STANDING ON THE CORNER

With P. J.

We should all remember that Christian ideals created freedom. A nation of a people can be no stronger than their faith; our future can be no greater than our vision, and the quality of our daily work is the measure of our character.—Scandal Sheet.

Now that Hallowe'en is over for another year, we can put our trash can back in the alley—if we can find it.

* By the time a survey is made of the whole town, Johnny's underwear that was hanging on the line may be stuffed into the night deposit shaft at the bank, a sign stating "Get Your Hardware Here" could be hanging beneath Dr. Durham's shingle, and any number of long-handles may be flapping the breeze on Main Street.

Just so the kids don't put another rabbit on the top of the flag pole at school.

It's all fun, though—the non-destructive portion—and no one can honestly say that Hallowe'en is a lot of bunk.

Thinking of Hallowe'en reminds us of vegetables—(don't know why, unless it's those smashed tomatoes teachers sometime find on their porches the next morning).

Anyway, we've been seeing turnips by the score around Tahoka the last few days and some brought in by Rufus Slover were yummy, I hear.

Harry Roddy brought a few "small" specimens into the post office Monday that John and Gus Sherrill raised. It may not be the largest, and we may be starting something slightly less than a feud, but one of them weighed five pounds. The pee-wee just weighed four and three-quarters.

I know you've seen some big, long sweet potatoes but B. K. Cooley is showing off the prize.

This one, a five-pounder, looked more like a big cantaloupe than a sweet potato. Will Montgomery's land, where it was raised, must have been so rich that it made the spud grow so fast it burst its seams.

"Shorty" Rushing over near Loop and a former Lynn county farmer, sent a "watermelon" home by Jake last Sunday afternoon and we licked our chops for a couple of days before cutting it. By that time the kids were so eager to eat that watermelon we almost had to lock it up to keep them

(Cont'd. On Back Page)

J. G. Moffitt Is Buried Tuesday

Jessie G. Moffitt, 78, died Sunday at 10:30 a. m. in Wichita Falls Hospital following a heart attack. He was a long-time resident of Lynn County.

Born Jan. 6, 1879 in Arkansas, he and the former Miss Hulda Burns were married in that state in 1900. Mrs. Moffitt died in 1934. The couple came to Lynn county in 1924 from Cooper, Texas; and Moffitt farmed both north and south of town. He had been retired about 22 years and moved to Wichita Falls a year ago. During his later years in the county he resided with a daughter in the Dixie community. He was a member of the Baptist Church.

Funeral services were held Tuesday at 2:30 p. m. in Stanley Funeral Home Chapel with Elder Lee Bolinger of the Primitive Baptist Church in Hereford officiating. Burial was in Tahoka Cemetery. Survivors include three daughters, Mrs. W. D. Jones of Amarillo, Mrs. T. D. Lishman of Lubbock, and Mrs. Oma Moore of Brownfield; three sons, W. H. of Borger, A. J. of Lubbock, and W. E. of White Deere; one brother, W. G. Moffitt of Grant, Okla.; 30 grandchildren and 21 great grandchildren.

Election Tuesday On Three Amendments

Lynn county voters are urged to go to the polls Tuesday, Nov. 5, and vote for or against three amendments for changes in the State constitution.

County Judge Walter Mathis said that citizens may vote at their regular precinct polling places.

Mrs. Beulah Pridmore, county clerk, said Wednesday morning that no one had voted an absentee ballot.

Amendment No. 1 is for or against establishment of a retirement, disability, and death compensation fund for officers and employees of the State.

No. 2 is for or against an increase payment from \$20 to \$25 per month to needy aged persons subject to certain conditions to exceed \$21 per month.

No. 3 authorizes the issuance and sale of \$200,000,000 in bonds by the State to create the Texas Water Development Fund to be used in the conservation and development of the water resources of the State.

The above does not completely cover the amendments, but is only a general description.

T-Bar C-C Raises \$125.00 At Supper

The T-Bar Country Club held a spaghetti supper Thursday evening of last week at the school cafeteria and made a profit of \$125.00 which will go into the club fund for the purpose of defraying the club debt.

Chairman of the committee on social activities who was in charge of the supper was Mrs. J. T. Whorton and members of the committee were Miss Echo Milliken, Mrs. Irving Dunagan and Turner Rogers.

Tahoka Bulldogs Will Meet Tigers At Slaton Tonight

The Tahoka Bulldogs go to Slaton tonight to meet the 2-AA Tigers in a conference battle which promises to be worth your money.

Both teams go into action with two wins on their record, with Slaton also having a forfeit from Spur giving them an edge in the conference record. Slaton won over Roscoe 39 to 20, and chalked up a conference victory over Post by a score of 33 to 0.

Tahoka goes into the game with a win over Plains, 7 to 0, and the conference victory over Abernathy 24 to 14.

Slaton has lost four including Canyon, Seagraves, Stamford and Lockney. Tahoka has given up five to Denver City, O'Donnell, Floydada, Seagraves, and Spur. Slaton has been rebuilding the past year or two and can end their season in good style if they win the rest of their conference battles. However, the Bulldogs have only lost two conference tilts and will still be in there fighting for the remainder of their games.

Possible starting lineup for the Tigers include Doug Corley at quarterback, 170 pound senior letterman, who is among the nine lettermen on the team. He is said to be a fine passer and an excellent runner, being able to move either to the left or right. Coach Leonard Erhler will also field Alex Franco at fullback, a 170 pound senior letterman; Rodney Fulcher, 163 pound left half back senior squadman; Pat Adamek, 150 pounds, right halfback junior letterman; Jerry Hogue, 170 pound center junior letterman; Glen Taylor, 145 pound right guard junior letterman; Carlton Tumlinson, 165 pound left guard senior letterman; Alfred Blissard, 185 pound right tackle senior letterman; Dale Gordon, big 200

New Home Plans Homecoming

Ex-Students of New Home High School will return to their Alma Mater Friday, Nov. 8, for a day of homecoming activities. Highlighting the day's events will be the football tilt at 3:00 p. m. between the New Home Leopards and Whiteface.

Following the game, ex-students will register from 5:00 to 6:30 p. m. in the grade school building. At 6:30 a supper will be served in the school cafeteria by the ladies of the PTA, after which a business meeting will be held.

Don Smith of New Home is president of the Ex-Students Association and Mrs. Billy Ray Smith is secretary-treasurer.

Youths Collect Funds For "Crop"

Members of the Methodist Youth Fellowship of the First Methodist Church here raised \$172.31 Tuesday night when they canvassed the town in a "trick or treats" for the Christian Rural Overseas Program.

The amount more than doubled that raised last year by the same group according to Mrs. John Thomas, superintendent of the children's Sunday School department of the church.

Last year the youth of Texas, members of the churches cooperating in the CROP program, raised a total of \$54,910.04 to be used to provide food for the hungry people of the world.

Following the canvass, refreshments were served the group at the church.

Boy Scout Fund Drive Thursday

Tahoka's annual one-day Boy Scout finance campaign will be held next Thursday, Nov. 7, according to Johnny Reasonover, drive chairman.

About \$1,500.00 is to be raised as Tahoka's part in financing the Boy Scout program of the 20-county South Plains Area Council. Ninety percent of the Scout program is financed through contributions from businesses and individuals interested in the furthering of Boy Scout work.

Thursday's drive will begin with a kick-off breakfast for workers at 7:00 a. m. at the Club Cafe. Reasonover is in charge of the drive, H. B. McCord Jr. is the auditor, and Otis Spears is the arrangements chairman.

Tahoka now has more than 100 boys in the various phases of the scout program, according to E. B. Gauthier, district commissioner.

Present Scoutmasters are: Ray Hopkins, Troop 21; James Huey, Troop 82; Junior Montemeyer, Troop 94; Allyn Cox, Explorers Post 21; and Charles Reid, Cub Pack 82.

Troop 94 was recently formed for Latin-American youths, and there are already ten boys active in this troop.

E. C. Busby, 69, Dies In Dallas

Funeral services for Edd Clinton Busby, 69 year old farmer, were held Monday at 3:00 p. m. at the Draw Methodist Church, of which he was a member, with Rev. Jessie E. Young of Sundown officiating. Burial followed in Draw Cemetery under the direction of Stanley Funeral Home.

Busby died Friday at 4:50 p. m. in Veterans Hospital in Dallas following a year's illness. His body was brought to Tahoka Saturday night. He was a resident of Draw for many years, coming there first from Rising Star in 1913.

During World War I he served in the Army Signal Corps and then lived in Dallas for about 10 years. He moved to the Draw community again in 1934 from Dallas and had lived there since that time.

Busby was born June 2, 1888 in Rising Star and was married to Lula Frances Williams at Draw on Dec. 18, 1921.

Survivors include his wife of Draw; one daughter, Mrs. Sylba Brown of Dallas; one son, Lowell Edward Busby of Dallas; one sister, Mrs. Carl Ogle of Hobbs, N. M.; two brothers, Miller M. of Seymour and Leroy of Idalou; and one grandson.

Brenda Drager, nine year old daughter of Mr. and Mrs. Ernest Drager, underwent a tonsillectomy Tuesday in Tahoka Hospital. She was released Wednesday.

Mrs. Ivan McWhirter underwent major surgery in West Texas Hospital Monday. She is reported to be in satisfactory condition.

Louisa May Alcott's family was neighbor to the Ralph Waldo Emersons.

MEET THE TAHOKA BULLDOGS —

FRESHMAN SQUAD

We have a small squad of only five Freshmen this year, but great things are expected of these boys in the future. Left to right above are: Joe Young, 135 pound, end, son of B. A. Young; Douglas McClellan, weight 125, quarterback, son of C. E. McClellan; Frank Greathouse, weight 160, end, son of Frank Greathouse Sr.; Alton Terry, weight 150, center, son of Charley Terry; and Billy Cain, weight 156, fullback, grandson of Mrs. Mable Morgan

Frost Damage Light

Full Day of Programs Is Planned For Tahoka Homecoming On Nov. 8

Nov. 8 is the day that homecoming will be held at Tahoka High School and many ex-students are expected to be here for the various events planned for them.

The day will include a program presented the ex-students by the high school Student Council, a banquet in the evening, the crowning of the 1957 football queen, the football game between Tahoka Bulldogs and Post Antelopes, and a dance.

Beginning at 1:00 p. m. ex-students will register in the high school building. At 1:30 a program will be presented by the Student Council when an ex-student, John Foster, now a student at Texas A. and M., will be the speaker. Foster, an ex-lettermen of the Tahoka school who graduated with a high scholastic record, is a member of the Ross Volunteers at A. and M. College and is also commander of an R. O. T. C. unit there.

During the program free tickets to the football game will be given the ex-student who traveled the longest distance to attend the event, and to the ex-student from the earliest class represented. Free tickets will also be given all ex-lettermen of the school.

Ex-students will attend a banquet to be held in the school cafeteria at 6:00 p. m. Tickets are on (Cont'd. On Back Page)

Slight Damage In Week's Two Fires

The Tahoka Fire Department was called to two fires Monday morning, but no costly damage was done at either.

The boiler room at Shaffer Laundry caught fire about 9:00 a. m. Monday, and Fire Chief Lawrence Harvick said apparently the boiler must have burned out. Shaffer said that no extensive damage was done.

The second fire was at Wilson Co-op Gin at Wayside where firemen were called at about 11:00 a. m. also on Monday morning. Burrs that were ready to empty into trucks for distribution to farmers were caught fire from the burr pit. There was no damage to the gin or equipment.

Congratulations:

Mr. and Mrs. Tom Cloe on the birth of a son weighing eight and one-half pounds at 2:45 a. m. Wednesday in a Lubbock hospital. Named James Richard, he is the fourth son born to the Cloes. Mrs. Ted Chancy, paternal grandmother, says Tom has the honor of being the dad of both her youngest and her oldest grandchildren and she now has 18 grandchildren. Tom's oldest son is 19.

Mrs. A. Pendleton was released from Tahoka Hospital Monday.

Bonfire Planned For Homecoming

Under the auspices of the City, a bonfire and pep rally will be held Thursday night, Nov. 7, at about 8:00 p. m. on the vacant lot east of North Elementary School. This is not a school sponsored event.

The police and fire truck will be present during the event, and Mayor H. B. McCord, Sr. has granted permission for the activity.

Few Are Paying Poll Tax Here

Poll tax payments are lagging away behind normal but property tax collections are running about normal, reports J. E. (Red) Brown, Lynn county tax assessor and collector.

Only 275 citizens had paid their poll taxes up to Tuesday and thereby qualified themselves to vote in the 1958 elections, Brown stated. Next year is an important election year, and unless poll tax payments are made before the last of January, many citizens may find themselves unable to vote.

During 1958, all state officers will be elected, including a governor. Locally, citizens will vote for district judge and district attorney, state representative, and several county and precinct offices must be filled. Among the latter are the office of county judge, county attorney, county superintendent, county treasurer, justice of the peace, and commissioners of precincts 2 and 4.

On Saturday morning, the low register by the U. S. Weather Bureau thermometer in Tahoka was 32 degrees. On Sunday morning the thermometer dropped to 30 degrees, and again on Monday morning the thermometer stood at a low of 34 but there was frost.

Warmer weather this week has permitted farmers to get back in their fields to harvest cotton and grain.

Many farmers tell The News, the (Cont'd. on Back Page)

1958 Lines of Automobiles Are Going on Display Here

Two new 1958 automobiles went on display in Tahoka this week, and other lines are scheduled to be unveiled during the next two weeks.

First 1958 model car on display here was the new line of Buicks shown Tuesday at Ray Hopkins Buick publicized as the "air born" Buick, featuring "fresh bold styling" with the Dynastar grille, the miracle ride plus Buick Air-Poise suspension, flight pitch Dynaflow, B-12000 engine, air-cooled aluminum brakes, and new sound silencing.

On Thursday, Bray Chevrolet Co. had on display the new 1958 Chevrolets featuring new body design, lower built and 9-inch longer wheelbase, new styling, a new turbo-thrust V8 engine, full coil suspension and the first air ride, a new four-headlight system, a foot-operated parking brake, and two entirely new luxury models, the Bel Air Impala sport coupe and convertible.

Bray has also been displaying the new model Chevrolet trucks. Shipley Motor Co. expects to display (Cont'd. On Back Page)

New Home Lady's Mother Is Buried

Funeral services of Mrs. Eudoxia Angeline Stomm, 88, mother of Mrs. Myrtle Hemmeline of New Home, were held at the Brownfield Funeral Home Chapel Wednesday at 3:00 p. m.

Although she never lived in Lynn county, she was a resident of Leveland for some time. A member of the Church of Christ, she is survived by one son, Cullen Riggs of Hobbs, N. H.; two daughters, Mrs. Hemmeline and Mrs. Imagee Kizer of Roswell, N. M.; 15 grandchildren and 10 great grandchildren.

Tahoka has gained 5,375 bales of 1957 cotton, and the county has gained approximately 32,000 bales so far, reports from ginners to the News indicate.

Fully 2,000 bales have been ginned in Tahoka during the past seven days. One ginner estimated that about 25 percent of the cotton has been ginned.

Damage from the first frost and freeze of the year which came Saturday and Sunday is not as heavy as at first suspected, although there is still a diversity of opinion as to the damage.

Full extent of the damage will probably not be known for several days, depending partly on the weather which follows and partly on the degree to which cotton bolls are frozen.

The normal killing frost date in Tahoka is computed to be about Nov. 10, or about five days later than Lubbock's average killing frost date.

One peculiar thing about Sunday's freeze is the fact that some areas of the county were affected less than others. Such was the case all over the Plains. For instance, Tahoka registered one degree lower than Lubbock on Sunday morning.

In some spots of the county, vegetation was hardly killed, while in others the temperatures possibly went even below 30 degrees.

On Saturday morning, the low register by the U. S. Weather Bureau thermometer in Tahoka was 32 degrees. On Sunday morning the thermometer dropped to 30 degrees, and again on Monday morning the thermometer stood at a low of 34 but there was frost.

Warmer weather this week has permitted farmers to get back in their fields to harvest cotton and grain.

Many farmers tell The News, the (Cont'd. on Back Page)

Mrs. Pearl Callaway Helps T-Bar Club

Mrs. Pearl Callaway of Abilene last week end made another cash gift to T-Bar Country Club "as a contribution toward furnishing the people of Lynn county more and better recreational facilities."

She had made a similar gift in 1956.

T-Bar club has been built largely through gifts of money, materials, and labor. Mrs. C. O. (Mollie) Edwards of Fort Worth donated the land, Pioneer Natural Gas Co. contributed water pipe, Southwestern Public Service put electric lines to the site, water well drillers contributed their services, Tahoka Garden Club is giving \$400.00 worth of trees and shrubs, and, in fact, scores of people of the county have had a hand in the project.

The golf course was built largely by members under leadership of O. C. Elliott, J. E. Brown, A. N. Norman, and others who have worked diligently on the project.

"We greatly appreciate this last gift," stated J. E. (Red) Brown, president of the club. "This fine spirit of helpfulness shown by Mrs. Callaway, as well as by many others, has made this recreational facility a big success and enables us to completely clear our debt. We can now go ahead with further improvements."

Verner's Uncle Dies In North Carolina

Mrs. A. C. Verner left by plane Monday for North Carolina to attend funeral services of Mr. Verner's uncle, A. C. Duncan.

Duncan, 52 years old, died Sunday night at 10:00 o'clock following a heart attack. He was on the way to a hospital when he died.

Tahoka Bulldogs Take 24-14 Victory Over Abernathy Antelopes Here

Tahoka Bulldogs turned in a fine performance Friday night on the home field before a small cheering crowd in defeating an old rival, the Abernathy Antelopes, 24 to 14.

The victory was the second of the season for Coach Bill Haralson's young and inexperienced team, the other being over the Plains Cowboys at Plains.

Winning this game may have given the Bulldogs a lift for their final three conference games, Slaton at Slaton this Friday. Post here on Nov. 8, the homecoming game, and Lockney there on Nov. 15.

The Bulldogs had been handicapped three weeks by injuries and the flu. Even now, they must play the rest of the season without Kenneth Stice, a fine back, who broke his collar bone in the Abernathy game.

Abernathy received the opening kickoff, and after making one first down were held by the Bulldogs and the ball went over on the Tahoka 41.

Tahoka immediately marched 59 yards for its first score, with Prohl, Stice, Calloway, and Tomlinson all having a hand in moving the ball for four first downs to the Antelope 6. Then, Stice raced around end to the goal line, with Prohl and Tomlinson laying the key blocks. Brown, missed the extra-point kick, as he also did the three kicks to come later.

Antelope Watson brought the kickoff upfield, fumbled when tackled and Tahoka recovered on the Tahoka 48. Four plays later, Tahoka fumbled, and Charles M. Evans recovered for Abernathy on the A. 36. Tahoka held, and forced the visitors to punt from their 38 to Tahoka's 32. Despite a 15 yard penalty, Tahoka marched down field to the Abernathy 11. Then, Prohl hit Gurley with a jump pass over the center, and Jay ran into the end zone. Score 12-0.

Abernathy on its 32 on first down, Jerry Adams covered a visitor fumble, and following another rash of penalties, two on Tahoka and one on Abernathy, Prohl hit Tomlinson with an 18 yard pass, and five plays later Calloway went over right tackle 7 yards for the third Tahoka TD. Score 18-0.

The Antelopes bounced right back to score in three plays. Miller brought the kick to the 36. QB Tannehill's pass to LE Pat Attebury was good for 14. A second pass was incomplete. A third found the Tahoka defense asleep. Watson was away down field behind Tahoka's secondary and Tannehill threw 39 yards to him on the Tahoka 20, and it was a cinch for Watson to make it to the goal line. Gragg ran over the extra point. Score 18-7.

Tahoka received the kickoff,

Tahoka	Abernathy
20 First downs	12
286 Yds. rushing, net	139
4 for 57 Passing	4 for 82
2 Passes incom.	7
1 for 32 punts	1 for 30
9 for 95 Penalties	3 for 15
1-of-2 Fumbles lost	2 of 5

drew a 15 yard holding penalty, Brown punted to the A. 37, and an Abernathy boy clipped a Tahoka lad, but the official was all fouled up and stepped the penalty off 15 yards against Tahoka and refused to change it when the mistake was pointed out. It didn't make any difference, anyway, as Abernathy couldn't move after completing a 12 yard pass to Watson.

The third quarter was scoreless. Tahoka moved to the Abernathy 14, but drew a 15 yard penalty... to wipe out the threat. Abernathy put on a drive that carried to the Tahoka 13 before fizzling out.

Late in the third, Tahoka started a drive which ended in a touch-down early in the fourth, on a 87-yard march which included a 27-yard run by Prohl. With the ball on the A. 2 yard line, Tomlinson hit the middle for the score, and Tahoka now led 24-7.

Watson brought Brown's kick from the 9 to the 34, and Abernathy put on a successful march to the goal line, with Tannehill going the last 5 yards, and Tannehill running over the extra point. Score, 24-14.

Bray covered a short kick and Tahoka marched to the Antelope 25 as the game ended.

The four Tahoka backs mentioned above, and QB George Adams saw quite a bit of service. David Bray turned in his best game, and other defensive stalwarts included Prohl, Jerry and James Adams, Richard Stice, and Ends Jay Gurley, Jerry Brown, and Gaylon Tekell. All in all, Tahoka turned in its best game since meeting Denver City the second game.

For Abernathy, Guard Carroll Powell was outstanding, as were Jim Gragg, Jim Nelson, and Chas. M. Evans.

Wilson Mustangs At Whiteface

Wilson Mustangs face another tough foe this Friday when they journey to Whiteface, winner of five and loser of only one. Each team is undefeated in three conference games, and the winner will take over first place in District 4-B.

Sick with the flu the week before, Wilson had little trouble Friday night in disposing of Cooper Pirates 36 to 0.

Kenneth Ethridge scored twice in the first quarter on runs of 47 and 55 yards and again in the fourth got away on a 26-yard scoring gallop. Paul Henderson ran 60 and 35 yards respectively for two touchdowns in the second quarter, and Jack Dokken bulled two yards for the other touchdown late in the fourth quarter.

At half-time homecoming ceremonies, Sue Campbell was crowned Football Queen. The weather cut down the crowd at the game as well as for the Homecoming affairs.

A certain species of ant cultivates grass around its hill, harvests the seed and stores them away for food.

SPORTS

O'Donnell Plays Frenship Friday

O'Donnell goes to Frenship tonight in an attempt to get back in the victory column, but meet another tough team in the rampaging Tigers.

Last Friday Coach Joe Palmer's Eagles ran up against the tough Cowboys at Plains and came home with the short end of a 27-13 score.

Plains scored twice in the first quarter, once in the second, and once late in the fourth. Both O'Donnell scores were made by Gerald Barton, who plunged for one yard in the third and raced 59 yards for the other in the fourth and ran over the extra point.

Don Blair Scores On 77-Yard Run

Don Blair, sophomore from Tahoka in West Texas State, opened the scoring in the West Texas-Hardin-Simmons game Saturday night with a sensational 77-yard run on a punt return in the first quarter. The Buffaloes went on to defeat the Cowboys from Hardin-Simmons 39-19 before a homecoming crowd at Canyon.

Don, a speed merchant who starred at Tahoka in both football and track, is at West Texas State on an athletic scholarship in track. He has seen little action in football, being a sophomore, and local friends were tickled he got a chance to "show his stuff" Saturday afternoon.

The game was televised by an Amarillo station. Don's parents, Mr. and Mrs. L. R. Blair, now live in Canyon and Mr. Blair is employed by the college as a maintenance man.

Junior Teams Game Winners

Tahoka's eighth grade football team edged out Abernathy Tuesday night on the Antelope field 14 to 13, while the Tahoka eighth grade "B" team won their game 6 to 0.

Last week the eighth grade downed O'Donnell 42 to 0 when Tahoka got revenge for a defeat earlier in the season.

Fred Hegi scampered across for the first TD during the first quarter of the Abernathy game, and the extra point was run across to give Tahoka a 7 to 0 lead. The game was tied up in the second when Abernathy scored and made good their extra point.

In the third quarter, Tahoka's Merrill Cloe hit pay dirt and again the run for extra point was good. Score, 14 to 7. Abernathy made its second TD in the fourth, but failed to run over the tying extra point.

In the "B" game Gary Doggett made Tahoka's lone TD and the local team was able to hold its opponent's scoreless.

The eighth grade team has won three games and lost two. The two losses were to Abernathy and O'Donnell, but the team came back to defeat both and also add Seagraves to the win column.

MRS. EARL MORRIS
Correspondent

Mr. and Mrs. Danny Redman are announcing arrival of their first baby, a daughter, Raylynn, born in Slaton Mercy Hospital Oct. 19, weighing 7 pounds, 3 ounces. The young lady is blessed with grandparents on the mother's side, Mr. and Mrs. Woodrow Stuart, grandparent, Mrs. Ida Stuart of Post, great grandmother, Mrs. Gossett of Post, great grandmother, Mr. and Mrs. Gus Gatzki, great grand parents, Mr. and Mrs. Raymond Redman, paternal grandparents.

Frank Bean of Snyder visited his parents, the Rev. and Mrs. Bean and Hazel in the Methodist parsonage this weekend.

The Rev. Lusby Kirk went to Wichita Falls last Wednesday to assist in moving Mrs. Kirk's father, who is an invalid, to Arizona. Mrs. Kirk and sons spent the weekend in Odessa. Sunday the Rev. Ed Bates of Lubbock preached at the Baptist Church in Kirk's absence. Mrs. Bates accompanied her husband here.

Friday's guests in the Sam Martin home were the Rev. and Mrs. J. B. Coggin of Abernathy, who had been visiting a son, Charles Wayne, his wife and baby near Abilene. The Coggins lived in Southland in 1940-41 where he was pastor of the Methodist Church before going into service as a chaplain.

Miss Woodena Brewer flew in from San Francisco, Calif. Friday to visit her parents, the Spencer Brewers. Woodena is employed in the air plane plant in San Francisco.

Monroe and Miss Shelton were guests in their nephew's home. Mr. and Mrs. Clinton Bullard of Amarillo last week.

Mr. and Mrs. M. M. Bruster went to Alamogordo, N. M. last Tuesday to spend a few days with their son, Melvin Bruster and family.

Mrs. Clyde Shaw was confined to a hospital in Levelland last week suffering with a kidney infection. Mr. Shaw went up on Sunday and brought her home, where she is recuperating.

Mrs. Noble Wynn and Mrs. Ed Denton were Friday guests of Mrs. J. P. Hord in Lubbock.

Mr. and Mrs. Wm. Lester went to Lubbock Sunday to visit a grandson, Rickey, son of Mr. and Mrs. Troy Lester, who has been quite ill in a hospital there. But he was able to be taken home, near Levelland, Monday.

Mrs. Billy Lancaster and son, David Earl, of Temple spent last week with Billy's parents, the Earl Lancasters. Billy came out for the weekend. Other visitors in the home were, another son and family, the Jack Lancasters from Post, a daughter, Mr. and Mrs. Wayne Perkins of Slaton, two of Mrs. Lancaster's sisters, Mrs. Carl Foster and Lena of Lubbock, Mr. and Mrs. H. D. Foster of Vernon; two brothers, Mr. and Mrs. John Taylor, Mr. and Mrs. Hubert Taylor and Sharla; a nephew, Mr. and Mrs. Eldon Lancaster of Muleshoe and Mr. and Mrs. Harley Martin and children.

Mrs. Harry McDonald passed away in Arvin, California Oct. 26, after a lingering illness with cancer. She is survived by her husband and one daughter, Natilie. G. D. Ellis is an uncle. Mrs. McDonald was a Methodist and a member of the Eastern Star. The family lived in Southland a number of years before moving to California in 1941.

Mr. and Mrs. Ed Milliken visited their daughter-in-law, Mrs. Byron Milliken, who is ill, Sunday. They live near New Home.

Miss Lavon Neuchliss of Corsicana visited her aunt, Mrs. Gus Gatzki last week.

Dr. and Mrs. Foy Shochleford and two sons of Amarillo spent Sunday with her aunt and family, Mr. and Mrs. Weldon McGeehee and daughters.

Valton Wheeler has been confined to his home suffering with flu the last few days.

The Rev. and Mrs. J. L. Gary, Jerry and Alvin Lynn of Roswell, N. M. visited her parents, the Earl Morrises Friday and Saturday.

Wilson Youth In Tech Fraternity

Eli Judson Hewlett of Wilson is among the 17 men pledging Phi Kappa Psi at Texas Tech this fall.

A total of 131 men students are pledging the 10 national social fraternities at Tech, according to James Whitehead, assistant dean of student life. Sigma Chi fraternity led the field with 22 pledges.

Boer, meaning husbandmen, is the name commonly applied to South African colonists of Dutch descent.

Friday night the ladies and the boys visited another daughter, Mrs. Arden Maeker, Pam and Marilyn in Lubbock.

Mrs. N. E. Denton and Lynn and her mother, Mrs. A. E. Pruett of Plainview visited Mr. and Mrs. Ed Denton last Saturday.

Mr. and Mrs. Roy Haire and Jerry of Tahoka visited Clyde Haire Sunday. Mr. and Mrs. Buddy Haire of Lubbock were also visitors in the Clyde Haire home.

Thoughts For Consideration . . .

By Leroy Cowan

The Son of God said, "Ye shall know the truth, and the truth shall make you free." Jo. 8:32. Jesus here said that freedom came by way of truth. Truth is very important. It cannot be a mixture of part truth and part error. Truth has to be 100 percent pure or it is no longer the truth. In prayer to God, Jesus said, "Thy word is truth." Jo. 17:17. Hence the truth is the word of God and it is declared to be able to make one free. One must KNOW the truth if it is to make one free, for Jesus said so. To "know" means more than mere mental knowledge. It means to be intimately acquainted and associated with. Thus one must "live by every word that proceedeth out of the mouth of God." Matt. 4:4. Read Acts 2, and there you will find that the people heard the truth, believed the truth, obeyed the truth and thus were made free from the guilt of their sins. Also see Rom. 6:17-18; Acts 22:16. The gospel of Christ must be obeyed or one will be lost. 2 Thes. 1:7-9.

TEAMED FOR Action!

Like a well-balanced football team, Cosden products are at their best when they're working together.

Cosden gasolines — Premium Ethyl or Higher Octane Regular — are skillfully processed through one of the world's most modern refineries to deliver all the horsepower in your engine. They offer new bonus power to span the miles economically . . . reserve strength for fast get-away or quick passing . . . and instant response to your accelerator.

Cosden lubricants — 10w30 or Heavy Duty Motor Oils — keep engine parts working smoothly and freely in any weather.

Get the most from your car. Use Cosden gasolines and lubricants . . . together.

They're teamed for action.

Farm Bureau Elects Officers

A goal of 700 members in the Lynn County Farm Bureau was believed to have been reached Thursday in the annual membership drive of the organization. The Bureau enrolled 677 members last year.

Officers of the Farm Bureau were elected at a meeting of directors held here Monday night.

Bertice Askew of Wells was re-elected president, Loyd McCormick Jr. of Wilson was elected vice-president to succeed N. E. Wood of Tahoka, and Julian Pirtle of O'Donnell was elected secretary to succeed Melvin Wuensche of Wilson.

Directors in addition to these are: Wuensche, L. H. Moore Jr., James Brookshire, Lois Smelser, Woodrow Brewer, J. O. Allen, Buford H. Jones, and Wood. Charles Reid is service agent, and Earl Cummings is special agent.

The social committee, composed of Mrs. Elton Weaver, Mrs. B. H. Jones, and N. E. Wood, also met. Beginning in January, the Farm Bureau will start a series of social meetings to be held in the various communities of the county throughout the year.

Two Injured In Car-Pickup Crash

Jerry Roseberry, 23, student in Texas Tech from Tahoka, was slightly injured in a car-pickup wreck near Brownfield Tuesday at 12:30 p. m.

Bill Schofield, 43, of route 2, Brownfield, was seriously injured, and is in a Brownfield hospital with his ribs torn from his backbone and possible internal injuries. Roseberry was treated at the same hospital and released with only body bruises and scratches.

Roseberry was enroute from Lubbock to visit a brother at Plains and was traveling south on the Johnson farm-to-market road in his 1955 Oldsmobile. Schofield had just unhitched his GMC pickup from a cotton trailer and started to turn around in the road to head back north. Roseberry was close on the pickup and could not stop in time to avoid the wreck.

Both the car and the pickup were almost total wrecks.

Barn swallows can fly at the rate of more than a mile a minute.

Heads Volunteers

Mrs. Lou Gehrig, national campaign chairman of Muscular Dystrophy Associations of America, Inc., heads hundreds of thousands of volunteers who will call on their neighbors in the nationwide March for Muscular Dystrophy. Funds are being sought to increase research into the crippling, fatal disease which numbers more than 200,000 victims, the majority of them children, in this country alone.

Hallowe'en Party For Cub Scouts

Cub Scouts in Tahoka attended a Hallowe'en pack meeting Tuesday night at the American Legion Hall when the boys were entertained with a "House of Horrors."

Mitchell Williams acted as the spook and told a story, accompanied by sound effects. Various props were used in completing the setting.

Dan A won an attendance contest at the event and plans are being made to present an award to the den holding the best attendance during the year.

E. B. Gaither gave the invocation. A. G. Meador, who served as cub master for some time before moving to Lamesa, was presented a shirt by the pack. Charles Reid is replacing him as cub master.

Following the event, refreshments were served.

Mrs. G. R. Smith, who underwent major surgery in Tahoka Hospital recently, was released Monday.

Beavers live in colonies which may persist for centuries.

Letters From News Readers

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Editor The News:

Re your religious editorial "Odds and Ends" of October 25. It would be interesting to know what curtain in your conscience allows you one week to sponsor so enthusiastically the fight against racial discrimination, then the next to print such slanderous material against a church simply because it is not yours. I seriously hope that the citizens of Tahoka did not digest it without at least some bit of distaste.

The sacrilegious quip about the Pope was in no way humorous, and certainly is regarded by anyone, no matter what his denomination, as being at least in extremely bad taste. It might be a good idea to investigate some of the fables you've heard all your life regarding a church you seem to know very little about.

Perhaps this has taken the semblance of a poison-pen letter. That was not my purpose. I merely question the democracy of such material which makes light of and slanders that which some, however few, of the people of the town hold dear. Think it over sir. Yours sincerely,

A Reader.
(Editor's Note: I have already answered the charges by the writer with well authenticated facts so many times that I feel that it is entirely unnecessary for me to make further comment. E. I. Hill, the senior editor.)

HORSING AROUND FATAL

San Antonio, Tex.—A horse lost in an encounter with an auto. It happened like this: Mr. and Mrs. W. H. Kohler were driving on Palo Alto Road about 5:30 a. m. when they saw a horse galloping toward them.

Mrs. Kohler, who was driving, slowed down, but the horse hit the car and straddled the hood. The impact drove the horse's head through the windshield.

The horse died, and Kohler's dentures were damaged, but neither he nor his wife was injured.

Basic English is a system of 850 words capable of serving everyday needs.

Jones And Short Get Oil Well

Carl Jones and E. L. Short own an interest in what is reported to be the best oil well ever drilled in Kiowa County, Okla., according to Dorothy Garrett of Hobart.

The well was drilled to a total depth of 417 feet by Earl Sossamon of Coleman, Texas. The potential on the well is 90 barrels an hour through one-half inch choke and is known as "Earl Sossamon's Dittmars No. 2". It is located in SE quarter SW quarter SE quarter Section 18 Township 6 North, Range 16 West of the Indian Meridian.

According to Dorothy Garrett, the well has caused a steady stream of traffic through Hobart from oil men from all over the country. She also sent two snapshots of the well showing the oil gushing about 20 or 25 feet high.

The well gushed for 13 hours straight, Short said, and was televised over an Oklahoma City channel during that time.

CARD OF THANKS

We wish to express our deepest appreciation for all the kindnesses in the passing of our beloved one. May God's richest blessings be upon each of you.—Mrs. H. A. Reynolds, Mrs. O. R. Phifer, Mrs. Gentry Hobbs, Mrs. Lola Harris, Dick Reynolds, Mrs. Clyde Scott, Mrs. P. M. Johnson and families.

NOT MUCH BULL
Nacoga, Tex.—Somewhere near Ringgold there is a bull wagging nothing behind him. He was one of the losers in a bull-car accident recently.
Highway Patrol reported Alfred B. Clayton Jr. of Dallas had \$150 damage done to his car in the encounter, but neither he nor the bull suffered bodily damage.
The bull did, however, lose his tail in the mishap. That's very little bull.
Mr. and Mrs. W. B. Edwards have recently moved from Stephenville to Post. Mr. Edwards is an old time citizen of Tahoka.

DOODY'S EGG
Galveston, Tex.—Doody, a little black bantam hen, was the talk of the neighborhood when she laid a tiny little heart-shaped egg.
She surprised her owners, Mr. and Mrs. Al Jones and their seven children, and a poultry store owner, who said they never saw or heard of an egg like that.
The only one around who was unimpressed was Doody's red bantam spouse, Elvis, who was merely indifferent.
Mrs. Ette Lorene Reid was released from Tahoka Hospital Tuesday after being a medical patient for several days.

District WSCS In All-Day Meet Here

Today the Brownfield District Woman's Society of Christian Service is holding an all-day meeting in the First Methodist Church here and the highlight of the day will come when Mrs. W. R. Landrum, past jurisdictional officer and now a field worker for the Women's Division, will speak at 11:00 a. m.

Mrs. Landrum is from Little Rock, Ark. and is making a tour of groups in the Northwest Texas Conference of the Methodist Church. She has been a member of the Woman's Division and the Methodist Board of Missions and has had experience in the WSCS in her local church as a district, conference and jurisdictional officer. She is perhaps the first to speak in Tahoka who has held such high offices in the work of the W. S. C. S.

Luncheon will be served at noon by the local W. S. C. S., according to Mrs. V. F. Jones, president of Tahoka's Woman's Society.

Mrs. Roy Lemond of Grassland, president of the Brownfield District, will preside at the business meeting.

All members of the local Society are urged to attend the meeting.

Mrs. C. C. Dwight is continuing to show improvement at the Muse Convalescence Home in Lubbock. She had the cast removed from her leg on Wednesday.

Caswell's Celebrate 50th Anniversary

(O'Donnell Index-Press)
Mr. and Mrs. Wes. W. Caswell celebrated their Golden Wedding Anniversary Sunday in their home here. They were wed Oct. 20th, 1907 in Montague County, the bride being the former Miss Julia Shelton, daughter of a Baptist minister. In 1928 the family moved to Draw and in 1953 Mr. Caswell and wife moved to O'Donnell, retiring from farming.

Children are Mrs. F. M. Jones of here, Cloyd Caswell of Grand Prairie and Kenneth Caswell of Holyoak, Mass. Grandchildren are Carroll Jones of Grand Prairie and Mrs. Helen Davis of Big Spring and two great grandchildren; Kay Davis and Larry Jones.

Virginia Smith To Wed Ronnie Dulin

Mr. and Mrs. Jim Bob Smith of Route 6, Lubbock, announce the engagement and approaching marriage of their daughter, Virginia, to Ronnie Dulin, son of Mr. and Mrs. J. E. Dulin of Tahoka.

Marriage vows will be read Dec. 14 at 7:00 p. m. in the New Home Church of Christ. Following their marriage the couple will enter into farming in Lynn county.

The bride-elect is a senior student at New Home High School and the prospective bridegroom is a senior in Tahoka High School.

Today's MEDITATION

The Upper Room

Where your treasure is, there will your heart be also. (Matthew 6:21.)

Possessing a big business and every possible luxury, we busied ourselves in work and money-making. On Sundays we drove to the mountains to our country home, which was surrounded by a large garden. Here we toiled all day. But suddenly everything was taken from us.

The great distress led us to reflect upon our lives. The longing for God that had been slumbering deep down in us now became aroused. The grace of our Lord became mighty in us. In the midst of our trials we recognized the loving-kindness of God. We became thankful that we had lost everything upon which our hearts had been set. We recognized in this the leading of God's kind hand.

As the result of losing our earthly possessions, we have time for the Lord. We have learned to pray and to commit to Him all our actions, all our lives. We have gained the peace of God. Now our lives are filled with thanksgiving and an unshakable faith in Christ our Redeemer.

PRAYER

Our Father, we find it so easy to forget Thee when we become possessed by our possessions. Forgive us, we pray. Teach us to love and honor Thee, to worship and serve Thee; through the mercy of Christ our Savior. Amen.

THOUGHT FOR THE DAY
The peace of God is worth more than all earthly possessions.
—Erna Adams (Germany)

Wesleyan Guild Completes Study

Next Thursday night, Nov. 7, will mark the last of four sessions in the current study of the Wesleyan Service Guild, "Deciples to Such a Lord," a Bible study on the Gospel according to Saint Mark.

The ladies of the Methodist Church will meet in the home of Mrs. John Shepherd at 7:30 p. m. for the last lesson. Mrs. Clint Walker has been the study leader.

Thursday night, Oct. 31, the Guild met jointly with the Woman's Society of Christian Service for the annual observance of Week of Prayer and Self-Denial. The service was under the direction of Mrs. Roy Edwards, secretary of Spiritual Life of the Woman's Society.

The Wesleyan Service Guild meets every second and fourth Thursday nights of each month while the Woman's Society in Tahoka meets each Wednesday afternoon. Everyone is invited to attend these meetings.

Book Review At Rotary Ann Meet

Tahoka Rotary Anns attended a tea and book review Wednesday night of last week in the home of Mrs. Mitchell Williams, when Mrs. Margaret Noble of O'Donnell reviewed the book, "The Day Christ Died."

About 35 ladies attended when the serving table was laid with a green linen cloth accented with a fall arrangement of candelabra and gold leaves and berries. Punch was served from a hand-painted bowl by Mrs. Emil Prohl.

Baptist Ladies S. S. Class Meets

Members of Class No. 5, formerly the T. E. L. class of the First Baptist Church, met in the home of Mrs. E. J. Cooper, Tuesday afternoon, for a class clinic which was conducted by the class teacher, Mrs. H. P. Caviness.

Ladies of Duties of class officers were outlined and discussed, with suggestions as to the best means of carrying out these duties.

The following group leaders were elected: Mrs. G. C. Shaffer, Mrs. H. C. Harter, Sr., and Mrs. Frank Decker. Both active and inactive members will be included in each group insuring weekly contact with each member of the class.

Refreshments were served to the following members and officers. Mmes. H. P. Caviness, H. C. Harter Sr., H. R. Minor, R. C. Forrester, Amelia Turner, Frank Decker, E. J. Cooper, and E. L. Hill.

Cotton Quiz

WHEN WAS COTTONSEED OIL FIRST PRODUCED IN AMERICA?

THE FIRST COTTONSEED OIL WAS EXHIBITED AT A SCIENTIFIC MEETING IN 1768.

Many Eligible For S. S. Benefits

Do you know which members of your family would be eligible for social security benefits if anything should happen to you?

John G. Hutton, District Manager of the Lubbock social security office said that many questions received in the District Office indicate that workers and their families do not understand the survivors benefits provided in the social security law. Consequently, families may lose benefits in the event of the death of the worker.

The law now permits a widow to draw monthly benefits if they have Widows who are younger may draw monthly benefits if they have in their care a child of the deceased worker who is entitled to benefits. Mr. Hutton said most people know that a child of a deceased worker is entitled to benefits until age 18. Many people, however, are not aware that a disabled son or daughter over 18 may now qualify for a child's benefit if the disability began before age 18.

Under certain circumstances a widower who was dependent on his wife may qualify for monthly benefits. Dependant parents may qualify if the worker was not survived by a spouse or a child entitled to monthly benefits.

Mr. Hutton pointed out that in almost every case a lump-sum death benefit can be paid to survivors. This payment is in addition to any monthly benefits the family may get. He emphasized that benefits are not paid automatically; families must make application for them.

The social security office recommends that every worker find out what payments may be due his family in the event of his death. Workers need this information to plan effectively for the financial security of their families. Your social security office has a booklet entitled "Your Security" which provides this information. You may write or telephone your social security office for a copy.

A representative of the Lubbock Social Security Office will be in Tahoka on November 5, 1957, at 9:00 a. m. at the Courthouse, and will be glad to assist in all matters pertaining to Social Security.

MANUSCRIPT COVERS, one finish, box of 100, \$1.75.

Mrs. Hubert C. (Veta) Davis brought her mother, Mrs. E. S. Davis, home from Marlin where she had been visiting for a week. While here Mrs. Hubert Davis visited her new grand daughter, Katherine Joe, daughter of Mr. and Mrs. Joe Bob Davis, in Panama. She also visited her brothers in Lubbock, Sherman and Dan.

58 FORD
COMING
NOV. 7

Nothing newer

AROUND THE WORLD

The 58 Ford has been proved around the world. This is the most dramatic and most grueling test ever given a new car before its public announcement.

The whole world was used as a test track for the 58 Ford. The car drove through England, France, Switzerland, Italy, Yugoslavia, Greece, Turkey, Iran, Afghanistan, Pakistan, India, Malaya, Thailand, Cambodia, Vietnam, and finally back to the place it started—Detroit, Michigan, U.S.A.

The Ford powered over the great mountain ranges of three continents: from the Alps to the Himalayas and the Rockies. It crossed the great rivers of history: the Thames, the Seine, the Tiber, the Arno, the Tigris, the Euphrates, the Indus, the Ganges.

This car stood at Buckingham Palace, rolled up the Champs Elysees to the Arc de Triomphe, and passed at the Eiffel Tower. It was greeted by the great Paris couturiers at the famous fashion salons where its "sculptured in steel" styling was applauded by the most style-conscious audience in the world.

The 58 Ford rode smoothly down the rugged, beautiful seacoast of Tito's country, to a festival in Dubrovnik, and into Greece to Athens, where this newest classic met such ancient classics as the Parthenon and the Temple of Poseidon.

Into Turkey: and the 58 Ford passed the great white lacework palaces of the Sultans along the Bosphorus and the Golden Horn. Then the Ford went where few but nomads travel, up into the hot days and chill nights of the ancient mountains of Afghanistan. And thence along the route Alexander the Great followed with his chariots to cross the historic Indus river.

On and on the Ford moved, down into the heat of mysterious India, through New Delhi to the Taj Mahal, and to the great pink palace of the Maharajah of Jaipur.

This great new car met the challenge of the monsoons—rains that for centuries have stopped all road movement throughout Indo-China, but didn't stop the 58 Ford. It drove on to Penang in Malaya, and then north to Bangkok.

Further on came Saigon, the Paris of the Orient, at the farthest tip of Southeast Asia. Finally, it powered across the great Rockies and plains of North America and back, at long last, to Detroit, Michigan.

The 58 Ford . . . has been proved and approved around the world. A natural question arises. Why did Ford go to such great lengths with its 1958 model? Why spend so much money and time and go through all the problems of negotiations, customs, border transit, diplomacy in so many countries?

The answer: in the competitive automobile market of today, only the best in all-around value can survive. And this round-the-world test is the most decisive possible demonstration of the best.

The 1958 Ford is value: hard-dollar value. It is also style, power, performance, and a dozen great new features. But above all, it is value.

This is the car you've been waiting for. See it November 7—there's nothing newer in the world than the 58 Ford!

School Nurse Makes Report

Mrs. Lillian McCord, school nurse, has treated children in the Tahoka schools for various and sundry diseases during the first two months of the fall term, proving the need for her services in the local system.

In her report this week the following ailments have received her attention, two boils; two mouth sores, one wart removed from mouth by doctor, 132 colds, two nose bleeds, two ring worms, one dog bite in which case the police was notified, four pink eyes, one cut on the head from playground accident, six bruised legs, arms and knees. One child has been removed from school with tuberculosis found in a Lubbock patch test, and Mrs. McCord has taken 17 ill students home from school.

In addition to this she has inoculated 184 students with their first Salk vaccine, has vaccinated many for small pox, and is now making preparations to give tuberculosis patch tests to first and sixth grade students.

In speaking of the polio vaccine program, Mrs. McCord said that last year Lynn county spent a little over \$5,100 treating and caring for polio victims. However, several polio victims did not get help from the National Foundation funds. The amount spent here will have to be made up because funds are now depleted.

She hopes that the vaccine program will not only keep children from contacting the dread disease but will also help the county financially in the National Foundation of Infantile Paralysis program.

Homecoming . . .

(Cont'd. from Page 1)
 sale at \$1.50 each at Wynne Collier Drug, Tahoka Drug, Lankford Variety and D & H Supermarket. Dub Harvick, vice president of the Ex-Students Association, is in charge of the food, and Mrs. Charles Verner has arranged for entertainment during the meal. Miss Jan Thomas will present some tap dance numbers and a high school trio, composed of Patsy Norman, Diana Hensley and Marybelle Wood, will sing several numbers.

About 200 ex-student are expected to attend the banquet and these will elect new officers in the business meeting held at that time. Out-going officers include Albert Curry, president; Harvick, vice-president; Mrs. Ray Adams, secretary-treasurer; Mrs. Verner, program chairman; and Mrs. O. C. Elliott, names chairman.

At 8:00 p. m. the Bulldogs and Antelopes will clash in a 2-AA conference battle at Kelley Field. Preceding the game, the identity of the 1957 football queen will be revealed when she is crowned in a coronation ceremony. Coach Harolson said that she will be chosen by secret ballot by the football boys, and no one will know her identity until a glittered helmet is placed on her head by one of the three football captains. The two runners-up will be attendants to the queen and will be escorted by the other two captains. The captains, chosen recently by their team mates, are James Adams, Karl Prohl and Billy Tomlinson.

Assisting in coronation activities will be the Tahoka High School band under the direction of Eddie Bowman. The band will also perform during half-time.

Following the game, a dance will be held for ex-students in the American Legion Hall, according to President Curry, until 1:00 a. m. Music will be furnished by Bill Galloway and his orchestra from Lubbock. Coffee and doughnuts will be served at the final event of homecoming activities.

The junior class will head the sales of Homecoming corsages this year and mums can be purchased for \$1.50 to \$3.00.

Renew now for the Lubbock Avalanche and Journal and the Fort Worth Star-Telegram at The News.

THE AMERICAN WAY

Standing . . .

(Cont'd. From Front Page)
 from sleeping with it.

Finally the time arrived—and after the clan had gathered, what would we cut into but a pie melon! Wonder how long Shorty had been saving back that surprise for us? The dog!

Jan: "I baked two kinds of biscuits today. Would you like to take your pick?"
 Jyn: "No thank you. I'll use my hammer."

Among the students at a well-known college was a young man who used crutches. A homely sort of fellow he had a talent for friendliness and optimism.

He won many scholastic honors and the respect of his classmates. One day a classmate asked the cause of his deformity.

"Infantile paralysis," was the brief reply.

"But tell me," said the friend, "with a misfortune like that, how can you face the world so confidently?"

"Oh," he replied, smiling, "the disease never touched my heart."
 —Guideposts.

New Cars . . .

(Cont'd. from Page 1)
 play the new 1958 Ford on Thursday, Nov. 7. Among the features are a new, improved engine, new high performance cruise-o-matic transmission, Ford-air suspension, 21 body styles, new colors, and also a "new look" among many other changes.

1958 Pontiacs will be displayed on Saturday, Nov. 9, by McCord Motor Co., featuring new chassis design and new lines of styling, ever-level air ride, safety body, quadra-poise suspension, temper 395 performance, and many other new ideas in automobile design.

The Robinsons at Lynn County Tractor Co. will display the new 1958 Mercurys on November 18, with 20 models. The new Park Lane series will be introduced. All models feature new styling and improvements in construction, new automatic transmissions, longer bodies, full air cushion suspension, self-adjusting brakes, a choice of four transmissions, and other features.

1958 Oldsmobiles will be on display at Wharton Motor Company Friday, November 8, and also advertise many improvements and new features, including a new-style "model look," including an entirely redesigned body with new interior and exterior styling, new front end, four-beam headlamps, more efficient fuel-economy engines and carburetors, "new-matic" ride and air-ride, and in fact is claimed to be new from head-to-tailamps.

She Needs Help

Debbie Dixon, 5, of Arlington, Texas, 1957 Muscular Dystrophy Child, symbolizes more than 200,000 American victims of the crippling, fatal disease. Research funds are being sought by Muscular Dystrophy Associations of America through the nation-wide March For Muscular Dystrophy. MDA also sponsors clinics and patient services throughout the country.

CARD OF THANKS

We deeply appreciate the many acts of kindness extended to us during the illness and death of our beloved mother, to the ministers for their consolation, to friends and neighbors for food, flowers, and cards. May the Lord's richest blessings be yours. Mr. and Mrs. O. P. Hemmeline, Mr. and Mrs. M. C. Kizer, Mr. and Mrs. Joe Kennedy, Mr. and Mrs. C. B. Riggs and families.

Mrs. Roy Everett Remains Critical

Mrs. Roy (Elizabeth) Everett was still in very critical condition Thursday morning in Lamesa General Hospital, where she has been a patient since being severely injured about the chest and head in an automobile accident south of Lamesa Oct. 20.

Miss N. F. McDonald, driver of the car, is reported to be improving from head, face and leg injuries which she received in the same accident.

Miss Joan Watkins, who received severe head injuries in a wreck south of Tahoka on Oct. 21, is in Methodist Hospital and her condition this week was reported to be "poor."

Mrs. Everett underwent chest surgery Wednesday of last week and seemed to be improving, but on Saturday right she took a turn for the worse, came out of it and appeared to be improving again. She is reported to have had a bad night Wednesday of this week and was still about the same Thursday morning. She has not regained consciousness, although she has given many signs of knowing, what is said to her.

Crops . . .

(Cont'd. from Page 1)
 freeze did some damage by eliminating all small bolls and some of the larger ones. But, the consensus of opinion seems to be that, this loss may be offset by the good done in killing cotton leaves, drying out the sap and permitting bolls to open more quickly. Also, the freeze helped dry out a lot of grain.

Rainy weather of the previous 10 days had set the crop back and prevented maturity. Thursday was cloudy and damp, and farmers were fearful that more cloudy and damp weather might yet become a deciding factor in the maturity and harvest of the remainder of the crop.

Through Thursday noon, Tahoka's rainfall for October totaled 4.26 inches, bringing the total for the year to exactly 27 inches.

ANOTHER VICTIM

Fort Worth, Tex.—Police were called to a Southside intersection where an elderly man was annoying motorists by stopping them and asking for cigarettes.

The car given the call radioed headquarters: "I've talked to this man before, after receiving complaints. What can I do? He's 85 years old . . . and he mooched me for two cigarettes before I could get away."

CARD OF THANKS

The many kindnesses, thoughtful expressions of sympathy and condolence shown us during these past few days have truly been appreciated. Through you, our friends, we have found greater strength and courage.—Mrs. Edd Busby, Sylba and Lowell.

E. A. Thomas Sells Quail For Eating

E. A. Thomas of Grassland, quail raiser on a big scale, has received his license to sell dressed quail for eating purposes.

Last week's end, Mrs. Thomas brought The News six frozen Bobwhite quail, and The News writer can testify that these birds are about the finest eating one could imagine. A least, they are a lot cheaper to buy than to get by the hunting method.

The Thomases got into the quail raising business as a hobby, and now their hobby has grown into a big business. They have several hundred laying hens, hatcheries, and brooders, and sell setting eggs, baby chicks, grown birds for eating—and for stocking or raising purposes.

In fact, the Thomas quail farm is one of the largest of its kind in Texas. Anyone interested in game birds at all should go to

their place east of Grassland and inspect their quail farm.

East Indian bayan trees produce red cherry-like fruit which is eaten by monkeys.

Great Plains Conservation Program Explained To Lynn County Farmers

Many inquiries have been received recently by the Soil Conservation service assisting the Lynn Soil Conservation District concerning the Great Plains Conservation Program. The following questions and answers may help to explain some of the How's and Why's of the program.

The Great Plains Conservation Program

What is the Great Plains Conservation Program?
The Great Plains Conservation Program, public law 1021, is intended to help speed up the objectives of the total Great Plains Program developed by the United States Department of Agriculture in cooperation with the Great Plains Agricultural Council. The total program includes cost sharing, credit, and technical assistance in soil and water conservation. The Great Plains Program supplements existing activities and does not replace any of them.

How does the Great Plains Conservation Program differ from other programs?

The program guarantees Federal cost sharing for applying needed soil and water conservation practices for a long period.

The program applies only to designated counties in the 10 Great Plains States of which Lynn County is one. The program emphasizes land use changes and wind-erosion control and moisture conservation and management practices.

What is the purpose of the program?

The purpose of the program is to help farmers and ranchers carry out a plan of operations that will help to minimize climatic hazards and protect land from erosion.

Am I eligible?

To be eligible a participant must own, or otherwise control for the period needed to carry out a plan of operations on a farm or ranch in a designated county.

Where do I apply?

Participants may apply at the local Soil Conservation Service Office located in the Court house, Tahoka, Texas.

What are the requirements?

To participate in the program a workable plan of operations that incorporates (1) needed land use changes (2) needed cropping and grazing systems, and (3) needed soil and water conservation practices in proper combinations. Your plan of operations includes a schedule that calls for carrying out all measures in a period not to exceed 10 years with a minimum of 3 years. You then enter into a contract with the Secretary of Agriculture to carry out your plan. The contract includes your plan of operations, your time schedule for doing the planned jobs, and the amount of cost shares to be paid by the Federal Government.

Who will help me make my plan?

You are responsible for making your own plan of operations. It must be technically sound and acceptable to the Secretary of Agriculture. You can get help from your local Soil Conservation Service technicians. Soil and range site maps and other information will be provided.

The contract—who signs it?

You and a contracting officer of the Soil Conservation Service, acting for the Secretary of Agriculture, sign the contract.

What measures are included?

Practices eligible for cost sharing include: Establishing permanent plant cover, field or contour (Can't on back page. Sec. 2)

TAHOKA, TEXAS

"Heart of the South Plains"

FRIDAY, OCTOBER 26, 1957

Higley Praises Rotary Club

Tahoka Rotary Club is one of the best of the 43 clubs in the 573rd District of Rotary International. Morris Higley of Childress, district governor, told the local club at its meeting Thursday of last week.

He praised the club for its 100 percent attendance record of the past 15 months and also complimented the club on the written reports made by about twenty committee chairmen. He said the club had been an inspiration to him and to the district.

Higley brought an inspirational talk that was enjoyed by members of the club. Among other things, he pointed out that Rotary now operates in 106 nations of the world, a growth of seven since last May, and told how Rotary is helping in bringing about better international understanding among nations.

President Happy Smith read a letter of appreciation from Dr. Iringer of Switzerland for the courtesies shown his son, Hans Iringer, Swiss student guest of the Tahoka Club for 10 weeks last summer.

Rev. George A. Dale of Lubbock was a guest, and Smith said Rev. Dale was president of the old Tahoka Luncheon Club at the time the Rotary Club here was formed 20 years ago. Rev. Dale was instrumental in forming the Rotary Club and was a charter member.

Junior Rotarians Jerry Brown and Jav Gurley were introduced, respectively, by Rev. J. B. Thompson and Truett Smith.

Winners Are Named In Flower Show Held Here Saturday By Garden Club

Winners were named Saturday in the placement flower show sponsored by the Tahoka Garden Club and held in the show room of Harvick Motor Company.

Entitled "Harvest on the Plains," the entries were judged by Mrs. A. A. Sires and Mrs. Roy Bearden, of Lamesa. The show was under the direction of the chairmen from the local club, Mrs. Calloway Huffaker, Mrs. Roy Edwards and Mrs. Skiles Thomas. Mrs. Clifton Hamilton is president of the Garden Club.

Winners in the various divisions follow:

Living room, Mrs. John Witt, first; Mrs. Garland Pennington, second; Mrs. Herman Heck, third.

Bedroom, Mrs. Roy Edwards, first; Mrs. Mitchell Williams, second; Mrs. Pat Hines, third.

Buffet, Mrs. Emil Prohl, first; Mrs. Hines, second; Mrs. Clifton Hamilton, third.

Mantle, Mrs. Calloway Huffaker, first; Mrs. Witt, second; Mrs. Hamilton, third.

Hall, Mrs. Pennington, first; Mrs. Prohl, second; Mrs. Hines, third.

Church, Mrs. L. C. Haney, second; Mrs. M. L. Thomas, third.

In the seasonal division, for Halloween Mrs. Williams was third; Easter, Mrs. Witt, second; Thanksgiving, Mrs. Jack Alley Robinson was second and Mrs. Hines, third; Christmas, Mrs. Robinson was first, Mrs. Irving Stewart was second and Mrs. Hines, third.

Dried, Mrs. J. T. Tippit, first; Mrs. Pennington, second.

Kitchen, Mrs. Williams, first; Mrs. Hamilton, second.

Den, Mrs. Huffaker, first; Mrs. Stewart, third.

Special, Mrs. Huffaker, first; Mrs. J. F. Toler, third.

Dining table, Mrs. Heck, first; Mrs. Hamilton, second.

Tea table, Mrs. Edwards first.

Breakfast table, Mrs. Heck, first.

Coffee table, Mrs. Skiles Thomas, second; Mrs. Hines, third.

Luncheon table, Mrs. Heck, second.

Patio or porch, Mrs. Prohl, first; Mrs. Williams, second; Mrs. Hamilton, third.

Desk, Mrs. Hamilton, first; Mrs. Edwards, second; Mrs. Robinson, third.

A very good selection of horticulture was entered in the event including specimens of nearly all blooming fall flowers, but a list of the winners was unavailable.

In addition to the flower exhibit, several local ladies exhibited their work in a class of art. Pictures were displayed that were painted by Mrs. Witt, Huffaker, Edwards, John Slover, V. F. Jones, Ivan Cathcart and Dee Daniels.

The Garden Club would like to express its appreciation to Mr. and Mrs. D. W. Gaignat and to Lawrence Harvick for the use of the show room on Main Street.

Atmosphere surrounding the earth is about 21 percent oxygen, 79 percent nitrogen.

O'Donnell Lady Dies Sunday

Mrs. Sally May Edwards, 78, of O'Donnell died Sunday in Elia Convalescent Home in Fort Worth where she had been a patient about two years and funeral services were held Tuesday at 10:00 a. m. in O'Donnell Methodist Church.

Mrs. Edwards was born Feb. 12, 1879 in Corsicana and she and her husband, Don Edwards, came to Lynn county in 1924 from Strawn, Texas. She was a member of the O'Donnell Methodist Church. For about 30 years Mr. Edwards was manager of Cicero-Smith Lumber Co. in O'Donnell.

Officiating at the services were the pastor, Rev. Howard Marcum, Rev. Marvin Menefee of White Deer and formerly pastor at O'Donnell, and Rev. E. H. Crandall of Lubbock. Burial was in O'Donnell Cemetery under the direction of Stanley Funeral Home. Her body was brought to Tahoka from Fort Worth Monday afternoon.

Survivors include her husband O'Donnell; one daughter, Mrs. Wilbur Line of O'Donnell; one son, Marion Edwards of Arlington, Texas; and three grandchildren.

Air conditioning was first used in a cotton mill in 1906.

Odds and Ends

(By K. I. The Elder)

It was that lovable and popular Scotch poet, Robert Burns, who wrote some 175 or 180 years ago that very apparent and well-known little couplet, "Man's inhumanity to man makes countless thousands mourn." My readers for the past few months has been such as to drive that truth home to me. From the newspapers and magazines and from the radio and the television we constantly get all kinds of reports and news stories of vicious and sorrowful crimes that are being committed constantly throughout this country of ours and in other countries.

Reading and hearing these stories narrated every day, many of us are ready to believe and to say, "Well, I believe the world is getting worse and worse every day." It is true that we still read nearly every day of unmentionable crimes here, there, and almost everywhere. But, have you read about anybody being burned at the stake this year or any other recent year because of his religious beliefs? I gave you a rather disgusting story last week about John Wycliffe's remains being dug up by order of the Pope of Rome, burned, and the ashes scattered upon the waters of the River Swift 44 years after the body had been buried. That was indeed an inexcusable procedure. But now I have a story a little worse than that. Listen.

John Huss was a Bohemian. He couldn't have been a very important individual, you surmise. Furth-

ermore, he was not born until 1373. Dr. Wycliffe was 53 years old at that time and was reputedly the greatest scholar in England—not only a great scholar and thinker but a College Professor and lecturer. So Johnny Huss was a Bohemian lad just 11 years old when Dr. Wycliffe was ready to lie down and die, and did so. He could have had no opportunity to contact and influence Johnny Huss. But Johnny had heard of the great teacher and Reformer, possibly had seen him, and doubtless regarded him as a great hero—a brave man who had defied the Pope of Rome. Johnny Huss had heard that Dr. Wycliffe was a great scholar too. He wished he could be a great man like that. So as a mere lad he entered the University of Prague, the capital of Bohemia, now known as Czechoslovakia. Well John Huss did graduate and receive his M. A. degree at Prague University. But Prague was a Roman Catholic center, and I guess that John Huss had almost forgotten his boyhood hero, Dr. Wycliffe.

At any rate, Huss became a lecturer in Prague University in 1398. And in 1401 he was ordained as a Roman Catholic priest, and as such became Confessor to the Queen of Bohemia. Quite an important personage by that time, don't you think? I can see that devout queen now crawling into that old Bohemian Church on her bleeding knees, just I saw an aged grandmother doing at the Nuestra Señora de Guadalupe Cathedral in Mexico City in 1952.

But something happened evidently to remind Huss of that hero of his boyhood days—John Wycliffe, who dared to defy the Pope of Rome. They had libraries in Oxford and Cambridge and every other European University in those early days of the Renaissance, and I imagine that in browsing around in one of those libraries he found some of the copies of the writings of John Wycliffe. He began to read what he found, and those letters and translations and doctrinal discussions which he found set his soul on fire. He read them over and over again and diligently studied them, I firmly believe. He could feel the light dawning in his own soul. The teachings of John Wycliffe had made a deep impression upon him, and he began to preach with greater zeal and eloquence. Bulls issued against him by the Pope, pleas and threats of friends, persuasion and warnings given by friends and foes alike failed to deter him, but seemed only to increase his zeal and determination. In 1414 charges of heresy were filed against him

and he was summoned to appear before the Council of Constance to answer to the charges. Upon his arrival he was arrested and thrown into jail. When he undertook to defend himself, he was not permitted to do so. He was tried summarily, convicted of heresy, and condemned on June 5, 1415, to be burned at the stake. The Roman Catholic Authorities turned him over to the Civil officers by edict of the Pope, and they who were instructed to burn him at the stake. The sentence was carried out on July 6, 1415, and on that same day his ashes were thrown into the waters of the Rhine. Highly educated and eminently religious, John Huss was exceedingly well beloved and popular among his own people in Bohemia, his execution by the Roman Catholic Church stirred up much resentment and anger throughout Bohemia. And then Bohemians became alarmed lest the Pope should excommunicate them and order them to be burned at the stake also. It was a fearful and effective threat; for as a rule Bohemians were an ignorant and superstitious people, but I charge that the Council of Constance and the reigning Pope at Rome, whoever he was, were guilty of a dastardly murder and ought to have been hanged themselves, instead of causing a great and good man, a God-fearing Christian, to be burned at the stake. I should say, however, that there was a comparatively large

number of Bohemians who refused to be cowed by the murderous threats of the Pope and his satellites and they formed a rebellious party known as Hussites, and they started a war that continued for years but was finally crushed out entirely, and Bohemia reverted to its former state of allegiance to Rome.

Now there were numerous other stake-burnings, but I shall mention here only one more, William Tyndale, an Englishman and a member of the Baptist Church and never a member of any other. But soon after he united with the Baptist Church and began vigorously to preach Baptist doctrine, he did not last long. The Pope and his cohorts got him. He was only 42 years of age when he too was tried for heresy, convicted, and strangled to death, and then his body was burned at the stake. I do not know what they did with his ashes.

Now I am going to quote from the World Book, which is a most reputable work prepared for High School and College Students. Certainly it is unbiased.

According to this work, William Tyndale was born "about 1492" and was executed in 1536. He is described as "an English translator of the New Testament and the Pentateuch." He was "born on the Welsh border, probably in Gloucestershire." He was educated at Oxford and Cambridge, where he gave special attention to Theology,

and later was ordained. Before 1522, he became chaplain and tutor in a family of rank in Gloucestershire, and employed his leisure in preaching in the surrounding villages.

"His views so aroused the antagonism of the clergy that he was brought before the chancellor of the diocese as a suspected heretic. When allowed to depart, he determined to translate the New Testament into English, that it might enlighten the people. To one of his opponents he said, 'If God spare my life, ere many years I will cause a boy that driveth the plough shall know more of the Scripture than thou dost.'"

"In 1524 he visited Luther at Wittenberg, and then went on to Cologne, where he endeavored to have his translation printed. The work was discovered, and the authorities of Cologne commanded the printers not to proceed with it; but in 1526 Tyndale succeeded in getting an octavo edition of the New Testament printed at Worms and with smuggling copies into England with subsequent editions.

"About 1520, Tyndale rejected Luther's doctrine of the actual physical presence of Christ in the Lord's Supper, and Calvin's theory of his spiritual presence in the bread and wine, he looked upon the sacrament as a commemorative act only.

"Because Tyndale, in writings printed at Marburg in Hesse, strongly opposed the divorce of

The Lynn County News, Tahoka, Texas

November 1, 1967

Henry VIII from Catharine of Aragon, Henry had him arrested and confined for sixteen months in the state prison of the Low Countries near Brussels (In Belgium.) In spite of strenuous efforts in his behalf, he was tried for heresy, and strangled, and his body burned soon thereafter, as we have already stated. "He ranks as one of the most remarkable leaders of the Reformation," the World Book says, "but his fame rests chiefly on his translation of the Bible."

The translators of the new Revised Standard Version of the Bible, declare that Tyndale's Translation was used substantially as he had written it by the translators of the King James version that is still generally used by Baptist and

Protestant denominations of the present day, first issued in 1611. So, in reading the King James version of the Bible, dear readers, you are reading virtually what was Tyndale's translation when he wrote it. And you are reading the English of Tyndale's day.

Next week or at least some time soon, Folks, I am going to give some of the marvelous record that the Methodists have made in this country since the days of John and Charles Wesley and the eloquent George Whitefield, and the first American Bishop of the Church, Rev. Francis Asbury.

Temperatures above 125 degrees F. will cause blisters on the skin.

You're face to face
 with the
B-58 BUICK

It looks and feels like flight on wheels

IT RUNS on gasoline and rolls on wheels. But beyond that, all similarity between this 1958 Buick and any other car you've ever known comes to a decisive end.

This B-58 Buick is literally born of aviation principles—starting with a greater use of aluminum than ever before, and going on from there.

With this stunning automobile you're in the forefront of styling's freshest advance.

With it you boss the B-12000 engine—command through a transmission that's the big talk of the automotive world—feel a

modern miracle in buoyancy of ride, plus the never before wonders of Buick Air-Polse Suspension.

With it you can live with more magnificent and beautiful design and engineering than history shows in any single year.

This B-58 Buick is ready now in look and line and lift and life to thrill you to a tingle. Go see—now on display at your Buick dealer's.

*Air-Polse Suspension optional at extra cost on all Series. Flight Pitch Dynaflex standard on LIMITED and ROADMASTER 75, optional at extra cost on other Series. Aluminum Brakes standard on all Series except SPECIAL.

NEVER SO MUCH SO NEW

- * FRESH BOLD DESIGN with the Dynaflex grille.
- * THE MIRACLE NEW Buick Air-Polse Suspension.
- * FLIGHT PITCH DYNAPLOW! with the instant flexibility of a million switches of pitch.
- * B-12000 ENGINE with 12,000 pounds of thrust behind every piston's power-stroke.
- * AIR-COOLED ALUMINUM BRAKES* with smoother, surer control and longer life.
- * "VELVET WALL" Sound Silencing.
- * All built to exacting quality standards.

When better automobiles are built Buick will build them

Great Plains . . .

tour, strip cropping, contour cultivation, improving range cover, planting trees or shrubs for windbreaks or shelterbelts, establishing waterways, building terrace systems, raising or pitting range-land, installing dams or ponds for irrigation, erecting wells for livestock, installing pipe, fencing and controlling brush.

How much cost share will I get? Cost sharing will depend on cost of doing the needed work and the rate established by the State and County Program Committees. The maximum cost-share rate will not exceed 80 percent of the average estimated cost of installing each eligible practice. Payment will be received when the practice or an identifiable unit of the plan has been accomplished. The contracting officer of the Soil Conservation Service must certify performance and compliance with the program before you receive payment.

May I change my plan? When the participant and the contracting officer agree there is a need for changing the schedule or plan; rescheduling a practice or modifying the plan can be done.

What happens to my acreage allotment? Cropland-acreage allotment will not be decreased by any actions taken in carrying out your plan under the Great Plains Conservation Program during the period of contract.

What if I sell my place? If you sell your place during the contract period, your contract is terminated. You will forfeit rights to any further cost-share payments. And you must refund all payments unless the new owner agrees to become a party to the contract and assumes the obligations.

Is there a limitation on the amount of cost shares I can earn?

There is no limitation on the amount of cost shares you may earn per year under this program except a limitation of \$2,500 for cost shares for improving dams or ponds for irrigation. (The law provides that total cost shares paid to Great Plains farmers and ranchers under this program in any one year shall not exceed \$25 million.)

May I use other programs in carrying out my plan? You may use all existing programs and sources of assistance in developing and carrying out your plan, such as the Agricultural Conservation Program and the Soil Bank.

May I graze land under this contract? Yes, you may use for grazing, or for other purposes consistent with good management, the land established in vegetative cover under your Great Plains Conservation Program contract. This contract, however supplements and does not cancel other contracts or agreements you may have, such as those with the Soil Bank.

Policies
Policies and operating procedures for the Great Plains Conservation Program were developed by a Great Plains interagency group in the United States Department of Agriculture and approved by the Secretary of Agriculture. This group consists of the Soil Conservation Service, Agricultural Conservation Program Service, Agricultural Marketing Service, Agricultural Research Service, Commodity Stabilization Service, Farmers Home Administration, Federal Crop Insurance Corporation, Federal Extension Service, Forest Service, and Office of Information.

Inspiration for the Bloomer Girls was Mrs. Amella Jenks Bloomer, 19th century advocate of abolition, temperance and women's rights.

The term bluestocking to describe a learned woman was first used in Boswell's "Life of Johnson."

Lynn County Soil Conservation District News

ROY L. WILLIAMS ELLIS BARNES
O. E. TERRY W. L. (Cap) ROWE
ELMER BLANKENSHIP

Approximately fifteen farmers attended the meeting Thursday night in the county court room to hear representatives of the Plains Grass Seed Growers Association explain and discuss functions of the association handling grass seed. Headquarters is located at Levelland, and was formed about a month ago by farmers and businessmen in Tockley County who are interested in growing and maintaining various grass seed. A border storage building will be located in Levelland but such storage may be located in other towns throughout the southern high plains in the future if conditions are favorable. The association will advertise and sell grass that is under contract.

Farmers contract their seed by agreeing to supply seventy-five percent of their acreage of a certain kind of grass. Payment is made after grass is sold.

Anyone interested in marketing

grass through the association may obtain further details by contacting the local Soil Conservation Service office in Tahoka or the association headquarters office in Levelland.

B. I. Hatchell has shredded the plantings of Sesbania interplanted with New Area peas. These warm season legumes were planted for soil improvement purposes on level border land. Adequate rainfall during growing season made growth for high residue and the sesbania that was inoculated had a good growth of nitrogen fixing nodules on the roots.

By shredding before the sesbania matured seed-a volunteer seed crop will be available. Also when plants are prevented from maturing seed plants nutrients remain in the soil that would be removed when seed are harvested.

It will be interesting to observe

Wayne Huffaker On Aircraft Carrier

Far East (FHTNC)—Wayne C. Huffaker, seaman, USN, son of Mr. and Mrs. Calloway Huffaker of Tahoka, is serving aboard the anti-submarine aircraft carrier USS Princeton, with the U. S. Seventh Fleet in the Far East.

Since her departure from San Diego, Calif., in July, the Princeton has been conducting training exercises and has visited Pearl Harbor; Hong Kong; Sasebo and Yokosuka, Japan.

crops growing on these acres next season. All of recent rains were held on the level borders and will be available for next year's crop production.

Recent rains are benefiting several plantings of small grain including the new tetraploid rye. Rye may be planted until October 31 and other small grains until the middle of December. The small grains planted as cover crops and turned under early next spring will improve the condition of the soil and perhaps partially offset damages that rains are causing to present crops.

Bleeding from a vein or an artery may be recognized by the dark color from the vein, the bright red spurting flow from an artery.

Bel Air Impala Sport Coupe—such luxury never came out of the low-price field before!

ALMOST TOO NEW TO BE TRUE! '58 CHEVROLET!

The biggest, boldest move any car ever made!

New '58 Chevrolet Corvette—America's only sports car goes even sportier!

Meet the beautifully moving '58 Chevrolet . . . panther-quick, silk-smooth! It brings a V8 unlike any other, a Full Coil suspension system, a real air ride and even two new super models! See it today!

Look at Chevrolet's airy new styling. That's how new Chevrolet is all over! It's lower, wider—nine inches longer.

There's an all-new Turbo-Thrust V8* engine. Pair it up with Turboglide*, you'll command the quickest combination of all!

There are two new rides—Full Coil suspension—and the first real air ride* in Chevy's field. The body-frame design is new, the wheelbase is longer.

There's plenty more—a new 4-headlight system for safer seeing, new 6 and V8 power, a foot-operated parking brake. And two new super models—the Bel Air Impala Sport Coupe and Convertible, most luxurious Chevrolets of all.

See all that's new at your Chevrolet dealer's!

*Optional at extra cost.

Bel Air 4-Door Sedan—bold new beauty and Fisher Body quality.

Only franchised Chevrolet dealers display this famous trademark See Your Local Authorized Chevrolet Dealer
