STANDING ON THE CORNER

With P. J.

It's a funny thing, but the last two or three weeks, people have become very cautious around yours truly. I guess they are afraid they'll pull one of those things that never makes the headlines but is really a choice morsel for a column.

Golf is being talked on every corner, on every drug store stool, and apparently, all over town. Some of the local ladies have become so entranced with the game that they have been going to Lubbock one night each week to take lessons.

Interest in the new T-Bar Country Club definitely seems to be growing. In fact there are almost enough golf widows in town now to start a lonely hearts club. Anyone interested?

And if you see any long, lank men and pale, undernourished children on the streets you'll know that after several holes of golf Mama is just too tired to fix dinner.

At this rate, maybe before long the club house will no longer be a dream.

James Monroe said, "There is nothing so powerful as truth—and often there is nothing so strange."

This is just a reflection: The truth is strange only when we are strangers to it. Truth can be found only by seeking and thinking.

Mrs. F. E. Woolery was in the other day and commented on the new typewriter her husband has recently bought. She said it didn't spell a bit better than the old one.

Much has been said about the Little League this summer. The boys, coaches and managers have done a wonderful job. This type of training is certainly one of the answers in raising America's future leaders.

However, there is an unsung hero in everything, and we would like to pat the umpires on the back. Dale Thuren, James Phillips, L. A. Forsythe, Rufus Slover, and others have been calling the games this summer and doing a good job, too. Most people don't realize the strain that goes along with this job. Because these men are conscientious about calling a fair game they spend a lot of sleepless nights worrying about "that last game."

A four-year-old watching television suddenly turned the set off. When asked why, she explained: "I have to go to the bathroom and I don't want to miss anything."

Do you suppose our teenagers really like Elvis Presley, or is it they know they are expected to? Is he just a fad or a trend?

Most people have more faith in our young people than to believe they will never appreciate really fine music and never yearn for the more cultured things in life than what Elvis has to offer.

Of course this is the view of an old woman 30 years old that our younger set thinks has been dead for the past 10 years. They may be right.

Someone said that children and young people these days need models, not critics, and they are right too.

I'm still standing here waiting for someone to fall in a man-hole. See you next week.

Agent-In-Training Is Stationed Here

Nathan Boardman of Lamesa, recent graduate of Texas A. and M. College, went to work here Monday morning as county agent in training under County Agent Bill Griffin. He will remain here until September.

Boardman was reared at Lamesa and is a graduate of Lamesa High School.

REV. ROY SHAHAN

RAY QUIETT

Sweet Street Is Planning Revival

Summer revival services will begin Friday, July 27, at the Sweet Street Baptist Church here and continue through Sunday, Aug. 5.

Rev. Roy Shahan, pastor of the First Baptist Church at Post will do the preaching. Ray Quiett of Levelland will direct the song services and his wife will accompany at the piano.

Rev. Shahan is well known in this area, having been pastor at Post for four years before going to Post. He attended Baylor University and the Seminary, majoring in Bible and Evangelism. Quiett and his wife have graduated from Baylor University and are entering the Southwestern Seminary at Fort Worth this fall.

Services will be held each evening at 8:00 p. m. and each morning at 10:00 a. m. Rev. F. E. Woolery is pastor of the local church.

VFW Needs Wheel Chair, Invalid Beds

A survey is being made by the VFW to locate hospital beds and wheel chairs that are not now in use.

The organization is asking that anyone who has either a wheel chair or hospital bed that they are not using to please bring it back. However, those having either item that is still in use, the VFW asks that they contact C. W. Conway by letter or telephone. The group is not asking that those chairs and beds in use be returned.

The survey is being made because of a waiting list. Efforts are being made to have the beds and chairs that are not in use returned so that others may use them.

MRS. WAYMAN SMITH'S SISTER IS MUCH IMPROVED

Mrs. Wayman Smith of New Home and Mrs. Arlie McNeely and Carla of Tahoka have returned from Wichita Falls where they visited their sister, Mrs. Jessie See, formerly Mrs. Jessie Young, whose leg was amputated at the hip on July 21. Mrs. Smith reports that she is improving and expects to be released from the hospital in about two or three weeks. Mrs. See's address is Sheppard Air Force Base Hospital, Ward 203, Wichita Falls, Texas.

Dan Cowan of New Home returned Sunday from a trip to Lake Whitney, Dallas and Denton, where he visited his brother, Don Dee Cowan and family.

School Consolidation Vote August 7 In Two Districts

An election has been called by County Judge W. M. Mathis to be held August 7 for voters to decide whether or not Grassland and Tahoka schools will consolidate.

Polls will be open both in Tahoka and Grassland, and a majority of voters must approve the consolidation in both districts before it can go into effect.

Petitions were presented Judge Mathis late last week asking for such an election. Petitions were circulated in both school districts.

The Grassland community recently rejected a proposal to consolidate with Graham, Close City, Southland and Garnolia, all of which are located in Lynn and Garza counties. Garnolia also defeated the proposal.

Grassland last year also voted against consolidation with Tahoka. Last year the Tahoka board assessed Grassland \$67.00, per student transferring to help equalize the cost to the local district above funds received from the state.

This year, Tahoka board estimates it will have to charge Grassland district about \$93.00 per student.

Post is charging about the same amount next year for those Grassland students transferring to that school.

Some years ago Lynn County had several rural schools, but these have consolidated with the independent school districts of the county. Now Grassland is the only rural school still operating in Lynn County.

The Grassland school teaches through the seventh grade and its eighth grade and high school students attend classes elsewhere.

If the schools consolidate it is possible that the two teachers at Grassland might be transferred to Tahoka and the Grassland elementary schools bus operated from that community would run as it is now so that younger children would arrive home earlier after school.

HOME FROM JAPAN

T/Sgt. and Mrs. R. M. Wyatt of Fort Worth are here visiting Mr. and Mrs. H. W. Carter. The ladies are sisters. T/Sgt. Wyatt has been stationed in Japan and after visiting in Fort Worth will return to Japan for two more years.

Mr. and Mrs. A. M. Bray had a barbecue for the group in their back yard Monday evening.

Mrs. J. W. Bean has moved to Spade.

Soil Bank Signing Date Is Extended

The date for signing Soil Bank agreements has been extended from July 20 to July 27, Dee Green of the local ASC office was notified Thursday morning.

Also, the date for disposing of acreage designated has been extended from July 31 to August 5.

Five Entries In Queen Contest

Lynn County Farm Bureau will hold its annual queen contest Saturday night, Aug. 4, at 8:00 o'clock in the Tahoka High auditorium.

Deadline for entries is Wednesday, July 25. A total of five girls have entered the contest. The first two to enter were Misses Ida Pearl Mason of New Lynn and Joyce Church of Wilson. The most recent entries are Misses Betty Phipps of Three Lakes, Mary Alice Stone of New Lynn, and Linda Darline Milliken of Tahoka.

Miss Phipps is the daughter of Mr. and Mrs. Buster Phipps. She will be a senior student this fall in the local high school, is a member of the Future Homemakers of America, is a majorette in the Bulldog Band, and is librarian at the school. She has entered the band school this summer at McMurry College.

Miss Stone, the daughter of Mr. and Mrs. Carl Stone, is active in the school band at Wilson and plays a clarinet. She has been a member of the 4-H Club for three years, has won the Gold Star award in 4-H, and has lettered two years in basketball.

Miss Milliken is the 16-year-old daughter of A. R. Milliken. She is a member of the First Baptist Church and is secretary of the intermediate girls Sunday School class. She is snapshot editor of the annual staff, is a member of Future Homemakers of America, and is a cheer leader.

Mr. and Mrs. Wayland Walton and girls, Wayla Ann and Martha Rayedon of Snyder spent several days in New Home with Mrs. Walton's mother, Mrs. Winston Davies and family. Sue Beth Caraway of Lubbock was also a Sunday visitor in the home.

DR. BROUGHTON P. MADDOX

Prominent Preacher Coming To Redwine

Dr. Broughton P. Maddox, associate professor of Bible at Wayland College, will preach during the Redwine Baptist Church revival August 3-12, according to Rev. W. H. Bryant, pastor, and a former student of Dr. Maddox at Wayland.

Evening services are scheduled for 8:15 p. m. Dr. Maddox has preached for revivals in many sections of the United States and abroad. He was a member of the Billy Graham Crusade in London, England.

4-H Boys Place In Litter Contest

Lester Ford of Tahoka has won second place in the Sears bear contest in the 13-county area, according to County Agent Bill Griffing. The prize is \$18.00.

In the Sears heavy litter contest, Lloyd Davis of O'Donnell placed fifth and won \$15.00 prize; Wayne Gleghorn, route 3, Tahoka, was 25th, and Albert Rinne, Wilson, was 29th, and each won a prize of \$7.00.

Davis' litter weighed in at 300 pounds; Gleghorn's, 159 pounds; Rinne's 138 pounds.

Cotton Insects Are Threatening Again

Fleahoppers and bollworms are on the increase, and are already causing damage in some field of cotton, states County Agent Bill Griffing.

Bollworms are appearing in irrigated cotton seven to 10 days following irrigation.

Fleahoppers in late cotton may be controlled by spraying with one pint of toxaphene, one-half pint of dieldrin, and one-half pint of heptachlor per acre.

Bollworms may be controlled by 2-10-40 dusted 10 to 15 pounds per acre, or a spray of two quarts of 2-1 spray per acre.

Primary Election Is Only A Week Away

Absentee Ballots 56 Have Voted

Fifty-six absentee ballots have been cast in Lynn County for the Democratic primary election to be held here Saturday, July 28, according to County Clerk Beulah Fridmore.

About 53 ballots have been mailed out upon request that have not been returned.

Tuesday, July 24, is the last day that votes may be cast by absentee ballot.

Conventions Set For Election Day

John Saleh, county Democratic chairman, is urging a large turnout for the Precinct Conventions on election day, July 28, in the 12 precincts.

The County Convention will follow on August 4 at 3:00 p. m. in the District Courtroom, Tahoka.

Following are the times and places of the Precinct meetings:

1. South Tahoka, 2:30 p. m. in courthouse, J. F. Thomas, chm.
2. Wilson, 3:00 p. m. at Wilson school; E. Sander, chairman.
3. O'Donnell, 3:00 p. m. at Clayton Ins. Agency; S. M. Clayton, Jr., chairman.
4. New Home, 2:00 p. m. at New Home High School; Wayman Smith, chairman.
5. Draw, 2:00 p. m. at gin office; Weldon Martin, chairman.
6. North Tahoka, 2:30 p. m. in County Judge's office; A. M. Cade, chairman.
7. Grassland, 4:00 p. m., Thomas gin; Roy LeMond, chairman.
8. Gordon, 3:00 p. m. in gin office; Geo. Baker, chairman.
9. Garnolia, 2:00 p. m., school; J. R. Thomas, chairman.
10. West Tahoka, 2:00 p. m. at Tahoka High School; Ross Smith, chairman.
11. Newmoore, 2:00 p. m. at store, N. S. Parker, chairman.
12. Lakeview, 2:00 p. m. at gin office; Roy L. Williams, chairman.

O'Donnell Rodeo Draws Big Crowd

A total of about 5,000 people attended the O'Donnell rodeo over a three-day period last week end when \$1,500 in prize money was awarded winners.

Rube Smith of O'Donnell was the only local person to win first place money—in double mugging.

Miss Helen Hoffman, daughter of Mr. and Mrs. Charles Hoffman, reigned as queen of the rodeo celebration.

This year's event is reported to have been one of the best that O'Donnell has ever had. However, O'Donnell's rodeos are always considered among the best in the area.

The parade this year consisted of floats depicting a "Story-book" theme, as well as riding groups from Tahoka, O'Donnell, Post, and Sundown.

Wheat Allotment Voting Is Today

The 1957 Wheat Marketing Quota referendum will be held in the Lynn County ASC office today, Friday.

Polls will open at 8 a. m. and close at 7 p. m. All wheat producers who intend to plant or harvest more than 15 acres in 1957 are eligible to vote.

Voters in the Democratic primary election Saturday, July 28, will find only one county office and only two precinct offices contested this year, but nearly all of the district and state offices are sought by two or more candidates.

Under the new law, county and precinct officers are now elected for four years, about half of them up for election this year, and the remainder up for election two years hence.

Dale Gandy opposes J. E. (Red) Brown for re-election as Lynn County Tax Assessor and Collector.

In commissioners' precinct No. 1, there are four candidates, in this order on the ballot: Clarence Church, present incumbent, T. L. Weaver, Curtis Morgan and Othell W. Meeks.

In commissioners' precinct No. 3, L. J. (Jimmy) Hash opposes Mrs. Beatrice McLaurin, present incumbent.

Unopposed county and precinct officers on the ballot are: Harold Green, county attorney; Norvell (Booger) Redwine, sheriff; and John Saleh, county Democratic chairman.

Mitchell Williams is unopposed for District Attorney of the 108th Judicial district.

For State Senator, Kilmer Corbin of Lubbock, present incumbent, Preston Smith and Carroll Cobb, both of Lubbock also, are the candidates.

Wesley Roberts of Lamesa and Mrs. Mack (Margaret Garland) Noble of O'Donnell are seeking the 99th Legislative District representative post vacated by Carroll Cobb when he moved to Lubbock.

E. H. Boulter of Lubbock is unopposed in his race for the State Board of Education.

Herbert C. Martin of Lamb county, present incumbent, is opposed by Alton B. Chapman of Floydada for Associate Justice of the Amarillo Court of Civil Appeals.

George Mahon is unopposed in his race for reelection as Congressman from the 19th district.

In state races names appear on the Lynn county ballot in the following order:

Governor: Ralph Yarborough, Price Daniel, W. Lee O'Daniel, Reuben Senterfitt, J. J. Holmes, J. Everts Haley.

Lieutenant Governor: C. T. Johnson, John Lee Smith, Ben Ramsey, A. M. Aikin, Jr.

Attorney General: Curtis B. Hill, Tom Moore, Will Wilson, Ross Carlton.

Associate Justice of Supreme Court, Place 1: Meade F. Griffing.

Associate Justice of Supreme Court, Place 2: Robert W. Calvert.

Associate Justice of Supreme Court, Place 3: Robert G. Hughes and James R. Norvell.

ELMER BLANKENSHIP

The planting of Sesbania on the Theo Campbell place north of Carter's store shows no great harm from the hail, averages about 12 inches in height, and is forming nitrogen fixing nodules on the root system. This Sesbania had been planted a month on July 8. Early formation of nodules indicates that Sesbania is a desirable soil improving crop.

Range technicians of the Soil Conservation Service assigned to

the District assisted Dr. K. R. Durham assemble a range conservation plan on his ranch west of Tahoka. This plan included the inventory of different range sites and the approximate acreage in each as a guide to working out range improvement practices.

Mesquite trees have invaded much of the tighter soils and some sort of control measures are planned. Kerosening or hand grubbing may be used where native turf is good, while some

Dubree Is Sold On Lady Bugs

W. E. (Walter) Dubree of the Redwine-Draw area brought The News editor a big "mess" of home-raised Irish potatoes, cucumbers, and squash a few days ago.

Walter has been receiving a lot of kidding from friends about his Ladybugs, but he is really convinced that, used properly, they will rid a cotton field of harmful insects.

Last year, he says he spent \$800.00 poisoning his cotton for insects. This year, he decided to try out the Ladybugs. He has 67 acres of irrigated cotton. For this crop, he bought three gallons, or 400,000 Ladybugs, at \$12.00 per gallon. They seem to have done the job, as thrip disappeared almost immediately after he put the Ladybugs in the field, his cotton started doing better, and no harmful insects have shown up since.

The Ladybugs come in a gallon and a half box packed in excelsior. They are sprinkled around over the field at night by hand, because they will fly away if released in the daytime. Also, there must be no heading maize nearby or they will go to the maize in preference to the cotton.

Theo Cook and Gus Porterfield are also trying Ladybugs this year.

Mr. Dubree has one irrigation well. Last year he raised about two and a half bales to the acre of cotton on 12 acres of land without the use of fertilizer.

He also plants sufficient garden for the family table.

Mr. and Mrs. Bill Giles and three sons, Charles Wayland, William Wayne, and Wayland Lee of Fort Worth are visiting relatives in the county. These include Mrs. Giles' sister and brother and families, Mr. and Mrs. Charley Lichey and Mr. and Mrs. R. W. McCreary, and Mr. Giles' sister and family, Mr. and Mrs. Lewis Murray. They arrived Monday and will stay until the weekend.

areas where native turf is sparse the mesquite may be controlled by mechanical methods. Some re-seeding may be tried on both sandy land and tighter soils. Native grasses will be used on some of these areas, using the kind of grasses that are adapted to the sites. A field of blue panic grass is planned to furnish early spring and summer grasses and to relieve native grasses.

Soil Conservation Service engineers working with the District assisted Graham Gordon with a newly developed irrigation well north of Petty. Levels were run on the farm for ditch and row directions.

Firemen Attend School At A&M

Johnnie Raindl, Pat Chamblee and Dean Taylor returned Saturday from the Texas A&M sponsored fireman's school held at College Station July 9-13 inclusive.

More than 1,000 trainees covered the campus from 13 states, other than Texas, to take part in the 27th annual Firemen's Training School. Ten students were registered from Mexico.

Conducted by the Texas Engineering Extension Services under the auspices of the State Firemen's and Fire Marshals' Association of Texas, the school was divided into two sections which comprise the combined operations: basic and advanced.

The basic course was concerned with handling of ladders, salvage operations, hose evolutions and loads, rescue operations and pump operations.

Advanced section students received instruction in handling ladders and advancing hose, salvage operations, pump operations, ventilation, forcible entry, driving emergency vehicles, and size up and attack.

B-828, Changes in Investment and Irrigation Water Cost, Texas High Plains, 1950-54, and MP-154, Farming and Ranching Risk as Influenced by Rainfall are two new publications recently released by the Texas Agricultural Experiment Station. They are available from the Agricultural Information Office, College Station, Texas.

Marketing quotas for the 1957 wheat crop have been proclaimed and July 20 set as the date for a referendum when wheat growers will decide by ballot whether or not quotas will be made effective.

Mr. and Mrs. Winston Davies, and Mmes. J. B. Edwards, J. R. Phelps, and J. W. Edwards, all of New Home, went to Hobb, N.M. last Wednesday to attend the funeral of Mrs. Jennie Males.

Leroy Davis Has Blue Panic Grass

Leroy Davis of Grassland has found blue panic grass to be a very profitable crop.

He now has 13 acres of irrigated and 13 acres of dry land blue panic grass.

Two years ago he planted five acres of blue panic grass which he irrigated, and July of last year he had another eight acres and 13 acres of dry land panic grass planted which came up to a good stand.

From the five irrigated acres last year, he cut 1,600 pounds of seed which sold for 70 cents per pound.

A few days ago, he harvested 3,700 pounds of seed from eight acres of his irrigated grass. He has not sold this seed as yet.

The remaining five acres of irrigated grass, will not be ready to cut for about two weeks because Leroy grazed it until about a month ago. In fact, he had 27 head of 500-pound yearlings on the five acres irrigated grass for 33 days and they couldn't keep it eaten down.

He now has 22 head of cattle on the 13 acres of dryland grass, which he says will take care of them until the stalk field is ready for them.

He says blue panic grass requires very little water. In fact, he has not watered it since last

March. It requires less water than cotton and far less than alfalfa.

However, the seed is very hard to get up. He dry plants the seed and then floods it with water every three days until the seed comes up, which is very quickly.

Mrs. Joe Webb and three children of Turlock, Calif., have been here about three weeks visiting Mr. and Mrs. O. E. Eubank six miles east of Tahoka. Mrs. Webb is the former Delores Nowlin, the daughter of Mrs. Eubank.

The same night, Brownfield's Ray Stockton hurled his team to a close 12 to 11 win over Lewis, with Bill Reeser on the mound. Last Thursday, in a make-up game, Tahoka Merchants defeated Brownfield 11 to 4. Bill Murray was the winning pitcher, Stockton the loser.

Friday night, New Home took South Side 20 to 8, with Don Sharp on the mound for the victors and Roy Keith throwing for the losers.

The same night, Bill Murray hurled the Merchants to a 11 to 3 win over Lewis, who had Robert Harvick on the mound.

This Thursday night, Brownfield was to play Wilson, and Draw was scheduled against the South Side Sandies.

Tonight, Friday, New Home meets the Merchants, and Lewis plays Wilson.

Next Tuesday, games are between Brownfield and Draw, and South Side and Merchants.

Monday night, a replay of a game between Wilson and South Side is scheduled. Wilson won the game, but had protested a decision early in the game and League officials called for a replay.

Scotch Foursome Held Here Sunday

The second Scotch Foursome golf tournament was held Sunday afternoon at T-Bar Country Club, and 25 players participated.

Lester Strech and Mrs. A. C. (Myrna) Gagnat won first place, with C. W. Conway and Mrs. Mary Lanise Strech coming in second. Winning the high score award were Wilson Edwards and Mrs. "Dub" Dunagan.

While it was still a territory, women in Wyoming were given the right to vote.

Cardinals Defeat Giant Team 4 to 3

The Cardinals upset the Giants Tuesday to give all other teams a better chance at winning the second half of the Little League split-season.

Giants Win One
Last Thursday, the Giants took a 9 to 2 victory over the Cubs, as Andy Bray and "Butch" Sharp each collected three hits to pace the winners. Ronnie Driver and Fred Hegi each had two hits for Cubs. Larry Thomas (3-0) went the route on the mound for the Giants, while Marlowe Rudd (3-5) hurled for the Cubs.

Cubs	110	000	6 2 3

Yanks Take Cards
Friday, the Yankees defeated the Cardinals 7 to 0, as Finis Rogers hurled a fine 2-hit game and his team-mates played errorless ball to record the first shut-out of the season. Curtis Harvick went three innings and Tony Spruiell three as hurlers for the Cards.

Cards	000	000	2 0 1
Yankees	302	02x	6 7 0

Then Take Cubs
Monday, the Yankees subdued the Cubs 16 to 1, as Rogers returned to the mound with only three days rest, to hurl another two-hit game and be robbed of another shut-out by a Cub score in the bottom of the sixth. He also slammed out a homer to aid the Yankee cause. Bobby Curry, going only one inning before being relieved by Rudd, was the losing pitcher.

Yankees	341	422	13 16 1
Cubs	000	001	2 1 2

Cards Take Giants
The up-and-coming Cards on Tuesday proved themselves Giant killers when they won 4 to 3 one of the better games of the year. Curtis Harvick (1-4) pitched and batted the Cards to the win by striking out seven Giants and getting two hits. Jerry Chappa was the starting pitcher for the Giants. Relieved in the fourth by Andy Bray (5-2) with score tied at 3-3, Bray was given credit for the loss. The Cards made two double plays to help take the victory.

Yankees	3	2	600
Cards	2	3	400
Cubs	1	3	250

Braves Lose Game To Crosbyton
Tahoka Braves, Colored baseball team, lost a game here Sunday afternoon 10 to 8 to the visiting Crosbyton Chiefs.

Winning pitcher was Leroy Williams, although he had to have help from their ace, Billy Boy. Loser was Chester Hood.

This coming Sunday, the Braves will try to get back in the win column when they play the white baseball club at 2:30 p. m.

The Braves, now managed by British C. Daniels, now have won nine and lost four games.

Joe Palmer New O'Donnell Coach

Joe Palmer, son of Mr. and Mrs. Jim Palmer, Draw, has been elected the new head coach of O'Donnell for the coming year, according to an announcement of Supt. Weldon Skinner.

Joe, who attended elementary school at Tahoka, is a graduate of the O'Donnell school, where he was an outstanding all-around athlete. He is 26, married, and he and his wife have one daughter six months of age.

Joe is a graduate of Western New Mexico College at Silver City, where he lettered four years in football and was team captain three years. Last year he coached at White River, Arizona.

He has also served a "hitch" in the Armed Forces.

Palmer was one of the all-time "greats" as an O'Donnell athlete. In 1949-'50, he was captain and all-district on the football team that won nine games and lost only one to the district champion, Post. He was a member of the basketball team that won the district title. In track, he won district in the 100 and 220 yard dashes and was a member of the relay team.

Record Is Given On Hit Batters
Glenn Wells, the official scorekeeper of Tahoka Little League, on request from several fans, has compiled the number of batters hit by pitched balls by teams and the result will, no doubt, be surprising to some.

Following is the record through Friday, July 13, for the season: Cardinal pitchers have hit 17 opposing batters, and have had 10 players hit by pitched balls.

The Cubs have hit 12 and had nine boys hit.

Yankee pitchers have hit 10 and had 14 boys hit by balls.

The Giant pitchers have hit six batters and have had 12 batters hit.

Little League boys are required to wear skull protectors both at bat and while running bases to protect them against serious injury.

Greenbelt Bowl Tickets Available
Ticket are available to the Greenbelt Bowl game in Childress on Friday night, August 17, in which Gordon Smith, Tahoka's stellar quarterback will play on the West team.

A block of tickets has been set aside for Tahoka fans at \$1.75 each, but must be reserved by Aug. 10 by sending check, cash or money order to Chamber of Commerce, Box 96, Childress. After that date, tickets will be \$2.00, with the buyer taking his chances.

Gordon Smith has been selected to play on the West all-star team, made up of 1956 high school graduates, against an East Texas all-star team. Workouts will start Aug. 10, and "Bear" Bryant of Texas A&M and Dick Todd of Midwestern University coaching the West team.

Officials Discuss League Problems

Lynn County Little League of officers, managers, coaches, umpires and sponsors met Monday night at the Legion Hall to iron out a few problems that have come up during this first season of play in Tahoka.

It was agreed that if the Giants happen to win both halves of the split season, there will be a three game play-off between them and a team of all-stars made up from the other three teams.

Jerry Allen was added to the Cardinal line-up to take the place of a boy who had quit.

Complaints made by parents and others were discussed at length. The consensus of opinion seemed to be that too many people are taking the game too seriously. Some parents seem to think the game is being played for them, one man said, and that the boys should produce like big leaguers. Principal object of the game is to teach kids baseball and good sportsmanship. Fans were requested to refrain from yelling instruction to the players from the sidelines and otherwise putting pressure on the boys, and to leave such coaching to the managers and coaches.

Complaints were also heard from managers and umpires and were also discussed at length.

Tom Bartley, treasurer, presented a financial report which showed the League is meeting all its financial obligations. Nearly \$200.00 has been spent for additional bats and balls since play started.

Clint Walker, League president, presided at the meeting.

Congratulations:

Mr. and Mrs. Larry Hagood on the birth of a daughter at 7:50 p. m. Tuesday in Lamesa General Hospital. The baby, which has been named Elizabeth, weighed 6 pounds 14 ounces. She has a big brother, Walt, who is 15 months old. Grandparents are Mr. and Mrs. W. W. Hagood and Mr. and Mrs. John A. Roberts.

Mrs. Jim Bob McAtee of Henryetta, Okla. Mrs. H. R. Maxwell of O'Donnell and Mrs. J. H. Cobb are great-grandmothers.

Mr. and Mrs. Ralph W. Laswell of Snyder on the birth of a daughter, Susan Kay, weighing 7 pounds, at 5:05 p. m. Monday in a Colorado City hospital. Their other child, Linda, age two, is here visiting her grandparents, Mr. and Mrs. John A. Roberts.

Mr. and Mrs. E. J. Cooper Will Observe Fiftieth Wedding Anniversary Sunday

Mr. and Mrs. E. J. Cooper will observe their 50th wedding anniversary Sunday, July 22. Guests will be received on that day from 2:00 to 6:00 p. m. at the home of Mr. and Mrs. Alton Cain at 2029 North 2nd.

The couple was married on July 19, 1906 in Dorchester, Texas. They moved to Lynn County in December, 1926 from McKinney and have been engaged in farming most of their lives.

After arriving in Lynn County

the Coopers lived on the Lockwood home place, which is located north of Tahoka, for about 13 years. Later they bought their own place northeast of town where they lived for the next 10 years. Finally they moved to Tahoka, where they still reside.

Mr. and Mrs. Cooper have eight children, Noel of Key, Texas; Mrs. Opal Nowlin, Lamesa; Andrew of Brownfield; Mrs. Myrtle Ross, Dallas; Mrs. Geneva Cain, Tahoka; Maj. Truett of Leavensworth, Kansas; and Mrs. Venita Hamilton of Tahoka.

Wesleyan Guild To Begin Programs

The Wesleyan Service Guild of the First Methodist Church will begin its two series of programs on the beliefs of the Methodist Church next Thursday night at 8:00 o'clock in Fellowship Hall.

Rev. J. B. Stewart, pastor of the church, will conduct the programs.

In cooperation with the commission of Membership and Evangelism, the Guild is urging all members of the church to attend the two meetings, the second of which will be held Aug. 9. Others interested are also invited to attend.

The Guild entertained families with a buffet supper in Fellowship Hall Thursday of last week. Mrs. W. H. Eudy brought the devotional, "The Book," and Rev. Stewart gave the invocation.

Mrs. Stewart and Mrs. Elmer Owens directed the games, and Mrs. Harold Green and Preston Buchanan were hostesses.

CHURCH PICNIC

The Brotherhood of the First Baptist Church is sponsoring its annual church picnic next week. It will be held Monday at 7:30 p. m. at the City Park.

Mr. and Mrs. Clyde Campbell of Kingman, Ariz., have been in Tahoka visiting her father, C. F. Davis, and brother, W. O. Davis.

Ehlo-Robinson Rites Read At New Home

In a double-ring ceremony held at the New Home Baptist Church Thursday, July 12, Miss Emadene Robinson of New Home and William (Bill) Ehlo of Lubbock were united in marriage.

The bride is a sister of Mrs. E. J. Haymes of Lubbock and the bridegroom is the son of Mr. and Mrs. William Otto Ehlo of Lubbock.

Rev. W. R. Fleming of Christ Methodist Church in Kingsville read the vows. Traditional wedding marches were played by Mrs. Raymond Daugherty, who also accompanied Boswell Edwards, who sang several numbers.

Given in marriage by her brother-in-law, Floyd Smith, the bride wore a gown of ivory satin and net. Her veil of illusion was caught by a pearl tiara. She carried a prayer book topped by the bridal bouquet.

Miss Helen Chapman of Lubbock was maid of honor and Misses Ann Hopper and Dorothy Cocanougher, both of Lubbock, were bridesmaids. Candlelighters were Mrs. Haymes and Mrs. John Bartlett III of Lubbock. Vicki Haymes and Charlotte Rose of Tulia were flower girls.

Vernon Ehlo of Lubbock served his brother as best man. Ushers were Ronald Smith and Gene Eades. Brad Haymes was ring-bearer.

The bride is a graduate of New Home High School and attended Wayland College. The bridegroom is a graduate of Cooper High.

Following a wedding trip to Colorado, the couple will be at home in Lubbock.

JOE STOKES H. D. CLUB PICNIC AUGUST 24

Joe Stokes Home Demonstration Club met in the home of Mrs. Tom Russell on July 12th. A visitor, Kay Dean, and six members were present.

The annual picnic was planned for August 24 at 6:30 p. m. in Tahoka Park.

Hat making was the topic of the day. There was much discussion on shape of frames and where to get them and what materials to use. Mrs. Wilson showed her finished hat, while others were in the making.

Everyone seemed to enjoy this meeting, which ended with the serving of cakes and cookies.

Mrs. Parris is the nominee for State THDA delegate.

CARD OF THANKS

We wish to express our appreciation to our friends and neighbors for the things they did for us at the time of the death of our dear, sweet wife and mother. We also want to thank those who sat up at the funeral home and those who sent food and the beautiful floral offerings; Rev. J. B. Stewart and Rev. Elmer Crabtree for their services and visits; and Stanley Funeral Home for their kindness shown us. We are grateful to all of you. The world is much brighter and happier, too because of the kindness of people like you all. May God Bless each and every one of you all in our prayers. E. F. Bagby and children.

PYTHIANS MET TUESDAY

Pythian Sisters met in regular meeting Tuesday night when a chicken supper was served 26 members attending.

Hostesses were Misses A. C. Aycox, B. C. Aycox, G. B. Sherrod, and Minnie Conwill.

Shower Is Given Mrs. M. Huffaker

A pink and blue shower was held Tuesday morning in the home of Mrs. Pete Hegi for Mrs. Maurice Huffaker, when 35 guests registered.

The table, laid with a white linen cloth, was decorated with a blue baby tree, from which hung blue and pink eggshell halves in which net and tiny dolls were placed. Net and rosebuds surrounded the base of the tree. Others rosebuds completed the table decoration.

Fred Hegi played organ selections during the occasion, when coffee and miniature cinnamon rolls were served.

Hostesses included Misses A. M. Bray, Harold Green, Elmer Owens Eldon Gattis, Ira Joe Hart, Harold Warren, and Pete Hegi.

Birthday Party For Cindy Raindl

Mr. and Mrs. Emil Raindl recently honored their daughter, Cindy, on her third birthday with a barbecue in their back yard.

Attending were M/Sgt. and Mrs. Jim Raindl and children of San Francisco, Calif.; Mr. and Mrs. Louis Brosch of Lubbock; Mrs. O. C. Buford and children of Hobbs, N. M.; Mrs. Frank Raindl and Mrs. H. Jahnke of Wilson; Mr. and Mrs. Ted Kuskowski and Betty, Mr. and Mrs. Preston Buchanan and children, and Mr. and Mrs. Leroy Schulle, all of Tahoka; Sissy Southard of Lampasas; and Retta Jean Sellers of Midland.

CARD OF THANKS

We wish to thank everyone for the kindness shown us during the illness and following the death of our mother, Mrs. Jennie Males.

We especially wish to thank the American Legion in Tahoka for the use of the hospital bed. May God bless each of you who in any way helped us over the long period of Mother's illness. Mr. and Mrs. Abe Burgess, New Home.

Mr. and Mrs. Happy Nash are this week moving to Gladewater, where he will be associated with Bill Strange Motors. He has been a mechanic here for several years at Gagnat Motors.

CAPITOL SANITATION CO.

F. O. BOX 6144
AUSTIN, 21, TEXAS

Neighbors, today there are more modern homes that have septic tanks than ever before in the history of our nation. There has been no consideration given to the public for the treatment and care of septic tanks and grease traps.

We are all concerned with where the dangerous polio virus might be existing. According to medical science and bacteriologists, as long as we have proper bacteria reactions in our everyday life, plants and treatment of sewage, healthy and sanitary conditions will be maintained.

Anaerobic produced by the Capitol Sanitation Company of Austin, Texas is now on the market and available to the public and cities for the treatment of sewage disposal. Capitol Sanitation laboratories have been serving cities throughout the United States with this product, and their technicians are ever searching for a condition that our product could not handle. Today we can say that we have been able to take care of most all of the problems of the treatment of septic tanks, city sewage lines and disposal plants for seventeen years.

The septic tank is a device utilizing the theory of anaerobic digestion just as our large municipal sewage treatment plants practice, however the septic tank is more subject to upset due to the fact that the waste is from one household or establishment and not a mixture of wastes that may tend to counteract each other, becoming balanced by the time it reaches the city plant. In the septic tank an extra amount of bleaching material, strong acids, or alkalis may kill off certain strains of bacteria, and promote the growth of others, causing the contents to become out of balance and they cannot do their job (decompose the organic matter).

Grease (fats) are more difficult to break down than the bulk of waste entering the septic tank, the fat splitting bacteria get behind with their work, and the result is an accumulation of the grease floating in the top and reducing the digestion capacity of the tank, this grease will work out into the drain filled and clog the pipe and soil, this is usually when you have your tank pumped out. Of course, pumping is not the answer, for all you have done is to remove the already established micro-organisms. You have failed to correct the grease problem in the drain field and as soon as the tank becomes full or shortly thereafter, you will experience the same problem.

ANAEROBICUL is a mixture of cultured organisms developed for the express purpose of speeding up anaerobic decomposition of organic matter, and includes a fat splitting bacteria which aids in breaking down the grease to bring the septic tank back into proper balance.

ANAEROBICUL will hasten the seeding of new septic tanks by establishing action much sooner than will occur by natural purposes.

If your septic tank is overloaded ANAEROBICUL, by speeding action, will prolong the need for placing a new tank in operation. The culture would have to be introduced into the tank periodically, about every three months.

If your digestive system, septic tank or cesspool is working probably, not causing odors, draining good—you do not need ANAEROBICUL or any other product sold for the aid of digestion.

This is important! WHEN SOMEONE CALLS AT YOUR HOME WITH A TRUCK AND TELLS YOU THAT YOUR TANK IS ALMOST FULL, THAT IS CORRECT. IT HAS TO BE FULL TO BE FILTERING PROPERLY AND THE MOST HARMFUL THING YOU COULD DO WOULD BE TO HAVE IT PUMPED. FOR PUMPING DESTROYS THE MOST VALUABLE PART OF YOUR TANK. PUMPING DOESN'T CLEAN YOUR LINES OR ELIMINATE ODORS AND YOU PAY AN ENORMOUS PRICE FOR THE HARM DONE.

The most harmful substances you can put in your lines to open them are highly caustic chemicals which can be found on the market ranging in price from 10 to 35 cents a can under names which most people are familiar with. Proper bacteria reactions open lines and eliminate odors, also keep Tank Filtering properly.

School Is Drilling Irrigation Well

Another water well is being drilled for the Tahoka school on the northeast corner of the high school block this week.

The school has one well which was drilled to provide water for irrigating the school grounds. A spokesman said that another well is needed, however, to supplement the water supply in order to be able to water all of the grass on the school campus.

The school well is expected to be a small one and will probably be completed at about 100 to 130 feet. Frank Grea'house is the driller.

Mr. and Mrs. Fred Grider of Long Beach, Calif., accompanied by her parents, Mr. and Mrs. Doug Lindsey, left Sunday after a few days visit here with his parents, Mr. and Mrs. G. C. Grider.

Mr. R. L. Gibson is still a patient in Tahoka Hospital but is reported to be improving.

DIXIE H. D. CLUB MEETS WITH MRS. G. L. COBB

The Dixie Home Demonstration Club met July 18 in the home of Mrs. G. L. Cobb.

Mary Beth Gardenhire, O'Donnell, gave an interesting report on her 4-H Club work and her trips to the Round-Up at College Station June 12-14 and 4-H Camp Lubbock July 10-12.

Also at the meeting was Miss Shirley Holbrook, who is working with Miss Wanda Roach, agent, this summer.

Refreshments were served to 10 members and five visitors.

Next meeting is August 1 with Mrs. G. B. Sherrod.

Little Billy Edward Owens Jr., premature baby of Mr. and Mrs. Billy E. Owens, was in Tahoka hospital this week but was reported to be in good condition. At birth he weighed three pounds and 12 ounces.

Mr. and Mrs. Joe D. Unfred of New Home was admitted to Tahoka Hospital Monday as a medical patient.

Gordon News

MRS. EARL MORRIS Correspondent

Word has been received from the Ed Dentons, who are vacationing in California, that Mrs. Denton had the misfortune to fall and break her thigh. She is in a hospital at Riverside. Last report, Mrs. Denton said she is suffering quite a bit but her doctor thinks she can leave the hospital in three more weeks. She will stay awhile with a daughter, Mrs. Louise Carson, in Tucson. Mr. Denton will enter a hospital in Los Angeles for treatment this week.

Elmo Corbell of Houston, son of Mrs. L. L. Corbell, recently suffered a serious heart attack and was kept under an oxygen tent for several days. But last report he was able to be out of the tent, and his wife says he is slowly recovering.

Mr. and Mrs. Travis Dabbs are announcing the arrival of a son born Sunday, July 15, in Good-night hospital, Lubbock, weighing 8 pounds 2 ounces. He has been named Dale Allen. Mr. and Mrs. Herman Dabbs are the grandparents, and Mrs. and Mrs. Sam Martin, great-grandparents. The Dabbs have another son two years old.

E. S. Davis Estate Farm Is Rented By Dan Brookshire

Mystery Farm No. 103 belongs to the E. S. Davis Estate. Mrs. Frank Bryan has lived in the house the past two years, but Otis Davis and Dan Brookshire farm the half section of farm land. The place is located immediately north of Tahoka.

H. C. Lewis was the first town reader and Joe Young the first rural reader to identify it. Others included Oran Ramsey, Dennis Polk, Johnnie Jackson, Mrs. Avis Henry, Jess Gurley, Alton Terry, Mrs. T. B. Inman, Mrs. P. D. Adams, and Dan Brookshire.

The home pictured was once known as the Shook place, and the late Mr. and Mrs. Sid Sanders lived there when Mr. and Mrs. E. S. Davis bought the farm in 1919. The late Lewis Perkins lived in the house and farmed the place for 17 years.

The late E. S. Davis and Nettie Davis (same sur-name) were married at Desdemona, in Eastland county, in 1900. They moved to Tahoka in 1919. Mr. Davis died here January 9, 1932. There six children, Otis, the oldest son who lives with his mother; Ruby, who died in California a few years ago; Sherman, of Lubbock; Mrs. Veda Davis of Marlin; Dan, of Lubbock; and Mrs. Mildred Schooler, Lynwood, Calif. There are four grandchildren and four great grandchildren.

Mrs. Davis, who also owns 172 acres in the Midway community, has deeded this 320-acre farm to her children. Otis farms the feed land, and Dan Brookshire has been farming the cotton land the last two years.

Dan was born and reared at Grassland the son of W. G. Brookshire and his late wife. Dan's wife is the former Gwynelle Davis, daughter of Mr. and Mrs. Borden Davis, and a great niece of Mrs. E. S. Davis. They have two children, Dana and Don.

Both Dan and his wife are Tahoka graduates. Dan saw service in the Army and attended Texas Tech before he started farming in 1947.

There are two irrigation wells on the farm, and this year Dan has 132 acres of fine irrigated cotton, watered by a sprinkler system.

He plants Empire and Lankart cotton, and right now those who have seen it say he has a bale per acre of bolls on some of it. In fact, his crop gives promise of being one of the finest in this entire area this year.

O'Donnell School Superintendent Talks On Changing Education Needs

Weldon Skinner, superintendent of schools at O'Donnell, was the speaker at Tahoka Rotary Club Thursday noon of last week.

Mr. Skinner briefly traced the history of free public education in the United States, and then outlined some of the many changes taken place in the educational program and the changing needs of the students.

He declared that education, like cars and homes, changes with the times.

In the early days, only the children of the elite ever reached high school. Now, we are educating the masses.

Changes in our education system have been necessary because of this tremendous increase in numbers of students going further up the education ladder, but also because of many other reasons, he said.

Intelligence and aptitudes of children have been changed, for instance by the advent of radio and television the child learns early many things children of a few years ago did not know. Because of the increase in numbers of students, schools must be adjusted to given opportunities to both the dull and the bright.

Greater difference in occupational interests of our people is also making changes necessary.

Availability of educational facilities are a factor. Cars and paved roads are cutting down on distances. He predicted the day is coming when education will be a county unit.

The type of community a child lives in is a determining factor in the kind of school.

Then, differences in social and economic backgrounds have an effect in the kind of educational program needed. He said schools can do only part of the job; some of it must be done at home. If Johnny can't read or spell, part of the blame lies at home, where the parents should take time to give Johnny a little attention.

There is a difference in vocational interests. Part of the blame

GRASSLAND YOUTHS ATTEND ASSEMBLY

Dixie Davis and Dottie Harrison represented Grassland at the Northwest Texas Methodist Youth Assembly at McMurry in Abilene last week, July 9-14.

Each day began with a worship service, followed by a talk given by the Assembly speaker, Rev. Marshall Rhew. Other activities of the day included the courses, Bible study groups, skill-workshops, and recreation.

The purpose of the Assembly was for leadership training and spiritual guidance, and Dixie and Dottie feel that they gained many points that will help them to better serve their MYF organization.

Jan was in the workshop entitled "Christian Witness Mission."

John Hegi took the course, "At Work for a Christian World" and participated in the skill-workshop "Methodist Youth Fellowship Clinic."

"What It Means to be a Christian" was the course and "Youth Activities Week" the skill-workshop receiving the attention of Linda Jones.

Staff members included Miss Bera Faye Spann of Tahoka, conference fellowship chairman; and Rev. and Mrs. Hugh Daniel of New Home.

HERE IS WHY SO MANY SATISFIED BORROWERS SAY

"A BANK AUTO LOAN IS BEST"

THE COST . . . of borrowing "the bank way" is low . . . and there aren't any "extras" to pay!

THE INSURANCE . . . you may finance as part of the loan . . . and place insurance wherever you wish!

THE TERMS . . . are "tailored to fit" your pocketbook . . . and give you a comfortable time to repay!

THE BENEFIT . . . of credit you build as you meet the loan terms . . . can be useful later on!

THE ACTION . . . on your loan application is prompt . . . there is no "red tape," no delay!

W. P. McDONALD COTTON CROP COMPLETE LOSS

W. P. (Paul) McDonald of Midway says the hail of Tuesday, July 10, completely destroyed his cotton crop, and he has replanted the land in feed. Along with the hail, he received .6 of an inch of rain at the house but only a quarter on one side of the field and about two inches on the other side. Rob Luttrell lost about half of his cotton, and also damaged were Glen Ross Evans, C. B. Earley, and Leonard Crawford.

Savings of 10 percent or more in fuel bills can be made by most farm tractor operators if they give attention to proper fuel storage and fuel system adjustments, says W. L. Ulich, extension agricultural engineer.

FROM OLDTIMER

Dear Mr. Editor:
This scribe was first through Tahoka in 1906 and back there and away in 1907, settling down in Big Spring 'til 1910.

While at Tahoka, I helped to build the first real residence there. I worked in the County and District Clerk's office some, recording instruments in long-hand. All the merchants, etc., lived in the back ends of stores; this included Dr. Windham, the only Doctor, who ran the drug store and lived in the back. The District and County Clerk were together. The County Judge was the rural School Superintendent.

I have maintained a more or less inactive interest in weekly publications in West Texas for thirty years. I take it you have

known Charley Guy all your life, and maybe Willard and June Jones of Hamlin.

This scribe is writing a little West Texas story and touching on Tahoka. Want to know is I am correct in saying Mr. and Mrs. Stokes ran the little wooden hotel and she was a Penny from Lubbock.

Thanks, Bose Reader, 1311 West Jones Street, Stephenville.

ABOUT LITTLE LEAGUE

Editor The News:
I would like to tell you what a good thing you and the City of Tahoka, the Rotary Club, and the others have done in promoting the Little League baseball league in Tahoka.

This is one of the best things that Tahoka has done for the young boys of the county. I only wish that more of them could be included; say, if you had six teams instead of four, more boys could enjoy this fine sport.

I think any parent who has a boy playing on any of these teams are glad to have them in the hands of the good men that are giving their time teaching these boys to play ball and to be good sports at the same time. And, whether they win any games at all, they are learning a lot and having the right kind of fun that Little League is intended to furnish.

Some parents, only a few, I understand, object to their boys playing with or against some of the other boys on the teams. If I felt this way, I would take my boy off the team and let some other boy play. As I understand it, the Little League could take only about half the boys that came out for play, and I am sure a lot of those left out would like to get in there and try out.

The game is just a game and is for the good of the boys. Let's keep it that way.

NOTICE OF ORDER OF SALE OF REAL ESTATE

The State of Texas, County of Lynn.

By virtue of an order of sale issued out of the District Court of Lynn County, Texas, on a judgment rendered in said Court on the 22nd day of June, 1956 in favor of D. W. Gaignat and against Paul W. Haire in the case of D. W. Gaignat against Paul W. Haire, No. 2004, in such Court, wherein plaintiff recovered judgment against defendant in the aggregate sum of \$2,274.82 with interest on the sum of \$2,068.02 from June 22, 1956, at the rate of 6% per annum, and such judgment providing for a foreclosure of an attachment lien on the hereinafter described property; I did on the 13th day of July, 1956 at 11:10 o'clock A. M. levy upon the following described tracts and parcels of land situated in the County of Lynn and State of Texas, as the property of Paul W. Haire, to-wit:

Dale Gandy Asks Voters Support

Dear Voters of Lynn County:
Since there are quite a few people undecided about the election that is to be held on the 28th of this month, I would like for you to think about what I am writing in this paper before you draw any conclusions as to who will make the better Tax Assessor and Collector for the next four years.

I regard my opponent as a very intelligent person. He has made one of the Tax Assessor & Collectors I have ever known, and undoubtedly, if he is elected, he will continue to serve the people of Lynn County as he has in the past.

I would like to relate my qualifications to you and let you be the one that decides the outcome! I was 25 years old the seventh day of January this year. I am married and we have a boy five months old. I was born in the eastern part of the county and have lived in and around Tahoka ever since. I have three degrees in accounting, one in business law and have five years experience in the accounting field.

I feel confident that with the knowledge and experience of an accountant, I can do the job efficiently.

If I am elected, there will be no change in the office except the doors will be open six days a week instead of five and a half. I will be available any time after office hours.

I will deeply appreciate you considering me for the office of Tax Assessor and Collector of Lynn County.

Cordially yours,
DALE GANDY, candidate for Tax Assessor & Collector ltc

Courthouse door of said County, in Tahoka, Texas, I will offer for sale, and sell at public auction for cash all the right, title and interest of the said Paul W. Haire in and to said property in accordance with and in obedience to said order of sale so issued out of the District Court of Lynn County, Texas on July 13, 1956. DATED at Tahoka, Texas this 14th day of July, 1956. NORVELL REDWINE, Sheriff of Lynn County, Texas. By Tom Hale, Deputy. 41-3tc.

Ladies Attend Food School At Tech

Several Lynn county ladies in school food service work were among the 306 attending the five-day workshop at Texas Tech last week, Monday through Friday at Texas Tech, Lubbock.

Twenty-seven food specialists from seven states conducted more than 80 sessions on new developments in food preparation, meal service, food buying, meal planning and related subjects.

Tech Home Economics Division sponsored the conference in co-

operation with the Texas Education Agency and U. S. Department of Agriculture.

Among those attending were: Mmes. Pearl Smith, Pearl Austin, Cora Zedlitz, M. H. Brasher, Vivian Howard, and H. B. Jones, all of Tahoka; Mmes. Iris Line and Leona Porterfield of O'Donnell.

Three of Mrs. L. C. Haney's sisters have been visiting her. They are Mrs. A. C. Rylander of Corpus Christi, Mrs. C. K. Fraser of Mission, and Mrs. A. C. Scott of Abilene.

YOUR INVESTMENT HOLDS WHEN YOU GO OVER TO OLDS

Do it Now!

Don't put off the thrill of owning a new car any longer! Come in today—we can show you why this is the month to buy!

BEEN PLAYING a waiting game? You'll know the time for waiting is over... the time for action is here... when you try an Olds "88". It's the car you've waited for... the smart time to get it is *right now!*

If you're like most wide-awake folks, you'll be pleased to see how little it takes to drive this Oldsmobile home. Especially after you sample its *bigness*. For there's no compromise with power, comfort, and performance in this one. When you step up to an "88", you rate a Rocket Engine, and that says

worlds for the action you'll enjoy. You'll find all the features to hold your investment in driving pleasure high.

Surely now is the time to trade... now while the value of your present car has hit its summer high... while there are so many weeks of pleasant driving ahead.

So why wait? Waiting can only cost you money and enjoyment. Common sense says it's smart to get your Rocket Engine Olds... and get it now!
