STANDING ON THE CORNER

... With P. J.

Like we've said before—all news is not bad news. For instance there are 162,920,000 Americans who are not members of the Communist Party.

Some 162,717,890 persons will not die of cancer this year.

162,380,580 persons will be safe from fatal heart attacks.

Most of the time 15,720,000 organized workers are not on strike. Some 37,011,460 couples will stay more or less happily married during the year.

The Internal Revenue Service will find that 43,846,154 income tax returns are filed correctly in 1957.

Last year, the scheduled airlines safely carried passengers 18,902,134,840 miles in the U. S. and possessions; railroad safely carried passengers 31,674,931,200 miles.

The A. P. quoted this report from a Texas minister at a South Carolina Baptist Convention: "Before the drought is ended in Texas," he declared, "Baptists will be sprinkling, Methodists will be using a damp wash cloth, and Presbyterians will be giving rain checks."

Everyone in the stands at Kelly Field Friday night were very happy to see the best Tahoka Bulldog Band for many years perform at half-time.

It may have even been a pleasant surprise to most people who knew that only a week before a large number of students in the junior band had been admitted to the varsity band and were marching in formation for the first time.

Rev. Sam Park Is Buried Here

Rev. Sam Park, 62, formerly a citizen of Tahoka for many years, died suddenly of a heart attack at his home in Grady, New Mexico last Friday at 4:15 a. m.

Funeral services were held Monday at 10 a. m. at the Methodist Church in Grady, of which he had been pastor since May. Officiating were Rev. John Carpenter, Clovis, district superintendent, and Rev. Cox of Dunn, Texas, a close friend of the deceased. Graveside services were conducted by the same men and burial was in Tahoka Cemetery in the afternoon.

Sam had started preaching only about three years ago, and last May he was assigned his first pastorate, at the Grady Methodist Church. He had farmed most of his life, and once was associated with his brother, Ed Park, in a meat market here.

He was born December 23, 1893, at Ozark, Ark., the son of the late Mr. and Mrs. T. E. Park. The family came to Whitewright, Texas in Dec., 1896, lived in Fannin (Cont'd. on back page)

Firemen Buy Bus For Scouts

A school bus has been bought by Tahoka Fire Department for donation to the Tahoka Boy Scouts, according to Lawrence Harvick, Fire Chief.

The 49-passenger bus is second hand and was bought from Tahoka School District at a very reasonable price. Since several of the Firemen are automobile mechanics, they will donate their time toward rebuilding the motor, repairing and repainting the body.

Local civic clubs are being asked to help defray the expenses of buying the bus and repairing it.

When completely rebuilt, the bus will be available to Troops 82 and 21, Explorer Post 21, and the Cub Scouts for trips to camps, contests, etc. Full liability insurance will be taken out to cover Scouts riding in it.

REV. VERNON SHAW

Baptist Meeting Starts Next Week

Rev. Vernon Shaw of Dallas, will be the evangelist in the revival beginning at the First Baptist Church Friday night, Sept. 21. Rev. Shaw is former pastor of the First Baptist Church at Floydada, and is well known in this area. Bob Lewis will lead the music.

To cooperate with the athletic program of the school, the first service, Friday night will be an early service beginning at 7:00 and closing at 7:45. All other evening services will begin at 8:00 with pre-services beginning at 7:30 each evening.

The Beginner, Primary, and Junior Departments each will sponsor 30 minutes of singing, chalk-talks, Bible stories, etc. beginning at 7:30 each night, Monday through Friday of the full week of revival.

A special program will be given in the auditorium each night Monday through Friday at 7:30 to 8:00. Featured will be chalk talks and devotional thoughts by Lewis Kenley of First Baptist Church of Lubbock. Featured also will be special musical numbers.

Saturday night, Sept. 29, Youth Services will be held to which all young people of all churches in this area are invited. A special feature will be the High School Chorus giving a 30 minute program from 7:30 to 8:00.

Sunday School At Night During the full week of revival, the night attendances will be promoted by the Sunday School workers. Each Class has adopted a goal of at least 40 percent of their enrollment to be present each night. All classes reaching their goals or over will be recognized by turning on a light by their class name on the huge board in front of the auditorium.

Early Services For Men There will be early services each morning sponsored by the Brotherhood. These services will begin 7:15 a. m. and close before 8:00.

George M. Reid Has Heart Attack

Geo. M. Reid, rural carrier on route 4, suffered a severe heart attack at Crosbyton last Sunday afternoon. He still is in a critical condition in the Crosbyton Hospital, but on Wednesday was reported to be responding to medical treatment.

When stricken, Mr. Reid was en route home from a visit with his mother in DeQueen, Ark. Alone in his car, he got in touch with Mrs. Sue Carpenter Hudman, who lives in Crosbyton, and she carried him to the hospital. His wife and daughters have been at his bedside since.

Mr. Reid has been in civil service here for 32 years, first as a postal clerk and later as a rural carrier.

Wanda Murray and Bobbie Huffaker of Grassland left last week for Bethany, Okla., to enter Bethany Nazarene College as freshmen. Both are Tahoka school graduates.

Jesse Salinas, seven year old son of Mr. and Mrs. Fidneo Salinas, underwent an appendectomy Sunday in Tahoka Hospital.

Bulldogs Going To Denver City

Tahoka Bulldogs, losers last week to Plains 13 to 6, journey to Denver City tonight for a game with the Mustangs, losers last week to Sudan 19 to 6.

Like Tahoka, Denver City is rebuilding from the great team they had in 1954, but the Mustangs have had one more year "rebuilding" than have the Bulldogs, who lost nine of eleven starters from last year's team.

Coaches Bill Haralson and Dean Wright have been working with their inexperienced Bulldogs this week to iron out weaknesses shown in the opening game. The Bulldogs actually did very well against Plains (See story on Sports page), but had a bit of hard luck and also were up against a team stronger than fans expected.

Scouts report Denver City actually played Sudan a closer game than the score indicates. Sudan scored on a pass interception, a 40 yard run, and a 30 yard run. Tahoka band and pep squad and many fans will follow the team to Denver City.

A chartered bus will carry 40 odd fans to the game, leaving the north side of the square promptly at 6:15 tonight.

Draw Plans For New Farm Road

Plans are being started for eight miles of new farm-to-market road from West Point north to meet the Lakeview paving, according to A. W. Partain of Lamesa, resident engineer for the Texas Highway Department.

Mr. Partain delivered right-of-way easement papers to Commissioner E. H. West Monday morning. The Highway Department will require 100 feet total right-of-way for the new paving.

At the present time, the county has three miles of paving on the route extending south from Lakeview, and also three miles of paving extending north from West Point. The latter, never satisfactory, will be torn up and completely rebuilt by the State, and the State will take over the entire route for maintenance.

Mr. Partain and Mr. West said letting of the contract must await the signing of easements by property owners along the route and the drawing of plans.

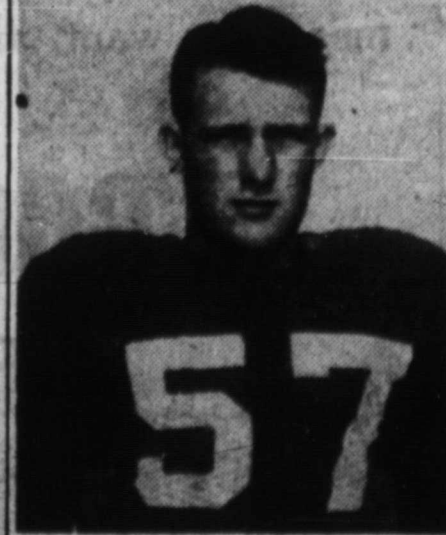

Precinct 4 Will Buy New Grader

Precinct 4 of Lynn County is preparing to open bids on Sept. 24 for a new road grader, Commissioner E. H. West announces. The machine will be a track-type tractor loader with hydraulic-controlled rear mounted scarifier attachment.

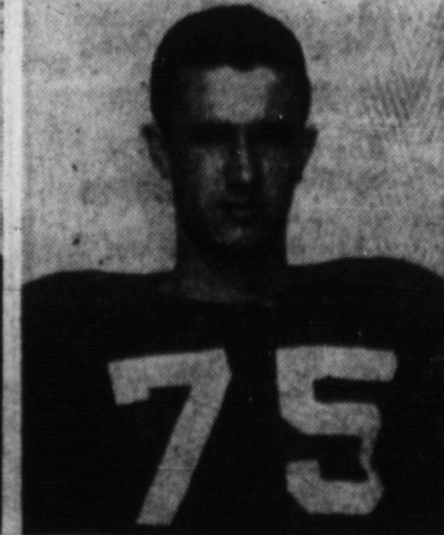

The county expects to trade in an old Caterpillar RD7 tractor and Adams 5-CY scraper on the equipment and pay cash on the difference.

Mrs. Minnie Parker, who recently broke her right leg and the left side of her pelvis, is improving nicely in Tahoka Hospital.

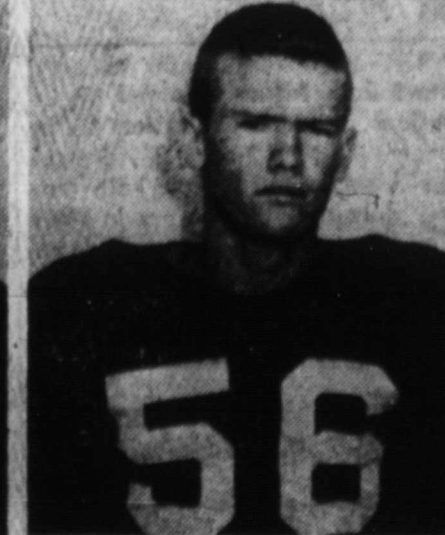

Meet The Tahoka Bulldogs

School Enrollment Shows Increase Of 52 Students Over Same Date 1955

The enrollment in the Tahoka school has surpassed the number registered last year at the same time, according to John Shepherd, high school principal.

This week the schools had enrolled a total of 843 students, as compared to 821 registered last week. The increase is due largely, to students who registered late in South Elementary school, which houses the first, second and third grades.

Last year on Sept. 12, Tahoka schools had enrolled 791 students. Although the increase will not help the local schools financially this year, Shepherd said that it will be of benefit next year if the school can hold the present enrollment.

John Thomas Is Death Victim

John Thomas, former state representative of this district and resident of Tahoka, died last Friday night in a Houston hospital following an illness of about two or three months.

Funeral services were conducted by his great-nephew, Rev. Thomas in Sulphur Springs where he had been living about 15 years. Burial was in Sulphur Springs.

Mr. Thomas was the cousin of A. I. Thomas and the late Clifford and Otho Thomas. While living in Tahoka he worked in the Thomas Brothers Drug Store for many years.

He was also the father of the late Aubrey Thomas, husband of Mrs. Lola Donaldson Thomas. Survivors include his wife, and two sons, Hugh and Clyde, both of Houston, and two grandchildren.

E. C. Jones, father of V. F. Jones, who has been seriously ill, is now reported to be showing steady improvement.

Asphalt Coated Pick Sacks Are Cotton Hazard

Local cotton men warn farm operators that they should check to see that hands do not use asphalt coated pick sacks or asphalt covered gloves.

Such asphalt flakes off in the wagon, gets in cotton, and causes tar spots.

Cotton mills are now checking to see what parts of the country such cotton is coming from, and cotton from an entire area faces the prospect of being rejected by the mills.

Importance of this can not be over-emphasized, The News is informed.

Lynn county growers, if they permit their hands to use cotton sacks on which the underside is coated with asphalt to prevent wear, face the possibility of losing their market for cotton.

Business men selling such sacks are also asked to cooperate by shipping any such sacks they have on hand back to their suppliers, as use of such sacks in the territory can vitally affect the entire industry, farmers, and local business interests.

JOE BOVELL UNDERGOES ANOTHER OPERATION

T. J. (Joe) Bovell is reported to be recovering from major surgery performed in a Lamesa hospital Thursday of last week.

He was stricken ill Wednesday of last week and carried to the Hospital. Doctors operated for removal of a stomach ulcer and also the appendix. It was feared he had a cancer, but a report from the State laboratory received Saturday was that there was no cancer.

Mrs. Bovell states they now have hopes of his complete recovery.

T-Bar Country Club Nearing Completion

Activities at T-Bar Country Club the past week have been many and varied.

Finishing touches are being put on a beautiful little club house which overlooks, from the hill, the nine-hole grass greens golf course.

No. 8 and 9 greens have been put into use since last Thursday. Wednesday, a professional golfer was hired to operate the club house and care for the course. He is David Ramirez, greenskeeper at the 18-hole Plainview Country Club for the past 10 years, who is

turning pro. Ramirez will move here this week end. He is married and has three children, in the first, seventh, and tenth grades. He is a Class C pro, an experienced golfer, and is qualified to give lessons. He will take over the work on the course which G. S. Perez has been doing. Perez is quitting to run his cafe.

Saturday night, ninety people turned out for the Club's first family picnic night, when supper was spread on the spacious terrace in front of the club house.

This week, qualifying for the first annual golf tournament got underway. Up to Thursday morning, 43 men had turned in qualifying scores, and Sunday is the last day to qualify. Lester Streech says there will be six flights, and handsome trophies will be presented to the winner, runner-up, and consolation winner in each flight. First match is Sept. 17 through 19, Second Sept. 20 through 23, and all finals Sept. 23.

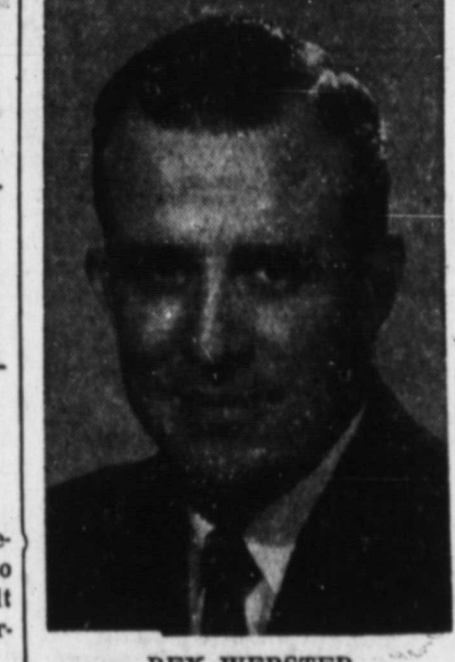

The women also have their first tournament underway, and 17 women had qualified through Wednesday, with Saturday the last day to qualify. The Medal Play tournament in two flights will be run off this Sunday afternoon.

Wednesday evening, the Women organized a Woman's Association of the Country Club to sponsor various activities for women, young people, and children, an account of which is found elsewhere in this issue.

Last week, Jack Robinson Drilling Co. donated the drilling of an additional irrigation well, but the hole caved in and the well lost before completed. He says Leslie McNeely will clean out one of the abandoned wells and move a pump to it.

The new club house, 60 by 40 feet, has been tastefully decorated by Mrs. Charles Verner and helpers, and new furniture installed.

E. L. Short and helpers put on the last coat of white stucco Wednesday. (Cont'd. On Back Page)

Rotary-Teacher Banquet Is Set

The Tahoka Rotary Club will entertain the faculty of the local public schools, the school board members, and Rotary Anns at their annual banquet Thursday night, Sept. 20, at 7:30 o'clock in the school cafeteria.

Purpose of the banquet is for the local Rotarians and wives to get acquainted with the teachers, John Reasonover, president, said.

Rex Webster, Governor of District 183, Rotary International, will give the principal address. Webster is president of the Great Plains Life Insurance Co. whose home office is located in the Great Plains Life Building at Lubbock. He is an active civic leader in Lubbock and is a deacon in the Baptist Church.

Reasonover says that he is one of the most personable, likeable and wholesome young Rotarians in the district and expects those attending to be inspired by his speech.

Fellowship and dinner will be from 7:30 to 8:00 p. m. with food service beginning promptly at 7:45 p. m.

New Home Show Is Monday Night

Eleven acts had been entered early this week for the New Home Community Talent Show which will be staged Monday night at 7:30 p. m. on the Leopard football field.

The entries give promise of a big evening of entertainment, and others are expected to enter the show before Monday.

Joe D. Unfred will act as master of ceremonies.

The show is being sponsored by the Community Progress Committee headed by E. R. Blakney. If the weather turns out bad, the show will move to the gymnasium.

MRS. D. J. PENNINGTON FALLS, BREAKS HIP

Mrs. D. J. Pennington, 76, fell and broke her left hip bone Saturday morning at about 8:00 o'clock at her home on South First Street.

She is reported in good condition at Tahoka Hospital, where she is a patient. Mrs. Pennington has been in ill health for some time.

Seek Easements For 4-Lane Road

Mrs. Beatrice McLaurin, Commissioner of Precinct 3, told The News Monday she has started work of securing right-of-way for the proposed four-lane, divided highway from the Dawson county line west of O'Donnell to a point about two miles south of Tahoka along US 87.

She already has several right-of-way easements signed and several have indicated they will sign up.

The project is a unit of the State and Federal governments' program of making US 87 a four-lane highway from Big Spring north.

Cooperation of property owners is asked on the project, since money for the project is available now and engineering can start when the additional right-of-way is secured.

Youth Enrolls In School For Deaf

Barry Henson, 14 year old son of Mr. and Mrs. Bill McGlaun, will enter the school for the deaf in Austin Oct. 15. He will begin his seventh year in the school and has five more years to go.

Barry is being trained as a baker, although many fields of trade are offered at the school, such as mechanics, etc. The students choose the trade they wish to study and when they graduate are qualified to enter the trade of their choice.

He is also a Boy Scout in troop 43, and will begin his second year in the organization this fall. Mr. McGlaun says that the students are taken to church each Sunday, both outside the grounds and on the school campus.

Lynn County Soil Conservation District News

K. E. MOORE ELLIS BARNES
O. E. TERRY W. E. DUBREE
ETAGER BLANKENSHIP

Engineers of the Soil Conservation Service obtained information on a waterway for Glenn Norman on the Duckworth farm east of Tahoka. Cross sections and a profile of this drainage way will be used to design the waterway. Terraces will be stopped near the waterway and the design information will be used to install a system of maximum safety. Glenn plans to drill the waterway to close growing crops to aid in reducing water erosion.

Joe D. Unfred is installing additional land borders on his farm west of New Home. Personnel of the local Soil Conservation Service office laid out the guide lines, and Joe D. will work on the borders to have a system that will make maximum use of irrigation water and hold all possible rainfall.

The board of Supervisors met last Friday afternoon on their regular monthly meeting date. Nine soil and water conservation plans were approved. These plans included dry and irrigated farmland where legumes in the crop rotation for soil improvement was given considerable emphasis. Some of these plans include different perennial grasses for seed pro-

duction as well as grazing. Other plans were on rough land where brush control and seeding of rangeland to adapted grasses is planned.

The supervisors discussed the treatment practices that are to be recommended for the 1957 A. S. C. Handbook.

Arrangements are to be made by the board for the election of a Supervisor in sub-division three of the District which is the southeast part, centering around Draw, and to be held on October 2nd.

Odds and Ends

(By E. I. The Elder)

The Fort Worth Star-Telegram in its issue of August 30 published an editorial which it might be well for every member of the Congress of the United States, every Cabinet member, the governor of every state in this Union, and every political leader in this country to read; for it deals with the fundamentals of government and it might modify the thinking of some. Most certainly would it enlighten many on the doctrine of "State's Rights," and lead them to see that the South's attitude on this important matter is based on sound political and governmental principles. The editorial follows, without quotation marks.

BAR HEAD WARNS OF SURRENDER OF LIBERTY

An able exposition of the American political system, which is founded upon the dignity, worth and integrity of the individual, was given by E. Smythe Gambrell of Atlanta, Ga., president of the American Bar Association, at its session in Dallas.

The creators of that system, he explained, intended that the national government should not do what the states can do, that no state should do what local government can do, and that no government should do what a man can do for himself. Thus, states' rights are not academic principles but realities for preserving rights, freedoms and benefits for the individual, who is the cornerstone of representative democracy.

The U. S. Constitution and state constitutions intended that the individual should be supreme, a principle affirmed by the Bill of Rights and notably by the 10th Amendment reserving to the

states all rights not specifically delegated to the federal government or prohibited to the states by the Constitution. But the ABA president warned that these basic rights have been eroded away gradually by "reckless use of war powers, the power over interstate commerce, the power to tax and the power to spend for the unlimited aggrandizement of centralized authority."

The desire for security, economic and otherwise, has been the incentive for this surrender of rights to a central government which in recent years has had the convenience of a sympathetic Supreme Court. That phase of the process of centralization should not be overlooked in any part of the country.

Mr. Gambrell pointed out that every crumb of aid from a central government is at the cost of individual liberties, because aid and control are inseparable in such instances. He cautioned that to the extent that we permit ourselves to become dependent upon government we defeat the very meaning of democracy and "permit government to rule rather than serve the individual."

"By every step we take toward making the government caretaker of our lives," he reminded, "we move toward making it our master."

The increasing power of central government is no fantasy but is evident on every side. The ultimate in the process is evident in the tyrannies of Europe and Asia. That centralized government has its inception in benevolence does not mean that it will remain benevolent. Further, such munificence to the people, financed from their own taxes, often takes the form of political bribery of minorities.

That centralized government has its inception in benevolence does not mean that it will remain benevolent. Further, such munificence to the people, financed from their own taxes, often takes the form of political bribery of minorities. Thus states' rights should be meaningful to all free people in this country.

"If It's In The Feed or Grain Line, We Have It!"

and integration are so distasteful to millions of people in this country and especially in the Southern States, that serious attempts to enforce these decisions will obviously be attended by riots and bloodshed.

How much better would it have been if the Supreme Court had followed the decisions of that high tribunal for the past fifty years and had ruled only that equal educational facilities and opportunities should be furnished to the white and colored races in this country? In ruling as it did, whether it violated the Federal Constitution or not, it certainly did bring about further concentration of power in the Federal Government and strike a blow at the doctrine of "States' Rights."

Thus it took another long step toward the conversion of this government from a Democratic Republic, into an all-powerful, centralized Autocracy. Most autocracies are benevolent to start with but often they speedily become tyrannical.

We think that both the Democratic and the Republican parties are rapidly drifting toward the Maelstrom of Autocracy. Hence we believe that Congress should re-define and limit the powers of the U. S. Supreme Court.

On the other hand, we believe that the rendering of these decisions, so distasteful to millions of our people, have stirred up more ill feeling between the races than can be stamped out in any single generation, and is creating a spirit of mob-rule and lawlessness which tends to destroy all organized government. We therefore deprecate the mobs which have formed at Mansfield, Texas, and at Clinton, Tennessee, to resist the enforcement of the law, even though the law may be unjust. We are against mob law, we hope that no other examples of lawlessness will occur in all the South. We therefore commend the action of Governor Shivers in sending armed guards to Mansfield to protect colored students against mob violence and his other wise order that the colored pupils in that school district be transferred to other districts where their enrollment in the school will not be locally objectionable.

But how much better it would have been if the Federal authorities would permit them to enroll and enlist in school buildings already provided for them and under the instruction of the most capable colored teachers available!

At all events, the NAACP should be outlawed and ordered to keep its nose out of Texas affairs.

Whether the recent decisions of the U. S. Supreme Court violate the Constitution or not, they certainly do violate these fundamental principles of democratic government as set forth by the president of the American Bar Association; and these violations of true democratic principles has gotten the people of many of the states and even the Federal Government into a peck of trouble. By ignoring the principle of "States' Rights," and undertaking to abolish segregation and compelling the people of the white and colored races to accept integration, the Federal Government itself must now enforce these regulations or turn over to the states the task of enforcing Federal laws.

In either case, de-segregation

Speech Correction Topic of Talk By Deanie Edwards At Rotary Club

"Speech Correction" was the subject of a very interesting talk by Miss Deanie Edwards, daughter of Mr. and Mrs. E. R. Edwards and a student in Texas Tech, at Tahoka Rotary Club Thursday noon of last week.

Miss Edwards is making a study of speech defects and speech therapy and already is putting her knowledge to practical use by working with children with speech defects. In her talk, she convinced her audience that she was thoroughly familiar with her subject.

Remarkable progress is being made in teaching children with speech defects to talk normally.

Speech defects come because of malformation, in many cases of the tongue, teeth, and palate. Many of these are caused by improper pre-natal development, and sometimes can be corrected by operations or treatment. Where there is a hard or soft palate, an artificial palate can be put in the child's mouth, and then the speech therapy begun. Other organic difficulties are from cerebral palsy, brain injuries, and mental deficiencies.

Inorganic difficulties include "baby talk," lispings, and stuttering. Since a child's mouth muscles do not develop entirely until about the age of seven, some parents become unduly alarmed when they find their children do not seem to talk properly.

The speech therapist seeks out the child's difficulty and teaches the child rhythm and smoothness in its speech. In the case of hard-hearing, and one out of eight children have hearing difficulties, lip reading is taught.

Long hours of patient instruction are sometimes required to straighten out a child's speech, but most of those who go through life with a speech ailment could be corrected.

The speaker was introduced by

Maurice Small, who arranged the program for the day. Program chairman for the month are Herman Heck and Hubert Eudy.

Herb Carter announced individual Rotarians this year will introduce the Junior Rotarians each week, and Harold Green introduced Kent Gibson and Wynne Collier, Jimmy Harter, both Tahoka High senior boys.

Miss Mariana McGinty, club sweetheart for four years, reported briefly on her work this summer in a girl's camp near Sussex, New Jersey. While there she was entertained in the homes of several Rotarians of Sussex, and through her connection with Rotary was afforded the privilege of visiting most of that state.

Miss Ann Reasonover thanked the Club for courtesies extended her while serving as club sweetheart, ending her service in this capacity to enter McMurry College, Abilene. Miss Jan Collier, the new sweetheart, was present for her first time to serve officially as sweetheart.

Both the Army and Navy division of the Club attendance contest reported 100 percent attendance for the month of August, and the contest is being continued until a winner is determined—or someone misses a Rotary meeting without making up at some other club within the week.

David Hammonds Discharged, Home

David Hammonds has returned home with his discharge from the Army. He arrived here Monday night, after spending three years in the service. His brother, Edgar, is home on a 20-day leave from Fort Benning, Georgia, where David received his discharge. Both boys have been in aviation in the Army.

Edgar, at the end of his leave, will report to Ft. Campbell, Kentucky, and has two more years in the service. David will return to Columbus, Ga., where he will be manager of an ice-skating rink.

MISS JOYCE VERKAMP RETURNS TO COLLEGE

After spending the summer with her parents, Miss Joyce Verkamp of Wilson has returned to Our Lady of the Lake College in San Antonio, where she is a sophomore.

A few days before she returned to school, she and her family, Mr. and Mrs. S. H. Verkamp spent a week in Tuscon, Ariz., visiting her brother-in-law and sister, Lt. and Mrs. Elroy Sinnacher.

Miss Mary Greener of Levelland spent Monday visiting Joyce.

MRS. EARL MORRIS Correspondent

Mrs. Royce Josey, the former Miss Sherry Taylor, was complimented with a miscellaneous shower last Wednesday afternoon in the home of Mrs. Alfred Basinger. The serving table was laid with a white crocheted table cloth over pink, with a center piece of pink dahlias, carrying out the bride's chosen colors.

Refreshments of cake and punch were served to 49 guests. Plate favors were tiny quarters used as napkin rings. The hostess list was composed of Mrs. Aubrey McNeely, Mrs. Jack Myers, Mrs. T. L. Weaver, Mrs. John Flemming, Mrs. Leonard Anderson, Mrs. Bill Halliburton, Mrs. Howton Haire, Mrs. Heywood Basinger, Mrs. Bill Baker, Mrs. Jack Hargrave, Mrs. Pat Taylor, Mrs. Ophie Cooper, Mrs. Don Pennell and Mrs. Basinger. They presented Mrs. Josey with a mix master. The ladies all remained through the opening of the gifts. Guests were from Lubbock, Slaton and Post.

Mr. and Mrs. Max Jackson and Don visited relatives in Leonard over the weekend.

Mr. and Mrs. Sam Martin spent the weekend with their son-in-law and family near Spade. On their return home they visited her sister, Mrs. B. N. Billingsley and Mr. Billingsley in Lubbock. The Martin's son is fixing to operate a chicken farm having ordered some 1400 chicks to be delivered in October.

Mr. and Mrs. G. L. Ingle of Fort Worth visited his sister and family, the Wm. Lesters last weekend.

Mr. and Mrs. Ed Milliken are reporting the birth of a great grandson, Joe Bob Henderson, born Aug. 28. The father is in the Army. The mother is the former Joan Milliken, daughter of Mr. and Mrs. Don Milliken.

Mr. and Mrs. Troy Bruster and daughter have returned from Canveze, N. M., where he conducted a meeting in the Church of Christ at that place. They also visited his brother and family, Milton Bruster at Alamogordo, New Mexico.

Mr. and Mrs. O. W. Quisenberry recently attended family reunions in East Texas. He attended the Quisenberry reunion in a Park at Greenville. Mrs. Quisenberry attended her family, the Roberson reunion, at Heath.

Mr. and Mrs. Fred Davidson and Louise were weekend visitors of the Wm. Castros in Quanah, Texas.

The H. G. Seals family spent the weekend fishing at Possum Kingdom.

Recent visitors in the Alfred Basinger home were a son and family, the "Tuny" Basingers of Seagraves, and a nephew and wife, Mr. and Mrs. Jerry Anthony of Plains, Mr. and Mrs. Will Basinger, Mr. and Mrs. Heywood Basinger.

Miss Lou Ella Gary of Columbus, N. M., visited her grandparents, the Earl Morris last Saturday. Miss Gary was on her way to Plainview where she will be a freshman in Wayland College.

Mr. and Mrs. Troy Bruster and daughters were Monday night guests of his grandfather, J. B. Hudman in Post.

Mr. and Mrs. Wm. Lester visited his sister, Mrs. Ella Stiles in Lubbock Sunday afternoon.

The Harley Martin family visited his brother the Blanton Martin family last Monday.

Ben Wood of Abilene was a recent guest of his brother, Riley Wood.

Mr. and Mrs. Jonah Holoman of Fort Worth were weekend guests in the Edgar Mosley home. Warren Lancaster of Stephenville visited his brother and family, the Earl Lancasters, last week.

Mr. and Mrs. M. M. Bruster are visiting a son and family, Mr. and Mrs. Melton Bruster and children of Alamogordo, N. M.

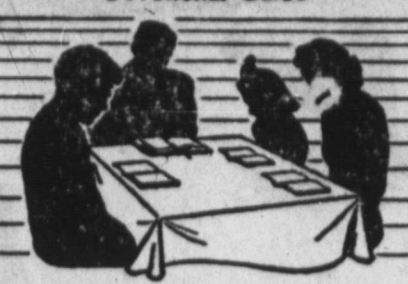

Maurice Morris who had a major operation in Dallas some two and one-half years ago entered a hospital in Houston last week where the doctors found a live serious germ that prevented the wound from healing entirely. Drs. say this was the first case of this kind on record.

Today, U. S. producing wells turn out more than 6 million barrels of petroleum daily—almost three times the volume produced 25 years ago.

Today's MEDITATION

The Upper Room

Be ye therefore perfect, even as your Father which is in heaven is perfect. (Matthew 5:48.)

To be perfect is so sublime a goal that instead of kindling our enthusiasm it sometimes slows down vigilance, deadens the spirit, un-nerves the will. The goal appears so inaccessible we think the best thing to do is to turn our eyes from such heights.

It is no easy task for us to fulfill our Master's word, "Be ye perfect, even as your Father which is in heaven is perfect." We can accomplish it, however, if we strive to be perfect on the plane of sonship as God is perfect on the plan of fatherhood. Our doubts disappear and hope returns in the light of a truth which is not impossible for us to attain.

It is not enough for us to consider the majesty and power and greatness of God. We are to seek the Lord with all diligence and lay claim to sonship with the Father through Christ Jesus, our Redeemer.

PRAYER

O Lord, our goal is to be perfect in Thee. In our own strength we can never achieve this blessed hope. We come to Thee. Guard and guide our thoughts that Thy strength may be made perfect in weakness. In the name of Christ, in whom we have hope of achieving perfection. Amen.

THOUGHT FOR THE DAY
Christ equips us with everything good in order that we may do His will.

Bulldogs Lose First Game To Cowboys

Tahoka Bulldogs of District 2-AA lost their opening game here last Friday night to the Plains Cowboys of District 5-A by a score of 13 to 6.

Most of the way, the Bulldogs played good ball and outplayed the Cowboys, but games are still decided on the final score and not on game statistics. Even at that, most fans were pleased with the showing of the Bulldogs and have hopes that they will win some games this year in spite of the fact that there are only two returning starters from last year's team.

STATISTICS		Tahoka	Plains

7 for 63	Passes Com.	6 for 76	
4	Passes incomplete	4	
0	Had intercepted	2	
1 for 28	Punts, yds. avg.	3 for 41	
4 of 6	Fumbles lost	1 of 4	

Tahoka an experienced and rugged squad. Their starters outweighed the Bulldogs 169 to 158 pounds.

Tahoka kicked to Plains, and the Cowboys marched 65 yards for the first score of the line and raced three minutes old. Two passes totaling 48 yards and four running plays set the ball up for Quarterback H. Smith's two yard sneak over the middle and Halfback D. Rowland kicked the extra point.

Tahoka scored on the first play of the fourth quarter when Fullback Don Renfro broke through the center of the line and raced 27 yards for the touchdown. Quarterback Karl Prohl's attempted place kick was blocked. Prohl had set up the score on his second interception of a Plains pass late in the third period.

On the kickoff, with Prohl and Halfback Harter out of the line-up for a little rest, Tahoka's Tackle Larry Simmons kicked off to the Plains 21. Plains Fullback J. Overton gathered the ball in and raced up the west sideline 79 yards to score the visitors' second and clinching score.

The Bulldogs muffed several possible chances to score, four potential drives being stopped when Tahoka lost the ball on fumbles and two others when they failed by inches to make it a first down.

Whereas the defense was lax in the first Cowboy drive, the Bulldogs then tightened up, and except for the lapse that allowed the second touchdown, played fine defensive ball. The offense also looked good. Prohl carried 16 times for 87 yards, Halfback W. H. Mc-

Wilson Is Winner Over Amherst

Wilson Mustangs journey to Ropesville for a game tonight with the Eagles, conference game.

The Mustangs started off the new 1956 football season Friday night with a 19 to 6 victory over the Amherst Bulldogs before a big home crowd in the newly-completed Wilson stadium. The Class A Mustangs went to regional last year before suffering their only defeat of the 1955 season.

Fullback Dewey Corley was the warhorse who led the Mustangs in their opening victory. Corley scored all three touchdowns. In the second quarter, he plowed through the middle of the line 15 yards to score. In the third, he ran seven yards to pay-dirt. Again in the third, with Wilson on the Amherst 12, Corley caught a pass from Kenneth Hanes, quarterback. Hanes then passed to "Butch" Behrend for the extra point.

Amherst's only score was in the first period when a Bulldog raced 80 yards to the goal line.

O'Donnell Opens Season Tonight

O'Donnell Eagles, operating under new coaches, open their 1956 football season at Cooper tonight, and will play the Tahoka Bulldogs here Friday night of next week.

With the best prospects in several years, O'Donnell hopes to get back in the victory column this year.

New coach of the Eagles is Joe Palmer, a great athlete at O'Donnell High School and in college at New Mexico Western of Silver City. He is assisted by another new coach, Bob Agnew, co-captain with Palmer at New Mexico college.

There are a host of lettermen returning this year.

The Eagle offense this year will likely be built around Leo Bairington, a native of Tahoka, weighing 177 pounds, and one of the top backs in Class A last year. Other backs include Levi Modisette, 144, Mack Forbes, 135, Charles Gass, 156, Johnny McLaurin, 192, Ben Richbourg, 135, and Tommy McHurin, 121.

Lettermen guards are Johnny Billingsley, 142, Ted Franklin, 150, Jerry Gass, 142, Maurice Jackson, 140, Jackie Wheat, 149.

Tackles lettering last year include Melvin Proctor, 175, and Hamp Thompson, 195.

Dan Seely, 135, is the returning letterman at center, but Tony Amaro, 250-pound senior, is available.

Following is the O'Donnell schedule:
Sept. 14, Cooper there.
Sept. 21, Tahoka there.
Sept. 28, Post at O'Donnell.
Oct. 5, Stanton at O'Donnell.
Oct. 12, Coahoma there.
Oct. 19, Sundown at O'Donnell.
Sept. 26, Plains at O'Donnell.
Nov. 2, Frenship at O'Donnell.
Nov. 9, Seagraves there.
Nov. 16, Ropesville there.

New Home Win Season Opener

New Home Leopards opened their 1956 football season Friday night at home with a 7 to 0 victory over the Hart Longhorns.

The Leopards entertain the Frenship Tigef's tonight on the New Home field.

The only score came in the last two minutes of the game, when New Home pushed downfield and Fullback Jimmy Dean went the last five yards to break the 0-0 tie. Quarterback C. L. Rogers bulldozed through center for the conversion.

The two teams had see-sawed back and forth until the climax, with potential drives ruined by frequent fumbles.

Wesley Dean and Wendell Morrow held down in stout defensive games at the guard positions for the victors.

Miss Dorothy Ann Taylor, Jerry Williams Exchange Wedding Vows at New Home

Miss Dorothy Ann Taylor, daughter of Mr. and Mrs. L. F. Taylor of New Home, and Jerry Dean Williams, son of Mr. and Mrs. Carl Williams, were united in marriage in candlelight vows read Saturday night at 8:00 o'clock in the New Home Baptist Church.

Rev. Robert Clements read the double-ring ceremony before an altar decked with a sunburst arrangement of white gladioli and chrysanthemums in a setting of tropical foliage.

Boswell Edwards sang "Walk Hand in Hand," Sylvia Edwards sang "Wedding Prayer" and Peggy Hemmeline and Donna Joines sang "Whither Thou Goest." They were accompanied by Mrs. Wayne Kelley of Lubbock, who also played traditional wedding marches.

Given in marriage by her father, the bride wore a street length dress of white cotton lace fashioned with a scoop neckline and elongated bodice from which stemmed a full skirt of unpressed pleats. A jacket of matching lace complemented the gown and was styled with three quarter length sleeves.

Her veil of net fell from a tiara of seed pearls and iridescent sequins to fingertip length. She carried a prayer book topped with an arrangement of gardenias and pink roses.

Miss Sue Taylor was her sister's maid of honor. She wore a street length dress of mauve crystalline. Miss Ann Patterson, Mrs. G. K. Reading and Mrs. Charles Hyles were bridesmaids and wore identical dresses of aqua crystalline and carried pink asters and carnations.

Candle lighters were Misses Betty Taylor, sister of the bride,

and Patricia Ann Williams, sister of the bridegroom. Their dresses were identical to that worn by the maid of honor.

Jimmy Harter served the bridegroom as best man. Ushers were Jimmy Riney of Wilson, cousin of the bride, and Donald Williams, brother of the bridegroom.

A reception was held following the ceremony in the home of Mrs. Harold Crooks. The bridal table was covered with white linen and complemented with a tiered wedding cake.

Following a short wedding trip, the couple will live in Lubbock.

The bride is a graduate of New Home High School and attended Texas Tech.

The bridegroom, a graduate of Tahoka High School, is employed with Lubbock Equipment and Supply Co.

Two THS Classes Elect Officers

Two classes in Tahoka High School this week elected officers for the coming year.

The Senior Class elected Lendell Norman as its president; Jimmy Harter, vice-president; Wilma Scott, secretary; Johnce Clem, treasurer; Lynn Strickland, parliamentarian; and Carolyn Duckett, reporter. Mrs. Lillian Bartley and Floyd Tubb are sponsors of the class.

The Sophomore Class chose Benny Martin president; Jerry Adams, vice president; Edwin Overstreet, secretary-treasurer; and LaRhea Greathouse, reporter. Sponsors are Don Wortham and Bill Haralson.

Mr. and Mrs. Shorty McNeely and Tom of San Angelo have been here part of this week visiting their parents, Mr. and Mrs. Harley Henderson and Mr. and Mrs. Bill McNeely.

Miss Mariana McGinty, daughter of Mr. and Mrs. Fred McGinty, left Tuesday for Abilene to re-enter Abilene Christian College as a sophomore.

Dance At Lubbock Cavalcade of Homes

Miss Yvonne Nettles, daughter of Mr. and Mrs. Leroy Nettles of New Home, and Doyle Parker, son of Mr. and Mrs. Dea Parker, will dance at Homorama, the second annual Cavalcade of Homes, in Lubbock the evenings of Sept. 16, 18 and 20. They will be a part of Jay Drennon's show during the evening's entertainment. They will present four dances together and Doyle will give one dance alone.

Miss Maxine West and Lynn Halamiciek Are Married In Ceremony Read At Taylor

Miss Maxine West became the bride of Lynn Halamiciek in vows read Friday, Sept. 7, at 7:30 p. m. in the Baptist parsonage in Taylor. The bride is the daughter of Mr. and Mrs. M. C. West of Taylor. Parents of the bridegroom are Mr. and Mrs. Paul Halamiciek, Sr. of Tahoka.

The bride wore a ballerina-length gown of lace over satin. Her fingertip veil of illusion descended from a matching tiara, and she carried a bridal bouquet of white carnations.

Miss Reba West was her sister's maid of honor and wore a ballerina-length gown of blue crystalline and carried a bouquet of blue summer flowers.

Serving his brother as best man was Paul Halamiciek, Jr.

Following the wedding ceremony a reception was held in the home of the bride's parents, where her table was laid with a white cloth centered by a floral arrangement and flanked by the wedding cake and punch bowl.

The bride is a graduate of Taylor High School and is employed in Austin in office work.

The bridegroom is a 1952 gradu-

ate of Tahoka High School and is attending Texas University. Following a wedding trip to Fulton Beach, the couple will be at home at 1804 Linscomb Ave. in Austin.

Couple Celebrate 52nd Anniversary

Mr. and Mrs. G. E. Murray of Brownwood, here visiting a daughter, Mrs. W. O. Davis, celebrated their 52nd wedding anniversary Wednesday of last week.

The Murrays lived in Coleman county most of their lives but recently moved to Brownwood. They have ten living children.

Mr. and Mrs. Davis celebrated their 52nd wedding anniversary Wednesday of this week.

Mr. Murray has undergone three major operations in recent years and can talk only through use of vibrators.

The Teen Age Library Chapter Elects

The Teen Age Library Association chapter of Tahoka High School has elected officers for the coming year.

President is Don Renfro; vice-president, Wilma Scott; secretary, Jan Collier; and reporter, Linda Williams. Mrs. Paul Pittman is sponsor.

The club is affiliated with District I and the State organization. Students must work in the high school library to be eligible for club membership.

Cafeteria Menus For Next Week

Monday: Pork and noodles, buttered broccoli, rice pudding with pineapple, butter, milk, whole wheat bread.

Tuesday: Pinto beans with ham, buttered greens, cheese and macaroni, carrot sticks, corn bread, butter, orange halves, milk.

Wednesday: Hamburgers, tomatoes, onions, lettuce, baked potatoes with cheese, fruit jello, milk.

Jerrie LeMond, daughter of Mr. and Mrs. Roy LeMond of Grassland, returned this week to Abilene to begin her second year of study in McMurry College.

Miss Ann Reasonover, daughter of Mr. and Mrs. Johnny Reasonover, left Monday to enter McMurry College as a freshman.

Kenneth Huffaker, Sonja Sooter Wed

The Rev. W. F. Ferguson of Lubbock, performed a double ring ceremony Friday night at 8:00 o'clock in First Methodist Church, at Slaton uniting Miss Sonja Dell Sooter and Kenneth Eugene Huffaker.

The couple's parents are Mr. and Mrs. Virgil Smith and Mr. and Mrs. H. E. Huffaker, all of Rt. 3, Post.

Members of the wedding party stood before an archway of greenery inter woven with silver-leaves lighted by cathedral tapers. Traditional wedding selections were given by Mrs. Webber Williams, who accompanied Tracy Crawford as he sang "At Dawning" and "The Lord's Prayer."

The bride's father gave her in marriage. She wore an original gown of imported lace and pure silk taffeta in a soft shade of ivory. Designed with a portrait neckline framed with scalloped lace held with a band of tulle, the fitted taffeta bodice had applied lace over the bustline, tiny lace sleeves completed by gauntlets worn over the hands and a midriff of taffeta which was accented with a point at center front waistline. From this stemmed a skirt of fully shirred taffeta outlined with scalloped applique of lace in a redingote effect over a lace panel at center front. It extended to a long train at the back outlined with applied lace extending from the waistline.

Her veil of illusion fell to below fingertip length from a cap of seed pearls. She carried a white orchid surrounded by pink sweetroses.

Maid of honor, Miss Jeanette Burrell, and bridesmaids, Misses Viola Walton and Carol Ann Mann were attired in full length gowns of blue taffeta with softly shirred skirts ending in ruffles. They wore tiny half hats with nose veil of tulle and carried single pink rosebuds with silver stems and leaves tied with pink satin. Misses Walton and Mann also lighted candles.

Sharla Kim Huffaker, niece of the bridegroom from Tahoka, and Kathy King were flower girls. They wore dresses of pink and blue taffeta. Randy Mullins of

Band Mothers Seek Lost Suits

The Band Mothers Club in its meeting Tuesday night made inventory of band suits and are making a plea for the return of those that were found missing.

The club is asking parents of those band members who have graduated to check and find out if suits used by them have been returned. The mothers will pick up any suit that can not be brought to the Band Hall, if such parents will contact Director Don Wortham.

The group also made plans to purchase new hats for the entire band to replace the old ones that are swiftly becoming dilapidated. Many of them are in such bad shape that they are being held together with pins and sometimes nails. Mrs. Rollin McCord, reporter, said.

The total cost of the hats will be \$750.00 and donations are being asked to help defray the expenses. Representatives of a company that will make the hats have guaranteed delivery before the first band contest to be held sometime in October.

Mrs. Wilma Davis was elected social committee chairman to work with Mrs. Paul Halameick in planning entertainment for the Bulldog Band during the year. Mrs. Jack Adams is president of the organization.

New Home Pep Squad Is Active

BY SUE TAYLOR
Pet Squad Reporter
Last Friday night was a happy time for New Home. We started the season well by trampling Hart 7-0.

The boys played well and were supported, as always, by the pep squad.

Besides the usual cheering, the group initiated several new yells and performed on the field at half-time.

Led by the majorettes and cheerleaders, the girls formed an "X" in the center of the field. They gave a "Fight" yell directed to the Leopard team and welcomed the Longhorns with another.

Tonight Sept. 14, Frenship will play the Leopards on the New Home field. We are looking forward to adding another victory to our growing collection.

Come out and watch the game and also the half-time activities.

United Fund Is Being Studied

Three Tahokans attended a clinic on organization of a Community Chest, or United Fund, held in Big Spring, Friday afternoon under sponsorship of the West Texas Chamber of Commerce.

Those from here were Herman Heck, Tahoka Chamber of Commerce president, Johnny Reasonover, vice-president, and H. W. Carter, a member.

Dan Eddy of the Salvation Army headquarters in Dallas conducted the clinic, in which operation of the Community Chest was explained. He offered to come to Lynn county for a similar meeting to help set up an organization here, if the people desire it.

The local Chamber of Commerce has proposed to help with the organization of the Community Chest for the county to cut down on the number of drives for charitable organizations by uniting them into one big annual drive, if sufficient people are interested.

Breeder Hen Project Possible

Dale Thuren says Lynn county has an opportunity to get a breeder hen project and also a hatchery, either or both of which could mean much to farming interests.

Tuesday night he attended a meeting in Lubbock called by representatives of Western Hatcheries, Inc., with headquarters in Dallas, who declared they expect to put down 50,000 breeder hens in this territory in November.

The men will be in Tahoka Tuesday, Oct. 2, at 2:00 p. m. for a meeting with interested farmers in the court house.

According to their proposal, the farmer would be required to build suitable housing for the pullets, buy a flock of 600 to 1,000 pullets, care for the hens, and sell the eggs back to Western for hatching purposes at a minimum of 65 cents per dozen, or 20 cents above the Lubbock market for Grade A eggs, whichever price is higher. The company would furnish the roosters free.

Western would hatch the eggs to raise chickens for broiler production.

T-Bar Club Ladies Form Association

About 35 ladies from Grassland, O'Donnell and Tahoka attended a meeting Wednesday afternoon when the T-Bar Country Club Women's Association was organized.

Mrs. O. C. Elliott was elected president of the association; Mrs. Frank Hill, vice president; and Mrs. Johnny Wells, secretary-treasurer. Committee chairmen include Mrs. Lester Stretch, golf; Mrs. Winston Wharton, bridge; Mrs. Rebel Thomas, "42"; and Mrs. Charles Verner, youth.

Ladies day at the club will be held on Tuesday of each week, when members will bring sack lunches. Golfers may play in the mornings as well as afternoons, and bridge, "42", and canasta will begin after the noon meal which will begin at 1:00 p. m.

The first Tuesday in each month has been designed as guest day when invited non-members may attend. Yearly dues are \$2.00 and will be kept aside for use of the Woman's Association only.

Winston Redwine left Friday for Bloomington, Ind. where he will teach piano and theory in the University of Indiana. He will also attend school and will receive his M. A. degree in music there this spring. He had been home for four weeks visiting his mother, Mrs. F. E. Redwine.

Gibson President Student Council

Members of the Student Council for Tahoka High School have been elected and plans are being made for money-making projects of the year.

Officers elected last spring to head the Council include Kett Gibson, president; James Adams vice president; Marilyn Carmack, secretary-treasurer; Richard Brooks, parliamentarian; and Idalia Wood, reporter.

Representatives of each class elected since the fall term begun include Jan Collier and W. H. McNeely, senior class; Betty Vaughn and Marlin Hawthorne, junior class; Linda Milliken and David Bray, sophomore class; Sandra McNeely and Larry Forsythe, freshman class; and Susan Thomas and Buddy Chestnut, eighth grade. Lester Adams is sponsor.

The Council will this year sell luminous Bulldog stickers for car bumpers and blue and white ball-point pens with the inscription "Tahoka Bulldogs" printed on them.

As is the custom, the organization will continue decorating the goal-posts for the fall home football games and will sponsor various other activities throughout the year.

Sam Park . . .

and Grayson counties for ten years then in Cooke County near Gainesville until Nov., 1915, when they moved to New Lynn community of Lynn county.

Sam Park married Leo May Welch, daughter of Mr. and Mrs. J. C. Welch, at Tahoka in 1925. The couple moved to Lamesa in 1932, where he farmed until 1944. After farming a year east of O'Donnell, they moved to Johnson community, west of Brownfield, where he farmed until last year. They lived at Hobbs, N. M., a few months before going to Grady.

He is survived by his wife and three daughters, Mrs. Dean (Lavene) Robinson of Hobbs, Mrs. Shelton (Reba Lois) Land of Austin, and Mrs. Richard (Deon) Morris of Los Alamitos, Calif., and two grandchildren.

Also surviving are two brothers, E. A. (Ed) and T. R. (Rainey) Park of Tahoka, and two sisters, Mrs. Sam Bartley of Tahoka and Mrs. Canna Allen of Sivals Bend, near Gainesville. His father, T. E. Park, died here in September, 1941, and his mother passed away in September, 1948.

He was a veteran of World War I, and served 20 months in France with Rob Luttrell, Ott Patterson, and the late Hansford Tunnell and Marion G. Bradley, and possibly others from Lynn County.

Farmers Now Under Social Security Act

A change of utmost importance to farm landlords in this area was provided in the 1956 amendments to the Social Security Act recently passed by Congress, according to John G. Hutton, manager of the Lubbock district office of the Social Security Administration.

"This provision effective for this year," Hutton said, "makes possible the coverage of both tenant and landlord. The landlord is now covered if he can show that he 'materially participates' in the production or management of the production of farm commodities. Material participation means generally that a landlord furnish advice periodically and consultation as to production of commodities. If the landlord furnished a substantial portion of the machinery and implements or assumes financial responsibility for the growing of the crop other than labor expense, he may be able to show 'material participation.'"

A representative of the Lubbock Social Security Office will be in Tahoka on Sept. 2, 1956 at 9:00 a. m. in the Courthouse and will be glad to assist in all matters pertaining to Social Security.

Lubbock Speaker At Methodist Men

Rev. E. H. Crandall of Lubbock was the speaker at Methodist Men Fellowship held here Monday night in Fellowship Hall.

The topic of Rev. Crandall's speech was "Faith." He was accompanied to Tahoka by Geo. Jones.

Maurice Huffaker and W. H. Eddy were on the food committee and Happy Smith and Maurice Bray were in charge of the program. Tom Gill is president of the organization.

Mr. and Mrs. Joe Kolodzyzyk visited Mr. and Mrs. Emrick Kolodzyzyk and family in Odessa over the week end.

time. Our congratulations to Director Don Wortham for getting the band in such fine shape in so short a time.

Not only was the marching band a credit to our school, but the twirlers and drum major were very good and made everyone proud to claim the band as theirs.

We can hardly wait to see the twirlers in the new uniforms of heavy royal blue satin trimmed with white fur that the Band Mothers Club is buying for them. An appeal for donations is also being made by the organization so that the band's best up hats can be replaced.

America has its many traditions, but one of the most popular is the coffee break. In fact, the English can have their tea—it's no better than our coffee.

And this is no individual opinion either, as you will note if you visit a local drug store or cafe at about that time of day.

This may come as a surprise to you, but we found in a survey of the drug stores and three leading cafes in our fair town, an estimate of 958 cups of coffee are sold each day. This, of course does not count the number of cups consumed in the homes, where about half of our population confines its coffee sipping.

Psychiatrists say the American people are living on nerves. No wonder, we've all got coffee jitters.

Speaking of psychiatrists, two of them met on the street, and one said to the other:

"You're fine; how am I?"

For several weeks, Neely Bray has been nursing some healthy "flower" plants in her back yard. Told of their verdant beauty, Maurice finally went out to look at them and found they were cockleburrs. Not all the joke is on Neely, however. When Maurice went to hoe them down, he also hoed up another "beautiful" plant, which had grown luxuriously in a symmetrical design. Fearing he had hoed up some rare worthwhile plant, he carried three local men up to his house to inspect the plant. The verdict: It was a sand cress weed.

I said to a man that stood at the gate of the year: "Give me a light that I might go safely into the unknown." And he said to me, "Go out into the darkness and put your hand into the hand of God. That shall be better to thee than a light and safer than a knowr way." Author unknown.

Your church has empty pews every Sunday. It will take every one of us to fill them up.

Members of the Senior Class will be knocking at your door. They have started their annual sales of leading magazines to provide funds for the senior trip to be taken next spring.

They can renew your old subscriptions also, and while you are enjoying your magazine you will be helping them too.

Fred Mauhart Leaves Sept. 21

Fred Mauhart, Austrian agriculture student here as a guest of Tahoka Rotary Club, expects to leave for his return trip home Sept. 21.

He hopes to be able to return by way of Chicago and Niagara Falls in the company of Iraj Mas'ud of Persia, who is also an agricultural student in Bonn, Germany visiting in Slaton.

This week Fred is a guest in

the home of H. W. Carter and next week will stay with the Dub Kenley.

He has inspected the agricultural methods in Lynn County, and surrounding territory, and had an opportunity to go to Ruidoso, N. M., El Paso and Colorado.

Fred expects to continue his studies in Vienna this fall and will complete his education there this year.
