STANDING ON THE CORNER

With P. J.

It Makes a Difference What You Believe!

Several hundred years ago today, Christ died on a cross. Did He die for the fun of it, to become a martyr, or because He loved the world and every person that lived or ever would live?

Did He suffer in defeat, in despair, or because He knew what the world did not know—that there would be a triumph on Easter morning that the world would never forget—one that would shake the depths of the souls of men that no other force has ever been able to do?

He did not die in vain! And it is well for us to remember that while He felt severe pain, He did not condemn, but forgave—had no self-pity, only compassion—had no doubts, only faith—and was completely surrendered to the will of God.

Age-old, yet ever-new the miracle of Easter brings to all a renewal of hope and a reaffirmation of faith. This is important, for our faith determines which shutters we open and close in our lives.

We like Clyde Allen's optimism. He says if you don't like Texas weather, stay another day—it'll change.

Boys who have been working out for Little League and Pony League are asked to PLEASE stay off the ball park. Grass is being planted, other grass must be worked into good shape, the fence and mounds are to be built and the base lines must be fixed. If boys don't stay off, the park will not be in condition for the opening of the season. Those who want to practice there are asked to do so on the north side of the park.

The teacher had forbidden the eating of candy or chewing gum during school. Only day she became suspicious of a lump in Johnny's cheek. "Johnny, are you eating candy or chewing gum?" "No, Ma'am," replied Johnny. "I'm just soaking a prune to eat at recess."

Animals seem to be in the news this week. Gordon Smith has accepted a "coveyed job" at Baylor University as bear trainer. He and another student will take care of Baylor's bear mascot at the football games next season. What makes it so exciting for Gordon is that it assures him of the opportunity of seeing away-from-home games. The bears are lucky, too—if they get too hungry, Gordon will make a mighty morsel.

Thinking of buying an unusual pet for the children? You can get some pretty attractive buys in the \$1,000 bracket. Here are a few offered by a New York zoo supplier: various monkeys, \$30 to \$50; baboon, \$75; 18-foot python, \$400; jaguar, \$500; bison, \$350; elk, \$150; two-toed sloth, \$225.

The big beasts—unfortunately come high—but if you need a gift for the child who has everything, the same firm will sell you a full-grown orangutan for \$4,000; an elephant at \$3,000; a pair of young hippopotamuses for \$5,000; a giraffe at \$3,500; or moose costly item, a \$10,000 gorilla.

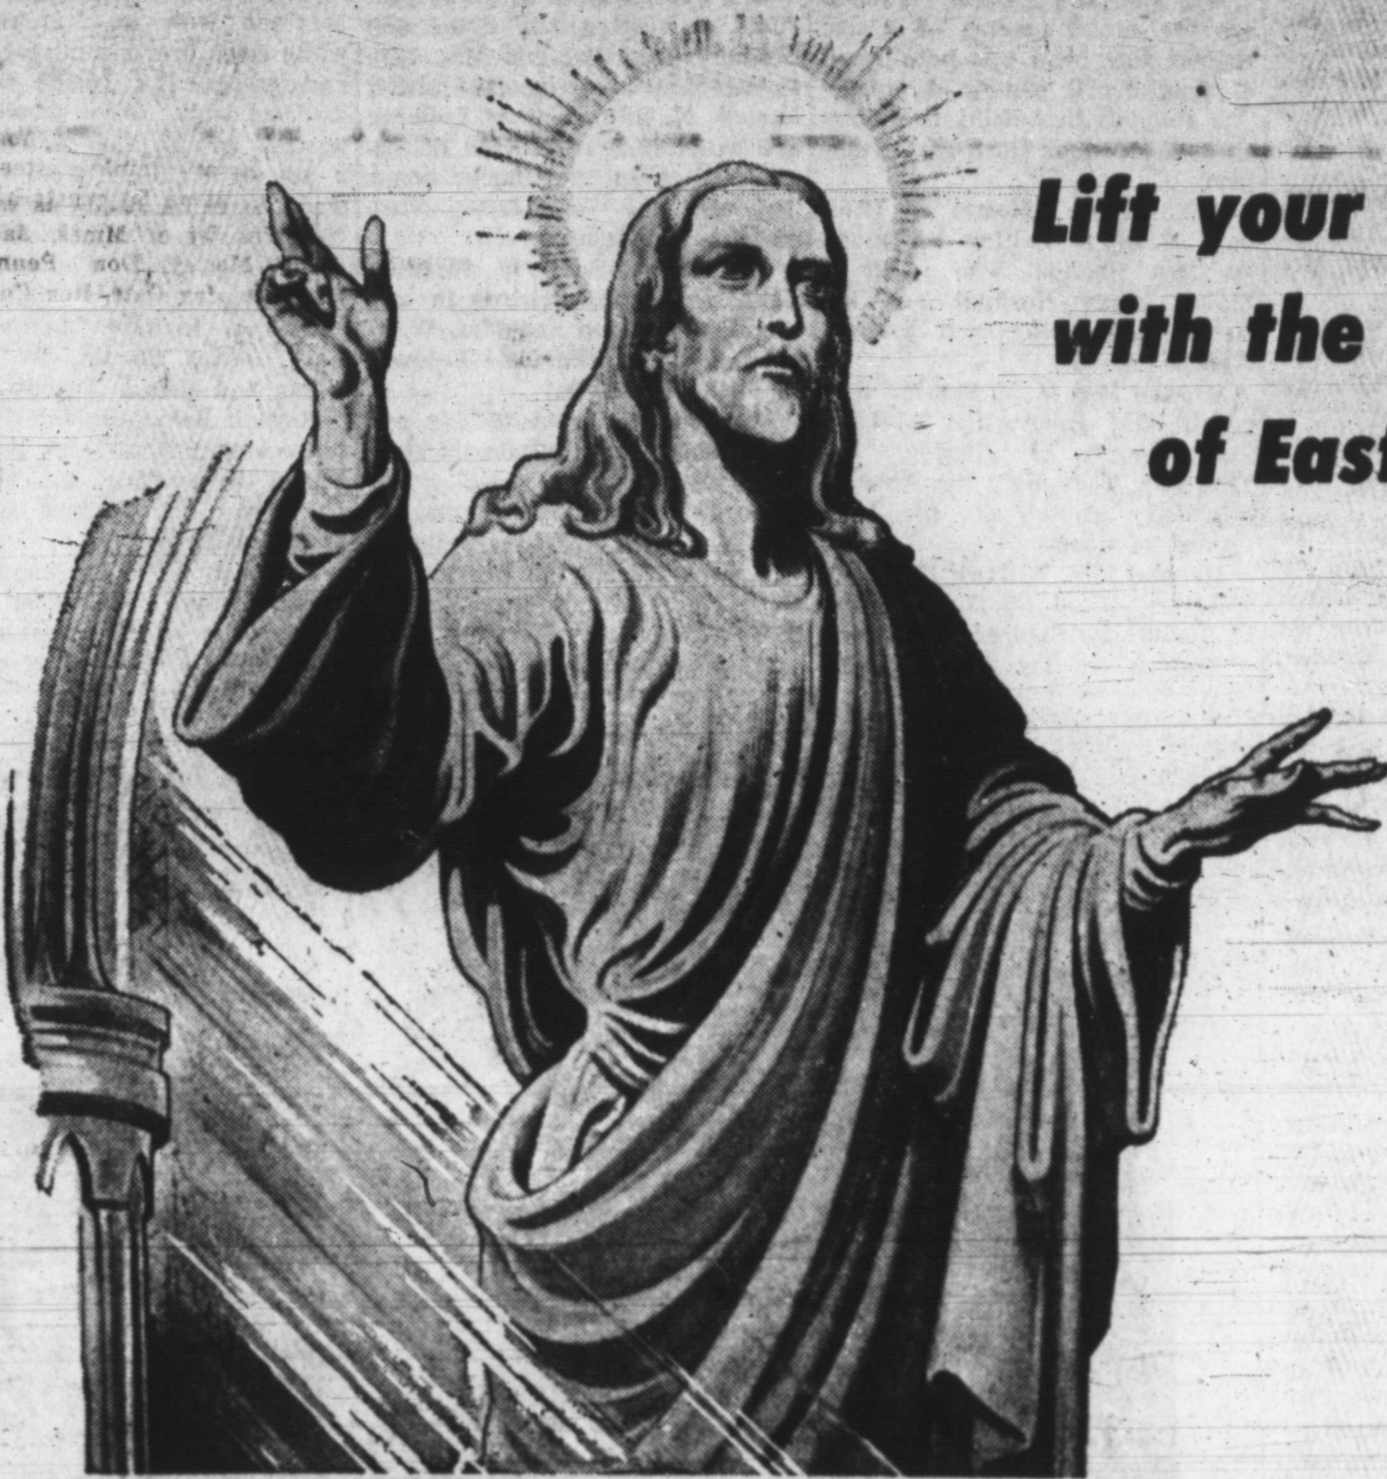

However, if your child just wants a puppy, I'll give him one free.

According to unofficial sources a new simplified income tax form for next year contains only four lines:

1. What was your income last year?
2. What were your expenses?
3. How much did you have left?
4. Send it in.

With this closing thought, we'll say "Happy Easter Eggs." "If the outlook seems dark, try the uplook."

Mrs. Ted McDonald, entered Tahoka Hospital Monday as a medical patient.

Lift your heart with the glory of Easter

Charles Verner Is Speaker, Awards Made At Annual FFA Father-Son Banquet

Charles Verner, vice president of the First National Bank in Tahoka, spoke to 111 fathers and sons at the annual Future Farmers of America banquet here Monday night in the school cafeteria.

Special awards and honorary degrees were also presented at the banquet and entertainment was furnished by local talent.

Verner spoke of a father's advice to his son. "Approach your tasks seriously," he said, "and never neglect your obligations."

He stated that we must keep our faith in our youth and they will meet these obligations. Facts show that the modern Americans are meeting their obligations as they have in the past.

Following the fried chicken dinner, during which time organ music was furnished by Fred Hegi, special awards were presented by Lester Adams, vocational agriculture teacher, and assisted by the chapter sweetheart, Linda Milliken.

Certificates of merit were presented Mickey Owens, swine production; Phillip Havins, beef cattle production; Kenneth Stice, outstanding supervised farming program; Billy Tomlinson, chapter farmer and swine production; John Hegi, chapter farming and beef cattle production; Lendell Norman, outstanding senior agriculture student; and Kent Gibson, leadership.

Honorary degrees were presented Otis Spears and G. E. Terry for their interest and outstanding work with the local F. F. A. organization. Special recognition was given to Superintendent Spears and Principal John Shepherd, the school board and school secretary, Derwood Howard of the Lubbock Production Credit Association, and the student teachers from Texas Tech, Lawrence Knorpp and Joe Upton.

Musical entertainment was provided by Jimmy Harter, who sang "Sixteen Tons," and Harter and Wilma Scott in duets of "Party Doll" and "Lucky Ole Sun." They were accompanied at the piano by Jan Collier.

Martin, secretary; John Hegi, treasurer; Jackie Applewhite, reporter; Lendell Norman, parliamentarian; and Bobby Paris, sentinel.

President Gibson gave the welcome address and John Hegi introduced the guests, Benny Martin introduced the speaker.

The invocation was given by Lendell Norman and Jerry Bragg gave the benediction.

County Cancer Drive Hiked By O'Donnell

O'Donnell's contribution of \$314.70 to the Lynn county chapter of the American Cancer Society brings the total that has been reported to \$1024.43, according to Mrs. C. S. Thomas, county campaign chairman.

Goal for the county is \$1500 and all communities have not yet reported their contributions.

O'Donnell raised its money from coffees for cancer, girl scout efforts, and business district canvass. Mrs. Noble Rumbo has been chairman of the O'Donnell drive.

This is another instance in which O'Donnell has done much to bring the county near its goal.

Poka-Lambro Shows Progress Over Four Year Expansion Period

Damage Is Light From Late Freeze

Spring turned into winter and back into spring again in the area this week, bringing the latest freeze to the South Plains in many years.

Damage over the county on Friday and Saturday when temperatures dropped into the 20's was light, however, according to County Agent Bill Griffin. Fruit trees were damaged, but no other extensive injury was noted, Griffin said.

Temperatures dropped from 75 degrees on Thursday of last week to a high of 33 degrees on Friday and gradually climbed back up into the high 70's this week. Precipitation from sleet and mist on Friday, Saturday and Monday measured .05 of an inch.

Schedules For Little League And Pony League Are Announced

The schedules for the Little League and Pony League baseball games have been announced, along with the date set for eligible players to report for workouts.

Boys between eight and 12 in Lynn county eligible for the Little League will report on the north side of the League Park at 4:00 p. m. on Monday, April 22.

Boys 13 and 14 years old eligible for Pony League will report at the same time on the same day at the old Jaycee softball park in Tahoka.

C. W. Conway, president of the Little League, says that more money is needed to pay for the lights for the park, which have already arrived and will be installed soon. The fence at the Little League park has been backed up so that the Pony League may use the same park, and an auxiliary fence will be used for Little League games. Additional grass is

Lamesa Classing Office Approved

The Lamesa cotton classing office has been approved by the U. S. Department of Agriculture, and farmers in parts of this area can have their cotton classed at Lamesa this fall.

The new office will serve farmers in Andrews, Borden and Dawson counties and the south half of Lynn county.

The boundaries for the south Lynn county will be: on the east, FM 1054, including the gir at Draw; on the north, U. S. Highway 380 and FM 1054, including all gins located in Tahoka and West Point; on the west, the west boundary of Lynn county.

Farmers in this area have been sending their cotton to the Lubbock cotton classing office in previous years.

John L. McCollum, manager, southwest cotton division, Agricultural Marketing Service, Dallas, made the announcement this week. He points out that it is the policy of USDA to operate seasonal cotton classing offices when a community requests this service and provides the space and facilities.

"The Lamesa Cotton Growers Association has assured us that it will have the space and facilities ready for operation by September," he said.

School Will End Holidays Monday

Classes will resume in the Tahoka school Tuesday morning at the regular time, according to High School Principal John Shepherd.

Easter holidays began Thursday afternoon following the close of school and will continue for four days, including the week-end. As the students return to classes, the last five weeks of school will begin and preparations will be started for the final events of the school year.

Local Students To Enter State Meet

Teachers Elected For Next Term

All teachers who asked for reelection in the Tahoka Independent School District have been employed for another year by the local school board, according to Otis Spears, superintendent of schools.

The board, with its new members have also re-elected officers. Maurice Huffaker will serve again as president; L. A. Forsythe, who during his last term was filling the vacancy made by Felix Jones and who was re-elected this spring to the board, will again serve as vice president; and J. M. Uzzle was re-elected secretary. Other members include Herman Renfro, O. E. Terry, George Claude Wells, and Reble Thomas, the latter a new member of the board.

The only faculty member not asking for re-election was Mrs. Paul Pittman, who resigned several weeks ago effective at the end of this school term. She has been serving as librarian and sponsor of the yearbook and at this time has not been replaced, Spears said.

The addition of the Grassland students, who will attend Tahoka schools following the consolidation ordered by the county board, will not allow the local schools an additional teacher, Spears said, because the ADA this year is below the breaking point of 787½ which allows 32 teachers. The number of students from Grassland, however, will bring the ADA back up to the point where state aid will provide for 32 teachers. The Tahoka district at this time has 34 teachers.

Four Tahoka High School students will participate in the state interscholastic League meet to be held in Austin May 2-4, after winning in literary and track events in the regional meet held in Lubbock Saturday.

Tahoka placed third in the literary division of Class A with 40 points. Quannah won first with 100 points and Floydada was second with 62 points. Tahoka, Floydada and Childress all placed 10th in the track meet with five points each.

Denver Ford won the mile run in Class A in 4:43.3 minutes, breaking his own record he set in the district meet which was 4:47.1. A new record in interscholastic league mile run was made by Bob Cunningham of Littlefield in Class AA with 4:31.3, along with five other new records in various events.

In the literary division Tahoka brought home two first places and one second place. James Adams won first in number sense; Carolyn Duckett first in ready writing; and Betsy Rowe second in shorthand. All three will enter the state meet.

In the results given of the district meet, the News omitted the names of Carolyn Duckett and Betsy Rowe, who also won first and second, respectively, in their categories. Betsy was defeated in the regional meet by the same girl of Floydada who defeated her in the district meet. The first and second place winners in these three literary events are eligible to participate in the state events. Another Lynn county student, Jerald Barton of O'Donnell, came in third in the 440 yard dash in Class B.

Curtis Stevens Is New Gin Manager

Curtis W. Stevens has been named general manager and treasurer of Farmer's Cooperative Gin No. 1 in Tahoka, John F. Thomas, president of the board of directors, has announced.

Stevens will succeed Bobby Carroll, who will become manager of the New Home Farmers Co-op May 1 after filling the Tahoka office for 11 years.

The new manager was chosen by the board from 12 applicants for the position. Stevens has been employed by the Farmer's Co-op for 23 years, serving in almost every capacity from the ground floor up. He has been head ginner for the past several years. His duties will include overseeing the gin plant, retail and wholesale oil and gas business, and the co-op's organization for contracting Mexican nationals.

A long time resident of Tahoka, Stevens is a graduate of Tahoka High School and is an ex-letterman. He has two sons, Larry Jack, of the family home; and Jerry Mack of Lubbock, and one grandson. No one has yet been named to replace Stevens as head ginner at this time, Thomas stated.

In addition to Thomas, other officers and directors of the cooperative include T. B. Mason, vice president; J. O. Allen, secretary; T. D. Dunlap, Charley Lichey, Cleve Littlepage, and Lois Smelser, directors.

EASTER PANTOMIME TO BE GIVEN IN LOCAL CHURCH

The Christ Ambassadors of the Assembly of God Church here will present an Easter Pantomime on Sunday night at 8:00 p. m.

Rev. A. L. Beggs, who is pastor of the church, says that there will also be Sunday School programs.

The public is invited to attend. Mrs. Billy Reaser was admitted to Tahoka Hospital Monday as a medical patient. She is reported to be improving.

Society & Club News

Duplicate Bridge Winners Are Named

Mrs. Lee Roy Knight is the winner of the trophy in the six-game series of duplicate bridge which was completed at T-Bar Country Club Tuesday night.

Mrs. Knight and Mrs. Charles Verner were first place winners for the night with a percentage high enough for Mrs. Knight to overtake Mrs. A. N. Norman, Jr. to win the trophy. Mrs. Norman and Mrs. Winston Wharton were second place winners and Mrs. and Mrs. Clint Walker, third.

Next Tuesday night is guest and master point night.

Garden Club Holds Clinic, Luncheon

A flower clinic and luncheon was held Tuesday by the Tahoka Garden Club in Fellowship all of the Methodist Church when Mrs. O. B. Ratcliff of Lubbock was the speaker and flower arranger.

Mrs. Ratcliff spoke to the group on line arrangements and the significance of color, as well as the rules for staging a flower show. Members of the local organization brought flowers which Mrs. Ratcliff used in making arrangements and explanations. She was assisted by Mrs. C. L. Hoffman, also of Lubbock.

Arrangements were made with lilies, tulips, Dutch iris, iris, pony tulips and greenery.

Following the clinic which was held in the morning, a luncheon was served the members and guests. Hostesses were Mrs. C. S. Thomas and Mrs. Calloway Huffaker.

Rainbow Girls Hold Mock Installation

A mock installation service was held at the regular meeting of the Rainbow Girls here Monday night when the Grand Visitor of Texas, Mrs. Ethel Lee Worley of Slaton, visited the local chapter.

The regular meeting was attended by a total of 54 members and visitors, including Mrs. Morley's daughter, Tommy Karen.

Preceding the ceremony, a salad supper was held honoring the Grand Visitor by the members of the advisory board of the Rainbow Girls in the home of Mrs. J. K. Applewhite. Thirteen ladies attended when Mrs. Worley instructed the board in their duties as advisors of the chapter.

Following the mock installation service refreshments were served the Rainbow Girls and visitors by Meses. Perry Walker, H. D. Nelson, and J. E. Brown.

Calvin Smith of Brownfield and a student at Texas Tech was in Tahoka Tuesday visiting his father, Herbert Smith and other relatives and friends.

Gordon News

MRS. EARL MORRIS
Correspondent

Mr. and Mrs. Lendell Grigsby of A. C. C. were here Sunday and he spoke at Gordon Church of Christ.

Sunday visitors in the Baptist Church were the Rev. Lusby Kirk's parents, Mr. and Mrs. K. F. Kirk of Abilene, Mr. and Mrs. J. L. Richardson and children of Colorado City, who were visiting the Kirks. The pastor asks that people remember the revival that will begin in this church Friday night before Easter.

The Rev. Silas Dixon is conducting a pre-Easter revival in the Methodist Church. Mr. and Mrs. Grady King and sons of Muleshoe were visitors at the church Sunday.

Weldon B. Neugebauer was inducted into the U. S. Army April 11. He is the son of Mr. and Mrs. Oscar Neugebauer.

A son, Kenneth Wayne, was born to the Rev. and Mrs. Lusby Kirk in the Goodnight Hospital, Lubbock.

Emily Slover To Be Married Soon

Mr. and Mrs. J. W. Slover announce the engagement and approaching marriage of their daughter, Emily, to Wayne Lindsey, son of Mr. and Mrs. Herbert Lindsey of Lubbock.

The wedding ceremony is planned for June 14 to be held in the First Methodist Church in Tahoka.

The bride-elect is a graduate of Texas Tech and is now on the faculty at Bayless School in Lubbock. The bridegroom is a senior student at Texas Tech.

Willie Lee Weds New York Girl

Mr. and Mrs. George Fanelli of Bronx, N. Y. have announced the marriage of their daughter, Rose Ann, to Willie Lee, son of Mr. and Mrs. R. E. Lee of Tahoka.

The ceremony was held March 3 in the Catholic Church in the Bronx. Lee has served in the Army for two years and expects to receive his discharge in one more year. He is presently stationed in New York.

The bridegroom is a graduate of Tahoka High School.

Miss Roach Gives Food Demonstration

The West Point Home Demonstration Club met in the home of Mrs. George Claude Wells this week when Miss Wanda Roach, agent, spoke to the group.

Miss Roach gave a demonstration on food 30 years ago and the present day, and talked on different cuts of meat, inspection and grading. A film was also shown.

Refreshments of pound cake, coffee and cokes were served to seven members, and one visitor, Mrs. Franklin.

Study Club Hears Mrs. M. J. Huffaker

Members and their husbands of the Phebe K. Warner Study Club met Friday evening in Fellowship Hall of the Methodist Church for a salad supper.

Mrs. Maurice Huffaker spoke to the group on "Friends." Hostesses for the event were Meses. Pete Hegl, E. R. Edwards, Beulah Applewhite, and Truett Smith.

Pancake Supper Set For Next Thursday

The Rainbow Girls will hold a supper at the school cafeteria on Thursday, April 25, from 7:00 to 9:00 p. m.

Plates will be 50 cents each, according to Mrs. Beulah Applewhite, Mother Advisor.

April 6, and weighed 6 pounds 13 ounces. The Kirks have another son.

Dick Denton and his son, Lim were here from Plainview to visit his parents, Mr. and Mrs. Ed Denton, Friday.

The directors of the Co-op gin were hosts for the annual barbecue dinner served to stockholders and their families in the gym of Southland school, April 9. Aubrey McNeely was re-elected director and Neil Crosby was elected a new director. Prizes were drawn by Meses. L. E. Bartlett, Earl Lancaster, Weldon McGehee and B. Gindorf.

Mr. and Mrs. Oscar Thomas are the proud parents of a son, Randal Kay, who was born April 4, weighing 8 pounds 4 ounces. The couple's first child, the mother is the former Gertrude Neugebauer.

Mrs. Minnie Martin of Hillsboro, Calif. is visiting her mother, Mrs. Shelton, who is ill in Slaton Mercy Hospital, and her sister, Miss Dolby, and brother, Monroe Shelton.

Mr. and Mrs. M. M. Bruster visited the Hal Jacksons at Wellman and formerly of Gordon, last Thursday. That night the Brusters attended church at the Loop Church of Christ.

Mr. and Mrs. Wilburn Field and children visited the Lewis Kidds in Slaton last Saturday afternoon. After a six day stay in Slaton

Mercy Hospital M. E. Morris has returned home to complete his convalescence from bronchial pneumonia. With him and Mrs. Mrs. Morris, who is recovering from a round with the flu, have been their daughter, Mrs. J. L. Gary, Roswell, N. M., Mrs. W. A. Lyman and Marc of Dallas, Mrs. C. A. Maeker, Marilyn and Pam of Lubbock. Other visitors in the home were Mr. and Mrs. Max Morris, Mr. and Mrs. B. L. Coydill of Lubbock, Mrs. O. G. Hamilton, Post, the Rev. and Mrs. Dixon, Mr. and Mrs. Ward, Mr. and Mrs. M. C. Edmunds, Howton Haire and Sonny Hitt.

Mrs. Pearl Haynes of St. Joseph, Mich. is visiting her sister and brother-in-law, Mr. and Mrs. Sam Martin. Last week another sister, Mrs. B. N. Billingsley of Lubbock and a niece, Mrs. E. Kidd of Slaton, visited in the Martin home. Thursday the four ladies visited Mrs. Ed Denton.

Mrs. Mary Gary of Needles, Calif. is visiting friends in and around Southland and Mrs. W. L. Whited came down from Lubbock to visit Mrs. Gary.

Miss Ora Mining visited Mr. and Earl Gregg at Graham Chapel Sunday.

Mr. and Mrs. Roy Williams, Mr. and Mrs. Will Williams returned last week from a month's visit in Calif. They visited Dean Williams in San Diego, who is in the Navy, and other relatives in Delano,

where two sisters, the W. O. Dials, the S. J. Callahans, two brothers, John L. Williams and the Will Williams. All four couples had recently celebrated their Golden Wedding and got together for a visit.

Milton Bruster, who has been conducting a meeting in the Petersburg Church of Christ, visited his parents, the M. M. Brusters before returning to his home in Alamogordo, N. M.

A miscellaneous shower was given in honor of Mrs. Louis Perkins, formerly Sue Lancaster, April 8 in the home of Mrs. Alfred Basinger. White was the color carried out with the lace table cloth centered with an archway of white stock over a miniature bride and groom. Hot spiced tea and assorted cake were served. The hostess gift to the honoree was a set of stainless steel cooking ware. Some 50 guests called. Hostesses were: Meses. Jack Myers, Ed Mosley, Dqn Pennell, Hub Haire, Jay Oats, Roy Collins, Jack Hargrove, Richard Lewis, John East, Harley Martin, W. A. Basinger and Miss L. Davidson.

Hayden Baker of Muleshoe and his mother, Mrs. John Baker of Slaton were here last Saturday to attend the funeral of Mrs. J. C. Harris.

Miss Lou Ella Gary came down from Wayland College last Sunday to visit her aunt and family, Mr. and Mrs. C. Terry at New Lynn

and her grandparents, Mr. and Mrs. Earl Morris.

Merwyn Edmunds of Lubbock spent the weekend with his parents, the M. C. Edmunds.

Mr. and Mrs. Herb Koehen of Mitchell, S. D. were recent guests in the Oscar Neugebauer home.

Miss Tommy Wynn of Odessa visited her brother and sister-in-law, Mr. and Mrs. Noble Wynn Sunday and another visitor in the home was a daughter, Mrs. Steve Dearth of Amarillo.

G. L. Bruster of Carlsbad, N. M. visited his mother, Mrs. W. M. Bruster last week-end.

Berry Flat Revival Starts Today

Evangelist Wayne Bristow will lead the revival which will begin today, April 19 at the Berry Flat Baptist Church near O'Donnell, according to Jabez McGowan, pastor.

Vernon Stokes, Sundown, will lead the singing.

The evangelist comes to Berry Flat from Wayland College where he is President-elect of the Baptist Student Union. He has also been selected by the Southern Baptist Convention to serve as a Summer Missionary in Home Missions. He will serve in the Washington-Oregon area.

Wilson News

MRS. CARL D. GRYDER
Correspondent

They say that the weather is the most talked about, and the least done about thing in the world. And here in West Texas we can find plenty to say about the weather. One thing for sure, it cannot be accurately predicted. Spring and winter remind me of the wrestling matches on T. V. First one and then the other is winning! I am afraid all of the efforts to keep "ole man winter" from getting the fruit this year has failed, with the freeze which came the past week end.

"The Easter Parade" is here again and we without a new bonnet! Every lad and lassie will be groomed to the highest notch come Sunday. I'll enjoy watching the parade even if I am attired in my last year's rig! But to me Easter has a better meaning than just wearing new clothes, which is perfectly alright; and in order, but it

we could try a bit harder to put on a new and better self, one made new by the resurrection of new ideals and new desires, that would transform us and lift us up to a higher plane of daily living, that would make us better and better as the days come and go, to prove to all the world that life does have meaning. Then Easter would surely be the "Resurrection" that it should be to us all. Our Lord arose with a new hope for all the world! We can rejoice and be glad for this hope and live by it, each day. Surely Easter is a time for "new" things. New joy, new hope and new life!

Guests in the W. F. McLaughlin home Sunday were Mr. and Mrs. Ross Barron of Slaton. Dinner guests in the Floyd Heck home Sunday were Mrs. Heck's parents, Mr. and Mrs. Jim Brock and Gladys of Lubbock. Mr. and Mrs. Julius Mayfield and Mr. and Mrs. Herbert Shenrock of Levelland visited. Mr. and Mrs. Charlie Gryder Sunday. Mrs. Mayfield is Mr. Gryder's sister.

Mr. and Mrs. Norris Raymond and children of Abernathy, former Wilson residents, were here Sunday, guests of Mrs. Raymond's sister, Mrs. H. J. Campbell Jr. and Mr. Campbell and children.

Mr. and Mrs. Z. L. Moore and children were in Muleshoe Sunday visiting Mr. and Mrs. R. C. Davis and Kay. Mr. Davis will be remembered as the former Wilson Lumber Co. manager.

Mr. J. R. Stone, who has been a pneumonia patient in the Mercy Hospital in Slaton, is much improved and is back home. His son, Garland, of Levelland, has been staying with him.

Mrs. Roger Blakney underwent a sinus operation last week in the West Texas Hospital. After being dismissed from the hospital, she convalesced in the home of her parents, Mr. and Mrs. L. R. McCormick of New Home.

Children of Mr. and Mrs. Ollie Riddle who visited them over the weekend were Mr. and Mrs. Harvey Riddle and children and Mr. and Mrs. Virgil White Jr. all of Garland; Mr. and Mrs. A. D. Riddle and family, and Martha Lou and Steve Riddle, Mr. and Mrs. W. E. Roe and daughter of Tahoka and Mr. and Mrs. Lloyd Christopher and children of Wilson.

Mrs. W. A. Tadlock is still improving in health, her daughter, Mrs. Erwin Sander reports. Mrs. Oscar Follis' uncle, Mr. Clyde Hyder and Mrs. Hyder of Hale Center were here visiting him and Mrs. Follis and children Saturday.

Guests in the Ed Crowder home Sunday were their children, Mr. and Mrs. Frank Benak and children and Mr. and Mrs. Charlie Waters of Lubbock.

Mr. and Mrs. Alfred Clary and Mrs. Ira Clary and Carolyn visited Mr. and Mrs. Dale Clary and family of Lubbock Sunday.

Miss Marilyn Carmack of Tahoka was a guest Sunday of Miss Joyce Church and Jerry. The Junior choir of the Methodist Church met Wednesday of last week with 12 children present. They were sponsored by Mmes. Charlie Campbell, Billy Wilkinson, and Alice Davis.

The Methodist revival which began Sunday night has been well attended by the people of that church. The pastor, Rev. Billy Wilkinson is doing the preaching. Cottage prayer meetings were held over the community last week, preparatory to the meeting.

Rev. and Mrs. Billy Wilkinson were in Levelland last week attending the Brownfield District Ministers Meeting which met in the Wesley Methodist Church there Saturday evening the M. Y. F. District meeting was held in the First Methodist Church of Brownfield. Those attending from Wilson were Mr. and Mrs. Clarence Church and Jerry and Joyce Church, Rev. and Mrs. Billy Wilkinson and Skipper, Linda, and Billy Ann Wilkinson, Jimmy Blankenship and Bobby Crowson. Miss Joyce Church was elected vice-president of the District M. Y. F. for the coming year. The M. Y. F. had a fellowship meeting after services Sunday night in the home of Mr. and Mrs. Glen Ward.

Mr. Carl Gene Spears and son were guests Sunday of Mrs. Spears' parents, Mr. and Mrs. L. R. Blair of Canyon.

Dinner guests in the home of Mr. and Mrs. Charles Baker and family Sunday were Mrs. Baker's parents, Mr. and Mrs. John Covey of Wilson, her grandmother, Mrs. T. J. Sides of Alamogordo, N. M., and cousins, Mr. and Mrs. Don and Mrs. Lawrence May and Wade of Wilson.

Mrs. Mary Gossett, Mrs. E. L. Mart of Midland and Mr. Walker's mother and cousins, Mr. and Mrs. Eual Daniel of Crosbyton were guests in her home Sunday.

Mr. J. E. Clark of Needles, Calif., and his daughter, Mrs. Dougal Waggoner of Clovis, N. M. were guests in the Roy Robinson home last week.

Mr. Hermon Brewer who underwent surgery recently is home and doing nicely, Mrs. Brewer reports.

Ted George of Abilene, nephew of Mr. Hub Young, visited him and Mrs. Young last week.

Conformation of this year Catechism class was held Sunday at St. Paul Lutheran Church. Members of the class were Angelia Flores, Cralia Flores, Donald Herzog, Norman Luker, Roy Nolte, Margie Talkmitt, James Wuensche. A "Reconsecration Roll Call" service was held Sunday night. The pastor, Rev. George Heinemeier's sermon was "Future Church Builders of America." After the service a social for the new class was

Scouting Officials Elected Recently

Election of new officers and approval of the 1957-58 budget was the highlight of the annual business meeting of the South Plains Council of the Boy Scouts of America in the Lubbock Public Library Building recently.

About 90 representatives from the 20 county area comprising the

held in the Parish Hall. 32 young people were present.

John Heinemeier, son of Rev. and Mrs. Heinemeier, a student at Concordia Theological Seminary of St. Louis is home for the Easter holidays.

The following people were guests in the St. Pauls Lutheran Church Sunday and visiting friends and relatives: Mr. and Mrs. Charlie Limmer and family of Sparenburg, Mr. and Mrs. Fred Kaatz, and Mr. and Mrs. Gilbert Kaatz of Lubbock, Mrs. Paul Limmer and John and Paul of Lubbock, and Mr. and Mrs. Elbert Ohlenbusch of Lubbock.

Mrs. Carlon Wilke entered the Methodist Hospital in Lubbock Tuesday for a tonsillectomy.

Mr. and Mrs. Harvey Campbell and Ted of Slaton were guests of the Pat Campbells Monday.

Mr. Pat Campbell took his mother, Mrs. W. T. Campbell, to her home in Blum, last Thursday.

John Heck had two light heart attacks Sunday night. Tuesday morning he suffered another one and was taken to the Merly Hospital in Slaton for observation.

Mr. and Mrs. Thad Smith visited Mrs. Smith's mother, Mrs. A. L. Herring of Lubbock, Sunday.

The Wilson F. H. A. Chapter observed National F. H. A. Week last week by participating in several worthwhile activities. The highlight of the week came in the form of "Daddy-Date Night." On his night the daddys are the honored guests of their daughters. The girls entertained with a party at the school house Thursday evening. After a very enjoyable evening, the Lions Club Queen was chosen. Miss Delores Smith, daughter of Mr. and Mrs. Guy Smith, was chosen from 15 entrants. Miss Nita Hewlett, daughter of Mr. and Mrs. H. H. Hewlett, was chosen as alternate.

The F. H. A. and the F. F. A. chapters had their chapter party Monday night. They went to the skating rink in Lubbock, then later to a show. They were sponsored by the Agriculture teacher, Mr. Dale Price and Mr. Sonny Watkins.

News Want Ads get results.

South-Plains Council attended the session. An institutional representative and an elected member-at-large from each sponsoring institution make up the governing body.

Dr. Davis Armistead, Lubbock, was elected president of the Council for the next year. Vice presidents named are Ralph Krebs, Lubbock, public relations; H. P. Clifton, Lubbock, C. H. Cummings, Lubbock; Dr. Dale Rhoades, Crosbyton; Rev. Harry Vanderpool, Littlefield; Tut Tarwater, Plainview; and C. W. Tarter, Lamesa.

J. Ed Waller, Lubbock, will be Council treasurer and Guy Eagen, Lubbock, will be assistant treasurers.

The Council commissioner the next year is Charles Alexander, Lubbock.

The new National Councilmen are Joe T. Salem, Sudan; K. N. Clapp, Lubbock; Dr. F. B. Malone, Lubbock; J. Ed McLaughlin, Ralls; John F. Lott, Post; and J. M. Willson, Sr., Floydada.

A great deal of interest was taken in the proposed budget by every representative present. The budget proposed for the South Plains area was set at \$105,000 for the 1957-58 activities.

The South Plains Council consists of 247 units of Boy Scouts, Cub Scouts and Explorer Scouts. At present about 6,733 boys aged 8-17 years participate in Scout activities on the South Plains. The Council set a goal to increase this number to 8,170 boys by the end of the year.

Dr. Armistead pointed out to the Council "for each boy now participating in scouting on the South Plains there are four more boys that would welcome the opportunity to enjoy Scout work."

Activities of the scouting will be under the direction of Council operating committees. These committees will be under the direction of the following: Jim Lumas, camping and activities; Dr. Wallace Hess, health and safety; Phil sion; Howard Schmidt, advancement; organization and extension; Frank McLaughlin, finance; and John Lott, leadership and training.

Members of the executive board to serve during the next year include: Dr. Emil Prohl of Tahoka, along with many other South Plains men.

James R. Barnett of New Home is among 88 students at Tarleton State College who are candidates for graduation on May 19. J. E. Thompkins, Jr., registrar, has announced.

Barnett will receive his degree in physical education.

SPORTS

Winners Named Golf Tournament

Prizes were won by the dozens at the blind bogey golf tournament Sunday afternoon at T-Bar Country Club in both men's and women's division when 41 players entered the tournament and a total of 49 players were on the course. Handicaps were attained when entrants teed-off with a rubber hose with one foot in a basket at No. 4 tee; both feet inside an auto tire on No. 3 tee; standing on boxes on No. 1 tee; using a rubber hose on all tee boxes; and putting through a stove pipe on No. 3 green.

Prizes were awarded the following: Lee Roy Knight, most putts on nine holes, a rake from Higginbotham Bartlett Co.; Jack Smith, eagle on No. 8; rear view mirror from Bray Chevrolet; Jewel Smith, low putt nine holes, two year subscription Lynn Co. News; Wade Holland, score which matched age, seat covers from Ince Oil Co.;

O. C. Elliott, low man's score, cooler, Gagnats Hardware; Jimmy Applewhite, low score No. 5, shirt, Levine Bros.; Jake Jacobs, par No. 7, wash, grease, oil change from Lynn County Tractor Co.; Jop Whorton, oldest man golfer, floor mats, Wharton Motor Co.; Kenneth Turner, most strokes, least putts No. 3, floor mats, Tahoka Auto;

Winston Wharton, low putts for men on nine holes, hair cut and shampoo, Fischer Glenn Barber Shop; Jack Robinson, par No. 7, shirt, King's Department Store; Joe Belle Robinson, most putts on No. 3, garden-hose, Dale Thuren Farm Store; Reble Thomas, most strokes No. 1, garden hose, Shamburger Gee Lumber Co.; Aleta Thomas, youngest lady golfer, dry cleaning, Ayer-Way Cleaners; Sam Edwards, lowest on No. 8, garden hose, White Auto Store;

Maxine Edwards, most putts on No. 3, Revlon set, Duchess Beauty Shop; Dot White, most strokes No. 3, spray paint, J. K. Applewhite Co.; G. W. White, lowest on No. 8, wall plaque, Wynne Collier Druggist; Dorothy Thomas, most strokes No. 9, \$5.00 of golf balls, Charles Verner; Oscar Whitaker, most strokes No. 3, wash and grease, Reid Parker; Melba Clem, high ladies' score, cleansing

Green Belt All-Stars To Be Nominated

Coach Bill Haratson has received an invitation to nominate a lineman and a back from amongst the seniors on last fall's outstanding Tahoka High School team to appear in the ninth annual Greenbelt Bowl Game. This all-star game will be held in Childress, Texas, on Friday, August 16th, and will feature the top players from many high schools in West Texas and Oklahoma.

Coaches for the game have not been named yet but they will be of the same high calibre that have made past Greenbelt Bowl games a high point in the athletic experience of the boys participating in the game. The coaches, when they are selected, will have the difficult task of selecting the 48 boys who will make up the two all-star squads to appear in the game. Many of the boys who have participated in this game have received athletic scholarships as a direct result of their performance in this game.

Gordon Smith, who will be long remembered for his football achievements at Tahoka High School, started in last summer's Greenbelt Bowl game.

Today's MEDITATION

from The World's Most Widely Used Devotional Guide

The Upper Room

© THE UPPER ROOM, NASHVILLE, TENNESSEE

"My Father, if it be possible, let this cup pass me. Yet, not what I will but what thou wilt." (Matthew 26:39. Moffatt.)

In our prayer life, we must come to the point of self surrender if we want to have our prayers answered. We know that the will of God is always best. We know also that we can trust Him because He loves us. Even so, it is not easy to say, "Thy way, not mine, O Lord," or to pray as our Saviour did in Gethsemane, "Not what I will but what thou wilt."

At an institute for youth, I had the great joy and opportunity to pray with and lead a young man to Christ. One day I got a letter from him. He told of his joy during the first days after giving his heart to Christ.

Later he wrote to say that his mother had taken seriously ill. Darkness displaced his joy. He said to God: "If Thou lettest my mother die, I cannot believe Thou art a loving Father and then I cannot love Thee." A storm was in his heart. But at last he prayed: "O Lord, I cannot leave Thee. Thou must do with my mother what Thou knowest is best." He had so grown in faith that he could both trust God and love Him.

PRAYER

O Lord, I know it is often hard to say, "Thy will be done." But I also know that Thy will is always the best for me. So I will say today: Thy way, not mine, O Lord. In the name of Jesus Christ, my Saviour. Amen.

THOUGHT FOR THE DAY

I will trust God in everything.
 Johan Hansen (Norway)

CARD F THANKS

We would like to express our deep appreciation and sincere thanks to the friends and neighbors for their kind words and acts of kindness during the death of our loved one. Thank you for the food, lovely flowers, and cards of sympathy. God bless you all. The family of Mrs. R. J. Barnett.

Mrs. J. H. Cobb remains in critical condition in Tahoka Hospital following surgery last week for a broken right hip. She has rallied several times during the week after becoming very ill that has seemed remarkable for her 91 years.

Middle age is that time in life when the gleam in the eye is just a reflection of the sun off the sun off the glasses.

Easter Egg Hunt At T-Bar Saturday

An Easter egg hunt for two age groups from three to nine years old will be held Saturday afternoon at 4:00 o'clock at T-Bar Country Club.

Each child is asked to bring six hen eggs, according to Mrs. Jack Alley Robinson, children's social chairman.

Congratulations —

Mr. and Mrs. J. H. Edwards III, of Houston, on the birth of a son April 11. He has been named Lane Bryan and weighed seven pounds, three ounces. He is the grandson of Mr. and Mrs. Harold Edwards of Houston, and the great grandson of Mr. and Mrs. Roy Poer of Tahoka. The Poer's have three great grandchildren and five grandchildren.

McCord Urges Lynn County Citizens To Start Polio Shots Now

"Vaccinate Before Too Late" is the theme of the National Foundation of Infantile Paralysis' effort toward universal immunity to the dread disease of polio, according to H. B. McCord, Jr., chairman of the county unit.

Plenty of vaccine is now available for all ages, and everyone is urged to begin his polio shots now before the season gets underway. At this time there are 63,000,000 people up to the age of 40 who have not received the vaccine at all.

Following the summer of 1955

when live virus was found in vaccine and the problem was solved, 45,000,000 persons have received vaccine with a perfect safety record. However, only seven percent of the total population have received one shot, 15 percent two shots, and five percent three shots. This compares with 75 percent who have received diphtheria inoculation and 50 percent, smallpox.

The Foundation points out that three shots must be received for full effectiveness. Persons who receive one shot are not fully protected against paralysis; two shots provide substantial protection for one polio season; but three shots are necessary for maximum and long-lasting protection.

Age groups that are lagging include the pre-school age group where 30 percent of all cases of paralytic polio in 1956 occurred among youngsters below five, and the young adult group that is usually the hardest hit and where the greatest number require respiratory aids resulting from the disease.

Effectiveness of the Salk vaccine is shown by chart in that

the river that flows on wheels

More petroleum moves over Santa Fe than over any other railroad in the country

The 2,384,000,000 gallons of petroleum that Santa Fe moves every year is the river that flows on wheels.

It's so large that it makes Santa Fe the No. 1 petroleum railroad in the country.

This flood tide of oil gives heat and power to farms, factories, military installations and homes all over the nation.

The tremendous demand for petroleum, in all its forms, poses special problems for Santa Fe. For it requires speed and service to keep that river flowing full force. Here are a few of the ways we get the job done:

We move empty tankers just as fast as full ones, so no vehicle will stand idle.

As new oil fields are opened up, we stand ready to serve them. And when new developments take place within the industry, we adapt ourselves to take care of them.

As an example, take liquefied petroleum gas. The demand for it has skyrocketed in the last 10 years, because with this "bottled gas" rural families can cook and heat with gas just like city people. And the railroads have made it possible for them to get it.

Santa Fe runs special LPG trains when the demand for this product requires it. In a year, these trains carry enough LPG to heat over 500,000 homes from November through April.

This is just a part of the story of the dependable transportation service Santa Fe is providing to essential industries that contribute so much to the welfare of our country.

Dewey Mark Is Rotary Speaker

"Products of Crude Oil" was the subject of a very interesting talk at Tahoka Rotary Club made by Dewey Mark, a chemical engineer with Cosden Petroleum Co. of Big Spring.

"Petroleum is Texas' greatest natural resource," Mr. Mark declared in opening his talk. "One-sixth of the nation's crude oil reserves are in the Permian Basin region of West Texas."

The average citizen thinks of crude oil's principal derivatives as being gasoline, diesel oil, heating oils, airplane gas, and jet fuel. But, there are scores of other products we use every day that are made entirely or in part from oil.

Technologists are making great strides in producing by-products of crude oil. Even the gasoline we use in our cars is greatly improved over that used a few years ago.

Sulphur is being produced from sour gas that once went to waste.

Benzine is made from straight-run gasoline, and from benzine comes such products as nylon, aspirin, DDT and BHC insecticides.

Another derivative family is TNT, 115 to 145 octane combat aviation gasoline, sacarin, and many drug compounds.

In another family, we receive carbon black, paints, and printing inks; and from still others, darcron, and the plastics. He illustrated some of the many articles being made from plastics.

Synthetic rubber also comes from crude oil, and a big new plant is to be built in the Permian Basin area at Odessa.

He also showed pictures of the big Cosden refinery at Big Spring, declaring it to be one of the most modern in the entire nation.

He pointed out some of the many new industries coming to Texas in the fields mentioned above, and declared Texas people should encourage further such manufacturing in this state.

The speaker was introduced by John Toler, Rotarian and local Cosden dealer, who arranged the program.

Brief talks on the recent Rotary District Conference held in Lamesa were made by Dub Kenley, the incoming secretary, Happy Smith, the incoming president, Herman Heck, H. B. McCord Jr., and President John Reasonover.

Junior Rotarians for the month, Donald Riley and Wayne Cloe were introduced, respectively, by Truett Smith and Dr. K. R. Durham.

35,592 cases were reported in the U. S. in 1953; 38,473 in 1954; 28,983 in 1955; and a drop to 15,400 in 1956. The Foundation is attempting to make vaccination 100 percent or as close as possible in order to completely wipe out the dread disease.

Points Given On Better Family Health

Every family can take steps to insure better physical and mental health in 1957, according to Mrs. Eloise Johnson, extension family life specialist. It will mean financial savings as well as happier living.

The specialist suggests seven important factors to check: good nutrition, sanitation, regular health examinations, immunization, exercise, rest and recreation, an adequate home health center, and a means of achieving the state of radiant health which is the result of complete physical, social and mental well being.

An accepted guide for good nutrition is the Texas Food Standard. Family attitudes toward food and pleasant meal-time atmosphere are as important as kind and amount of food eaten. Sanitation includes a healthful water supply, safe sewage and garbage disposal, cleanliness around the barn and home, as well as clean milk free from bacteria.

Regular health examinations for mother and father as well as the children are one of the most important steps in improving family health. The family physician can advise about immunization against contagious and infectious diseases.

Exercise, rest and recreation is a fifth step. The important thing, is to build toward a family attitude which considers rest and recreation as essential to good health and not a waste of time or adequate home health center. Every family should have supplies, equipment and medicine for the minor illnesses and emergencies.

New Telephone Contract Signed

General Telephone Company of the Southwest and the Communications Workers of America, Local 6180, have signed a 12-month contract after 31 days of negotiating, according to F. W. Hamper, Industrial Relations Director for the Company.

Highlights of the new contract include increased wages and benefits which amount to nearly one-half million dollars and a provision which will allow the company to schedule plant craft employees on other than a five consecutive work week.

Wage increases up to 12 cents an hour were granted depending upon the group and classification of the employee. Some employees of the former Texas and Oklahoma Telephone Companies will receive additional wage increases in order to place them on the General Telephone Company wage schedules.

The new work schedule feature will give the company an opportunity to provide a more effective and efficient method of scheduling work forces. Other provisions under the new contract will make changes in termination allowances, military leave, town reclassification, and double time on certain Sunday work schedules. A new agreement was also reached on a plan for employee disability benefits.

Seniors Bake Sale Being Held Today

The Senior Class will have a bake sale today in the Southwestern Service building from 8:30 a. m. to 12:00 noon.

This is the class' last effort to raise money for its senior trip and it is hoped that the required amount will be met.

Cakes, pies, and cookies will be sold and the seniors remind the public that persons may contribute to the class as well as have their baking on hand for Easter.

Then there is the man who spent a thousand dollars to cure his halitosis only to discover that nobody liked him anyway.

the contract on April 9, the Company and the Union spokesmen both stated that a fair and reasonable settlement had been reached.

THE OLD FAMILY ROCKING CHAIR . . .

in which grandma rocked daddy, has become a well loved symbol of long and faithful service in many a home. We can heartily applaud this warm sentiment for the tried-and-trusted—because we too have had the privilege of serving one generation after another of many families hereabout. Confidently we look forward to doing the same for their children and their children's children.

OLDSMOBILE

GEARED TO SOUTHWESTERN LIVING

"You'll like it even better when you drive it!"

Neighbor: Say, your new Olds sure looks like a lot of car!

Olds Owner: That's nothing, wait'll you take a ride.

(A few minutes later)

Neighbor: Man-oh-man, where'd all that power come from? I've never felt anything like that before!

Olds Owner: That's Oldsmobile's new J-2 Rocket Engine!

Neighbor: What's that? Tell me how it works.

Olds Owner: When you're driving under ordinary conditions, it uses only one carburetor. That means economy with a capital E. But when you need a sudden burst of power, for safety's sake, you just press the accelerator three-quarters of the way down—and two additional carburetors cut in!

Neighbor: In other words, with J-2, you can have economy when you want it and power when you need it. That's for me!

Olds Owner: Better see your Olds dealer. He's expecting you!

County Redesignated For Feed Program

Walter T. McKay, State Director, Farmers Home Administration today advised, Perry W. Walker, County Supervisor, of the redesignation of Lynn county for assistance under the Emergency Feed Grain Program.

Under designation, farmers and ranchers may now file application through April 29, 1957 to provide feed grain for basic livestock herds through May 15, 1957.

Prizes Awarded At Local Talent Show

Prizes were awarded in four divisions here Friday night in the Talent Show sponsored by the Tahoka Band Club. First and second place winners were named in each case by Lubbock judges.

Winning first place in pre-school division were Karen Elliott and Tim Walker in a tap dance and song routine of "Blue Suede Shoes." Second place went to Janet Parker, Susie Smith, Julie Robinson and Pattie Short in a routine of "Balling the Jack."

First place winner in the grade school division was Elaine Buchanan in a tap dance and second place went to Carol Jean Allen, who played a piano solo.

In the high school division, Marilyn Carmack won first place with a vocal solo, "Lazy Old Sun", and Johnnee Clem was second place winner singing "I've Got Plenty of Nothing."

The out-of-town division was won by Cheryl Banks of Denver City singing "The Great Pretender" and Kay Howell of Brownfield won second with a toe dance.

The Band Club cleared \$72.83 on the event which will be used to help pay for the new band shakos.

Prizes awarded were \$5.00 for first places and \$2.50 for second places. Merchants who contributed the prize money included Bray Chevrolet Co., Tahoka Drug, Piggly Wiggly, First National Bank, O. C. Elliott Oil Co., Herman Renfro Conoco, Ince Oil Co., Wharton Motors, and Parker's School of Dance.

Postal Service Cut Shows Light Effect Here

The curtailment in service at the Tahoka U. S. Post Office, Saturday and during this week has effected the public very little here, according to Postmaster W. E. (Happy) Smith, although in the larger towns a greater effect was felt.

The local office was closed last Saturday and rural carriers did not make their runs. The office has not been opened until 8:30 a. m. on week-day mornings, but otherwise, has given service as usual. Smith said that although little

is saved in each small office, carriers, which total 32,000 in there are several thousand small U. S., travelling an average of 50 miles each, and are paid nine cents per mile. That in itself is a saving of \$144,000 for one day alone, the U. S. Post Office tallent also effected clerks, substitute clerks, city carriers, etc. Have news? Phone 35.

Cotton Diseases Cut Annual Yield

College Station, — Estimates place the loss to Texas cotton producers during the past five years from diseases at more than 2,000,000 bales. About 20 percent of the total is charged to seedling diseases. Angular leaf spot or bacterial blight, root rot, fusarium wilt, verticillium wilt, root knot, nematodes and rust, says Dr. Harlan Smith, extension plant pathologist, are other diseases of great economic importance.

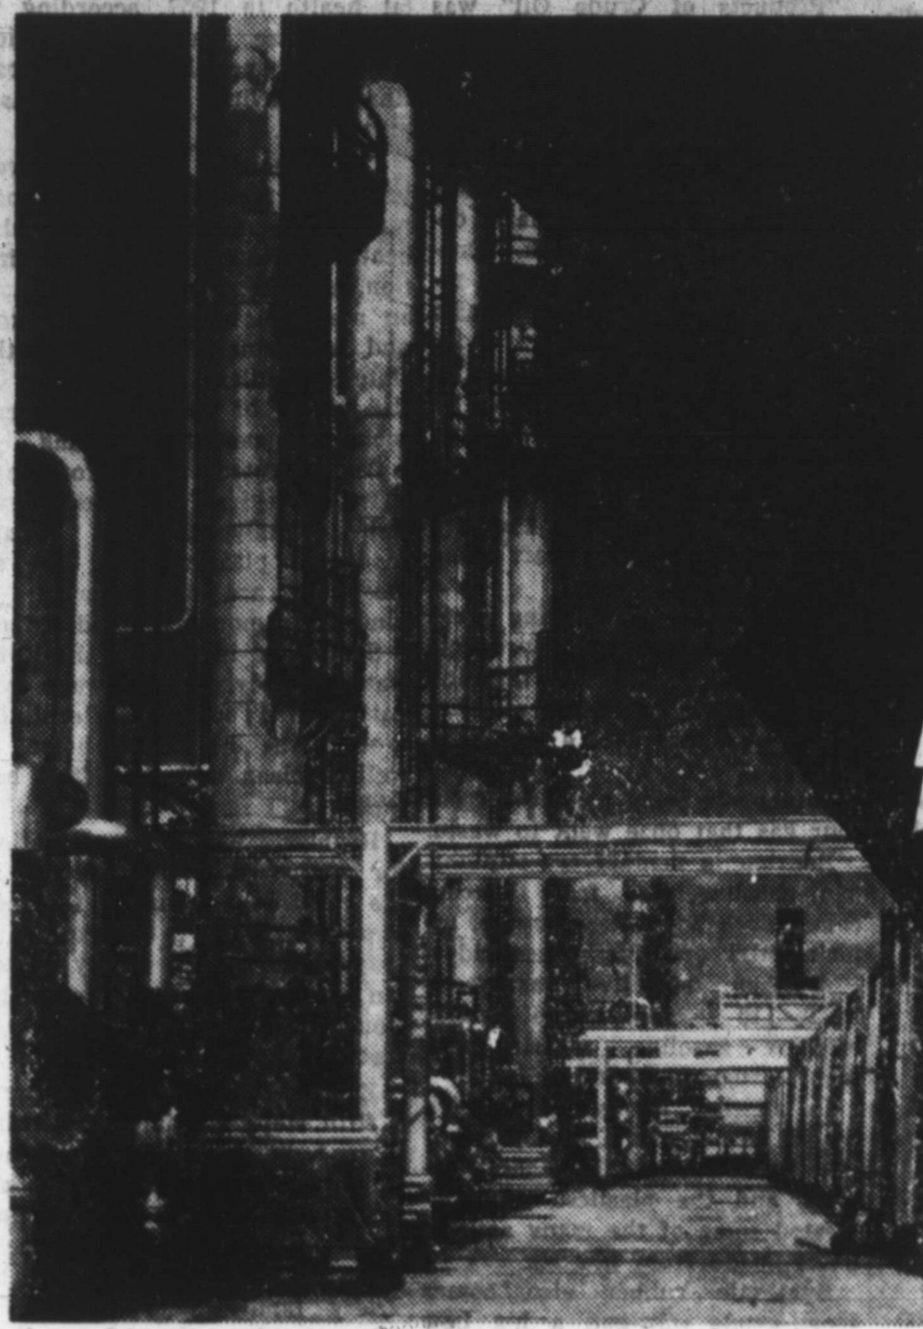

The loss during the last five years amounts to about 10 percent of the total yield but last year's loss was 11.5 percent, the highest on record for the state. The increase last year is attributed to the widespread appearance of verticillium wilt in the High Plains and Pacos areas and (apparent) increases in cotton root rot in the Lower Rio Grande Valley and in the Pacos. For Stockton, Bakersfield areas of West Texas. Too, rust was found in South Texas for the first time since 1943 and fusarium wilt in west Texas for the first time ever. Losses to root rot in the Central Blackland area last year were less than usual. This loss normally ranges from 10 to 25 percent annually, says Smith.

In addition to the direct loss of stands and plants, cotton quality is often lowered because of disease damage. Angular leaf spot and boll rots each are often cited as the reason for lowered cotton grades.

Smith urges cotton growers to give more attention to practices which can be used in cutting these losses. These include seed treatment, planting disease resistant varieties, crop rotation and the use of chemicals. Local county agents, he adds, can supply information on the control practices.

The submarine was not generally recognized as a legitimate instrument of warfare until the Civil War.

hook, with the business session getting underway promptly at 10:00.

"More than 1,300 stockholders now own more than \$1 million in member stocks and reserves in the association," Davis said.

He expects near 1,500 members and guests from the nine county area served by the association to be present Saturday. Counties served by the association include Cochran, Crosby, Gaines, Hockley, Lynn, Lubbock, Terry and Yoakum, with offices located in Brownfield, Levelland, Lubbock, and Tahoka.

Chairman for the meeting will be Cleve Littlepage, a member from Tahoka; and Bob Stevens, Avalanche Journal Farm News Editor, will make the welcome address. The directors' and secretary-treasurer's reports to be given by Alton Strickland, Lubbock, manager of the association, will include information relative to the activity of the board during the year, general condition, policies of the association, and a report on the association's capital structure.

Also on the agenda of business Saturday, is the election of two directors to fill the expiring terms of E. R. Davis, of Lubbock County, and A. B. Roberts of Hockley County.

The principal speaker for the meeting will be W. N. (Bill) Stokes, recently appointed president of the Federal Intermediate Credit Bank of Houston, and past president of the Houston Bank for Cooperatives.

Following the business session Saturday, a fish fry will be served a.m. at the coliseum and entertainment will begin at 9:30, fea-

Game Bird Program Gains Momentum

Austin, April—New momentum for bobwhite quail, white-winged dove and fisheries projects was authorized by the Game and Fish Commission meeting in Austin.

It instructed the Executive Secretary to make an immediate survey of state fresh water fish hatcheries to determine whether adequate propagation are available to meet restocking opportunities incidental to an expanded state water impoundment program.

In this connection, the Commission formally accepted a gift of the old Federal fish hatchery at San Angelo and leased a tract of land adjacent to the hatchery as a buffer zone to protect the hatchery brood stock.

The Commission sanctioned new emphasis on the state wide quail habitat improvement program, centering around the experimental state quail farm at Tyler. It acted after the first year's operational report reflected enthusiastic acceptance of the State quail restocking program by land owners and sportsmen.

Commissioners Henry LeBlanc of Port Arthur, said the farm already has demonstrated, through the propagation educational program, that the experiment is justified. "Even if none of the quail survived," said LeBlanc, "we would have done a job in restoring habitat—after all, that's the real goal we are after." Distribution of farm-produced bobwhites is strictly contingent on applicants' meeting rigid habitat regulations.

W. J. Cutbirth, Assistant Executive Secretary, who is in direct charge of the quail farm, reported that for the first year's operation, curtailed by a late start, 210 qualified applicants in 93 counties received 17,096 quail for release on 508,417 acres of approved habitat. Cutbirth urged interested Texans to rush their applications for 1957 farm quail and to get their land in shape immediately.

Commissioner Howard Carney of Atlanta, urged special informa-

tion to members and guests. Directors and officers of the association include E. R. Davis, president; C. E. Hicks, Meadow, vice president; Alton Strickland, secretary-treasurer; Fred McGinty, Tahoka, director; A. B. Roberts, Levelland, director; E. L. Carlisle, Ralls, director; J. B. Potts, Lubbock, assistant secretary-treasurer; John R. McFarland, Lubbock, assistant secretary-treasurer; Mrs. Eloise Maynard and Miss Joyce Meeks, assistant treasurers. Field representatives of the association include F. J. Marcom, Levelland; Hugh Snodgrass, Brownfield; and Derwood Howard, Tahoka.

tional efforts to notify Texans about quail restocking possibilities. He said in his East Texas region "thousands of acres are being retired from farming for the new soil bank program which will be available for ideal wildlife habitat."

The Commission moved to augment its new whitewing dove restoration program in deep South Texas where approximately 200 acres in Cameron County recently were acquired as permanent nesting areas for the once populous game bird. The Commission voted to lease a fifteen acre tract of prime brushland nesting ground near La Paloma. This tract accommodates 1,000 nesting birds per acre. A survey of a 1,300 acre nesting tract near Weslaco in Hidalgo county was authorized to determine feasibility of its purchase and development for whitewing habitat.

The Commission set the next regular meeting for Austin, July 26, but decided to hold the next special session at Lubbock which has had a long-standing invitation on file. Commissioner LeBlanc, from the coastal area, moved that the far West Texas date be decided since he said "I personally want to see the fabulous Lubbock country about which I have heard so much."

W. M. (Bill) Thompson remains in critical condition in West Texas Hospital in Lubbock, where he has been a patient for about two weeks. The News last week erroneously stated that he was in Methodist Hospital.

Everything looks green in the spring until the race tracks open and then the green disappears.

Mahon Predicts Cut In Budget

Washington, April 18—Rep. George Mahon of the 19th District, of Texas said here this week he is confident Congress will cut a minimum of three billion dollars from President Eisenhower's budget.

The Congressman, in his capacity as Chairman of the House Subcommittee on Military Appropriations, has been conducting hearings on the President's request for \$9 billion for the Army, Navy and Air Force since late in January.

Mahon said that "we will reduce the defense budget as far as

The Lynn County News, Tahoka, Texas

April 19, 1957

this can safely be done. Of course, we must proceed with caution and no reduction can be permitted to imperil the security of the United States."

Defense officials have declined to recommend any cuts in the Defense budget, but they are preparing at Mahon's request a statement showing how a three and a half billion dollar reduction would be applied if made by Congress.

The House Appropriations Committee of which Mahon is a member, has upon his motion approved bills at this session reducing the President's overall budget in the sum of one billion dollars.

The West Texan noted that he had been "much encouraged over the widespread demand among

the people generally for reduced spending and more efficiency and economy in government. This is a good sign and if the people will remain on the warpath their efforts will prove very helpful," Mahon said.

He added that "while no one knows just what the final reduction in the President's budget may be, I feel confident that Congress will whack off a minimum of three billion dollars."

Mahon feels that consideration of tax cuts should be postponed until more progress is made in reducing government spending.

The budget as originally submitted by the President called for 72 billion dollars for the fiscal year beginning June 1, 1957.

Lynn County Soil Conservation District News

ROY L. WILLIAMS ELLIS BARNES
O. E. TERRY W. L. (Cap) ROWE
FLMNER BLANKENSHIP

Soil conservation
A word of appreciation is expressed to Paul Pittman and Carl Griffing in locating the District fine seed planter boxes that are

adaptable to Farmall tractor four row planters.

Last week Paul Pittman used the District planter boxes that are adaptable to John Deere tractors to plant blue panic grass on his farm west of Draw.

Willie Nieman, southwest of Petty, planted blue panic grass week before last and watered this planting last week. Germination had started and some of the seedlings had begun to emerge the latter part of the week.

Grasses planted early in the season will have the advantage of early rains but will have a disadvantage having to compete with other grasses and weeds. One of the most effective ways of controlling undesirable weeds and grasses is by fencing with an electric fence and grazing, wherever this is possible. Another means of controlling weed growth in the row is by shredding. This method is usually accompanied by knifing middles or plowing with wide sweeps. The grazing method helps to meet some expenses as steers should gain between one and two pounds per day. After seeding

Zedlitz Infant Buried Last Week

Layland Dawayne Zedlitz, nine day old infant son of Mr. and Mrs. Aaron Zedlitz, of Lubbock, died Thursday, April 11, at 3:15 p.m. in the home of his paternal grandparents in Tahoka.

He was born April 2, 1957 in O'Donnell and was the couple's first child.

Funeral services were held Friday morning in the Stanley Funeral Home Chapel with Rev. A. L. Beggs, pastor of the Assembly of God Church, officiating. Burial was in Tahoka Cemetery.

Survivors include the parents, who are both formerly of Tahoka; the paternal grandparents, Mr. and Mrs. Otto Zedlitz of Tahoka; and the maternal grandparents, Mr. and Mrs. Marvin James of Tahoka.

Petty Club Meets With Mrs. Wright

The Petty Handiwork Club met in the home of Mrs. Burnie Wright recently with 10 members when secret pal gifts were exchanged.

For the new members and the ones who had not completed their plate wall plaques, the members attending the meeting finished the plaques for them.

Refreshments of cake and cookies were served, according to Mrs. George Hill, reporter.

J. A. BRASHEAR, 84, STILL OPERATING OWN STORE

Mrs. Elbert King and Mrs. C. T. (Helen) Johnson of Plainview visited their father, J. A. Brashear, in Baird over the week-end. Mr. Brashear, who is 84 years old and still operates a grocery store, formerly owned a general merchandise and later a department store in Tahoka. He had become ill on Thursday night of last week, was taken to the hospital overnight, but was back at work on Friday morning.

Women who marry for money usually get a man who marries for a fancy figure.

grasses are well established there is little damage to them by grazing.

Soil and water conservation plans were delivered to B. O. Bingham east of Tahoka and Ralph Ralley north of Wayside. East of these plans have some acreage to irrigation. Both plan to include soil improving crops and permanent grasses. Ralph is planning acreage to the Soil Bank where permanent grasses will be planted.

T. V. Woolam of O'Donnell is planning to plant about four hundred acres to the Soil Bank on farms west of Newmoore. Plans are to plant sorghum - Alnum on their acreage. Planting is to be made the last of May or first of June.

Sam Singleton has a stand of blue panic on his place near O'Donnell that was planted in early March and irrigated to have moisture for germination.

Insecticides Can Prove Dangerous

College Station.—Failure to observe manufacturer's directions when handling highly toxic insecticides is risky business, warn Extension Entomologists C. F. Garner and F. M. Fuller. Certain solvents used in preparing insecticide solutions or emulsions, they add, are inflammable and most of them poisonous to humans.

The specialists say insecticide injury to man is most common through oral and respiratory intake or by skin absorption. Continued exposure even to lower insecticide concentrations, with no regard to safety measures, can result in an accumulation of chemicals in the body and may cause eventual tissue or organic injury.

Many phosphorous compounds, such as parathion, methyl parathion, EPN, TEPP, demeton, Diazinon, Phosdrin, Thimet and Guthion, are extremely poisonous and must be handled with care at all times, assert the specialists. They add that phosphorous insecticides are much more poisonous to warm blooded animals than most other chemicals used for insect control. Since phosphorous insecticides tend to reduce the cholinesterase enzyme, entomologists advise regular handlers of such chemical to have cholinesterase tests at 10-day intervals while working with the material. Your local doctor can tell you about these tests.

It a good idea to bath and change clothing immediately following a highly toxic job and not enter a field for two or three days after it has been treated, the specialists point out. Always wear gloves and freshly laundered protective clothing during handling, and stop working if a toxic insecticide is spilled on skin or clothing for a thorough bath and change of clothes, they advise.

Other pointers to remember include the use of approved respirators; protection of all persons and livestock from drifts, sprays,

Hints On Home Insect Control

College Station.—Seldom can one observe a home and its surroundings without finding some form of insect life. That's the text of a new leaflet compiled by extension entomologists offering today's best control measures for household pests.

Certain pests may be found outside and controlled before they enter the home, say the specialists. Some pests live entirely within the home, however, and must be controlled by applying insecticidal sprays or dust inside the dwelling.

Entomologists say insect activity changes from season to season. While some feed on fabrics, contaminate food, or attack dwellings, others bite humans, carry diseases, or cause infections. Sanitation and good housekeeping are usually effective in controlling or preventing most of these nuisances. But even the best kept homes sometimes become infested, and require more direct action. Many types of sprayers and dusters designed for use in controlling household

or dusts; and the storage of sprays and dusts away from children, irresponsible people, and all forms of food and feed.

FIRST BAPTIST CHURCH

Wilson, Texas
H. F. SCU...I, Pastor
Sunday

Biggest Sellers...because they're Biggest Savers!
Chevrolet trucks are built to be the biggest savers!
Look at the way they're put together. Frames, axles, suspensions, all chassis components are built to shrug off the relentless beating of a long, tough schedule. Look at the safety and convenience features in Chevrolet cabs. They're roomy, soft riding; you've got High-Level ventilation and panoramic visibility. Look at Chevy's latest model—new high-capacity 1/2-ton pickup that measures a full 98 inches in length!
And look at Chevy's line-up of super-efficient V8's and 6's. All heavy-duty truck models and many mid-weights come with V8's as standard equipment. Light-duty jobs feature the latest edition of the savingest 6-cylinder engines in the history of the truck industry! High-performance V8 power is optional at extra cost in lightweight haulers.
Stop by and talk it over with your Chevrolet dealer. He'll show you a model that lives up to the latest in engineering advancements; a truck that will stay and save on any job you care to name!
