

Serving Tahoka and Lynn County Since 1903!

Volume 54

STANDING ON THE CORNER

When God has an idea, he puts clothes on its back, a hat on its head, shoes on its feet, and sends it down the street.

Lately, it seems, the "bogeys" up Levelland way and a casino flying through space have stolen the spotlight and have been the main topic of conversation around here.

Some think the Levelland ball of fire was a lot of "hoey" while others are quite sure it is something from the moon trying to beat us to the punch.

Whatever it is—I can sympathize with the man who is reported to have fainted at the sight of it.

However, I think I speak for the average American citizen when I say that if it is American made—we'd darn sure like to know when and where we might meet up with it.

All this fuss about the Soviets using a dog in their satellite! But then I guess there are people who value an animal's life more than that of a human being.

This may even be obsolete news by the time this issue goes into the mail since Russia promised something sensational on their National holiday.

No doubt many were looking for that surprise Thursday morning. After a week of rainy weather the day dawned bright and clear.

Echo Milliken told this one on herself.

The other night after Echo returned home from an evening with a boy friend, her teen-age niece, Linda Milliken, was heard to remark, "It's so funny to watch these old people date."

The five-year-old went to kindergarten one morning wearing a pair of faded blue jeans under a ruffled petticoat and a frilly party dress.

There's some talk going around about a community party house being built at T-Bar Country Club to be available to anyone who wishes to rent such for meetings, reunions, parties, etc.

I've come to the conclusion that as a columnist I'm a flop. Most of my colleagues can brag about their letters they've received, etc., etc.—but not me—no mail, no insults, no nothing.

Time was when our forefathers spent half their income on food, according to some statistics. Brother! I said food, not groceries.

The Lynn County News

"I wholly disapprove of what you say but will defend to the death your right to say it." —Voltaire.

Tahoka, Lynn County, Texas, Friday November 8, 1957

Number 5

Sun Out Thursday Following Week of Rain, Cloudy Skies

Thursday morning dawned clear and the sun came out again for the first time since the previous Thursday, and people of the county were wearing smiles again.

Most crop experts agree that this last rainy spell has damaged the grade and staple, cut the production somewhat, and possibly delayed the opening of sappy bolls to such an extent that the hard freeze soon will do much further damage.

Thursday of last week, when The News reported 32,000 bales had been ginned.

Hefner Resigns As Police Chief

Arthur Findt was named temporary Police Chief and Harvey Freeman was also appointed to the force at a meeting of the Tahoka City Council Monday night.

Freeman was added to help temporarily during the fall months, as has been the policy the past few years to have at least two men on duty during this season.

City Drops Penalty On Old Paving Liens

Paving Planned For Next Year

The four-mile gap on Farm-to-Market Road 1317 between Petty and FM 2081, the Lakeview-West Point paving, will be paved during 1958 at an estimated cost of \$48,000, according to announcement of Marshall Formby, chairman of the Texas Highway Commission.

Tahoka property owners still having 1939 or 1950 street paving lines still outstanding against city lots during the next two months have an opportunity to save a lot of money.

Light Vote In Election Here

Lynn county, like most others over the state, cast a light vote Tuesday in the amendment election, but voted in favor of all three appearing on the ballot.

Homecoming Events Today For Tahoka Ex-Students

About 200 ex-students are expected to invade Tahoka today as they come together for 1957 Homecoming activities at Tahoka High School with the climax of the day arriving at 8:00 p. m. when the Tahoka Bulldogs and Post Antelopes meet at Kelly Field.

Irrigation School Is Next Week

All people interested in any way in irrigation are invited to the Irrigation Conference which will be held at Hotel Lubbock next Thursday and Friday, Nov. 14 and 15, according to County Agent Bill Griffin.

W. L. Knight, 93, Dies Suddenly

W. L. Knight, 93, prominent Tahoka citizen for 41 years, died between 12:30 and 1:00 a. m. Saturday at his home on North Third Street.

Except for old age, he had been in good health. He got up out of bed, fell in the floor, and was dead before a doctor could arrive.

Funeral services were held Sunday at 3:30 p. m. at the First Baptist Church with Rev. George A. Dale, a former pastor of the church now serving as interim pastor, officiating.

Mr. Knight and J. A. Brashear built the building now occupied by Piggly Wiggly and Lankford Vari- (Cont'd. on Page 4)

Slight Injuries In Car Wreck

Mr. and Mrs. George Garber of California were treated in Tahoka Hospital Tuesday morning for bruises and minor lacerations received in an accident north of Tahoka about 10 miles on the Lubbock Highway which occurred about 8:00 a. m.

The car which they were driving apparently ran into the back of a truck when a pickup between the two vehicles involved pulled off the highway.

No one else was injured. The newly married couple were returning to their home in California after he had just received his discharge from the Army in Kansas.

Clyde Thomas In Narrow Escape

Clyde Thomas had a narrow escape Saturday while working at the Tahoka Co-op Gin when he came into contact with a belt on the press pump.

Mrs. Ivan McWhirter, who underwent major surgery last week in a Lubbock hospital, was able to come home Wednesday.

Harvey (Slim) Pyburn was released from Tahoka Hospital Tuesday where he had been a medical patient.

Wilson Raises \$823 On Sale Of Brooms

Wilson Lions Club broom sale held Saturday was the most successful the club has ever held, Earl Cummings reports.

Saturday's sale brought in \$823.50 for the club's projects, he says. In 1955, the club raised \$506.00 and in 1956 it raised \$530.00 through the sale of brooms.

Elizabeth Everett Shows Improvement

Mrs. Elizabeth Everett remains in critical condition at Lamesa General Hospital, although she seems to be showing some improvement, friends report.

Wilson Raises \$823 On Sale Of Brooms

Wilson Lions Club broom sale held Saturday was the most successful the club has ever held, Earl Cummings reports.

Tahoka-Post Game Is Tonight

Post Antelopes and Tahoka Bulldogs meet here tonight in their annual football battle as a feature of the Tahoka Homecoming celebration, and anything is liable to happen between these two grid rivals.

Fullbacks: Don Greer, 137, Jerry Morris, 125. Ends: Charles Morris, 140, Ronnie Polk, 142, Scotty Pierce, 147, and Kenney Pool, 147.

Tackles: Arlon Ford, 158, Sammy Martin, 155, Bryan Williams, 158, Leland Edwards, 244, and Paul Wheatley, 146.

Centers: Billy Williams, 140, Herbie Hays, 147, and Lonnie Peel, 137.

Coaches are Frank Khrut, Al Parsons, and Herman Raphael.

TURKEY SHOOT AT WILSON

Wilson Lions are holding their annual fall turkey shoot today and Friday to raise funds for the Wilson City Park project.

Mrs. Dona Moore was released Tuesday from Tahoka Hospital where she had been a medical patient.

JOHN HEGI Tackle Weight 165, Junior, one letter-son of Fred B. (Pete) Hegi.

Debt Paid Off By T-Bar Club

T-Bar Country Club is completely out of debt and operating in the "black" following authorization for payment of all bills at a meeting of directors Wednesday, according to Mrs. O. C. Elliott, secretary-treasurer.

J. R. Slone Is Buried Tuesday

Funeral services for J. R. Slone, retired Wilson farmer, were held at 2:00 p. m. Tuesday in the First Baptist Church at Wilson.

Boy Scout Drive Opened Thursday

Tahoka's annual Boy Scout fund drive got underway Thursday morning following a breakfast of workers, and a goal of \$1,500 has been set for the campaign.

Munselle Takes First Aid Course

Eugene Munselle of Tahoka is among the instructor-trainees enrolled in the Volunteer Red Cross first aid course that will include 14 counties on the South Plains.

MR. DRAPER IN HOSPITAL

I. M. Draper was carried back to Dr. Dupre's hospital at Levelland Wednesday. He has suffered several strokes, and the past few days has been steadily growing worse.

Wayne Wallace of Hereford was here Wednesday visiting old friends. He was formerly Buick dealer here.

Cafeteria Menus For Next Week

Monday: Toasted weiners with cheese, green beans, tossed salad, tomato and macaroni, pineapple rice pudding, bread and milk.

Tuesday: Pinto beans, mixed greens, cabbage salad, corn bread, butter, banana pudding, cheese sticks, milk.

Wednesday: meat loaf, blackeyed peas, buttered broccoli, sun glow salad, whole wheat bread, peach cobbler, milk.

Thursday: Fish with tartar sauce, English peas, buttered potatoes, carrot sticks, hot rolls, butter, apple butter, and milk.

Friday: Hamburgers, onions, lettuce, tomatoes, lima beans, fruit jello, milk.

Birch Larsen of Joseph, Utah, formerly pharmacist at Wynne Callier's, has been here this week visiting Wynne and other friends. He has not permanently located yet, but hopes to return to Texas.

MRS. EARL MORRIS
Correspondent

The ladies of the W. S. C. S. met with the Wilson ladies Tuesday in the Wilson Methodist Church all serving their week of prayer. The home ladies put on their program under the direction of Mrs. S. M. Bean, in the morning. At noon they enjoyed a covered dish luncheon in the basement of the church. The Wilson ladies had their program in the afternoon under the direction of Mrs. Billy Wilkinson. Rev. Wilkinson was called to Dallas Tuesday to assist with a funeral and could not be present for the meeting. Rev. Bean gave the closing prayer. A special offering was taken by both societies to be used for mission work. Those attending from here were, Rev. and Mrs. Bean, Mrs. H. V. Wheeler, Mrs. W. P. Lester, Mrs. Morris and Miss Louise Davidson.

Dr. Turner and a Mr. Crisp of Lubbock met with the men of the Baptist Church last Tuesday night to organize a Brotherhood. Seven members and a visitor, Jack Lancaster from Post, enjoyed coffee and sandwiches in Fellowship Hall. They voted to meet each last Tuesday night in the month.

The WMU ladies met in the Baptist Church at 8:00 o'clock Monday night for their Bible study with Mrs. Kenneth Davies as leader. Seven ladies were present.

Mr. and Mrs. Noble Wynn celebrated their 25th wedding anniversary in their home Sunday. Present for the occasion were their daughter and son-in-law Tommy and Steve Dearth of Amarillo, two of Noble's sisters, Mrs. Carrie Long and Mary Paul of Lubbock, Miss Tommy Wynn of Odessa, Mr. and Mrs. John Long of Dallas and George, Fay of Lovington, N. M. Mrs. Wynn said they received a number of nice gifts and flowers.

Mr. and Mrs. Martin Edmunds returned home Tuesday after visiting relatives the last two weeks in Nebraska. They report a very nice visit regardless of rain, snow and freezing weather in that state.

Merwyn Edmunds of Lubbock spent Sunday with his parents.

Rev. Bean went to Abilene Monday after his daughter, Harriet, who was taken ill at McMurry where she is attending school. They report a number of pupils are out

of school there on account of illness.

Mrs. Buddy Hoffman and two sons are here from California visiting friends and relatives. Supday they visited in the home of two aunts, Miss Ora Mining, Mrs. J. A. Warren and Mr. Warren. Mrs. T. A. Downs, from Slaton was also a visitor in the home.

Linda Davies, Libby Hill, Jerilyn Huddleston, Carolyn Basinger, and Ann Sales enjoyed a slumber party in the home of Linda Halliburton last Thursday night. The girls went on a "trick or treat" jaunt and spent the rest of the night just having fun.

Mr. and Mrs. Doyle Sanders of Lubbock were Sunday guests of their brother and sister, Mr. and Mrs. Wendell Saunders and children.

W. E. Edmunds and Virgil Smith attended the Annual Fall Ceremonial Shriners meeting in Lubbock last Saturday.

Mrs. W. A. Basinger and her sister, Mrs. Stella Simpson took their mother, Mrs. W. M. Bruster to Carlsbad, N. M. Friday for a visit with her son and family, the G. L. Brusters.

After staying 4 days in Slaton Hospital, Mrs. A. J. Matlock is recuperating in the home of Mrs. Halliburton.

Mr. and Mrs. Ronald Huddleston of Abilene spent the week-end here with his parents and her aunt and family the F. W. Callows.

Mr. and Mrs. Noel Oats have moved a ready-built modern house on to their farm and will move into it in the near future.

Roy Williams and his brother, Will and family of Post went deer hunting near Norwood, Colo. last week and brought home 4 deer.

The ladies of the Eastern Star enjoyed friendship night in the lunchroom of the school Tuesday night. About 60 members were here from surrounding chapters.

Sunday guests of the Ed Millikens were a son and wife, Mr. and Mrs. Don Milliken and their daughter, and family, Mr. and Mrs. Bob Henderson and Joe Bob from Wolforth.

Weekend guests in the Wm. Lester home were their son Joe and family from Amarillo. Sunday guests were another son, Troy and family, a daughter and family the I. J. Duff, all from Leveland.

Gene Anderson and family of Brownfield spent the weekend with his parents, the Leonard Andersons and her parents, Mr. and Mrs. C. D. York of Post.

Mrs. Roy Williams and her daughter, Mrs. Donald Sikes and baby went to Lubbock Thursday, and visited Mrs. Walter Williams, Mr. and Mrs. Ed Martin.

Mrs. Pat Taylor entertained in her home with a Halloween party her son, Tommy Jack, last Thursday evening. 21 little folks came dressed in their spooky costumes to play in the dimly lighted garage. After playing a number of games they were served punch, sandwiches and cake by the mothers. The spooks declared the party a howling success, each one was given a whistle for party favor.

Mr. and Mrs. J. B. Rackler and children spent Sunday with the

Circus Showing In Lubbock Coliseum

Included in the 1957 Ringling Bros. and Barnum & Bailey Circus, which is scheduled for five performances in the Lubbock Municipal Coliseum on November 11, 12 and 13, are four new and beautiful spectacles in which hundreds of beautiful costumed performers will participate.

Performers in "The Coronation of Mother Goose" became characters from Arabian Nights, nursery rhymes and clown alley. "Cherry Blossom Time" features 60 stunning girls and the lovely Galla Shawn swirling and turning high in the air; and "Sarotoga Racing Ball of 1913" is a nostalgic reminder of the gay and colorful racing days of Sarotoga, New York. The glamorous and glittering finale "Carnival in Venetia" has the entire circus cast marching in rainbow-hued magnificence. The most beautiful costumes ever to be seen in a circus are worn by the scores of girls in this number.

The all-new show, which plays in Lubbock following an outstanding success at Madison Square Garden, is certainly not without its lighter moments. Displays of clowns headed by such masters of buffoonery as Felix Adler, Otto Griebing, Lou Jackson, Paul Jung, Gene Lewis, Albert White and Paul Horomp, promise to keep the crowd in an uproar and to bring hearty laughter from even the oldest in the audience, for when one attends the circus, years fly like a jet soaring over the skies.

The circus is still "The Greatest Show On Earth," and residents of Lubbock and the surrounding area are fortunate indeed to be among the first to see the show indoors, in the comfort of the new Coliseum, where performers will use a foam rubber matting in place of the "sawdust-used-in-days-of-the-big tent."

Times for the performances are 3:30 and 8:00 on Monday and Tuesday, November 11 and 12, and 4:00 only on Wednesday, November 13. Prices are \$3.00, \$2.40 and \$1.80, with children under 12 admitted at half-price to any afternoon show. Tickets to the

Carl Racklers near Wolforth. Jess Rackler of Lubbock visited his sister-in-law, Mrs. J. F. Rackler two days last week.

two night shows are the same price for children and adults. The box office in the lobby of the auditorium is open daily from 9:00 to 5:00.

for advance ticket sales. Mail orders, including check or money order and a return envelope, should be addressed to: Civic Lubbock, Inc.,

Lubbock Coliseum, c/o City Hall. Berlin is the largest city on the European Continent.

ELECTRIC LIVING IS FUN!

ELECTRIC DEEP WELL... Modern!

... as modern as atoms and electrons.

The deep-well gives you that long, slow, steady cooking that bakes beans to perfection, boils jellies to a satiny smoothness, turns out stews that won't stop.

Put today's touch on those taste-tempting, time-tested standbys with a deep-well on a modern range. Of course, it's electric.

SPORTS

Breaks of Game Go Against Bulldogs In 26 to 7 Loss To Slaton Tigers

Slaton Tigers had reason to rejoice Friday night for they defeated the Tahoka Bulldogs for the first time in eight years. The score was 26 to 7.

Actually, the Bulldogs defeated themselves, for just about everything went wrong. The Bulldogs lost four fumbles, two of which resulted in Slaton scores, an onside kick failed to work, a pass was intercepted, a fourth down running play failed to get a first down, and both the offense and defense failed to click properly.

However, the Tigers played good ball and were consistent in the touchdown drives, and just plain outplayed Tahoka.

Undaunted, the Bulldogs hope to turn in a much better game this week and with a little luck could upset the Post Antelopes to make the season record look a little better.

At Slaton, Tahoka received the opening kickoff, fumbled, Slaton's guard, Glen Taylor recovered on the Tahoka 48. Halfbacks Pat Adamek and Rodney Fulcher, Fullback Alex Franco and Quarterback Corley proceeded to march to the Tahoka 4, from which point Adamek went over his right tackle to score. Franco went over the middle for the extra point. Score 7-0.

Tahoka moved the ball to the Slaton 44, with Karl Prohl and Billy Tomlinson at halfbacks, Weldon Calloway at full, and George Adams at quarter. A fourth down running play failed and Slaton took over. Five running plays, with a 13-yard pass Corley to End Howard Limmer sandwiched in, and then Corley found Adamek behind the Tahoka defense and hit him with a long 32-yard pass for the score. 13-0.

Tahoka couldn't move, End Jerry Brown punted 32 yards to the Slaton 48, and the Tigers proceeded to march for a third score, Fulcher going the last 15 yards off tackle. Fulcher's extra point try failed. Score 19-0.

Tahoka lost the ball on a fumble on the first play from scrimmage on the Tahoka 43, but held Slaton to 6 yards in four plays. Tahoka again taking over on the Tahoka 37, Prohl's pass was intercepted by Guard Wayne Banks on the Tahoka 40. Tahoka again held as the first half came to an end.

Opening the third quarter, Brown's on-side kick went haywire and Slaton covered on the Tahoka 41. Slaton couldn't move. Adamek's punt was only 14 yards, and Tahoka moved 8 yards in two plays but fumbled and Slaton's Jimmy Sikes recovered on the Tahoka 34. The Tigers moved to the Tahoka 19. Corley passed to End McClanahan, who fumbled but a Slaton boy recovered on the Tahoka 1 foot line, and Corley kept to go over center for the final Tiger score. Sikes went over the middle for the extra point. Score 26-0.

Tahoka now moved to the Slaton 29, but a fourth down pass was incomplete. In the last of the third and early in the fourth, the ball changed hands five times. On one occasion, Tahoka had a drive started, moved to the Slaton 43, with HB David Copeland and Prohl

GAME STATISTICS		Tahoka	Slaton
1	First downs	12	12
14	Yds. rushing, net	188	188
2 for 76	Passes com.	6 for 80	6 for 80

2 for 10	Penalties	7 for 85	7 for 85

making nice gains, and then Adams hit Jay Gurley with a 18-yard pass to put the ball on Slaton's 25. The next play, Slaton covered a Tahoka fumble.

Slaton was forced to punt, and Brown brought the ball to the Tahoka 42. It was then Adams faded to pass, found Gurley away down field and hit him with a long pass on the Slaton 15. Jay stepped through hands of a tackler and ran over the goal for Tahoka's score. The pass was one of the most sensational plays of the game, or in fact any game Tahoka has played this year. David Copeland hit the middle for the extra point. Score 26-7.

Tahoka had one other chance, but could not capitalize as the clock ran out.

Wilson Loses In First 4-B Game

Wilson Mustangs meet an old rival, the Meadow Broncs, at Meadow today in a District 4-B game that may decide second place in conference competition. Each team has won three and lost one in district play.

The Mustangs dropped their first conference game at Whiteface last Friday 27 to 13, and the Whiteface Antelopes just about have the district championship sewed up.

Whiteface scored once in each quarter to win, while the Mustangs did not get a successful drive underway until the fourth quarter. Halfback Kenneth Ethridge turned in a 75 yard run for Wilson's first score, and Quarterback Kenneth Hanes went four yards through the line to score the second for Wilson. Halfback Paul Henderson ran over the extra point following the second score.

Lockney Game Set For 2:30 Next Friday

Game time has been changed when the Bulldogs go to Lockney Friday, Nov. 15, according to Superintendent Otis Spears.

The game will be held at 2:30 p. m. on that day instead of the previously scheduled time of 8:00 p. m. because of the unpredictable weather and at the request of Lockney school authorities.

School will turn out in the Tahoka schools at 12:00 p. m. and buses will run at 12:05 p. m. Only students in the elementary schools will have opportunity to eat lunch in the school cafeteria, Spears said, because school will dismiss at high school's regular lunch period.

Bulk of the the world's diamonds come from the Cape Province of South Africa.

New Home Loses Cooper Game

New Home Leopards will play the highly-rated Whiteface team at New Home today, and again has an uphill battle as the visitors have won six in seven starts and have won all four starts in District 4-B competition.

Last Friday, at New Home, the Leopards dropped a close one to the Cooper Pirates 34 to 27. In the first period, New Home's Castro scored on a 30 yard run and Milliken added the extra point, but Cooper came right back to tie the score and then scored twice in the second period. Castro again ran 25 yards to score and Milliken added the extra point, but Cooper led 20 14 at the half.

In the third, Castro ran 50 yards to put the Leopards ahead, but Cooper again bounced back a second time to take the lead. Ford passed to Edwards for New Home's final score.

B-Team Fumbles Game To Slaton

Tahoka B team lost a 20 to 6 in the third quarter after a 65-yard Thursday night of last week.

Slaton scored twice in the second quarter, both scores coming after covering Tahoka fumbles inside the Tahoka 30 yard line and again in the third quarter after a 65-yard march. Billy Cain scored for Tahoka in a short drive over the middle after a sustained drive. All other Tahoka drives were nullified by miscues and fumbles.

Two centuries ago 175 crimes were punishable by death in England.

Junior Girls Open Basketball Play

The first basketball games of the year were played here Tuesday night when the Tahoka freshmen and eighth grade girls lost two games to Wilson.

Wilson freshmen downed Tahoka 26 to 19 with the winners Betty Joe Hanes taking scoring honors with 18 points; Dixie Forsythe and Melissa Reece both had eight points for the losers.

The eighth grade lost a closer battle by 26 to 23. Tahoka's Judy Thomas tossed in 16 points while Wilson's high scorer made 11.

The teams are coached jointly by Jake Jacobs and Tom Bartley. Members of the freshman team are Nedra Roberts, Tommie Isham, Dixie Forsythe, Melissa Reece, Virginia Stephens, Martha Curry, Martha Collard, Sethan Lewis, Martha Bell, and Peggy Polk.

The eighth grade team is composed of Judy Thomas, Loretta Fhort, Kay Halameick, Donna Copelin, Paula Wood, Jan Brown, Diane Falls, and Loretta Potts.

Next Tuesday night the girls A and B teams will go to Wilson for their first games of the year and Thursday will journey to Loop, with the latter returning games here Tuesday, Nov. 19.

LAST FRIDAY'S SCORES

Slaton 26, Tahoka 7.
Floydada 41, Post 0.
Lockney 34, Spur 13.
O'Donnell 28, Frenship 13.
Cooper 34, New Home 27.
Whiteface 27, Wilson 13.

Canuck is a term sometimes used in the U. S. to denote a Canadian.

Cantaloupes were first grown at Cantalupo, Italy.

Seagraves Plays O'Donnell Today

O'Donnell 'Eagles' entertain the Seagraves Eagles tonight at O'Donnell in a game that will see the Lynn county team up against another highly-rated competitor in the District 5-A race. Over the season Seagraves has won six, lost two, has lost one and won two in district competition. O'Donnell has won four and lost four over the season, but has won one and lost two in conference play.

Last Friday, O'Donnell knocked the Frenship Tigers out of the undefeated list in winning 28 to 13. Sundown now leads the league with three games won.

Gerald Barton scored early in the first quarter on a 12-yard reverse play, and a few minutes later Tommy Gardenhire passed 15 yards to Kenneth White for a score. Jerry Gass ran over both extra points to put the Eagles out in front 14-0. Frenship scored first in the second quarter, but the Eagles came back in the third with two TD's, Barton going 22 yards for one and Gass six for another. In between, Frenship had scored again. Neither team scored in the final period.

GAMES THIS FRIDAY

Post at Tahoka.
Slaton at Abernathy.
Wilson at Meadow.
Whiteface at New Home.
Lockney at Floydada.
Seagraves at O'Donnell.
Spur, open date.

Carol originally meant a song accompanied by dancing.

Coffee was first used in Abyssinia in the ninth century.

GIRL TROUBLE

Brownsville, Tex.—A couple of young Mexico City girls who wanted to tell their boy friends that they had arrived in Brownsville safely, sent fire equipment scurrying to E. Sixth and St. Francis Streets.

Police said the girls were attempting to mail post cards when they mistook a fire alarm box for a mail box.

"No damage other than the girls' embarrassment," police said.

Proved and approved around the world and now it's here for you... the 58 FORD

One look tells you... there's nothing newer in the world!

You'll ride in a new world of style in the 58 Ford

- New deep-sculptured styling
- New Interceptor V-8 power
- New Cruise-O-Matic Drive
- New Ford-Aire Suspension
- New Magic-Circle Steering

The 58 Ford is the newest car in the world—the only car ever to meet a world-wide test and win world-wide approval before its public premiere.

Here's a car so new, so beautiful it made eyes pop from Paris to Pakistan... a car so rugged it proved its mettle in a road test around the entire world! What's more, it did it on surprisingly little gas—thanks to new Precision Fuel Induction. Come in and let us show you the world's most beautiful new bargain!

You'll be ahead with Ford's new Interceptor V-8 and Precision Fuel Induction. There's nothing newer than these engines that give you up to 300 hp. Smoother power! From less gas! One secret is Precision Fuel Induction, a wonderful new carburetion, fuel feeding, and combustion system.

You'll get up to 15% more gas savings with new Cruise-O-Matic Drive teamed with the new Interceptor V-8. New D1 position, used for all normal driving, lets you move smoothly, automatically—with just a touch of your toe—from solid-feeling take-offs right up to highway cruising speeds.

You'll ride on a cloud instead of a spring with Ford-Aire Suspension. Four air pillows literally soak up the bumps! And Ford's new air suspension relieves the car every time someone steps inside or luggage is loaded. An extra-cost option, you get all this of traditionally low Ford prices!

You'll steer with a feather touch with Ford's new Magic-Circle Steering. Nothing rolls like a ball, and that's the secret of Ford's handling ease. Free-moving steel balls in the steering mechanism are virtually friction-free—give you the closest thing yet to power steering! Come in and try it!

TAHOKA, TEXAS

USEFUL THEFT
Houston, Tex. — Thieves may find themselves outfitted in what they stole from Mrs. Leone Hurlburt.

Mrs. Hurlburt dumped a package into her car and went off to continue shopping. The package was gone when she returned.

Appropriately enough, the package contained ten yards of black and white prison stripe material. "If they catch the thief, he can wear it," she said.

Mahon Discusses Cotton Program

Rep. George Mahon of the 19th District said this week he was "greatly disturbed" over a proposal to change the method of determining cotton allotments in Texas which is now pending before officials of the Department of Agriculture.

Mahon said in a statement from California, where he is currently on an emergency inspection tour of the nation's missile program in his capacity as Chairman of the Defense Appropriations Subcommittee, that he had been alerted to the proposal about two weeks ago.

"I appealed over the telephone to USDA officials in Washington to eliminate the proposal, which would be discriminatory toward West Texas cotton growers," Mahon said. "I have wired officials in Washington and Texas once again, urging that the whole matter be carefully reviewed and that the history basis of allotment be followed. This would give West Texas its equitable share of cotton acreage allotments to the state."

Mahon explained the history basis, if followed by the State ASC Committee, would be helpful to West Texas by reason of the fact many East Texas farmers have not been planting their cotton acreage allotments.

"I had asked Washington officials to hold the acreage reserve figure for the 1958 crop year to 2 percent and under no circumstances to allow it to be more than 3 percent," Mahon said. This pending proposal would provide for a reserve of about 7 per cent and would "freeze" each county's 1958 cotton allotment at not less than 98 1/2 per cent of the 1957 allotment.

"I shall continue to keep in close touch with the situation," Mahon said, "and I will do everything in my power to prevent West Texas cotton farmers from being saddled with such an unfair distribution of allotments for the 1958 crop. I would like to urge West Texas farmers and farm organizations to continue to make their views known to USDA officials, and I would be pleased to have the benefit of their views and suggestions at any time," Mahon added.

The West Texas Congressman is in the midst of a nationwide tour designed to iron out difficulties in the lagging US missile program and keep the country abreast of Russian scientific developments. Highlights of the tour will be a meeting Nov. 20 at the Pentagon in Washington with Defense Secretary McElroy and others.

Mrs. J. T. Brice has been in Dallas several days visiting her son, J. T. Jr., and family.

Homecoming . . .

(Cont'd. from Page 1)
tance to attend the activities and to the ex-student representing the earliest class. Ex-lettermen will also receive free tickets.

A banquet, which has become an annual event, will begin at 6:00 p. m. in the school cafeteria which is being given by the Ex-Students Association for all ex-students. Tickets are \$1.50, according to Albert Curry, president of the organization. Entertainment will be presented by Jan Thomas in tap dance numbers and by a vocal trio composed of Patsy Norman, Marybelle Wood, and Diana Hensley, all high school students. The entertainment has been arranged by Mrs. Charles Verner.

Immediately following the banquet, a business meeting will be held for the purpose of electing new officers and making plans for next year's homecoming. Outgoing officers will be Curry, president; Dub Harvick, vice president, who is in charge of the food; committee this year; Mrs. Adams, secretary-treasurer; and Mrs. O. C. Elliott, chairman of the names committee.

A dance will be held for ex-students immediately following the football game at the American Legion Hall and will last until 1:00 a. m. Bill Galloway and his orchestra from Lubbock will furnish the music and coffee and doughnuts will be served at the final event of the day.

Knight . . .

(Cont'd. from Page 1)
ety, in which they operated a general mercantile store until about 1925. This store at the time was one of the largest on the South Plains and handled—dry goods, clothing, millinery, groceries and meats, hardware, coal and feed, as well as other lines. In fact, the store even sold tractors and automobiles and farm machinery.

After the two men dissolved partnership, Mr. Knight took the west-half-of-the-building-and-he and his son, K. F. opened the Piggy Wiggly store. At the time of his death, Mr. Knight still owned the building, but the business has been owned by W. T. Kidwell for a number of years. He also acquired several farms in Lynn county.

Mr. Knight served on the Tahoka school board, and was a member of the City Council when the first Tahoka brick paving was laid in 1921. He was a deacon and a trustee in the First Baptist Church.

Mrs. Knight died here December 21, 1955, the couple having been married 66 years.

He was a progressive citizen, and even up to the day of his death he was looking to the future. Although retired for a number of years, at 93 he was more active than many men his age. He did his own yard work and made repairs to his home.

Survivors include one son, K. F. (Buddy) Knight of San Angelo; three daughters, Mrs. F. T. (Ollie) Carson of Charlottesville, Virginia, Mrs. M. M. (Ora) Boyd and Mrs. J. E. (Leota) Nance, both of Tahoka; eight grandchildren and five great grandchildren.

IN THE NAME OF JUSTICE
San Antonio, Tex.—A tamale salesman who can't speak English had a driver's license finally after justice went out of its way to help him get one.

The salesman, Fabian Hernandez, 29, was hauled into court for the fourth time for driving without a license. Asked, "Why in the world don't you get a license?" Hernandez replied that he had been to the state highway license department several times, but no one there could understand what he wanted.

Arresting Patrolman Raymond Church offered to go with Hernandez to get the license—but Church can't speak Spanish.

A Spanish-speaking secretary solved that problem, and Hernandez passed the test with flying colors. Judge Harold Hall was so pleased he dismissed the last two tickets against the tamale salesman.

Brenda McCord, 15 month old daughter of Mr. and Mrs. Rollin McCord, Jr. of Brownfield, was released this week from Tahoka Hospital where she was treated for pneumonia.

Joyce Lauderdale was admitted to Tahoka Hospital Tuesday as a medical patient.

It is generally believed there has never been a time, including the present, when the world was entirely free of cannibalism.

Canada and the U. S. are separated by the longest international boundary in the world without fortification.

DIXIE HD CLUB MEETS WITH MRS. A. D. SMITH

The Dixie Home Demonstration Club met Wednesday in the home of Mrs. A. D. Smith when the hostess and Mrs. Earl Tunnell gave a demonstration on Holiday foods.

The model for the program was that given on Oct. 28 at Hamilton Appliance by Mrs. Fern Nix.

Three visitors joined the six members attending the meeting, Mrs. Lions, Mrs. Hoskins and Mrs. Haley.

On Thursday night, Nov. 21, the group will meet in the home of Mrs. W. C. Huffaker for the Thanksgiving social when each member will bring food for her family.

CARD OF THANKS

I wish to say thank you to Dr. Thomas and to Mable Morgan for being so kind and patient with me. It meant so much. I also wish to thank the other nurses. For your loving kindness my lips shall praise thee. Psalm 93. May God richly bless each of you in my prayer.—Donna Moore.

CARD OF THANKS

We wish to express our appreciation for your wonderful cooperation and attendance at the Halloween carnival held last week. It was a huge success. The Band Boosters Club.

sult that would hold a family of six.

Look at your list of groceries next time and see how much is really edible—I'm speaking mainly to you men who hold the monthly bill in your hand and gripe because there never seems to be anything to eat.)

For instance, here's an old one I dug up from somewhere. Vegetable juice, peas, facial tissue, napkins, mayonnaise, dishwashing soap, ice cream, washing machine detergent, bread, cheese, wax, bar soap, tooth paste, meat, butter, starch, cereal, orange juice, milk, matches, potatoes, shaving cream, lettuce.

Count 'em—13 articles of food and 10 articles of other things not really groceries, but necessary.

Therefore, I'm contradicting the guy who said we are eating up all our profits—we're not—we're cleaning house with them.

In God's design, the very labor by which we earn our daily bread is that by which we gain eternal life. We glorify God not only in the church pew, but at a kitchen range, an office desk or a factory bench, provided we view our appointed task in life as not just a job, but a vocation; not just a career, but a divine calling.—Rev. John B. Daley.

Society & Club News

Miss Wanda Thornton, Wiley Lee Curry Were Married Last Saturday Afternoon

Miss Wanda Thornton and Wiley Lee Curry exchanged wedding vows Saturday at 2:00 p. m. in the home of the bride's sister, Mrs. Joe Weatherman, in Brownfield. Rev. D. W. Copeland, pastor of the Wells Baptist Church, read the double ring ceremony before baskets of white gladioli.

The bride is the daughter of Mr. and Mrs. H. M. Thornton of Tahoka and the bridegroom is the son of Mrs. Elnora Curry of Tahoka.

Given in marriage by her father, the bride was gowned in waltz-length traditional white. Her bouffant skirt was accented with panels of lace over taffeta and a fingertip veil extended from a crown of matching lace. She carried a bouquet of white carnations.

Mrs. Royce Garner of Great Bend, Kansas served her sister as matron-of-honor. Deck Dunsagan of Tahoka, uncle of the bridegroom, was best man.

The bride's mother chose a grey dress for the wedding ceremony and Mrs. Curry was attired in

beige. Both wore pink carnation corsages.

A reception was held immediately following the ceremony. Assisting in hospitalities were Misses Joyce Lauderdale, Patsy Sutton, and DaOnne Vickers.

The bride is a graduate of O'Donnell High School and is presently employed by the Lynn County ASC office. Employed at the Tahoka Co-op Gin, the bridegroom is a graduate and ex-lettermen of Tahoka High School. Following graduation he served two years in the Army. They are at home in Tahoka at 1607 Miller Street.

Week of Prayer Will Be Observed

The Woman's Society of Christian Service and the Wesleyan Service Guild of the First Methodist Church will meet together Monday evening, Nov. 25 for the observation of Week of Prayer and Self Denial.

Mrs. Roy Edwards, secretary of the spiritual life of the Woman's Society, will be in charge of the program.

Plans are also being made for a supper to precede the annual program. Actually the week designated for the observance is in October, but because of conflicts was postponed locally until the November date.

First successful sugar factory was built in the United States in 1870.

Today's MEDITATION

from
The World's Most Widely Used
Devotional Guide

The Upper Room

© THE UPPER ROOM, NASHVILLE, TENNESSEE

Read 1 Corinthians 15:20-28.
But in fact Christ has been raised from the dead. (1 Corinthians 15:20. RSV.)

In her forest home a little child lay dying. Death was a certainty, but the parents would not accept it. Looking to them, Derli said she would soon be with her heavenly Father. They wishfully assured her that she was not going to die. "No," she replied "I am leaving to be with my Father in heaven." In a few hours she died.

Through the brief years of her life, this child had come to know the truth central in our Christian faith—the power of God to resurrect His loved ones from the dead. The teachings within the home, the many hymns she knew by heart, the strength of prayer, and the presence of the resurrected Christ—these provided firm reality for even this little one.

Our faith in the power of God can also be unclouded by doubt as we look to Him who raised His Son from the dead. In Him is the power to raise us up new creatures in Christ.

PRAYER
O God of the living, may Thy Son dwell in us today that there shall be in us no room for sin. Let the victorious Christ command our spirits that we may one day be with Thee eternally. In His name. Amen.

THOUGHT FOR THE DAY
The resurrection means the presence of the living Christ among men.—Harold R. Kelly (Brazil).

WCSA Is Host To District Meeting
Mrs. W. B. Landrum of Little Rock, Ark. was the featured speaker at a district meeting of the Brownfield District Woman's Society of Christian Service held at the First Methodist Church here Friday.

Speaking on mission work in Alaska and the Hawaiian Islands, she told many of her interesting experiences as a field worker for the Woman's Division of the Methodist Church in the U. S. and its 54 mission fields. She recently toured the mission posts in Alaska to become acquainted with its problems and was sent to the country primarily to establish a school of missions such as those held in Lubbock for the Northwest Texas Conference annually.

Her talk also dealt with the courage and faith of the missionaries of the Methodist Church in meeting the needs of the people and the problems that constantly arise in such places, as well as the kindness and compassion of those reached by the church.

Mrs. Landrum stressed the significance of the day, "World Community Day," by saying that peoples of the world are all of one community. She said that "the only great distances we have today are those we carry in our hearts." Also in conjunction with this theme, Mrs. Landrum stated that through the prayers we give and services we render, we can find ourselves a home at any place throughout the world.

Some years ago she was captivated by the mission program and soon became an officer of the district, conference, jurisdiction and a member of the Mission Board of the church. "No one ever knows when he steps into the chariot of God how far he will ride or how high he will rise," she said.

Mrs. Roy LeMond of Grassland, president of the Brownfield District, presided at the business meeting and Mrs. V. F. Jones, president of the local society gave the welcome address to the 100 women attending from this area. Mrs. M. J. Green of Ropesville gave the devotional and a vocal solo was presented by Mrs. Royce Womack of Anton.

The Woman's Society of Tahoka served the meal at noon.

Congratulations:
Mr. and Mrs. J. M. Stice of Tahoka on the birth of a daughter weighing six pounds, four ounces Friday, Nov. 1, at 12:36 p. m. at Rumbo Clinic in O'Donnell. She has been named Vangie Lee and is the grand daughter of Mr. and Mrs. C. E. Birdwell and Mrs. M. R. Stice.

Barley is the world's fourth most important cereal.

Mrs. Hegi Will Review Book

Mrs. Fred B. Hegi will review the book, "To Live Again," a new publication by Catherine Marshall, at a guest tea sponsored by the Woman's Society of Christian Service Monday, Nov. 11, at 3:30 p. m. in Fellowship Hall of the First Methodist Church.

All ladies of the community and area are invited to hear Mrs. Hegi, a local lady who is known for her ability in reviewing books. The author, Mrs. Marshall, also wrote "A Man Called Peter."

Haney Family Bridge Winners

The T-Bar Country Club Duplicate Bridge Club met in the home of Mrs. Winston Wharton Tuesday night ending the six-game series. First place winners this week were Mrs. Wharton and Johnny Wells; second place, Mrs. Johnny Wells and L. C. Haney; third place, Mrs. Bill Lumsden of Wilson and Mrs. Frank Hill.

The group will meet at the Country Club next week, according to present plans.

Anita Huling Is Married Recently

Miss Anita Huling, daughter of Mr. and Mrs. Milton Huling of Seagraves, was recently married to Johnny Burns, also of Seagraves. The bride is a former resident of the Draw and Redwine communities.

The couple was honored with a wedding shower Tuesday night at the South Side Baptist Church in Seagraves when hostesses were Miss Vina Manning, Miss Patsy McSwain and Mrs. H. W. Rushing, and the ladies of the church.

Advertising doesn't cost, it pays

STUBBORNNESS PAID

Dallas, Tex.—Clyde Tom Rugel, who owns a drive-in, saved himself from being robbed one night by stubbornness.

A man asked Rugel for a paper bag to put a pair of shoes in. When Rugel got the bag, the man pulled a pistol and told Rugel to put his money in the bag.

"No," said Rugel.

"I mean business," the man warned, shooting behind the bar and above Rugel's head.

Rugel still refused. The would-be bandit laid his gun down and told Rugel, "Call the police. I want to go to jail." At this point Rugel stopped being stubborn.

PROBLEM SOLVED

Houston, Tex.—When Mrs. Nellie Harris, operator for Southwestern Bell Telephone Co., decided to take her lunch to work, her six-year-old son, Charles, was worried. How, he wondered, would she be able to tell her lunch from all the others?

Came the solution: Charles announced he would write her name on the sack.

Sure enough, at noon Mrs. Harris had no trouble finding her lunch. Scrawled all across the front was: "MOTHER."

Bermuda grass thrives best in the extreme South.

B-58 BUICK

Born of more
Aircraft Principles
than any other car yet built

HERE—coming to you from the freshest blueprints in years—is a car built to make your driving as modern as your thinking.

This one's built with more aviation principles throughout than any car before.

There's a greater use of airweight aluminum in its form and structure—in its engine—in its styling—even in its quick-cooling brakes.

There's an air-borne feeling of flight in its performance with Buick's B-12000 engine and with Flight Pitch Dynaflo* that can switch the pitch a million ways.

And everywhere you go—you travel in new skyway comfort with Buick's Miracle Ride plus Air-Poise Suspension.*

So this is a car of truly exciting ideas for 1958—the Air Born B-58 Buick. And you should see it and drive it at your Buick dealer's soon. Come on in today.

NEVER SO MUCH SO NEW

- ★ Fresh bold styling with the Dynastor Grille.
- ★ The Miracle Ride plus Buick Air-Poise Suspension.*
- ★ Flight Pitch Dynaflo* with the instant flexibility of a million switches of pitch.
- ★ B-12000 Engine with 12,000 pounds of thrust behind every piston's power stroke.
- ★ Air-Cooled Aluminum Brakes* with smoother, surer control and longer life.
- ★ "Velvet Wall" Sound Silencing.

* All built to exacting quality standards.

*Flight Pitch Dynaflo standard on LIMITED and ROADMASTER 75, optional at extra cost on other Series. Air-Poise Suspension optional at extra cost on all Series. Aluminum Brakes standard on all Series except the SPECIAL.

There's Nothing Like Solid Maple

...for enduring long-life and quality that improves with every passing year!

Early New England cabinet makers built their colonial furniture to last... built it of solid rock maple. And you'll be delighted to find in these and other living room creations the same solid rock maple... the same warmth and integrity found in the finest Early American pieces of New England.

Sturdy design featuring the very finest in craftsmanship is evident in every one of these lovely colonial bedroom pieces. Compare the rich satin finishes... the superb dovetail construction, and the quality of the solid rock maple woods.

Colonial Poster Bed

Enjoy the warmth and charm of Early American Design in Solid Hard Rock Maple Hand-rubbed and waxed to an exquisite "old spice" satin finish

AT PRICES THAT WILL SURPRISE YOU choose your favorite combination of pieces

Speaker At New Home Civic Club Tells of Life in Union of South Africa

George Hancock of Lubbock told of his recent visit to South Africa and showed colored slides of the trip at New Home Civic Club Monday night. The meeting was attended by 50 men.

Hancock is a son of Mr. and Mrs. L. N. Hancock of New Home and is associated with his brother, Eugene, in the Hancock Mfg. Co. He made the trip to South Africa to set up some heavy dirt moving machinery they had sold the Union of South Africa.

He flew down there, the trip requiring only 42 hours, and spent about six weeks from early in August until mid-September. He said the topography of the country is much like ours, covers an area about the size of Texas and New Mexico, and is about the same climate ranging from the semi-tropical coast lands to high plains, mountains, and arid lands.

Although a British province, the white people are little more British than we are. There are 12 million people in the province and only two million are white. White South Africans are in complete control of the government, and the Negroes have no voice or own land. The whites are wonderful people, he said, much like Texans, except for their brogue.

The Negroes are ignorant, cruel, and in fact are still savages. The outnumbered whites live in constant fear of the Negroes. Mission-

aries have had little success in making progress with the Negroes of this section of Africa. Although they imitate the whites and apparently take their teachings, when they get the opportunity they promptly revert to savage life.

The cities like Johannesburg and Port Elizabeth are very modern, and the whites have everything we have except television.

Gold production and shipping are the principal industries. Crops include pineapple and sugar cane. Beautiful flowers grow.

There are few trees, as the Negroes over a period of thousands of years have completely denuded most of the land. They eke out an existence farming small plots while living in mud or adobe huts. They have cut off the trees gradually to find farming room, but allow the land to erode and after each big rain must move their little farm to another spot.

Hancock says the Union of South Africa is the most denuded land on the face of the earth from the standpoint of soil erosion from improper management.

However, the government is making some progress and has big plans to restore the land, the whites bearing all the brunt of the expense and leadership. Some forests are being replanted.

One ambitious plan is to build a series of dams along a 1,300 mile long river to completely dry up the river bed, bench level the land and irrigate it.

He also showed pictures of natives, tribal dances, an elephant herd, churches and public buildings, the modern cities and parks, and many of the denuded lands and mountains. The Dutch Reformed Church is the predominant religion.

He also showed pictures of Leopoldville and the Belgian Congo, Dakar, the west coast resort town, and of his return trip over South America.

Robbie Gill presided at the meeting. Billy Hancock arranged the program, and Joe D. Unfred introduced the speaker. The Home Demonstration ladies served the meal.

Rev. Hugh Daniel announced the new Scoutmasters will be Delbert Mouser, Roy Lee Williams, and James Farr.

Dick Turner reported the new storm doors installed in the Community building had cost \$99.76. Secretary Don Smith reported (Cont'n on back page, Sec. 2)

TAHOKA, TEXAS "Heart of the South Plains" FRIDAY, NOVEMBER 8, 1957

Gas Company Operations Told

Interesting facts about Pioneer Natural Gas Company were presented by Dean Taylor, local manager, in a classification talk at Tahoka Rotary Club Thursday noon of last week.

In discussion the recent rate raise of 25 cents on each customer's bill granted recently by the Tahoka City Council, he said this was the second raise asked for in the thirty year history of the company. The other small increase was in 1951.

He said the rate increase was necessary because of increasing costs of materials, wages and the gas itself. The company buys most of its gas from transmission companies. Gas which previously cost the company nine or ten cents now costs 13c to 16c.

Pioneer has formed a production company, and now has eight or nine wells at Sonora and is prospecting for other gas supplies.

Whereas most of the gas previously came from the Panhandle fields, now most of it come from other fields, including the Midland-Odessa area.

The Tahoka Booster plant, which employs six to seven men, is one of the larger such plants of the company and is capable of boosting gas in either direction, north or south, and also west to Brownfield. A service shop has recently been built at the local plant, and the Midland, Wellman, and Plainview booster plants are now serviced from the Tahoka plant.

Dual units now operate at the plant for the two parallel north-south lines, and there is little

possibility that any one on the main line will ever be out of gas because of blow-outs.

In years past the peak load was in the winter time, but since the company has begun to service irrigation wells the peak load now comes during the irrigation season.

Taylor also explained many technical aspects of the distribution of gas, including methods of keeping gas pressure at an even flow and constant temperature. He said pressure and temperature is checked every hour over the system.

Rev. J. B. Thompson read excerpts from Governor Morris Hightower's letter praising the Tahoka club for its well-planned organization, its 100 percent attendance record now running into its 16th month, but asked that the club seek to increase its membership. The club now has 41 members.

H. W. (Cotton) Carter introduced the Junior Rotarians for the month, Jay Gurley and Jerry Brown.

UNFRUITFUL ACT

Victoria, Tex.—A San Antonio fruit peddler was being held in county jail for investigation after his "partner" tried to steal money from the cash register at the Tango Club.

Spotted as he tried to grab the money from the register, the

would-be holdup man was attacked by the club's employees. He threw the money to the floor and made his get-away in a pick-up truck, leaving his friend behind.

Spectators agreed it was a first-class way to dissolve a partnership.

While Oglethorpe was in Parliament, he became deeply interested in the condition of those numerous unfortunates who were serving terms in prison for the non payment of debts; and he proposed to Parliament the establishment of an American colony for debtors in English prison. He kept on working on the proposal until in 1732, when he was 36 years old, King George II granted to him a charter for the American territory comprising the state of Georgia; and for the propagation of this enterprise, Parliament granted him \$50,000.00.

In January, 1733 Oglethorpe arrived in America with 120 colonists and established his first settlement where Savannah, Georgia, now stands. For nine years he ruled with undisputed wisdom. He drove the invading Spaniards back into Florida, and in 1742 he defeated them so badly at Fredria, Georgia, that the Colony was safe from further hostilities.

In 1743 Oglethorpe found himself so heavily in debt because of his loans to colonists that he was compelled to return to England. There his enemies (Why should he have had any enemies?) tried to convince him of cowardice in not capturing Saint Augustine (Florida) but he justified himself. With the other trustees of Georgia he resigned the Charter to England in 1752 — disgusted no doubt that his successful and self-sacrificing activities had been so little appreciated. Oglethorpe's charter having been assigned back to England, Georgia thereupon became a Royal Province, just like other American colonies. That, it should be noted, was just twenty-four years before the American

Revolutionary War broke out. Georgia had become a Royal Colony and Savannah, situated just a few miles above the mouth of the Savannah River, was its capital. The town, as well as the state of Georgia, was destined to figure powerfully in the history of our country.

Now we turn our attention to the Wesleys, John and Charles, who became the founders of the Methodist Church. We shall not be able to narrate that marvelous story in full this week, however. We do want to make a few observations respecting the two men, and their work before going into a detailed history of it.

First, John and Charles Wesley were the only two men in all history who established a great church or a great denomination of churches without intending to do so.

Second, They were the only two men who ever established a church or a denomination of churches without knowing that was what they were doing while they were doing it.

Third, it was the younger one of the two brothers who really started the founding of a religious society which finally developed into the Methodist Church rather than the older brother and he was largely responsible for the older brother's joining in with him a few years later. Usually and naturally it is the older brother who helps the younger to get his feet on a higher and firmer ground spiritually.

Fourth, John Wesley had a long and strenuous struggle in reaching a condition spiritually with which he was satisfied and made a trip to Georgia as a Missionary and thence

back home and over to Moravia to interview the pious Moravian Brothers before entering wholeheartedly into evangelistic and missionary work overseas.

Next week we shall go more fully into details in the portrayal of his work and that of his brother Charles and of the peerless religious orator, Rev. George Whitefield, and their American helper, Bishop Francis Asbury.

Andrew Carnegie, industrial tycoon and Philanthropist, came to this country from Scotland at the age of 10.

Card playing is known to date back at least to the 12th century.

Lynn County Soil Conservation District News

ROY L. WILLIAMS — ELLIS BARNES
O. E. TERRY — W. L. (Cap) ROWE
FLMER BLANKENSHIP

The recent rains that are not especially needed at this time of year because of interference with harvest have at the same time emphasized importance of high residue crops and benefits of stubble mulching for both water and wind erosion. Rains have been mostly of low intensity and runoff has not been great but penetration is generally deeper where rows are on level and with high residue crops.

Most years there will be some dry weather and high winds in spring so now is the time to manage crop residue so as to leave a maximum amount on the soil surface. Sorghum stubble can be seen rotarding wind erosion during any spring. Moisture in the soil is not capable of controlling wind erosion as the surface soon becomes dry and starts to blow. Then mechanical measures, such as a sandfighter, becomes necessary to stop blowing. Crop residue on the surface in sufficient amount will reduce surface soil movement by high winds. Stubble mulching is best accomplished by using wind sweeps that cut underneath sorghum stubble and weed growth to leave residues on surface.

A soil and water conservation plan was completed on Ross Smith's farm southwest of Tahoka. Plans are to terrace the entire farm as soon as conditions

permit. The farm has been in cultivation about four years and by terracing this soon water erosion will be prevented. A farmstead is planned in near future and a farmstead windbreak is to be established to Arizona Cypress that will be ordered through the Soil Conservation District Board of Supervisors.

Cover Crops

We have the best climatic conditions for planting cover crops this year since 1942. Rye is one of our best adapted cover crops here and although the recommended planting date is from Aug. 15 to Nov. 1, we can still use it if planted now. Other crops of equal importance are wheat and barley. Wheat and barley may be successfully planted until Dec 15.

Some benefits of cover crops include: Organic matter added to the soil, can be used as a pasture and is very effective in controlling erosion by both wind and water and increased production.

Recommended seeding rates on small grains are as follows: Wheat 30 - 60 No. a, barley 45-60 No. a, and rye 45-60 No. a.

Mr. A. B. Bush is reported to have harvested 31 bu. per acre from his dryland barley this year. Mr. Bush farms southwest of New Lynn.

Thoughts For Consideration

By Leroy Cowan
One of the most difficult things that faces the human race is to keep the proper perspective of things. People are prone to change things from their proper place. The Children of Israel did this when they took the gold and make the "Golden Calf." At the same time they forgot Jehovah who brought them up out of the land of Egypt. Today people exalt men to be head of the church when Christ is to be the one and only head of it. Eph. 1:22-23. Many people will take titles that belong to God and apply them to men. They call religious leaders, "Father," "Master," and "Rabbi," in direct opposition to the command of Jesus in Matt. 23:1-12. Others who would not think of violating this passage will violate the principal involved by taking the title "Reverend" which belongs to God, Psa. 111:9 and apply it to the preacher's name. Perhaps it is just as proper in the minds of some to call a preacher "Father" as it is to call him "Reverend," but the fact remains that it is unscriptural and anti-scriptural to apply God's holy titles to any man. Why not call Bible things by Bible names?

Cockroaches are the natural enemies of bedbugs and are known to destroy them in great numbers.

In early times barbers' work included dressing wounds, blood-letting and surgical operations.

A NEW KIND OF CAR IS BORN!

Tomorrow at Your Pontiac Dealer's!

BOLDEST ADVANCE

IN 50 YEARS!

THE GOLDEN JUBILEE CAR!

It's a revolution on wheels—boldly planned from the very beginning as a Golden Anniversary showpiece for Pontiac and General Motors.

This one you really must see—here is a car unlike any you have ever known! This Golden Jubilee Pontiac is actually an all-new breed of cars—in four brilliant series and 16 sleek models covering virtually every price bracket.

In all of them you'll find engineering advances so daringly different yet so basically sound that they will trigger the next big change in automobile design. You'll find a few of these ideas illustrated here, but even they can't begin to tell the full story.

Why not be among the first to discover the newest. When you meet this bold new Pontiac, you're in for a driving thrill that is impossible to duplicate in cars of conventional design. So make it a point to see your Pontiac dealer soon and prove to yourself that no car in history ever left yesterday so far behind!

Ever-Level Air Ride*

The most perfect suspension system ever designed—and Pontiac's revolutionary Aero-Frame is specifically designed for it! Air cushions on all four wheels literally float you over the bumps... keep the car perfectly level regardless of load or road!
*An extra-cost option.

Aero-Frame STABILITY

Here is the biggest basic construction change since the early days of motoring. Pontiac's revolutionary new frame design is lighter, stronger, more stable than the conventional box-type used on other cars.

Circles-of-Steel SAFETY

Pontiac's completely new body construction surrounds you with girder steel protection—above, below, fore, and aft. Now you can drive with wonderful new peace of mind!

Quadra-Poise ROADABILITY

Only the wheels know where the bumps are! Pontiac's new suspension geometry ends dice, sway and bounce to bring you the smoothest ride, easiest handling you've ever known!

Tempest 395 PERFORMANCE

Try Pontiac's new jeweled-action response! Scores of exclusive engineering innovations make Pontiac's hefty power plant a miracle of smoothness... and you can choose from four horsepower ratings including Tri-Power Carburetion* and Fuel Injection*.
