Bailey-Lamb County P. T. A. Hold Quarterly Conference

The Muleshoe unit of Parents and Teachers was hostess on Tuesday of last week for the quarterly conference of the Bailey and Lamb County Council of Parent-Teachers Association, which was held in the Muleshoe high school cafeteria. Mrs. Doyle Tapley, Council president, opened the meeting by leading the group in the P-TA prayer.

Members were reminded of the spring conference for District 6 to be held in Plainview on April 14, in the Plainview high school auditorium.

Elect Officers
The Council elected the following officers for the coming year: Mrs. L. E. Sullins, Littlefield, president; Mrs. James E. Fite, Muleshoe, vice-president; Mrs. Frank Rogers, Littlefield, secretary; and Mrs. Melvin Hines, Otton, treasurer.

Mrs. Tapley reported from the State Legislative Round Up publication that a hearing was scheduled for House Bill No. 6 (The Hale-Aikin) on March 9 and urged all members to contact their Senators and Representatives with an expression of the members' desires on these vital issues.

The Council approved the amending of Article 5 of its Constitution concerning annual dues.

Dewayne Reeves moderated for a panel of junior and senior students from Muleshoe high school. The panel outlined the subjects under discussion and expressed their unhearsaid opinions in a refreshing manner, which seemed to delight everyone present. Members of the panel were Linda Coover, Lynda Landers, Derrell Oliver, Bobby Robinson, Tommy Thompson, and Jimmy Bishop.

Mrs. R. O. Gregory, local hospital chairman, assisted by Mrs. J. K. Adams and Mrs. E. R. Putman, was in charge of

the tea table which was decorated in a St. Patrick's day motif.

Those present were: Mmes. Doyle Tapley, Anton; Bob Clayton, Amherst; Glenn Gatewood, Sudan; Melvin Hines, Otton; J. M. Farmer, Oscar Wilemon, and G. M. Nickel, Littlefield; Thurman White, Neil McAllister, B. R. Putman, R. O. Gregory, Barry Lewis, and James Fite, of Muleshoe.

Bill Parker, high school principal, represented all Muleshoe public school officials at the meeting. Since it was National Education Week, other officials were unable to attend. Members of the Muleshoe Parent-Teachers Association served as registrars at all five public schools on Monday of last week.

Ward-Jones Wedding May 29

June LaNell Ward

Mr. and Mrs. A. D. Ward of Littlefield are announcing that their daughter, June LaNell, plans to wed Jack E. Jones, son of Mrs. R. L. Jones of Muleshoe.

The bride-elect is a 1958 graduate of Muleshoe high school and attended West Texas State College.

Mr. Jones is also a graduate of Muleshoe and is a junior business major at West Texas State College and a member of Alpha Sigma Xi fraternity.

The couple will be married May 29 in the First Baptist Church of Muleshoe.

Schedules Book Review Tonight

Mrs. B. O. McDaniel will review "The Hem of His Garment" by Argye M. Briggs at the regular meeting of the Muleshoe Study Club on Thursday evening (tonight) at 8.

The hostess for the meeting will be Mrs. Senn Slemmons. Members will answer roll call with a verse of service. It is hoped that this meeting will be well attended.

Mrs. Remund, Mr. Rodolph Wed In Sunday Ceremony

Mrs. Ella Belle Remund, of Muleshoe, became the bride of Mr. Willis Rodolph, of Temple, Okla., in a ceremony at 3 o'clock Sunday afternoon, March 8, in the home of her sister, Mrs. Lloyd Williams and Mr. Williams, in Altus, Okla.

The wedding ceremony was performed by a brother of the groom, Mr. Clyde Rodolph, of Canton, Okla., pastor of the Canton Methodist Church. Guests were limited to relatives of the couple. The ceremony was held before an altar of flowers.

The bride wore a two-piece ensemble. Her corsage was of red sweetheart roses and she carried a pearl covered Bible. A reception was held later in the Williams home. Assisting in the hospitalities were another sister of the bride and her husband, Mr. and Mrs. John Garvey, of Watonga, Okla.

After the bride cut the first slice of the cake and served it to the groom, serving of the cake was turned over to Mr. Rodolph's daughter, Miss Pat Rodolph of Wichita Falls. Presiding at the coffee service was the bride's niece, Mrs. Bill Wilson of Muleshoe.

Following the reception the couple left for Florida on a wedding trip. Mrs. Rodolph is the daughter of the late Mr. and Mrs. Willie Wilson. Mrs. Wilson made her home in Muleshoe with her daughter for some time before her death.

Out-of-town guests included the bride's brother and wife, Mr. and Mrs. Murl Wilson, of Muleshoe, and the groom's brother and wife, Mr. and Mrs. Carl Rodolph of Clovis, N. M. Mr. Rodolph has been in the automobile agency business in Temple for many years.

luncheon was served at 12:30. After the social hour, the class was called to order by the president, Mrs. C. M. King. Roll call was answered with a scripture verse or poem. Mrs. W. B. McAdams brought the devotional from the 48th chapter of Psalms. The minutes of the last meeting were read and approved.

A carpet sweeper was given to the church as the class project for March. The April project was discussed and decided upon.

There were 14 class members and one visitor, Eva Ashford, present. Mrs. W. T. Andrews dismissed the meeting with a prayer.

Announces Engagement

Miss Mona Faye Hall

Mr. and Mrs. L. R. Hall of Muleshoe are announcing the engagement and approaching marriage of their daughter, Mona Faye, to Mr. Troy Ray Sharrock, son of Mr. and Mrs. M. M. Sharrock of Muleshoe.

Wedding vows will be read on April 4 at the Muleshoe Church of Christ at 6 p.m. with W. R. Tittle officiating. All friends of the couple are invited to attend.

P.T.A. Will Meet Monday Afternoon

The Muleshoe P-TA will meet Monday, March 16 in the High School Auditorium at 4:15.

Mrs. Allen Guinn will be responsible for the program entitled, "Leisure Time - Constructive or Destructive?"

A style show will be presented by twenty members of the home ec. department. The Junior band will play two numbers, the chorus will present two numbers, and the Cub Scouts will show an exhibit.

Officers for the 1959-60 year will be elected and they are urging that everyone attend this meeting.

Canton Meets Again April 10

Seventeen members of the Muleshoe Canton and Auxiliary met March 6. A number of members were reported on the sick list, and get-well cards were sent to them.

The next meeting will be April 10 and all members are urged to be present.

Mrs. Jones Hostess Friendship Luncheon

The Friendship Sunday School class of the First Baptist Church met in the home of Mrs. R. L. Jones with Mrs. Jack Cox as co-hostess for a monthly business meeting. A delicious covered dish

Mrs. Gholson Concludes Study

The Wesleyan Service Guild of the First Methodist Church met Monday evening in the home of Mrs. Fred Johnson, and Mrs. Sam Gholson gave the concluding chapters on their current study, "Isiah Speaks."

A new slate of officers were elected as follows: President, Erald Cross; vice-president, Ruth Colbert; recording secretary, Anita Elrod; promotion secretary, Dena LaRue; treasurer, Bess Edwards; mission study, Virginia Gholson; status of women, Hazel Gilbreath; spiritual life, Mable Dowell; supply work, Lois Schoenberg; Christian social relations, Ola Belle Lamb; and co-ordinator, Neda Hall.

A congealed salad, wafers, jelly roll and coffee were served to 20 members and one visitor, Marge Hazen, by the hostess.

Golden Circle Met In Glen Phipps Home

The Golden Circle Class of the Trinity Baptist Church met for their monthly meeting March 9 in the home of Mrs. Glen Phipps, with Mrs. Gene Kenney as co-hostess.

Polly Ottwell presided over the business session. Mrs. Wynnie Dunn, teacher of the class, brought the devotional on the 23rd Psalm.

Coffee and cake were served to Loraine Quisenberry, Inez Nicewarner, Ruth Roberts, Wynnie Dunn, Lena Kenney, and Ruby Phipps.

Home Mission Week Of Prayer

The Home Mission Week of Prayer was observed in the First Baptist Church March 2 through 6. Theme of the programs, "Tarry... Tell", in black glittered letters, is portrayed with a scene of praying hands and an open Bible on a yellow background in the baptistry behind a painted scrim, of a United States map.

Services were held daily beginning on Monday morning with a 6:30 breakfast. Friday climaxed the week with a day of prayer from 7 a.m. to 7 p.m. Dr. Grayson Tennon, missionary to Brazil, was the guest speaker at the morning worship service March 8. He arrived in Muleshoe on Saturday with his wife, Betty, and three children, Gene, Laura, and James Edward.

Dr. Tennon is executive secretary in the State of Pernambuco.

F.H.A. Girls Attend Area 1 Meeting Mar. 7

Forty members of the Future Homemakers of America and their sponsors attended the F.H.A. meeting in Amarillo Saturday. They left Muleshoe at 6 a.m., and returned home at 6 p.m.

The Muleshoe Club had a candidate, Mary Gross, for the office of first vice-president, and were disappointed that she was not elected. Jaqueta Nowell and Tommie Hall were voting delegates from the

Muleshoe Chapter. The girls enjoyed the experience of having reservations for lunch at the Herring Hotel.

The Muleshoe F.H.A. had a regular business meeting in the Home Ec. room on Monday evening to achieve a State Goal—to make Texas flags for service men overseas. They plan to complete six flags.

The girls and their sponsors are anticipating, and making plans for National F. H. A. Week to be April 5 through 11.

New Members Initiated Into Rebekah Lodge

Glenda Haley, Diane Stewart, and Grace Morgan were initiated into Muleshoe Rebekah Lodge 114 at a special meeting held Tuesday night, with Noble Grand Doris English, presiding.

The degree team with team captain Fern Davis put on a most impressive initiation ceremony for the three candidates.

A salad and cake supper was enjoyed by 11 visitors from the Needmore lodge and 18 members of the Muleshoe lodge who were present.

Shirley Cox Elected To State F. H. A. Choir

Miss Shirley Cox, a senior at Bula high school and Area I F.H.A. fourth vice-president, went to Amarillo Saturday, March 7 to attend the area meeting.

Shirley, the song leader for the area led 3,000 girls in song relaxers. Lennell Claunch, also a senior at Bula, accompanied Shirley at the piano.

The 3,000 girls registered at the meeting from 133 chapters. Shirley was elected by the nominating committee to sing in the State and National Choir at the state F.H.A. meeting in Dallas April 23 and 24. She and four other area song leaders will lead the singing at the convention in Dallas.

New Officers March 17 JayceeEts To Elect

At the monthly meeting of the JayceeEts in the home of Mrs. J. V. Aboox the members discussed plans to help a local needy family.

It was announced there would be a special called meeting March 17 for the purpose of electing new officers.

The club presented Bonnie Adeox with a pair of brass hurricane lamps as a farewell gift.

Refreshments were served to Anna Copeland, Frances Routette, Pauline Middlebrooks, Louise Wilson, Punk Bragg, Johnnie McMillen, Marie Roark, Amrina Moore, and Jean Gillespie.

Attending Convention Of Student Councils

Bill Parker, principal of Muleshoe high school, and four students left Wednesday morning to attend the convention of the State Student Council in Brownsville.

They plan to campaign for the office of state parliamentarian. Students making the trip to the convention were Carolyn Burge, Robert Robinson, Sue Logan, and Charles Merritt.

Sewing Contest Entries Judged At Los Planos Study Club Meeting

Entries for the National GFWC Fashion Sewing Contest were judged by Harriette Jackson, Home Demonstration Agent, at the meeting of the Los Planos Study Club on Thursday evening in the home of Donna Adams.

Beverly Wagnon introduced Betty Davis who had made a pink party dress. Cara Juan Schuster who had sewn a black silk dress and jacket, and Donna Adams who fashioned a blue flowered two-piece dress.

All the entries were attractive and well constructed. Cara Juan Schuster won first place and will go to Berger to enter the district judging. The top prize for the National Contest will be a three week trip to Paris and London of two people, with cash awards of \$500 and \$250 going to the second and third place winners. Jane White had charge of

the program on Public Schools and introduced Miss Mozelle Ellis who told of the schools from a student's view, followed by Donna Adams who related what teachers expect of parents and students. Mrs. Thurman White brought the closing remarks on the parents duties to the public school. She was a guest from the Muleshoe Study Club.

Elect Officers
New officers were elected to take office in September. Re-Jean Thomas was elected president; Nancy Chambers, vice-president; Betty Wagnon, secretary and reporter; Beverly Wagnon, treasurer; Cara Juan Schuster, parliamentarian critic; Betty Davis, historical; and Laurenette Mason, corresponding secretary.

Refreshments of German chocolate cake, ice cream and coffee were served by the hostess.

Plans To Wed On March 21

Carolyn Kirk

Mr. and Mrs. O. C. Kirk of Route 3, Muleshoe, are announcing the engagement and approaching marriage of their daughter, Carolyn, to Mr. Roy Lee Wallace of Midland.

Rev. Edwin L. Hall will perform the ceremony March 21 at 3:00 in the Youth Chapel of the First Methodist Church.

Methodist Having Attendance Crusade

"Try His Way". This is the current theme for the members of the First Methodist Church here in Muleshoe. Since February 8, they have been in a church-wide attendance crusade in an effort to get each individual member of the church to attend the services of the church.

The entire membership was divided into 12 sections with

two main divisions. Troy Willkerson and Arlys Leverage are the divisional captains. Each man has six captains under him and they in turn have at least 20 church families to contact. Each team has a secretary that meets with the 11 other secretaries each Monday morning and they post the church attendance of the day before. A great deal of enthusiasm is being shown among teams. Right at the present time the team of Robert Hooten is leading with 309 points, Roy Kelly's team is second with 339 points and Fred Johnson is third with 291 points.

Celebrated 14th Birthday March 6

Marilyn Green and Donna Moore celebrated becoming 14 in a gay fashion at a St. Patrick's party at the Muleshoe Country Club on Friday evening given by their mothers, Mrs. L. T. Green, Jr., and Mrs. Don Moore.

The club house was charmingly decorated with white and green crepe paper streamers and floating shamrocks. Green laid serving table featuring a large green styrofoam shamrock surrounded by shamrock pipes filled with green mints. Various dips, potato chips, Cokes, and birthday cake were served to 45 enthusiastic eighth-graders and a few old freshmen gentlemen.

TWO CENTURIES REVISITED—Decorator Ellen McInnesker, AID, has adapted metal furnishings of the 18th and 19th centuries for today's dining. The clean lines of metal and wood are set off by the high-back dining chairs upholstered in a black and white cotton toile print. Deep yellow walls form the backdrop for the black, white and wood tones of the furniture in this elegantly contemporary room.

Missionary Is Speaker At Local Church

Mr. and Mrs. W. Kornelsen

Walter J. Kornelson, missionary formerly to Liberia and more recently to Nigeria, West Africa, will be the featured speaker at the Assembly of God Church on March 14 and 15, according to an announcement made today by Rev. R. V. Luna, pastor of the church. Mr. Kornelson will relate some of his experiences and will tell of the progress of missions in Nigeria. He is under appointment of the Foreign Missions Department of the Assemblies of God with headquarters in Springfield, Mo.

Mr. Kornelson will show colored slides and pictures depicting the life of a missionary and his work. The neighbors and friends of the Muleshoe Assembly of God Church and people are cordially invited to attend. The first service is at 7:30 p.m. Saturday, March 14. And again March 15, at the 11:00 a.m. Worship Hour.

LETTERS TO THE EDITOR

FROM THE HORNHOOKS

From Largo, Florida, the J. W. Hornhooks write to say how much they enjoy reading about their former friends in Muleshoe community. They were in the irrigation well drilling and pump business while here.

FROM THE BLAINES

Former pastor of the First Baptist Church here, Rev. A. W. Blaine, and Mrs. Blaine write from Sherman, where he is pastor of the North Park Baptist Church. "We thoroughly enjoy reading articles about events and friends in the Muleshoe area."

FROM MRS. LUERA

Mrs. Nancy Luera, of Muleshoe, a patient now in McKnight State Hospital, Sanatorium, Texas, will be getting the paper from now on to help her keep up with her friends and to help ward off tedium and homesickness. Glad to hear from you Mrs. Luera and everyone hopes you health will continue to improve.

Announce Birth Of New Son

Mr. and Mrs. Jim Sybert of Baton Rouge, La., are announcing the birth of a son, February 12. They have named the youngster David Mark. Mrs. Sybert, the former Mona Smith, and her husband, are both 1932 graduates of Muleshoe high school, and Jim is teaching physics while working on his PhD degree at LSU. The Syberts have a two year old daughter, Nancy. Maternal grandparents are Mr. and Mrs. Leon Smith of Muleshoe, and paternal grandparents are Mr. and Mrs. Earl Sybert of Morton. Mr. and Mrs. Horsley and Mr. and Mrs. D. Smith all of Muleshoe are great-grandparents.

Turner Twins Show Champs At Littlefield

LITTLEFIELD (Special) — Doyce and Royce Turner, Pleasant Valley twins, showed the grand and reserve champion steers here Saturday as the annual Lamb County Junior Livestock Show closed.

Doyce took \$100 prize money for the grand championship, while Royce received \$50. Both showed Herefords.

John Wayne Hair, Olton, entered a Poland China heavy-weight to take grand championship honors in the swine show. Robert Duncan, Olton, entered a Hampshire light-weight which was named reserve champion. The awards netted Hair and Duncan \$50 and \$30 respectively.

Randy Buchman and Gerald Simmons took first and second places, respectively, with their entries in overall judging of the sheep division.

Showmanship awards went to John Wayne Hair, in the swine division; Johnny Hernandez, sheep; Gerald Hathaway, steers; and Norma K. Singer, in a pony show held with the stock show.

Judy Tapley, Amherst, showed the grand champion pony and Mary Bess Smith, Hart Camp, entered the reserve champion.

The show's 106 entries came from Littlefield, Olton, Amherst, Springlake, Sudan, Pleasant Valley, Earth, Spade, Bula, Anton, Hart, and Hart Camp.

L. M. Hargrove, Texas Tech, judged livestock. J. W. Brown judged the Shetland Pony show.

Christian Science Services

How reliance on God's inexhaustible goodness brings abundance will be emphasized Sunday at Christian Science services.

The blessings of trust in God are brought out in passages to be read from the Bible, including this one from Psalms (34:8-10): "O taste and see that the Lord is good, blessed is the man that trusteth in him. O fear the Lord, ye his saints: for there is no want to them that fear him. The young lions do lack, and suffer hunger: but they that seek the Lord shall not want any good thing."

Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy in the Lesson-Sermon entitled "Substance" will include this well-known statement (494:10-11): "Divine Love always has met and always will meet every human need."

The Golden Text is from Psalms (36:5): "Thy mercy, O Lord, is in the heavens; and thy faithfulness reacheth unto the clouds."

IN FIFTE COMPETITION

Ft. Leonard Wood, Mo. - Army Specialist Four Gary E. Panzer, 22, son of Charles G. Panzer, Star Route Sudan, recently participated in a small bore rifle competition at Fort Leonard Wood, Mo., where he is assigned to the 62d Engineer Battalion.

An equipment mechanic in the battalion's Company B, Specialist Panzer entered the Army in 1955.

He attended Friona high School.

Pasture Management. Texas Research Foundation specialists sprigged 20 acres of experimental pasture land at Renner to common and Coastal Bermuda during the February-March pre-spring planting period. Seedbed was well prepared—the prime requisite for establishment of high yielding pastures in North Central Texas. Common was sprigged on ten acres, and Coastal on the other ten, both at the rate of 12 bushels of roots to the acre in 36-inch rows.

HE MADE 900 SPEECHES Marshall Formby Completing Six Year Term On Highway Commission

AUSTIN, March 11 — In March, Marshall Formby, West Texas lawyer and businessman, completes a six-year term of office on the State Highway Commission. Formby was appointed a member of the policy-making highway group by Governor Allan Shivers in 1953. In May, 1957,

Formby became chairman of the three-man Commission, receiving his appointment from Governor Price Daniel.

During the six years in which Marshall Formby has served as member and chairman of the State Highway Commission, the Texas Highway System has undergone the greatest period of growth and development in its 42-year-old history.

In performing his Commission duties, it is estimated that Formby has traveled over half a million miles, delivered 900 speeches, and attended more than 700 Commission public hearings.

Approximately 11,000 miles have been added to the State Highway System since Formby's 1953 appointment. The System now has a total of 60,250 miles as contrasted with 49,200 miles in 1953. The major portion of mileage expansion has been in the Farm-to-Market Road System. This System now totals 32,300 miles, an addition of more than 9,000 miles in the past six years. Some 3,003 bridges have been built, rebuilt, or widened during this period. Included in the farm-to-market construction for these years are 2,165 bridges.

4,000 Contracts Executed

During the past six years, 4,000 contracts have been executed at a total contract value of \$1.3 billion. A total of 746 miles of multilane - divided highway has been added to the System. Increasing to 450 miles in 1953 to 1,196 miles now completed or under construction. Motor vehicle registrations have increased from 3.5 million in 1953 to 4.5 million today—or a 22 per cent rise in vehicle population.

While Formby was serving on the Commission as member, the Federal Aid Highway Act of 1956 was passed. Since passage of the Act, Texas has consistently led every other state in interstate miles under construction and miles completed.

Help Buy Right of Way

As a result of the 1956 Act, the Highway Commission changed its policy concerning right-of-way purchase, and for the first time the state participated in buying right of way. In the past two years of right-of-way buying on the Interstate System, more than 4,000 parcels of land have been acquired, and \$25 million expended for this purpose.

In addition, the Texas Legislature has enabled the Highway Department to enter another phase of right-of-way buying. The state now pays half of the cost of right of way on state and U. S. highways other than interstate. A total of \$59 million state share of right-of-way cost has been negotiated by 50-50 agreements with the local governments.

In 1957, the marker designed by the Texas Highway Department was adopted as the national marking emblem of the Interstate System. The Texas-designed red, white, and blue shield will be seen throughout the nation on the 41,000 miles of the System.

A Native Texan

Formby, 47, was born in Hopkins County, and moved to McAdoo in Dickens County when a young boy. He has been a farmer, is a former county judge of Dickens County, former state senator, and served with the army engineers in World War II, spending twenty months in the European Theatre. He has been a newspaper publisher, and now owns interest in several radio stations. He is married and has a son and daughter.

Formby is a graduate of Texas Tech, and has received a master's degree from the University of Texas. He also studied law at Baylor University.

Pleasant Valley Views

by Mrs. John West

Mr. and Mrs. Willis Stoskopf of Hoisington, Kans., were weekend visitors in the Oscar Allison home.

Mr. and Mrs. John W. West returned from a trip by plane to points in Georgia and South Carolina. They were grounded by snow and high winds on their return trip.

Mr. and Mrs. J. H. Lackey and Stacy were Sunday guests of the Durwood Lackeys.

F. A. Andreas of Ft. Sumner, N. M., was an overnight guest of the Harold Allisons.

John W. West took a group of boys to Clovis for a Mexican dinner and skating. Those attending were James and Johnny West, Maurice Jones, Dale Montgomery, and Walter Lackey.

E. K. Angeley, Ken, Tubby and Patsy went boating on Alamogordo Lake Sunday.

Mrs. E. K. Angeley and Patsy were in Plainview to visit Mrs. Angeley's aunt on Friday.

Home Demonstration Club met March 5 in the Community Center with Jo Meeks and Loretta Gregory as hostess. The Club regrettably accepted the resignation of their president, Mildred Kendrick. Glenda Haley was elected to serve the remainder of the year. Mildred Stewart was appointed reporter. The county dress revue will be at Littlefield on April 8.

Year books were filled in the remainder of the year. Gladys Moore gave a short talk on the enrichment of cornmeal and grits.

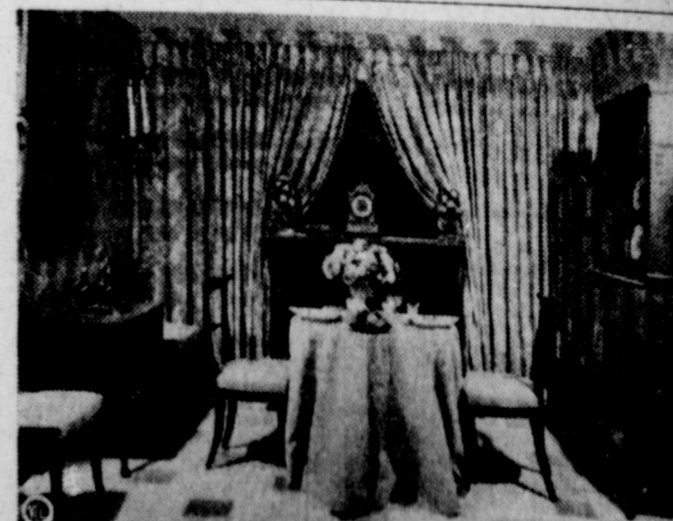

Refreshments were served to five new members: Mrs. Hazel Short, Mrs. Betty Weisler, Mrs. Shirley Shur, Mrs. Elsie Detwiler, and Mrs. Diane Stewart. Regular members present were Dolores Duncan, Glenda Haley, Gladys Moore, Mildred Stewart, Lena Taylor, Lillie Wuerflein, Doris Jones, and Glenna Buhman.

Jack Calhoun is a patient in the West Plains Hospital. His condition is serious.

The Turner family was well represented at the Lamb County Fat Stock Show. Doyce showed the Grand Champion and Royce the Reserve Champion in the heavy weight division. Rita and Sherry placed second and third in the dry lot division.

RETURNS FROM CALIFORNIA

Miss Gladys Whalin, daughter of Mr. and Mrs. Bill Whalin, returned to Muleshoe Tuesday night after spending a month in California with her brother, Bill, Jr., and family in Edwards, Calif. Bill is the Depot Agent at Edwards and is now the father of two blonde haired daughters who were heart broken to have Aunt Gladys return to Texas.

DINING DESIGN—Elegant and intimate is this dining room setting by Jack Hartrick, AID. Pointing up the return to the "upholstered" look in home decoration, a rich Roman green and white Fortuny cotton print is used on the walls and in the wall-to-wall draperies. A harmonizing Fortuny striped cotton is used in the floor-length tablecloth and on the chair seats.

Doris Childers Honored With Bridal Shower

A bridal shower was given to honor Miss Doris Jean Childers, bride-elect of Beverly Mardis, in the home of Mrs. Jordan Saturday, March 7. The receiving line were Mrs. S. Childers, Doris Jean and Mrs. Harold Mardis. Misses Joan Green, Elaine Evans, Mary Jo Holt, and Ginger Dry shared the honors of registering and serving the guests who called between the hours of 3 and 5 p.m. The serving table was laid with a white cut work linen cloth over orchid and featured a miniature bride riding in a Cinderella coach attended by two bridesmaids backed by an arrangement of lavender stock and carnations interspersed with statice. Orchid punch and sand art were served from crystal appointments. The hostesses for this occasion were: Mmes. Earl Ladd, W. Q. Casey, L. T. Green, Jr., Vernal King, Jake Roberts, Clyde Holt, Kenneth Briscoe, Red Johnson, Roy Bryant, Bill Moore, Bill Collins, E. Evans, F. H. Davis, and Jordan. The hostess gift was an electric blanket.

Mrs Motheral Hostess To T.E.L. S. S. Class

The T. E. L. Sunday School class of the First Baptist Church met in the home of Mrs. Beulah Motheral on Tuesday, March 3. Mrs. E. E. Dyer, the vice-president, presided in the absence of Mrs. Myrtle Alstep, president. Prayer was led by Mrs. Maudie Harvey after which Mrs. Bessie Harlan, teacher of the class, brought an inspiring devotional. Following a short business session, all enjoyed an hour of fellowship. Refreshments were served by the hostess to the 10 members present.

Local Scouts Plan Trip To Lubbock Mar. 14

Local Brownies and Girl Scouts and their parents are invited to attend the Caprock Girl Scout Program Fair March 14 from 2:30 to 7:30 in Fair Park Coliseum in Lubbock. Any person who would be interested in providing transportation for several girls should contact a troop leader. Troop 66 is to portray the Brownie Story. The cast will be: Father, Patsy Myers; grandmother, Lynn Ericson; Mary, Cheryl Pfat; Tommy, Connie Connell; Ovi; Debbie Goss, and the narrator will be Doris Marie Long. The play will be under the direction of Mrs. Bernard Phelps, Irvin St. Clair, and E. G. Ericson.

Country Club NEWS

The Noel Woodleys, Pat Bous, and Sam Foxes were hosts for a St. Patrick's day bridge and "42" party at the Muleshoe Country Club on Saturday night. Morris Douglass won men's high and Ray Daniel won second high. Ladies high was won by Mary Frances Holt and Dugan Butler of Dimmitt was second high scorer. In the "42" games Buck Ragsdale and Earl Richards came out on top. Bingo was won by Thurman White, Marge Hazen and Buck Wood. Refreshments of donuts and coffee were served to the 33 guests who attended.

Luncheon will be served at 12 noon March 18, for the Ladies Golf Association. Routine business will be taken care of and an afternoon of golf or cards will follow. All Members are invited. Sunday, March 15 at 10:00 a.m., the Muleshoe Country Club will begin a Pro-Am. Teams will be selected according to score. It will be scored by the point system. They are urging all members to be present.

Muleshoe Golf Pro, Ray Hardy will attend the West Texas Pro-Am Association Meeting in Lubbock Wednesday.

day, March 18 and enter the Pro-Am and Pro & Partnership. March 19 all amateurs are invited to the Pro-Am event at the Lubbock Country Club. It will be low ball with handicap. At 7:30 p.m., there will be a business meeting for Pros and the Amateur board of directors.

ATTEND LEGISLATIVE SESSION

Superintendents Jerry Kirk, H. A. Reynolds, and Archie Sims, of Muleshoe, Bula and Three Way Schools, respectively, attended legislative hearings in Austin last weekend, and returned Tuesday afternoon. Kirk said the group represented the local district to Texas State Teachers Association, and went to the Capitol to hear hearings on legislation affecting the school system.

VISITING MOTHER

Mrs. and Mrs. Pat Bobo were in Roma, Texas, this week visiting Pat's mother.

News Of Men In Service

GEORGE T. TAYLOR, JR. WITH FIRST MARINES
 Marine Pvt. George T. Taylor, Jr., son of Mr. and Mrs. T. Taylor of Star Route, Goodland, serving with the First Marine Division at Camp Pendleton, Calif., took part February 2-10 in the first major amphibious exercise of 1959 off the coast of Southern California.

BROWNING ARRIVES AT SAN DIEGO
 Billy J. Browning, seaman, USN, son of Mr. and Mrs. W. C. Browning of Muleshoe, arrived at San Diego, Calif., February 24 aboard the destroyer USS Buck after a six-month tour of duty with the U. S. Seventh Fleet in the Western Pacific.

While with the Fleet the Buck patrolled the Formosan Straits and operated as a unit of a fast carrier task force. On three occasions she was called on to aid in search and rescue missions, one time saving 13 shipwrecked Chinese Nationalist fishermen.

While with the Fleet the Buck visited Hong Kong, the Philippines, Japan, and Guam.

BILL DENNIS TAKES PART IN ANTI-SUB EXERCISE
 Bill W. Dennis, aviation electronics technician third class, USN, son of Mr. and Mrs. Fred

C. Dennis, Friona, attached to Air Anti-Submarine Squadron 38, took part in an anti-submarine warfare exercise from February 16-19, off the coast of Southern California.

The exercise was conducted under the operational control of Vice Admiral R. E. Libby, the Commander of the First Fleet.

GAYLORD A. STOWERS FINISHING TRAINING
 CAMP PENDLETON, Calif.—Marine Pvt. Gaylord A. Stowers, son of Mr. and Mrs. A. D. Stowers of Bovina, is scheduled to finish four weeks of individual combat training March 2 at the Marine Corps Base, Camp Pendleton, Calif.

The course includes the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

Trainers learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

WESTERN PACIFIC—Robert C. Hukill, radarman seaman, USN, son of Mr. and Mrs. T. C. Hukill of Route 1, Farwell, is serving on the staff of the Commander, Cruiser Division Five, aboard the heavy cruiser USS Bremerton which is operating as a unit of the U. S. Seventh Fleet in the Western Pacific.

The Bremerton made a three-day visit, February 11, to Singapore, B. C., where crew members visited many Chinese temples and Change Alley, world-famous for its picture-

que atmosphere and population of small traders.

The heavy cruiser is also scheduled to visit such ports as Subic Bay, P. I., Manila, P. I., and Hong Kong.

ENLISTS IN NAVY
 Frank L. Simnacher, son of Mrs. Mae Simnacher, Rt. 2, Muleshoe, was enlisted in the United States Navy last week at Albuquerque, N. M. Frank will undergo 10-weeks of recruit training at San Diego, Calif., and then return home for recruit leave.

Pat Horning, local Navy Recruiter from Clovis states that enlistments have opened up, also more training schools are available to young men enlisting at this time.

The local recruiter is in Muleshoe every Monday morning, and can be contacted for information and testing at the Selective Service Office.

Information On Texas Grains Is Being Released
 A study was recently completed on the importance, location of products and trends for the seven principal grains grown in Texas.

Clarence Moore, Department of Agriculture Economics and Sociology, Texas A&M College, made a report of the findings of this study to SM-11, a Southern Regional Grain Marketing Research Project group.

Moore pointed out that the average yield per acre of grain sorghum during 1953-57 was almost twice that of the 1935-39 period. Annual variations were large, but yields showed a rising trend over the 23-year period.

"There are several reasons for this," he explained. "Use of improved varieties, increased use of irrigation and more widespread planting of superior hybrids had a lot to do with the higher yield. Better cultural practices and wiser use of fertilizer also helped. Too, acres diverted from cotton and corn to sorghum in the last few years may have been more productive."

The study also revealed average acreage and production of corn during 1953-57 were only about one-half that of 1935-39. Corn declined from 52 percent of the state's total feed grain production during 1935-39 to 16 percent in 1953-57 while grain sorghum increased from 20 percent to over 70 percent.

Moore attributes this mainly to the fact that grain sorghum has been in an economically

The Muleshoe Journal Thursday, March 12, 1959

Deadline Nears For Reporting On Domestic Tax

Most of us pay taxes of some sort and usually there is a deadline date when that tax is due. Employers of domestics are faced with such a deadline as they are required by law to report quarterly the cash wages they pay to their household workers if these payments amount to \$50 or more during the calendar quarter.

Calendar quarters end March 31st, June 30th, September 30th, and December 31st, and tax returns are due by the end of the month following each calendar quarter. The next quarterly payment is therefore due in April, 1959.

Payments of the social security tax, an equal amount paid by the employer and employee, 2 1/2% each for wages paid in 1959 must accompany the tax report. Reports, together with the taxes, should be sent to the Director of Internal Revenue, Dallas, Texas.

Information about reporting domestic workers is contained in Leaflet 21 which may be obtained from your local social security office or Internal Revenue Office.

Employers of domestics, in filing their returns, are requested to make them timely, accurate, and complete.

A representative of the Lubbock Social Security Office

favorable condition over corn due to lower production costs. Wheat has declined and rice has increased in relative importance since 1950. Moore says this is mostly due to the fact that rice has had a more favorable market since the war, while there has been a surplus of wheat.

will be in Muleshoe on March 19 at 9:30 a.m., at the Court-house, and will be glad to assist in all matters pertaining to social security.

Lazbuddie P-TA Meets March 2

The Lazbuddie P-TA met Monday evening, March 2, in the high school auditorium with the president, Mrs. John Agee in charge.

Mrs. Freisen's and Mrs. Tipple's first grade rooms presented several numbers by their rhythm band. Following this, Mr. Byers, the music teacher led the first grades in some vocal numbers, accompanied by him at the piano.

A committee consisting of Mrs. John Gammon, Mrs. Volle Hodges and Mrs. James Robinson were asked to meet with Mr. Wilbanks, at their convenience to discuss further the work of landscaping the school grounds. This was one of the P-TA sponsored projects, if possible to do so.

A nominating committee for P-TA officers another year was elected and is composed of Mrs. Harold Wilson, Mrs. Jun-

ior Matthews, and Mrs. Fred Wilbanks.

The room count was a tie between the first grades with 25 each present with all of the other grade school rooms well represented.

Freeman Davis, county councilman of the Scouts, presented the P-TA with the Cub Scout charter while G. W. Mims presented the charter for the Boy Scouts. The Scouts are sponsored by the P-TA and feel that it is an honor to do so.

Other Scout leaders are W. G. Harlan, Clarence Mason, E. L. Jones, Ben Foster, Jr., and Raymond Treider, Jr.

Den Mothers were also recognized and are Mmes. Davis Guiley, Leonard Elliott, Don Strahaan, Freeman Davis, Eulan Parham, R. L. Jones, Joe Jesko, and Junior Matthews.

New Booklet On Chick-N-Ques Now Available

Chick-N-Ques are inexpensive and provide fun for the whole family. They also fill a need for groups such as civic organizations, church gatherings, and types of social gatherings.

Good planning is necessary for a successful chick-n-que. All equipment and other items needed should be available before beginning.

The Texas Agricultural Extension Service has released a publication containing many helpful suggestions to help make chick-n-ques successful. It contains numerous tips on almost every phase of the activity including preparation, actual cooking, and other procedures.

This publication is entitled "Let's Have a Chick-N-Que." It is available free of charge from local county agents or the Agricultural Information Office, College Station, Texas.

OTHER CARS vs **MERCURY**

TIRED OF BEING "ALL SHOOK UP" IN THE CENTER SEAT? Other cars make the tunnel so big there's almost no room for cushioning. The ride is hard, bouncy. See the difference in Mercury.

TIRED OF SITTING WITH YOUR KNEES UNDER YOUR CHIN? In other cars the tunnel "hump" is bigger than ever. But Mercury actually cut the hump in half! See how much more leg room there is for the man in the middle. And see (right) how Mercury pulls knee-cracking corner posts back out of your way.

MERCURY GIVES YOU MORE CUSHIONING, COMFORT AND ROOM THAN ANY CAR IN ITS FIELD

Here's how: Mercury, alone in its field, has a body designed for just one car. Other manufacturers give you—even on cars priced into Mercury's class—the very same body used on their lowest priced makes. That's why Mercury alone can cut the center hump in half, widen the door openings 4 inches, add 9 inches more knee room, provide unequalled 6-passenger visibility and comfort all around. Come on in. You'll see!

The Sandhills Philosopher Comes -- Out For The Right To Wisecrack About Bolivia And Also Himself

Editor's note: The Sand Hills Philosopher on his Johnson grass farm discusses jokes this week, but we don't know whether he's serious about it or not. Dear editor:

It's a long way from this Johnson grass farm out here to Bolivia in South America and I don't know any more about what's going on down there than the Bolivians know about what's going on out

always suggesting the way to solve the farm problem in this country is to abolish a lot of us farmers, but you don't hear of any of us rioting about it, do you? Oh, maybe somebody did throw an egg at Sec. Benson once, but that's not rioting.

In the first place, we don't take magazine articles that seriously. In the second place, abolishing a lot of us farmers might be an improvement, come to think of it, but you don't want to carry this line of thinking too far. It's possible you might improve banking by abolishing some bankers, you might improve teaching by abolishing some teachers, you might improve children by abolishing some parents, you might improve newspapers by abolishing some editors, you might improve Congress by... as you see, this thing can get out of hand.

Just A Wisecrack
 I understand that some thinkers have pointed out that the suggestion that Bolivia be abolished was just a wisecrack in the first place, and this, they say, emphasizes the great care people should exercise these days in deciding what to joke about.

I don't look at it that way. When a country is in such a fix it's lost its sense of humor, that's no argument the rest of the world ought to tread lightly when talking about it. That's an argument that maybe the country is headed for abolishment anyway, on its own.

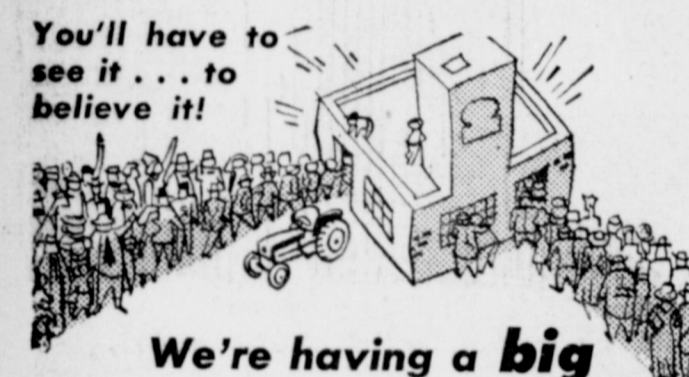

If the farmers of this country got mad every time somebody joked about them and rioted, there wouldn't be much plowing done.

Although understand when I'm not plowing, that's no sign I'm mad. In fact, as a rule, I'm a lot madder plowing than not plowing.

Yours faithfully,
 J. A.

CARD OF THANKS

BABSON DISCUSSES... INFLATION

Babson Park, Mass., March 12 — Except for intermittent periods of deflation, we have had a slow but constant inflation for as long as statistics are available. In fact, the reason gold and silver coins have rough edges is so they cannot be clipped—so a little of the gold or silver cannot be stolen as a hedge against inflation.

The Inflation Craze
 Just now almost everyone is excited about inflation. Of course, normal inflation will continue; but I anticipate nothing serious unless World War III breaks out. If you believe there will be no World War III during the next ten years, then forget inflation. If you do expect such a War, the best investment is good land which will earn its taxes, especially land bordering an ocean, a lake, or a river. Buying stocks now as a hedge against inflation is a waste of money.

There has been no period in American history when serious inflation accompanied unemployment and heavy imports. Increasing Federal and personal debt is only one cause of inflation. The main cause is a scarcity of goods with an increased demand for goods. With present foreign competition and its increasing supply of cheap labor causing more domestic unemployment, there can be no scarcity of goods.

Automation Is Increasing
 Union labor could cause price inflation; but the use of automation by our manufacturers is fast keeping up with labor's demands. The use of photon by printers, of electronics by manufacturers, and of other labor-saving devices by businessmen will partly hold down prices. The chief companies supplying automation devices are Aeroquip Corp., Beckman Instruments, Bullard Co., Cincinnati Milling Machine, Cutler-Hammer, Inc., Ex-Cell-O Corporation, General Precision, I. B. M., Sperry Rand Corp., Kearney & Trecker Corp., and R. C. A.

We cannot now lick Russia in an economic war. In Russia all are paid and promoted according to their efficiency and output, Russia has the population and the discipline. To attempt to abolish labor unions in our country would not only mean death for any political party advocating it, but might require a "man-on-horseback" or a dictator like deGaulle of France. Hence, I advise readers not to depend on legislation against the labor unions, but to get our manufacturers to adopt automation and compel our bankers to finance the great costly changeovers.

Requirements of Automation
 Automation may be defined as the automatic processing of raw or semi-processed materials into finished products. The typical manufacturing plant of today consists of related but unconnected machines that perform successive

grade the world, to reduce the relations between nations to the level of insults and humiliation, and to erase from our day and time the values of civilized men.

It is imperative as we approach the crisis of Berlin that we make this plain to the Russians. **Once the decisions are made, this is a country united behind the President.**

It is united behind and in support of the President of the United States in the policy and doctrine of the Commander-in-Chief enunciates. We must have one firm, clear voice speaking for this Nation in relation to other nations.

We must look to the whole struggle. We must seek the total solution—not the giving

away by bits and pieces of our heritage of integrity and freedom.

We can no longer sit by and see our strength—military, moral or economic—weakened by delay, defeat or retreat. **We must trim from the Nation's wasteline any bulge of wasteful fat.** We must tighten our moral, spiritual, economic and military unity so as to squeeze out any waste of dollars, of manpower or of resources.

The question is: Shall Berlin be remembered as the deathbed of democracy—or as the graveyard of aggression? **I say: Let us use every minute, every second of every day to the best possible advantage to get this Nation as strong as we can, as fast as we can.**

kick the Western powers out of Berlin. It is thought that he will stop short of war, but calculations in an atmosphere of threat and bluster constitute a real danger of a shooting war.

SPENDING: The President recently submitted a balanced budget for the coming fiscal year, but some important "ifs". For example, the budget as presented would be thrown off balance if Congress, as now appears likely, refuses to raise gasoline tax by 1½ cents per gallon or rejects the increase in the first-class postage rate from 4c to 5c. Also, there are indications that the President's revenue estimates are unduly optimistic.

The controversy between the President and Congress over who is the chief culprit in big spending focuses public attention on a very vital issue. The unassailable truth, based on official Executive figures, is that the President has requested considerably more spending authority since he has been in office than Congress has provided. Had Congress followed the recommendations of the President, the Executive branch would have spent, or had on hand to spend, large additional sums.

I believe that Congress will moderately increase the President's defense budget, but I hope the over-all budget can be kept in balance. The government departments may spend money as a result of direct appropriations by Congress, or as a result of authority granted by Congress to withdraw funds from the Treasury without consideration by the Appropriations Committee, a system known as the "back-door" method. I am supporting legislation to block the back-door method. During the last two years, Congress cut the President's requested spending authority in appropriation bills by about \$5 billion, but increased sums requested through the so-called back-door method by about \$2 billion. If all spending authority were channeled through the Appropriation Committees of Congress, the Congress and the country could more easily keep tabs on government spending and the pressures for economy would be greater.

WANT ADS are as newsworthy as the front page and high in reader response. To place your want ad dial 7220 or 5400.

George Mahon Reports To The Folks Back Home

by George Mahon
AGRICULTURE: On March 6, I joined a number of other Members of Congress in urging the Secretary of Agriculture to reconsider his action in slashing milo supports. We pointed out that the 31 cents per 100 pounds cut in milo for 1959 was all out of proportion to the support price for corn and that the heavy reduction would be disastrous to many grain sorghum growers.

We called Mr. Benson's attention to the fact that milo was of about the same feed value as corn and that the law requires that relative feed values should be considered in fixing feed grain supports. Mr. Benson pointed out that under the law he has the authority to consider other factors. He gave the group no encouragement. The next move will be a hearing on the problem by the House Agriculture Committee on March 13.

NATIONAL DEFENSE: We are in the seventh week of hearings on the President's defense budget. Scores of witnesses have testified. From the facts presented, it is clear that the U. S. in the overall, is militarily stronger than Russia. It is also clear that we are behind in the vital field of long-range ballistic missiles. In the intercontinental ballistic missile race it is estimated that we will lag behind Russia through 1963.

When we consider that the ICBM is, no doubt, to become the major weapon of the future, we cannot regard this second place role without concern. We are now giving much consideration to the problem of how to close the missile gap. The situation is disturbing, but we must bear in mind that our bomber striking power is still quite capable of destroying Russia. In fact, each side is becoming increasingly more capable of destroying the other. This points up the urgent necessity for a genuine settlement of major international problems.

FOREIGN AFFAIRS: Most Democrats and Republicans alike view the illness of Secretary Dulles as a serious blow to the country at this critical point in our foreign relations. No one is equipped to step immediately into Mr. Dulles' shoes. There is full agreement that we must stand firm in the presence of danger in the Berlin crisis. But more is required than determination. There must be day-to-day planning and decisions. The President is doing the best he can to meet a difficult situation. It is certain that he will be fully supported by Congress.

The Berlin controversy has become increasingly more serious in recent weeks as a result of Khrushchev's further demands and maneuvers. He appears determined to try to

Washington News Letter

From Lyndon B. Johnson
 U. S. Senator

Dear Friend:
 The great peril to this Nation lies abroad.

It is spawned by the Soviets and symbolized in Berlin. We cannot wait for May to get ready.

We must move now. We must insure the greatest possible strength the day the show-down comes.

Our Nation and all the nations of the free world face a foe intent on one goal: to de-

Lamesa, Tex., Men Report— "Ammonia Makes a Real Difference in Our Cotton and Maize!"

Arvel (left) and Norman Brown, operators of 880 acres near Lamesa, say: "When we started to use Phillips 66 Ammonia, we would occasionally skip a row for test purposes. We didn't have to measure the difference in yields. Where we'd skipped, you could see how much smaller and less thrifty the unfertilized plants were. On actual measurements, we've found that ammonia gives us on an average of 2,000 to 2,500 more pounds of maize grain."

discovered that they make more profit per acre, using Phillips 66 Ammonia. They get more cotton that classes higher at the gin... yields of sorghum grain or ensilage are increased... profits on wheat and small grains are increased through higher grain yields and improved forage... more marketable vegetables are harvested.

Phillips 66 Ammonia can be applied pre-plant or as a side dressing. It can be easily applied either by you or your distributor. See us today about Phillips 66 Agricultural Ammonia... it gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

Women Better Patients, Says Family Doctor of Year

Dr. Lonnie A. Coffin, 68, of Farmington, Iowa, back at work after being named General Practitioner of the Year by the American Medical Association.

"Women are better patients than men," according to Dr. Lonnie A. Coffin, Family Doctor of the Year. "They'll do what you tell them, but men won't."

At 68, Dr. Coffin is a warm and happy man, busy with the health needs of more than 3,000 people in and around rural Farmington, Iowa. Enriched by 46 years of country doctoring, he is also a man who speaks his mind, a philosopher with concise and witty views on life. Here are a few of them:

On health: "The work of the voluntary health agencies makes me confident about the future. The National Foundation, for instance, which helped us eight years ago when a polio epidemic hit Farmington [three of Dr. Coffin's four grandchildren were stricken], is now applying its March of Dimes funds to problems like arthritis and birth defects. That's good news, and good health."

On sickness: "If you're sick, do what you can to get well, but try not to worry about it. If you worry, you'll feel worse and so will everybody around you."

On being sick at night: "We all get sicker at night. That's because we have more time to think about ourselves."

On drinking: "There are only certain people who should drink. Those who can both control it and afford it."

On fishing: "You can fish sitting down and I like that. If you catch something, fine. If you don't, exaggerate."

On being a doctor: "I try to take care of people no matter what the hour, no matter where they live, no matter who they are. Where or when they get sick is not their fault."

On being a doctor named 'Coffin': "Well, it's true that's what they carry you off in, but the fact is my name hasn't scared off too many patients."

Maple News

by Mrs. Oran Reaves

Mr. and Mrs. Wayne Cash and children of Lubbock spent last weekend in the home of her parents and brother, Mr. and Mrs. Guy Smyer and Mr. and Mrs. Albert Smyer.

Mr. and Mrs. Cecil Mann and children of Portales, N. M., visited her parents, Mr. and Mrs. C. L. Taylor Sunday, and attended services at the Maple Church of Christ Sunday morning.

The ladies of the Maple Church of Christ will meet each Tuesday for Bible study and to put out flowers around the church building.

Kenneth Pyburn is in the hospital at Plainview. We hope he will have a speedy recovery and be home soon.

Oran Reaves spent the weekend with his mother, Mrs. Nellie Reaves who is ill in a Bowie hospital.

Mr. and Mrs. C. L. Taylor visited Mrs. Charles Hutchinson in Muleshoe Tuesday. Mrs. Hutchinson underwent surgery Monday in the Muleshoe Hospital and Clinic.

Mr. and Mrs. Guy Smyer had as their guests over the weekend their granddaughter and family, of Lubbock.

Mr. and Mrs. C. L. Taylor

and girls visited in Portales Sunday evening with their daughter, Janell.

Mr. and Mrs. R. F. McCall and Mr. and Mrs. A. C. Archer, Mr. and Mrs. R. A. Seagler, Mr. and Mrs. Donald Cox, Mr. and Mrs. R. E. Jones all attended the ball game at Canyon Friday and Saturday to see the Bula girls play. They came out on top.

Mr. and Mrs. James Cash and children of Hereford visited in the Dutch Cash home Friday.

Mr. and Mrs. J. E. Layton and Mr. and Mrs. Harold Layton attended the funeral of their grandfather Monday in Eastland.

Dude Altman is home from the hospital, and doing fine.

J. A. Matze is in the hospital at Spur with another heart attack. He was visiting down there with his folks when this happened. At this writing this is all we know.

Dolores McCall spent the weekend in Lubbock visiting her sister and family, Mr. and Mrs. Robert George.

Betty Hallford was home for the weekend from Wayland College at Plainview visiting her parents, Mr. and Mrs. A. D. Hallford.

Enochs News Events

by Mrs. Jerome D. Cash

Mr. and Mrs. Doyle Turney and children spent Sunday in Portales, N. M., visiting his brother and family, Mr. and Mrs. T. A. Turney.

Mr. and Mrs. J. W. Taylor and Mr. and Mrs. H. H. Snow spent the weekend in Eastland and attended the funeral of her father, Mr. Parker, who died in a Littlefield hospital Saturday morning. The funeral was held Monday at 2:30 in a local church at Eastland, and burial was in Eastland Cemetery.

Mrs. Abbott, missionary with the Spanish-speaking people in Espanola, N. M., will be with the Enochs Baptist church Sunday night, March 22, 7:30 p.m.

Everyone is invited to come and hear her speak and show the films on her work.

Mr. and Mrs. C. R. Seagler

are in Odessa this week visiting her sister and tending to business.

Mr. and Mrs. Oran Reaves and Shella visited with Mrs. Dess Stafford in Muleshoe Tuesday.

Mr. and Mrs. Horace Brahear and Kay visited their daughter and family, Mr. and Mrs. Stanley Stafford and children of Lubbock and their grandchildren came home with them to spend the week.

TRUMAN DUNAHOO STARS IN COLLEGE PLAY

Truman Dunahoo, son of Mr. and Mrs. J. L. Dunahoo, of Muleshoe, will play the part of the villain in the production of "H. M. S. Pinefore" to be given at Lubbock Christian College.

The music and dramatics departments of the college will present Gilbert and Sullivan's musical comedy, subtitled "The Lass that Loved a Sailor", March 12 and 13, in the college auditorium. Admission will be 75c for students and \$1.00 for adults. Being composed of two acts, the performance will last about two hours.

ATTEND WORKSHOP IN EL PASO

Mrs. Irvin St. Clair, Mrs. Bernard Phelps, and Mrs. Charles Lenau attended a neighborhood service team workshop in El Paso March 2 and 3. The workshop was directed by professional workers from Dallas.

WANT ADS can raise extra money, find you a home, or a baby sitter. Dial 7220 or 5400.

Congratulations To:
Mr. and Mrs. Daniel Dominguez on the birth of a daughter at Muleshoe Hospital, weighing six pounds, four ounces.

Mr. and Mrs. Billy Wayne Johnson on the arrival of a 7 lb., daughter at Muleshoe

Hospital, named Cheryl Renee'. Mr. and Mrs. Larry Murrell on the birth of a son at Muleshoe Hospital March 6.

Mr. and Mrs. Irene Askew on the birth of a daughter, March 5, at Muleshoe Hospital.

Mr. and Mrs. Vernon Puckett of Route 1 on the birth of a daughter, March 4, at West Plains Hospital. She weighed seven pounds, 12 ounces, and was named Susan Jennifer.

Mr. and Mrs. G. W. Chapman of Muleshoe on the arrival March 8 of a son at West Plains Hospital. Weighing eight pounds, he has been named Brent Mann.

MILLEN, WEST ATTENDED VEGETABLE MEET

Bill Millen, of Muleshoe, a member for Texas of the National Vegetable Advisory

Committee, attended a meeting of that body, held in Chicago Monday and Tuesday.

The other member for Texas, J. H. West of Bishop, who is president of the Texas Farm Bureau, joined Millen in Chicago.

The two hoped to do some talking with the National Commodity Advisory group concerning the recent lowering of the support price on sorghum grains, meeting there at the same time.

ATTEND FUNERAL IN LIPAN

Mr. and Mrs. Pat Bullock, Mr. and Mrs. Irvin St. Clair, and Mr. and Mrs. Bill St. Clair were in Lipan this week to attend the funeral of Mrs. Bullock's father, T. D. Stell. Services were held Wednesday at 3 in the First Baptist Church.

He's "in" when he's out thanks to the Electronic Secretary Automatic Telephone Answering Unit

This television repairman has solved the problem of being in two places at once. Now he can make his service calls and still answer the phone!

With the help of an Electronic Secretary* Automatic Telephone Answering Unit, all incoming calls are recorded while he's out. By playing back the recordings upon his return, he knows immediately where he's needed next.

The Electronic Secretary Answering Unit automatically answers the phone and takes messages 24 hours a day. It permits proprietors of one-man businesses to leave their offices and shops, yet "stay in touch." It keeps their establishments "open" when they're away.

The Electronic Secretary Answering Unit makes any phone do more. Call your local telephone business office to find out what it can do for you.

Jerry Cox and David Williams showed their barrows in the Lamb County 4-H and FFA Livestock Show at Littlefield

Three Way News

by Mrs. Frank Griffith

Confined to their home with the measles are the two young daughters of Mr. and Mrs. Jack Lowe.

Mr. and Mrs. Frank Griffith and Mrs. Florence Bailey visited Mrs. H. W. Terrell at Amherst Wednesday.

Teachers and students had a vacation from school Friday

Saturday.
David brought home fourth and fifth places, and Jerry won second place on his Poland barrow and also winning fourth, fifth and seventh places on his other entrants.

Mr. and Mrs. R. E. Black and children of Stanton, spent Sunday here with his parents, Mr. and Mrs. E. W. Black.

Mr. and Mrs. L. H. Medlin and children spent Friday night in Amarillo as guest of the Buddy Medlin family. They also attended the finals in the basketball tournament held at Buffalo Stadium in Canyon over the weekend, and saw Bula win regional with a score of 55-46 over Bovina.

Jerry Edwards of New Home is spending this week with his grandmother, Mrs. Janie Green.

Mr. and Mrs. F. L. Archer visited Wednesday evening at Bovina in the Johnston home.

Mr. and Mrs. Lowell Walden of Springlake visited Thursday with his parents here, Mr. and Mrs. L. L. Walden.

The Bulettes sang Thursday morning for a 7 o'clock teachers breakfast given at the Caprock Hotel in Lubbock. The girls, with their sponsor, Mrs. Morris, spent the night at the hotel. Making the trip were Judy Young, Kathey Archer, Shirley Cox, Sammye Reynolds, Lennell Claunch, Sandra Angel, and Mrs. Erwin Morris.

Mrs. Lula Harlan spent the weekend as a guest in the home of Mrs. Mary Britt of Amherst.

CHINTZ CHARMER—Decorator William Pabstmann, AID, creates a charming and smart urban apartment bedroom using a turquoise and gold pin stripe Everglaze chintz imaginatively throughout. The fabric is used as wall covering and repeated in the draperies and dust ruffles in this room designed for one of the model apartments in New York's Washington Square Village.

because of the teachers meeting at Lubbock.

Mr. and Mrs. Jimmie Bateas and girls of West Camp visited Monday night and Tuesday with their parents, Mr. and Mrs. Elmer Bateas and Mr. and Mrs. Frank Griffith.

Coach Bill Wood, Mike Pollard, Tom Coffman, Kenny Sims, James Long, and Mike Flanniken went to Austin last week to the State basketball tournament.

Visiting in the Jack Lowe home Friday was her mother, Mrs. Quisenberry of Circleback.

Mrs. Lewie Jordan is in Lubbock with her mother, Mrs. Dial, who fell last week and broke her hip. Mrs. Dial underwent surgery to place in pin in the broken joint.

The Home Demonstration Club met Thursday afternoon in the club house at Maple. The women continued their work on drapes for the house.

Earlton Wall and Jimmie are on the sick list this week.

Mr. and Mrs. Cecil Cole attended the funeral of a friend at Tatum, N. M., Friday.

Mr. and Mrs. Lonnie Woolam and children of Morton visited Sunday with her parents, Mr. and Mrs. Erlton Wall. Mrs. Woolam is the former Juanita Wall.

Mr. and Mrs. Jack Furgeson visited relatives at Dallas the past weekend.
Mr. and Mrs. L. D. Sander-

Hardgrove, Morris Gant, Gene Kenley, and Jack Furgeson.

The Horace Hutton family visited Friday with his mother, Mrs. Jessie Hutton, at Shallowater.

Buddy Street took a group of boys to the Boy Scout Circus at Lubbock Saturday. Attending were Gary and Bill Welch, Jim Street, Jerry and Terry Hutton.

Mrs. Cass Stegall and Mrs. Tommy Galt made a trip to Lubbock Monday.

Mrs. T. G. Gaddy of Portales, N. M., mother of Meses. Stegall and Galt, spent several days here last week. She visited her doctor at Lubbock the first of the week and remained in the Galt home for several days.

Jannette Cunningham of Muleshoe, daughter of Mrs. Frank Mooney of Muleshoe, and the late Cecil Cunningham was married to Jerry Garlington of Muleshoe Friday at the home of Rev. E. K. Shepherd. Rev. Shepherd read the ceremony.

Mrs. Garlington is the granddaughter of Mr. and Mrs. J. M. Phillips and Mrs. W. T. Cunningham of this community. She formerly lived here and attended school at Three Way several years.

Mrs. Lloyd Pollard of Bula visited Monday with her parents, Mr. and Mrs. J. M. Phillips.

Rev. and Mrs. Hardgrove visited Friday and Saturday with relatives at Paducah.

In Texas... Ford is the best buy...

...and it's the "best-looker" too

Trust Texans to choose the one new car that's beautifully possible!

This year, with a wide choice of designs, Texans have made their minds up overwhelmingly for the spectacular '59 Ford.

Ford has the classic simplicity that people of good taste prefer... wonderfully crisp and clean lines without brassy ostentation.

And just see how sensible this beauty really is. Discover how Ford is built for people. Notice how the extra-wide doors open all the way out... make it easier to enter. See how all six passengers—even the man in the middle—have the comfort of

full-depth cushions. There's plenty of leg, hip and head room, too.

Of course, every inch of every Ford is built for savings. Ford's standard engines, Six or Thunderbird V-8, thrive on regular gas, saving you up to \$1.00 per tankful. Ford's new aluminum muffler is built for double life. You can save on oil, too... for Ford needs a change only each 4000 miles. And Ford's Diamond Lustre Finish never needs waxing.

With all this new beauty and economy, is it any wonder Ford's

out front for '59? Come see the car acclaimed by Texans... now on display at your Ford Dealer's.

For the most beautiful new car of all, come in and check Ford's amazingly low price... the lowest price of the top-selling three. — And check the cost of ownership, too. You'll find the savings are even bigger!

59 FORD

Come people-test it... come savings-test it!

Parmer County Farm Bureau News

by Raymond Euler

"I don't need to tell you that anyone who seeks to damage a voluntary farm organization is not a friend of agriculture." A quotation of J. Walter Hammond, former president of Texas Farm Bureau at Mineral Wells in the State Convention in 1953. We believe you agree it is still a true statement.

"Many farmers who planted a hundred sixty acres of cotton in 1953 and were going to be allowed only about twenty for next year said flatly they 'wouldn't be able to make a

go of it' if something wasn't done about it." This is a quote from the State Line Tribune of February 4, 1954, soon after the "65-40-50" allotment formula of Farm Bureau was passed in the National Legislative halls, giving Parmer County over twenty thousand acres more cotton allotment. This action still gives history to keep many cotton farmers in business.

Records in your local Farm Bureau office show that since 1952, Farm Bureau has been responsible for continuing refund of road taxes totaling in excess of \$20 thousand per year in this one county. No other organization has taken an interest in it.

At least as long as your local has been organized, Texas and National Farm Bureau have insisted that farmers and handlers of agricultural products should be exempt from the minimum wage requirements. It is the only farm organization still fighting the labor department and CIO-AFL in their efforts to extend the minimum wage act to include you. Recently we have heard of an organization soliciting membership of a farm employee with the promise that "We'll get you a dollar and a quarter an hour if you'll join." The employee was discharged later, because he wasn't worth what he was getting. Under the department of labor minimum wage and hour act, that would not have been basis for discharge.

J. T. Jones reported 15 members signed up last week; Mose Glascock and Donald Christian turned in more than 20. These and others are incomplete reports. Jake Patterson, Vice-president and Gilbert Kaltwasser, President, extend their appreciation to those still sending their renewals in by mail.

CONSIDER THIS: Without not correction from the child; for if thou beatest him with the rod, he shall not die. —Proverbs 23:13.

SOIL CONSERVATION DISTRICT NEWS

Walter Little came in and wanted assistance on establishing a waterway down thru a draw on his farm. The draw was still in range and had fair grass cover. Since the purpose of a waterway is to carry off safely no erosion and the grass sod was already doing this, the waterway was discouraged.

Harold Coombs of Maple requested that his well be measured and also asked help in laying out a sprinkler irrigation system. He had a small well by using sprinkler irrigation he will not lose any of his water before he gets to crop that is to be watered as he would if he furrow irrigated. He has the water lost in the ditch and also gets a much better distribution of water moderately fast. The cotton on the upper ground will not get too much water, the cotton on the middle will get enough, and there will be no ponding, or tail water at the end of the row. A conservation plan was also started on the farm this year.

W. C. McCreely requested assistance on a ditch line and row direction to improve his irrigation system. His farm is south of Goodland. He has a problem with steep slopes and is trying to cut down the grade of his furrows to keep the water from running too fast. E. V. Billingsley came in and wanted to find out about concrete pipe. He plans to run a pipeline from his well to the high point in the near future, and maybe this fall extend the line on across the north side of his place in order to eliminate a ditch.

W. C. McCreely requested assistance on a ditch line and row direction to improve his irrigation system. His farm is south of Goodland. He has a problem with steep slopes and is trying to cut down the grade of his furrows to keep the water from running too fast. E. V. Billingsley came in and wanted to find out about concrete pipe. He plans to run a pipeline from his well to the high point in the near future, and maybe this fall extend the line on across the north side of his place in order to eliminate a ditch.

Farmers Union Would Build A Safflower Mill

DENTON — Texas Farmers Union announced plans to build a safflower oil mill in 1960 to be located in West Texas or the Panhandle. The mill will be jointly owned by Texas Farmers Union and Safflower Oil Corp., headquartered near Boulder, Colo. Fifty one percent of the stock will be owned by Texas Farmers Union and forty nine percent by the Safflower Oil Corp.

The announcement was made after an Executive Board meeting of Texas Farmers Union and Ted Lord, President of Safflower Oil Corp. The oil mill would have a capacity of 200 tons per day and would cost about \$500,000. The plant would operate 24 hours per day the year round and would employ 50 or more persons.

Board members and the Safflower Oil Corp., agree to solicit plants of a minimum of 20,000 acres this year.

Mr. Cotton Farmer

May We Recommend The WET ACID PROCESS As The Process To Be Used In Chemically Delinting Your Cotton Seed — HERE'S WHY —

1. Seed stays in contact with the acid for a period of 30 seconds or less.
2. Water is used as a neutralizer.
3. Does not eat the bags.
4. Wet and green seed can be safely delinted.
5. Seed can be safely stored and used for a period of several years.
6. Does a more thorough job on angular leaf spot and other seed borne diseases.
7. Heat is used only to dry the seed after the acid has been washed off.
8. Planting 12 lbs. per acre the cost is less than 10c per acre more—using wet acid.
9. More uniform planting.
10. More even stand.
11. Quicker emergence.
12. Plant faster.
13. Get bigger yields.
14. Gravity table floats out weak seed.
15. Treating prevents seed rotting even in cold damp weather.
16. No sticks, stems, or lint to clog the planter.
17. In warm soil seed will sprout in 12 hours. A stand in four days.
18. Less moisture required for germination.
19. For only 1 lb. of lint cotton per acre, you can chemically delint your cotton seed, using the safe Wet Acid Process.

For An Appointment Call The — Hub Delinting Plant Phone Hereford, Texas HUB 2705 (Collect) Or bring your seed. We have a saw plant in connection with our acid plant.

agreed upon a guaranteed contract price of \$62 per ton to the grower this year. Safflower requires the same cultural practices as does grain sorghum and can be expected to yield approximately 3/4 what your milo averages. In dollar terms this would be about twice as much money per acre next year.

If you can't resist these warm wonderful days of early spring, try not to overdo it. Muscles, long unused to manual labor like digging and stooping, may protest after a long winter rest if you try to get all your spring gardening done in one day. So take it easy, there's still time to do some preliminary work, and yet get your garden off to a good start.

Of course you will want to plant fruit and shade trees right now, just as soon as you have time to dig suitable planting holes.

Proper planting of a tree or shrub, even a rose, goes a long way in how well the plant will grow. You should prepare a hole deep enough and large enough around to accommodate the full root spread of the plant. Don't try to dig a few shallow strokes in digging the hole, for you only decrease the chances of the plant to grow and flourish.

Place a trowel or half-shovel full of some good all purpose fertilizer in the bottom of the hole, throw in a spade full of top soil, and add at least half a bucket of water. When the water soaks in good, make a mound of topsoil in the hole, and put the plant in so that the depth it grew in the nursery is even with the top of the ground. You will note a dark ring around the plant indicating how it grew in the nursery row.

Then begin adding soil, while holding the plant straight, until the soil reaches grade level. Now add another half bucket of water, and when it soaks in, begin tamping down the soil around the plant to eliminate air holes about the roots. After tamping down, add enough soil to bring to grade level again. You have taken the first step in insuring a plant that will bring many years of pleasure to you and add to the value of your home.

Fertilizing Plants such as trees, shrubs and roses, with heavy root systems, require considerable moisture and fertilizer in this area, and an ideal way to apply this is either through surface application or directly to the root area.

If you use surface application, apply in an area around the plant equal to the diameter covered by the limbs. Scratch fertilizer in well, but not too deeply, and water slowly so it will soak in.

Application of fertilizer and water may be made directly to the roots by using a rod applicator which is driven into the ground, and carries liquid fertilizer and water to the root area. These may be purchased at hardware and garden shops.

It's a good idea to begin watering your lawn now, as well as garden and bed area in preparation of actual planting of half hardy plants when danger of frost is over.

"You are only young once, but you can stay immature indefinitely."

Prize Winners Listed At FB Convention Here

Officers of the Bailey County Farm Bureau this week publicly expressed their thanks to the following firms and individuals for donating gifts to be given as door prizes at the FB annual meeting last Tuesday evening.

In the following list the donor is given first and the recipient second:

- Magnolia Petroleum Co., Robert Blackwood; Peerless Pump, H. J. Garth; Ray Griffiths Elevator, Erwin Nieman; Cobb's, Mrs. Robert Blackwood; Sneed Supply, F. L. Snyder; Arnold Morris Auto Co., Mrs. A. J. Hicks; Jones Farm Store, Buck Ragsdale; Mills Machine Shop, J. D. Rucktaschel; Muleshoe Motor Co., Doc Botkins; John's Custom Mill, Jim Gaede; St. Clair's N. R. Harding; Muleshoe Coop Gin, Curly Mardis; Hesthingtons, B. J. Black and Mrs. W. H. Lee; Johnson & Nix, Odessa Slayden; Johnson-Pool, Ralph Black, Sam Hopper, Andrew Wittner, John Miller, and Kenneth Hanks; Muleshoe Auto Parts, M. M. McWhorter; Fry & Cox Bros., C. R. Mayhugh; Higginbotham-Bartlett, A. R. Floyd; Green Butane, Dan Throckmorton; Brown Supply, Mrs. N. R. Iley; Texas Sesame Growers, J. H. West; Muleshoe State Bank, Mrs. B. H. Black; Cashway Grocery, G. A. Jacobs; First National Bank, N. R. Iley and Raymond Gaede; Wagnons Grocery, Mrs. K. H.

Buhrman; Dub Finn Gulf, Ross Goodwin; Cayle Reed Buick, C. K. Corbell; Bailey Co. Electric, Cordie Honeycutt; King Bros., Jerry Darby; Western Auto, Gordon Duran; Lenderson Implement, Roy Short; Farmers Coop Elevator, Neal Burelsmith and J. L. Elmore; Piggly Wiggly, Mrs. Muri Stevenson; Wiedebush and Childers, Kelly Joe Barnett; Kelton Barber Shop, W. H. Lee;

Bailey County Farm Bureau, Mrs. M. M. McWhorter, Mike Flaniken, C. S. Sullivan, Mrs. N. A. Dunlap, Sherman Inman, E. H. Hall, F. M. Jones, G. G. Priboth, and Eugene Black.

Today's Meditation

Read Luke 8:4-15. A word fitly spoken is like apples of gold in a setting of silver. (Proverbs 25:11.)

One winter morning I went out to sweep away the snow that lay unbroken on the steps and walk. It swept off clean, except for firm white imprints of a foot on each step and across the walk. I knew they were made by the early-rising teacher who lives in the other apartment. She had gone out at her usual time, and the continuing snowfall had covered but not destroyed her footprints. So it may be with one's words spoken or deeds done to others—to some child, youth, or adult. You and I may forget our words and deeds, or they may seem to be covered up in the onflow of life. But they exert their influence. Whether

we are aware of it or not, sometimes the influence of our words and deeds sinks deep into the hearts of others.

How careful we need to be that the words we speak reflect a Christian attitude, and that our deeds are done in the spirit of Christ. We then live to the glory of God, and He uses us to strengthen and bless others.

PRAYER Dear heavenly Father, we thank Thee that we may speak words which help to bring others to Thee. May we not be discouraged, even though we may never see the results of our efforts. Strengthen us to do our best and grant us faith to leave the results to Thee. In the Master's name. Amen.

THOUGHT FOR THE DAY I want my words and deeds to be acceptable to God and helpful to my fellow men. —Lucille Graham (Ohio)

SEWING CORNER—Brighten up your sewing corner with a cheery cotton print. Here Waverly's Glosheen cotton print covers the chair. Flowers in the print are applied to white cotton Glosheen for tiered cafe curtains.

Zing Up for Spring!

Birds are on the wing. Spring flowers will soon be blooming. How about your car? Is it in tune with the season?

Your Phillips 66 Dealer knows just what to do to get your car ready for warm weather driving. First he'll drain and flush your car's radiator. Then he'll give the chassis a thorough lubrication, and refill the crankcase with fresh Phillips 66 Trop-Artic Motor Oil. Of course, he'll check your tires and battery... even your windshield wipers.

It's all part of your Phillips 66 Dealer's "Zing Up" service. If your car hasn't had this service, drive in where you see the orange and black Phillips 66 Shield.

Tough-built Chevy truck bulls its way deep into the woods for mammoth loads

This big Series 60 Chevy bulls its way as far as 8 miles into the Louisiana woods, fights over roots and jagged stumps... then grinds back out with lowering loads of logs! The Sabine Lumber Company attests to the truck's ability to take it: "Chevrolet makes the best truck for our type of operation."

Out where a truck is known for the beating it can take, Chevy's making friends fast. Truckers like the

way these toughies hold up; the way they wade right in, take their lumps, yet stay in shape.

Today, it's *grit* that Chevy's showing the trucking industry. Real toughness that pays off in job-after-job dependability... in ability to get work done at least expense. You can match Chevy muscle against any tough light-, medium- or heavy-duty job and know you've got it beat!

Your Chevrolet dealer's ready right now to meet your special work requirements. Stop by and see him soon.

No job's too tough for a Chevrolet truck!
