STANDING ON THE CORNER

With P. J.

Poverty asked, "Will it cost too much?" Mamon asked, "Will it pay?" And the Scholarship, "Is the measure wise? And are you sure of the way?" Statesmanship, "Can we find the time to finish before the night?" But when the Seeker had heard them all, he only asked, "Is it right?"—Margaret Ogden Bigelow.

We've got a real problem at our house. The alarm clock has been banged around so much that it never goes off at the right time. Nowadays we have to set the alarm at 11:30 so it'll go off at 6:30. It gets kinda confusing sometimes, too. Like the other night we set it at 6:30, got up at 1:30 in the morning and put the coffee on.

Why doesn't someone just cross electric blankets with toasters and pop people out of bed?

Going through the old 1919-20 newspapers, we noticed that at that time the local stores were advertising Cole's original hot blast heaters, Welworth waists, men's corduroy suits, and Dort touring cars for \$985.

Those were the days when you could just glance at a piece of furniture and tell whether it was a chair.

Car stickers you'll be seeing soon.

"Drive safely—the life you save might vote Democratic!"

If you've seen John Thomas this week you've heard this one: Adlai was driving across the country and his car broke down. There were some farm hands in the field loading manure into a wagon, so Adlai asked the men if they would take him into town where he was to make a speech.

They said that they would if he'd make a speech for them first. He climbed onto the wagon and said, "I've made speeches in a lot of places and under a lot of conditions, but this is the first

(Cont'd. on back page)

Sponsors Signed For Pony League

Sponsors for Tahoka's two Pony League teams have been secured and the four-man committee named to serve as the governing body along with a four-man committee from Post.

Post and Tahoka are jointly sponsoring a Pony League for boys 13 and 14 years of age this next summer. Boys from Lynn and Garza counties will be eligible to play.

Goodpasture Grain will sponsor one Tahoka team, and Bray Chevrolet and Tahoka Implement Co. will jointly sponsor the other team.

At a meeting held at the American Legion Hall Monday night, local organization plans were completed. Tahoka committee members are J. E. Nance, A. M. Bray, L. A. Forsythe, and Herman Heck.

The Legion Post, headed by James "Sonny" Roberts, has sponsored the organization of the Pony League. Dan Brookshire heads the Legion Committee, C. W. Conway is in charge of the playing field arrangements, and Jess Gurlay is in charge of umpires.

Details of the league organization were discussed at Monday night's meeting. Pony League baseball is for boys just over the Little League age. About 20 boys participated in Little League here last summer will be eligible to try out next spring for Pony League, as will all other boys of this age bracket.

Post and Tahoka committees will meet shortly and make application for entrance into Pony League Baseball, which like Little League is a national organization.

Cotton Ginning Is Speeded Up

An estimated 29,000 bales of cotton has been ginned in Lynn County thus far, with 4,146 of them ginned in Tahoka's four gins.

This is 11,000 more bales than was estimated last week, which shows a definite pick-up in the ginning as the picking season progresses.

Last week Tahoka's four gins had put out 2590 bales, which shows an increase of 1555 bales.

However, most crops are still in the fields, many awaiting to use picking machines.

Much of the grain in Lynn County is being harvested and is expected to be a better crop than many had thought.

Wilson Youth Revival Starts

Joe Bruce Long of Spur, a student in Baylor University, will be the evangelist in the youth-led revival at the First Baptist Church of Wilson the week end of October 12-14. Olin Robison, also a student in Baylor will lead the music.

A special invitation is given all the young people of all churches in the area. A special feature will be fellowship after services directed by the visiting team.

Morning services will begin at 10:00 a. m. and evening services at 8:00 p. m.

The entire service from ushering to preaching will be directed by the youth.

Rev. H. F. Scott is pastor of the Wilson church.

J. C. Campbell Buried Sunday

Funeral services were held Sunday afternoon in the Sweet Street Baptist Church for John Candy Campbell, 87 years old, who died at his residence in Tahoka Saturday. He had been in ill health for some time.

Rev. Ray Cunningham, pastor of the church, and Rev. A. A. Beggs conducted the services. Burial followed in Tahoka Cemetery.

Campbell came to Lynn County on Jan. 1, 1922 from Stamford and first bought a place at Edith. He later moved to South Ward and then moved to Tahoka in 1934. He was a retired farmer at the time of his death and was a member of the Sweet Street Baptist Church.

He was born May 15, 1869 in Hunt County, Texas and was married to Miss Lee Belle Abrams on Aug. 4, 1899 in Kaufman County. She preceded him in death on Oct. 25, 1953.

Survivors include two daughters, Mrs. R. E. (Vesta) Appling and Mrs. J. O. (Avis) Henry, both of Tahoka; three sons, Charlie E. Campbell of Wilson, Dedrick G. Campbell of Crowell, and Roy Campbell of Levelland; one brother, T. J. Campbell of Floydada; four grand children, 10 great grandchildren, and one great grandchild.

Plans Are Made For Homecoming

Plans are being formulated for Homecoming Day at Tahoka High School which will be held here November 2, when the Tahoka Bulldogs meet the Slaton Tigers in conference play.

Homecoming Day for ex-students of the local schools is sponsored by the Student Council, headed by Kent Gibson, which is planning a program to be held that day at about 1:45 p. m. in the high school auditorium. A pep rally will follow.

C. W. Conway, president of the Ex-Students Association, says that they will also make plans for entertainment of the exes and for a business meeting of the Association. Other ex-students on the planning committee include Mrs. Turner Rogers, Mrs. Olen Renfro, and Robert Harvick.

Mrs. Wilmer Smith Elected Secretary Texas Home Demonstration Ass'n.

Mrs. Wilmer Smith of New Home was elected secretary of the Texas Home Demonstration Association at its annual meeting in San Antonio last week. For the past two years, she had been vice president of District II, THDA.

She and three other Lynn county delegates, Mrs. Clarence Williams of Draw, Mrs. Guion Cobb of Dixie, and Mrs. Carlise Edwards of New Home, attended the state meeting Thursday and Friday.

They also attended the National Home Demonstration convention Monday through Wednesday, also in San Antonio, the first time the national body has ever met in Texas.

Mrs. Smith served on the hostess committee for the National convention, and she and Mrs. Melton McGehee of Amarillo, vice president of District I, THDA, directed the ticket sale for the annual banquet of the National meeting. They sold 1,325 tickets and handled \$6,625.00, Mrs. Edwards informs The News.

There were 2,200 women at the National Meeting, including a representative from Hawaii, three from Puerto Rico, and 793 from Texas.

Among the outstanding speakers at the National meeting were Governor Allan Shivers, Congressman Omar Burleson, and Mrs. Oveta Culp Hobby, former member of President Eisenhower's cabinet.

At the Texas convention, which followed the National, Mrs. Smith also served on the resolutions committee.

New Texas officers include Mrs. R. C. Wood of Port Lavaca, succeeding Mrs. John Golightly of Hico; Mrs. Carl Herzforth of Garland, vice president-at-large; and Mrs. Smith, secretary, who succeeds Mrs. Bob Potter of Roscoe. New vice president from District II is Mrs. Ross Adamson of Wolf-orth.

Mrs. Smith was in 4-H club work as a girl, and has been active in Home Demonstration Club work for the past 18 years.

She holds a B. A. degree from Texas Tech, and has taught mathematics, English, typing, and business in high school. She is active in the Methodist Church, teaches the youth, and is district treasurer of the Women's Society of Christian Service.

Her husband is president of Plains Co-op Oil Mill, and is known over the state and nation as a leader in agricultural circles. The couple has one daughter and two granddaughters, who live at Tulla.

Local H. D. club women consider it distinct honor to Lynn county to furnish the secretary of the state organization.

MRS. WILMER SMITH

Neighbors Help C. M. Overmans

Wednesday of last week was "home freezer day" at the C. M. Overman home in Joe Stokes community.

Mrs. Overman has been ill for two years, not able to do her own housework much less prepare food or canning and freezing. Mr. Overman has worked his 160 acre farm in addition to attending to all the household duties and Mrs. Overman.

Therefore, to help this deserving couple, friends and neighbors gathered their vegetables and went to the Overman home, prepared and froze or canned about 100 pints of food. Also, some cakes and pies were frozen.

Then, a television repairman was sent by an unidentified person to fix their set which had been out of order for some time. Another man sent a daily paper for six months.

Results of this day was a variety of vegetables, along with soup and pastries to be used when needed, and last, but not least, was the good time these people enjoyed together.

Ten Honored By Pythian Sisters

Pythian Sisters, Lynn Temple No. 45, honored its charter members and past chiefs Tuesday night when a regular business meeting was held in the WOW Hall.

About 10 honorees were presented hand painted plates. Glenda Dunagan, MEC, presided at the meeting.

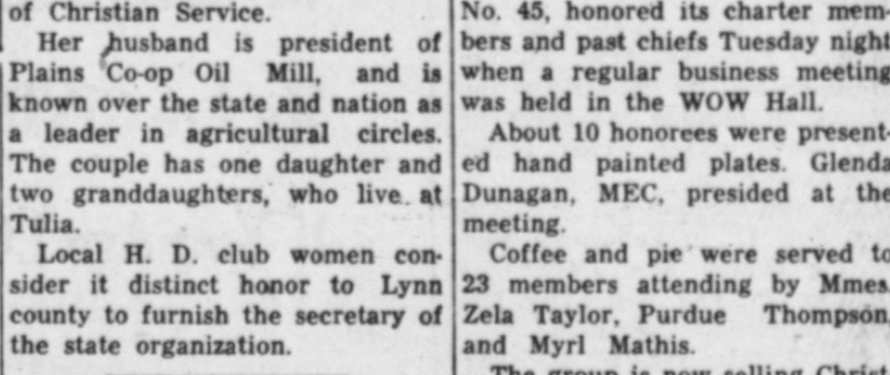

Coffee and pie were served to 23 members attending by Mes. Zela Taylor, Purdue Thompson, and Myrl Mathis.

The group is now selling Christmas cards. They can also make a special order of cards and those who want them ordered are asked to see Mrs. Corine Cathcart.

T. B. Dunagan of Oklahoma City, Mr. and Mrs. T. P. Dunagan of Frost, and Mrs. W. B. Spurlock of La Feria are here visiting their brother, A. L. Dunagan.

The penultimate day of the month is the next to the last day.

Meet The Tahoka Bulldogs

Bulldogs Playing At Spur Today

Tahoka Bulldogs go to Spur tonight to open the 1956 2-AA conference season. Next week, the Floydada Whirlwinds come to Tahoka.

Spur Bulldogs won the district title last year, but, like Tahoka, lost most of their starters. However, Spur has more experience and will be a heavy favorite to defeat the Tahoka boys.

Spur's record is about the same as Tahoka's, but Spur has met stronger teams. In their traditional opener with Matador they gained a 13-13 tie, lost the next week to Hamlin 18 to 21, held always strong Anson to a 19-6 score. Spur came through with a 7 to 0 victory last week over stubborn Crosbyton.

Tahoka lost its opener to a surprisingly strong Plains team 13 to 6, dropped the next to Denver City 18 to 7, surprised O'Donnell by taking a 21 to 12 win. Then, last week, nothing worked right for the boys as they dropped a 20 to 0 game to Seagraves.

Quarterback Karl Prohl, spark plug on both offense and defense, missed last week's game because of an injured back, but hopes to see at least some action tonight. He has his back in a brace and will likely play offensively only.

Center Cecil Hammonds has an injured knee and may not be able to play, and Guard James Adams may be out with his sprained ankle.

Coaches Bill Haralson and Dean Wright have had the boys working this week to correct mistakes of last week's game, and fans may be assured of a better team effort, better timing and better blocking and tackling this Friday night.

In Wednesday's work-outs, Coach Haralson says the squad showed better spirit and looked better in running their plays than at any time this season.

Little League Meeting Called

The annual meeting of the Tahoka Little League will be held Thursday night at 7:30 in the American Legion Hall, according to Clint Walker, president.

New officers for the coming year will be elected and plans made for obtaining a franchise for the 1957 season.

All officials, managers, coaches, umpires, parents any anyone else interested in the program are urged to attend, Walker said.

Joe Bovell Is Showing Very Slow Improvement

T. J. (Joe) Bovell is reported to be showing some slight improvement at a Lamesa hospital, where he has undergone several operations, but is still in very bad condition. However, doctors think he has a good chance of recovery.

Mr. Bovell underwent another operation last Friday to try to straighten out an ailment of the pancreas. The News is informed no malignancy at all was found.

Mrs. D. A. Childers of Lubbock was a visitor in Tahoka Wednesday. Her late husband was foreman of the T-Bar ranch for many years.

New ASC Board Is Named For County

Newly named Lynn county ASC delegates elected the new 1957 ASC county committee at the convention here Friday.

Wayman Smith of New Home is the new chairman, Buford Jones of Gordon is vice chairman, and Claude C. Schooler of east of O'Donnell is the third member. First alternate is Guy Smith of New Lynn, and second alternate is J. Dudley Martin of Draw.

The following community committees were named in the recent county-wide election:

Community A: Aubrey Smith, chairman; Harlan Dean, vice chairman; Robbie Gill, member; O. R. Pfifer Sr. and Lynn West, first and second alternates, respectively.

Community B: Lloyd Mears, chairman; Jack Blevins, vice chairman; Jack Spears, member; and Hubert Edwards, alternate.

Community C: W. G. Gass, chairman; R. T. (Jack) Brewer, vice chairman; Alton Greer, member; Boyd Barnes and O. E. Eubanks, alternates.

Community D: D. B. McMillan, chairman; Cecil Dorman, vice chairman; Ted Rogers, member; A. E. Leverett and Edward Bartley, alternates.

New Pastor At Sweet Street

Rev. and Mrs. Ray Cunningham have moved to Tahoka where he will assume his duties as pastor of the Sweet Street Baptist Church.

Rev. Cunningham served in the Champion Baptist Church near Roscoe for the 10 months previous to his coming here. Before that he was pastor of the Baptist Church at Grandview north of Lamesa for three years. He has been in the ministry 10 years and this is his fifth pastorate.

Both Rev. and Mrs. Campbell are natives of Muleshoe. He has attended school at Wayland College and Hardin Simmons University. The couple has no children.

Soil Reserve Program Details

This information was recently received locally from the State ASC Committee in regard to the Conservation Reserve Program.

County ASC officers may begin at this time to approve contracts under the 1956 or 1957 Conservation Reserve Program.

In each instance, before a contract is approved by the county committee, the Conservation Reserve Program should be entirely explained to the farmer and the length of contract period particularly understood.

It will not be necessary to delay the approval of a contract until actual practice payments and specifications are developed for the Conservation Reserve Program.

The practice number of eligible practices may be listed on the contract and by signing the contract the producer, of course, agrees to carry out the practice according to the specifications as they are developed, and to receive compensation at the rate finally developed.

There may be instances where producers may want to delay approval of the contract until actual practice specifications can be provided and exact cost shares known. In these instances it will be necessary to delay the approval of the contract until such information is available.

Bureau Plans Annual Meet

Lynn County Farm Bureau will have its annual meeting Saturday night, Oct. 6, at 7:30 p. m. in the Tahoka High School auditorium for the purpose of electing a new president and five new directors.

Lois Smelser, president, said that resolutions for the coming year will also be voted on and that, therefore, it is important that all members attend.

Included on the program will be a speech by Miss Ida Pearl Mason, 1956 Lynn County Farm Bureau queen, on the life of the Farm Bureau.

Present officers and directors include, other than Smelser, Leonard Crawford, vice president; Melvin Wuensche, secretary-treasurer; and N. E. Wood, Rodger Blakney, Lewis Allsup, B. H. Jones, Bertice Askew, Alton Greer, Roy Lee Williams, and G. W. Gardenhire, directors.

Those whose terms expire include Wood, Crawford, Smelser, Jones and Allsup. New directors will be elected for a two year term in the rotating system of electing five new ones one year and six the next.

Noah Webster began writing the dictionary in 1807 and finished in 1828.

Junior Teams Will Play Games Here

Thursday night the Tahoka Freshman football team was playing Denver City here. Next Thursday night, the B team will play Abernathy here, and next Tuesday night the Seventh and Eighth graders will play Abernathy here.

Tuesday night, at Slaton, the Eighth Grade lost 28 to 7, and the Seventh grade won 20 to 0.

Last Thursday night here, the B team lost to Spur 19 to 7, and Junior High team lost 19 to 14.

Mrs. George Nolte, 79 years old, of Wilson entered Tahoka Hospital Sunday with pneumonia. About four years ago she fell and broke her hip and has been in ill health since that time.

Society & Club News

Phebe K. Warner Club Will Host Be District Workshop

Phebe K. Warner Club will be host to a workshop for Federated women's clubs of the surrounding area to be held here today at the First Baptist Church.

It is one out of seven workshops being held in district seven for federated clubs. Mrs. Robert R. Lindley of Borger will be in charge of the local program and five officers from the district will conduct the workshop.

Sessions will be held for officers of local clubs and one for planning programs.

Those attending will bring sack lunches for the all day affair.

Tuesday afternoon at 4:00 o'clock the Phebe Warner Club will meet in the home of Mrs. Skiles Thomas to continue the course, "World Affairs are Your Affairs," with the theme for this meeting being "India Since Independence."

New Sunday School Class Organized

(By Mrs. Jimmie Coleman)

Several couples of the Wilson Methodist Church had a social in the basement of the Church Tuesday night and organized a new Sunday School class in the Church. Menu for the social was spaghetti and meat balls, green salad, hot rolls, ice tea, home-made ice cream and cake.

After the fellowship hour, "Wesley Fellowship" was the name selected for the Class. Louise Wilkinson was elected teacher, and Joe Vardeman has been elected substitute teacher. The following officers were elected: President, Margie Rogers, vice-president, David Peterson; secretary and treasurer, Mary Coleman; Evangelism chairman, Bill Vardeman; recreation and social chairman, Joe Vardeman and Neoma Peterson.

The new officers planned a rummage sale for Saturday Oct. 6, in front of David Peterson's plumbing shop. The money from the sale will be used to fix up their class room.

Eades-Carter Vows Set For Saturday

Mr. and Mrs. W. E. Beason of Lubbock are announcing the engagement and approaching marriage of their daughter, Myra Sue Carter, to Gene Eades, son of Mr. and Mrs. C. G. Eades of New Home.

Wedding vows will be read Oct. 6 at Ford Chapel of the First Baptist Church in Lubbock. The couple will live near New Home. Friends and relatives are invited to attend the ceremony.

Beggs-Dozier Vows Taken At Lubbock

Double ring vows were read at the North Side Assembly of God Church Saturday, Sept. 22, when Miss Leta Faye Dozier of Ropesville and Jerry Lee Beggs were united in marriage.

Rev. A. L. Beggs, pastor of the Assembly of God Church in Tahoka and father of the bridegroom, and Rev. Scott Mitchell, pastor of the Lubbock church, read the wedding ceremony.

Mr. and Mrs. Jess Dozier of Ropesville are parents of the bride and Rev. and Mrs. A. L. Beggs of Tahoka are parents of the bridegroom.

Miss Shirley Dickson sang "The Lord's Prayer" accompanied by Mrs. Jean Lanom, who also played traditional wedding music.

The bride wore a gown of imported pure silk crepe, styled with a princess bodice of Alencon lace over crepe. The portrait neckline was studded with seed pearls and sequins, and the long tapering sleeves completed the bodice from which stemmed a full skirt fashioned with cascading bands of Alencon lace extending to a cathedral length train. Her fingertip veil of illusion net fell from a tiara of pearls and sequins held in place by small matching tabs.

Mrs. Carroll Reed was matron of honor. Bridesmaids were the bride's sister, Miss Joyce Dozier of Ropesville, and Mrs. Ben Holmes. The attendants wore dresses of waltz length taffeta in fall shades ranging from cinnamon to gold. Neida and Linda Jordan, cousins of the bride from Meadow, lighted the candles.

Jerry Don George of Turkey served as best man, and ushers were Edward Jordan, cousin of the bride from Meadow, Weldon Mason, the bride's cousin from Brownfield, Johnnie Beggs, brother of the bridegroom from Tahoka, and Don Bingham, cousin of the bride from Meadow. Ring bearer was Steve Mason of Brownfield.

Bronze chrysanthemums centered a table covered with lace over brown at the reception held in Christ Ambassador Hall of the church. Gold tapers completed the table setting.

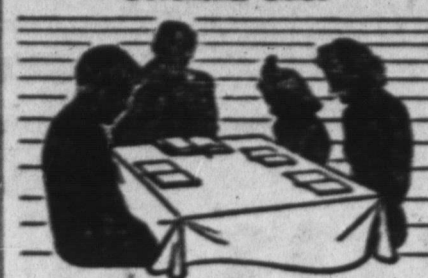

For a wedding trip to Los Angeles, Calif., the bride chose a sheath of brown with light blue accessories.

The bride is a graduate of Ropesville High School and Draughon's Business College and has been employed by General Motors Acceptance Corp.

The bridegroom is a graduate of Turkey High School and has recently returned from three years with the Air Force in Tokyo, Japan.

The couple will be at home in Seattle, Wash., where Beggs will be employed with Bowen Air Craft. Both will attend the University of Washington.

Today's MEDITATION

The Upper Room

One God and Father of all, who is above all, and through all, and in you all (Ephesians 4:6).

Almighty God is in the heavens, above all He has created. Nothing can contain Him, not even the Holy Temple once built for Him by Solomon. Yet God is actually in us lowly creatures who are formed of dust. This is a wonderful thought almost beyond belief. The Bible assures us of it.

However, it is only when we have buried our own selves and become new creatures in Christ Jesus that God can have His dwelling in us. As God is in His holy temple, so He is also in us as we become temples of God through faith and new life in Christ, our High Priest.

This being the case, what have we to fear further from the world and the attacks of evil? We are sure of victory; for if God be in us and for us, who can be against us? He that is in us is greater than he that is in the world. God's name be praised!

PRAYER
Father in heaven, fit each of us to be Thy dwelling place. Draw nigh to us and dwell in us Thou and Thy Christ and Thy Holy Spirit. Make us certain of Thy presence. Help us to take encouragement from Thy nearness when doubts and trials befall us. In the name of Christ. Amen.

THOUGHT FOR THE DAY
"Whoever shall confess that Jesus is the Son of God, God dwelleth in him, and he in God." Max Zakman (Israel).

Twenty Ladies At Baptist W. M. U.

The W. M. U. of the First Baptist Church met at the Church Monday for Bible Study with 20 members present.

The program was led by Mrs. K. R. Durham. The opening prayer was led by Mrs. W. P. Hutchison and Rev. Clifford Harris doing the Bible teaching.

New officers for the new year were elected at the close of the study.

Refreshments were served and the W. M. U. presented Mrs. Terry Noble with a gift of appreciation for her work as president the last two years. Mrs. K. R. Durham is the new president.

The W. M. U. will meet at the Church next Monday at 3:30 for Royal Services.

LOSE UGLY FAT IN TEN DAYS OR MONEY BACK

If you are overweight, here is the first really thrilling news to come along in years. A new and convenient way to get rid of extra pounds easier than ever, so you can be as slim and trim as you want. This new product called DIATRON curbs both hunger and appetite. No drugs, no diet, no exercise. Absolutely harmless. When you take DIATRON, you still enjoy your meals, still eat the foods you like but you simply don't have the urge for extra portions and automatically your weight must come down, because, as your own doctor will tell you, when you eat less, you weigh less. Excess weight endangers your heart, kidneys. So no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON is sold on this GUARANTEE: You must lose weight with the first package you use or the package costs you nothing. Just return the bottle to your druggist and get your money back. DIATRON costs \$3.00 and is sold with this strict money-back guarantee by: Wynne Collier Drug Store, Tahoka. Mail orders filled.

O'Donnell Ladies Winners At T-Bar

Using the Howell movement, six tables of duplicate bridge were played at T-Bar Country Club Tuesday night.

First place winners are Mrs. Clyde Wymans and Mrs. J. T. Forbes of O'Donnell; second place, Mrs. Sam Gatzki of Wilson and Mrs. Crow of Slaton, third place, Mrs. A. N. Norman, Jr. and Mrs. Jep Whorton; and fourth, Mrs. Tom Bartley and Mrs. Jake Jacobs.

The first and second place winners will receive a free pass for one game good for one month.

Next Tuesday night is the first guest night, and members may invite guests to attend.

Wesleyan Guild Begins New Study

The Wesleyan Service Guild of the First Methodist Church here has begun its study "Missions, U. S. A." with Mrs. Walter Mathis as teacher.

At the first meeting of the study, Thursday, Sept. 27, the group studied the problems of the church in meeting the needs of the people of the United States that move about.

The next meeting will be Thursday, Oct. 11, in Fellowship Hall of the church when Mrs. Carl Griffing, Jr. and Mrs. Larry Hagood will be the hostesses.

Mrs. Mathis, Mrs. W. H. Eudy and Mrs. Jake Jacobs attended the district meeting and coaching clinic of the Guild in Leveland Sunday when an officers training session was held.

Lancaster, Pennsylvania was capitol of the United States for one day.

CottonQuiz

How many pounds of cotton do you use each year?

THE AVERAGE AMERICAN USES MORE THAN 26 POUNDS PER YEAR. WORLD AVERAGE IS 3.4 POUNDS.

Three birds which cannot fly are the emu, kiwi and ostrich. Saccharin is revived from coal-tar.

Sabre-toothed tigers are now extinct. There are no tigers in Africa.

Hunters Killing Cows In Pastures

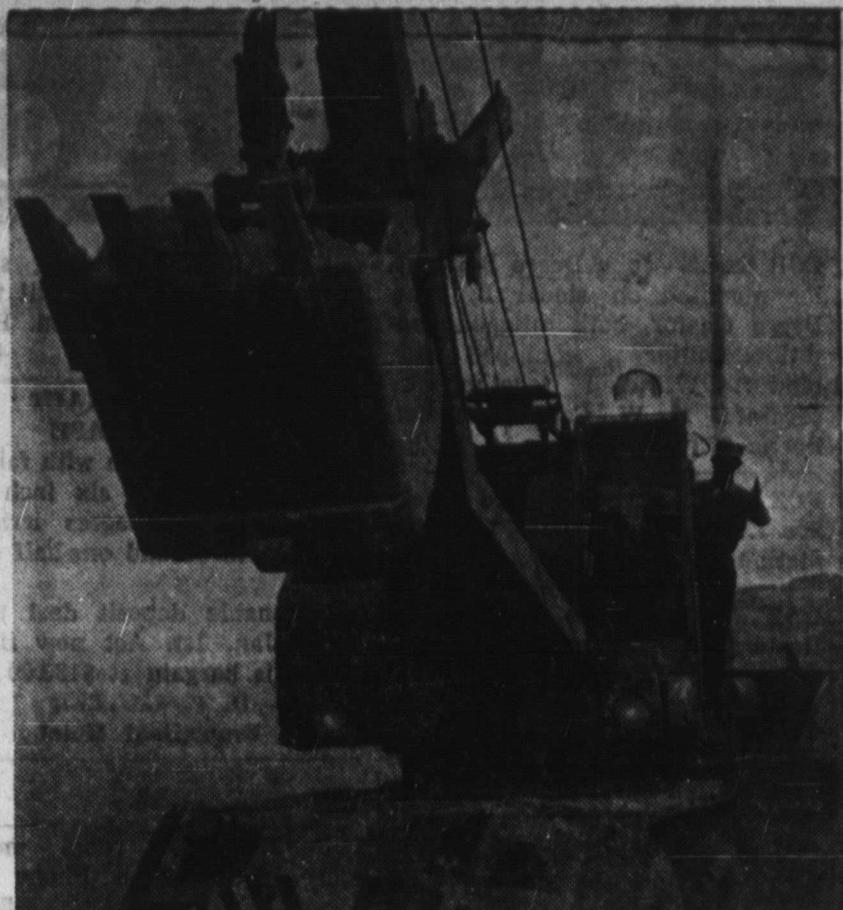

One of the owners of cattle run on pasture land near here told The News this week one or more head is lost annually by reason of being shot by hunters.

The person, who wished to remain unidentified, thought hunters should be more considerate of the cattle owners. Most of them are, no doubt, shot accidentally, but the loss is just as heavy to the owner.

Hunting on private property is a violation of the law, and hunters should refrain from firing guns in this pasture unless they have permission, or at least should make certain they are not shooting a cow or calf or that the bullet may not ricochet through the brush and hit a hidden animal.

Donna McAllister, six year old daughter of Mr. and Mrs. Elmer McAllister of route 4, entered Tahoka Hospital Tuesday as a medical patient.

William Howard Taft was the first U. S. president to receive a salary of \$75,000 a year.

ARMY ROAD BUILDING—Supervised by a member of a Fort Carson, Colo., engineer battalion, a reservist soldier on two-weeks' training operates the huge bucket of one of the many types of construction machinery that helps Army engineers move mountains if necessary for either peacetime work or combat support.

Cotton Pulling Rates Announced

Wage findings effective October 2 in Lynn county have been announced by Ed McDonald, regional director of the Bureau of Employment Security to the Texas Employment Commission office here. The findings were that the prevailing wage for cotton pulling

was \$1.50 per hundred irrigated, and \$1.50 to \$1.55 per hundred on dryland.

Mariana McGinty is home this week recuperating from a week's hospitalization in Abilene with a mastoid infection. She expects to return to school at ACC Monday.

MRS. EARL MORRIS
Correspondent

Mr. and Mrs. Noble Wynn have moved into their new house and Sunday their son-in-law and daughter, Mr. and Mrs. Steve Dearth came down from Amarillo, attended church at Gordon and were dinner guests of her parents.

Mrs. J. F. Rackler, Mr. and Mrs. J. B. Rackler and children visited Mrs. Cleve Rackler who was in a Lubbock hospital suffering a back injury last Sunday.

Mrs. Ed Denton is still improving and among her visitors last week were Mrs. B. L. Billingsly, Mrs. L. E. Bartlett, and Mrs. Mary Edwards of Lubbock; Mrs. E. Kidd and Teddy of Slaton; and Mmes. F. W. Callaway, Jack Hargrove, Hub Haire, H. C. Dunn, Dan Seiwert, Howton Haire, W. A. Basinger, W. M. Bruster and H. D. Martin.

Children of the Gus Gatzkis met in the home Sunday to surprise their mother with a birthday dinner. Those present and taking part in the celebration were, the Lesse Cartwrights of Plainview, the Vernon Clems of O'Donnell, the

Sam Gatzkis of Wilson, the Raymond Gatzkis and the Woodrow Stuarts, a grand daughter and husband Mr. and Mrs. Dan Redman of Lubbock.

Donald Huddleston has returned to school at A. C. C.

Sunday afternoon, Mr. and Mrs. Clyde Shaw visited their children, the J. G. Stapps of Leveland and the Lloyd Swanns of Idalou. Thursday Mrs. Shaw's sister, Mrs. Cameron Justice of Justiceburg was a visitor in the home.

Mr. and Mrs. Chris Gindorf and children went to Wilson last Saturday evening to help her nephew Gilbert Steinhauer celebrate his birthday with a supper at the home. Mr. Steinhauer's sister came down from Albuquerque and brought the birthday cake.

Some of the ladies in this community entered some of their handiwork in the Lubbock fair. Mrs. Max Jackson won second place with a crochet hat and third with a potted planter.

Mr. and Mrs. W. A. Field and daughter visited the John Easts at Wilson Sunday.

David, son of Mr. and Mrs. Herman Dabbs is able to return to school after a tonsillectomy in Slaton Mercy Hospital. Gerald Dabbs who is in school at Tech was at home this weekend.

Mr. and Mrs. Norman Legrand of Lubbock were Sunday guests of the T. A. Warrens and Miss Ora Mining.

Last week's visitors in the Roy Williams home were his sister and family Mr. and Mrs. Oscar Dial of Arven, Calif.

Mrs. Sam Martijn, Mrs. Hub Haire, Mrs. Jack Myers, and Mrs. Harley Martin all went to Brownfield last Tuesday night to attend an Eastern Star meeting.

Mrs. R. R. Jones and her daughter, Mrs. T. H. Basinger, returned home last Thursday from Vernon, where they spent three weeks taking treatments. And, Sunday Mrs. Jones' visitors were a son-in-law and daughter, Mr. and Mrs. Arch Thurmon of Amarillo, Mrs. Basinger and Dolores, and Mr. and Mrs. Buford Jones. Mrs. Thurmon is spending the week with her mother.

Visitors in the Max Jackson home during the week end were his parents, Mr. and Mrs. E. D. Jackson, Mrs. Glen Flemming and Greg, Mrs. Junior Jackson and Vita of Lubbock, Scott Jackson of Leonard, and Mr. and Mrs. Raymond McGeehee and daughter of Muleshoe.

Mrs. Carl Womack of Slaton and her sister-in-law, Mrs. Irvin Shattuck of Plainview visited Mrs. Earl Morris last Monday afternoon.

Mrs. C. S. Oats' four children and one son-in-law each have a birthday in October. And last Sunday the four families and their mother got together in a Lubbock park to celebrate the birthdays. They had dinner together and spend the afternoon visiting. The children are, Mrs. Kenneth Davies, Mrs. C. M. Spurlock, Mrs. David Golden and W. M. Oats.

Mr. and Mrs. Johnny Myers and children of Lubbock visited her sister and family, the George Bakers.

Thomas Jefferson, Patrick Henry and George Washington were known as "the pen, the tongue and the sword of the American Revolution."

Wong, used by at least 150,000,000 Chinese, is the world's most common family name.

Enter Gulf's "Life of Riley" Contest

WILLIAM BENDIX, star of "The Life of Riley" TV show, points out your royal Riviera playground.

GRAND PRIZE:
LIVE THE LIFE OF RILEY IN A PALACE ON THE RIVIERA WIN 30 FABULOUS DAYS WITH \$200 A DAY TO SPEND

Fly via a luxurious PAN AMERICAN Super 7 Clipper

Fly direct to Nice, France, in 20 hours, via the world's most experienced airline. Live in a Riviera mansion for four fabulous weeks. Reign in a royal home, with all modern conveniences.

Servant staff, luxury furnishings, glamorous patio, private swimming and boating facilities... all this and more... all yours in a stunning setting on the Mediterranean!

It's a once-in-a-lifetime trip for

two. You enjoy scores of exciting holiday adventures—with \$200 a day to spend! Your own limousine whirls you through a gay round of gala events in nearby Nice, Cannes and other Riviera playgrounds.

A world of pleasure awaits you. Golden beaches, festive occasions, dazzling scenery... sports, pleasure, regal relaxation... you live the Life of Riley for a magnificent, memorable month!

Simple to enter—Easy to win!
Just complete this jingle. Enter as often as you wish. All entries must be on official Contest Entry Blanks, which contain complete contest rules. Get yours free at any Gulf station. Contest closes midnight, Oct. 31.

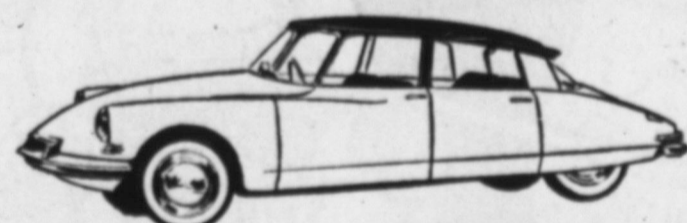

Gulf No-Nox is the gasoline that's famous 'cause it burns so clean. Fill up at Gulf and you will see.
(Make your last word rhyme with "see.")

Clean-burning No-Nox gives you many more miles of new-car power!

HINTS TO HELP YOU WIN!

1. No-Nox burns clean because Gulf refines out the "dirty-burning tail-end" found in ordinary gasoline.
2. No-Nox combats formation of carbon deposits which "shrink" engine power.
3. No-Nox protects your engine, keeps new-car power intact for thousands of extra miles.
4. Gulf No-Nox is a high-octane gasoline—gives more miles per gallon in short-trip driving.

REDDY'S Farm Report

FROM THE AGRICULTURAL DEVELOPMENT DEPARTMENT
SOUTHWESTERN PUBLIC SERVICE COMPANY

SIMPLE, INEXPENSIVE DEVICE OFFERS 'ROUND-THE-CLOCK PROTECTION FOR BABY CHICKS

Poultry raisers can now go to bed secure in the knowledge that the safety of their baby chicks is guarded by a new protective warning device which rings an alarm bell should there be a temporary interruption of the flow of electricity.

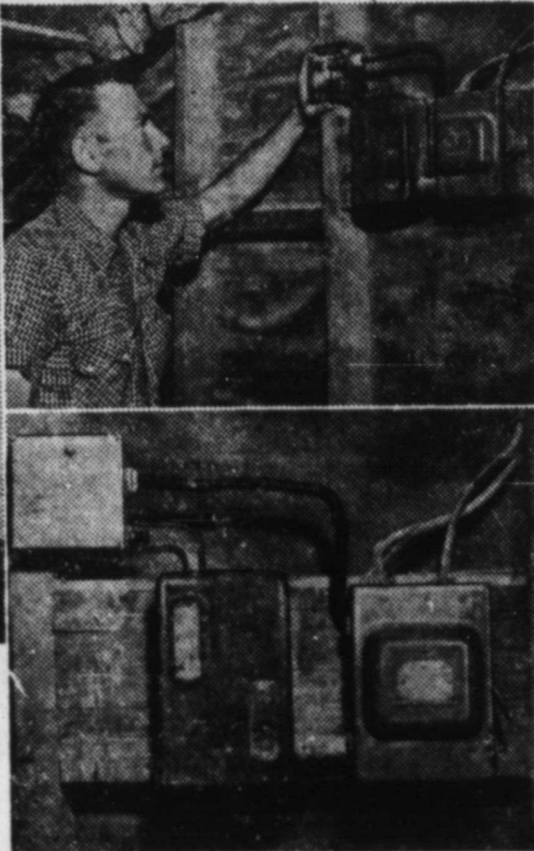

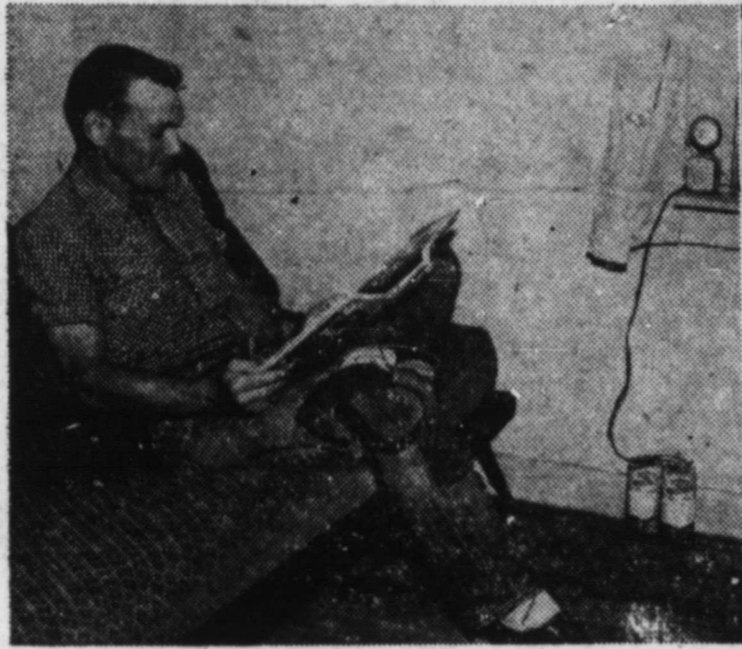

Brooding with electric heat lamps is recognized as

a superior method of providing life-giving heat to baby chicks, and this new warning device creates still another advantage to the use of electricity. Under no other brooding method can such protection be installed with such simplicity and with such inexpensive outlay of cash.

Here's how it works: The device pictured rings an alarm bell awakening the farmer who can then take measures to protect his baby chicks. Necessary to its operation is the self-contained

mechanism which trips the alarm bell, the bell, and two ordinary A batteries. In another device available, the bell is contained within the tripper housing. Regular electric wire of proper size must be used to connect these devices to the electric circuit. Chicken raisers who might wish to build their own alarm device can do so through the use of an electro-magnet which will "break" whenever current fails to flow through it, thereby triggering the alarm system.

Although LeRoy Hutton's brooder alarm is homemade, when he saw the manufactured unit illustrated, his first words were, "Where can I buy one for my hens?" So impressed was he that he didn't even inquire as to the cost. However, the units are inexpensive and can be purchased for about \$10.00.

LeRoy Hutton raised 2,000 baby chicks under heat lamps with an automatic alarm unit. An overloaded circuit in the brooder house caused a fuse to blow, thereby interrupting the flow of electricity and causing Mr. Hutton's alarm to sound off about 3:00 a.m. the first night that his heat lamps were connected. Now Hutton rests well at night, knowing that his alarm will warn him of trouble in the brooder house.

There will be delightful entertainment when the circus comes to town next Tuesday—with its elephants and wild animals, clowns, and acrobats.

New Home Civic Club Entertains Ladies, Honors Kay K. Moore

"Community Development" was the subject of a talk Monday night at the monthly meeting of New Home Civic Club by Ragan Brown of College Station, rural sociologist of the Texas A. & M. Extension Service.

County Agent Bill Griffin introduced the speaker. This was ladies night at the club and 64 people were present. The men served the group a barbecue supper.

C. O. Head, New Home school superintendent, talked briefly on the proposed teacher retirement amendment to be voted on at the November 6 election.

Kay K. Moore, club president, presided at his last meeting, as he and his wife have sold their farm and farming equipment and are moving to Durango, Colorado.

Joe D. Unfred presented the couple with several nice gifts from friends of the county and wished them good luck in their new home. Gifts included two

rifle scabbards, gun cleaning kit, hunting shirt, recoil pad, and for Mrs. Moore a necklace set.

Mr. Moore has been chairman of the Board of Supervisors of the Lynn County Soil Conservation District, and has been honored a number of times in this area and in the state for his work in soil conservation. He has been a leader in many other affairs.

The Civic Club voted to help financially with the young people's Rifle Club and to send the football players and coaches to a Texas Tech game of their choice this fall.

Only 12 letters comprise the Hawaiian alphabet.

Monrovia, Liberia, is named for U. S. President James Monroe.

One quintillion is written 1,000,000,000,000,000.

Baron Munchausen was a German.

ANY CRPLAND MAY BE USED IN CONSERVATION RESERVE

College Station. — Any farm land regularly used in the production of crops including tame hay may be included in the Soil Bank's Conservation reserve, advises R. G. Shrauner, chairman, State Agricultural Stabilization and Conservation Committee. Land not eligible under the program includes non-crop land, land that is designated for the Acreage Reserve and land owned by the Federal Government.

When an approval practice is carried out on land designated for the Conservation Reserve, the farmer will receive a payment varying in practices but which may represent up to 80 percent of the cost of establishing the practice. He will also receive an annual payment, including the first year, based on a rate for the county. The average of the county rates in Texas is \$10 an acre.

To qualify for payment, the farmer must reduce the prior 2-year average acreage for crops harvested on his farm by the number of acres he places in Conservation Reserve.

Shrauner advises that the closing date for signing up in the Conservation Reserve for 1956 is October 15. Information on practice specifications and contract forms which must be submitted before the closing date are available at county ASC offices.

In the painting of Washington Crossing the Delaware, a soldier is shown holding the American flag, though it had not been designed at that time.

General Lee's sword was returned to him by General Grant after Lee's surrender at Appomattox.

Mother Local Lady Is Dead

Mrs. J. A. Jones, 72, mother of Mrs. Gordon Arnold, passed away in Morton Wednesday after a lingering illness. She had a malignant disease.

She is survived by two daughters, Mrs. Gordon Arnold of Tahoka and Mrs. T. A. McCuiston of Morton, and two sons, Horace and Ralph of Denver City; 12 grandchildren, and two great grandchildren.

The alligator is the only animal whose upper jaw is movable.

Turkey Shoot Here Oct. 12-13

A Turkey Shoot, open to everyone who likes to shoot, will be held at T-Bar Country Club Friday and Saturday, Oct. 12 and 13, Lester Strech announces.

Turkeys, hams, bacon and steaks will be prizes for the best shooters, and a refrigerated truck will be on hand with the merchandise for immediate delivery. Shotguns will be used, and New Home is loaning its trap shooting equipment. Shells will be available, and there will be free drinks, coffee, and doughnuts for participants in the shoot.

Lewis Allsup is the chairman in charge of the shoot, and his helpers are Kenneth Turner, Jack A. Robinson, Jack Smith, Jim Applewhite, L. C. Unfred, and Strech.

T-Bar Country Club is located northwest of Tahoka, a half mile west of town on the Brownfield highway and then three-quarters of a mile north.

When the Liberty Bell cracked in 1835 it was tolling for the death of John Marshall.

Columbus made four voyages to America.

Ford Dealers Shows New Cars

Fred Shipley, the new Tahoka Ford dealer operating under the name Shipley Motor Co., held his formal opening Wednesday and also displayed the new line of 1957 Fords.

Many people saw the new Fairlane and Fairlane 500 models, nine inches longer and four inches lower than last year's models, featuring increased engine power. The new Ford is being produced in two sizes, the first time in the 53 year history of the company.

During the afternoon and evening, there was free entertainment by several Western singers who have appeared on television. Free refreshments were also served visitors.

TAHOKA MAN CLOCKED DRIVING AT 100 MPH (Lamesa Reporter)

Department of Public Safety officers, Henry Crump and Ralph Ward ended a 100-mile an hour, 42-mile chase Saturday night with apprehension of a Tahoka man at a road block about two miles north of Big Spring. The race started inside the city limits of Lamesa, where local police had given chase to the speeder, only to be outstripped on S. Dallas, where the two highway patrolmen picked up the chase.

They radioed ahead to Big Spring, where a road block was immediately set up to halt the driver and his speeding vehicle. Crump stated that the driver passed several semi-trailer trucks on the right side, never slackened his pace as he threw dust and gravel from the bar ditches.

Speeds exceeding 100 miles an hour were reached in the more than 40 mile chase which ended with the driver facing 11 traffic

violations, five of them in Howard county. He was fined \$216 in Dawson county for six violations.

If sold for the value of its chemical elements, the human body would be worth about 98 cents.

A man whose normal weight is 150 pounds would weigh about 50 pounds if all the water in his system were dried up.

First Methodist Pastor Is Dead

Rev. J. O. Gore, 87, first pastor of the Tahoka Methodist Church from 1904 to 1906, died Saturday at 8 a. m. at Littlefield after an illness of about a week.

Funeral services were held there Tuesday, and burial was in Littlefield Cemetery.

Born in Indian Territory (Oklahoma,) Rev. George came to Tahoka in 1904 and built the first Methodist Church building in Tahoka, a one-room frame structure about where the Sunshine Inn now stands, and the first Methodist parsonage on the end of the same block, about where the Eldon Gattis home now is located.

He also served churches in Dawson and Terry counties.

Mrs. J. D. Donaldson, the only charter member of the church still living in Tahoka, recalls that the First Methodist Church was organized in 1903 by Rev. A. B. Roberts, a circuit riding Methodist minister, who had a total of 147 members in various churches he served in Lynn and Terry counties and that his salary was \$248.00 a year. Rev. Roberts rode a mule to his various appointments. Tahoka was then in the Abilene District. The next year, at the conference held in Mineral Wells, Rev. James Oscar Gore was sent to the Tahoka Mission. While here, he preached the first services held in Lamesa.

Leaving Tahoka in 1906, Rev. Gore went to New Mexico, where he continued in the ministry. He moved to Littlefield nine years ago.

Other charter members of the Tahoka church include Mr. and Mrs. W. S. Swann, Mrs. J. F. Milman, and Mr. and Mrs. H. C. Crie and children, Mrs. Donaldson recalls.

He is survived by his wife, Maude; two sons, Griswald of Littlefield and Horace of Hondo; and one sister, Mrs. Pauline Thomas of Sulphur Springs and Houston, whose husband, John Thomas,

Pancake Supper Next Thursday

A benefit pancake supper will be held next Thursday night, 6:00 to 8:00 p. m., in the school cafeteria to raise funds for improvement of the club house of T-Bar Country Club.

The event is being sponsored by the Decorating committee composed of Mrs. C. W. Conway, Mrs. Irvin Dunagan, Mrs. Lynn Birdwell, and Mrs. A. N. Norman, and the Entertainment committee composed of Mrs. J. T. Whorton, Miss Echo Milliken, Mrs. Jack Smith, and R. W. Clem.

Miss Roberts Will Wed Floyd Brasher

Mr. and Mrs. H. H. Roberts of Grassland are announcing the approaching marriage of their daughter, Mary Alice, to Floyd Brasher, son of Mr. and Mrs. M. H. Brasher of Tahoka.

Vows will be read at Central Baptist Church Oct. 19, at 8:00 p. m. Rev. Kenneth Leach, pastor, will officiate.

The couple will make their home in Tahoka following the wedding ceremony.

Friends and relatives are invited to attend.

MEETING OF BAND MOTHERS CALLED

All Band Mothers are urged to attend an important meeting Tuesday night at 7:30 o'clock at the Band Hall.

A Bake Sale will be held Saturday, Oct. 13, at Southwestern Public Service office on the west side of the square.

Jack Dempsey held the heavyweight boxing crown for seven years.

Its nine-foot wing-spread makes the condor the largest bird that flies.

former state representative while living at Tahoka, died a few weeks ago.

FREE AND EASY—Rappelling down a long cliff face in Colorado is Sergeant Richard D. Davis Jr. of East Jaffrey, N.H., and the first Infantry Division of Fort Riley, Kans. He is taking part in Exercise Cold Spot, the Army's mountain and cold weather maneuver at Camp Hale on the Continental Divide.

Attractive natural scenery like that around boat docks at Tyler State Park has been preserved in skilled placing of the park facilities. Unusual are the park's 18-hole miniature golf course and a terrazo dance floor to supplement the fishing, boating and swimming.

Standing ...

(Cont'd. from Front Page)
time I ever stood on the Republican platform."

Beauty Note: A beauty expert says women lose their figures only because they're lazy. The mother of eight kids will appreciate this.—News Star, Shawnee, Okla.

From the Graham Scandal Sheet come these thoughts:

Folks are always talking about what they call "Federal Aid." About the only aid the Federal government could give would be a reduction in taxes. What they call "Federal Aid" is really Federal supervision of the spending of money collected from all people and then sent back to part of them, minus the collecting and sending back costs, and believe me, that's plenty. And they call that Federal Aid. If they would leave the money at home the people could aid themselves.

Now they want to give us Federal Aid for education—just to help us out. Wonder how long it would be before our school boards would be made up of senators' aides in Washington who'll tell us what teachers will teach geography in Tahoka?

As of Wednesday afternoon Wade Holland has been passing the plate down at Tahoka Auto Television Arena. He says if the

Those to report October 18 include Albert Lehman Rodgers, Wilson; Odell Howard, O'Donnell; and George Sinder, route 1, O'Donnell.

world series goes into the seventh game he might charge the local fans who prefer to sit it out with him \$1.50 per peep. At that price, if the Dodgers win, it'll pay his funeral expenses.

Our Constitution may have been written in the "Horse and Buggy Days" as some of our thinkers say, but so were the "Ten Commandments" and the "Beatitudes" and they haven't been able to suggest anything that 'could improve either.

Think This Through
"He dropped a nickle in the plate, and meekly raised his eyes. One week's rent was duly paid for mansions in the sky."—Wahachie Lubricator.

The human heart rests about eight-tenths of a second between each contraction.

CARD OF THANKS

We wish to thank Stanley Funeral Home and all our wonderful friends and neighbors for their kindness, visits, flowers, food and cards during the death of our dear loving dad and grandfather. A place is vacant in our home which never can be filled. A precious one from us has gone but God knew best. Your thoughtfulness in our time of need brought so much comfort to our hearts. May God bless each and every one of you. The Bagby family.

On March 21 and September 23, day and night are equal of duration in every part of the world.

Huffaker, Sr. of Tahoka and Mrs. Jenny Ellis of San Angelo.

Mr. and Mrs. Greg Bell of Lubbock on the birth of a daughter September 25 at 12:47 p. m. at Methodist Hospital. The mother is the former Miss Bettye Ruth Wyatt. Named Lorelei, the baby weighed six pounds, three ounces. She has three sisters, Carla, nine years old, Neisha, seven, and Desiree, 18 months old. Grandparents are Mr. and Mrs. N. M. Wyatt of Tahoka and Mrs. Myrtle Bell of Lubbock.

Alexander the Great wept because he had no more worlds to conquer.

Advertising doesn't cost, it pays.

Only a few interested farmers attended the breeder hen project meeting here Tuesday afternoon, according to Dale Thuren, local farm store operator. Several other interested-men could not be present because of harvest duties.

However, another meeting is expected to be held next week at night, Thuren said, and the farmers will be notified of the date and time.

Western Hatcheries of Dallas is planning to place 50,000 bred hens on the South Plains to produce hatching eggs for their network of 24 chick hatcheries and will pay a bottom price of 65 cents per dozen or 20 cents above the Lubbock market and based on 75 percent hatchability.

Bill Hicks, representative of the hatchery, said that big profits can be made, but will depend largely on good management.

Financing for housing will probably be available through FHA and local financing agencies, and Ralston Purina Company has offered its services to finance the feeding program during the growing stage, according to Ken Looper of Purina.

Hicks said that a 1200 hen flock is an ideal number and would take about three hours each day of the farmer's time to care for the birds. The hatchery will put down 15 roosters to every 100 pullets on a lease basis and replace them when necessary.

November 1 is the deadline for signing a contract and ordering the pullets, Hicks said, and this may be done at Dale Thuren Farm Store. The birds are 40 cents each or \$40 per 100.

A \$10.00 deposit must be made on each 100 birds, the balance to be paid on delivery of the flock.

Western Hatcheries are moving their flocks to West Texas and Louisiana to get them out of the extreme heat of the Dallas area, which causes production to drop. They are planning to build a hatchery in this area.

The United States flag had 15 stripes from May 1, until April 1, 1918.

France was the first country to recognize the United States of America.

The shot fired by the American colonists at Concord was the "shot heard round the world."

OFFIC

Seagraves Is Victor Over Bulldogs 20-0

Tahoka Bulldogs ended their pre-conference football schedule Friday night with a 20 to 0 loss to the Class A Seagraves Eagles in that city. This week the Bulldogs journey to Spur to open the District 2-AA schedule.

Except for one drive in the first period, Seagraves completely dominated the play with superior blocking, more desire and hustle, and the hard running of 170-pound Left Halfback Jerry Blakely, who personally accounted for 182 yards of Seagraves' net 242 rushing. He scored two touchdowns, one from 10 yards out, one from 35 yards away, ran over two extra points, and caught a pass for 36.

Tahoka was playing without the services of its quarterback, Karl Prohl, out with an injured back, who has been the backbone of the team and its top defensive man. However, Jimmy Harter, filled in for him very well in the man-under position. Fullback Don Renfro was the only Tahoka lad who could gain consistently, accounting for 80 of the Bulldogs net yards rushing.

Tahoka received the opening kick-off, there was an exchange of fumbles, Tahoka moved to the 46, and Jerry Brown punted to Seagraves' 25. Two plays later, after Seagraves had been assessed a 15-yard penalty, Quarterback Dennie Grimes heaved a long pass taken by Halfback Freddie Jetton, behind the Tahoka defenders, who took the ball on the Tahoka 35 and raced the remainder of the way, a total of 78 yards, for Seagraves' score.

Receiving the kick-off, Halfback Marcelino Madrid and W. H. McNeely, and Fullback Don Renfro, with the aid of two 15-yard penalties on the Eagles, marched

STATISTICS

2 for 30 Punts, Avg. 2 for 2	2 for 2
2 for 10 Penalties	10 for 105
2 of 5 Fumbles lost	2 of 3

to the Eagle 9. Here a pass from Harter was intercepted by Eagle Quarterback Grimes.

Neither team could gain consistently until late in the second period, when Seagraves put together three first downs but bogged down on the Tahoka 39.

Opening the second half, Seagraves immediately marched for its second TD, Blakely going the last 10, and then running over the extra point as he had done following the first score. Late in the same period, Seagraves recovered a Tahoka fumble on its own 21, two running plays netted 8, and then Grimes passed to Blakely for 36, and on the next play Blakely went 35 yards to score the final TD.

Again in the fourth, neither team could gain consistently.

Center Cecil Hammonds was Tahoka's outstanding player defensively, and the Adams brothers and Jerry Brown showed improvement. But, the line was outcharged by the Eagle line most of the time.

Center Cecil Hammonds was Tahoka's outstanding player defensively, and the Adams brothers and Jerry Brown showed improvement. But, the line was outcharged by the Eagle line most of the time.

Again in the fourth, neither team could gain consistently.

Center Cecil Hammonds was Tahoka's outstanding player defensively, and the Adams brothers and Jerry Brown showed improvement. But, the line was outcharged by the Eagle line most of the time.

Post Is Victor At O'Donnell

O'Donnell Eagles lost their second game in a row, both to Class AA teams, Friday night when the Post Antelopes outscored them 39 to 19 before a large crowd at O'Donnell.

Five touchdowns were scored in a wild fourth quarter, when the Eagles got mad and stormed back for two of them.

Post scored in the first quarter on a 10-yard end run by Halfback Ray Gary. Another half back, Jack Morris, scored on a similar play in the second period, but the Eagles bounded right back with Ben Richbourg going 70 yards to score. Post Fullback Ronnie Kennedy hit the line for three to make the score 20 to 7 in favor of Post a halftime.

The third quarter was scoreless, but fireworks opened up in the fourth. The Antelope quarterback scored runs of 30 and 15 yards, and O'Donnell scored on a 30-yard run by Fullback Johnny McLaurin, and a few minutes later went 17 yards through the line to score again. Post scored again on Williams' interception of Mack Forbes' pass and ran 40 yards to pay dirt.

Mrs. Howard Crausbay of Crosbyton visited here last Friday and Saturday with her sisters, Mrs. Harley Henderson and Mrs. Frank Hill.

Wilson Winner In Friday Game

Wilson Mustangs ran away to a 26 to 12 victory over the Petersburg Buffaloes last Friday night before a home crowd at Wilson to give their new coach, Rick Spinks, also a new daddy, a second victory.

Petersburg scored first on a 30-yard run by J. W. Wortham, and as the culmination of a long drive in the fourth period, when Mac Shurbet went the last yard.

Soon after the Buffaloes first TD, Wilson came back to go ahead on a touchdown by Dan Lamb from a yard out and a conversion by Dewey Corley. Kenneth Ethridge raced 40 yards in the third quarter, and in the fourth QB Kenneth Hanes scored on a one-yard keeper play and Corley caught a pass from Hanes on a 45-yard play to score again. Corley also converted.

The Mustangs entertain the Lorenzo Hornets at Wilson this Friday night in the first conference game of the season.

Here Today!

A new kind of FORD with the mark of tomorrow

You're in for a thrill when you see this new knock-out named Ford! But save your superlatives till you drive it! That's where the fun really starts.

It's fun just knowing that the others who see you wish they were you. For you're commanding the longest, lowest, heaviest, biggest car ever to sport such a low price tag. There's head room to spare for a new fall bonnet... stretch-out space for a "Daddy Longlegs."

You'll find that the tough and ready new "Inner Ford" is built to take the roughest road you'll care to travel. New outboard rear springs and ball-joint front suspension let Ford take the turns without the tilt. New sweep-back control arms help take bounce out of bumps.

Best of all, Fords library-like quiet is built in. And the new "Inner Ford" is why. For never before in Ford's field has there been a body with so much extra bracing so firmly anchored to its foundation. And you can choose from three big Silver Anniversary V-8's with up to 245 horsepower. There's also a new Mileage Maker Six with 144 horsepower, the most modern Six in the industry.

You can pick your Ford tailored to your desires and your budget, too! Choose from nine Fairlane or Fairlane 500 models or from five Custom or Custom 300 models. Or take your pick from Ford's five longer, lower, new station wagons. Whichever model you select, you'll get a car that's been re-invented from the wheels up!

So there's the new kind of Ford. Big! Gracious! Spacious! A luxury car true—but one that any new-car buyer can easily afford. Come in! See what wonder-cars you can buy now at low Ford prices.

Go first with FORD for '57 SHIPLEY MOTOR CO.

The Fairlane Fords for '57, like the Fairlane 500 models, have no equal... no counterpart, in the low-price field.

TAHOKA, TEXAS

1229 LOCKWOOD ST.

Odds AND Ends

(By E. I. Hill, Editor)

Last week we got into astronomical figures in speculation on how old the land that makes up Stampede Valley may be and how long ago it may have been since the Indians first chased the buffaloes over its grassy bosom. Well, I am not going to undertake to tell you how long ago it might have been but I am going to call your attention to one phenomenon, which I merely mentioned last week, but which proves that it has been a long, long time, as we measure time. I refer to the Haunted Hill, one of the hills which rears its elongated cap among the other hills that constitute the range extending west from Moody. While all the other hills are made up of rich agricultural land the so-called Haunted Hill

is as barren as any gravel-bed you ever saw. As I remember it, for I have not been on it for many years, it is made up of clay mixed up with small bits of apparently broken-up red rock, possibly volcanic glass, or obsidian, and a substance which we used to think was isinglass but probably is mica, for all of the substances in the make-up of this hill were probably of igneous or volcanic origin. We have never seen at any time, anywhere, in all the black-land belt of Texas, another hill just like this one, or even similar to it. It is just as strange as if one of those barren peaks down in the vicinity of Post, or that one for example in the western suburbs of Sweetwater had been lifted up bodily and transplanted down here in this range of hills running westward out of Moody and furnishing the head-waters for one of the prongs of Stampede Creek. I should state also that the lower slopes of this hill on the south side, for several hundred years, were just as barren as the hill itself. I am no geologist nor the son of one, but if I were called upon to make a guess, I would guess that ages ago this hill resulted from a mighty local upheaval of the earth's crust, and that during the ages that have transpired since, erosion by wind and water has done its work. Anyway, I think that that range of hills and Stampede Valley have been here a long, long time.

had been gone not more than thirty-five or forty years. Stampede Creek had not received its name until about thirty-five years before that first little schoolhouse was built in Stampede valley. But a long string of stirring events must be mentioned in connection with that story. So I will give you that story when we get around to it in natural order.

I have not yet said scarcely a word about the kind of people who lived in Stampede Valley during my sojourn in that lovely new land of central Texas. People are the most important things in any country. So, I want to give you some idea of the people who began coming into that valley about the time of my birth, much as the buffalo had come possibly hundreds of years before that time. One good way to indicate the nationality and character of a people is to give their names. So, I am going to stop here to do that very thing to give you the names of many of the families who first settled in Stampede Valley or who lived in the hey-day of its existence as a notable and prosperous community. Some of the names I shall give you were borne by two or more families, in some instances by several families, during the period covered. So, here goes, not necessarily in the order of their prominence or importance, but as they naturally seem to occur to me:

The Marshalls, two initial families, Messers. Caleb and Joe Marshall; the Goodes, three initial families, Messers. Bill, Isaac, and Boss; two May families; the elderly John D. and a son Will, each leaving several children upon their death; the Witts, two families, Messers. Miney and Tom; the Eakins, four families, Messers. Josh, Dave, Elias (son), and Ned; the Jord Morris family; the Widows, Mrs. Newsom and family; the Widows, Mrs. Marrs and family; the Billie Payne family, the Bailey Pruitt family; the Charley Claypool family; Jerry Claypool and wife; my father and mother, Frank P. and Rachel Witt Hill, seven of whose ten children were born in Stampede Valley; all of these families and possibly others being initial settlers in the valley, and the following, who grew up and acquired families or who moved into the community in the hey-day of its existence: The McCauleys, five families: Jim McCauley and two sons, Will and Monroe, the first of whom married a daughter of Mr. Joe Marshall and reared a family; Billie and Frank McCauley, each of

whom had families, one of Billie McCauley, who studied Medicine and became a practicing physician, married Cens Hill, daughter of the above-named F. P. Hill, lived for awhile thereafter in Stampede valley and then moved to near-by Moody, where they still live; and several other McCauley children. Sim Witt, who came to Stampede Valley as a boy, being the son of the afore-said Mr. and Mrs. Miney Witt, who first married Miss Belle Marshall, daughter of Mr. Caleb Marshall—and on and on, I might name many others; including two Coleman families, three Goad families and numerous children; but the above includes most of the family names, nearly every one of whom I well knew, for I was born and reared in Stampede community, went to school and taught school, or at least kept school, there, and I realize right now that I have failed to mention the names of many others whom I knew such as the Tilley and Sam Carothers families, the Permenters, the John and Tom Turner families, the Bill Mann family; the Kelley family, Jake, Miss Maggie, Fenton, Harrison, and Lula, I believe, yes and John; the Oliver Witts; the Jim Lewises, my own sister and brother-in-law, and their two sons; the Henry Nelson family; the Jack Epperson family; the Harris Daniel family, the Sam Marshall family; the Joe Marshall Jr. family, and the Joe Burdett family, Mrs. Burdett being the former Queen Marshall, daughter of Mr. Caleb Marshall, Mrs. Burdett being one of the finest young women who ever grew up in that community.

Why have I used up all this space to give this long list of names of families that few of you ever knew? Because they go a long way in showing the character of the people who made the Stampede community outstanding, even famous, as a rural school and agricultural community. If you will notice, these names, almost without exception, are Anglo-Saxon and Scotch-Irish names. I do not claim that these nationalities are per se better than other northern or middle European peoples, but they are as good as the best. I do not claim that these Stampede people are better than many other Texans but I do believe that they are as good as the best. And that is the reason that they made this community, progressive, prosperous, and outstanding as a rural community in early-day Texas. One of the reasons, I should say. Another reason is that the trustees of the school, though lacking in school-book education themselves, were usually able to employ teachers of more than average ability to preside over the instruction and guidance of their children in the school-room. There were exceptions to the rule, however, of which I was one. While I felt that I was adequate as an instructor, I always felt that I was grossly lacking as a disciplinarian. There were a number of teachers, however, who clearly were above the average. One of the first teachers, I. N. Isbill, and two of the last teachers, Nannie and Mary Goode, who were reared in the community, were definitely outstanding. Following Mr. Isbill were two Tennesseans, W. E. O'Neal, who later spent many years as a teacher up in the Panhandle, and J. T. Sluder, who studied law and was admitted to the bar and practiced law for several years in Waco. Mr. Isbill taught five years all together. Between his era and that of the Goode sisters, at least three men besides this writer, who were graduates of the noted Thomas Arnold High School at Salado, taught at Stampede, Jim Haynes, Tom Whiteley, and P. H. McInnis. All were excellent teachers. Nannie and Mary Goode were also graduates of the Thomas Arnold, and were loved and appreciated by parents and students alike as perhaps no other teachers of the school ever were. I. N. Isbill was one of the very first teachers of the school, and during his five years of service he did more foundation work for the school and more general service for the community possibly than did any other man that ever lived in it for only that length of time.

Prof. Isbill was no protagonist of that fallacious fad that gained considerable popularity in some educational circles a few years ago.

to the effect that children should be allowed to do very much as they pleased while growing up—to live their own lives—both as an inalienable right and as a means of developing individuality and an independent spirit in them. No Sir, he believed in making free use of those long, keen, willow switches that grew down close to the water's edge on Stampede Creek. And he made use of them, believe me. And the sons of many parents, after getting a licking at school, were apt to get another one after they got home.

Another rather unusual characteristic of Prof. Isbill was that he loved to sing, and often at noon he would gather some of the older students, especially the girls, about him and they would make the schoolroom ring with vocal music. Usually it was sacred selections that they used or occasionally songs that they expected to use in some concert or other special occasion. Although he never opened school with Bible Readings or other religious services, yet these frequent noon or recess singings seemed to add something of a sacred tone to the work of the school and to cultivate higher aspirations on the part of the pupils. Much of the time during school sessions he had a debating society or literary society meeting periodically at night and these usually were beneficial and pleasant occasions. And I think he never failed to have a "concert" at the end of school, consisting of dialogues, declamations, and possibly a popular song or two. These were the occasions when the young orators in the school made the welkin ring with their flights of oratory. Mr. Isbill always staged these concerts on a platform constructed for the purpose outside the building, and the proud parents of the performers and many outside visitors were always seated on improvised plank seats and some chairs in front of the stage to laugh at the funny sallies made by the performers and to applaud the oratorical flights of the young Ciceros or Patrick Henrys who might be on the program.

Test Drive Today's New Flite-Fuel

DISCOVER WHY WE SAY:
IT'S PERFORMANCE THAT COUNTS!

- Higher anti-knock
- Easy starting
- Fast acceleration
- Clean-burning
- More mileage

Claims of gasoline performance are one thing—actual performance something entirely different. That's why we make this suggestion: you've got nothing to lose and a lot to gain by test driving Phillips 66 FLITE-FUEL. Let your car's performance be the judge.

You'll discover ease of starting and responsiveness that you may never have suspected your motor could deliver. You'll benefit from the smoothness of advanced high octane. You'll get the advantages of controlled volatility and positive anti-stalling, and more miles per gallon, too. No other gasoline gives you the combination of high performance components you get in FLITE-FUEL.

Why not give FLITE-FUEL a try? Fill up today at any station where you see the familiar orange and black Phillips 66 Shield.

(By Lee H. Williamson)
Most farmers have completed irrigation of their summer crops. What are they going to do with their irrigation equipment? A sizeable investment is represented by irrigation systems alone. Some will stock their equipment and wait till next spring to use it again. Others have or will plant winter crops and use their irrigation systems to water those crops that will improve the soil blowing and in a lot of cases produce a good crop that can be turned into cash.

Most farm irrigation systems represent an investment of around \$10,000 some of them running as much as \$20,000. To get the most for their money farmers should operate their irrigation system as many hours a year as possible. It is hard to justify that much expenditure for 3 months use. By irrigating a winter crop according to plant and soil needs and maintaining a safe reserve of moisture in the soil at all times the job of preplanting irrigation will be reduced by the amount of moisture in the soil planted to winter crop. If all the irrigated land is in cover crops and the soil moisture is maintained at 50 percent field capacity or above, then only half as much water will be required before spring planting as would be required had no winter irrigations been done.

The winter cover crop when properly incorporated into the soil will help reduce evaporation from the soil surface and increase water holding capacity and fertility of the soil. Increased water holding capacity will permit application of larger amounts of water at each irrigation and longer periods between irrigations. Every one knows the advantages of increased fertility. Soil conservation service technicians assisting your soil conservation district will be glad to help farmers with planning irrigated winter cover crops and in determining when and how much water to apply at

each irrigation. Remember it is just as important to do an efficient irrigation job on winter cover crops as on cotton. A good cover during the blow season can keep your soil at home for you to grow a crop on instead of it blowing on your neighbor and fouling up his field too.

Student Council Officers Named

New Home Student Council has elected officers for the year and selected Mr. R. O. Webb, high school principal, as the new sponsor.

The Student Council has 12 members, and officers are: Sylvia Edwards, president; Mary June Harrison, vice president; Martha Crooks, secretary and treasurer; and Mary Barnett, reporter.

The representatives, a boy and girl from each class, are: Gail Kieth and Leon Blackmon, seniors; Jeanel Brown and Joe Wayne Roper, juniors; Bobbie Swinson and Barney Castro, sophomores; and Gay and James and Edith Davis, freshmen.

Part of the yearly activities have already been planned, and include Western Day on October 5, Twirp Week on October 21 to 28, and Best Beau Party on December 14.

The Student Council has been busy decorating goal posts for the home games, selling tags, and putting up signs. The Leopards booster pins are in, and students are very proud of them.

The Council hopes to make this the best school year yet through an active Student Council and better high school spirit.

Mr. and Mrs. Lynn Carl Halamick returned last week end to Austin, where they are students in the University of Texas, after being here several days by reason of the death of his father.

Polo was developed in India.

Land Needed For Girls' Ranch Near Tahoka, Speaker Declares

Tahoka has an opportunity to secure a girls' ranch, or home for homeless girls, if the community will furnish the site, Dr. Vernon Shaw of Buckner Orphan Home, Dallas, revealed in a talk at Tahoka Rotary Club Thursday of last week.

Dr. Shaw was here all last week doing the preaching in the revival at the First Baptist Church of Tahoka.

He said the home would not be one for wayward girls, but for girls who were left orphans or without a place to live because of broken homes. Such a home is now being operated in another West Texas city, but must be moved soon. The News understands that a quarter section of land is desired as a site for the proposed home near Tahoka.

In his talk on "Child Welfare," Dr. Shaw said the Home is not keeping children; it is training them—giving homeless young folk an education, teaching them trades, Christian living, how to make good citizens.

There are 500 homes in Texas caring for 5,000 homeless people, he said. There are 630 homeless people at Buckner's. Originally started for orphan children only, the orphans now form the smallest group.

He told the high type of citizens being turned out by the homes as evidence of the training program to prepare children for their proper place in society.

The speaker also made an appeal to citizens to leave some of their worldly goods to the training of these unfortunate people.

"The tragedy is that most of us go through life and leave all our earthly goods behind," he said. "We take none of them with us when we die. One way we can make our lives count is to remember homeless people in our wills."

The speaker was introduced by Rev. Clifford Harris, Baptist pastor, who said Dr. Shaw had formerly served as pastor at Floydada and Snyder before going to Dallas.

President Johnny Reasonover announced that Tahoka Rotary Club is invited to the annual inter-city meeting at Lubbock on Thursday night, Oct. 11. L. C. Haney is round-up chairman for the meeting.

He also announced the annual Rotary Institute of District 183 being held that same day in Lubbock for club presidents, classification committee and information committee chairmen of the district.

He recognized Wynne Collier, president of the Texas Pharmaceutical Association, who appeared on the Texas In Review television program the previous Tuesday.

The Tahoka club held eight consecutive meetings in which the attendance was 100 percent, Reasonover said, and Granvel Ayer, one of the team chairmen in the current attendance contest urged a continuance of the 100 percent record.

MRS. BARDWELL DIES

Mrs. S. B. Bardwell, pioneer of Post, whose husband has been in charge of the Double-U Estate for many years and who is well known by many Lynn county people, died at her home in Lubbock Sunday following a lengthy illness.

Mr. and Mrs. Terry Thompson of Lubbock, formerly in business here, were visitors in Tahoka Monday. Seriously ill for a long time, Terry is now much improved, has his number of rest hours cut down considerably, and his physician says he may live a long life with proper care.

Wilson Cub Scout Leaders Named

Cub Pack 116 of Wilson, met Thursday, Sept. 27th, at 7:30 for their regular monthly pack meeting.

New leaders and cubs were recognized by Cubmaster Erwin Sander. A skit, "Old McDonald Had a Farm," was presented by Den 2.

Awards were presented to the following boys; Larry Raymond,

Bob Cat Badge; Johnny Koenig, Bear and one gold arrow point; Valton Maeker, Bear and one silver and one gold arrow point; Keith Sander, one gold and two silver arrow points; Ted Bartley, Bear badge.

A. L. Holder, assistant Cubmaster, presided over the closing ceremony.

Den Mothers are: Mrs. Newman Bartley, Mrs. Jiggs Swann, Mrs. Norris Raymond and Mrs. A. L. Holder.

NOTE OF THANKS
We sincerely thank each of you who, in any way, helped to supply the nice fresh vegetables and pastries for our food-freezer. And especially do we thank the kind persons who fixed our TV and sent the daily paper. These are thoughtful deeds we won't forget. May God bless each of you.—Dr. and Mrs. C. M. Overman, Route 1, Wilson.

YOUR CHILD MUST HAVE GOOD SCHOOLS

Good Schools MUST have Good Teachers

Needed—

A RETIREMENT PLAN To ATTRACT and HOLD Good Teachers

These are the facts...

- 100,000 Additional Boys and Girls are entering our Texas Public Schools each year.
- 4,000 Additional Qualified Teachers are needed each year to care for this great increase in enrollment.
- 5,000 to 7,000 Qualified Teachers are needed each year to replace teachers leaving Texas classrooms.

Vote FOR TEACHER RETIREMENT AMENDMENT 4 November 6

Ike Better Democrat Than Adlai, Says Supporter

A bunch of us were standing around talking the other day, and the talk got around to politics like it usually does. Some of the boys said they'd voted for Ike in '52 and were going to do it again; some of them said they'd always voted the Democratic ticket straight and always expected to—you know how it goes around a little Texas town.

One fellow said something that made the rest of us stop and think. He said he was a Democrat, sure—always had been, and his father and grandfather before him. And he always felt like he had to vote for the best Democrat in the race, which he was going to do this year.

"And that means," he said, "that I'll have to cast my vote for Ike Eisenhower. He's a better Democrat, by my definition of a Democrat, than that other fellow ever will be."

And besides that, he said, Ike kept his promises to Texas and Texas ought to return the favor by keeping Ike.

You know, he might have had something there. "Gratitude" is one of the greatest words in the English language, and we all like to think of ourselves as being grateful when people do something for us. Like I heard a man say one time: "Texans are people who never forget anything that is done TO them—or FOR them." That's the way we think of ourselves, and it's about right.

This Eisenhower man pointed out that Ike promised to give the Tidelands back to Texas, and he kept that promise; he promised to do his best to close out Mr. Truman's war in Korea, and he kept

that promise, and he promised to give us a government in Washington that we could be proud of, because it was clean and honest and efficient—and, in this man's opinion, he had kept that promise.

"I know you're reading and hearing a lot of stuff to the contrary," he told us, "coming from Brother Stevenson and the rest of the politicians on the other side. That's politics for you. Everybody expects them to jump on Ike every way they can, and I guess they'll keep on doing it right up to Nov. 6. But the American people are smarter than some politicians give them credit for being, and before they vote they're going to sit down and ask themselves this question:

"Remembering 1952, when our boys were dying in Korea and the newspapers were full of talk about mink coats and Communists and corruption in Washington—now, be honest about it: If you could, would you go back to 1952 and start over with Adlai Stevenson instead of Dwight D. Eisenhower?"

This man said he wouldn't, and come to think of it, I wouldn't either. As a matter of fact, I think Ike has made us one of the best presidents we ever had. If we had to go to war, I'd certainly rather have him at the head of our government than any other living American. But even more importantly—I'm convinced he is the best man to keep us OUT of war.

That's why I still like Ike—better than ever!

Yours truly,
Tex

(Pol. adv. paid for by Texas Democrats for Eisenhower, Weldon Hart, Director.)

Harvest Time...

Time to reap the joys of ELECTRIC COOKING!

You can live better electrically when you cook electrically.

It's the traditional time of the year to reap the joys of harvest and it's time, too, to reap the joys of electric cooking. If you're not yet one of the millions of modern women who already cook electrically, then it's time you learned how easy electric cooking is. Take cleanliness, for example. Electric cooking is clean... no messy pan bottoms to clean because nothing burns onto the tops of electric elements or the bottoms of pans. Ovens are insulated on ALL SIX SIDES and they're automatic... just set and forget... whole meals cook for you automatically. It's harvest time... time for you to reap the joys of electric cooking.

HOW DO YOU LIKE YOUR COOKING... electrically, you can have it either way, conventional, free-standing models or the delightful new custom built-ins. Your Reddy-Kilowatt Dealer can help you choose.
