STANDING ON THE CORNER

The Real Test
Three young Negroes were arguing rather heatedly about the merits of the respective church denominations, while a much older, white-haired oldtimer looked on. Finally, they turned to him and asked, "What's your denomination, Uncle Sam?"

"Well, boys," he answered slowly, "somehow, it seems to me sort of like this: There's three roads goes from here to town—de long road, de short road, and de road through the swamp—but when I gets to town with my load of cotton, de man don't say, 'Uncle Sam Henry, which road you done come by?' But he just say, 'Sam, how good is yo cotton?'"

Our thanks to Mrs. Edward Pool for submitting the above.

The other day Pete Hegi looked up from his cage in the First National Bank to see a new client looking for a place to make her "deposit."

It turned out to be one of Pete's hens, who had apparently followed him to work. She was kind enough to wait, however, until she was returned to her nest before actually making her deposit.

What really happened, Pete says, is that the gate was somehow left open on his farm about a mile north of town and evidently the hen flew into the back of the pick-up and got a free ride to town. The strange part was that she found her owner.

In spite of the week-end blizzard, it is nevertheless spring, and with spring comes the "yo-yo" craze. Children and teen-agers go along the street keeping time to the rhythm of the yo-yo string. This is not in the least unusual. It is a little unusual, though, when our dignified local attorney, Cal-

Conquer Cancer Day Is April 9

April 9 has been designated C-Day or Conquer Cancer Day in Lynn County, according to Mrs. C. Skiles Thomas, county campaign chairman.

On that day, Tuesday, Boy Scouts of Tahoka, assisted by the Cub Scouts, will canvass the business district of the town for cash donations at 4:00 p. m. under the leadership of Ray Hopkins and James Huey. E. B. Gaither has been in charge of organizing this part of the drive.

Between 7:00 and 9:00 p. m. volunteers from civic clubs will make a house-to-house canvass in behalf of the cause.

Joe D. Unfried is chairman of the New Home community, Mrs. Alex Sanders is in charge of the Wilson campaign, Mrs. Noble Rumble heads the O'Donnell drive, and Mrs. O. C. Harrison will be in charge of the drive at Grassland. Other communities will also be contacted, Mrs. Thomas said.

"The volunteers," Mrs. Thomas said, "will not only raise the money needed for cancer control, but they will leave in every home contacted educational life-saving literature. People will be urged to have an annual health examination."

"We know now that we could save half of all those who develop cancer but we are saving only one third. Early examinations would mean that many additional lives would be saved."

In announcing C-Day Mrs. Thomas made a strong appeal for volunteers to work in the campaign in both Tahoka and other communities of the county.

H. W. Carter is chairman of the Lynn County Cancer Society; E. B. Moore of O'Donnell is vice chairman; Mrs. J. E. Officer, secretary; J. W. Inklebarger, treasurer; Mrs. Pete Hegi, educational chairman; and Frank Hill publicity.

Two Elections Set For Next Tuesday

Election of United States Senator to fill the unexpired term of Governor Price Daniel will be held in Lynn County, Tuesday, April 2, in the 12 precincts.

A total of 22 names appear on the ballot from all over Texas.

The precincts, judges and the voting places include North Tahoka, E. R. Edwards, judge, county court room; South Tahoka, John F. Thomas, home demonstration agent's office; West Tahoka, George Claude Wells, high school building; Wilson, C. E. Campbell, high school; O'Donnell, Ralph Beach, high school; New Home, Tom Russell, Community Center; Draw, Graham Hensley, Methodist Church; Grassland, H. W. Edwards, Jr., school building; Gordon, J. O. Reed, Sr., gin office; Garnolia, J. B. Ray, school building; Newmoore, N. S. Parker, Community Center; Lakeview, A. C. Fillingim, Sr., McNabb Gin office.

Alton Cain is presiding judge of the absentee voting, which has been very light in this election.

City Election Next Tuesday

Voters in Tahoka will go to the polls at the City Hall Tuesday, April 2, to choose a mayor and two aldermen for the City Council. There is a race in each case.

The names of H. B. McCord, Sr., and J. E. Nance will appear on the ballot as candidates for mayor. Clint Walker has served as mayor during the last term.

McCord is in the automobile and wholesale oil business while Nance is a farm operator.

Running for City aldermen to succeed Wynne Collier and Herman Heck are four candidates, Dr. C. Skiles Thomas, Jack P. Robinson, Meldon Leslie, and W. D. Harmon. Dr. Thomas is a physician, Robinson a water well drilling contractor, Leslie a farm operator, and Harmon is manager of Poka-Lambro Rural Telephone Cooperative.

Considerable interest in the election has been worked up in Tahoka and a better than average turn-out of voters is expected.

Holdover members of the City Council are Everton Nevill, Albert Curry and Winston Wharton.

Revival At Wells Starting Monday

Wells Baptist Church will have a revival meeting April 1 through 7, according to the pastor, Rev. D. W. Copeland.

Rev. Paul Smith, pastor of the Concho Baptist Church, Coleman, will do the preaching, and Rev. Fred Blake, pastor of Klondike Baptist Church, will direct the song services.

Services will be at 10:00 a. m. and 7:30 p. m. daily.

Wilson Juniors Will Give Play

Wilson Junior Class will present its play, "Aunt Samantha Rules the Roost," a farce in three acts, next Thursday and Friday nights, April 4 and 5, at 8:00 o'clock in the Wilson High School auditorium. Admission prices are 50 cents for adults, and 35 cents for students.

Appearing in the cast will be: Neita Hewlett, Marcia Standefor, Jerene Wuensche, Bonnie Spears, Joyce Church, Norma Terry, Kenneth Ehrbridge, Donald Gryder, Kenneth Hanes, John Henderson, and Randle Weaver.

NEW HOME HERE

Mr. and Mrs. Larry Hagood have moved a farm house to their lots on North Fifth Street, and are adding to and remodeling it into a modern residence.

School Trustee Election April 6

No other names had been filed for trustees in the Tahoka district when the deadline for filing was reached Tuesday night. The election is Saturday, April 6.

The name of L. A. Forsythe, filling out an unexpired term, was filed for re-election last week, and that of Reble Thomas to succeed J. D. Martin.

Holdover board members are Maurice Huffaker, George Claude Wells, Milton Uzzle, O. E. Terry and Herman Renfro.

In Wilson district, four names were filed for two places on the board, Edmund Maeker and Guy Smith, present members, and Ray Cook and Charles Baker.

Also, at New Home, four names have been filed for two places, these being: Walter Gasper, Frank Timmons, Delbert Mouser, and M. S. Renfro. Holdover members of the board are Joe D. Unfried, E. M. Rudd, Harlan Dean, Robert Poer, and Aubrey Smith.

Three members of the county board must also be elected this year, and the three present members' names have been filed. They are James K. Appiewhite, trustee-at-large and present chairman of the board; H. B. Crosby of Wilson, precinct 1; and Mack L. Haymes of O'Donnell, precinct 3. Holdover members of the board are Fritz Speckman of Lakeview, precinct 4; and Graham Hensley of Draw, precinct 2.

Mrs. J. L. Hunter Dies In Dallas

Mrs. John L. Hunter, who lived in Tahoka until a month ago, died Friday morning, March 22, in a Dallas hospital.

The Hunters lived here several years on South Third Street after moving here from the Petty community where Mr. Hunter was a farmer. Mrs. Hunter had been in ill health some time and because of the seriousness of her illness the couple moved to Dallas about one month ago, where their daughter lives.

Funeral services were held Sunday afternoon at the McKamey-Ingram Funeral Home Chapel in Dallas with Rev. Jim Underwood and Rev. R. L. Bacon officiating. Burial was in Mount Calvary Cemetery in Dallas.

Survivors include her husband, one daughter, Mrs. Leroy Bledsoe of Dallas; three grandchildren, Mrs. Nina Sutherland of San Diego, Calif., Martha and Bill Bledsoe of Dallas; one step daughter, Mrs. Steve Reach of California; and one great-grandchild.

Mrs. Maud Bledsoe and Mrs. Jewell Johnson of Tahoka and Floyd Bledsoe and family of Lubbock attended the funeral services in Dallas, going down on Saturday and returning home Sunday night.

Mrs. J. T. Brice Is Victim Of Fall

Mrs. J. T. (Lucy) Brice received a broken ankle in a freak accident at her home Tuesday.

She was walking along her drive when suddenly the concrete gave away and began sinking. It was a cave in of an old cess pool below the drive. However, had not a colored man and a neighbor been close by, Mrs. Brice would have gone on down with the concrete. She was able to hold onto firm ground, however, until he two reached her.

She is confined to bed for 10 days.

Isn't it funny how a dark corner gives a man a bright idea.

Methodists Start Revival Sunday

The Methodist Church is opening its spring revival Sunday, and services will continue through Sunday, April 7, according to the pastor, Rev. J. B. Stewart.

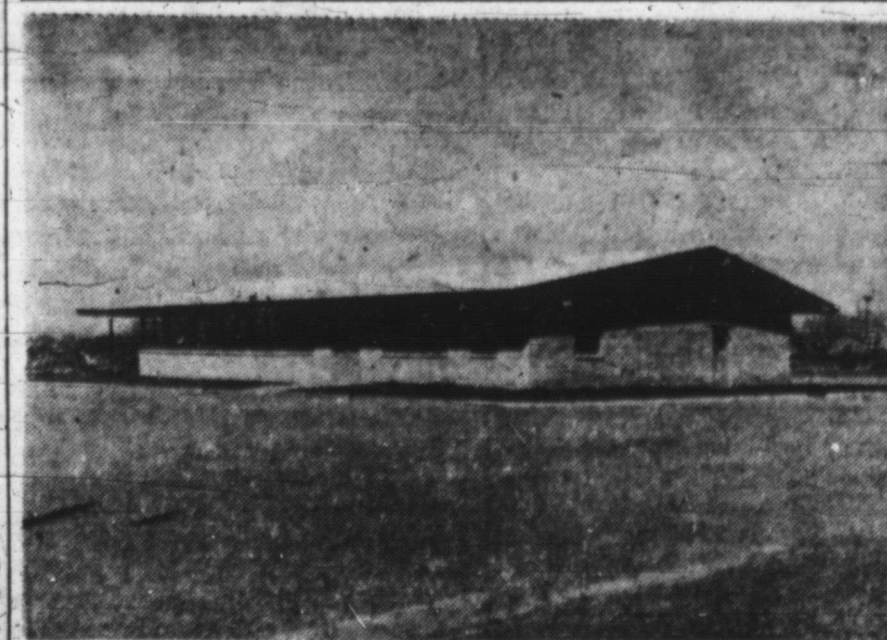

Evangelist for the meeting is Rev. W. H. Vanderpool, Jr., pastor at Littlefield, who has spoken at the local church before. Rev. Vanderpool is a young man, but is now in his fifth year at Littlefield. A graduate of Southern Methodist University, he is the son of a Methodist minister. His father once was a district superintendent and now is pastor of a Dallas Church.

Song services will be directed by Rev. Wm. E. Pearce, pastor of Wesley Methodist Church in Levelland, also a young man and also an S. M. U. graduate.

In addition to morning services at 10:00 and evening services at 8:00, there will be a breakfast and worship service for men and boys only each morning from 7:00 to 8:00 o'clock.

GOING OVER SEAS

Mrs. Chester Reeser, the former Miss Joann Bradshaw, will leave the States April 12 to join her husband in Okinawa. She went to Clayton, N. M. last Friday to visit her husband's parents and after arriving there was snow-bound and was unable to return to Tahoka until Wednesday.

COMMUNITY CENTER—Lamesa's new \$40,000 Lamar Forest Community Center building will be the scene of the District Rotary Conference April 7, 8 and 9. The building was erected with funds obtained by volunteer subscriptions from Rotarians and other civic-minded Lamesans. On completion, the building was turned over to the City of Lamesa for use of all residents of the city.

Wind Blows 60 Hours During Blizzard, But Damage Slight

Plans Being Made For Lighted Field For Pony And Little League Play

A campaign is now underway in Tahoka to raise about \$2,000 or more to install lights and to enlarge the Little League ball park here. The effort is being made so that the Pony League will be able to use the same park for night games.

Some money has already started coming in, according to C. W. Conway, president of the Little League in Tahoka, and includes \$129 which was turned in by Ted Rogers from the Newmoore community.

The campaign will be conducted in every community in the county since the park is used by the leagues made up of the boys from all over the county.

Those who would like to donate to the fund are asked to mail their contributions to Tom Bartley, treasurer of Little League, or to contact C. W. Conway, Roy Edwards or J. E. Reasonover, who make up the lighting committee.

The Pony League has received its franchise from the National headquarters and play will begin about May 28. A meeting of Tahoka and Post officers and committeemen will meet Friday afternoon at 4:00 p. m. to approve the schedule, the team names and to select the uniforms.

The Pony League is made up of two teams from Tahoka and two from Post. Locally the teams (Cont'd. On Back Page)

County Employees On Social Security

Lynn county officials and county employees will go on Social Security on April 1.

County employees is one of the few remaining categories of employment where participation in the Social Security program is optional, although most other counties have already gone on Social Security.

In the future, 2 1/2 percent will be withheld from wages and the County will pay 2 1/4 percent into the Social Security fund.

Remodel County ASC Building

Work of remodeling the County Agent's office and the ASC office in the Lynn County Agriculture building was completed this week.

The remodeling work gives the ASC offices more room and a new door on the south and rearrangement of the County Agent's office makes the latter more convenient to both the public and to the Agent.

Cotton Ginning Total Is Raised

Revised figures on 1956 cotton ginnings released this week by the Bureau of the Census gave Lynn county a gain of 333 bales over the previous report.

Lynn county's cotton ginnings for 1957 now stand at 90,423 running bales, not including linters. This compares with the final report of 89,085 ginned in 1955.

Mrs. Bigham, 95, Buried Monday

Funeral services for Mrs. Angie Bigham, 95 years old, were held Monday afternoon in the Stanley Funeral Home Chapel with Brother Floyd Dawson of Lubbock officiating. Burial was in Tahoka Cemetery.

Mrs. Bigham an early-day settler of Lynn county and wife of the late W. F. Bigham, died at 4:30 a. m. Sunday, March 24, in Tahoka following an illness of several years. She had been seriously ill the past two months.

Born on October 24, 1861 near Granbury in Hood county, she married William Franklin Bigham on Nov. 7, 1881 and she and her family came to Lynn county in 1905 from Knox county. Her husband died here in 1920. The couple had four children. Their only son, L. E., died in 1942.

She was a member of the First Christian Church in Lubbock, having professed Christianity when 12 years of age. She had lived in Lubbock until nine months ago when she came back to Tahoka to live with her daughter, Mrs. Linnie Garrard.

Survivors include three daughters, Mrs. Garrard of Tahoka, Mrs. Lela Hutto of Denver, Colo., and Mrs. Nita Keever of Lubbock, seven grandchildren, 14 great grandchildren, and one great-great grandchild.

Pallbearers were W. E. (Happy) Smith, Hall Robinson, Jess Gurley, Maurice Small, J. C. Womack, and G. R. Milliken.

H. Q. Sharp Buys Gin At Petty

Petty gin has been sold by Gayle Wallace of Abernathy to H. Q. Sharp of New Home, Buford Bray of Lubbock, and E. G. Cook of Levelland.

Mr. Sharp, who will manage the gin, says the plant will be gone over thoroughly. It has recently been rebuilt.

Sharp came from Mercedes three years ago to manage the New Home Cooperative Gin, where he is reputed to have done an outstanding job. He resigned his position at New Home Monday, and expects to move to Petty in about two weeks.

April 1, Last Day For License Plates

Monday, April 1, is the last day that license plates may be bought, according to J. E. (Red) Brown, county tax assessor and collector. For the benefit of those who have been unable to get off from work or other complications, the tax office will remain open late Monday night, Brown said.

So far this year the Lynn county office has sold about 4,000 sets of license plates. This is about 1200 more than were sold at the same time last year.

Ever wonder why after dinner speakers are usually men? Women can't wait that long.

One of the worst blizzards in many years, possibly in the memory of man, swept across the Plains country last Saturday and Sunday. Piled-up snow stranded thousands of motorists, train and bus passengers in the Mid-West, and left a trail of death and destruction.

In Lynn county, the sleet and snow was very light. Only 1 1/2 inch of moisture was caught in the U. S. Weather Bureau gauge at Tahoka. Most of the snow that fell, about two inches, was blown up in drifts and little remained in fields where needed.

What little moisture that fell was a blessing, however, for it was enough to prevent land from blowing unduly. In fact, there was very little loss of topsoil.

All of this was in spite of the fact that the South Plains saw one of the worst winds in history, with velocity being clocked up to 75 miles per hour at Lubbock. And, the windstorm also covered one of the longest periods ever recorded.

The wind started blowing out of the west late Friday, changed to the northwest and north Saturday, and did not abate until early Monday morning, a total of approximately 60 hours.

Although some areas reported much property damage from the high winds, The News has heard of little serious damage in Lynn county.

A plate glass window in the Ray Hopkins Buick building and another in the Shipley Ford agency building were blown out. Several advertising sign boards and a few flimsy outbuildings were blown down along with a few television antennas. Some street lights in Tahoka were short circuited, but there was no interruption of electrical service to customers.

Lowest temperature reading here was 29 degrees, which may have killed most of the peach crop as peach trees were in full bloom.

Mrs. Cora Stone Stroke Victim

Funeral services for Mrs. Cora Alice Stone will be held this afternoon at 3:00 p. m. in the First Methodist Church in Tahoka.

Rev. J. B. Stewart will officiate and burial will be in Tahoka Cemetery.

Mrs. Stone, 68 years old, died Thursday morning at 8:10 o'clock in Tahoka Hospital. She suffered a stroke Wednesday morning at her home in Tahoka at about 4:00 a. m. and was taken to the hospital. She was also treated for pneumonia.

Born Aug. 15, 1888 in Longview, Texas, she married T. A. Stone in 1908 at Bolivar. The couple came to Lynn county in 1922 from Denton and settled in the New Lynn community where they farmed for many years. A veteran of the Spanish-American War, Mr. Stone died in 1939 at New Lynn.

Mrs. Stone later moved to Tahoka where she was a member of the Methodist Church, the faith she had professed at the age of 10.

Survivors include one daughter, Mrs. D. B. Nash of Weatherford; five sons, Ed, Carl and T. A., Jr., all of Tahoka, and Raymond and Fred of Wichita Falls; four sisters, Mrs. Emma Killingsworth of Marshall, and Mrs. Helen Richards, Mrs. Vera Cockrell and Mrs. Willie Richardson, all of Post; one brother, Johnny Gray of Krum; 12 grandchildren and two great grandchildren.

Wayne Huffaker, son of Mr. and Mrs. Calloway Huffaker, left Monday for California, where he will board the U. S. S. Princeton. He was formerly stationed at the Great Lakes Naval Training Station on Lake Michigan.

Golf Tournament Planned Sunday

A Scotch Foursome golf tournament is planned at T-Bar Country Club for Sunday afternoon, beginning at 2:00 o'clock, according to Lester Strech, tournament chairman.

All golfers, men and women, are urged to enter.

Considerable work has been done on the course this week following the storm, which did some damage to the fairways but very little to the greens.

About 300 red cedars were planted on the course; most of them bordering No. 9 fairway and flanking the No. 2 fairway.

The club house grounds and the area north of the club house was leveled, No. 9 fairway replowed and prepared for planting in grass, and the road north of No. 4 fairway was plowed up.

Those working Tuesday include R. M. and Rebel Thomas, Lee Roy Knight, Sonny Roberts, Robert Harvick, Lester Strech, and O. C. Elliott.

Grass is making an excellent growth in the fairways, although it will probably be set back some by the storm over the week end. However, the men report the damage to the course was surprisingly light.

Getting out a weekly newspaper is sort of a fire-fighting business, especially on Thursday, whether it is windy on the outside or not. If a sandstorm is raging, that doesn't help any. Everything is going into the hopper on that day, figuratively speaking, and everybody at work in the newspaper shop is busy. That accounts for so many errors showing up in this Column. It has been increasingly difficult recently for me to get this Column printed as written. Whole lines and in some instances whole sections of it were inserted in the Column last week out of place, which made it unreadable or at least not understandable in those particular sections. But all those portions of it, in which I discussed candidates for the United States Senate to be elected or defeated on Saturday, April 2, ex-

pressed my views just as I wrote them down. My views may have been erroneous, but if so nobody is to blame but me. And they are still my views unless changed after Monday morning of election week. I hope that they are not as changeable as the winds that blow; and I am sure that they are not as violent.

We certainly have recently had winds that were both changeable and violent, sometimes dust storms and snow storms the same day. Like the poor, we have the weather with us every day, but we never know certainly one day what it is going to do on the next day. The weather forecasters have learned some of the signs and they are usually able to predict pretty accurately what the weather will be for the next day or two and sometimes for the next week, but further than that they are usually "up in the air" even as you and I.

Lamesa Man Is Rotary Speaker

Rev. Walter Horn, Presbyterian minister and president-elect of the Lamesa Rotary Club, talked to the Tahoka Club last Thursday noon on the subject of "Rotary."

Rotary, with a membership of 441,000 business and professional leaders in more than 9,310 clubs in 99 countries of the world, is next to the church, the greatest influence for good and the greatest force for world peace in the world today, he said.

His talk emphasized the objects of Rotary: "To encourage and foster the ideal of service as a basis of worthy enterprises and, in particular, to encourage and foster: 1. The development of acquaintance as an opportunity for service. 2. High ethical standards of business and professions; the recognition of the worthiness of all useful occupations; as an opportunity to serve society. 3. The application of the ideal of service by every Rotarian to his personal, business and community life. 4. The advancement of international understanding, good will and peace through a world fellowship of business and professional men united in the ideal of service."

Bob Saunders, also of Lamesa, issued a special invitation to the Tahoka Club to attend the Rotary District Conference in that city April 7, 8 and 9.

Junior Rotarians for March, Lewis Byrd and Lindel Norman, were introduced by Wynne Collier and Ronald Sherrill, respectively. Four Brownfield Rotarians were also visitors of the Club.

The Club elected Dr. Emil Prohl as its official delegate to the annual Rotary International Convention which will be held this June in Lucerne, Switzerland. Dr. Prohl and his family expect to attend the convention and travel over Europe.

FLMER BLANKENSHIP

The early grazing value of blue panic grass is in evidence again this year by the fact that it is now being grazed on Lynn Birdwell's farm north-east of O'Donnell. Lynn plowed the middles with wide sweeps to kill seeding tumble weeds, then shredded the old stems so that they wouldn't interfere with grazing and seed harvest this season. This is a dry land planting that was made in the summer of 1955. A seed crop was harvested last year.

R. Q. Hill, northeast of O'Donnell plans to plant some acreage to Blackwell switch grass that will be irrigated. Switch grass is a panic grass very similar to blue panic, but seeds are some larger. Planting harvesting and grazing about the same as blue panic.

Mr. Hill is also planning to plant vetch and rye this fall on cotton land. He is going to purchase a seeder for this purpose that mounts on the foot of tractor and seeding will be done during the last cultivation. This planting can be made as early as August fifteenth and when mixed the rate is ten pounds of vetch with twenty pounds of rye.

Sam Singleton planted twenty-five acres of blue panic on his farm west of O'Donnell. Hal Singleton planted fifteen acres of blue panic and eight acres of alfalfa on his place west of O'Donnell. Blin and Burley Brewer, of

northeasterly direction and the whirling winds in this area always moves counter-clockwise, so that while the wind on one side of the funnel is moving in one direction, on the opposite side of the funnel it will be moving in the opposite direction.

Next summer in this Plains area, you will be seeing many dry whirlwinds, no doubt. Usually they will be moving in a generally north direction, and the rotary motion of the air will invariably be counter-clockwise. Local weather conditions may occasionally change this rule, but not often. Now you watch it and see if I am not correct.

Cyclones, properly speaking, are areas of rotating air—hundreds of miles in diameter, so that the air in Houston and vicinity may be moving in one general direction while in Amarillo, Lubbock, Midland, and San Angelo it is moving correspondingly in the opposite direction. That accounts for ten-inch rains in that area while it is bone-dry out on these plains.

That also accounts for the Sahara Desert which stretches clear across Africa south of the Mediterranean Sea from Cairo to Morocco, while floods of rain are falling in all the countries of Europe bordering on the Mediterranean Sea along the north coast.

Just remember that winds are caused by heat. Cold winds from the north have no pushing power within themselves; they are merely the atmosphere that rushes in to fill the vacuum produced by rising hot winds somewhere, usually over large areas of territory.

Didn't that short-lived snow-storm which fell frantically for a little while Saturday morning, swept by strong, gusty winds, look good while it lasted. Evidently there was a lot of rising hot air, possibly in the vicinity of Austin. There usually is when the Legislature is in session.

Well, after all the above was written, that beautiful snow-storm developed into the maddest, wildest, most-destructive wind and snow-storm that has ever visited the plains and Panhandle of Texas. It seems to have been just as severe throughout western Oklahoma and Kansas. Traffic suspended on all the highways and many cars marooned and unable to reach a house or even a service station. The worst storm in Plains history.

Dorman-Hamby Rites Are Read

Miss Delores Hamby and Robby Dorman were united in marriage in vows read Saturday, March 23, at 7:00 p. m. in the Assembly of God Church in Jal, N. M.

Mr. and Mrs. C. A. Hamby of Jal are parents of the bride. Parents of the bridegroom are Mr. and Mrs. Pete Dorman of route 5 Tahoka.

The pastor of the church read the double ring ceremony before an archway of greenery and yellow roses, flanked by candelabra. "Because" and "Indian Love Call" were sung by a friend of the bride.

Given in marriage by her father, the bride wore a waltz-length gown of white lace complemented by a sweetheart neckline and a fitted bodice. Her finger tip veil of illusion descended from a head piece of seed pearls. She carried a bouquet of yellow roses atop a white Bible.

The bride's sister was matron of honor and wore a waltz-length gown of aqua lace. The two bridesmaids wore pink, all of which were designed similar to that worn by the bride.

Billy Dorman of Kermit served his brother as best man and ushers were Danny Lockaby of Tahoka and Johnny Bonds of Jal, N. M.

Following the ceremony a reception was held in the church parlor.

The bride is a graduate of Jal High School. The bridegroom attended the Tahoka schools, and is presently employed by the El Paso Gas Company in Jal, N. M., where the couple will make their home.

Miss Patsy Smith Shower Honoree

Miss Patsy Smith, bride-elect of Reuel Casey, was the honoree at a miscellaneous shower and tea in the home of Mrs. Irving Stewart Saturday afternoon.

A color scheme of blue and white was carried out with blue Dutch iris adorning the table, at which the guests registered. The tea table was laid with a white linen cloth centered with a crystal epergne flanked by tall white tapers. Blue Dutch iris and satin ribbon completed the arrangement.

Hostesses were Meses Stewart, Fuel Draper, Lillian McCord, Beulah Applewhite, Clifton Hamilton, V. F. Jones, Peggy Rogers of Lamesa and Meses Jan Collier and Marilyn Carmack.

Misses Collier and Carmack presided at the tea table while Mrs. Geno Jones of Lubbock and Miss Susie Smith, sisters of the honoree, registered the guests. The hostesses displayed the gifts.

The receiving line was composed of Mrs. Stewart, Mrs. W. E. Smith, mother of the honoree, the bride-elect, and her two sisters.

Mrs. Casey of Pampa, mother of the prospective bridegroom, and other out-of-town guests were unable to attend because of the weather.

H. D. Club Ladies Plan '42' Party

The home demonstration club women of Lynn County will sponsor a "42" party at the W. O. W. Hall Saturday, April 6, at 7:30 p. m.

Admission will be 50 cents per person. Sandwiches, pie and coffee will be sold at the event. Everyone is invited to attend.

At the recent March meeting of the Lynn County Council 12 members representing six clubs of the county were present. The group announced that \$136.75 profit was made from the concession stand sponsored by the home demonstration clubs at the recent Lynn County Junior Livestock Show.

The next meeting of the Council will be held April 18 in Fellowship Hall of the Methodist Church at Draw.

Study Club Hears Telephone Man

E. R. Saunders, district manager of the General Telephone Company, of Lamesa spoke to the Phebe K. Warner Study Club in the home of Mrs. Truett Smith Tuesday afternoon.

He traced the development of the telephone, especially those in Texas, and said that the first telephone in Texas was installed in Galveston in 1879. There are 300 independent telephone companies in Texas, Saunders said, with 243 only operating one exchange. There are between five and six million independent companies in the United States with over two and one-half million telephones connected in Texas.

The group was shown pictures of the new colored telephones and Saunders said that a telephone has 104 parts that are imported from 54 countries.

The rates of the telephone company is set up by the City government, Saunders said.

The study group will hold a dinner at the next meeting, the date of which will be announced at a later time. The original date will be changed because of its conflict with the cancer drive.

Winners Of Bridge Sessions Named

Winners at duplicate bridge on master point night Tuesday were Mrs. D. W. Gaignat and Mrs. Winston Wharton, first place; Mrs. A. N. Norman, Jr. and Clint Walker, second; Mr. and Mrs. Frank Hill, third; and Mrs. Lee Roy Knight and Mrs. Eldon Carroll, fourth.

Playing above average were Mrs. Meldon Leslie and Johnny Wells, Mr. and Mrs. Bill Lumsden and Mr. and Mrs. Sam Gatzki, of Wilson.

On last Friday night first place winners were Mrs. Meldon Leslie and Mrs. A. N. Norman, Jr.; Mrs. Lee Roy Knight and Mrs. Oscar Roberts, second; and Mr. and Mrs. Frank Hill third.

Play will be resumed on the six-game series for a trophy next Tuesday night.

Today's MEDITATION
from
The World's Most Widely Used
Devotional Guide

The Upper Room
© THE UPPER ROOM, RAINVILLE, TENNESSEE

There cometh a woman of Samaria to draw water: Jesus saith unto her, Give me to drink. (John 4:7.)

This Samaritan woman had learned that the Messiah was to come. Unknowingly, she meets Him face to face at a well in Samaria. He asks of her a simple favor—"Give me to drink."

Is it not true that often we meet Christ in just such ways? It is not for us to hesitate as did this woman, when a simple need arises. It is for us to meet each worthy need with prompt action, for Jesus says, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

God gave abundantly and Jesus gave freely. As Christians, surely we can do no less than give willingly. Isaiah tells us that God was his salvation and "with joy shall ye draw water out of the wells of salvation." Christ, the gift of God, gives living water. He is our salvation. With joy we can draw on this living water and share and share it in Christian service at every opportunity.

PRAYER

Prepare our minds, our hearts, our hands, O God, with a fervent desire to meet every worthy need. Make us appreciative of all opportunities to do good and to manifest our gratitude by loyalty to Thee. In Jesus' name. Amen.

THOUGHT FOR THE DAY
In God's mercy we find our salvation; in service to others we express our love for Christ—Dave J. Teter (West Virginia).

CLOTHES DRYER

... because she makes her own drying weather—day or night. Rain, snow, dust will not mar the beauty of HER clean wash. Just a simple transfer of the clothes from the washer to the dryer is all it takes for a CLEAN drying job. Her clothes last longer, too, because the harsh sun doesn't get a chance to fade away delicate colors. You, too, can make your own drying weather... with a clothes dryer—of course, it's electric.

BAPTISTS BELIEVE...

THE CHURCH OF THE LIVING GOD

Baptists believe that a visible church is a congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the ordinances of Christ; governed by his laws; and exercising the gifts, rights, and privileges invested in them by his word; that its only proper officers are bishops or pastors, and deacons, whose qualifications, claims, and duties are defined in the New Testament.

Baptists believe that the church with all that pertains to it is strictly a New Testament institution.

The Baptist view of the constitution and polity of the church is that each church is a free, independent, and self-governing body. It is made up of regenerate men and women, believers in Christ, who have been immersed upon a profession of their faith in Him. It is based on and embodies the spiritual principles of Christianity. There is no way to classify believers in the church other than as spiritual equals.

The pastor and deacons are not ecclesiastical superiors. They perform certain functions and discharge certain duties, but they are the servants of the church. The church is responsible directly to Christ within the limits of its own life. The church is the final authority on all debated questions. But, in its decisions the church is directly responsible to Christ and must look to the New Testament as the law of Christianity by which it is to be governed.

Christ organized the church so that his followers would have a divine institution through which to co-operate in the work of preaching the gospel of repentance and remission of sins to all nations. The church is ideal for co-operation. In it the followers of Christ are joined together in an organization with divine sanction—a brotherhood of kindred spirits made one in Christ by the regenerating power of the Holy Spirit—for the purpose of making Christ known to the world.

Accepting the New Testament as the inspired revelation of Christ, a church must strive to follow its teachings and to observe its requirements in worship and unity of organization. Baptism and the Lord's Supper, the two divinely instituted ordinances, must be kept true to the New Testament pattern.

Baptists believe that to be a true New Testament church a local church organization must (1) require personal acceptance of Christ and scriptural baptism by immersion before membership, (2) be self-governing and democratic, (3) maintain its purity by making Christ supreme, (4) commit itself wholeheartedly to carrying the message of Christ to all the world.

Importance of Pre-Watering Is Cited By Soil Conservationist

Most of the farmers that have operations, that are being used by some, tends to drain the rains off instead of storing it on the field. The storing of the rainfall is very important to the dryland farmer because he is unable to start an irrigation well and replace the water that has run off.

The farmer that has irrigation can replace the moisture that is lost but it will cost him to do so. Should the rain water be drained off the growing season it might mean a shortage of moisture for the crop, thereby decreasing the yield. It would take several days to pump the same amount of water back on the ground. A Conservation Irrigation System would help save the natural moisture and increase the efficiency of the irrigation system. Most of the soil could use some organic matter which would help the soil to take up moisture and hold it for plant use.

The local Soil Conservation Service personnel will be glad to help you in any way that they can.

Club Calf Sells At Lubbock Show

Phillip Havins, whose light-weight Hereford calf won first in its division and the reserve championship in the area show at Lubbock last week, received 38 1/2 cents per pound for the animal in sale which followed.

Fair prices were paid for most of the animals, or slightly above market price. Tatum Bros. Elevators of Tahoka was one of the heavy buyers at the sale.

Mr. and Mrs. James Foster and son, Johnny, age two, arrived home last week end just ahead of the storm from Colorado Springs, Colo., where he has been in the Army for 20 months. Now discharged after two years service, James expects to enter a Phillips Station managers training school.

During the first five days after their landing on Iwo Jima, Marine Corps communication crews laid more than 700 miles of telephone wire, although operating under heavy artillery fire and harassed by snipers.

Bill Taylor is being treated for pneumonia at Tahoka Hospital, where he entered as a patient on Monday. He is improving nicely.

Glenda Halford of New Home underwent a tonsillectomy in Tahoka Hospital Monday. She was released on Tuesday.

Mrs. Dee Green is a medical patient in Tahoka Hospital, having entered Monday with a virus infection.

J. L. King and family of Amarillo visited his parents, Mr. and Mrs. J. O. King of Wilson, Saturday night.

CARD OF THANKS
We wish to express our heart felt thanks to all the wonderful people and friends who were so loyal to us in our sorrow—to the doctors, nurses, and all who helped in any way. Thank you for the nice food, lovely flowers and cards of sympathy. God love you all. Relatives of Mrs. Angie Bigham.

Juniors Present Play On April 5

The Junior Class of Tahoka High School will present "Cupid in Pigtail," a comedy in three acts, on Friday night, April 5, at 8:00 p. m. in the high school auditorium.

Nancy Draper plays the part of Susie McAdams, a 12 year old who does not want her widowed mother to marry either of her two rich suitors. Her method of trying to prevent such a marriage makes for a hilarious evening of entertainment.

Other characters include Mabelle McAdams, portrayed by Marilyn Carmack, who is Susie's mother; Todd McAdams, her brother; James Adams; Gail McAdams, the older sister; Sue Tomlinson; Pete Farley, Gail's boy friend; Marlon Hawthorne; Beth Farley, Todd's girl friend; Betty Vaughan; Aunt Dottie, Mrs. McAdams' bossy aunt; Idalia Wood; Rollo Sappleton, a suitor; John Draper; Murchison Fogg, another rich suitor; John Ed Redwine; Beasley Fogg, Murchison's sneezing son; Karl Prohl; April Fogg; Murchison's glamorous daughter, Venita Shipley; Squeegee Squires, a neighbor 12 years old; Jackie Applewhite; Ollie May Squires, Squeegee's mother; Mary Evelyn Hammonds; Bertie Groot, maid; Margaret Cawthron; and Carter Prescott, Mrs. McAdams' old flame, Jerry Brown.

Mrs. Clint Walker and Jack Minter are directing the production. Admission will be 75 cents for adults and 50 cents for students.

Lewis Electric Gets Big Contract

The Lewis Construction Company of Tahoka was recently given a contract by the General Telephone Co. of Brownfield for the construction of about 30 miles of new lines in and around Wilson.

The new construction will furnish phone service for about 75 families who do not have phones. Within the next 10 or 15 days the extension of telephone facilities to about 45 families to the north and east of Lovington will be completed by Lewis Construction Co. They have also built about 12 miles of line south of Lovington.

RAINBOW MEETING
Tahoka Rainbow Assembly will meet at 4:30 p. m. April 1 and go to Brownfield for a friendship meeting.

Mother Advisor Beulah Applewhite.

AUTO DECATHLON PROVES— CHEVY'S THE CHAMPION OF THE ROAD!

Drive the car that proved its superior steering, braking, cornering, road-holding and passing ability in the world's first Auto Decathlon, a ten-way test of the driving qualities you want.

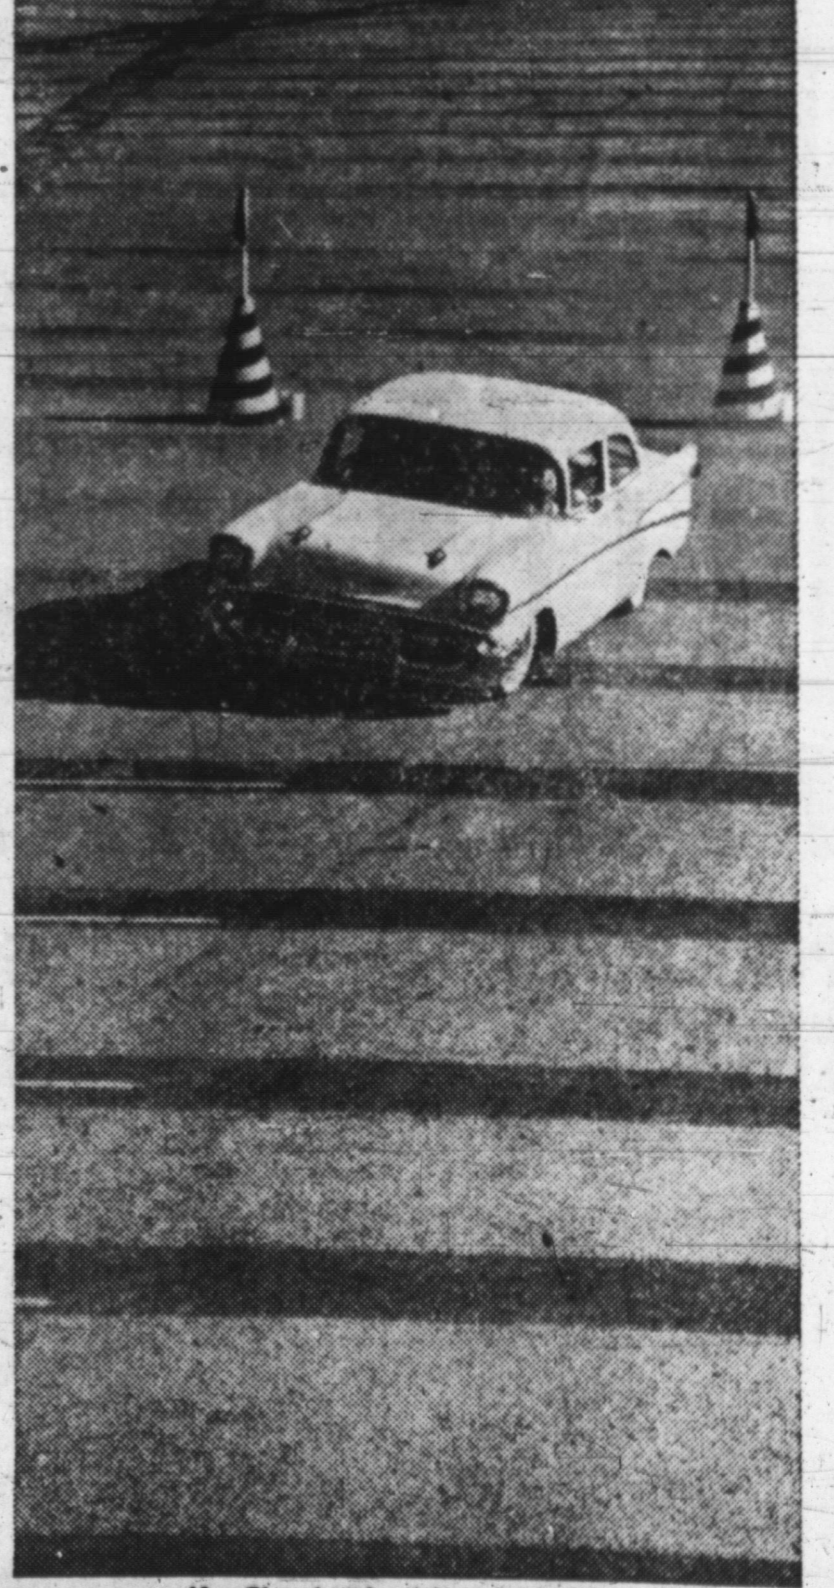

Chevy proved it's the champ in the world's first Auto Decathlon, certified by the NATA.* It showed how beautifully it handles, how quickly it recovers from emergency situations—like quick turns and stops—which can cause a car to lose its even-keel stance on the road.

Chevy waltzed through some of the roughest challenges ever laid down to measure how a car behaves when the going is tough. And it beat all other cars in its field and all the higher priced cars tested, too!

That's Chevrolet's sure and solid going for you. Come in and drive the winner!

loway Huffaker, joins the parade. But then, perhaps we can just chalk it up as second childhood. "Courtesy is the eye that overlooks your friend's broken gate, and sees the roses blooming in his garden."—Scandal Sheet.

It seems that one of our citizens had an operation over the week-

end and for a few days some were in doubt as to who actually was ill—a case of names. Some said it was Doug Finley and some said Dub Kenley—Doug, Dub—Finley, Kenley—it was most confusing. For those who are still in a confused state of mind, it was Douglas Finley. He is in Lamesa General Hospital.

My, my! Have you seen the latest rage? It's those simply devastating ear screws that Jan Thomas and Sandra McNeely have been wearing. A clip-on bead effect, they have a couple of two or three inch feathers which extend from the top and fit against the head. What next?

"So far there has been a tax on almost everything except brains and the tax from that source would hardly be worth collecting."

There seems to be a great deal of interest in the forth-coming City election and all residents of Tahoka are urged to vote on April 2.

We'd like to say-at this time that the efforts of Mayor Clint Walker and Aldermen Wynne Collier and Herman Heck have been appreciated and that the citizens hate to see such fine men go out of office. They have done much for the good of Tahoka and it is with regret that we see their terms expire.

Serving as mayor and aldermen, like that of the school board, is a thankless job—also a payless job—except in the self satisfaction it brings to the individual.

We hope that the best men are elected to these posts—and who you think the best men are is for you to decide, taking into consideration who and what are behind the candidates. Make your decision, and vote.

"On this busy day—read a little, smile a little, reflect a little—there is more to life than increasing its speed."—Letter.

We still have two darling little puppies to give away. They are females, of course, but we are told that females make the best pets.

Lamesa Plans Rotary Meet

Lamesa—Plans for the 1957 Conference of District 183, Rotary International, to be held April 7, 8 and 9 in Lamesa are fast moving into high gear, according to Matt McCall, conference chairman. All committees have started to work in earnest, with the housing committee faced with the task of providing housing for the more than 500 members expected to attend.

However, Sam Jenkins, housing chairman announced today that his committee sees little difficulty in providing the necessary rooms for members and guests. Several local motels, said Jenkins, have already made arrangements to hold open more than three fourths of their rooms on the dates of the conference. More than 100 rooms have already been reserved for conference delegates.

Owen Taylor, a charter member of the Lamesa Club, who has a perfect attendance record of more than 19 years, stated that plans for entertainment are also well along. Signed to provide vocal selections at one of the social functions of the conference are the Lamesa Barbershop Quartet and Chorus.

J. D. McPhaul, attendance chairman, stated that members of the host club are making visits to a number of the clubs in District 183 with personal invitations to attend the 1957 Conference. Several clubs in the immediate area have already been contacted said McPhaul, and other clubs in the District will be contacted between now and April 7.

Reports from the registration chairman, Pat Ryan, indicate that if the present sign up rate continues, attendance of at least 500 persons is assured.

Registration for the conference will start at 2 p. m., Sunday April 7, and early arrivals will have a chance to go a round of golf at the newly renovated Lamesa Country Club Sunday afternoon.

Sunday night at 7:30 p. m. special Rotary church services will be held at the First Methodist Church. This will be followed by entertainment and refreshments at the newly completed Rotary Community Center in Forrest Park.

The first plenary session of the 1957 Conference will be held at 8:50 a. m. Monday.

Seventh Graders Win Over Slaton

The Tahoka seventh grade girls, coached by Ivan McWhirter, defeated Slaton last Friday night by a score of 35 to 18. This brings the local team a record of winning three out of four games. Judy Thomas scorched the nets with 24 points while Loretta Short made 8 and Kay Halamicek made 3. Guards also played a good defensive game.

Others who participated in the ball game included Loretta Potts, Paula Wood, Billie McQueen, Janice Brown, Elaine Buchanan, Peggy Long, Nancy Hefner and Nancy Hicks.

Local Volleyball Teams Winners

In volleyball games played here Tuesday night, two Tahoka teams defeated Wilson and Wilson won one round.

The eighth grade girls downed Wilson two games to none, as did the "B" team. However, the local varsity girls were defeated two games to one by the Wilson girls.

Games scheduled for last night were cancelled.

Mr. and Mrs. J. O. King of Wilson visited last week with their youngest daughter, Mrs. G. P. (Betty) Bailey, and family in Odessa, who have a brand new home there. Mr. Bailey is Furr Food Store manager in Odessa.

Mrs. Roy LeMond entered Tahoka Hospital Wednesday morning with a virus infection and is improving satisfactorily, attendants state.

will be sponsored by a group of cooperative gins and by the Goodpasture Grain Company. Boys 13 and 14 years old will be eligible to play in Pony League in games that will be scheduled on Tuesday and Thursday nights.

The Little League is for boys from eight through 12 and workouts will begin about May 1, according to Conway. Play will begin on May 28.

The local Pony League committee is made up of A. M. Bray, who is vice president, L. A. Forsythe, treasurer, Dan Brookshire, Hermap Heck, and J. E. Nance. Other officers are from Post.

Officers of the Little League include Conway as president; A. M. Bray, vice president; Tom Bartley, treasurer; Harold Green, secretary; and Johnny Wells, player agent.

Conway has announced that all boys who played or registered last year need not register this year, but boys who are newly eligible and others must pick up their registration slips at Tahoka Drug or City Hall and turn them in to Tom Bartley.

Sponsors of the four Little League teams in Tahoka are Union Compress, Piggy Wiegly, Wynne Collier Druggist, and jointly the Lynn County News and First National Bank.

At a recent meeting of the two organizations committees were set up to get the season started this year. On the managers and coaches committee for the Little League which will select such, are Wade Holland, chairman, Jack Smith, Clint Walker and Jake Jacobs. The umpires committee is composed of L. A. Forsythe, chairman, James Phillips and L. B. Burk.

The managers committee of the Pony League include George Glenn, Clint Walker and Ravford Smith. C. W. Conway is chairman of the field committee.

District Spelling Bee At Lubbock

Jacquie Ann Wyatt, 11, daughter of Mr. and Mrs. F. A. Wyatt and a sixth grade student here, will participate in the annual Avalanche-Journal District Spelling Bee at O. L. Slaton Junior High School in Lubbock today, Friday, at 1:30 p. m.

She will be accompanied by her parents and Mrs. Ruth Jolly, county director.

Juan Rodrigues, 14, son of Mr. and Mrs. Felipe Rodrigues of New Home, the second place winner, is the alternate in the contest.

TWO ARE FINED, NO COURT IS NECESSARY

Two Midland men pleaded guilty Monday before County Judge W. M. Mathis on charges of driving while intoxicated. They were each assessed a fine of \$125.00 and costs and three days in jail.

The pleas of guilty made unnecessary the calling of a jury for trials set for Tuesday, and thereby saved the county some money.

CARD OF THANKS

We would like to express our deep appreciation and sincere thanks to the many friends and neighbors for their words and acts of kindness, floral offerings and the many other ways they have helped us during the long illness and death of our loved one. All of these have helped us to bear our burden of grief on the passing of my husband and our father—Mrs. W. M. Flint and family.

Baptist Revival Closing Sunday

Revival services at the First Baptist Church will continue through Sunday with Rev. E. Bowles, pastor of the First Baptist Church of Floydada, as the evangelist.

Tahoka Educational Director "Spec" Brian is leading the music. The services began here Friday of last week, and included musical concerts by Miss Voncille Cadenhead, violinist, and a boys' quartet from Wayland College.

The goal of 513 has been set by the Sunday School for attendance on Sunday morning. The theme "Each One in His Place" is being used in visitation by classes and departments.

Rev. Harris says a very interesting and inspiring film will be shown Sunday night during the Training Union hour.

Tonight, Friday, a special youth service will be held when two young athletes of outstanding ability from Wayland College will give their testimonies and be present for the youth fellowship following the service. Rev. Bowles will bring a message of which he says, "I dare not reveal the title until Friday night." Youth will fill the choir for the special service and all young people of Tahoka are invited.

The State Baptist Sunday School convention will meet at the First Baptist Church in Dallas on April 1, 2 and 3, when the local church in Tahoka will be recognized as the only church in Texas to have reached the Advanced Standard in Sunday School work. Several from the church plan to attend.

Congratulations

Mr. and Mrs. Johnny Martin on the birth of a son Sunday, March 24, at 7:30 a. m. in Tahoka Hospital. Named Sammy Ray, he weighed seven pounds, five ounces. The Martins now have five boys and one daughter.

CARD OF THANKS

Dr. and Mrs. K. R. Durham have as their guests this week their two daughters and two grand daughters. Margaret McMeans and her 15 month old daughter, Laura, of Dallas and Dot Sparks and her four month old daughter, Sharon, of Yuma, Ariz. They will be leaving for their respective homes this week end. Dot visited in Commerce last week—with her husband's parents, Mr. and Mrs. C. M. Sparks.

Thank you so much for your prayers and many acts of kindness during my recent illness. Your love is deeply appreciated, and was such a comfort when I needed it most. Mrs. Sally Kemp
