Oil Fields Developing In Gordon, Morgan Areas

Two oil fields are in the process of development in eastern Lynn county that have possibilities of adding to the financial structure of the area. Neither has received widespread publicity in the daily press.

They are the PHD-Glorietta field in the Gordon community, about six miles north and two miles east of Central Church and just over in Lynn county; and the newer Suniland San-Andreas field, four miles north and one and one half miles west in the Morgan community, about seven miles east and a little north of Wilson.

Tuesday, in company with A. M. Cade, a News representative visited both sites.

There are five producers in the

PHD-Glorietta field at Gordon, four of them in Lynn county. The Garza county PHD-San Andreas field extends to the east and southeast.

Those watching the development think this field may eventually connect up with the Suniland field and the M. M. Bruster discovery well.

The producers in the PHD-Glorietta field are two on the land of Mrs. Racheal Jones, mother of Buford Jones, one in Garza and one in Lynn, section 1421, Block 18, EL&RR survey, the Garza county well being from the San Andreas; the No. 2 Payton to the east in Garze; the new R. T. Hagler to the north in section 1421; and to the west two wells in section 1422, the W. E.

Edmunds and the Martin Edmunds producers.

All have potentials of more than 100 barrels per day. The News was told by a representative of J. Paul Karcher of Midland, the independent operator of four of the five Glorietta wells.

The Martin Edmunds well drilled by Whitesides & Fleming of Brownwood, went in production about 10 days ago, and is a flowing well, as is Mrs. Jones' Glorietta well. The W. E. Edmunds well pumps 110 barrels a day.

Tuesday morning, the R. T. Hagler well was being put into production as a pumper at 4,390 feet, a little lower structure than the others. It tested 144 barrels per day.

Fifty Attending Band School

Fifty band students turned out Monday morning for Pre-School instruction, according to Don Wortham, the new band and chorus director for Tahoka High School.

However, several of the better players, particularly in the corinet section, failed to show up, and this is hampering the work of the band.

A practice session is being held each week-day morning from 8 to 10 o'clock. Starting last night, the band is also rehearsing from 6 to 7 p. m.

Mr. Wortham asks all who possibly can do so to attend these rehearsals next week. Those who are working are asked to make the evening work-out, if at all possible.

Queen Contest Here Tonight

Master of ceremonies for the annual Lynn County Farm Bureau Queen Contest, scheduled for tonight, Friday, at Tahoka High School auditorium, will be Clint Walker.

There are 11 entries in the contest from O'Donnell, New Lynn, Wilson, New Home, and Tahoka. They are being sponsored by the Home Demonstration Clubs from these communities.

Entries in the contest are: Johnnee Clem and Susie Smith, Tahoka; Judy Blankenship, Ida Pearl Mason, Norma Ruth Terry, and Deana Ward, Wilson; Rose Marie Yandell, New Lynn; Sherry Singleton and Polly Etter, O'Donnell; Wilda Shockley and Rebecca Morrow, New Home.

Five out-of-town judges will select the County Queen who will compete in the District Contest next month in Lubbock.

Carolyn Nowlin of New Home was elected the Queen last year, and will crown the 1955 Queen tonight.

Tuesday evening at 6:00 o'clock nine of the girls and Mrs. Troy Havins, office secretary, appeared on the "Community Crossroads" program of KCB-D-TV.

Schools Get Ready For Opening Aug. 29

New Home Will Open August 29

New Home School will begin the 1955-56 school term on Monday, August 29. The school buses will run as they were running at the end of last term, except for changes that will need to be made for new students.

The following new teachers have been employed: Hubert T. Williams of DeQueen, Aark., with a Masters Degree from L. Dickerson of Whiteface, with George Peabody Teachers College, will be high school coach; Max a B. S. from Eastern New Mexico University, will be grade school coach; Mrs. R. O. Webb, who has lived here two years will teach third grade; R. O. Webb, who has lived here two years, will teach the third grade; Mrs. C. B. Bentley from Roosevelt School, with a Masters degree from Texas Technological College, will teach one section of the first grade; C. B. Bentley, with a Masters degree from Texas Technological College, will teach in the 5, 6, 7, and 8 grades.

The following teachers are back from last years faculty: R. O. Webb, grade school principal, replacing Gordon Gaines who will teach in Lubbock; Mrs. Davida Burkhalter, first grade; Mrs. Leila Crimm, second grade; Mrs. Mary Pryor, fourth grade; Mrs. C. O. Head, 5, 6, 7, and 8 grade; Mrs. Mitt Bullard, high school English; Mrs. Joy Daniel, science and typing; Mrs. Joe Lewis homemaking; Benny D. Pryor, Vocational agriculture.

Mrs. Minnie Sayles will have the Negro school again this year.

There will be a short opening exercise on Monday morning at 9:00 o'clock and lunch will be served in the lunchroom that day and each succeeding day. Prices of meals will be the same as last year 25c for 1st through 4th grade and 30c for all others. We will have the same workers in the lunchroom as last year: Mrs. Jack Rogers, supervisor, Mrs. Scott and Mrs. Holtzclaw, helpers, and an additional helper, Mrs. O. S. Smith.

Schedule for the opening of the 1955-56 session of the Tahoka Schools is being announced this week.

Teachers will hold a breakfast meeting Friday morning, August 26, at 7:30 a. m. in the school cafeteria.

Registration for new high school students and for old high school students wishing to make a change in schedule will be on Friday morning, Aug. 26, from 9:00 to 11:00 a. m. at the high school building, according to Jake Jacobs, principal.

High school students of last year already have their schedules for this year made out, and it will not be necessary for them to come to the school on Friday.

Likewise, grade school students will not come to school until Monday, Aug. 29, when a full schedule of classes will be run through the school system.

Buses will run their routes Monday, Aug. 29, the first day of school. The cafeteria will be open at noon.

This year, school will open at 8:40 a. m. each day, but students should not be at school before 8:30 a. m. School will dismiss at 3:45 p. m. daily, except the primary grades, which will be dismissed at 2:30 p. m.

All students attending the Tahoka schools this year must have had smallpox vaccinations. Students must have had these vaccinations before enrolling for the year.

J. W. Harston Is Buried Tuesday

J. W. Harston, nearly 70, retired farmer who first came to Lynn county in 1924, died at 6 a. m. Monday at his home at 2000 South 3rd street from a heart attack following many years of ill health.

Funeral services were held Tuesday at 3 p. m. at the Tahoka Church of Christ with Minister Doyle Kelly officiating. Stanley Funeral Home was in charge of burial in Tahoka Cemetery.

Jerry William Richard Harston was born Sept. 4, 1885, in Louisville, Ky. He was married Nov. 11, 1906, in Dallas county to Miss Mahala Jane Terry. The couple and their family moved to Joe Stokes community of Lynn county from Athens in 1924, and farming there for 18 years.

He suffered a stroke in 1939, while living at Joe Stokes, and some time later moved to Ralls. Later, he returned to Dixie to live two years, then lived successively at Lockney, Graham, and Proffitt. He suffered a heart attack in February of last year, and in July, 1954, moved to Tahoka to make his home.

Mr. Harston is survived by his wife; three sons, L. P. of Lockney, C. B. and Jerry of New Home; and one daughter, Mrs. Bill McNeely of Dixie; 13 grandchildren, six great grandchildren, two brothers, and three sisters. One son, J. W. of Joe Stokes, drowned in Buffalo Lake Aug. 4, 1940, while fishing and running a trotline.

Bulldogs Start Fall Work-Outs

Tahoka Bulldog football work-outs will start Monday mornink at 8 o'clock, and two drills will be held daily until the start of school the following week. Coaches Bill Halanson and Dean Wright announce.

The daily work-outs will be at 8 a. m. and at 5 p. m.

All boys who are candidates for the varsity, B team, and Freshman team are expected to be present Monday, as pictures will be taken for the football program.

The boys will have less than two weeks to get ready for the opening game with Seagraves Eagles here on Sept. 2.

CARTER HOME SOON

H. W. (Cotton) Carter, who suffered a nervous breakdown a few weeks ago and who is a patient in St. Paul's Hospital, Dallas, is reported to be doing home in the next few days. He is now up most of the time.

James Ray Bennett, who attended Tahoka High School a few years ago, of Charlotte, N. C. is here visiting his grandmother, Mrs. Cora Bennett, and uncle, Clay Bennett. He has just been discharged from the Naval Air-force four years service in England.

Reserved Seats Are On Sale

Reserve seat season tickets for home games of the Tahoka Bulldogs will be on sale this Saturday morning and Saturday morning of next week only, at the City Hall.

Wednesday, Aug. 31, will be the last day for last year's ticket holders to get their old seats. On Sept. 1, all seats not sold by that time will be sold on a first-come basis.

Reserved seats sell for \$6.00, only \$1.00 above the price of a general admission ticket. All of these seats are in the east stands between the 40-yard lines.

Circulate Petitions For Bond Election

Petitions were being circulated this week over Lynn county for a \$200,000 road bond election to acquire right-of-way for the proposed four-lane paving of U. S. 87 across Lynn county.

The State Highway Department has the money allocated for building the road this next year from a point one mile south of the Dawson county line north to Tahoka city limits.

It has announced its intention of later building the four-lane road all the way to the Lubbock county line.

If the road is built, Lynn county must furnish a right-of-way of 240 feet, or 140 more than that of the present highway.

Less than half of the proposed bond issue would be used to acquire right-of-way on the first, or southern, sector. Right-of-way purchase will include the buying of land, moving of houses and other obstructions within the 140 feet needed for the road.

When right-of-way from Tahoka north is secured, if it is, the moving of more houses, irrigation wells, etc., will become necessary.

County Judge W. M. Mathis states the Court hopes to spend as little of the issue as is absolutely necessary, if the bond issue carries.

The County recently made a contract with Henry-Seay & Company of Dallas to act as its fiscal agent in the matter.

Bond experts state the \$200,000 issue could be retired in 15 years on a tax levy of 20 cents, provided the county maintains the present valuation of nearly \$10,000,000.

On presentation of the petition to the Commissioners Court, this body will consider the proposition of calling the election.

13 Boys Attend 4-H Club Camp

Thirteen Lynn County 4-H Club boys attended the District 2 camp held at the Fair Grounds in Lubbock last week, according to Count Agent Bill Griffin.

Jerry Cain, president of the district this year, was elected vice president for the coming year.

Jimmy Blankenship of Wilson won first in the diving contest during the camp, and the Lynn county team took second place in the horseshoe pitching contest.

Three Graduate At Texas Tech

Three Tahoka students in Texas Tech will receive degrees in the summer commencement exercises Friday, August 26, at 7:15 p. m. on the Administration building green, President E. N. Jones announces.

Degrees will be awarded 320 at the exercises, of which 114 will receive their Master's degrees and 201 their bachelor's.

Among the graduates are: Bill E. Ramsey, son of Mr. and Mrs. Blain Ramsey, B. S. degree in Agronomy.

Marjorie Lea Clinton, daughter of Mr. and Mrs. James Clinton, B. A. degree in Business Education.

Miss Marietta Montgomery, a teacher and daughter of Mr. and Mrs. Will Montgomery, Master's degree in Business Education.

"New Home Story" On TV Broadcast

"The New Home Story" was told in a 30-minute television broadcast Tuesday night on Jack Creel's Channel 13 program, with Joe D. Unfred acting as commentator.

The picture and comment dealt with sheep and hogs on the Morris Renfro place; Shetland ponies and horses and bench leveling at Billy Hancock's; legumes and soil improvement on the Unfred farm; the underground water recharge pit near Petty; B. A. Morrow's registered Herefords and fine horses, one of the latter being trained by Lloyd Beatty; and touched briefly on the Leopard's football field, the community club house, the Co-op gin, and other phases of the community life.

Joe did a professional job as the commentator, and the show was a fine piece of advertising for the northwest section of Lynn county.

4-H Club Calf Tour Tuesday

Club boys, parents, farmers, and other interested in fine beef cattle are invited to participate in the annual 4-H Club Beef Calf Tour next Tuesday afternoon.

The tour party will leave the office of County Agent Bill Griffin at 1:30 p. m. Tuesday.

Calves being fed by the following boys will be inspected: Taylor Knight, Jack and Hilton Woods, Dan Seely, Tommy Gardenhire, and Perry and Jack Filippa.

J. A. Bartlett Has "Stroke" At Tulia

J. A. Bartlett, formerly of Tahoka, suffered a very severe stroke at his home in Tulia Wednesday of last week and is in a critical condition, according to a card from his daughter, Mrs. Martin Nichols of Post to Mrs. Lawrence Harvick of Tahoka.

He is in Tulia Hospital, his entire right side is paralyzed, and he cannot talk. All his children were called to his bedside. Mrs. Bartlett is also in poor health, having suffered a heart attack about two years ago.

The aged couple formerly lived in south Tahoka near the old school building.

Mrs. Harvick says their son, Bryce, graduated from college in engineering and is a diesel engineer in Houston. Their other two daughters, Grace and Verda, are both married, and live in Midland and Atlanta, Ga., respectively.

Gordon Is Holding Gospel Meeting

Melton Bruster, minister of the Alamogordo, N. M. Church of Christ and a son of M. M. Bruster of eastern Lynn county, will do the preaching at the Gordon Church of Christ Gospel meeting beginning today, Friday, and extending through Saturday, Aug. 27.

Glenn Sargent, son of Frank Sargent of Brownfield, another Lynn county boy and the grandson of R. W. Barton of New Lynn will direct the song services.

Services will be at 11 a. m. and 8 p. m. daily.

Jury Sets Fines In Liquor Cases

Two men were found guilty of liquor offenses in county court jury cases here last week, according to Harold Green, county attorney.

Leroy Allen of Slaton was assessed a fine of \$300 and costs on a charge of illegal transportation.

Laird Simpson of Petty was fined \$400 and costs and 30 days in jail on a charge of driving while intoxicated.

Lynn County "Mystery Farm" No. 58:

This is some Lynn county farm home? First town and first rural reader to call The News and correctly identify it will each receive six month's credit on their paper. Also, a free enlargement of the picture will be presented the farm owner on calling at The News.

Dates Set For County Fair

September 21 and 22 are the dates set for the annual Lynn County Fair for this fall, according to County Agent Bill Griffin.

Plans are being completed at this time for the event, which the Fair Association hopes will be the best ever held here.

EDWARDS IMPROVING

Carroll Edwards, who suffered a heart attack Saturday, Aug. 6, is reported to be showing steady improvement at Tahoka Hospital, where he is a patient.

J. M. Locke underwent an appendectomy in Tahoka Hospital Tuesday of this week.

Miss Betty Mary Fillingim Becomes Bride of Capt. Robert Max Blacker

Miss Betty Mary Fillingim, daughter of Mr. and Mrs. A. C. Fillingim of New Home, and Captain Robert Max Blacker son of Mr. and Mrs. John D. Blacker of Romney, Indiana, were united in marriage Sunday at 8:00 p. m. in the New Home Baptist Church.

The Rev. Robert Clements performed a double ring ceremony before an altar banked with jade palms and baskets of white gladioli highlighted by candelabra.

Mrs. Raymond Daugherty, organist, played traditional wedding music and accompanied Boswell Edwards and Miss Sylvia Edwards who sang "Ah, Sweet Mystery of Life," "I Love You Truly," and "The Lord's Prayer."

Given in marriage by her father, the bride wore an original gown of white delustered satin and nylon tulle over net and taffeta designed with a portrait neckline outlined with lace appliques embroidered with iridescent sequins and seed pearls.

The bridegroom is a graduate of Eden High School in Greenfield, Ind., and attended Wabash College. Capt. Blacker is presently stationed at Webb Air Force Base in Big Spring where the couple will make their home after Sept. 4.

Balch of Midland were candle-lighters.

Clifton Clem of New Home served as best man and ushers were A. C. Fillingim Jr., and Joe Robert Fillingim, both of New Home.

At a reception given in the church parlor, the bridal table featured the attendants' bouquets and a tiered wedding cake topped by a miniature bride and bridegroom. Meses. Clifton Clem, sister of the bride, George Barron, Don Cowan and Bobby Clem assisted with hospitalities.

For a wedding trip to Indiana and points in the eastern states, the bride chose a navy Italian silk suit with navy and white accessories and a white orchid corsage.

The bride, a graduate of New Home High School and Texas Tech, has been teaching home economics in Coahoma High School the past four years.

The bridegroom is a graduate of Eden High School in Greenfield, Ind., and attended Wabash College. Capt. Blacker is presently stationed at Webb Air Force Base in Big Spring where the couple will make their home after Sept. 4.

Jaunice McMillan Married Recently

Mr. and Mrs. P. D. McMillan announces the recent marriage of their daughter, Jaunice, to Carol Richards, son of Mr. and Mrs. Richards of Dixie.

They were married in Lovington, N. M. on August 2.

Both attended the local schools. Carroll is employed at a local service station, and the couple will make their home in Tahoka.

Bethel Services Drawing Crowds

Rev. D. W. Copeland, pastor of Bethel Baptist Church, reports that the revival meeting at his church is proving very successful.

He says the speaker, Rev. C. E. Thomas of Afton, Okla., is a great young preacher bringing dynamic messages. Through Monday, there had been seven additions to the church, two as candidates for baptism and five by letter.

He urges one and all to come out to the remaining services of the meeting, which closes Sunday.

Kidwells Visit Old Newberry

Mr. and Mrs. O. L. Kidwell and Dorothy, and Mr. and Mrs. W. T. Kidwell and children, and Mr. and Mrs. G. B. McAda and children attended the annual Newberry reunion held last Sunday in the Newberry community west of Weatherford.

Mrs. Kidwell Sr. was, before her marriage, a Newberry, and the community is named in honor of her father, who gave the land for the school and church around which the community was built. Today, there is no school at Newberry, but the old church and the tabernacle remain.

Naturally, they met many relatives and old friends with whom they enjoyed visiting.

VFW AUXILIARY MEETS TO INSTALL PRESIDENT

The VFW Auxiliary met in the home of Mrs. I. I. Gattis Monday night for the regular meeting and to install the new president, Mrs. N. T. Conner, to fill an unexpired term. Mrs. Thelma Oliver was the installation officer.

Mmes. Louisa Everhart, Christine Moore, and Sue Crowder were visitors from Lubbock.

Mrs. Moore, department cancer fund chairman, gave an interesting talk on the eligibility of VFW members for cancer benefits.

The Auxiliary voted to send a donation to the Nurses Scholarship Fund, project for the month. Mrs. R. L. Richardson assisted the hostess in serving frosted cakes.

Legionnaires Will Clean Up Grounds

Members of the American Legion will hold a special meeting Saturday, Aug. 20, at 4:00 p. m., for the purpose of cleaning up the grounds at the Legion Hall.

Legion dues of \$5.00 for 1956 should be paid now to H. B. McCord, Jr., or Johnny Wells. If dues are not paid by Oct. 1, they will be raised to \$5.25, as voted recently by the State Legion convention.

Canadian River Dam Project Subject Of Discussion By Edwards, Walker

The proposed Canadian River dam and aqueduct system to serve Tahoka and 10 or 12 other plains towns was discussed last Thursday noon at Tahoka Rotary Club by E. R. Edwards, the local member of the Canadian River Municipal Water Authority, and Mayor Clint Walker.

The program was arranged by L. C. Haney, who introduced the speakers.

Mr. Edwards said the cities of Amarillo and Pampa have delayed a vote on the dam proposal, and at a recent meeting attempted to withdraw from the Authority. The board refused their withdrawal until the citizens of the two towns have a chance to vote on the proposition of staying in the Authority.

He said actually, the Amarillo mayor, according to the latter's statement on a radio broadcast, wants to kill the Authority and then at some later date Amarillo and a few other North Plains towns could reorganize the Authority, leaving out Lubbock and South Plains towns, so as to have the water project all to themselves.

In its fight among members, Amarillo has objected to the private financing plan, favoring a government-financed plan which would bring the cost of the project much higher.

The Authority believes it can proceed with the project without Amarillo and Pampa, Edwards said, through sale of additional water to industrial users and to some of the other six towns who have made application for inclusion in the Authority.

At this time, the Authority is making plans to call an election in all the towns involved at their Sept. 12 meeting. Voters in the towns will at this time decide

whether or not their towns will remain in the Authority, and if so whether or not they approve the \$76 million revenue bond issue.

If the bonds are approved, Tahoka will contract for 900,000 gallons of water daily, delivered to the city limits by the aqueduct, at not more than 22 cents per thousand gallons. Since this is somewhat higher than the present cost of producing water here, a slight rate increase might be necessary. This would cost Tahoka \$419 per month.

With Tahoka's wells failing gradually and the potential possibility of finding more water, is growing steadily less likely, the town may soon be without water, the two men declare.

Building of the project is expected to require at least five years.

President Harold Green announced the Tahoka Rotary, Rotary Ann, Teacher's banquet will be held this year on Thursday night, Sept. 8, in the school cafeteria. Dr. Ches Lovern, pastor of the First Methodist Church of Lubbock, will be the principal speaker.

Fred McGinty called attention to the need of a trailer to haul the Victory Bell, donated by the Santa Fe Railroad, to District 5-AA for presentation to the football champion each year. The bell is now held by Tahoka.

Introducing a guest, Bill Chancy, president of Tahoka Jaycees, Wynne Collier took occasion to praise the work of the Jaycees on their recent projects for the betterment of the town.

DEBONNE TALKS TO WESLEYAN GUILD
The Wesleyan Service Guild met Thursday evening at the Methodist Church.

Members and their families enjoyed a buffet supper.

Bernard Debonne of Paris, France, a guest of Tahoka Rotary Club brought an interesting talk. He spoke on the religious and political affairs and family life in France.

The next meeting will be held Thursday, Aug. 25, at 8:00 o'clock at the Church. A review of the book, "A Man Called Peter," by Katherine Marshall, will be given by Mrs. A. M. Bray.

Baby Alligator Given The News

Among its other varied activities, The Lynn County News has taken on the job of rearing an alligator.

Yes, sir, a real live alligator from the swamps of Florida.

But, right now, The News force is doing none too well with him (or her). The reptile, named Roy Edwards Jr., has taken no food since his arrival last week end.

The News force is hopeful that he will be particular in his food as he grows and not develop a fondness for a human hand or foot.

At the present, this is not likely, for Roy Edwards Jr. is only eight and one-half inches long.

The alligator was presented The News by E. R. (Roy) Edwards, former mayor and manager of Union Compress, as a token of his "love and affection" for Frank Hill of The News. We wonder, in fact, if Roy does not have a secret hope that the reptile will grow big enough and vicious enough to consume The News manager.

Last Spring, Mr. Edwards and wife attended the National convention of compress and warehousemen in Florida, as guests of his boss, Arch S. Underwood of Lubbock.

While in that state, Roy conceived the idea of remembering his friend (?) with some king of token. As usual, Roy did the unusual, and ordered an alligator sent to Frank Hill.

For some time after Mr. and Mrs. Edwards returned home, Roy would make frequent calls at The News office to inquire if we had received a package from Florida. Informed that we had not been favored with anything from Florida, he finally took the matter up with Postmaster Happy Smith, all to no avail.

Finally, he says he wrote the party from whom he bought the alligator in Fort Lauderdale, Fla., and the result was the vicious-looking little reptile arrived here last Friday.

To show our appreciation to Roy, the office force has named him Roy Edwards, Jr.

For all to see, until he grows larger, Roy Edwards, Jr. is making his home in a cardboard box at The News' office.

NEW AREA SUPERVISOR
Bob Land of Brownfield has been named the new area supervisor of Farmers Home Administration. He has been with the FHA 21 years, the last four at Brownfield. His counties include Lynn, Terry, Dawson, Yoakum, Borden, and Gaines.

Washington was the only President ever to receive the entire electoral vote (1798).

THS Grads Will Enter College

Twenty-one of the 38 Spring graduates of Tahoka High School expect to enter college or other schools this fall.

Eight members of the class have married, and the other nine are either farming or working at other jobs.

A survey made by The News this week indicated that the following students expect to enroll in colleges:

Texas Tech: Susie Smith, Martha Prohl, Betty and Bobbie Carroll, Don Reid, Guy Witt, Gus Sargent, Wayne Huffaker, Garland Huddleston, Dolores Gage, Janette Jenkins, Wendell Norman, Malcolm Young, and Gairdard McNeely.

McMurry College: Jerrie Leonard.

San Antonio Junior College: Gary Watson.

West Texas State: Janet Dube.

Abilene Christian College: Bobbie Draper, and Mariana McGinty.

Dragonhous: Jeanell Martin.

Isbell's Beauty School: Anna Belle Decker.

Estacado Reunion Set For Aug. 21

Former residents of old Estacado, on the line of Lubbock and Crosby counties, will hold their annual reunion Sunday, August 21, in Mackenzie Park at Lubbock.

Estacado was settled by Quakers, and is the oldest white settlement on the South Plains.

The program will begin at 10 a. m., followed by a basket lunch at noon, and visiting in the afternoon.

The reunion site is in the Southeast part of the park, near the Little Party House.

President of the Estacado Association this year is Lee Noble of Floydada, Mrs. Bob Bowron of Lubbock is secretary, and Mrs. Frank Hill of Tahoka is publicity chairman.

SMITH LAWSON HERE

Smith Lawson of Oakland, Calif. was here last Thursday and Friday visiting his mother, Mrs. G. H. Spears, of Grassland.

Smith is the West Coast factory representative of West Bend Products, and has made quite a success in business at Oakland and San Leandro.

For some time, he conducted a radio and television program, "Deacon Smith," but the thing grew too popular and required so much of his time that he had to give it up for the sake of his business.

Napoleon is the man who said, "An army travels on its stomach."

It's Another Boy In McNeely Family

There's another boy among the McNeely clan.

A son weighing 9 pounds 8 ounces was born to Mr. and Mrs. Jerry Wayne McNeely of Lakeview at 1:06 a. m. Thursday of last week in a Lubbock hospital. He is a grandson of Mr. and Mrs. Bill Balch of New Home, the mother being the former Miss Dorothy Balch. He has been named Stanley Wayne.

He is also a grandson of Mr. and Mrs. Bill McNeely of Dixie, and therein hangs a tale.

The new arrival is the fourth grandson (no granddaughters) of the Bill McNeelys. The daddy is one of five brothers. Granddaddy, Bill is one of five brothers, and Grandma Ruby Harston McNeely is the only girl in a family of five children.

Bill McNeely has a standing offer to his five sons that he will pay all hospital expenses of the first girl born in the family. The offer still stands, Bill says.

Oil Wells . . .

(Cont'd. from Page 1)

In the Sunland field about five miles to the northwest, the Sunland Oil Corp. No. 1 M. M. Bruster, in northwest quarter of section 1274, block 8, EL&RR survey, has been a smaller producer for the past several months from the San Andreas formation.

Last week-end, Sunland announced a new test west of this one to be known as the No. 1, S. G. Wilson in the northwest quarter of section 16, block J, EL&RR survey, with a contract depth of 4,750 feet to test the Glorietta there. The Glorietta formation is below the San Andreas, and has proved more productive in this area.

Between the two fields, it is rumored that a test will be drilled soon on the Ed Denton farm. Karcher interests make no secret of the fact they intend to drill other wells in the Gordon area.

Although many wells have been punched over Lynn county over the years, only other production is at Draw and Petty. First was the Magnolia No. 1 field east of Draw. Three producers were completed there, but two have been abandoned.

The Tahoka-Petty field, in the northwest part of the county, has three producers, one of which is

French Visitor Visiting Farms

Bernard Debonne, French youth who is an 8-week guest of Tahoka Rotary Club, is learning more about this country every day.

Last week end, Mr. and Mrs. A. M. Bray took him with them on a combined business and pleasure trip to Denver and the Rocky Mountains.

He is living with the Truett Smith family this week, and next week will be with the Harold Greens. In the meantime, he is inspecting soil conservation practices and other farm operations.

Next Tuesday noon he will speak at the Post Rotary Club.

E. I. Hill, senior editor of The News, returned home Saturday from Waco, where he has been visiting several weeks. He was accompanied home by two of his sisters, Miss Mary Hill and Mrs. Alice Martin, of that city, who returned to their homes Sunday.

Dr. Paul Bennett of Tucson, Ariz., left Monday following a visit here with his mother, Mrs. Cora Bennett, and brother, Clay Bennett.

A flowing well. Production from both these fields is from great depths.

Congratulations:

Mr. and Mrs. Pat Hensley, route 2, on the birth of a son weighing 7 pounds 11 ounces at Tahoka Hospital Saturday at 6:23 p. m. He has been named John Randal.

Mr. and Mrs. Robbie L. Gill of New Home on the birth of a son weighing 9 pounds 6 ounces at 2:00 p. m. Saturday in a Lubbock hospital.

Mr. and Mrs. Johnny Allen, 2114 Ave. F, Wichita Falls, formerly of Tahoka, on the birth of a son weighing 8 pounds on Aug. 5, in Bethania Hospital of that city. Name, Christopher Lowrey. He is the first grandchild of Mr. and Mrs. J. O. Allen of Tahoka and Mr. and Mrs. Robert Hall of Wichita Falls; also, first great grandchild of Mrs. J. A. Loyd of Tahoka.

Mr. and Mrs. Mike DeLeon on the birth of a son, Manuel, weighing 9 pounds 6 ounces in Tahoka Hospital at 3:13 a. m. Sunday.

New Home Board Rejects All Bids

All 12 bids on construction of the new school buildings at New Home were rejected by the board Friday night, Supt. C. O. Head announced.

The district had voted \$175,000 bonds to build a grade school with nine classrooms, a new cafeteria, and a new vocational agriculture building. Bids exceeded \$200,000 on the project. The board will revise plans and ask

General Telephone Makes Extensions

General Telephone Company has recently completed some repair and extension work in the city of Tahoka, according to Bob Saunders, district manager, of Lamesa.

The work included rehabilitation of facilities, building of some extensions, including addition of new facilities in the northeast part of town.

A crew of workmen from Brownfield under the direction of Harold Dodd, foreman, did the work.

Mrs. J. J. Atkinson of Brownfield was here Wednesday visiting friends and relatives. She was en route home from Abilene, where she visited a daughter, Mrs. Henry Beights. She was accompanied by Mr. and Mrs. Obie Atkinson of Flakstaff, Ariz., who had come out for the wedding of their daughter, Bonnie, to James Surber of Reese Airforce Base at Lubbock last Sunday.

FROM THE AGRICULTURAL DEVELOPMENT DEPARTMENT SOUTHWESTERN PUBLIC SERVICE COMPANY

Your grass and legume yield from permanent pasturing can be increased through pasture rotation. This type of pasturing has been greatly simplified with modern electric fences. The electric fence also permits you to take full advantage of temporary pastures, and it is equally as useful for permanent fencing.

M. L. Simpson, Jr., Castro County, reports that his dairy cow pasture produces more profit than any of his crop land.

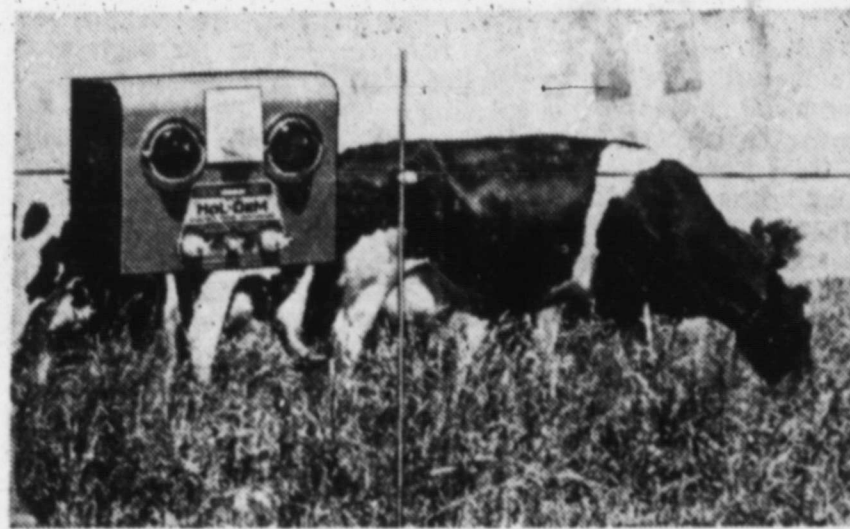

His pasture layout consists of six units divided and fenced all the way around with an electric fence. The dairy cows pasture on one plot only four nights. This system allows the grasses and legumes in the pasture to maintain a high level of vitality that keeps them growing fast and discourages weed infestation. Mr. Simpson has set a record for top production from sixty-five acres of land.

The building of an electric fence is further simplified because the fence is an open circuit.

The wire leads from the controller to any number of dead ends; therefore, current for cross fencing may be taken from any point on the fence wire. The circuit is completed through the ground. For this reason your electric fencing equipment need consist of only one wire (for cattle), properly insulated posts and an adequately grounded fence controller.

Experts caution not to use a home-made fence controller of any kind and to install approved units strictly according to the manufacturer's directions. An approved fence controller is designed to deliver only a small fraction of an ampere of electricity for a duration of a small fraction of a second. The current should be interrupted, on-and-off, with impulses carefully limited and spaced. A tested and approved controller makes your electric fence a safe, economical investment for your farm.

"My electric fence is inexpensive, easy to install and practical," says M. L. Simpson, Jr., Castro County, Texas. "I can take down and rebuild a fence for an entire pasture in a few hours because of the small amount of equipment that is needed. Iron posts are installed by merely pushing them into the ground by hand."

16-Year-Old Boy Preaching Here

M. L. Johnson, 15-year-old minister and musician is doing the preaching at the Church of God in Christ (Colored) on East North 5th street, which opened Wednesday and which will continue through Aug. 26, with services each night at 8:00.

Young Johnson not only preaches, but he plays the piano, blows the horn, and sings. Assisting him is his grandmother, Missionary Esther Hunt.

The public is cordially invited, and there will be special seats for the white visitors.

Rev. W. H. Robinson is pastor of the church. Geo. Favors is a deacon, and Sister Amy Brown is secretary of the church.

Mr. and Mrs. Grady Howard of Graham visited here the first of the week with his sisters, Mrs. Frank Hill and Mrs. Harley Henderson. Mrs. Howard taught in the local schools during the war.

Mrs. Ted (Joann) Corbet of Shreveport, La., where her husband is a Baptist minister, came Sunday for a visit with her parents, Mr. and Mrs. Clay Bennett.

Joe Bob Billman underwent minor surgery in Tahoka Hospital last Saturday.

Price Thomas Has Fine Farm Home At Grassland

This is the W. P. (Price) Thomas farm, located a half mile south of Grassland.

Lawrence Harvick was the first town reader, and Mrs. J. T. Tippit the first rural reader to identify it. Others included: Mrs. Roy Hefner, Ware High Jr., Larry Forsythe, Lydia Williams, Mrs. Sue Melton, Mrs. W. T. Havins, Johnny and Lonnie Wheeler, I. M. Draper, Mrs. Douglas Greer, Mrs. M. L. Thomas, B. L. Thomas, Ronnie Walters, Harry Short, Mrs. Claude Brown, Joe Brown, A. L. Norman, and Mrs. Price Thomas.

The Price Thomas home is one of the nicest farm homes in the county. It was built in 1937, and also is in one of the finest farming communities on the South Plains.

Mr. Thomas is one of the Thomas brothers of Grassland who own and operate the gin there and who are among most outstanding farmers in this area. They farm both irrigated land and dry land, and have pioneered and experimented with a number of farm practices long before they were taken up by and recommended by agricultural and soil conservation groups.

The Thomas family came to Lynn county in 1917 with their parents, the late Mr. and Mrs. W. R. Thomas, from Arcadia, Shelby county. The elder Mr. Thomas died more than thirty years ago, and the elder Mrs. Thomas died about 1933.

There were five brothers, Walter having died in the "flu" epidemic of 1918. The others, M. L. (Luther), E. A. (Auvy), Price, and M. C. (Claude) still operate the gin and farm at Grassland. Not only are all of them top farmers and business men, but they are top citizens of the area.

Mrs. Price Thomas is the daughter of the late Mrs. R. E. Choate of Aken, Shelby county, her father having died before she was born. She and Price were married in Shelby county in 1919.

Price bought his present home place in 1927 from the late H. P. Burkhalter, when the latter moved to Lubbock. This is a quarter section. He owns the half section immediately south, as well as several hundred additional acres of Lynn county lands.

Mr. Thomas has some fine Angus cattle in which he has every reason to be proud. He has experimented with permanent pastures, and now has some pasture in blue panic grass.

Naturally, he raises mostly cotton and feed on his farm acres. Although not old people, Mrs. Thomas says they were at Grassland before any of the present churches were built and before the school building was erected.

Grassland is the oldest community on the lower South Plains of Texas. The postoffice there was established in about 1890 by Enos L. Seeds, who had first come to the Plains with the rail-

road surveyors in 1878. After a few years at Grassland, he went to Philadelphia, where he later became one of the outstanding steel contractors of the nation and built one of the great bridges across the Hudson in New York City.

Price's hobbies are farming, hunting, and fishing. Mrs. Thomas says her hobbies are her church and her grandchildren—when she can get to see them.

The couple have two daughters. Hazel is now Mrs. Edwin Young of Lubbock, whose husband is in the insurance business there. They have one son, Eddie. Betty Grace is now Mrs. David W. Hall and she and her husband live in Anchorage, Alaska. They have one daughter, Thomasanna.

McCords Entertain Employees, Others At Fish Feast

Mr. and Mrs. H. B. McCord Sr. and Mr. and Mrs. H. B. McCord Jr. held their annual dinner for employees last Sunday afternoon at their cabin on Lake Thomas, southeast of Gail.

The fish dinner, with all trimmings, was served in the cabin yard at about 8 p. m. Watermelon was also served.

The group spent Sunday afternoon fishing, swimming, boating, and just visiting. Some of the more adventurous members of the party went water skiing.

The McCords moved a small house from Tahoka to their lots on the lake, remodeled it into a nice modernistic cabin, complete with furnishings, bath, screened porch, and other conveniences. Next door is the Claude Thomas cabin, and the two families have a boat dock near by.

Among those attending the party were: Mr. and Mrs. C. T. Ingle and Gene and Joretta of O'Donnell, Mr. and Mrs. Billy Ingle of Muleshoe, Dock Dockery and son, Donny, of Tahoka, Mr. and Mrs. Howard Teaff and son of Post, Mr. and Mrs. O. L. Norman and two daughters of Grassland, Mr. and Mrs. Vernon Kelley and two children of Tahoka, Mr. and Mrs. John Hansard and baby of Brownfield, Miss Dolores Brown and Leroy Schulle of Tahoka, Mr. and Mrs. Clyde Spruiell and two sons of Tahoka, Jessie Carrol McCarty of Tahoka, Lynn Kelley of Hobbs, N. M., and the McCords.

COMANCHE REUNION

Tribute Is Paid Jim Gannaway

Ordinarily, The News does not publish poetry, or verse, but due to circumstances involved we are publishing below some verse from the pen of Mrs. C. E. Gannaway, route 4, in honor of her son, Jim Gannaway, killed in a motor vehicle accident in France a few weeks ago.

My Boy Jim
I always knew there'd come a day when my boy would go away.

But I always thought of some distance date, and half believed this thing called fate would keep him with me, would favor give, and delay the parting while I should live.

But I was wrong, as I knew too well, when in the mail the papers came with a note and a sad tale to tell. It started, "Dear Mom, if you love me you will sign (Con't on back page, Sec. 2)

Here's why we say New Chevrolet *Task-Force* Trucks are the most **Modern** trucks for any job today!

WORK-STYLED LIGHT- AND MEDIUM-DUTY MODELS have their own fresh, functional appearance.

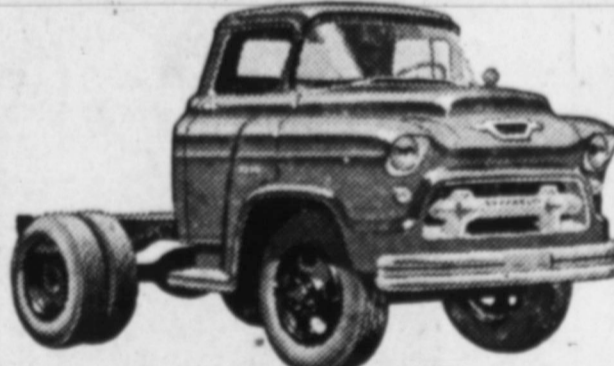

WORK-STYLED HEAVY-DUTY MODELS look every bit as husky, efficient and modern as they are.

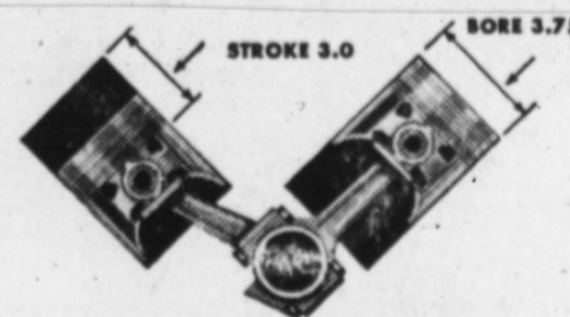

MOST MODERN V8's in the industry. Standard in Low Cab Forward models, an extra-cost option in all others except Forward Control models.

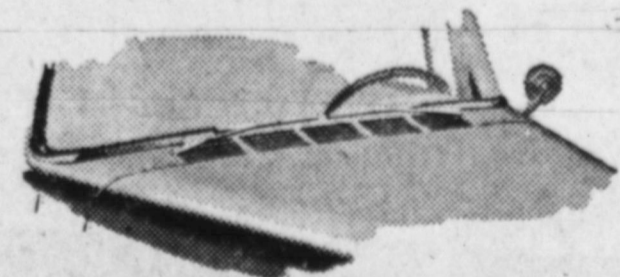

PANORAMIC WINDSHIELD sweeps around the corners to give you a wider, safer view of the road ahead.

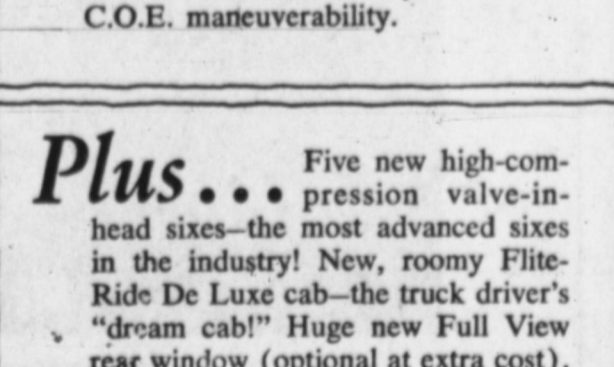

REVOLUTIONARY NEW L.C.F. (Low Cab Forward) is much lower than former C.O.E. models yet it offers C.O.E. maneuverability.

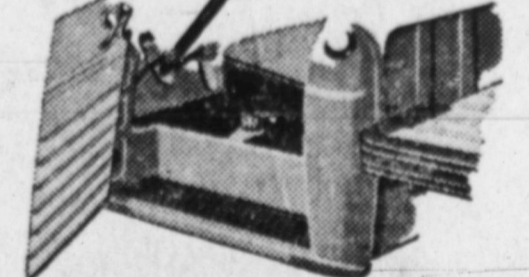

OVERSQUARE DESIGN means less piston travel... longer V8 engine life.

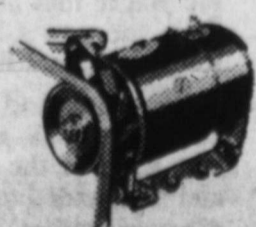

HIGH-LEVEL VENTILATION provides a more constant supply of outside air.

Plus... Five new high-compression valve-in-head sixes—the most advanced sixes in the industry! New, roomy Flite-Ride De Luxe cab—the truck driver's "dream cab!" Huge new Full View rear window (optional at extra cost).

NEW CONCEALED SAFETY STEP stays clear of snow, ice and mud for greater safety regardless of the weather.

NEW 12-VOLT SYSTEM delivers double the punch for quicker starting and finer performance.

NEW CAMEO CARRIER is the flagship of the Chevrolet truck fleet! It's the first truly beautiful truck ever built!

These are just a few of the reasons why new Chevrolet trucks are the most modern trucks for any job today. Come on in and see why these great new trucks will save hours and dollars on the job! Come see why anything less is an old-fashioned truck!

"OLD RELIABLE" INTO A FLASH OF FIRE!

Great Features back up Chevrolet Performance: Anti-Dive Braking—Ball-Race Steering—Outrigger Rear Springs—Body by Fisher—12-Volt Electrical System—Nine Engine-Drive Choices in all models.

Take a drive in the new Chevrolet and see how new the new Chevrolet really is. We can almost guarantee that when you try it, you'll think you're driving a car costing twice as much. "Old Reliable" is red hot.

We wager that the first thing you'll say when you drive the new Chevrolet is: "Who changed 'Old Reliable' into a flash of fire?"

For years and years, Chevrolet has given you those qualities of materials and workmanship that make it the best investment in its field... and now added to all that is sizzling performance!

Proof? You bet. In official NASCAR® Trials Chevrolet out-accelerated all low and medium-priced cars and every high-priced car but one!

Yes, sir! Flash of fire! That's why we ask you to try Chevrolet before you buy any car.

Does This Constitute Waste?

The above picture was made of a milo field with rows 9/10ths of a mile long and with no steps taken to keep irrigation water from emptying into county road bar-ditch.

This picture of water produced for irrigation uses was made after following the water for 7 1/2 miles from point where it left the land upon which it was pumped.

IMPORTANT NOTICE!

Waste of underground water as defined in Texas Law was amended in the 1955 session of the Legislature by adding the following section:

"(a) WILLFULLY CAUSING, SUFFERING, OR PERMITTING UNDERGROUND WATER PRODUCED FOR IRRIGATION OR AGRICULTURAL PURPOSES TO ESCAPE INTO ANY RIVER, CREEK, OR OTHER NATURAL WATER COURSE, DEPRESSION, OR LAKE, RESERVOIR, DRAIN, OR INTO ANY SEWER, STREET, HIGHWAY, ROAD, ROAD DITCH, OR UPON THE LAND OF ANY OTHER PERSON THAN THE OWNER OF SUCH WELL, OR UPON PUBLIC LAND."

Farmers Desiring Mexican Nationals For Fall Must Sign Up Quickly

Farmers who intend to use Mexican National laborers this fall must sign the necessary papers immediately, with some farm labor association, according to Ed McDonald, regional director, U. S. Department of Labor, Dallas.

The following statement on the use of Mexican Nationals was received by Carl Jones of Post, president, and E. L. Short of Ta-

hoka, secretary, of Grassland Farm Labor Association, which has secured workers for farmers in 10 South Plains counties.

McDonald writes: "This is to advise that during the period of Sept. 15 to Dec. 15, 1955, this office will not approve Forms ES-342-A for new members, or members desiring to transfer from one association to another.

"It is suggested that you secure approved Forms ES-342-A prior to Sept. 15, for all your members who may use Mexican workers during the 1955 cotton harvest.

"A review of all data submitted by the members for certification of need for foreign workers by each association will be under review during this period and it is necessary that each organization's membership remain in status quo insofar as the use of contracted Mexican Nationals is concerned—without change by additions or transfers—to facilitate our audit of the acreage and housing information.

"Members of your association who are not approved to use Mexican workers prior to the above date may, if eligible, contract as individuals in their own name, if domestic workers are not available.

"As you know, the assignment of workers to a grower prior to your receiving the Form ES-342-A, approved by this office, is not permitted."

TAHOKA PIONEERS WILL OBSERVE 60TH WEDDING DATE

Mr. and Mrs. W. H. Robison of 1211 Ave. H, Abernathy, pioneer citizens of Tahoka, will observe their 60th wedding anniversary in their home Sunday, Aug. 21, from 2 to 5 p. m., and invite all their old Lynn county friends to call.

Mr. and Mrs. Robison and three children moved to Lynn county in 1902, before the county was organized. In 1904, he was elected County Treasurer, in which office he served four years, and later farmed in the northeast part of Lynn county.

They moved to County Line, near Abernathy in 1920, and have lived in that area ever since.

Mr. Robison went with his parents to Castro county in 1890. There was no farming on the Plains then, and they got their supplies at Amarillo, 55 miles away. There were only 125 people in Castro, and the county was then unorganized. There were possibly not more than this in Lynn county when he came here in 1902.

J. E. Ketner Tells Of California Trip

J. E. Ketner, 89, pioneer Lynn county citizen, returned home last week from a visit with four of his children who live in California. He made the trip alone by train to and from California.

He reports he had a great time and enjoyed the forests, the fine crops, a visit to a ghost town or two, and many other sights.

At Helena, Calif., about 80 miles north of San Francisco, he visited a daughter, Kate, and family, Mr. and Mrs. Elmer Coughran, who left Tahoka about 30 years ago and have amassed a small fortune on the West Coast. He owns a fine tourist court, and right now is building a 33-residence project according to government specifications.

He did not go to Fort Ord, Oregon, to visit his son, Toy, but Toy came by and visited him as he is moving to Pasadena, Calif. Toy is in the dairy business, but recently sold his little herd of

nine cows for \$3,600, and will manage a dairy at Pasadena. Toy acquired 120 acres of land out there for only \$2.00 an acre, and now a town is building on part of it.
At Napa, he visited his daughter, Perle Price, who is working in the office of a large pipe manufacturing firm.
Near Los Angeles, he visited another daughter, Mrs. Ruth Sherrod, and husband, Carl at La Habra. Carl works for a rubber company, but has also acquired some property that has increased in value tremendously.

CARD OF THANKS

We greatly appreciate the flowers, visits, get-well cards, and especially the kind care given me by the doctors and nurses at Tahoka Hospital, and B. L. Parker Jr. for the blood transfusion. Thank you, all. —Mrs. Lonnie Turner.

Hale SCS Wins District Award

College Station, Austin—Six Texans have been winners in a national soil conservation district awards program. According to Jack Barton, extension soil and water conservationist, the list was released by the Good-year Tire and Rubber Company, sponsor of the program.

The Hale County Soil Conservation District was named outstanding in Area one and Homer Robinson of Petersburg, chairman of the district board, as their representative. I. B. Rankin, Rt. 2, Plainview, was named as outstanding farmer-cooperator in the district.

Area II's outstanding district was Frio and their representative was Henry J. Hardcastle, Jr. of Derby. Harry Bennett also of Derby was selected as the outstanding farmer-cooperator.

Winning district in Area III was Gillespie County which Fredricksburg as its governing named Adolph O. Kneese, Rt. 2, body representative and Raymond Spaeth of Harper as outstanding cooperators.

The six Texans, says Barton, along with 94 winners from the other 47 states will be guests of the sponsor on a trip and vacation to Goodyear Farms, Litchfield Park, Arizona. This will come in November or December.

Barton says the program is now in its third year and that after March 31, 1956 another group of outstanding conservation directors and farmers would be named.

DISPLAY OLD PENNY

G. W. Glenn last week showed The News a U. S. Penny minted in 1855, one hundred years ago. The coin was almost as large as a half dollar piece.

The coin belonged to his daughter, Mrs. Kitty Roby of New Orleans, who is here on a visit. Mrs. Roby acquired the coin in that city.

BUTANE FIRE DOES DAMAGE TO TRACTOR

Troy Copelin requests The News to publicly express his thanks to Tahoka Fire Department for their run to his farm six miles north and one west of town a week ago Monday to extinguish a tractor fire.

A Negro hired hand, Douglas Bradley, was filling the tractor with butane when the highly inflammable fuel was somehow ignited. Luckily, Douglas was not burned, and only minor damage was done to the tractor. The damage included melting of connections to the tank and the burning of rubber hoses on the machine.

He greatly appreciates the fact that the fire boys went to the scene and extinguished the blaze before further damage was done.

The real name of S. S. Van Dine, famous mystery writer, is Willard Huntingdon Wright.

Look! we've never made it easier for you to say "yes"

Our high allowances for trades are based on higher volume (Mercury sales are breaking all records). Our terms have never been easier (tailored to fit any budget). And remember—Mercury prices start below 13 models in the low-price field.* So why settle for a smaller, less powerful car when it's so easy to own this big 188-horsepower Mercury? Stop in and hear our offer today.

*Based on comparison of manufacturers' suggested MSRP or factory retail price, using a Mercury Custom 2-door Sedan.

SEE WHAT YOU GET WHEN YOU MOVE UP TO MERCURY

- Exclusive styling, Mercury's beauty is fresh, distinctive—shared by no other car.
- A bigger car all over. For bigger than "low-price" cars—in length, width and wheelbase.
- Super power and torque. The lowest cost Mercury (the 188-horsepower Custom shown above) is the most powerful car at its price. And you get 198 horsepower in the Montclair series. This is usable power (torque)—and it's up as much as 30% in all speed ranges for brilliant new pickup and passing power.
- Extra luxury. Instead of ordinary upholstery, you get special fabric, patterns and color combinations.
- Extra-value features at no extra cost. Dual exhausts on 6 out of 11 models, 4 barrel carburetors, new anti-fouling spark plugs, ball-joint front suspension—and many others.
- High future trade-in value. Mercury consistently leads its field for resale value.

Left to right are: Rev. Wilson V. Hill, Robstown, Convention manager; Dr. Marcus Rieke, Columbus, Ohio, Youth Director, American Lutheran Church; Dr. E. W. Schramm, Columbus, Ohio, Editor of Lutheran Standard, Bible Study leared, at the convention.

College Station — Four thousand young people from the United States and Canada will attend the 12th biennial convention of the International Luther League of the American Lutheran Church, August 23-28, at Texas A. and M. College, College Station, Texas.

In the business session of the convention, which is being held during the 25 anniversary year of

the American Lutheran Church, the young leaders will discuss problems and questions associated with juvenile delinquency and youth in politics. "God's Love-My Life" is the convention theme.

Features of the convention will be a 1,000-voice choral group, a 66-voice youth choir, a 32-piece brass ensemble, an anniversary pageant, a "Texas Day," and a special built western town on the A. and M. Campus.

Speakers at the convention will include Dr. E. W. Schramm, editor of the Lutheran Standard; Dr. George S. Schultz, Director of Stewardship and Finance of the American Lutheran Church; Dr. Marcus Rieke, American Lutheran Church Youth Director; and Rev. Chester M. Patten, Assistant to the Youth Director of the American Lutheran Church, all of Columbus, Ohio; and Rev. Gordon Huffman, Butler, Pa., and Rev. William L. Nies, Detroit, Michigan.

Representing St. John Lutheran Church of Wilson at the Convention will be Miss Eileen Macker, Mr. Chris Gindorf, and Pastor and Mrs. Malcolm E. Hoffman.

these," and went on to say he wanted to join the Army and go to camp. I just couldn't finish, as my eyes were damp. The day did come for him to go; I dashed to Lubbock, for he wished it so. I could hardly talk, could hardly smile, for my thoughts were on him all the while. Some nights whenever my sleep was slow, I would get from my bed and to the window go.

I looked to the sky and the great Northern Star, which was near me and yet so far, and I knew that Jim could see that star, whatever he was doing and where ever he was.

Then, I thanked God who created the earth. He made all the pleas, and gave us our birth. He intended that people should all live as friends and not war against each other for personal ends.

And, then, over and over again, I would lift up my eyes and ask this silent prayer to God in the skies: "God of the universe, God of us all, Stay by Jim lest he stumble and fall. Guard him and guide him. Protect him from sin. Help him to know thou art next to his arm and will always direct him and always be near to solve all his problems and erase all his fears."

—Jim's Mother, Mrs. C. E. Gannaway.

Bank Is Not Map Factory

(By Ben Moore) Back in 1910, we were standing in the old wooden bank building, in Tahoka.

Homeseekers from back east were daily moving toward New Mexico in search of "homes," sweet homes. Others were headed east, back toward their land of nativity—convinced that they should never have made the start toward the west—no wood, no nothing.

We have some of that very stock of people here, today. A few stuck it out in New Mexico. Their old caved-in dugouts can be seen all over eastern New Mexico, most of the fellows having sold to later ranchers.

Back to the First National, of Tahoka: Bill Nevels was in charge. Two sheepish looking fellows eased into the bank—they were headed to the west.

One of them finally asked Bill, "Do you have a map?"

Now, Bill was a cowman, not a farmer—had no notion of ever being one. His answer was, "Map? What the — do you think this is, a — map factory?"

The two nesters disappeared, and Temp Skinner, a great friend of Bill's, said, "Bill, don't you know that such talk will ruin our business."

His studied reply was, "H—, we have too much business, now." There was a terrible drouth on then. We've seen several others since. There will be still others.

Mrs. Leslie McNeely and Mrs. Douglas Greer, returned recently from Webster, Florida, where they visited their father, who is seriously ill. They were accompanied by Mrs. Bill McNeely, and Mr. Greer who went down to later drive them back home.

Senior Camp Set At Ceta Canyon

Canyon—Northwest Texas Methodist Conference senior high youth, who attend the senior camp held at Ceta Canyon near here Monday, Aug. 22, to Friday, Aug. 26, have been promised "a camp in the true sense of the word, an experience in small group living."

Jane Kern, educational director at Polk Street Methodist Church, Amarillo, reports that about 80 youth have registered. She says that groups will be made up of seven boys and seven girls with a man and woman counselor. They will plan their own activities for the morning and afternoon, building them around daily Bible study, two

LARGE CROWD AT REUNION OF BLANCO AND BURNET

Attending the Blanco-Burnet county reunion Sunday in Mackenzie Park were 150 people from points in New Mexico and as far down in Texas as Lockhart and Fredericksburg.

Prizes were awarded to the oldest man and woman attending. Walter Phillips of Lubbock, formerly of Tahoka, is 80, and Miss Louise Fuchs of Arlington, born at Cypress Mill, is 81.

Miss Fuchs told of visiting Plainview at the turn of the century the trip up from Marble Falls requiring more than four days.

Fritz Struve, "mayor" of Abernathy, came to the section about that time.

Mr. and Mrs. A. C. Weaver were recently in Aztec, N. M., to visit their son, Bobby, and family. While there, Mrs. Bobby Weaver received a message notifying her of the death of her father in Oklahoma City.

cook outs, one breakfast and one supper, a picnic and hiking.

Each evening is to be closed with a period of recreation for the entire group and a devotional thought presented during a friendship circle. There will be time for worship in the out-of-doors by the entire group as well as small groups and individuals.

Camp staff members will include: Rev. and Mrs. Jack Riley of Trinity Methodist Church, Snyder; Fae Marie Beck, educational assistant at First Methodist Church, Borger; Rev. and Mrs. Johnny Rakestraw of First Methodist Church, Turkey; Louise Brunton, Amarillo; Rev. Hugh Daniel, First Methodist Church, New Home; Gene Tucker, youth director at First Methodist

Church, Amarillo; and Miss Kern.

IT'S PERFORMANCE THAT COUNTS!

CAPTAIN JOE S. ANDERSON tells why he uses Flite-Fuel

"I'm Captain of an American Airlines DC-7 Flagship. I know that Phillips 66 Aviation Gasoline is outstanding for performance because we use it regularly. In 'Avgas' it's performance that counts . . . and I judge automobile gasoline the same way.

"In my car I use Phillips 66 FLITE-FUEL. FLITE-FUEL is the only automobile gasoline with added Di-isopropyl, a high-powered aviation fuel component. It gives wonderful performance in my car."
