Local Athletes Are Banquet Honorees

Tahoka honored sixty athletes Tuesday night at the annual Athletic Banquet, held in the school cafeteria and attended by 170 people.

Bennie Williams, line coach at Howard Payne College, Brownwood, and a former roommate of Coach Bill Haralson, was the principal speaker, talking on the subject "The Benefits of an Athletic Program in a Public School."

In introducing the football boys, Coach Haralson said the 1954 football squad which won the District 5-AA championship was possibly the greatest team he had ever coached, and that was because this team was composed of a clean group of boys who had the desire to play and to win.

Special recognition was given 12 seniors: Garland Huddleston, Duane McMillan, Jimmy Williams, and I. V. J. Melton, elected co-captains by the squad; Don Reid, Don Ables, Wayne Huffaker, Guy Witt, Bill Moore, Frankie Jones, Lyndell Wood, and Tommy Franklin.

He also paid tribute to the band, cheer leaders, managers, and especially to the Bulldog Mothers.

In introducing the basketball boys, Coach Jake Jacobs said this year's team was made up of a fine group of boys who never gave up and who never presented any disciplinary problems. Although handicapped by injuries the boys put up a good fight in a tough district and gave Abernathy and Slaton a (Cont'd. On Back Page)

REV. RICHARD PHILPOT

Odessa Pastor In Wilson Revival

Rev. Richard Philpot, pastor of second Baptist Church of Odessa, will do the preaching in the Simultaneous Revival at the First Baptist Church of Wilson Sunday, April 10, through Sunday, April 17.

Rev. John Martin, the pastor, says there will be gospel music and prayer services for all age groups. Preaching services will be at 11 a. m. and 7:30 p. m. daily.

School Census Shows Increase

Lynn county scholastics shown by the 1955 census are up 218 over last year, according to Mrs. Ruth Jolly, county superintendent.

Enumerated this year were 2,566 children of school age, as compared to 2,348 in 1954. However, it is believed that many children six years of age were missed this year, especially in the Tahoka district.

Following are the results of the census the past two years with the increase shown in the last column:

	1954	1955	Gain
Grassland	54	66	12
New Home	326	347	11
O'Donnell	609	738	129
Tahoka	847	883	36
Wilson	513	532	29
Totals	2348	2566	218

Auxiliary Party Nets Nice Profit

The Legion Auxiliary cleared about \$60.00 on its bridge and "42" party held Saturday night to raise funds to send packages to patients in the Big Spring Veterans' Hospital.

"Jep" Whorton was winner of the door prize, Mrs. Oscar Roberts and Mrs. A. N. Norman the bridge prizes, and Oran Ramsey and Mrs. G. C. Murray the "42" prizes.

There were about ten tables each of bridge and "42" players.

E. I. HILL UNDERGOES OPERATION AT WACO

E. I. Hill of The News underwent a hernia operation in Hillcrest Hospital, Waco, about midnight Wednesday. Early Thursday morning a sister, Miss Mary Hill of Waco, phoned The News that he was doing fine.

The Editor left Tahoka early Wednesday morning to visit three of his sisters in Waco for a few weeks. A local Negro woman, who keeps house for him, went with him to drive the car. He was stricken en route to Waco, and did not arrive there until 11 p. m. Wednesday.

Dock Dewbre of O'Donnell underwent surgery in Tahoka Hospital Thursday morning. Mrs. Dewbre formerly taught in the local schools.

County Names School Trustees

Two trustees were elected in each of five Lynn county school districts and three members were re-elected to the county board in the annual trustee election last Saturday.

There were no contests in the Tahoka and New Home districts or for the county board.

Re-elected to the county board were: J. K. Applegate Jr., trustee-at-large; H. B. Crosby, precinct 1; and B. M. Haymes, Brownwood, precinct 2; and Fritz Speckman, precinct 4.

In the Tahoka district, Kevil Coffman and Maurice Huffaker were elected new members of the board without opposition, about fifty votes being cast. They will succeed Vernon Willhoil and Joe Robinson. Holdover members are: J. Dudley Martin, Felix Jones, A. M. Bray, John Witt, and Frank Greathouse.

With six in that race at Grassland, L. B. Burk was re-elected and C. W. Roberts was elected to succeed W. W. Young. Holdover members are: Ted Aten, R. M. Thomas, Ted Dockery, A. L. Noman and H. W. (Sam) Edwards, Jr.

O'Donnell re-elected one member, Wayland Taylor, and elected a new member, O. G. Smith, Jr., editor of the Index-Press, to succeed board president, Felix L. Jones. Holdover members are: N. S. Parker, Jake L. Burkett, D. B. McMillan, M. E. Greenlee, and J. W. Gardenhire. There were 105 ballots cast.

Four candidates were in the race at Wilson, with C. C. Swope and F. J. Schneider being re-elected in very tight voting. The hold-over trustees are: Edmund Maeker, Guy Smith, Erwin Sander, T. B. Mason, and Clarence Church.

There was no competition at New Home, and Harlan Dean and Robert Poer were re-elected to the board. Other members are: Frank T. Timmons, Walter Gasper, Joe Unfred, Aubrey Smith, and Adrian Evans.

Volleyball Girls To District Meet

Tahoka girls' volleyball team was defeated in three straight games by Post in competition there Saturday for championship of the south half of the district.

However, the two teams of the south half, Post and Tahoka, will enter the district tournament with Littlefield and Morton next Thursday, the site of the play-off yet to be selected.

In practice games here Tuesday, Tahoka defeated Post two out of three, 13-15, 15-4; and 19-17.

Clint Walker Is New Mayor

Clint Walker was elected mayor of Tahoka Tuesday in the city election by a vote of 177 to 50 for his opponent, Jack A. Robinson. Walker will succeed E. R. Edwards, who was not a candidate.

The office pays no salary, and actually neither man was a candidate for the office but their names were filed on petition of friends.

Wynne Collier was elected to a place on the city council, and succeeds Lewis Allsup who was not a candidate. Herman Heck, present member, was re-elected without opposition.

Collier received 217 votes and Heck 182. Evidently, some voters misunderstood the ballot, thinking only one was to be elected. Holdover members of the city council are Winston C. Wharton, Albert Curry, and Everton Newell.

J. C. Walker, 80, Grassland, Dies

J. C. Walker, 80, who came to Grassland in 1917, died Sunday in a Lamesa hospital after an illness of several months.

Funeral services were held Monday at 3 p. m. at Grassland Methodist Church with the pastor, Rev. Clifford Mayo, officiating, assisted by Rev. Frank Kee-see, pastor of Grassland Church of the Nazarene. Burial was in Grassland Cemetery.

Mr. Walker, who formerly operated a store at Grassland, when that community in 1917. In 1928, he moved to Portales, N. M., to live until 1942, when he returned to Grassland and has lived there ever since. He was a highly respected citizen of the community and the county.

He is survived by his wife; a daughter-in-law, Mrs. E. M. Walker of Grassland, and one grandson.

Pallbearers were Olen Long, Alton Greer, Leonard Gribble, Dick King, H. W. Edwards, Jr., William Young, E. L. Short, and C. O. McCleskey.

McCord in Far East

FAR EAST (PHTNC)—Joseph R. McCord, Jr., seaman, USN, son of Mr. and Mrs. Joseph R. McCord of Tahoka, is serving in the Far East aboard the heavy cruiser USS Los Angeles, flagship of Cruiser Division 5.

Miss Deanie Edwards, daughter of Mr. and Mrs. E. R. Edwards and a sophomore in Texas Tech, has been elected pledge supervisor of the Pi Beta Phi sorority at the school.

REV. HOWARD HOLLOWELL

Methodists Will Hold Revival

Tahoka Methodists will open their revival Monday, following the special Easter service on Sunday. Rev. Howard H. Hollowell of San Antonio, one of the outstanding preachers of the denomination, will be the evangelist.

Rev. Hollowell is well known here as a former O'Donnell pastor. He has had a remarkable rise in the ministry. Currently he is pastor of the Laurel Heights Methodist Church in San Antonio, one of the larger churches of the state. He succeeded Dr. Ches Lovern at this church when Rev. Lovern moved to Lubbock First Methodist.

Rev. J. B. Stewart, local pastor, has announced that there will be three services each weekday, a 7:00 a. m. breakfast meeting in Fellowship Hall for men and boys, and regular services at 10:00 a. m. and 7:30 p. m. Mrs. E. W. Patterson will direct the song services.

This week cottage prayer services are being held in homes of members of the church in preparation for the revival.

Central Baptists Holding Revival

Central Baptist Church, near Grassland, will start its revival Sunday to continue through Sunday, April 17, according to Rev. D. W. Copeland, pastor.

Rev. Bill Scantling, former pastor of Sweet Street Baptist Church, will do the preaching. Everyone is cordially invited to attend these services, which will be at night only - beginning at 7:30 o'clock.

Bobby Weaver, wife, and two children of Aztec, N. M., were here last week end visiting his parents, Mr. and Mrs. A. C. Weaver.

C. of C. Committees Selected For Year

Baptists Begin Meeting Sunday

Dr. Harold K. Graves of Berkeley, Calif., president of Golden Gate Seminary, will be the evangelist in the week's revival meeting opening Sunday at the First Baptist Church.

Hooper Dilday of Dallas, associate secretary of the Texas Baptist Sunday School, will be the song director.

Both are outstanding men, and the local church deems itself fortunate in being able to secure them for this meeting, states Rev. Clifford Harris, pastor.

The church is making an effort to have a great crowd at Sunday School this Sunday, as well as a filled auditorium at each and every preaching service of the revival.

Services will be at 10 a. m. and 7:30 p. m. daily.

Jaycee Banquet Monday Night

Plans were made at a meeting of Tahoka Jaycees Monday night for the installation banquet to be held Monday, April 11, at 7:30 p. m. in the school cafeteria.

New officers of the re-organized Jaycees will be installed at the dinner meeting.

Ralph Krebs of Lubbock will be one of the speakers on an interesting program which is being arranged.

Members of the organization, their wives or girl friends, Jaycees, their husbands, and any other citizens of the community interested are invited to attend. Other service clubs of the town are invited to send representatives.

Anyone interested in joining the Jaycees is especially invited to this meeting, or any regular meeting of the organization at the Jaycee Hall, the old Slover home two miles southeast of Tahoka.

Improving Lawn At Court House

Lawn of the Lynn county Court House yard is being cut down, surplus dirt hauled away, and it will be reseeded to grass and some new shrubs set out.

County Agent Bill Griffin is supervising the work, and Miss Wanda Roach, county home demonstration agent, is in charge of the landscaping.

The county commissioners are furnishing the machinery and men to cut several inches of turf away. Base of the old service board has also been taken up. The county hopes to make the lawn a beauty spot this summer.

Wilson Elects One New Alderman

With only 18 citizens bothering to vote, H. G. Cook, banker, was re-elected mayor of Wilson Tuesday.

D. A. Brown received 12 votes, and J. F. Covey 11 votes for re-election to the city council, but Sam Gatzki won out 11 to six over Pat Swann, who was up for re-election. Others on the ballot were Clarence Nelson and Virgil Henderson, who received eight and six votes respectively.

LEAVES FOR MAYO'S

Mrs. A. L. Dunagan will leave early Saturday for Rochester, Minn., where she expects to enter Mayo Clinic. She will be accompanied by a daughter, Mrs. Bernice Woosley of Lubbock. Mrs. Dunagan has been in ill health several months without showing any improvement.

John Reasonover, new president of Tahoka Chamber of Commerce, set up his committees for the new year at a meeting of directors last week end.

The directors also heard reports from Tom Garrard and Reasonover on the WTCC meeting in Lubbock early last week.

Plans were discussed for a membership drive. The Chamber of Commerce has 77 members at this time, but the body has a potential of nearly twice that number.

Each director was named as chairman of a major committee, and will name his own committee members. These are:

- Alton Cain, agriculture and livestock.
- Maurice Bray, industrial development.
- L. C. Haney, water resources.
- Winston Wharton, state and national affairs.
- Wynne Collier, community service.
- Guy Wheatley, highway development.
- Mitchell Williams, membership and finance.
- Fred McGinty, rural relations.
- W. B. Slaton, rural roads and safety.
- Herman Heck, housing.
- Joe Marshall, retail merchants.
- Otis Spears, youth.
- Frank Hill, publicity.
- Gene Jones, secretary.

One of the most important committees at this time is the highway committee, composed of Guy Wheatley, J. F. Toler, and Truett Smith, which must study proposals of the State Highway Department on routing of the proposed four-lane expressway through Tahoka.

Call Meeting On Airport Plan

"The location and layout for Tahoka's proposed airport is ideal," R. B. Allen, of Fort Worth an engineer with the Civil Aeronautics Authority, told J. E. Nance following his visit here.

Mr. Allen went on to state that the proposed runways would be sufficient, the site is close to town, a sufficient distance from highways, and perfect in every way for the local needs. Furthermore, he thought less money and work would be required to complete a set-up to take care of anything up to twin-engine planes than any proposed site he has inspected.

The CAA authority came here on Mr. Nance's invitation to inspect the site a mile northwest of the Tahoka High School, adjacent to the T-Bar Country Club, which is under construction.

Mr. Nance thinks farmers should be interested in the all-weather landing strips, as such would be a great convenience to crop-dusters. As it is now, crop dusters have no safe and convenient place to land, to make their headquarters, and to service their equipment.

Several crop dusters have expressed interest in the local airport and some would likely move their headquarters here.

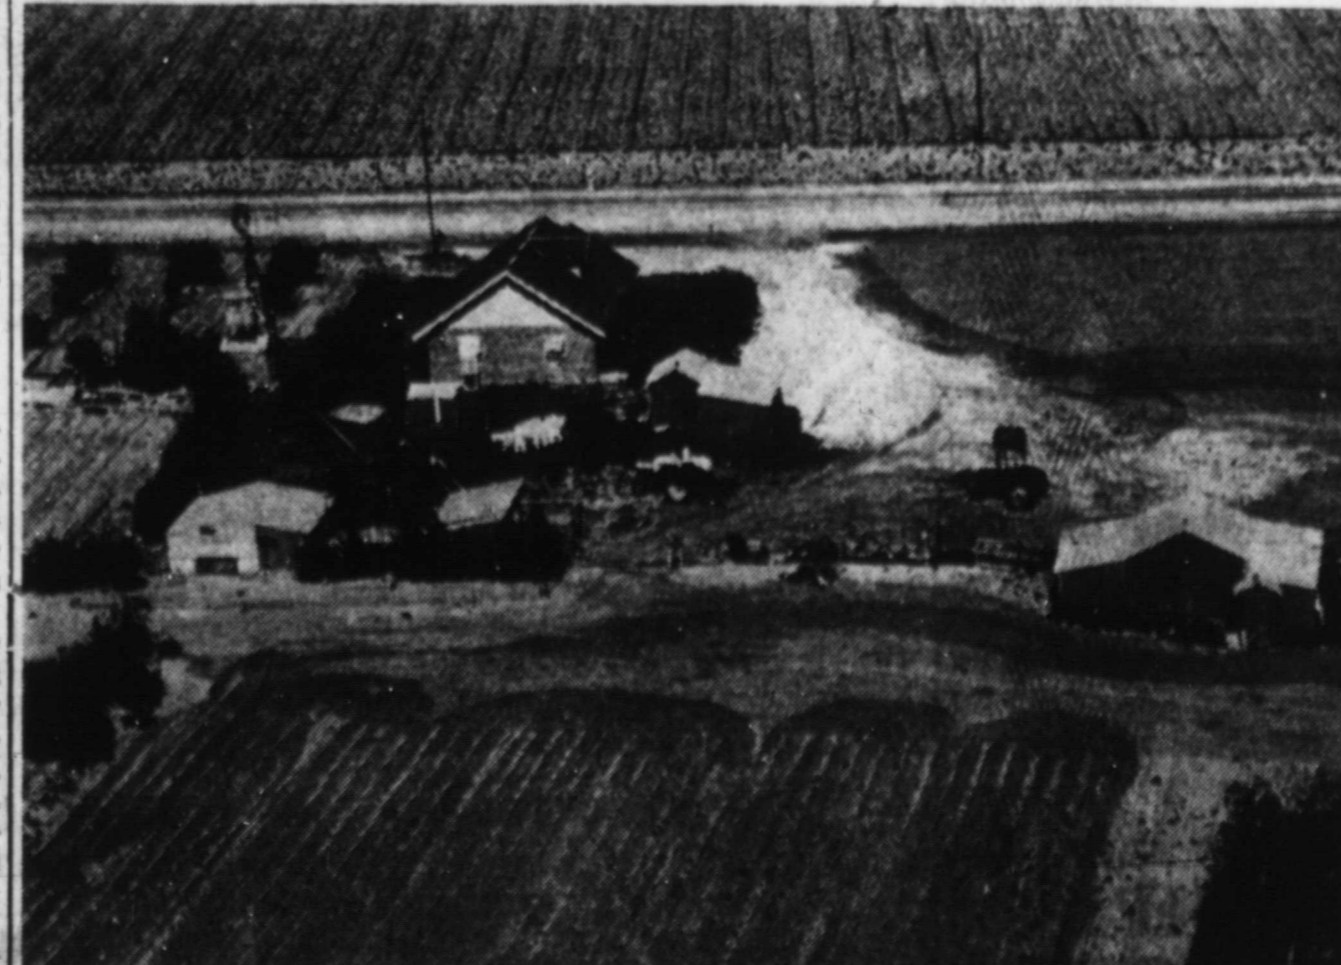

In addition, the airport could be a convenience in many other ways.

Everyone interested in an airport to be built at a minimum cost is asked to meet in the county court room next Tuesday night, April 12, at 7:45 o'clock to hear the plans.

Clyde Wallace, who has been a medical patient at Tahoka Hospital, was able to go home Wednesday.

George M. Reid was able to go home from the hospital Wednesday after an illness of several days.

"Lynn County Mystery Farm" No. 39:

This is some Lynn county farm home? First town and first rural reader to call The News and correctly identify it, will each receive six month's credit on their paper. Also, a free enlargement of the picture will be presented the farm owner on calling at The News.

Plan Lectureship At Gordon Church

Gordon Church of Christ will begin an eight-day "lectureship" Sunday with eight ministers of the area speaking on successive nights at 7:30 o'clock.

Ministers scheduled to talk, in order, are: Doyle Kelsey of Tahoka, John McClish, Jr., of Lubbock, John McCoy of Brownfield, W. M. McFarland of Lubbock, Everett Huffard of Idalou, F. O. Stanley of Electra, W. T. Hamilton of Lamesa, and Otis L. Profit of Post.

The lectureship will run from Sunday, April 10, through Sunday, April 17.

Here's why MORE PEOPLE ARE BUYING PONTIACS than ever before!

1. You can buy a big, big Pontiac for less than the lowest priced cars and much less than stripped economy models of higher priced makes!

2. Only Pontiac gives you luxury car size plus the sensational Strato-Streak V-8!

Biggest car at its price (122" and 134" wheelbase) • Most powerful car at its price • Only car at any price with distinctive Vague Two-Tone Styling and the riding and driving ease of the shock-proof chassis.

You don't have to look far to find the car that's the most popular in America. You don't have to look far to find the car that's the only one that competes for the affection of the masses and power, yet carry a price tag that's well under many in the lowest price class.

That's what brings people in to see and drive a Pontiac—a nice story they simply can't afford to overlook. And once they do—once they get a taste of America's most distinctive styling... once they sample the superlative roominess and comfort...

Pontiac's luxury interiors... once they try the pulsating thrill of exclusive Strato-Streak V-8 performance—they lose interest in every car but this.

Come in and get the rest of the story. See, drive and price this high-powered, future-fashioned beauty. You'll find that if you can afford any new car you can easily afford a Pontiac.

What Easter Proves

The Christian Church celebrates Easter for more than sentimental reasons. It knows that far more important than the corsages and bouquets, the bunnies and the baskets which have usurped the original significance of the season in many an American home, is the great historical fact which the day commemorates.

The resurrection of Christ from the dead on Easter morning is a historical fact. It is the cornerstone of Christianity. For by His resurrection on the third day Christ gave irrefutable answers to several crucial questions.

In the first place, by His resurrection He proved Himself to be the Son of God, as He had claimed. Or as the Bible puts it, He was "declared to be the Son of God . . . by the resurrection from the dead."

Furthermore, by the miracle of Easter Christ proved that all his doctrines were the truth. What He had taught about sin, about salvation, about heaven and hell—all must be true. Thirdly, the happenings on that first Easter morning afforded proof positive that the Father in heaven had accepted the sacrifice of His Son for the sins of the world.

And finally Christ's resurrection is the guarantee that all believers will arise some day "unto life eternal." For as Christ put it, "Because I live, ye shall live also."

These are the tremendous facts of Easter. It is because these things are true that Christ could say: "I am the Resurrection and the Life . . . Whosoever liveth and believeth in Me shall never die."—Do you believe?

Honor Teachers For Long Tenure

Teachers who have been in the Tahoka Schools from 20 to 22 years were awarded service pins Thursday afternoon at a luncheon at the school cafeteria. About 80 husbands, wives, and school board members attended the affair, presided over by Supt. Otis Spears.

C. W. Tarter, superintendent at Lamesa, who was the principal speaker, told his audience, "Good schools exist only in good communities. The school is better than the city. We want it to be... Good teachers make better schools."

Supt. Spears said this was the first time Tahoka teachers have been recognized in this manner, and that it is hoped the recognition service will become an annual affair.

He certified the recipients, and A. M. Bray, president of the school board, presented pins. Those with 20 or more years of service received a pin with a blue set; 15 years green set; 10 years, red set; and five years, a plain pin.

Receiving 20 year pins were Mrs. Linnie Finch, 22 of her 24 years teaching service in the Tahoka schools; Mrs. Frances E. Dunagan, 20 of 26 years in Tahoka; and Paralee Sayles, 21 her 22 years in Tahoka.

Four other teachers have taught over 20 years but not all of them in Tahoka: Mrs. Lillian Mathis, 29 years, 12 in Tahoka; Mrs. Myrtle Mathis, 22 years, 12 here; and Zuma McWhirter, 23 years, 11 here.

Receiving pins for 10 to 15 years service here were: Mmes. Pittman, Mathis, and McWhirter; Mrs. Annie Mae Snelser, 12 years; Mrs. Miriam Hutchison, 10; Mrs. Rhoda Jones, 13; Mrs. Fleda Howell, 13; Mrs. James Clinton, on leave of absence for a year, has 11 years.

Those honored for five to 10 years service were: V. P. Carter, nine-plus; Mrs. Wyatt, seven; Mrs. Velma Gill, nine; Mrs. Lillian Bartley, five; Floyd Tubbs, six; Mrs. Madeline Hegl, eight; Mrs. Irene Spears, five; British

Honor Athletes

(Cont'd. from Page 1)
 "run for the money."
 Seniors are Gainerd McNeely, Gerland Huddleston, and Duane McMillan. Junior Fitts, who was named to the all-state second team, was also recognized and Coach Jacobs said he would not be satisfied unless Junior made the first team next year.

The basketball coach also gave credit to Coach Dean Wright for the fine work he did with the Freshman and Sophomore squad.

Coach Haralson gave equally high praise to his basketball girls. He said they worked and tried harder, and had the best spirit of any group he had ever coached.

Seniors on the squad are: Sue Sargent, Delores Gage, Susie Smith, Betty and Bobby Carroll, Jerrie LeMond, and Martha Prohl.

He also had complimentary remarks for the junior, sophomore and freshman girls, and said the girls' basketball program had been extended to the eighth and seventh grades and that Tahoka is building for the future in this sport.

A. M. Bray did a good job as master of ceremonies at the banquet. Gordon Smith gave the invocation, and Mariana McGinty furnished piano music during the meal. Johnee Clem sang two solos which brought a fine response of applause. The program ended with the singing of the School Alma Mater.

Tahoka Chamber of Commerce sponsored the banquet for the athletes, which was attended by about seventy-five parents and fans, in addition to the athletes and their "dates".

SHERIFF'S POSSE HAS SOCIAL MEETING

Lynn County Sheriff's Posse entertained their wives Monday night, April 4, in the home of Mr. and Mrs. J. T. (Dub) Middleton, Sr. at O'Donnell.

Mrs. Pat Swann, wife of the Posse president, and Mrs. R. M. Middleton greeted guests and Mrs. G. C. Wilson presided at the register.

Moving pictures of the Rose Tournament and slides of the local Sheriff's Posse were shown.

Mrs. Royce Skinner poured coffee and Mrs. J. T. Middleton, Jr., ladled punch at the refreshment hour to the following: Messrs and Mmes. Paul Mansell, Homer Hancock, R. M. Middleton, G. C. Wilson, J. W. Gardenhire, L. T. Brewer, Jiggs Swann, Royce Skinner, Geo. Williamson, Jack Blevins, Pat Swann, R. R. Ragan, W. M. Thompson, Joe Brewer, Jack Brewer, A. D. Haney, J. T. Mrs. Edith Dudgeon Owner Farm Southeast of Town

Mystery Farm No. 38 is owned by Mrs. Edith Dudgeon, who lives four miles east and nearly five miles south of Tahoka. The place was correctly identified by C. B. Smith, Rush Dudgeon, Bobby Carroll, Cecil Hammonds, and C. B. Evans. The home place is a half section farm, but Mrs. Dudgeon also owns another 542-acre farm nearby. The nice farm home was built in 1950. Mrs. Dudgeon, naturally, does not farm the land herself, but in addition to her housekeeping she finds time to raise a few cows and chickens, and has a garden and orchard. The land is farmed by her son, Rush; son-in-law, N. T. Conner;

and some of it is rented to Cal loway Huffaker. Mrs. Dudgeon moved to the farm here in 1934, following the death of her husband, Dr. L. O. Dudgeon, at Sweetwater in October, 1933. Dr. Dudgeon was a very prominent physician in that area, where he practiced from 1909 to 1933. In fact, he was gaining widespread prominence as a kidney specialists when death took him. The Dudgeon farms are excellent ones, and the family thinks this is a great farming country—given normal moisture. Mrs. Dudgeon has five children. Rush of Tahoka, Miss Norma of the family home; Miss Edna,

who recently received her Ph. D. degree and now is teaching in College of the Ozarks in Arkansas; Mrs. N. T. Conner, who lives on the farm; and Miss Eleanor, who teaches at Amherst.

Capt. L. R. Hulsey Is In Germany

Capt. Lawrence R. Hulsey, son of Mrs. R. L. Craig, route 1, Tahoka, recently arrived at Furstenfeldbruck Air Base, Germany, for a tour of duty with the Field Maintenance Sqdn. of the 7330th Flying Training Wing. Capt. Hulsey, a veteran of 13 year's military service, will play an important role during his assignment here in supporting the Pilot Training program which is carried on by the US Air Force to aid MDAF (Mutual Defense Assistance Program) countries in building up their air strength against any attack which might be made upon the Free World. Furstenfeldbruck Air Base, located near the famous city of Munich, is the busiest airfield in Europe. Among those pilots who make an average of 5000 to 7000 approaches and take-offs Denmark, Greece, Iran, Italy, the Netherlands, Portugal, Spain, Turkey, and the United Kingdom.

C. F. Holland Is Death Victim

C. F. Holland, 73, former Lynn county citizen and father of Wade Holland of Tahoka, died at 4:20 a. m. Friday at Mineral Wells after a long illness. Funeral services were held there Saturday with a Baptist minister officiating, and burial was in Tech Memorial Park, Lubbock.

Mr. Holland was born May 25, 1881, in Georgia, but came to Texas at the age of four. He was married to Miss Ollie Burnett at Whitewright in 1903. He bought a farm three and a half miles southwest of Southland in 1919, and moved to it in 1921. In failing health, he moved to Mineral Wells in 1938, and had lived there ever since.

He has been ill a long time, and became critically sick about two weeks before his death. Survivors include his wife; three sons, D. B. of Lubbock, Wade of Tahoka, and Walter B. of Post; three granddaughters and one grandson, Charley Mac Holland of Tahoka.

Miss Grace Jones' Wedding Saturday

Miss Grace Jones, daughter of Mr. and Mrs. R. B. (Casey) Jones of Plains and a granddaughter of Mrs. W. T. Clinton of Tahoka will be married Saturday in Mexico City to Richard L. Morse, son of Mr. and Mrs. H. V. Morse of Chase, Kan. Miss Jones, who is well known by many Tahoka people, is a graduate of the University of New Mexico, where she was a member of Pi Beta Kappa, Phi, and Phi Gamma Na. Her paternal grandparents are Mr. and Mrs. J. O. Jones of Lubbock. Morse has served in the Merchant Marines and the U. S. Army. Both are presently attending Mexico City College. Court house lawn.

The Y. M. C. A. was founded in 1844.

Congratulations:

Rev. and Mrs. Dwight Townsen of Portland, Ore., on the birth of a daughter, Suzann, on April 1. They have one other daughter, Jeannie, who was born on April 1 three years ago. Mr. and Mrs. John Slover, parents of Mrs. Townsen, flew up to Portland a few days ago to visit a while. Rev. Townsen, who is a son of Mr. and Mrs. N. O. Townsen, is pastor of Hoyte Street Methodist Church, the oldest Methodist Church in that city.

North America is the third largest continent, with Asia and Africa ranking first and second.

Steele Child Is In Masonic Hospital

Dallas, April 7—Elizabeth Steel, 6 year old daughter of Mr. and Mrs. Clarence Steel of Tahoka, was admitted to the Scottish Rite Hospital for Crippled Children in Dallas on March 30.

Texas Scottish Rite Masons founded the hospital more than 30 years ago in effort to provide a chance at a normal life and a useful place in society for the handicapped child.

The Scottish Rite Hospital has accepted almost 100,000 children for treatment since 1925. An expert staff, plus unique physical facilities and dedication to the welfare of the child, make it an outstanding treatment center, which serves the entire state. It is supported by public contributions and bequests.

The Y. W. C. A. of the USA was founded in 1888.

Jimmy Williams Writes Essay On Conservation of Soil and Water

(The following essay took third place in the recent C. of C. and SCS contest, entered by 24 county school students. Rebecca Morrow of New Home took first place, Mariana McGinty of Tahoka second place, and the essay below is by Jimmy Williams, also of Tahoka. Incidentally, Jimmy is married, operates his own farm, is a senior in Tahoka High, and last fall found time to play football. He is the son of Mrs. Albert Williams.)

THE NEWS

and soil because generations of the future must have it to survive. Conservation is not hoarding, but it is man's effort to balance the uses of natural resources with the laws of nature.

President Theodore Roosevelt said, "When the soil is gone, man must go, and the process does not take long." The population of the world is increasing at a very high rate. To meet this we must conserve our soil and water supply to meet the demand.

In the early days man was not conservative with soil or water. Today it is up to the present generation to teach conservation and carry it out. It is the duty of everyone to maintain the practice and be conservative.

The value of soil depends upon the chemical elements. The most important element is nitrogen. Plants must have it to grow. Nitrogen is needed to make proteins for plants.

Nitrogen is lost from the soil in many ways. Nitrates dissolve in rain and water and are carried off. Growing crops year after year that take nitrogen out of the soil are also harmful.

Crop rotation should be practiced. Some leguminous plants such as clover, alfalfa, peas, and beans should be planted because they are a nitrogen builder.

A new plant called Guar is a nitrogen builder. It puts nitrogen in the soil and increases the yield of future crops. It increases water intake and holding capacity of the soil. It is a row crop and easy to manage.

We must protect our topsoil with cover crops and plow it when necessary to prevent the valuable food producing soil from blowing. Moisture is lost when unnecessary plowing is done. We

should have our land on the contour to hold all the rain that falls. Terracing and borders are also helpful in holding the valuable water and getting the most use out of it.

ANNOUNCE WINNERS IN "OSCAR" RACE

The "Oscar" race which has been in progress for six weeks throughout the motion picture industry was an overwhelming success as far as the Rose Theatre was concerned.

To be a winner in the "Oscar" race, a contestant had to correctly check the Academy Award winner in each of six categories, best picture, actor, actress, supporting actor and actress, and director.

Tabulations were made after the contest closed March 30, and winners were announced from the stage on Monday, April 4, at the local theatre.

Seven season passes good for one full year were awarded to the following winners: Mr. and Mrs. L. B. Thompson, Larry Spruiell, Mrs. Charles Verner, David Bray, Charles Hyles, Wayne Vandergriff, Lonnie Wheeler, Bonnie Faye White, Eva Dell Musick, and Bonnie V. Todd.

Management of the Rose asks The News to express their thanks to each one who entered the contest for your interest and expressed the hope there will be more winners next year.

ing valuable knowledge in the fields of ancient history, art, archaeology, pre-historic civilizations long since forgotten or just now being unearthed for the first time; and she makes out a good case for Mexico as the one land which offers the greatest opportunity of any land on earth today to the studious and knowledge-seeking tourist. The contributions which we are using this week constitute really a single "article," and we are therefore publishing them as such.

"Cities that preserve the witchery of a colonial atmosphere, like Guanapato, Forelia, Juertaro, Oaxaca, and Taxco; others where a smoke pall from huge hives of industry hangs in the skies like a dusky plume betokening victory; dead cities of age-old civilizations revived by the miracles of archaeological science; villages picturesque because of their quaint habits and customs, and the simplicity of the dwellers therein—this iridescent range runs down the whole of Mexico's territory.

"The traveler ever lights upon abrupt contrasts in our daily life and may each day steep his soul in some fresh emotion. Traveling "just because" is futile, but to travel and drink deep of the soul of a people means increasing our store of knowledge. One single journey broadens our minds more than the perusal of a hundred books on travel.

"Mexico is the land where the golden rule of the code of the Perfect Traveler may best be applied, for she is a real Paradise for the tourist because of her climate and superb scenery, her priceless archeological remains and her modern cities. No one may doubt but that Mexico is one of the most beautiful countries on earth. To know her better, to learn to love her, one should read her history and be interested in her traditions. Mexico wins the soul through the eyes but remains imprinted in the heart. The pilgrim, anxious for a sight of the most interesting Spanish monuments in the Americas should travel through Mexico, the land of splendid churches, romantic courtyards in ancient monasteries, sumptuous colonial mansions even in remote villages.

"If the traveler yearns to become acquainted with other habits and customs of the people and ancient civilizations that have endured through the ages, let him wander over our territory to unearth their secrets. Mexico City, Guadalajara, Puebla, Morelia, Queretaro, Guanapato, and Oaxaca still preserve in their midst stupendous archaeological monuments and relics dating from colonial days. They are in fact great museums as well as cities, where one may carry out serious study on great works of art by masters of olden days. One of the main charms for the visitors to these Mexican towns is to fall under the spell woven

into tombs and palaces by viceregal architects and designers. "Other more ancient archaeological monuments in Mexico, the remains of former Indian towns and cities, are scattered over a goodly portion of the territory of the Republic. These range from great cities whose streets, squares, and buildings still stand, to tombs and graves in tiny villages where carved stones and pottery of interest to investigators, may be dug up. Mexico holds out prodigious wealth in preHispanic remains. Ruins of old forts, grottoes at one time inhabited, clay figures, weapons, gems, and many other material evidences of the degree of civilization attained by a succession of aboriginal peoples during the lengthy process of their evolution, have been unearthed in pre-Columbian ruins, in pyramids and in tombs; and Mexico's vivid coloring strikes the eye of even the indifferent, due to the charm felt by all who gaze upon this land of a thousand wonders.—The end."

Mexico indeed is a land of a thousand wonders. It is the original "Land of Enchantment" in this North American continent of ours. Soon after I returned from a ten week visit in Mexico in 1952, I was invited to tell about Mexico, the land of "Manana," before the South Plains Press Association meeting in Lubbock. A few newspaper publishers in Eastern New Mexico were members of the Association. "New Mexico, the land of Enchantment," was and is yet the popular slogan used by the people of New Mexico to publicize the wonders of that state. In my talk, I made the statement that New Mexico had stolen that slogan from Old Mexico. A newspaper publisher of Clovis, New Mexico, good-naturedly took me to task for making that statement. But I still stick to the claim that the

slogan rightfully belongs to Old Mexico. There is a story of enchanting strangeness and beauty connected with the history of our neighbor republic across the Rio Grande to the south of us.—a story of enchantment, yes a countless number of such stories, about the city of Mexico itself, the original Indian city of Tenochtitlan.

There are enchanting stories about such cities as Guadalajara, Oaxaca, Cuernavaca, Acapulco, Chilpancingo, Queretaro, Cholula, Puebla, Morelia, Taxco, Totuca, San Luis Potosi, Merida, Vera Cruz, and a hundred others of modern origin.

There are enchanting stories connected with the histories of a score of ancient Indian tribes, of Indian gods, of Indian celebrities, Indian heroes and heroines. There is an enchanting legend about dozens of individual mountains and volcanoes, such as Popocatepetl, Iztaccihuatl, Orizaba, Zepetac, Chapultepec, and many others.

Among the most interesting wonders of the country are the pyramids, particularly those at Teotihuacan and Cholula, together with the ruins of many others scattered over Mexico. It is a land of a thousand enchanting myths, legends, stories, historical events, habits, customs, superstitions, human sacrifices unmatched in number by all such recorded tragedies of all the ages and all other countries of the world combined.

That great historian, William H. Prescott, more than a hundred years ago wrote a two-volume history of the Conquest of Mexico and allied subjects in which he set forth much of the amazing and enchanting stories of the country and people; and a few years ago that charming writer of travel stories Lowell Thomas set forth, in the most graphic and charming language imaginable, word pictures and also pho-

No other low-priced car even comes close to matching these important Chevrolet advantages . . .

If you're planning to buy a new car, the one you just can't afford to miss seeing is Chevrolet—for 19 straight years America's best-selling car. The Motorcar Chevrolet offers you so much more than the other low-priced cars that it's hardly fair to compare them. And even the high-priced cars don't have all the advantages that today's Chevrolet offers you.

The beauty's built in—not bolted on! And that makes a big difference—not only in how your car looks today, but in how it will look tomorrow, too. Chevrolet's good looks spring from fine, clean, uncluttered design. The beauty's inherent in the basic contours of metal and glass. There's no excessive bolted-on ornamentation to go out of style overnight.

The Body's by Fisher! No other low-priced car has a Body by Fisher—but many of the high-priced cars do. That fact alone tells you there must be something extra special about the style, quality and construction of Body by Fisher. And there is! You can see it, feel it and even hear it when you slam the door.

Today's most modern engines! That goes for Chevrolet's new V8 and two new sixes as well. For example, all Chevrolet engines bring you a modern 12-volt electrical system—double the voltage of other low-priced cars. This means quicker cold weather starting and a greater electrical reserve. Then Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry,

and develops the highest power per pound of any V8 in the low-price field. It takes valve-in-head leadership like Chevrolet's to bring you truly modern engines like these!

A drive to suit your driving! You can take your choice of three different drives—and every one's as modern as this minute. There's silky, peppery Powerglide, new Overdrive (both extra-cost options), and a new Synchro-Mesh transmission that's as smooth as they come.

All the power helpers you want! Windows, seat, steering, brakes—all are available with built-in "muscles" to make driving as effortless as you wish.

And you can even have air conditioning if you like. These things are extra-cost options, of course, but they more than repay you with extra pleasure.

Fun is "standard equipment"! You find that out the first time you take the wheel of a new Chevrolet. Here, you discover, is a car that takes the curves like it's on rails, that steers like it's reading your mind. It seems simply to ignore bumps—and when you stop suddenly, there's no excessive lurching or diving, either. There has never been such a difference in low-priced cars as there is today—or so many good reasons why you should drive a new Chevrolet. Come in and take the key.

Over Ten Million Chevrolet owners—Two Million more than any other car!

Credit Association Meets Wednesday

The 21st annual Stockholders Meeting of the Lubbock Production Credit Association is to be held in the Fair Park Coliseum in Lubbock Wednesday, April 13. Registration of members and guests will begin at 9:30 a. m. and the business session will be called to order at 10:00 a. m. by E. R. Davis, president of the Association.

Alton Strickland, secretary-treasurer of the association, said that nearly 1400 stockholders now own a little more than \$980,000 in member stock and reserves. Strickland said, he expected from 1000 to 1200 at the annual meeting from nine counties served by the association which finances farm and ranch operations. The nine counties consist of Cochran, Crosby, Garza, Gaines, Hockley, Lynn, Lubbock, Terry, and Yoakum.

The Directors and Secretary-Treasurer's report to be given by C. E. Hicks, of Terry county, vice president, is to include information concerning the progress of the association for the past year, as well as the financial condition as of close of business.

March 31. A total of 798 members borrowed over \$6,000,000 last year. The association has loaned a total of \$49,000,000 since organization.

Two directors are to be elected to fill expiring terms of Fred McGinty of Lynn County and E. L. Carlisle of Crosby county.

Mr. Roy Davis, general manager of the Plains Cooperative oil mill and also a member of the Farm Credit Board will be among those to take part on the program.

Another feature of the meeting will be serving of a lunch at noon.

FRANCIS GILL AND WIFE WERE HERE LAST SUNDAY

Mr. and Mrs. Francis Gill and family of San Angelo visited in the home of his brother, Tom Gill, last Sunday.

Francis and wife, the former Elizabeth Crie, both of whom were reared here, have four children. Two sons are grown, married, and in the Armed Service. Another son in high school is a member of the San Angelo Bobcat football team. A daughter is in junior high.

Francis is a conductor for the Santa Fe railway.

Big news about Buick's 4-Door Riviera

THIS brand-new kind of automobile—the sensation of all the Auto Shows this year—is now rolling off the Buick assembly lines in volume numbers. That's the first news.

And the second is just as wonderful—this dramatic new model is very definitely everything that eager buyers hoped it would be.

For the 4-Door Riviera is the first "hardtop" ever available with separate doors for rear-seat passengers—plus rear-compartment room big as a Buick-size family sedan.

It comes breezing in with all the low-lined sweep and wide open visibility of Buick's original 2-Door Riviera—and with luxurious new spaciousness in

its sizeable and full-length 4-door body.

With windows down, no posts appear for the rear doors, and you get a completely unobstructed view at both sides.

You find rear doors are hinged at their front edges to swing wide and free, and assure easy entrance and exit.

And you'll find legroom, headroom and hiproom extra-generous both front and rear—with interiors tailored in fabrics and patterns specially reserved for the 4-Door Riviera.

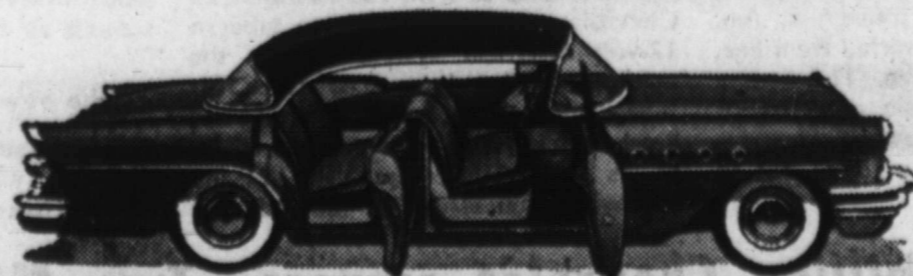

Best of all, this new Buick beauty comes off the line in both the low-price SPECIAL Series and the high-powered CENTURY Series.

So you can pick your 4-Door Riviera with the potent performance of a 188-hp or 236-hp Buick V8 engine—the swift get-away and gas saving of Variable Pitch Dynaflo™—the velvet stride of the Million Dollar Ride—the long list of Buick bonus features at no extra cost—and all at "great buy" prices that have helped move Buick into America's "Big Three" of best sellers.

But—better come see us about the 4-Door Riviera now.

With all-out production—and a prompt order—this newest excitement in cars will be yours that much sooner.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.
