Sondra Broyles Crowned Bailey County Bureau Queen Tuesday

Shown here (Center) is Miss Sondra Broyles, newly-crowned Bailey County Farm Bureau Queen. With her (left) is Sue Logan, runner up, and Kay Wilson who was awarded third place by the judges.

Miss Sondra Broyles, 16, daughter of Mr. and Mrs. Edgar Broyles of Route 1, Muleshoe, was crowned Bailey County Farm Bureau Queen in ceremonies at Muleshoe High School Auditorium Tuesday night, in which Cotton John Smith, an Amarillo television personality was the Master of Ceremonies.

The judges, Mrs. Michelle DeMaio, Mrs. Lynn Byrne, and Judge Byrl McClellan, picked Miss Broyles from a field of 16 Bailey beauties who were on hand for the contest.

Miss Sue Logan, daughter of Mr. and Mrs. Odell Logan, Route 2, Muleshoe, was awarded second place, and Miss Kay Wilson, daughter of Mr. and Mrs. Chester Wilson, Muleshoe, third.

The three girls were presented with certificates for \$25, \$15 and \$10 by Smith.

Special musical numbers were presented by Mrs. Ross Langham, Alva Lea Shofner, and Don Copley.

LaVon Copley was pianist. Bureau officials expressed extreme satisfaction with the number of entries, and the interest shown in this contest. It was the best yet, said Mrs. D. O. Burelsmith, director of the contest. And she praised the judges highly for their fine work.

Other girls who entered the contest were Gayle McCelvey, Virginia Klutts, Zona Millen, Janie Sanders, Janá Goodwin, Shirley Burelsmith, Mary Jean Gross, Jo Queta Nowell, Karen Steppens, Nelda Redwine, Ruby Kay Simmons, Goldilou Goucher, Nancy Julian, Sandra Darsey, and Pat Thomson.

To Those Who Are Receiving The Muleshoe Journal For The First Time

Merchants of Muleshoe, guided by the Chamber of Commerce, this week are going all out to see that the people of the Muleshoe trade territory learn about the advantages of trading in this "Capital of the West Plains".

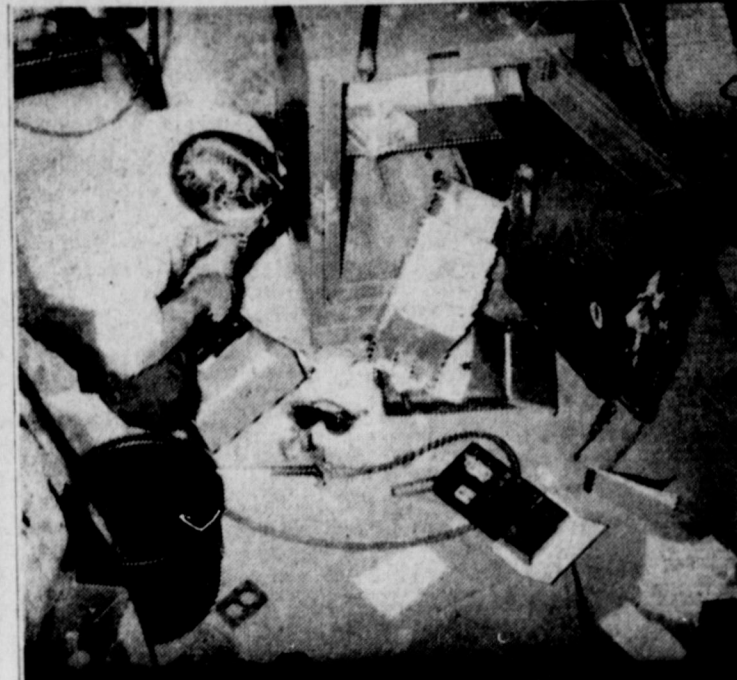

The Journal is cooperating by printing extra copies of this week's paper, and your copy is a "sample copy", which we hope you will enjoy reading. The paper is being distributed to homes over the area where it is not now being received. After you have read the paper, we hope you will want to subscribe for it. The Journal is a family newspaper, attempting to represent the city of Muleshoe, the County of Bailey, and contiguous territory and devoted to the best interests of the people residing here.

We hope you will read the "Back to School" advertisements in this paper, which is the theme of this issue and furnishes the reason for the wider distribution this week.

But we hope you will carefully scan the paper to learn also the wide variety of fine business houses that Muleshoe is fortunate to have. For in this paper are messages from department stores, feed stores, drug stores, implement dealers, automobile agencies, hospitals, irrigation firms, lumber yards, oil and gasoline firms, banks, butane companies, and a myriad of service firms and professional men, all together giving a vivid picture of the town that Muleshoe is.

Muleshoe is a good town because of the service it gives to all the people of its territory. Muleshoe is a good town in which to live and raise a family; it has good schools, good churches, and good people to have for friends and neighbors. Muleshoe got that way because of the fine people who occupy and make a living in this great area surrounding the town; and all over the area there is an atmosphere of confidence, a feeling that this is a right place to live and work.

The Journal joins the whole community in inviting you and yours to shop in Muleshoe and to visit with the people.

Hollie Francis is shown here checking the liffered mess around his safe, following the breakin Tuesday night. The knob was knocked off the safe, then the door was cut open with a blow torch.

Enter Thru Skylight Burglars Use Blow Torch To Open Safe At Francis Implement

A brazen crime was committed in Muleshoe Tuesday night, in the burglarizing of the Frances Ford Tractor house.

Making entry through a skylight, the intruders entered the office, first knocking the knob off the safe. Failing to get it open, they took off a door to make room and rolled the safe to the back shop, fired up a cutting torch, burning a gaping hole in the door, until it came open.

When Mr. Francis opened up Wednesday morning it was discovered, and approximately five thousand dollars worth of

checks and notes were scattered on the floor, he said. Loss of cash taken from the safe amounted to about \$100, Francis said.

Early Wednesday morning Deputy Sheriff Garland Freeman and Chief of Police Bill Whalen were on the scene, and later Sheriff Doc Clements and Texas Ranger Razz Renfro made an intensive investigation. They have a suspect list, it was said Thursday, but no one has been arrested.

About a week ago, intruders had entered the D & G Food store, taking cash and cigarettes. Entry was made here by knocking a hole in the wall between the grocery and the laundry, and crawling through the hole.

In addition to these, city and county officers made other arrests, for traffic violations, fighting, disturbance of the peace, and miscellaneous offenses.

Mrs. S. A. Cook Rites Held In Walters, Okla.

Mrs. S. A. Cook, mother of Sam Cook of Muleshoe, passed away last Tuesday, August 4, at the home of a daughter in Enid, Okla. Mrs. Cook, who was 60, lived at Walters, Okla.

Sam Cook and family were present for funeral services, conducted August 5 in Walters Funeral Home chapel. Interment was in Walters cemetery.

Mrs. Cook's husband, who served as a government Indian agent, passed on several years ago. Five children survive her.

Police Chief Urges Drivers To Use Caution

Bill Whalin, Muleshoe Chief of Police, said here Wednesday, now that school is about to begin, he wants to issue a special appeal to all drivers to be particularly careful.

He said he wanted to ask them to watch their speed, and wreckless driving. He said also, that with the increasing number of motor scooters in town, his department would pay close attention to such drivers. He asked that the boys obey all traffic laws, and not to get too noisy.

In the summer some of the boys have had their scooters pretty noisy. He said they had issued several warnings, and talked with the boys about this, but if necessary, more strenuous actions would be taken in this regard.

HERE FROM COLORADO

Mr. and Mrs. F. B. Gaede of Limon, Colo., were here this week visiting both their parents. They formerly lived in Muleshoe. While here she came in and ordered the Journal sent to them, and also to a son, Charles, who lives in Limon.

Merchants Set August 14 To Begin Back To School Sales

August 14 has been set as the day in which the merchants of Muleshoe will begin their back to school promotion and sales effort.

This edition of The Journal, as it hits the mail on the 13th, will begin the program. In this edition many merchants are offering specially priced merchandise, to the people of Muleshoe and outlying communities. They are not only telling you that Muleshoe, and their particular stores are fine places to get your back-to-school needs, but they are actually lowering the prices on these items.

Usually, merchants do not consider it good merchandising to cut prices on items which are in immediate demand; that people are going to buy them any way, and they will keep profits up on these items—but not so here. They are actually lowering prices on items that you will need to get the kids back in school. You just can't beat this anywhere.

Services Friday For Carol Lynn Duncan

Funeral services for Carol Lynn Duncan, 15 year old Big Spring girl, are set to be held in Muleshoe Friday afternoon at 2 in the Church of Christ.

She died at 11 Wednesday morning. She is the daughter of Mr. and Mrs. Hillis Duncan, of 1402 East 6th Street in Big Spring, former residents here.

W. R. Tittle, minister will officiate in the services, and Singleton Funeral Home will be in charge of arrangements. She is survived by her parents, and a sister, Roberta.

After grandparents, Mr. and Mrs. W. E. Duncan, of the Progress community. Pallbearers will be Kenneth Court, Chester Kirkland, and Jack Romine of Big Spring, and Woodie Lambert, W. G. Harlan and Dave Stovall, Jr. Burial will be in Muleshoe Cemetery.

VISIT FORMER RELATIVES IN MIDLAND

Mr. and Mrs. Sam Lindley were visiting the Doyle Venable family in Midland over the weekend. He formerly was with Dunlaps in Muleshoe. At present he is operating a recreation center in Midland, on the highway, and asked any of his friends to call on him when in that part of the country.

Mr. and Mrs. J. A. Richards received word that Mr. and Mrs. J. R. Richards of Corcoran, Calif., are the parents of twins, a girl and a boy, born August 6.

Mr. and Mrs. R. G. Treider visited Mr. and Mrs. William Steinbock Sunday.

Muleshoe Bowlers To Tangle With Clovis Saturday

Select groups of bowlers from Clovis and Muleshoe will match talents at the Tri-Co lanes here Saturday night at 8:30, it has been announced.

On the Muleshoe team for the men will be Horace Battenfield, Marion Waggoner, Jackie Brown, Cecil Rundell, and Allen Grusendorf. For Clovis, Bob Starkey, Tom Brown, Frank Love, Bob Murphy, and Bobby Lee.

Muleshoe women, Mickey Stephens, Dorothy Matthieson, Elizabeth Barnett, Pearl Brown, and Nita Grusendorf. For Clovis, Peggy O'Neal, Mamie Lee, Ann Powell, and Peggy Kastein, Leona Danellif.

Flying in Odessa Tournament

Two Glider Pilots Land Craft At Muleshoe Airport Wednesday

Two glider pilots, Lester Benis and Harinas Sandovich, both of Los Angeles landed their craft at the Muleshoe airport Wednesday afternoon. Sandovich landed at about 4 o'clock and Benis about 4:30.

The two were part of a group of glider pilots in a glider tournament now going at Odessa. One of them had Herford as his destination and the other Grady, N. M., they said.

Five Generations

Recently Mrs. Bob O'Hair of Earth and her four generations of descendants had an appointment with R. C. Cline, Muleshoe photographer, to place the station in life on record for all their posterity. Shown in the five-generation picture here are Mrs. W. C. Stout, Route 4, Muleshoe; Mrs. O'Hair, Earth; Mrs. Houston Bartlett, Route 3, Muleshoe; Mrs. Jack Hadaway, Earth and Mrs. Bartlett's two sons Bartie Jack and Rocky. —Cline Photo

Abundant Rains Friday Improve Crop Prospects In Bailey Area

Pro-Am Tourney Here Friday Beckons Golfers

Golfers from many points in West Texas will converge on Muleshoe tomorrow for the Pro-Am golf tournament scheduled at the Country Club. Ray Hardy, local pro, said 126 entered the tournament last year. Many local amateur golfers are expected to enter.

Entrance fee for amateurs is \$3, and for pros, \$5. There will be \$100 added prize money for pro contestants. The players may register and begin playing at any time between 9 a.m. and 2:30 p.m. The tourney is based on handicap low score.

Wooten New Manager For Avinger Here

Lloyd Wooten is the new manager of the Avinger Ready Built House Company's Muleshoe operation. It was announced this week. The company's display lots are located north of the tracks on Plainview highway.

Local Residents Go Into 'Orbit' Starting Aug. 13

Muleshoe and area residents will go into orbit beginning August 13, M. E. "Red" Simmons, manager of the Piggly Wiggly supermarket here announced. Orbit is a television game, not unlike the old fashioned, well-known Bingo.

The Orbit program will be seen on Channel 11 at 6:30 p.m. each Thursday. Viewers participating will pick up Orbit cards at Piggly Wiggly or from the television station. Each week's Orbit cards will be a different color and each color card will be in effect only one week.

On the program, the letter-number combination will be drawn from a special blower machine. Three games per night will be played and one card can be used for all three games. The announcer draws ten balls and the numbers are posted on the blackboard so the viewer may double check.

Muleshoe and Bailey County received a very fine and beneficial rain Friday night, varying in amounts of moisture of 60 of an inch in the northwest part of the county to about 2 inches at Maple.

Crops that survived the hails of May and June were looking unusually good, but had begun to need moisture, and the rain came just in time to keep them growing and fruiting.

Here in Muleshoe Judge Klump reports the rainfall to be 1.63 inches. In the west part of town, the report is 1.84. Reports from Maple are about 2 inches, Stegall .90, Needmore 1.02, Circleback .70, at Lazbuddie from 1.50 to 2 inches.

Much of the non-irrigated cotton in the south part of the county now promise to make well up toward a bale per acre. One farmer from Maple said here Tuesday he has the best crop he ever had in his life.

Of course many things can happen to a cotton crop, but right now, things look very good. This rain could well wear the old phrase among newsmen of being "A Million Dollar Rain."

Teachers To Be Guests of Local Service Clubs

All three Muleshoe Service Clubs, Lions, Rotary, and Jaycees will be hosts to the teachers in the Muleshoe school system at a luncheon on Wednesday, August 26. It will be held in the Legion Hall.

Teachers will be in pre-school workshop that day. The program will be brief. They will be introduced to the group.

This luncheon is sponsored by the Chamber of Commerce.

Coach Callan and Boys to Begin Football Workouts Monday

Coach H. W. Callan is now on the job in Muleshoe, making plans to get the 1959 football season rolling.

His plans are to get workouts going Monday morning. He said here Tuesday he expected about 80 high school boys to report for workouts, and all together he is expecting to have about 175 boys playing football in 7th and 8th grade and in high school.

The coach outlined the following schedule, in getting the ball rolling:

1. All boys in high school that plan to play football to report Monday morning at 8 o'clock, August 17.
2. Workouts will be held twice daily at 8 in the morning and 5:30 in the evening.
3. Each boy is asked to bring a pair of shorts for the first few days work outs.

4. 7th and 8th grade boys will begin later, at the beginning of school.

The coach says he thinks there is a very fine group of boys in Muleshoe, and they seem to be well disciplined, making him very anxious to get started.

Members of his coaching staff will include, Crip Taylor, line coach; Lewis Powers, basketball coach and football assistant, and George Washington, junior high coach, and high school assistant.

Callan coached for 7 years in Lefors High accumulating a 48 won, 22 loss record, along with 2 district championships. He attended Shamrock High School and Midwestern Col-

lege, playing guard. His wife is a Shamrock girl, and they have two sons, Gene 5, and Kim 1. They have established their home at 305 East Elm in Muleshoe.

Coach Callan says he plans to use the T-formation, with variations.

The schedule for fall play is as follows:

- Sept. 4, Clovis, there.
- Sept. 11, Sudan, there.
- Sept. 18, Portales, here.
- Sept. 25, Springlake, there.
- Oct. 2, Dimmitt, here.
- Oct. 9, Friona, here.
- Oct. 16, Otton, there.
- Oct. 23 — Open.
- Oct. 30, Morton, there.
- Nov. 6, Lockney, here.
- Nov. 13, Abernathy, here.
- Conference game.

Deadline Drawing Near To Claim Tractor Gas Refund

Farm operators have until September 30 to claim a refund of the federal gasoline tax on all gasoline used on the farm, according to Tom E. Prater, extension farm management specialist.

The refund applies to the three cents per gallon federal tax on gasoline which was purchased from July 1, 1958 through June 30, 1959. Those who filed a claim for refund in 1958 will receive form 2240 through the mail. Others who wish to make a claim should ask the Internal Revenue Service to send them one.

The claim should be sent to the Office of the District Director, Internal Revenue Service, Austin or Dallas, Texas, depending on whether you live in the southern or northern part of Texas. Claims made after September 30 will not be paid and no more than one claim can be filed for the twelve months period, states the economist.

Farmers who file claims for refund should keep sufficient records to certify the accuracy of the refund claimed. The records should show the purchase dates, the gallons bought and the gallons used on the farm during the twelve months period. Also the gasoline used by custom operators

doing custom work for a farmer should be recorded and can be included in the claim for refund, Prater notes.

Excise taxes paid on diesel fuel or special motor fuels for farm purposes can also be recovered. The farmer should

ask the dealer to repay the taxes on the fuel bought. The dealer should be furnished a signed statement, showing the name and address of the purchaser, the date of purchase and gallons purchased, adds Prater.

JUNIORS HOLD CAR WASH

Shown above is a group of Muleshoe High School juniors, who held a car-wash last Saturday as a money making program. They are, back row Magann Lamb, Rodney Blackwood, Charles Merritt, Linda Giltis, Next row, Judy Bishop Darrene Nowlin, Carolyn Martin.

Kneeling, Annamary Elrod, Donna Guinn, Zona Millen, Judy Lambert, Sitting in front, Mary Ann Green, Joy Autfy, Jane Sanders, Shirley Burelsmith.

The group made between \$40 and \$50 from the operation.

experience of the Highway Department, gave us the job

in order to take advantage of existing operations and to cut cost. The Texas Highway Department deals solely with registration in this boating bill we have nothing to do with the safety aspect", Greer said.

"We have been registering motor vehicles for more than forty years. Nearly four and a half million motor vehicles were registered by the Department this year. The Texas Legislature, cognizant of the

of the Highway Department, gave us the job in order to take advantage of existing operations and to cut cost. The Texas Highway Department deals solely with registration in this boating bill we have nothing to do with the safety aspect", Greer said.

The appropriation bill passed last week provides funds after September 1. These funds enable the Texas Highway Department to print the necessary forms and place into op-

Senator Johnson Reports Texas Maintains Its Bigness

Dear Friend: Texas may have yielded to Alaska as being the largest state in the Union, but I'm happy to see it is retaining its status as first in a lot of other things.

Two new "firsts"—for Texas and the Nation—are included in legislation approved yesterday by the Senate. This bill must go to conference committee where differences between the House and Senate versions will be ironed out. But I thought you might be interested in what the bill now provides.

There are two new projects. Both are of vast national importance. One provides for construction of a saline water conversion plant at Freeport. The other project calls for construction of a test-type civil defense shelter at Denton.

The Freeport project may offer this Nation the first break-through in man's fight to take the salt water out of sea water. That's what the scientists hope to achieve at an economical cost.

This what this could mean for the future. New jobs, increased prosperity, a better life would be waiting. Agriculture, the procedures invested in the Highway Department by the act.

Greer estimated that the registration forms and blanks would be printed and in the hands of boat dealers, county offices, Highway Department offices, and other public offices in October. Ample public notice will be given when these forms are available.

NEW AGRICULTURAL PLANE

Shown here is the new Piper Agricultural plane received this week at the Muleshoe Flying Service. It is the very best and latest for spraying and dusting service.

Safflower Promises to Become Good Cash Crop on West Plains

The harvest season for a new and lucrative cash crop for farmers in the High Plains will be approaching within the next few weeks. This new crop is "safflower."

According to Alex Dickie, Jr., President of the Texas Farmers Union and the 200 or more farmers who are producing the crop this year, safflower will add millions of dollars to the incomes of farmers in the High Plains and to the economy of every community in it.

President Dickie reports that nearly 4,000 acres of safflower is in production this year in test plots from Lubbock County on the south to the Oklahoma Panhandle on the north and including some plots in the Oklahoma counties, including Bailey.

Safflower is an oil-bearing crop that is particularly adapted to the semiarid atmospheric conditions prevalent in the High Plains and in spite of excessive moisture in some areas of the South Plains, the overall production of safflower is expected to be more than satisfactory to the farmers producing it.

Dickie further stated that a few fields of this crop will be harvested in late August and the harvest period will extend into late September and early October depending on the seeding dates in the various locations.

Producers of this crop are anticipating yields ranging from 800-1200 pound on dry land and 1200-3000 pounds per acre on irrigated land.

High Plains area which will assure a permanent future market for all of the safflower produced in this area.

Farmers who are producing safflower this year have a guaranteed price of \$62.00 per ton. The entire production of this crop this year will be processed for seed and made available to farmers through-

out the Plains for planting a crop next year which is expected to total nearly 100,000 acres.

Farmers interested in this crop for next year are urged to make inquiries from the Texas Farmers Union, 209 East Hickory Denton, Texas or from Charlie C. Corn, Farmers Oil Seed Mills, Box 242, Amarillo, Texas.

Muleshoe Flying Service Receives New Model Plane

The Piper people are coming out with a new agricultural plane which is the very latest and best for spraying and dusting of crops, and the Muleshoe Flying Service received plane No. 1, of which Morgan Locker is very proud.

He says it is the best handling plane he has ever piloted for this type of work. Employing many new safety features, the plane is light, and has a low stalling speed. In fact, you can almost turn it at the end of the row like a tractor. Being especially designed for this type of flight, it employs many features which have been suggested by agricultural pilots, he says.

In the past week Locker has taken it to a number of neighboring towns to demonstrate it to other pilots.

Final Plans Being Made For Opening of Lazbuddie School

Supt. James G. Ward, of Lazbuddie schools, stated Wednesday he still needs three teachers to complete the staff for the new term to begin Friday, August 28.

New teachers employed since the close of the last session are:

Mr. and Mrs. Ketchum, formerly of Hugo, Okla. He will probably teach 6th grade, and she the 2nd, Ward said.

Scotty Windham, will be the new Vocational teacher. He is from Tuscola, received his education at Tech. He replaces Jack Black, who taught agriculture for five years, and will become high school principal this year.

Fred Wilbanks is elementary principal. He has taught in the system for eight years.

Mr. Ward said the six school buses will make their regular run on Friday, the 28th. Students will be carried back home before noon. He expects the high school enrollment to be about 80, and total enrollment to reach 350 or perhaps as high as 365.

PVT. DALE WESTBROOK TRAINING IN GERMANY

Grafenwohr, Germany—Army Pvt. Dale E. Westbrook, son of Mr. and Mrs. Bee Westbrook, Route 2, Friona, is participating in a lengthy large scale field training exercise with the 4th Armored Division in Grafenwohr, Germany. The exercise is scheduled to be concluded August 17.

The training is designed to test the combat readiness of

the 4th Armored Division, a part of the NATO shield of defense in Europe.

A truck driver in Company D of the Division's 54th Infantry in Heilbronn, Westbrock entered the Army last December and arrived in Europe last May.

The 23-year-old soldier attended Friona High School. His wife, Mary, is with him in Germany.

LARGE GROUP ATTENDS OWENS REUNION

A basket dinner and lots of visitors were enjoyed by about 76 people, all relatives, who attended the Owens reunion at the City Park in Muleshoe, Sunday, August 9.

Highway Patrol Investigate Two Wrecks Thurs.

Texas Highway Patrolmen Jim Freeman and John Bentley investigated two minor accidents during the past week.

Thursday morning at 7 a.m., August 6, about 5 miles northeast of Muleshoe, a '50 Model Ford driven by Mrs. George Nelson, was in collision with a '55 Chevrolet pickup driven by John W. Roberts. Patrolmen said she stopped her car with the rear fender on the pavement, and Roberts, driving down the road said he was blinded by the sun, and ran into her. Each car was damaged about \$75 patrolmen estimated.

Thursday afternoon at 1:30 in Springlake, Jesse Ashley of Albuquerque was stopped in the intersection of Main Street signaling for a turn. Albert Ramirez rammed him from the rear. He said his brakes

Invitational Golf Tournament To Begin August 27

Muleshoe Country Club members are making preparations for their third annual Muleshoe Invitational golf tournament, to be held here August 27 through August 30. Qualifying rounds will be played August 27 and first matches will be run off August 28. Semi-finals and finals will be played Sunday afternoon, August 30.

Entertainment will include a barbecue at 8 p.m. of the 27th and a dance Saturday evening, the 29th. The tournament committee is composed of Don Moore, Bill St. Clair, and Clarence Weeks.

Patrolmen estimated the damage to Ashley's '59 Chevrolet at \$350 and \$650 to Ramirez's '56 Dodge pickup.

Rep. Osborn Home After Months of Arduous Legislature Session

Rep. Jesse M. Osborn of Muleshoe, is glad the Texas Legislature finally adjourned, but he appears little the worse for having put in seven months of arduous legislative duties at Austin. He and Mrs. Osborn are home now and will be here until the next regular session, barring the calling of still another special session of the Legislature.

The legislators had wrestled through the regular session, and three special sessions called by the Governor before reaching agreement upon all the ramifications of the tax bill, which after all will raise more than three times that of any previous Texas tax measure.

It took a long time to get everybody satisfied, and Mr. Osborn was not too surprised that it took so long, because hundreds of controversial matters, he felt, were sure to arise when the tax bill came to be considered.

The Journal man told him that back here about all we read of the Legislature's work was concerning its efforts to iron out the tax bill, but he remembered that the body completed much constructive work besides the all important tax matter.

Hospitals Improving
Mr. Osborn has been a member of the House committee on hospitals and state institutions for three terms. Gradually, he said, the state hospitals are getting the money needed to do the job they were created to do. But much work is yet to be done for the State's mental institutions.

Literally scores of water bills were presented, although they were little publicized in these parts, but they were mostly local in nature. Water, the lawmaker reminded, is still one of Texas' most pressing problems.

Battle of the Beaches
Mr. Osborn joined in a spirited fight to retain for the use of the people the sandy beaches along the Gulf coast of Texas as their playground forever. Because of a recent Supreme Court ruling that owners of abutting property could claim the minerals underneath a narrow strip of land from the vegetation line to the main low tide line, these owners had begun to lay claim to actual ownership of this strip of land.

Muleshoe's legislator took the view, along with a majority of other members, that the property owners never had owned this land, never had claimed it before, and he helped to keep it public playground and free passage land for the people forever.

There has been some talk that the teachers will press for a special session to act on pay raises. He said the matter was not pushed by the teachers' leaders this time because of the uncertainty about the tax bill; but he says teachers of Texas will receive pay raises.

COMANCHE COUNTY TO HOLD REUNION

The ninth annual Comanche County Reunion will be held in MacKenzie State Park in Lubbock, the fourth Sunday in August.

A basket lunch will be served at 12:30 o'clock and then there will be singing in the afternoon.

Everybody is invited to be there. Come all you Comanche County residents, and all the exes, too—Sunday, August 23.

VISITING HERE

Mrs. A. L. Amerson, former Edith Johnson, and children, Kathy 6, and Jimmy 2, of Brownfield, are visiting their great grandmother and great-grandmother, Mrs. S. E. Odum here in Muleshoe.

Parmer County Farm Bureau News

"A young man or woman cannot be a Communist unless he or she is free of religious convictions." Consider this statement from Lenin if you are ever inclined to be soft in your regard for Communists or fellow-travelers. John Agee, FB director of Lazbuddie Community, met with members of the nominating committee, of which he was temporary chairman, Monday night. They were to make preparations for nominations of four directors, whose terms expire this year, and a president. The directors, who may either be replaced or re-elected in the October convention, are: Jack Patterson, Rhea; Harry Hamilton, South of Friona area; J. T. Jones, Bovina; L. F. Bruns, Lazbuddie area. Your present president is Roy V. Miller, northwest of Friona. We are sure that if you have suggestions of names for any of these areas, the committee would like to have you tell them. Members of the committee, besides Agee, are: M. T. Glasscock, I. W. Quicquel, D. H. Nelson, Frank Hinkson, Walter Schueler, and Raymond Schlabs. Talk to them.

Membership in Texas Farm Bureau, as of July 31, was 1,708 ahead of the same time in 1958. That is a total of over 76,000. The goal for 1959 is 80,000, and the goal is expected to be reached by the first of November. Parmer County is presently about fifty five below the figure of a year ago, and that is expected to change too. It is about fifty five above the March membership figure.

Directors, at their quest of some members who drive on the highway improvement areas, discussed means of getting a change in the methods of graveling these roads to cut down on the damage to automobiles, windshields, etc. We are sure a resolution will be introduced to this end at convention time.

It appears that the bill exempting farm trailers and semi-trailers from registration up to 10,000 pounds gross weight died because of a point of order in the State Senate. We hope the law will not be enforced, and maybe next year we can get the bill passed.

Disappearance of grain sorghum from all storage positions during the April-June quarter was 83 million bushels. This sounds like a lot, but it is only one million above that for the same quarter last year.

CONSIDER THIS: By long forbearing is a prince persuaded, and a soft tongue breaketh the bone. —Proverbs 25:15.

HERE FROM KANSAS CITY

Dr. and Mrs. Chambers have had visiting with them recently, her father and mother, Mr. and Mrs. Fred E. Morris and Mr. and Mrs. David Morris, her brother, all of Kansas City. The younger Morris' flew here Monday.

Dr. and Mrs. Chambers went on vacation, and her folks baby sat with the children while they were gone.

They will all drive back to Kansas City today, Thursday.

WEEKEND VISITORS

Mr. and Mrs. Ray Fisher, Arlington, sister, and Inez Hodges, Dallas, niece of A. H. Owens, were weekend guests with him and his family, and attended the reunion here Sunday.

Leaders In Bowling League Raise Scores

Several bowlers increased their averages, and some new faces appeared in the top ten during the past week.

In the Men's division, F. Meyers rolled his average up 3 points, Marion Waggoner 2, Horace Battenfield 1, Benny Pena 2, R. B. Chandler 2, Lee Kimbrough 1, Cleve Bland and L. Price moved up into the top ten. Lowest average in the upper ten was 162, which is better than usual.

In the ladies division Dot Matthiesen upped her average an amazing 4 points, Pearl Brown 2, Martha Kimbrel 1, and Nita Grusendorf 1. Joy Hall moved up in the best ten group.

Also there was quite a bit of juggling of positions in the leagues.

The standings after Monday night's playing, were as follows:

Meads Bread	16½	½
M'shoe State Bank	16	24
Western Drug	15	25

Enochs News Events

by Mrs. Jerome Cash

Birthday Party

Mrs. P. A. Altman was honored with a surprise birthday supper Sunday night, August 2. An army of gifts were presented to her and then everyone enjoyed sandwiches, birthday cake and home made ice cream.

It was also the first birthday for Sandy Hodge son of Mr. and Mrs. Lewis Hodge. Those present for the party were Mr. and Mrs. Oscar Coats, Mr. and Mrs. Lewis Hodge and son, Mr. and Mrs. R. H. Baker, Lewis Hodge and son, Mr. and Mrs. Kenneth Coats, Kenny, Deanna, Keith, and Kim, all of Morton, and Gracie and Mr. Altman of the home.

Home From Army

Sp 4 Jerry Brackman, son of Mr. and Mrs. J. J. Brackman is home for a 2-weeks leave from the Army. He is stationed at Ft. Barry, Calif.

Mr. and Mrs. G. H. McCall and family of Harlingen are visiting his mother, Mrs. L. C. McCall and his two brothers, Shorty and R. F. They have been on a trip to Washington State, and are on their way home.

Meeting Closes

The Methodist meeting closed last Sunday night with Bro. Leon Hatcher of Bloomington, Tex., doing the preaching. He is the father of Thomas Hatcher, the Methodist pastor.

The meeting was well attended and had a good meeting.

Baptist Meeting

The Baptist meeting closed Sunday with Bro. Gene James doing the preaching, of Plainview, and Don Callins leading the singing. Good attendance at each service.

Mr. and Mrs. Curtis Brashear and children of Plainview, visited her parents over the weekend, Mr. and Mrs. Dick Bryant.

Mr. and Mrs. D. S. Fowler attended the singing at Morton Sunday.

Mrs. Mona Callaway of Dallas and Mrs. Syble Millona of Seminole are visiting in the E. A. Bass home this week. Mrs. Callaway and Mrs. Millona are sisters of Mr. Bass.

Mr. and Mrs. Marvin Short and daughter and family and Claude Bass have returned home from harvest.

Mr. and Mrs. Calvin Coley of Muleshoe were dinner guests in the home of her brother Sunday, Mr. and Mrs. J. J. Brackman Sunday.

Mr. and Mrs. Frank Mitchell from Kosse, Texas, is visiting in the home of Mr. and Mrs. John Gunter. Mrs. Mitchell is a sister of Mr. Gunter.

Mrs. Wesley Gunter from Morton spent Monday visiting in the home of Mr. and Mrs. John Gunter.

Mr. and Mrs. O. K. Yantis and children of Littlefield, Mr. and Mrs. Jimmie Robertson, Jr., and children of Odesa visited their parents Sunday, Mr. and Mrs. Zed Rober-

Three Persons Burned In Freak Fire Here Tuesday

Mrs. Joe Nichols suffered first and second degree burns on her hands and feet, and Dave Coulter received minor burns about his hands, as the results of a faulty heater near Muleshoe Tuesday. Also Peggy Nichols, 10 was burned.

The Nichols family was in the process of moving into a house 4 miles west of Muleshoe. A neighbor, Coulter, lighted a gas water heater and left the house, and later it exploded, to treat his hands for minor burns, and later the house caught fire.

Firemen worked some time on the fire, and finally contained it to the exterior. A leak in the gas line is thought to be at fault, causing the fire.

PICK UP YOUR FREE ORBIT CARD BEGINNING FRIDAY FOR EACH WEEK

It's easy and it's fun to get into ORBIT at Piggly Wiggly. Free-ORBIT cards await you at Piggly-Wiggly, or at the TV Station, and each Thursday at 6:30 p.m. dial Channel 11 and go into ORBIT. There will be hundreds of ORBIT winners each week with three games per week and three chances to win grocery prizes. If you miss the TV program you may check your card in the store—numbers will be posted. Different colored cards will be given beginning Friday of each week. Pick them up each week for the coming Thursday's game. Nothing to buy, no obligation, just get your ORBIT card and play. If you win, present the card at Piggly Wiggly and pick up your prize, plus a special SPACE card. It's easy, it's fun, it's profitable for the whole family to get into ORBIT.

HERE IS HOW YOU 'ORBIT INTO SPACE'

When you get into ORBIT, that is become a winner of the regular weekly ORBIT prizes, you'll also receive a SPACE card. Holders of SPACE cards will have a chance each week to win \$250, plus an additional \$50 weekly until some lucky person does win. If there is more than one winner, the SPACE jackpot prize will be divided. Pick up your ORBIT card and if you get into ORBIT, you have a chance to go into SPACE.

Miss Rita Turner of Pleasant Valley is shown here as she received the new Frigidaire given away recently by Mr. and Mrs. Harvey Bass, dealers in Frigidaire appliances and Necchi Sewing Machines in Muleshoe.

Conservation Of Underground Water Of Utmost Importance To Everyone

Lubbock, Texas — Waste of underground water should be a matter of utmost importance to each individual making his home in the Texas High Plains.

There is a great quantity of water in storage beneath the southern High Plains. However, the fresh water-bearing formations underground receive only a negligible amount of recharge. Because this is true and factual, the water pumped from these formations is mined in a similar manner to oil or gas.

By law, underground water in Texas is private property. Recognizing this fact, one would think that water users throughout the state would feel a great personal responsibility to conserve water. Generally, this is true. Unfortunately, however, we in the High Plains have our share of those who hold no regard for the future but think only in terms of the present—and not much about it.

The Board of Directors and County Committees of the High Plains Underground Water Conservation District are urging irrigators who have irrigation waste water problems to face these problems realistically.

The irrigator should ask himself how much longer will the citizens in other sections of Texas stand idly by while High Plains' underground water runs down bar-ditches in near navigable streams to wet-weather lakes from which it mostly evaporates or is used by weeds? How much longer before they band together in such force that they will become capable of changing the law so that underground water becomes public property rather than individual property? If the law were changed, then where would we be? Probably standing in line waiting for a permit to pump sufficient water with which to irrigate about one-fourth of our land.

High Plains' irrigators do not want this kind of thing to befall them, and yet many will not take hold of the problem as individuals and solve it.

There are some farms where complete control of irrigation water at all times would be next to impossible, but they are few. Most cases of irrigation water waste with which the High Plains Water District is confronted are by no means in this category. There are few farms where simple and inexpensive conservation methods could not be employed to save water.

Of course, each farm is somewhat different from the next, consequently, each must vary the conservation methods used according to the problems encountered on that particular farm. Things like the slope of the land, the quantity of irrigation water available and soil texture must be taken into consideration. On some farms a combination of conservation procedures should be used.

For the most part, however, simple measures should be considered for conserving water — things like shortening lengths of irrigation runs, use of smaller siphon tubes, pulling up borders at the lower end of rows, or planting a crop at the lower end of the field perpendicular to the rows coming down the slope.

These things would admittedly require an immediate outlay of cash, but they would in most cases pay for them-

It's The Law In Texas

"ASSUMING" A LOAN

You can give some of your rights to other people, for example, the right to collect a bill; but it's a different thing with your duties. You need your creditor's OK firmly to assign your debts to another.

You can sell what you own, all right, but you can't shake a debt merely by getting somebody else to promise to pay it for you. Your creditor—who is a party to your contract—has something to say about who takes over your obligations.

Thus, your cousin, say, borrows from you and promises to pay the money back. He can't get out of it by getting his neighbor to say he will pay you for him unless you agree—and this takes a written contract.

Suppose you bought Abel's house on time for \$15,000 and had paid off \$5,000. Then with \$10,000 left to pay, you get Joe Blow to buy the place.

How could Blow pay for it? Well, for Blow it would be just dandy for you to let him take over the \$10,000 debt, pay you back your \$5,000 equity, and then pay off Abel the rest of your \$10,000 debt. Blow would save the cost of a new loan—if his credit was good enough to get one in the first place. So you set it up that way.

One day Blow blew; and you, yes you, hold the bag. True, you could turn over your equity to Blow without Abel's consent.

But your agreement with Blow to pay the balance is not binding on Abel. He can hold you to your original deal. Pay up \$10,000.

Don't let someone "assume" your loan unless you protect yourself by an agreement with your lender, or unless you are willing to risk holding the sack.

Your buyer is often a good enough risk for you to let him assume the loan—but don't do it thinking you are free of your debt.

The spiritual relationship of God and man will be set forth in the Lesson-Sermon entitled "Soul" at Christian Science services Sunday.

Opening selections to be read from the Bible present these verses from Psalms (63:1, 2): "O God, thou art my God; early will I seek thee; my soul thirsteth for thee in a dry and thirsty land, where no water is; To see thy power and thy glory, so as I have seen thee in the sanctuary."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy, this citation will be read (120,4): "Soul, or Spirit, is God, unchangeable and eternal; and man coexists with and reflects Soul, God, for man is God's image."

The Golden Text is also from Psalms (96:9): "Exalt the Lord our God, and worship at his holy hill; for the Lord our God is holy."

 MULESHOE TEXAS

2 Million Acres Under Great Plains Conservation Program

Over two and one-third million acres of farm and ranch lands in the Plains area of Texas have been contracted for cost-share assistance under the Great Plains Conservation Program, reports Lynn Pittard, extension assistant soil and water conservation specialist.

As of June 30, 1959, approximately \$5,500,000 had been obligated to the landowners for assistance by the Program. In the 78 counties now participating, Pittard says more than 1300 contracts have been signed. The contracts are for three to ten years duration.

This voluntary program applies in the Great Plains area and provides cost-share assistance for many soil and water conservation practices such as brush control, range reseeding, constructing wells and ponds for livestock water and several others. Operators may receive up to 80 percent assistance, depending on the practice.

Pittard pointed out that the program has several advantages. It is flexible and can be modified to meet the particular individuals' needs. There is no limitation on assistance except on irrigation. Crop allotments are not affected during contract and the program may be used in combination with other government cost-share plans.

At present, range work such as; reseeding, range chiseling or pitting, controlling brush or shrubs, and initial estab-

lishment of a permanent vegetative cover accounts for well over half of the fund distribution.

Other practices that come under the program are; planting trees and shrubs, establishing permanent waterways, constructing terraces and diversion ditches, waterspreading terraces, reorganizing irrigation systems, and land leveling for irrigation.

For more thorough explanation of the program, Pittard advises obtaining L-410, "The Great Plains Conservation Program—What it is?", from local county agents or the Agricultural Information Office, College Station.

Mr. and Mrs. Dale Allen and children of Balmorhea are here to be with his sister, Mrs. Albert Smyer.

Mr. and Mrs. Freddie Parkman of Littlefield visited her parents, Mr. and Mrs. Horace Hutton Wednesday night.

Mr. and Mrs. Deward Wall and children were in Lubbock Monday shopping, and they also visited her mother while they were there.

Maple News

by Mrs. Oran Reeves

Mr. and Mrs. C. L. Taylor left Friday for a vacation.

Lawrence and Dorman Taylor are staying with their sister, Mr. and Mrs. Cecil Mann of Portales, N. M., while their parents are on their vacation.

Mr. and Mrs. Tommy Gattis and children of Griffith spent Saturday night with his parents, Mr. and Mrs. Guy Gattis.

Guests in the Odell Ballard home over the weekend were Mr. and Mrs. Owens and children of California. They are friends of the Ballards.

Mr. and Mrs. R. L. Davis spent the weekend in Hale Center with his mother, who is still in the hospital there.

Mr. and Mrs. Oran Reeves, Butch and Sheila visited her sisters, Mr. and Mrs. W. G. Dempsey and Gary and Mr. and Mrs. Herman Van Ness and boys in Lubbock Thursday.

Mr. and Mrs. Carl Pollard and children, Mr. and Mrs. Marvin Holt and Beth and Mr. and Mrs. Jerry Simpson and Duane attended the Pollard and Holt reunion at the Clovis Park Sunday.

Mr. and Mrs. Bill Eubanks and daughters were in Lubbock Saturday. They visited another daughter, Miss Maudine Eubanks while there.

The Muleshoe Journal, Thursday, Aug. 13, 1959, Page 7

It was accepted by the Board Monday night.

Summersgill stated to The Journal Wednesday that he had accepted a position in the Roswell, N. M. School system. He said he hated to resign, especially this late, but had such a good deal offered him in the new location he could not afford to turn it down.

Bro. and Mrs. Bill Robinson are spending this week in the home of her parents, Mr. and Mrs. Allen of Tatum, N. M.

Dentist Opens Office In Olton

Dr. Charles W. Jennings

A new dentist has opened offices in Olton. He is Charles W. Jennings, DDS, dentist and oral surgeon from Lubbock.

He completed moving equipment into the new office last week and is now ready to receive appointments. The office will be open on Tuesday, Thursday, and Saturday each week.

Dr. Jennings is a native of Tulsa. He was graduated from high school there in 1934 and then went on to receive his BA degree in education and agriculture from West Texas State College in Canyon.

He attended dental college in the University of Southern California before transferring to Baylor in Dallas, where he received his Doctor of Dental Surgery degree. After practicing briefly in Hereford and Levelland he took post graduate work in oral surgery serving one year as resident dentist in the City-County Hospital in Dallas.

He served as a first lieutenant in the Army Medical Corps during World War II. Upon being separated from the service, Dr. Jennings moved to Lubbock and resumed his practice. He was married August 31, 1946 to the former Miss Edith Faye Alford of Dill City, Okla. The Jennings are parents of a son, Don Royce, 11 years old and a daughter, Anita Faye 9.

Dr. Jennings is a member of the Church of Christ and the Lions Club.

Test Your Neighborliness

1. Do you cut your grass regularly, dispose of leaves, weeds, and cuttings neatly, prune trees and get rid of dead branches? Is your alley-side as attractive as your front yard, thanks to cleanliness and the camouflage of flowers?
 2. Are your porches and steps sturdy, your concrete walks even and free from cracks, your railings firm?
 3. Is your garage cleared of greasy rags, flammable materials, piles of paper, and junk? Is the garage a storage spot for the car plus neatly placed tools rather than an enclosed junk heap? Is your garage door sturdy? Have the windows been washed recently? Have you oiled the door?
 4. Do you separate containers for garbage and trash complete with lids? Are the cans placed out of sight or attractively enclosed?
 5. Have your gutters and downspouts been cleaned out? Is your drainage planned to taper off rather than flowing swiftly over other's property?
 6. Is the outside of your house gleaming with paint? Though individual, does your color scheme fit in with adjoining houses? Has your porch and garden furniture been painted or freshened this year? Are your garden tools an attractive identifying color rather than a chipped-off brown?
 7. Do you sweep the alley back of your house periodically to eliminate broken glass and spilling trash?
- A "yes" answer to every question means you are a person everyone would like to live next to. Even one "no" indicates your disregard for those living closest to you. During Clean Up Week, repair, remodel, plant and paint. From now on, be a good neighbor!

Care A Little—Clean Up!

Rebekah Lodge Holds Meeting

The Muleshoe Rebekah Lodge No. 114 met at the Hall Tuesday night with 10 members present, and Mary Murrell, Noble Grand presiding.

Ruby Green was installed chaplain by District Deputy President Oma Berry. Evelyn Calder, secretary is at the State Secretary and Scribe meeting in Mineral Wells this weekend.

News FOR Women

Miss Joy Dane To Wed Jackie Shan September 1

MISS JOY DANE

Mr. and Mrs. J. O. Dane, Star Route, Enochs, announce the engagement and approaching marriage of their daughter, Joy, to Jackie Shan, son of Mr. and Mrs. U. J. Shan of Carlsbad, N. M. The wedding will take place on September 1, at Odessa, in the home of Mr. and Mrs. Truett Dane. Miss Dane is a 1956 graduate of Bula High School and attended Draughon's Business College in Lubbock, and is now employed with Engine Service and Supply at Odessa, as a stenographer. Shan is a graduate of Carlsbad High School. He is serving in the Navy and is now stationed in Spain.

M. H. S. Junior Class News

The junior class of Muleshoe High School had a car wash last Saturday at the Quick Way Gulf Station, and Mr. and Mrs. Woodie Lambert's home. When they finally got around to washing the Lambert's car they were all pretty tired and decided to wait until the next day to wash their car. Sunday afternoon the junior class members met at the home of Magann Lamb to wash the Lambert's car and they sort of took note of the fact that two of their class members were having birthdays that day. After washing the car the young people had a surprise birthday party for Carolyn Burge and Mike Barron. Those enjoying cake and Cokes in the Lamb home were: Margaret Durham, and an out-of-town guest of hers, Benny Joe Moore, Rodney Blackwood, Charles Merritt, James Shepherd, Donna Guinn, Janie Sanders, Judy Lambert, and her cousin, Sue Lusk of Turkey, Joy Autry, Doris Ann Glibreath, Carolyn, Mike and Magann. The class members would like to thank the Woodie Lamberts and the management of Quick Way Gulf Station for letting them wash cars at their place. Also thanks to the people who had their cars washed last Saturday.

Reception Marks 50th Anniversary

A reception the coming Sunday, August 16, will mark the Golden Wedding Anniversary of Mr. and Mrs. E. U. Billingsley. The couple were wed in 1909. The reception will be in their home, from 2 to 5 p.m., and friends are invited to call.

DOLORFUL SHADE—Here's the way to have a refreshing outdoor area in your backyard without constructing a patio. Headovercraft offers a cool invitation to relax, while the cotton canvas umbrella by Macon can be tilted to outsmart the sun.

Headovercraft offers a cool invitation to relax, while the cotton canvas umbrella by Macon can be tilted to outsmart the sun.

Headovercraft offers a cool invitation to relax, while the cotton canvas umbrella by Macon can be tilted to outsmart the sun.

Scott - McGuire Wedding is Set For August 16th

Mr. and Mrs. Glenn Scott of Lazbuddie are announcing the engagement and approaching marriage of their daughter, Carolyn, to William Robert (Bill) McGuire, son of Mr. and Mrs. Clifford McGuire of Redlands, Calif. They will be married on August 16, at 4:30 p.m. in the First Baptist Church of Lazbuddie. All relatives and friends of the couple are invited to attend. No wedding invitations are being mailed.

Attend Student Council Workshop

Mrs. Bill Parker accompanied Sue Logan, Carolyn Burge and Magann Lamb to Canyon for the Student Council Workshop held on the campus of West Texas State College. They spent the weekend in Cousins Dormitory. Activities were held in the Chapel, in Science Building, and the Student Union Building. One hundred young people from 15 high schools in West Texas had a week of fun, fellowship and learning together. Mr. B. J. Randles and Mr. Robert Knight, co-directors of the workshop, presented lectures twice daily. Misses Sara Tubbs and Susan Ford were the junior counselors. The directors and counselors were all of Lubbock. After Chapel services Sunday night, held by the Rev. Donald Price, a young pastor of the Presbyterian Church in Canyon, Dr. James P. Cornett, president of the College, extended an official and personal welcome to the workshop delegates. The Muleshoe delegates enjoyed their week with Mrs. Bill Parker as their sponsor and they want to thank her for her time so graciously spent with them. The girls recommend her as a sponsor and say she is a wonderful student. Members of the Student Council are looking forward to another successful year, and hope to make it even better than ever before.

Howard-Meyers Wedding Aug. 15

Mr. and Mrs. C. B. (Buddy) Howard have announced the wedding date of their daughter, Sandra, to Jimmy Meyers, son of Mr. and Mrs. Buddy Meyers, on August 15 at 6 o'clock in the evening in the sanctuary of the First Methodist Church in Muleshoe. All friends of the couple are invited to the wedding and to the reception which follows in Fellowship Hall.

Couple Honored By Parents 11th

Mr. and Mrs. Buddy Meyers honored their son, Jimmy, and his fiancée, Miss Sandra Howard of Clovis, N. M., Tuesday night with a dinner party at Liegon's dining room here in Muleshoe. The table arrangement was of pink and white carnations featuring a rolling pin with a chain attached to it. Miniature boxes of dinner matches marked each guest's place. The couple's attendants, who were guests, were presented gifts by the bride and bridegroom. Those present were: Sandra and Jimmy, Mr. and Mrs. C. B. (Buddy) Howard of Clovis, Mr. and Mrs. Elvis Childs and son Jerry of Farwell, Mrs. Lonnie Bass and daughter Sonja, Mr. and Mrs. Ross Langham, Misses Caro-

Shofner-Peeler Wedding Plans Are Announced

Miss Alva Lee Shofner will become the bride of James D. (Buddy) Peeler Sunday afternoon, August 16, in the sanctuary of the First Methodist Church at 4:00 p.m. All friends and relatives of the couple are cordially invited to attend the wedding and reception that will follow in the church fellowship hall.

Los Planos In First Meeting

Los Planos Study Club members met for their first gathering of the new club year Tuesday night, but it was strictly a social occasion. The meeting was held in the home of Mrs. Jack Schuster. The club annually observes "guest night", and this time the guests were: Martha Young, Polly Wampler, Helen Jacobs, Martha McCormick, Sue Wilhite, and Dolly Aihart.

Moraw, Wells Wedding Plans Announced Here

Mr. and Mrs. Rudolph Moraw wish to announce the approaching marriage of their daughter, Elizabeth, to Robert Wells, August 22, at 8 p.m., in the home of Rev. and Mrs. E. K. Shepherd.

ELIZABETH MORAW

Mr. and Mrs. Rudolph Moraw wish to announce the approaching marriage of their daughter, Elizabeth, to Robert Wells, August 22, at 8 p.m., in the home of Rev. and Mrs. E. K. Shepherd.

An Automatic Electric Dishwasher Saves Hands, Energy, Time, Money

Once upon a time, a long time ago, it was "high fashion" for a homemaker to dramatize her endless washing and cleaning chores around the home by demonstrating her red, roughened, unmanicured dishpan hands. Maybe these work-weary hands did not always evoke the sympathy from husbands that was sought after, but among the women they could be almost a point of pride... and surely sympathetic understanding.

Because in those dim, dark ages, there was no cure other than domestic help, if the family could afford it. Not so nowadays... when there is little reason for the homemaker who works just as hard as her grandmother did to display anything but smooth, soft, manicured hands.

The classic enemy to this finishing touch of beauty has always been the never-ending pile of dirty dishes to be washed after every meal. As a matter of fact, the average homemaker washes more than 46,000 items per year as part of the regular dishwashing routine, according to a recent survey undertaken by the home economists of Ohio State University.

By hand washing methods, this means spending more than 200 hours a year with hands immersed in hot, soapy water. Is it any wonder that hands are in continual need of attention?

The same survey, however, showed a saving of from one-third to three-fourths of the dishwashing time when the homemaker used an automatic electric dishwasher. The average woman can plan on saving half an hour a day... and can eliminate practically all direct contact with detergents and hot water. Not only are her hands more beautiful, but the dishes are washed cleaner, faster and more easily. Dishwashers use real hot water from 140 to 160 degrees in temperature, much hotter than hands can stand, and thus remove bacteria more effectively.

No more tears either over fingernails that split and crack from washing dishes. Nails stay lovelier longer and manicures are needed much less frequently. And even among themselves, women can get little sympathy today for dishpan hands... they're simply old-fashioned and out of style.

HERE FROM PASADENA

Mr. and Mrs. Johnny Ester and four children of Pasadena, Texas, and Mr. and Mrs. Bud Owens of Montecello, Utah, are visiting relatives here this weekend.

RECEIVES CHECKUP

W. M. Dudley was carried to West Plains Hospital Sunday where he received a medical checkup, and treatment, and was released Tuesday.

Los Planos In First Meeting

Los Planos Study Club members met for their first gathering of the new club year Tuesday night, but it was strictly a social occasion. The meeting was held in the home of Mrs. Jack Schuster. The club annually observes "guest night", and this time the guests were: Martha Young, Polly Wampler, Helen Jacobs, Martha McCormick, Sue Wilhite, and Dolly Aihart.

Mr. and Mrs. Vincente O'Valle, Friona, August 7, a boy, Richard, 7 lbs., 12 ozs.

BURIA M. VINSON PARTICIPATING IN SEA FAIR PARADE

SEATTLE, Wash.—Buria M. Vinson, seaman, USN, son of Mr. and Mrs. W. M. Vinson of East 4th Ave., Muleshoe, serving aboard the destroyer USS Brush, participated in the West Coast's annual Sea Fair Parade August 6, in which ships of the U. S. First Fleet entered Elliott Bay, a Seattle, Washington, in formation.

The parade of ships was followed by a two-day recreational visit to the Sea Fair's exhibits and displays along with witnessing the small boat races. The vessels left the bay August 9, for two days of anti-submarine warfare exercises off the coast of California.

Multiple Attack Offense Is Planned by Tech Red Raiders

LUBBOCK, August 3—Still a year away as far as official Southwest Conference title play is concerned, Texas Tech Red Raiders face a schedule that would do credit to any of the other members this fall.

Texas Tech meets all but two of the conference members—Rice and Texas. In addition, Coach DeWitt Weaver's Raiders engage a West Coast independent, Oregon State, two Missouri Valley teams, Tulsa and Houston, Southeastern Conference foe Tulane, and O-Rder Conference member Arizona.

Oregon State, being met for the first time in history, will be played in Jones Stadium at 8 p.m., September 26. Other home games will be with Tulsa October 3, Texas Christian October 10, and Houston November 14. The Houston conference will be at homecoming.

Road games will be with Texas A. & M., Baylor, Southern Methodist, Tulane, Arizona and Arkansas. Although the majority of games are away, the Raiders will play half or more of their future contests in Lubbock. In 1960, the expanded Jones Stadium will have six games.

Texas Tech this fall will feature a wide-open attack including a multiple wing, slot, and spread single wing, along with some split-T.

Season tickets — for home games — are available at the Texas Tech Athletic Office for \$16. Individual game orders are being taken at \$4 each. Checks or money orders, including a 25-cent mailing fee, are acceptable, according to Jimmie Wilson, business manager of athletics.

CIVIL SERVICE NEEDS ENGINEERING DRAFTSMEN

The U. S. Civil Service Commission announces examinations for engineering draftsmen at \$3495 to \$4980 a year for employment in various federal agencies in Texas.

Apply at the Post Office for application forms or for information as to where they may be obtained or obtain them from the Regional Director, Eighth U. S. Civil Service Region, 1114 Commerce St., Dallas, Texas.

When You Move Attend to Those Important Notices

"Three moves are worse than a fire", according to an old saying, but one move can lead to trouble for people getting social security checks, unless they notify the social security office of their new address.

Seeing that each of the 13 million people on social security in the country get their checks on time is a very important part of our job, John G. Hutton, manager of the Lubbock District Office states, and it can be made easier if we get a prompt notice of a change of address.

If you move after you start getting social security benefits, you should notify the Social Security Administration either in person or by mail, Hutton said. Beneficiaries were given postcards for this purpose when they filed their claims, and additional cards are available at the local office 2878-34th Street, Lubbock.

"If we get the notice early in a month", Hutton stated, "the next month's check can be sent to the new address with little or no delay."

A representative of the Lubbock Social Security Office will be in Muleshoe on August 20, 1959 at 9:30 a.m., at the County Courthouse and will be glad to assist in all matters pertaining to Social Security.

Lazbuddie Farmer On Water Board

JOHN GAMMON

John Gammon of Lazbuddie represents Precinct No. 3 on the Board of Directors of the High Plains Underground Water Conservation District, District Precinct No. 3 consists of Bailey, Castro, and Parmer counties.

Mr. Gammon was born August 8, 1908, in Seminole County, Okla. The Gammon family lived in Oklahoma during his early years. In 1927, he graduated from high school at Maud, Okla., and then attended the University of Oklahoma at Norman for one year majoring in engineering. He is the son of Mr. and Mrs. W. H. Gammon who live in the Lazbuddie community and who only recently celebrated their 50th wedding anniversary. His father has been a farmer and cattleman through the years.

In 1929, the family moved to the South Plains area of Texas and Mr. Gammon transferred to Texas Tech College. He attended two years majoring in animal husbandry. Because of the depression in 1932, he left Tech and went home to Lazbuddie to work with his father on the farm.

On October 29, 1933, he was married to Miss Grace Jennings. At that time she was teaching school in the Lazbuddie Public School system. Miss Jennings is the daughter of the late Rev. and Mrs. W. P. Jennings. Mr. Jennings was pastor of the First Christian Church at Lubbock from 1922 to 1929. Mrs. Jennings lives in Lubbock.

The young Gammons moved into the house where they presently reside. Mr. Gammon ran cattle on his home place. About a hundred acres were in cultivation to raise feed for his cows. He broke out an additional one hundred acres shortly thereafter and also rented land nearby for raising wheat. The east line of Mr. Gammon's combination farm and ranch was originally the east line of the old XIT Ranch. Parts of the original fence which the XIT put there in about 1870 still remains.

In 1952 Mr. Gammon drilled his first irrigation well. He presently irrigates 350 acres from two wells.

He also has been in the registered Hereford business for about 15 years. He has only recently sold his herd.

The Gammons have three children, Jean Louise, the oldest, was born in 1938. After

graduating from Lazbuddie High School she attended North Texas State College in Denton for one year and then transferred to Texas Tech where she received an additional year of education before leaving school to marry Joe Briggs. Mr. Briggs farms in the Lazbuddie community. A young daughter, Melissa Jean, was born to the Briggs only recently in June of this year.

John, Jr., the only son, was born in 1939 and he presently attends Oklahoma State University where he majors in agricultural engineering. He will be classified as a Junior this fall.

Marianna, the youngest of the Gammon clan, was born in 1947 and will attend the seventh grade at Lazbuddie this fall.

The Gammons attend the Lazbuddie Church of Christ, where Mr. Gammon is an elder.

Before being elected by the people of District Precinct No. 3 to serve on the Board of Directors, Mr. Gammon served two terms on the Parmer County Committee of the High Plains Water District. He also served for twelve years on the Lazbuddie School Board.

Mr. Gammon is athletically inclined as evidenced by the fact that during the school year 1930-31 he lettered on the Tech Freshman football team. He plays golf at the Muleshoe Country Club and does some fishing for relaxation.

Mr. Gammon is the elected representative from our area to the Water District Board of Directors. When you have a water problem or a suggestion to make concerning the District's operation, contact Mr. Gammon in Lazbuddie — he will try his best to be of service to you.

VA Teachers Begin Convention In Ft. Worth 11th

Austin, Aug 12 — Vocational agriculture teachers of Texas went to Fort Worth on August 11 for their annual conference, according to George Hurt, Director of Agricultural Education for Texas Education Agency. The four day affair was being held in the Majestic Theatre and in the Texas, the Hilton and the Worth Hotels.

The first general session, at 8:30 a.m., of the opening day, included an address by R. E. Naugher, Program Specialist in Agriculture for the U. S. Office of Education. In addition, Mayor Tom A. McCann of Fort Worth welcomed the teachers. State Board of Education Member Cecil A. Morgan gave greetings, and State Commissioner of Education J. W. Edgar spoke.

Events of the Vocational Agriculture Teachers Association included a barbecue on Tuesday evening, an Awards Breakfast on Wednesday morning and a Grand Session at 10:00 a.m., Wednesday.

BULA NEWS BRIEFS

by Mrs. John Blackman

Visit In Amarillo

Mr. and Mrs. Buck Medlin made a short trip to Amarillo Saturday afternoon to pick up their children, Sherrill and Dennis, who have been visiting their grandparents, Mr. and Mrs. L. H. Medlin at Broken Arrow, Okla.

Mr. and Mrs. Edd Ray were in Sayre, Okla., over the weekend to attend the wedding of Mrs. Ray's cousin.

Mr. and Mrs. Travis Webb and children of Hobbs, N. M., spent last week in the home of her mother, Mrs. W. L. Clawson.

Bobby Leta and Larry Dale Hubbard of Idalou spent the week with their auntie, Mrs. Arnold Archer.

Visit Friends Here

H. A. Reynolds was here visiting among friends Monday. Mr. Reynolds has been attending summer school at ENMU this school term. Mr. Reynolds will teach math and history in Ft. Sumner, N. M. High School. He was superintendent here for 11 years.

Mr. and Mrs. H. G. Thompson and children Dale and Joyce, and Mr. and Mrs. Edd Crume and girls, Donna and Dianne, spent several days over the weekend visiting with Mrs. Thompson and Mr. Crume's sister and family. Mr. and Mrs. A. J. Messer at Pine, Colo.

Mr. and Mrs. A. A. Pinkerton of Sudan were Sunday afternoon guests of Mr. and

Mrs. C. L. Cox . . .
Recent guests in the A. G. Aaron home were Mr. and Mrs. Carl Aaron of Oakland, Calif.

Mrs. D. T. Johnson is in Lubbock this week staying in the home of her daughter and husband, Mr. and Mrs. Donald Chesshir. Mrs. Johnson is helping care for her new granddaughter, Donna Ray Chesshir, born Thursday, August 6, to Mr. and Mrs. Donald Chesshir.

Mr. and Mrs. C. H. Middleton of Levelland visited Saturday night in the home of their daughter, Mr. and Mrs. T. L. Harper. Grandma Hommonds returned home with them after a weeks visit here.

Mr. and Mrs. John Blackman spent Saturday night in Plainview, visiting Mrs. Blackman's brother and wife, Mr. and Mrs. P. E. Dever.

Mr. and Mrs. DeWitt Tiller and girls spent Sunday at Lazbuddie with her parents, the John Aduddells.

Visit In Colorado

Fishing at Stonewall, Colo., from Thursday until Sunday were Mr. and Mrs. J. R. Teaff and children, Jerry and Diane, and Mr. and Mrs. Dale Middlebrooks and daughter Dana.

John Blackman and Mrs. John Hufstetter and boys, Allen and Paul, visited Thursday night and Friday with Mr. and Mrs. Dudley Cash at Las Cruces, N. M.

Go To Ballenger

Mr. and Mrs. George Bahlman left Monday morning for Ballenger to visit relatives. Their daughter, GeorgAnn will return home with them after a 2-weeks visit with relatives in Ballenger and Winters.

Mr. and Mrs. Eugene Bryan spent Sunday in Lubbock visiting his sister, Mrs. A. A. Alexander and daughter, Linda.

Here From Lubbock

Mr. and Mrs. Leo Wallace

of Lubbock spent Saturday night with her sister, Mr. and Mrs. D. J. Cox. Both families drove to Morton after church services and ate lunch with their parents, Mr. and Mrs. J. H. Chesshir.

Visit In Cleburne

Arnold and Fred Archer drove to Cleburne over the weekend and their father, W. R. Archer returned home with them for a 2-weeks visit in their home, and he will also visit his daughter, Mrs. C. L. Cox.

Jo Ann Hubbard left early Sunday morning for her home in Amarillo after a 2-weeks visit here with her parents, the John Hubbards. Jo Ann works for Pioneer Natural Gas Company in Amarillo.

Wanda Hubbard, Sherylin Ann Maxwell and Loretta Barnett last week attended the singing camp at Lubbock Christian College. Wanda and Sherylin Ann returned for this weeks activities.

CARD OF THANKS

Words can't express my appreciation to my friends and neighbors who sent cards, flowers, and visited me while I was in the hospital. Also, my thanks to Dr. Green and the nurses at the hospital, and my very special thanks to those who helped after I came home.

Mrs. Kenneth Duncan

Mrs. Wayland Altman of Muleshoe, is staying with her mother, Mrs. Jack Lowe while Wayland is at Army Reserve camp.

Mrs. Ola Ragsdale of Plainview visited Wednesday and Thursday with her son, Buck and Mrs. Ragsdale.

Fishing at Conchas are the Ed Latimers, Pete Tarltons, and Ray Epperlys.

Spending the weekend at Alamogordo Lake were Mr. and Mrs. Bud Warren, Loyd, Sue and Randy, Mr. and Mrs. D. Tucker and John, Mr. and Mrs. Leon Dupier, Tommy, Larry and Jackie, Mrs. Carrie Huff, Kenneth and Eugene.

Miss Anonnie Hightower, John Hodnett, Sue Coffee, Bill Snitker, Geneva Cagle, and Faye Fincher, all of Morton, and Jack Lackey. They returned Sunday afternoon and report a wonderful time.

Lt. R. D. Johnson Completes Pilot Training School

LT. R. D. JOHNSON

Webb Air Force Base, Tex.—Second Lt. Roald D. Johnson, son of Mr. and Mrs. Fred J. Johnson, of Muleshoe, has been graduated from the basic (jet) pilot training school, here; he has been reassigned to one of the tactical units of the United States Air Force for duty.

The Air Training Command of which Webb is a part, is one of 17 major air commands into which the USAF is divided. ATC is responsible for all recruiting and training of air force personnel.

The lieutenant is married to the former Miss Carol Clark of Bursan, Texas. He is a graduate of Texas Tech, Lubbock.

MULESHOE COWBOY WINS IN POST RODEO

Burl Mardis, of Muleshoe, was one of the top performers in the annual Rodeo in Post last week. He won top place in the flag race.

Uncle Sam Looking For Over 4000 Taxpayers - To Give Them Money

Believe it or not, the U. S. Internal Revenue Service is looking for 4,000 taxpayers in the Dallas District with some good news for them.

Uncle Sam, in the form of the Dallas District of Internal Revenue Service, has thousands of dollars in the form of refund checks which rightfully belong to Dallas District taxpayers.

These are checks left over from the recent filing period. The checks, ranging from \$1 to \$1,000 have been returned in the mail for lack of proper address.

Ellis Campbell, Jr., Director of the Dallas District, announced the figures today in kicking off "Operation Re-mail."

He said a group of his employees have been searching telephone directories, contacting employers and attempting through other sources to find the correct address of the taxpayers to whom the refunds are due.

Now director Campbell is asking taxpayers to do themselves and his office a favor. In an appeal to readers of this newspaper, he said:

"If you are entitled to a refund check on the tax return you filed this year and have not received a letter from the Internal Revenue Service advising you that your return is being examined, then write me at 2101 Pacific Avenue, Dallas 1, Texas, or call RI 8-5611, Txl. 2572."

"When writing or calling, a taxpayer should state his or her name and address exactly as it appears on his or her return," Mr. Campbell said.

"Your social security number and the amount of the refund also will be helpful," he said. "Of course, don't forget to give us your new address."

Babson Discusses Khrushchev's Visit

Babson Park, Mass., Aug. 13—My dream is that the fishes of the sea might be a connecting peace link between Russia and the United States. The ocean is the only area between nations which is recognized as free and equal to all nations. This is not only according to international law but also according to custom extending over a hundred years. Therefore, I have felt that the international fishing industry might be the opening wedge in terminating the "cold war."

Leading Fishing Ports
 In view of the above, I have been making a study of the fishing industry of the United States and Russia. There is not much conflict between us and Russia on the West Coast, as our principal catches are salmon and tuna. The conflict on the West Coast is between the United States and Japan. Our main fishing port on the Atlantic Ocean is Gloucester, Mass., which is now taking in over 300,000,000 pounds a year at a valuation of over \$15,000,000 per year.

At present, Iceland is exporting considerable fish to the United States. There are demands from New England to erect a tariff wall against Icelandic fish. Various requests have been sent to Washington which President Eisenhower has wisely refused. He explains that we are very dependent on Iceland, Portugal, and other fishing nations for bases and airports. These we must maintain; we would be greatly handicapped if these nations made us move off in retaliation for increasing tariffs against them.

Our Canadian Policy
 One of the world's most important examples of friendly mutual protection is the boundary line between the U. S. and Canada. Although it would be very easy for either country to invade the other, there has never been a suggestion that such might even water taken into the soil and used by crops.

be considered. Yet there is no military defense or offense between the two countries. There has been some conflict at times between our fishing fleets; but since fishing boats do not carry guns or military equipment, we have had continual peace. My dream is that the fisheries can bring about a similar friendly relationship with Russia.

All the above means first that neither Russian nor American fishing boats should carry guns or other military protection, but should depend upon the good will of the other. Another requirement, sought by Russia, which seems very reasonable is that the mate on every American vessel should be able to speak Russian, and the mate of each Russian vessel be able to speak English. This is very important if the radio codes are to function properly. Real world peace must have some sort of international language—such as Esperanto—which would be sponsored by the United Nations.

Fishing Ports in Russia
 We all know the big fishing ports of the United States, but are not so well acquainted with the ports of Russia. At the east end of the Gulf of Finland the leading port is Leningrad (Petrograd). The only Russian port that is open all year is Odessa on the Black Sea. I have been trying to get figures from Odessa, but have been told that I can get them only by going there in person and giving the Russian Fishing Commission in exchange, certain figures which apply to this country, and especially Gloucester. The population of Odessa is over 600,000, and is growing rapidly. Nearby is the city of Yalta where President Roosevelt had his last very important conference with Stalin. A photograph of them at this conference shows that President Roosevelt must have been quite ill. This may explain why he permitted us to get into the Berlin mess and give the Russians all that portion of Germany which sur-

Lubbock Fair Sept. 28 - Oct. 3

Panhandle South Plains Fair officials announced this week that the 1959 Fair Catalog is ready for distribution to more than 3,000 past and prospective exhibitors. A record total of more than \$30,000 in Fair prizes is offered, with hundreds of ribbons, claim going to area exhibitors banners and region-wide at the Panhandle South Plains Fair in Lubbock, September 28 to October 3.

The 96-page catalog contains complete information concerning general rules and regulations, entry and exhibitor's rules and premium data.

Local Soldier Gets Promotion in Germany

3rd Armored Div., Germany—Walter L. Parker, son of William W. Parker, Rt. 2, Muleshoe, recently was promoted to specialist four in Germany where he is a mem-

Congressman gloomy on nuclear test ban. Electronics to navigate missile firing submarines. Twenty-six carriers cited for air safety. rounds Berlin. This is now known as East Berlin. The above explains why I am planning to leave here next month for Sweden and Denmark. At Copenhagen I will be the guest of Mayor Urban Hansen and will get data on northern Russian fishing ports. Then I shall go to Berlin and to Odessa and secure data on the fishing of the Black Sea and tributary rivers. I, however, will travel only as the "Gloucester lobsterman and fisherman" and not in any political capacity. I will report my conclusions to readers through this column when I return in November.

ber of the 3rd Armored Division. Specialist Parker, a tank driver in Company C of the division's 33rd Armor, entered the Army in April 1958, received basic training at Fort Hood, Texas, and arrived in Europe the following November. The 20-year-old soldier attended Muleshoe High School.

Sandhills Philosopher Has Novel Idea Of What To Show Khrushchev On Visit To U. S.

Editor's note: The Sand Hills Philosopher on his Johnson grass farm has gotten wind of Premier Khrushchev's visit to the United States, his letter this week reveals.

Right now, me and Washington are doing a lot of thinking and planning about the forthcoming visit of Premier Khrushchev, the Russian dictator, but we're thinking and planning in exactly opposite directions.

Here's the situation: Khrushchev has never visited the United States before, all he knows about the country is what he's heard and he's heard that from his fellow Russian propagandists who are notorious for telling about how down-trodden we are over here, how half the country is starving, and all the wealth is owned by two or three families.

And a bunch of Washington thinkers are getting ready to open his eyes.

For example, Khrushchev says he wants to visit an American farm. What will the Washington experts do? They'll pick out a big, modern farm, owned by a man who's probably a bank director or a grain dealer on the side and has the last word in equipment, and Khrushchev will look it over and go back home and tell his slaves, all right, got to work harder, America is way ahead of us in agriculture.

Now what Washington ought to do is pick out a farm that's well, a farm sort of like mine, all right, pick out mine, and let Mr. Khrushchev come out here and look around. Let him see a pasture full of weeds, fences that're falling down, crops over-run with Johnson grass, hony cattle, a 20-year-old tractor with two flat tires, etc.

Then Mr. Khrushchev will go back to Russia and say, "Take it easy, we got nothing to worry about, American agriculture is on its last legs, we got 'em whipped already."

This is a fine opportunity to win a great propaganda war, but I'm afraid Washington's not up to this type of advanced thinking. What it'll do is try to dazzle him, and it will, but he won't resign his job and take up residence here and join the Republican party. What he'll do is go back home and drive his slaves harder.

But if Washington should switch and decide to show Mr. Khrushchev my farm, let me know in advance. I want to let the air out of the other two tires on my tractor.

Yours faithfully,
 J. A.

SOIL CONSERVATION DISTRICT NEWS

ON OUR SOIL ★ OUR STRENGTH

Grass harvest in the district has been complete on Weeping Lovegrass and partially completed on sideoats grama. Generally yields were good but did not come up to last year's bumper crop. Irrigated Weeping Lovegrass has been harvested on Carl Bamert and Pete Saylor farms with good yields. Dryland Lovegrass on the Virgil Obenhaus farm and others was not quite as good as hoped.

Sideoats grama yields have been good, but less than last year. Les Glover, for example, harvested about 350 pounds per acre less this year.

Switchgrass looks good, as does Green Springtop, Sand Ruscus, and Indian Grass.

Terraces are being run this week on Huff Bros. farm six miles north of Maple. A complete terrace system will be installed on this farm under the Great Plains Conservation Program. This farm is in the Conservation Reserve Program for five years, and terraces will have ample time to settle before row cropping again.

Three Farmers from Hereford

visited the district last Friday. They were interested in grasses and sprinkler systems. They were taken on a short, informative tour by Doug Lowe. They were impressed by the grass and expressed the opinion that the Blackwater Valley District co-operators were as progressive as they had been told.

To have the most successful and profitable irrigation system, a farmer must make every drop of his irrigation water work for him in producing his crop.

Recently several private and public organizations have expressed concern over the "waste" of tall water by irrigation farmers. This is just one item that tends to make irrigation more costly than necessary.

Another costly item is the loss of topsoil. It is impossible to evaluate the cost of one acre inch of topsoil when compared to the lost potential to produce for many years in the future. Most of the topsoil is moved down slope because of an improper irrigation system.

There are several methods of decreasing erosion by irrigation water. One of the simplest and best methods is to maintain organic residues in the top inches of the surface. These residues bind soil particles and protect the surface. An extra point of interest is that organic residues hold plant nutrients ten times as well as Bailey County soils void of organic residues. To increase organic residues in soils, cover crops should be planted regularly and crop residues managed to leave as much as possible on the surface.

On an irrigation trial run last year by SCS technicians on the H. C. Morgan farm, it was found that shorter row lengths and less total application of water produced more net income per acre than the check plot. This was due to higher grade of cotton, less water and pumping expense, and less time spent in irrigating.

Remember, tall water costs just as much to pump as the

Big Air 4-Door Sedan, with sleek Body by Fisher

smoothest ride!

One of the 7 big bests Chevrolet gives you over any other car in its field

Anyone who's ever taken a Chevy over a choppy country road can tell you how lightly Chevrolet's Full Coil suspension handles rough going—and coil springs never squeak, never need grease! They're the best way of going for yourself. Once you do, you'll find your own way of saying what MOTOR TRENDS magazine puts this way: "The smoothest, most quiet, softest riding car in its price class." But the biggest part of it all is that this Full Coil ride is just one of seven big bests—all documented by published opinions of experts and on-the-record facts and figures.

BEST ROOM—Official dimensions reported to A.M.A. show that Chevrolet sedans offer more front seat head room than all but one of the high-priced cars—more front seat hip room (by up to 6.9 inches) than the "other two" of

the leading low-priced three.

BEST ENGINE—Chevrolet engines have long won respect praise from virtually every automobile magazine, and, just recently, Chevrolet received the N.A.S.C.A.R. Outstanding Achievement award for "the creation and continuing development of America's most efficient V-type engines."

BEST ECONOMY—A pair of Chevrolet sedans with Downlighting won their class in this year's Woburn Economy Run, topping every other full-sized car. And the winning mileage was a whopping 22.38 m.p.g.

BEST BRAKES—Chevy's brake-lining brakes are the biggest in their field, built for up to 62% longer life. In a direct competition conducted by N.A.S.C.A.R., Chevy out-stopped both of the other leading

low-priced cars in a test of repeated stops from highway speeds.

BEST STYLE—It's the only one of the leading low-priced 3 door's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in styling."

BEST TRADE-IN—Any N.A.S.C.A.R. Guide Book can give you the figures on Chevy's extra value. You'll find that Chevrolet used car prices last year averaged up to \$128 higher than comparable models of the "other two." Your Chevrolet dealer will be happy to tell you about a whole host of other advantages besides these seven. Why not drop by his showroom?

Manufacturer's Suggested Retail Price. Excludes taxes, license, title, and optional equipment. Dealer's price may vary. ©1959 GM Corp.

A Nation's Prayer

ALMIGHTY GOD, in Whose love and eternal care this world has found its sole meaning and ultimate destiny, bless this House.

In the exercise of a holy freedom our people have chosen that man who with his helpmate here abides, whether we support or oppose his policies, lead us to uphold him in his sacred duty, to the preservation of our Constitution and the safeguard of our liberties.

Strengthen him and his counsellors in the fulfillment of their trust. Enlighten both his supporters and his loyal opposition in every search for the best solution to the problems that beset our nation and our world. Preserve the peace, never letting the flame of freedom flicker for one moment in our hearts.

And guide the families of our land to the Sources of Light and Life and Love, multiplying the influence of the Bible, extending the witness of the Church . . . that the blessing we invoke upon this House may permeate every home in a dedicated America.

Amen.

THERE IS
STRENGTH IN
PRAYER

Down through the ages men have prayed because trouble drove them to their knees. Even today some people seem to look on prayer chiefly as a means to an end. They want something; they ask God for it. They are disappointed if their requests are not granted.

The psalmist had a better understanding of prayer. For him prayer was "waiting upon God." He found strength not in what he said to God, but in hearing God speak to him.

Once I visited a friend's house. As we chatted his little son came and stood at his father's knee. "What is it, John? Asked his father. "Nothing, Daddy, I just wanted to listen to you." Unconsciously, that child conveyed to us a great truth about prayer—the need to listen to God's voice.

Because we do not listen enough when praying, we miss what God has to say to us. Prayer is not only asking something of God, but quietly waiting upon Him. We come into harmony with Him and see things more nearly as He does. Thus our desires, purposes, and thoughts grow in accordance with His will.

PRAYER: Help us, O God, to realize the true meaning of prayer. As we pray, may we reverently wait to hear Thy word for us. Through the Holy Spirit, let Thy messages fraught with Thy blessings find lodgment in our hearts. In Jesus name, Amen.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Georgia Cotton Miller To Be Guest of Plains Cotton Growers

LUBBOCK—A man who has been in the textile business for more than a quarter of a century, J. M. Cheatham, president of Dundee Mills, Inc., Griffin, Ga., will be in Lubbock August 28 as one of the principal speakers of the third annual meeting of the Plains Cotton Growers, Inc. The PCG will meet at 10 a.m., at Municipal Auditorium and will be preceded by a Board of Directors meeting at 9 a.m., during which time directors will elect officers for 1959-60. W. O. Fortenberry, President, announced.

In addition to an address by Cheatham, who is also the first vice-president of the American Cotton Manufacturers Institute, he is slated to head that organization as president in 1960. Another principal speaker will be Bill Foreman, Public Relations Manager for the National Cotton Council of America.

Cheatham, as the next president of ACMI, which represents the cotton, man-made fiber and silk segments of the nation's textile manufacturing industry, has seen the growth of the textile industry since he entered the business as a trainee at Rushton Cotton

Mills, Griffin, Ga., in 1933. He has been a salesman, assistant to the president, vice-president and president since joining Dundee Mills in 1936.

"The next president of ACMI is one of the outstanding textile executives in the nation, and a man that has a good insight to the future of all fibers, not just cotton alone, and we feel he will have a very informative and interesting message for our members," Fortenberry said.

All cotton producers and businessmen are invited to the annual meeting of the PCG. Free door prizes will be given and a fish fry at lunch is to be free for all attending.

A-3 DON MOORE ON LEAVE VISITING FAMILY HERE

A-3 Don Moore, who is stationed at Hamilton, AFB, near San Francisco, is home on leave for a visit with his parents, Mr. and Mrs. J. M. Moore.

Don has been in service a year. He has finished two years of college at Texas Tech, hopes to add another year and a half of credit at Air Force schools by the time his enlistment expires.

U. S. Army Wants Good Musicians For Its Band

The United States Army offers young musicians a choice of assignment to a band in Texas or Oklahoma, with schooling in Washington, D. C., and an opportunity for career advancement.

This multi-benefit program is offered to fill requirements for over 100 Army musicians in the two-state area. There are openings for all band instrumentalists except drummers.

Accepted applicants will receive schooling of 20 weeks duration with the Army Element, U. S. Naval School of Music, Washington, D. C., a Department of Defense unified activity.

Major H. H. Copeland, Deputy Army Special Services Officer and Staff Band Officer, Fourth United States Army, explained that the schooling is conducted in a scholarly, musical atmosphere comparable to the best musical conservatories in the world.

Assignment benefits insure that a young man may enlist for a band of his choice in Texas or Oklahoma. "Choice," not "Chance" assignments in Texas are available at Fort Sam Houston, Fort Hood, and Fort Bliss. In Oklahoma, positions are available at Fort Sill.

Career opportunities for outstanding musicians consist of advancement through progressive schooling, such as the five-month Bandmaster Course. Major Copeland stated this course has been analyzed by nationally known instrumental educators who found the five-month course teaches as much practical bandleading as the average student receives during a normal four year college or university course.

In addition to normal United States Army enlistment requirements, auditions are scheduled to determine an applicant's qualifications for an Army band. The major said that young men who have successfully played with a high school band, normally pass the audition without difficulty.

For further information, contact Sgt. John G. Mattmiller, U. S. Army Recruiter at 208 Main St., Clovis, N. M., Phone PO 3-7209.

YOUNG FASHION—Blue is for boys, and this young man likes his blue and white striped cotton knit suit. The set by Gibbs is styled for cool comfort and will retain its shape after repeated washings.

We Owe It To Ourselves and Family To Accept Responsibility Of Safety

"Honestly now, what's your hurry?"

This question was put to Texas motorists today by J. O. Musick, general manager of the Texas Safety Association, as he sought public support for TSA's current Slow Down and Live campaign.

Musick reminded drivers that 229 persons were killed in Texas traffic accidents during August of last year.

"Each Texan can give the Slow Down and Live campaign a boost by simply becoming safety conscious. Most of us are familiar with the laws, rules and courtesies of the road, but all too often there is a tendency to forget them. At this point we are most vulnerable to an accident," Musick said.

He reminded motorists that traffic officials are doing all they can to protect drivers and pedestrians by maintaining a firm enforcement policy, but that the final responsibility rests with the individual.

"Surely it is a matter of deep concern to all of us that the traffic accident toll is on the increase in Texas (the Texas Department of Public Safety reports an increase of approximately nine percent for the first six and a half months of this year), thus we owe it to ourselves to our family, friends and neighbors to accept the moral responsibility of practicing safe driving habits.

His talk will deal with "the conservation of underground water."

The conference is scheduled for August 17-20 at Sul Ross State College in Alpine. Interested persons from throughout the nation are expected to attend.

Mr. McFarland will be joined to the outstanding program by other nationally recognized authorities on conservation education. The conference theme is "Developing a Program for In-Service Training in Conservation Education for the Public Schools."

FORD FOUNDATION ISSUES BOOKLET ON ITS GRANTS

NEW YORK, Aug. 14 — A booklet was published today describing grants by the Ford Foundation in the states of Arizona, Colorado, New Mexico, and Texas since the Foundation was established in 1936.

The 28-page publication, one of a series on Foundation activities in various states, is available on request from the Ford Foundation, Office of Reports, 477 Madison Ave., New York 22, N. Y.

The booklet reports the following Foundation grant totals from 1936 to March 31, 1959: Arizona, \$963,100; Colorado, \$4,598,287; New Mexico, \$619,500; and Texas, \$18,133,186.

Today's Meditation

Read John 12:20-26. Sir, we would like to see Jesus. (John 12:21.)

In much of Jesus' teaching we find references to a pastoral setting—fields, flocks, and vineyards. Ours is an industrial age, with men and women working in factories, stores, mines, and on ships. We need also to picture Christ in the modern scene and express His eternal truths in terms related to the life of our day.

In his book "The Transforming Friendship", Leslie Weatherhead imagines Jesus Christ visiting a businessman's home. Thinking to please his Guest, the man said, "I will show you the church where I worship." Jesus Christ said, "No, show me the business where you work." He was shown some things, but not all. Afterwards Christ said, "You will be far happier when you have altered it all. Don't be afraid, Your heavenly Father knows what you need."

"And I looked into the future," Dr. Weatherhead says.

State Fair of Texas Adds Horse Show To The Agenda

An entirely new horse show, offering a total of \$34,840 in cash premiums and featuring most of the fashionable light horse breeds in the United States, will be inaugurated at the 1959 State Fair of Texas, October 9-25.

The State Fair of Texas Horse Show, as it is officially titled, will present three different series of shows, with judging scheduled almost every day of the fair.

The new attraction will bring together in one show for the first time at the State Fair such breeds as the American Saddle Horse, Tennessee Walking Horse, Thoroughbred, Standardbred and Arabian. The popular Quarter Horse, Palominos and Shetland Ponies which have been featured in previous State Fair shows will also continue to be spotlighted.

The Horse Show will be presented in the new, modern \$2,000,000 State Fair Livestock Coliseum, which will seat more than 7,000 spectators. With its adjacent stables and exercise areas, the new Coliseum is considered to be an ideal setting for such an elaborate horse show. The Coliseum will be managed by Ray W. Wilson, State Fair's livestock manager, is manager of the State Fair of Texas Horse Show. Douglas Mitchell of Fort Worth, longtime State Fair horse show official, will be assistant manager, and J. Glenn Turner, a vice-president of the State Fair, is chairman of the Coliseum Horse Show Committee which is planning the attraction.

seum will be put into use for the first time during the 1959 State Fair.

The show's opening Series I, October 10-13, will feature 3 and 5-gaited horses, fine harness horses, Futurity of Texas, walking horses, road and parade horses and hunters and jumpers.

Series II, October 14-18, will star the ever-popular Open Cutting Horse Contest and Quarter horse conformation and performance classes.

The third series of the horse show, October 20-25, will present Shetland Ponies and Palomino and Arabian horses in halter and performance classes.

The new show is a member of the American Horse Shows Association, Series I and the Arabian show of Series III will be conducted in accordance with AHSA rules.

Ray W. Wilson, the State Fair's livestock manager, is manager of the State Fair of Texas Horse Show. Douglas Mitchell of Fort Worth, longtime State Fair horse show official, will be assistant manager, and J. Glenn Turner, a vice-president of the State Fair, is chairman of the Coliseum Horse Show Committee which is planning the attraction.

ENMU Summer Class Brings 386 Grads for Year

Eastern New Mexico University graduated 117 students, 55 of them receiving Master degrees in ceremonies held in Portales last Friday night. This brings the total for the year to 286. Ruth Wheeler, registrar said this week.

Dr. Law Sone, president of Texas Western was the commencement speaker. His address was titled "How Strange."

CARD OF THANKS

We are deeply grateful to all our friends for their expressions of sympathy, for the beautiful flowers, the messages you sent, and the food brought to our home, at the death of Mrs. Hardy's father, Mr. N. O. Wallace. We shall always remember your kindness and treasure your friendship. May God bless you.

Mr. and Mrs. Ray Hardy and Gerri.

Panhandle-Plains Fair Catalog Are Now Ready

Catalog and premium lists for the 42nd annual Panhandle-South Plains Fair, to be held in Lubbock September 28 through October 3 have been received here.

This year, the entertainment part of the Fair will be featured by performance of Castle's 3-Ring Circus on three afternoons and three nights. The Fair management announces that many improvements to the plant have been made this year, both on the grounds and in the buildings.

The Fair annually attracts many exhibits from Muleshoe area.

WANT ADS are as newsy as the front page and high in reader response. To place your want ad dial 7220 or 5400.

"and I saw that the man had become poorer. Many said that he was a fool. But there was peace in his heart, and a shining gladness in his eyes, and not a trace of worry in his soul."

PRAYER Our divine Father, grant us eyes of insight that we may see those things that are invisible. Give us ears that hear. Thy still small voice above the din of the world. Transform our souls that they will be responsive to the guidance of the Holy Spirit in the Saviour's name. Amen.

THOUGHT FOR THE DAY Today I will strive to do work which will merit Christ's approval.

—H. Howey (Canada)

If it's storage space you need . . . then look first at the LOK-RIB BUILDING

You've got room—plenty of it—when you choose a LOK-RIB Steel Building. The exclusive V-Rib construction makes interior supports unnecessary—leaving the entire inside area free for storage space or working room.

You eliminate the high cost of separate framing and covering, because LOK-RIB panels serve as exterior sheathing as well as structural panels. Every part is pre-punched at the factory—no field drilling or cutting necessary.

LOK-RIB Buildings, made with heavy-duty 18 or 20 gauge steel panels, stand up under windstorms, heavy snow loads, or lightning. You choose your size from four widths—24, 32, 40, or 48 feet—all available in any length.

High Plains Water Official To Speak At Sul Ross 17th

Tom McFarland of Lubbock, General Manager of the High Plains Underground Water Conservation District, will speak at the annual Summer Conference of the National Conservation Education As-

people who are at home with QUALITY choose GAS appliances

fuel for a growing empire Pioneer Natural Gas Company

Enter the home where choices are made strictly on the basis of quality, and the chances are excellent that you'll find a built-in Gas range in the kitchen. That's because people who are concerned enough to evaluate, discover that a Gas range offers superiority in two ways. The range itself combines precision accuracy with complete automation. And GAS, as a live-flame fuel, does important things that no other fuel can do. It consumes cooking vapors so that you can enjoy closed-door smokeless broiling. With Gas there's no warm-up wait when it's turned on . . . no lingering heat when it's turned off. And only an instantly responsive Gas flame permits perfect control of the subtle variations in temperature that mean so much to the taste and texture of foods. Gas is the choice of people who insist upon quality at any price . . . and it's incidental that Gas costs from one to eight times less than any other fuel! Where the finest is truly appreciated . . . GAS belongs.

At Cotton Growers Meeting

Cotton Council Head to Outline What Agriculture Means to Us

LUBBOCK—The public idea of agriculture and what agriculture really means to the public will be outlined by Bill Foreman, Memphis, Public Relations Manager of the National Cotton Council, on August 28 when he speaks at the third annual meeting of the Plains Cotton Growers, Inc., at Municipal Auditorium in Lubbock.

W. O. Fortenberry, PCG President, said that the annual meeting will begin at 10 a.m. and conclude about 3 p.m. with a break for noon during which time the PCG will be host to its members in a fish fry served under the grandstand of Jones Memorial Stadium on Texas Tech Campus, across from the Auditorium.

In his address, "Public Relations—A Must for Agriculture", Foreman will point out how agriculture is suffering because of poor public relations, describing some typical public attitudes toward the farmer.

A native of Mississippi, the National Cotton Council of America's Public Relations Manager has been a member of the cotton industry organization's staff since 1948. He was made Public Relations Manager in 1953, after having edited the Council's industry publication—The Progress Bulletin—for five years and having been in charge of public relations programs primarily in the field of cotton production and marketing.

Before coming to the Cotton Council, he has served as managing editor and later editor of the Daily Commercial Dispatch, Columbus, Mississippi, and had served on

BILL FOREMAN

staffs of weekly and daily newspapers in Mississippi and Alabama.

Foreman is only one of several speakers scheduled on the PCG's annual meeting. Another is J. M. Cheatham, President of Dundee Mills, Inc., Griffin, Georgia, and First Vice-President of the American Cotton Manufacturers Institute.

All farmers and businessmen are invited to the annual meeting and urged to bring their families also, President Fortenberry said.

DAMAGES CAR

Janice Olier suffered about \$500 damage to her car Sunday night. She told a friend she reached down to turn her radio off, and when she looked up a car was right in front of her, and she rammed the rear of the car.

Wallace Rites In E. St. Louis

Nathan O. Wallace, of East St. Louis, Mo., father of Mrs. Ray Hardy of Muleshoe, passed away July 28. Funeral services were conducted from the Holten Mortuary, at 1:30 p.m. Monday and interment was in Holy Cross Cemetery, East St. Louis.

Mr. Wallace, who was 60, was pronounced dead upon arrival at St. Mary's Hospital at 5 p.m. He had suffered a heart ailment.

Born in Naples, Texas, he had lived in East St. Louis for 22 years. Much of this time he was employed as an electrician for the American Steel Foundry. Mr. Wallace is survived by his wife, two daughters, seven sisters and a brother. Mrs. Hardy left immediately after receiving the message of her father's death and was present for the services.

BOBBY DICK OF SUDAN WITH AIR FORCE

PATUXENT RIVER, Md. — Bobby J. Dick, aviation electronics technician third class, USN, son of Mr. and Mrs. E. B. Dick of Sudan, is serving with Airborne Early Warning Squadron 13 at the Naval Air Station, Patuxent River, Md.

HERE FROM CLEBURNS

Mr. and Mrs. J. S. Siddell of Cleburne visited the Martin and F. L. Oliver families here over the weekend.

Donald Ray Lamb To Get BS Degree Sul Ross College

August 5, 1959, Alpine, Tex. — Sul Ross State College officials have announced that a total of 129 candidates have met the requirements for the Bachelor or the Master degree.

Donald Ray Lamb is among those to receive the Bachelor of Science degree. Don majored in Physical Education. He is the son of C. C. Lamb, Rt. 2, Muleshoe.

.22 Rifle Bullet Plays Havoc With Lenu TV Viewers

Muleshoe TV lookers, who are connected to the Muleshoe Antenna Co. cable, had considerable difficulty getting a picture last Thursday night. In fact only one station came in at all, and it was snowy, and would not hold. This was true especially in the Lenu addition.

Television repairs were called to several homes, but had no luck in getting the sets adjusted, and finally decided it was the cable.

Jim Irvin reports they turned things upside down, relatively speaking, Friday, trying to locate the difficulty. Finally, in the afternoon, serviceman Joe Riggan ran across the trouble. A needle in a haystack would be easy compared to this. While examining a cable near the highway, he noticed a small break in the insulation—less than an inch long. He examined it and found a .22 calibre bullet lodged inside the insulation, and it was jammed against the cable, forming a "short". When he gouged out the bullet, all was ok.

Someone is a pretty good shot. Perhaps one shot out of a thousand that hit the cable would have glanced off. But this one was on dead center, and stuck where it hit.

MYF Party Is Planned Tonight

Eleven young people were present Sunday night in the Youth Chapel of the First Methodist Church for MYF. Senn Stiemmons showed slides of the group's trip they took to the mountains of New Mexico last month. The previous Sunday night's program featured a talk by Gil Lamb on tolerance and understanding of others. They also had a birthday party for their youth director, Ray Rochelle.

In the business session last Sunday they decided to divide the post of Secretary-Treasurer into two separate offices. Sandra Harris will be the treasurer and Nancy Julian was elected the secretary. Dolores Wagon was then elected Christian Witness Chairman to fill the office left vacant by Nancy.

The group planned picnic for Thursday at 7:00 in the yard of their sponsors, Mr. and Mrs. Leon Blair. All MYF members are to bring a date and enough steak for both of them.

HERE FROM MASS.

Mrs. Donie Richards and baby Bobby Don are visiting her parents, Mr. and Mrs. Claude Blackburn at Lazbudie and his parents, Mr. and Mrs. J. A. Richards of Muleshoe. Mrs. Richards flew here from Mass. She will visit relatives until about the first of September.

Texas Sesame Enlarges Plant

Texas Sesame Growers Ass'n is enlarging their Muleshoe elevator and plant, in preparation for the forthcoming grain harvest.

W. F. Wimberley, manager of the High Plains area for the company, said about 6 million pounds of additional handling capacity for grain is being constructed now and should be ready for the beginning of milo combining.

The physical plant also is receiving new handling equipment, the aim being to speed the time of unloading and make for an increase in handling efficiency.

Office building of the plant also is being enlarged, Mr. Wimberley said, with Sylvan Robison in charge of this additional construction.

VISIT HERE FROM CALIFORNIA

Mrs. Betty Robinson, Keith and Danny from Norwalk, Calif., are visiting her mother, Mrs. Anna Hall. Mrs. Robinson and Mrs. Anna Hill will go to Clovis Friday to pick up Mr. and Mrs. Loyd Russell and baby, another daughter, and go on to Farmington, N. M., to visit Mr. and Mrs. Bill Barbour before returning to Norwalk, Calif.

The Sidells of Cleburns, Steve and Scott Oliver visited in the F. L. Oliver home Monday night.

TEL Sunday School Class Has Meeting

On August 4 the T. E. L. Sunday School Class of First Baptist Church met in the Lois Shook home in regular monthly class meeting, with 17 members present. President Myrtle Alsop presided. Opening prayer and devotion was given by Mrs. Mary Evans. A committee was appointed to recommend officers for next year.

A committee was appointed to make class calendar. Class gave a donation to Home Life Building at Wayland College.

Sack Lunch Planned For Ladies Playday

Next Wednesday, August 19, is the regular business meeting and play day for members of the Muleshoe Ladies Golf Ass'n. For their meal at 12 o'clock the ladies will bring a sack lunch.

Before play there will be a very important business meeting and it is urged that all members attend.

Plainview.

A letter signed by sixteen members was sent to Congressmen regarding labor bill now before Congress. Meeting was dismissed by prayer by Mrs. Edna McDaniel.

Delicious homemade ice cream and cake were served by the hostesses, Mrs. Shook and Mrs. Byers.

Pleasant Valley Views

by Mrs. John West

Mr. and Mrs. James T. Brooks and family of Slaton spent the weekend with the John Inman family.

Mrs. Angie James of Tahoka is visiting her daughter and family, the John Inmans.

There will be a community meeting and ice cream supper Saturday night at 8 p.m., August 15 in the community building, sponsored by all clubs in the community. Every one in the community is invited to come and bring either cake or ice cream. There will be an election of community directors.

Mrs. Bonnie Haberer attended a Red Cross breakfast Friday morning in the home of Mr. and Mrs. Lyle Brandon in Littlefield.

Mrs. E. K. Angeley and Patsy spent the weekend in Morton with their grandmother, Mrs. J. E. Crowe.

Pleasant Valley 4-H Club
The Pleasant Valley 4-H club met August 5 in the community center. Veta Allison called the meeting to order. Suggestions for the 4-H

party were called for. It was decided to hold it August 28. The losing team will give the winning team a party. Sheryl Stevens, acting as secretary, read the minutes and called the roll. There were no corrections or additions. Refreshments were served by Sheryl Turner and Terry Stewart. Helpers were Larry Allison and Veta Allison. Meeting was adjourned.

The Harold Allisons had as guests in their home last week Mr. and Mrs. Lewis Wakeman, Arthur and Pamela of Carlsbad, N. M. Mrs. Allison is a cousin of Mrs. Allison. Other guests were Mr. and Mrs. W. E. Jacobson of Ceres, Calif. The Jacobsons were neighbors of Mrs. Allison's parents for about 25 years.

To Ft. Sumner

Mr. and Mrs. Oscar Allison and children, Mr. and Mrs. Harold Allison and children, Mr. and Mrs. Gerald Allison and children, Mr. and Mrs. Gene Tunnell and Mr. and Mrs. Joe Milsap, Jr., of Muleshoe and Mr. and Mrs. Jimmy Allison of Lubbock all went to Ft. Sumner, N. M., on Sunday to a Grizzle and Allison family dinner. They were accompanied home by Mrs. George Didlake and children of Dallas. Mrs. Didlake and children will spend the week visiting the Allisons. She will be joined Wednesday by Mr. Didlake.

Johnny and James West attended the All Church picnic of the First Baptist Church of Muleshoe at Horseshoe Bend on Monday night.

Lazbuddie News Letter

By Penny Grusendorf

Y. W. A. Girls To Tullia

Monday night the Lazbuddie Y. W. A. girls went to Tullia for a District conference, where they ate supper and had a very interesting program. Those attending were: Donna Redwine, Elaine Barnes, Lois Vanlandingham, Wynell Barnes, Elaine Vanlandingham, Deanne Morgan, Penny Grusendorf, Mrs. Curry, Mrs. Barnes, and Mrs. Morgan.

Mrs. Jack Smith and Katherine went to Dallas for entrance exams at S. M. U.

Saturday, August 8, the Edd Blackwells moved to California to go to work in the fruit orchards.

Don Schumann came home from the hospital at Houston Monday. They believe he will get along ok now.

Mr. and Mrs. Andy Fuqua returned from their vacation in Colorado, where they fished and rested. They really enjoyed themselves.

Mr. and Mrs. Howard McGee from Arkansas are visiting in the home of Burk McGee.

Mr. and Mrs. A. E. Redwine, Donna and Bobby went to Levelland Sunday for the

wedding of Gene Redwine, Mr. and Mrs. Redwine's nephew.

Mr. and Mrs. R. D. Martin and their two children, Vicki and Dennis, visited in the home of Mr. and Mrs. Glenn Annear over the weekend.

The V. H. Bewleys will leave Tuesday for Massachusetts, Connecticut and other points north. They will go by way of Niagara Falls.

Mr. C. A. Watson, Don and Leon went to Clovis Sunday and attended church, afterwards visited with friends.

Mrs. C. A. Watson and Benny went to Anton Sunday to be at the bedside of her mother, Mrs. H. I. Bass.

This past week visiting in the home of Mr. and Mrs. A. M. Bradley and son were: Mr. and Mrs. W. M. Montgomery, Mr. and Mrs. J. C. Montgomery, and r. and Mrs. C. M. Montgomery. Sunday they all attended the Montgomery reunion at MacKenzie Park. Approximately 65 attended.

Honored With Shower

Mrs. T. O. Leslie was given a pink and blue shower Friday in the home of Nina Redwine. Refreshments of punch and cookies were served. Approximately 30 guests attended. Mrs. Lesly received many nice gifts.

Mr. and Mrs. E. T. Ford left Sunday for their vacation to Red River, N. M. They returned Thursday after having a very nice time.

Mr. and Mrs. Allen Grusen-

Funeral In Tye For Father of Lazbuddie Men

Funeral services were held at 11 a.m. Saturday in Tye for W. H. Briggs, 72, father of W. C. and Adrian Hind Biggs of Lazbuddie.

The services were held in the First Methodist Church. He moved to Lubbock in 1921, and then in 1938 to Petersburg where he operated a butane store.

In addition to the two sons, Lazbuddie he is survived by his wife, five sons and a daughter.

CARD OF THANKS

May I take this means of thanking my many friends for your many kindnesses extended to me during my recent stay in the hospital, and since I have been back at home. You have just been wonderful to me. For the many visits, the cards and letters and flowers, and every kindness in any degree I shall be forever grateful. I especially appreciate the staff at the Muleshoe Hospital for the good treatment while I was there.

May the Lord bless each one of you.

Edith Wilt
Itc.

dorf, Penny and Gary left last Saturday for Red River, N. M., where they spent several days. They returned home Wednesday.

T. D. Vaughn an dfamily went to Clouderoft recently to take his mother, Mrs. Annie Vaughn to visit her daughter Mr. and Mrs. H. D. Hutchison for the summer.

**THIS WEEK
In Muleshoe**

by APTON RICHARDS

Would you be interested in buying a nice used car? We have a list furnished by Les Smith, of some genuine buys. Here are some of the listings: 1926 Jewet Sedan, \$35; 1926 Ford Roadster, \$65; 1925 Model A Coupe, \$65; 1925 Hupmobile, \$65; 1926 Hudson Broughton, \$225; 1927 Essex Sedan, \$225; 1926 Oakland Coach, \$225; 1929 Model Chevrolet Sport Coupe, \$450. —This advertisement was printed in 1930.

The Chamber of Commerce here received recently the following letter from Mrs. John Burroughs, wife of the Governor of New Mexico, thanking them for the sack of Muleshoe onions which was sent to them:

Dear Sir: We want to thank you for the "Texas size" onions that came to us recently. I will have to cook lots of beans to use with onions of such size and proportions. Thank you very much.

Mrs. John Burroughs

A Texas Highway Patrol supervisory officer was visiting with the Bailey County Commissioners Court Monday. The conversation got around to the amount of money the patrol adds to county funds through their activities. At this point County Judge Glen Williams made a statement that we appreciated, and thought perhaps you would too, so we pass it along to you.

The judge said, in his opinion, it was a serious mistake to attempt to judge whether or not a peace officer of any nature is doing a good job, by the amount of money he collects. The judge pointed out that if this be true, then the traffic officer employed in Shallowater a year or so ago, was a top peace officer and perhaps should have been promoted to some high office in law enforcement.

This very thought, as expressed by our county judge, was the main cause of our entire system of paying officers, being changed by the Texas Legislature, some years ago. At one time all officers were on the "fee system" and how much money they made depended on how many arrests and how much fines they took in. There were many abuses of this system of "fee grabbing" officers, and wisely so, the law was changed, and all officers now draw salaries.

It is true that arresting fees are still collected as part of "costs" when fines are paid. But these fees go into the county treasury, and in turn help pay officers' salaries.

The cost of collecting fines, even though it has been in use always by Texas courts, is one the people know very little about.

On traffic cases issued by Patrolmen, it has been ruled illegal to collect an arresting fee as part of the costs, but some Texas counties still do it. Also some counties collect a fee for committing a person to jail and a fee for releasing him, even though that person may not have even been placed under arrest.

So long as the public makes no effort to find out the facts about such matters, this abuse will continue to be passed along to them.

But back to the point at hand, we agree with the judge that the amount of money taken in is certainly no criterion to use in judging an officer. It would seem that an officer's chief duty is to preserve the public peace, and to protect peaceful persons from those who would violate their liberties as individuals and citizens collectively. Some of the best peace officers we have known, employed much of their time in "preventive" measures and not so much in punitive action.

This is a matter of opinion — you may disagree.

Ross Goodwin, a member of the county High Plains Water Committee, was in The Journal office Wednesday discussing the importance of farmers controlling their tail water. You will notice a story in the paper this week on this important subject.

The Muleshinner says don't

try to beat a train to the crossing. Even if it a tie—you lose.

If Texas politicians are not careful, they may get slipped up on in 1960. The new Johnson law has moved the primaries up about 90 days.

Under the new law the final date for filing for a place on the ballot is February 1, and the first primary is the first Saturday in May.

However, we have already heard some talk about prospective candidates for local offices, and it may be that before too long, the new campaign may get rolling.

The Driver License Examiner, who sets up office here every Wednesday, is usually kept pretty busy. For instance this week at one time he had 27 persons in the district court room waiting to take the examination.

The boss came the other evening telling this story: A guest at an outdoor dinner had taken on too much liquid refreshments, and he was watching the host barbecue a chicken. "Shay", he said, as the man turned the chicken on the rotisserie, "your organ ain't puttin' out any music, and you are about to burn your monkey up."

Progress News

by Mrs. M. O. Nigh

W. M.-U. Met

The Baptist Ladies met for WMU with eight members and two visitors. The scripture was found in Luke 22:42, and 22:39-46. Bible study was brought by Helen Redwine on the subject of "The Christian Home". Closing prayer was by Mrs. Mary Marrow.

Mrs. M. L. Shipp's aunt and uncle from Roswell, N. M., spent Saturday night with her and went on to Lubbock Sunday.

Rev. and Mrs. C. C. Lamb spent Sunday with Mrs. Birda Garrett and Jim.

Mrs. Bill Watson and children were visitors at the Methodist Church Sunday. Rev. Watson was the former pastor here at the Methodist church. He is in school this summer.

Rev. and Mrs. C. C. Lamb went to Lubbock Monday where Rev. Lamb went for a checkup.
