Bill Griffin Will Receive National Distinguished Service Award

W. B. (Bill) Griffin, Lynn county agricultural agent since January 1947, was one of seven Texans named as recipients of the National County Agricultural Agents Association's Distinguished Service Award. Griffin was nominated by the Texas Association for the high award. Houston County Agent P. S. Nix made the announcement. Nix is also chairman of the Texas Awards Committee.

The awards are made each year to a select group of county agents who over a period of years are recognized for their many outstanding contributions to agriculture and improved rural living. Presentation of the awards will be a highlight of the National Association's annual meeting to be held in Seattle, Washington, August 31-September 4.

Griffin was first employed by the Texas Agricultural Extension Service in June 1945 as assistant county agent in Lubbock county where he served until his transfer to Lynn county.

COUNTY AGENT W. B. (BILL) GRIFFIN

Working through adult leaders and following plans developed by them and the county program building committee, Griffin has established an outstanding program which includes crop, livestock, soil and water conservation, irrigation, community improvement and others.

Basically, the 7-step cotton program has been followed in the county with special emphasis placed on the planting of adopted varieties, insect control, use of fertilizers and improved irrigation practices. Four of his 4-H Club boys have won college scholarships because of their excellence as cotton demonstrators, and the county entomology team has been a district winner for several years and has also placed high in statewide competition.

Hybrid grain sorghums were introduced into the county through demonstrations. The award winner has established and used demonstrations to teach improved irrigation practices and has assisted farmers of Lynn county in carrying out a soil and water conservation program adapted to the area.

In addition to the cotton scholarships and district and state winning entomology teams, Lynn county 4-H boys have also been State winners in poultry and Santa Fe. (Continued on Page 4)

Wallace Opens For Trial Run

Manager George Western of the Rose and Wallace Theatres here, announces that the Wallace Theatre will be open for four days starting July 25. This is a trial run and Western promises that if enough interest is shown during this run the theatre could be open every weekend all summer.

Since so many people missed the recent showing of the Walt Disney film, "Old Yeller," it is being shown again, and on the same program, Disney's "Davy Crockett, King of the Wild Frontier." This combination offers movie fans a great show for both adults and kiddies. These shows will be presented July 25-26.

Sunday and Monday another great film has been arranged to make a re-run—the ever popular Elvis Presley in "Loving You." These programs will be shown at 50 and 20 cents admission, while the roadshow attraction "Bridge on the River Kwai" is being shown four days at the Rose Theatre at the advanced admission of 90 and 30 cents.

It is being observed that more and more people are pulling away from TV and are going out to a movie. Remember, you can't see Cinemascope and color on the 21 inch.

Meet your friends at the movies. Many, many new Class A pictures are scheduled for runs in Tahoka very soon. Watch for theatre ads in this paper and make it your entertainment guide.

Unusual Heat Wave Continues

Lynn county and the entire South Plains area has been in the grip of an unprecedented June heat wave for the past nine consecutive days, during which time the high temperature registered in Tahoka has averaged 100 degrees.

High point of the spell came on Sunday and Monday, when on each day the U. S. Weather Bureau thermometer registered 106 degrees. Temperatures on other days have been: Wednesday and Thursday last week, 95 and 94, respectively; Friday, 101; Saturday, 100; Tuesday, 100; Wednesday, 98, and Thursday, 98 at 2:00 p. m.

Generally over the county, crops are doing fine. Both cotton and feed are growing rapidly, and insects are giving only minor trouble. Some maize is heading out.

Some farmers need rain, especially in the western part of the county.

Some of the cotton in the hailed out strip on the eastern line of the county is coming out nicely where not damaged too badly. Some was plowed up, some died, and some responded for a while and then went backward.

In the Wells area, where damaging hail fell two weeks ago, most of the cotton has come out and is making good recovery. Some other cotton, principally on the W. H. Cook place, where about 90 acres were badly beaten, failed to make new growth and most of it is reported to be dying.

County Agent Bill Griffin reports scattered infestation of flea-hoppers.

Most farmers would like to have a good general rain, and most of the irrigation farmers have begun pouring the water to their crops.

This year's cotton is nearly a month ahead of last year's, and prospects are still excellent for an average or better crop.

Future Farmers At Convention

Three local FFA boys—Larry Forsythe, Phillip Havins and Teddy Dockery, and their sponsor, V. P. Carter, who is head of the Vocational Agriculture Department in Tahoka High School, attended a day morning for San Antonio, where they are attending the 30th annual State Future Farmers of America Convention in Municipal Auditorium in session Tuesday through Friday.

Lester Adams, also a local Vocational Agriculture teacher, was to go down later and will receive the Honorary Lone Star Farmer degree at the convention.

Walton Terry, local FFA boy, was ill and couldn't make the trip. He will be recognized at the convention as a nominee for the American Farmer degree, the highest rating in FFA work.

Six Lynn county boys will receive the Lone Star Farmer degree, highest award an FFA boy may win on a state level. They are: Wesley Dean, Walter Gasper, and Larry Roper, all of New Home; and Lanny Brewer, Jerald Dickey, and Kenneth White, all of O'Donnell.

Morgan Howle, Wife In Car Accident

Mr. and Mrs. Morgan W. Howle of Lubbock were injured in a two-car collision in Ralls Sunday at about 5:00 p. m., when Morgan's car collided with one driven by Miss Judith Kay Henry, 17, route 1, Ralls.

Mrs. Howle received a fractured leg bone and Morgan received treatment at Crosbyton Hospital, but Morgan was able to return to his job in Lubbock. Miss Henry was not injured.

Morgan is the son of Mr. and Mrs. E. A. Howle of Tahoka and works for TIME Motor Freight in Lubbock. Mrs. Howle is the former Miss Barbara Ann Montgomery, daughter of Mr. and Mrs. E. O. Montgomery of Wilson, and works at Lubbock National Bank.

Cephus Ketner Dies Wednesday

Cephus Ketner, 94, an invalid for many years, died Wednesday at 6:30 p. m. in Tahoka Hospital. The body is at a Lubbock funeral home pending funeral arrangements.

Born in Coleman county, Mr. Ketner first came to Lynn county to live with his brother, J. E. Ketner, in about 1903. He came back here 15 years or more ago. Since J. E. Ketner has been with a daughter at Los Lunas, N. M., near Belen, the past several months he has been living with Mr. and Mrs. Happy Smith. He was never married.

Stice's Infant Son Is Buried Monday

Randy Lee Stice, infant son of Mr. and Mrs. Walter Lee Stice died Sunday at 11:00 p. m. at Rumbo Clinic in O'Donnell. The child, prematurely born Sunday morning, lived about sixteen hours.

Funeral services were held Tuesday at 9:00 a. m. in the Sweet Street Baptist Church with Rev. Joe Webb, officiating. Burial followed in the Tahoka Cemetery.

Survivors include the parents of Tahoka; one sister, Debbie Elaine, 10½ months; grandparents, Mr. and Mrs. Bert Stice, Tahoka and Mr. and Mrs. James Croxton of Tahoka; great grandparents, Mr. and Mrs. W. M. West, Brownfield and Mrs. Effie Stice of Springfield, N. M., and a great great grandfather, W. C. Davis of New Home.

Urban Brown admitted to hospital Tuesday as medical patient.

City Gets New Wells

Tahoka's water problems apparently are solved—for the time being, at least.

Two new five-inch wells have been brought in the past few days, a third well was drilled Wednesday, and a fourth was being started Thursday, all located at the north edge of the townsite.

The first well was completed and tested last Friday, located in the 1900 block on North Eighth at the extreme edge of town. Jack Robinson, the driller, said the well is a full-pipe five-inch well and there was no draw-down from continuous pumping. The hole was drilled to 120 feet, but the pump was set at 118 feet. On actual meter test, the well produced 300 gallons per minute.

The second well just a block east in the 1800 block is just as good, possibly a little better. Pump setting on this well is 118 feet. Like in the first, water was encountered at about 82 feet. A pump was placed on the well, but much sand was being pumped with little drawdown and a larger test pump (six-inch) will be put on the well.

The third well completed Wednesday west of the first in the 2000 block encountered water at 86 feet and total hole depth is 126 feet. This was being pumped Thursday and also gave prospects of being a good one.

The fourth well was started Thursday further east in the 1700 block.

The west well is on a lot bought by the City from Jim Adams. The other three are on Higginbotham-Bartlett lots, also being bought by the City.

The News is informed that Pat Hines, the City water superintendent, plans to use the wells during the summer peak of water consumption so that the smaller wells

three miles north of town may be given a rest. Water production from the water field has been dwindling because of heavy continuous pumping, and Tahoka has been facing a serious water shortage.

The City has gone into the Canadian River Municipal Water Authority project, but water from this source is still indefinite. Even if the project goes through, several years will be required to construct the dam, build the distribution system, and fill the lake with water.

Naturally, City authorities and citizens are elated over the results of the new wells in North Tahoka. Finding of the new water supply not only is insurance against immediate shortage but could furnish an impetus to further growth of the town.

Help keep Tahoka clean!

Monkey Lands In City Jail

Tahoka's city jail had a new kind of customer this week—a monkey!

Chief of Police Jack Miller "arrested" and placed in jail Monday Mr. Remus Monkey. The officer's action ordinarily might have been considered a bit irregular, for he failed to enter any kind of charge against Mr. Monkey, failed to arraign him before the City Court, and gave him no chance to make bond.

The Chief got his first surprise Monday when someone reported a monkey back of Paul Pittman's. Then, there came a call from a lady living in Mrs. S. N. McDaniel's duplex apartment that there was a monkey in her car. The Chief went to the scene of the "crime." The criminal fled, but Jack finally overtook the culprit two blocks away at the Randolph Rutherford residence.

Not knowing what else to do with him, the Chief took the monkey to jail. Jack thinks Mr. Monkey had been in such a place before, for the animal put up loud screams of protest as he went to lock up the "criminal."

The monkey proved to be a pet belonging to Cecil Hammonds Jr.

Swine Meeting Held Here On Wednesday

Twenty-six Lynn county swine breeders attended the Swine Production and Marketing meeting held here Wednesday sponsored by the County Agent Bill Griffin and the Extension Service.

Speakers included T. D. Tankley, animal husbandman; Dr. C. M. Patterson, veterinarian; and Dr. A. B. Wooten, economist, all of College Station.

Mr. and Mrs. Gene Brown and children are here this week from Minneapolis, Minn., visiting her parents, Mr. and Mrs. G. C. (Judge) Gridler.

Mrs. George Short was dismissed from the hospital Sunday.

Candidates Entering Final Round Of Campaigning

First Baptist Helps Support Rev. Tucker In Mission Field

First Baptist Church of Tahoka has voted to help support Rev. and Mrs. Robert Tucker on a Mission work in Toledo, Ohio. They left this week for their new work. Mrs. Tucker is the daughter of Mr. and Mrs. John Roberts.

The local church will contribute \$150.00 per month to the work. The First Baptist Church in Athens, where Rev. Lee Ramsour is pastor, is also furnishing \$150.00 per month. Rev. Tucker has been serving as pastor of West Highlands Chapel in Athens.

The local church also recently elected Truett Smith, J. A. Biggerstaff, and George McCracken to the board of Trustees, and they will serve along with the present members of the board, E. I. Hill, Dr. K. R. Durham, and E. J. Cooper.

Pony League Enters Play-Offs

Tahoka-Post Pony League all-stars will open play in area competition at 6:00 p. m. at Slaton with the team from Floydada.

Other teams in the Area 3 play-offs are Southwestern Lubbock, Southern Lubbock, and Slaton.

Winner and runner-up of the area tournament will play in the District tournament in Lubbock July 28 and 29.

The Post-Tahoka all-star squad will be made up of the following players:

John Valdez, Leslie Acker, Mike Cornell, Tommy Bouchier, Filiberto Collazo and Eddie Valdez, all of the Indians; Bobby Beard and Ruben Valdez of the White Sox; Jerry Chappa, Robert Hood, Charles Burleson of the Braves, and Andy Bray, Billy Nance, Finis Rogers and Fernando Lopez of the Orioles.

4-H Boys and Girls Will Attend Camp

The 4-H Club Leadership Camp will be held next week July 22, 23, and 24 in Lubbock. The group will leave Tuesday and return on Thursday.

County agent, Bill Griffin, assistant agent, Buddy Logsdon, and Mrs. Laura Bowman, home demonstration agent, will accompany the following members to the camp: Denver Ford, co-chairman of District II; Tommy Gardenhire, member of camp council; Robert and David Bessie, Larry James and Joe Roper, delegates; Gail Phillips, Marquette Wood, Donna Smith, and Mary Sue Collard.

Mr. G. K. Smith, 83, is a medical patient in the hospital.

Vote As You Please -- But Vote!

(An Editorial)

A lot of readers (well, about five, anyway), have asked "The News" how we stand on the current candidates for office.

We don't suppose our opinions will be earth-shaking, or have any bearing on the outcome, but if you're interested we have no hesitancy in telling how we stand.

After much consideration and some study, after consulting others in whom we have confidence, The News is ready to stand up and be counted.

For U. S. Senator: William A. Blakley of Dallas.

Raised a poor farm boy, he became a success as a lawyer, rancher and capitalist—all on his own initiative, and needs to make

no apology for such success. Some oppose him because of the fact that Governor Shivers appointed him to the unexpired term of Price Daniel, but he has shown he has a mind of his own. Blakley is a strong advocate of individual freedom (which we have been losing very rapidly of late), favors pay-as-you-go government, and knows the value of a dollar. He is a life-long Democrat of the conservative variety—and we think the time has come for some more conservative government.

We have never been very "hot" on Senator Ralph Yarborough, an admitted liberal, who has made a number of state races (we forget how many) before finally edging into his present office on 37 per-

cent of the vote in a special election. To say the least, in the past he has not been the voters' choice. He advocates spending more Government (our) money for Social Security, rivers and dams, rice growers, and what-have-you. In the next breath, he proposes cutting income taxes, excise taxes, gasoline taxes, etc. We can't see how Ralph can raise appropriations and cut taxes at the same time—and he doesn't explain how, either. Furthermore, he is backed by and is a supporter of union labor, as well as by the NAACP.

If the farmer has an enemy, Union Labor is it. In fact, labor is the cause of the present plight of the farmer—higher wages mean (Continued on Page 4)

As Saturday, July 26, draws near candidates in three Lynn county races enter their final rounds of campaigning along with those seeking district and state offices.

This year voters will elect a county clerk from three candidates appearing on the ballot, E. A. Howie, C. W. Roberts, and Mrs. Wade (Dude) Holland. Seeking office as commissioner of Precinct 4 are L. K. (Heavy) Nelson and E. H. West, the latter asking reelection. Voters will also choose commissioner of Precinct 2 from Woodrow Brewer, who is seeking a second term, and O. J. Stanley.

Horace Burnette, present incumbent, is opposed by J. F. White, Sr., for Justice of the Peace at O'Donnell.

Candidates for State Representative, 90th Legislative District, are Wesley Roberts, present incumbent, and Charles T. McReynolds.

Unopposed on the Democratic Primary ballot for Lynn county voters are George Mahon for Congressman, 19th Congressional District; E. O. Northcutt for Associate Justice, Court of Civil Appeals, 7th Supreme Judicial District; Truett Smith for District Judge, 100th Judicial District; W. M. Mathis for County Judge; Mrs. Ruth Jolly for County School Superintendent; Thomas Reid for County (Continued on Page 4)

Slaton Man Dies In Car Wreck

William Franklin Stuart, a 47-year-old Slaton man was killed instantly when the car he was driving overturned near a double curve south of here on the O'Donnell Highway early Monday night.

The man who lived on Rt. 2 Slaton was identified by papers found on the body, according to Stanley Funeral Home attendants.

Deputy Sheriff Tom Haie investigated the accident. He said Stuart apparently lost control of the car while driving north as he started around a curve approximately 7 miles south of Tahoka on U. S. Hwy. 87 about 8:30 p. m.

Several motorists stopped at the scene of the wreckage and lifted the car off of Stuart, who was pinned beneath the vehicle.

Justice of the Peace C. A. Clem conducted an inquest at the scene of the accident and the body was taken to Stanley Funeral Home.

Survivors include his wife; one daughter, Mrs. Eva Hindman of Slaton; three sons, Doyle and Dean, both of Littlefield, and Jim Ed of Slaton; mother, Mrs. J. W. Stuart of O'Donnell, route 1; three brothers and five sisters.

Funeral services were held Wednesday in the Slaton Church of Christ, and burial was in the Slaton cemetery.

Bill Griffin . . .

(Continued from Page 1)

Junior livestock feeders which he has supervised have won numerous top awards at local and area stock shows and fairs. He supervises the work of approximately 300 4-H Club members and they annually feed about 30 steers, 125 hares and conduct numerous crop and related demonstrations.

In addition to his agent responsibilities, Griffin is a civic leader. He has been a member of the Tahoka Lions Club for 12 years and is a past president; has served as chairman of the Lynn County Red Cross; is active in farm organizations; helped organize a rural telephone cooperative and is a member of the First Baptist Church. He is also a member of the T-Bar Country Club. He is a division superintendent of the Panhandle South Plains Fair and South Plains Junior Fat Stock Show.

The award winner is a native of Fisher county; 1942 graduate of Texas Technological College with a major in animal husbandry. In college he was a member of the junior and senior livestock judging teams; Aggie Club; Block and Bridle Club and rodeo manager.

After graduating from college, Griffin entered the U. S. Army and served for three years including 32 months overseas and 18 months of active combat. He holds the Silver Star, Presidential Unit Citation and three Battle Stars.

In selecting Griffin as a nominee for the Distinguished Service Award, his fellow county agents gave special note to his ability for working through leaders in conducting both 4-H and adult work.

SGT. ROY RIDDLE AND WIFE VISITING HERE

Sgt. Roy Riddle and wife arrived here Monday for a week's visit with his parents, Mr. and Mrs. T. R. Riddle, and other relatives. He is currently stationed at Fort McClellan, Alabama, which is not too far from his wife's home in Jacksonville, Ala.

Sgt. Riddle, a career management specialist in the Army, has been in the service four and a half years, nearly three years of which have been spent overseas, first in England, then in Germany, and more lately in Korea. He expects to get out next year and has already passed examinations to go into the same work he is doing as a civilian employee of the government.

Vote . . .

(Continued from Page 1)

higher tractors and everything else the farmer uses. Union labor has on move a foot to unionize farm labor, one step of which is to cut out the use of braceros from Mexico—and it is gradually succeeding. We think a vote for Ralph Yarborough is a vote against the farmer.

For Governor: Price Daniel. Daniel has been fairly successful in office. W. Lee O'Daniel is dead politically and when "alive" dealt in the same baloney as does Ralph Yarborough. Henry B. Gonzalez is an ultra-liberal, and we don't believe Texas is yet ready for a Latin-American in the governor's office. Joe A. Irwin is virtually unknown.

For Lieutenant Governor: Ben Ramsey. Ramsey is branded a conservative, but during his administration more money has been spent in Texas than ever before. His opponent, George Nokes of Waco, is another ultra-liberal somewhat on the irresponsible side.

For Associate Justice of the Supreme Court, Place 1: Robert W. Hamilton of Midland.

We vote for Hamilton for two reasons, because he is a West Texan and because lawyers tell us he is a very capable man.

For Associate Justice of the Supreme Court, Place 4: Joe Greenhill of Houston.

Greenhill, the present incumbent, is recommended by the lawyers of the state in a poll 5,844 votes to 1,727. His opponent Judge Sarah T. Hughes has distinguished herself on the bench, but is also a liberal and is another friend of Labor.

For Commissioner of General Land Office: Bill Allcorn.

Allcorn is a West Texan currently holding the office and is reputed to be doing a good job in cleaning up after charges of corruption in the office. L. J. Dimmitt of Dallas is his opponent.

For Commissioner of Agriculture: Tom Griffin of Bastrop county.

We vote for Griffin because we have met and talked with him and he gave us the impression of being a sound man. He is a dirt farmer, owns his own farm, and has served as county judge of his home county. Glenn K. Kothmann of San Antonio, also in the race, is reputed to be an outstanding man. Present incumbent, John C. White of Wichita Falls. We have nothing against him personally, except he always seems subject to criticizing any and every farm plan that comes along, but never seems to have a sound plan of his own to substitute. The office is not vital today anyway.

For State Representative, 99th Legislative District: Wesley Roberts of Lamesa.

Wesley is our present representative. We don't always agree with the way he votes, but he is a clean, honest, hard-working young man. We know his opponent, Charles T. McReynolds of Andrews, also, but Charley seems to have a chip on his shoulder—no offense intended.

The local candidates you know as well as we do. As for that matter, your judgment is probably as good as ours in the state races. Make up your own mind—but be sure and vote!

LADIES' DAY

Ladies' day will be observed each Wednesday morning from 10:00 to 11:00 at the local pool. Many of the ladies thought this to be swimming lessons, but this time has just been set aside so that the ladies might use the pool. Ladies' day will continue as long as there is enough interest.

E. I. HILL BACK HOME

E. I. Hill, 83, seriously ill in Tahoka Hospital the past week with a gallbladder ailment, was able to return home Thursday afternoon. He has been confined to his bed most of the time the past several weeks.

Mrs. Joe Howton, whose husband operates West Point Gin, underwent major surgery in Methodist Hospital, Lubbock, Tuesday.

Election . . .

(Continued from Page 1)

Treasurer; W. S. Taylor, District Clerk for Lynn County; C. A. Clem, Justice of the Peace, Precinct 1; and S. M. Clayton, Jr. for County Democratic Chairman.

All are up for re-election except for Smith, who is a newcomer on the ballot for District Judge, and Clayton, who was named by the county committee to succeed John Saleh, who resigned.

On the state level are seven races, but the one for the office of governor will draw more interest than the others with Price Daniel, W. Lee O'Daniel, Joe A. Irwin and Henry B. Gonzalez seeking the top state position. Others follow in the order they appear on the ballot:

For Lieutenant Governor: Ben Ramsey and George Nokes.

For Attorney General: Will Wilson.

For United States Senator: Ralph Yarborough and William Blakley.

For Associate Justice of Supreme Court, Place 1: J. Edwin Smith, Robert W. Hamilton, and Wilmer B. Hunt.

For Associate Justice of Supreme Court, Place 2: Frank P. Culver.

For Associate Justice of Supreme Court, Place 3: Ruel C. Walker.

Associate Justice of Supreme Court, Place 4. (Unexpired term): Joe Greenhill and Sarah T. Hughes.

Judge, Court of Criminal Appeals: Kenneth K. Woodley.

Railroad Commission: Olin Culbertson.

Comptroller of Public Accounts: Robert S. Calvert.

State Treasurer: Jesse James.

Commissioner of General Land Office: Bill Allcorn and L. J. (LJ) Dimmitt.

For Commissioner of Agriculture: Glenn H. Kothmann, John C. White, and Tom Griffin.

Bartley Farm Home Destroyed By Fire

The home of Newman Bartley was completely destroyed by fire the night of the Fourth. The Tahoka Fire Department was called to the scene, but the fire had too much of a start and almost all of the house was ablaze when the firemen arrived.

The cause of the fire is not known, according to H Grace Rogers, one of the local firemen. Many think that the fire was due to faulty wiring, because most of the blaze was near the top of the house when the fire first began.

Congratulations:

Mr. and Mrs. Randolph Gass, 3610 44th St., Lubbock on the birth of a son, Thursday, July 10, at 5:50 p. m. in the Tahoka Hospital. He has been named James Colby Gass.

Mr. and Mrs. Charles Long, 515 W. 5th, Post, on birth of a daughter, Sunday, July 13 in the Tahoka Hospital. She weighed seven pounds nine ounces and has been named Raydene Long.

Mr. and Mrs. W. W. Huddleston, route 1, Wilson, on the birth of a son, Herman Harold, Tuesday, July 15, at 10:00 p. m. in the Tahoka Hospital. He weighed eleven pounds four ounces.

BILL CHANCY WINNER OF STETSON HAT

Bill Chancy, operator of the local Humble station, has been notified that he is the winner in the state of Texas for the first six months of 1958 in the Golden Esso Club program, having sold the greatest percentage of Golden Esso gasoline during this period.

As a result, he received a gift certificate for a \$25.00 Stetson hat.

Actually, Bill tied with a Perryton dealer for the honor, and both received the top prizes.

Cards Are Near League Title

(By Tony Spruiell)

The Cardinals can cinch the Little League championship by defeating the Yankees Thursday night. The Giants play the Cubs in the double-header Thursday, as The News went to press, to end this year's regular schedule.

Last four games originally scheduled were called off so that the all-stars can work out for the district elimination tournament which begins at Post July 21 with Tahoka, Post, Jayton, and Slaton participating. Tahoka all-stars will work out at Post this Friday afternoon, and at Tahoka Saturday night.

The Yankees defeated the Giants Tuesday night in a wild game 23 to 15. Winning pitcher was

Today's MEDITATION

The Upper Room

How shall we sing the Lord's song in a strange land? (Psalm 137:4.)

The children of Israel were slaves in Babylon. They were desolate, heartbroken, and homesick. Their masters in Babylon added insult to injury when they demanded that the weary workers sing the sacred songs of Israel. The Babylonians wanted to laugh and be amused. But the poor Israelites could only look at one another and exclaim in their utter helplessness: "How shall we sing the Lord's song in a strange land?"

But where is the Lord's song needed more than in a strange land? In the desolate, godless, sinful, hopeless places the one thing most needed is to hear the songs of God.

Today we ourselves are in places where the Lord's songs are needed, where they may never be heard unless we sing them. Therefore, let us radiate the music of our God wherever we find ourselves this day.

PRAYER
Our Father, we have found ourselves in places which were hard and depressing. We have faced burdens which were terribly heavy. May we at such times and places take heart and sing songs to Thy honor and praise. May the music of faith, hope, and love radiate from our hearts this day. This we ask in the name of Christ. Amen.

THOUGHT FOR THE DAY
The best place to sing the songs of the Lord is wherever we are.—Guy O. Carpenter (Indiana).

World-wide Bible reading—Exodus 31:1-18.

FAMOUS "BRIDGE" FILM AT LOCAL THEATRE
Now, the good folks of Tahoka can see the film that has been acclaimed as the biggest, most important and most exciting in recent years, "The Bridge on the River Kwai." Starring William Holden, Alec Guinness and Jack Hawkins, the new Sam Spiegel production opens Friday, July 25 at the Rose Theatre. A Columbia Pictures' release, the Cinemascope-Technicolor action drama has already been honored with more than 30 international awards, including designation as "best picture of the year" by the New York Film Critics.

Seven Academy Awards have also been accorded the Rose Theatre's "The Bridge on the River Kwai," including one for "best picture of the year." Alec Guinness has won best actor of the year and Sessue Hayakawa best supporting actor. David Lean won as best director. Malcolm Arnold's musical score and Peter Taylor's film editing won Oscars. Jack Hildyard's photography won as did Pierre Boullé's screen play.

The picture begins with Holden, an American seaman in a Japanese prison camp, watching as British officer Guinness marches his surrendered troops into the jungle compound as though they were on dress parade. Guinness undergoes torture rather than acquiesce in camp commandant Sessue Hayakawa's order that British officers work beside their men in the construction of a war-vital railway bridge across the River Kwai. Holden, who intends to survive the war, fears Guinness' definition of honor as much as he fears Hayakawa's ruthlessness. He manages a desperate escape, finally reaching Allied lines.

Guinness' stubborn courage forces Hayakawa to lose face but then, to prove that the prisoners are superior to their situation, Guinness takes command of the bridge construction and sees to it that the work is done well and on schedule.

Holden, meanwhile, sees his romance with British nurse Ann Sears ended when he is "drafted" by the British because of his personal knowledge of the Kwai River situation. With commandoes Jack Hawkins and Geoffrey Horne, Holden desperately struggles back through the jungle to destroy the Kwai bridge.

"The Bridge on the River Kwai," according to report, is this year's "must-see" picture... and next year's, too!

Rose Theatre, four days, July 25 through 28.

Miss Betsy Rowe and Orville Varhaug United In Draw Church Ceremony

Arrangements of white daisies, an arch of greenery and candleabra composed the background when Miss Betsy Rowe became the bride of Orville Varhaug in a double-ring ceremony solemnized at 6:00 Friday evening, July 11, in the Draw Methodist Church.

Parents of the bride are Mr. and Mrs. W. L. (Cap) Rowe, Tahoka. The bridegroom is the son of Mr. and Mrs. Jarluf Varhaug of Carlington, N. D.

Rev. D. W. Copeland, pastor of the Wells Baptist Church officiated the service. Miss Diana Hensley played traditional marches and accompanied Miss Charlene Riddle as she sang "Because" and "The Wedding Prayer."

Given in marriage by her father, the bride wore a pure white, embossed cotton street-length dress with full skirt, designed with daisies of lace, long waist line, cap sleeves and low round neck. Tiny self-covered buttons descended the front of the bodice, and her shoulder-length veil was attached to a white caplet. The bride carried a bouquet of red roses on white Bible and handkerchief.

The bridal attendants included Miss Riddle, maid of honor; Miss Barbara Thomas and Judy Varhaug, sister of the bridegroom, bridesmaids. They were attired in bright red polished cotton princess style dresses with low neckline, full skirts and narrow straps.

Janie Barnes and Leah Beth Holloway, flower girls, wore white cotton dresses with tucked bodices, full skirts, red satin belts and red gloves. Linda Thomas and Victor Tunnell, cousin of the bride, lighted the candles.

Harold Rowe, brother of the bride, served as best man, and A/1c Vernon Hoover and A/2c Bruce Yeager assumed ushering duties. Ringbearer was Keith Holloway.

At the reception immediately following the ceremony, Gustine Sherrill was the bride's book attendant. The house party consisted of Mrs. Joel Holloway and Mrs. Boyd Barnes. The table was laid with white lace cloth over red. The cake was of three tiers with white and groom on top.

Mrs. Varhaug is a 1957 graduate of Tahoka High School and her

Miss Nancy White Honored At Shower

Miss Nancy White, bride-elect of Gordon Smith, was honored with a bridal shower Saturday morning in the home of Mrs. Pete Hegi when about 80 guests attended.

Presiding at the serving table, where coffee and a fruit drink were served, were Misses Idalia Wood and Margie Curry. Miss Carol Smith, sister of the prospective bridegroom, registered the guests, and Mrs. Keith White, sister-in-law of the bride-elect, made up the houseparty.

Hostesses for the occasion, other than Mrs. Hegi, were Mmes. K. R. Durham, Ivan McWhirter, Terry Noble, Garland Pennington, and Joe Robinson.

Miss White is the daughter of Mr. and Mrs. S. R. White of Phillips and the prospective bridegroom is the son of Mr. and Mrs. Truett Smith of Tahoka. They are both students at Baylor University. Wedding vows will be read Aug. 3 at the First Baptist Church in Phillips.

I WANT YOUR VOTE!

I have tried to see everyone, but have missed some who were not at home when I called. Anyway, this is to solicit your vote and influence, whether I have talked to you personally or not.

If elected, I hope to make a start toward having better country roads. I believe this can be done. In fact, I believe we can have much better dirt roads and still have a conservative administration. All I ask is that you give me a chance. I believe I can make you a good commissioner, or I wouldn't ask you to vote for me.

Again, I ask you to give my candidacy careful consideration. Sincerely, your friend and neighbor—

Rotary Officers Are Installed

Eighty men and women attended the annual Rotary Club ladies-night-officer installation program held covered-dish luncheon style in the back yard of the home of Dr. Emil Prohl Thursday night at 7:30 o'clock.

Rigdon Edwards of Sweetwater, past district governor, was the principal speaker. The new 573rd District Governor, Burnett Roberts of Levelland, officially installed the new officers of the local club. Otis Spears is the new president, succeeding Happy Smith, who in turn becomes the new vice president; Maurice Small succeeds "Dub" Kenley as secretary; and directors are the above and Mitchell Williams, H. W. Carter, C. W. Conway, and Martin White.

Among the appointive officers are: Harley Henderson, sergeant at arms; Rev. J. B. Thompson, "Stemwinder" editor; Carol Smith, sweetheart; Thompson, Dr. Prohl, and Dr. K. R. Durham, song leaders; Johnny Reasonover, fellowship chairman; and Mitchell Williams and Clint Walker, program co-chairmen.

Mr. Edwards spoke on the subject, "Going Fishing." He declared that if you can't catch fish with one kind of bait, you change the

Mrs. Raindl's Kin Hurt In Wreck

Adolph Novak and wife, daughter and husband and two children, of Runge were recently injured in a car wreck at Cuero in which six were injured and one person killed. Mr. Novak is a brother of Mrs. Frank Raindl of New Home.

Mr. and Mrs. Emil Raindl have returned home from Runge, but Mrs. Frank Raindl remained to help care for her brother, who was released from the hospital Tuesday. Mrs. Novak, who was the most seriously injured, will have to remain in the hospital two or three months.

The same principle should apply to Rotary and civic work. Every man will take part in some kind of civic work if he is approached in the proper manner.

A. M. Bray recognized local Rotarians who have perfect attendance records. Topping the list was Wynne Collier, who has not missed a Rotary meeting without making up in 26 years. Thirty-two of the 41 members of the club had not missed a meeting in a year or more.

Clint Walker served as master of ceremonies for the short program, which was arranged by Johnny Reasonover and Walter Mathis.

Auto Accidents Take Heavy Toll

Highway Patrolmen investigated a total of 240 accidents during the first six months of 1958 in the Lubbock substation area comprised of Hockley, Lubbock, Crosby, Lynn and Garza counties. Sergeant E. L. Stroud announced the first part of the week.

Of the above total, four were fatal accidents, 77 personal injury accidents, and 159 property damage.

The total property damage was \$117,179.00 with 131 persons injured and four killed. This is an increase of four accidents and decrease of 11 deaths for the same period last year.

Stroud said the patrolmen in his area contacted 8,628 drivers during this period for the following violations: D. W. I. 24, Speeding 3,074, Improper Passing 122, Wrong Side of Road 229, Defective Equipment 3,143, Disregard Stop or Warning Sign 923, and all other violations 1,113.

"During the vacation months, thousands of motorists are on the highways, and too many of them are intent on cramming as much activities as they can into one brief vacation," Sergeant Stroud said. "The result is often tragedy."

He cautioned vacationers to be on their guard against speeders, drinking drivers and drivers who disregard traffic laws. Traffic accidents take no vacation, so to stay safe, step up your vigilance on the roads, and slow down and live.

Sergeant Stroud also urged all motorists to check the expiration date on their driver's license to see that it has not expired. Patrolmen in this area are going to increase their activity in regard to drivers' license checks.

Blakley Story Is Typically Texan

The typical American story is of the poor boy who made good through his own efforts. This is the story of Bill Blakley, born in a covered wagon while his parents were on their way to homestead in Oklahoma territory. He has come a long way in 59 years. Said the Austin American-Statesman, when William A. Blakley announced for the Senate:

"He was a top-hand cowboy; he was a crackerjack bank clerk; he was an exceptionally good accountant and lawyer. We have an idea that he is going to be a refreshing, able political candidate. He would make a great United States Senator."

Vote for Bill Blakley on July 26 — an able man whose only ambition is to serve all of Texas.

Plan Story Hour For Children

Beginning next Tuesday afternoon at 4:00 a story hour will be held for the children of the surrounding area, according to Mrs. Madeline Hegl.

The children ranging from four through six years of age will meet on Tuesday afternoon at 4:00 and on Thursday those seven through ten will meet. The story hour will be conducted in the County Library.

The purpose of the story hour is to get the boys and girls acquainted with the library and to do more reading. Homemaking girls from the local chapter will also help in these meetings, and one adult will always be present. The meetings will be held for a month.

There will not be enough chairs in the library for everyone and some of the boys and girls are asked to bring cushions so they might sit on the floor. The library is located just east of the City Hall.

Miss Jo Raindl was dismissed from Methodist Hospital in Lubbock Wednesday after being a medical patient there two weeks.

Support Given To Farm Bill

On Monday morning the Lynn County Farm Bureau was notified by the State office in Waco that Bill S. 4071 was to come under consideration on this day in the Senate. They asked that telegrams be sent to Senators Ralph Yarborough and Lyndon Johnson for support of this bill.

In short time, a group of farmers were contacted and 13 telegrams were on their way to Washington, D. C.

Although the bill differs in part from the Farm Bureau Long Range

HYLES TO SEAGRAVES

Mr. and Mrs. Frank Hyles have recently moved to Seagraves, where he has accepted a job as ginner for Seagraves Co-op Gin.

Cotton Program, it is felt that if this bill is enacted we will at least be headed in the right direction toward getting a workable farm program that will not cause a crisis for the farmers of Texas next year.

If a new program is not set up, then according to the present law, farmers can expect a cut of 25 to 35 percent. Farmers in Texas who have large acreage of cotton would bear the brunt of this cut.

The Lynn County Farm Bureau would like to express its thanks to

the farmers who sent these telegrams," stated local president Bertice Askew. We feel that if something isn't done by the Senate at this time, it is unlikely that we can get legislation before next session."

Any new device is considered a luxury item until people become accustomed to it; then the item becomes a necessity. When the temperature soars to 100 degrees and over, we certainly consider an air conditioner a necessity, not a luxury. In fact, we would like to

Think of a swimming pool as being a necessity.

As a word of precaution, during these hot summer days, slow down a bit. Over-exposure to the sun, to prolonged heat or hard physical labor in a hot or stuffy place can bring heat exhaustion quickly.

In heatstroke, body temperature rises, skin becomes hot and dry, face reddens and headache develops. Heat exhaustion works just the reverse. The patient's body becomes cool, perhaps clammy, with sweat. The best treatment for both conditions is preventative.

National Safety Council recommends the following precautions: Increase salt intake to offset excessive loss of salt in the body through perspiration. Salt intake can be increased by adding more salt to food, by drinking salted water, or by taking salt tablets. Avoid overexertion and overexposure to direct sun rays or extreme indoor temperatures and high humidity. Wear a hat while out-of-doors; wear light porous clothing. Eat nutritious food, but avoid over-eating. Drink water often through the day, one glass at a time. Avoid ice water and alcohol.

When heatstroke or heat exhaustion occurs, get a doctor at once and apply first aid treatment. In applying first aid, keep in mind this simple rule: If patient is chilled, cover, and make him comfortably warm; if he is suffering from headache and skin becomes hot and dry, make him comfortably cool.

Everyday Religion

By J. B. Thompson

One of our greatest needs today is to learn to loaf. Walt Whitman was once asked how he managed to be so alert and productive in the literary field. He replied, "I loaf and invite my soul." We need to be able to take "time out" and let our nerves take a rest once in a while.

This is vacation time and everybody should take some time to loaf but most of all we need to learn how to do this all along through the year. Our lives are timed to such a break-neck speed we never seem to have time to really live. We know how to work hard and drive fast but we do not know how to loaf and relax enough. Even on our vacations we try to see how far and how fast we can go in the little time we have allotted ourselves. It was Jesus who said to his distraught disciples, "Come ye apart into a desert place and rest awhile."

Nervous prostration has become

CATHEY'S RESIGN

Mr. and Mrs. Emil Raindl honored their daughter, Cindy, age five, with a birthday party on Saturday, July 5, at which barbecue and all the trimmings were served. There were 31 present.

our national disease. We literally out ourselves to death trying to out Jones the Joneses; trying to make money we won't live to spend. Many people break or fall apart today because they let this pell-mell age crowd them beyond endurance. It is a sobering fact that one of every two hospital beds in America is for a mental patient. There is no living without some occasional escape from life's pressures.

Take a lazy vacation and have some fun even if you have to borrow the money and you will be a happier person and a better worker when you return home. You will be worth more to yourself, your family and your job and what's more you will live longer.

Flower arranging is fascinating, simple and it is fun, says Mr. A. F. DeWerth, head, Department of Floriculture and Landscape Architecture of Texas A & M. A well planned flower arrangement is a creative project.

Basic rules for arranging flowers are given in the bulletin by Mr. DeWerth entitled, "Flower Arranging Is Easy." The bulletin also gives suggestions for making cut-flowers last longer.

Planning a new color scheme for your home?—Choose colors for the large areas first, says Charlotte Tompkins, extension home furnishings specialist. This includes floor covering, walls and large upholstered pieces. In most cases, these should be your most livable colors, or colors that are greyed in intensity.

Next, choose colors for small upholstery and the window treatment. This may be a blend of the room colors, or match or contrast with the walls.

Lastly, choose your colors for accessories and small areas—pillows, lamps, pictures, ash trays, etc. Usually this accent color is the brightest color.

DR. THOMAS REPORTS ON TRIP TO COAST

Dr. and Mrs. C. Skiles Thomas and four children returned home Saturday from a month's vacation trip to the West Coast.

Primary purpose of the trip was the Doctor's attendance at the American Medical Association meeting in San Francisco which they used as an "excuse" for a vacation. The Doctor says there were 18,000 people, including 6,000 physicians, in attendance at the meeting, and the entire family found great interest in the exhibits and some of the convention side-lights. The exhibits of almost everything imaginable pertaining to medicine and surgery were set up in a building which covered an entire city block. Incidentally, they won a free boat trip around the bay.

They also vacationed and saw sights along the west coast, visited Disneyland, saw the Chevy show live telecast, also that of Spike Jones and his orchestra, and in Las Vegas, Nevada, stayed at the fabulous Sands Hotel and saw and heard the famed pianist, Liberace.

Sure-footed Man Serves Texas

The colorful language of the ranch and trail seems to fit Bill Blakley, who made his start in life as a working cowboy. He still rides, and ropes with the hands on his ranch at roundup time.

Speaking of Blakley's service as U. S. Senator in 1957, the Dallas News said: "... If he was as unassuming as an old boot, it was nevertheless well polished boot that never wobbled or wandered from its purposeful path. For this man Blakley is a sure-footed man who knows exactly where he stands and what he believes."

Texasians will vote to return William A. Blakley to the Senate on July 26 because he truly represents the spirit, traditions and views of all Texas.

"Actual Experience WITH MY ELECTRIC HOME FREEZER PROVES WHAT I USED TO HEAR THE HOME SERVICE ADVISORS SAY!"

says **MRS. ROBERT J. ELSEY, 4213 ONG • AMARILLO, TEXAS**

"I was a secretary at the Public Service Company and I used to overhear the Home Service Advisors tell about electric home freezers — how they saved money — how you could get better meals — how you could preserve the garden-freshness of vegetables — how a freezer could save a housewife lots of time. What they said made sense to me but the words just can't equal the actual experiences of owning your own home freezer. I find that everything those girls say is true — especially do I find the freezer ideal for entertaining," says Mrs. Elsey.

In the picture at upper left, Mrs. Elsey entertains, with the help of her freezer, three other young homemakers, Mrs. Robert Crump, Mrs. Charles Cook, Jr., and Mrs. Bill Ruter.

New Senate Hand Aided Democrats

When William A. Blakley was appointed to the U. S. Senate in 1957, he was a political unknown in Texas.

True to his Democratic tradition, Bill Blakley voted with his fellow Democrats. They have been in control ever since.

Now Bill Blakley seeks his first elective term in the U. S. Senate.

A vote for Blakley is a vote for sound, Democratic government.
