really making the hair fly, both clawing and biting Beans' ears. Our fightin' dog seemed to lose all his pride and as luck would have it, we were very near to a barbed wire fence, under which Beans rushed, skinning off the spitting, snarling cat. We finally chunked him into insensibility to the great relief of Beans.

A good lesson is here given in that bobcats like all other wild animals when they grow old and are rendered unfit to continue as producers of their species, they either voluntarily leave their kind or are driven away in order that the strong might hold sway.

I have known of several other bobcats being found far out up on the plains, alone and very thin, indicating that they had served their time and had been thrust out from the society of their brethren.

## Wilson Defeats Cooper 41 To 7

Wilson Mustangs defeated Cooper Pirates 41 to 7 Friday night to remain in the lead along with Meadow in District 4-B conference play.

The Schneider cousins, Jimmy and Javan, along with the fine passing of Don Verkamp, scored all of Wilson's touchdowns.

The first score was on a pass to Javan, and Jimmy converted. Then Jimmy took a pass, the play good for 55 yards and a TD, and Verkamp converted. Jimmy broke away three times in the third quarter for 55, 45, and 21 yards, and Verkamp converted on each, the first on a pass play. Then, Javan took a 25-yard pass-play to a score, but the conversion failed.

Wilson has its big test this Friday when it entertains the strong Meadow Bronchos at Wilson. Lorenzo will be at Wilson next week, and the Mustangs go to Ropesville to end district play.

Meanwhile, Jimmy Schneider is making a name as one of the best backs in any conference on the South Plains this year.

Verkamp is performing well in the quarterback slot left by "Mutt" Breudigam, who was injured two weeks ago.

### Miss Roach Talks To Dixie Ladies

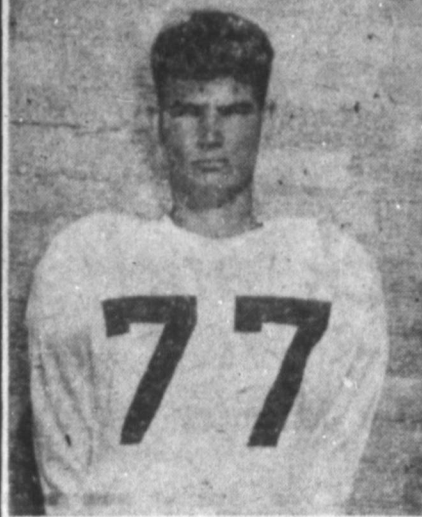

Miss Wanda Roach, County Home Demonstration Agent showed interesting pictures on "Serving and care of meats," at a meeting of the Dixie Home Demonstration Club Wednesday of this week in the home of Mrs. B. C. Aycox. Refreshments of cake, coffee and bottle drinks were served to six members and one visitor, Mrs. G. L. Cobb.

A previous meeting was with Mrs. T. D. Dunlap on Oct. 20th. During the business meeting of officers were elected for the ensuing year as follows, Mrs. Buel Draper president; Mrs. Charlie Schulz, Vice president; Mrs. T. D. Dunlap, Secretary-treasurer; Mrs. A. D. Smith, Council Delegate; Mrs. A. C. Aycox reporter; and Mrs. B. C. Aycox, Council Alternate.

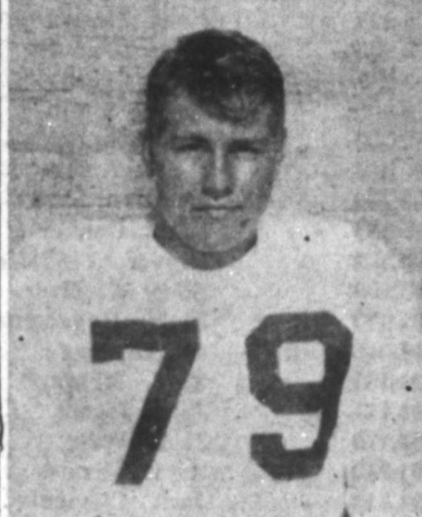

The next regular meeting will be on November 17 in the home of Mrs. Buel Draper.

## 11 Amendments To Constitution

The amendments do these things:

Boost the ceiling on state spending for public welfare from \$35 million to \$42 million a year. The vote was 289,784 to 113,296.

Allow transfer of prior service credits in the state employees' and teachers' retirement funds. The vote was 255,175 to 139,849.

Allow certain city employees to qualify for social security benefits. The vote was 250,213 to 122,236.

Allow use of the surplus in the Confederate pension fund for a state office building in Austin. The vote was 302,849 to 88,988.

Raise the pay of legislators from \$10 to \$25 per day for 120 days. The vote was 236,566 to 147,454.

Prohibit pledging the state's credit to support toll roads. The vote was 230,843 to 146,610.

Require women to serve on juries. The vote was 237,078 to 175,539.

Allow four-year terms for precinct, county and district elective offices. The vote was 224,151 to 184,231.

Allow joint city-county hospital operations in Harris, Dallas, Tarrant, Bexar, Galveston, El Paso, or Jefferson counties. The vote was 233,598 to 146,963.

Allow military personnel from Texas to vote if they had established residence in Texas a year before entering service. The vote was 297,610 to 86,587.

Allow counties of 10,000 population or less to vote on whether they want a tax assessor-collector. The vote was 273,962 to 89,313.

### New Home Girls Win Over Tahoka

Tahoka High's girls basketball team opened its season Tuesday night here, losing to the New Home girls 44 to 28.

New Home took an early lead, and was never headed during the pre-season contest. The visitors led 23 to 14 at the half.

Peggy Hemmeline was the high scorer for New Home with 18 points, and Vynoma Clem scored 10. For Tahoka, Susie Smith was high with 11 points, and Virginia Gable had 8.

### Child Guidance Club Has Meeting

The Child Guidance Club held its first meeting of the new year Monday evening in the home of the president, Mrs. H. W. Edwards, Jr., of Grassland.

Members present were Mmes. Alton Greer, Carl Griffing, Bertram Hatchel, Roland Clem, Joe Sherrard, Gravel Ayer, Charles Oliver, C. W. Conway, and Bryan Wright. Mrs. Ted Aten was a visitor.

Mrs. Perry Walker gave a talk on Nursery Schools.

Refreshments of sandwiches, cake, and coffee were served.

Next meeting will be a buffet supper on November 29 in the home of Mrs. Bryan Wright.

### ST. PAUL CHURCH, NOT ST. JOHN'S

Last week, The News carried a story on "The Reformation" for St. Paul Lutheran Church of Wilson, but in some way the name of St. John's Lutheran Church ended up as the signature.

Ralph Droege of St. Paul called The News' attention to the error, for which we are very sorry. The news item announced special Reformation services at St. Paul's last Sunday morning.

### NEW HOME H. D. CLUB HOLDS REGULAR MEETING

Variety meats and various cuts of beef was the demonstration by the County H. D. Agent, Miss Wanda Roach, when the New Home H. D. club met in the home of Mrs. G. B. Mayfield, Oct. 28th with Mrs. Loyd McCormick as co-hostess.

Plans were made for the annual Thanksgiving dinner for the members and their husbands.

In the near future, the club will have an all day meeting and members will make aluminum trays.

Hallowe'en decorations were carried out in the flower arrangements and refreshments.

The hostess served fruit salad, sandwiches, made with orange colored bread, and hot spiced tea.

Members present were: Mmes. N. B. Hancock, K. K. Moore, W. C. Thompson, Virgie Haley, V. H. Macha, Robbie Gill, Roy Lee Williams, Morris Renfro, J. W. Edwards, Joe D. Unfred, Carlise Edwards, Wilmer Smith, Le Roy Nettles and the hostess.

Mrs. Ed Wester from Floydada was a visitor.

# Bulldogs Defeat Abernathy 29 to 18

Tahoka Bulldogs vanquished the stubborn Abernathy Antelopes 29 to 18 before a Homecoming crowd here last Friday night to go into a tie with the Slaton Tigers for leadership in District 5-A. But the local team must defeat both Slaton and Spur, their only two remaining foes, for a clear-cut conference title.

Whereas the Bulldogs looked like anything but champions in the 13-13 tie game with Post, they would not be denied in the Abernathy contest and scored in every quarter, and threw in a field goal in the second period.

The game was much closer and harder fought than the game statistics indicate. Although the Bulldogs could not stop the hard-running Abernathy fullback, Roy Sons, until he wore himself out, the local boys showed more versatility and a better mixture of plays to defeat the visitors.

Bulldog Halfback Jerry Williams ran wild, punning a total of 164 yards, seventeen more than Abernathy's total, scoring three touchdowns, one on a 10-yard pass. Quarterback Gordon Smith did right well, too, calling a good game, running the ball and on pitch-outs and passes.

**First Quarter**  
Melton kicked to Abernathy's 20, and Sons brought the ball all the way back to the 49. He made 8, Halfback George Willis 4, and Sons went around right end for 6 more to Tahoka's 33. This first threat was stopped by a fumble by Quarterback Freddy Apperson on Tahoka's 22, covered by Tommy Franklin.

Tahoka drove to the Abernathy 46 on five plays, with Williams making 8, Smith 12, Melton 6, Blair 3, and Melton 3. But, then Melton lost seven, and on the next play Smith passed, with Abernathy's right halfback Lawrence Barron intercepting on his own 44 and racing 56 yards to score. His place kick was wide. Score Abernathy 6-0.

Taking the kick-off to the 41, Tahoka was off on a drive that put them in the lead. Williams made 4, Smith 5 and 4, Williams 8, Melton 3 and 10, Franklin 4, Smith 1 and 4 (5 yard penalty on Tahoka), Williams 10 on a pitch-out, Melton 5, and Williams 5 to place the ball on the one yard line. Then Williams crashed right guard for the TD. Melton's kick was good and Tahoka led 7-6.

**Second Quarter**  
Abernathy came right back to

Game Statistics	
Tahoka	Abernathy
21	10
306	147
2 for 52	2 for 15

3 of 5	4 of 5

move from their 43, aided by two 5 yard penalties on Tahoka, with Willis, Apperson, and Sons carrying to the five yard line, from which point Sons went over left tackle to score. Barron again missed the kick and Abernathy led 12 to 7.

After three plays, Tahoka was forced to kick, the only punt in the baal game, Williams getting off a 35-yard punt from the Tahoka 36 to the Abernathy 29. Sons brought back to the 47, and then Abernathy appeared—gone again for a score with a first on Tahoka's 20. Two line plays netted two yards, a pass was incomplete, and then Apperson Passed 4 yards to Eng Ralph Wolf, the ball going over on the 14.

Tahoka quickly moved for another score, Williams going 15 and 26 of the yards to the Abernathy 42. Here, Smith drew back and heaved a long pass. Center (Con't on back page, Sec. 2)

## The Lynn County News

TAHOKA, TEXAS, NOVEMBER 5, 1954

### Good Crowd Attends Annual T.H.S. Homecoming Held Here Last Friday

Tahoka High School's annual homecoming day for ex-students of the school was fittingly observed with a round of meetings and ceremonies and the Bulldogs' 29 to 18 victory over the Abernathy Antelopes.

Susie Smith, THS senior and daughter of Postmaster and Mrs. W. E. (Happy) Smith, was crowned football queen for 1954 in ceremonies just before the game.

Garland Huddleston, student council president, escorted Miss Smith down an aisle formed by members of the band to the center of the football field, where a circle had been formed by members of the Bulldogs team. There she was crowned by Don Reid, and presented a bouquet of flowers by Duane McMillan, senior letterman.

Members of her court were Sue Sargeant and Ann Reasonover, runners-up in the queen's contest,

escorted by Stanley Stone and Gordon Smith, respectively. The queen, flanked by her attendants, occupied a "throne" on the sidelines during the game.

Just before the ceremony, the Tahoka band saluted the ex-students with a music and formations of "Hi" and "Exes."

Thirty ex-Bulldogs were honored with special seats on the sidelines.

Earlier Friday, about 75 ex-students attended a program sponsored by the Student's Council in the auditorium, at which Travis Shelton, Lubbock district attorney spoke on "A Sense of Values in Life."

Travis was reared here, is a 1939 graduate of THS, and was a letterman in football and basketball.

He was introduced by H. B. McCord Jr. Garland Huddleston gave the welcome address and Mrs.

### Cpl. Granger Now In Korea

7th Div., Korea—Cpl Darrell R. Granger, son of Mr. and Mrs. W. D. Granger, Route 1, Wilson, is serving in Korea with the 7th Infantry Division.

Men of the "Bayonet" division are undergoing intensive training to maintain the peak combat ef-

Duane Carter the response. The invocation was by "Dub" Fulford Mrs. A. R. Hill of Lubbock 1922 graduate, was presented a free ticket to the game as the earliest graduate present, and Parker Blair of Dallas was presented another as being the ex-student traveling the greatest distance for the reunion.

At a business meeting held in the school cafeteria, presided over by Mrs. Jake (Pat) Jacobs, president of the Ex-Students Association the past year, H. B. McCord Jr. was elected president of the new year; Johnnie Wells, vice-president; Mrs. Jack Fenton, secretary-treasurer; and Mrs. Jacobs, reporter.

The Association adopted a constitution, and voted a fee of \$1.00 a year as dues to finance the annual event. All ex-students wishing to help out the association are asked to send \$1.00 to Mrs. Jack Fenton.

Just before the game, the Bulldog Mothers of Tahoka athletes, served coffee to all former lettermen attending the homecoming.

iciency displayed by the unit chief in the 31st Regiment, entered from Pusan to the Yalu river. ed the Army in June 1953 and as Corporal Granger, a survey rived in Korea that November.

# the All-New '55 Pontiac

WITH THE 180-HP STRATO-STREAK V-8!

A GENERAL MOTORS MASTERPIECE  
—ALL NEW FROM THE GROUND UP!

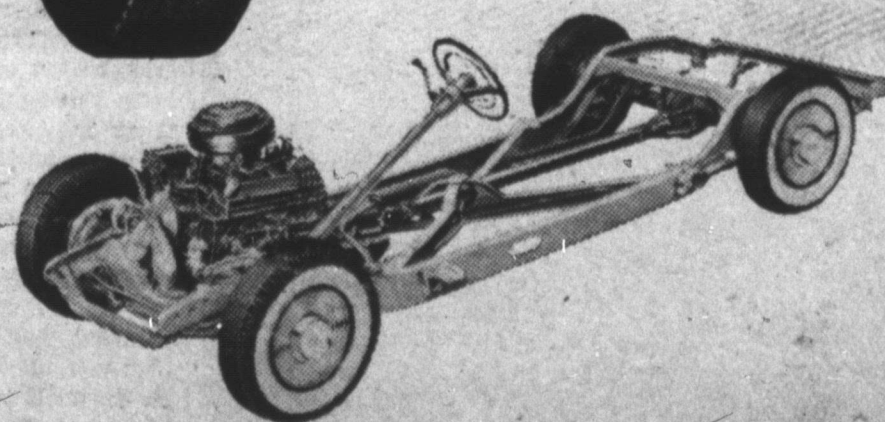

This is the one! This is the car with the mark of greatness. It is apparent in every inch of its designed-for-tomorrow styling, in its plus-powered V-8 engine, and in its years-ahead chassis engineering. See this sensational all-new Pontiac and take a thrilling Strato-Streak ride—today.

IT'S PONTIAC'S YEAR TO START!

DOLLAR FOR DOLLAR  
YOU CAN'T BEAT A PONTIAC

### ALL-NEW STRATO-STREAK V-8

There's action-plus packed into this Strato-Streak V-8. From quick-response carburetor to fast warm-up intake manifold, it's all new—proved for outstanding economy and dependability by over three million test miles!

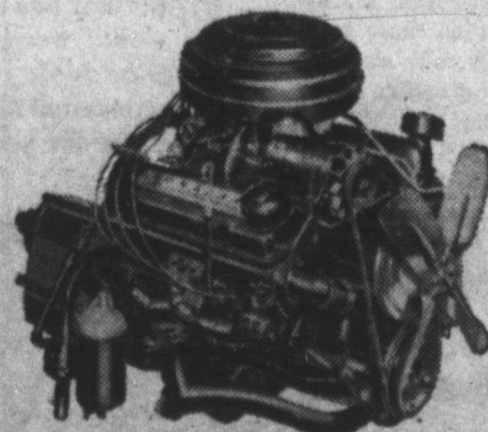

### ALL-NEW SHOCK-PROOF CHASSIS

For '55, Pontiac went right down to bedrock to give you the newest and finest in riding comfort, driving ease, all-around safety: New heavier "X" frame! New bigger brakes! New recirculating ball steering! New tubeless tires! New wider-spaced parallel rear springs! New vertical king pin! And that's only part of the long list of under-the-car advances!

### ALL-NEW PANORAMIC BODY

A masterpiece of styling with a touch of tomorrow—that's the '55 Pontiac! There's vastly greater vision from its panoramic windshield—a glorious sweep of graceful new contours. Interiors, color-keyed to the Vogue Two-Tone body hues, present the latest luxury fabrics, smart appointments, all-new conveniences!

# Odds AND Ends

(BY E. I. THE ELDER)

Although I am very late starting, I feel constrained this week to discuss some things, if I may without getting onto people's toes, pertaining to the Bible and its interpretation. I am no Bible scholar either and have never memorized much Scripture. But I have studied the Bible some, and I find that people have so many ways of misinterpreting it that they ought to be set straight on some matters. I could not set some of them straight if I should try through a whole millennium.

But possibly I can throw out a few suggestions that might help somebody here and now.

Many folks often misunderstand the Scriptures because they insist on interpreting them literally. And there are still a few people who insist on interpreting the Bible "just as it was written" just because they think it was written in English, King James version. As a matter of fact, not a word of it was written originally in English. Jesus never spoke a word of English in his life. Neither did Peter nor Paul, nor the writer of any book in the Bible. The English language had not been invented then. Most people have at least found this out, and nobody but a few Bible-burners believes it any more. Most of the Old Bible was written in Hebrew or kindred language and most of the New Testament was written in Greek. There have been many translations of the Bible into English in the last 400 years, and several versions of the Bible are still in print. The latest English version of the Bible which was brought out by a group of scholars representing many denominations in 1952 met with much criticism and underwent a storm of dissension, but it is probably the best version of the Bible ever printed. Not much of the criticism came from English scholars but most of it came from narrow-minded folks of various denominations, many of them from my own.

I do not claim to be any outstanding English scholar myself,

but I do know enough English to know that the new Standard Revised Edition does correct many grammatical and rhetorical errors found in the King Version, and portions of the New version rise to heights of elegance, clarity and beauty of expression not found in any previous version that I have examined.

I never knew, personally, that there was much beauty or drama in the Book of Job until I began reading the Standard Revised version of that Book not long ago. The latter chapters of that book give us one of the most lofty, reverent, and magnificent pictures of the God of the Universe, I believe, to be found anywhere.

Let me say, however, that there are some features of the New Standard Revised edition that I do not like as well as the King James version, not because of any inferiority in the translation but because it materially changes the verbiage of so many of the fine passages of Scripture in the King James version that I often wish that they had left the passages undisturbed, passages, for instance, like John 3:16.

But the first thing I started out to say is this: That many folks often fail to understand the Scriptures because they insist on giving them a strictly literal translation. They declare that they believe every word of the Scripture, word for word and letter for letter, "just as it was written," and they emphasize their claims of loyalty to the Scriptures by pompous pounding and vociferous speech. But I do not believe that they believe any such thing; they are just kidding themselves. There are scores and scores of Scriptures that I could quote to prove it, but just a few will do.

When Jesus sent out the twelve apostles, he said to them: Go not into the way of the Gentiles, and into any city of the Samaritans enter ye not; but go rather to the "lost sheep" of the house of Israel. Do you literalists think that he was sending them out to gather in a bunch of sheep with wool on their backs?

In John 10:27-28, Jesus told a bunch of Pharisees: My sheep hear my voice, and I know them, and they follow me; and I give unto them eternal life, and they shall never perish. So, there are a lot of sheep that are going to live forever, eh?

In the 23rd Psalm, David was being led into green pastures and made to lie down beside the still waters, if we are to interpret the Bible literally. It sounds almost scurrilous even to make the suggestion.

And Jesus said, you know: I am the vine, ye are the branches. why, folks, the Bible is just filled with figurative language, and most of it is about the most expressive and meaningful to be found in the Bible. In speaking to his disciples on the Mount, you remember, he told them that they were the salt of the earth—what a compliment—and that they were the light of the world—another great compliment—but he didn't mean that there was a grain of salt in their whole make-up or that there was a one of them who was just a little tallow candle on a stick. Nobody believes any of that language literally. It is figurative language, spoken to be interpreted figuratively, and I am thinking that Jesus would be ashamed of any body so simple as to interpret it in any other way. Folks really know better, and the ought to quit saying that they do not.

One more little whack at the literalists. Jesus told some of his disciples, if an eye offended them, to pluck it out and throw it away, or if a hand was the offender, cut it off and throw it into the slop-bucket or somewhere. But he was calling attention to the fact that the whole body was much more important than one member of it, and if necessary there should be an amputation of the offending member; and I think that the inference was that since the soul of man is much more important than the body, one should be willing even to sacrifice the body itself to save the soul. "But fear not them that kill the body but rather fear him who is able to kill both soul and body in Hell."

"For what doth it profit a man if he gain the whole world and lose his own soul? Or what will a man give in exchange for his soul?"

But I do not think that Jesus was advising men to cut off a crippled or lacerated hand just because it had been rendered useless or painful, or that he was advising anybody to gouge out his own blind eye. And I have never heard of any person, not even the most radical literalist,

who either whacked or saved off a hand, or plucked out an eye. I repeat that people who insist that the Bible must be invariably interpreted literally, do not mean it. They are just kidding themselves and are scarcely ever able to fool anybody else.

Another thing that troubles some people are the seeming contradictions in the Bible. For instance, in Isaiah, a number of names denoting sovereignty and mighty power are applied to him and he is called the Prince of Peace, and the Christian World has liked to think of him as such. Some of the prophets have written of his coming reign as the time when spears should be converted into plowshares; and when he was born in Bethlehem of Judea a heavenly host appeared above the camp of the shepherds announcing "Peace on Earth, Good Will to men."

And then after he grew up and entered upon his earthly ministry he announced that he had come not to bring peace but a sword; that father should be arrayed against son and son against father, the mother against daughter and the daughter against mother, etc., and that a man's foes would be those of his own household; and his lofty teaching and life did so offend many of his own people really that they caused him to be crucified.

Perhaps men have over-played that Prince-of-Peace idea or have misplaced the time and that it will come with the Second Coming of Christ.

But it must be remembered also that Christ was the Prince of Righteousness as well as the (Cont'd. On Next Page)

Buick's percentage of the nation's new-car sales has reached an all-time high for the past generation. Sales are soaring so high that Buick now is out-selling all other cars in America—regardless of price class—except two of the so-called "low-price three."

We aim to keep it that way, and end the 1954 model year with a new record—and we're willing to go all out to make it.

So we're talking turkey right now with prices and trade-ins too good to miss. We're offering our best deals ever on the car that has the power, the ride, the room, and the styling that have taken America by storm.

Come in and see us, and you'll know what we mean.

Three Weeks to Thanksgiving!  
**But-Now's the time to Talk Turkey on the buy with the 3-way Bonus!**

Here's the big 3-way bonus we offer in Buick today

- Advanced Styling** — the very look of the new '55 cars is yours in today's Buick at a '54 price and "deal." Long, low glamor lines—sports-car snap—that trend-setting panoramic windshield—fresh, stay-new styling that means a higher resale value for you at trade-in time.
- Better Buy** — a lot more automobile for your money—more room and power and ride comfort—plus traditional Buick solidity of structure—and all at prices that start right next to those of the so-called "low-price three."
- Record-Making Allowance** — from the tremendous volume that has put Buick into the top 3 of the nation's best sellers. And just to keep sales soaring, we're willing to give a whale of an allowance right now to keep success rolling in high. So come in—get the car and the deal that are far too good to pass up.

**Buick Sales are Soaring** so Buick "deals" are bigger than ever right now!

## Odds & Ends

(Continued)

Prince of Peace and that he never failed or quailed in the performance of righteousness in the interest of peace. Thousands of men misinterpreted Him when he was here on earth in the flesh, and millions and millions of people have misinterpreted Him since he ascended back into heaven.

We people of today need not only more common sense but also more Divine Guidance in the interpretation of the Scriptures.

Another mistake that we make in the interpretation of the Bible is the fact that so many of us undertake to substitute mere formalism and ritualism for true worship. That will not get the job done. It makes no difference how beautiful and charming a reputed act of worship may be, if it is not done "in spirit and in truth," I think the Lord will pay no more attention to it than He would to a little whiff of the wind or the chirp of a bird in the trees. I am not to judge, but many of

our public prayers, no doubt, are never heard by the Lord. But He will always hear the cry or even the mere whisper of a humble, penitent soul, whether he answers it in the manner desired by the one who offers the prayer or not. And the attitude of the body matters little unless it is bowed down by grief, humility, penitence, affliction, or by some similar cause. "Pride goeth before a fall," but "A broken and contrite spirit, O Lord, thou wilt not despise."

When we read the Bible, we should do it studiously and just as reverently as we would offer a prayer. There is not much virtue in reading it in a skip-hop-jump fashion or in order to say that we have read it. The reason many folks do not understand much of it is because they never investigate or seek to unravel any puzzle or inconsistency that they think they find.

Now, after you have done all this, you will still find that there is a lot of it that you just do not understand. But you will find much pleasure in perusing its pages for the things that you do understand or can learn to understand. I think it will always be the world's greatest book, even its greatest library of books.

Now, Senorita Aurora gives us the Closing Paragraphs of China Poblana.

In the last instalment, the kidnapped little girl Catarina had been seeing visions, and one that had appeared to her while she was on the pirate ship re-appeared to her in the Mansion of the Governor of Mexico, after he had taken the little girl to his home at Puebla. That vision was the Face of Christ. I gave you this just to connect up the story as related up to this point, and now Aurora proceeds.

"Catarina de San Juan became known as 'La China Poblana,' or 'The Chinese Girl of Puebla' and her biographers, turning the pages of the hour book of her life, find many evidences of the goodness and sanctity of this woman. A tombstone of tecale—a greenish and translucent Mexican onyx—is set in the wall of the church of the community, showing where she rests. The stone is engraved in Latin which (translated) reads: 'The magore gave her to the world and Puebla de Los Angeles gave her to Heaven!'"

With the death of the China Poblana, there also died the good Angel of the poor of the city, and these people, ever grateful, revered her memory as that of a Saint. They imitate her in their dress, and from this imitation come the China Poblana who have given romantic inspiration to Fidel, Juvenal, and Pecundo. And today as far removed from the saintly beliefs and scruples of her predecessors as is the

## Wilson News

MISS JUANITA MURRAY  
Correspondent

The W. S. C. S. of the Wilson Methodist Church met in the home of Mrs. Charlie Campbell Tuesday. They finished their study on "City Life." Mrs. John Hamilton gave the devotional and Mrs. Richards, Mrs. Chester Swope, Mrs. John Lamb and Mrs. J. O. King were also on program.

Mr. and Mrs. Joe Moore and family of Olton, Mr. and Mrs. Dee Purdue and daughter of Slaton, Mrs. Dock Dockery and sons of Tahoka, Mr. and Mrs. Russell (Runt) Moore and family and Mr. and Mrs. Zollie Moore and family were Sunday dinner guests in the home of Mr. and Mrs. E. J. Moore.

The W. S. C. S. of the Wilson Methodist Church observed a day of prayer Thursday at the church. There were about 10 members present for the meeting. The entire afternoon was spent in discussion of the needs and welfare of other counties. This was a national observation of prayer week.

Miss Glenda Brewer of San Angelo visited in the home of her parents, Mr. and Mrs. Herman Brewer over the weekend.

Mr. and Mrs. Ted Lawrence and daughter of Paris, were weekend visitors in the home of Mrs. Lawrence's sister and family, Mr. and Mrs. Sam Crowson.

Mr. Arthur Hagens left Monday for St. Louis, Missouri where he will join his son Junior. He and Junior will return by car. Junior will spend the Thanksgiving Holidays at home.

Mr. and Mrs. R. B. Crowson and family of Sulphur Springs, Mr. and Mrs. Sam Crowson and family and Mr. and Mrs. Ted Lawrence and family of Paris, were Sunday dinner guests in the home of Mr. and Mrs. W. C. Martin Jr. and family.

Mrs. Frank Henderson, Mr. and Mrs. John Shepard and Mrs. Earl Bartley and son Ron Earl were weekend visitors in the home of Mr. and Mrs. Bill Morris of Abilene.

Mrs. Billy Ray Kelley and son of Oil Center, N. M., spent the week with Mrs. Kelley's mother, Mrs. Frank Henderson.

The Rev. John Martin attended the funeral of Mr. Summers Evans, a former resident of Wilson, in Lubbock Monday.

A Hallowe'en Party was held in the Wilson Methodist Church basement Wednesday night. It was decorated with the usual Hallowe'en decoration. After the refreshments were served the pastor showed a film on the life of Korean people.

Mrs. M. L. Murray and daughter Juanita visited Mr. and Mrs. John Gayle in the Mercy Hospital at Slaton. The Gayles are in the hospital after a recent car wreck. They are recovering very nicely but they will be in the hospital for quite some time.

Miss Grovanda Coleman and Mr. Bobby Ellison of Cooper were married Saturday night in the Wilson Methodist Church. After the ceremony the reception was held in the home of the bride's parents, Mr. and Mrs. Grover Coleman.

The bride and groom will go to Colorado for their wedding trip. They will make their home at Cooper where the bridegroom is engaged in farming.

Mr. and Mrs. Homer Whitwell of Lubbock were Sunday dinner guests in the home of Mrs. Homer Whitwell's sister and brother-in-law, the Rev. and Mrs. John Martin.

Mrs. Pet Hobbs, Mr. and Mrs.

Poppy from a knowledge of botany, the modern China Poblana may be seen at every kermess, (an indoor entertainment) carnival, and jamaica. We see her on the stage at the dances and fiestas, and battles of flowers, and in the springtime listening to the dreamy music of guitars as she glides along the pleasure boats of the Floating Gardens or of the ancient Canal de la Viga.—The End. Thank you, Aurora.

Note: The Floating Gardens referred to are at Xocamilco on the outskirts of the City of Mexico and afford one of the principal pleasure resorts of the City. Gay music and gorgeous flowers characterize every kind of public entertainment in Mexico. It is distinctly a land of music and flowers. Senorita Aurora also sketched off in pencil a picture of the China Poblana in her characteristic garb, but we have no way of placing that in print. E. I. H.

Albert Dawson, Mrs. Clara Crews, Mr. and Mrs. Clyde Saval and family all of Lubbock and Mr. and Mrs. Jim Porter of Slaton visited in the home of Mrs. C. A. Coleman, Sunday.

Mr. and Mrs. D. W. Hancock of New Home and Mr. and Mrs. Lee Hancock and children of Lamesa and Mrs. Nettie Richards of O'Donnell were visitors in the home of Mr. and Mrs. M. L. Murray and daughter, Juanita Sunday.

Ralph Droege, Leonard and Vernell Dube, Dolores Luker, Ronnie Moerbe, Delvin Behrend and Ruby Tienart of the Walther League attended a zone meeting at Lariat Sunday. The group was entertained with a Hallowe'en Social after a day of business meetings and officers conference.

The Brownfield Association Youth Rally was held Monday night at the Wilson First Baptist Church. There were about 255 present at the meeting.

The program was the installation of new officers under the direction of Mrs. John Martin the Association Youth Director.

Mary Lou Lichey and Ronnie Foster were installed from Wilson as associational program chair man and assistant.

The outgoing president of the Association Miss Royda Dumas of Tokio, presented Mrs. John Martin, the Brownfield Association Director with a Caranation Corsage.

Mr. and Mrs. Hershel Martin of Lubbock were guests in the home of Rev. and Mrs. John Martin for supper Saturday night.

North Dakota and South Dakota were admitted to the Union on the same date, November 2, 1889.

### Football . . .

(Cont'd. from page 1, Sec. 2)  
Garland Huddleston, converted to an end in this game because L. W. Castleberry had received a foot injury in the Post contest, got behind the Abernathy defenders, hesitated a moment to wait for the ball, gathered it in on the 13 and lumbered over the goal line to put Tahoka back into a 13-12 lead. Melton's kick was wide.

Tahoka covered an Abernathy fumble on the second play on the Abernathy 24, moved down to the 8, where the ball was jarred loose and covered by Abernathy. However, Abernathy immediately lost the ball again on a fumble on the 13. Williams made three to the 10, and then, taking the half was only a few seconds a Melton made a beautiful and successful field goal from an angle, way, Smith held the ball while to give the Bulldogs a 16-12 lead.

There was time, however, for the kickoff and four unsuccessful passes by Abernathy.

**Third Quarter**  
Melton brought the second half kickoff from 25 to the 43, and the Bulldogs were off on another touchdown jaunt, with Franklin Melton, Williams and Smith all having a hand in moving the ball down to the Abernathy four, from which point Williams banged through right tackle for the TD. Melton's placement was good, and Tahoka felt more secure with a 23-12 lead.

Abernathy immediately brought the kickoff back to its 44, and then moved down to Tahoka's 24 on runs by Sons and a 11-yard pass to End Manny Connell. Here, Tahoka's alert Bill Moore covered another Abernathy fumble on the 29, but after two plays the Bulldogs lost the ball on a fumble on its 37. An Abernathy substitute center, replacing Leon Manley, regular, made a bad pass on fourth down and Tahoka recovered on its 38.

**Fourth Quarter**  
After moving up to midfield, Tahoka drew a 15 yard holding completed a pass to Carlton Bell on the Abernathy 35, but the Bulldogs were offside, nullifying the play and putting them back on their 30. Smith made 11, then Franklin carried for short yardage, and as he was tackled the ball was knocked about five yards forward. The stellar Sons caught it on the fly and ran 45 yards down the sideline to score. The conversion failed, and now the Bulldogs led only 23-18.

But the Bulldogs could not be stopped now. Taking the kickoff, they ground out six first downs in moving from their 34 to the Abernathy 6. Set back to the 21 by another holding penalty, Blair and Franklin moved to the 10. On fourth and goal to go, Melton and Smith faked another place kick, instead Smith passed to Jerry Williams in the end zone to make the score 29-18.

After the kick-off, Abernathy received its only two penalties of the game, and the contest ended on the third play.

The game was a thriller from start to finish, with a surprise almost every minute.

Stone did a good job subbing at center. Injured Duane McMillan was nearly back to normal, and Jimmy Williams, Huddleston, Bill Moore, Bell, Witt, Ronnie Brooks, and others looked good both on offense and defense. Ware High played a fine game, as did others.

Melton, still suffering a leg injury, was not up to normal. Franklin, also injured, received further injury to a shoulder near the end of the game and will be out for a while, at least. Blair did a good job in the backfield, also.

### Football Scores

Tahoka 29, Abernathy 18.  
Slaton 35, Post 20.  
Spur 35, Rotan 0.  
Littlefield 20, Kermit 6.

### Audrey Wileys In School At Wayland

Plainview, Nov. 5—Mr. and Mrs. Audrey Wiley, Post, who are among those registered at Wayland College this fall, have helped make the increased enrollment that exceeds the goal set for the 1954-55 session by the Board of Trustees in meeting last February. The enrollment shows a six per cent increase over the fall of 1953.

Mrs. Ellen Wiley, who is the daughter of Mr. and Mrs. H. D. Gartman, Route 1, Tahoka, is a freshman. She is working for a B. A. Degree with a major in Bible.

### Flying Queens of Wayland College

Wayland College dedicated its sixth building in six years on October 10. This is a residence hall for young women and is named Hattie Mays Ferguson for Mrs. Jim G. Ferguson, Evanston, Ill., who gave the initial \$50,000 toward its construction. The building also contains the college infirmary. Other buildings are being planned for the immediate future, according to President A. Hope Owen.

## What's new with Chevrolet?

## everything!

### Wonderful new Glide-Ride Front Suspension

New spherical joints flex freely to cushion all road shocks. You glide over the bumps! New Anti-Dive Braking Control, exclusive with Chevrolet, assures "heads up" stops.

### Easier steering, stopping, clutching

The new Chevrolet steers with ball-bearing ease, thanks to new friction-cutting Ball-Race Steering. New Swing-Type Brake and Clutch Pedals pivot at the top, swing downward with a light pressure of your toe.

### Tubeless tires as standard equipment

You get this great tire advance at no extra cost! Proved tubeless tires give you greater protection against a blowout . . . deflate more slowly when punctured.

### Great new V8—two new 6's

New "Turbo-Fire V8" delivers 162 h.p. with an ultra-high compression ratio of 8 to 1. Two new 6's, too—the new "Blue-Flame 136" with Powerglide (optional at extra cost) and the new "Blue-Flame 123."

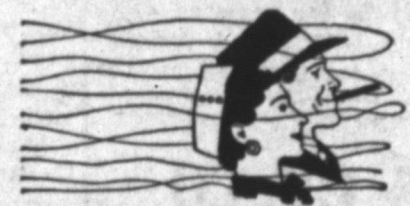

And look what you see from the driver's seat  
New Sweep-Sight Windshield curves around to vertical corner pillars, giving you a wide, full view of the road ahead. And you can see all four fenders from the driver's seat!

### New Outrigger Rear Springs

Rear springs are longer—and they're attached at the outside of the frame. This means they're spaced wider apart, outrigger-fashion, to give you greater stability in cornering.

A ventilating system that really works  
Chevrolet's new High-Level Ventilating System takes in air at hood-high level, away from road heat, fumes and dust.

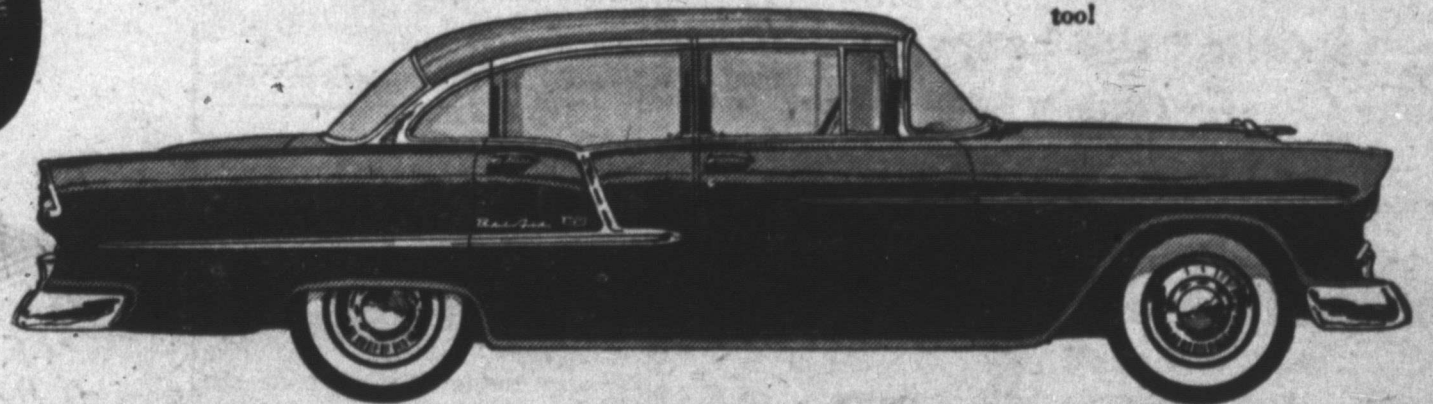

### Three drives, including Overdrive

Powerglide—with the new V8 or the new "Blue-Flame 136."  
New Overdrive with the new V8 or the new "Blue-Flame 123." (Powerglide and Overdrive are extra-cost options.)  
New standard transmission, too!

### Even Air Conditioning, if you wish

Air is heated or cooled by a single highly efficient unit that requires no trunk space! (V8 models only.) It's just one of the wonderful extra-cost options Chevrolet offers!

The Bel Air 4-Door Sedan—one of 14 new Fisher Body beauties in three new series

Chevrolet and General Motors have started something—a whole new age of low-cost motoring—by taking a whole new look at the low-cost car. Here are new ideas, young ideas . . . and some of tomorrow's ideas, too! And they're all rolled up in the most glamorous package that ever wore anything like a Chevrolet price tag!

This is the car that began with a great idea—the idea that a low-priced car could be built that would have the style, the performance, the comfort and convenience features, and the fine quality "feel" of high-priced cars. Lots of car buyers have wished for such a car. Lots of automotive engineers have dreamed about it. But there were

plenty of reasons why it couldn't be done. Then Chevrolet and General Motors designed and built a car to fit the dream—the Motoramic Chevrolet! Come in and see how the Motoramic Chevrolet for '55 is far more than a completely new car. It's a whole new idea about cars!

Come in and meet the *motoramic* Chevrolet

—more than a new car—A NEW CONCEPT OF LOW-COST MOTORING
