## STANDING ON THE CORNER

Who will make the headlines next week—and the weeks after that?

A reporter, who writes obituaries every week and is too often faced with the sad task of writing up a tragedy, is particularly hit by this question every time he begins the story—"Funeral services for etc., etc."

Especially in the cases of accident victims, it's hard to keep from thinking that last week when the deceased picked up the News, they were unaware that they would make the headlines in the following issue.

It brings home the old thought that there is so much to be done to make this a better world, and all too often—there's so little time.

There has never been much difficulty in recognizing the difference between the braceros and the native Latin-American Texans. With so many Mexican Nationals in the country at this time of the year, they lend color to the atmosphere in their large sombreros and open hand-made sandals.

During the past week, however, they have added another garment to their native attire. With the cold rain that has fallen, the Nationals have donned their blankets. The styles are varied with some of the blankets draped around them much in the same way as a shawl. But others seem to have an opening in the middle which goes over the head and allows the blanket to take on the use of a coat.

All they need to do to complete the American's familiar vision, is to squat in front of a building beside a collection of pottery for a daily siesta.

A few Sundays ago Brother Bill Thompson recited a lovely poem of how God sends the rain to wash the earth, the beautiful flower petals and leaves. It left the congregation with a wonderful feeling of nearness to the Creator.

Little did one family realize how closely their two young sons had listened to the service.

But they found out this past Sunday morning when Cliff and Bill Thomas jumped out of bed and after looking out at the rain-soaked ground and muggy skies, said, "Mommy! God sent the rain to wash the earth, but he forgot to hang it out to dry!"

## Two Ladies Critical From Crash Injuries

Two major 3-way collisions, one in Lynn county and another involving a Tahoka woman, Sunday and Monday left two women in very critical condition in area hospitals, and two others in less serious condition. At least two other minor wrecks also occurred in and near Tahoka during the last several days.

Mrs. Roy (Elizabeth) Everett of Tahoka was critically injured Sunday evening in a two-car and truck crash south of Lamesa, when she received head and severe chest injuries, and Miss Nita Floye McDonald of Lubbock was in serious condition. Both are in Lamesa General Hospital.

It was first thought that Mrs. Everett had severe head injuries, but a consulting specialist did not feel they were nearly as severe as the chest. However, she underwent surgery Wednesday afternoon for the chest injuries, and although she came through the operation fairly well, she still had not regained consciousness Thursday morning.

Two Big Spring ladies were injured critically, when a three-car collision occurred about eight miles south of Tahoka on the O'Donnell highway Monday morning at about 8:30 a. m. A Tahoka school bus, driven by Dean Wright, narrowly escaped being involved in the accident. In critical condition with head injuries at Methodist Hospital.

## 184 Pupils Get Shots For Polio

Mrs. Lillian McCord, school nurse, has given 184 polio shots free of charge in the local schools during the past two weeks. These are the first shots for all children who received them.

The second shots will be given four weeks from the first ones, and the third and last inoculation will be made on May 15.

During the next week Mrs. McCord plans to contact parents of children in the first and sixth grades to receive a permit from them for the giving of tuberculosis patch tests.

The test will be given in the near future, but cannot be made without the permission of the parents. Such parents wanting their children to receive them are asked to call Mrs. McCord.

The reason the tests will be given six and 12 year old children is because the disease shows up more specifically at that age. However, those in between the ages of six and 12 may receive them upon special request from parents.

High school age children will not be given the patch test, however, because young people 15 years of age and up may receive a test from the mobile X-ray unit that comes to Tahoka once each year.

**Baylor Bear Draws Attention In Tahoka**

The Baylor Bear, mascot of Baylor University, spent last week end in Tahoka the guest of the Truett Smiths, and made his appearance at the Baylor-Tech football game in Lubbock Saturday night.

Gordon Smith, son of the Truett Smiths, is one of the two custodians of the bear and is a sophomore in Baylor. He and his friend, Larry Roshner, brought the bear here Friday and carried him back to Waco Sunday in a special trailer. By acting as custodian, the boys get to attend all the out-of-town Baylor University football games as well as the home games.

Many kiddies of the town got to see the bear, and even a few adults seemed to enjoy visiting the bear.

In medieval times the age of consent for a girl was 12.

## "Trick or Treat" For CROP Here

This year Hallow'en will wear a new look on Tuesday, Oct. 29, when the youth of the First Methodist Church will canvass the town for the Christian Rural Overseas Program.

This event will take place of the usual "tricks or treats" which sometimes ends with too much candy and unnecessary destruction of property.

Instead of "tricks" the boys and girls will be collecting coins to be used to provide food for hungry people throughout the world. Last year the youth of Texas raised \$54,910.04 for CROP.

## Flower Show Is This Saturday

This Saturday marks the fall flower show entitled "Harvest on the Plains" sponsored by the Tahoka Garden Club and open to all amateurs, whether members of the organization or not.

The event will be held in the show room of Harvick Motor Company and will be open to public viewing from 2:00 to 6:00 p. m. on that day.

Entries must be in for 16 divisions by 11:00 a. m. Saturday and judging will be held from 12:00 to 2:00 p. m.

Divisions of arrangements are: mantle (den or buffet), hall, bedroom, bath, kitchen, desk, coffee table, dining table, patio or porch, seasonal, composition, special (Christmas, Thanksgiving and Easter), dried, tables (breakfast, buffet, luncheon, tea and Christmas), pot plants, and horticulture.

Entrants may use accessories in arrangements, such as figurines, etc., and painted leaves may also be used in dried arrangements. No flowers from a florist will be accepted, although greenery secured at a florist may be used.

All ladies of the area are urged to enter their pot plants, horticulture specimens, and any other divisions of their choice.

Mrs. Clifton Hamilton is president of the sponsoring organization.

## Rev. Lawrence Hays Is Tahoka Visitor

Rev. Lawrence Hays, pastor of the First Baptist Church of Tahoka back in 1932, 1933, and 1934, was a visitor with friends here Wednesday afternoon.

Rev. and Mrs. Hays have recently moved to Lubbock, 1504 26th street, he having retired from active ministry on account of a stomach ailment. After leaving Tahoka, Rev. Hays served the churches at Snyder, San Angelo, and Gatesville. He was at Rotan seven years before retiring a few months ago.

## Plans Made For Census In 1960

Kenneth Palmer of the Bureau of Census in Washington, D. C., has been here this week making preliminary plans for the taking of the 1960 census of population in Lynn county.

For census purposes, Lynn county has been divided into three County Census Divisions, namely, O'Donnell, Tahoka, and Wilson divisions. The enumeration will take place in April of 1960, and the Bureau hopes to complete the job in one month.

In a joint program with the State of Texas and each of its counties, the Bureau of the Census is establishing areas, known as "Census County Divisions," for use in statistical reporting. Similar areas were established in the State of Washington prior to the 1950 Census, and since 1950 have been put into effect in eleven other States.

The proposed Census County Divisions should be particularly useful for local administrative purposes. The Census County Divisions are generally larger in area and population than the Justices' or Commissioner's precincts; they have clear-cut boundaries which can be easily identified; and they are intended to remain as permanent areas. For the most part, they are based on the communities which serve as the focal point of each area. The statistical data for these divisions will serve as a yardstick with which to measure the sphere of influence exercised by such community. It is believed that the Census County Divisions will be a handy tool for the use of county officials, local newspapers, and business and civic organizations.

Mr. Palmer, assures The News that the county divisions set up by the Bureau of the Census will not interfere in any way with the use of Justices' or Commissioner's precincts by the State or counties.

Mrs. O. C. Roberts was a medical patient in Tahoka Hospital Tuesday night as a result of a heart condition, and was taken to Lubbock Wednesday at noon to consult a specialist.

## 3-Inch Rain Delays Harvest, As County Gins 22,000 Bales

Lynn county had ginned approximately 22,000 bales up to Thursday noon. Tahoka had ginned 2,260 bales up to the same time.

After five days of rain, mist, and cloudy weather, skies cleared Tuesday afternoon, and cotton harvest was underway again on Thursday. In fact, many pickers got back in the fields Wednesday afternoon.

Rain in Tahoka from Friday night through Wednesday morning

totalled 2.93 inches, according to the U. S. Weather bureau gauge kept by The News. Some areas of the county, however, doubtless received even more than this.

Some damage was done to the grade of cotton, but principal damage has been in delaying the opening of crops that already were at least two weeks later than normal. Both cotton and unharvested maize need dry, warm weather so that the crops can dry out and mature before frost.

A frost in the next few days

would materially cut a possible fine crop.

The rain of the past week end brought this month's total to 4.18 inches, and the total for the year of 1957 a 26.92 inches with more than two months to go.

The rains had a bright side, though, for the ground has been soaked for the coming crop year. Freezing of the soil this winter should loosen it up and put it in better shape for a crop next year—if this year's rains have broken the long drought.

## Band Is Winner At Brownfield

Thursday of last week the Tahoka High School Band was presented a trophy at the Brownfield Harvest Festival—Parade as rating first in marching in Class AA.

Littlefield rated first in Class AAA, and Sundown first in Class A.

Assistant Drum Major Janey Ware led the band during the Brownfield event.

The band has several new members, increasing both the playing and marching band. These are Margaret and Mary Lou McKee, Diana Hensley, Sethan Lewis, Peggy Polk, Claudette Hogan, Virginia Willhoit, and Lonnie Wheeler. Eddie Bowman is director of the band.

## Lynn County 4-H And FFA Members Place High At State Fair of Texas

### Vicky Hamilton Is Band Sweetheart

Miss Vicky Hamilton, daughter of Mr. and Mrs. Ed Hamilton, will be crowned band sweetheart tonight during the half time show when the Tahoka Bulldogs and the Abernathy Antelopes clash at Kelley Field here.

Chosen by band members by popular vote, Miss Hamilton will be escorted and crowned by John Draper, drum major and band club president. Attendants will be Misses Bonnie Spears and Karen Kidwell, who will be escorted by Glen Barrington and Elbert Richardson, respectively.

Miss Hamilton is a freshman student in Tahoka High School and serves her class as president. She plays snare drum in the band and is a member of the Library Club.

She will be crowned at half time when the band forms two diamonds. The ceremony will take place in the center of the formation.

Miss Spears, a senior student, is the daughter of Mr. and Mrs. T. W. Spears of Wilson and Miss Kidwell, a junior student, is the daughter of Mr. and Mrs. W. T. Kidwell of Tahoka.

## McCords Plan New Building

L. R. Mason of Post, who recently bought the old Tahoka Cafe building from H. B. McCord Sr., is this week beginning the process of tearing off the outside of the structure before moving it to Post.

The job will probably take about two weeks and after the building is moved will be remodeled for an apartment building or cut up into rent houses.

Mason also purchased the old Nevill house on North Second and Kelsey and it, too, is in the process of being moved.

McCord plans to construct a new building where the old cafe now stands and will be an addition to the present McCord Motor Co. The new portion will serve the company as a show room.

Several Lynn county boys won places in the junior pig show at the State Fair of Texas and brought home blue and red ribbons in the junior market steer show.

All in all, the county's representatives made an outstanding showing at the State Fair.

Outstanding awards in the pig show were received by Phil Adams of Tahoka, who won a second place; Walton Terry, who won a second place; and Robert Bessire of O'Donnell, who took two third places.

In addition to placing in the pig and steer shows, the Tahoka FFA won fourth place in the Herdsman award in the swine exhibit. The local group was awarded a rosette and \$10.00 in cash.

Tahoka FFA took 29 hogs to the show, placing 21. All nine of the calves entered placed in the events. The 4-H Clubs also made a good record.

Six boys and girls won blue ribbons on their steers while six brought home red ribbons.

Kenith Stice won a blue ribbon in the Hereford heavyweight steers; Tommy Gardenhire and Mary Beth Gardenhire of O'Donnell each were classified in the Prime (or blue ribbon) Hereford medium weight steers, along with Phil Adams; Roy Hinkle of Tahoka, Prime Hereford lightweight steers; and Buddy Kaatz of Wilson, Prime Angus heavyweight steers.

In the choice (or red ribbon) Hereford heavyweight steers appears the name of Mickey Owens; choice Hereford medium weight steers, Ronnie Ledbetter, Benny Martin, Leighton Roddy, and Ted—

## Tahoka Meets Abernathy In Battle Here Tonight

One of Tahoka's long-time rivals, the Abernathy Antelopes, will meet the Bulldogs here tonight at Kelley Field in a battle that promises to be a close one, according to previous scores.

Scores indicating that the teams are fairly evenly matched are those against Floydada, who defeated the Bulldogs 34 to 0 and the that is nearly up to par.

However, the Bulldogs have been crippled with flu and injuries and for the first time in at least a month, Tahoka will field a team that is nearly up to par.

Possible starters for the Antelopes will be Quarterback Lane Tannehill, 150 pounds; Halfback Jim Gragg, 130 pounds; Halfback Gerald Watson, 140 pounds; and Fullback Danny Miller, 175 pounds.

In the line is expected Reggie Stephens, 165 pound center; Darrell Goodrich, 150 pounds, and Jim Mills, 145 pounds, at guards; Richard DuBose, 170 pound tackle, and Charles M. Evans, also a tackle,

165 pounds. Donnie Apperson, 170 pounds, and Jimmy Dye, 150 pounds, will probably start at the end positions.

The Antelopes have 11 returning lettermen this year and Coach Royal James can field a letterman at every position except that one filled by Richard DuBose, a former Tahoka youth.

Tannehill is rated by his coach as good in the art of passing, while Apperson and Dye are termed as good receivers. Coach James speculated at the beginning of the season that the team would play a good part of their games in the air.

The opposing team is light and young, with only six seniors on the squad, but they are expected to make up for the deficit in spirit and a desire to win.

W. H. Luker of near Tahoka is a medical patient in Tahoka hospital, having entered Monday night.

## Rotary Governor Visits Local Club

Morris Higley, governor of the 53rd district of Rotary International, made his official visit to the Tahoka Club Thursday at noon.

Wednesday night, he heard a discussion of local club activities and plans at a meeting of officers and committee chairmen held in the City Hall. Thursday morning he visited club members in their places of business, at noon delivered the annual governor's address to the club.

Mr. Higley is president and publisher of the Childress Index, and has a 22-year perfect attendance record in his home Rotary Club.

The Tahoka club is currently leading this Rotary district, and currently is in its 16th month with a 100 percent attendance record.

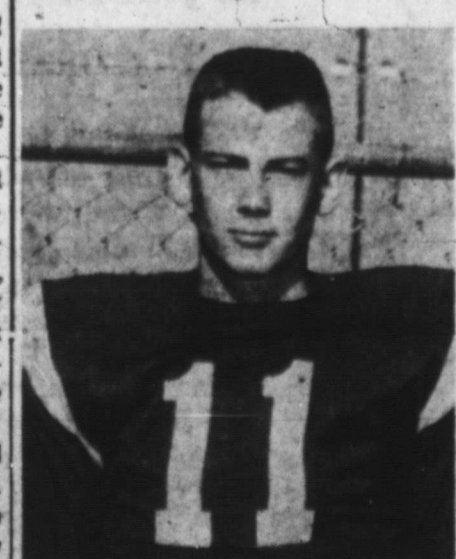

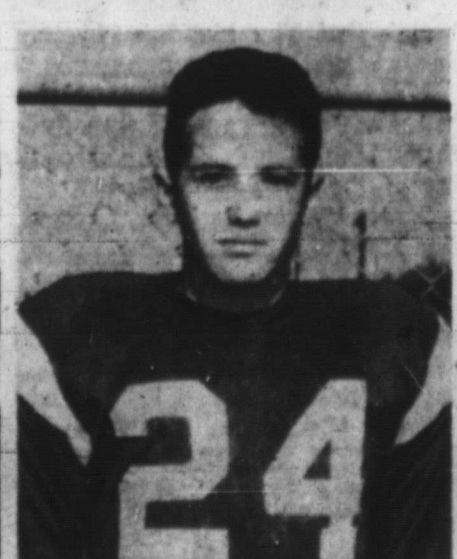

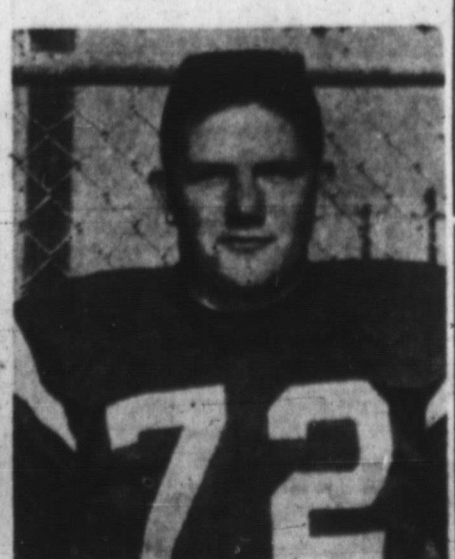

## New 1958 Cars Are Going On Display

Two lines of the new 1958 model automobiles will be on display in Tahoka next week.

The new Buicks will be shown on Tuesday by Ray Hopkins Buick Co. The new Chevrolets will be on display Thursday at the Bray Chevrolet Co.

Mr. and Mrs. Lewis Manley were home this week from their little rancho at Hamby, near Abilene. Mr. Manly still has his section at Hamby, on which he runs some cows, and is now staying down there a lot of the time. However, he still calls Lynn county home. He owns a 700-acre farm east of Wilson, which he now rents out.

## Society & Club News

### County Council Elects Officers

The Lynn County Home Demonstration Council has elected officers from its slate of delegates representing the clubs of the county.

Chairman of the council is Miss Ophelia Wilson of the Joe Stokes club; vice chairman, Mrs. A. D. Smith of the Dixie club; and secretary-treasurer, Mrs. Pat Hensley of the Draw group.

In conjunction with the council, the demonstration on "Holiday Foods" will be held Monday, Oct. 28, at 2:00 p. m. in the Hamilton Appliance building when Miss Fern Nix, home economist for Southwestern Public Service Company, will be the demonstrator.

Mrs. Aubrey Russell, District 2 agent, met with the group at its last meeting and discussed the requirements of a county home demonstration agent. Lynn county is still without an agent, following the resignation of the former Miss Wanda Roach on Sept. 1.

The council's next meeting will be held Nov. 21 in the county court room.

### Hallowe'en Fete Thursday Night

Next Thursday night, Hallowe'en, the Band Boosters Club will sponsor a Hallowe'en carnival in the American Legion Hall.

The event is being sponsored by the organization to raise money to pay for a piano purchased for Band Hall. Admission will be 25 cents to children and adults, and all kinds of entertainment is promised, although no games of chance will be offered.

The carnival, however, will provide a spook house, a fortune teller, etc., as well as food and drinks of all kinds. Everyone is invited to attend.

### Norman And Verner Are Bridge Winners

Mrs. A. N. Norman, Jr. and Mrs. Charles Verner were winners at bridge played at T-Bar C. The master point night when duplicate try Club Tuesday night.

Second place winners were Mrs. Lee Roy Knight and Mrs. Meldon Leslie third, Mrs. J. T. Whorton and Mrs. Jess Gurley; fourth, Mrs. L. C. Haney and Mrs. O. C. Roberts.

Tied for fifth and sixth places were Mr. and Mrs. Jack Robinson and Mrs. Winston Wharton and Mrs. Frank Hill.

Persia officially adopted the name Iran in 1935.

### Field Worker Will Visit Local Church

Mrs. W. B. Landrum of Little Rock, Ark., a field worker for the Woman's Division of Christian Service, The Methodist Church, will visit the First Methodist Church in Tahoka at 11:00 a. m. Friday, Nov. 1, when the Brownfield District WSCS is here for an all day meeting.

The local church is included in a tour of the Northwest Texas Conference.

As a field worker, Mrs. Landrum speaks at local, group, district, conference and jurisdictional meetings. Her itinerary is planned by the jurisdiction and conference secretaries of promotion for the Woman's Society in cooperation with the conference WSCS president.

She has been a member of the Woman's Division and the Methodist Board of Missions. She has had wide experience in the work of the WSCS in her local church as a district, conference and jurisdictional officer.

Mrs. Roy LeMond of Grassland is president of the Brownfield District and will preside at the meeting here. The local WSCS will serve lunch at noon, according to Mrs. V. F. Jones, president of Tahoka's organization, and she urges all local members to be present for the day's event.

### District President At New Home PTA

The New Home PTA met recently when Mrs. J. M. Harper, District PTA president of Lubbock, spoke to the group.

She told the group the values of belonging to a PTA and how much the membership means to the betterment of the state and community.

The New Home organization still needs several members in order to qualify for the "500 Club" and anyone interested is asked to contact Mrs. Robbie Gill.

### Today's MEDITATION from The World's Most Widely Used Devotional Guide

### The Upper Room

© THE UPPER ROOM, NASHVILLE, TENNESSEE

We are fellow workmen for God; you are God's field, God's building. (1 Corinthians 3:9 RSV).  
Though the kingdom of God is ordaining, this fact does not eliminate our responsibility in its establishment. The Apostle Paul says that we are fellow workmen for God. God works through us when we dedicate ourselves completely to Him.

The early church started in homes. One of the ways we may work with God is to be ready to transform our homes into "preaching tents." Some years ago I met a certain lady in a church. She was complaining that it took her four years to go to and from church. She had moved to another village where no church was established. I suggested to her that the home could be the nucleus of a new church in the village where she lived. A few weeks later I led the first service in the living room of her home. A few months later the garage was made into a sanctuary. Within one year property was secured. Today in that village there is a lively congregation, a sanctuary, and a parsonage.

### PRAYER

Our heavenly Father, we want to be Thy fellow workman. Teach us to be faithful servants of Thine. Help us to use our homes as instruments of Thy grace in the building of Thy kingdom. In the Savior's name we pray. Amen.

### Jaycee-Ettes Hold "Hobo" Dinner

The Jaycee-Ettes held a hobo party last Friday night in the home of Mrs. Ima Pool when the losing side of the membership drive entertained the winners.

Dinner was served to 12 members and a gift was presented Mrs. Wanda Glenn for being the best dressed hobo.

Members of the organization were invited to the party by Mrs. Peggy McClellan, who called on them individually while dressed in hobo attire.

In a regular meeting Tuesday evening, 10 members attended when they made plans for the Christmas party and committees were appointed. Mrs. McClellan was winner of the hostess gift.

The Jaycee-Ettes have taken on the project of picking up used clothing for the Welfare Center and those wishing the service may call Mrs. Virginia McClintock at 401-W.

The next meeting will be at 7:30 p. m. Nov. 12 in the home of Mrs. Fern Lewis.

### Mrs. Roland Talks To Warner Club

Mrs. W. W. Roland resented the program on Buddhism at Phebe K. Warner Study Club Tuesday when 15 members met in the home of Mrs. Joe Bob Billman.

The study is a portion of one being presented at the programs on Religions of the World.

Next meeting will be held in the home of Mrs. G. M. Stewart Nov. 12 when Mrs. Pete Hegi will present "The World of Islam."

Three new members were welcomed into the club Tuesday, Mrs. J. B. Thompson, Mrs. Bill Ware, and Mrs. Allyn Cox.

### Local 4-H Club Elects Officers

Sixth grade 4-H Club boys elected officers at a meeting held here Tuesday when Jerry Forsythe was chosen to head the group as president.

Vice president is Billy Miller; secretary, Gary Grogan; and reporter, Terry Phillips.

County agent Bill Griffin met with the group and discussed the feeding of hogs and calves as projects during this year.

## SPORTS

### Wilson Is Winner Over New Home

New Home Leopards rose up last Friday night to give the Wilson Mustangs, undefeated in District 4-B play, a real ball game. Wilson won 14 to 7 by a touchdown in the last half-minute of play.

Both teams were severely crippled by flu, and each was playing two or three boys who had not previously played in varsity competition.

New Home scored first, in the second quarter, on a 60-yard sustained drive with Halfback Jerry Milliken going the last 12 yards, and Barney Castro ran over the extra point. Once more in the quarter, New Home had a penetration.

In the fourth, Halfback Kenneth Ethridge scored on a drive through the line for five yards a few plays after recovering a New Home fumble, and Fullback Jack Dokken ran the extra point. Late in the quarter, Wilson recovered another New Home fumble, and Ethridge ended the drive with a two-yard scoring punch. Dokken again ran the extra point.

The hard-luck Leopards had two touchdowns called back, one by a backfield-in-motion penalty and one on a clipping penalty.

About half the Wilson squad was out with the flu, and Quarterback Kenneth Hanes came out of the sick bed to play in the second half and helped pull the game out of the fire for the Mustangs.

Wilson will entertain the Cooper Pirates this Friday night, while the New Home Leopards have an open date.

### Tahoka's Football District Cut To Five Teams In 1958

Abernathy and Lockney will not be in Tahoka's football district next year, Coach Bill Haralson has been informed.

Texas Interscholastic League is realigning the schools for 1958 as a result of attendance changes and in keeping with a policy of trying to keep each district down to only five or six schools.

Next year, this district, now 2-AA, will become District 3-AA with its members Floydada, Slaton, Spur, Post, and Tahoka.

District 1-AA will be composed of Canyon, Dalhart, Dimmitt, Tulsa, and Friona, the latter moving up from A.

District 2-AA: Muleshoe, Lockney, Abernathy, Olton, and Morton, the latter moving up.

In District 4-AA will be Denver City, Seminole, Crane, McCamey, Fort Stockton, and Alpine.

These changes will make Tahoka's present schedule obsolete, as a new schedule will have to be worked out by the district, and games will have to be found to replace Abernathy and Lockney.

### O'Donnell Loses Sundown Game

O'Donnell Eagles dropped their first conference 5-A game Friday night to the powerful Sundown Roughnecks 34 to 6 in a game played at the Hockley county city.

This Friday, O'Donnell goes to Plains for another conference affair.

Sundown scored in every quarter, twice in the second, and the Eagles got their only score in the second on a 80-yard run by Halfback Jerry Gass.

### SCORES LAST WEEK

Tahoka, open date.  
Wilson 14, New Home 7.  
Sundown 34, O'Donnell 6.  
Lockney 34, Post 0.  
Floydada 33, Abernathy 0.  
Spur at Slaton, forfeited by Spur to Slaton on account of the flu.

### GAMES THIS FRIDAY

Abernathy at Tahoka.  
Cooper at Wilson.  
New Home, open date.  
O'Donnell at Plains.  
Slaton at Floydada.  
Post at Spur.  
Lockney, open date.

### Savings Bonds Sales Are High

Sales of F and H Savings Bonds in Texas for September were \$14,626,577. This represents an increase over August sales of more than one million dollars. Mr. Nathan Adams, Chairman and Mr. Ed Gossett, Co-Chairman of the State Savings Bonds Committee announced today.

Sales in Lynn County amounted to \$202,526 for the nine month period, which was 85.1 per cent of the 1957 goal, according to Truett Smith, chairman of Lynn county.

"I am sure that if every citizen of Lynn County will buy an extra Savings Bond during 1957 our county will reach its goal. There is no safer investment than U. S. Savings Bonds, since both the principal and interest are fully guaranteed by our Governor," Chairman Smith concluded.

### Congratulations:

Mr. and Mrs. Benny Brookshire of Lubbock on the birth of a daughter at 4:05 p. m. Tuesday in Taylor Hospital. She has been named Linda Ann and weighed seven pounds, 14 ounces. The mother is the former, Miss Patsy Locke, a one time resident of Tahoka.

Mr. and Mrs. Fort McMeans, 8714 Cortleigh Place, Dallas, on the birth of a son weighing seven pounds on October 14 in Baylor Hospital there. He is their second child and has been named Pat Mason. Mrs. McMeans is the former Margaret Durham, daughter of Dr. and Mrs. K. R. Durham. Mrs. Durham accompanied by Mrs. C. A. Thomas, is visiting her new grandson while Mrs. Thomas visits her relatives in the Dallas area.

Mr. and Mrs. John Inman of Muleshoe were down Tuesday visiting their mothers, Mrs. Angie James of Tahoka and Mrs. W. P. Inman of New Home.

## ... IS LOCAL NEWSPAPER ADVERTISING TO LOCAL BUSINESS PEOPLE.

Here's What The Banker's American Magazine, a publication which represents a traditionally hard-headed profession has to say.

"No business man or woman in any town should allow a newspaper to go to press without his or her name and business mentioned somewhere in its columns.

"A stranger picking up a newspaper should be able to tell what business is represented in a town... it's the best possible town advertiser. The man or woman who does not advertise does an injustice to himself or herself and definitely to the town.

**A PROCLAMATION**

Whereas the President of the United States, Dwight D. Eisenhower, has proclaimed this United Nations Week; and

Whereas the United States of America is one of the founders of the United Nations, and has supported it in its quest for peace, freedom and justice; and

Whereas world opinion in support of spiritual development, cultural and economic advancement, law and order, and international morality has helped to make the United Nations a constructive force for the development of a stable, prosperous, and peaceful world; and

Whereas the United Nations has been instrumental in preventing open conflict between nations, has encouraged greater production of food, better health, higher standards of living, and greater educational opportunities;

Now, therefore, I, H. B. McCord, Sr., mayor of the City of Tahoka do hereby urge citizens of the town to observe Friday, October 25, 1957, as United Nations Day.

Signed: H. B. McCord, Sr., Mayor of Tahoka.

**Dance Teacher Opens Classes**

Miss Sara Rochelle will be the teacher when new dance classes start next Wednesday in the WOV Hall. Classes will be available in ballet, tap, jazz modern, and ballroom, if there are enough interested students for these subjects. Aerobics will be given in conjunction with tap to the younger students or in full classes if desired.

Although Miss Rochelle is young, she has ample training and experience in teaching dance arts. As a student in Larrimore Dance Studio, she was made a class demonstrator in ballet after only six months of instruction, and given a working scholarship. Only one year after beginning lessons, she began teaching on Saturday in a nearby town and giving private instruction in the Lubbock studio.

In order to obtain sufficient proficiency to start teaching so early, Miss Rochelle worked eight hours daily on dancing during summer months, and two to four hours daily during the school term, either alone, in class with other advanced students, or as a demonstrator in less advanced groups. Miss Rochelle has been a paid instructor for the Larrimore Studios for three years. She has taught in Anton, Abernathy, Plainview, Post, Lamesa and still teaches in Crosbyton and Lorenzo. This year she is teaching independently.

Besides the training she received from the staff of Larrimore, Miss Rochelle has also studied ballet at the Ballet Theatre School, Denver branch in Colorado, where Madam Francesca Roumanoff was the principal instructor, and has attended convention classes of the Texas Association of Dance Teachers. Because she considered Miss Rochelle exceptionally talented, Rene Gonzalez, one of the two leading teachers of Spanish dance, gave her instruction in that field while she was a temporary resident of Lubbock two years ago. These lessons were free as Senora Gonzalez's visa did not permit her to do remunerative work in this country.

Miss Rochelle has been complimented on her work in jazz modern by a member of the Jack Cole Dancers, famous Broadway group, when he auditioned her in Lubbock last summer. Jazz modern is the newest craze in the dance world, and has taken over as the major dance technique used in Broadway musicals. Based originally on the movements of the modern dance, it has also been influenced by free style ballet and all the popular dance craze of America. Always danced to jazz music, it is much less limited in scope than other forms of dance. Although strictly a theatrical dance, it is such fun and so original in style and movement, that it is a big favorite with nimble teenagers. It is very good for body toning.

Ballroom is available for teenagers and adults. Besides the required basic work in the foxtrot and waltz, students would have a choice in continuing in Latin rhythms or the popular teenage rhythms. Only the restrained versions of these dance movements are taught.

Bonanza is a Spanish word which was applied to any rich mass of ore discovered in mining.

Dick Denton of Plainview visited his parents, the Ed Dentons last week.

Mr. and Mrs. Martin Edmund are visiting relatives in Nebraska.

Miss Mattie Dabbs is able to be at home after staying several weeks in Mercy Hospital, Slaton. Many of her friends visited her last Friday in her sister's Mrs. H. D. Hallman's home. They were Mrs. Ed Denton, Clyde Haire, Sam Martin, Herman Dabbs, Glen Smallwood, Earl Morris and Mrs. Joy Parer of Post, and Miss Dolie Shelton.

Mr. and Mrs. Nell Smallwood and children of Midland were on their vacation last week and visited his parents, the G. N. Smallwoods and her parents, the A. Hawthorns at Lockney.

After spending a few days in the Slaton Hospital with the flu, Jack Haire is able to be at home.

Mrs. Richard Hagler received word Thursday that her mother, Mrs. Hal Johnson had passed away in a daughter's home in Arizona. Mr. and Mrs. Hagler attended the funeral in Amherst Saturday afternoon. Mrs. Johnson was also the mother of Mrs. Henry McDaniel, who formerly lived near Tahoka.

**CARD OF THANKS**

How can I express my deepest appreciation for all your many kindnesses during my recent illness? Your prayers, flowers, visits, cards, food and all other acts of consideration made my convalescence much brighter. God bless each of you. Mrs. Claud Harper.

Miss Joan Watkins. She was taken there from Tahoka Hospital. In the local hospital is Miss Be... a city-county health nurse at Big Spring, where she is under treatment for a fractured ankle.

Eldon Gattis of Tahoka was not injured when the back wheels of his pick-up locked Tuesday at 6:15 p. m. about three miles west of Tahoka on Highway 380, causing the vehicle to spin and turn over. He received minor lacerations and bruises.

On Monday morning the car driven by Floyd Brasher, who was going south on Petty, and the pick-up driven by Raymond Montemayor, which was traveling west, collided damaging fenders on each vehicle. No one was injured.

All of the accidents, with the exception of Gattis', were directly attributed to the rain and wet roads.

Mrs. Everett and Miss McDonald, driver of the car, were headed north towards Lamesa when they were in a three-way collision involving two cars and a semi-trailer truck. The truck, driven by T. E. Trout of Brownfield, was going south followed by a car, driven by Barbara Jane Coats of Seminole. Miss Coats started to pass the truck, lost control of the car on

### HOWARD HENDERSON MOVES TO CLOVIS

J. H. (Howard) Henderson has sold his home here to C. T. Oliver and has gone to Clovis, N. M. to live with his daughter, Mrs. Joe (Jessie) Moore. Mr. Henderson has lived here a long time, and many friends will miss him around Tahoka.

the slick pavement and hit the truck. The truck jack-knifed and the car driven by Miss McDonald rammed into the cab of the truck.

The driver of the later car told investigating officers, in Lamesa Hospital that all she remembered was seeing a car spin around in the highway in front of her at about the time a truck's tractor crossed up in the highway. She was driving about 50 miles an hour, but did not remember more since the impact followed.

In the accident south of Tahoka Monday morning, also a complicated one, a Tahoka school bus was going south followed by two cars. The bus slowed to turn onto T-Bar road. The car behind, driven by an out of town man, also slowed. However, the second car, driven by Mrs. James Foster of Tahoka hit the back of the first car pushing it into the left hand lane. A car in which the two Big Spring ladies were riding towards Lubbock, hit the first car head on. The two ladies were the only ones injured.

### Amlico Plans Opening Here

Announcement is being made this week of the change-over of Ince Oil Company of Tahoka and O'Donnell to Amlico gasoline and oil.

Actually, there is no change except that American Petrofina Co. some time ago bought out Panhandle Petroleum Co., and has changed the name of its products to Amlico.

Jack Smith continues as the operator of the stations in Tahoka and O'Donnell, which will be known in the future as Ince Amlico Service Stations.

In connection with the change-over, Jack is holding an "open house" Saturday, at which there will be free balloons and "all-day suckers" for the kiddies and a free set of four heat-proof coffee mugs to every customer buying ten or more gallons of gasoline on that day.

Ince Oil Co. and Jack Smith are the successors to the O. C. Elliott Oil Co.

(Cont'd. On Back Page)  
its anniversary recently. We're afraid they handed out too many compliments to us as their helping hand, when most of the time the Dispatch has been the one to come to our rescue.

More than once the News has had to call on our neighbor "paper" to help out in a tight spot, and we consider that staff as being among our best friends.

My boss got together with Guion Cobb recently and they've decided the wives just don't cook anymore—it's been so long since they've had corn pone and sour dough biscuits.

Many men build as cathedrals were built, the part nearest the ground finished; but that part which soars toward heaven, the currents and the spires forever incomplete.—Henry Ward Beecher

Harve Smith has on his New Lynn farm a cotton curiosity a lot of people in this area may never have seen. Last year he left some cotton stalk stubs on land which he planted in feed this year. This year, the last year's stubs put out and are literally loaded with cotton bolls.

Women all over the world moaned Thursday morning when they read that the famed fashion designer, Christian Dior, was dead. Not knowing him personally, possibly not many in this area were really deeply grieved, except with a twinge of feeling that another great name has gone into the history books.

We are told by men and women of great spiritual qualities that something good comes of even the darkest experiences, and from this distance it is not hard to conceive the good in this tragic bit of news.

Pardon the satire, but maybe for awhile anyway, dress lengths will stay at a reasonable distance from the floor. If I'm not mistaken it was Dior that created the "new look" some 10 years ago by putting our dresses to our ankles and in the past year has raised them again to our knees.

So, until another name emerges as a "great" in the fashion world, maybe we won't look too out-of-date in our skirts 12 or 13 inches from the floor.

### George Garner Is Burned At Lubbock

George Garner, 35, of Lubbock and son of Mr. and Mrs. J. W. Garner of Tahoka, received burns on his legs and arms Wednesday when steam from a giant boiler escaped at Corcorran's Cleaners in Lubbock.

He is in fair condition at Methodist Hospital.

Garner was attempting to blow out a boiler when a pipe came

lose letting out the steam. There was no explosion and no one knew of the accident until Garner crawled from the room that housed the boiler.

His mother said that he was partially leaning over at the time and if he had bent over more his face would have been caught in the blast of steam. The degree of the burns had not been determined Wednesday night.

## Major Max Minor Awarded Coveted Assignment To Military Academy

Major Max Minor of the U. S. Air Force and family were here Saturday through Saturday visiting his mother, Mrs. John Minor. Major Minor, a native of Tahoka, who is a graduate of West Point and has been in the Strategic Air Command since 1946, has been sent back to the U. S. Military Academy at West Point, N. Y., at special request of Lieutenant General Garrison Davidson, superintendent of the Academy.

Max will become a personal pilot of General Davidson, flying C-54 and C-131 planes, and the assignment is considered a top one. Such a tour of duty usually lasts several years, and will give Max an opportunity to come in contact with the top "brass" of the Armed Forces. Gen. Davidson is a brother-in-law of General Gruenther and in his own right one of the top Generals of the Army.

Furthermore, the Max Minor

family was especially elated at the assignment because Mrs. Minor's parents live at West Point, and her father, Col. G. A. Counts, a native West Texan, is dean of the Academy Board. The Minors will be furnished a home on the post.

Max had made application twice before for transfer out of the Strategic Air Command for some appointment at West Point and had been turned down. He was currently serving in Japan when word came through of Gen. Davidson's request for him to report to West Point.

Mrs. Minor and four children had been living at Del Rio while Max was in Japan. On his arrival home the couple and their three children went on a round of visits to relatives and were here last week end. They have four children, Jerry, 10; Mike, 9; Molly, 7; and Jimmy, 5.

## Homemaking Is Rotary Subject

Mrs. Madeline Hegi, teacher, and three of her homemaking girls, Misses Idalia Wood, Linda Jones, and Marilyn Carmack, presented the program at Tahoka Rotary Club Thursday last week.

Mrs. Hegi stated there are 80 girls taking Homemaking at Tahoka this year, and a second teacher, Mrs. A. L. Ledbetter, has been added this year who teaches part time in this department and other high school classes the remaining time.

She said the work now is not just the teaching of cooking and sewing but is the teaching of attitudes and education for home and family living.

Miss Wood outlined the general aspects of the homemaking program which includes personality development, child development, and care, how to sew and to dress in style and proper selection of a wardrobe, good grooming, how to prepare foods and proper maintenance of the body, children's emotions and reactions, good manners and etiquette, how to make friends and get along with others, budgeting the family income, and determining whether a boy might be a good date.

Miss Jones told of the work of the Future Homemakers of America.

ca and its relation to homemaking, stating that the FHA is the service organization of the work. She also outlined the requirements and standards for FHA degrees on the local and state level, and the purpose in raising funds for projects.

Miss Carmack gave the creed and purposes. She said the FHA gives the girls an opportunity to work together, promotes a growing appreciation of homemaking and unity in the home, encourages democracy in the home and community and works for high ideals in home life, promotes international good will, develops leadership, gives opportunity for recreation, and imparts the importance of homemaking to other girls.

The program was arranged by

## NEW CITIZEN

Mr. and Mrs. Bill Jones and two sons have recently moved to Tahoka from Stamford. Mr. Jones is the new bookkeeper at Cleora Smith Lumber Co., succeeding Milton Uzzle, who resigned to become Tahoka city secretary.

Joe Don Minor and family have recently moved from Austin to Hobbs, where he has become associated with the Hughes Tool Company, oil field supply house.

Maurice Small.

President Happy Smith called for written committee reports to be ready for the visit of Morris Higley of Childress, district governor of Rotary, visiting the club this Wednesday and Thursday.

athlete ever to graduate from Tahoka High School. Not only that, but he also graduated with a high scholastic record.

While in high school, he was not only an outstanding football and basketball player, but in 1940 won second place for Tahoka in the Texas Interscholastic League track meet, being nosed out by two points by the Highland Park team of Dallas for first place. In this meet, he tied the National interscholastic record on the 220 low hurdles at 23.5 second, which record still stands.

He attended the University of Texas two years where he was a football star on the Longhorn team under Coach Blair Cherry. Receiving an appointment to West Point from Rep. George Mahon he became a football and track star for Army.

Minor was backing back on the same team with the publicized Glenn Davis and Doc Blanchard, and in his senior year won the highest athletic award given at West Point, the Army Athletic Association Award for 1946 as "the all-around athlete contributing the most to his class."

While at West Point, he set new world indoor records in the indoor 60-yard and 80-yard low hurdles, and the latter record still stands. He held each title two years while at West Point. He also finished high in his graduating class at West Point, and following graduation he was commissioned a second lieutenant in the Air Force. He has since risen to the rank of major and now is in line for advancement to lieutenant colonel.

## VFW Will Meet At Brownfield

Austin—Doyle Willis of Fort Worth, Senior Vice Commander of the Veterans of Foreign Wars of the U. S. in Texas will be a featured speaker at a meeting of that organization in Brownfield on Saturday and Sunday October 26 and 27.

Delegates and members of the VFW and Ladies Auxiliary from Cochran, Hockley, Lubbock, Crosby, Dickens, King, Stonewall, Kent, Garza, Lynn, Terry, Yoakum, Gaines, Dawson, and Borden counties will attend the meeting according to N. T. Conner, the District Commander from Lubbock. Willis is a practicing attorney in Fort Worth, a member of the Texas Senate and had service in WW II in the Air Force in the Pacific theatre, a Major, Combat Intelligence. Assigned to the 21st Bomber Command he served for more than a year in the Western Zone in that theatre of operation with additional duty in the Mandated Islands and Hawaii. He has also an enviable record in VFW in Texas having served his home post in every office; a past commander of his district; department legislative officer; department Judge Advocate; Vice Commander of the Department from which office he was elevated to his present assignment in Texas.

Jack Waldrup, Commander of the post at Brownfield, Hand Brothers Post No. 6794, has announced an interesting and entertaining program for the meeting to which a record attendance is expected.

## Wilson Ex-Students Get Invitation To Friday's Game

J. P. Hewlett, superintendent, announces the Wilson Public Schools will hold open house for all former teachers and students at school Friday, October 25.

Mr. Hewlett said that visitors to the school will have a special welcome on that date and urge them to renew old friendships and also see the football game Friday night at 8:00 o'clock.

The pep rally for the game will be at 3:40 o'clock in the afternoon, and former students are asked to come and take part.

The Wilson Mustangs will be hosts to the Cooper Pirates and the good sportsmanship that these two teams have always shown when they meet assures a good game.

Dads of the players will be featured at this game by being given seats and each dad wearing of the number of his son.

### YOUR HOMETOWN NEWSPAPER IS A REAL CONVENIENCE!

A wonderful way for a busy young mother to save countless hours is by shopping the ads in her hometown newspaper. By knowing, before she goes to town, which products she wants and where to buy them, she can do an efficient job of marketing. While the housewife spends her time becoming an expert nurse, laundress, cook, playmate, and bookkeeper, the local newspaper is bringing her the shopping news. It tells her about the latest products and services that will help her accomplish her work most efficiently. It tells her where to find the best prices offered on items she needs. It saves her many long hours of "shopping around"

# Odds AND Ends

(By E. I. The Elder)

Last week I filled this Column with the story of the life, work, and general career of one of the greatest religious thinkers that the world has had since the days of Paul, John Wycliffe of England, who became so eminent as a scholar and reformer that he came to be known as "The Morning Star of the Reformation." But in that article I made one statement that in the minds of many may be subject to some doubt or that at least may need some explanation. I stated that the Roman Catholic Church was the only Church that England had in the days of John Wycliffe. Some Bible students of the present day, unmindful of the age

when Wycliffe lived, will assert that they believe that Baptist Churches have existed somewhere ever since Christ founded his Church, while he was still living on earth. That may be true but there were no churches in existence in England in the days of John Wycliffe except the Roman Catholic Church. Many Church historians have long contended that Baptist Churches or the equivalent of Baptist churches have existed somewhere ever since the days of Christ, and they cite the Montanists, the Petrobrusians, the Anabaptists, and a number of other Christian bodies to prove their point; but all these church bodies existed in French or Switzerland or the Netherlands or in some other European nation, but none of them existed in England before the days of John Wycliffe, in so far as historians know or believe. John Wycliffe was brought up as a member of the Roman Catholic Church, but he had an inquisitive mind; and when he was about forty years old, seeing many corrupt practices observed by the Roman Catholic Church, he began to question and to criticize these practices. Of course that got him in bad with the Pope of Rome and the Roman Catholic Hierarchy.

But John Wycliffe was a man of keen intellectual ability, the greatest scholar of his day, and a man of unbending will. When he began to criticize the corrupt practices of the Pope and the Roman Catholic Hierarchy, they undertook forthwith to sit down on him hard and utterly crush him. But they soon found that sitting down on him was like sitting down on a hot stove. They retaliated by demanding of England that it arrest him and put him in jail. Luckily,

though England was nominally Catholic, it did not like the idea of being told by a foreign power what it must do with one of its native citizens. So, the Pope and the Hierarchy had to get off the grass and sit down somewhat in the dust outside of the English bull pen. One of the doctrines that Wycliffe had been preaching was the tenet held by him of complete separation of Church and State, or as stated by him in his day the separation of spiritual and ecclesiastic rights—a fundamental Baptist doctrine if there ever was one.

Pretty soon, as Wycliffe pursued his studies respecting the teachings of the Bible and the powers claimed and asserted by the Pope, he decided that there is absolutely nothing to the doctrine held by the Pope that the actual blood of Christ is present in the wine which the Catholics use in their so-called Communion service, or in serving the Lord's Supper, as Baptists call it. The Pope and the Catholic priests had long claimed that the wine thus served by the Roman Catholic Church was one of the means of salvation and that other religious bodies administering this "Communion service" would be violating a law promulgated by the Pope and thereby becoming subject to excommunication by the Pope if a member of the Catholic Church, and at best consigned to Purgatory if not a member of the Catholic Church. Wycliffe denied all these tenets promulgated by the Pope, and announced it as his belief that "Each individual Christian may claim immediate dependence upon God, without intervention of clergy, each individual having the right to take the Bible and reason as the foundation of his belief."

If that is not another fundamental Baptist doctrine, I know not how one could be staved. Wycliffe also denied the Catholic doctrine of transubstantiation, taught by the Roman Catholic Church, the doctrine that at Consecration the elements in the Eucharist—bread and wine—are converted into the veritable body and blood of Christ. Baptists also deny that. They claim that the Lord's Supper is neither a communion service nor a sacrament, but that it is only symbolic of the shed blood and the broken body of Christ, which his Churches are commanded to observe. Now, whether the Baptists are right or not respecting the purpose and their observance of the Lord's Supper, what I have just said is one of their fundamental doctrines, based on the New Testament accounts given in Matthew, Mark, Luke, and First Corinthians. John Wycliffe seemed to have arrived at the same conclusion concerning these Scriptures. Another flat declaration of the correctness of another fundamental Baptist doctrine.

Now, what about the last days of John Wycliffe, and the treatment accorded him by the Roman Catholic Church? Well, he is said to have died from a stroke of paralysis at the age of 64. In 1382, being a native Englishman, and feeling that the English people needed a Bible translated into their own tongue that they could read, he undertook to translate the Bible into English. It was the first time that anybody had undertaken to translate the Bible into the English language, mind you, for the year 1382 was 110 years before Columbus discovered America, you understand. But there was an English people already settled on the Island that later became known as England. These people composed of the tribes known as the Engles, the Saxons, and the Jutes were barbarians in the forests and on the lakes of Germany until about 500 years after the birth of Christ, as the world has since learned. They were hunters, fishers, farmers, and some of them consairs or sea-robbers in those early days. How it happened that they eventually began to migrate to the present home of their descendants on the isle called England and there to intermingle and intermarry until they became welded into a single nationality of people is an absorbing but still a partially unknown story. But any way that happened and England has long enjoyed the distinction of being one of the world's greatest nations.

John Wycliffe was one of its most distinguished citizens. He too, died a natural death, supposedly, in 1384, and was buried at Lutterworth. In 1415, 31 years after his death, the Council of Constance, Roman Catholic, decreed that his remains be burned. In 1428, forty-four years after he was buried, this decree was carried out by command of Pope Martin V., and the ashes were scattered upon the waters of the River Swift—a beautiful and generous Christian act, for a Pope is infallible and can make no errors, you know. John Wycliffe lighted the flames of the Protestant Revolution and one of his followers, John Huss, carried the torch to Martin Luther. Luther accepted it, held it aloft for the German people to see, but that was 160 years after Wycliffe had first lighted the torch in England for the English people and English-speaking people around the world to see for all time to come.

Let's not fail to honor Luther for his part in promoting the Protestant Reformation, but let us honor still more the man who lighted the torch for us long before Luther was born. Let's get our history on straight and keep it that way.

FUMER BLANKENSHIP

A. L. Smith has chiseled some acreage of rangeland on his place southeast of Tahoka. This work was on the contour, will reduce runoff, increase infiltration and in turn increase growth of grass next spring. Mr. Smith plans to seed some of this rangeland to the better adapted grasses as a part of range improvement work. A field of sorghum Alnum is being grazed to relieve grazing of native grasses.

Sorghum Alnum that was cut with a binder August 22 on Ira Tyler's place west of Draw... is making another seed crop. At present the growth is approximately four feet tall. When this grass was cut with binder growth was some eight feet tall. Ira has bundles in shock row and will thrash with header attachment on Combine.

but history is history, and it should record the truth on all great historic events. Now, note these facts, please. John Wycliffe was born, according to all facts known and available to historians that have lived since his day, in the year 1320 and died in 1384. Martin Luther was born in 1483 and died in 1546. So, John Wycliffe died 99 years before Martin Luther was born. John Wycliffe was born and reared in the Roman Catholic Church and began criticizing the Pope and the Catholic Hierarchy when he was 40 years of age. Martin Luther was born and reared in the Roman Catholic Church and at the age of 31 years, I believe, defied the Pope and the Papal Hierarchy, and nailed his 95 theses to the door of the Church at Wittenburgh, where he lived and worshiped. Everybody knows the dramatic and heroic history of Martin Luther. Thousands flocked to his defense, and the results was the establishment of the Lutheran Church. He died a natural death at the age of 63.

Now, what about the last days of John Wycliffe, and the treatment accorded him by the Roman Catholic Church? Well, he is said to have died from a stroke of paralysis at the age of 64. In 1382, being a native Englishman, and feeling that the English people needed a Bible translated into their own tongue that they could read, he undertook to translate the Bible into English. ## Maid of Cotton Entries Sought

Wanted: A Maid of Cotton. Preferably from Lynn county.

Again the search for a young lady who would like to travel, meet people, and to win friends at home and abroad for the American Cotton Industry is in full swing by the South Plains Maid of Cotton Committee, in cooperation with the National Cotton Council.

At least one or two entries are desired from Lynn county, one of South Plains Maid of Cotton Counties on the South Plains.

Among the qualifications required of an applicant for South Plains Maid of Cotton, she must be between the ages of 19 and 25; at least 5 feet 6 inches tall; never have been married; not wear glasses, and have been born in a cotton-producing State.

Applications, together with photograph, must be submitted to the South Plains Maid of Cotton Committee, P. O. Box 561, Lubbock, Texas, not later than 12:00 noon, Monday, November 11, 1957. Official entry blanks may be obtained at the Lubbock Chamber of Commerce, 902 Texas Avenue, or at the local Chamber in Tahoka or through Directors of Plains Cotton Growers Association.

This year the South Plains Maid of Cotton will cover two days, November 18 and 19, 1957.

The young lady selected as the South Plains Maid of Cotton becomes an automatic finalist in the National Maid of Cotton Contest in Memphis on January 2 and 3, 1958. She will be presented with a \$1,000 cotton wardrobe and receive an all expense paid trip to Memphis for herself and the chaperon of her choice.

The winner of the National Contest will be flown to New York City for a month's stay in preparation for her role as fashion and good will envoy for the Cotton Industry.

At the end of the month's training, the 1958 Maid of Cotton will embark upon a six-month international tour. Accompanied by a chaperon appointed by the National Council, she will travel 50,000 miles, visiting more than 40 cities in the United States, Canada and Europe.

As a reward for accomplishing this exciting job, the 1957 Maid of Cotton will receive, on her return to the United States, a brand new automobile, awarded by the Memphis District Ford Dealers as a symbol of the close working relationship between the cotton and automotive industries.

Speaking for the South Plains Maid of Cotton Committee, Chairman George Brassell, Jr. said, "With the number of attractive young ladies with which the South Plains area is blessed, there is no reason why the 1958 Maid of Cotton should not come from the largest cotton producing area. We urge participation in this most exciting, interesting, and rewarding experience."

Mr. and Mrs. Don D. Cowan and two sons were here last Friday until Tuesday visiting her parents, Mr. and Mrs. V. F. Jones, and his mother, Mrs. Winston Davies, and other relatives. Don is assistant county agent of Denton county.

## Thoughts For Consideration

By Leroy Cowan  
LIVE BY WORD OF GOD

Jesus said "It is written, men shall not live by bread alone, but by every word that proceedeth out of the mouth of God." Matt. 4:4. Many people are concerned only about food and raiment. They have no desire for spiritual things. However others realize that they need the word of God, yet they are not willing to live by every word that proceedeth out of the mouth of God. They take only that which pleases them, the part that does not condemn their beliefs and practices. Such living is not what God intended, for man is to live by every word of God. Of course to do this man must follow Paul's instruction, "Study the shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." 2 Tim. 2:15. It will not be enough to say that we have done part of that which the Lord has said. Read Matt. 19:16-22. Furthermore one must remain faithful. "Be thou faithful unto death and I will give thee a crown of life." Rev. 2:10.
