Volume 51

Tahoka, Lynn County, Texas, Friday June 17, 1955

Number 36

Serving Tahoka and Lynn County Since 1903!

Prospects For Crop Are Not Too Bright

Prospects for a normal crop are growing dim as more rain is needed over most of Lynn county, and the time for planting cotton is growing short.

In fact, some cotton that had come up is reported to be "turning up its heels" because of dry weather or is being killed by wire worms.

Scattered showers fell over the county Tuesday which will prove of great benefit to parts of the Grassland, New Lynn, Garnolia, and Gordon communities.

Three-fourths of an inch is reported to have fallen at Central Church, an inch at the Oran Ramsey place a half mile east, 9 inch at the Monroe Turner farm three miles north, an inch at the Claude Meeks three miles northwest. New Lynn had a good shower.

However, over in Garza county, from the Storrie gin east to Post the heavier rain was accompanied by destructive hail. Rain and hail at Post, totaling two inches, damaged many buildings and trees and shrubs, as well as destroying crops that were up.

Light showers fell over much of Lynn county, but moisture was not sufficient in most cases to do any good. Only a trace fell at Tahoka.

School Plant Is Being Repaired

Tahoka's school plant is undergoing several minor repairs and improvements this summer, Supt. Otis Spears reports.

Repairs are currently being made inside the high school building, and the rest of the floors are being refinished. Desks and other furniture are being repaired.

The stage in the auditorium will be re-wired, and more and better lighting installed.

Repairs will follow on other buildings.

Also, a new coat of paint will be applied to both the wood and steel of the football stadium. The stadium grounds have been cleaned up, the grass fertilized, and the playing field has the best turf on it ever.

Of the 16-acre campus, about 10 acres are now in Bermuda grass lawn. All the grass is being fertilized and is doing well. Also trees and shrubs are being pruned.

Grassed playgrounds were made possible by the drilling of a four-inch irrigation well two years ago. As a result, Tahoka's school campus is rapidly becoming one of the most beautiful in all West Texas, and all the work has been done at a minimum cost.

Tatums Open Grain Business

Clyde and C. W. (Bill) Tatum of Lubbock, who recently purchased the Jim Burleson Elevators and buildings, are opening their feed store here this week.

Leighton Knox will move to Tahoka in the near future to become manager of the operations. He has lived in Lubbock about 20 years, and formerly was with Economy Mills, owned by the Tatums. He and his wife have three children.

Name of the new business here will be Tatum Bros. Elevators, Inc., and the Tatum boys will supervise the operations of the business.

The firm will handle a full line of Everlay poultry feeds and Economy dairy and hog feed. They will also have feed ingredients and do custom grinding and mixing.

Trash Barrels Made Available

Tahoka Jaycees are placing on sale 100 trash barrels made from 30-gallon oil drums, with handles welded on them, for the price of \$2.75.

With the sale of two such trash cans to the customer, a stand on which to place them to prevent rusting-out, will be thrown-in free.

Any citizen of Tahoka desiring one or more barrels is asked to call Bill Chancy phone 384.

Green Named County Attorney

Harold Green on Monday was appointed County Attorney of Lynn County to succeed Mitchell Williams, who on Monday of last week was appointed District Attorney of the 106th Judicial District.

The appointment of Green was by the Commissioners Court.

Mr. Green has been practicing law here for the past three and a half years in association with Calloway Huffaker. He will continue his association with Huffaker, but will also maintain an office in the court house.

Williams this week moved his office to the Clint Walker building on Sweet Street, across from the Keltner Hotel.

A native of Camden, New Jersey, Harold Green entered Baylor University following the war, after having served in the Army Airforce from February 1943, to November, 1944. He received the B. A. degree at Baylor in 1949, and graduated from Baylor School of Law in 1951. He was the sixth ranking member scholastically of his law class.

He and his wife, whom he met at Baylor and married in 1946 and who is a teacher in the Tahoka schools now, came to Tahoka in December, 1951. He is a member of the board of stewards of the First Methodist Church, and will become president of the Rotary Club on July 1.

Crowds Increase At Swimming Pool

Attendance at the City swimming pool is increasing with the coming of warmer weather, Dean Wright and Milton Gardner report.

Tuesday night, New Home community, with Gerry George as host, held a swimming party and about 35 were present. New Home expects to have such a party every Tuesday night.

Three days have been missed by the swimming class because of bad weather, but these days will be made up before end of the 12-lesson course. The operators state they expect to start another swimming class in July. These swimming classes meet on Tuesday, Thursday, and Saturday mornings.

A special period for ladies only has been set aside for Wednesday morning at 10:30 o'clock.

Otis Curry New Manager of Gin

Otis Curry has been named the new manager of the Tahoka Co-op Gin by the board of directors in a recent meeting. He will assume his new duties on July 1.

Mr. Curry was reared here, and has been engaged in farming. He served as a deputy sheriff of Lynn county several years. He succeeds H. S. Eubanks, who moved to Lubbock a few weeks ago.

B. L. Hatchell is president of the gin cooperative, and Hubert Edwards is the secretary.

PCA Plans New Building Here

Lubbock Production Credit has plans drawn and will let a contract soon for the construction of an office building in Tahoka on its lots in the 2200 block on the west side of Main Street, U. S. Highway 87, according to announcement of Derwood Howard, local field representative, and Fred McGinty, a director of the association.

The building will be about 28 by 40 feet in size, facing west, on a 59 by 125 foot lot. The building will be of modernistic design, constructed of brick, with the front of stone.

Included in the building will be a lobby 11 by 22 feet in size, a private office for the field representative, office space for the bookkeeper, facing the lobby, a walk-in vault, rest rooms, storage space. Modern refrigerated air and heating systems will be included.

Entrance will be at the south, and most of the lot to the south and rear will be paved for parking space, and the rear portion of the lot will be enclosed with cyclone fencing.

At the same time contract will be let for an almost identical building at Brownfield. The Association has a new building at Lubbock and an older office building at Levelland. DeWitt & Macker of Lubbock are the architects.

The PCA recently reached its long-time goal of a million dollar capital structure, Mr. McGinty says.

E. R. Davis of the Acuff community of Lubbock county is the president, and Alton Strickland is the secretary-treasurer.

Kay Moore Is Honored By VFW

Kay K. Moore, recent winner of second place in Texas in the "best veteran conservation farmer" contest, was honored at a dinner at the Tahoka VFW and Auxiliary Thursday night of last week at the American Legion Hall.

He was presented a plaque and a \$50.00 savings bond from the State VFW, presented by N. T. Conner, Junior vice Commander of District 7.

Moore was entered in the contest by the local post.

Roy Askew, local post commander, presided at the dinner meeting, attended by about thirty VFW and Auxiliary members.

Mr. and Mrs. Larry Hagood and baby were in Albuquerque, N. M., this week for a reunion of the McAtee family.

Elvin Ray Moore of O'Donnell has been named chairman for Lynn county in the annual USO fund drive, which has a quota of \$736.00. The organization serves men in the Armed Forces, and Lynn county at this time has 194 men serving their country.

Telephone Co-op To Let Contract

Poka-Lambro Rural Telephone Cooperative officials opened bids here Thursday, on the pole line project for Section 3, the Terry County unit of the telephone system.

Approval of the accepted bids will be necessary from the REA officials in Washington, D. C., but construction should start within thirty days, according to W. D. Harmon manager.

The Terry county section will serve most of west and northern portions of that county.

The Co-op telephone system new serves most of Lynn and Dawson counties, and parts of Garza and Borden counties.

Mr. Harmon says Poka-Lambro now has more than 900 members, and new members along the present lines are being added at the rate of about eight a month.

4-H Club Girls Going to Camp

The District II 4-H Club girls camp will be held June 21, 22, and 23, Tuesday through Thursday, at the Panhandle-South Plains Fair grounds in Lubbock.

Six girls, one adult leader, and Miss Wanda Roach, The H. D. agent, will attend the camp.

The campers from Lynn county are: Sarah Wells and Lynnetta Cain from Tahoka, Jackie Brewer and Mary Forbes from O'Donnell, Judy Blankenship and Betty Hanes from Wilson. Mrs. T. D. Bishop and Miss Roach will be sponsors for the group.

Bill Short, formerly of Tahoka but now a representative of Singer Sewing Machine Co., was a visitor in Tahoka Wednesday.

Plans Complete For Pioneer Reunion Friday Next Week

Dress Revue Is Set For June 28

The Lynn County 4-H Dress Revue will be held Tuesday, June 28, at 2:30 p. m. in the county court room here.

Girls participating in the contest are winners of their school dress revues.

Both the construction and how well the dress looks on the girls will be judged.

The girls will bring their garments in Monday so that the construction may be judged, and Tuesday they will wear their dresses for the judges.

There will be three divisions the girls may enter—aprons, skirts and blouses, and dresses. In each division, there will be first, second, and third places.

The winners will each receive a 4-H clothing pin with a ribbon. All girls entering the dress revue will receive either a blue, red, or white ribbon.

All parents and anyone else interested are urged to attend the revue.

Prizes Offered For Best Displays

Several local merchants already are decorating their show windows for the Pioneer Reunion Friday of next week.

Three beautiful loving cups will be awarded by Tahoka Chamber of Commerce for the three most interesting windows, which will be judged by a committee of three pioneers.

Merchants are asked to decorate their windows with old pictures, relics, curios, or anything pertaining to the early days.

Court Requests Farmers Not To Drill Wells Adjacent To Section Lines

All Lynn county land owners have been asked by the Commissioners Court of Lynn county to refrain from drilling any water or irrigation well closer than 60 feet from original section lines.

The request order was passed by the Court Monday at its session here. Previously, in February, 1934 the Court had passed a similar order requesting that the High Plains Water Conservation District No. 1 not issue permits for wells to be drilled closer than 60 feet to original section lines.

Since the water District includes only about a fourth of the county the further request was deemed necessary.

Practice of drilling wells along property lines is proving expensive to the county. In fact, this is proving so expensive that some farmers may be, in the future, deprived of a paved farm-to-market road by their farms being drilled.

Mrs. John Eaker of Wells, injured in a car wreck two weeks ago, is expected to be able to return home from Tahoka Hospital this week end.

cause the county could not afford to have new wells drilled along the right-of-way asked by the State Highway Department.

Thus, compliance with the request may help the individual farmer and the county as a whole, the Court declares.

Team Is Fifth In State Event

Lynn county's delegates to the annual 4-H Club Roundup at Texas A. and M., College Station, returned home last Saturday.

The entomology judging team placed fifth in the state in their contest behind teams from Limestone, Taylor, Kaufman, and Bowie. Denver Ford tied for fourth place in individual judging, and would have been second had he been graded two points higher. Other members of the team were Hilton Wood, Dan Seely, and Joe Roper.

Jerry Cain very capably represented District II in the public speaking contest.

Girls' 4-H delegates were Sarah Prather and Sandra Singleton, both of O'Donnell.

The youngsters were accompanied by Bill Griffin, county agent, and Miss Wanda Roach, home demonstration agent.

Wire Worms Are Damaging Crops

There's always something to plague the cotton farmers.

Now, it is wire worms. County Agent Bill Griffin reports, that are eating up a lot of cotton seed and sprouted plants, causing farmers to fail to get a stand.

They are, or will, possibly damage grain sorghum, also, Mr. Griffin says.

Farmers can partially offset the damage and perhaps insure a stand by treating both cottonseed and grain sorghum seed.

Treatment for cottonseed is two ounces of lindane or BHC 25 percent wettable powder per bushel. For grain sorghum, only one ounce of lindane or BHC is recommended.

Miss Micky Farr of Clayton, N. M., youngest daughter of Mrs. H. Farr, formerly of Tahoka, is visiting this week with Mr. and Mrs. James Farr at New Home.

Arrangements are complete for the annual Lynn County Pioneer Reunion here Friday of next week, June 24, according to Mrs. Ethel Robinson, president of the Reunion association.

The dinner will be served this year in the Tahoka school cafeteria, and the program will be held in the High School auditorium.

Registration will begin at 9 a. m. at the cafeteria in South Elementary School, where there will be room and seats for the people to rest and visit old time friends. Mrs. Eloise Griffin, secretary, will be in charge of registration.

The lunch will be served at the same place at noon by Tommy White, caterer, who lived here 25 or 30 years ago.

Registration will begin at 9 a. m. at the cafeteria in South Elementary School, where there will be room and seats for the people to rest and visit old time friends. Mrs. Eloise Griffin, secretary, will be in charge of registration.

The lunch will be served at the same place at noon by Tommy White, caterer, who lived here 25 or 30 years ago.

The program in the High School auditorium, arranged by Mrs. Frankie Fenton, will be presided over by Mrs. Robinson, and Mayor Clint Walker will act as master of ceremonies.

This year's program will feature old time events and people in the history of the county, and old timers will be given an opportunity to tell some of their experiences. There will be special music by old timers.

Engraved loving cups will be presented the oldest lady and the oldest man present, and an engraved plaque will be presented the person coming the greatest distance for the reunion.

Election of officers for the next year will follow the program.

Fiddler Contest
R. C. (Ruby) Wells, himself a fiddler, is in charge of the old fiddlers' contest, and he reports he has 12 or 15 almost certain entries, and there may be a number of others.

Cash prizes of \$50.00 for first, \$30.00 for second, and \$20.00 for third place are being offered.

Between the program and the old fiddlers' contest there will be a rest period for the old folks, during which cold drinks will be served in the school cafeteria.

Dance At Night

The dance Friday night in the Legin Hall is for pioneers only. Music will be furnished by the George Hughes String Band.

"There will be plenty of waltzes, one-steps, 'put your little foot', and some squares if the old folks want them," states Mrs. Fenton. "In fact, we are going to try to please everybody that likes to dance the old dances. So, if you have been here long enough to be eligible, come on out an have a good time."

New Band Man At Tahoka High

Tahoka High School will have a new band and chorus director when school opens next fall, Supt. Otis Spears state.

Wyatt Burkhalter, director the past year, was to leave Thursday for service in the Army.

His successor will be Don Worsham, who will receive his degree at Texas Tech in August.

Mr. Worsham is a native of Lubbock, and was graduated from Lubbock High School before entering Texas Tech. He majored in band at Tech and has also had experience in choral work. He expects to move to Tahoka about August 15, and start work with the band immediately.

Sale of Poppies Brings In \$179.52

A total of \$179.52 was raised for benefit of disabled war veterans by the sale of Poppies this year, N. T. Conner of the VFW reports.

Of this amount, \$55.00 goes to the makers of the poppies, disabled veterans in hospitals. The remainder will be used by the local VFW and Auxiliary to aid local disabled veterans and their families.

Kenneth Weaver Home From Navy

LA. (J. G.) Kenneth Weaver arrived home Sunday with his discharge from the Navy, and along with his wife and son, Ken, age nearly three, they are visiting this week with his parents, Mr. and Mrs. A. C. Weaver.

After visiting with her parents at Comanche, they expect to make their home in Abilene. Kenneth will return to his old job there with the Retail Credit Association.

Mrs. Weaver and son have been living in Honolulu, Hawaii, nearly two years while Kenneth

was serving in the Navy aboard the destroyer USS Taylor in the Pacific.

More than half the time Kenneth was out at sea, and visited ports in Japan, Okinawa, the Philippines, and also Hong Kong. He says that for a while, until his discharge last year, Billy D. Dorman was on a sister ship.

Kenneth says he is certainly glad to get back to civilian life. His work was very hard, and he had to be on duty about 20 hours a day.

Soldier Writes Of Trip Across

Roy Riddle, son of Mr. and Mrs. T. R. Riddle of Tahoka, who recently arrived in England with the Army Air Force, writes his grandparents, Mr. and Mrs. Ollie Riddle of Wilson an interesting letter about that country and his work.

Following are quotations from the letter that will be of interest to many:

"I am at a small installation about 22 miles from Oxford, England. There aren't but about 125 men on the whole Post. Everyone in England is attached to the Air Force.

"We are here to help protect the big air bases in this country. The air bases, in turn, are here to help protect all of Europe. The 6th Chemical Battalion has smoke generators. Their main job is to lay a smoke screen over the base in case of an enemy attack so it can't be spotted from the air. They have practices at it two and three times a month.

"The 6th Cml. Maint. Cell, where I am, is a big repair shop where major repairs are done to generators. I am parts supply clerk here like I was in the States. It is even easier than it was there.

"England is really a beautiful country. It is real pretty and green. Most all the people over here are real friendly to Americans. I enjoy talking to them. Almost all houses are made of brick. You don't see any wooden houses.

"There are about ten girls to ever boy here. And the girls ask you for a date instead of you asking them.

"Everyone in the family over 16 years of age works at some job. The people do twice the work of people in the States for a lot less money. They make around 35 pounds a month at average jobs, which is about \$98 a month. You can see by this why the whole family would have to work, since prices are as high here as they are in the States.

"I'll try to explain where all I have been since I left the States. Our first stop was Gander, New Foundland. It was dark there, so I couldn't tell much about it. When we left and started out over the ocean, we could see some of the icebergs in the water.

"Next stop was Kyferic, Iceland. In Iceland, everything looks like barren wasteland. It is so cold things never get good and green. There are high winds all the time.

"Next stop was Frankfurt, Germany. That was my first place to get a look at German soil.

"We went from Frankfurt to Strybrucken by train (that is what they call a train; it was more like a cattle car). From Strybrucken we went to Mannheim. I went into town there and saw some of the wrecked building from bombs during World War II. There is quite a bit of it that hasn't been rebuilt yet.

"We went from Mannheim along the Rhine River. The train tracks run right at the edge of it. It was really beautiful. We crossed into Holland at Hook, and got a boat for England.

"We came down the North Sea and into the English Channel. We landed at Harwich, England.

"From Harwich, we went to London by train. From London, we went to Watford by Army truck. I was in Watford three days. While there I met a young English girl by the name of Janet Wilson. It was my last day there before we were able to convince her parents it was O. K. for her to go with me. But they let us sit in the living room and talk the other two nights. It was by talking to her I learned part of the English customs and how best to act and to get along with the people.

"I came from Watford to Brize Norton, again by truck. And then, on Wednesday, I came up to here by jeep.

"There is one funny thing about this country. The sun comes up at four and doesn't set until almost eleven at night. Then in the wintertime, it doesn't come up until around eight and sets about four in the afternoon."

Mrs. Harley Henderson visited in Plainview Tuesday with Mr. and Mrs. Claude Chapman and son, Mrs. Chapman is the former Miss Jo Ann Henderson.

ATTEND HOUSTON WEDDING

Mr. and Mrs. A. M. Bray and children, David, Andy, and Marla, returned home Monday from Houston, where they attended a wedding and Galveston, where they enjoyed a dip in the Gulf.

At Houston, they attended the wedding of a nephew, Wendell Gray of Little Rock, Ark., stationed at San Antonio in the Army, to a Houston girl, Miss Sue Eckhardt, in the Episcopal Church.

All the Brays were at the wedding and also, enjoyed a family reunion.

Watch for the Biggest Thing in Tahoka OPERATION "23-55" Coming Thursday, June 23, thru Saturday, June 25

Mrs. W. B. Slaton returned home last week end from Dallas, where she visited her daughter, Lucille, and roommate, Mary Dale. On the trip down Mr. Slaton accompanied her as far as Throckmorton, where they were met by Lucille and Mary. Lucille and her roommate expect to go to New York City soon on their vacation.

Gordon News

MRS. EARL MORRIS
Correspondent

Mrs. Ed Denton took her daughter, Mrs. Olin Shelton, to Dallas for treatment last Thursday and returned home Saturday. They were accompanied by Mr. Shelton and Ray Norman. J. H. Trimble, who lived at

Gordon before going into the Army, recently got his discharge and is at home with his mother, Mrs. E. E. Trimble, in Slaton.

Little Sarann, daughter of Mr. and Mrs. Dub Pierce, fell from her highchair last Thursday and broke an arm. She was taken to Post Hospital, where the arm was dressed. The baby is resting well at this writing.

Mrs. N. E. Jones had all her children and a number of grandchildren at home last Sunday. They were: Mr. and Mrs. Buford Jones and their son and family, the J. B. Jones; Mr. and Mrs. John Leake of Southland; Mrs. Gladys Thurman and three children, Patsy, Jimmy, and Mrs. Ana Joe Baker, of Amarillo; Mr. and Mrs. Heywood Basinger and children, Mrs. Bettie Sue Pierce and daughter, Mrs. Pat Taylor and son, the J. Martin Basingers, and Dolores; Mr. and Mrs. Bob Jones of Plains; a granddaughter, Mrs. Charles Halers and daughter of Odessa, and Gene Brown of Happy.

Sunday visitors of the Ed Millikens were: Mr. and Mrs. G. B. Sherrod and Ott Patterson of Tahoka; Mr. and Mrs. Bryan Shaw of Lubbock; a son, Byron, of Lakeview; and the Ralph Millikens of Wolforth, another son.

Mrs. J. B. Rackler was called to Murfreesboro, Tenn., last Tuesday to be at the bedside of her mother who is quite ill.

Raymond Gatzki and Danny attended church at the Southland Methodist Church last Sunday. Saturday guests of the Earl Morris were two of his sisters, Mrs. Erma Cash of Austin, Mrs. Hazel Lewis of Rule; a daughter, Mrs. Arden Maeker and her two daughters, Marilyn and Pamela; a granddaughter, Lou Ella Gray, all of Lubbock.

The Rev. and Mrs. Bennie Gass and children and Mrs. J. B. Rackler and children were dinner guests of Mrs. J. E. Rackler Sunday, June 5.

Mr. and Mrs. Wm. Cato and children of Quannah were visitors of the Fred Davidsons last week.

Mr. and Mrs. F. E. Dement and Mrs. C. Bullard of Amarillo visited their mother and grandmother, Mrs. Shelton, last week. The Mr. McFarland, pastor of Gordon Church of Christ, is holding a meeting at Bartlett, and Glen Thorton of Abilene will fill his place at the church next Sunday.

Sunday visitors in the Wm. Lester home were four children, the I. J. Duffs and the Troy Lesters of Levelland, the Joe Lesters

Strange Facts About Polio

Climate NO FACTOR IN POLIO!

FIRST TWO MAJOR EPIDEMICS OF LAST JANUARY 1954 PROVED THAT POLIO STRIKES IN BOTH HOT AND COLD WEATHER.

ST. PUL ISLAND, 800 MILES WEST OF ALASKA IN THE ALBERTANS POPULATED BY NATIVE SEAL HUNTERS. TEMPERATURE: 51 DEGREES. MARCH OF DIMES PARACHUTED IN SUPPLIES OF GAMMA GLOBULIN. FIRST TIME IN HISTORY GLOBULIN WAS GIVEN TO AN ENTIRE POPULATION.

HAWAII, TEMPERATURE: 78 DEGREES. WORST EPIDEMIC IN ISLAND'S HISTORY. ALL MARCH OF DIMES FACILITIES PUT AT DISPOSAL OF LOCAL HEALTH AUTHORITIES.

1955 MARCH OF DIMES POSTER GIRL—MARY KOSLOSKO, 5, COLLETSVILLE, TENN.—WAS STRICKEN WITH POLIO AT 5 MONTHS. LEARNED TO WALK WITH CRUTCHES AT AGE OF 3. MARCH OF DIMES HAS SPENT MORE THAN \$2,000 FOR HER CARE.

6 CHILDREN IN FAMILY STRICKEN! ONE WEEK AFTER ONE CHILD IN THE FARM FAMILY OF MR. AND MRS. RAMOND KESSEL, FAIRFIELD IOWA, GOT POLIO FIVE MORE WERE STRICKEN IN ONE DAY! THEIR RANGE IN AGE FROM 2 MONTHS TO 6 YEARS.

IT'S A BIGGER JOB NOW! JOIN THE MARCH OF DIMES!

of Slaton, and the Winston Lesters.

Mr. Noble Winn is ill at Methodist Hospital, Lubbock. Mr. and Mrs. Lewis Manly visited his there Sunday and report him improved.

Ronald Huddleston, who has been attending college in Searcy, Ark., is at home for the summer. Mr. and Mrs. A. D. Brooks of Jacksboro visited her brother-in-law and sister, Mr. and Mrs. Clyde Haire.

At the present writing, word has been received that Mrs. Denton has taken her daughter, Mrs. Olin Shelton, to some place in Oklahoma for further treatment.

Mr. and Mrs. J. W. McMahan and children of Lubbock visited her mother, Mrs. L. L. Corbell, Sunday.

P. D. SERVERS OBSERVE WEDDING ANNIVERSARY

Mr. and Mrs. George McCracken and children, Gloria and Carroll Best, attended a family reunion of Mrs. McCracken's family at Buchanan Dam the last week in May.

The occasion was to help her parents, Mr. and Mrs. P. D. Server, formerly of Tahoka and Wilson, celebrate their golden wedding anniversary, as well as to do a little fishing.

All the family was present except one brother and his family. Mrs. McCracken and children went on to Houston with Mr. and Mrs. Server and sister, Hattie Short, for a longer visit. Mrs. McCracken came back to Tahoka after a week's visit, but Gloria and Carroll will remain in Houston for several more weeks.

New Dodge Custom Royal Lancer—the most beautiful hardtop on the road!

Don't let adventure pass you by!

Perhaps you've stood on a street corner as a sleek Dodge Custom Royal Lancer finished by. In its wake, a tingling sense of excitement! And if you've felt an irresistible urge to "boon" a Lancer around, it's perfectly understandable. Because here's the car that puts adventure back into motor-

ing. And the sweeping flair of its low, eager lines only adds to the thrilling performance you'll experience behind the wheel. So don't stand on the sidelines and let adventure pass you by. Pick up the keys to a Dodge Lancer for a whole new world of motoring pleasure!

Best dressed car of the year

The Bel Air Sport Coupe. You'll find your favorite model among Chevrolet's complete line of Fisher Body beauties.

Chevrolet...The only low-priced car with beautiful Body by Fisher

CONSIDER YOUR NEW CHEVROLET PURCHASE WITH YOUR VACATION PLANS
Order a new Chevrolet through us, then pick it up at the plant in Flint, Michigan, see Chevrolet's built, if you like, and drive yours home. Chances are, you'll save a substantial share of your vacation travel costs!

It's like a famous designer's label on a lady's favorite party dress.

It's like sterling on silver, 14 carats on gold, or like those little silk threads in an honest-to-gosh dollar bill that no counterfeit can ever quite copy.

It's the Fisher coach—world-famous emblem of Body by Fisher. You'll see it on the sill of a Motorama Chevrolet when you open the door. You'll see it on some of America's most popular high-priced cars, too. But that's all. Not on any other low-priced car.

The other cars in Chevrolet's field just don't have that clean, fresh look that comes from beauty that's built in—not bolted on! In fact, there are very few cars that do have it—no matter what they cost.

You can choose your own new Chevrolet with Body by Fisher from 190 different combinations of models and colors. That's like having it custom built just for you—without the custom-built price! Come on in and get all the good news on the model you like best.

STEALING THE THUNDER FROM THE HIGH-PRICED CARS!

Youth Revival Closes Tonight

The Youth Revival at the First Methodist Church, in progress since Monday, will close with the service tonight.

Rev. Edwin L. Hall, pastor of the St. Paul Church of Pampa, is doing the preaching. Youth of the church are otherwise in complete charge of the service.

Good crowds, especially of young people, have been present at each service.

Rev. Vernon Henderson, District Superintendent of the Brownfield District, filled the pulpit last Sunday morning in the absence of the pastor, Rev. J. B. Stewart, who was in Haskell to perform the marriage rites for a niece.

Miss Mary Louise Fenton is the acting organist at the church while Mrs. Sam Reid, the regular organist, is on vacation.

ANN REASONOVER IS ATTENDING CETA CAMP

Miss Ann Reasonover, daughter of Mr. and Mrs. John Reasonover, is at Ceta Canyon this week, Tuesday through Saturday, attending a planning and training camp for District and Sub-District officers of the Methodist MYF.

Ann is secretary-treasurer of the MYF Spearhead Sub-District.

Baptist Picnic Is Next Monday

All members and attendants of the First Baptist Church are being invited to attend a basket picnic at the City Park next Monday night June 20, at 7:30 p. m.

Everyone is asked to bring a basket lunch for their family and cold drinks will be furnished free by the Brotherhood, which is sponsoring the picnic, according to Derwood Howard, president of the Brotherhood.

Bob Lewis will be in charge of the entertainment. For those with babies and small children, the nursery will be open at the church for those wishing to use it.

New Home Holds Benefit Party

New Home is having a "42" tournament two nights this week, the first on Thursday night and the second tonight, Friday at 8 p. m., at the Community House. Prizes will be awarded to the man and woman winning highest score.

There will be special entertainment by children of the community at the intermission.

The party is being sponsored by New Home Demonstration Club, according to Mrs. Gene Smith. Admission is 50 cents per person.

Congratulations:

Mr. and Mrs. Bob Lewis on the birth of a son, named Bob, Jr., weighing 5 pounds 15 ounces on Tuesday at 4:49 p. m. in Tahoka Hospital. Bob is educational director at the First Baptist Church. They have one other child, Susan, age two.

Mr. and Mrs. Joe B. Dillard, Box 187, Andrews, on the birth of a son weighing 7 pounds 2 ounces Thursday, June 9, at 11:35 p. m. in Ector County Hospital at Odessa. The mother is the former Miss Cordie Mae Farr of Tahoka.

Mr. and Mrs. Jack P. Robinson on the birth of a daughter weighing 5 pounds 1 1/2 ounces at 8:04 p. m. Thursday of last week in a Lubbock hospital. This is their first child. Mr. Robinson is a water well drilling contractor.

Mr. and Mrs. Delbert A. Kiechnick of Lubbock, formerly of Wilson, on the birth of a son weighing 6 pounds 13 ounces at 2:10 a. m. Friday in a Lubbock Hospital. The father is in the roofing business.

Mr. and Mrs. T. G. Zacharakis on the birth of a son weighing 7 pounds 2 ounces at 1:55 a. m. Wednesday in Tahoka Hospital. The father is employed by an oil exploration firm.

Mr. and Mrs. Domingo Gonzales Riojas, route 1, on the birth of a son weighing 6 pounds 9 ounces at 7:38 p. m. Sunday in Tahoka Hospital.

Mr. and Mrs. Juan Gonzales on the birth of a daughter weighing 7 pounds 4 ounces at 6:24 p. m. Monday in Tahoka Hospital.

CORRECTION

Last week The News stated the Rev. J. B. Stewart, Methodist pastor, conducted the funeral services for Miss Mary Squires. Such was not the case. Rev. Stewart was out of town, and the pastor of the First Baptist Church, Rev. Clifford Harris, officiated at the funeral.

Miss Phillips Will Marry W. Craig

Mr. and Mrs. K. W. Phillips announce the engagement and approaching marriage of their daughter, Villa Jo, to Wayland Craig, son of Mr. and Mrs. C. S. Craig, Route 1, Tahoka.

The bride elect is a graduate of Tahoka High School and is presently employed with Lyntegar Electric Cooperation, Inc. The bridegroom-elect is a graduate of Post High School and is employed with Sessum's Phillip "66" Service Station.

The vows will be read in the home of the bride-elect's parents on July 7th at 8:00 p. m. by the Rev. D. W. Copeland. Only relatives and close friends will attend.

PENNINGTON MEMBER HEREFORD ASSOCIATION

Kansas City, Mo., June 14.—Garland Pennington, Tahoka, Texas, today was named to membership in the American Hereford Association, the world's largest purebred registry organization, with headquarters in Kansas City, Missouri.

Ninety-nine Hereford breeders were placed on the Association's official roster during May, 1955. The Association maintains active accounts for more than 80,000 breeders of registered Herefords over the nation. An average of more than five new lifetime memberships in the Association were issued each working day last year.

The Hereford Association last year recorded 552,594 purebred calves. The year's total recordings were the second highest on record.

Mrs. Van (Betty Sue) Green and baby of Morton are here visiting her parents, Mr. and Mrs. O. C. Roberts, and other relatives.

High-White Rites Next Wednesday

Miss Sylvia High and James Weldon White will be married next Wednesday, June 22, at 8 p. m. at the First Methodist Church of Tahoka.

Friends of both families are invited to attend the ceremony and the reception which will follow at the home of the bride's parents, Mr. and Mrs. W. C. High, at 2028 North Sixth.

Use Your Glasses For Better Hearing

Now you can combine the tiny Maico hearing aid with your present glasses or frames of your choice for wonderful wearing comfort! Neat, convenient, inconspicuous... completely eliminates dangling cords on body or neck. Fits behind the ear for far better, more directional hearing. With no cords or apparatus on the body, you can choose brief, cool clothing this summer... no need to wear heavy clothing to conceal your hearing aid. Come in and try this latest Maico development... no charge or obligation.

THE MAICO CO. (Lubbock) 21 N. 3rd Street Minneapolis 1, Minn.

Please send information on hearing glasses.

BUICK SPECIAL 2-Door, 6-Passenger Riviera, Model 468

They're making it the BIGGEST-SELLING BUICK OF ALL TIME

Maybe you'd better see for yourself why folks just won't do without this great car.

PEOPLE say success makes success—but we say people make success, and how!

It's people—just like you—who are snowballing Buick sales this year to an all-time peak.

It's people—just like your neighbors down the street—who are snapping up these gorgeous new Buicks almost as fast as we get them from the factory, and causing Buick production to climb to new levels every month, to handle the unparalleled demand.

And it's people—just about from every walk of life—who keep Buick sales soaring without letup—and

who have moved Buick more solidly than ever into the charmed circle of America's top best sellers.

But why? Why this phenomenal swing to Buick on the part of people who can choose any new car? Because Buick's a buy—definitely.

And because it's a bold beauty that catches the eye and holds it—that's for sure.

And certainly because it's supremely level of ride—and a sweet joy to handle—and a mighty bundle of high-voltage V8 power to melt away the miles and the high hills.

But most of all, because Buick this year is a performer like no earth-bound vehicle ever was before. . .

Because Buick—and only Buick—has the airplane-principled magic of Variable Pitch Dynaflo* where you switch the pitch for big gas savings in cruising—or for whip-quick getaway response and acceleration when you need a sudden safety-surge.

It's sheer thrill, and pure pleasure, and a big boon to your gasoline budget—and you really ought to try it.

Come visit us soon—this week, at the latest—and see for yourself why this is the car folks just won't do without—the biggest-selling Buick of all time.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Buicks.

COOL COMFORT FOR HOT WEATHER DRIVING WITH Buick's Airconditioner (A genuine Frigidaire)

Automatically cools down the hot interior quickly—and keeps it cool, even in slow-moving traffic. Continually replenishes inside air with fresh supply of filtered outside air. Lets you ride in clean, quiet comfort with windows closed on dusty, windy, and rainy days, even when cooling is not required. Available in all 4-door Sedans and Riviera models at extra cost—and well worth it in cool, cool comfort.

Thrill of the year is Buick

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Lt. Bobby Boyd Going To Europe

Lt. Bobby Boyd left Thursday of last week after a few days visit here with his parents, Mr. and Mrs. M. M. Boyd. He was to report to Camp Kilmer, near New York City, from which place he expects to be sent to Germany very soon.

Bobby made an outstanding record as a student in Texas A. & M. College, where he has a cadet officer and also an officer in the Ross Volunteers. Graduating there in 1954, he was commissioned a second lieutenant in the Army, and has been receiving special training at Fort Benning, Ga. He expects to make the Army a career.

Another son of Mr. and Mrs. Boyd, Major W. Knight Boyd, also a career Army man, has been in Belgium the past three years, and Bobby has hopes of getting to Europe in time to see him.

Major Boyd and family expect to sail for home on July 23 from Naples, Italy. Major Boyd was one of the U. S. Army men trapped on Bataan in the Philippines during World War II, and was one of those receiving humane treatment as a prisoner of the Japanese.

Miss Roberts Is Honored at Party

Miss Margaret Sue Roberts, bride-elect of Rev. H. Robert Tucker of Athens, was honored at a bridal shower Friday afternoon, June 10th, in the home of Mrs. W. P. Hutchison.

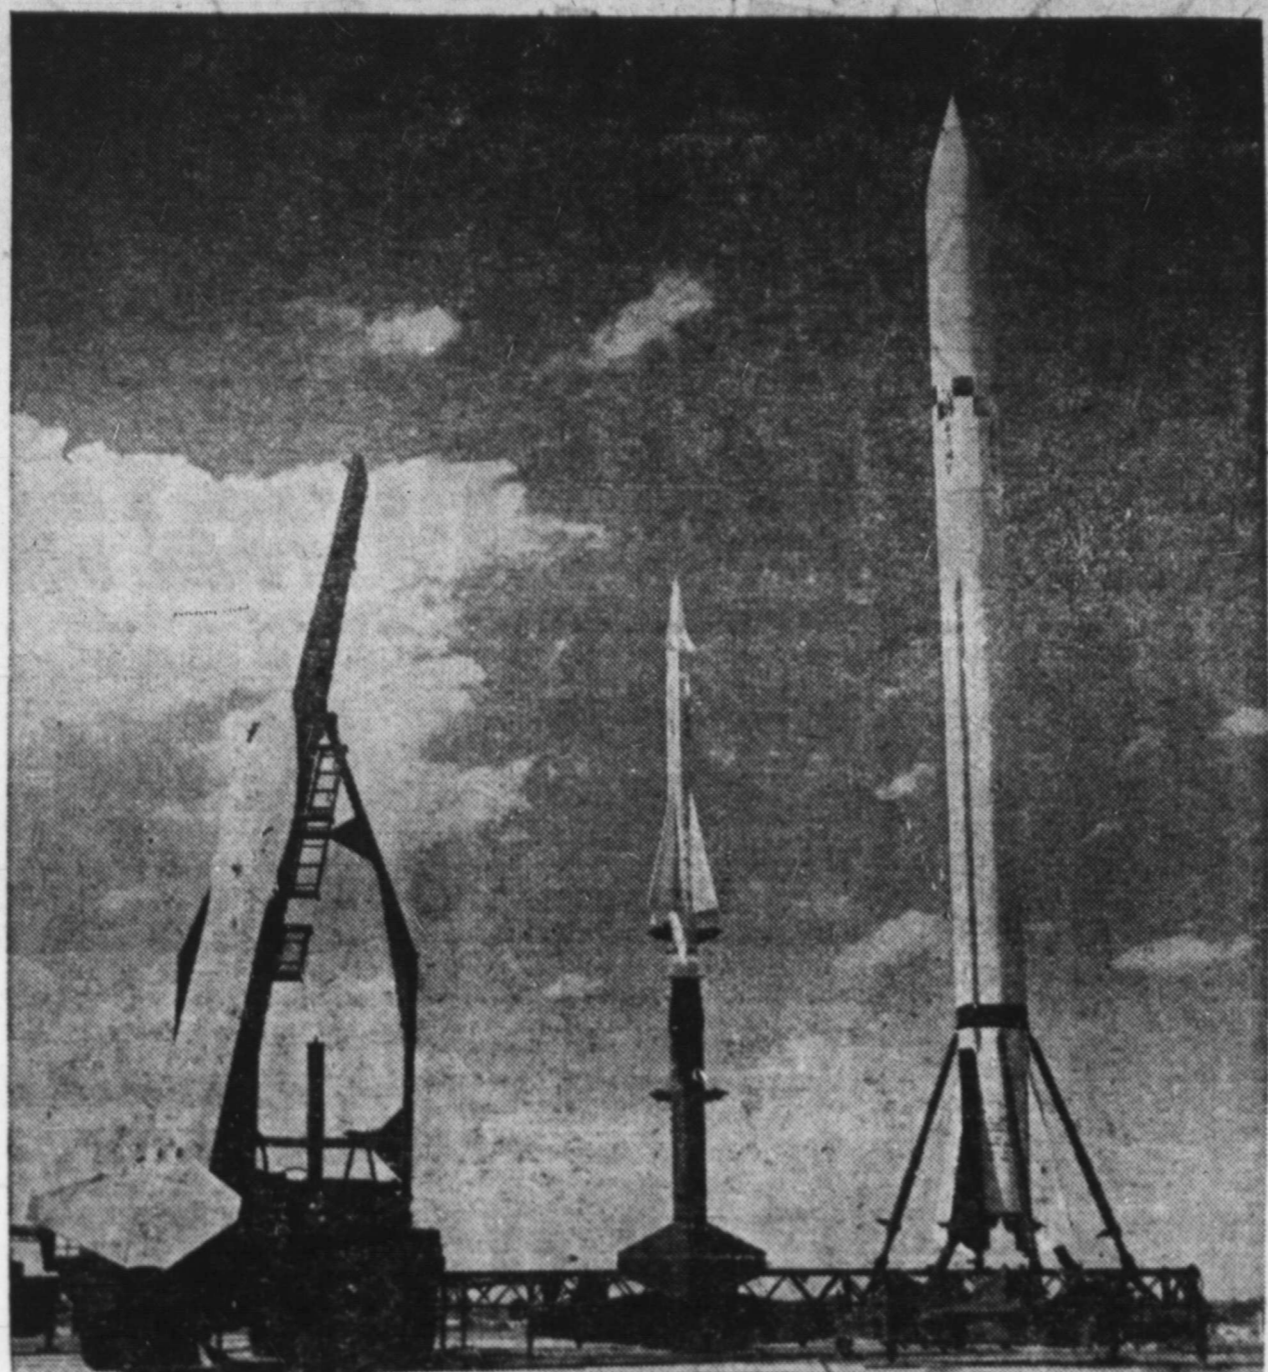

Miss Roberts' chosen colors of pink and white were carried out in the table decorations. Mrs. Hutchison welcomed guests at the door. Mother of the honoree, Mrs. John A. Roberts, and Mrs. Ralph Laswell of Snyder, sister of the bride-to-be, stood in the receiving line with Miss Roberts.

Mrs. Paul Pittman registered the guests and those presiding at the tea table throughout the afternoon were: Mrs. Joan McNell, Mrs. Clyde Allen and Mrs. L. D. Howell. Mrs. Clay Bennett and Mrs. Nan Adams played piano selections during the receiving hours.

Others assisting Mrs. Hutchison throughout the house were Mmes. A. L. Findt, Terry Noble, F. A. Wyatt, Beulah Pridmore and K. R. Durham.

Miss Roberts was honored with a bridal shower recently in Athens, Texas. Also a coffee was given in her honor by Mrs. Walter Stapp in Waco, Texas.

OPERATION "23-55"
Coming Thursday, June 23, thru Saturday, June 25

FIRST FAMILY OF MISSILES—A "family portrait" of the U.S. Army's big missiles, each one the first of its type to be made combat-ready and to go into production. The Honest John, left, is a medium to long-range artillery missile capable of carrying either a conventional or nuclear warhead; the Nike, center, is a high-speed, long-range guided missile designed to track and destroy the fastest military planes; and the Corporal, right, is a long range guided missile used against surface targets and designed to carry either conventional or nuclear warheads. Army Ordnance developed all three.

Jack Jacobs, high school principal, wife and two daughters returned home Tuesday from a two weeks visit with his parents at Carthage, Mo. He reports that wheat and barley crops are fine in that section but that the farmers are about to lose their crops because of too much rain. That part of Missouri, however, has had a drought for two or three years previously. While there, he went to Kansas City and saw the New York Yankees win a close one over K. C.

Wilson Bride-elect Shower Honoree

Miss Verlene Ehlers, bride-elect of Marvin Stegemoller, was honored with a bridal shower June 9th in the basement of St. John's Lutheran Church at Wilson.

The bride's chosen colors of "rainbow blue" was carried out in decorations. The serving table was laid with a lace cloth and centered with a rainbow made of net illusion, beneath which a miniature bridal couple was placed. Extending from the "golden pot" at the end of the rainbow ribbon streamers on which the names of the treasures of "love," "joy," "happiness," and "service" were printed in gold. The rainbow was placed on a reflector on which the names of the couple and the wedding date were lettered.

Plate favors were miniature umbrellas on which were printed in gold "Verlene and Marvin, June 18".

About fifty guests were served cake and punch.

The gifts were brought to the honoree in a small covered wagon. The tables where the gifts were placed were decorated with white, blue, and yellow daisies, and the prospective bride's shoes were filled with sweet peas.

Hostesses were: Mesdames Werner Klaus A. C. Walter, Walter Steinhauser, Elmer Gindorf, B. L. Ernest, and Olga Stegemoller.

NEW HOME H. D. CLUB HEARS MRS WILLIAMS

The New Home Home Demonstration Club met at the Community Center, Thursday, June 9, with Mrs. Carlton Davies and Mrs. Hugh Daniel as co-hostesses.

A talk on colors and designs in clothing and home furnishings was given by Mrs. Roy L. Williams.

The silverware secured by the club for the Community Center was ready for use, and further needed equipment was discussed. Plans were made for getting an adequate supply of cup towels for the Community Center kitchen.

Plans were also completed for the "42" tournament to be held at the Center June 16 and 17 at 8:00 p. m. each night. Prizes are to be given for those winning the most games during the tournament.

Twenty-one members and two visitors were present for the meeting.

The next meeting will be June 23, at the Community Center. Those who are to work on crafts will bring a covered dish for an all-day meeting, beginning at 10:00 a. m. Others will come at the regular 3:00 p. m. meeting hour.

Mr. and Mrs. James "Sonny" Roberts and children and Mr. and Mrs. Jim Applewhite and children spent last week end at Ruidoso.

News Want Ads Get Results.

Mr. and Mrs. Wynne Collier and son, Jack, went to Dallas Sunday to attend a drug convention and to visit Mrs. Collier's sister. They were accompanied by Jackie Rawlins of Dallas and Vtrna Ann Wells of Midland, who had been here several days visiting their cousin, Jan Collier.

Miss Jeri Hyles Becomes Bride of Johnny McKinney In Ceremony Read Friday

In a double ring ceremony read in the home of Mr. and Mrs. J. A. Peabworth Jr. of Tahoka, uncle and aunt of the bride, Miss Jeri Hyles became the bride of Johnny E. McKinney Friday at 6 p. m.

The bride is the daughter of Mr. and Mrs. L. F. Hyles, route 2, Tahoka. The bridegroom is the son of Mrs. Jewel McKinney, 909 North Second, Lamesa.

Doyle Kelcy, minister of the Church of Christ of Tahoka, performed the ceremony before an archway of palm leaves, pink gladiolus, and candles.

Miss Bobbie Draper, soloist, sang "I Love You Truly" and "Be With Me, Lord."

Given in marriage by her father, the bride wore a street length dress of white chintilly lace over white taffeta. It was designed with a fitted bodice and a sweetheart neckline. The bodice was sprinkled with rhinestones, as was her white lace hat. She carried a white Bible topped with white carnations and white streamers.

Mrs. Joan McKinney of Lub-

Watch for the Biggest Thing in Tahoka OPERATION "23-55" Coming Thursday, June 23, thru Saturday, June 25

bock, sister-in-law of the bridegroom, was matron of honor. She wore a pink street length lace dress over taffeta with a white carnation corsage and white accessories.

Mr. Roy McKinney of Lubbock, brother of the bridegroom, served as best man.

The candles were lighted by Miss Dena Wallace and Miss Virginia Gable, both of Tahoka. They wore pink frocks with white carnation corsages.

After the ceremony, a recep-

Roberts-Tucker Wedding Is Set

Mr. and Mrs. John A. Roberts extend a cordial invitation to all their friends to attend the marriage of their daughter, Margaret to the Rev. H. Robert Tucker Jr. on Friday, June 24, at 8:00 o'clock p. m. at the First Baptist Church, and to the reception afterward at their home.

tion was held in the Peabworth home. The bridal table, laid with white lace over pink featured a two-tiered wedding cake topped with the traditional miniature bride and groom, surrounded by fern and pink gladiolus.

In the house party were Miss Othelda Freeman and Miss Mary Alice Hanes. Mrs. Gracie Freeman presided at the bride's book.

Following a wedding trip to New Mexico, the couple will make their home in Lamesa. For traveling, the bride wore a white taffeta dress accented with brown design topped with a brown linen jacket. White accessories completed the ensemble.

Mrs. McKinney is a former student of Tahoka High School.

Mr. McKinney is employed with the Warren and Bradshaw Exploration Co. of Lamesa.

FRED MARTIN OF BUICK FIRM ATTENDS SCHOOL

Fred Martin recently attended the General Motors Training Center at Oklahoma City to learn advanced automotive service techniques which he will use in his work at Wheatley Buick Co.

Mr. Martin, a resident of Tahoka, spent five days at the Oklahoma school, one of a nationwide network of training centers being set up by General Motors to keep employees or its car and truck dealerships abreast of new mechanical developments and service techniques.

A mechanic with the Wheatley Buick Co. for one year, Martin selected the Dynaflo course, taking advanced study in the service and maintenance of the Dynaflo transmissions on the Buick cars.

Guy Wheatley, head of the Company, said he sent Mr. Martin to the Oklahoma City center to give his customers the benefit improved service techniques taught there. The Wheatley Buick Company handles and services Buick motor cars.

The Oklahoma City training center, with more than 26,000 square feet of floor space, has eight specialized shop classrooms for use by the Chevrolet, Pontiac, Buick, Cadillac, GMC truck and coach, Fisher Body, and United Motors Service divisions of GM. Each division supplies a highly trained instructor for its courses at the center, which is managed by Vernon Childers.

GM officials expect a total of 5,000 mechanics to attend the center each year. Similar attendance is expected at other training centers when they are completed.

Harlow H. Curtice, president of General Motors, explained that the purpose of the centers is "to insure that the people who buy our cars and trucks will continue to receive efficient and satisfying service." He said that "the centers will make it possible for dealer service personnel to keep up to date on a systematic basis with improved methods and technological advances such as air conditioning, power steering, power brakes and other major improvements."

PETTY HANDIWORK CLUB MET LAST THURSDAY

Petty Handiwork met in the home of Mrs. Irene Carpenter June 9th with nine members present.

Copper pictures and toaster covers were worked on.

Secret pals were revealed and new ones were drawn. Cookies and tea were served.

Next meeting will be June 30 in the home of Mrs. Owen Blevins.—Reporter.

"Come, Hear the Message of Salvation"

WASHINGTON AND "SMALL BUSINESS" BY G. WILSON HARDER

There is no doubt other day in Congress Rep. Thomas Lane (D., Mass.) hit upon current economic evil when he disclosed recent merger of American Woollens with Robbins and Textron closed three mills in Massachusetts idling more than 7,200.

Rep. Lane pointed out many of these workers had devoted their lives to these mills, will have difficulty finding other employment.

He decried lack of respect for such human factors when corporations keep merging in moves toward monopolies, and called for investigation of trend.

While no rebuttal appears to his argument, he brought out additional facts which indicate problem has more than one side. Rep. Lane stated since end of World War II, 649 New England textile mills have closed their doors forever.

Yet it is significant during this same period textile production in England, Japan, other nations increased greatly over their pre-war production, and that U. S. imports of textiles are increasing, due to low tariff protections.

And if present tariff smashing succeeds, textiles are listed as subject to even lower tariffs. In some cases present already low tariff rate will be slashed by as much as 67%.

Again, it gets down to principle that arithmetic cannot be beaten.

What Japanese textile monopoly pays a worker for an entire week's work is only equal to about same amount an employer in U. S. textile industry has to pay.

© National Federation of Independent Business

WASHINGTON AND "SMALL BUSINESS" BY G. WILSON HARDER

pay out as his share of social security and unemployment taxes on his average employee. The average single American textile worker has deducted from his pay check for income taxes as much as his opposite number in Japan receives for an entire month's work.

It seems odd New England, first section settled in New World, should be first sacrificed to Old World by One Worlders. However, Rep. W. R. Poage (D., Texas) feels that farmers are also bearing brunt.

He reports average auto worker receives \$71.54 per week, steel worker \$68.14 per week, school teacher \$61.22 and federal employee \$60.28. But at bottom of list he finds textile workers with a weekly average of \$45.55 and farmers with \$39.52.

Yet, it is planned to further slash tariffs that inadequately protect American farmer.

For example, it is proposed to slash duty on lard, of which the U. S. has great surplus, by 50%, as well as on lard substitutes, and 50% slashes are planned on turkeys, raisins, prunes, nuts and lemon juice.

And government also announces in federal purchases it is no longer necessary for foreign firms to underbid American firms 25% to get business. All they have to do is underbid U. S. firms by mere 6% to get business paid for by American taxes.

Thus there is great mystification along Potomac. It is believed never before have there been so many planned moves from all directions with purpose of ruining American economy. Observers view happenings with a feeling of unreality such as must have existed when British openly captured and sacked Washington in 1814.

O'DONNELL H. D. CLUB IS STUDYING CRAFTS

The O'Donnell Home Demonstration Club met June 10 at 8 p. m. in the FHA cottage.

The meeting was called to order by the president, Mrs. Silas Russ. Roll call was answered by "What I intend to do with the crafts I made."

Mrs. Russ and Mrs. Mauldin attended the Crafts School in Tahoka, and reported on the different crafts demonstrated.

After the business meeting, cakes and cookies were served to eight ladies and one child.

The next meeting will be June 24 at 3 p. m. in the FHA cottage. New members and visitors are welcome.—Club Reporter.

VERNON KELLEYS TAKE TRIP THROUGH WEST

Mr. and Mrs. Vernon Kelley, Judy and Jerry, returned home Sunday from a 12 day trip through five states to the west of Texas.

Going through New Mexico, they visited the Grand Canyon of Arizona, Zion and Bryce Canyons in Utah, Nevada, and southern California.

They thought Zion Canyon was the outstanding scenic wonder of their trip, exceeding Grand Canyon both for beauty and spectacular views, and also

marveled at the beauty of Bryce Canyon.

They also greatly enjoyed a boat trip over to Catalina Island, off the California Coast, and said the Island was the most beautiful sight they ever saw. However, they said there were too many people and too much traffic in the Los Angeles area for them to enjoy that city very much.

Lynn Halameck came home last week from the University of Texas, where he has been attending school the past year.

You'll get help In a hurry...

If you have the policy with the P.S.*

***Personal Service**

Legally, most automobile insurance policies say very much the same things. But when you buy an Aetna policy from us, you get a tremendously important extra value — an unwritten P.S. that means *Personal Service* — wherever you go... whenever you need it. Day or night — anywhere in the U.S. — it's as close as the nearest telephone.

So why not give yourself the security and peace of mind that come with having insurance protection at its very best — an Aetna Casualty policy, the policy with the P.S.

Accidents High In Death Cause

Austin, June 16—Accidents rank fourth as a cause of death in Texas. According to Dr. Henry A. Holle, Commissioner of Health, 5,372 Texans died last year of this one cause, while thousands more were crippled. There are no figures available on the number of days lost because of accidents, can be no doubt but that it is tremendous.

Automobiles caused 2,519 deaths or 47% of the total. The dangerous curves and intersections on the highways in Texas are well marked and drivers can assist greatly in reducing accidents by carefully observing them.

Many accidents could be avoided if motorists would drive below the legal speed limits when tired, sleepy, in rainy weather and when other hazards exist. One should adhere closely to the law regarding the dimming of

lights for approaching cars. It is an old saying, but true, that those who drink should not drive.

Many deaths are caused by accidents in the home. A total of 650 deaths were caused last year by falls. In homes most of these fatal accidents occur on either outside or inside stairways. Of course there are many other locations in the home where accidents can and do happen.

Disorderly housekeeping, poor furniture arrangement, slippery waxed floors, worn floor coverings, unanchored rugs, neglected repairs and dark or obstructed passageways are other fall hazards found in the homes. Short cuts and so-called time savers frequently lead to accidents. The time saved is insignificant when compared to the cost and time lost from an accident. When every body develops safety habits, accidents will not be "fourth" as a cause of deaths.

Cars Wrecked Near Here Wednesday

A Lamesa lady received a fractured foot and two cars were badly wrecked in a smash-up Wednesday at about 8:20 a. m. at the intersection of the Dixie paving with U. S. 87 eight miles north of Tahoka at Crossroads.

Mrs. V. C. Bearden, driver of a 1953 Ford, accompanied by her husband, was traveling north. Richard Morales, 18, who works on the H. A. Macha farm and who was driving a 1951 Ford belonging to Jim Rivas, was traveling east.

Sheriff Norvell Redwine investigated the accident.

Mrs. Bearden received treatment at Rumbo Clinic here.

Mrs. Ruby Rogers of St. Louis, Mo., arrived Tuesday for a visit with her sister, Mrs. T. B. Burrough. Wednesday she and Mrs. Burrough went to Hobbs to visit Mrs. Burrough's daughter, Mrs. M. V. Hodge, and they also expect to visit in Snyder, where the two were reared.

Young People At Methodist Camp

Thirteen intermediates from the First Methodist Church will attend the Intermediate Camp at Ceta Canyon Monday through Friday of next week, Rev. J. B. Stewart announces.

Last week, Monday through Friday, 14 Juniors from the local church, accompanied by Rev. and Mrs. Stewart, Camp Counselors, attended at camp in the Ceta Canyon camp grounds.

This Thursday and Friday, Rev. Stewart will be the inspirational speaker at the Leveland First Methodist Church youth meeting at Sacramento Camp in New Mexico. Youth revival.

ERROR IN STORY

There was one little typographical error in the J. E. Ketter story last week that made the Lynn county Pioneer seem older than he is. The News had Mr. Ketter saying he went to work for a cow outfit in 1865, when 1885 was meant—a fact obvious to anyone, however, reading the story closely.

Mr. and Mrs. W. S. (Skip) Taylor and their granddaughters, Marian Sue and Linda Milliken, and their friend, Sue Wheatley, recently spent six days visiting in San Antonio with Mrs. Taylor's mother, Mrs. Aver Meadow, and seeing the sights of that historic place.

Bill Grider of Tucson, Ariz., is here this week visiting his parents, Mr. and Mrs. G. C. Grider.

Tahoka Jaycees Win 3, Lose 2

The Tahoka Jaycee softball team will play at Draw this Sunday afternoon at 2 o'clock.

The local team has won three games and lost two during the past two weeks.

The Jaycees have defeated the Lyntegar boys two games, 12 to 8 and 14 to 12. They split with New Home, winning the first 17 to 7 and losing the second 15 to 6. They dropped a one-sided game to Grassland Friday night 21 to 0.

All the home games are played during the afternoons on the field just east of Chaney Service Station in the south part of town.

TYPEWRITERS for rent, \$4.00 per month. The News.

NEW OFFICE DEPUTY FOR SHERIFF REDWINE

Mrs. Marcelle (Babe) Moore, who formerly worked in the County Clerk's office, is the new office deputy in Sheriff Norvell (Booger) Redwine's office.

She succeeds Mrs. Dee Green, who recently accepted a position with the Tahoka-Post National Farm Loan Association, of which Ross Smith is the manager.

Mr. and Mrs. Jim Ed Poer and two children of Lubbock spent Sunday here with his parents, Mr. and Mrs. Roy E. Poer.

DALE THUREN FARM STORE

Mrs. Sarah E. Munn is critically ill at her home north of town, where she lives with a daughter, Mrs. Chester Short. Her son, Marvin, of Denver City, has been at her bedside this week.

Mr. and Mrs. Lynn Carter and daughter, Andra, of Wellington were here last week end visiting his brother and wife, Mr. and Mrs. H. W. Carter.

Miss Mary Alice Westbrook, a teacher in the Hobbs, N. M. schools, is visiting with her sister, Mrs. Ivan McWhirter, and family.

Mrs. Russell York of Los Angeles, Calif., was here last week visiting her sister, Mrs. Rollin McCord. She left for home Monday.

Mr. and Mrs. Houston Spikes of Amarillo were here a short time Wednesday en route to Midland and visited a few old friends.

Melvin Edwards Goes To Germany

Melvin Wayne Edwards, son of Mr. and Mrs. Hubert Edwards of New Lynn, sailed from New York on June 11 for service in Frankfurt, Germany, with the 4th Infantry Division of the U. S. Army.

Melvin entered the Army five months ago, trained at Fort Ord, Calif., and was flown from that camp to Bruinwick, New Jersey, on June 4. While stationed at the latter place, he had opportunity to make a sight-seeing tour of New York City. He expects to spend at least seven months in Germany.

TRACTOR DAMAGE

A farm tractor belonging to A. P. Stephens of Midway was badly damaged by fire Wednesday afternoon. A farm hand was driving the machine, when wires evidently shorted and ignited the gasoline. Two tires were burned off and other damage done. Tahoka Fire Department was called, but the fire was extinguished before the fire truck arrived.

Young T-Bar Farmer Farms This Place

Last week's Mystery Farm is owned by Mrs. T. F. Clayton of Bainer, Oregon, and is farmed by Tommy Joe Billings. It is located a mile and a half east and a half mile south of T-Bar gin.

John Curry of Tahoka was the first to recognize the place, and W. P. Scott, Tommy's father-in-law, who lives east of Tahoka, was the second. Others were Hubert Edwards, Mrs. Jesse Dorman, and Mrs. Cecil Dorman.

Tommy has lived on this place practically all his life. His dad, Earl Billings, who died of a heart attack on Jan. 10, 1954, moved on the place 20 years ago, when Tommy was a baby. The old home burned in 1944, and the newer house, shown in the picture, was erected in that year following the fire.

However, the concrete block garage shown to the left is there no more. A few weeks ago, a small twister or cyclone, destroyed this building. Concrete blocks were strewn all over the place, wheel of the tractor in the back-ground broken off, and the roof of the building was blown over the trees shown in the back-ground and two more tractors completely covered up. What makes this look like a tornado is the manner in which the garage was scattered and a chicken house torn up, and the fact that the home was not damaged. Even the television aerial on the house was not damaged.

Tommy is a 1950 graduate of

O'Donnell High School, where he was 4-H club and then an FFA club boy. As a 4-H boy, he had hogs for his project, and in 1949 he showed the first place hog in the Sears show, the third hog at Lubbock, and was winner of the free gilt for winning first here.

Mrs. Billings is the former Joan Scott, daughter of Mr. and Mrs. W. P. Scott of six miles east and two miles south of Tahoka. She is a 1933 graduate of Tahoka High School, and was salutatorian of her class. She was an FFA girl in high school. They were married Feb. 28, 1954. They have no children.

Tommy farmed a year in New Mexico, four miles west of Broncho, before moving back to this place. He is having hard luck this year, having had only about two inches of rain in the recent rainy spell. He has only about 25 acres of cotton up on his 217 acres. Part of the farm is contoured, and 35 acres of it have been deep broken. But, he has a couple of milch cows and some laying hens, and is working hard to get a start, if the elements will just give him a chance. If he only had some of those little wells he had over at Broncho, he says things would look much brighter.

However, he thinks he has a fine farm and that Lynn county is a great farming country, if rainfall ever gets back to normal. The young couple belong to the O'Donnell Methodist Church.

O'Donnell Man USO Drive Head

Dallas, June 16—Mr. Elvin R. Moore, O'Donnell, Texas has been named as Chairman of Lynn county on the Texas United Defense Fund, the statewide group which will sponsor USO's campaign for \$640,000 in Texas this year.

The quota for Lynn county is \$736.00. At present there are 194 servicemen from Lynn county serving in the armed forces.

Mr. Moore was appointed today by Mr. O. L. Weakley, who is District Chairman of the forthcoming fund appeal to carry on the familiar services of the USO to the young men and women of the nation's armed forces.

A major portion of the Texas goal, as in 1954, will be included in the Community Chest and United Fund campaigns throughout the State this fall.

Willie Lee, in the Army stationed at Fort Bliss, is at home on 14 days leave visiting his parents, Mr. and Mrs. R. E. Lee. He is due to spend eight more weeks in training at Fort Bliss, El Paso.

John Foster is home from Texas A. and M. College, where he is a sophomore student.

Former Secretary of State Tells Of Communist Threat In Talk

The dangers to America from Communist infiltration of our labor unions, was the subject of a talk at Rotary Club Thursday noon of last week by C. E. (Everett) Fulgham, vice president of the First National Bank of Lubbock.

Both as a member of Texas Industrial Commission and as Secretary of State, Mr. Fulgham had personal experience in dealing with and investigating the attempt of Communists to take over some Texas labor unions. He was closely identified with the Port Arthur Strike.

In his talk, he illustrated how a few Communists can go a long way toward tearing down a government, or disrupting the ordinary processes of labor and business.

He cited the Guatemalan revolution. In that country, there are 3 million people. With only 3,000 Communists, the party gained control of the Government.

When the Communists decided to take over a certain steel union, seven members of the party entered the union, and five of the seven managed to get elected to top offices.

The Communists have as their aim the control of labor through the labor unions, and they can not succeed in their program without control of the laboring man.

In the Port Arthur case, the Communists' real goal, he said, was the CIO oil workers union. Instead of breaking into this union first, they sought to gain control of minor unions, one of which was the Garment workers union. However, when the out of state Communists got control of this union and called the strike, the American Legion Post of Port Arthur got busy. With the backing of the Governor, Attorney General John Ben Shepherd, and others, the Communist backers of the Garment workers were uncovered, and some of them were convicted.

Texas was the first state to pass a law with teeth in it outlawing the Communist Party in this state. This law was the model for our present Federal law passed by Congress outlawing the Communist Part.

He said Communism is an in-

time educating our youth on the working of our democracy, the importance of the individual, and the proven success of the so-called capitalistic system.

Charles Townes was in charge of the program and introduced the speaker.

Jan Collier was the acting club sweetheart.

Winston Wharton, vice president, presided in the absence of the president, A. M. Bray.

Captain Frank L. Swaim judges automobile gasoline the way he judges aviation gas...

IT'S PERFORMANCE THAT COUNTS!

"My regular job is piloting a United Air Lines DC-7. On most of my flights we use Phillips 66 Aviation Gasoline. It's high-performance stuff, and one reason it's so good is Di-isopropyl. Phillips has started putting Di-isopropyl in automobile gasoline, too. They call it 'FLITE-FUEL'... and I use it regularly in my car. It gives wonderful performance."

Frank L. Swaim
Captain Frank L. Swaim, United Air Lines

Flite-Fuel puts the Accent on Performance!

If it's top performance you want, fill up with powerful new FLITE-FUEL. Both new FLITE-FUEL and new Phillips 66 Gasoline have been fortified for increased power, higher octane, longer mileage. Remember, the one real test of motor fuel is: how it performs in your car. Try a tankful at your Phillips 66 Dealer's.

Most Popular Pontiac Ever Built...

... BECAUSE IT HAS EVERYTHING IT TAKES TO MAKE A WINNER!

Here's the car which is breaking every sales record in Pontiac history. And here are some facts underlying that popularity—facts which might easily persuade you to join the happy thousands who are making the switch to Pontiac.

FACT 1—Pontiac's distinctive and exclusive future-fashioned beauty is bound to stay new for years.

FACT 2—Pontiac's Strato-Streak V-8 engine is completely new and it en-

bodies basic design advances that you'll be seeing in other engines of the future.

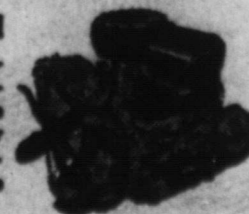

FACT 3—Pontiac's performance gives you tremendous power and quietness, flashing acceleration and smoothness; plus a wonderfully comfortable road-leveling ride based on adequate weight and a long 122" or 124" wheelbase.

FACT 4—(and the clincher)—Pontiac's power, size and superb beauty are combined with a price which makes this car

America's greatest value—by far! In fact, if you can afford any new car, you can afford a Pontiac! Come in TODAY!

There's No Power Like Strato-Streak Power!

Here is the heart of Pontiac's terrific performance—the all-new, ultra-modern Strato-Streak V-8. This masterpiece of engine design will deliver up to 200 horsepower with Pontiac's low-cost, optional, 4-barrel carburetor. Come on in, take the wheel and see what Strato-Streak really means!

Odds and Ends

(BY E. L. THE ELDER)

Just recently I located two contributions from Senorita Aurora Gutierrez of Mexico City that came to me either while I was a patient in the Hillcrest Hospital here in Waco or soon thereafter when I was still unable to use a typewriter, which were intended for publication in this paper. One came for publication one week and the other for the next week. So many "articles" about Mexico have appeared in this Column in recent years that they have lost much of their interest for descendants of other races living north of the Rio Grande. Nevertheless, I am going to use the major portion of these two "articles" because they picture to us the little city of Taxco (Taxco) which is reputed to be the most beautiful small town in the Mexican Republic and highly important for centuries by reason of its nearby silver mines. While I was in Mexico in 1952, I visited this quaint old town and also made a run out to a silver mine some seven or eight miles in the country. So, I can personally vouch for the accuracy of most of the statements contained in Senorita's "Article," which follows, in part.

Taxco—On a cool, lovely morning when the world appears to have been born a-new and the mountains are still enfolded in

the soft shroud of mist, we find ourselves in a car driving along the highway bordered with perfumed pine trees that courteously bow to us as we go by. All at once the car enters upon a curve and before the astonished eyes of the traveler there appears a scene like as if a painter had placed a canvas before us depicting the magic vision of the rising sun—nestling in the dark green of the mountain trees. From afar we distinguish the white echeloned houses of Taxco, the narrow streets winding like silver ribbon around them, up and up; the Moorish carved wooden balconies of the houses standing out in their dark colors, while every once-in-awhile the dark head of a native girl appears, looks down to say something to some one and suddenly disappears. We can believe ourselves transported to Spanish colonial times. This impression is so strong that we leave the car at the entrance of the town and start walking along the narrow and rising streets, admiring the small and graceful houses typically colonial in style, discovering here and there some nook or corner, where the conqueror left his mark forever.

We continued on our stroll and visited that architectural jewel, Santa Prisca Church built by that group of religious zealots who were followers of the famous Sr. de la Borda, who came to the town around the seventeenth century and made an enormous fortune out of the silver mines which he exploited. This beautiful temple is of pure Baroque style outside while the inside is Churriguesque with splendidly gilded altars, sumptuously decorated in unequalled rhapsodies. After admiring its complicated convolutions, we again come out into the sun. (All this architectural discussion is of great interest to Roman Catholics and Spaniards, but it is "all Greek" to Americans north of the Rio Grande.)

Meanwhile Taxco has come to life. Senorita Aurora continues, and one sees groups of natives walking to and fro. Women dressed in the simple regional dress hurry to market. Men in work clothes and helmeted miners get aboard the bus, while others chat and smoke cigarettes, lean nonchalantly on the door sills of their homes dressed in white opening their doors, and the

trousers and loose, long shirts. The silver and curio shops start little park fills with children going to school.

We arrived at the imposing hotel for a rest. Under its long corridors and ample portals, beautifully decorated with tall earthen-ware vases, flower pots, and wooden-beamed arches, the most famous international celebrities stroll, fascinated by the mediaeval atmosphere of the smiling town. From here visitors may enjoy the wonderful mountain view of rolling hills and valleys.—Conainnare. Then she closes as usual with an earnest "God bless you. Your sister in Christ.—Aurora Gutierrez."

This fine young Christian Mexican girl will always be disappointed because I never felt able to go back down to Mexico City and visit the Gutierrez family

but did not come away with any of his silver. On the other hand, the present owners of the mine seemingly wanted to beat us out of all the silver and greenbacks too that we went out there with. Taxco had the rugged mountain sides, the old building, and the historic past all right; but it also had some of the most beautiful flowering trees one ever saw—tabachine trees, I believe they call them, any way trees with blood-red flowers.

There are quite a few of them in the parks of Mexico City, while Cuernavaca is noted for its wealth of such trees. But they are probably not any more numerous nor gorgeous anywhere in Taxco. O the beauty and grandeur of the mountain scenery in Mexico.

I am decidedly off-brand, probably down-right heretical, in my ideas about Heaven. I have never thought that I would care so much for golden streets and

chandaliered mansions with richly carpeted floors in the New Jerusalem; I like the country, with mountains, and rivers, shady groves, AND crystalline lakes, and even extensive plains minus the sandstorms. If I had my choice, I would make my Heaven out of these things. But don't misunderstand me, St. Peter, I am not turning down the golden streets and the mansions. Not at all, not at all—Thanks a million.—The Elder.

Most Modern Trucks on any job

with the most advanced truck features the industry has ever seen!

CHEVROLET

Only new Chevrolet Task-Force Trucks bring you the shortest stroke V8's in any leading truck and today's most advanced sixes—plus all these truly modern features!

They're the marks of a modern truck, and they out-date any make without them!

- Beginning with Work-Styling, an entirely new development in truck design.** For the first time in any line of trucks, Chevrolet brings you two styling treatments—one for light- and medium-duty models, another for heavy-duty jobs! Styling that's matched to the model and the job.
- New concealed Safety Steps.** Chevrolet's new Safety Steps are out of sight with the doors closed—stay clear of snow, ice or mud.
- New panoramic windshield.** For a wider, virtually unobstructed view of the road!
- Fresh air in all kinds of weather.** With new High-Level ventilation, air is drawn in through louvers at cowl level. That means air is constantly circulated through the cab, regardless of disagreeable weather conditions.
- High-Voltage power—V8 or 6.** The new lineup of Chevrolet truck engines includes the shortest stroke V8's in any leading truck, and most advanced sixes. All have a modern 12-volt electrical system—double the voltage for quicker, surer starting and more efficient spark plug firing.
- Tubelless tires standard on 1/2-ton models.** Here's greater protection against blowouts.
- Every Power Helper in the book.** Power Brakes are standard equipment on 2-ton models, an extra-cost option on others. The new handling ease of Power Steering, another extra-cost option, cuts turning effort up to 80%.
- There's new gas-saving Overdrive,** as an extra-cost option on 1/2-ton models... and truck Hydra-Matic on 3/4- and 1-ton jobs.
- The new Cameo Carrier.** Long and low, with smooth, fleet lines, here's the Custom pickup that may well create a new class of truck owners!

One final word: When the time comes to trade in '55 models, the man without a really modern truck stands to take a good-sized loss. Come in and see us soon.

Chevrolet
Year after Year
America's best selling truck!

Mrs. Johnny Mae Cook and Mrs. Evelyn Nelson are attending the music week at the Baptist encampment at Glorietta, New Mexico this week.

Mr. and Mrs. Dale Price, the new Ag. teacher at Wilson High School were lunch guests of Mr. and Mrs. W. P. Jones Sunday.

Mrs. Price will teach English in High School.

Mrs. Fred Brannon was hostess for the T. E. L. Sunday School Class of the Wilson Baptist Church in her home Thursday afternoon. A father's day program was given. Ten members of the class were present.

miniature bride and groom standing on it. A rainbow made of rainbow shades of net extended from one side of the mirror to the other. Geraldine Hagens poured the orange colored punch and Eileen Maeker served from three angle food cakes iced in rainbow shades. The gifts were presented to the honoree in a covered wagon. "Big Spring Express" was labeled on the side. The couple plan to make their home in Big Spring.

Verlene displayed her gifts on three tables covered with rainbow shades of pink, blue, and yellow. Three tables were decorated with candles and a shoe of Verlene's held a bouquet of roses. Forty-nine guests were present.

Bridal Shower For Venita Stone

Miss Venita Stone was honored with a bridal shower Monday night in the home of Mrs. Elmer Blankenship with her daughter, Judy, as cohostess. Mrs. H. B. Crosby gave a reading entitled "A Brides Prayer." Mrs. Blankenship gave a reading "The Snoring Husband." The gifts were presented to the honoree by Judy Blankenship, in a covered wagon. Seventeen of the honoree's schoolmates were present. Refreshments of frosted punch, cookies and mints were served.

Marshal, Texas, was once the capital of Missouri.

Your key to Blue Chip value

It says a lot about you

THIS Blue Chip GMC town delivery was designed for those who are proud of their business—and want the world to know it.

So it is styled in arrestingly smart lines and strikingly handsome colors. It features the new panoramic windshield. To this evidence of an up-to-the-minute concern is added a prosperous note in the luxurious interior.

But a Blue Chip GMC is more than a prestige-builder for you.

It is, with the flashing power of its V8 engine, a matchless worker.

Its Hydra-Matic Drive* will save your time as well as your energy—and put an end to many a maintenance cost. It will save you gasoline as well.

And beneath its aristocratic look, there is Herculean strength in frame and axles.

This town delivery was built for keeps.

Certainly you get dozens of extra values for the few extra dollars a Blue Chip-GMC costs. Yet you'll get them back again and again in service, in savings—and in unusual trade-in value later.

Your business pride and your business sense will have a happy meeting ground at our showroom. Come in today.

*Standard on many models; optional at extra cost on some others.

Frank Huntress, San Antonio, Is Outstanding Pioneer Publisher

(By Ben Moore)

From day to day, we are reminded by the Nation's Press that Texans are just about the biggest brags on earth. The papers are filled with success stories, so-called, but many such stories pale into insignificance when viewed through the magni-

fying glass of intelligence. Occasionally, we read of some New Yorker or perhaps a new arrival from foreign lands having made a phenomenal success in the newspaper, or other writing field. Someone with about two bits worth of actual out-in-the-open experience may author a book. With sufficient financial backing, many thousands of copies may hit the stands. It becomes a great success story. We see fellows stepping out of college, expecting soon to become covered by journalistic honors. This is all nice enough, but how long do they last?

Just as little men often feel big, those whom we term as big men always have a deep sense of their own smallness. Among the newspapers fraternity's leaders, this thought is always with them: Among my readers there may be hidden endurance, rather than actual admiration. With this in view, they always remain meek, never blowing their own horn, but rather preferring to speak of the other fellow's success.

Texas could well boast of a number of such newspapermen—former watercarriers, floorsweepers, newsboys, whose dollars in their older years are now counted by the millions.

Today, we mention one of these, Mr. Frank G. Huntress, Sr., of San Antonio, who was born in that historic city more than eighty years ago. At 13, he was selling the Express (now in its 90th year of publication).

He has not told us whether he had fond dreams of ever owning that great Daily—perhaps he did so. Anyway, the great paper which has contributed many, many stories to the great state of Texas, going way back into the stirring days of stage-coach robberies, activities of the Rangers, and a hundred other stirring acts, has for a long time been his property.

Not unmindful of the historic past, he has been able to grasp opportunities in his field as they came, but his ability to see far ahead has placed him at the top among the Nation's publishers.

Only members of the fraternity know all the facts, since he has ever been careful to avoid the limelight. There are national news organizations of which he was a pioneer in their making. Plagues, cups, etc. are resting here and there in his spacious private offices, receiving light attention from the recipient.

A week could be well spent in carefully looking over his planning through the years—plans made by this rather shy presi-

dent-publisher. His beautiful structure is eight stories, with his private offices on the eighth, overlooking the historic Alamo (he still owns the old Express Bldg. in another section of the city). On the fifth floor is located the dining rooms for employees of this once bare-footed boy, who called, "Express!" during their early morning hours. His private dining room is also on the fifth floor, adjacent to that of the employees. And it is delightful to say that he usually has a normal appetite, the daily business grind through the many years having become only natural.

Renovations throughout the structure are constantly in progress. Just now, the large auditorium is in the hands of decorators. Both his TV and Radio stations are his pets, but to us they are "out of this world," while the young (in heart) publisher has kept right up to date in their operation.

The photographic and engraving departments are a long step from those operated by the Express, some fifty years ago. Even in those days, we recall that an extra press was held in readiness, should there be a break-down. The two presses were valued the net about \$40,000 each, then a fabulous price.

In the Director's room, where eight "family" chairs are about a table, a unique arrangement of

World Dailies (their front pages) are covering walls and ceiling of the entire room. They are ingeniously placed in permanent positions, and are shellacked. Really, they are impressions of front pages—not in ink.

In the routine showing of enlarged photos of past and present close friends we noted that of the late great benefactor, Geo. W. Brackenridge—and we well remember when he presented the land for the present great Park and Zoo bearing his name. The likeness of Mr. Frank Grice, long deceased, is there, too—the man who gave us young sprouts a chance to try our young hands in the writing field. Then, there is a pause as we come to a beautiful floral piece, done by Mrs. Huntress, years ago, and admired by the publisher, as he passes it from day to day.

Then, there is a photo of her "when she was younger," as he says. But this photo in his private office means much more than has even been mentioned. Usually, the successful man—in business, or otherwise—has a good wife sticking about. A woman who knows just about all that transpires before the day's end.

At one time in school, Mr. Huntress found himself delving rather deeply into the languages, French, German, Spanish and Latin were carried, but French, never needed, was dropped

Spanish has been practiced upon through the many years, and we know of one occasion when he delighted the late President Diaz of Mexico by being able to converse with him in his own language. He should be, and probably is, proud of the esteem in which he is held by thousands to the south, our Sister Republic. We might easily write page after page concerning this young man, who carries a lot of years—

one who chuckles, as he tells of purchasing the location for his fine plant, years ago, for the small sum of \$100,000. He is a great believer in Providence—especially, when coupled with common sense business methods.

Last week Mr. and Mrs. J. O. King of Wilson visited in Amarillo with their son, J. L. King, and in Plainview with another son, Lonnie King, and family.

Mrs. D. W. Gagnat of Tahoka and her granddaughter, Dawn Gagnat of Lubbock, have gone to the Gagnat's summer home at Ruidoso. They were met there by Mrs. Gagnat's sister, Mrs. W. V. McElroy, and daughter, Jan, of El Paso. Also, Mrs. Oscar Roberts and Mrs. Lee Roy Knight are visiting with them this week.

Look! Mercury gives you four big reasons for buying during June

SHOWN ABOVE IS the newest Mercury of all—the sleek, low-silhouette Montclair 4-door Sedan. Powerful 198-horsepower SUPER-TORQUE V-8 engine; 4-barrel carburetor, dual exhausts, standard equipment.

- 1. WE'RE OUT TO SET NEW RECORDS**
Mercury sales are breaking all records. More and more people who want big-car beauty and performance have joined the swing to the future-styled, super-powered new Mercury. We're going all out to keep the ball rolling and make June the biggest sales month in Mercury history. We mean business—and this month we're really dealing.
- 2. HIGH TRADE-IN ALLOWANCES**
for your present car. Because we're selling Mercurys at a record-breaking pace, we can offer you the top trade-in. And during June, we're being extra generous.
- 3. LOW PRICE TAG**
Mercury prices start below 13 models in the low-price field.* And with our special June trade-in allowances, the price actually becomes lower. Remember: you get all of Mercury's "big car value" at this low price.
- 4. EASY TERMS**
As part of this big June deal, your Mercury dealer will handle all the necessary arrangements to get you the easiest possible terms to fit your budget.

*Based on comparison of manufacturers' suggested list or factory retail prices, using Mercury Custom 4-door Sedan (not illustrated).

NO OTHER CAR OFFERS YOU BIGGER REASONS FOR BUYING IT

- Exclusive styling shared by no other car
- New super-torque V-8 engines on every model (188 and 198 horsepower)—backed by Mercury's record of producing V-8 engines exclusively
- 4-barrel vacuum carburetor on every model at no extra cost
- Dual exhausts at no extra cost on all Montclairs and Montneys
- Ball-joint front wheel suspension
- Anti-fouling high-compression spark plugs
- Consistently highest resale value in its field according to authoritative reports

IT PAYS TO OWN A **MERCURY** FOR FUTURE STYLING, SUPER POWER

Don't miss the big television hit, Ed Sullivan's "TOAST OF THE TOWN." Sunday evening, 6:00 to 7:00, Station KDUB-TV, Channel 13.
