Serving Tahoka and Lynn County Since 1903!

Volume 54

STANDING ON THE CORNER

With P. J.

No one was ever honored for what he received; honor is the reward for what he gave.—Cheer.

We haven't found out all the details, but last Saturday night someone out at Wilson thought they saw a Leveillard and White Sands "Thing" or "Whazit," as some are calling it.

Don't know whether it was the instinct of a reporter or just plain curiosity, but the boss and I hopped in the car to see what we could—sure didn't want to miss anything exciting.

Course the boss is a natural born skeptic when it comes to something of that nature, and he swore that red light blinking in the sky was an airplane. He was most discouraging, especially when I was all set to see a red ball of fire driven by little green men.

But this farmer comes to more of a logical conclusion about things than I do:

A mountaineer on his first visit to a town of any size was fascinated by the asphalt streets. Scraping his feet on the hard surface, he remarked: "Well, I can't blame 'em for building a town here. The ground's too turned hard to plow, anyhow."

Whooooee! I got some fan mail. Thank you Mrs. G. C. Watson.

Not too long ago, our friend Charlie Guy was most upset with the post office department when, among other things, a letter or two was sent to the wrong town.

Of course, these are bound to be bugs in the department, but sometimes, to off-set the mistakes, the postal department goes out of its way to deliver the mail.

For instance, Mrs. Ivan McWhirter was recently recuperating from surgery in West Texas Hospital in Lubbock, when Mrs. A. M. Bray sent her a little note addressed to Methodist Hospital. After it was returned to the Lubbock P. O., it was sent on the rounds until it came into the hands of Mrs. McWhirter, only a little late—a little extra service not required, but one that certainly made a convalescent happy.

All of the post office personnel are not booger-bears, either. In fact, Tahoka's postmaster, Happy Smith, personally delivers the mail to the patients in Tahoka Hospital every single day of the week—another service not required, but one that he enjoys doing. One patient some years back from out-of-state was so grateful for Happy's kindness that he recommended him (Cont'd. on Back Page)

Dee Daniel Is Buried Monday

Funeral services for John Clifford (Dee) Daniel, 54 years old, were held Monday afternoon in the First Methodist Church at 2:00 p. m.

Daniel died at 5:30 a. m. Saturday in Tahoka Hospital following an illness of about two months.

Rev. J. B. Thompson, pastor, and Rev. Ray Cunningham, pastor of Sweet Street Baptist Church, officiated at the services. Burial was in Tech Memorial Cemetery under the direction of Stanley Funeral Home.

Dee Daniel, as he was known to his many friends, was born July 18, 1903 at Durant, Oklahoma. He came to Tahoka in 1952 from Sweetwater and was employed in the meat department of Davis and Humphries Super Market until his illness occurred. On July 14, 1956 he was married to Mrs. Cubanna Eccles in Portales, N. M.

Survivors include his wife of Tahoka, one sister, Mrs. Minnie Parker of Tahoka, and a number of nieces and nephews.

Palbearers were C. W. Conway, Turner Rogers, Floyd Brasher, Arnold Weed, Curtis Stevens and Joe Durham.

Court Selects Home Demonstration Agent

City Offers To Clean Up Lots

City of Tahoka is offering to help owners of vacant lots and other premises in the town clean them up by use of city equipment at a small charge, according to Dr. Skiles Thomas, member of the City Council in charge of sanitation.

The City has a shredder and grading machinery to use in such operations.

This week, under such an arrangement, the parking lot of Tahoka Hospital is being cleaned up, leveled, and gravel will be spread on the area. Such leveling also prevents the forming of mud puddles and possible condition conducive to the breeding of mosquitoes.

Anyone desiring such work may get the cost by contacting Pat Hines at the City Hall.

Mrs. Littlepage Death Victim

Mrs. R. L. Littlepage, 63, died at 7:30 a. m. Friday in McKnight Hospital, near Carlsbad, Texas, after an illness of several weeks.

Funeral services were held Sunday at 4:00 p. m. at the First Baptist Church here with Rev. Clifford Harris of South Side Baptist Church of Fort Worth and Leroy Cowan, minister of the Tahoka Church of Christ, officiating. Burial followed in Tahoka Cemetery under direction of Stanley Funeral Home.

Lillie Mae Cleveland was born January 22, 1894, near Temple, and came with her parents, the late Mr. and Mrs. C. W. Cleveland, pioneer settlers of Lynn county, to this area in 1906. She was married to Robert Lee Littlepage on Christmas Day, 1913, and the couple have continued to live most of the time since on the place her parents settled in the Midway community south of Tahoka. She was a member of the Primitive Baptist Church. Mrs. Littlepage most of her life was active in community and county affairs.

Survivors include her husband; two sons, Cleveland and Walthal of Tahoka; one brother, Jess Cleveland of Freemont, Nebraska; and two grandchildren.

Boy Scout Fund Is Nearing Goal

Up to noon Wednesday, \$1,337.50 had been turned in on the annual Tahoka-Boy Scout fund drive, according to Johnny Reasonover, drive chairman.

This is about 90 to 95 percent complete, he said. A few more contributions were expected, and the final total should run above \$1,400.00, or about the same amount raised last year.

Tahoka Plays At Lockney, 2:30 Today

In the final game of the season the Tahoka Bulldogs meet the Lockney Longhorns, who already have the district championship clinched, at 2:30 this afternoon in Lockney.

One of the favorites for a berth in the State finals, the Longhorns this year are undefeated and untied, but the Bulldogs are going to their field this afternoon with the purpose of knocking them off their pedestal.

Lockney is reputed to have one of the fastest backfields seen in this area, with enough competition for the slots to keep the players constantly on their toes. HB Jerry Williams and HB Cliff Hardy, both 150 pound seniors are exceptionally fast, FB Kenneth Calloway, 165 pound junior, QB Bill Race, the slowest of the bunch who runs 10 flat clocking the 100 yard dash

Mrs. Laura Bowman is the new home demonstration agent for Lynn county and will assume her duties here Dec. 1, upon the approval of the Lynn county Commissioners Court here this week.

She will succeed the former Miss Wanda Roach, who recently married and resigned her position Sept. 1. Lynn county has been without an agent since that time. She was recommended to the Commissioner's Court by Mrs. Aubrey Russell of Lubbock, district agent.

Mrs. Bowman graduated from Texas Technological College in August following her marriage in June to Eddie Bowman, band director in the Tahoka schools. She is the daughter of Mr. and Mrs. Web Taylor of Quitaque.

The work of the home demonstration agent joins that of the county agent, Bill Griffin, in farm and home development, community development, public affairs, and the county-wide 4-H club.

In addition she will work with the six home demonstration clubs in the county including those at Dixie, Draw, Joe Stokes, West Point, New Home and O'Donnell, which have a total membership of 125 ladies. The nine 4-H Clubs for girls in the county include two at Tahoka, two at O'Donnell, two at Wilson, two at New Home and the county-wide club, consisting of 329 girls over the county.

Mrs. Bowman's office will be in the court house building.

New Home "Old Men" Plan Game

"Old men" of the New Home community will play the "young men" a football game Saturday night for the benefit of the New Home High School athletic fund, according to Don Smith.

The younger team will be made up of New Home High players of the last two or three years, while the "old" men will include such old fossils as Hugh Daniel, Orville Ray Phifer Jr., Harold Green Franklin, Don Smith, Willie Greenman, Bobby and Clifton Clem, John Edwards, John Phipps, Lit Moore Jr., Hubert Williams, and Harold McKinney.

A wagon will be available to haul away the pieces. Everyone is invited to come out and view the slaughter, and the \$1.00 for adults and 25 cents for children admission charges will go to the High School athletic fund.

BUS LEAVES AT 12:30

The chartered bus for the Tahoka-Lockney game at Lockney leaves at 12:30 p. m. today and at Thursday noon, J. E. (Red) Brown said there were two or three seats available. Game time is 2:30 p. m.

Mrs. W. A. (Hattie) Yates was an overnight patient in Tahoka Hospital Tuesday.

SUSAN THOMAS

LINDA JONES

CAROL SMITH

Mrs. C. C. Dwight, who is in the Muse Convalescence Home at Lubbock, remains seriously ill but is reported to be doing as well as could be expected.

Doyle Parker and Yvonne Nettles will be featured entertainers at the State Farm Bureau Convention in Dallas Monday night.

Rains Delaying Crop Harvest

Damp weather over the week end has again delayed the harvest of Lynn county crops, but the sun was out again Tuesday and by Wednesday the harvest was under way again.

However, there has been measurable moisture on 10 of the 14 days in November, and Lynn county cotton pulled since November 1st totals only about 7,000 bales for the county. Total ginnings for the season are probably between 37,000 and 39,000 bales.

Approximately one-third of the cotton crop has been gathered.

Farmers were also back in maize fields with combines Wednesday, and there is still considerable grain to be harvested.

Mist Friday, Saturday, Sunday, Monday, and Tuesday totaled .11 inch in Tahoka. This brought the October rainfall to 2.39 inches.

Rainfall for the year now totals 29.39 in Tahoka, according to the U. S. Weather Bureau gauge kept by The News.

Rain fell on 12 days in October and farmers were kept out of the fields much of the time. Thus, conditions for harvest of the crop have been the worst on record.

DeMolays Select Contest Entrants

The Tahoka DeMolays have chosen three candidates for the DeMolay Sweetheart for this year, and the one chosen for the honor will be announced at a small dinner party to be held in the near future.

Chosen for the honor are Linda Jones, Carol Smith and Susan Thomas. The two runners-up for the Sweetheart title will be the Club's duchesses.

The Sweetheart will receive a pin at the dinner party and will be presented along with the duchesses at the annual Christmas Ball in Lamesa on Dec. 20.

Mrs. Lewis Bonham is reported to be doing fairly well at Methodist Hospital, Lubbock, where she recently underwent major surgery.

Leonard Norwood underwent an appendectomy in Tahoka Hospital Sunday. He is reported to be in good condition.

City Signs Highway Route Agreement

Fire Damages Tahoka Home

Fire broke out when a hot water heater presumably exploded in the house owned by Earl Tunnell just north of the American Legion Hall Sunday night at 11:30 p. m. and damages were estimated to be heavy.

Mr. and Mrs. C. A. McElroy, operators of Tahoka Cafe, were living in the house at the time of the fire. However, they were not at home when the incident occurred.

The bathroom, back bedroom and part of the kitchen were burned badly and the remainder of the house was smoked and will require repairs also. Nearly all of the furniture was damaged in some way.

Firemen, who were called to the scene, thought the McElroys and their two small children were in the house because of the presence of a car beside it, and tore off windows attempting to reach them. Fire Chief Lawrence Harvick expressed regret that the action was taken, but also felt that it was necessary under the circumstances.

He said that when firemen arrived the hot water heater was torn loose from its pipes and was on its side on the floor and water from the appliance covered the entire area of the bathroom.

Bureau Members To State Meeting

Several Lynn County Farm Bureau members are expected to attend the State Farm Bureau Convention to be held in Dallas Monday, Tuesday and Wednesday.

Lynn county has eight votes when resolutions will be approved or rejected for the State Bureau's program. Charles Reid, special agent, says that these resolutions many times are influential in the State agricultural program.

Invited to perform at the State Convention is a tap dance team, composed of Doyle Parker, son of Mr. and Mrs. Dea Parker of Tahoka, and Yvonne Nettles, daughter of Mr. and Mrs. Leroy Nettles of New Home. The couple will dance at the State Farm Bureau Queen Contest to be held at the Baker Hotel at 7:30 Monday night. They will be accompanied to Dallas by their parents, and their expenses are to be paid by the State Bureau.

The convention actually gets underway Sunday evening when vespers services will be held at the Adolphus Hotel, where the convention will be held.

The local Bureau was to meet Thursday night to decide who would make the trip.

Man Is Sentenced For Shoplifting

Pete Solis, a Latin-American from San Antonio, was sentenced to six months in jail in county court here Tuesday morning before County Judge W. M. Mathis after being charged with shoplifting.

The defendant pleaded guilty to the charge that he shoplifted several articles from the Valdez Department Store, located on the southwest corner of the square in Tahoka, on Monday night. After taking some ladies hose, men's shirts and socks, he was pursued by Deputy Sheriff Tom Hale, who apprehended Solis near Tahoka Hospital. The stolen articles were found beside a small house nearby.

Bobby Caswell, seven year old son of Mr. and Mrs. Noel Caswell, was an overnight patient in Tahoka Hospital Tuesday.

Advertising doesn't cost, it pays.

The City of Tahoka signed a contract with the Texas Highway Department Wednesday night giving its approval of the construction of a super highway through Tahoka either on Oak Street, one block east of the courthouse square, or on Standefer Street, two blocks east of the square.

A. W. Partain, highway resident engineer of Lamesa, met with the City Council to discuss the plans of the department with the councilmen.

Mayor H. B. McCord, Sr. said that the city and county will work out an agreement for the financing of purchasing right-of-way for the highway, and that possibly a small bond will have to be voted. The councilmen have been studying plans and maps of the program for several weeks.

Right-of-way for the proposed new four-lane divided expressway along U. S. 87 across Lynn county is not complete, even in the southern half of the county. County Judge W. M. Mathis said. There remains considerable work to be done before a contract can be let for that half to go under construction. The remainder of the right-of-way must be purchased and then all obstructions, such as buildings, irrigation wells, etc. must be moved. Several more months will be required, Mathis said, before this work is complete.

Easement papers for the north sector were placed in the hands of Judge Mathis in September and the county has employed an appraiser who is at this time evaluating the land needed for right-of-way.

The county is purchasing right-of-way in the rural areas with a \$200,000 bond which was voted to pay for the needed land. The city and the county together may purchase (Cont'd. On Back Page)

Christmas Events Planned By C-C

Arrangements were made for the annual Christmas contests at a meeting of the Tahoka Chamber of Commerce directors last Friday.

Dean Taylor was named chairman of the contest for business institutions, and cash prizes of \$15.00, \$10.00, and \$5.00 will again be offered for the top three best decorated stores. Also, all businesses will be asked to put up some kind of decorations in keeping with the season whether they enter the contest or not.

The home decorations contests will be under the direction of Herman Heck, and the same prizes as above will be offered again. Also, in addition, there will be a \$5.00 prize for the best decorated doorway.

Johnny Reasonover will be in charge of the street and court house decorations.

Each committee chairman will select his own helpers, stated Granvel Ayer, Chamber of Commerce president.

Plans had previously been completed for the Christmas Party program started last year where business institutions remain open the two Thursday nights immediately preceding Christmas to register guests. Each business gives a gift to which registrants may qualify at a drawing held the Saturday afternoon before Christmas.

One minor change was made in the program. Since people did not have sufficient time last year to visit all places of business and register, this year registration may begin at 2:00 p. m. each Thursday. The directors also discussed other projects, among them the buying of a clock for the football field. This will probably be taken up again after the first of this year. It has been pointed out that Tahoka is one of the few Class AA schools in the area which does not already have a clock.

Large Crowds Attend Homecoming Events At Tahoka Last Friday

Miss Betty Vaughn, 18 year old senior student in Tahoka High School, was crowned football queen of 1957 before a Homecoming crowd of 1,500 Friday night preceding the Tahoka-Post conference tilt when Tahoka skinned the Antelopes 26 to 0.

Karl Prohl revealed the queen's identity when he crowned her with the glittered football helmet and James Adams presented her with a large bouquet of white chrysanthemums. The two boys, with Billy Tomlinson, tri-captains of the football team escorted the queen and her attendants, runners-up chosen by the squad, Jolene Sikes and Patsy Norman.

The queen is the daughter of Mr. and Mrs. Ira Vaughn of the New Lynn Community. Both attendants are juniors and are the daughters of Mr. and Mrs. Clint Sikes of Tahoka, and Mr. and Mrs. W. H. Norman of Grassland.

Coronation ceremonies were held when the Bulldog Band formed a large heart in the center of the field with the football squad forming a "T" in the middle of the formation. The girls were escorted to the top of the "T" for the ceremony.

Homecoming activities got underway at 1:30 p. m. Friday when the Student Council presented a program in the high school auditorium honoring ex-students. John Foster, ex-student and letterman in both football and basketball, made the principal address. A student at A. and M. College where he is commander of an R. O. T. C. unit and a member of the Ross Volunteers, Foster told the group that one gets out of life only what he puts into it. He said that one gets nothing if he gives nothing.

Foster was introduced by another ex-student and team mate, Joe Brooks of Tahoka. Other ex-students on the program were Bob Connolly, who gave the invocation, and Dub Harvick, who made the response following a welcome

extended by Jay Gurley, president of the Student Council. James Adams recognized the guests, before Marilyn Carmack and John Ed Redwine presented a musical skit.

Free tickets were presented Mrs. Johnee Clem Prichard who traveled the longest distance from Carlsbad, N. M. to attend the affair, and to Mrs. Vernon (Mary) Willhoit of Tahoka who represented the earliest class, 1924.

A pep rally followed the program.

At 6:30 p. m. about 150 ex-students met for a banquet in the school cafeteria when a business meeting was also held. New officers were elected for the Ex-Students Association with G. W. White succeeding Albert Curry as president. Charles Reid will succeed Dub Harvick as vice president; Carl Griffing, Jr. was elected secretary-treasurer, succeeding Mrs. Ray Adams; Mrs. Eldon Carroll was chosen reporter; and Mrs. James (Sonny) Roberts relieves Mrs. O. C. Elliott as chairman of the names committee.

During the banquet Jan Thomas presented tap dance numbers and a vocal trio also furnished entertainment. The trio was composed of Patsy Norman, Marybelle Wood, and Diana Hensley. The entertainment was arranged by Mrs. Charles Verner.

Following the night football game, the ex-students completed their activities with a dance held in the American Legion Hall. Music was furnished by Bill Galloway and his orchestra of Lubbock.

CARD OF THANKS

We wish to thank all of our wonderful friends for your kindness extended during the illness and death of our husband and brother. Thank you so much for your visits, flowers, cards, and food. God bless each of you. Mrs. "Dee" Daniel and Mrs. Minnie Parker.

Me and My Shadow

Gaither Tells Of Scout Program

E. B. Gaither and Johnny Reasonover presented a program on the organization back of the Boy Scouts at the Tahoka Rotary Club Thursday noon of last week.

Gaither, who is the local district committeeman, told of the obligation of the sponsoring agent, the Rotary Club being one of the troop sponsors in Tahoka, and many other interesting facts about the set-up.

He said there are 48 boys registered in the Cub Pack with eight boys to the den, 19 boys in Troop 21, 13 boys in Troop 82, 11 boys in the new Latin-American troop, and 31 boys in Explorer Post 21. Actually, there is a total of 118 boys in Scouting in Tahoka, and there are 49 adult Scout workers registered.

Reasonover explained the financial set-up for carrying on the Scout movement and also gave a bit of the history and purpose of the Boy Scouts.

Thirty nations now have Boy Scouts, and the U. S. organization has three million boys. There are 8,000 in the South Plains Area Council.

The Council's budget for the year is \$105,115.83, and Tahoka usually contributes about \$1,500 to this. The money is used to pay the Scout Executives, office staff, Commissioner staff expenses, field service expense, camp activities, organization extension, badges and awards, and training of scout leaders.

Harold Green arranged the program and introduced the speakers. James Adams and Denver Ford, High School seniors, were introduced by Supt. Otis Spears as the Junior Rotarians for the month of November.

Among great nations of ancient times the Romans were the last to learn the art of cookery, having neither cooks nor bakers as late as 174 B. C.

Bimetallism is a monetary system wherein both gold and silver are used as standards of value.

First look at a smart performer

TODAY we're proudly displaying the 1958 GMC Money-Maker. And we think you'll find it the handsomest hustler you ever handled.

An eager 200 horsepower swings a top load like a cargo of feathers. Turning ease is like power steering's.

A fast-ratio steering axle gives you an overdrive's road pace and gas savings. Foam-rubber seats cradle you in a roomy cab. Boulevard styling carries out the feeling of luxury.

But this beauty is built like a pocket battleship. You'll see that in its massive spring hangers. In rear springs with the highest deflection rate of all light-duties.

You can sit solidly on an unhooked end of its tail gate—and you can't crinkle the roof or door panels with a smack of your hand.

You'll get the same quality instrument panel as on the big, \$10,000 GMC heavy-

duties. A radiator mounted on a bulkhead integral with the frame. A steering column braced like a mast.

These and more tell the inside story of GMC stamina. Come in and see for yourself. Why not do it today?

THE SOLID LOOK—Beautiful but rugged, GMC's full family of fine trucks also includes Truck Air Suspension models, Super Tandems and America's No. 1 Diesel. From a half-ton to 45 tons, every GMC is a Money-Maker!

Interesting News In Old Paper

A copy of the El Paso Herald 50 years old was brought The News this week by F. T. Carson of Charlottesville, Virginia, who has been here in company with his wife for the funeral of her father, W. L. Knight. He found the paper in going through some possessions of a deceased brother.

The Herald of August 21, 1907, contains many items of interest, including a large but crude "cut" picturing the Kaiser, Emperor

William, on his imperial yacht. The paper quotes President Teddy Roosevelt as saying he was "going after iniquitous corporations hammer and tongs."

Albert B. Fall was attorney general of the territory of New Mexico. . . there had been a train wreck on the Cloudercroft to Alamogordo railroad. . . headline reads "Same Financial trouble faces people of England as confront those of United States. . . coal was being imported from Australia because of a shortage of miners. . . Williams Jennings Bryan had ridden a day coach like the 'common people'."

Ex-president Grover Cleveland was reported improving. . . there were many stories of strikes over the nation. . . no light had been shed on "the great mail robbery" . . . the State apportionment for schools was \$5.00, the largest in history. . . and the lead editorial was entitled "More People for Texas, New Mexico and Arizona."

Don Edwards Rites Sunday

McDonald (Don) Edwards, 79, long-time O'Donnell businessman, died Friday, Nov. 8, at 9:30 a. m. in Methodist Hospital following a long illness. His wife had just died two weeks previously, on October 27.

Funeral services were held Sunday at 3:00 p. m. at the First Methodist Church in O'Donnell with the pastor, Rev. Howard Marcum, officiating. Burial followed in O'Donnell Cemetery under direction of Stanley Funeral Home.

Mr. Edwards was born December 10, 1877, at Sulphur Springs. He came to O'Donnell from Strawn in 1924, and was manager of Cicero Smith Lumber Co. there for 30 years. He had been married in Strawn to Sally May Marchbanks.

He was a leader in the Methodist Church and in his community during his more active days. He was also a charter member of O'Donnell Rotary Club.

Survivors include one son, Marion Edwards of Arlington; one daughter, Mrs. Wilbur Line of O'Donnell; and three grandchildren.

Winterize To Cut Fuel Bill

College Station —With winter weather already here and more just around the corner, many homeowners are making plans to winterize their homes for increased winter comfort and economy.

A good place to start this job is with the doors and windows, advises W. S. Allen, extension agricultural engineer. Many windows and doors fit loosely but can be tightened easily with weather stripping.

Storm sashes can be very helpful in reducing heat loss from the house. In northern areas, addition of storm windows, doors and weather stripping can reduce the fuel bill considerably, tests have shown.

Proper insulation in the unheated attic will also cut fuel bills, says Allen. Place the insulation between the attic floor joists. This helps reduce heat loss from the rooms below. With this insulation the attic, which means vents should be placed in the gable ends of the house, under the eaves or installed in the roof. There should be about four square feet of clear openings for each 1000 square feet of attic floor, suggests the engineer.

Storm doors, storm windows and attic insulation not only cut heat loss and save fuel but they also reduce drafts, according to Allen. This means a more uniform house. Next summer the insulation in the attic will help keep the house cooler, too.

Society & Club

West Point HD Plans Community Party

Plans for the annual community Christmas party were made at a meeting of the West Point Home Demonstration Club held in the home of Mrs. Kenneth D. Cowling Wednesday afternoon.

Mrs. Alley White will be the hostess for the event to be held in her home Dec. 13 at 7:00 p. m. when "42" and other games will be played and refreshments will be provided by the club.

Mrs. Tom Hale, new president of the organization, presided at the meeting when eight members and three visitors attended. Other new officers are Mrs. White, vice president; Mrs. Edward Bartley, secretary-treasurer; and Mrs. Cowling, reporter.

When carriages first came into use during the 16th century, they were scorned by men as suitable only for women and children.

American Explorer Kit Carson was in charge of an expedition that drove 6,500 sheep from New Mexico to California in 1853.

Recent rains have diminished the danger of grass and woodland fires in some areas, but the Texas Farm and Ranch Safety Council warns that grass fires pose a real threat for livestock producers. Motorists and rural residents are urged by the Council to observe fire safety rules. Community and county organizations are suggested as effective means of fighting grass fires.

Alfalfa is described by Extension Agronomist Ted Trew as a "tri-purpose" crop. It will provide income from hay and pasture as well as seed to say nothing of its recognized value as a soil improving crop. Trew says fall seedings of this popular legume is best.

Wool and mohair processing plants, like many other industries, can expect more economic production if located in Texas.

SPORTS . . . (Continued)

Girls Teams Split Games At Wilson

Tahoka's girls A team was defeated by the Wilson girls 28 to 24 Tuesday night on the Mustang court, while Tahoka's B team won theirs by a score of 26 to 21.

Tahoka's Jan Thomas took scoring honors in the "A" game with 12 points, while May Stone of Wilson tossed in 10. Patsy Norman of Tahoka and Wilson's Hazel Robinson both scored eight points. Others scoring for the locals were Carol Smith and Sharon Applewhite with two points each.

In the B game Doris Lamb of Wilson hit the basket for 11 points, while Sandra McNeely made 10 for Tahoka. Marihelen Reid eight, Sharon Applewhite six, and Carol Smith two.

Tahoka guards Betty Vaughn, Barbara Jones, Mary Helen Whitaker, Diana Hensley, Donna Howell, Linda Williams, Sunny Gibson, and Barbara Thomas turned in fine defensive performances in both games, according to Coach Jake Jacobs.

Juniors Win One, Lose One Game

Tahoka split with Seagraves here Tuesday night in two junior football games.

Seagraves Seventh grade defeated Tahoka Seventh 27 to 2, Tahoka's two points coming on a safety.

Tahoka Eighth won by a score of 13-6, with Fred Hegi, quarterback, running 20 yards for the first score and 35 for the second. Merrill Cloe ran over one of the extra points.

Captains Named By Girls' Team

Captains have been elected for the Tahoka High School girls basketball team, Coach Jake Jacobs announced Wednesday.

Chosen captains are Misses Barbara Jones and Betty Vaughn. Both are senior students in Tahoka schools and are guards on the basketball team. They are the daughters of Mr. and Mrs. H. P. Jones and Mr. and Mrs. Ira Vaughn.

Society & Club News

Future Teachers Elec. Officers

The Future Teachers of America, a national organization, has elected officers for the Tahoka High School chapter.

The purpose of the FTA is to better acquaint pre-high school graduates with the occupation of teaching. For the club's yearly project the members plan to teach one hour each week in the elementary grades from the first through the seventh grades.

Marilyn Carmack is president of the Tahoka club; Idalia Wood, vice-president; Marie Potts, secretary-treasurer; Lonnie Wheeler, reporter; Virginia Willhoit, parliamentarian; Mrs. Tom Bartley, sponsor.

Letha Vines And M. A. Koonce Wed

M. A. Koonce and Mrs. Letha Vines were quietly married Saturday evening Nov. 9 at 6:00 o'clock in Seagraves in the presence of a few close relatives. Mr. and Mrs. Gilbert Vines, Miss Luda Vines and Mr. and Mrs. L. D. Koonce, brothers of the groom. Mr. and Mrs. Koonce will make their home in Seagraves.

Warner Club Aids Local Schools

The Phoebe K. Warner Study Club met in the home of Mrs. G. M. Stewart Tuesday afternoon to continue its study of religions of the world.

Mrs. Fred B. Hegi presented the program on the beliefs and customs of the Islam faith.

The organization is giving sheets and blankets to the Tahoka schools for the bed used by the school nurse, Mrs. Lillian McCord, in treating ill children. Another project which will be carried out at the next meeting, is the packing of boxes to be sent to the State Hospital in Wichita Falls. These boxes may contain any articles that would be useful to patients from 12 years old and up.

Two guests attended the Tuesday meeting, Mrs. Rosa Jolly and Mrs. R. M. Stewart.

Mrs. C. B. Evans, a resident of Lynn county for many years, moved to Levelland last week. She has bought her new home there at 403 Clubview Drive.

Mrs. Lou Willess was released Tuesday from Tahoka Hospital where she had been a medical patient since Friday.

Start New Series Of Duplicate Bridge

The first game in the four-game guest series in duplicate bridge was played Tuesday night at T. Bar Country Club, at the end of which trophies will be presented the guest with the highest percentage, as well as to the member with the highest percentage.

Mrs. Winston Wharton, director of duplicate bridge, said that the guests and members will qualify with the best three out of four games played. The following three games in the series will be played on November 26, December 10, and December 17.

First place winners Tuesday night were Mrs. Larry Hagood and Mrs. Meldon Leslie; second place, Mrs. L. C. Haney and Mrs. A. N. Norman, Jr.; third, Mrs. Lee Roy Knight and Mrs. Jess Gurley; fourth, Mrs. Sam Gatzki of Wilson and Mrs. Swanner of Slaton; fifth, Mrs. R. C. Roberts and Johnny Wells.

Mrs. A. N. Norman Jr. was presented the trophy as winner of the fall series play.

Local Ladies Hear Review of Book

About 40 women from Tahoka and surrounding communities heard Mrs. Madeline Hegi Monday afternoon review the book, "To Live Again" by Catherine Marshall.

The Women's Society of Christian Service sponsored the guest tea at the First Methodist Church when all ladies of the community were invited to attend.

Coffee was served by Mrs. R. M. Stewart from a table laid with a white cut-work cloth over pink and centered with an arrangement of pink chrysanthemums and silver leaves.

Mrs. Hegi was introduced to the group by Mrs. A. M. Bray.

Jaycee-Ettes Plan Christmas Party

Tahoka Jaycee-Ettes met Tuesday night in the home of Mrs. Carl McClintock, Jr. when a short business meeting was held.

Refreshments were served to 11 members.

The group discussed plans for the annual Christmas party to be held Dec. 10 in the WOW Hall.

The next meeting will be held Nov. 26 in the home of Mrs. Fern Lewis.

There are more than 10,000 known species of beetles in the United States.

Alexander Graham Bell was trained to be a teacher of music and elocution.

Today's MEDITATION

from The World's Most Widely Used Devotional Guide

The Upper Room

© THE UPPER ROOM, NASHVILLE, TENNESSEE

Read John 14:27-31.
Peace I leave with you, my peace I give unto you. (John 14:27.)

Spending a few days with her relatives, a girl was impressed by the peaceful atmosphere of their Christian home. On returning to her own home at the end of her vacation, she did not hesitate to ask, "Mother, why don't you and father live like Auntie and Uncle?"

The mother, finding herself unprepared for such a question, gave the answer, "You see, dear, they are Christians. Their way is different from ours."

Christianity is called the religion of peace. It is sad to think that many of us who profess to be Christians do not prove ourselves tolerant, loving, and forgiving. Ought we not to be more eager to spread peace than dissensions? To create love rather than express anger? The Bible tells us, "Thou wilt keep him in perfect peace whose mind is stayed on thee."

PRAYER

O God of Peace, help us so to live that we set an example of Christian love and unity in this world so divided and troubled. May we never lose that peace which Christ grants us, but in all our trials, remember His unfailing assurance, "I will not leave you comfortless." In His name we pray. Amen.

THOUGHT FOR THE DAY

Man is kept in perfect peace when his mind is stayed on God.—Everson T. Sleanarine (British West Indies).

Congratulations:

Mr. and Mrs. Lewis Cowan of Lubbock on the birth of a daughter in Tahoka Hospital Monday at 12:37 p. m. Weighing seven pounds, one ounce, she has been named Nancy Ruth. She has one big sister, Jamie, who is nearly two years old. Grandparents are Mrs. Euel Smelser and Mr. and Mrs. Clovis Honeycutt, all of Tahoka.

Mr. and Mrs. Jose L. Mendoza of San Antonio on the birth of a daughter in Tahoka Hospital Sunday at 7:45 a. m. She was named Esmeralda Compos and weighed seven pounds, nine ounces.

Mr. and Mrs. Federico R. Pals of Mathis, Texas on the birth of a son in Tahoka Hospital Tuesday at 4:05 a. m. Weighing seven pounds, 10 ounces he was named Richard R.

Advertising doesn't cost, it pays.

MRS. MINOR'S VISITORS

Mrs. John Minor has as visitors Saturday a brother and some old schoolmates from the Killen area. They were her brother, C. W. Swope, and wife of Copperas-Cove, Mr. and Mrs. Bailey Rogers of San Antonio. Mrs. Minor had not seen the latter couple since 1913. The party was en route to Lubbock to visit a brother, Will Rogers, former Lubbock city manager.

The Liberty Bell was cracked in 1838

when it tolled the death of Chief Justice John Marshall. Beaumont is French for "beautiful hill."

CHRISTMAS
RY

Standing . . .

(Cont'd. from Page 1)
for the "neighbor orchid" on the national radio program, "The 100 Club," which Happy received.

So, in spite of all the bad, which is so easily seen, there can also be found some good if we look for it.

Namesakes. Some folks have trouble naming a new baby. Others have rich relatives.—Times, Thief River Falls, Minn.

Again this year, this column would like to commend all those who have made a successful, if not winning, football season possible. A season is successful only when boys grow to be men with mature attitudes and an ability to work with others in a spirit of fairness and cleanliness.

Coaches Bill Haralson and Dean Wright have again, in our opinion, therefore, come through with another successful season.

But it's not just the players who make the game, for what would football be without a band with all the glitter that goes with one, the cheerleaders, managers of the team, concession stand workers, and possibly one of the most important, Tahoka's Clint Walker (not Cheyenne) as a terrific announcer, not to mention all the others that contribute to its operation.

Various Viewpoints

His sister: "Oh, his nose is broken."

His girl: "He can't take me to the dance tonight."

His mother: "Oh, he lost his front teeth."

His father: "I wonder if the school has insurance."

His coach: "He didn't drop the ball."

—Scandal Sheet

Mrs. W. S. McQueen was released from Tahoka Hospital Monday.

Highways . . .

(Cont'd. from Front Page)
chase the right-of-way through Tahoka. The State will finance the construction of the highway.

The route through Tahoka will require 280 feet along most of its course and 300 feet will be required-adjacent to possibly four overpasses, which are modified cloverleaves. The highway will tie-in with the present highway south of Tahoka at the I. M. Draper home, curves toward the east in its north-bound course, and will probably rejoin the present highway at the drive-in theatre north of town. In addition to the four-lane highway through town, there will possibly be a two lane access road all along the route on both sides of the expressway, or either of which traffic could travel both ways. These access highways would have openings on all city streets, but the expressway would have access points only at the overpasses, at which points traffic could be turned in any direction.

The southern segment of US 87 requires 240 feet of right-of-way, 140 feet more than at present, except along the Santa Fe tracks, where a total of 200 feet is required.

From Tahoka to the Lubbock county line, under new Federal requirements, the right-of-way must be a minimum of 200, or 180 feet more than the present right-of-way.

Football . . .

(Cont'd. from Page 1)
late two conference games.

Tahoka has nine boys that will be playing their last high school football game this afternoon, including QB Karl Prohl, Guards James Adams and Steve Riddle, Ends Donald Williams, Jay Gurley, Jerry Brown, and Gaylon Tekell, and Tackles John Ed Redwine and Virgil Hicks.

PROCLAIMS CHRISTMAS SEAL DAY—Governor Price Daniel has proclaimed "Christmas Seal Days" as that period from November 15 to December 24. Bearing the request for the proclamation was Miss Carolyn Calvert of Austin, Texas' first Miss Christmas Seal and the reigning Miss Texas. Christmas Seals are being mailed over Texas Friday. They support work of voluntary tuberculosis associations toward control of the disease.

Number of Aged Persons Increases

College Station—As the number of older persons in the population increases, the needs of the "senior citizens" in towns and in rural communities are of growing interest, says Reagan Brown, extension rural sociologist.

Texas now has one half million persons over 65 years of age. This represents 1 out of 7 or about 7 percent of the total population. In rural areas, the percentage is even higher, Brown says.

Research shows that older folks want to live as independently as possible. They prefer to live in familiar surroundings near their friends and associates. They prefer to be near married children or grandchildren but not to live with them. Elderly persons like to be where they can watch adults work and children play, rather than being only with other aged people.

Most older farm people like rural surroundings with open spaces, according to Brown, a place for animals, a chance to watch gardens or crops grow. But they don't want to be isolated. They want to be able to walk or drive, to go shopping, to go to church or other meetings, see friends and relatives, have help of needed and be outdoors when weather permits.

They want a house with various safety features—a 1-floor plan with few steps to the outside. They favor a house safe from fire and falls, with no slippery floors, no loose or sliding rugs, safe bathtubs, showers with convenient handholds, faucets easy to reach and use, and rubber mats to prevent slipping. Older people desire plenty of heat in winter, automatically regulated; adequate lighting, windows that open and shut easily and a place for daytime naps.

Above all, older persons want to feel needed and carry on a useful, pleasant day to day schedule of activities, adds Brown.

Johnny Lynn Barham, small daughter of Mr. and Mrs. N. M. Barham, Jr., was a patient in Tahoka Hospital Monday night with an ear infection.

Egg producers who sell from their own flocks and claim no grade are exempt from the licensing requirement of the new Texas Egg Law which went into effect August 22.

Medieval castle building reached its peak just at the time gunpowder was invented, destroying the castle's defense value.

School Closing Early For Game

Classes in the Tahoka schools will be dismissed at 12:00 noon today and buses will run at 12:05, according to Superintendent Otis Spears.

This is being done so that students may attend the Tahoka-Lockney football game at 2:30 p. m. on the Longhorn field.

Spears said that only those students whose lunch hours fall before 12:00 o'clock will have an opportunity to eat in the school cafeteria.

O. O. Tekell is a medical patient in Tahoka Hospital, where he was admitted Tuesday. He is in satisfactory condition.

Roy Hefner Makes Statement On Being "Fired" As Officer

Roy Hefner, former Tahoka Police Chief, informs The News that he did not resign his job but was "fired," and made the following statement in regard to the same:

"The news story in The News last week indicated that I had resigned as Chief of Police was erroneous. The fact is that I was fired by the Mayor.

"I have been working here on the police force since 1952, and have been chief since 1954. I have ever tried to do the work the best I could. According to law, as chief, I assumed I had the right to hire and fire members of the force according to my best judgment.

"On October 1, as Chief, I gave my helper two weeks notice that his services would be ended on October 15. This action was taken, I felt, for the best of all concerned and in accordance with my duty.

"Evidently, such action did not please the Mayor, and he told me I had no power to fire my helpers. As a result, I was relieved of my job by the Mayor without being given a hearing by the City Council.

"This statement is made in defense of what I feel is justice and to set the record straight."

Johnny Lynn Barham, small daughter of Mr. and Mrs. N. M. Barham, Jr., was a patient in Tahoka Hospital Monday night with an ear infection.

Egg producers who sell from their own flocks and claim no grade are exempt from the licensing requirement of the new Texas Egg Law which went into effect August 22.

Medieval castle building reached its peak just at the time gunpowder was invented, destroying the castle's defense value.

School Closing Early For Game

Classes in the Tahoka schools will be dismissed at 12:00 noon today and buses will run at 12:05, according to Superintendent Otis Spears.

This is being done so that students may attend the Tahoka-Lockney football game at 2:30 p. m. on the Longhorn field.

Spears said that only those students whose lunch hours fall before 12:00 o'clock will have an opportunity to eat in the school cafeteria.

O. O. Tekell is a medical patient in Tahoka Hospital, where he was admitted Tuesday. He is in satisfactory condition.

Awards Made To Bus Drivers

Otis Spears, superintendent of Tahoka Independent School District, presented eight awards of merit to as many school bus drivers this week in an assembly program held in the high school auditorium. The program is sponsored and conducted by the Texas Safety Association and local schools and is designed to give public recognition to school bus drivers with accident-free records for the past year.

Drivers who received certificates were Gordon Arnold, L. F. Jacobs, W. H. Haralson, Deane E. Wright, Junior Montemayor, John Shepherd, Bennie Thorpe and Jim Hodge. During the past several years other bus drivers have had perfect records as well as these, but these certificates go only to those presently employed drivers who drove during the 1956-'57 term of school.

The Tahoka Independent School buses operate over a territory of 360 square miles, traveling a total of 700 miles per day, 178 days per year, hauling approximately 350 school children per day. During the past seven years not a single child has been hurt in a school bus accident.

Spears says this record is remarkable when one considers the fact that the bus driver handles two jobs at once, either of which would be a full time job. He must be a careful driver first, last and always, but he must keep one eye on his charges in order to keep them under control.

The life of a school bus driver is not an easy one. Pupils, parents, teachers, driver of other vehicles that come into contact with a driver should all cooperate in making his job an easier one for the safety of the children who ride his bus.

The Lynn County News

TAHOKA, TEXAS

"Heart-of-the South Plains"

FRIDAY, NOVEMBER 15, 1957

New SCS Program Ready To Move

The Great Plains Conservation Program in Lynn county is ready to move.

Approval by State Program Committee of a list of soil-stabilizing moisture-saving practices for the county was announced today by Allyn Cox, who as leader of the Soil Conservation Service staff is chairman of the Lynn Program Committee.

Also approved were the rates at which the federal government will share the cost of installing the practices.

These rates, based on average cost of the work in this county range from 50 to 80 per cent of the total cost of installing each practice. Cost-share rates for Lynn county had been worked out by the county program committee and submitted to the State Program Committee which is headed by State Conservationist H. N. Smith as chairman.

Cox said that the approval of practices and cost share rates clears the way for first application.

The purpose of the Great Plains Conservation Program, Cox explained, is to develop an agriculture that resists the weather extremes that are a constant hazard in the Plains area. This will contribute to a more stable economy.

"The County Program Committee is looking forward to enthusiastic response to this opportunity," Cox said. "We have moisture now and that means an opportunity to make a good start on this program. Our records in this country show that there's drought somewhere in the Plains every year. When moisture is good is the time to get ready for the years when conditions are less favorable."

Indications are that several farmers and ranchers in this county are ready to take advantage of this chance for real help in getting a conservation plan on his farm or ranch," Cox added.

Foundation of the program is a

Aged Mexican Is Buried Here

Jose Espalosa, 75, a resident of Lynn county since 1921, died Friday at the home of a daughter on the W. P. Thomas farm near Grassland.

Funeral services were held Saturday at 4:00 p. m. at the Tahoka Baptist Mission with Rev. George Young, pastor, officiating, and burial followed in Tahoka Cemetery under direction of Stanley Funeral Home.

Born in Mexico March 19, 1882, he is survived by two daughters, Mrs. Amelia Rodriguez of Grassland and Mrs. Ray Cervantez, and 10 grandchildren.

Rainbow Girls Give Breakfast

The Tahoka Rainbow Girls will sponsor a businessman's breakfast Saturday morning in Fellowship Hall of the First Baptist Church, according to Karen Kidwell, recorder.

Businessmen may go to the church at any time between 6:30 and 8:00 p. m. on that morning. Plates are \$1.00 each.

In national mints a thousand coins can be counted out in a few moments by use of counting tables.

Complete soil and water conservation plan for each farm or ranch. The farmer or rancher agrees to establish all needed measures in his plan within a period of not less than three nor more than 10 years.

Cox pointed out that when the farmer or rancher becomes a party to the contract the money for the government's share of the cost is set aside for his part of the program.

Congress, in providing for the launching of the program, authorized \$150,000,000 for a 10-year period, but specified that not more than \$25,000,000 will be spent in any program year. Appropriation for the first kickoff year was \$10,000,000.

A total of 233 counties in the 10 Great Plains States has been designated by Secretary of Agriculture Ezra T. Benson for the program.

Members of the County Committee, in addition to Chairman Cox are Buford Jones chairman of ASC Committee, Perry Walker, FFA. Also participating in the Committee's work are Bill Griffin, County Agent; Roy Lee Williams, O. E. Terry, Elmer Blankenship, Ellis Barnes and W. L. Rowe.

Here are some of the practices, with cost-share rates, for Lynn County:

Establishment of perennial vegetation 80, Initial establishment of strip cropping 80, range reseeding 80, wind break planting 80, establishing waterways 80, constructing terraces and diversions 70, chiseling or pitting rangeland 50, reorganization of irrigation system 50, land leveling 50, pond construction 50, brush control 50, and fencing for protection of newly seeded areas 50 percent.

Methodist Men Hear Mrs. Hegi

Fifty-four attended the monthly meeting of Tahoka Methodist Men Monday night when Mrs. Fred B. (Cadeline) Hegi reviewed the book, "To Live Again" by Catherine Marshall.

Mrs. Marshall's late husband was Rev. Peter Marshall, chaplain of the U. S. Senate and pastor of a Washington church. The book deals with the woman reconciling herself and adjusting her living as a widow and presenting to posterity the teachings of her husband. Mrs. Hegi's review of the book was termed by the men a wonderful presentation.

The "Junior Jerks," a high school boys' quintet composed of Weldon Calloway, Jerry Adams, John Hegi, Benny Martin and David Bray, sang four numbers, accompanied at the piano by Mrs. Gwen Patterson.

Harold Green and Otis Spears arranged the program.

Wynne Collier, president, appointed a nominating committee to present new officer candidates. The committee is composed of Roy Edwards, Vernon Jones, Harold

Tahoka, Wilson Students At HSU

Nine students from Tahoka and Wilson are among more than 1,500 students attending Hardin-Simmons University in Abilene this fall.

They include, along with the organizations to which they belong, Vivian Charlene Riddle, daughter of Mr. and Mrs. A. D. Riddle of Tahoka; Bobby Lee Stalcup, son of Mr. and Mrs. J. H. Stalcup of route 2, Tahoka, who is a member of the Ministerial Council and Life Service Band; Kenneth Gerald Stalcup, also the son of Mr. and Mrs. J. H. Stalcup;

Judy Lynn Blankenship, daughter of Mr. and Mrs. E. L. Blankenship of route 2, Wilson, member of Greater Council of Baptist Students Union and Glorietta Club; Alice Carolyn Duckett, daughter of Mr. and Mrs. H. L. Duckett of route 1, Wilson, a Tahoka-ex-student; Ronnie Alan Foster, son of Mr. and Mrs. Ray Foster, route 2, Wilson; Dixie Marie Hewlett, daughter of Mr. and Mrs. Harry Hewlett, route 2, Wilson, member of Life Service Band;

Shirley Jo Hewlett, also the

Carbon occurs in three distinct forms—as coal, as graphite and as diamond.

As little as one-half of one percent of carbon monoxide in the air can be fatal.

SAM PRESTON DIES

Sam B. Preston, 79, a Midland county rancher for 50 years, died last week of a heart attack. He was a brother of Tom and Bob Preston, both well known by all old timers in Lynn county.

daughter of Mr. and Mrs. Harry Hewlett, member of Life Service Band, Religious Drama Club, Future Teachers of America, Youth Women's Auxiliary, and Alpha Psi Omega; and Mary Lou Lichey, daughter of Mr. and Mrs. Charlie Lichey, route 1, Wilson, member of University Singers.

Mexican Child Is Buried Sunday

Dora Gonzales, three year old daughter of Mr. and Mrs. Ismael Gonzales of route 3, O'Donnell, died in Tahoka Hospital Saturday morning and funeral services were held at 2:00 p. m. Sunday in the Catholic Church in Tahoka.

Burial was in Tahoka Cemetery. Other than her parents she is survived by one sister, Rose Mary, two months old.

AMERICA'S BIGGEST CAR VALUE—ON SALE TODAY!

NEW 1958 MERCURY

SHOWN (above) ARE COLONY PARK STATION WAGON; MONTEREY PHAETON COUPE; (center) THE MONTCLAIR PHAETON SEDAN.

Only car to bring you Sports-Car Spirit ... with Limousine Ride

Mercury introduces the year's biggest advance in car performance—a combination of the superb control and handling ease of a sports car—plus the room, ride, and comfort of a limousine.

4 SERIES OF MERCURYS TO CHOOSE FROM IN '58. PRICES START JUST ABOVE THE LOWEST. The Monterey series has 5 models within easy reach of buyers of low-priced cars. For only a few dollars more, Mercury's six Montclairs give you many additional luxury features. There's a choice of six station wagon models in 3 price ranges. For magnificence unlimited, there are 3 models in the entirely new Park Lane series. And, even here, prices are surprisingly modest.

ANNOUNCING AN ENTIRELY NEW FAMILY OF MARAUDER ENGINES WITH UNIQUE COOL-POWER DESIGN. The great engineering advances of "Cool-Power" Design include new In-block Combustion, Water-flow Intake Manifold, 3-stage Cooling, and Cool-head Valves. Power and fuel once lost to heat and friction are put to work for you. There are three new Marauder V-8's with 312, 330 and 360 hp. They are all teamed with a new high-economy rear axle to give you more power, more mileage from less fuel.

ADVANCED TREND-SETTING STYLING—WONDERFUL NEW DRIVING AIDS. Mercury continues its leadership—not only in styling, but in features. For example, new Super-Safe self-adjusting brakes. New Multi-Drive Merc-O-Matic in the Park Lane series. And you can get features like a Speed-limit Safety Monitor, automatic power lubrication, and many others. We invite you to attend the first showing.

Odds and Ends

(By E. I. The Elder)

Last week we wrote the back-
ground for the founding of the
state of Georgia and of the far-
flung and very influential Meth-
odist Church of the present day.
It was a strange and electrifying
story. Its votaries and supporters
can be found in large numbers in
every English-speaking peo-
ple in the world, and quite a good many
people who speak the languages
of the nations of northern Europe.
John and Charles Wesley are given
the chief credit for the founding
of religious societies that developed
into this great Church, the great-
est Protestant Church on earth.
John Wesley was the leading evan-
gelist and organizer of this great
body of Christians and Charles
Wesley, was the great hymn-writ-
er and the sweet singer that stir-
red the hearts of men and women
and caused them to spurn merely
formal or ceremonial religion and
to put their trust in a loving God.

I passed on to the readers of
this Column last week something
of the life, character, and accom-
plishments of this marvelous
preacher and the chief founder of
the Methodist Church. Now I wish

some of the words. As soon as he was home, he would jump off his horse and run into the house, crying "Pen and Ink! Pen and Ink!" People were so accustomed to that that they would have paper and ink handy.

"It is said that Charles Wesley wrote more than six thousand hymns. Many of them were never printed. Others have been lost through the years, but we still have some of the greatest. He and his brother John published a new hymn-book each year for a number of years."

Charles is given the credit of having written that great old hymn, "Jesus Lover of My Soul," which I think is one of the very greatest hymns in the English language.

Napoleon, seeking a way to nourish his armies, offered a prize which led to the development of food canning.

Roy Admas Writes From New Mexico

R. R. (Roy) Adams of Wells writes The News he and his wife have moved their cattle from House, New Mexico, to Federal, which is about 11 miles west and two and a half miles south on Encino.

He says further: "Grass is good, and we are pretty well housed, so we and the other cattle will winter here. We are 120 miles from our House location. It's wet here; rained a week."

Thoughts For Consideration

(By Leroy Cowan)

Many people are worried about "second rate" problems, while having little or no concern of the real issues. Some are in a dither as to what Russia will do with its advance in scientific ability, fearful that life will be wiped off the face of the earth. The real concern should be in preparation for eternity which is certain, for man cannot live here for-

ever. "It is appointed unto a man once to die and after this the judgment." Heb. 9:27. Our major concern should not be how death comes, but how we'll stand in the sight of God. It is true that a nation can be destroyed; many have been. Our first concern should not be of the "super bombs," but remembering that the scriptures say, "Righteousness exalteth a nation, but sin is a reproach to any people." Prov. 14:34. Every na-

tion that has fallen was first weakened by the sins of the people. The best solution to such problems is "to fear God and keep his commandments, for this is the whole duty of man." Ecc. 12:13.

Mr. and Mrs. Ira Joe Hart and children of Fort Worth were here over the week end visiting his grandparents, Mr. and Mrs. J. A. Sanders. Ira Joe is employed at Convair airplane plant.

she'll love a color telephone to match her color scheme

WONDERFUL CHRISTMAS GIFT... an additional telephone in sparkling color that blends with her decor. Tahoka Bulldogs Win 26 to 0 Over Post Antelopes In Homecoming Game

Tahoka Bulldogs defeated the Post Antelopes here Friday night 26 to 0 to give the home boys three victories for the season and two victories against three losses in conference play.

Coaches Haralson and Wright rused just about all their players but the freshmen in scoring the victory over Coach Frank Krhut's light and inexperienced boys, and never allowed the Antelopes to get closer to the goal than the 27 yard line.

Post received the opening kick-off and Halfback-Quarterback Noel Don Norman, only Post player able to gain consistently on the ground accounted for the yardage in moving out to the Tahoka 49 and punt.

Tahoka couldn't move either and fumbled on fourth down, Ford recovered for Post on the Tahoka 40. A pass to Polk for 7 and two running plays moved the ball to Tahoka's 27 where Tahoka held Post four downs, the nearest approach to Tahoka's goal.

Tahoka took over on its 27, marched 73 yards to score. HB Tomlinson made 14, HB Karl Prohl who also alternated occasionally with George Adams at quarterback, made two. On an Adams' pitchout, the ball was batted into End Jerry Brown's hands and he went for a 7-yard gain. Then, FB Weldon Calloway fumbled to the Post 42, where Tackle Virgie Hicks recovered for Tahoka. On the next play Adams faded to pass, found Brown in the open and passed to him on the 23 and Brown raced over the goal line. Prohl went over left guard for the extra point. Score 7-0.

Post had the kick-off on its 37, Norman lost one, Sammy Martin made seven in two tries to the 43, and Martin was back to punt. Tahoka HB Billy Tomlinson broke through the Post line, blocked the punt, and the ball rolled to the Post 20. Six plays later, Tomlinson went one yard over left tackle to score, and then went over again for the extra point. Score 14-0. Post couldn't move, punted, and Tahoka had the ball on its 32. Prohl made 3, then Adams turned another bad pitchout into the first-down gain when he went back, snatched up the ball 10 yards behind the line of scrimmage and ran it to the 43. HB Robert Cloe and HB Jerry Bragg joined in the 68-yard drive with Prohl, Adams, Calloway, and Tomlinson in moving to the Post 19, where Tahoka fumbled and Charles Morris recovered for the Antelopes. Neither team could move and the half ended.

Tahoka received the kickoff, Brown carrying o the 37. Then, Brown took a jump pass cut to his right and ran 43 yards to the Post 20. Another jump pass to Gurley was good for 9, Cloe made 3 and 7 yards, and George Adams went one yard to score on a keeper play. Cloe failed to convert. Score 20-0.

Following the kickoff, Tahoka had Post pushed back to its 11 when Norman got off a booming 48-yard punt to Tahoka's 41. Tahoka was held, and Brown punted the only time of the ball game for the Bulldogs.

Post opened up on passes, but Tomlinson intercepted on his 45 and returned to the Post 46 to end this threat. The Bulldogs moved to the Post 17 before losing the ball on downs early in the fourth.

Post had to punt from its 17 to Tahoka's 45. HB David Copeland raced around right end 21 yards for Tahoka, and a 13-yard pass to End Gaylon Tekell put the ball on the Post 23. Cloe moved five yards, and then End Jay

Wilson Mustangs and New Deal Lions close out the 1957 season today and the Lynn county boys have a chance to end conference play with a 3-3 record. In fact, the two teams will be battling for third place in district standings.

At Meadow last Friday, the Mustangs lost by a 32 to 21 score at the Broncs' homecoming.

Wilson took the opening kickoff and marched 60 yards to score with Halfback Ethridge going the last five, and Paul Henderson adding the extra point. Meadow tied the score on a 55 yard march with Bell going over and then adding the extra point.

In the second quarter, Bell got away on a 40-yard run and added the conversion, to make it 14-7. The Broncs made it 26-7 in the third on scores by Pendergrass and Smith.

Then, in the fourth, Ethridge ran 60 yards to score for Wilson, and Joe Baker converted. A short time later Bell scored again for Meadow on a 20-yard run. Wilson ended the scoring with Bake romping 45 yards, and Dokken adding the extra point.

New Home Leopards ring the curtain down today on the 1957 football season at Meadow.

Although the Leopards have had a losing season, winning one conference game from Lorenzo, they have given some of the top teams of District 4-B, Whiteface and Wilson especially a hard time.

Last Friday they held the high-flying Whiteface boys, undefeated in conference play and loser of only one game this year, to a 29-20 score and gave them quite a scare.

GAME STATISTICS		
Tahoka	Post	
14	5	First downs
186	53	Net. yds. rushing
150	33	Yds. passing
8	6	Passes complete
7	13	Incomplete
0	1	Had intercepted
1 for 33	7 for 26	Punts, avg.
4 for 40	4 for 50	Penalties
4 of 7	1 of 2	Fumbles lost

Gurley took a jump pass for Tahoka's final score. Copeland failed to run over the extra point. Score 26-0.

The rest of the game was made up of desperation tries by the Antelopes and Tahoka threatening once more on a 7-yard run by Copeland, 8 by Cloe, a 6-yard jump pass to Gurley and a 10 yard pass to Tekell. There were two intervening fumbles, a Tahoka fumble covered by Center Herbie Hays of Post and a Post fumble covered by Tomlinson of Tahoka. Post standouts on defense included: Sammy Martin, Arloh Ford, Jerry Windham, Noel Don Norman, Kenney Pool, and Forrest Claborn.

Those receiving the most tackles for Tahoka were Karl Prohl, Billy Tomlinson, David Bray, Billy Cain, Jerry and James Adams, Steve Riddle, Richard Stice, and John Hegt.

Ropes Playing At O'Donnell

O'Donnell Eagles close out the 1957 season today with Ropesville at O'Donnell. Ropes lost to Plains last Friday 35 to 13 while the Eagles were losing a close one to the tough Seagraves Eagles 19 to 13.

In Friday's game at O'Donnell, all the scoring came in the first half. O'Donnell scored first on a 30-yard pass play, Tommy Gardenhire to End Kenneth White. Seagraves came right back to tie it up 6-6 on a 16-yard reverse play with Pat McAdoo going 16 yards.

O'Donnell took the lead in the second period when Gardenhire sneaked over one yard following a 40-yard drive, and Jerry McKibben adding the extra point.

Seagraves scored twice before the half, with Jimmy Hamilton carrying the last two of a 40-yard drive, and Duggan bulled over a few minutes later for five yards ending a 60-yard drive, and then Duggan ran over the extra point.

Wilson Mustangs and New Deal Lions close out the 1957 season today and the Lynn county boys have a chance to end conference play with a 3-3 record. In fact, the two teams will be battling for third place in district standings.

At Meadow last Friday, the Mustangs lost by a 32 to 21 score at the Broncs' homecoming.

Wilson took the opening kickoff and marched 60 yards to score with Halfback Ethridge going the last five, and Paul Henderson adding the extra point. Meadow tied the score on a 55 yard march with Bell going over and then adding the extra point.

In the second quarter, Bell got away on a 40-yard run and added the conversion, to make it 14-7. The Broncs made it 26-7 in the third on scores by Pendergrass and Smith.

Then, in the fourth, Ethridge ran 60 yards to score for Wilson, and Joe Baker converted. A short time later Bell scored again for Meadow on a 20-yard run. Wilson ended the scoring with Bake romping 45 yards, and Dokken adding the extra point.

New Home Pushes Whiteface 29-20

New Home Leopards ring the curtain down today on the 1957 football season at Meadow.

Although the Leopards have had a losing season, winning one conference game from Lorenzo, they have given some of the top teams of District 4-B, Whiteface and Wilson especially a hard time.

Last Friday they held the high-flying Whiteface boys, undefeated in conference play and loser of only one game this year, to a 29-20 score and gave them quite a scare.

Whiteface scored twice in the first quarter to take a 13-0 lead, but New Home bounced back in the second period when Barney Castro went over from the three

The second half was a defensive battle in which neither team was able to score.

Three times during the game, O'Donnell was down close to the Seagraves goal and couldn't score. Sandra Singleton was crowned O'Donnell band sweetheart at half-time ceremonies.

BOLD NEW PONTIAC

BOLDEST ADVANCE IN 50 YEARS!

The Golden Jubilee Car

MAKE IT A SPECIAL POINT
TO SEE THIS ONE!

The best ideas of the industry's hottest engineering team went into this Golden Jubilee Pontiac... newly created from the frame up to celebrate the 50th Anniversary of Pontiac and General Motors. The revolutionary advancements you see here mark a decisive break with the past... and conventional car design. Why not be among the first to drive the bold new Pontiac and discover a brilliant prophecy of the next big change in cars!

Circles-of-Steel SAFETY

Pontiac's completely new body construction surrounds you and your passengers with girder steel protection—above, below, fore and aft. You drive with wonderful new peace of mind!

Aero-Frame STABILITY

Here is the biggest basic construction change since the early days of motoring. Pontiac's revolutionary new frame design is lighter, stronger, more stable than the conventional box type used on other cars.

Quadra-Poise ROADABILITY

Lean back and relax—only the wheels know where the bumps are! Pontiac's new chassis geometry ends dive, sway and bounce to bring you the smoothest ride, easiest handling you've ever known!

Ever-Level Air Ride*

The most perfect suspension system ever designed—and Pontiac's revolutionary Aero-Frame is specifically designed for it! Air cushions on all four wheels literally float you over the bumps... keep the car perfectly level regardless of load or road!

Tempest 395 PERFORMANCE

Try the jeweled-action response of Pontiac's brand-new engine! Scores of exclusive engineering innovations make this hefty power plant a miracle of smoothness... choose from four horsepower ratings—including Tri-Power Carburetion* and Fuel Injection*. *An extra-cost option.

New Direction STYLING

Here's a fresh new look in automobile styling—and only Pontiac has it! From classic grille to bold rear end, Pontiac makes a decisive break with the fads and frills! Despite its 4 1/4 inch lower silhouette, there's more room inside than ever!

MODERNS GO GAS FOR GIVING

Hurray for the "Great Outdoors"! Yet tramping the trails in quest of quail is one thing... bending over a loaded clothes basket in the backyard is quite another. Put yourself in her spot, mister, and it's ten to one you'd look for the easy way out. The easiest way in the world to get around the work that goes with old-fashioned line drying is a GAS Clothes Dryer. It'll save her hours of time, too, and dry clothes quicker, safer, and more hygienically than outdoors. And get this: just \$2.64 A YEAR dries clothes for a family of four, with economical GAS Mister, it won't cost you... It'll pay you to send her to a gas appliance dealer right away!
