"I wholly disapprove of what you say but will defend to the death your right to say it." —Voltaire.

**Serving Tahoka  
and Lynn County  
Since 1903!**

## New Records Set At Livestock Show

Lynn County's Junior Livestock Show, held here Saturday, again exceeded all previous records in number and quality of stock shown. More than \$1,700.00 was paid the boys in premiums and bonuses.

4-H and FFA club boys showed 214 swine (not including about 40 sifted out), 48 fat calves, and 44 sheep.

Ten calves were taken to the Odessa show Tuesday, and most of the other livestock will be entered in the South Plains show at Lubbock next week.

Walton Terry, 16, son of Mr. and Mrs. O. E. Terry, and a Tahoka FFA member, showed the grand champion calf, a milkfed 1045 pound heavy-weight Hereford. Walton also exhibited the first and second place lightweight barrows and the best pen of three in the Chester White hog class.

Jack Wood, 9, son of Mr. and Mrs. Horace E. Wood, route 5, a Tahoka 4-H club boy, showed the reserve champion calf, a milkfed, 890 pound light-weight Hereford.

Glenn Barrington, 15, son of Mr. and Mrs. Dale Barrington, Tahoka FFA boy, had the grand champion barrow, a Berkshire. Lendell Norman, also a Tahoka FFA boy, showed the reserve champion, a Hampshire.

Joe Roper of New Home showed the grand champion pen of three hogs, Boland, Chinias, and Walton Terry. Tahoka, reserve champion pen of three, Chester Whites.

In the sheep division, Bennie Edwards, 20, son of Mr. and Mrs. Clyde Edwards of O'Donnell and a FFA club boy, showed the grand champion lamb, a South-down; and Benson Rice of Wilson FFA, son of Mr. and Mrs. Elmer Rice, showed the reserve champion.

Dean W. L. Stangel of Texas Tech, judge of the calf division, said the show was the best overall show he had seen in Lynn county and was one of the top county shows of the Plains. Tom Duffy of Plainview, who judged the swine was equally complimentary of this division. The sheep were judged by Ray C. Mowery of Texas Tech.

General Superintendent of the show was County Agent Bill Griffin, who asked The News to express his appreciation for the fine cooperation from the Tahoka Chamber of Commerce, Tahoka Rotary Club, business men, and the superintendent, Geo. C. Wells of the calf division, Ralph Beach of the sheep, and Ward Eakin, Leonard Crawford, and B. L. Hatchell of the swine division.

Success of the show depended largely on the cooperation of the Vocational Agriculture teachers of the county, V. P. Carter and Lester Adams of Tahoka, Darrell Sims of Wilson, Bennie Bryor of New Home, and James Reed of O'Donnell.

In addition to premiums, furnished by the local Chamber of Commerce and Rotary Club, a bonus check was given each boy for each animal shown, \$10.00 for each calf, and \$3.00 for each head of swine and sheep.

Complete results of the show may be found on another page of this paper.

### MILLIKEN RECOVERING FROM HEART ATTACK

A. R. Milliken suffered a light heart attack Wednesday night of last week while en route home from Lubbock, where he had attended the wrestling matches. He was taken to Tahoka Hospital for treatment, but was able to go to the home of a sister, Mrs. Garland Pennington, Monday, and he is now believed to be recovering nicely. He is able to get up for his meals. Milliken is manager of Higginbotham-Bartlett Co. here.

## Junior Play Is Friday, March 18

The Junior Class of Tahoka High School will present their play on Friday, March 18, entitled "The Boarding House Reach," a comedy in three acts by Donald Payton.

There will also be special numbers between the acts. Admission prices are 75 cents for adults and 50 cents for students.

## Terry Will Get Rural Phones

Bids will be opened on next Thursday for equipment for two central stations in Terry county by the Puka-Lambro Rural Telephone Co-operative, according to Webb Harmon, manager.

One of the unattended automatic dial stations will be built near Needmore, north of Brownfield, and the other will be erected near Johnson, west of Brownfield.

Mr. Harmon said work of staking out the lines will be started at an early date. More than 250 rural patrons in Terry county have signed up for service with the cooperation system.

## Congratulations:

Mr. and Mrs. Raymond Gary on the birth of a son weighing 7 pounds 8 ounces at 10:13 p. m. Wednesday in Tahoka Hospital. Name, Michael Kervin. The dad is employed at Bray Chevrolet. The mother is the former Miss Joyce Tilley, daughter of Mrs. Ruth Tilley of New Lynn.

Mr. and Mrs. Bonnie Brown on the birth of a son weighing 8 pounds 3 ounces at Tahoka Hospital Friday at 5:45 p. m. He bears the name Clifton Eugene.

Mr. and Mrs. Carlton Wilke of route 2, Post, on the birth of a daughter weighing 6 pounds 12 ounces at 11:54 a. m. Saturday in a Lubbock hospital.

## Marvin White Is New Mortician

Marvin White is the new manager and mortician of Stanley Funeral Home. He succeeds Geno Jones, who recently disposed of his interest in the business.

Mr. White is married and has two sons Richard, age 5, and Randy, age 3. He was reared at Sudan, and is a graduate of the Landig College of Mortuary Science of Houston. He practiced his profession while in the Army overseas during the war, and has also worked at funeral homes in Clovis and Littlefield, coming to Tahoka from Gorman, where he was with a similar institution.

Junior Fitts, Tahoka High School student, went to work as an assistant at the funeral home Monday.

### WILL DEEPEN TEST

Suniland Oil Corp. last week announced it would deepen the M. M. Bruster San Andreas wildcat test in northeastern Lynn county to 3,850 feet.

The test is four and a half miles southwest of Southland in the northwest quarter of section 1274, block 8, E1&RR survey.

### JOIN THE ARMY

Jimmy Bragg and Willie Lee left Sunday for Amarillo to enlist in the Army, and expected to be sent to Fort Ord, Calif., for training. Jimmy's wife is employed at D. W. Gaignat's.

## Hillhouse Boy Killed By Gun

Little Eugene Hillhouse, age 9, son of Mr. and Mrs. Otis B. Hillhouse, was killed instantly at about 8:20 a. m. Wednesday, when a 30-30 carbine rifle with which he was playing was accidentally discharged.

Funeral services were held at 5 p. m. Thursday at the First Baptist Church, with the pastor, Rev. Clifford Harris, officiating, and burial followed in Tahoka Cemetery under direction of Stanley Funeral Home.

The father, who drives a truck for Walthal Littlepage, was in the Houston area when the accident occurred. He was expected home Thursday morning.

The accident occurred Wednesday morning a short time after the mother had gone to work at Wynne Collier Drug, leaving Eugene and his younger brother, Johnny, 7, at home. They were due to leave their home at 2024 North Fifth in a few minutes for school.

John was in another room when he heard a shot in the bedroom, ran to that room, found his brother on the floor. He ran out of the house crying and went to the near-by home of Mrs. Reid Parker, who went to investigate and found the boy's body.

The slug had entered the boy's right side and came out at the left breast bone and lodged in the wall.

Justice of the Peace C. A. Clem returned a verdict of accidental death. The accident was investigated by Police Chief Roy Henner and Deputy Sheriff Tom Hale.

Eugene Lloyd Hillhouse was born Feb. 24, 1946, at Dublin. He came here with his parents in 1950, and was a student in the local school. He was a member of the First Baptist Church.

Survivors in addition to the parents and brother included a grandfather, J. C. Bearden of Seagraves, and a grandmother, Mrs. J. B. Hillhouse of Odessa.

## Annual Style In Tournament

Tahoka Garden Club's annual style show is being held tonight, Friday, in the Tahoka school cafeteria.

An interesting program of entertainment will accompany the showing of the latest children's, ladies', and misses' wear. Tickets may be obtained at the door at \$1.00 per adult and 50c for children.

Frank Brown, seriously ill for many weeks, remains in a critical condition at Tahoka Hospital.

## Robinson Enters Mayor's Race

Two candidates had filed for the office of Mayor of the City of Tahoka when the deadline for filing was reached Saturday night.

Jack Alley Robinson's name was filed for the office late last week. The name of Clint Walker had previously been filed.

However, there will be no contest for the two places on the board of Aldermen. Herman Heck has filed for reelection, and Wynne Collier has filed for the position which will be left by Lewis Allsup, who did not choose to run again.

The present mayor, E. R. Edwards, is not a candidate for reelection. Holdover members of the City Council are Winston Wharton, Everton Nevill, and Albert Curry.

The election will be on Tuesday, April 5.

## Red Cross Campaign Is Lagging In Tahoka

The annual Red Cross Roll Call drive in Lynn county is lagging this year, Dr. R. D. McIlroy, drive chairman states.

So far, only \$2,121.64 has been turned in to the treasurer, Ross Smith, and the quota for the county is \$2,465.00.

However, several workers have not yet reported.

Tahoka is away behind in its part of the drive, and some workers have turned in little or no contributions. In fact, Tahoka is the cause of the drive being below the quota.

Tahoka has contributed only \$571.50, while O'Donnell, for instance is away past its quota with \$1,012.94.

The following communities have reported these amounts to Mr. Smith:

Draw-Redwine	\$39.50
Dixie	\$121.50
West Point	\$127.50
Newmoore	\$86.70
Midway	\$37.00
Lakeview	\$125.00
O'Donnell	\$1,012.94
Tahoka	\$571.50
Total	\$2,121.64

### BABY STILL GROWING

The Othell Meeks baby boy, which weighed only 2 pounds 5 ounces at birth seven weeks ago, now weighs 4 pounds 1 ounce. It is still in an incubator at Tahoka Hospital.

## Salk Polio Vaccine Program Is Planned For Lynn County

### Deanie Edwards Is Honored At Tech

Miss Deanie Edwards, daughter of Mr. and Mrs. E. R. Edwards, has been named White Rose Princess of Sigma Nu, national men's social fraternity at Texas Tech.

She was crowned during the Sigma Nu White Rose dance last week, and will reign for the coming year.

Miss Edwards, a graduate of Tahoka High School in 1953, is a sophomore at Tech majoring in elementary education. She is a member of Pi Beta Phi, national women's social sorority.

### Jaycees Form New Organization

Tahoka Jaycees were reactivated at a meeting of 18 young men Monday night in the Legion Hall, and a list of nominees were selected for officers and directors.

All interested in the Jaycees will meet next Monday night at 8 o'clock to elect officers and complete the organization.

Waldo Duke and Norman Igo, both of Lubbock, were here Monday night to assist with the reorganization.

There will be a contest in all positions for officers. The following are the nominees:

President: Bill Chancy and Edward Pool.  
Vice President: George Glenn and Roy Everett.  
Secretary: Leslie McNeely and Tracy Brown.  
Treasurer: Tom Chandler, Dan Curry and David Massey.  
Directors, four to be elected: Glenn Huffaker, John Henry, J. D. Davis, Regan Reed, and Charles McClellan.

### 41 FHA Girls At Area Convention

Future Homemakers of America girls of Area II held their annual meeting at Big Spring Saturday, March 5.

Attending the meeting from Tahoka FHA Chapter were 41 girls, four mothers, and the sponsor, Mrs. Rita Hall.

The mothers who attended were Mmes. Walter Dubree, E. A. Howie, A. D. Riddle, and W. L. Rowe.

Janet Dube, Joyce Earley, and Dixie Davis attended the House of Delegates meeting.

Janet Dube served as chairman of the Area nominating committee. Janet also, during the past year, held the office of Area parliamentarian.

MRS. THOMAS IMPROVING  
Mrs. W. O. (Otho) Thomas, who recently underwent surgery in Methodist Hospital, Lubbock, was able to come home last week. Dr. Skiles Thomas, her nephew, reports that she is improving nicely.

W. R. Rogers underwent major surgery in a Lubbock hospital on Thursday of last week. He is reported improving nicely and will be able to come home this week end.

Advertise in The News.

## Mrs. Dreyer, 96, Dies At Slaton

Mrs. Karolina Dreyer, 96, of Slaton, died last Saturday, and was buried there Monday in Englewood Cemetery.

Rosary was said for Mrs. Dreyer Sunday at 7:30 p. m. in a Slaton funeral home, and requiem mass was read Monday at 9:00 a. m. in St. Joseph's Catholic Church by Monsignor T. D. O'Brien.

Mrs. Dreyer was born in Austria, and came to the United States when she was nine years of age. She came to the Wilson community in 1912, and had lived at Slaton the past 30 years.

Survivors include six daughters, Mrs. Anton Ahrens, Mrs. R. J. Maeker, Mrs. Will Bruckner, and Mrs. W. F. Klaus, all of Wilson, and Mrs. J. H. Sander of route 1, Slaton; two sons, Robert H. Dreyer of Shiner and R. R. Dreyer of Wilson; 25 grandchildren, and 40 great grandchildren.

### Joyce Verkamp In Area Queen Contest

Lubbock, March 10.—An attractive young lady from Lynn County has been entered in the Princess Contest which will be held in conjunction with the South Plains Junior Fat Stock Show which will be held in Lubbock March 14-16.

Joyce Verkamp, 18, daughter of S. H. Verkamp, Rt. 1, Wilson, has been entered in the contest by the Wilson FFA Chapter. The attractive young high school senior has blonde hair and green eyes.

Charles Mason is president of the sponsoring chapter.

This is the third year such a contest has been conducted by the stock show committee.

### Medical Auxiliary Official Is Here

Mrs. Ruth Latimer of Houston, state president of the State Medical Association Auxiliary, was a house guest of Mrs. Skiles Thomas Wednesday. She had been a guest of Mrs. A. G. Barsch in Lubbock Tuesday.

Mrs. Latimer is making visits to county Medical Auxiliary officials and meetings February through April.

Mrs. Thomas is president of the Five-County Medical Society Auxiliary, which embraces the counties of Lynn, Dawson, Terry, Gaines, and Coakum.

School and health officials were meeting here Thursday night to plan for possible polio vaccinations in Lynn county elementary schools.

Heading the move were Otis Spears, superintendent of the Tahoka Schools, and Dr. Emil Prohl, county health officer.

"If the Salk polio vaccine is found effective and is licensed, we will be prepared immediately to start vaccinating children in the first and second grades in every public, private and parochial school in Lynn county.

The vaccine will be furnished to Health Departments by the National Foundation for Infantile Paralysis without cost for the product. It will be part of a \$9,000,000 supply purchased with March of Dimes funds.

"The size of this job and the need for advance preparation can be realized when you consider that this involves 15 classes in five schools throughout Lynn county," Dr. Prohl stated. Many of these children will have to be transported to the clinic here and in O'Donnell.

"A polio vaccine program of this size is a challenge principals and teachers are eager to meet because it presents an opportunity for widespread health education," Mr. Spears said.

Details will be worked out in subsequent meetings for the vaccination program.

Meetings for parents of elementary school children will be held to explain the program. No eligible child will receive vaccine unless their parents first sign a form requesting it. These forms will be distributed through the schools.

## A. A. Shattuck Rites At Olton

Arvin A. Shattuck, 68, former Lynn county citizen, died of a heart attack about 3 p. m. Wednesday at his home in Plainview. He had been ill about two weeks, and had been released from the hospital Tuesday to go home.

Funeral services are to be held today, Friday, at 2:30 p. m. in the First Methodist Church of Olton, and burial will be in Olton Cemetery.

Mr. Shattuck was born at Lampasas January 18, 1887. He came to Tahoka as a young man, and was married here on Sept. 4, 1910, to Miss Bulah Womack. He farmed in the New Lynn community.

He and his family moved to Olton in 1925, and he resided there until about five years ago, when he moved to Plainview.

Survivors include the wife; three daughters, Mrs. Marvin Fisher of Plainview, and Mrs. Mildred Loving and Mrs. Ethel Campbell, both of Lubbock; one daughter-in-law Mrs. Ruth Shattuck of Lubbock; 14 grandchildren, one great grandchild; two sisters, Mrs. R. W. Allen of Tahoka and Mrs. Ruth Beeman of De Ridder, La.

His two sons are both deceased, one being buried at Tahoka and one at Olton.

### W. M. HARRIS HAS TWO LIGHT STROKES

W. M. Harris, local business man, suffered two light strokes Sunday night and early Monday morning. He was reported on Thursday morning to be showing gradual improvement.

He is at his home on Main street, but company is not advisable.

A West Texas tradition says that a horned frog can live a hundred years without food or water.

### Baptist Ladies Hold Week of Meetings

Last week the W. M. U. of the First Baptist Church met each day, Monday through Friday to observe the week of prayer for Home Missions. Each day we studied the needs of our missionaries and of our Baptist work in our homeland and outposts which include Alaska, Panama Canal, and Cuba; and much time was spent in prayer for these needs. Sometime this month every one of the church will be given an opportunity to help these prayers to be answered by giving to the Annie Armstrong Home Mission offering.

This past Monday, the W. M. U. met in circles in the various homes for Bible study. The topic discussed at these meetings was "Repentance." The following numbers were present in each circle: Wingo Circle, 9; Sallee, 6; Walker 4; and Sharpley, 3.

Next Monday, March 14, the W. M. U. will meet at the church at 3:30 p. m. for the Royal Service program. Every lady of the church is invited to attend this meeting for we know you will enjoy it and will learn much about our Baptist work in other countries.

KAY K. MOORE, CHAIRMAN  
ELMER BLANKENSHIP  
LONNIE HOWELL

**Supervisors Meet**  
The Lynn County Soil Conservation Board of Supervisors met Friday, March 4, with K. K. Moore, Chairman, presiding. The Board discussed problems of local interest and took care of the business of the District. Outstanding bills were approved for payment, and payment of State and National Association dues were authorized.

**Banquet**  
Mr. Mitchell Williams, president of the Tahoka Chamber of Commerce, was present at the meeting to talk over plans of the Farmer-Businessmen Banquet which is to be held Thursday night, March 24, in the School Cafeteria. Plans were completed for the program and board members were issued a number of tickets to sell to farmers who would like to attend. Mr. J. E. Porter, Vice President of the First National Bank of Wichita

the ew Home School. The essay should be original and not over 300 words in length. Entries must be turned in to Mrs. Jolly, County Superintendent, by March 17. Prizes of \$15, \$10, and \$5 will be awarded 1st, 2nd and 3rd place winners at the farmers-businessmen Banquet on March 24th. Those interested will need to get their entry in soon.

### Stubble Trials

The Dempster Company has offered to make the necessary equipment available to the Lynn County Soil Conservation District to be used in stubble mulching trials. The equipment has been designed to meet the requirements of stubble mulch farming. The implement is a double bar tool carrier mounted on wheels. This trailing implement is very versatile in that it may be used for deep subsoiling as well as stubble mulch seedbed preparation with 32" sweeps. The same implement is used for planting with the addition of planting boxes and disk planting furrow openers.

The stubble mulch trials will be carried out on the Elmer Owens farm west of Tahoka, the Joe D. Unfred farm South of Petty, the Leland White farm North of Lakeview, and the K. K. Moore farm, of New Home. All stubble will be left on top of the ground up to and through planting and cultivating.

### District Signs

The Board of Supervisors voted to obtain signs to identify the District, and place them at the

principal highways entering the District. So many people, who are not directly interested in agriculture, do not realize that the Lynn County Soil Conservation District is an organization of local landowners and operators who elect their own Board of Supervisors and administer their own self government, without the supervision of any outside help. It is NOT an organ of the U. S. D. A. Soil Conservation Service, but has merely asked the Soil Conservation Service for the

technical assistance of its personnel. The Supervisors believe that the signs will help the people to differentiate between the Lynn County Soil Conservation District and the U. S. D. A. Soil Conservation Service. Mrs. Frank Hill is visiting relatives in Graham this week and staying with her nephew and niece, Max and Sandra Howard, while their mother, Mrs. Vanroe Howard, recuperates from an operation.

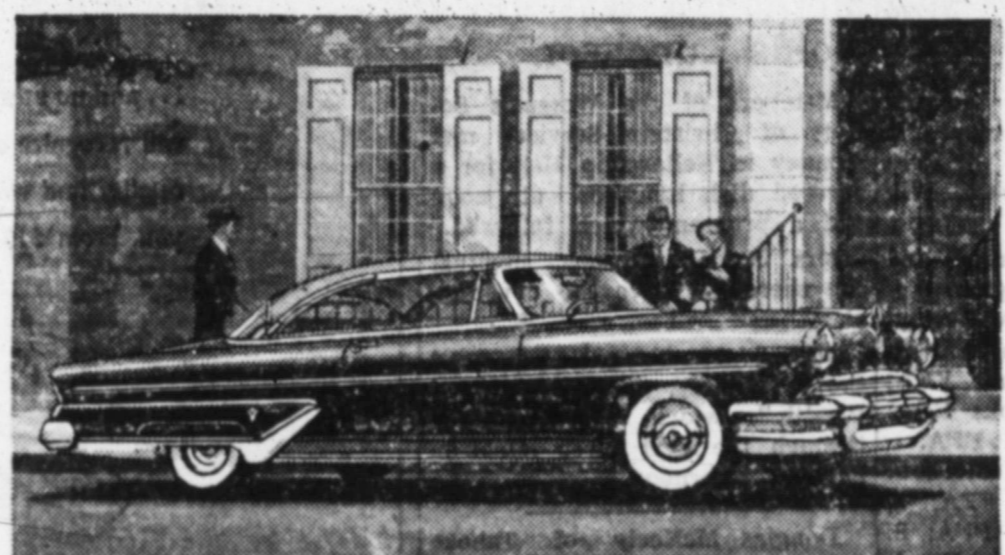

### OUR HATS ARE OFF TO—

Again, to the FFA and 4-H club boys for the wonderful work they have done with their livestock projects, to their sponsors and parents for the help given them, to all the workers who helped with the show, to the businessmen and individuals who contributed money for the prizes and bonuses. Such cooperation made the show a big success, and is a help in training better farmers for the future.

## Is the car of your dreams on this page?

"This luxurious Lincoln Capri teams new high-torque V-8 power and Turbo-Drive for instantly responsive performance in all driving ranges."

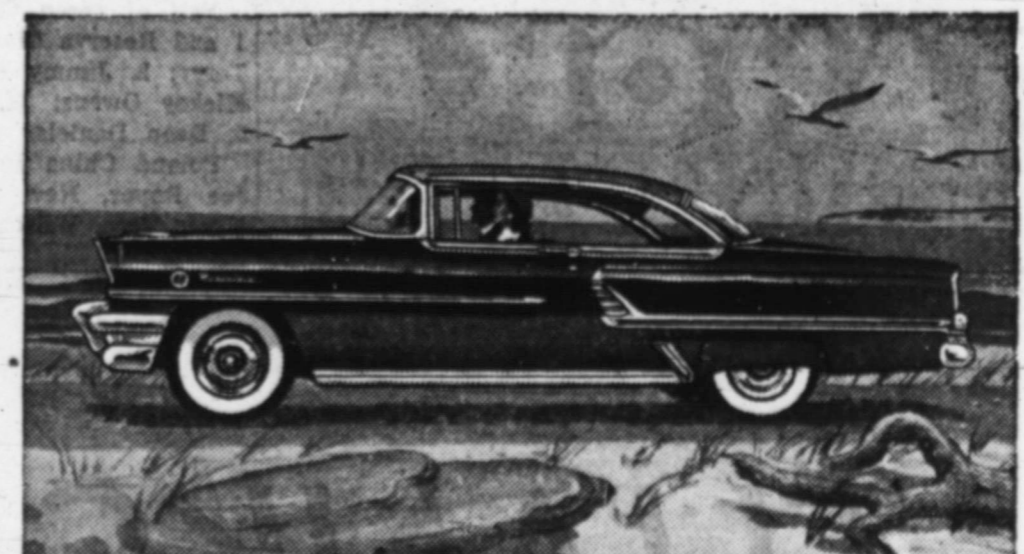

"The beautiful Imperial four-door sedan for 1955, with world's most powerful engine design: hemispherical-combustion FirePower V-8."

## Read why it deserves Conoco Super Gasoline with TCP

...the fuel designed for today's hi-compression engines!

"1955 Nash Ambassador Country Club highlights Pinin Farina sports car styling and new 208-hp Jetfire V-8 engine."

"Mercury's low-silhouette, ultra-smart Montclair Series for '55 features a new 198-hp Super-Torque V-8 engine and dual exhausts."

Regardless of make or year, your car will benefit from Conoco Super Gasoline, the fuel that combines a controlled higher-octane rating with all the power benefits of TCP!

Whether you're the proud owner of one of these 1955 beauties... or are still getting dependable service from your present car... isn't it time you benefited from Conoco Super Gasoline with TCP? Make no mistake about it! Here is no ordinary fuel, but an astonishing new kind of gasoline that sets free every ounce of power packed into today's wonderful high-compression engines... a gasoline that virtually tunes up any engine by the time you've finished your second tankful!

Feel that powerful difference today! This week, start using Conoco Super Gasoline with TCP... after two tankfuls, you'll see why the greatest gasoline development in 31 years became the greatest success in gasoline history!

### THE BENEFITS OF TCP

- PROVED BY OVER 8 MILLION USERS!
1. TCP boosts your car's power as much as 15% (because it neutralizes power-robbing lead deposits in your car's engine).
  2. TCP gives you extra gas mileage (motorists report up to 3 miles more per gallon).
  3. TCP is just like an engine tune-up (because you enjoy all your car's built-in power).
  4. TCP increases spark-plug life up to 150% (because it actually fireproofs your spark plugs).
  5. TCP is your guarantee of Top Car Performance (because it brings out all the extra performance of Conoco Super's higher-octane rating).

## Conoco Super Gasoline with TCP

...makes a powerful difference in your car's engine!

## Foolproof Test!

At last there's a way to buy a used car and know what you're getting. Buy a Safety-Scope used car. Every phase of engine operation checked electronically — along with other essential tests. Safety-Scope Check Sheet tells you all that's been done to protect you!

### Draw Is Planning Community Club

Draw Home Demonstration Club met Friday, March 4, in the home of Mrs. Gus Sherrill. There were 15 members and four children present.

Our principal business concerned the planning and preparation of a Community Center in the former Draw school cafeteria. We hope to have a nice place in our community for gatherings of all age groups.

Mrs. A. R. Hensley gave an

interesting resume of the history of Home Demonstration club work in Texas.

Mrs. Weldon Martin gave some pointers on parliamentary procedure and duties of each officer. Then, Mrs. C. R. Cargile gave a talk, "Highway Safety Begins at Home."

Following refreshments of sandwiches, cake, punch, and coffee, the meeting was adjourned.

The next meeting will be Friday, March 18, in the home of Mrs. Clyde Childress.

### Two Local Men Escape Injury

T. W. Potts, 26, the driver, and his brother, Otis Potts, 18, were injured only slightly when the truck they were in was involved in a collision with another truck on the highway five miles north of Abernathy Monday afternoon.

P. W. Wheeler, 52, of Lubbock received a broken collar bone, and Jake Higginbotham, 26, of Abernathy, who was riding with him, received only slight bruises.

Potts was driving a trailer truck belonging to Walthal Littlepage of Tahoka which was loaded with grain. He started to pass the Wheeler wench truck. The Wheeler truck suddenly cut to the left, collided with the Littlepage truck, and both overturned.

Littlepage said he lost about 10,000 pounds of grain. The truck was badly wrecked, but the trailer was not seriously damaged.

That no one was killed seemed to be a miracle.

### New Officers For Jaycee-Ette Club

Tahoka Jaycee-Ettes met in the home of Mrs. Alton Kelley at 7:30 p. m. Tuesday for the installation of officers.

Mrs. James Huey, out-going president, installed the following new officers: President, Mrs. W. W. Gurley; Vice President, Mrs. Seth Lewis; Secretary, Mrs. A. W. McClellan; Treasurer, Mrs. Edward Pool; Reporter, Mrs. Alton Kelley; Historian, Mrs. James Gage; and Parliamentarian, Mrs. Birch Larsen.

After installing the officers, Mrs. Huey presented her officers with lovely gifts.

Mrs. Gurley presented Mrs. Huey with a gift from the club members.

Year books were presented to members by Mrs. Gurley.

Following the meeting, club members went to Lubbock for dinner.

The next meeting will be held March 22 at 7:30 p. m. in the home of Mrs. Gurley.

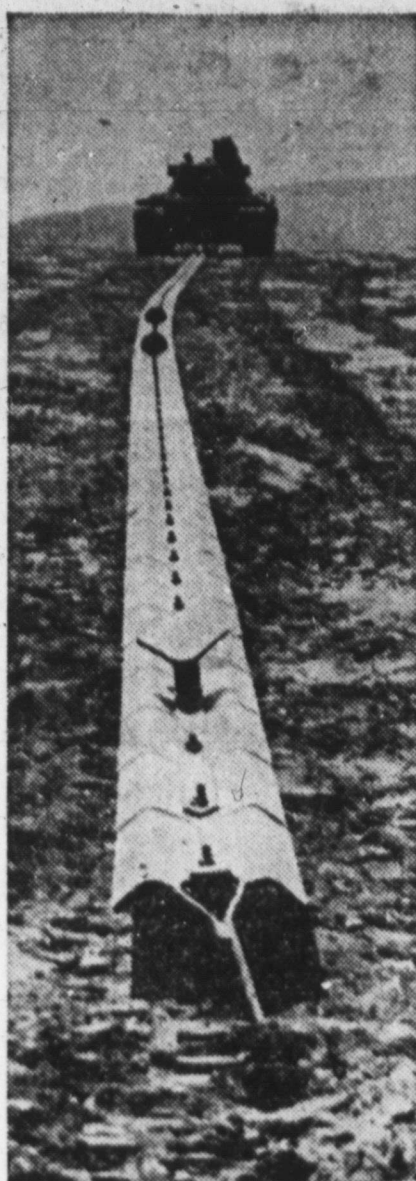

### T.H.S. Librarians Hold Banquet

The librarians in Tahoka High School entertained their dates and guests with a Mexican dinner Monday night in the Fellowship Hall of the Methodist Church.

Mrs. Betty Brookshire, former teacher here, of Plains, reviewed the book, "Adobe Doorways," by Dorothy Pillsbury. The book was a humorous account of life in the Latin American section of Santa Fe, N. M.

Decorations and music carried out the theme of the dinner and program.

Miss Sue Williams presided at

IT'S A SNAKE, Army style, and friendly, too. The metal snake, loaded with TNT, is pushed across a minefield by a Patton 47 tank at the Grafenwohr, Germany, training grounds. When the snake explodes, a safe path through the dangerous minefield will be cleared.

The program. Mrs. Paul Pittman is sponsor of the group, and is librarian in the local school. About 30 students and guests attended the affair.

### Safe Driving Is Urged At School

Jim St. Clair, Lubbock insurance executive, Thursday morning told students of Tahoka High School that since the advent of the automobile the American motoring public had killed more than a million people and injured some 45 million.

Mr. St. Clair, representing the Southwestern Insurance Information Service of Dallas, pointed out to the students that in the last 20 years America has consumed two wars, inflation, and deficit spending and high taxes, and that there is now talk of another pending war.

"It may be a large one—probably the last, too. My generation has handed to you, the American youth, an atomic bomb, and an H-bomb. I say to you, could we have done a more horrible job of messing things up! In the last two years we killed more people in the United States with the automobile and injured many, many more than the Korean War."

"In Texas, the estimate is well over one million and a half dollars a year. The destruction of life and property is a national disgrace. I have come to the conclusion that my generation will do nothing about the problem. But I feel the boys and girls in today's high schools and the future mothers and fathers of this country will meet this problem head-on as thinking adults and stop this slaughter on our streets and highways."

Mr. St. Clair added, "Last year a psychiatrist in Detroit made a report to one of the courts in that city. He said of the ten thousand problem drivers referred to his clinic by the courts, 100 of them were found to be ready for the insane asylum, 850 were feeble-minded, and 1,000 were former inmates of a mental hos-

pital. This psychiatrist reported that many other offensive motorists, who were and would be described as 'nuts,' were classified in three categories: (1) the psychoneurotic or emotionally unstable; (2) the impulsive or irresponsible, and (3) the day dreamer, preoccupied by thoughts of financial distress, marital discord or some other problems."

The speaker said that every high school should have a driver's training course and every community should have a refresher course for all types of drivers. "We should attempt to sell the public not to resign itself to today's preventable plague of highway accidents. I think the solution to our problem is in the minds of people. In most accidents the guilty party is the driver and not the machine, in the mind and not the motor, in the reflex and not the roadway," St. Clair continued.

Mr. St. Clair is agency director for the Western Fire & Indemnity Company of Lubbock.

### Huddleston Pledges Social Fraternity

Lubbock, March 10, Wendell E. Huddleston, a Tahoka student at Texas Tech was one of the 249 men pledging social fraternities this week at the close of spring rush activities. James Whitehead, assistant dean of student life, announced.

Huddleston pledged Sigma Nu.

### Show Tonight Bray Boys Lose

The Bray Chevrolet basketball team lost out in the tournament at Ralls last week.

The Tahoka team was defeated by the strong Paymaster Gin team from Ropes 70 to 54. The Bray team just couldn't get started the first half, and at haltime the score was 33 to 16. The second half, the Bray team outscored the Paymaster team 38 to 37 but that wasn't enough to defeat the tall ginners.

Steve Slover and Gainerd McNeely tied for high point honors for Bray with 14 points each. Charles Hyles followed closely with 12. Esten Blackman of Paymaster took all honors with 21 points and Glenn Braden had 19.

Paymaster went on in the tournament to win second place.

The Bray team will play in the tournament at Petersburg next week.

### Youth Revival At Sweet Street Church

Sunday School, 9:45 each Sunday morning.

Preaching Services, 11:00 a. m. and 7:45 p. m.

Training Union, 6:45 each Sunday evening.

Old Fashion Prayer meeting Wednesday, 7:30 p. m.

You have a special welcome awaiting you at any or all of these services.

We begin our Youth Revival Friday evening, March 11. We welcome all of you, and especially the young people, to be present. The services will run through Sunday, March 13.

We are hoping to have the Chorus from our High School with us Friday evening, come, and tell all to come with you. E. E. Woolery, Pastor

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

Washington pundits who claim only "right wing" republicans will oppose Administration's protective tariff wrecking proposal, with democrats supporting it, apparently have not marched through Georgia lately.

Rep. Henderson Lanham, a Georgia democrat takes mighty blast at plan to turn over economy to Acheson-Dulles theories of State Department.

Rep. Lanham feels pending tariff measure would be death blow to nation's cotton textile industry and cotton growers already feeling effects of "One Worlders."

He points out published list of planned tariff reductions includes almost every item produced by U.S. textile industry.

Rep. Lanham also points out while average hourly labor rate in U.S. textile mills is \$1.30, in Swiss mills it is 43c, in England 40c, France 38c, Italy 39c, India 94c, Japan 13 6/10c.

He further reports it is planned, if Congress approves current tariff-wrecking scheme, to also lower tariffs on foreign made synthetic fibers.

Thus, plans are afoot to flood U.S. with foreign cottons made at wages ranging from 10 to 25% of prevailing U.S. wages but at same time, through cutting tariffs on foreign made synthetics, it is planned to wreck U.S. cotton farmers even now supported by farm program.

The gentleman from Georgia, even states he will ask Congressional investigation on who drew up list of planned tariff slashes.

From his study, small business alone will bear brunt of tariff wrecking plans. In cotton textile industry, employing over 1,250,000, 75% of industry is composed of small firms who do less than 1% of total industry.

The Georgian also made this highly significant statement: "The American people feel that the great mass production industries of the United States are so much more efficient than foreign industries as to be immune to foreign competition. Hence we expect that articles selected for tariff reduction would include products of great super-efficient mass production industries. They are either not on list at all, or are relatively minor items."

But he does charge through list of tariffs to be reduced Washington planners have selected for destruction many industries composed of small operators, or agricultural operators.

It is interesting that at the same time Congress is being asked to raise by law U.S. minimum wage rate to more than twice prevailing skilled wage rate in England.

It is also interesting to note that one of the first to testify in support of tariff wrecking was a cabinet officer who formerly headed nation's biggest manufacturing firm which also operates branches in many of world's cheap labor nations. He was joined by Harold Stassen, whose experience in world trade has been confined to giving away U.S. tax billions as head of Foreign Operation Administration.

In meantime published figures show that since 1937, while U.S. tariffs have been slashed by 68%, England's have been increased by 29%. Thus many feel it is good they still whistle "Dixie" in Georgia instead of "God Save the Queen."

IN MEMORY AND HONOR OF MR. POSE MANSELL

Editor's Note: P. A. Mansell, 69, O'Donnell business man, was buried there Wednesday of last week, and The News has been requested to publish the following obituary.

Mr. Pose Mansell was born on Sept. 20, 1885, and died Feb. 28, 1955, being 69 years, 5 months, and 8 days old.

He was born in Parker county near Weatherford and married Mrs. Mansell, whose maiden name was Miss Mamie Orr, in 1907. He lived in and near Rochester until 1942, then moved to O'Donnell, where he resided until his death.

He is survived by his wife and five children, who are Don and Paul Mansell, Mrs. Oma Doss, all of O'Donnell, Mrs. Mabel Bagwell of Dallas, and C. G. Mansell of Artesia, New Mexico.

He has three brothers and two sisters living. He was a member

of a family of 16 children.

Mr. Mansell became a Christian at the age of 14 and joined the Baptist Church. He was a faithful member ever since. He had been a Deacon for the past 35 years. His father was a Baptist preacher.

CPL. FRANK SARABIA NOW AT FORT HOOD

Fort Hood, Texas.—Cpl. Frank Sarabia, 21, grandson of Mrs. Simona Manrique, Tahoka, recently participated in a special Army test exercise at Fort Hood.

Purpose of the exercise was to test combat command experimental formations organized by the 1st Armored Division to adapt to the latest concepts of atomic-age ground warfare.

Corporal Sarabia, who entered the Army in May, 1953, is assigned to Company A of the division's 81st Reconnaissance Battalion.

Edwards-Caudle Rites Are Read At New Home

Miss Delores Ann Edwards of New Home and John Caudle of Lake Whitney were united in marriage Sunday at 8:00 p. m. at New Home Baptist Church, the Rev. R. C. Clements reading the double ring ceremony.

The bride is the daughter of Mr. and Mrs. J. W. Edwards of New Home, and the bridegroom is the son of Mr. and Mrs. Donald C. Caudle of Lake Whitney, formerly of New Home.

Miss Sylvia Edwards, organist, played the traditional wedding music, and accompanied Boswell Edwards as he sang "Ah Sweet Mystery of Life," "Because," and "The Lord's Prayer."

Given in marriage by her father, the bride wore a gown of white Chantilly lace over net and taffeta, fashioned with a fitted lace bodice fastened in the back by tiny buttons.

Miss Nita Fortenberry attended the bride as maid of honor, and bridesmaids were Mrs. Evelyn Kent of Jal, N. M., sister of the bridegroom, Mrs. Dorothy McNeely, and Miss Peggy Hemmeline.

Candlelighters were Charlene Edwards, sister of the bride, and Macy Caudle, brother of the bridegroom. Judy Jenkins, cousin of the bride, was flower girl. Jay H. Kent, nephew of the bride was ring bearer.

The bridegroom was attended by his father as best man.

At a reception in the church parlors following the ceremony, Miss Elvayne Johnson of Lubbock and Mrs. Carlton Davies presided at the punch bowl, and Mrs. Darrell Fletcher of Lubbock served the cake. Mrs. Pete Crispin of Post and Mrs. John Edwards registered guests.

Following a wedding trip to San Antonio and Austin, the couple will be at home at King Creek Lodge on Lake Whitney, near Clifton.

Mrs. Tom Russell is a medical patient in Tahoka Hospital.

LESSONS IN DIPLOMACY—The better to represent this country abroad, U.S. Army attaché wives may learn the language of the country to which their husbands will be assigned. Mrs. T. C. Anderson of Kendall, Fla., was the first wife to graduate from the Army Language School under the new program. She and her husband studied French, diplomatic tongue of Egypt, their new station.

Brashear S. S. Class In Social Meeting

The Bessie Brashear Class met the first Tuesday afternoon at 3:00 o'clock in Fellowship Hall of the First Methodist Church for its regular monthly social, with 23 members and four visitors present.

A very interesting program was given by Mrs. Irving Stewart and Mrs. R. B. (Casey) Jones of Plains. Mrs. Jones gave a very inspiring review of "The Worthy Woman," taken from the twenty-first chapter of Proverbs.

The Class thanks these two

ladies for the fine program. Mrs. Jones promised to return with another review soon.—Reporter.

METHODIST PASTOR AT WILLSON LECTURES

Rev. J. B. Stewart, pastor of the First Methodist Church is attending Tuesday through Friday the series of Willson Lectures at McMurry College, Abilene.

The lecturers are Dr. Kenneth Copeland of Travis Park Methodist Church, San Antonio, and Dr. Edwin Lewis, formerly professor of Theology and Philosophy of Religion at Drew Theological Seminary.

## Tahoka Honor Roll Students For Past Six Weeks' Period Are Listed

The list of honor students in the local schools has been released for the past six-week term.

Senior students making all A's include Bobbie Carroll, Delores Gage, Pauline Carper, Jerrie Leonard, Betty Carroll Susie Smith, Wayne Havens, Mariaha McGinty, Bobbye Draper, Sue McCord, Nina Richardson, Rose Yandell, Jeanell Martin; all A's and one B, Sue Sargent, I. V. J. Melton.

Juniors making all A's are O-theid Freeman, N. E. Wood, Jerry Cain, Joyce Lauderdale, Joe Dockery, Margie Curry; all A's and one B, Frances Autry, Virginia Gable, Jimmy Beggs, Ted Pridmore, Gordon Smith.

Making all A's in the sophomore class are Carolyn Duckett, Betty Lee Howle, Jan Collier, Linda Davis, Lyndell Norman, Dixie Davis, Jeannette Melton, and Retha Morse; All A's and one B, Johnce Clem, Donald Renfro, Norma Huffaker, Charlene Riddle, Betsy Rowe, Lewis Byrd, Barbara Roberts, and Frances Murray.

Freshman students making the list with all A's include Mary Helen Whitaker, Jerry Dockery, Reba Cook, Erwin Young; all A's and one B, Jackie Applewhite, Froilan Salinas, Idalia Wood, Betty Vaughan, Gerald Deane Tippit, Vernelle Dube, Marilyn Carmack.

Eighth grade students making all A's are Jerry Adams, David Bray, Bobby Jones, Virginia Willhoit, Lonnie Wheeler; all A's and one B, Benny Martin, Betsy Adams, Jan Thomas, Sue Wheatley.

Grade school students must have all A's, including conduct, to make the honor roll.

In the seventh grade those making the list include Terry Spears, Marihelen Reid, and Carol Smith.

Sixth grade students making all A's are Nancy Riley, Martha Sue Curry, Rose Swinford, Zan-

## WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

Washington talks about changed attitudes of natives Americans who join State Dept.

There is something about a State Department job that turns a man from an American viewpoint to a fervent desire to promote first the welfare of every other nation on the globe.

In debates proposal to go on over slash tariffs, this attitude is being reflected almost daily by many members of Congress.

Rep. Noah Mason of Illinois the other day took issue with claim that Reciprocal Tariff Treaties promote world peace, pointing out that in the 21 years U.S. has been entangled in these matters the long Spanish Civil War, World War II, the Sino Japanese War, the Russian-Finnish War, Korea, eight years of war in Indo-China, frictions between England and Egypt, between Pakistan and India have taken place.

Rep. Cleveland Bailey of West Virginia states that when Congress originally passed first Reciprocal Trade Treaty it was not the intent to pass power to State Department to engage in a "morass of political intrigue."

Rep. Robert Mollohan, also of West Virginia, gave a long discussion, in which he introduced extensive material showing the damage that already low U.S. tariff rates are working on American industry and business.

For example, it was stated the billions U.S. taxpayers have poured into foreign relief has done nothing to help average citizen, while building up big foreign interests. In Britain in 1938 aver-

age wages were 37% of U.S. wages, in 1952 this declined to 25%. In France the decline has been from 43.3% to 31%, in Germany from 46.6% to 22% and in Holland from 41.32% to 20.4%. Thus, foreign aid programs have depressed living standards of Europeans while building their monopolies to exceed 1938 production levels.

It was also pointed out during Congressman Mollohan's discussion that 32 mass Committees for Economic Development that is strongly behind tariff slashing, only has one member who would be hurt by lower tariffs, and he and one other cast only votes against recommendation.

In American pottery business, he stated, man hours worked in the industry dropped from 25,700,000 in 1948 to 16,700,000 in 1953, while sales dropped 25%.

Yet china imports from Japan increased from 206,000 dozen to 3,915,000 dozen between 1948 and 1953, imports from Germany increased from 118,900 dozen in 1948 to 441,900 dozen in 1953, imports from England increased from 188,000 dozen in 1947 to 441,000 dozen in 1953. In 1935, when Reciprocal Trade Treaties were just getting underway, only 29,900 dozen were imported from England.

This is but one of several score industries already being damaged by too low tariffs.

Yet, as several Congressmen point out, it is now sought to give the Secretary of State more powers to go to an international tariff convention in Geneva to further give away more American jobs, more American businesses, without those workers, or businessmen having a voice, or representation in deciding their future. In 1776 issue was taxation without representation; in 1955 issue appears to be annihilation without representation.

dra Barnes, Gayle Phillips, Vickie Hamilton, Kay Parker, Lola Autry, Susan Thomas, Geanne Gandy, Cheryl Edwards.

Fifth grade, Donna Copelin, Elaine Buchanan, Janice Brown, Frances Martin, Carol Jean Allen, Melba Bradshaw, Dianne Falls, Ginger Riddle, Loretta Short, Frances Willhoit, Billy Davis, Fred Hegi.

Fourth grade, Jerre Ann Wyatt, Marian Sue Milliken, Richard Larry Price, Craig Leslie, Taylor Knight, Tony Spruiell, Sarah Wells, Lynetta Cain.

Third grade, Montie McGinty. Second grade, A. G. Cook, Janet Whitaker, Jim Crawford, Anna Lee Biggerstaff, Lynda Kay Driver, Carolyn Deering, Betty Kuwaski.

First grade, Doyle Parker, John Huffaker, Steve McDonald, Paul Douglas Kenley, Sarah Graham, Nancy Parker, B. L. Miller, Brit Robinson, Jimmy Billman, Stanley Renfro, Ann Stanley, Vonelle Graham.

**CARD OF THANKS**  
We are sincerely grateful for the fine "love offering" from friends of our community. Since it is impossible to express our true feeling, may we say, "God bless each of you kind friends!"—The J. R. Stone family.

## Many Lynn County Club Boys Enter Animals In Lubbock Show

Lubbock, March 11.—A large group of boys from Lynn county are among the several hundred FFA and 4-H lads to enter stock in the 22nd annual South Plains Junior Fat Stock Show which will be held at the Fair grounds here March 14-16, General Superintendent Dave Sherrill has announced.

Among the entry blanks received by show officials were those for 139 barrows, 29 calves and 43 lambs from Lynn county. This is the largest county-wide group of animals to be entered in the show to date, Sherrill said. An estimated 1,100 animals have been entered from throughout West Texas and Eastern New Mexico.

The Tahoka FFA Chapter, V. P. Carter, teacher, has entered 13 calves and 74 barrows. Showing the calves will be Harold Rowe, Robert Draper, Walton Terry, Gary Watson, I. V. J. Melton, Stanley Stone, Joe Draper, Larry Simmons, and Kent Gibson.

The 74 barrows will be shown by Glen Anderson, Ronnie Brooks, Walter Stice, Larry Hickerson, Elbert Roberts, W. H. McNeely, Lendel Norman, Wendel Norman, James Long, Malcolm Young, Joe Patterson, Bobby Fisher, I. V. J. Melton, Walton Terry, Karl Prohl, Richard Brooks, Dorliss Kizzar, Joe Dockery, Jerry Dockery, Larry Simmons, Jack Henry, Glenn Barrington, Jackie Applewhite, Leon Anderson, Lewis Eyrd, John Draper, Steve Riddle, Elbert Richardson, Jerry Sliver, Norman Dockery, Jerry Pebsworth, Lynn Strickland, Billy Dunlap, John Redwine, Donald

Renfro, Garland Huddleston and Lendell Wood.

James W. Reed, vocational agriculture teacher at O'Donnell, has announced that the O'Donnell FFA Chapter will have seven calves, five barrows and nine lambs entered in the show.

O'Donnell boys showing calves will be Jarald Barton, Weldon Brownlow, Homer Vaughn, Raymond Harris, Ronnie Middleton and Jack Gleghorn. The barrows will be entered by Wallace Thompson, Jimmy Bowles, Robert Dickey, Jerry Gass and Charles Gass. Showing lambs will be Bennie W. Edwards, J. O. Evans and Homer Vaughn.

The Wilson FFA Chapter will have 11 lambs, seven calves and 44 barrows, teacher Darrell Sims has announced. The lambs will be exhibited by Benson Rice, Lynn Harrison, Chester Campbell and Kenneth Ethridge. Calves have been raised by Charles Mason, Junior Meeks, Jerry Church and Jack Spears.

The large group of barrows are entered by the Wilson chapter and will be exhibited by Jack Dokken, Arlis Ehlers, Max Bullock, Laston Eakin, Junior Meeks, Jerry Bartley, Judd Hewlett, Eugene Bruedigam, Jimmie Eakin, Charlie Coleman, Charles Terry, Jerry Church, Bruce Hewlett, Dan Lamb, Claude Roper, Jack Spears, Lynn Harrison, Lynn Macker and Ronnie Moore.

From the New Home Chapter, Benny D. Pryor, teacher, will be 23 lambs, two calves and 16 barrows. The calves will be shown by Wendell Morrow, Rt. 1, Wilson.

Showing the lambs will be C. L. Rogers, Wayne Poer, Bert Cowart, Gerry George, James Barnett, Donald Hancock, John Ford, Jimmie Kieth and Glenn Robison, all of Rt. 4, Tahoka; and Wendell Morrow, Kenneth Smith, and Jerone Head, all of Rt. 1, Wilson.

The barrows will be shown by Kenneth Harston, Rt. 1, Wilson; and Eugene Miller, Ronnie Nettles, Wayne Poer, Bert Cowart, Jan Cagle, Donald Hancock, Jimmie Kieth and Jimmy Brown, all of Rt. 4, Tahoka.

The show is sponsored annually by the Lubbock Chamber of Commerce, Board of City Development and Panhandle South Plains Fair Association.

### Cafeteria Menus For Next Week

School menus for next week:  
 Monday: Vegetable soup and crackers, cheese sandwich, pineapple upside down cake, milk.  
 Tuesday: Brown beans, tamales, greens, cabbage salad, fruit, corn bread, butter, milk.  
 Wednesday: Salmon biscuits, buttered corn, English peas, carrot sticks, hot rolls, butter, orange halves, honey, milk.  
 Thursday: Spanish rice, with meat, green beans, carrot and pineapple salad, cake with chocolate icing, milk.  
 Friday: Hamburgers, fresh tomatoes, potato chips, fruit salad, milk.

### ON HONOR ROLL

The name of Martha Jane Bell, sixth grade student, was omitted from the Tahoka school honor roll published elsewhere in this issue.

Mrs. James Connally returned home last week end from Richmond, Calif., where she has been visiting four and a half months with her daughter, Mrs. W. A. (Maxine) Conrad and family.

## Methodists Plan Several Meetings

Rev. Jordan Grooms of Big Spring will do the preaching at a series of Youth meetings in the Methodist Churches at Tahoka, New Home, and Meadow next week.

Youth will visit within their respective communities on the night of March 17. Other services will be at New Home March 18, Meadow March 19, and Tahoka March 20. All services are at 7:30 p. m.

This Saturday, at 10 a. m., the District Council of the MYF will meet in the Tahoka Church.

Thursday, March 24, at 7:00 p. m. is the time for the Texas College Supper in First Methodist Church of Tahoka, and some 90 guests from over the District will be here to hear Roy Farrow speak.

The Methodist Church Spring revival will begin on April 11, the Monday following Easter. Rev. Howard H. Hollowell has been secured to do the preaching in the one week series of meetings.

## Baptists Prepare Revival Crusade

"March With Christ in March" is the program of the First Baptist Church in preparing for their revival which begins Easter Sunday.

Goals have been set for each Sunday between now and Easter. There were 385 present last Sunday, and 400 on February 27. The goal for next Sunday is 388. The goals increase each Sunday, with 540 as the goal for April 17, the closing Sunday of the revival. Rev. Clifford Harris, the pastor, is calling on every member to "March With Christ" in this crusade by coming to Sunday School and church.

There were 139 present for the Training Union last Sunday night. There is a place for each member of the family.

## Rotary Picture Is Shown Here

A picture of unusual interest to Rotarians, "The Great Adventure," featuring Edward Arnold, was shown at Tahoka Rotary Club by Fred McGinty, Thursday of last week.

Sent out by Rotary International in celebration of the fiftieth anniversary of Rotary, the picture illustrated the principles and objectives of the organization in the field of business, community and international service.

Clint Walker reported information he had gathered on the organization of a "Little League," a summer baseball program which is national in scope for boys 8 through 12 years of age.

President A. M. Bray appointed a committee composed of Walker, Frank Hill, Dr. Skiles Thomas, and Geo. Jones to study the plan with the idea of instituting a "Little League" in Tahoka by the summer of 1956.

Mr. Bray announced the District Rotary Conference will be held in Midland April 10, 11, and 12.

Supt. Otis Spears issued a special invitation to Rotarians to visit the schools this week, Public Schools Week.

Junior Rotarians for the month of March are Lyndell Wood and Duane McMillan, Tahoka High seniors.

## GUY LEMOND VISITED FRIENDS HERE MONDAY

Guy LeMond of Snyder was a visitor here Monday.

Guy lived here for many years, and entered the postal service here as a rural carrier. He transferred to Snyder in 1928, and has lived there ever since.

He was fortunate enough to get an oil well a few years ago, and has retired from the postal service. He is a brother of Roy LeMond of Grassland.

## District Officers At VFW Auxiliary

The V.F.W. Auxiliary No. 3905 met in the home of Mrs. I. I. Gattis in a regular meeting on Tuesday evening at 8 o'clock.

Unit President Mildred Curry was in the chair.

District President Louise Everhart and District Secretary Christine Moore from Lubbock were guests, and our own Past District President, now District Chaplain, Thelma Oliver, and District Senior Vice President Eulalia Richardson, were also present.

Following the regular business meeting, Mrs. Everhart gave a talk on the work of the District,

and Mrs. Moore talked on her trip to the Bi-State VFW Auxiliary meeting in Houston.

An interesting discussion on Cancer funds available for VFW Auxiliary members followed.

Coffee and cookies were served by Mrs. Wylie Curry and Mrs. Carl Williams.

## CARD OF THANKS

We sincerely appreciate the kindnesses of friends, words of sympathy, flowers, and cards during our time of grief over the tragic death of our loved one. Your kindness is some consolation in our sadness.—The W. B. Morris family.

## RELIEF AT LAST For Your COUGH

If a common cold left you with a cough that has hung on for days and days and quick. It is dangerous to delay. Chronic bronchitis may develop. Get a large bottle of Creomulsion and take as directed. Creomulsion soothes raw throat and chest membranes, goes into the bronchial system to help loosen and expel gummy phlegm, mildly relaxes systemic tension and aids nature fight the cause of irritation. Use Creomulsion and get wonderful relief at last. Creomulsion is guaranteed to please you or druggist refunds money.

## ALL AMERICA SALUTES AN ALL AMERICAN Happy Birthday! American Legion!

AFTER 36 YEARS—STILL SERVING THE COMMUNITY, STATE and NATION!

The American Legion will celebrate the 36th Anniversary of its birth March 15 to 17, 1955. All America joins in a salute to this "All American" team.

It's been a long, long trail from Paris, France, when on those March 15 to 17 dates, a handful of AEF veterans met to organize The American Legion.

The American Legion, the world's largest veterans' organization, has been dedicated always to the interests of America and the defenders of America—dedicated from its inception to continue serving "For God and Country".

Another of its prime purposes has been to "inculcate a sense of individual obligation to the community, state and nation." The American Legion programs of Americanism, Child Welfare, National Security and Rehabilitation were founded on those basic principles.

We wish all American Legionnaires all over the world a Happy American Legion Birthday. Eligible veterans of World War I, World War II and the Korean War can help make it the greatest by joining The American Legion today.

# Look high and low...

- You can buy a big, powerful Pontiac for less than many models of the lowest-priced cars or stripped economy models of higher-priced makes!
- Only Pontiac gives you luxury-car size plus the sensational Strato-Streak V-8!

The most enthusiastic Pontiac owners are those who have taken this advice. They've looked the field over from top to bottom—and here's what they learned:

Pontiac is way up there with costly cars in wheelbase, roominess and riding ease. It's big and comfortable, yet handles with expensive sports car nimbleness. The exciting dash and compelling drive of the Strato-Streak V-8 produce the richest thrills in motoring. And Pontiac is America's most distinctive car in styling as in action.

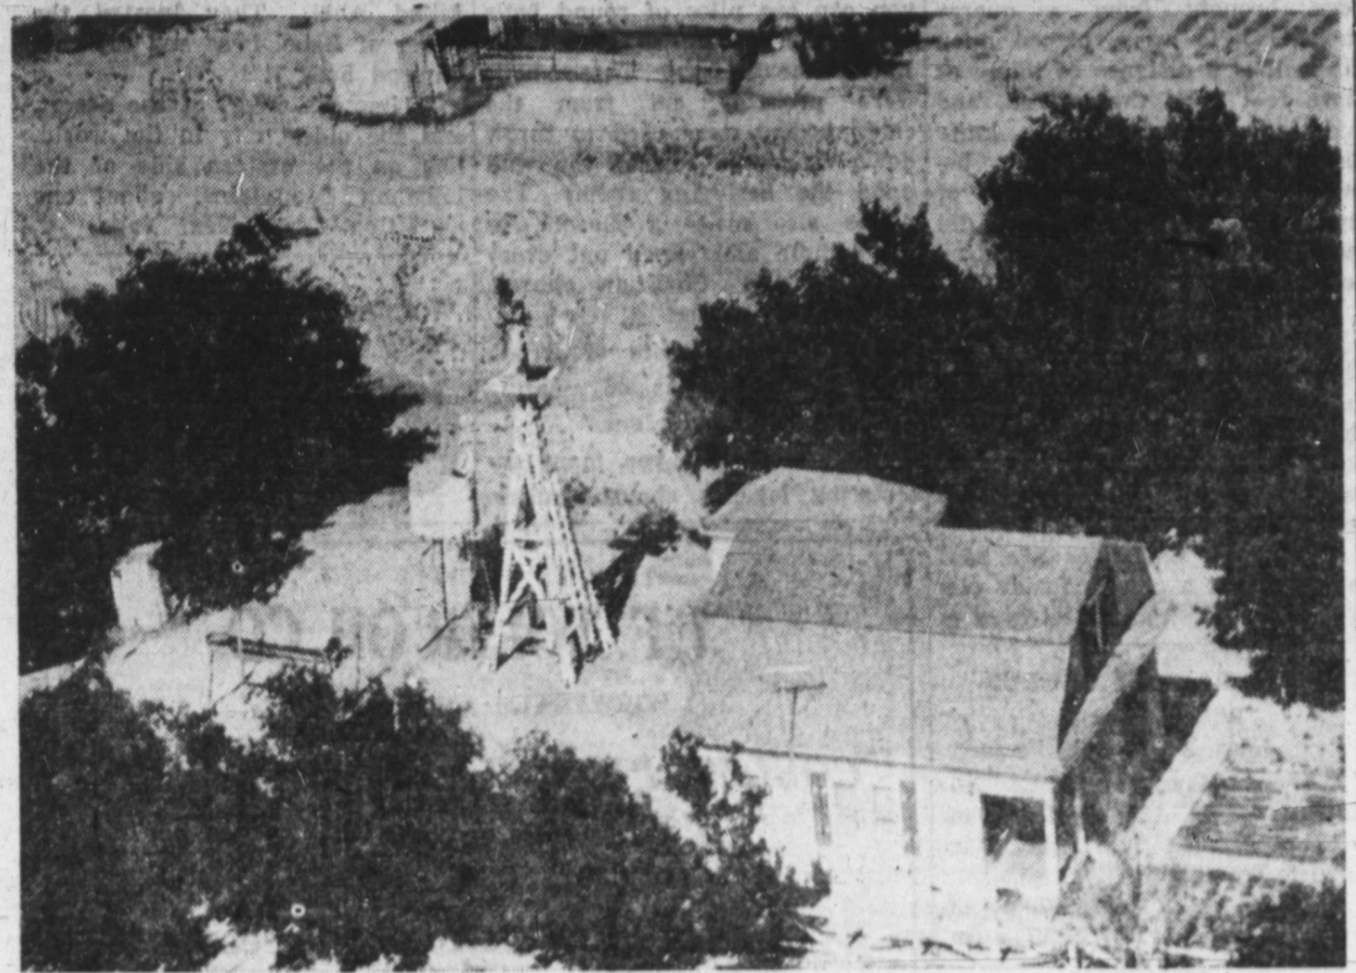

Come in for the facts about this "all-time" value leader and our generous appraisal of your present car! Find out how little it takes to switch to modern motoring.

## and you'll go Pontiac!

## Ott Patterson Farms Henderson Place Near Tahoka

J. O. (Ott) Patterson has farmed Mystery Farm No. 34 for the past 34 years. Owned by Mr. and Mrs. W. E. Henderson of Los Angeles, Calif., the place is located a mile and a half east of Tahoka on the Post highway.

Frank Greathouse was the first Tahoka subscriber and David Massey the first rural subscriber to identify it. Others identifying it included: Mrs. Chas. Terry, Othelda Freeman, H. W. Carter, Mrs. Pauline Smith, Mrs. Roy Everett, Paul Sherrill, Mrs. J. T. Tippit, C. E. Roper, Mrs. Otis Curry, Ira Vaughn, Edgar Hammonds, E. M. Rudd, and T. M. Lockaby.

The farm is a 320-acre dry-land place, but is one of the top dry-land farms of the area. Mr.

and Mrs. Henderson, the owners, were pioneer settlers of Lynn county.

Ott came to Lynn county with his parents, the late Mr. and Mrs. H. A. Patterson, from Cooke county in 1914. Soon thereafter, he entered the Army and spent 18 months in France during World War I.

He began farming this place in December, 1921, and has been on it ever since. His wife, Etta Mae, to whom he was married in 1924, died last June 15.

Mr. Patterson is a member of the Methodist Church, the American Legion, and the VFW.

He also owns a quarter section of his own at New Lynn, which is farmed by Harold Smith.

### Jakie Weathers Is Top Salesman

Jakie Weathers of Lubbock, formerly of Tahoka, was the top producer during the month of February for the Krebs Insurance Agency of Lubbock, according to Ralph Krebs, also a former Lynn county boy.

Weathers just joined the Krebs Agency a few weeks ago, and has Lynn county as a part of his territory. Mr. Krebs says that Jakie is making a wonderful record as a new man for the company.

RAY SMITH, Pastor

## The Lynn County News

Tahoka, Texas, March 11, 1955

### Many Fish At Caudle Camp

While up from Lake Whitney for his son's wedding at New Home last week end, Donald Caudle stopped by the News and reported that crappie and bass fishing at the lake has been good lately.

Mr. and Mrs. Caudle and sons, who formerly farmed south of New Home, own and operate the King Creek Lodge on the West side of the lake, three miles west and three miles north of the dam. Mr. Caudle was forced to quit farming because of his health. Although running a fishing camp is hard work, Donald seems to be doing much better.

Some of the Lynn county people fishing at his camp recently have been Howard Cook, A. L. Nelson, Mr. and Mrs. Howard Moerbe and son, Mike, and Mr. and Mrs. Pete Hendrix all of Wilton; Mr. and Mrs. E. R. Blakney and children of New Home; Mr. and Mrs. W. H. Fulkerson of Dallas, formerly of Tahoka; and J. T. Forbes of O'Donnell.

### Jerry Roseberry With 7th Fleet

Formosa (FHTNC)—Jerry B. Roseberry, radioman seaman, USN, son of Mr. and Mrs. Charles J. Roseberry of Route 4, Tahoka, is serving aboard the destroyer US Braine with the U. S. 7th Fleet.

The Braine, flagship of Destroyer Squadron 21, participated in the evacuation operations of the Tachen Islands with fast carrier Task Force 77. Destroyer Squadron was recently transferred to the Pacific Fleet from the Atlantic.

### New Bill Will Affect Minerals

Many local landowners should be interested in a bill that has been introduced in the Texas Senate by Senator Martin of Hillsboro, known as S. B. 62, according to Ross Smith of the Tahoka-Post National Farm Loan Association.

Counties and school districts should also be interested in the proposed bill. The bill provides for a limitation on the title of sub-surface minerals after a period of 12 years when oil, gas, and other minerals are not being produced and where the owners of such minerals under the land are not rendering and paying taxes on such mineral interests.

Many farm owners have sold their minerals, or part of them. The buyers of these minerals, in many cases, do not render them for taxation and do not pay taxes on them.

Where such taxes remain unpaid for 12 years, the bill provides that the minerals revert back to the landowner.

Persons interested in its passage should write Senator Kilmer Corbin and Representative Carrol Cobb and other Senators and Representatives they desire.

A gentleman driver always tips his headlights.

It is mighty easy to back into trouble.

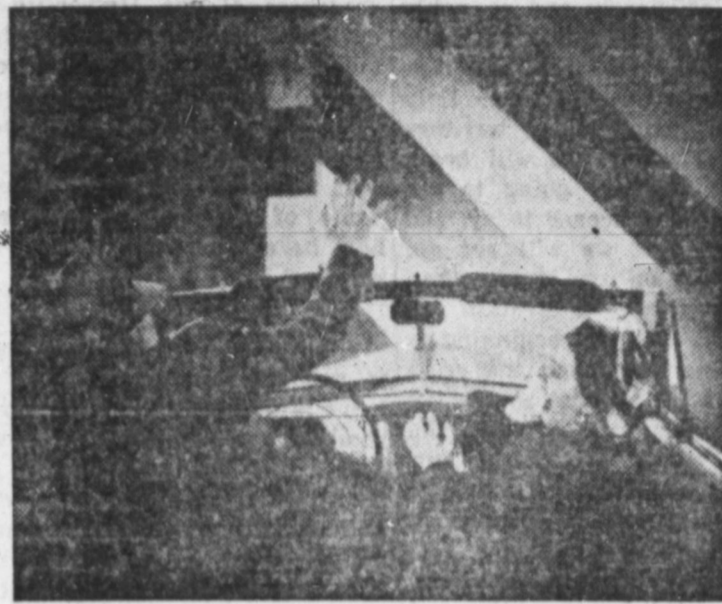

ly transferred to the Pacific Fleet from the Atlantic.

A Christmas reminder from the Texas Farm and Ranch Safety Committee—Your holiday season will be just as happy and safe as you make it. Don't take unnecessary changes in the home or on the highways. We need

farm families hale and hearty for the jobs ahead, says the committee.

Safety means happiness and happiness is humanity's goal. Don't rush yourself to death.

## You can swing this beauty for less than you think

— for less than some models of the leading smaller cars!

### HOTTEST BUICK IN HISTORY

No wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three" in total sales.

Did you think you couldn't afford the price of a new 1955 Buick?

You certainly can—if you can afford any new car. And we'll proudly show our price tag to prove it.

For the delivered price of the Buick SPECIAL Sedan shown here is sharply competitive with those of the three best-known smaller cars—lower, in fact, than some models of those same cars.

### Buick Sales Are Soaring

That's one big reason why Buick production and Buick sales are hitting all-time record highs today—and why Buick is outselling all other cars in America except two of the best-known smaller cars.

But an even bigger reason is this fact:

The price you pay for a Buick buys you a lot more automobile than the same money buys elsewhere.

It buys you big-car room and size and comfort and brawn. It buys you Buick styling,

Buick power, Buick handling, Buick ride steadiness—and the fun and pride and satisfaction of bossing the hottest car of the year.

And it buys you the widest choice in the industry today. For there's a Buick to fit any price range you name—the low-price SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

So why not come in and see how easy it is to swing the Buick beauty you've got your heart set on? Then you'll see why the thrill of the year is Buick in a lot more ways than one.

year is Buick in a lot more ways than one.

**DID YOU KNOW—**  
 —that the Buick SPECIAL is priced below any other car of 188 horsepower and 122-inch wheelbase?  
 —that the Buick SPECIAL is priced below some models of the three best-known smaller cars?  
 —that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

# ODDS AND ENDS

(BY E. J. THE ELDER)

Last week on our way up the eastern coast of the Mediterranean from Jaffa to the Lebanon, we stopped at Beirut to learn more about the great American University that is functioning there so efficiently and so nobly and stayed over while to get our bearings with respect to other well-known cities in the Holy Land and contiguous territory. So, that is where we will begin this week. We are going to see some wonderful scenes today, and I am sure that we will not get farther along on our journey than Damascus.

Miss Ross was just beginning to tell us something about that great American University at Beirut when I interrupted her with the question, "Where is Beirut anyway? I have never seen anything about it in the Bible—not a thing, and I should like to know just how far it is from Jerusalem, and other well-known cities of Bible times." So, we got our bearings. But when Miss Ross was interrupted she was intent on telling us about the University.

"It is an institution which is doing valiant work in interpreting the East to the West and the West to the East," she had just remarked. "I heard of it all the way from Cairo to Aleppo up on the Turkish border, and East to Bagdad," she said while telling about the trip of which she is, now writing. "They call it the University of the Near East, and former students are found everywhere."

She proceeds to tell the story

LEONA BENDER, popular radio star of KTSA says, "Every woman knows light Karo is best for cooking... and on the table..."

it's Karo for me, the best-tasting waffle syrup of 'em all"

Yes, indeed... biscuits go like hot cakes when you pour on plenty of delicious Karo waffle syrup. There's nothing like it for good eating. Satisfyin' flavor. So rich it stands right up on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night... it tops anything!

Ask your grocer for Karo waffle syrup, in pints and quarts

and business men of Jerusalem, of one of the graduates of the University who had established a cigarette factory up in the Lebanon Mountains, and had in his employment many students or graduates of the University and he was enthusiastic in helping them maintain a dramatic club, which one summer presented 'Macbeth,' a noted Shakespeare play, and was preparing to present 'Hamlet' the next summer. Some of the leading merchants had been students in the University."

"But the American University is not by any means all that there is to Beirut, with its narrow winding streets, its harbor with ships from many countries, and its caravans of merchandise coming and going. Beirut is a meeting place of many races where East and West buy and sell as they have been doing for centuries. All these caravans from the East have come across one of the passes in the Lebanon Mountain ranges to Beirut, after having left the desert behind; for the Lebanon Mountains extend north and south, parallel with the coast of the Mediterranean Sea, from the Turkish border into northern Palestine, and are higher than any mountain in the United States, east of the Mississippi River. Mount Hermon in northern Palestine is nine thousand feet high. The word 'Lebanon' means 'white'. In addition to the snow that one can often see on the summits of these mountains, there are walls of chalk or limestone which give them a whitish color. The view of the mountains, when seen for the first time from the desert, is inspiring and altogether beyond description."

In order to emphasize this fact, Miss Ross cites this incident: "With the native caravan, in which I was traveling from Bagdad to Beirut, was a young man of twenty-one, who had never been out of Bagdad before in his life. He was still wearing his kafiyeh and gal, but wore a western coat, and was carrying a western hat to wear when he got to Beirut. He spoke excellent English and was a most interesting traveling companion. He happened to be riding with me as we approached the mountains, after the long journey across the desert and I shall never forget his rapture, his expressions of awe and bewilderment. It was an experience never to be forgotten by a more experienced traveler, but to this youth from the land of the 'Garden of Eden,' it was like a fairy book story; a story from the Arabian Nights, if you please, and he wondered, in all seriousness, if Paradise could be more beautiful."

Now Miss Ross is going to tell us about one of the architectural wonders of the world, Baalbek a Temple to the sun. I have noticed one strange thing about the worship of the sun. The sun-worshippers have built temples in many countries of the world far removed from one another, so far removed that apparently there could have been no community

of action or of purpose among them; second that immoral rites attended the worship of the sun almost anywhere, either human sacrifices or other horrible cruelties attending the worship; third, they built the greatest and finest temples of any cult or class of worshippers in the world; and fourth, they performed architectural and mechanical feats in the erection of their largest temples that have been the wonder of the modern world. In the book which Miss Ross wrote and from which we are quoting, she tells of the great Arabian Temple of the Sun at Baalbek. So, I am going to pass it on to you.

"In a little valley, not one hundred miles long and from four to seven miles wide, walled in by these mighty Lebanons, lies one of the most astounding relics of antiquity, the ruins of Baalbek. From a distance one can see, standing out against the sky, all that remains of the fifty-four mighty columns that once surrounded the great Temple of the Sun. The people who left these ruins worshiped Jupiter (Baal), the God of the Sun; although they had many other gods, and Venus, Bacchus, and Mercury were worshiped also. It was about one hundred years after the birth of Christ, when Rome was at the height of her glory, that in the temple, the remains of which

we may see today, were constructed. The ruins cover about ten acres and the Great Temple alone is three hundred feet long, and one hundred and sixty feet wide. The roof was upheld by many Corinthian columns, only six of which are now standing; they are eighty feet high and twenty-two feet in circumference. The Temple of Bacchus is considered the finest architectural feature of the entire structure. The carving is better done than any in our buildings today. Some of the most wonderful carvings are above the great pillars, two or three hundred feet up in the air. Among these are the heads of gigantic lions, each head as big as a barrel and polished like fine marble. Through the months of these lions emptied the drains of the roof.

"For years, people have talked and wondered how the stones of the Great Pyramids in Egypt were ever put into place, but the building of the great temples at Baalbek was a much greater engineering triumph, for columns weighing hundreds of tons had to be taken up the steep mountain-side and carried over high passes. We find granite from the Nile valley, and marble from Greece. Each mighty column is put up in three sections, twenty feet in diameter and so well put together that it looks like one solid block. In one of the walls, I saw blocks

of limestone, each sixty-four feet long and thirteen feet wide and twelve feet thick that had been brought from a quarry about a mile away, placed upon the wall at a distance of thirty or more feet from the ground, and laid so accurately that a knife blade could not be placed between them. This is the kind of engineering work the Romans did more than eighteen hundred years ago."

"We have no record that Christ ever visited Baalbek, although it was a great city at that time. It is recorded that Solomon had a city in the Lebanon where gods other than Jehovah were worshiped."

"The early Christians are said to have built a church inside one of the temples, and destroyed a

great deal of the work of the pagan artists. Then came the Arabs who built a fort here, and today you can see piles of round balls of marble as big as basketballs inside the temple. These balls were probably cut from the columns and were used to throw down from the top of the wall upon the besieging enemy. The Arabs also made a mosque in the temple and wiped out every trace of the Christian church. Earthquakes added to the destruction but, in spite of it all, we still have ruins of amazing loveliness and grandeur."

"The Arabs tell you many interesting legends about Baalbek."

One is that Adam lived here, and that it was between here and the Mediterranean Sea that Cain killed Abel. They located the tower of Babel here and say that Nimrod built it."

"Damascus, Pearl of the desert, and the oldest city in the world, lies on the eastern side of the Lebanon Mountains, about one (Cont'd. On Next Page)

## Odds & Ends

(Continued)

hundred and fifty miles north-east of Jerusalem and about fifty miles from the Mediterranean Sea. The Jewish historian Psephus says that Damascus was built by Uz, grandson of Shem. (Gen. 10: 22, 23.) We know it was a well known town in Abraham's time, for Abraham says, "The steward of my house is this Eliezer of Damascus." (Gen. 15: 2).

"Babylon and Nineveh, two of the great cities of antiquity, are dead and gone, except for the discoveries that archeologists are able to make in their ruins. But Damascus is still a great live city and always has been. For centuries Damascus has been a paradise to the Arabs from the desert and from the rough hilly country of the Lebanon. To the man from the desert whose only shade is his black goat-hair tent and whose only water is the precious mucky water of the desert wells, Damascus is truly a 'pearl of the desert,' with her beautiful green trees and her abundant and clear water everywhere. There are even bright sparkling streams of water running through the streets, for Damascus is fed by two clear rivers flowing from springs in the Lebanon Mountains.

"The rivers of Damascus are called Abana and Pharpar in the Bible. The Abana, now called Barada, is one of the most beautiful rivers in the world as it winds in and out through the city, for on its banks are located many beautiful gardens rich and luxurious in their oriental splendor. And this same river furnishes the power for the modern electric system in the world's oldest city."

"Naaman, the leper, referred to these rivers when Elisha told him to go wash in the Jordan seven times and his flesh would be clean. Naaman replied: "Are not Abana and Pharpar, rivers of Damascus, better than all the waters of Israel? May I not wash in them and be clean? So, he turned and went away in a rage.

"And the servants came near and spake unto him, and said: 'My father, if the prophet had bid thee do some great thing, wouldst thou not have done it,

Ladies' Bible Study, Tuesday ..... 3:00 p. m.  
Mid-Week Worship, Wednesday ..... 7:00 p. m.

You'll find a welcome at any Church of Christ.

How much rather then, when he saith to thee, "Wash and be clean?"

"Then went he down and dipped himself seven times in Jordan, according to the saying of the man of God; and his flesh came again, like unto the flesh of a little child, and he was clean. (II Kings 5:12-14.)

"I can well understand Naaman's contempt, after having seen the two rivers," Miss Ross observes.

It might be interesting to note that Peloubet's Bible Dictionary states that the name "Abana" probably means "Stony," and that the name "Pharpar" means "swift;" though these streams bear different names now.

Now we quote Miss Ross again. Speaking of Damascus, she says: "The city is so old, and yet so very much alive, with its three hundred thousand inhabitants; four-fifths of whom are Moslems. It is a center for modern fanaticism, and at times Christians living in the city have been killed. Of course there is much of historical interest in this oldest city in the world. There is the Great Mosque second only to Saint Sophia, with its twelve hundred beautiful Persian rugs covering the floor. Many of the carvings and columns of the old

heathen temple to Jupiter, which once stood on this site, are also incorporated into it. Two of Mohammed's wives, and his favorite daughter, Fatima, are buried here. Fatima's tomb is a little domed mosque with open court, facing Mecca. Her baby lies in a marble sarcophagus, with a piece of green cloth at its head. But by far the most interesting part of Damascus is its people, in their homes, and on the street.

"Buying brass on the street called 'Straight,' down which Paul came to meet Ananias (Acts 9:10-11), rubbing elbows with a

Bedouin woman from an oasis far out in the desert, as you pass a suave business man from Beirut are experiences long to be remembered.

"For days I traveled through the Lebanon with a Syrian friend; she was an excellent story teller, and as we rode along, day after day, she told me many stories, speaking so often in parables and proverbs that many times I felt that I had been reading a chapter in my Bible, with much local color added. She would say, 'In Arabic we have a saying—' and then would follow a proverb or parable very much like the proverbs and parable of the Bible. She had the attitude of the typical Easterner, which is: "It is God's will." All is for the best, so why worry?"

Senorita Aurora has sent in three "Articles" for publication during the past three weeks, so we will include them in this column next week and then return to the Holy Land following that. So, On to Bagdad, folks.

# MORE PEOPLE BOUGHT FORD CARS IN 1954 than any other make!

Ford passenger-car sales to customers outnumbered those of any other make by thousands\*

### AND IT'S EASY TO SEE WHY!

Ford is the leader in styling

Motorists know that Ford has set the style trend in the industry for years. And now, with styling inspired by the fabulous Thunderbird, Ford is farther out front than ever!

Ford is the leader in V-8 power

Ford was first in its field (by 23 years) to provide the advantages of V-8 power. Since that time, Ford has built over 14,000,000 V-8 engines—more than all other makers combined! For 1955, Ford offers two new and mighty V-8's, as well as a most modern Six—all with the split-second response of Trigger-Torque power!

Ford is the leader in ride

Ford was first in its field to introduce Ball-Joint Front Suspension—the greatest advance in chassis design in 20 years. And, for '55, it's even better. Springs are set at an angle to smooth out even the tiniest bumps. It's the new Ford Angle-Poised Ride.

**FORD IS THE LEADER IN ALL THE FEATURES THAT MAKE YOUR CAR WORTH MORE WHEN YOU BUY IT • WORTH MORE WHEN YOU SELL IT.**

## Gordon News

MRS. EARL MORRIS  
Correspondent

R. L. Hagler, who is suffering from a kidney ailment, was taken to Lubbock Methodist Hospital for treatment last Saturday. The Rev. W. M. McFarland and Mr. and Mrs. R. M. Turner were Sunday afternoon visitors in the Hagler home.

Mrs. J. F. Rackler, Mrs. J. B. Rackler, and Mrs. Claud Roper attended a "stork shower" last Friday honoring Mrs. Charles Terry. The shower was given in the home of Mrs. Weldon Tilly of New Lynn.

C. S. Oats, who lives a few miles north of Gordon, was taken to a Lubbock hospital last Thursday suffering a serious heart attack.

Mr. and Mrs. Newton Bradshaw of Santa Paula, Calif., visited his sister, Mrs. Robert Lee Hagler, and Mr. Hagler last Wednesday.

Mr. and Mrs. Lewis Manly spent last week in Abilene visiting friends and relatives. They report the country there has had plenty of moisture and has taken on a spring look.

Mr. and Mrs. J. B. Rackler

## Wilson Students On Honor Roll

L. G. Fuller, Wilson Elementary School principal, announces the following students made the honor roll there this past six weeks period.

Sixth Grade: Glenda Young, Harlan Brown, Rodney Maeker, Jeanette Bukemper, Jo Carolyn Williamson, Doris Lamb.

Fifth Grade: Jerry Hutcheson, Nancy Foster, Harry Hewlett, Jr., Carolyn Henzler, Voglal Rinne, Larry Petty.

Fourth Grade: Cherry Campbell, Patsy Walker, Charles Walton, Sandra Lamsden, Don Schneider, Heben Schneider, Carolyn Martin.

Third Grade: Lynda Heck, Claudia Sile Stoker, Keith Sander, Valton Maeker, Janet Gindorf, Elizabeth Christopher.

Second Grade: Charlotte Mears, Sammy Crowson, Loyce Baker, Mike Schaffner, Janis Maeker, Kathy Cummings, Lee Gilentine, Joe Mason, Rose Cedello.

First Grade: Doyle Schneider, Larry Beasley, Teresa Garcia, Michael Riney, Judy Reed, Elaine Christopher, Nancy Achee, Jeanie Sue Hewlett.

## CROUCH FAMILY IN REUNION AT TAHOKA

The children of the late Mr. and Mrs. W. J. Crouch met at the old home four miles west of Tahoka on Sunday, Feb. 27, for a reunion, and also to celebrate the birthday of Curtis Crouch.

Fifty-four relatives and friends were present, and a grand day of visiting is reported.

Children present were: Mrs. Joe L. Nevill and husband, H. O. Crouch, Zetta Riddle, Ola Hughes and husband, Clay, of Alamogordo, N. M., Nora Luallin and Nora Luallin and husband, Ovid, of Ruidoso, N. M.; Mrs. Babe Sell of Ashdown, Ark., C. H. Crouch and Mary of El Cajon, Calif. Mrs. Joe L. Brown, oldest daughter, was not present.

Grandchildren present: Everett Nevill, June and Sheryl Ann; Ray Nevill and Opal; W. J. Riddle and Judy of Snyder; Billie Punkoney and Gary and Carol, row, will you,

Clyde Haire is in Methodist Hospital, Lubbock, for examination and treatment this week.

Sunday afternoon guests in the Fred Davidson home were Mr. and Mrs. W. M. Cato of Quanah and Mrs. R. L. Lee of Slaton.

Mr. and Mrs. Gus Gatzki were in Amarillo last week where Mrs. Gatzki spent two days in a hospital for an eye treatment. She reports the eye very much improved.

Mr. and Mrs. Sam Martin visited their son, Blanton, and family at Spade last Saturday.

Cindy Lester of Slaton was a visitor in the home of her grandparents, the Wm. Lesters, last week end. Gary Lynn Lester was also a visitor of his grandparents.

Mr. and Mrs. W. P. Lester were in Lubbock Sunday afternoon to attend a tea given in the home of his sister, Mrs. Iva White, honoring her daughter-in-law, Mrs. Billy N. White.

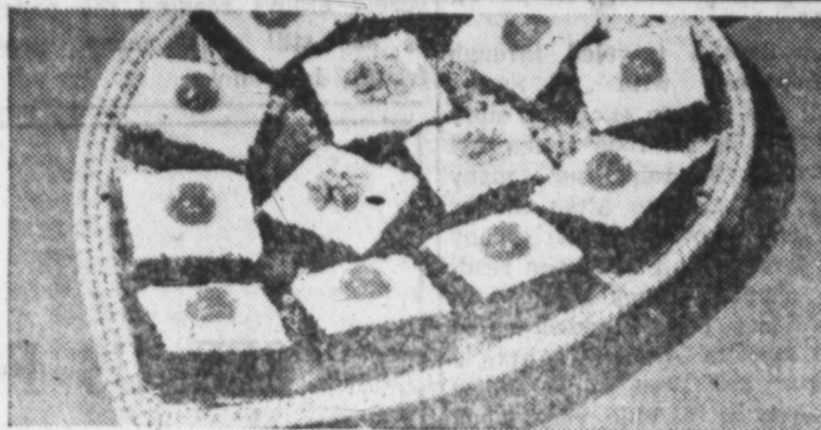

ST. PAUL LUTHERAN CHURCH

The Church of "The Lutheran Hour" and "This Is the Life" TV.

Sunday School for all, 10 a. m. Sunday Services, 14-45 a. m. Mid-Week Lenten Services on Wednesday, 8 p. m.

You are welcome! Come!

## Tempting Treat or Company Dessert

Delectable fudge squares—quick, easy, and so good!

These Southern Fudge Squares will win applause from youngsters, the men folk and fussy aunts alike. Made thick or thin, they're equally delicious—vary the topping to suit your fancy!

### SOUTHERN FUDGE SQUARES

- |                                |  |
|--------------------------------|--|
| 1/2 cup shortening             | 1 square unsweetened chocolate, melted |
| 1/2 cup sugar                  | 1 cup sifted all-purpose flour         |
| 1/2 cup KARO Syrup, Blue Label | 1/2 teaspoon salt                      |
| 1 egg, beaten                  | 1 teaspoon baking soda                 |
| 1 teaspoon vanilla             | 3/4 cup sour milk                      |

Cream shortening, gradually add sugar and beat until light and fluffy. Add KARO, beat well. Add egg, vanilla and melted chocolate. Add sifted dry ingredients alternately with sour milk, stirring just until smooth after each addition. Pour into well-greased oblong pan (12 x 7 x 2 inches) or 2 8-inch square pans. Bake in moderate oven (375° F.) about 25 minutes. When cool, spread with your favorite chocolate butter-cream or fudge frosting and cut into 2-inch squares. Makes about 18 squares.

Note: For thick cake-like squares, bake in 8-inch square cake pan in moderate oven (350° F.) about 45 minutes.

## SOUTHWESTERN AGAIN SETS ANNUAL RECORD

Again in 1954, Southwestern Life Insurance Company set new records in insurance sales and payments of policy benefits during a calendar year, it has been announced by President James Ralph Wood in his annual report on the Company's business operations.

New paid-for life insurance issued in 1954 totaled \$228,345,382, a 48 per cent increase over the 1953 total of \$153,680,329.

This unusual gain is primarily accounted for by \$69,020,786 of group insurance on federal employees underwritten by the Company. Excluding this sum, new insurance sales amounted to \$159,324,596. It was the fifth consecutive year in which the Company's agency force had set a new mark in producing new business.

Insurance in force at the end of the year was \$1,211,600,658, an increase of \$146,540,725.

Southwestern Life policies issued to individuals in 1954 averaged \$6,057 in face amount, reflecting a continuation of the trend toward the purchase of more adequate amounts of insurance. Ten years ago, the average amount of protection provided by each such policy was only \$2,509, Wood reported.

Policy benefits paid to policyowners and beneficiaries total \$18,359,140, a new record, and more than \$3,400,000 above the payments in 1953. Since 1903, when it was organized, the Company's policy benefit payments amount to more than \$199,000,000.

The Company's financial statement shows 1954 year-end assets of \$322,553,099, an increase of \$26,360,792 for the year. Policy reserves increased \$22,845,272 to a total of \$282,098,661. Total liabilities increased \$23,256,851, and appear on the balance sheet as \$291,343,774.

Southwestern Life is represented here by Mrs. Gladys M. Stokes.

An accident is just around the corner. You can't pass the buck on a hill.

## O'Donnell Youth Now In Alaska

Fort Richardson, Alaska—Army Pvt. Richard W. Maxwell, son of Mr. and Mrs. William L. Maxwell of O'Donnell, recently arrived in Alaska and is now a member of the 71st Infantry Division.

Certain elements of the 71st are stationed in the U. S. although headquarters is located in Alaska. The division, nicknamed the "Red Circle," took part in the Rhineland campaign in World War II.

Private Maxwell, a member of the 4th Regiment, entered the

Army last September and completed basic training at Fort Bliss, Tex. He is a 1954 graduate of West Texas State College.

A San Francisco music shop displays nothing in its window but a single harp and this sign: "Drive Carefully. This Is Our Last Harp!"

Caution is not cowardly, and carelessness is not courage.

He died with his foot on the carburetor.

It's better to be late than absent.

## Are you a "Do-It-Yourself" Driver?

Or would you rather be waited on hand and foot?

Rather shift for yourself... or let Powerglide do it?

Shifting's smooth and easy with Chevrolet's new and finer Synchro-Mesh transmission. A flick of your wrist is all it takes to shift gears.

Powerglide, too, is better than ever this year. Even smoother and sturdier. It's the most popular automatic transmission\* in Chevrolet's field!

Rather roll your own... or just push a button?

Chevrolet gives you separate crank controls both for windows and ventpanes. It's one of many extra conveniences in Chevrolet's Body by Fisher.

Your fingertip adjusts all four windows with automatic window and seat controls.\* Are available on all Bel Air and "Two-Ten" models.

Position the seat yourself... or let electricity do it?

Chevrolet's big, beautifully upholstered front seat moves up and forward or down and back into your most comfortable driving position.

No worry about your battery in a new Chevrolet. It's the only car in its field with the reserve power of a 12-volt electrical system!

## BRAY CHEVROLET COMPANY

1615 LOCKWOOD A. M. BRAY, Owner

Apply the brakes like this... or have power make it easier?

Improved brakes and new swing-type pedals make stopping a cinch. And Chevrolet's exclusive Anti-Dive control gives you "heads up" stops!

Chevrolet Power Brakes\* are better than ever this year—let your stop by a simple pivot of your foot from accelerator to swing type brake pedal.

Want standard steering... or extra-easy Power Steering?

Try this easy new Chevrolet steering. Only Chevrolet and some higher-priced cars use a ball bearing system to cut friction to a minimum.

There's nothing quite so easy as Power Steering, of course. Good news: Chevrolet's new linkage-type Power Steering\* carries a reduced price!

Automatically—

Chevrolet's stealing the thunder from the high-priced cars!

What's a high-priced car got -perhaps the thing that will surprise you most is Chevrolet's fine, solid feel on the road. Come put it to the test. Not performance—just try. See how Chevrolet's stealing the thunder from the high-priced cars in every way!
