STANDING ON THE CORNER

With P. J.

Use what talent you possess. The woods would be very silent if no birds sang there except those who sing best.

You say you can't—ah, take it from one who knows—you can—and there is Someone up there to help you.

The realization comes that one can do nothing by oneself, and at that time a transformation takes place. Where God has been an abstract being for many years in your life, suddenly He is no longer abstract, but a close friend very real and near.

Then, you can use those hidden talents, even though they are very small and seemingly worthless, to make your life ring with a song. Like I said, take it from one who knows.

The results of your talents may not shake the world with their importance, but for the first time, your life will be full of meaning and you can be a channel of God's love to bring something beautiful, however small, into the lives of others.

And it's there for the asking.

We had planned to tell you something of the Redwine's amateur radio station in this column this week, but after an interview, we decided on a feature story instead. You'll find it in this paper next week.

Olin Renfro is one of the farmers around here who has been "crying" because careless weeds seemed to have taken over his feed crop. Last week he had given up on 34 acres and started one-waying the land, but among the forest of weeds he found there was more maize headed than he thought and ceased the operation after about three rounds with the plow. Carl McClintock, who does custom combining, brought his machine over and to Olin's happy surprise harvested 48,000 pounds, or 1,440 pounds to the acre, from the 34-acre patch.

Which reminds us of the story being told about someone at New Home who brought in a careless weed to Bill Balch's which was trimmed up to make a hat rack. We're not buying the coffee, but we're told the weed's trunk at the base measured five inches in (Cont'd. On Back Page)

Two Injured In Two-Car Wreck

A. C. Weaver, rural mail carrier on Route 5, and E. H. West, county commissioner of Precinct 4, were painfully injured and their cars badly smashed in a two-car wreck a mile west of Petty Tuesday morning shortly before noon. Weaver is in Tahoka Hospital with broken ribs and severe bruises and abrasions, and West is in a Lubbock hospital with a crushed knee cap, a fractured rib, and bruises and abrasions. The wreck occurred at the intersection of two dirt roads, and neither man knows exactly what happened. The News is informed, Weaver, carrying the mail was traveling south in his 1950 Buick. West was returning home from Tahoka in his 1955 Chevrolet.

Mrs. Foy Todd and Mrs. Allene McMillan picked them up and carried them to Petty store, from which place they were carried to the hospitals.

An hour or two before, Mr. Weaver and Mr. West had been drinking coffee together in a local drug store, discussed the recent changes made in routes 4 and 5, the prospects of getting the road paved where they had the crash, from Petty west to the Lakeview-West Point paving, and Mr. West had invited Mr. Weaver to come by his farm and pick up some watermelons. The second meeting was unexpected, to say the least.

First Bale Here Sells For \$925

Lynn county's first bale of cotton was sold at an auction Saturday afternoon at the corner of the First National Bank in Tahoka to Bobby Carroll, who paid \$1.00 per pound for the New Home Co-Op Gin.

The bale, weighing 475 pounds, was raised by L. D. Halford on his farm south of New Home. It was ginned by the New Home Co-Op Gin and placed on the corner of the First National Bank Monday, Sept. 9.

The first bale event was sponsored by Tahoka Chamber of Commerce, which gave the owner a bonus of \$200. Lynn county gins also contributed a bonus of \$250. These amounts, plus the auction price, brought a total of \$925 for the bale.

The ginning, also donated, and the seed would bring the price nearer to the \$1,000 mark.

The cotton was picked from 18 acres of Lankart 57. The seed cotton weighed 810 pounds and ginned out at 475 pounds lint and 780 pounds of seed.

Welfare Center Needs Clothing

The City Welfare Center is badly in need of children's clothing, workers say, and anyone having discarded articles are asked to bring them to the American Legion Hall on Wednesday mornings. The Center is well stocked on adults' clothing, and now as some clothing for babies and preschool age children, although this supply is not complete. However, clothes for school age children are most desperately needed at this time.

Several families have already been served, but many have had to go away without getting the necessary articles for their children to wear to school.

Until colder weather arrives, the Center will be open on Wednesday mornings. Those who wish to receive clothing may fill out application blanks at most of the churches in town, the county judge's office, the South Elementary School, or the Colored school. These must be presented before clothing can be issued.

T-Bar Club Plans Annual Meet

T-Bar Country Club will hold its annual membership meeting following a free supper for all members next Wednesday night at 7:30 o'clock at the club house.

Two directors are to be elected, the terms of O. C. Elliott and Lester Strech expiring. Other directors include A. N. Norman Jr., outgoing president, Reble Thomas, James (Sonny) Roberts, Irving Dunagan, and Frank Hill. Mrs. Peggy Elliott is secretary-treasurer.

The financial report presented by Mrs. Elliott at the directors meeting this Wednesday showed the club has cut its debt to only \$845.00, and hopes to pay out before Jan. 1.

During the past year the club has almost paid the club house debt, pent \$1,000 on irrigation wells, including a new pump, paid off the Federal Excise tax debt in full, planted much new grass and trees on fairways, bought an air conditioner and television set, and made other improvements.

Already planned for this winter are further plantings of trees, another water well, planting of grass in the roughs, and other improvements, principally to the fairways. Mrs. Elliott reported several new members and several planning to join the club soon.

Mrs. Charles Thompson and two children, Mike and Kelly Patricia, are here this week visiting Rev. and Mrs. J. B. Thompson while Mr. Thompson moves their house goods from Corsicana to Pampa, where he is the new education director of the Pampa First Methodist Church.

Pictured above is Charles Hyles, who is expected home today from Fort Carson, Colo. In eight weeks he will go to Camp Chaffee, Ark. for additional training. He is the son of Mr. and Mrs. Frank Hyles.

Homecoming Is Set For Nov. 3

Plans got underway for the annual Tahoka High School homecoming celebration to be held here Nov. 3, when officers of the Ex-Students Association met this week.

The event is being planned for the day when the Post Antelopes and Tahoka Bulldogs, long time athletic rivals, meet for a football tilt on that evening.

However, homecoming activities will begin in the afternoon with a program at the high school auditorium, which is usually under the sponsorship of the Student Council.

A banquet is being planned for 6:00 p. m. in the school cafeteria that evening, and plates will be \$1.50 each.

President of the ex-students organization is Albert Curry; vice president, Dub Harvick; secretary, Mrs. Ray Adams; names committee, Mrs. O. C. Elliott; and entertainment, Mrs. Charles Verner.

In this edition of the News and in next week's issue is appearing a blank that the Association urges all out-of-county ex-students to fill out and mail to Mrs. Ray Adams.

Flu Hits Many In Local Area

There has been a number of cases of flu reported in Tahoka this week, but Dr. Emil Prohl says that it is probably the old-time variety rather than the highly publicized Asiatic flu.

About two dozen students are out of school with the flu, Superintendent Otis Spears said, and an additional 15 or 20 adults have been treated at Tahoka Hospital.

There may be more cases than this, however, because some may not have gone to a doctor for treatment.

However, this number may not be much higher than it ordinarily is, Dr. Prohl said, because citizens and doctors alike are more aware of its existence this year, and both are looking for the symptoms with more caution. However, the cases are occurring earlier than is usual.

Asiatic flu vaccine is not yet available at the local hospital but a shipment is due to arrive at any time.

Highway Commission Asks Route For Expressway East of Square In Tahoka

The proposed new four-lane divided Expressway along U. S. 87 across Lynn county will be a "super-duper" if present plans are carried out, according to A. W. Partain, resident engineer of the Texas Highway Department.

Right-of-way is now being procured on the southern sector from the curve two miles south of town to the Dawson county line. The Highway Department hopes to let contract on this sector this winter.

Easement papers for the north sector last week were placed in the hands of County Judge W. M. Mathis for the new road from the junction of FM 400 (the Wilson road) north to the Lubbock county line. Since right-of-way is yet to be secured, this sector likely will

not be contracted for a year or two.

Judge Mathis and Mayor H. B. McCord Sr. this week received official notice that the Texas Highway Commission has approved a proposed route through Tahoka a block east of the courthouse and will finance their share of the estimated cost of \$140,000.00 for procuring the right-of-way on a 50-50 basis with the county and city. The State and Federal governments will pay all construction costs.

The contractual agreement between the State, City and County would provide the right of way from a point one mile south of Tahoka to FM 400 two miles north of Tahoka. The document provides that such agreement be signed by

Nov. 28, but no definite time is set as to when the right-of-way would be needed. State money for the right-of-way in Tahoka will not be available until 1960.

Mr. Partain showed The News tentative blueprints on Wednesday of this week of the proposed route of four proposed overpasses in and adjacent to Tahoka.

The route will require 280 feet long most of its course through Tahoka and 300 feet adjacent to the overpasses, which are modified clover-leaves. Beginning north of the I. M. Draper home, which it misses, at the south edge of Tahoka, the proposed route curves to the eastward in its north-bound course.

Scattered residences are in its path, also the Church of Christ parson-

age and most of Higginbotham-Bartlett.

The route would take in the Mrs. W. T. Clinton and C. E. Ross homes, but would miss Lynn County Tractor, take out the fair barns and several other residences, but would veer east far enough to miss the City water plant.

It would join the present highway at the drive-in theatre.

The State proposes a four-lane divided major highway through town and across the county, but in addition there would be a two-lane access road all along the route through town on both sides of the express way, on either of which traffic could travel both ways. These access highways would have (Cont'd. On Back Page)

Annual Tahoka - O'Donnell Football Game Is Tonight

Tahoka Bulldogs and O'Donnell Eagles meet in their annual battle tonight at 8:00 o'clock on the O'Donnell field in a football game which usually turns out to be quite a battle regardless of the strength or weakness of either team.

Several Tahoka key men were ill with the flu Wednesday and may not be able to play.

Coach Joe Palmer, in his second year as coach of the Class 3-A Eagles, a team on which he played four years before going to college at New Mexico Western, hopes he has a much better team than the one which lost to the Bulldogs here last year 21 to 12.

The Eagles dropped a close 6-0 decision to the Crosbyton Chiefs in opening the season at home on Sept. 6. The Eagles had no game last week, giving them extra time. Palmer and his assistant, Bob Agnew, also from New Mexico Western, scouted the Bulldogs last Friday night and naturally have been (Cont'd. on Back Page)

Floyd Heck Has Bitter Experience From Wasp Sting

Floyd Heck was taken to Mercy Hospital in Slaton Tuesday morning by a Stanley Funeral Home ambulance after being stung by a wasp while standing in front of the Wilson post office.

He is the second victim that resulted in a very bad reaction to the wasp venom in the past two weeks. The first was Mrs. Jodie Nevill of Tahoka.

Heck received the sting at about 7:30 a. m. Tuesday morning and immediately was stricken by the inability to talk, probably because the tongue swells rapidly in those allergic to the sting.

An ambulance was called at 7:45 a. m., which took him immediately to the hospital. Doctors there stated that even death can occur in a matter of a very few minutes when a person is allergic enough to the poison carried by the wasp.

Mrs. Nevill, the first near fatal victim, was hospitalized here last week, but is now showing much improvement at her home in Tahoka.

John Foster Is Officer At A. & M.

John W. Foster, son of Mr. and Mrs. I. L. Foster of Tahoka, and a student at Texas A & M College has been promoted to a Cadet Captain and Company Commander, according to a bulletin from College Station.

Foster is a member of "A" Veterinary Company. He is a senior in Cadet Corps and is a sophomore in veterinary medicine.

Howard Wheeler is a medical patient in Tahoka Hospital as a result of a "charley horse" he acquired while water skiing Sunday. He entered the hospital Monday.

New Teacher In Local Schools

Mrs. Perry Walker has been added to the faculty of the South Elementary School as a first grade teacher after an unexpected influx of students registered for that grade.

Mrs. Walker will teach a class of Latin-Americans and the overflow of the two white classes have been placed in the class of Mrs. Bill Haralson, who was previously teaching Latin Americans this year.

The addition gives three classes of white students and two of Latin Americans.

Although a class room was not available, the emergency had to be taken care of and the room previously used as a music and assembly room was taken over for the additional class, now leaving the school without a room for such purposes.

The first grade has a total of 137 students, 73 white and 64 Latin Americans.

Fund Is Raised For Wilson Park

By Mrs. Carl Gryder
The Park Benefit Supper which was held last Thursday night was enjoyed by a large group of people from the Wilson community. The supper was sponsored by the Wilson Lions Club, and promoted by all the people of the community. The food was donated and prepared by the women of the community who donated their time.

The park site, which is located just west of the school buildings, was donated to the community by Mrs. Dick Green, of Lubbock.

The grounds have been seeded with grass, and trees have been planted. Plans for the park is under the direction of the park committee composed of a member from each of the four churches here. They are Mrs. A. A. Teinert, Mrs. Rhudy Kahlick, Mrs. Ira Clary and Mrs. Jiggs Swann. The Lions Club has been actively engaged in the development of the park. Plans are being laid for the erection of a community house which sponsors hope will be a reality instead of a dream before long.

Edwards Infant Lives Three Days

Graveside services for Deborah Kay Edwards, three-day old daughter of Mr. and Mrs. Martin Edwards of route 4, Tahoka, were held Wednesday at 11:00 a. m. at Littlefield Cemetery.

She was born at a Littlefield Hospital and died at 12:45 p. m. Tuesday. Services were conducted by Rev. Alton Green of Belen, N. M. Survivors include her parents; two brothers, Jerry and Marty; the paternal grandparents, Mr. and Mrs. Tom Edwards of Littlefield; and the maternal grandmother, Mrs. Jane Green of Bula.

Free Vaccine To School Kids

School Nurse Mrs. Lillian McCord announces that free smallpox vaccination serums will soon be available for students of the Tahoka, New Home and Wilson schools.

This is a service of the State Health Department for the benefit of those children who have not yet had their vaccinations and cannot attend Tahoka schools until they do. Although it is not compulsory that New Home and Wilson students have the vaccination, the free serum will also be available to them if they want it, Mrs. McCord said.

Parents are asked to contact Mrs. McCord in the near future at her office in the South Elementary School in Tahoka.

Mrs. McCord said that those children who have received vaccinations that did not take must bring to her a certificate from their doctor stating how many times the serum had been given and when. The nurse stated that there were about 60 children in the Tahoka school district that have not had vaccinations and are not attending school at this time for that reason.

Free polio shots are also forthcoming at a later time. Mrs. McCord said, and those parents wishing their children to receive them should also contact her. More announcements will be made concerning the polio shots at a later time. Now, however, the small pox serum is expected to arrive here soon.

First Baptist Shows Growth

The Brownfield Baptist Association met Thursday with the First Baptist Church in Meadow, churches of Lynn and Terry counties which cooperate with the Southern Baptist Convention made their reports of the past year's work.

The Church Letter of the First Baptist Church revealed interesting growth in many phases of its work. This report compared with that of three years ago will reflect its growth. This year there were 60 baptisms with 78 other additions. In 1954 there were 59 baptisms with 47 other additions. This year the Sunday School and Training Union averages were S.S. 428, and T. U. 123. Three years ago the Sunday School average was 298 and Training Union 88. Total expenditures this year were \$51,812.21, compared with \$27,376.00 in 1954.

The church now reports a membership of 1096, a Sunday School enrollment of 806, and a Training Union enrollment of 305.

Messengers to the annual meeting were Mr. and Mrs. E. J. Cooper, "Spec" Brian, Mr. and Mrs. W. A. Reddell, and Dr. and Mrs. K. R. Durham.

Texas had 11 different capitals before settling on Austin in 1839.

MRS. TED D. JOURDEN
(Photo by C. Edmund Finney)

Miss Sandra Warren Weds Ted Jourden In Saturday Service At Sanders' Home

Miss Sandra Warren and Ted D. Jourden were united in marriage Saturday morning at 10:00 o'clock before an improvised chancel in the home of the bride's aunt and uncle; Mr. and Mrs. Alex Sanders. Double ring vows were read by Bro. Bob Clements, brother-in-law of the bridegroom, pastor of Calvary Baptist Church in Kingsville. Parents of the bride are Mr. and Mrs. O. H. Warren of route 1, Wilson, and Mr. and Mrs. E. E. Jourden of Crane are parents of the bridegroom. Baskets of dahlias set the scene for the ceremony, and a large mirror reflected the decor and the wedding party. Miss Charlene Riddle sang "True Love," "Faithful and True," and "Whither Thou Goest."

The bride, given in marriage by her father, wore a street-length sheath dress of beige lace over taffeta accented with a satin cummerbund. Her veil of bridal blush silk illusion was shoulder-length and fell from a small pink hat of iridescent sequins. She carried white rosebuds with pink tipped petals.

Mrs. Robert Draper, sister of the bride, was matron of honor, and wore a two-piece cotton cu-

District Guild Meets In Tahoka

About 50 ladies in the Brownfield District attended the Wesleyan Service Guild district meeting held here Sunday in the First Methodist Church.

Four conference officers were present to conduct workshops including Miss Dorothy Peery of Amarillo, conference secretary and the highest Guild officer in the Northwest Texas Conference; Miss Catherine Royalty of Lubbock, conference secretary of Christian Social Relations; Miss Anna Lee Fisher of Lubbock, conference secretary of Missionary Education; and Mrs. Carmen Davis of Brownfield, conference secretary of Spiritual Life.

Mrs. Wilbur Line of O'Donnell was presented a pin from the district representing a life membership as a token of appreciation for her contributions to Brownfield District Guild work. She served as district secretary for four years before being succeeded by Mrs. Dalma Bass of Anton.

Briefing on the studies for the coming year were presented by Miss Helen Martin of Seminole, "Disciples to Such a Lord"; Miss Wanda Williams of Brownfield, "Japan," and Miss Peery, "The Church and the Race," and "The Social Witness of the Ecumenical Movement."

Three district officers were elected and included Miss Martin, secretary of Spiritual Life; Mrs. Hillburn of Littlefield, secretary of Christian Social Relations; and Mrs. Jake Jacobs, secretary of Missionary Education.

A luncheon was served by the local Guild and the W. S. C. S. in Fellowship Hall during the noon hour, and Guild members express their appreciation to the ladies of the W. S. C. S. who helped in preparing the food, and to members of the M. Y. F. who helped with the serving.

M. M. Davis' Have 50th Anniversary

Mr. and Mrs. M. M. Davis of Tahoka will celebrate their 50th wedding anniversary with an "open house" for all their friends and relatives on Sunday, Sept. 22, from 3:00 to 5:00 p. m. in their home here.

The couple have the distinction of being parents of 10 children, all of which are boys.

Matt M. Davis was born in Alabama on Oct. 6, 1886 and came to Texas when he was three years old. His wife, the former Miss Lillie Mae Reagan, was born in Navarro county on Oct. 12, 1891. They were married in Benjamin, Texas on Sept. 19, 1907 and came to Tahoka from Knox county in December of 1916, being among the oldest families still to reside here.

The couple bought a farm about five miles south of Tahoka and lived there until November, 1943, when they sold the farm and bought a home in Tahoka, where they still live. Mr. Davis built a laundry here and operated it until about a year ago.

They hope that this serves as an invitation to all their friends and relatives to attend their open house Sunday afternoon, along with their 10 children and families, who all plan to be here. The children include A. C. Orville, Forrest, and J. D., all of Tahoka; Cecil, San Angelo; Dick, Seagraves; Arta Lee, Willows, Calif.; Tommy, Brownsville; Marlo and Floyd, Lubbock.

Six of their sons, Floyd, Arta Lee, Cecil, J. D., Forrest and Tommy served in the Armed Forces during World War II.

Mr. and Mrs. Davis have 31 grandchildren and eight great grandchildren.

Clayde Ray Bragg of Brownfield served as best man.

A reception followed the ceremony when the bride's table was laid with a white linen cut-work cloth and decorated with the bridal bouquet and the two-tiered wedding cake touched with pink rosebuds and topped with a miniature bride and groom. Members of the houseparty were Misses Ruth and Jo Ann Curry of Tahoka; Linda Jane Jourden of Crane and Mrs. Curt Teel of Artesia, N. M.

For a wedding trip to New Mexico, the bride chose a lace sheath dress topped with a brown satin duster and complimented with brown accessories. She wore a white rose corsage. The couple will make their home in Lubbock.

The bride is a graduate of Tahoka High School and is now attending Merriman's Business College. The bridegroom, a senior in Texas Tech, is a graduate of Crane High School.

Some units of Texas National Guard can trace their beginnings back to the defenders of the Alamo.

MRS. NATHAN ROYCE BOARDMAN

Miss Carolyn Nowlin and Nathan Boardman Married Saturday In Lakeview Service

The Lakeview Baptist Church was the scene of the double ring ceremony at 8:00 p. m. Saturday when Miss Carolyn Ruth Nowlin and Nathan Royce Boardman exchanged wedding vows. Rev. Don Murray read the rites before an archway of greenery and white carnations centered with silver bells.

The setting was lighted by Cathedral tapers in branched candelabra along the bridal aisle and baskets of white gladioli, greenery and a satin-covered prayer bench at the altar completed the decor.

The bride is the daughter of Mr. and Mrs. C. B. Nowlin of Meadow and the parents of the bridegroom, re Mrs. Mary Boardman of Lamesa and the late Jessie Boardman.

Mrs. Charles Warren of Andrews was accompanied by Mrs. Billy Timmons, as she sang "Because," "Whither Thou Goest" and "Wedding Prayer."

Given in marriage by her father, the bride was gowned in nylon tulle and handclipped Chantilly lace over satin featuring a sequin-embroidered Sebrina neckline and long petal-point sleeves. Her skirt ended in a cathedral train with scalloped center panels of sequined lace and tulle tiers.

Her veil of illusion of fingertip point lace and tulle dotted with sequins fell from a halo of rosequins and pearls. The bride's bouquet of white feathered carnations centered with a white orchid was carried atop a white Bible.

Maid of honor was Miss Sylvia Swin of Abilene, who wore a gown of fuchsia chiffon, net and taffeta with a matching tiara. She carried one long-sterred pink and one white carnation.

Bridesmaids were Misses Charlene Smith of Abilene, Thurlen McNabb and Virginia Smith of New Home. They were dressed identical to the maid of honor.

Baptist Women Meet At Wilson

By Mrs. Carl Gryder
The annual Brownfield Association W. M. U. meeting was held in the First Baptist Church of Wilson last Thursday. Reports of the work done the past year showed a great progress. Plans were made for the coming year.

The missionary address was brought by Mr. and Mrs. H. W. Fite, agricultural missionaries in Corrente, Brazil. They are home on furlough and are at home in Crosbyton. They will return to Brazil the last of this year.

Corrente, Brazil is located in the far interior of Brazil, some two hundred and fifty miles from the nearest store or post office. Mr. and Mrs. Fite teach the natives of this area to produce their own food. Mr. Fite stated that the only important product was coffee and salt. The people have been taught the kinds of food to raise and how to raise it, and at the same time they have been taught their need for the One that provides for all mankind, their need for God and the plan of salvation.

The food for the occasion was provided by the Wilson women. A good attendance was had. The Baptist W. M. S. has observed the Mary Hill Davis Week of Prayer for State Missions. A very good attendance has been reported each day.

Cafeteria Menus For Next Week

Monday: Meat loaf with tomato catsup, buttered broccoli, tossed salad, cheese and macaroni, hot rolls, butter, apple butter, milk.
Tuesday: Chili beans, carrot sticks, buttered cabbage, corn bread, butter, butter scotch pudding, milk.

Wednesday: Baked lunch meat, sweet potatoes, buttered frozen spinach, cabbage salad, apple cobbler, whole wheat bread, milk.
Thursday: Salmon croquet, buttered green beans, buttered corn, sun glow jello salad, butter, bread, orange half, and milk.
Friday: Hamburgers, lettuce, tomatoes, onions, baked potatoes, bananas pudding, milk.

THREE QUESTIONS—

1. Are you interested in selling eggs to a guaranteed year-around outlet?
2. Would you like to get into the egg production side of the rapidly expanding Broiler Business in this area?
3. Do you like watermelon?

Odds and Ends

(By E. I. Hill, Editor)

This Column this week is being written on the Saturday preceding for the convenience of the office force who must put it into print three or four days prior to its publication. We do not dare therefore to undertake to say what the weather may have been when this paper comes off the press. It is true that the Lubbock forecasters can make rather accurate predictions for the next two or three days, and they can guess fairly well for the next two or three days. I could tell you something about the abnormal freakishness of the weather out on these plains last

week, that is, I could tell you about some of its freakishness. I could not tell you anything about those hailstones that fell in some areas as "large as golf balls" that some of the weather men told us about, for I have never seen any quite that large. I guess the weather man that turned in that report must have been scared out of his socks when he made that report.

I was terrified several nights, however, by the electrical storms that formed or arose more rapidly than any herd of buffaloes ever galloped across these plains and then proceeded to illuminate the heavens with the keenest streaks of lightning that ever flashed across the night-skies in any man's country. If a man could dodge lightning and escape one flash, he would surely have dodged right into the path of another one—that is, if all those flashes had been coming down to Mother Earth. The freakishness of these electrical storms lay in the fact that they were accompanied, most of them, by practically no rainfall. Go out the next morning to measure the rainfall at my home and not enough water could be found to water our little flock of sparrows, most of which had gotten mad and had flown away to new roosting places after we had our trees amputated as a sure cure for broken and mangled limbs.

We have had some terrific hailstorms out on these high plains, however, according to many credible reports, even though we have

not seen any fallen ice-balls of bomb-shell size.

Well, that cool wave that the Lubbock weather broad-casters predicted did blow in Saturday afternoon before we had completed this more or less "immortal document" but I still refuse to predict what the weather will be Monday or any other time before Thursday. It is possible that we should have been visited by a destructive hailstorm. I don't know. But I read in the Bible a few days ago about the most destructive and terrifying hailstorm that has been recorded in the history of the world, so far as I know. I got it from the King James version too. Turn to Joshua 10:5-11, and read the dramatic story. "Therefore the five kings of the Amorites—the king of Jerusalem, the king of Jericho, the king of Gibeon, the king of Hebron, and the king of Beth-horon—gathered themselves together, and went up, they and all their hosts, and encamped before Gibeon and made war against it."

"And the men of Gibeon sent up to Joshua to the camp of Gilgal, saying, 'Slack not thy hand from thy servants; come up to us and help us; for all the kings of the Amorites that dwell in the mountains are gathered together against us.'"

"So Joshua ascended from Gilgal, he and all the people of war with him, and all the mighty men of valor;

"And the Lord said unto Joshua, Fear them not, for I have delivered them into thine hand: there shall not a man of them stand before thee."

"Joshua came unto them suddenly, and went up from Gilgal at night."

"And the Lord discomfited them before Israel, and slew them with a great slaughter at Gibeon, and chased them along the way that goeth up to Beth-horon, and smote them to Azekah and unto Makedah."

"And it came to pass, as they fled before Israel and were in the going down to Beth-horon, that the Lord cast down great stones from heaven upon them unto Azekah, and they died: they were more which died with hailstones than they whom the Children of Israel slew with the sword."

That hailstorm occurred in 1451 B. C. according to the generally accepted Calendar used in the Bible, more than 3,500 years ago; and if Ussher's putative date for the birth of Abraham is correct, this trifling hailstorm doubtless occurred more than 4,000 years ago.

It is no wonder that the casualties of that storm were almost innumerable, not only because it was sent by the Lord for the very purpose that was accomplished—and that is reason enough—but from a strictly human standpoint it necessarily must have been a fearful hailstorm. The people in that day

Lynn County Soil Conservation District News

ROY L. WILLIAMS ELLIS BARNES
O. E. TERRY W. L. (Cap) ROWE
FLMER BLANKENSHIP

The soil improving benefits of green plants with heavy growth turned under has been noticed on Jack Caviness' farm east of Taboka. In the spring of 1956 Jack planted several acres to Indian grass with the intention of growing seed. Careless weeds and annual lane grass became so thick and tall that Jack decided to plow most of the coverage planted to Indian grass under rather than clean out other grasses and weeds. Jack says that cotton growing on the acres where the green growth was turned under appears to be twice as good as cotton on adjoining acres where no green plants were turned under.

Several farmers in the District are planting the new tetraploid rye that will serve as winter cover crops, furnish grazing and if this variety proves successful in the Lynn District some farmers will harvest seed for sale and to replant. His variety of rye has much larger seed than the other and reports are that it grows off faster with some volume of green foliage.

Many farmers are drilling field borders and turn rows to small grains as a means of covering the

had no houses. They lived in tents. And Joshua's invading army necessarily slept out in the open. How could they survive a bombardment from the heavens?

Divine guidance and protection is the central theme that characterized the Lord's dealings with his people.

You will remember that one of the plagues visited upon Pharaoh and the Egyptians was a hailstorm which killed all the cattle in the field and all the mature crops of grain, and wrought general destruction in Egypt. Here is an abbreviated description of it: "And Moses stretched forth his rod toward heaven; and the Lord sent thunder and hail, and the fire ran along upon the ground; and the Lord rained hail upon the land of Egypt. So, there was hail, and fire mingled with the hail, very grievous, such as there was none like it in all the land of Egypt since it became a nation. And the hail smote throughout all the land of Egypt all that was in the field, both man and beast, and the hail smote every herb of the field, and brake every tree of the field."

Only in the land of Boshen, where the children of Israel were, was there no hail.

That storm visited Egypt in 1491 B. C. according to Ussher's calendar, some 3,448 years ago. It destroyed not only all the cattle but all the trees and matured crops also. I am sure that it left the Egyptians a terrible mess to be cleaned up. I am glad that I did not live in Egypt when that storm hit and that I do not live there now. I like America, folks, with all its faults. Good Night.

tion sweeps would cover the rye seed. Many farmers are using this method timed just ahead of this last watering so that stands will be obtained from irrigation.

Soil Conservation technicians assigned to the District assembled conservation plans on the farms of James Brookshire and C. C. Schooler. Some of the acreage of these farms is in conservation reserve of Soil Bank, planted to sodan this year for a litter crop where permanent grass will be planted next year. Terraces may be constructed sometime in the future of two of these farms.

Plans are to hold a Supervisors election at the Wells gin, October 1 at 7:30 to elect a supervisor for sub division IV of the District. Ellis Barnes is present board member of that district. The Board of Supervisors plan to hold its regular monthly meeting at same time of election.

From 1950 to 1950 California's population increased four times Delaware lives in Washington.

From an attendance standpoint the State Fair of Texas is the largest in the U. S.

Wilson News
 MRS. CARL D. GRYDER
 Correspondent

The Baptist Church called Rev. Steve Arellano of Lubbock to serve as pastor of the Mexican Mission here. Rev. and Mrs. Arellano have three children. They will move on the field for full time duty as soon as a house is available.

Guests in the home of Mr. and Mrs. Thad Smith Sunday were Mrs. Smith's mother, Mrs. A. L. Herring of Lubbock, her sister, Mrs. Bill Teague and her brother, Mr. Steve Herring of Lubbock, and her aunt, Mrs. Daisy Cook and cousins, Mr. and Mrs. Coy Cross of Lipan.

Mr. and Mrs. Robert Burns and Cindy of Albuquerque returned home Wednesday after spending several days visiting Mrs. Burns parents, Mr. and Mrs. H. B. Crosby. Mr. and Mrs. Ollie Riddle visited their sons, Mr. and Mrs. Archie Riddle and Mr. and Mrs. T. R. Riddle of Tahoka Sunday.

Mr. Pete Hewlett, who underwent surgery in the Methodist Hospital last week is doing nicely. He was returned home last Friday. During his illness his brothers and sisters, Raymond, Bill, Cardon, and Duskee Hewlett, all of San Benito came to see him. Miss Hewlett remained for a few days to be with Mr. Hewlett while he recuperates.

Several young people from Wilson have enrolled in college the past several days. Shirley and Dixie Hewlett, Ronnie Foster and Judy Blankenship have gone to Hardin-Simmons, Ida Pearl Mason has enrolled in Abilene Christian College, Willie Jud and Bruce Hewlett, Mason Davidson, Javan Schneider, Lynn Maeker, Donnie Sales, Charles Terry, and Eugene Bruedam have all enrolled in Texas Tech. John Mark Stoker has also returned to Tech.

Mr. and Mrs. Jim Brock and Gladys of Lubbock were guests in the home of their daughter, Mrs. Floyd Heck, Mr. Heck and Lynda, Sunday.

Mr. and Mrs. J. B. Lincecum of Wichita Falls spent several days visiting in the home of Mrs. Lincecum's sister, Mrs. John Gayle and Mr. Gayle.

Mr. and Mrs. Lefty Hargraves of Post visited with Mrs. Pearl Davidson Sunday afternoon.

Guests in the home of Mr. and Mrs. Bill McLaughlin Sunday afternoon were Mr. and Mrs. E. Robinson of Idalou. Mr. and Mrs. Bill McLaughlin re-

Harris' Mother Dies In Cameron

Funeral services were held at 2:00 p. m. Sept. 12 at Marek-Burns Funeral Home for Mrs. Walter H. Harris, 79, who died at her home in Cameron, Texas Tuesday night.

Services were conducted by the Rev. Aubrey Russell. Interment followed in Walkers Creek Cemetery.

She was born in Norfolk, Va., August 8, 1878 and came to Texas as when a small girl. She was a life-long member of the First Baptist Church.

Survivors include two sons, Will Harris, New Home and Walter Harris, Hobbs, N. M.; three daughters, Mrs. George Gamble, Sharp, Miss Verna Harris, Cameron, and Mrs. Vernie Miller, Cameron; one brother, Henry Hill, Cameron; two sisters, Mrs. Will Vaughn, Cameron, and Mrs. J. W. Wilkerson, Rockdale; six grandchildren and one great grandchild.

Paul Bearers were Walter G. Harris, Billie Harris, Lawrence Harris, Julian Harris, Cecil Hill and Henry Mode.

turned last week from a vacation trip to Bonham, Commerce, Cooper, and Vaco, visiting with friends and relatives. While they were in Bonham, Mr. McLaughlin went fishing with his brother-in-law.

Mr. and Mrs. E. R. Petty and Larry spent last week in Commerce visiting in the home of Mrs. Petty's mother, Mrs. Carrie Gillmore.

Mr. and Mrs. Jesse Earwood and Charles were in Commerce recently visiting Mrs. Earwood's mother, Mrs. John Turner.

Mr. and Mrs. Earl Henley of Bell Flower, California and Mr. and Mrs. Gilbert Earwood of Compton, California spent the past week visiting in the home of their brother and sister, Mr. and Mrs. Jesse Earwood and Mr. and Mrs. R. T. Moore, and Mr. and Mrs. Glenn Moore.

Mr. and Mrs. Harlos Eudy of Lubbock visited in the home of Mr. and Mrs. Cecil Fields Sunday. Guests in the home of Mr. and Mrs. Carl Gryder recently were Mr. Gryder's mother, Mrs. I. E. Ray and her sister, Mrs. Emma Echols and Carroll all of Plainview and her nephew Mr. and Mrs. Virgil Echols and Charles of Clovis, New Mexico.

Mr. and Mrs. Sam Kirbie spent the week end in Weatherford attending the sixtieth wedding anniversary of Mr. Kirbie's parents. Congratulations to Mr. and Mrs. Hubert Teinert on the birth of a daughter in the Mercy Hospital at Slaton last Thursday, Sept. 12. Weighing in at 7 pounds 5 ounces, little Miss Teinert was named Lesa Lin.

Week end guests in the home of Mr. and Mrs. A. A. Teinert were Mr. Teinert's cousins, Mr. and Mrs. Alfred Mueller of Houston.

Mr. and Mrs. E. J. Brandt and children of Littlefield visited their daughter, Mrs. Hubert Teinert and Mr. Teinert Sunday. Mrs. Brandt remained to care for her daughter and new granddaughter which were returned from the hospital Monday.

Mrs. Ed Harrison of Brownfield visited in the home of Mr. and Mrs. M. L. Murray last Tuesday.

Mrs. Nettie Richards of Lubbock spent the week end visiting her mother, Mrs. J. W. Hancock and her sister, Mrs. M. L. Murray. Mrs. Richards had just returned from Ohio, where she visited her son Charles and family. The Richards are former residents of Wilson.

Mr. and Mrs. Ray Craft visited Mr. and Mrs. Craft's brother, Mr. and Mrs. Dewey Craft of Hermleigh and Mr. and Mrs. Bill Craft of Hobbs, N. M. last week.

Those attending the barbecue supper in the home of Mr. and Mrs. Jesse Earwood last Friday night were Mr. and Mrs. J. R. Barrow of Slaton, Mr. and Mrs. Willie Jamison of Ropesville, Mr. and Mrs. S. C. Earwood of Lubbock, Mr. and Mrs. Earl Henley and Mr. and Mrs. G. M. Earwood of California, Mr. and Mrs. R. T. Moore and Mr. and Mrs. Glenn Moore and children of Wilson.

Mrs. Glenn Moore returned last Friday from Commerce where she had visited her mother, Mrs. John Turner.

Director Tells Band Program

Tahoka High School's new band program was explained by the new director, Eddie Bowman, in a talk at Tahoka Rotary Club Thursday noon of last week.

Bowman said the high school band has been cut to 45 members and now consists of only high school or advanced students. Although smaller in number, it should be a better band.

Band work is now being started with beginners in the fifth grade, instead of the sixth and later, and there will be a junior high band made up of sixth and seventh grade students.

Band students started practice in August in the summer band school. It appeared in the Post Jubilee parade Saturday, and through the fall features appearances at football games and pep rallies. There will be a fall concert and a spring concert.

Bowman said main purpose of the band is as an educational instrument to teach students music and an appreciation of this art, but the band is also an instrument for promoting school spirit and a "chamber of commerce" factor in advertising the town.

He said the Band Boosters Club is doing much for the band. This last year it bought new shakos for the organization.

The new band director is a graduate of West Texas State. He was introduced by Bill Haralson, program chairman for the day.

On suggestion of A. M. Bray, the club will buy smallpox vaccine for school children whose parents are unable to pay for the same.

Clifford Harris announced the annual Teacher-Rotary Ann banquet for this Thursday night.

Hans Irniger, summer guest of Tahoka Rotary Club, introduced John Rinehart, guest of the Slaton Rotary Club from Austria.

This was the first week of the school year for Junior Rotarian guests, two boys from the Senior class who will be club guests for a month.

These are for the month of September: Ronnie Dulin, introduced by Tom Gill, and Erwin Young of Grassland, introduced by Dr. Skiles Thomas.

Honor Society Elects Officers

Officers for the National Honor Society have been elected for the ensuing school year, according to High School Principal John Shepherd.

Marilyn Carmack is president of the organization; Idalia Wood, vice president; Mary Helen Whitaker, secretary-treasurer; Virginia Willhoi, reporter; and John Hegl, parliamentarian.

All the officers are hold-over members from last year and others are James Adams, David Bray, and Benny Martin.

New members of the group include Betty Vaughan, Denver Ford, Betsy Adams, Linda Jones, LaRhea Greathouse, Jan Thomas, Weldon Calloway, Carol Smith, Terry Spears, Larry Forsythe, Jerry Bragg, and George Adams.

Texas' first telephone was installed in the Galveston News plant on March 18, 1878.

World's largest lumber is at Lewiston, Idaho.

MR. AND MRS. W. C. (Bill) HARVICK

Harvicks Honored On Anniversary

Mr. and Mrs. W. C. (Bill) Harvick had 132 friends and relatives visit with them Sunday when they observed their 50th wedding anniversary at a reception in the home of a daughter, Mrs. Bill Cathcart.

Preceding the reception a dinner was served the family in the home of Mr. and Mrs. Roy Horvick.

Out of town friends and relatives were from Decatur, Wichita Falls, Fort Worth, Stamford, Hamlin, Lamesa, Levelland, Amherst, White Face and Lubbock.

All of their eight children attended, as well as three of Mr. Harvick's sisters.

Harvey Freeman, his wife, the former Miss Barbara Lewis, and five month old son are here on leave for about two weeks. Harvey has been stationed at Kelly Air Force Base in San Antonio for the past four years and will now report to Washington, D. C. His wife and baby will stay in Tahoka temporarily.

On demonstration, you'll see the complete line of Butler grain storage, conditioning, handling equipment; stock feeding, stock watering equipment; and new Utility Shelters.

Council Delegates Give State Report

The Lynn County Home Demonstration Council met in the home of Mrs. Guion-Cobb with the Dixie Club Thursday, Sept. 19, when three council delegates reported on the State meet they attended in Houston in August.

Mrs. Cobb, Mrs. Joe Hensley of Draw, and Ophelia Wilson of Joe Stokes presented their report in the form of a skit. The convention theme was "Christian Home—Hope of the Nation."

At the State meet Mrs. Wilmer Smith of New Home, State secretary, gave the devotional and said that "thoughts which came into our home should be as carefully chosen as our food." Other thoughts she brought included "Homemakers need Martha's hands and Mary's heart," and "We cannot recapture an unused opportunity to serve."

Rev. Grady Hallonquist of Riverside Methodist Church in Houston made the address. He said that "parenthood is the greatest privilege that can be given us, but the privilege also brings the greatest responsibility. The most priceless heritage we can leave our children is a Christian home. Take care of the children and the nation will take care of itself."

The three State delegates also attended a council meeting at Plainview this week. They were accompanied by Mrs. Nancy Stults of Brownfield.

Dixie H. D. Club Holds Meeting

Mrs. A. C. Aycox was hostess to the Dixie Home Demonstration Club recently when eight members and one visitor attended.

Mrs. Mittie Etter was the visitor.

The next meeting will be held Oct. 2 when the club meets with Mrs. Virginia Cobb, Mrs. E. R. Tunnel and Mrs. Copeland will give the program on "Charm."

PETTY HANDIWORK CLUB IN TWO RECENT MEETINGS

Petty Handiwork Club met in the home of Mrs. Jess Hill on Sept. 11, with eight members present, and decided to hold the next picnic on Saturday night at Mrs. H. C. Hodges. Secret pal gifts were exchanged, and refreshments of cookies and lemonade were served.

The club met with Mrs. Faye Rogers on August 28, when jewelry boxes were made from ice cream sticks. Secret pal names were redrawn, and refreshments were served.

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room
© THE UPPER ROOM, NASHVILLE, TENN.
Jesus himself drew near, and went with them. (Luke 24:15.)

When Hugh Price Hughes was head of a Dondon Mission, he received from an unbeliever a challenge to debate the truth of the Christian faith.

In accepting the challenge, Mr. Hughes made this statement, "I will bring with me to the debate one hundred men and women who have been saved from lives of sin by the gospel of Christ. They will give their evidence, and you will be allowed to cross-examine them. They will be men and women reclaimed for Christ from the vices of drink and intemperance. They will be persons walking in newness of life, witnesses of what God's redeeming love can do—for the lost and the least. I will ask you to bring with you one hundred men and women who have been similarly helped by the gospel of infidelity which you preach."

The throng came to hear the debate. Mr. Hughes marched in with his hundred. The challenger and his witnesses never came. The minister and his friends made the meeting one of joyous Christian witness.

PRAYER

O living Christ, Thou hast appeared unto Thy disciples in many ways through the centuries. Help us to have sensitive hearts to recognize the ways in which Thou dost draw near to us. Help us to walk with Thee. In Thy name we pray. Amen.

THOUGHT FOR THE DAY
Christ is with me in worship and work. —H. Howey (Canada.)

Mrs. Ivan Cathcart is a medical patient in Tahoka Hospital, having entered Monday.

Vehicles Stop For School Buses

Three state agencies joined today in urging the continuation of a state-wide program to acquaint the public with the Texas law requiring all vehicles to stop when approaching a school bus loading or unloading children.

The Texas Education Agency, the Texas Highway Department, and the Texas Department of Public Safety are making a joint request that school superintendents, newspapers, radio stations, and television stations participate in efforts to acquaint drivers with the school bus law.

"Superintendents and news editors performed an outstanding public service in this safety campaign last year," said J. W. Edgar, Commissioner of Education. "Yet 7 lives were lost during the school year in collisions involving school buses. There is a continuing need for a program of safety education."

There were two more fatalities during 1956-'57 than were reported to the Department of Public Safety in 1955-'56. The total number of accidents reported declined, however, from 379 to 335. (During the past year the Highway Department erected signs on all major roads warning motorists of the safety measures.) The law says in effect, that upon meeting or overtaking a school bus which has stopped on the highway for the purpose of receiving or discharging children, the driver of any vehicle shall stop immediately before passing. After coming to a stop the driver of the vehicle can proceed with due caution at a speed which is prudent and does not exceed ten miles per hour. The law does not apply within city limits.

Vehicles are not required to stop on highways with separate roadways when the bus is on a different roadway from that of a passing vehicle. Vehicles are not required to stop if the school bus is stopped in a loading zone which is a part of or adjacent to the controlled-access highway and where pedestrians are not permitted to cross the roadway.

All public school buses are painted yellow and have "School Bus" painted in large letters on the front and rear of each bus. They are equipped with flasher lights usually mounted high on the front and rear of the bus. These flashing lights are used only when the bus is in the process of stopping or is stopped to receive or discharge children.

Wilson FHA Girls Name "Sweetheart"

Kenneth Ethridge, son of Mr. and Mrs. Pete Ethridge, was elected sweetheart of the Wilson High School F. H. A. Chapter at a recent meeting. Kenneth is a senior at Wilson High School. Active in school activities, he is captain of the Wilson Band, participates in Athletics, and belongs to the F. F. A. chapter.

HENDERSON COUNTY MEET

Ex-residents of Henderson county will hold their sixth annual all-day reunion Sunday, Sept. 29, in Mackenzie State Park, Lubbock, according to Mrs. C. B. Nowlin of Lakeview. All are asked to bring a picnic lunch, and drinks will be provided by the association. Location is the same as last year, the first parking area to left of the east, Idalou, entrance. Directional signs will be at the Idalou highway entrance.

Wilson FHA Club Has First Meeting

On Wednesday of last week the Wilson FHA Chapter held its first meeting, at which time officers were elected.

They are: President, John Henderson; vice president, Randal Weaver; secretary, Arlis Ehlers; treasurer, Kenneth Hanes; reporter, Paul Henderson; and Sentinel, Max Bullock.

Miss Joyce Church was elected chapter sweetheart.

Cub Pack Meets Next Tuesday

The Tahoka Cub Scouts will have a pack meeting Tuesday night in Scout Hall. This is the first pack meeting to be held this fall.

Den mothers attended a meeting Tuesday afternoon in the home of Mrs. C. W. Conway to make plans for the year.

Every Wednesday has been designated as Cub Scout Day and members will wear their uniforms on these days during the year.

Golf Tournament Set For Sunday

Sunday afternoon at 1:30 p. m. men and women club members of T-Bar Country Club will play a nine-hole golf tournament in medal play with handicaps.

Trophies will be presented first, second and third place winners for both men and women.

Entry fee is \$1.00 and all members are urged to attend.

NOTICE

Anyone who is interested in doing substitute teaching work in the Tahoka schools is asked to contact Superintendent Ollis Spears.

Substitutes are needed to fill in for teachers who have to be out of school on account of illness and other uncontrollable circumstances.

POLIO VICTIM IMPROVES

Mr. and Mrs. C. E. Newsom visited their son, David Eugene, 8, at Gonzales Warm Springs last week end and found him showing continued improvement. He is now able to sit up with supports and to use his hands to eat while his arms are suspended by a support of springs. He and his brother, Dennis Ray, 4, were seriously afflicted, were stricken with polio early in June.

ATTENDING McMURRY

Misses Ann Reasonover and Jan Collier of Tahoka, Jerrie LeMond of Grassland, Martha and June Roper of New Home have entered McMurry College, Abilene, for the current school year. This summer Miss Reasonover has been a counselor in the Methodist summer camps at Ceta Canyon, near Canyon.

Major Max Minor telephoned his mother, Mrs. John Minor, that he has returned to the States and is at home in Del Rio with his wife and children. He has been stationed in Tokio, Japan since February, and will now be at Lackland Air Force Base.

NOT MUCH BULL

Nocona, Texas — Somewhere around Ringgold there is a bull wagging nothing behind him. He was one of the losers in a bull-car accident.

Highway Patrol reported Alfred B. Clayton Jr. of Dallas had \$150 damage done to his car in the encounter, but neither he nor the bull suffered bodily damage.

The bull did, however, lose his tail in the mishap. That's very little bull.

Net value of Texas industrial production increased 930 per cent in the 14 years after 1939.

How Valuable

... IS LOCAL NEWSPAPER ADVERTISING TO LOCAL BUSINESS PEOPLE.

Here's What The Banker's American Magazine, a publication which represents a traditionally hard-headed profession has to say.

"No business man or woman in any town should allow a newspaper to go to press without his or her name and business mentioned somewhere in its columns.

"A stranger picking up a newspaper should be able to tell what business is represented in a town... it's the best possible town advertiser. The man or woman who does not advertise does an injustice to himself or herself and definitely to the town.

SPORTS

Bulldogs Lose Close Home Game To Tough Denver City Mustangs 12-7

Halfback Charles Mobley and his Denver City Mustangs handed the Tahoka Bulldogs a 12 to 7 defeat here Friday night opening the local home football schedule.

All Mobley did was score two touchdowns on runs of 79 and 67 yards after teammates had opened up holes in the right side of Tahoka's line, and personally accounted for 195 yards of Denver City's total of 279.

But, in defeat, the Tahoka boys put up a great battle defensively, and except for the two long runs had a slight edge on the visitors, rolling up 10 first downs to the Mustangs' seven.

However, Coach Don Orr's boys, over-eager and a bit rough, received ten penalties, five of them for 15 yards each, for a total of 100 yards.

Tahoka was playing without the services of Richard Brooks, the hard-driving halfback, who has a leg injury, and things could have been different had he been in the game.

Tahoka received the kick-off.

Tahoka	Denver City
10 First downs	7
91 Rushing yards	297
23 Passing yards	0
4 Passes complete	0
5 Passes incomplete	2
2 Had Intercepted	0
4 for 23.5 Punts, avg. 5 for 26.6	
1 for 5 Penalties 10 for 100	
1 of 3 Fumbles lost 1 of 3	
Tahoka had one punt blocked.	

Tomlinson brought the ball up to the 36, then carried for five, 26, 40 and a half, and Prohl made five and a first on the 49. One play failed to gain, Gurley took a jump pass for two, one was incomplete, and Brown got off a 34 yard punt to the DC 15. Tinley, Mobley, Allison, Johnson, and Kidwell each had a try at the line, a pass was incomplete, and Allison punted short to his 48. Tahoka failed to gain, and Brown punted 33 yards to the DC 15. Mustang Johnson carried out to the 21, and on the next play Mobley broke over his own left tackle and raced 79 yards to paydirt. Right Tackle Roger Munn, a former Tahoka boy who played a fine game for Denver City failed on the placement kick.

In the second quarter, neither team was able to score, although Tahoka made one mild threat, moving to the DC 36 but a Bulldog pass was intercepted by End Donnie Reed on the DC 14. Neither team could move the rest of the quarter.

Tinley brought Tahoka's kick-off from the 21 to the 33, and on the first play from scrimmage

Wilson Meets Frenship Today

Wilson Mustangs, fresh from opening their season with a 14 to 0 victory over Plains Cowboys, entertain their old rivals, the high-flying Frenship Tigers, this Friday night.

Coach Grover Watkins' Wilson boys scored in the first and fourth quarters at Plains last Friday night. Joe Baker, Wilson fullback, scored first on a three-yard plunge, and Kenneth Ethridge ran over the extra point. The other score came when Jack Dokken went 20 yards through the Plains line. Ethridge again converted by running the ball.

The game was played in the rain, the second week in succession Plains had played in such weather, and Wilson took advantage of Plains fumbles to grind out a victory.

New Home Will Play Lazbuddie

New Home Leopards should have a better chance of getting into the victory column this Friday as they journey to Lazbuddie. However, Lazbuddie upset Vega 20 to 6 last Friday.

Coach Hubert Williams' injury-riddled team last Friday night dropped a lopsided game to the Frenship Tigers 42 to 0.

The Leopards managed to hold the Tigers scoreless for nearly three quarters, and then the roof caved in, Frenship scoring 14 points in the third period and 28 in the final quarter, one of the TD's coming on a recovery of a New Home fumble in the end zone.

Fans say the New Home boys really looked good until they were overpowered in the last quarter and a half.

Mobley broke away over his left tackle, this time for 67 yards and a TD. Munn's first placement try was good, but a teammate was off-side, and he missed the second try.

Tahoka came right back to score its lone touchdown.

Tomlinson brought the kickoff all the way from the 16 to the 48, almost getting away. Four plays later a pass was complete to Gurley for eight to the DC 33, the visitors drew a 15 yard roughing penalty to the 10 to help Tahoka's cause. Tomlinson made six, and on the next play little Halfback Bobby Cloe knifed through the line four yards to score, and Fullback Kenith Stice carried over for the conversion. Score, 12 to 7. DC moved up to the 44, and punted to Tahoka's 10. The Bulldogs had the ball only one play, getting another pass intercepted by Johnson on the Tahoka 10, but a clipping penalty set the visitors back to the 25, and two plays later Jerry Brown covered a DC fumble on the 13.

Tahoka moved out to the 29 with Stice and Cloe carrying, and on the second play of the fourth quarter the Bulldogs got another bad break when Brown's punt was blocked for a seven yard loss on the 29. Here Tahoka put up another strong defense and the ball went over to Tahoka on its own 21.

Moving out to the 45, Tahoka needed a yard on fourth down which a quarterback sneak failed to get. DC put together a drive here that carried down to Tahoka's 8, where it was fourth down and four to go as the final whistle sounded.

In addition to Mobley, Tackles Bill King and Roger Munn, End Reed, and other Mustangs stood out on defense.

Bulldog Coaches Bill Haralson and Dean Wright were well pleased with Tahoka's defense, and declare the young line is coming along fine. Among those seeing action in the line were: Center Jerry Adams; Guards James Adams, David Bray, and Steve Riddle; Tackles John Hegi, Vergel Hicks, Richard Stice, and John Ed Redwine; Ends Jerry Brown, Jay Gurley, and Donald Williams.

Backs seeing action included: Quarterback Karl Prohl, Fullbacks Weldon Calloway and Kenith Stice, and Halfbacks Billy Tomlinson, Robert Cloe, Gaylon Tekell, and David Copeland.

aged aunt, Mrs. J. B. Ingle, who is past 90 and is confined to the hospital.

The ladies of the W. M. U. will meet at the Baptist Church each Monday night at 8:00 o'clock for their program, beginning next Monday, September 23.

Mr. and Mrs. Robert Lee Hagler and her mother, Mrs. Susie Bradshaw are visiting in California.

Mrs. Sam Martin, who is a genius at taking kodak pictures, had one published last week in "Life Magazine." The picture was one of a pet crow and owner belonging to Lin Denton, five year old son of Mr. and Mrs. N. E. (Dick) Denton. The crow learned to say a few words. It will scratch on the door when it wants in, and will fly through the house calling, "Linnel," until he finds him. The Dentons moved near Plainview this year.

Mr. and Mrs. Haire are visiting a friend; Mrs. Harry McDonald, in Arvin, Calif., who is quite ill.

Ben Wood of Abilene visited his brother, R. C. Wood, Sunday night.

The J. C. Milliken family of Slaton spent Sunday with his brother and wife, Mr. and Mrs. Ed Milliken.

Mr. and Mrs. H. W. Seals are suffering with flu this week. Visitors in their home last week were a son and family, Mr. and Mrs. Loren Seals and son of Abilene.

Mr. and Mrs. Albert Smallwood, Kaylynn and Karen Jay of Austin visited his parents, Mr. and Mrs. G. N. Smallwood and his twin brother, Arthur and family last week. Another son and family, the Neil Smallwoods—of Odessa were recent visitors in the home.

Mr. and Mrs. Gus Gatzki, Mr. and Mrs. Raymond Gatzki and sons spent Sunday with Gatzki's daughter and family, the Vernon Clems of Seagraves.

The Sam Gatzkis of Wilson were recent guests in his parents home, Mr. and Mrs. Gus Gatzki.

A. B. "Red" Henry and Mr. and Mrs. G. A. Henry visited last week end at Stephenville with an uncle and aunt on the Henry's mother's side of the family.

Here are the winning answers!

Q. What is the lowest priced car?
A. Model for model, right across the board... FORD is the lowest priced of the low-price three!

Q. Who makes the BEST trade-in allowances in these parts?
A. Your FORD DEALER makes the biggest trade-in allowance that can be made. And he stands ready to PROVE IT!

Q. Who makes TERMS that are really EASY?
A. Your FORD DEALER will arrange terms to suit your budget.

*Based on comparison of manufacturers' suggested retail delivered prices

FORD IS OUTSELLING EVERY OTHER CAR!
It's easy to see why Ford is first in sales when you look at the way-ahead values in the '57 Ford. Each of Ford's 21 models is styled to stay in style. Interiors have space aplenty for six lanky adults. A new "Inner Ford" gives a ride that's sweet, smooth and gentle. And a choice of five modern engines—four V-8's and a Six—provides power to suit your needs. Why not come in and see for yourself? You'll find all this value and more, when you Action Test a '57 Ford. Do it today!

Teachers Will Hold Meeting

Two important meetings for Lynn county teachers will be held next week, the county unit of the T. S. T. A. on Monday night at New Home, and a district workshop at Lubbock Saturday, Sept. 28.

The county teacher's meeting will be held at 7:30 p. m. Monday night in the New Home cafeteria when the subject of discussion will be "Ways of Helping the Teacher." Special features of the program will be presented by New Home students.

Following the program refreshments will be served during a social hour, according to Mrs. Ruth Jelly, publicity chairman. Mrs. Joy Daniel of New Home is the county unit president.

District IV workshop will be held Saturday, Sept. 28 at the Student Union Building at Texas Tech. The general session will begin at 9:30 a. m. and at 10:45 a. m. section discussion groups will be formed with consultants from the T. S. T. A. office to aid the groups.

Sections will include the following: local unit chairmen, program chairmen, legislative chairmen, publicity chairmen, and others if so ordered by the District IV President, Miss Dorothy Perkins.

Luncheon will be served at 12:30 p. m. and reports given. Adjournment will be at 2:00 p. m. Each superintendent of the school districts of the county is urged to have representation from his school attend the meeting, as well as all local unit officers.

Howle's Brother Taken By Death

Funeral services for John W. Howle, brother of Emory Howle, were held Tuesday at 2:30 p. m. in Abilene, with burial following in Elmwood Memorial Cemetery there.

Howle died at 8:45 p. m. Sunday in Goodnight Hospital in Lubbock following a long illness. He had lived in Lubbock for about a year and a half, coming there from Abilene. A member of the Masonic Lodge and the Stith Lodge in Jones County, he was employed by the Railway Express Agency.

Survivors include his wife; three sons, W. H. and David of Lubbock, and John of Abilene; one daughter, Mrs. Jack Ferguson of Hamlin; his parents, Mr. and Mrs. W. H. Howle of Heflin, Alabama; seven brothers, Smory of Tahoka, Cecil of Hugo, Okla., P. of Abilene, Clayton and Comer of Heflin, Alabama; B. B. of Plainview, and Alton of Burlington, N. C.; four sisters, Mrs. A. D. Halbert of Oxford, Ala., Mrs. Bruce Anderson of Anniston, Ala., Mrs. Guy Smith of Amarillo, and Mrs. Robert L. Cobb of Wichita, Kans.

Junior Teams Play This Week

O'Donnell took two junior football games played here Tuesday night, when both the seventh and eighth grade teams met the opponent's teams.

As the News was going to press Tahoka's B team was going to Abilene for a game there.

Complete schedules for the junior and "B" teams have been worked out for the season.

RECEIVES PLAQUE—Mrs. Marjorie Merriweather Post is shown receiving a plaque from Executive Board Member of the South Plains Council Boy Scouts of America, John W. Thomas of Ralls, in appreciation for the C. W. Post Memorial Scout Camp near Post. The testimonial declares that the plaque is "for the unselfish gift of the C. W. Post Memorial Camp, through which Boy Scouts of the South Plains Council have for over 30 years enjoyed the outdoor experience of scouting and have benefited in great measure from the citizenship training which has been given them. The grateful acknowledgement is made of the contribution which the camp has made and will make in the development of character in the boys of the area." The presentation was made in New York City.

"Martin Luther" Will Show Here

One of the outstanding films of recent years will be shown Sunday night at the First Baptist Church. "Martin Luther," the name of the film, is taken from the name of the man whose life it portrays.

Martin Luther was a Catholic priest who read the Scriptures for himself and decided that they taught that a man is "saved by faith" and not the keeping of rituals. The film shows his dramatic stand against forces which would have taken his life had he not gained so many followers so quickly that they were afraid to take his life as so many had died for their faith.

This film shows the beginning of Protestantism which has resulted in the most of the major denominations of our day. This is a film that every Christian will profit by seeing.

"Martin Luther" is a full length, commercially produced film that has actually been banned in some cities because of the truth it exposes of the religion which held men in fear for so many centuries.

The showing will start at 7:00 o'clock Sunday evening and is approximately 90 minutes long. The public is invited to see this presentation.

Brother of Mrs. Kaddatz Dies

W. A. Williams, 77, brother of Mrs. A. J. Kaddatz of Tahoka and Salah Williams of Lakeview, was found dead, presumably of a heart attack at Cross Plains Tuesday. Living alone, he was a retired business man of that town.

Mrs. Kaddatz left Wednesday with other relatives for Cross Plains to attend funeral rites that afternoon.

Survivors include two sons, W. A. of Lubbock and V. J. of Abilene; six sisters, Mrs. Kaddatz, Mrs. D. L. Stanford of Ada, Okla., Mrs. D. M. Moore of Portales, N. M., Mrs. J. H. Lowe, Mrs. Lena Lean, and Mrs. J. C. Grisham all of Lubbock; and three brothers, Lonnie and M. C. of Lubbock and Salah of Meadow, Route 1.

24 Ladies Enter Tailoring Class

Mrs. Pete Hegi announces that the enrollment in the tailoring class for adults has been met with a very good response this year, as well as the nutrition class.

A total of 24 women are enrolled in the tailoring class, which meets once each week on Monday afternoons, when Mrs. Hegi demonstrates, explains, and helps the ladies work out their sewing problems. The students actually do their sewing at home.

In addition to the tailoring class, 12 women have enrolled in the nutrition class.

Both are being offered as a community service.

Congratulations:

Mr. and Mrs. Othell Meeks on the birth of a daughter, Karen Othella, Tuesday morning at 10:14 o'clock in Tahoka Hospital. She weighed seven pounds, four ounces, and has a big brother, Jerry, two and one-half years old.

Football

(Cont'd. from Page 1) working on an offense and defense to match Tahoka's style. Palmer frankly states O'Donnell is building, and he has experienced lettermen for starters at every position, and a few lettermen left over.

Among the top boys, all lettermen are the following:

In the line: Center, David Spraberry, 160, junior; Guards, Larry James, 170, sophomore; Ted Franklin, 148, senior; and Melvin Proctor, 175, junior; Tackles Jimmy Bowles, 143, senior, and Kent Thompson, 225, junior; and Ends Kenneth White, 155, junior; Wayne Shaw, 123, senior; and Charles Simpson, 145, senior.

Backfield: Quarterbacks Tommy Gardenhire, 141, sophomore, and Jerald Barton, 165, senior; Halfbacks Jerry Gass, 142, senior; Levi Modisette, 150, senior; and seven other squadmen with some experience, including Lanny Brewer, 140, who alternates with Gardenhire in doing the passing, Neal Shaw, 135; and Jerry McKibben, 145.

Gass is reputed to be the top ball carrier.

Tahoka and O'Donnell bands will furnish the halftime show.

The chartered bus for fans will not run to this game because of the nearness to home.

Standing

(Cont'd. from Front Page) diameter, 13 inches in circumference.

A "fed-up" school teacher resigned with this comment:

In public schools today the teacher is afraid of the principal; the principals are afraid of the superintendent; the superintendents are afraid of the school board; the boards are afraid of the parents; the parents are afraid of the children; and the children are afraid of nobody. —Cheer

Thank goodness, it's not really all that bad.

We hear that Jess Gurley is disillusioned these days. He's been trying to tell someone all week that he's going to be a grandpa, but it seems everyone already knows it. Guess he feels like someone swiped the whipped cream off his pie.

Jewell Smith, whose husband operates two service stations in Tahoka, ran out of gas the other day. Not having an extra supply with her, she had to be pushed into a competitor's station to get her car back in running order. —That'll teach her.

The man who moves a mountain begins by carrying away small stones. —Chinese Proverb

Farm Labor Man Assigned County

Texas Employment Commission has employed a temporary placement man for the fall harvest season beginning next Monday, and he will be stationed at the court house in Tahoka to assist farmers in securing harvest hand and to assist hands in placement.

He is Elmer A. Wright of O'Donnell, who has farmed in that community for 35 years.

Highway

(Cont'd. From Front Page) openings on all city streets, but the express way would have access points only at the overpasses, at which points traffic could also be turned in any direction.

Overpasses would be located in South Tahoka approximately over the caliche pit, another at the junction with US 380, the east-west highway, a third at the drive-in theatre, and possibly a fourth at the Wilson road junction.

US 380 would be widened slightly in the vicinity of the US 87 overpass, but otherwise would remain unchanged. Although the dump for this overpass would begin 600 feet away on each end, the major portion would be within a block of the actual overpass.

These plans are strictly in the drawing board stage, and may or may not be approved. But, it is known the State has big plans for making this one of the major arteries of travel, and it's not likely there will be any point where traffic crosses the express way directly.

Announcement that the State has decided on the route through town comes as a surprise to some citizens. Some had conjectured and advocated that an earlier survey missing Tahoka to the west would be followed. But most business men interviewed by The News favor, some of them vehemently, keeping the route as close to the business section as possible. Some of the latter feel that even this route will take away some of their business. Still others favor a "wait and see" attitude, leaving the Tahoka segment as it is until the State demands change.

Even yet, the route could be changed to miss Tahoka if that is what the people want.

However, Marshall Formby, chairman of the Texas Highway Commission, on a visit to Tahoka a few months ago, advised local friends to keep the highway as close to the business section as possible. He admitted small towns are hurt if such a major highway misses a town a mile or two, but declared statistics will prove such an Expressway is an asset when built only a block or two from the business section.

It was also pointed out that the route west of town would cross high-priced farm land, much of it irrigated land, would involve more of a circle around town, and likewise require two and possibly three overpasses.

Work of securing right-of-way south on US 87 was recently delayed pending passage of the new legislation which permits the State to pay half the cost of securing the right-of-way.

Judge Mathis says the county has submitted its recommended values along this route to the State on all needed lands not previously produced. Only five easements are to be secured between one mile south of Tahoka and the Paymaster gin at O'Donnell. From there to the Dawson county line, no settlement has been made on property. In this area, damage

claims have been very high. The State will participate 50-50 on a price the State agrees to with the county and property owners.

The southern segment of US 87 requires 240 feet of right-of-way, 140 feet more than at present, except along the Santa Fe tracks, where a total of 200 feet is required.

From Tahoka to the Lubbock county line, under new Federal requirements, the right-of-way must be a minimum of 280, or 180 feet more than the present right-of-way.

From the junction with FM 400, two miles north of Tahoka, northward to the Roadside Park, 124 additional feet will be required along the east side of the present

road and 96 feet from the west side. Beginning at the Park and from there northward, 124 feet will be taken from the west side and 56 feet from the east side along the present right-of-way.

A preliminary survey indicates about nine irrigation wells and several farm homes are in the path.

The State is pushing for approval of all routes as soon as possible to take advantage of Federal appropriations as they come up.

Mrs. Harley Musiek reports that her mother, Mrs. Ross Vaughan, formerly Mrs. Rosa Davis, is ill at Morris, Okla., and would appreciate cards from friends.
