Volume 52

Tahoka, Lynn County, Texas, Friday, November 4, 1955

Number 4

Crops Damaged By First Hard Freeze

The first hard freeze of the winter came Thursday morning, when the thermometer dropped to 24 degrees. A light freeze Sunday morning just about killed the rest of the cotton leaves, stopped growth of feed, and will cause a big reduction in the size of the grain crop. Although most cotton had "done its do," much of the maize crop needed more time. In fact, the freeze will prevent some maize from maturing and will reduce the harvest on thousands of acres of other late maize.

Frost came abnormally early this year. There was a light frost in spots on October 7, but practically no damage was done then. On October 24 and 25, heavier frost but also spotted covered most of the county killing cotton leaves but damaging grain practically none.

Normal date for a killing frost in Tahoka averages November 11. The light freeze Sunday morning, when the thermometer dipped to 30 degrees, further nipped cotton as well as feed.

Rainfall in Tahoka during the first four days of October, the only measurable moisture of the month, amounted to 2.03 inches.

This brought the total precipitation for the year to 16.96 inches in Tahoka, with most of this falling in May, July, September, and October. Total for the year is running slightly below the 40-year average.

Christmas Lighting Contests Planned Again This Year By Tahoka C-C.

Plans for lighting and decoration of Tahoka during the Christmas season were made at a business session of the Chamber of Commerce Thursday night of last week.

Cash awards will again be made for the best decorated homes and business institutions, these being \$15.00 in each case for first, \$10.00 for second, and \$5.00 for third. Also, a \$5.00 prize will be given for the best decorated door in a home.

Colored lights will again be strung from the court house, with Fred McGinty, Herman Heck and Mitchell Williams on the decorating committee.

A "Nativity" scene will also be built as part of the court house decorations, with Alton Cain, H. W. Carter, Perry Walker, and Dr. Emil Prohl in charge of this.

The Christmas program will be handled by a committee composed of Winston Wharton, W. B. Slaton, and A. M. Bray.

Following a talk by Roy Edwards, Tahoka's director on the Canadian River Municipal Water Authority, on the importance of the project to this town and the importance of getting out the vote in next Tuesday's election, the C. of C. board voted unanimously to endorse the Canadian River project.

Some action was urged on making the Highway 380-Santa Fe railroad crossing more safe to motorists, in view of two near-fatal wrecks at the crossing recently.

The directors voted to buy C. of G. membership plaques for 1956 similar to those now in use.

A financial report from Otis Spears showed the C. of C. had \$769.06 on deposit, before drawing November drafts, and that one new member had come in during the past month.

Present at the meeting were Johnnie Reasonover, president, and directors Mitchell Williams, Herman Heck, A. M. Bray, W. B. Slaton, Wynne Collier, Fred McGinty, and Winston Wharton.

35,000 Bale Total Ginning Near

Lynn county cotton ginners are nearing 35,000 bales, The News estimates.

Up to 10 a. m. Thursday, the five Tahoka gins had turned out 6,123 bales from the 1955 crop.

O'Donnell had ginned 6,341 up to Tuesday, according to O. G. Smith of the O'Donnell Index-Press.

More hands are needed badly by Lynn county farmers to get out the crop. Since the hard freeze, many will be forced to wait and use mechanical strippers.

Cotton is currently bringing from 28 to 31 cents. Seed is bringing \$45.00 per ton.

Businesses Urged To Fly U. S. Flag

VFW Post No. 3905 of Tahoka asks all business houses and homes to display the United States flag on Veterans' Day, next Friday, November 11.

There will be a ceremony by the VFW Post and Auxiliary at the War Memorial located on the court house square.

A pirogue is a canoe made from a log or tree.

Scout Finance Drive At \$700.00

The annual Boy Scout financial drive is past the \$700.00 mark, but several workers have not reported, according to H. B. McCord Jr., auditor for the drive here.

One of the workers who has not turned in his money is reported unofficially to have about \$175.00.

Dr. Emil Prohl is in charge of the drive this year. A. L. Holder of Wilson reported \$272.50 raised there early this week with a number of people yet to be contacted. This is already a record for Wilson, the largest amount ever collected there before in a Scout drive being \$161.00.

Walter H. May, 85, Pioneer, Buried

The South Plains lost one of its finest citizens with the death Friday night at about 11:15 of Walter H. May, 85, a pioneer of Lynn county.

Mr. May had been ill three or four months at his home at 3311 24th street, Lubbock, to which place he moved from the farm home near Wilson in December, 1950. The family had known for some time he had no chance of recovery.

Funeral services were held at 2:30 p. m. Sunday in the First Baptist Church of Lubbock with Dr. J. Ralph Grant, pastor, officiating. (Continued On Back Page)

Canadian Dam Bond Election Scheduled For Next Tuesday

VFW Post Wins District Honor

Tahoka VFW Post 3905 was declared winner of the membership drive contest at the Veterans of Foreign Wars District 7 encampment held in Lubbock Saturday and Sunday, Oct. 29 and 30.

The contest is held each year among the VFW posts of the South Plains, and this is the second year the local post has won top honors in its drive for members.

As a reward for this accomplishment, the Post will be entertained and fed by the entire district in any manner selected and on the date desired.

Commander Roy Askew states this subject will be the main order of business at the next meeting of the Post.

Another item of interest from the Encampment is the announcement from Tom Everheart, district commander, of the appointment of Albert Curry of Tahoka as Department of Texas Deputy Inspector. Curry will represent the Department in inspecting and advising the several VFW posts in this part of Texas.

The following people from Tahoka attended and took part in the convention: Roy Askew, Albert Curry, Mrs. Pauline Smith, Mrs. R. L. Richardson, Mr. and Mrs. J. B. Oliver, and Mr. and Mrs. N. T. Conner.

TOM GARRARD

Tom Garrard, 75, Dies Tuesday

Tom Garrard, 75, prominent Texan, attorney, and a citizen of Tahoka for 22 years, died of a heart ailment in Tahoka Hospital at 5:30 a. m. Tuesday. He had suffered his latest attack Thursday night, and seemed to be doing well Monday, but that night took a turn for the worse. Although in ill health for several years, he had remained active up until his last heart attack.

Funeral services were conducted Wednesday at 3 p. m. in the Tahoka Church of Christ with the local minister, Doyle Keely officiating. Burial followed in Tahoka Cemetery under the direction of Stanley Funeral Home.

Tom Garrard was born near Cooper, Delta county, Texas, the son of an ex-Confederate soldier. (Continued On Back Page)

New Leader For Cub Scouts

A. G. Meadows, watchmaker at Woods Jewelry, has been named the new cubmaster of the Tahoka Cub Scouts, and a more active program of Cub Scout work is being planned for the troop.

Lee Roy Knight is the assistant cubmaster. The local troop now has 44 boys enrolled, and at the meeting Thursday night of last week at the WOW hall it was decided to divide Den 3 and form Den 5 so that there will be room for more boys.

Leaders in the work expect the group to grow in the coming months. All boys and parents of boys eight to ten years of age are invited to visit with the troop. Anyone interested in becoming a Cub Scout may contact Mr. Meadows at the jewelry store.

Following are the Den mothers: Den 1: Mrs. J. B. Stewart. Den 2: Mrs. Otis Curry. Den 3: Mrs. D. R. Jenkins, with Mrs. Kermit Brown as helper. Den 4: Mrs. R. G. Medlin; Mrs. G. C. Wells helper. Den 5: Mrs. Alton Greer; Mrs. Calloway Huffaker, helper.

Singing Planned Here On Sunday

The public is invited to a singing convention at the Tahoka Church of the Nazarene Sunday afternoon at 2 o'clock.

Special singers will be present from several churches and surrounding towns. Also, Colored choirs of the Tahoka and Lamesa Negro Churches will present some numbers.

Rev. Ray Smith, pastor of the Church of the Nazarene, extends a personal invitation to everyone who enjoys group and special singing.

Bulldogs Will Play Slaton In Final Home Grid Game

The crippled Tahoka Bulldogs meet the Slaton Tigers here tonight in the last home game of the football season. The team goes to Floydada Friday of next week and closes the season at Spur the following Friday.

Gordon Smith, Tahoka's quarterback, suffered a pulled ligament in his right shoulder in work-out Tuesday afternoon, and is definitely out for the remainder of the season.

His understudy, Karl Prohl, suffered a broken finger in the Abernathy game, but may see limited action of defense.

Fullback Donald Blair, was unable to play against Abernathy because of a kidney injury and will not likely see action against Slaton. His replacement, Donald Renfro, is also out with a broken finger.

Guard Ware High, who has some fractured ribs, will also miss the game, or see only limited action.

Slaton has also been plagued with injuries all season, but it is said all but two of their boys are now in top condition.

Coach Homer Tompkins started the season with an inexperienced squad. They have an unimpressive record of eight defeats, but they are a scrappy bunch and fight all the way. In fact, though finally outclassed they held Spur to 7 to 0 until nearly halftime. Also, they tied Floydada 0-0, although losing on penetrations.

Ends will probably be Alex Franco, 150, and Phil Pearson, 150; tackles, Don Wright, 250, and Dale Gordon, 170; guards, Tracy Crawford, 165, and Henry Adamek, 150; and center, Alfred Blissard, 180.

In the backfield will be Wen-

GORDON SMITH

dall Akin, 134, quarterback; Roland German, 145, fullback; Jerry Don Ross, 158, and William Enox, 140, halfbacks.

Coaches Bill Haralson and Dean Wright plan on running Jimmy Harter or Bobby Jones at quarterback, and Floyd Brasher and W. H. McNeely may see action as backs, along with Jerry Williams and Ted Fridmore.

Wreck Victim In Dallas Hospital

Lucas Gonzales of Lamesa, the man critically injured in a collision with a Santa Fe train here two weeks ago, is now under the care of a neurosurgeon in Dallas.

After remaining unconscious in Tahoka Hospital for a week, he was sent by local physicians last Saturday to Methodist Hospital in Lubbock, and they, in turn, sent him to the Dallas specialist.

No word had been received Wednesday by the local hospital as to his progress.

Lynn County "Mystery Farm" Number 68:

This is some Lynn county farm home? First town and first rural reader to call The News and correctly identify it will each receive six month's credit on their paper. Also, a free enlargement of the picture will be presented the farm owner on calling at The News.

Next Tuesday Tahoka, along with other Plains cities who are members of the Canadian River Municipal River Water Authority, will vote on the proposal to issue \$74,800,000 in revenue bonds for the purpose of building a dam on the Canadian river and conveying water to the member cities.

In Tahoka, the polling place is the City Hall, and J. M. Small has been named the election judge. His clerks will be Mrs. H. B. Howell and Mrs. John Fulford.

Only qualified voting citizens of Tahoka who own taxable property may vote in the election here.

Member cities of the Authority are Lubbock, Borger, Lamesa, Levelland, Slaton, Plainview, O'Donnell, Brownfield, and Tahoka. A majority vote of all the cities combined is required for passage of the bonds.

The revenue bonds, if approved, will be issued for a period of 50 years at an interest rate of not more than four percent. The bonds will be retired from revenues from sale of water to the member cities, and to industry or other cities under contract.

Amarillo and Pampa were originally in the plans for the project but withdrew in a disagreement with the other cities.

The Authority has made tentative arrangements for private financing of the project at a lower cost than that possible if Government financed, as proposed by Amarillo and Pampa.

Since the withdrawal of these two cities, it will become necessary for the Authority to dispose of water to private industry in order to bring the rates low enough for feasible operation. However, officials of the Authority feel they will have no trouble in this regard, as several other cities and industries are already interested in receiving water from the project.

If the bond issue carries, a dam will be built on the Canadian river near Sanford, Hutchinson county, to impound nearly a million acre feet of water from this stream. The lake would be 18 miles long and three miles wide. Treatment and filtration plants would be built, and an aqueduct system, with booster pumps, would be laid to all the member cities. Estimates are made that water would be delivered, at the beginning, to each city at a cost of from 15 to 22 cents per thousand gallons, with this rate dropping over a period of years.

Most of the city members of the Authority are already faced with a water shortage and the others report their water supply diminishing rapidly.

Just a few years ago, Tahoka thought it had its water problem licked when it developed the water field three or four miles north of town and increased its storage facilities.

However, a rapidly rising demand for water in this town has used up the underground supply at an alarming rate.

Last summer, use by customers had to be limited. The last few weeks, several dry holes have been drilled, although the City finally did bring in another small well.

Mrs. Tankersley's Mother Is Buried

Mr. and Mrs. Hubert Tankersley were called to Bartlesville, Okla., last week end by the death at 6:05 p. m. Saturday of Mrs. Tankersley's mother, Mrs. John T. Taylor, 67.

Funeral services were held in Bartlesville Tuesday. She is survived by her husband, three sons, and two daughters.

The Taylors lived at West Point a year about 22 years ago, and she was known by several people here.

CRUSHED AND BROKEN, this 16-family apartment house in Waterbury, Conn., was left high and dry after the rampaging Naugatuck River receded August 21. This was a sample of devastation in the flood which, according to the Red Cross, destroyed 1,326 houses and badly damaged 4,808.

Light Increases Egg Production

College Station, Nov.—The use of artificial lights to keep hens on the job for 13 hours each day during the short days of fall and winter is a management practice which pays dividends.

The extra hours of light are needed, says Ben Wormell, extension poultry husbandman for stimulating hormone production. Light picked up through the hen's eye stimulates a gland to produce and secrete the hormone. It is this hormone production which determines the amount of length of light exposure needed for top egg production, explains Wormell.

Clean 60-watt light bulbs located six feet above floor and 14 feet apart should produce enough light. A clean 12-inch shallow dome reflector used with each bulb will give good light distribution. The lights should be used over the entire house so that all hens will be exposed during the time the lights are on.

Wormell says most poultrymen find it convenient to use automatic timing switches for turning the lights on early enough each morning so the combined artificial and sunlight equals 13 hours before normal sunset. Gradual changes must be made in the setting of the time switch to take care of the decrease or increase in the number of daylight hours. Abrupt changes in the daily length of artificial lighting may upset the hens enough to cause them to molt and lay fewer eggs.

The poultryman advises keeping the lights on all day when the weather is cloudy or rainy. Many egg producers have seen their hens drop in egg production about a week after a several day period of cloudy weather. And finally, Wormell cautions the poultryman not only to check the length of daylight but also the intensity of light during the 13-hour period.

The Panhandle-Plains Museum on the campus of West Texas State College is recognized as the finest such regional museum in the Southwest.

The first indoor rodeo in the world was held in Fort Worth as a feature of the Southwestern Exposition and Fat Stock Show.

Former Citizen Has Heart Attack

W. L. Banks, formerly of the Edith community now living at Bushnell, Florida, suffered a severe heart attack a little more than two weeks ago and was in a critical condition for several days. He is improving slowly, but will be in the hospital several more days.

Mr. Banks is the father of Mrs. Douglas Greer, route 1, and Mrs. Leslie McNeely of Tahoka.

Mrs. Greer says she thinks a card and letter shower from Mr. Banks' old time Lynn county friends would help cheer him up and might aid his recovery. He may be addressed at Jackson Memorial Hospital, Dade City, Florida, or at his home, Route 1, Webster, Florida.

WAC AT WORK—Private Nancy G. Lynch, Cambridge, Mass., puts the finishing touches on a poster in the Training Aids Branch of The WAC School, Fort McClellan, Ala. Here are made visual training aids used in instructing WAC basic trainees, clerical workers, non-commissioned officers, officer candidates, and officers in basic and advanced courses at the new WAC Center.

CARD OF THANKS

We extend our sincere appreciation for the many kindnesses extended during the illness and death of our loved one. The words of comfort, delivered in person, by card, or letter, the beautiful flowers, and every other expression and act of kindness make our burden of sorrow easier to bear. May God bless each of you, is our prayer.— Mrs. W. H. May and family.

VETERANS' DAY, 1955

Proclamation by the Mayor of the City of Tahoka.

Whereas, the President of the United States has issued a proclamation calling upon all the citizens of this Nation to observe Friday, November 11, 1955, as Veterans Day to commemorate and to pay appropriate homage to the veterans of all wars of this Nation who have contributed so much to the preservation of this Nation; to solemnly remember the sacrifices of all those who fought so valiantly on the seas, in the air, and on foreign shores to preserve our heritage of freedom, and

Whereas, the Governor of the State of Texas by proclamation has further requested all citizens of the State of Texas to observe Friday, Nov. 11, 1955, as Veterans Day.

Now, Therefore, I, Clint Walker Mayor of the City of Tahoka, Texas, do hereby call upon all the citizens of Tahoka to observe Friday, November 11, 1955, as Veterans Day. I request all citizens of this City, business enterprises, veterans' organizations and city officials to assist the State Committee for the observance of Veterans Day in every way possible for the observance of November 11, 1955, with appropriate ceremonies.

In Witness Whereof I have hereunto set my hand and caused the official seal of the City of Tahoka to be affixed.

Done at the City of Tahoka, this 3rd day of November, 1955.

CLINT WALKER,
Mayor

Nevill Family Attends Reunion

Mr. and Mrs. Joe L. Nevill and son Everton and Joe's sister, Mrs. Laura Lewis, recently returned from Houston, where they visited M. L. Goff and family, and from Fort Sam Houston, where they attended the Cherry Reunion, Mrs. Cherry being Joe's grandmother.

"This reunion has been an annual affair for a hundred years by the Cherry generations," Joe says. "At this reunion we met people we had never met before." Joe observed in telling of their trip, "but they made us feel at home with their hospitality. They spread a sumptuous lunch at the noon hour. We were met there by my sisters, Mrs. Annie Head, Harlingen and Mrs. Callie George of Lubbock, formerly of Lynn county.

"We also spent a day in Galveston sight-seeing, and went to Willis in Montgomery some forty miles north of Houston, where my sisters and I were raised and where we lived before coming to the plains. We also visited relatives at Coldspring in San Jacinto county, and stopped over in San Saba on our way home and visited Mrs. Joe L. Brown, Mrs. Nevill's sister.

The Nevill family brought home with them two group pictures of the reunion which they attended, and the photograph of a painting of a distinguished ancestor of Joe's, Aaron Cherry Sr., who was born in Virginia in 1746, thirty years before the American Declaration of Independence was written. Of French and Irish descent, he has the bearing of a very distinguished man, and Joe is naturally very proud of the picture. Also he has a life sketch of this ancestor written by a descendant, Homer Cherry, who gives much information about still earlier ancestors of the Cherry families and of Joe L. Nevill, all of which is very interesting but which we can not publish for lack of space and because of its remoteness from our own times.

Gordon News

MRS. EARL MORRIS
Correspondent
Minister John White, Supt of Church of Christ Orphans Home, Lubbock, was speaker at the Gordon Church both morning and evening services and was a dinner guest of the R. L. Haglers. Mr. and Mrs. Chandler, parents of the home, brought 18 of the children down and attended Sunday night services at the Church.

Mrs. J. F. Rackler, the J. B. Racklers, and the Claud Ropers were among those who went to Plainview last Thursday to attend the funeral of J. M. McAnally. The services were held in the First Methodist Church, with the Rev. George M. Small officiating. The McAnally family lived in this community for a number of years. Friends of Miss Ora Mining took supper and went to her home

last Tuesday night and helped her celebrate her birthday and extend a welcome home to Miss Mining and her sister, Mrs. A. Warren and Mr. Warren. They received some lovely gifts. Those present were: Mr. and Mrs. Lewis Manly, Mr. and Mrs. J. O. Reed, Jr., and children, Mr. and Mrs. Claud Roper and daughter, and his mother, Mrs. Roper; Mr. and Mrs. R. W. Barton, Mrs. Robert Lee Hagler and Gene, and Miss Velma Hagler, Mrs. Fred Scott and Miss Ira Ruth Scott; Mrs. Ed Denton, Mrs. Max Jackson and Wayne, Mrs. J. F. Rackler, Mr. and Mrs. J. B. Rackler and Children, and Mrs. Earl Morris.

Mr. and Mrs. Clyde Shaw visited relatives in Levelland last week end.

Mrs. Howton Haire and Mrs. Ed Denton spent Sunday in Levelland with Mr. and Mrs. Buford Spence. Mrs. Haire and Mrs. Spence are sisters.

Barbara Brewer of Wilson was a Saturday night guest of Wanda Lee Hagler.

Members of Gordon Church of Christ met in the new home of the Leo Barkers last Wednesday night for a house warming. They presented the Barkers with a Westinghouse electric skillet and a lamp for the son's room.

The Charlie Dabbs are remodeling their home sheetrocking, painting, etc.

Children of the Sam Hamptons gathered at the family home last Sunday to celebrate the father's birthday. Those present were Mr. and Mrs. Chas. Hampton and children from Belen, N. M.; Mr. and Mrs. Altan Edwards and children and Rollin Hampton of

Slaton; Mr. and Mrs. Harold Hampton and children and Jiggs Hampton from Brownwood; Mr. and Mrs. Max Jackson and son, and Douglas Hampton on the home.

Mr. and Mrs. Arden Maeker and daughters of Lubbock visited his brother and family, the Ray Maekers, his parents the Hugo Maekers and Larry, and her parents the Earl Morrises last Sunday.

The Wm. Lesters are reporting another grandson. Parents, Mr. and Mrs. J. J. Duff of Levelland. The baby made his appearance in the Methodist Hospital Lubbock last Saturday, the 29th, weighed 8 pounds 6 ounces, and has been named Jerry Don.

The Gordon Quilting Club met with Mrs. Morris as hostess last Thursday. Nine members and Denis Duff were present.

Mrs. Olive King, Pat and Mike, came up from Camp Hood last week and visited her father, A. F. Davies.

Mr. and Mrs. Jack Stephens of Muleshoe were guests of the Wilbur Fields last Sunday.

Mr. and Mrs. Martin Edmunds and their daughter, Mrs. Sammy Wall were shopping in Lubbock last Tuesday.

Mrs. Wendell Saunders is reporting the marriage of her niece, Betty Ann Saunders to Alvin Gray in Fort Worth, last week. The bride's parents are Mr. and Mrs. Doyle Saunders and both grew up in this community.

Grandmother Saunders who lives in Slaton but is well known to people here, is reported to be able to be up after suffering a heart attack and spending some time in the hospital. She will be 90 years old her next birthday.

Pfc. Morris Goad Is In Maneuvers

Fort Hood, Tex.—Pvt. Morris E. Goad, 19, son of Lester W. Goad, Route 4, Tahoka, is scheduled to participate in Exercise Sage Brush, the largest joint Army-Air force maneuver since World War II.

The two-month exercise will be held in Louisiana starting in November. Some 110,000 Army troops will take part, testing the latest concepts of atomic, bacteriological chemical and electronic warfare.

Private Goad, a mechanic in the 575th Ordnance Company, is regularly stationed at Fort Hood, Tex. He entered the Army last March and completed basic training at Fort Ord, Calif.

CLEANER CLINIC

Granvel Ayer attended a Cleaners Clinic in Lubbock Sunday, at which he says new cleaning techniques were discussed and demonstrated, and handling of new fabrics was discussed. Also, new equipment was demonstrated.

A new Strato-Flight Hydra-Matic—coupled with Pontiac's 227-H.P. Strato-Streak V-8—results in performance so new and dramatic it must be experienced to be believed!

THE ALL-TIME SUMMIT FOR GLAMOUR AND GO!
You enter a joyous new era of motoring when the lure of Pontiac's glamorous new style of tomorrow gets you behind the wheel. Performance is so incredibly agile, so amazingly responsive that, if it weren't for Pontiac's size and comfort, you'd swear you were driving a new advance in sports cars. Touch the accelerator and that great General Motors "First"—silken-smooth Strato-Flight Hydra-Matic—teams up with Pontiac's wholly new Strato-Streak V-8 engine to unleash the greatest "go" on wheels! Pick yourself a hill and feel it disappear right under your wheels. Merely decide to pass that car ahead—and you've done it! Here's performance that's surely destined to "pull the props" from under well-established record holders. But performance is only part of the fabulous Pontiac story for '56. Everything about it brings a thrill! There's a new ride, new handling ease, colorful new luxury interiors, and the greatest safety ever engineered into an automobile. And as to style—well, a single look confirms the fact that Pontiac is again the most smartly distinctive car on the road—the one car that marks you as one who knows the best when he sees it. So come in today and drive this fabulous car. Sure as you love glamour—sure as you love "go"—you'll go Pontiac in '56!

New Home Exes Meeting Today

This is home coming day at New Home, and many ex-students of the school are expected back for the festivities.

The Exes are to meet in the New Home Community Center at 4:00 p. m., and at 6:00 they are to attend a banquet held in the gymnasium by the P. T. A. Everyone is invited to eat in the lunchroom. The plates will be \$1.00 for adults and 75 cents for children.

At 8 o'clock the New Home Leopards will play the Cooper Pirates in an eleven-man football game. At the half-time, the Ceremonial will take place. The football sweetheart is Roma Brewer, and her attendants are Jeanelda Renfro, Jerry Sue Milliken, Mary Barnett, and Bobbie Swinson.

There was a bon-fire Thursday night, and following this the New Home Pepsquad and football boys made a white float of napkins. The highlight of the bon-fire was a pep-rally and the burning of a Pirate. The bon-fire was sponsored by the Student Council, which also decorated the school on Tuesday night with posters.

The entire student-body of the school is looking forward to the homecoming of all Exes. The Exes Association has planned a program for the Exes' banquet, which will be served by the pep-squad.

The coaches of the New Home Squad are Hubert Williams, and Max Dickerson.

New Home's squad is composed of the following:

Fullbacks: C. L. Rogers, 175, junior; Joe Knight, 120, freshman; and Clarence Phelps, 125, freshman.

Quarterbacks: Jimmie Kieth, 155, senior; Larry Edwards, 100, freshman.

Halfbacks: Jimmy Dean, 150, junior; Jimmy Brown, 150, junior; Joe Milliken, 140, freshman; Nick Ford, 105, freshman.

Ends: John Snell, 150, junior; Kenneth Smith, 145, junior; Loamuh Harston, 145, junior; John Draper, 135, freshman.

Tackles: Ronnie Nettles, 145, junior; Gerry George, 165, senior; Durt Cowart, 210, junior; Kenneth Hartson, 155, freshman; Walter Gasper, 155, freshman.

Guards: Wendell Morrow, 150, junior; Wesley Dean, 150, freshman; Dwayne Goad, 145, sophomore; Gary Roper, 185, freshman.

Centers: Glenn Robinson, 150, senior; Joe Roper, 145, sophomore; Hermino Perez, 130, freshman.

Managers are John Ford, Norvin Nieman, and Jan Cagle.

New Home's colors are red, white and black.

CARD OF THANKS

May we extend our sincere thanks and appreciation for the cards, flowers, food brought in, and every word or act of kindness. Especially do we appreciate the care and kindness of the Doctors and nurses.—Mrs. Tom Garrard and family.

ROSE MARIE YANDELL

Rose Marie Yandell Will Marry Soon

Mr. and Mrs. D. F. Yandell announce the engagement and approaching marriage of their daughter, Rose Marie, to John C. Robinson, son of Mr. and Mrs. Ray Robinson, Wilson.

The vows will be read Sunday, Nov. 20, 1955, at 3:00 p. m. in the First Baptist Church of Wilson.

The friends of both families are invited.

Negro Gets Quick Trip To Prison

Ned Edwards, Negro farm hand, was not long in finding a boarding place for the next few years.

Sunday, Oct. 23, he was given a check for \$9.79 for farm labor by O. E. Terry. The Negro raised the check to \$90.79 by inserting an "0" and adding "ty" to "nine".

But, he was promptly arrested, charged with forgery, and placed in jail. Last Friday, five days later, the Lynn county grand jury indicted him. The same day he pled guilty before District Judge Louis B. Reed, who assessed his penalty at five years in the Texas Penitentiary. That afternoon, Sheriff Norvell Redwine was en route to Huntsville with him.

Redwine also carried to Huntsville Jesse Lee Ruffins, Lubbock Negro, who was assessed 18 years for murder as a result of the stabbing of another Negro here a few weeks ago.

Mariana McGinty In ACC Choir

Abilene, Nov. 3—Mariana McGinty, Abilene Christian College freshman from Tahoka, has been named to the Abilene Christian A Cappella Chorus and Women's Choral Club.

Mariana is the daughter of Mrs. and Mrs. Fred McGinty of Tahoka, and is a 1955 graduate of Tahoka High School.

The A Cappella Chorus sings under the direction of its blind founder, Dr. Leonard Burford, who is also head of the ACC Music Department.

Mission Work W M U Subject

The W. M. U. of the First Baptist Church met Monday at the Church for their 5th Monday meeting which consists of Community Mission work with 17 members present. The program was led by Mrs. Terry Noble. We opened our meeting with a special prayer for the shut-ins and the needy of our community by Mrs. L. M. Nordyke.

A 30 minute talk given by Mrs. Clifford Harris on the 75th anniversary pageant of the W. M. U. that was held this past week at the Texas Baptist Convention in Houston. We wish all ladies could have been present for it was such a good report on what our W. M. U. has done over a period of years and how it has grown and what wonderful work our foreign Missions are doing for the Lord and his people.

We had a short skit on Community Missions by Mrs. K. R. Durham and Mrs. W. P. Hutchison. We were dismissed in prayer by Mrs. G. B. Sherrod.

Next Monday the W. M. U. will meet in circles for Bible Study. The Wingo circle will meet with Mrs. J. C. Womack, teacher, Bro. Clifford Harris; The Sharpley circle with Mrs. John A. Roberts, teacher, Mrs. Roberts; Sallie Circle with Mrs. J. F. Toler, teacher, Mrs. H. P. Cavens; and the Walker circle with Mrs. H. B. Howell, teacher, Mrs. J. H. Kuykendall.

Let's each and everyone plan to attend this Bible Study.—Reporter.

Mrs. Bryan R. Stone Injured In Wreck

Mrs. Bryan Ray Stone, 19, was seriously injured and her husband received minor injuries when their car overturned on Highway 380 about 15 miles west of Tahoka Sunday night at about 8:30.

After receiving emergency treatment at Tahoka Hospital, Mrs. Stone was sent to a bone specialist at Methodist Hospital, Lubbock. She had a broken jaw, several teeth knocked out, a compound fracture of a lower leg, and other cuts and bruises. Bryan Ray received minor injuries.

Stone, who was driving, was attempting to pass a truck, when the car went out of control, rolled over twice, throwing her and his wife clear of the wreckage.

Bryan Ray is a son of Mr. and Mrs. Otto Stone.

B. L. Hatchell Is State Fair Winner

Almost too old to be news now are the results of the Pan-American Livestock Exposition held in connection with the State Fair of Texas October 8 to 16.

Results received by The News last week showed that B. L. Hatchell of Wilson placed 22 animals in every class of the Hampshire swine division.

Among the prizes won by Hatchell were second and fourth in the senior boar pig class, fourth and fifth in both the mature boar and senior sow pig classes, and third and fourth in the junior yearling sow class. In fact, he placed in every class of the Hampshire division.

SLONE AT HOME

Pvt. Lloyd Slone arrived home Saturday from "boot" training at Fort Ord, Calif., to visit his parents, Mr. and Mrs. Trueitt Slone of Wilson. He will report to Fort Bliss, El Paso, on Nov. 11 for 18 weeks schooling in guided missiles.

The official slogan of the Royal Canadian Mounted Police is "Maintain the Right."

Armadillos are always triplets and each set is either all male or all female.

Band Mothers Plan Benefit Jamboree

Tahoka Band Mothers Club is planning a "Home-Town Jamboree" in the school gymnasium here on the night of Tuesday, November 22, at 7:30 o'clock.

Preceding the show, there will be an old-fashion box supper open to everyone, and all the gals are urged to bring a box.

The Jamboree will include quartet singing, solos, novelty acts, skits, dances—in fact, any kind of performance any one may want to stage. There will be entertainment galore, with some quartets coming from Lubbock to participate in the show.

Admission will be 50 and 25 cents. Further details will be announced later.

PETTY HANDIWORK CLUB ELECTS NEW OFFICERS

The Petty Handiwork Club met October 27 in the home of Mrs. Roy Blevins. There were ten members and two visitors present. Secret Pal names were revealed, and names were drawn for Christmas.

New officers were elected, as follows: Mrs. Roy Blevins, president; Mrs. J. W. Schuknecht, vice president; Mrs. Jackie Wright, secretary and treasurer; Mrs. Faydeen Hill, reporter.

Next meeting will be November 10 in the home of Mrs. Irene Carpenter of Lubbock.

Cookies and cokes were served.—Reporter.

Gregarious animals live in flocks or herds.

Cafeteria Menus For Next Week

Monday: Tuna and pimiento cheese sandwiches, potato chips, lettuce, tomatoes, chocolate pudding, milk.

Tuesday: Pinto beans, buttered green cabbage, carrot sticks, corn bread, butter, orange half, milk.

Wednesday: David Crockett skillet dinner, buttered broccoli, jello salad, banana rice pudding, whole wheat bread, milk.

Thursday: Beef stew with vegetables, peanut butter and crackers, cherry cobbler, milk.

Friday: Toasted weiners, with cheese, cream potatoes, cabbage salad, hot rolls, apricot preserves, butter, milk.

**New Home Youths
Raise CROP Fund
On Hall**

Young people of the New Home Community raised \$84.88 for CROP Monday night, Halloween, instead of engaging in the usual pranks or "trick or treat" calls of the season.

CROP is the abbreviation name for Christian Rural Overseas Program, which aids the starving and ill of other lands. On cash contributions such as this, the U. S. Government matches the amount 20 times with surplus products. Much of this will buy powdered milk for the children of Korea and furnish treatment for

overseas peoples afflicted with tuberculosis.

The young people making the collection Monday night at New Home were from the Methodist youth group directed by Mrs. Hugh Daniel and the Baptist youth group under the leadership of Mrs. Boswell Edwards.

"We greatly appreciate the fine cooperation of the people of our community in this 'trick or treat' for benefit of those less fortunate than we", Mrs. Daniel said.

The only community circus in the world is the Gainesville, Texas, Community Circus.

A wallaby is a baby kangaroo.

Walter May . . .
(Cont'd. from Page 1)

ciating, assisted by Rev. J. F. Nix, assistant pastor. Burial was in Wilson Cemetery, where graveside services were conducted by Rev. John A. Martin, pastor of Wilson Baptist Church.

Mr. May was born January 18, 1870, in Lincoln County, Miss. He came to Hamilton county, Texas, in 1894, buying a farm there. There, he met Miss Kate Brown, daughter of a pioneer of that county, and the couple married in 1896. They had planned on celebrating their sixtieth wedding anniversary next year.

The couple moved to Floyd county in 1899, stayed there two years, and moved to southern Lubbock county, where they bought a farm.

In 1903, they bought a place east of Tahoka Lake and about three miles east of the present home place. They experienced all the hardships of pioneer settlers in getting a foothold in this country. Through economy and sound business and farming and ranching principles, however, they managed to add to their holdings. A lover of fine cattle, Mr. May built up a herd of registered and grade Herefords. They acquired several sections of farming land and also about seven and a half sections of the Tahoka Lake ranch lands. Several years ago, he gave much of the farm land to his children, but he still had two or three sections in farms and the ranch land at the time of his death.

Until his last illness, even after moving to Lubbock, he continued to look after his own business and supervised both the farming and cattle raising.

Mr. May joined his wife in active church work, both in the Wilson Baptist Church and in the area activities of the Baptist Church. He gave generously of his time and money to betterment of his community and his county, lived a true Christian life, and had a great host of friends who respected him for his sterling qualities.

His only son, Edwin, died in 1950. A daughter, Mrs. Clara Shaw, died in June, 1954.

Other survivors are his wife; a daughter, Mrs. B. W. (Celia) Baker of Lubbock; two brothers, Homer of El Paso and Handy of Montecello, Miss.; two sisters, Mrs. T. H. Holmes of Byers and Mrs. E. R. Ratliff of Dallas; five grandchildren and four great grandchildren.

Pallbearers were: Lawrence and Jerald May and Charles Baker, grandsons; John McMillan of Abilene and Bob Meador of Lubbock, husbands of granddaughters; and Earl Cummings, nephew.

**District Pythian
Sisters Meet**

District No. 12 of the Pythian Sisters held their convention Wednesday of last week, Oct. 26th.

The opening business session and school of instruction was held at 1:30 p. m. in the Legion Hall with Thelma Oliver, district deputy Grand Chief, in the chair.

Temples of the district are: Lamesa Temple 42, Lynn Temple 45, Sterling Temple 43, and Odessa Temple 58. Representatives were present from each of these. Also, visiting temples included Lubbock, Pecos, El Paso, and Abilene.

Grand dignitaries attending were: Grand Chief Iva Maley of Pecos, Grand Excellent Senior Evelyn Hardin of Lubbock, Grand Pianist Julia McIntosh of El Paso, Past Grand Chief Katie Lou Ashley of Lamesa, Past Grand Ritualistic Officer Frances Reedes of Abilene, and District Deputy of Lankford of District 6.

A banquet was held in the school cafeteria at 6 p. m. A lovely program as presented by Mrs. R. L. Richardson's and Mrs. Dea Parker's pupils.

The evening business meeting which opened at 7:30 was held in the Legion Hall by Thelma Oliver, District Deputy Grand Chief.

Initiation was held, and one Knight was initiated from Abilene, with a class of candidates from over the district. The candidate from Lynn Temple was Thelma Sherrod.

Grand Temple Degree was given to five Past Chiefs, including Hannah Nordyke, Elnora Curry, Helen Ellis.

The meeting closed in ritualistic form at 11 p. m.

Refreshments of coffee, cakes, and cookies were served.

District meeting next year will be held in Odessa.

BAND MOTHERS WILL SERVE
Tahoka Band Mothers will entertain the Slaton Band Friday night after the game at the band hall, when cakes and cookies will be served. Ladies are asked to bring their cookies early.

Tom Garrard . . .
(Cont'd. from Page 1)

on July 23, 1880. His father had come to Texas in 1858 in an ox wagon.

He attended high school at Cooper, and from 1901 to 1905 was a student in the now defunct Fort Worth University, a Methodist institution. He was in Fort Worth when that city received its first big packing plant, Swift's.

He studied law during the term of 1905-'06 at the University of Chicago, but came to the University of Texas to graduate in law in the Class of 1907. He made the change because his dad, being a Confederate Southerner, was so bitter against the Yankees and did not relish his attending the Northern institution. At both Texas and Chicago universities, he was a member of the Glee Club.

During 1907, Tom was found to have tuberculosis, and following his graduation went to a sanatorium in Denver weighing only 120 pounds. He left there in December, 1907, weighing 204, and went to Midland to make his home and to recuperate in that dry atmosphere. His complete recovery from the disease was quick and he never had tuberculosis afterward.

He bought four sections of ranch land near Midland in 1908, operated the ranch several years alone by himself and supervised it long after he began practice of his profession. He was married to Miss Leona Holloway, daughter of a Midland rancher, in 1908. After they had moved to Lubbock, his first wife died on Jan. 9, 1930, while visiting her parents in Los Angeles, Calif.

Mr. Garrard practiced law several years in Midland, and served three terms, 1914 to 1921, as district attorney of the Midland district.

In 1921, Governor Pat Neff appointed him State's attorney for the Court of Criminal Appeals, and he lived in Austin until 1925.

In that year, he moved to Lubbock and formed a law partnership with the late G. E. Lockhart, former prominent Tahoka attorney, and later Franklin D. Brown, also former well known attorney here, joined them.

Mr. Garrard was married December 15, 1932, to Mrs. Linnie Windham of Tahoka, widow of a pioneer Tahoka physician. Because of the inconvenience of living in Lubbock and at the same time looking after Mrs. Garrard's livestock and farming interests near Tahoka, the couple moved here in 1933.

Mr. and Mrs. Garrard raised fine registered Herefords, many of which were sold to other breeders at high prices.

During his twenty-two years of law practice here, Tom also served as county judge of Lynn county for four years, and during his administration, in 1946, most of the present farm-to-market road system was built.

For many years, he was a member of the State Textbook Commission. He served for a time as president of Tahoka Chamber of Commerce during the war years, long was a director of the West Texas Chamber of Commerce, was county Red Cross Chairman, and held many other positions of honor and trust.

He and John Heck of Wilson were the leading powers in the forming of Lyntegar Rural Electric Cooperative, and he has been its attorney since its inception in 1938. He also had a leading role in the formation of Poka-Lambro Rural Telephone Cooperative in 1949, and has been this organization's attorney since its beginning. Lyntegar now has 7,000 members in ten counties, and Poka-Lambro, still building, has 1,000 members in five counties.

He held appointments under seven governors of Texas.

During his service as county judge, Governor Coke Stevenson tendered him an appointment to the Court of Civil Appeals at Ama-

rico, but he declined the appointment to remain in Tahoka.

Tom Garrard was a personal friend of more prominent state and national leaders than any person living in West Texas, possibly. He knew personally every governor and almost every high state official Texas has had over a period of 40 years.

He knew many high officials in Washington, met President Franklin D. Roosevelt several times, and knew President Harry S. Truman well enough to call him "Harry" and gain entrance to the White House almost at will. Ever interested in politics, he was known to most of the big names in government.

He was just as interested in the little people at home, was kind and sympathetic, and too generous for his own financial good. In fact, his whole life was filled with service for his fellow man.

Survivors include his wife; three sons, T. T. of Seagraves, Sam of Lubbock, and H. C. of At-

lanta G'a.; one step-daughter, Mrs. Fenner Tubbs of Lubbock; and seven grandchildren.

Congratulations:

Mr. and Mrs. Dwayne Jolly on the birth of a son weighing 8 pounds 8 and one-half ounces at 9:47 a. m. Tuesday in Tahoka Hospital. He has been named William Dwayne.

Mr. and Mrs. Ruben Gandy on the birth of a daughter weighing 5 pounds 6 ounces at 10:55 p. m. Tuesday in Tahoka Hospital.

Mr. and Mrs. Elmer L. Conrad, 62 Armstrong Road, Salinas, Calif., on the birth of a son weighing 7 pounds 5 ounces on October 25. Name, Dennis Dean. The new arrival has a brother, Eddie, age four; and a sister, Carol, age three. Grandparents are Mrs. Frank Bryan of Tahoka and Mr. and Mrs. Y. Conrad of O'Donnell. Walter B. Gollehon of Compton, Calif., is a great grandfather.

Bulldogs Lose Abernathy Game 32-17

Tahoka Bulldogs lost to Abernathy Antelopes 32 to 17 in a hard-fought conference game in that city Friday night.

The Bulldogs put up a game fight, but this just was not their night. In addition to playing without their fullback, Donald Blair, breaks went against the Bulldogs, and it seemed ever time they got a drive underway the officials started stepping off yardage in the other direction.

Regardless of that, the loss of Blair, who carried 76 times for an average of 6.4 yards in the first five games this season, was just too big a blow, although Karl Prohl stepped into his shoes and did the best he could in a position new to him. Also, injury of Guard Ware High and of substitute Fullback Donald Benfro hurt greatly.

Fans were cheered, however, by the game but losing battle the Bulldogs put up against the Antelopes.

Abernathy fans said this was by far the best effort the Antelopes had put out this year, and the victory gave them hopes of winning over Spur at Spur today.

Abernathy Scores First
Tahoka won the toss, and Prohl returned the kickoff 15 yards to the 37. Pridmore made 3.

Williams failed to gain, and then a fumbled pitchout set Tahoka back on its 26. Williams punted 32 yards to the A. 42.

Jordan lost one, and a pitchout was fumbled back on the 34. Jordan made 4, and then Connell punted to Prohl, who fumbled an attempted fair catch and the Antelopes' Smith recovered on Tahoka's 32.

Statistics		Abernathy
Tahoka	First downs	15
12	Rushing, yds.	277
109	Passing, yds.	1 for 40
6 for 94	Incomplete	3
10	Intercepted	1
1	Punts, avg.	2 for 20
5 for 34	Penalties, yds.	2 for 20
5 for 65	Fumbles lost	5 of 8
3 of 5		

Two plays later, Brooks covered an Antelope fumble on the Tahoka 40. Williams made 7, Smith 3 for a first, Tahoka drew a 5-yard penalty, two plays netted nothing, and then Williams punted 44 yards to the A. 11.

Abernathy moved out to the 32 on four plays, and then Apperson pitched-out to Sons, who went 42 yards to the Tahoka 27. Jordan made 5, and Sons took another

pitchout 21 yards to the Tahoka 1, and on the next play Apperson went over to score on a keeper play, and then himself ran over the extra point. Score 0-7.

Wild Second Quarter
Smith brought the kick-off from the 15 to the 35, Pridmore lost a yard, but Smith passed to Castleberry good for 22 on the Abernathy 40. Williams, Pridmore, Prohl and Smith reeled off short gains down to the Abernathy 12, where Tahoka drew a 15-yard holding penalty. A pass was incomplete, and then Donnie Apperson, a linebacker, intercepted Smith's pass on the 20 and raced 80 yards untouched to score. Gist failed on the conversion. Score 0-13.

Prohl brought the kickoff from the 12 to the 26, and on the next

Local B Team Defeats Ralls

Tahoka B team and Eighth Grade team went to Spur Thursday night for games with similar teams there.

Thursday night of last week, in a scrimmage session here, Tahoka B team nosed out Ralls B team 13 to 7.

Ralls scored in the first quarter on a sustained drive, and ran over for the extra point.

For Tahoka, Jimmy Harter did all the scoring. He got away in the second quarter around right end and raced 71 yards for the first touchdown. His place-kick for conversion failed. In the last quarter, he went 7 yards to score again, and this time his place kick was good.

New Zealand was discovered in 1642 by Abel Tasman, a Dutch navigator.

'56 CHEVROLET

*In every way
it's more than
You expected!*

Just wait until you get your first look at the new Chevrolet! Nineteen new models in three great series. Two new 4-door hardtop sedans and six new station wagons (two of them 9-passenger models)! There are handsome new chrome stylings and a host of new

colors inside and out. There's new action too. After all, the 1956 Chevrolet's the car that zoomed up Pikes Peak in a record-breaking dash. Either V8 or 6, with your choice of three transmissions, you'll find that the 1956 Chevrolet is loaded with more power,

more safety, more driving fun than ever!

But why not come in and see for yourself. The 1956 Chevrolet is now on display in our showroom, and we'll be glad to put you behind the wheel for a drive. Try to make it soon, won't you?

BRAY CHEVROLET COMPANY

Odds AND Ends

(BY E. I. THE ELDER)

Last week we included in this Column the story of Bailey county, which presents to the world one of the strangest phenomena of all the counties of Texas. Lying far out on the high plains right up against the New Mexico line, at an elevation of 3,800 to 4,000 feet, it contains a swamp-like area of many square miles covered with lakes, on which wild fowls spend many weeks and sometimes many months in the year, living off the insects and animal life that swamps usually produce. Ducks, geese, many kinds of water fowls and birds exist in such great numbers that the U. S. Wildlife Service has created a Migratory Water Fowl Refuge on these lakes; and in these lakes also one prong of the Double Mountain Fork of the Brazos River has its rise, though the bed of the stream is usually dry most of the year in these higher regions.

Now, this week I am going to start out by giving the readers of this column the picture of another county far downstate which also presents some strange natural phenomena. Bastrop county on the Colorado River, which contains an isolated pine forest, commonly known as "The Lost Pines."

Bastrop county, is an old, old county, created in 1836 immediately after the battle of San Jacinto. It lies immediately southeast of Travis county on both sides of the Colorado River. This river, in fact, bisects it into two almost equal parts, and the city of Bastrop, situated about thirty miles southeast of the county seat.

Bastrop county and town were named for that historic character, Baron de Bastrop, whose activities looking to the settlement of Texas date further back than either Stephen F. Austin or his father Moses Austin. When Moses Austin came from Missouri to Texas in 1820 with a view to seeking permission from the Spanish government to establish a colony in Texas, he made his way directly to San Antonio, where he met Baron de Bastrop, who assisted him in procuring permission to make application to the viceroy of Mexico for the establishment of a colony in Texas. Whether there had been previous communication between Moses Austin and Baron de Bastrop respecting Austin's desire to establish such a colony in Texas, the records of history are silent; but it is a significant fact that when Moses Austin arrived at San Antonio Baron de Bastrop was already there and was willing and prepared to help Austin in the matter. How long he had been there and for what purpose he had come will probably never be known, but citizens of the little city of Bastrop and probably early Spanish authorities must have understood the secrets and the significance of this meeting between Moses Austin and the Baron, for a hundred years later when Texans were celebrating the centennial anniversary of the event, Texas, erected on the courthouse square in Bastrop a statue bearing this inscription: "Felipe Enrique Neri Baron D. Bastrop." Near Bastrop is a pine forest, now known as the "Lost Pines," which was bequeathed to the City by Baron de Bastrop, which has since been converted into a park, and is now known as the "Bastrop State Park."

The marvelous thing about this pine forest is the fact that it is situated scores and scores of miles from any other pine timber in Texas.

It has been my privilege twice within the past few years to visit this strange phenomenon and also to visit the adjoining Buescher's State Park, which lies closer to Smithville. This latter park, as I remember it, is filled with giant oaks "bearded with moss, and in garments green, indistinct in the twilight, stand like Druids of Eld with voices sad and prophetic, stand like harpers hoar with beards that rest on their bosoms," until one begins to believe that he is in truth in the land of Evangeline in Acadie, home of the happy.

Being as old as the Texas Re-

public, Bastrop county early became a power in Texas politics. It was electing congressmen and governors from Texas away back yonder when buffaloes were still coming to Tahoka Lake to drink and when Indians were still camping by its waters to slay their meat for the winter.

But when the buffalo were slain and the Indians driven back across the Rio Grande, and the Red Rivers, ranchmen came west and began raising cattle on the plains, and were followed by wheat and maize and cotton farmers, who soon began digging for water and for oil and found both, with the result that the Panhandle and the Plains have now forged ahead as farming areas and are rapidly forging ahead as industrial and commercial centers. They have not yet become very potent as politicians, however. The chances are that they will rapidly become more and more potent politically, however, as the years come speeding by.

I can well remember when Joseph D. Sayers of Bastrop county, who had long been a member of Congress and touted as the "watch-dog of the treasury?" was elected governor of Texas in the fall of 1898, went into office in January, 1899, and served two terms, going out of office in January, 1903. That wound up his career as a high Mogul in Texas politics, and I can not remember that any resident of Bastrop county has served as governor, U. S. Senator, state's Attorney-General, or in any other high political position at any time since.

Bastrop county has a population of about 20,000 people, and no

large towns, Bastrop, the county seat, has 3,176 people; Elgin, 3,168; and Smithville, 3,379. Among its industries are the railroad shops at Smithville; and among its festive occasions is the sweet potato festival at Elgin, I believe. The next time you are in Austin, take time out to see those two Bastrop county parks.

Now we come back to the banks of the Red River for the next subject of comment in this Column, the modest and rather unpretentious county of Baylor, named not for the able and eminent early-day judge who administered justice as a member of the judiciary and put in many heavy lifts for education, for his church and his God in between times—but it was named for one Dr. Henry W. Baylor, who served as a surgeon in the U. S. Army, in that little scrap with Mexico, whereby, for a second time, we had to give old Santa Anna and his cohorts a real good spanking for their imbecility and duplicity in undertaking to whip the whole United States and to win back Texas, after Sam Houston and Texas alone had whipped the socks off of Santa Anna and the other crooks who were running that country at that time.

But that surgeon, Dr. Henry W. Baylor, and his professional pals in the lamented Mexican War, performed the finest piece of national surgery that Mexico ever experienced. They amputated a territory of more than 500,000 square miles from the body of Mexico and successfully grafted it into the body of gray-breaded old Uncle Sam. From this grafted territory, Uncle Sam later carved

the states of California, Nevada, and Utah, most of Arizona, and small parts of New Mexico, Colorado, and Wyoming. No wonder Texas counties soon after that war that, when they were organizing somebody wanted to name one lit-

tle county in honor of Dr. Henry W. Baylor, the surgeon. There is one topographical or riparian peculiarity pertaining to the two main streams that drain Baylor county, the Wichita and At one point in Baylor county

these two streams approach to within ten or twelve miles of each other. But the Wichita, after passing through Lake Kemp, veers slightly to the north and finally runs into the Red River near (Continued)

You can't buy better!

The '56 Ford inherited its beauty from the Thunderbird. It's long and low—a fine car in every graceful line. And you can have the Thunderbird's "lightning" too, at no extra cost for the new Thunderbird Y-8 engine is the standard eight in all Fairlane and Station Wagon models! Here's power that gives you split-second passing ability and hill-climbing "Go." Come in for your Test Drive! You're sure to find many more reasons why you can't buy better than when you buy Ford. New luxury interiors... fine exterior finishes... a quality "feel" throughout... all add up to make Ford the fine car at half the fine-car price.

It's the fine car at half the fine-car price!

Odds & Ends

(Continued)

Ringgold, Montague county, thence down into and through Louisiana where it empties into the Mississippi and finally into the Gulf of Mexico below New Orleans. The Salt Fork of the Brazos, on the other hand, unites with other prongs of the Brazos, flows on down to and through Mineral Wells and Waco, and into the Gulf at the little village of Velasco, some 500 miles from the mouth of the Mississippi.

When I was a lad, I had an uncle who was a very religious and well-meaning man but was nevertheless something of a roustabout. He was "forever and eternally" moving from one place to another. One of his moves took him to Bee county away down in South Texas, a section of the state he had never visited before. Personally, I had barely heard of Bee county, but my uncle's move to that county naturally attracted my attention to it more definitely, though I still made little effort to acquaint myself with it. Naturally I supposed that Bee county had been so named by reason of the unusually large number of bees to be found there. So, every time I thought of Bee county, my imagination pictured it to me as a county in which white-beggs, as we called the hives, might be seen on every man's premises, and I imagined that on the prairies countless flowers were blooming each spring and summer and numberless honey bees could be seen flying from flower to flower and gathering the honey on their legs and carrying it to their homes in the hives. That was my idea, and still remains my idea in some degree, as to the aspect of Bee county and how it got its name. I do not know now when it was that I first learned that Bee county was not named for its bees but for a man who bore that name. For years, I carried the hazy impression around in my brain that the man's name was Bernard E. Bee, who, it seemed to me was a military hero of some kind, but I did not know whether he had fought in the armies of the Southern Confederacy, or in the war for Texas Independence, or in the War between the United States and Mexico. So, I began a search. In a recent Texas Almanac, I found a statement to the effect that Bee county was named in honor of Gen. Bernard E. Bee, Secretary of War under Sam Houston; and that was all it said.

Sam Houston served twice as President of the Republic of Texas, once from September 1836 to September 1838, and was succeeded on the latter date by Mirabeau B. Lamar, who served as President from September, 1838 to September 1841, a period of three years. At an election held in September 1841, Sam Houston was again elected President of the Republic over David G. Burnett, the retiring Vice-President, who was Houston's opponent in that election campaign. Houston thereupon served another term of three years, and retired in September, 1844. His second term as President was a very turbulent one by reason of the fact that he pursued a friendly policy toward the Indians during his first term and his successor Mirabeau B. Lamar reversed that policy completely and pursued an extremely hostile policy and so aroused the hatred of whites by all the Indian tribes that it was impossible for Houston to have much influence over the Indians during his second term. Lamar's policy also had the effect of encouraging difficulties between the Texans and hostile, revengeful Mexicans. Many minor conflicts between Texans and Mexicans resulted during Houston's second term, including two brief invasions of Texas by a Mexican army, which were repelled by General Alexander Somervell and a Texas army, but no reference is made in any records that I have to the services of a Secretary of War. Neither have I found any mention of any act performed by any Secretary of War during Houston's first administration. I am still in the dark as to when Bernard E. Bee served as secretary of War, or as to what specific service he rendered if any. Brown's History of Texas or some other voluminous Texas History might clear the matter up.

In area Bee county is nearly as large as Lynn, having an area of 872 square miles, but it had a population of 18,174 in 1950. Beeville, the county seat, has a population of 9,348, a little more than half the population of the entire county. Part of the county is prairie and part of it is covered with brush. It produces nearly everything that grows in field or garden, together with deer, turkey, ducks, geese, quail, and even javelinas, but not a single bee is mentioned. Somebody might do well to move down there and go into the bee business. Lots of us like honey. So long for this time.

Mrs. J. R. Singleton returned home recently from Muleshoe, where she spent several weeks with her daughter and family.

In 1926, Gertrude Ederle of New York City became the first woman to swim the English Channel.

Queen Is Crowned At Wilson School

Friday night was the annual homecoming for Wilson High School. A bonfire and pep rally was held preceding the football game between the Wilson Mustangs and Cooper Pirates.

Between halves of the football clash Miss Dixie Hewlett, daughter of Mr. and Mrs. H. H. Hewlett, was crowned football queen. The band formed a heart and played

"Girl of My Dreams" as the queen as being crowned. The queen was presented a bouquet of white Mums by Tri-captain Dewey Corley and white Mum corsage by Tri-captain Daniel Verkamp. Tri-captain Mutt Breudigam crowned the queen with a blue helmet engraved with each player and coaches names in white. Queen candidates were: Misses Vymona Clem, Joyce Church, Ida Pearl Mason, Alice Hanes and Miss Hewlett.

MISS ROACH SPEAKER AT NEW HOME CLUB

Miss Wanda Roach, Home Demonstration Agent, gave a very informative discussion on the types and grades of floor coverings at the regular meeting of the New Home Home Demonstration Club, which was held in the Community Club House, Thursday, October 27.

Miss Roach showed various grades of linoleum, rubber, vinyl and asphalt tiles, as well as cotton, nylon, rayon and wool carpeting. Two types of padding for carpeting were demonstrated. The care of each type of floor covering was discussed, and experiences in their care were shared by the group.

During the business meeting of the club, which was conducted by the president, Mrs. Carlice Edwards, plans were made for the Thanksgiving party for club members and their husbands which will be held in the Skyline Dining Room in Lubbock, November 17, at 7:30 p. m.

Mrs. E. R. Blakney and Mrs. Clyde Ashcraft, hostesses, served refreshments to the 14 members present.

Officers for the new year beginning January 1, 1956, were elected at a previous meeting. They are Mrs. Carlice Edwards, President; Mrs. Virgil Haley, vice-president; Mrs. W. C. Thompson, secretary-treasurer; Mrs. Roy Lee Williams, reporter; Mrs. Carlton Davies, council-delegate; and Mrs. LeRoy Nettles, parliamentarian.

from cabriolet, a carriage that "bounces like a goat."

AT FUNERAL OF AUNT

Mr. and Mrs. J. P. Unfred were down from Lubbock on Monday on business and visiting friends. Mrs. Unfred says they were called to Gladewater last week by the death on Tuesday of her aunt, Mrs. Ludie Phillips, 88, whose funeral was held on Friday. They

also visited Mrs. Unfred's mother, Mrs. T. J. Hawkins, at Big Sandy. L. C. and Joe D. Unfred of New Home also went down for the funeral, but on learning it as not to be held until Friday returned home Thursday.

Why pay more for less?

NOW the all-new Blue Chip GMC trucks underprice competition — and still lead in years-ahead features and styling.

Why pay more for less?

See us today!

Here's what Blue Chip GMC quality means...

The original panoramic windshield for better visibility, greater safety — first on GMC.

Hydra-Matic Drive*—4-speed, 8-speed and Twin Hydra-Matic models to end all clutch replacement, slash shock-loading damage, cut road time without increasing road speeds.

Peak efficiency engines — 6, V8 and Diesel horsepower that have made economy records in all fields of work.

Extra-heavy, top-rated front and rear axles.

Boulevard styling that makes every Blue Chip GMC a prestige-builder for its owner.

Greater stamina — the extra-wear features of Blue Chip GMC construction for more years of lowest-cost service.

Higher trade-in value — the advanced engineering of America's most modern trucks commands a higher trade-in value than their outmoded rivals.

*Hydra-Matic standard on many models, optional at extra cost on some others

Football

(Cont'd. From Page 1, Sec. 2)
play Reeves recovered a fumble for Abernathy on the Tahoka 24 to set up another Antelope score. Sons made 5, then broke through the middle on the next and went 18 yards to pay dirt. Sons failed to run over the conversion. Score 0-19.

Smith brought the kickoff from the 7 to the 33, but the Antelopes held on the 38, and Williams got off a 52-yard punt to the Antelope 10. Abernathy lost a yard on two plays, and Connell punted a short 9 yards out of bounds.

Two plays failed to gain for Tahoka, and then Smith threw a pass to Williams, in the end zone. Williams went high in the air between two defenders, came down with the ball, hit on his face, and had a TD for Tahoka but had to leave the game for a while. Smith's place-kick was perfect. Score 7-19.

Three plays after the kickoff, Stone covered an Abernathy fumble, his first of three in the game, on the A. 41. A screen pass, Smith to Pridmore was good for 24 to the A. 17, Williams made 6 on two tries, Smith 2. On fourth down, with Prohl holding on the 21, Smith kicked a perfect field goal from an angle to the left Score, 10-19.

First play after the kickoff, Williams saved a possible TD by a shoestring tackle on Connell, who had taken a long pass from Apperson, the play good for 40 yards, the only Abernathy pass completed in the game. With seconds left in the half, two Tahoka passes were incomplete.

Antelopes Score Again
Smith kicked off over the goal, Jordan brought out to the 15, and Abernathy promptly marched for another score, with the help of two 15 yard penalties against Tahoka for holding on defense, a strange penalty called on Tahoka boys for tackling Abernathy backs on the line of scrimmage.

Football fans and anyone else watching football on television will see this happen several times in any big-time game, and it is not considered a violation by big-time or small-time officials, usually, for in this day of hidden balls the defense can not always know which back actually has the ball. Anyway, the officials at the Abernathy game put a new rule into effect, and the Antelopes got the ball on the Tahoka 4, from which point Jordan went over on the second try. Apperson passed to Connell for the extra point. Score 10-25.

A few minutes later, Manley blocked Williams punt from the 32, covered on the 23 Jordan and Apperson carried to the 14, but here Stone covered another fumble on the 14.

Three plays later, and Williams punted to the 50, and another strange penalty occurred. After kicking the ball, Williams ran down field to about the 35 yard line, where he ran or fell into an Abernathy boy. A flag went down and another 15 yard penalty was assessed Tahoka, not from the point of foul, but from the point of the kick, the official ruling the ball had not yet hit the ground (and Williams had had time to punt and then run up field fully 25 yards before he allegedly committed the penalty. The ball must have hung in the air a powerful long time.)

Next play, Williams punted from the Tahoka 6 to the Tahoka 46, and on Abernathy's first play Bobby Paris covered an Abernathy fumble on the Tahoka 44. Smith, Prohl and Williams went for a first to the Abernathy 45. Pridmore made one, two passes were incomplete, and Williams faked a punt, handed off to Smith, and Smith went 24 yards to the Abernathy 20.

Luxury and Performance Combined in New Buick Special

Big car luxury and performance are combined in Buick's medium priced four-door hardtop sedan in the Special series. Powered by a 322 cubic inch, 220 horsepower engine, the Special boasts one of the biggest power plants of any car in its class. All the beauty of Buick's distinctive styling, including the new front end, full rear wheel cutouts and luxurious interiors are featured on the Special series. Dynaflo, power steering, power brakes and dual exhausts are optional on the Special.

Tahoka Scores Again

The same three backs carried to the Abernathy 3 on five plays, and then Smith went over to score and kicked the extra point to put Tahoka back in the ball game briefly. Score 17-25.

Four plays after the kickoff, Stone covered another Abernathy fumble on the Tahoka 45. Smith's jump pass to Castleberry was good for 11 yards, but hit when tackled, Castleberry lost the ball and an Abernathy lad covered.

Then Apperson attempted a pass, which was deflected by the A. receiver, and Prohl gathered it in. Two plays later Castleberry took a pass good for 4 yards, and

Abernathy was penalized 15-yards for unnecessary roughness to the Abernathy 34. Williams made 4, then Smith hit Carlton Bell with a 15 yard pass to the 15, where Tahoka bogged down on two running plays and two incomplete passes.

Abernathy moved out to the 49 on six plays, and then Jordan broke over left tackle cut to the right, and was knocked out of bounds on the Tahoka 1. He plowed over the middle for the last score of the game, and a pitch-out to Sons was good for the extra point. Score, 17-32. The game ended on the kickoff.

Other Tahoka boys who gave all

they had in the game but losing fight included Larry Simmons, Leon Davis, Kent Gibson, Tommy Paris, W. H. McNeely, and Jimmy Harter.

Jordan and Sons carried the brunt of the Abernathy attack, Sons carrying 13 time for 121 yards, and Jordan 19 times for 135, while Apperson was held for 21 yards on 13 tries and Gist for no gain.

Other Antelope mainstays were tackles Vecchio and Ramos, Donnie Apperson, Leon Manley, Larry Monk, Joe Smith, and Manny Connell.

Best Buick yet

When better automobiles are built Buick will build them

IT COMES upon the heels of the most successful Buick in history—and beats it on every score.

In shimmering steel and solid sinew, it's Buick for 1956—and there's never been anything like it for pure automobile.

You get a good hint of what we mean when you take in its sweep-ahead styling—from the

air-splitting prow of its V-front grille to the robust rake of its canted rear profile.

You get an even better hint when you open the doors and see the dazzle there.

But it's when you put this beauty to the city streets and the open highways that you learn the best of it.

For here is performance without parallel. A new advance in Variable Pitch Dynaflo* goes airplanes one better—steps up your getaway in normal driving without flooring the pedal to switch the pitch. But when you do need that extra surge, it's there instantly—and in extra abundance.

The might of big 322-cubic-inch V8 engines in every Series brings new record high power to

all Buicks—ROADMASTER, SUPER, CENTURY, and the bedrock-priced SPECIAL. And to handle such dynamic driving power, the whole rear end has been endowed with extra brawn and heft and solidity.

We could spread before you an acre of blueprints on the engineering gems that spark the spectacular performance and ride and handling and roadability of these great Buicks for 1956.

But you can get the full and magnificent story right now, at our showroom, in a face-to-face meeting with the best Buick yet—now on display, and setting a dazzling new pattern for 1956.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

C. C. In Look More Offer Gas Free

THE LIFE LINE OF THE PLAINS.

Above is a map of the proposed Canadian river project showing the member cities which will vote in the \$74,800,000 bond election Tuesday, November 8. These are revenue bonds and will be paid off from the sale of water from the project. The bonds will be used to build the Canadian dam and the aqueduct necessary for supplying the member cities.

A decline in the underground water table supplying the cities with municipal water has caused great concern over the possible failure of this source of supply. The Canadian project would supplement or replace the underground water as a source of supply for the cities.

The Chamber of Commerce in each member city have been instrumental in getting the authority created, securing legislation setting up the authority, supporting the City Council and the Directors appointed to the Authority by the City Council.

At the regular October meeting of the Tahoka Chamber of Commerce and Board of City Development, the directors voted unanimously for a resolution giving their approval and endorsement for a favorable vote on the bonds which are necessary to build the project. Each voter is urged to go to the polls and exercise his voting privilege.

The Chamber of Commerce and City Council feel that the Canadian adequate water supply for Tahoka, but regardless of how you vote a large turnout is requested so that the true sentiments of the people are expressed.

Wilson Winner Over Cooper

Wilson Mustangs journey to Whiteface tonight for their fourth 4-B conference game. The Mustangs are undefeated so far in seven games, three of them conference contests, while Whiteface won four non-conference games, but has lost all three of its conference battles.

Wilson also has Meadow and Ropes standing between them and the district championship. Earlier in the season, records indicated that Ropes would be the team to beat, but it now appears both Ropes and Meadow will be powerful contenders. Last Friday, Ropes suffered its first loss of the season at the hands of Meadow, a conference game, and Meadow is now tied with Wilson for the lead.

The Mustangs celebrated homecoming last Friday night by taking an easy 39 to 8 victory over Cooper.

The Lynn county boys scored 33 points in the first half, and coasted in for the victory.

Quarterback Dan Verkamp scored 19 of the points, including TD runs of 8, 31, and 9 yards, and kicked one extra point. Fullback Dewey Corley broke away on a 34 yard run, Joe Baker scored from 20 yards away, and Kenneth Hanes made the other on an 8-yard scamper. Eugene Bruedigam kicked an extra point, and Ronny Foster caught a pass for one.

Cooper did all its scoring in the third period, making six points on a 4-yard plunge by Tom Bednarz, and two points on a touchback by blocking a punt. Hatchell

Ether was first used as an anesthetic in 1842.

The helicopter was invented by Louis C. Breguet in 1909.

Sir Humphrey Dacy invented the miner's safety lamp in 1815.

CITATION BY PUBLICATION
The State of Texas

TO: Floyd Myers, GREETING:
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 5th day of December, A. D., 1955, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas.

Said Plaintiff's petition was filed on the 11th day of August, 1955. The file number of said suit being No. 2185.

The names of the parties in said suit are: Betty Ruth McKee Myers as Plaintiff, Floyd Myers as Defendant.

The nature of said suit being substantially as follows, to wit:

Being an action and prayer for judgment in favor of plaintiff and against defendant for decree of divorce dissolving the bonds of matrimony heretofore and now existing between said parties; Plaintiff alleges cruel treatment on the part of defendant towards her of such a nature as to render their further living together as husband and wife altogether insupportable; plaintiff further alleges that one child Floy Vinita Myers, who is now 9 years of age, was born of said union and that Plaintiff should be awarded its care and custody; plaintiff further alleges no community property was acquired; plaintiff further prays for relief, general and special; all of which more fully

Sport Sedan Makes Bow with 1956 Chevrolets

Reminiscent of the sport coupe which Chevrolet introduced with such sensational success in 1950, a sport sedan makes its debut along with the company's other new models. Elimination of the center pillar in the window area adds smartness as well as un-

excelled visibility. The hardtop sedan will be available in the Bel Air (above) and "Two-Ten," two of three price-graduated series of cars offered by Chevrolet for '56. Engine choices include two more powerful V8's and one 6. The "Super Turbo-Fire V8" develops 205 h.p.

Home-Coming At Tech Saturday

Lubbock, Nov. 3—The largest Homecoming in Texas Tech history is expected Friday and Saturday.

Most hotels in the city have been sold out for more than two weeks, and motels and other living accommodations are filling up rapidly, an unofficial survey reveals.

Several thousand alumni and friends will return to the campus for the 28th annual affair, which will include a Homecoming Queen coronation, bonfire and pep rally Friday night, a downtown parade Saturday morning, campus luncheon and Border Conference football battle between Tech and the University of Arizona Saturday afternoon.

First major event will be an Ex-Students' Association Committee meeting at 1:30 p. m. Friday in the Student Union Building. L. C. Walker, executive secretary, announced. The alumni will elect new officers, hear progress reports and complete operational plans for the coming year.

A new Homecoming feature will be a faculty-alumni coffee at 4 p. m. Friday in the Student Union.

Class reunions this year will include an "old timers" dance for Classes '26-'38 at 9:30 p. m. Friday in the Caprock Hotel, and three

get-togethers for the Classes of '39-'45, '45-'50 and '51-'55—all at 8:30 p. m. Friday in the Student Union.

Approximately 3,000 alumni

and friends are expected to attend a buffet luncheon Saturday in the Gymnasium.

Two Homecoming dances are scheduled Saturday night, one for

alumni in the Gymnasium, another for students in the Union.

There are 316 mountains in Texas.

Aid Is Given To Handicapped

The State rehabilitation program for physically handicapped people was the subject of a very interesting program given at Tahoka Rotary Club last Thursday noon by J. B. Strickland of Lubbock, counselor on Vocational Rehabilitation.

Mr. Strickland showed a film on the subject emphasizing the many phases of the program. Many people considered handicapped to such an extent that they are a liability to their loved ones, are being taught trades in order that they may make their own ways.

These include cripples, the blind and deaf, and those with other major handicaps.

Under the rehabilitation program, such unfortunate people are fitted with artificial limbs, hearing aids, Braille or other appliances needed, given treatments, are enlisted in a training program for some vocation which they think they may like and for which they may be fitted. On completion of training, they are set up in some vocation with the necessary tools with which to work.

In Texas, 2100 such people have

been rehabilitated under the State program. Lynn county has had 78 people in the program, and at this time there are three people from Lynn in training.

Dr. Emil Prohl arranged the day's program. The official welcome and talk

on Rotary was given to Maurice Small, a new member of the club.

Billy the Kid is buried at Fort Sumner, New Mexico.

Newfoundland became Canada's tenth province on March 31, 1949.

Kindergarten? Sure—but how about College?

Here today and ready to roll!

The hot one's even hotter!

THE '56 CHEVROLET BEL AIR SPORT SEDAN—above is a beautiful example of Chevrolet's bigger, bolder look. Four doors and no sideposts in this one—did you notice?

the '56 Chevrolet

New models—all with bold new Motoramic Styling. More models—including two new 4-door hardtops and two new 9-passenger station wagons. New excitement under the hood—up to 205 horsepower and 9.25 to 1 compression ratio. This—remember—is the car that broke the Pikes Peak record in a history-making, preproduction trial. Come on in, look it over and try it out!

They're sitting in our showroom right now champing at the bit. For these '56 Chevrolets were born with an urge to go places! But look 'em over first. Look at that bigger, wider, more massive grille. Follow that lower speedline of chrome back to those sassy, high-set tail-lights (the one on the left swings down to uncover the gas cap!).

V8 or 6—19 Models in 3 Series

Any kind of model anyone could want! Your choice of the new "Blue-Flame" 6 with 140 h.p. and new higher compression or Chevrolet's record-breaking V8 power ranging up to a new high of 205 h.p. and 9.25 to 1 compression ratio! Automatic, and comfort and safety features? If Chevrolet doesn't offer them, it's only because they haven't been invented yet.

Come in and drive the '56 Chevrolet!

House Pictured On Small Farm Owned By Happy Smith

The above farm home was identified by only two people, although it is right under the nose of a lot of people.

The owner, W. E. (Happy) Smith, and one other person, Mrs. Ruby Chancy, were the only persons who recognized the place.

The News had to argue with Happy before being convinced this is a farm home.

Located at the north outskirts of Tahoka, the house is on an eight-acre tract, and Happy has another eight-acre tract adjoining this one. But, he farms the two tracts (or hires them farmed) and also owns 80 acres east of town and farms another 205 acres owned by his father-in-law, J. E. Ketner, also adjoining Tahoka on the east.

Happy says he raises all the cotton the law will allow.

He came to Lynn county with his parents, the late Mr. and Mrs. H. C. Smith, from Taylor county in 1903. After graduating from Tahoka High School, he attended the old West Texas State Normal School, now known as West Texas State, at Canyon. He taught school three years, two years at Dixie and one year at T-Bar.

Smith served six years as county clerk and four years as county judge. For the past 16 years he has been postmaster at Tahoka. He has engaged in a lot of other activities, but essentially he still claims to be a farmer at heart.

He was married to Miss Joyce Ketner, who was born here, in 1929, and the couple have three daughters, Mrs. Geno (Jeannine) Jones, teacher of homemaking at O'Donnell, and her husband and son live in the home pictured above. Patsy is a junior student in Texas Tech, and Susie is a fresh-

Wilson News

(By Ann Davidson)
Correspondent

Rev. and Mrs. J. A. Martin, Mrs. Judson Hewlett, and Mrs. Lonnie Lumsden attended the General Baptist Convention in Houston last week.

Mr. and Mrs. E. R. Tunnell of Tahoka visited Mrs. H. C. Fountain Sunday afternoon.

Mrs. Katie Nieman honored her son, Willie of Lakeview, with a birthday party dinner on Sunday. Those attending were: Mr. and Mrs. Edwin Nieman of Morton, Mr. and Mrs. Adolph Nieman of Andrews, Mr. and Mrs. Hugo Maeker and Larry, Mr. and Mrs. Willie Ray Nieman of Petty.

Misses Deana and Glenda Ward and Rev. Ray Elmore attended a district MYF meeting in Levelland Saturday.

Mr. and Mrs. Bobby Ellison of Lubbock visited Mr. and Mrs. Grover Coleman Sunday.

Mr. and Mrs. Carl Martin and Mr. and Mrs. Bud Baxley visited Mrs. Ludy Gear of Slaton Sunday afternoon.

Mr. and Mrs. Williamson and Eva Pearl visited Mr. and Mrs. Ralph Milliken and girls Tuesday.

The W. S. C. S. of the Methodist Church met for their monthly social in the home of Mrs. John Lamb on Monday, October 24. A spelling bee and musical quiz man in the same school.

Ever since reaching adult life, Happy has been one of Lynn county's outstanding citizens and is never too busy to help out on some civic projects or to visit the aged and sick of the community.

were played by the group. Refreshments of sandwiches, cookies and coffee were served to eighteen members.

Mr. and Mrs. G. C. Watkins and Sandra visited Mr. and Mrs. H.

B. Costin and Mrs. G. D. MacSpadden all of Lamesa Sunday.

Rev. and Mrs. G. W. Heinemeier and girls were in Plainview Sunday where Rev. Heinemeier spoke for the regular visitation program at St. Paul's Lutheran Church there.

Mrs. Brooks Smith of Tahoka visited Mr. and Mrs. Thad Smith Sunday.

Jim Cunningham of Lubbock visited Fred Davidson Sunday afternoon.

Miss Shirley Hewlett a student in Hardin Simmons University at Abilene visited her parents, Mr. and Mrs. H. H. Hewlett and family, over the week end.

Mrs. J. H. Hardberger of Lubbock visited Mrs. Alice Davis Thursday afternoon.

Mrs. Nettie Richards of O'Donnell visited her mother, Mrs. W. J. Hancock and Mr. and Mrs. M. L. Murray and Nita over the week end.

Mrs. J. O. King and Mrs. Ray Elmore attended a district W. S. C. S. meeting in Levelland on Friday.

Miss Shirley Gary of Shallowater visited Miss Willie Pat Baxley over the week end.

Mr. and Mrs. Marvin Stegemoeller of Vernon, Texas, visited her parents, Mr. and Mrs. Herbert Ehlers, over the week end.

Jimmy Schneider a student in Cisco Junior College visited his parents over the week end.

Donnie Johnson and Warren

Hunt of Lubbock visited Donnie's aunt, Mrs. Alice Davis, Friday night.

Dr. Ann West of Dallas is visiting her mother, Mrs. Ione West. Mr. and Mrs. G. C. Watkins Sr. of Beaumont visited their son and daughter-in-law, Mr. and Mrs. G. C. Watkins Jr. and Sandra a few days last week.

Mr. and Mrs. Charlie Campbell spent Saturday and Sunday with Mr. and Mrs. Jim White of Muleshoe.

Mrs. Betty Tienert and Miss Ruby Faye Tienert, were hostess for a layette shower honoring Mrs. Elmer Lee Wuensche Sunday afternoon in the home of Mrs. Betty Tienert. Green and yellow were carried out in the decorations. Refreshments of sandwiches, cookies, and lemonade were served to 18-guest.

David Hendreson, who has been stationed with the Air Corp in Puerto Rico, spent last week with his parents, Mr. and Mrs. Virgil Henderson and sons.

Mr. and Mrs. Herman Wuensche are the proud parents of a baby girl born Monday in Methodist Hospital at Lubbock.

Monday night the MYF of the Methodist Church went trick or treating for contributions for the Korean Milk fund.

Jimmy Gickelhorn, son of Mr. and Mrs. Carl Gickelhorn, who was stricken with polio last week is much improved at this writing. Loyd Sloan who has been sta-
