## STANDING ON THE CORNER

With P. J.

Tuesday millions of Americans will go to the polls to vote. Some of them will go in interest of the world, some in interest of their country, some only in interest of their party, and many in interest of their own selfish greed and "what they can get out of it."

Too many of us will never know it's election day until the returns start coming in, too wrapped up in our own little world to care. Others figure their vote won't matter to a hill of beans and just not bother.

Your vote does count! Your little measly vote could entirely change our way of life, the history of America or more important still, the history of the world. Or your failure to vote could do the same thing.

Have you heard about the latest thing in the dancing world? It's called the Elvis Presley Dunk and is described as looking like three fingers holding a doughnut while being "dunked" in a cup of coffee.

We hear that Bernard Debonne, French student who was a guest of Tahoka Rotary Club summer before last, is now a student at U. C. L. A. studying the industrial phase of manufacturing citrus fruit juice.

He received a scholarship only by promising to return to France in June to enter military service and aid in the fighting in North Africa.

First golfer: I suppose you heard that James killed his wife with a golf club.

Second golfer: No! How many strokes?

Coming into contact with a conscientiously honest business man is just like a breath of fresh air. Most of them are honest, of course, but the one who "walks the second mile," so to speak, is

## Jay Kinard Dies In Fort Worth

Jay Kinard, 71, formerly of Tahoka, died in Fort Worth on Saturday, Oct. 20. The News has learned through a copy of the Hub Dwan Jones.

Jay had lived at Tahoka off and on for forty years. He had been in ill health for several years, and recently had been in a Fort Worth hospital.

Graveside funeral services were conducted the next day at Fairview Cemetery, Hubbard City, by Rev. A. G. Stanlee, pastor of the Itasca Methodist Church, assisted by Rev. H. H. Barnett, pastor of the Hubbard City Methodist Church.

He was born and reared at Hubbard City, where he was a rural mail carrier several years. Following the death of his wife in 1916, he came to Lynn county. He farmed here several years.

Surviving are two brothers, Ed and Frank Kinard, and two sisters, Mrs. John Truly and Mrs. John Ratcliff.

## Heavy Showers, Hail Hit County

Rain and hail fell over parts of Lynn County Monday night with the western portion apparently receiving the greatest damage.

Rainfall measured .06 in Tahoka. Chester Smith's place west of Tahoka received .75 and some hail, but damage was light. The Ross Smith place south of West Point also received hail, but Smith said that more damage was done north of him and that he did not receive too much.

Most of the cotton that received hail had been picked, farmers report, although possibly a few of the fields had not.

## Complete Runway At New Airport

The north-south runway at Tahoka Airport, a part of the Edwards-Childers Memorial Park, was completed last Friday, and the first plane landed on it Saturday.

The runway has been caliche by the Lynn county commissioners court, J. E. Nance of the airport committee states. Last week, the caliche was graded, watered, and rolled. Commissioner E. H. West of Precinct 4 furnished the main-tainer, and Warren Smith and B. A. Young did much of the work. The committee has hopes of putting on a hot top later.

Also, the committee hopes to build the longer-east-west runway next year.

Sam Pridmore of Lubbock, flying an Ercoupe, had the honor of being the first flyer to land on the new airstrip Saturday. He took his mother, Mrs. Beulah Pridmore, and others for rides while here.

## Wilson Plans Homecoming

Ex-students will be honored guests at Wilson Homecoming today when the Mustangs meet Whiteface in a conference contest.

A reception for the exes will be held from 6:00 p. m. to 7:00 p. m. in the school cafeteria where refreshments will be served.

Featured at the day's activities will be the crowning of the 1956 football queen whose identity will not be revealed until the ceremonies. Nominees, chosen by the football boys, include Ida Pearl Mason, Joyce Church and Norma Terry. The squad voted for the queen by secret ballot.

The band and pep squad will also perform at the coronation ceremonies.

Preceding the football tilt a bonfire will be held near the athletic field.

All ex-students attending will register at the evening meeting. Preparations are being made to organize an Ex-Students Association probably next year. Heretofore, Homecoming has not been an annual event, but plans are being made for it to become a tradition.

Activities this year have been planned by several committees from various classes of the Wilson schools.

## Omer T. Reed 's Buried Here

Graveside rites were held in Tahoka for Omer T. Reed, 55 years old, Thursday afternoon following funeral services which were held that morning in an Amarillo Baptist Church of which he was the pastor.

Reed was born Aug. 4, 1901 and was a long time resident of Lynn County having farmed here for many years near the Redwine community. He died of a heart attack Tuesday morning in Amarillo.

He was a brother of Mrs. Frank Stuart of Tahoka, but no other information was available here, and relatives could not be contacted.

## RENFRO BUYS STATION

Herman Renfro has taken over the Conoco Service Station located on Main Street on the Lubbock Highway. He has announced that the office of the Continental wholesale business will also be in the service station.

Rev. J. B. Stewart and A. M. Bray were in Waco Tuesday attending the meeting of the Commissioners of the Methodist Home.

Don't forget to vote Tuesday!

## Tahoka Homecoming, Football Game With Slaton Here Today

### Bulldogs Hope For Win Tonight

Tahoka Bulldogs meet the Slaton Tigers here tonight at 8:00 as the feature of the Homecoming Day for local ex-students, and one of the biggest crowds of the season is expected.

This will probably be the Bulldogs best chance to win a conference game this year, and if they play four full quarters like they did three quarters at Abilene last week they may turn the trick. The outcome will determine which one remains in the District 2-AA cellar, at least for another week.

Past records indicate Slaton is about the same strength as Tahoka, possibly has a little more scoring punch and a little weaker defense.

The Tigers have won two games, over Crosbyton 19 to 13 and over Roscoe 39 to 14; and lost six, to Seagraves 6 to 12, Sudan 13 to 14, Post 14 to 27, Lockney 6 to 31, Spur 6 to 52, and Floydada 6 to 25.

Tahoka has won one over O'Donnell 21 to 12, and lost six, to Plains 6 to 13, Denver City 18 to 7, Seagraves 0 to 20, Spur 7 to 48, Floydada 0 to 12, and Abilene 0 to 14.

Possible starters for the Tigers are: Rodney Kitten, 156, and Alex Franco, 165, ends; Dale Gordon, 180, and Don Wright, 225, tackles; Norberto Diez, 18, and Carlton Tumlinson, 165, guards; Alfred Blizard, 18, center; Douglas Corley, 150, quarterback; Lanny Swanner, 140, and Jerry Jones, 135, halfbacks; and Paul Pearson, 160 fullback.

### VFW Calls For Hospital Beds

Several hospital beds belonging to the VFW are desperately needed, according to C. W. Conway of the local post.

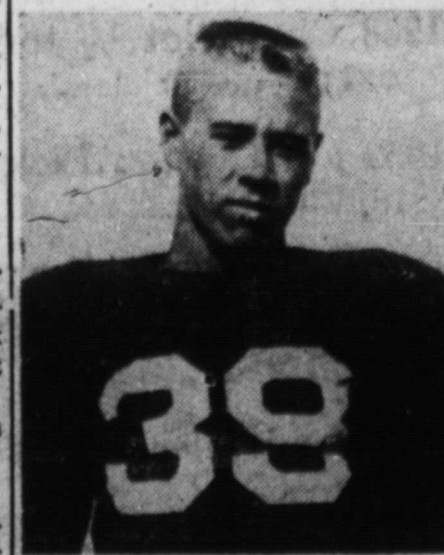

The Tahoka organization owns about 20 beds for the use of the public. These are now all out and an appeal is being made to those who have them to contact Mr. Conway. If they are being used, the VFW does not want the beds, but they do want to know who has them and whether or not they are being used.

Those who have these beds that are not in use are requested to comply with this urgent request immediately.

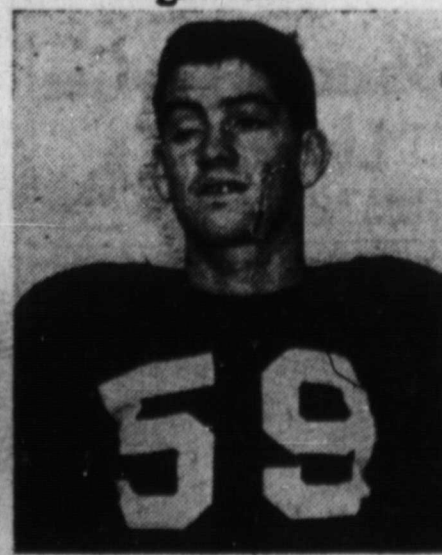

Mrs. I. M. Draper is reported to be improving steadily in Tahoka Hospital since she suffered a heart attack several weeks ago.

Vote Tuesday!

## Cotton Ginnings Are Past 60,000

Thursday morning at 9:00 o'clock 9,689 bales of cotton had been ginned at Tahoka's four gins.

An estimated 63,000 bales have been ginned over Lynn County. According to the Texas Employment Commission on Oct. 29 Lynn County was paying \$1.50 per hundred for cotton pulling on irrigated fields and from \$1.55 to \$1.60 per hundred on dryland.

## Mrs. Edwards Is Guest of T-Bar

About 150 people attended open house at T-Bar Country Club Sunday afternoon when the grounds were open to viewing and dinner was served in the evening.

A. N. Norman, Jr., president of the Country Club, presided at the open house, and welcomed visitors and guests.

Mrs. Mollie C. Edwards of Fort Worth, widow of the late Cass O. Edwards, was the honored guest of the occasion. Mrs. Edwards' whose husband founded T-Bar ranch, gave the land to the people of Lynn county for T-Bar Country Club and the Edwards' (Cont'd. On Back Page)

## Lions Club District Governor Pays Visit To Tahoka Organization

Don B. Stark of Amarillo, District Governor of Dist. 27-1, Lions International, which includes 82 clubs in this section of the state, was making his official visit to Tahoka Lions Club Thursday night.

Lion Stark is an Amarillo cabinet manufacturer, and has served as president, secretary, and zone chairman of San Jacinto Lions Club of that city. He holds the Master Key Membership award and the 100 percent attendance award. He is a member of San Jacinto Methodist Church and the American Legion. Lion Stark and wife, Sarah, have two children, a son, Dennis, and a daughter, Sarah Florence.

The District Governor met with the Tahoka club Thursday night at 7:30 p. m. and advised and assisted President E. W. Patterson, Secretary A. R. Milliken and the officers, directors and members of the club on matters pertaining to Lion administration and the Lions' great program of humanitarian service.

Lion Stark is one of the 293 (Cont'd. On Back Page)

## Many Exes Here For Annual Event

The crowning of the 1956 football queen at 7:30 p. m. preceding the Slaton-Tahoka football game Friday night will highlight Homecoming festivities which will begin at 1:00 p. m.

The queen, who has been chosen by members of the T-Club, will not be identified until the coronation ceremonies, which is being sponsored and prepared by the Student Council, headed by Kent Gibson.

Registration for ex-students and ex-teachers will begin at 1:00 p. m. in the high school building directly before the customary program, also sponsored by the Student Council.

First Lt. Duane Carter of the Naval Air Force in Pensacola, Fla. will be the principal speaker. An ex-letterman, he is a 1949 graduate of Tahoka High School. The invocation will be given by Ray Adams, and Wiley Lee Curry will give the response following the welcome by Kent Gibson. James Adams will recognize the guests.

Free tickets will be given the oldest ex-student or ex-teacher present and to the one who has traveled the greatest distance. Ex-lettermen will also receive free tickets to the football game and (Cont'd. On Back Page)

## VFW Is Helping Get Out Voters

"We fought for your right to vote. Please use it."

This is the slogan of the local VFW post, as well as those all over the nation, in a campaign to get the voters to the polls Nov. 6.

A special project of the local post, posters have been placed in various store windows in town depicting veterans from the Spanish-American War through the Korean War.

N. T. Conner said that every VFW post in the nation is joining in the effort to make the voters aware of the importance of their vote in the coming election.

## Elton Beard Is Injured In Wreck

Elton Beard of Wolforth, husband of the former Miss Mamie McClellan, was critically injured Saturday night in an accident on a farm road near Wolforth.

He was driving a pickup when it and a truck collided. Beard was taken to Methodist Hospital, and although he was in critical condition, he is now improving and is expected to continue doing so. No one in the truck was injured.

## J. H. Wyatt, 89, Dies Thursday

James Hunter Wyatt, 89 year old Lynn County pioneer, died at his home here Thursday morning at 5:45 a. m. He had been ill about one and one-half years.

Wyatt was born Oct. 27, 1867 in Ravenden, Ark. and married Miss Elizabeth Maddox in 1891 at Weatherford.

The couple moved to Lynn County in 1913 from Parker County and for many years farmed in the Three Lakes area. He later operated a feed, grain and coal business in Tahoka. He had been retired for several years.

He was a member of the First Methodist Church, where funeral services will be held today at 2 p. m. Burial will be in Tahoka Cemetery.

Survivors include his wife of Tahoka; three daughters, Mrs. Frances Carr of San Francisco, Calif., Miss Madeline Wyatt of California, and Mrs. Elizabeth Davis of Lubbock; three sons, Joseph W. Wyatt of Port Arthur, N. M., Wyatt and F. A. Wyatt, both of Tahoka; one brother, J. B. Wyatt of Weatherford; seven grandchildren and 10 great grandchildren.

## Woman Killed In Car Wreck

A car-pickup truck collision which occurred two miles south of Wilson Saturday night, took the life of one woman and injured two others.

Mrs. Edna L. Roland, 63 year old Negro woman of Dale, was fatally injured and Mr. and Mrs. D. E. Franklin of Lamesa were admitted to Tahoka Hospital with injuries.

They were moved to Lamesa General Hospital Monday.

The Franklins are reported to be in fair condition. The five children riding in the car driven by Franklin were not injured. Preston Roland, Jr., 33, son of the victim who was driving the pickup and his son, Clay, were treated for minor injuries, and his wife was not hurt.

The accident occurred as both vehicles traveled southwest toward Tahoka. The car attempted to pass the pickup as the latter made a left turn toward a country side road. The car rammed the left rear of the pickup and both vehicles spun into the barrow ditch on the side of the roadway. Neither overturned, however, although both the car and pickup were badly damaged.

## Boy Runs Through Door, Receives Cuts

Larry Earl Grider, age 7, almost had a serious accident Saturday morning around 8:00 o'clock, Oct. 20.

He was attempting to go out a storm proof door, while visiting his aunt, Mrs. Tom Cloe. Not knowing the door was locked, ran against it too hard, causing it to break and fall back in his face causing severe laceration on his right cheek, lip and forehead taking thirty two stitches to close the wounds.

## Wilson Lions Net Broom Sale Profit

The Wilson Lions Club last week sold brooms at that city and a total of \$520 was taken in, 25 percent of that to be profit for the club.

The brooms, which are made by the blind in Fort Worth, are sold all over Texas by the Lions Club. The makers receive the other 75 percent of the money.

The Wilson club expects to spend its \$130 improving the park and cemetery.

Tuesday, November 6, is election day, and everyone is being urged to exercise their right to vote in the General Election.

Deadline for absentee voting is today. Wednesday afternoon, a total of 64 absentee ballots had been cast with 27 more to come in, according to Mrs. Beulah Pridmore, county clerk. This will give a total of 91 absentee votes in the election, if all come in.

Appearing on the ballot for president and vice-president of the United States are Adlai E. Stevenson and Estes Kefauver on the Democratic ticket; Dwight D. Eisenhower and Richard M. Nixon on the Republican ticket; and T. Coleman Andrews and Thomas H. Werdel on the Constitution ticket.

Martin Dies is the Democratic nominee for Congressman-at-Large and Fred T. Spangler is the Constitution Party's nominee.

Price Daniel, on the Democratic ticket for Governor, is opposed by William R. Bryant on the Republican ticket.

The Democratic Party's choice for Attorney General, Will Wilson, is opposed by Republican Leo N. Duran. For Associate Justice, Supreme Court, place two, are Robert W. Calvert on the Democratic ticket and John R. Anthony on the Constitution ticket. Democrat William J. Murray, Jr. is opposed for Railroad Commissioner by Joseph M. Rummel of the Constitution Party, and the same parties have put up Robert S. Calvert and E. G. Brown, respectively, for Comptroller of Public Accounts, as well as Jesse James and Bard A. Logan, respectively, for State Treasurer. John C. White, of the Democratic Party, and Republican Samuel F. Singleton will vie for State Commissioner of Agriculture.

Locally speaking, there are not contests between the various parties, the candidates all appearing on the Democratic ticket. Also listed on the general election ballot are eight amendments to be voted for or against. A ninth will be voted on in a special election.

## Services Held For Mrs. George Nolte

Funeral services for Mrs. Emile Amanda Nolte, 79, of Wilson, were conducted at 3:00 p. m. Sunday in St. Paul's Lutheran Church. The Rev. G. W. Heinemeier officiated.

Burial was in Wilson Cemetery when the nephews were pallbearers.

Mrs. Nolte died at 2:45 a. m. Saturday a. m. in Tahoka Hospital where she had been a patient about four weeks. She had been ill about a year.

She was born Oct. 2, 1877 in Barlett. She married George A. Nolte at Aleman, August 6, 1922, and came to Lynn county in 1927.

Survivors include the husband of Wilson; three step-children, Mrs. Eliza Limmer of Lubbock, Mrs. Helen Kaatz of Fort Worth and Felix Nolte of Wilson; four sisters, Mrs. Rosa Schrank and Mrs. Otto Kelm, both of Hamilton, Mrs. Carrie Stahnke of Priddy, and Mrs. B. L. Wied of Wilson; three brothers, W. F. Limmer of Priddy, G. H. Limmer of Hamilton and Fred H. Limmer of McGregor; 11 grandchildren and three great grandchildren.

Mrs. E. A. Hargraves of Close City is a patient in Tahoka Hospital following an accident in her home in which her left arm was broken. She slipped and fell on freshly waxed floors Thursday of last week.

J. J. Waldrep has been visiting his son, Joe, in Iowa Park and his daughter and family in Seymour. He has also been visiting a brother and sister in Hamilton, a brother in Erath County. He returned home Monday.

### Garden Club Presents Autumn Flower Show

Tahoka Garden Club presented its "Autumn On The Plains" flower show on Saturday, October 27. Three judges from Lubbock judged the entries.

Divisions in the arrangements entered included line, mantle, all one color, hall table, coffee, table, miniature, children's, and Christmas. Tables were thanksgiving and Christmas. The horticulture specimens included roses, chrysanthemums, iris, shrubs, annuals, in the tri-color ribbons were awarded to outstanding entries in each division.

The art exhibit of water colors was shown with the flower show

### Hallowe'en Party Well Attended

About 80 children and parents attended the first children's event ever held at T-Bar Country Club Wednesday night when a Hallowe'en party was staged for the youngsters.

Mrs. Jack Alley Robinson, chairman of the children's activities committee directed the games for about 50 children from two years to 11 years of age.

Refreshments were served following the entertainment.

The next activity planned for the children is a Christmas party to be held Dec. 19.

### Methodist Youth Raise CROP Fund

The Methodist Youth Fellowship collected a total of \$145.00 here Tuesday night when they canvassed the town to "trick or treat" for CROP.

Various groups over the country have adopted this practice to aid the Christian Rural Overseas Program.

Those who are canvassing carry milk cartons bearing a band around them signifying them as a CROP donation container.

Mrs. Lucy Whittenburg, Sweetwater, was here last week end visiting her daughter, Mrs. J. T. (Abbie) Whorton.

### Trophy Bridge Will Continue Tuesday

A series of play was begun Tuesday night at T-Bar Country Club in duplicate bridge for a trophy. Five tables played the Howell movement.

The first place winners were Mrs. Meldon Leslie and Mrs. Frank Hill; second place, Mrs. D. W. Gagnat and Mrs. J. T. Whorton; third, Mrs. Sam Gatzki and Mrs. Bill Lumsden of Wilson; and fourth, Mrs. J. T. Forbes and Mrs. Clyde Winans of O'Donnell.

Next Tuesday night will end the series when winners will be announced.

### Today's MEDITATION from The World's Most Widely Used Devotional Guide

### The Upper Room

Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven. Matthew 5:16.)

Many Christians today ask the question, "How can I be true to my Christian calling when I am surrounded by so much that is unchristian? Jesus said, 'Ye are the light of the world.' Men do not 'light a candle, and put it under a bushel, but on a candlestick.' This does not mean that Christians are to hide somewhere; they have the obligation to be lights that shine into this unchristian world to make it a more decent place.

We are not called to criticize or condemn the world; Christ said, 'Go ye into all the world, and preach the gospel.' However, preaching is not confined to words only, but to living the gospel so that others will see our good works and glorify our Father in heaven.

This demands a faithful turning to God in prayer, and holding fast to those high standards of character revealed to us in the Sermon on the Mount. Only so will the light of Christ shine forth through us.

**PRAYER**  
Our heavenly Father, help us to be faithful to our Christian calling. Bless every humble soul who, in these days of turmoil, preaches sermons without words, and so shows forth the glory of Thy name through Jesus Christ our Lord. Amen.

**THOUGHT FOR THE DAY**  
Christian love best expresses itself in Christian actions.

### Film Will Be Shown At Church

"Ming May of Malaya" will be shown at the Methodist Church at the evening worship hour Sunday, Nov. 11.

The film's showing is being sponsored by the Commission on Missions in conjunction with the study on "Southeast Asia" being taken presently by the Women's Society of Christian Service.

### BUY ENGLISH HOME

Mr. and Mrs. Marvin Wood have bought the home of Mrs. D. B. English on North Fourth Street. The latter will live with her daughters, Mrs. Maurice Small of Tahoka and Mrs. Ed Bergfeld of Seguin.

Karen Jane Bonham, four year old daughter of Mr. and Mrs. Lewis Bonham, was released Friday from Methodist Hospital in Lubbock where she had been treated for a skull fracture and infection. Although her condition was critical when she was admitted on Monday she is now expected to recover completely.

## Dr. Conrad Lam, Former Tahokan, Is Heart Surgeon

Dr. Conrad R. Lam of Henry Ford Hospital in Detroit, an ex-student of Tahoka High School, has announced the use of a drug that stops the heart "dead in its tracks" and offers new possibilities for improved surgery inside the heart.

Dr. Lam is one of the most famous heart surgeons known and made a name for himself several years ago when he performed a heart operation never attempted before in history.

The new technique, that of injecting acetylcholine into the aorta, the main artery of the body, will provide greater ease for the surgeon, requires no blood transfusions, and does not institute the danger of picking up air bubbles and sending them to the brain as does the artificial heart-lung method.

So far, the heart has been stopped completely for as long as 35 minutes in experimental animals and 15 minutes in man, Dr. Lam said. It has been used in only one type of heart operation so far, but he feels that it will eventually have a place in all types of "open heart" surgery including "extensive plastic surgery with the heart" involving stoppage of the heart for about 30 minutes.

Dr. Lam graduated from high school here in about 1924. He went to Hardin-Simmons University as a band student and in that way worked his way through school. Although his father, a former Tahoka ginnee, is deceased, his mother still lives in Denver City. Conrad visited here a short time two years ago.

Mrs. "Shorty" McNeely and Tom from San Angelo arrived here Thursday morning to spend a few days with her parents, Mr. and Mrs. Harley Henderson. Mr. and Mrs. Claude Chapman and Dennis of Plainview were also expected to be here over the week-end.

If you fail to vote Tuesday, blame no one but yourself for the outcome of the election.

## Brief Outline Given On Proposed Amendments To Constitution

(By Vern Sanford)  
Texas Press Association

Austin—Eight decisions on state policy soon will be squarely up to the voters. In addition to party candidates, eight proposed amendments to the state constitution will appear on the general election ballot.

Through a procedural slip-up, a ninth will be considered at a special election on Nov. 13.

Each amendment will be printed on the ballot twice—once pre-

ceded by FOR and once by AGAINST. Voters must mark out the statement they oppose and leave the other clean.

Gist of the amendments and arguments pro and con:

1. Authorizes the legislature to compensate persons fined or imprisoned for crimes they did not commit. PRO: Would make amends for hardships unjustly imposed on the innocent. CON: Might open the door to numerous fraudulent claims.

2. Allows county commissioners courts to vary allocations of tax money without special elections. PRO: Greater flexibility would make for greater efficiency in county financial management. CON: Commissioners courts would have too much authority.

3. Adds other colleges to the building program financed by the University of Texas Permanent Fund and authorizes investment of the fund in corporate stocks and bonds as well as government bonds. PRO: Would provide an increase in college building money without new taxes. CON: Risk involved in wider investments is not worth the possible return.

4. Increase the benefits of the teacher retirement system. PRO: Would attract more persons to the dwindling profession. CON: Would increase taxpayer obligations by \$4,500,000, take a larger nick out of teachers' salaries.

5. Authorizes another \$100,000,000 bond issue for veterans land buying. PRO: Program has been put in order, and additional money is needed to enable more veterans to participate. CON: Program does not merit public confidence; only about one per cent of Texas veterans have benefited.

6. Provides a different oath of office form for elective and appointive officials. PRO: Would clarify present inconsistencies. CON: Clutters constitution with minor details.

7. Requires competent medical or psychiatric testimony before commitment of a person to a mental institution and allows waiver of jury trial, except in criminal cases. PRO: A mentally ill person should not be "convicted" as a criminal. CON: Jury trial is a safeguard against "railroading" of persons into mental institutions.

8. Permits judge to deny bail to persons convicted of two previous felonies. PRO: Would curb habitual criminals. CON: Right of bail is one of our fundamental civil rights.

9. Authorizes the Legislature to give aid with federal assistance to citizens permanently and totally disabled by a mental or physical handicap. PRO: State has a moral obligation to these needy persons. CON: Tie-in with federal program would lead to more federal encroachment.

## Safety Inspection Time Is Here

Getting early automobile safety inspections may mean the difference between life and death, according to G. C. Morris, executive secretary of the Highway Safety Council.

During the first month of the current inspection period, which will run through April 15, only 4 percent of the registered vehicles in Texas had been inspected.

"The importance of inspections have been proven by Department of Public Safety statistics," Morris said. "In 1951, before the inspection law went into effect, mechanical defects were a causative factor in 19 per cent of the fatal accidents in Texas. Last year, that figure had been reduced to 5 percent."

"These figures show beyond a doubt that a person whose car is in good mechanical condition is much less likely to be involved in a fatal accident," Morris said. "A person who waits until the last minute to get his car inspected is taking a dangerous gamble with his own life."

Last year, 43 percent of the vehicles inspected in Texas needed some adjustment or repair, and the average cost for such services was only eighty-eight cents, according to the Department of Public Safety.

## ACC Enrollment At Record High

Abilene, Nov. 1.—Abilene Christian College has reached a final fall enrollment of 2,202, an all-time record for the school.

Registrar Ken Rasco reports registration is up 5.9 per cent over the 2,080 record set in 1955.

This fall's student body includes representatives of 39 states and the District of Columbia, nine foreign countries and the Territory of Hawaii.

Mrs. Apolonis Hinojosa of Mission, Texas is in good condition in Tahoka Hospital following major surgery Tuesday night.

## Freight Reduced In Drouth Area

Walter T. McKay, the agency's State Director, was advised today of the designation of Farmers Home Administration to execute certification forms in connection with reduced freight rates recently worked out between the President and railroad representatives to further assist farmers and stockmen in drouth stricken areas. This revised tariff provides for a reduction of 50 percent in the freight rate of hay forwarded to destination due to the drouth and applies only in connection with hay purchases of individuals who are entitled to assistance under the Hay and Roughage program.

Farmers Administration is authorized to execute certificates in behalf of farmers and ranchers only. Details of the program and forms required may be obtained from local county Farmers Home Administration offices.

## Numerous Injuries Plague Leopards

Plagued all season by injuries, the New Home Leopards' small football squad was further hurt last week when Gary Roper broke an arm in practice. Nick Ford had received a broken arm during the week before the Wilson game. This makes eight players lost this season by injuries, illness and for other reasons, and Coach Hubert Williams has gotten to the point where he can barely field a well squad.

In spite of the continued misfortunes, the Leopards will go to Cooper tonight for a game with the pirates. If the Leopards can hold together, they have a good chance of winning another game today.

## O'Donnell Meets Frenship Tonight

O'Donnell Eagles entertain the Frenship Tigers tonight at O'Donnell in a conference game.

The Plains Cowboys ran rampant over the Eagles last Friday night to win 51 to 0, scoring three times in the first quarter, once in the second and twice in each of the last two periods.

The Eagles put up a game fight but could not handle the tough Cowboys.

## Bulldogs Look Better, But Lose To Abernathy 14-0

Tahoka spotted Abernathy two first quarter touchdowns there last Friday night, and then played the Antelopes a good ball game the rest of the way, losing their third conference game 14 to 0.

Receiving the opening kickoff, Abernathy marched 69 yards in 12 plays to score, with Fullback Billy Gist going the last five. Halfback Jimmy Gragg bucked over the extra point.

Tahoka had the ball four plays, and the Antelopes took over on Jerry Brown's 36 yard punt on the 38. Six plays later, with a 15-yard penalty on the Antelopes back to their 41, the Abernathy boys pulled a repeat performance of the screen pass pulled on Tahoka two weeks before by Floydada. QB Lane Tannehill faded back, let the Tahoka line sift through for a perfect set-up, and then passed to HB Manny Connell, who took the ball and went 50 yards to pay-dirt. Gragg again ran for the extra point.

The Bulldogs then decided to play football, and held the Antelopes from there on out.

Early in the second quarter, they appeared to have a drive underway when QB Karl Prohl intercepted a Tannehill pass on the nine.

Tahoka moved out to the 17, and on fourth down Brown received a high pass from center, giving Abernathy the ball on the Tahoka 8, but the Bulldogs held and the ball went over on the 3 and Tahoka moved out of the danger zone. The next time Abernathy had the ball, Prohl intercepted another pass, and Tahoka was moving down field at the halftime whistle.

Midway in the third, HB Jimmy Harter got away on a 45 yard gallop around his left end to the 11. Renfro made 9, and the next play Tahoka lost the ball on a fumble on the Abernathy two, when they had an almost certain score set up. Abernathy couldn't move, but Connell got away a booming 72-yard punt.

Tahoka seemed to have drives started twice in the fourth, but bogged down on the first and the second was stopped by a pass interception.

Abernathy made 8 of its 14 first downs in the first quarter, and made only three in the entire second half while Tahoka was making eight. The Bulldogs held Abernathy to 55 yards net rushing in the second half.

After the first quarter, the game was probably the best the Bulldogs have played this year, especially on defense.

## Wilson Seeking District Title

Wilson Mustangs continue to roll on undefeated in District 4-B play and now have Whiteface, Meadow, and New Deal remaining between them and a repeat performance as district champions.

Whiteface is also undefeated in three conference games, while Meadow has won two and lost one, and New Deal has won one and lost three.

The game with Whiteface at Wilson tonight could eliminate one of these two teams from the running.

Last Friday, playing again without the services of their big fullback, Dewey Corley, who suffered severe burns, Coach Rick Spinks' Mustangs had an easy time taking Cooper Pirates 33 to 13.

Halfback Dan Lamb scored three times, Fullback Joe Baker once, Halfback Kenneth Ethridge once, and Quarterback Jack Doken once. Cooper scored in the second and third periods.

## Award Prizes On Ladies' Day

Those who attend Ladies' Day at T-Bar Country Club are eligible to play golf for a prize, according to Mrs. Lester Strech, chairman of the ladies' golf.

Mrs. Jewel Smith was winner of a golf ball Tuesday at the Club, and the Tuesday before the ball was won by Mrs. A. L. Holder of Wilson.

## School Classes Visit News Office Friday

Sixty members in three groups of Jack Minter's Eighth Grade science classes visited The News office last Friday as one of a series of visits to learn how local businesses and industries operate.

The students were shown something of the operation of the intricate typesetting machine, the Linotype, how the paper is made up and printed, how pictures and illustrations are made, and operation of metal saw, router and automatic press.

The group expects to visit other places of business during the year.

## Juniors Win Two Lose One To Slaton

Tahoka junior football teams have won two out of three games this past week.

Tahoka Freshmen defeated Slaton 26 to 21 here Thursday night of last week, coming from behind to take the victory. The backfield, composed of George Adams, Tony Chapa, Jerry Bragg and David Copeland showed a lot of football know-how. Outstanding on defense were Lynn Cook and Richard Stice.

Tuesday night, Tahoka Eighth Grade won over Slaton 19 to 6, and the Seventh Grade teams tied 13-13.

Scoring for Tahoka in the Eighth Grade game were James Hyles, Billy Earl Cain, and Fred Hegl, and defensive stars were Cain, Sanford Mason, and Johnny Stewart. Douglas McClellan ran a good game at quarterback.

In the Seventh Grade game, Tommy Jones, Larry Thomas, and Fred Hegl (played in both games) were outstanding on offense, and Perry Flippin showed up well on defense.

The B team was at Abernathy this Thursday night, and the Junior High team will be there next Tuesday. The Freshmen go to Slaton Nov. 8, and both the B and Junior High go to Spur on Nov. 12 to make up a game rained out.

The B team recently defeated Abernathy 20 to 13.

## "Martin Luther" Film Showing

There will be a free showing of the world-renowned film "Martin Luther" in St. Paul Lutheran Church of Wilson, on November 4, 7:30 p. m.

This film received an "Oscar" for photographic excellence. It is being shown at this time in St. Paul Church in commemoration of the work of Reformation, and as an introduction to a course of Bible Lectures to be given by the Rev. G. W. Heinemeier entitled "What Does The Lutheran Church Stand For" each Sunday night at the 7:30 hour.

The film depicts the great work of rediscovering and reaffirming the Gospel of Jesus Christ through God's servant, Luther.

Everyone is welcome! Come and see it.

## "Must" Amendment

(From "The San Antonio Light")

A proposed amendment to the state constitution which would strengthen the retirement system for teachers will be on the ballot at the general election in November.

Amendment No. 4 deserves the close attention of every voter because we all support the public school system as taxpayers and most of us rely on public schools for our children's education.

It has been apparent for some years that the supply of well-qualified teachers is not keeping pace with the large increase in students.

Teaching is a profession which appeals strongly to thousands of men and women, who are willing to accept less money than they might expect to receive in business life, but who are as eager as anyone else to be self-supporting in their old age.

A better pension plan, we believe, would be a strong inducement to young persons with a yen for teaching and would hold in service many of the teachers who are now leaving the system at the rate of 7000 a year.

The enabling legislation, S. B. 290, has been passed and would become effective on passage of the amendment.

Teachers would be allowed to deposit up to 6 per cent of their salaries, instead of 5 percent, and the maximum annual deposit would jump from \$180 to \$504 per person.

No teacher could be eligible for retirement with less than 10 years' service. The minimum age would be 55, except for those with 30 years' service. Recipients would be barred from any other state pension and from direct state aid.

What is this plan going to cost the taxpayers? We can tell you that, too, because the state department of education made a complete research study.

Teachers would increase their deposits by \$4,500,000 a year and the state would match this amount. This sum is less than 1 per cent of the total operating costs for Texas Public schools.

The teacher retirement program is financed from the Omnibus fund. That fund is swelling by much more than \$4,500,000 a year because of the growth of Texas. Therefore no additional tax bill would be needed.

It would be absurd to pretend that the \$4,500,000, by some magic of bookkeeping, would not have to come out of the taxpayers' pockets. But the plan comes as close as you can hope to get "painless extraction."

The real question is: Can we afford to let our educational system deteriorate? There is only one answer to that.

For this reason, The Light strongly indorses Constitutional Amendment No. 4.

## Rex Webster Talks To Rotary Group

Rex Webster of Lubbock, governor of the 183rd Rotary district, was the speaker at the Tahoka Rotary Thursday noon of last week on his annual visit.

In his talk, he declared the Tahoka club is one of the very best all-round clubs in the district, that no club had better organization, and that no club has a better president and secretary than Johnny Reasonover and Walter Mathis, local president and secretary.

The night before, Wednesday, he met with 18 club officers and committee chairmen at Tahoka City Hall to go over with them the year's program of work. At the same time, local Rotary Annis entertained Mrs. Webster at the THS Homemaking Cottage.

President Reasonover announced that Morris Higley, Childress newspaper publisher, has been certified as the district governor nominee for next year, and that the number of the district will be changed from 183 to 573.

The local club has had 13 consecutive meetings with 100 percent attendance.

Foster Dudgeon underwent an appendectomy in Tahoka Hospital Monday and is in good condition.

Mrs. H. D. Nelson, who underwent major surgery in Tahoka Hospital last week, is in good condition.

District Governors who supervised the activities of the 12,415 Lions Clubs International was formally founded in 1917 in Dallas, and during the past 39 years has become the largest, and fastest growing service club organization in the world. There were on June 30, Lions Clubs in 75 countries or geographical locations of the world with a membership of over 546,447. During the fiscal year of 1955-56, 1,005 new Lions Clubs were organized.

The Lions Clubs' special mission is the promotion of good government and good citizenship, the development of civic, educational, social and moral welfare of the community and nation, and to help create and foster "a spirit of generous consideration among the peoples of the world." The slogan of The International Association of Lions Clubs is "Liberty, Intelligence, our Nation's Safety." Its motto is "We Serve."

Tahoka is an active unit of the International Association of Lions Clubs, which is dedicated to community betterment in all its aspects; to national and economic, social and cultural progress; and to the promotion of international understanding and amity. In all these fields Lions International has won strong influence and prestige, because of its countless constructive services.

Other special guests were Mrs. Edward's sister, Mrs. Chapman, also of Fort Worth; her sister-in-law, Mrs. Dave Childers, of Lubbock; and Mrs. Childers' son-in-law, John Harding, Texas Tech professor.

Preceding the meal, at which about 100 were fed, Rev. J. B. Stewart gave the invocation. The meal was prepared by Mr. and Mrs. Lester Strech and Mrs. C. W. Conway.

At the Scotch-Foursome played in the afternoon in which 40 participated, Mrs. Reble Thomas and Jake Jacobs were first place winners and received a ham each. Second place winners were Mrs. Otis Spears and Robert Harvick, and each received two golf balls. Mrs. J. T. Whorton and A. N. Norman, Jr., third place winners, were awarded one golf ball each.

Mrs. Jack Smith won the ladies' long driving contest and G. W. White won the men's long driving contest. Each received one golf ball.

Lester Strech has announced that the golf ladder is now up in the club house and that the men will qualify on Sunday for their starting positions on the ladder. The women are expected to qualify soon.

The one in first place will be on the top rung on the ladder, and so on down the line. Anyone may challenge another not over three rungs ahead of him, for his place on the ladder. If the challenger wins, the names on the rungs are exchanged.

Mr. and Mrs. C. C. Dwight had as their guests Wednesday her two sisters, Miss Mamie and Miss Mattie Mayes, of Fort Worth. They were to go on to Olton to visit their brother before returning home.

reserved seats will be set up along the sidelines for them.

A banquet and get-together have been planned for the exes, the banquet to be held at 6:00 p. m. in the school cafeteria after which a business meeting will be held. The get-together will be held at the American Legion Hall following the football game when free coffee and doughnuts will be served. Tickets for the banquet are \$1.50 each.

Entertainment will be furnished at the banquet by Mrs. E. W. Patterson, according to C. W. Conway, president of the Ex-Students Association.

Other officers of the Association are Mrs. Turner Rogers, secretary, Robert Harvick, vice president, and Mrs. Olen Renfro, reporter. School will be dismissed following the afternoon program for the exes, according to High School Principal John Shepherd, and the busses will run at that time.

Tahoka High School Bulldog Band will march through town following the dismissal of school and will also take part in half-time activities of the evening's football game.

All ex-band students are also invited to the Band Hall for a reception following the football game, according to Mrs. Jack Adams, president of the Band Mothers Club.

Most people, too, will continue to go to the store where such an attitude is exhibited.

No one is born with intolerance; it is acquired through narrow thinking.

Have you given much thought to Amendment No. 7 which concerns mental health?

Mental health definitely is one of our nation's greatest problems, one that any of us could one day be a part of.

The amendment has to do with psychiatric statement before a person can be convicted of a crime, among other phases. The Amarillo and Borger Societies for Mental Health have become vitally interested in this amendment and are convinced that its adoption will definitely modernize and improve the method of committing patients to mental hospitals in this state.

On another page of this issue you will find the entire list of amendments to be voted for or against, their contents, and the arguments pro and con.

Read this before you vote and give them serious thought. They are important, so do not be too hasty in making up your mind which stand you will take.

Have you noticed some of the school classes scurrying here and there looking at this and that? Jack Minter regularly takes his classes on field trips so they can see the progress of their community as well as hear about it.

Dust was beginning to blow across dry west Texas Monday morning when a traveler pulled into a Tahoka gas station.

Engineers of the Soil Conservation Service assigned to the district, serviced several referrals for underground pipe that had requested assistance from the local ASC office. These referrals are field serviced as to location, feasibility, and topography of the land and compliance to all regulations. All underground pipe should fit into a conservation irrigation system and possible future operation should be taken into consideration so that the initial installation will be adequate if late extensions are planned.

W. C. Morris, north east of Draw used one of the District's farm lines for locating a well, running ditches and row lines and also for building a building foundation. These lines are for the use of farmers as a service of the District.

Glen Evans, south east of Tahoka, made application for planning assistance on irrigation and terracing on dry land. Glen wants to establish a terrace system and an irrigation system that will go together on the same piece of land. Glen said that the heavy rain in July of last year caused considerable damage by water erosion in addition to the loss of water for crop production.

## Citizens May Vote As They Please On Election Day, November 6

Austin, Nov. 1—As a Texan and free American citizen, you can vote any way you please.

Some people are trying to raise legal technicalities about the ballot, and to tell you that unless you vote in a certain way, your ballot will not be counted.

That is simply not true. Your knowledge of our system of government tells you truly that the purpose of an election is to give you the opportunity to express yourself.

That's your right and your privilege as a citizen of the United States of America.

You can vote the Democratic ticket straight.

You can vote the Republican ticket straight.

Or you can split your ticket.

Any way you vote, your ballot will be counted.

The law that governs the way for you to vote is simple and clear.

Whatever your preference may be, if you vote as suggested below your ballot will be counted.

If your voting precinct does not

have voting machines, and if you want to vote for Eisenhower and Nixon on a split ticket, for example, this is what you do.

Run a line through the names of Stevenson and Kefauver in the Democratic column and leave the names of Eisenhower and Nixon in the Republican column.

Then mark out or leave the other column and candidates according to your choice.

### JAMES BARNETT NAMED MAJOR AT TARLETON

Stephenville, Nov. 1—James Barnett, son of Mr. and Mrs. W. N. Barnett, route 4, Tahoka, has been named a major of the Cadet Corps at Tarleton State College here.

He is one of five students in the college named to this high rank by Lt. Col. Belton E. Weeks Jr., professor of military science and tactics. Thirty-eight Cadet officers in the Tarleton ROTC were named by Col. Weeks.

Clint Sikes is still on crutches from a broken bone in his right foot received some time ago while hunting doves near Meridian while he and family were visiting Mrs. Sikes' mother.

## ELECTRIC RANGE AND WATER HEATER FIT INTO ANY PLAN...

*the modern way!*

It's 1956... start now to live better electrically. See your Reddy Kilowatt Electric Appliance Dealer

Plan your home around electric living. You can start with a built-in electric range which consists of the electric surface units and the electric oven, or, if you prefer, you can choose the popular "stand-up" electric range. Either way you'll find that electric cooking blends into the decorative scheme of the modern home. Electric appliances are modern to use; best of all they even LOOK modern. The electric water heater can be a part of the kitchen cabinet line giving you more table top work space and a silhouette which marks your kitchen as up-to-date. And, remember, an electric range and water heater require no vents or flues. They are perfectly safe, too. Yes, electric cooking and electric water heating fit into any plan whether you're building new or remodeling. You CAN live better electrically.

(By E. I. The Elder)

The Thanksgiving and Christmas holidays are now rapidly approaching. We are nominally a Christian nation. As such we are naturally interested in the Holy Land. And so are the Jews, who are descendants of the ancient inhabitants of the Holy Land. More than usual perhaps both of these classes of our people are now interested in the Holy Land, for, more so than usual, the Holy Land is now a troubled land. So, also is the land of Egypt, Arabia, and Iraq. And Iran. Americans as world citizens, more than usual, are now interested in all these lands. Some two years ago this Column published many chapters from a little book entitled "Living Where Jesus Lived," written in 1941 by Miss Emma Jewell Ross of Dallas, Texas, telling us much about the customs and everyday life of the people of that ancient and historic region which many of the readers of this Column greatly enjoyed. I am sure, but I did not quite finish the series of articles which I had intended to publish and have never gotten back to the job. I think our people are more interested in this region

but was worn for centuries before Mohammed was born.

Rebekah was wearing a veil when she crossed the desert to meet her young lover Isaac. "And Rebekah lifted up her eyes, and when she saw Isaac, she lighted off the camel."

"For she had said unto the servant, 'What man is this that walketh in the field to meet us?' And the servant had said, 'It is my Master: therefore she took a veil, and covered herself.'" (Gen. 24:64,65)

This was my first journey with an English speaking traveling companion. As the train pulled in, my porter rushed on and secured a compartment for me in a second-class coach. There is always a mad scramble to get a compartment alone if possible. My porter succeeded. After he had planted my baggage in the compartment, he hung out the window and motioned for me to come aboard.

As I was bargaining with a fruit peddler for some oranges, an attractive young woman came along, looking for a vacant apartment. I asked her to share mine, which she did. She was a teacher at an English mission school in a town about three hours' ride by train from Cairo. She had a day off every two weeks, and this holiday she had been spending with a teacher friend in Cairo. She was from Scotland, and this was her first time out. She would have a furlough in two months and would be going home; but of course she was coming back for she liked her work very much. When supper time came, she put out her lunch and bottle of water, and I got out mine, and we had a nice friendly meal together as we traveled through the Delta country.

It was to this land that Joseph and Mary fled with the little baby Jesus when King Herod was seeking to kill the young child. After the Wisemen had worshiped the baby Jesus in Bethlehem and given him gifts, they went into their own country by another way for they had been warned of God in a dream that they should not return to the wicked King Herod. And when they were departed the angel of the Lord appeared to Joseph in a dream saying, "Arise and take the young child and his mother and flee into Egypt. And be thou there until I bring you word, for Herod will seek the young child to destroy him."

Then Joseph arose and took the young child and his mother by night and departed into Egypt and was there until the death of Herod (From Matt 2:13-15).

Here in a foreign country the young parents established their new home, and watched with loving care over Jesus as he grew up in this land of eternal sunshine.

Twelve centuries before this, another boy, Moses by name, had lived in this country of Egypt and had been hidden away by a loving mother and sister when a wicked king sought to kill him and all the other infant sons of the Hebrew people. "And Pharaoh charged all his people, saying, every son that is born ye shall cast into the river." (Exodus 1:22).

But one young Hebrew mother hid her baby for three months, and when she could no longer hide him, she took an ark of bulrushes and daubed it with mud and pitch and put her child in the ark and left it among the reeds that grew on the edge of the river. A little girl, the baby's sister, stood afar off and watched to see what would happen to him.

And the daughter of Pharaoh, the king, came down to bathe in

the river; and she and her maidens walked along by the river's side; and when she saw the ark among the reeds, she sent the maid to fetch it. And when she had opened it, she saw the child; and the child cried. She pitied the baby and said, "This is one of the Hebrew children."

Then the sister said to Pharaoh's daughter, "Shall I go and call a nurse of the Hebrew women that she may nurse the child for thee?"

And Pharaoh's daughter said to her, "Go," and the sister went and called the child's mother.

And Pharaoh's daughter said unto her, "Take this child away and nurse it for me, and I will give thee thy wages."

Then the mother took the child and cared for him. And the child grew, and she brought him to Pharaoh's daughter, and he became her son, and she called his name Moses. (From Exodus 2:3-10).

It was in this land of Goshen where the Israelites spent so many unhappy years. It was here they built for Pharaoh the cities of Pithom and Raamses. "Therefore they did set over them taskmasters to afflict them with their burdens. And they built for Pharaoh treasure cities, Pithom and Raamses." (Exodus 1:11).

Recent excavations near here confirm the Bible story of this old Pharaoh who was so unspeakably cruel to the Israelites. Apparently he was a proud and haughty ruler who left many monuments and statues with his name written upon them in the picture language of his day. It was also near here that the Israelites were forced to gather their own straw for making bricks when Pharaoh wanted to make the task still harder. "And Pharaoh commanded the same day the taskmasters of the people, and their officers, saying, 'Ye shall no more give the people straw to make brick, as heretofore; let them go and gather straw for themselves.'" (Exodus 1:6-7).

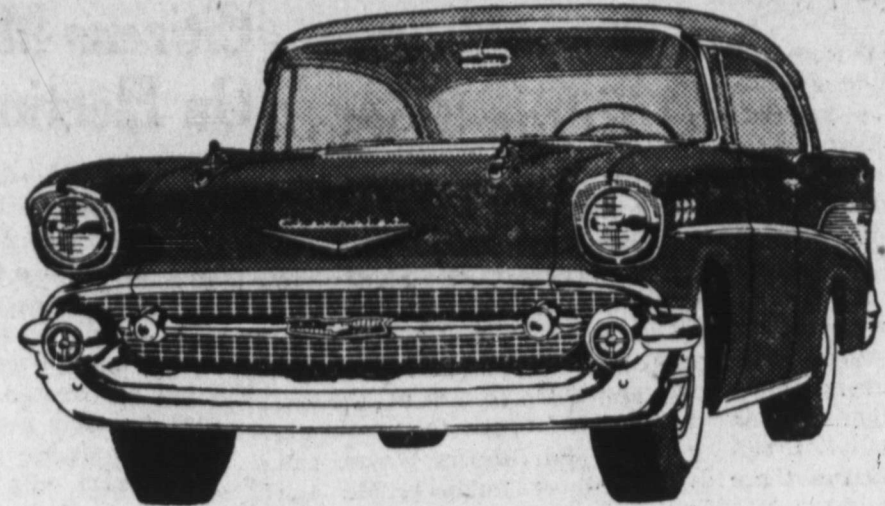

Archaeologists tell us that the sun-dried brick, made in Egypt today, is practically the same as that which the children of Israel made

under the taskmasters. Even among the Pueblo Indians of New Mexico, United States of America, we find

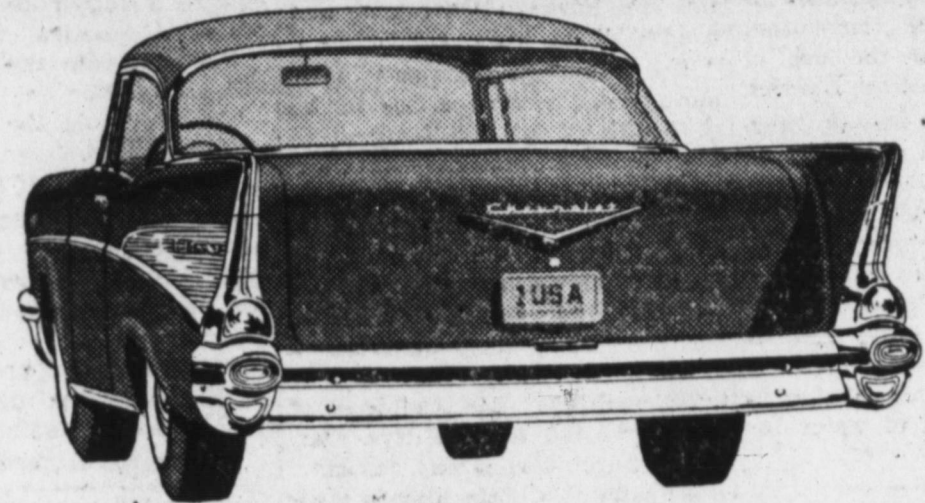

houses built of bricks made of adobe mud mixed with straw.

My companion told me much of her life and work with the people. (Cont'd. on Next Page)

## Odds & Ends

(Continued)

I was sorry to have her go; but soon after dark we reached her station and she was off, with a parting request to the train officer in Arabic that he see me safely off at Kantara. This section of the "Milk and Honey Express" was going on to Port Said, I was to cross the Suez Canal by ferry and take a train on the other side for Jerusalem, after passing through customs.

I knew our train was due in Kantara about ten o'clock, and I was trying to watch the time. Near ten, we stopped; I looked out but could see nothing like a village and there were no porters about. I decided we must be having engine trouble again, as we had made several stops before on this account. Presently several Egyptian men came into my compartment and seated themselves. They all wore western clothes except the head piece; three wore fez caps, and one wore the Bedouin "Kaffiyeh" and "egal." (The "Kaffiyeh" is a square piece of silk in white or colors, kept in place by the "egal," which is a thick black cord made of yarn or silk.) This same kind of head covering has been worn by men of Egypt and Palestine since Bible times.

After waiting a few minutes longer, I said in my very best Arabic, "Pardon, Kantara?" whereupon they all jumped up, became very much excited, and grabbed my baggage. I kept leaning out the window and calling, "American Express! American Express!" but nobody came. By this time the men

had my baggage out in the aisle and were making signs for me to climb out of the door (the train was standing on a bank, and it was a climb of several feet down to the ground); however, since they insisted and seemed to have my good at heart I started to climb, still calling, "American Express! American Express!" They had my baggage ready to hand to me, and just as I started to swing off into the night, one of the men offered to hold my purse, which was rather large, but as it contained my most important passport and my railroad ticket, I refused his kind assistance and held on to it. Just as I reached the ground, the train started, and the men threw my baggage down to me. With many thanks from my limited vocabulary I hurried after them, they were gone. The officer of the train had forgotten his promise of a few hours before to my Scottish friend.

Where was the station? Suddenly, a very young man appeared, wearing an American Express cap, for, except while I was thanking the Egyptian gentlemen, I had never ceased calling "American Express!" As I had an American Express ticket, I turned my bag over to him and followed. After walking a block or more, we came to the station; I asked him why he was not there to meet the train, and told him I almost got lost; then I realized he was not understanding a word I said and that I might just as well save my breath for the next episode. He took me on to the ferry boat, and we crossed the Suez Canal into the land of the Sinai desert. When we landed, he took my bags and simply walked through the custom room with them; did not open them or show them to anybody; but they had been "through customs." That was because I had an American Express ticket, and then my little old bags did not look very prosperous; both having seen several years hard travel in the U. S. A. I discovered long ago in traveling in foreign countries that passengers got "through customs" with much less trouble, if they had poor looking baggage, and I never fail to carry that kind. P. S.—

Now, in addition to the above fine contribution to this Column sent in by Miss Ross, I wish to add a word political myself. I am a

Democrat and have scratched the regular Democratic ticket only a few times in my life. I have watched this Presidential campaign this year in virtual silence, but I have read quite a good deal and have listened a lot. This newspaper will go out through the mails on Friday morning of this week, and on Tuesday of next week we will go to the polls and vote. I hope that I may be pardoned for expressing the hope that all of us will resolve to vote for country above party and for righteousness against the evil machinations of men, if I may do so without seeming to be obtrusive. Common honesty, it seems to me, fairness, sound judgment, our own internal interests, and the present state of world affairs seem to render it imperative that we re-elect President Eisenhower to lead us in these crucial times and that talented and brilliant Richard M. Nixon of California as his running mate; and I believe that the people of this country will do it. I think that it would be a fine thing if Texas would help again to do that very thing. But—whatever you do, vote as you please next Tuesday.—Finis.

### Barnett Named "Cadet of The Week"

Major Barnett, 20, son of Mr. and Mrs. W. N. Barnett of New Home, a sophomore in Tarleton State College, Stephenville, was named "Cadet of the Week" at the school for last week, according to J-TAC, the student newspaper.

James is a 1955 graduate of New Home High School, where he lettered in both football and basketball three years, and in his senior year was student council president, senior class president, and named "Mr. New Home High School" by the student body, and a leader in student activities throughout his high school career. At Tarleton, Barnett is First Sergeant in the Wainwright Rifles, adjutant on the regimental corps staff, and was a member of the best squad last year. He plays shortstop on an intramural softball team.

Barnett hopes to attend Texas Tech after graduation from Tarleton and his ambition is to become a football coach.

# Democrats of Lynn County

You have done an outstanding job in the past several months in the furtherance of the ideals and principles of the Democratic Party of Lynn County and Texas, and you are to be commended.

Working together as a team, we have held two Democratic Primary elections, wherein an outstanding slate of Democratic nominees were selected. We also have held two sets of Democratic Precinct Conventions, which were, without question, the most enthusiastically supported in Lynn County history. We sent a full slate of Democratic Delegates to both Democratic State Conventions this year to represent Lynn County in the councils of our Party. The Democratic fund raising campaign in Lynn County has been a big success, and we are already "over the top" on our county quota.

Let us all continue to work together, and on General Election Day, Tuesday, November

6th, let's give Lynn County the largest Democratic vote in history by supporting EVERY NOMINEE in the Democratic column—from Precinct to President.

Also, we should not lose sight of the fact that Lynn County's voting strength in the Democratic Conventions of 1958 will be based on the number of votes cast in this election for the Democratic nominee for Governor—one delegate for each 300 votes cast. This year we had three delegates when we should have had eight or nine. Let us not again forfeit our right to our fair representation in the councils of our Party!

The rest is up to you, Mr. and Mrs. Democrat of Lynn County, and we know you will not let your vote go by default. We'll see you at the polls on Election Day, and WE'LL ALL BE VOTING DEMOCRATIC, TOO!
