New Teachers At New Home

New Home Schools will open Monday morning at 9:00 with an assembly in the gymnasium, following which students will go to their classes, according to Supt. C. O. Head.

Lunch will be served at noon from the cafeteria. Buses will run the same routes as last year.

The school will have six new teachers, and 11 are returning from last year's faculty.

New teachers include:
 O. T. Ryan of Lubbock, teacher at Whitarral the past five years but former Vocational Agriculture supervisor for this district, who will be grade school principal. Mrs. Ryan, also an experienced teacher, will teach the third grade.

First grade teacher will be Mrs. Mary Frances Truelock, also of Lubbock, who has been teaching at Ropes.

Mrs. Laverne Lewis of New Home, who formerly taught home-making in the school for three years, is returning as a third grade teacher.

Mrs. Mary Pryor, also a former teacher, will have the fifth grade.

The sixth new teacher is Harold McKinney of Arkansas, who has two years of experience. He will be grade school coach and assistant football coach.

Teachers returning are: R. O. Webb, high school principal; and math; Hubert Williams, coach and social science; Mrs. Joy Daniel, science and typing; Mrs. C. O. Head, moving up from grade school to teach English; Benny Pryor, vocational agriculture; Mrs. Jane Tidwell, homemaking.

In the grade school: Mrs. C. B. Bentley, first; Mrs. Davida Burkhalter, second; Mrs. R. O. Webb, sixth.

The Colored School opened in the old brick grade school building Monday of last week with Minnie Sayles of Tahoka the teacher and 22 students enrolled. This school opened early so it may turn out a while for cotton picking.

Jimmy Harter, who recently finished "boot" training at Ft. Polk, La., has been home several days. He is reporting to Fort Eustice, Va., where he will attend the Army transportation school.

Wilson Opening Program Today

Wilson Schools open this morning with a general assembly open to the public and all high school teachers at 9:00 a. m. Following the assembly, all students will register including those high school students who had not previously registered.

Regular classes will begin Monday, and the lunchroom will be open.

A general faculty meeting was held Wednesday at 1:00 p. m. and a teachers' workshop was held Thursday.

Patrons interested in school finances are invited to attend a budget hearing Saturday from 2:00 to 5:00 p. m. in the office of Supt. J. P. Hewlett.

The special school to take care of the transient group will again be operated during the cotton picking season.

Mr. Hewlett announces the complete school personnel as follows:
 Grade school: Bill Vardeman, principal; Mrs. Clarence Nelson, first; Mrs. Antonia Costa, second; Mrs. Walter Johnson, second; Miss Gladys Kirtley, third; Mrs. W. P. Jones, fourth; William H. Dearman, fifth; Sam Whitacre, sixth.
 Junior High: Clifton Gardner, principal; Mrs. Elmer Blankenship, and Mrs. Pearl Davidson.
 High School: W. P. Jones, principal; James D. Cheyne, history; Grover Watkins, science and coach; Mrs. Dale Price, commercial; Mrs. Clyde Smith, English; Dale Price, vocational agriculture; Mrs. George Griffin, homemaking; Norman Hemphill, band; Mrs. Herman Heck, piano.
 Bus drivers: Roy Robinson, first; Mrs. Roy Robinson, Clifton Gardner, Bill Vardeman, William Dearmore, Grover Watkins, James Cheyne.
 Lunchroom: Mrs. J. E. Crowder, supervisor, Mrs. Geo. Eakin, Mrs. Hortense Parker, Mrs. Ray Woodall.
 Custodian: Walter Johnson.

Rites Held For O'Donnell Man

Funeral services for William Mathis Abernathy, 82, of O'Donnell were held recently in Rochelle, after the retired farmer died at his home at 6:30 p. m. Thursday, Aug. 22, following a long illness.

Abernathy had lived in O'Donnell since 1955, when he moved there from Brown County. He was a native of Muffitburg, Tenn. and was a member of the Baptist Church.

Survivors include his wife; two daughters, Mrs. Oma May Brown of Rochelle, Mrs. Zelma Hightower of O'Donnell; three sons, A. R. of Grand Falls, V. P. of O'Donnell, H. W. of San Antonio; two brothers, H. W. of Brownwood and John of Millerview; 12 grandchildren and eight great grandchildren.

Swedish Family Visits In Tahoka

Interesting visitors of the Dr. Emil Prohl family here last week were Holger Hedberg, wife, daughter, and son, all of Gothenberg, Sweden.

The Prohls met the Hedbergs aboard the Swedish liner Gripsholm last June as the former were returning from Rotary International convention in Switzerland and the Hedbergs were coming to America on a sight-seeing trip.

The Hedbergs bought a car in New York, and when they were in Tahoka had covered 8,000 miles, including the West Coast, and expect to cover another 4,000 in the next month, then sell the car and return to their home land.

Mr. Hedberg, who is an engineer for Gothenberg Shipyards, the largest in the Scandinavian countries, was greatly impressed with America, declaring "America is only half developed and is full of opportunity for everyone." He and his wife and son, age 17, and daughter, age 12, expressed great pleasure in visiting Dr. and Mrs. Prohl and Karl and the beautiful South Plains.

Junior and Mickey Pitts of Canyon were here Tuesday through Thursday visiting friends. Junior will be a Sophomore in West Texas State this year and hopes to make the basketball team.

Taylor Tells Of Fireman School

Dean Taylor of the Tahoka Fire Department was the speaker at Tahoka Rotary Club Thursday of last week, telling of the recent Fireman's School held at Texas A & M College recently attended by him and Pat Patterson.

The school is strictly for work, he declared, and was attended by a total of 1,697 men interested in learning more about fire-fighting, including 1028 students, 145 visiting Texas cities and 23 other states, and 214 instructors from 369 schools.

While there, the men lived in college dormitories and attended classes in school buildings. Demonstration equipment was furnished by all the major manufacturers of fire-fighting equipment.

He attended the fire marshal's division, which had classes daily from 7:50 to 11:30 a. m., from 12:50 to 4:30 p. m. and also on three nights from 6:00 to 9:00 o'clock. Much of their work was paper-work.

Other firemen spent much time in the classroom and much time attending and participating in demonstrations.

Started in 1928, the Texas school is considered one of the outstanding schools of its kind and the nation.

Instruction is given in all the latest fire-fighting methods, including detection, use of equipment and chemicals, investigation of causes of fire, arson investigations, rescue methods, first aid, explosions, automatic sprinkler operations, fire prevention, and many other related subjects.

His talk pointed out the importance of firemen knowing what to do at the proper time during a fire and the best methods of fighting different types of fires.

Alton Cain arranged the program.

President Happy Smith stated the citizens owe the volunteer firemen, who give their time free of charge to the community, a lot for their service.

Karen Kidwell was acting club sweetheart for the day in the absence of Carol Smith.

Hans Irlinger of Switzerland, club guest for the summer, recently made talks at the O'Donnell and Lubbock Rotary Clubs.

The club is completing its 13th month of perfect attendance, if all members attending this week, an almost unprecedented record for a club of 24 members. Congratulations are coming from many Rotary officials and from a number of clubs from over the nation on the achievement.

Rev. Hollowell Is Visitor In Tahoka

Rev. and Mrs. Howard Hollowell of San Antonio, where he is pastor of the Laurel Heights Methodist Church, visited here last week end with the C. O. Carmack, W. W. Hagoods, and other friends. They left for home Monday.

Rev. Hollowell, who is a former O'Donnell pastor, owns an irrigated farm near Brownfield. He made the statement while here that when he retires he would like to settle down in Tahoka.

The Hollowells had just returned last week from a trip to the Pacific Northwest in company with Mr. and Mrs. Carmack and Marilyn.

BUTLER GRAIN BINS
 Worth every dollar...and here's why:

VAULT-TYPE DOOR makes tight seal and keeps out moisture. Metal door slats simplify unloading and sampling. Double-bolted vertical seams add to bin strength, make seams tighter. Extra-long body sheaths reduce the number of seams.

EASY-ACCESS manhole cover and built-in roof ladder with hand rails make it easier and faster to inspect, test and sample grain. All seams in corrugated siding are weather-sealed with easy-to-apply strip caulking.

BUTLER FORCE-AIR equipment (with or without Supplemental Heat Burner) conditions grain, maintains safe moisture level, prevents heating and infestation.

ALL SIZES for every storage need. Capacities from 500 to 4,400 bushels, diameters from 13 to 23 ft., heights 8 to 16 ft. Bins complete with fill opener, entry door, etc.

See your Blue Ribbon dealer for prices. He offers the complete line of Butler farm equipment, grain storage, drying, handling and testing equipment, feeding and watering equipment. Write us if you don't know his name.

Mariana McGinty and Roy Long, Bobby Draper and James Petty in Double Wedding

In a double wedding ceremony held here Sunday, Aug. 25, at 4:30 p. m. in the Church of Christ Miss Mariana McGinty became the bride of Roy Hugh Long and Miss Bobby Draper and James A. Petty were united in marriage.

Parents of the brides, who are cousins, are Mr. and Mrs. Fred McGinty of Kermit and Mr. and Mrs. Howard Draper of Tahoka. Parents of the bridegrooms are Mr. and Mrs. Eugene Long of Abilene and Mr. and Mrs. John Petty of Ozona.

Doyle Keley, former minister here and now of Andrews, read the double ring ceremony for each couple beneath an archway of candelabra flanked by baskets of daisies and greenery. The pews were marked with white bows.

The wedding chorus of Broadway Church of Christ in Lubbock sang "Be With Us Lord," "My God and I," "The Lord Bless You and Keep You," and the traditional wedding marches. The chorus formed the background music as the brides sang "I Love You Truly."

Given in marriage by her father, Miss Draper wore a gown of clipped Chantilly lace and tulle over taffeta designed with a scooped neckline. The sleeveless, fitted bodice was embellished with iridescent sequins and rhinestones and her full waist-length skirt was appliqued with lace. From a tiara of seed pearls and iridescent sequins extended the bride's finger-tip veil of imported silk illusion. She carried a bouquet of tiny yellow rosebuds and stephanotis. For something old, the bride wore her Grandmother Draper's wedding band.

Matron of honor was the bride's sister, Mrs. Pat W. Brecheen of Snyder, who wore a yellow polished cotton gown accented with a broad sash of organza. She wore a corsage of daisies.

Miss Montie Ruth McGinty, cousin of Miss Draper, was a candle-lighter and wore a white polished cotton gown identical to the matron's of honor.

Bill Petty of Ozona served his brother as best man and another brother, Bernard Petty of Robert Lee and Norman Gaines of Norman, Okla. were ushers.

Miss McGinty, given in marriage by her father, was gowned in white rose patterned Chantilly lace over satin. The fitted bodice was fashioned with a scalloped neckline, edged with seed pearls and was completed with long tapered sleeves. The flowing skirt of lace was enhanced with a tulle ruffle and terminated in a chapel sweep. Her finger-tip veil of illusion fell from a coronet of lace and seed pearls and the bride carried a cascade of feathered white carnations with tiny pink rose buds.

Mrs. Dale Thomas of Longview, sister of the bride, was matron of honor. Gowned identically in yellow to the other matron of honor she carried a wicker basket filled with daisies and baby's breath. Miss Reta Long, sister of the bridegroom, of Abilene lighted the candles, and like the other candle-lighter, was gowned in white polished cotton.

The bridegroom's brother, Ellis Long of Abilene, was best man and Hollis Swafford of Abilene was an usher.

Following the ceremony a reception was held in the home of Mr. and Mrs. Howard Draper when the table was laid with an ecru cloth centered with a double heart wedding cake of yellow and white, and flanked with yellow and white daisies and white candelabra. Crystal appointments completed the arrangements.

Members of the houseparty were

Mmes. O. M. McGinty of Abilene, C. A. Palmer of Vernon, J. D. Dugue of Levelland, Basil Draper of Tahoka, Tom Draper of Hereford, A. P. Stephens of Tahoka, L. R. Menielle of Texas, Clyde Thomas of Tahoka, Robert Draper of Tahoka, Bland Draper of Crystal City, Ellis Long of Abilene and Misses Donna Peters of Temple and Doris Blakney of Carlsbad, N. M.

The former Miss Bobby Draper is a graduate of Tahoka High School and has been attending Abilene Christian College. The bridegroom graduated from San Angelo High School and Abilene Christian College.

For a wedding trip to New Mexico and Colorado the bride chose a black and white cotton sheath with black balero and black accessories. After Sept. 1 the couple will be at home in Nevada, Missouri, where the bridegroom is a minister of the Church of Christ.

Miss McGinty is a graduate of Tahoka High School and is a student at Abilene Christian College where the bridegroom is also attending school. He is a graduate of Abilene High School.

Following a wedding trip to New Mexico, the couple will enroll at C. C. for the fall term of school. For traveling the bride chose a two-piece flax cotton suit, complemented with flax-colored shoes and bag.

Coffey-Riddle Ceremony Here
Miss Martha Lou Riddle became the bride of Joe Edd Coffey of Lubbock in a double ring ceremony led by Rev. J. C. Koen, pastor of the West End Baptist Church in Lubbock, at the Tahoka First Baptist Church at 3:00 p. m. Sunday, Aug. 25.

The bride is the daughter of Mr. and Mrs. T. R. Riddle of Tahoka and Mr. and Mrs. F. T. Coffey of Muleshoe are parents of the bridegroom.

Vows were exchanged before an archway of white carnations and greenery flanked with candelabra. Mrs. Clay Bennett, organist, played traditional wedding marches and accompanied Billy Ellis, who sang "Because" and "O Promise Me."

Given in marriage by her father, the bride wore a floor-length gown of tulle and lace over satin. The fitted bodice of lace over satin featured a Peter Pan collar and tiny buttons with the long sleeves ending in points over her wrists. The full skirt was of tulle over satin and her tulle veil extended from an original tiara. She carried white feathered chrysanthemums atop a white Bible.

Miss Ginger Riddle, sister of the bride, was maid of honor and was gowned in yellow cotton satin. The fitted bodice was complimented with short sleeves, a Peter Pan collar and tiny buttons. She carried a bouquet of yellow chrysanthemum pom-poms.

Billy Ellis of Lubbock served as best man and ushers were Don Harmon and Lyndell Kenley, both of Lubbock.

A reception followed in Fellowship Hall of the church when a three-tiered wedding cake topped with a miniature bride and groom and flanked with yellow candelabra centered the table, which was laid with a white linen cloth.

The bride is a graduate of Tahoka High School and Draughon's Business School and has been employed by Lyntegar Electric Co-operative in Tahoka. The bridegroom is a graduate of Muleshoe High School and is now a student at Texas Tech and employed at the Pioneer Cookie Co.

For a wedding trip the bride chose a two-piece charcoal dress of nub tweed with black accessories. After Aug. 31 the couple will be at home in Lubbock, where he

MRS. JOE EDD COFFEY (Photo by C. Edmund Finney)

Recent Bride Is Shower Honoree

Mrs. Eddie Meyer of Borger, the former Miss Sue Sargent, was honored with a bridal shower Monday morning in the home of Mrs. Emil Prohl.

The serving table was laid with a green linen cloth centered with bronze chrysanthemums. Misses Susie Smith and Bobby Carroll served the coffee, punch and rolls. Miss Betty Carroll presided at the guest book.

Hostesses were Mmes. Prohl, Roy Edwards, and Roy LeMond. Mrs. Meyer was married May 31. Have news? Phone 35.

will continue attending Texas Tech and she will be employed as a secretary at South Plains Electric Co-operative.

CARD OF THANKS

Our sincere thanks go to the many friends who expressed their sympathy in our hour of grief over the loss of our loved one, May God's blessings rest on each of you.—The Hoskins family.

In the University of Texas library are some 1,106,818 books.

Mrs. R. C. Scott Is Birthday Honoree

Wednesday, August 21, marked Mrs. R. C. Scott's 79th birthday celebration. Her birthday, which was August 22, was observed with a reunion supper at the home of Mr. and Mrs. G. L. Herrin here in Tahoka.

Her six daughters and their families were present for the supper, the first complete reunion of the family in almost 37 years.

Present were Mr. and Mrs. C. A. Blackwell and Kenneth from Arlington, California, Mr. and Mrs. Marshall Norris of Lubbock, Mr. and Mrs. N. W. Smith, Mr. and Mrs. R. R. Lee, and Mr. and Mrs. G. L. Herrin, Sandra and Kamara, all of Tahoka; and Mr. and Mrs. H. L. Dockett and Carolyn of Wilson. Other relatives present were Mr. and Mrs. Jervell Northcutt, and Mr. and Mrs. Chesley Jenkins and Darla all of Lubbock, Mrs. Raymond Smith, Billie and Scottie, of Tahoka and Mrs. Floyd Picketts, Mary Helen, David, and Michael from Natchitoches, Louisiana.

Also guests at the supper were Mrs. Fred Ricketts of Lubbock and Leon Davis of Tahoka, friends of the family.

Mrs. Scott received many beautiful and useful gifts. She is reported in good condition after suffering a severe stroke in June, 1933.

Marvin Hagens Is Married In El Paso

(By Mrs. Carl Gryder)
Miss Adelta Gold and Marvin Hagens were united in marriage Saturday, Aug. 17th in El Paso. Mrs. Hagens is the daughter of Mr. and Mrs. Bob Gold of Fabens, and Mr. Hagens is the son of Mr. Arthur Hagens of Wilson.

Those present for the wedding from Wilson were Arthur Hagens, Geraldine, Mary Lou, and Cordeil. They returned to Wilson on Sunday. Marvin and his bride were in Wilson after their honeymoon, before returning to Fabens where they will make their home.

Mr. Hagens is employed by the Highway Patrol.

MRS. JAMES A. PETTY

MRS. ROY HUGH LONG

Parkers Honored At House-Warming

Mrs. O. R. (Billie) Parker was honored with a surprise "house warming" by friends who brought many beautiful and useful gifts on Thursday night of last week.

Mr. and Mrs. "Pug" Parker have recently built a nice new home in

west Tahoka. "Pug" cooperated with the hostesses by taking Billie away from the house while the friends gathered.

About thirty-five called during the evening, and punch and cookies were served.

Acting as hostesses were Miss Dorothy Kidwell, Mrs. Sue Nixon, Mrs. Hannah Nordyke, and Mrs. B. R. Taylor.

"I have the freshest garden patch...in my ELECTRIC HOME FREEZER!"

ELECTRIC LIVING IS FUN!

It's almost as if I had a garden in my house, all winter long. But, it's lots more fun...no weeds, no cultivating...just happy and healthful eating. Anytime I care to, I can have fresh peas, corn, beans, and dozens of other good-tasting, fresh vegetables. Electric living is certainly fun and it's lots more fun when an electric home freezer serves as your home "garden patch." You'll see when you start using your new home freezer.

Jay Moore Tells Of Life In Mountain Valley In Canada On Visit Home

The Canadian Moores are home visiting relatives at New Home, Mr. and Mrs. Jay W. Moore and daughter Ann 21, and son, Erin, 19, arrived by plane Tuesday from their home in Pemberton, British Columbia, Canada, deep in the Canadian Rockies 100 miles north of Vancouver.

They are visiting Mrs. Moore's father, W. R. Morrow, and brother, B. A. Morrow and family; Mr. Moore's parents, Mr. and Mrs. L. H. Moore, Sr., and brother, L. H. Jr., and family.

As in all things, Jay is very enthusiastic about Canada and their life there. He and family moved to Chilliwack, near Vancouver three or four years ago, where they bought 10 acres of fabulously rich farming land.

Later, he bought some farm land further north in a rich though isolated mountain valley near Pemberton and moved to that place. Pemberton, originally settled in 1860 gold rush days, is a little village deep in the timber-covered mountains, where the alluvial soil in the valley is as much as a thousand feet deep.

Although the winters are severe until one gets used to the climate, rainfall is heavy and farmers must get rid of surplus water with drainage tile rather than conserve moisture.

Jay says the vegetable crops raised are beyond comparison. The best seed potatoes, disease free, on the North American continent are raised here. Strawberries grow as big as apples and radishes as large as beets, he declares. Fine lettuce, cabbage, and many other vegetables are raised.

"But don't say anything about the mosquitoes," Jay admonished. He had no pictures to prove it, but Jay says they are as jet planes. Seriously, he claims one gets immune somewhat to their bites.

Actually, Jay is not now farming. He has entered the timber business harvesting the Crown lands under the firm name of Moore & Starks Construction Company, Ltd., and is preparing to install a sawmill.

The large Indian population of the valley is mostly Catholic, but most of the "civilized" population of white settlers are Protestant. The valley is settled by many nationalities, including Canadians, English, Swiss, Scandinavian, Russian, and even a few Japs.

Opportunities are unlimited, especially for men of means, and many American firms are putting millions of dollars into Canadian ore, timber, and farming projects.

His valley is reached by railroad, and cars are used only for local transportation in the valley. Daily newspapers, coming in each day printed, carry much more world news than do our papers, and he thinks the people have a better understanding of world affairs than do we Americans.

There are fine schools and hospitals, supported largely by a five-cent sales tax. The tax permits rent of hospital rooms for one dollar a day. There are many modern homes.

He says his friends get a big kick out of reading The Lynn County News, and his family by reading "the old home paper" is enabled to keep up with things in the States.

Prices on groceries in Canada are about double those in Tahoka, and his friends find special interest in reading the ads. Some get a big kick out of a Bray Chevrolet ad. on car prices, about half the price of cars in Canada.

The Moores' daughter, Ann, is in her third year of college at Western Washington State College.

Shirley McClintock Is Given Showers

A series of bridal showers have been held recently in Abilene, Lubbock and New Home honoring Miss Shirley McClintock, who will marry William G. Kirby Jr., Saturday at the New Home Methodist Church.

Last Saturday morning a coffee was given for the bride elect at the New Home community center when her chosen colors of white and blue were carried out in table decorations.

Mrs. Willie Nieman and Mrs. John Edwards presided at the serving table and Mrs. Rebecca Morrow registered the guests. Other hostesses were Mmes. J. R. Strain, C. E. Roper, F. G. Roper, Floyd Smith, Wilmer Smith, H. W. Smith, L. K. Nelson, G. B. Mayfield, Walter Gasper, Hugh Daniel, Billy Hancock, J. B. Edwards, B. W. Morrow, John Armontrout and Lee Shockley. The hostess gift was electrical appliances.

A kitchen shower was held in Lubbock recently when the guests registered with a favorite recipe for the bride. Punch and cake were served from a table laid with a lace cloth and centered with white summer flowers flanked by a miniature bride and groom. The hostess gift was an electric skillet.

Special School

(Cont'd. from Page 1)
 ple with mentally handicapped children, has been approved by the State, and the State will pay most of the teaching and operation expenses. Until now, parents of such children have had to take them to Lubbock, send them to local schools, or let them do without education and training.

Everyone present was in agreement for the need of such a school and is taking an interest in seeking to solve the building problem.

The group, in addition to parents, included Supt. Otis Spears of Tahoka, Supt. C. O. Head of New Home, Supt. J. P. Hewlett, of Wilson and board members, businessmen from Tahoka, O'Donnell and Wilson.

Mrs. Ruth Jolly, county superintendent, who presided, led the discussion and told of the work done to get the school approved. Having secured approval and gone this far, she expressed concern that the program be carried out to completion.

Congratulations:

Mr. and Mrs. Raford Smith of Tahoka on the birth of a son Friday, Aug. 23 at 1:25 p. m. in Tahoka Hospital. Steven Wilford weighed six pounds and three ounces. He has one big brother and one big sister.

Mr. and Mrs. Frank Timmons of Petty on the birth of a son on August 19 in West Texas Hospital at Lubbock. He has been named Wesley Truman.

Mr. and Mrs. Albert Curry on the birth of a daughter Wednesday at 7:28 p. m. in West Texas Hospital. Weighing seven pounds, three ounces, she has been named Betty Lou. She has a big brother, Billy, six years old.

Mr. and Mrs. Thomas Jolly of Tahoka on the birth of a daughter at 9:30 a. m. Wednesday in O'Donnell. The couple's first child, she has been named Belinda Gail and weighed eight pounds, seven ounces.

THS Band Going To Post Jubilee

The Tahoka High School marching band will participate in Golden Jubilee parade to be held in Post Saturday, Sept. 14, according to Eddie Bowman, band director.

Several band organizations over the South Plains are expected to participate in the event.

Although the Tahoka band has been working for about two weeks under Bowman's direction, Peggy Halameck, reporter, says that it is looking good and hopes the school and town will continue to give their backing and moral support as they have in the past.

For Automotive Repairs

We have two of the finest mechanics—
J. W. (Nick) NICHOLS
TED KUWASKI

Both of whom have years of training and experience in all types of repair work. They will be glad to help you with your repair problems, large or small.

Sensitive As A Mother's Ear
 The Rock-a-bye Ducky Bed — The first revolutionary change in baby beds in more than fifty years.

Soundtronics makes the difference! Not only is the Ducky Bed the "Cadillac" of the Baby Bed industry but it brings scientific automation within easy reach of a baby's infant mind. How is this possible? A Soundtronic device "As sensitive as a Mother's ear" activates the Ducky Bed in a smooth horizontal rocking motion the moment a baby's cry is heard. This rocking movement continues until the baby is comfortably asleep or contented. Your days will be turned into leisure and your nights into sleep and rest.

MOTHERS—If you don't own a Ducky Bed, you are working too hard.

Visiting Mrs. E. S. Davis for two or three weeks is her sister, Mrs. C. B. Williams of Pecos. Mrs. Davis is keeping her sister busy shelling peas for the deep-freeze.

Mr. and Mrs. Truett Smith are home from a trip to Jackson Hole country of western Wyoming, near the south gate to Yellowstone.

This year's record level of turkeys to be marketed makes it even more necessary for growers to maintain a high level of quality, says F. K. Beasblossom, extension poultry marketing specialist. Special precaution against external parasites is urged.
