Eat 'Em — They're Good . . .

## Local Residents Prepare for Co. Vegetable Week

The people of Bailey County will enjoy the fruits of their own labor next week, as they observe "Bailey County Vegetable Week."

The week was put into effect a few days ago when State Senator Andy Rogers was acting governor, as he issued a proclamation to that effect.

The Chamber of Commerce has asked all its members to decorate their stores in fitting with the occasion, and most of the food stores will be featuring home grown vegetables in their fresh vegetable departments.

All the people of the county are urged to eat a lot of vegetables, and to call for home grown varieties at the stores.

W. B. LeVeque, a committee chairman of the Chamber, arranged for the sending of a sack of Bailey County's finest potatoes, and one of onions and expressed them to Rogers, in appreciation of the proclamation. They were furnished by Barrett Produce Co. here.

Some of the finest vegetables in the world are grown right here in this county. Have you tried them lately?

### Joe Turner New School Supt. At Bula

Joe Turner, a teacher in the Floyd, N. M., school system the past three years and a former Bula teacher has begun his work at Bula as school superintendent.

Turner succeeds H. A. Reynolds, who recently retired after serving as superintendent at Bula for 11 years.

The new superintendent recently moved into one of the teacherages at Bula.

He received his B. A. and M. A. degrees from Eastern New Mexico University at Portales. He also has done some work at Oklahoma State University and at Texas Tech.

Turner taught at Bula schools four years, from 1950 to 1955, then moved to the Causey and Dora, N. M., school system for a year.

He has been a teacher of commercial subjects at Floyd the past three years.

He and his wife have two sons, Edward and Richard, and one daughter, Belinda. They are Methodists.

### Former Muleshoe Boy Wins In Junior Olympic Race

Everett McAdams, a former Muleshoe high school student, recently won second place in the mile race at the Junior Olympics in San Antonio, friends and relatives here have been informed.

Young McAdams, now a student in Odessa high school, is a grandson of Mr. and Mrs. Clyde Bray, and Mr. and Mrs. Bill McAdams of Muleshoe.

He came in four seconds behind the first place runner, the reports are.

For Queen Contest . . .

## Bailey County Farm Bureau Committees Are Named

The annual Bailey County Farm Bureau Queen Contest will be conducted again this year. It will be climaxed the second week in August.

Unmarried girls, between the ages of 16 and 20, whose father or brother is a Farm Bureau member, are eligible to enter and are asked to contact one of the committees that have been named, and

MISS POLLY BRISCOE, daughter of Mr. and Mrs. Kenneth Briscoe, is shown here with a sack of potatoes, and a sack of onions being sent to Sen. Andy Rogers by Muleshoe Chamber of Commerce, in appreciation for signing the proclamation making July 27-August 1 Bailey County Vegetable Week.

Wearing Pillow Case . . .

## Gov. Long Visits Muleshoe Lions Club Wednesday Noon

Governor Earl Long of Louisiana, accompanied by two body guards, and a police escort, with his face hid under a pillow slip, made a surprise visit at the weekly meeting

of the Muleshoe Lions Club.

As Long entered the Lions hall, he shined back greeters who tried to speak to him, and approached Carroll Pouncey, an old Louisiana swamp-er himself. As Carroll attempted to take his picture, he shoved him off too. Guests at the clubs, members of the U-Bar baseball team, were standing on their chairs trying to get a glimpse at the famous governor, whom some people have questioned whether or not he has all his marbles. The whole meeting was turned upside down, one member said. Finally he left.

It took several minutes to get the club, settled down. Then a group, LaVon Copley, Alva Lee Shofner, Magann Lamb and Ray Rochelle presented a musical program.

The Lions will hold a director's meeting Wednesday morning at 7. All directors, and any interested members are urged to attend this meeting.

The meeting will begin the coming Sunday, July 26, in the Muleshoe Church of Christ, it has been announced by the minister, W. R. Tittle.

F. I. Stanley, of Fayetteville, Ark., widely known in Church of Christ circles as a forceful evangelist, will preach for the meeting, which will continue through August 2. Singing will be conducted by members of the church.

Minister Tittle extended on behalf of the church a cordial invitation, to the public to attend.

Mrs. C. M. Baker, 69, were held here Sunday afternoon at 3 in the Church of Christ, where she was a member, with W. R. Tittle minister, officiating. She died at 1:30 Saturday.

Mrs. Baker had been a resident of Bailey County since 1934 having come here from Lorenzo, Texas Dec. 19, 1889. She and Mr. Baker were married Sept. 8, 1907.

Survivors include the husband and four children, Jacques and Wiley of Muleshoe; Leo of Hobbs and J. M. of Farmington, New Mex. Two sisters, Mrs. Ola Jones of Waco, and Mrs. Gertrude Sego of Haskell; 1 brother John Short of Kilgore, and 13 grand children.

Funerals were Paul Scott, Gerald Curtis, Charley Felts, Robert Blackwood, Clyde Monk and Boone Allison.

Interment was in Bailey Co. Memorial Park with Singleton in charge of arrangements.

and word was passed around by some who claimed to be in on the deal, that it was a program stunt cooked up by Pat Bobo, and that The Governor Himself, was none other than Dr. T. M. Slemmons.

## U. N. Delegate To Give Report

Robert Robinson, delegate from Bailey County on the United Nation Pilgrimage this summer will make a report on his trip at the Odd Fellows Hall in Muleshoe the coming Tuesday night, July 28.

Since the hall is too small to accommodate a public gathering, Robert will make his report to the public in the high school auditorium after the start of another school term, probably early in September.

Members of all branches of the Odd Fellows order are invited to attend the meeting Tuesday, The Pilgrimage delegate from Bailey County was sponsored by county Odd Fellows and Rebekahs.

Since there were no observers to the accident, it is only a matter of conjecture and calculation as to how it happened, but persons involved in making the investigation, have pretty well satisfied themselves as to what was supposed to have happened.

The general opinion seems to be that Mr. Lowe came in contact with a guy wire to an electric power line, and became a conductor of electricity, due to a naked wire in the switch box of an electric irrigation motor.

A farm hand noticed Mr. Lowe's body at the scene of the accident, and summoned his son, about 4 miles away. The body was carried to Morton, from which point investigation was made.

Bailey County Deputy Sheriff Freeman, and Justice of the Peace Joe Vaughn, rushed to the scene as soon as they were notified. However, before they arrived, the body had been moved to Morton. Since the accident did occur in Bailey County, Coroner Vaughn did conduct the inquiry, in connection with the Cochran County Coroner. Vaughn ordered an autopsy made of the body to determine the exact cause of death. He told The Journal, that a physician who examined the body said the death could have been brought on either by electrocution or by heart failure.

Thursday morning Judge Vaughn had received no report from Dr. William H. Long of Lubbock, who had been engaged to hold the post-mortem examination. He was withholding verdict until this report came in.

As to the possible cause of the accident, D. B. Lancaster, manager of the Bailey County Cooperative, who had his staff of workmen on the scene within a very short time after the incident was reported, says they made a very intensive study of the set-up, and in case Lowe did receive a charge of electricity, they think they know how it happened.

(Continued To Page 3)

**BULLETIN!**  
Just as we go to press, Joe Vaughn, Bailey County Coroner, informs The Journal he has just contacted Dr. Long in Lubbock by telephone. After performing the autopsy on Mr. Lowe's body, his opinion was that death was definitely caused by electrocution. He said the current entered the body at the left elbow, surged through his system, and came out at the feet, where he was grounded in the wet soil.

## Maple Man Killed In Freak Accident

William Marshall "Jack" Lowe, a 47 year old resident of the Maple Community, was killed Tuesday, in a freak accident on his farm a mile and a half north east of the small Bailey County community.

Since there were no observers to the accident, it is only a matter of conjecture and calculation as to how it happened, but persons involved in making the investigation, have pretty well satisfied themselves as to what was supposed to have happened.

The general opinion seems to be that Mr. Lowe came in contact with a guy wire to an electric power line, and became a conductor of electricity, due to a naked wire in the switch box of an electric irrigation motor.

## Revival Set At Circleback

REV. I. A. LEONARD

Plans are in the making to begin a revival at the Circleback Baptist Church August 7, Jesse Shaver, pastor announced here this week. Guest minister for the meeting will be I. A. Leonard of Portales, N. M.

Gaylon Dorsey will conduct the song service. There will be services each morning at 10 and each evening at 8, and continue daily through August 16.

The public is invited to each service.

## Muleshoe JC's Make Plans For Membership Drive

The Muleshoe Chamber of Commerce is now laying plans for a membership drive to begin July 31. Jim Glaze, president said here Wednesday.

A night meeting will be held on the 31st of August at Leigon's dining room, and at which time the drive will be kicked off, he said.

Also the JC's are working on preliminary plans for their annual kids day program to be the last Saturday before the opening of school on the next Monday.

The JC's meet each Thursday noon.

## Former Muleshoe Woman Happy With Post as Methodist Pastor

"Any way you look at it, the Rev. Mrs. Ruth Cooper is a remarkable woman," Jerry Hall, Lubbock Avalanche-Journal staff writer wrote of the lady-Methodist minister recently.

The Cooper family moved from Muleshoe to Whiteflat in June where she is pastor of the Methodist Church.

Reporting his interview with Mrs. Cooper, Hall continued: "But I ride in a beat-up old car instead of horseback on the circuit," she laughs.

The Rev. Mrs. Cooper licensed by the Northwest Texas Conference, fills the Whiteflat-Flomot circuit in Morley County a few miles north of Matador.

There is only one other woman pastor in the conference. The Rev. Mrs. Cooper sums it up this way. "There's nothing remarkable about a woman being in the ministry or any other type of Christian service. As St. Paul expressed it, "there is neither Greek nor Jew . . . neither slave nor free, neither male nor female, for you are all one in Christ Jesus." (Gal. 3:28).

Decision Announced  
When the Rev. Mrs. Cooper announced her decision to become a minister in 1957, her family took the news calmly.

Rev. Mrs. Ruth Cooper

"I owe a great deal to them because they have always been cooperative in my work at a sacrifice to themselves," she says.

She and her husband, Arthur Cooper, who has been a trucker in several South Plains towns, have five girls and two boys. One of the boys is studying for the ministry, and at least one of the girls wants to be a missionary-doctor.

The family consists of Mrs. Paul McMahan, Levelland,

mother of a 2-year-old son; Harold, a Texas Tech student, Lubbock; Ralph, a student at McMurry College in Abilene who is preaching at Putman this summer and is the father of a small daughter, Linda and Sandra, 17, twins who graduated from Muleshoe High School this year and who will enroll in McMurry this fall; Francis 16, and Doris 15.

The last four girls still are at home.

The Cooper family moved into the unused parsonage at Whiteflat early in June from near Muleshoe where they had lived 10 years.

Enrolled In Course  
In relating her path to the pulpit, the Rev. Mrs. Cooper recalls, "for about two years I fought against the call to preach. Finally, after prayer, and after counseling with my pastor, in March of 1957, I came before the church (Progressive Methodist Church near Muleshoe) to announce my decision.

"Then I enrolled in a course of study which covered the Bible, church history, and doctrine, ministerial duties and the principles of Christian faith," said the Rev. Mrs. Cooper.

### Midway Home Dem. Club Has Family Night

The Midway Home Demonstration Club met in regular session Tuesday night at 8 in the home of Mr. and Mrs. Grady King. It was a combination business meeting and family night.

The picnic supper was held up by the shower, but they finally spread a family style meal, which all seemed to enjoy. Then the men huddled together in the yard and swapped stories, while the women held a business session in the living room.

Mrs. King, the vice president, was in charge of the program in the absence of the president. The council representative, Mrs. D. Brown urged all the members to attend the county council next Monday. She said they would all appreciate the program that was planned.

This was the last meeting of the club for the summer. Meetings will be resumed in September, states Mrs. R. L. Forrester.

The place is on the Muleshoe Wildlife Refuge in the south part of Bailey County.

Noble Grand Mary Murrell, and nine members of the Muleshoe Rebekah Lodge No. 114 held a regular meeting in the IOOF Lodge Hall here Tuesday night.

District Deputy Ona Berry and five members gave a report on the Installation Service in Morton Thursday the 16th. Officers installed were Noble Grand Linnie Mae Doyle, vice noble grand Dorothy Westerman.

The meeting was very nice and enjoyable.

The group received an invitation from the Friona Rebekah Lodge to attend an ice cream social to be given by them in Friona on Thursday, July 30.

Past Noble Grand Doris English presented our Lodge with her project, three links painted on luncheon cloths, and they were very beautiful.

Members of all branches of IOOF are reminded of the picnic at the game reserve to be on the night of August 1. Cold drinks and cookies were served to the group at the close of the meeting.

Ina Owen, reporter.

**COOL COMFORT**—Fido and his lady occupy this inviting lounge with room to spare. The chaise, cushioned with a soft cotton-filled pad for comfort, is designed with back wheels so it can be easily moved into the shade. A cotton terry cloth cover, which slips off for laundering, adds color to the scene.

dent at McMurry.

Mr. and Mrs. Donald Chess-hir of Lubbock, spent Saturday night with her parents, the D. T. Johnsons.

Mr. and Mrs. Jack Aduddell and children of Muleshoe spent Sunday afternoon with Mrs. Ruby Reid and children.

Mrs. Dale Coleman of Dumas spent the weekend here with her brothers and families, the R. E. and Cecil Jones.

Mr. and Mrs. George Bahlman and daughter Georgia, spent the weekend with relatives at Ballinger. Mrs. Bahlman's mother, Mrs. Dicie Fry and granddaughter, Sandra Fry returned home with them for a visit.

Wanda Hubbard spent from Wednesday until Sunday as guest of her uncle and family, Mr. and Mrs. Pete Hubbard of Lubbock.

Mr. and Mrs. W. B. Gage and Dot visited Sunday afternoon in Littlefield in the Loenard Gage home.

Mr. and Mrs. Jack Speck and children visited over the weekend in Rochester, in the home of Mr. Speck's sister, Mr. and Mrs. O. L. Tibbets and also at home with Mrs. Speck's mother, Mrs. W. T. Taylor. A nephew, Mike Capeheart, returned home with them for a visit.

There were talks given by six ladies and an open discussion on the lesson by the ladies.

Program concluded with the theme song, "Christ for the World We Sing", followed by Mrs. Kile giving the benediction.

Ladies attending were Mrs. P. M. Lancaster, D. T. Johnson, W. L. Clawson, I. L. Clawson, L. H. Medlin, Joyce White, George Bahlman, F. L. Simmons, H. W. Kile, B. L. Blackman, Paul Young, and Roy Young.

Marsha and Brent Blackman of Muleshoe are spending several days this week with their grandmother, Mrs. B. L. Blackman.

Don Vaneese of Sudan was the guest speaker at the morning worship hour at the Methodist Church Sunday. Bro. Vaneese is a sophomore student at McMurry.

Mr. and Mrs. I. V. Pierce and daughter Darletta, of Muleshoe, were guests Sunday of his parents, Mr. and Mrs. D. H. Pierce.

H. R. Witt of Spur, spent several days last week in the home of his daughter, Mr. and Mrs. J. A. Maze.

Mr. and Mrs. D. J. Cox and children spent the weekend as guests of her sister and family, Mr. and Mrs. Bobby Cooper of Artesia. N. M. Monday the group went sight seeing through the mountains at Claudoct and Ruidoso.

Beverly Martin of Lubbock visited with her grandparents, Mr. and Mrs. C. L. Cannon from Thursday until Sunday.

Sunday the two children of Mr. and Mrs. C. L. Cannon came to help their father observe his birthday. Attending were Mr. and Mrs. R. E. Martin of Lubbock and Beverley, and Mr. and Mrs. Jimmie Cannon and children, Janice and James.

Visiting over the weekend in the C. L. Cox home were Mr. and Mrs. Frank Law and

### THIS WEEK In Muleshoe

by APTON RICHARDS

Americans are great people to declare and celebrate holidays. With the least excuse, and very little reason, we will close up shop, all take out and have a big fiesta. But there is one anniversary just past that we have seen no big clamour for a celebration.

On Sunday, July 12, the income tax was 50 years old—but so far Congress has not seen fit to set aside a day to be printed in red letters on the calendar in its occasion. Actually the first income tax was back during the Civil War, but it was abandoned in 1872, and another effort to tax incomes was ruled unconstitutional in 1872. Later the tax was passed on July 12, 1909.

Visiting with Bill Thomson the other day, he was full of enthusiasm over his recent vacation in and around Red River, N. M. He thinks that is a wonderful country up in northern New Mexico, and he would like to own a resort in that area, and enjoy it the year around.

With the addition of power second base and pitched. He is nine years old and will be in the fourth grade this fall. He played with the Wa-Les and his manager was R. O. Gregory.

### Donnie Thomas Gets Sportsman of Year Award

Donnie Thomas is shown above holding his good sportsman belt awarded him by the Muleshoe Little League.

This honor was given him by a secret committee as the sportsman of the year. He was selected from a group of 160 minor league and major league boys, after intensive study and screening by the committee.

The son of Mr. and Mrs. Spud Thomas, Donnie played

### Senator Lyndon Johnson Denies Charge Congress Is Composed of Freewheel Spenders

Dear Friend:

The charge that this Congress is composed of freewheeling spenders is a phony charge. It is a propaganda charge. It is an unfair charge.

Let's look at the record: The Congress traditionally, since the first Congress in 1789, appropriates—generally speaking—less money than the President asks it to appropriate.

Since President Eisenhower took the oath of office, the Congress has cut his appropriation requests by more than \$10 billion. Fat has been trimmed out of a fevry budget.

This year, the Congress has passed six appropriation bills and sent them to the White House.

Those bills total \$222 million below what the President asked. So, the Congress has cut \$22 million in fat out of the six bills handled thus far this Session.

Some bills will be increased.

girls, Rhea and Jeanie of Hamlin, Texas.

Mr. and Mrs. Thompy Young of Anson, visited during the weekend with their sons, Roy and Paul Young. They were accompanied by Mr. and Mrs. George Hoover and children, Georgia and Ted of Pomona, Calif.

We had a very happy young man in The Journal office one day this week. Bill Moore and R. O. Gregory brought young Donnie Thomas in, who had just been awarded the good sportsmanship award for the Little League Baseball program. He was really smiling—and rightly so.

But the Congress will probably decrease all the other 13 appropriations.

When a summary is made, and the net result is known, the Congress will have appropriated, in my opinion, less than the President asked the Congress to appropriate. On November 18, 1958, I told the President at the White House that I believed Congress would cut his budget as much this year as we did last year.

Some people talk about back-door financing—which simply means borrowing from the Treasury. The largest bit of back-door financing that has been approved by this Congress is the \$4 and a half billion that the President asked for for the International Monetary Fund and the World Bank.

That, certainly, is not the story of a spendthrift Congress.

## Muleshoe Merchants Feature July Clearance Sale Bargains

Muleshoe Merchants this week are observing one of the Chamber of Commerce's four major promotion that of July Clearance sale.

The Chamber has planned four major retail sales promotions for the year, a January

Clearance, July Clearance, a Back-to-School promotion and Christmas.

Among the merchants who are cooperating in this effort, with special advertising in the Journal are, C. R. Anthony's, Cobb's Department Store, The Fashion Store, St. Clair's, Criswell's, Harvey Bass Appliance, and C. and H. Chevrolet, along with the food stores with their regular weekly discount prices, and the other advertisers, who offer you quality merchandise, friendly service, and good prices.

You will find it pays you to trade with the wide-awake merchants who use the columns of the Journal to bring you their sales messages and to solicit your patronage.

Coach Melvin Howard of Bula high school, and Mr. W. C. Risinger will leave Thursday with a group of girls for Huntsville where the girls will play in the All-State basketball tournament.

Girls making the trip are Carol Cook, Opal Bogard, Lynda Holt, Jackie Risinger, Phillis Fred, and Kay Spencer.

### Bula Girls To Play On All State Team

Lt. Roald D. Johnson received his wings July 22 at Webb Air Force Base, Big Spring, Texas. Mr. and Mrs. Fred Johnson were there.

He and wife will be here July 25 enroute to a new base in Chandler, Ariz., near Phoenix.

County Judge Glen Williams is on his vacation this week. From Thursday to Sunday he will attend the Bosque Primitive Baptist Association in Tahoka. He is Moderator of the meeting.

Mrs. Edith Wilt, county treasurer, was released from Muleshoe Hospital Tuesday and is now at home. She unfortunately fell last week and broke a leg.

On vacation

Mrs. Wilt Home

"I spent an hour for a PROOF DEMONSTRATION ... and it paid off plenty!"

"My Case-o-matic DRIVE 800 Diesel saved me 40% in plowing labor ... 68% on fuel!"

Bill Fry, big Iowa beef feeder, who operates 980 acres, plows with an extra bottom, cut his fuel consumption in half. Fuel and labor savings like this can increase your farming profits, too. See for yourself how Case-o-matic Drive senses the load ... automatically increases pull-power up to 100% ... without clutching, shifting or stalling!

- NOW... special triple offer:**
- 1. PROOF DEMONSTRATION
  - 2. Special extra generous Trade Allowance
  - 3. FREE RAINCOAT...
- Test-drive the new Case-o-matic Drive 800 on your farm! In just 1 hour, you'll realize the POWERFUL difference. ... PLUS
- TRADE NOW— you'll never get a better buy! ... PLUS
- our "thank you" for the privilege of demonstrating. Call us for a demonstration date today. No obligation.

See us today!

### Rebekah Lodge Hears Report On Meeting

Needmore Rebekah Lodge, meeting in regular session on Tuesday night laid plans for a membership attendance contest, which will run six months and furnish fun and entertainment for all.

Noble Grand Beulah Kelson presided at the meeting, attended by eleven members. The lodge deputy, Marie Allen, announced she plans a school of instruction to be held August 4.

Pee Wee Gage, who has just returned from a trip to the United Nations in New York, presented a China plate to the lodge. The plate, which he bought in Canada, contains all the Rebekah emblems printed in gold. The plate will be hung in the lodge room.

It was announced that the annual Bull Lake session, sponsored each year by Plains Odd Fellows and Rebekahs, will be held Saturday night, August 1. The public is invited to attend this get together, where the food is free to all.

### ARTHRITIS?

I have been wonderfully blessed in being able to return to active life after suffering from head to foot with muscular soreness and pain. Most all joints seemed affected. According to medical diagnosis, I had Rheumatoid Arthritis, Rheumatism and Bursitis. For free information write:

## MR. FARMER

Read this and tell your neighbor.

We are happy to announce that W. M. Hap Daniell is the manager of our Paymaster gin in Muleshoe. Hap has had a number of years in the ginning business, he has been employed by the Paymaster gin here in Muleshoe since 1950 as a ginner.

He has been working in the gin business since 1925 and he is capable of knowing just how to handle your cotton. When you bring it to the Paymaster gin the gin will be in tip top shape to assure you the best in grade staple and turnout.

If you are looking for better service bring your cotton to

### Former Resident -

(Continued From Page 1)

Cooper recalls the decision and preparation by declaring "women make the best leaders in the church." His wife, he recalls, has been very active in church work throughout their married life, and he is extremely proud of her devotion.

#### Small Sacrifices

"A call to full-time service usually involves small sacrifices and great rewards", believes the Rev. Mrs. Cooper. "The fact that so few respond reflects our worship of the chief idol of our time, materialism."

"The Kingdom of God comes first", she adds with a quiet smile.

Mrs. Cooper recognizes she is "a beginner in this type of service, but I hope the congregations will accept me as an individual and not as a woman."

She preaches at Whiteflat every second and fourth Sunday and at Flomot every first and third Sunday. She also doubles as Sunday School superintendent and can play the piano.

There are between 40 and 50 members of each congregation.

"The people in these communities have been very kind to me and my family, and there has been very little opposition, if any, because I am a woman", the Rev. Mrs. Cooper said.

#### According To Gifts

She feels "the call to service comes to every Christian who will listen to the voice of God. I believe that it comes as truly to laymen as to preachers, and to each according to his or her gifts."

"It is wrong to claim that we have no gifts or talents or to wrap those we admit to in a cloth of false modesty and bury them in the ground. Teachers, doctors, homemakers, Sunday School and church workers and many others respond to the call."

She spends several hours a week on her sermons but does not memorize them. "I generally make a full outline", she says, adding "No, I don't practice them on the family. I figure listening to them once a week is enough!"

The Coopers credit their family success in large degree to "having time for each other."

"Too many people including working mothers just don't have time for family life any more. That's no good," says Cooper.

Asked about the typical housewife's problem concerning Sunday dinner burning if the sermon runs too long, the Rev. Mrs. Cooper laughs. "I never have to worry about that with all these girls around."

Her entire family is proud of their mother's devotion and decision to become a preacher. An hour's visit with the Cooper's is a warming experience. Visitors can't help going away feeling better about things in general.

"You know", commented one man, "that family may not have wealth in a worldly sense, but they're the richest folks I know just the same."

Be you six or sixty the news that franks are on the Cookout bill of fare is almost sure to bring a grin of anticipation. But just wait until you taste them with this good, new and so—easy-to-make relish!

**Hot Dog Relish**  
 2 cups chopped ripe tomato  
 2 cups chopped green tomato  
 2 cups chopped cucumber  
 1 cup chopped onion  
 1 sweet red pepper  
 1 teaspoon celery seed  
 1/2 cup sugar  
 1 tablespoon salt  
 2 teaspoons dry mustard  
 1/2 cups vinegar

Wash and drain vegetables. Scald, core, and peel ripe tomatoes. Core but do not peel green tomatoes. Cut blossom and stem ends from peppers; discard seed. Peel onion. Chop vegetables and squeeze to remove juice—saves cooking time.

Mix all ingredients and cook until the liquid part is about as thick as Chili Sauce. Taste and add more seasoning if desired. Watch it! If too highly seasoned the relish will mask rather than enhance the flavor of frankfurters and wieners. Pour boiling hot relish into hot fruit jar. Put dome lid on jar; screw band tight.

### Maple Man Killed

(Continued From Page 1)

Lancaster told Mrs. Griffith, Journal correspondent at Three Way, it could have happened because of a flaw in the insulation of the wiring in the electric motor. He explained it this way: A small hole, no larger than a pin head, had developed in the insulation of one wire, in a box attached to the irrigation motor, in Lowe's field. This formed a "short circuit" against the metal box, and the loose electricity was trying to make circuit back to the power line on the pole. The ground was very wet, sufficient enough to conduct the electric current. About 75 feet away, the guy wire, which was tied into one leg of the current on the power pole, serving as a ground. And when Mr. Lowe evidently touched the guy wire, while standing on wet ground, his body became a conductor for the current, feeding electricity from the motor back into the power line. This is a layman's version of the technical ideas of what could have possibly happened.

Mr. Lancaster, explained further that they had almost certainly proved this idea to be true. They put voltage testers on the line. When the motor was running, the guy wire contained electric current, or the potential was there. When the motor was shut down, it was not there. As further proof of the truthfulness of this theory, he said, the flaw in the insulation was corrected, even as small as it was, and the current potential did not exist in the guy wire anymore.

The body was found about noon Wednesday, but Judge Vaughn said the condition of the body seemed to indicate that he might have been killed some time earlier, possibly as early as 10 a.m.

Funeral services were to have been held Thursday afternoon at 3 o'clock from the Morton First Baptist Church. The Rev. Byron D. Hargrove, pastor of Three Way Baptist Church officiated, with interment to have been made in Morton Memorial Park under direction of Singleton Funeral Home.

He is survived by his wife; a son, Don of Maple; a daughter, Mrs. Wayland Altman, of Muleshoe; his mother and father, Mr. and Mrs. J. H. Lowe of Morton; a brother, E. M.

Lowe of Maple, and three sisters, Mrs. W. G. McHam and Mrs. J. G. Millar of Maple, and Mrs. Faye Edwards of Morton.

### Visitor Tells Of Trip To Europe

Herman Jones, member of Littlefield Rotary Club was the principal speaker at the meeting Tuesday of the Muleshoe Club, and told his listeners of a trip he and his wife made to Europe last year on which he went to the World's Fair in Brussels and visited many countries.

He told of having attended meetings of several European Rotary Clubs, in England, France, Belgium, Austria, Holland and Germany, and how the method of conducting club meetings varied in the different countries.

Rotarian Clifton Kennedy was in charge of the program and introduced the speaker. Mr. Jones has been with the Farmers Home Administration for many years.

### Maple News

by Mrs. Oran Reaves

The members of the Maple Church of Christ met in the community building Monday night for an ice cream supper for the Ed Farris family. They are moving to Coleman where he will be a ginner. Those present were Mr. and Mrs. Guy Gattis, Mr. and Mrs. Foy Lewis and children, Mr. and Mrs. Deward Wall and children, Mr. and Mrs. Oran Reaves and children, Mr. and Mrs. C. L. Taylor and boys, Mr. and Mrs. Jim Simpson, Mr. and Mrs. Ted Simpson and children, Mr. and Mrs. Travis Kelley and children, Mr. and Mrs. Vurles Wall and boys, Jim and Bob Pyburn, Jerry Simpson, Billy Wall, Mrs. Bill Eubanks and Joy, and the honorees, Mr. and Mrs. Ed Farris and Glenda and their son and family, Mr. and Mrs. Jake Farris and children of Coleman.

Mr. and Mrs. C. L. Taylor and Dorman visited her brother and family, Mr. and Mrs. Jake Farris and their daughter, Mr. and Mrs. Cecil Mann of near Portales, N. M., Sunday afternoon.

Mr. and Mrs. Jake Farris and children of Coleman came up Saturday afternoon and stayed until Tuesday to move his parents, Mr. and Mrs. Ed Farris to Coleman. We are very sorry to lose the Farris family from our community. We will miss them very much.

Mr. Jerry Simpson and son are on a vacation in Arizona this week.

Mr. and Mrs. Kenneth Persons and children of Phoenix, Ariz., are visiting her parents, Mr. and Mrs. Kenneth Pyburn this week.

Mr. and Mrs. Lewis were shopping in Clovis, N. M., Monday.

We are happy to report that Mrs. Davis is better at this time. She is still in the Hale Center Hospital. She is the mother of Mrs. Bill Eubanks and R. L. Davis.

Miss Rena Clay is visiting with her parents, Mr. and Mrs. Ray Clay until school starts in Canyon in September. She will be a senior at

### Melon Growers Profit By Use Of Insecticides

An 80 acre field in Brooks County sprayed four times with D-14 and zinc sulfate and dusted once with zinc dust produced over one million pounds of melons an average of 12,500 pounds per acre, according to Harlan E. Smith of the extension service.

The melon crop on unsprayed fields nearby averaged only 8000 pounds per acre. Also in the unsprayed fields, Smith said, the foliage was nearly destroyed and the ground looked bare except for weeds.

### TAKE INTERESTING TRIP

Mr. and Mrs. J. R. Otwell, Jerry and Narsia visited Mr. Otwell's mother, Mr. and Mrs. Jack Lee at Gracemont, Okla., this week while on vacation. Also they went to Indian City near Anadarko, Okla.; visited Mr. Lee's brother at Antlers. Then to Fort Worth, Mineral Wells, and Grayford near Possum Kingdom, for visits.

WINNER—Cool, comfortable sportswear scores high with the active teen-aged miss. This three-piece outfit in pastel striped cotton seersucker includes a cardigan jacket, sleeveless blouse, and Jamaica-length shorts. Photo by Inge-  
neue.

SMART CHECKS—Here's a smart outfit to take with you on vacation. Checks of the easy-care cotton poplin shorts are used as piping on the armholes and collar of the shirt. These coordinates are by Jantzen.

### Bread Costs Studied By USDA

FLOUR & OTHER INGREDIENTS	5.0
WAGES & SALARIES	5.1
FRINGE BENEFITS	0.4
PACKAGING	1.1
DELIVERY	0.9
ADVERTISING	0.7
OTHER COSTS	2.1
<b>PROFIT BEFORE TAXES*</b>	<b>0.9</b>
<b>TOTAL BAKER WHOLESALE PRICE 16.2¢</b>	

\*Agricultural Marketing Service study of selected bakeries showed net profit after taxes at less than one-half cent per pound.

Increased operational costs in the bakery and flour mill are responsible for the higher price of bread, according to the United States Department of Agriculture. A USDA bulletin, "Marketing Margins for White Bread," points out that bread prices have increased 39 per cent in the past 10 years. The study disclosed that the cost of bread ingredients has remained fairly constant during the past decade. The cost of wheat to the miller in 1948 averaged 2.8 cents per pound loaf of bread, and the same in 1958. The cost of flour to the baker rose from 3.5 cents in 1948 to 3.6 cents last year. The survey shows that the farmer's share of the consumer bread dollar for all agricultural products used in bread has declined from 24 per cent in 1948 to 16 per cent last year. "The increase in bread prices resulted from the higher costs of labor, transportation and other non-ingredient expenses," the

bulletin stated. "Hourly earnings in bread-baking and similar establishments are 33 per cent more than they were 10 years ago. Fringe benefits have increased ninefold. The baker received 16.2 cents for a pound loaf of bread last year, as an average. The retail margin, according to USDA, was 3.1 cents. The baker retained nine-tenths of a cent as a profit before taxes, less than one half cent per loaf after taxes. A separate study made by the Department's Agricultural Marketing Service showed that the profits of six leading baking companies have declined 42 per cent on the basis of sales during the 10 year period. Profits decreased from 4 per cent of sales in 1948 to 2.3% last year. The report stated that "Even if the farmer had donated his wheat, white bread would still have cost consumers about 17 cents per loaf (retail) in 1958."

### Muleshoe Marine Gets Training At Recruit Depot

LeeRoy Corrales is undergoing recruit training at the Marine Corps Recruit Depot, San Diego, Calif., after enlisting for a period of four years. LeeRoy is the son of Mr. and Mrs. Hisidro B. Corrales who live here in Muleshoe. While in recruit training LeeRoy will receive training in hand to hand (judo) combat, marksmanship training, drill, bayonet fighting, Marine Corps history and military customs. During "boot camp" he will be given aptitude tests to determine what

schools and duties he will be best suited for. After competing eleven weeks of basic training LeeRoy will be transferred to Camp Pendleton, Calif., to attend four weeks of advanced combat training, before coming home on twenty days leave.

Sgt. Schimmel, the Marine Corps recruiter for the Muleshoe area, states that if LeeRoy qualifies for assignment to the aviation arm of the Marine Corps he will omit the four weeks of advanced combat training and be granted twenty days leave following his graduation from "boot camp."

### Local Boy Scouts Named Members of The Order of Arrow

John Breeden, Scout Plaines Council Lodge Chief of the Order of the Arrow, has announced that 97 Scouts and leaders have completed their requirements to become members of the Order of the Arrow. It is a Scouting brotherhood honor of campers. The candidates have at least 15 days and nights of camping. Members are selected for the order by vote in each scout troop as outstanding scouts and honor campers. Among those completing their requirements are: Herbert Blair and Max King of Muleshoe.

#### CARD OF THANKS

We wish to thank all of our friends and neighbors for the food that was brought in, for every deed of kindness, for every word of sympathy, and for the flowers. We will never forget you and hope that you will accept this as a true expression of the gratitude that we feel in our hearts.

# Trudy Davis, Judy Williams, Take Top Scores In 4-H Dress Revue

Trudy Davis was high scoring student in the senior division, and Judy Williams had top score in junior division of the Bailey County 4-H Dress Revue, held here July 15 in Fellowship Hall of the Methodist Church, reports Mrs. Harriette Jackson, County Home Demonstration Agent.

Trudy is the daughter of Mr. and Mrs. Albert Davis of Progress, age 15. She modeled a school dress, and received a pair of pinking shears and certificate for \$5 in dress materials.

Jane Gray modeled her gray wool flannel basic dress, and received a red ribbon, and a

pair of scissors. She is 15. Mary Gross, 15 modeled her cotton sheath dress. She was awarded a blue ribbon and given a zipper foot.

In the junior division, Judy Williams, 14, daughter of Mr. and Mrs. Lloyd Williams of Progress modeled her wool basic dress, and won a pair of scissors.

Joy Williams, 10, sister to Judy, showed her cotton best dress, being awarded a blue ribbon and a pair of pinking shears.

Jane Wedel, 13, was awarded a red ribbon on her check sheath dress, and given a zipper foot.

Linda Kay Floyd, 11, showed a skirt and blouse on which she received a blue ribbon. Her gift was a pair of pinking shears.

The prizes were furnished by the Bailey County Home Demonstration Council.

The Fellowship Hall was beautifully decorated by the girls, and they served punch and cookies to all the visitors at the Revue.

The two girls winning top honors will represent Bailey County in the 20-County district Dress Revue in Lubbock July 31, Mrs. Jackson said.

## Burton - Cliff Vows Are Read Here July 5

First Methodist Church was the scene of a candlelight ceremony July 5, at five o'clock, which united in marriage Miss Jacqueline Kay Burton and Alton Roy Cliff.

Parents of the bride are Mr. and Mrs. Kenneth Burton, of Muleshoe, and Mr. and Mrs. H. T. Mayberry, of Odessa, are parents of the groom.

Mr. and Mrs. A. R. Cliff

The double-ring ceremony was read by Rev. Edwin Hall, pastor of the church, under an archway of greenery and bells. White gladioli and blue daisies also decorated the sanctuary.

Logan Moon, organist, played traditional wedding music, and accompanied Lyndell Fletcher, who sang "Whither Thou Goest" and "The Lord's Prayer."

Given in marriage by her father, the bride wore a ballerina length gown of white cotton lace over satin, v-necked and princess style. Seed pearls and rhinestones adorned the fitted bodice and three-quarter sleeves. Her veil of illusion was caught with white velvet band, pearl encrusted. She carried a white gardenia surrounded by stephanotis, atop a white Bible.

Miss Charlene Volkman, of Muleshoe, maid of honor, wore blue organdy, street length, and carried a nosegay of white carnations. Little Miss Sheryl Burton, sister of the bride, carried the rings on a heart-shaped satin pillow. She wore white satin and lace, with bouffant skirt.

Candlelighters were Miss Juanita Mayberry, sister of the groom, and Darrell Burton, brother of the bride.

Jerry Williams, cousin of the groom, Muleshoe, served as best man.

Ushers were Leon Anderson,

## Bridal Shower Honors Toni Bruns - Pattie

Mrs. Joe Pattie of Amarillo, who was Toni Bruns before her recent marriage, was honored with a bridal shower in the Hub community center from 6 to 8 o'clock, July 10.

Pink corsages containing kitchen utensils were presented to the guest of honor, her mother, Mrs. Les Bruns, and her mother-in-law, Mrs. Darrell Pattie. The bride's colors of pink and white were carried out in the decorations, and refreshments by the hostesses, Mmes. Clyde Monk, Luther Hall, Paul Scott, Ross Goodwin, O. M. Self, Joe Smallwood, George Provench, Charles Bills, Joe Embry, J. B. Wright, Don Schumann, T. O. Lesly, Leon Smith, and Charlie Watson. Their gift to her was an electric mixer.

Many lovely and useful gifts were received from guests attending and sending gifts. They were: Miss Lou Ann Hardesty, Mary Tom Spring, Monty Baker, Elaine Holcomb, Janell McGuire, Marsha Schumann, Mrs. Bert Gordon and Alice, Ruth Briscoe, Sandy and Polly, Frances Bruns, Donna Kay, Debbie and Tammie, Mona Sharrock, Omer Kelton, Rosemary Harris, M. J. Stacy and Mary Ann, Jinx Snead and Janet, W. S. Crow, and Jay Raymond Euler, Allen Grusendorf and Penny, Jess Pendergrass, Gene Hamilton, Mrs. C. E. Briscoe, Robert Blackwood, LaNeil Stancel, B. D. McCutcheon, John Agee and Rosemary, Matt Jesko and Theresa, Cris Ford, Joy Hall, Jo Bracken, Esther Schroeder, Barbara Burton and Jackie.

Joe Hutchinson, Zephia Zimmer, Fred Bruns, Grandmother, Fred Bruns, grandmother of the honoree; Mrs. Judy Watson and Miss Jane Bruns, her sister, Mrs. Darrell Pattie and Mrs. Les Bruns.

Attending the wedding from Bula and Enochs were Mrs. Jerome Cash and daughter, Ruby, Ronnie Ethridge, Mrs. W. E. Layton, Mrs. Harold Layton, and J. E. Layton, Mrs. Edd Crume and Donna and Diane, and Mr. and Mrs. H. H. Snow.

## Cash-Manning Vows Exchanged

Miss Ellen Marie Cash, daughter of Mr. and Mrs. James Cash of Hereford, was married to Harold Manning of Hereford Thursday evening, July 9, at 8 p.m. in the Avenue Baptist Church at Hereford.

Miss Cash lived at Enochs and attended school at Bula for two years.

Attending the wedding from Bula and Enochs were Mrs. Jerome Cash and daughter, Ruby, Ronnie Ethridge, Mrs. W. E. Layton, Mrs. Harold Layton, and J. E. Layton, Mrs. Edd Crume and Donna and Diane, and Mr. and Mrs. H. H. Snow.

**CARD OF THANKS**  
We want to express our thanks and appreciation to the staff of West Plains Hospital & Clinic for their thoughtful care, and to all our friends for their messages and thoughtful acts during the time Mrs. Simpson was under treatment.

Mr. and Mrs. Joe Simpson

**RELEASED FROM HOSPITAL**  
Mrs. Joe Simpson, of Earth, was released from the West Plains Hospital and returned to her home Tuesday. She had undergone surgery. Mrs. Simpson is the mother of Mrs. Walter Harrison of Muleshoe and Mrs. J. B. Wade of Earth.

## Local Teacher On Educational Tour

Mrs. Christine Rutherford, third grade teacher in Richland Hills Elementary School, will leave with a group of West Texas teachers Monday for a long tour of the north-eastern section of the United States and eastern Canada.

MRS. RUTHERFORD

She went to Canyon, where the tour will begin, Tuesday of this week to receive orientation on the trip. The tour will be made by chartered

## Recent Bride Is Honored In Dyer Home

A bridal shower honoring Mrs. Roy Cliff, nee Jackie Burton, was held in the home of Mrs. Roy Dyer, 308 West 10 Street, July 16. Miss Sharon Adair registered the guests in the bride's book, a gift of the hostesses.

Assisting Mrs. Dyer were Miss Charlene Volkman, Mmes. Kenneth Ellis, David Anderson, Willard Parker, Arnold Gross, Tom Berry, Norbin Lee, B. C. Locke, Bob Chapman, Ruby Crawford, Eugene English, M. F. Moon-ey, J. W. Maddox, and J. C. Gilmore.

The bride's chosen colors of blue and white were carried out at the serving table, which was laid with white lace over blue and centered with an arrangement of blue glittered daisies, white carnations, yellow and white tapers. Serving punch from a milk glass bowl were Mrs. Parker and Miss Volkman, assisted by Mrs. Anderson and Mrs. Ellis.

Approximately thirty-five guests called and a number of friends who were unable to attend sent gifts. Hostess gift was a set of club aluminum.

Greyhound bus. The tour is sponsored as an educational feature by West Texas State College, Canyon.

Mrs. Rutherford, one of four local teachers who won awards of \$500 each, given by the Clark Foundation, is using this money to pay for this trip. The money awarded is to be spent either in educational travel or in paying for attending college for further study.

An idea of the extent of this trip will be gained from the fact that it will pass through 17 states, with overnight stops in 13 of these, guided tours in six states and in the maritime provinces of Canada. The trippers will go by boat from Bay Harbor, Maine, to Yarmouth, Nova Scotia; there will be a 2 1/2 hour cruise among the Thousand Islands of the St. Lawrence River. At New York City the teachers will take a three hour cruise around Manhattan Island.

There will be guided tours at the Canadian cities of Montreal, Ottawa, and Quebec, and the Texas folks will tour the Canadian side of the St. Lawrence, now a waterway to the ocean for ocean going ships.

Mrs. Rutherford will return to Muleshoe August 22, in time to prepare for the beginning of another term in Muleshoe schools.

## H. D. CLUB Clatter

In sections of the country where the water is hard, women are accustomed to the fact that you must soften the water to get cotton clothes really clean when laundering, but sometimes they overlook the fact that you must soften rinse water as well as the washing water. Some interesting tests have been made in washing cottons in the South Dakota Experiment Station.

Most women understand that soap unites with the minerals in hard water to form a soap curd or scum which clings to fabrics and leaves them with a gray, dingy appearance. Many do not realize that this can take place when you rinse with hard water as well as when you wash with hard water. There is enough soap left in the clothes to form this curd in the rinse and the clothes will eventually become grayish.

In the tests made in South Dakota, cottons rinsed in hard water, after a soft water wash did not come out as clean as those rinsed in soft water. In

fact, it was found that the cottons washed in soft water were three times as clean as those washed in hard water.

Water softener is not effective if added to soap or syndet. The water must be softened before the detergent is added.

## Manage Energy Well On Hot Summer Days

Fatigue comes easier during hot weather.

A tired feeling often brings an irritable disposition and cuts down efficiency on the job. It can also increase susceptibility to disease or accidents.

If you are feeling more tired than usual, stop and analyze yourself and your working methods—boredom and frustration, as well as such physical factor as overwork and strain, will cause that tired feeling.

Short rest periods from 10 to 20 minutes will work wonders if you are tired from heavy work. A change of environment or activities will often relieve fatigue caused by boredom or monotony.

Efficient, happy homemakers have found that these simple rules will help to fight fatigue and make work more interesting.

First—Check your kitchen and household storage—is everything within easy reach? Keep cleaning tools in good repair and located close to the job.

Wear comfortable work clothes and sit as much as possible while you work.

Study your job and organize the work in assembly line fashion. Use both hands whenever possible.

Don't try to stay with a heavy or difficult job too long—interspace big jobs with easier ones and rest at intervals.

## Travel Light

Going away this summer? Take no more clothes than is absolutely essential. Traveling with light baggage is lots easier these days with all the new fabrics and finishes which make clothing so much easier to care for.

Make a plan and build your wardrobe around a basic color scheme. Well chosen separates and such small accessories as scarfs, flowers and jewelry help vary your costume.

Take the type of clothes you know you like to wear. As useful as separates are to busy women, if you don't like to wear them at home you

## Muleshoe Boys Summer Students McMurry College

Jimmy Ray Strickland and Larry Edward Hicks of Muleshoe, are enrolled in the second half of summer school at Hardin-Simmons University.

Enrollment for the second half of H-SU's summer session is expected to total about 450 when registration is completed for the last three-week term August 4.

There were 513 on hand for the first half of the summer school, which included a six-week term and two three-week periods. Enrollment is about 10 per cent above 1958.

The 1959 summer session will close with commencement exercises at 8 p.m., August 21. George L. Graham, director of the summer school.

## Babson Discusses . . . . Four Ways Of Investing Money

Babson Park, Mass., July 23 —Before explaining these four programs, let me impress upon readers the importance of not mixing the programs. Each has its advantages and disadvantages. Hence, you should select one and stick to it. This advice is based on over 54 ears of experience in the "school of hard knocks and hard work."

**Investing by the Cycle.** Program No. 1 calls for selling at a time like this and depositing the money received in a bank, waiting for the next big break which will come surely. Then you will again buy the most active good stocks and hold them until another bull market comes; then follow the same plan over again. This is the most profitable program for those with courage and patience.

**2. The Long-Growth Common Stock Program.** No. 2 provides that investors pay no attention to stock market prices but purchase a little

"long-growth" stock every few months as they have the money, keeping these stocks for a long time. This is satisfactory if the advisor makes sound selections. When, however, companies are young, it is difficult to know what they will be when they "grouw up."

As an illustration, I am listing the names of some such stocks which were bought, in accordance with Program No. 2, by an intelligent Boston stock broker for his children and grandchildren. These stocks are now valueless. Amalgamated Gold Dredging Co.; Black Diamond Anthracite Coal; Boston Mining & Exploration; California Fortune Oil; Deadwood Standard Gold Mining & Milling; Dorothy Gold Mining; Eastern Fortune Mining Co.; Invincible Gold Mining; Mount Glines Gold & Silver Mining Co.; Old Mexico Mining & Milling; Santa Ana Tin Mining and Spearfish Gold Mining & Reduction Co.

**3. Buying Good Stocks and**

**Cumulative Preferreds For Income Only.** With Program No. 3 you would not sell your stocks in a high market, but would wait for a lower market before buying others. This program is very suitable for older people.

**4. The Fourfold System.** Program No. 4 is the one I like best, combining profit, income and security. Such an investor today would have one third of his money in good common stocks as an inflation hedge; one third of his funds in bonds or good cumulative preferred stocks for income; and one third in cash, waiting for a break in the market. Thus, whatever happens, he would be able to take advantage of any future market situation. Although I am not strong for Program No. 1, I feel that Program No. 2 is dangerous and that it is wrong to ignore the "ups and downs" of the stock market.

**Conclusion:** During the more than 54 years that I have been studying the stock market, I have seen it go through three wars, four panics, and five booms. Although I admire young men for their courage and initiative, I think that investors should always consult both young men and old men. The younger men think that we are continually entering "new eras" and that panics can never occur again. Then they are bearish too long when the country is in a depression.

Older men, however, know that ever since there have been any reliable records,—wars, business, investments, and even nations have moved in cycles. Periods of prosperity have encouraged carelessness, dishonesty, and an unreasonable increase in government, corporation, and personal debt. This has finally resulted in a decline and depression. A depression tends to make people industrious and more anxious to pay up their debts. This results in a period of improvement and another era of prosperity.

Although those who follow Program No. 1 may be unable to pick out the exact high spot of a bull market and the low spot of a bear market, yet they are performing a very important social service. Those who sell when the market is abnormally high tend to make the prosperity area less dangerous; while those who buy during a depression help make that depression less terrible. In other words, those who are wise enough (and there are not too many of these) to successfully follow Program No. 1 tend to level out business, investment, and employment conditions to the benefit of all.

## HOGS

We are raising some mighty good Yorkshire hogs now at the rate of 3,000 per year. We are selling them on the basis of what they will cut out. We got 17c last week. \$16.75 is the cheapest price we have sold any butchers for.

## MAIZE

Market it through your Yorkshire Hogs and you will be ahead.

## Sandhills Philosopher Thinks . . . Poland's Farmers Using Horses May Not Be As Dumb As You Think

Editor's note: The Sand Hills Philosopher on his Johnson grass farm discusses the foreign situation this week, you might say.

Dear editor,  
 Not knowing much for sure about farming in this country, I couldn't be expected to know anything about farming in Poland, but I read an article last night about a situation over there that attracted my attention.

As I understand it, the Communists over there are trying to get the Polish farmers to get rid of their horses. There are 2,700,000 horses in Poland, they graze over 5,000,000 acres of pasture, and eat over 3,000,000 tons of grain a year.

The Communists are saying, it takes too much grain to feed those horses, last year they ate more grain than all the city-dwellers in Poland got, and the thing to do is get rid of them, switch to government owned tractors.

The Polish farmers though are resisting. They don't have to be told that while a tractor doesn't eat grain, it does consume gasoline, and very few farms in Poland produce gasoline.

Them Poles ain't so dumb. When it comes to a choice of feeding grain to horses or to Communists, they favor the horses.

I never have sat down and figured it up. I don't mind sitting down, it's the figuring that gets me, but maybe you could tell me: how much production does a tractor consume? In Poland they figure it takes 15 per cent of the land to support the horses. What per cent of a farm does it take to support the tractor it takes to work it? I know a man can work a lot more land with a tractor, but you can't raise a tractor, you have to buy it, and if somebody stopped and figured up how much production it takes to buy a tractor, maintain it, keep it in gasoline and oil, replace it when it wears out, he might come up with some interesting figures.

Understand, I'm not planning on going back to horse

farming, a tractor that won't start is bad but a mule that won't is worse, yet I have a great deal of sympathy with those Polish farmers. It's not how much grain you raise that counts, it's how much you have left over for yourself, to eat or sell, and if they come out better with horses, that's their business. Personally, I never have seen the horse I wouldn't rather feed than a Communist.

Yours faithfully  
 J. A.

### TO PETERSBURG

Mrs. Maude E. Jones, of Muleshoe, andson-in-law, A. R. Robertson, of Modesto, Calif., visited at the weekend in the home of her daughter, Mrs. H. B. Byerley and Mr. Byerley, in Petersburg.

## Children Beware . . . An Innocent-Looking Killer

There is a new killer in our midst! Actually it isn't so new. There have been deaths from this cause for a few years now.

The tragic thing about this new killer is he strikes at infants and toddling children—the ones that can't protect themselves!

This killer comes in several forms. He appears as a crib sheet, pillow case, bib, and worst of all, a TOY.

However, this killer is easily recognized by grown ups. It is the clear plastic that is used for so many purposes these days.

Take shirts. Bags made out of this plastic are just perfect for protecting the shirt from dust and at the same time displaying the product.

But when such plastic materials are used as crib sheets?

Last year in Texas, three infants, eight, seven, and five months old suffocated because they accidentally pulled the plastic sheet over their face.

Pillow cases too, are just as deadly. Early this year a four month old child was found in

## It's The Law In Texas

### STATE SOMETIMES "INHERITS" PROPERTY

Made your will? If not, the State of Texas may wind up as owner of your estate upon your death. Under our statutes, the estates of persons having no heirs who die intestate revert, or "escheat", to the State.

Such provisions have been carried over from the English common law. There, under such circumstances, the estate escheated to the British crown. The theory of the process is that the sovereign (or State) having been the original owner of all lands before they were parceled out to individuals, is entitled to a return of such lands when the possibilities of legal inheritance have been exhausted.

This idea has been expanded to include personal property as well as real estate. It also applies in the case of a person absent for a term of seven years and not known to

exist who leaves no heirs and no will.

Presumably, there is hardly a person who does not have some individual or charity that he would prefer to have his estate, rather than have it go to the State by default, so to speak. Yet, surprisingly, estates worth many thousands of dollars do escheat to the various states from time to time.

Now, before you shrug the matter off with the idea that these statutory provisions could not possibly apply to you, better think a minute. Suppose you and your spouse have no heirs besides each other and your children. Many people do fall into this category.

In event of a catastrophe resulting in death for you and your entire immediate family, no legal heirs would remain. Therefore if you had no will, your property would go to the State. In preparing a will, it is possible to provide for such an eventuality.

In this hypothetical case, you would probably want to designate some friend as executor, to take care of all necessary arrangements and then distribute the estate according to your wishes.

On the other hand, if you have plenty of possible heirs, a will could be used to designate which of them shall participate in the division of the estate. And even if you wish your property to be distributed entirely in accordance with our statutes of descent and distribution as explained in previous columns, a will can perform useful functions.

Among other uses, a will could provide for an orderly and economical partition of your property, preventing any waste of the assets by heirs impatient for a settlement.

What happens to property which escheats to the State. Following certain required legal formalities and court proceedings, all escheated lands are set apart to the Permanent Free School Fund of the State and may be leased and sold by the Land Commissioner under certain regulations.

Escheated personal property is sold by the local sheriff under a court writ and the money received therefrom paid into the State Treasury.

So, protect little children from exposure to such plastic material.

MULESHOE, TEXAS

PHONE 2720

You've got more to go on than our say-so: Every motor magazine has given Chevy's standard passenger car and Corvette V8's unstinted praise. SPORTS CARS ILLUSTRATED says it this way: ". . . surely the most wonderfully responsive engine available today at any price." And if you want the thrift of a six, you still get the best of it in a Chevy.

**BEST ECONOMY** No doubt about this: a pair of Chevy sixes with Powerglide came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car, 22.38 miles per gallon.

**BEST BRAKES** Not only bigger, but built with bonded linings for up to 66% longer life. Just to prove what's what, Chevy out-stopped both of the "other two" in a NASCAR®-conducted test of repeated stops from highway speeds.

**BEST RIDE** A few minutes behind the wheel will leave no doubt about this. MOTOR TREND magazine sums it up this way: ". . . the smoothest, most quiet, softest riding car in its price class."

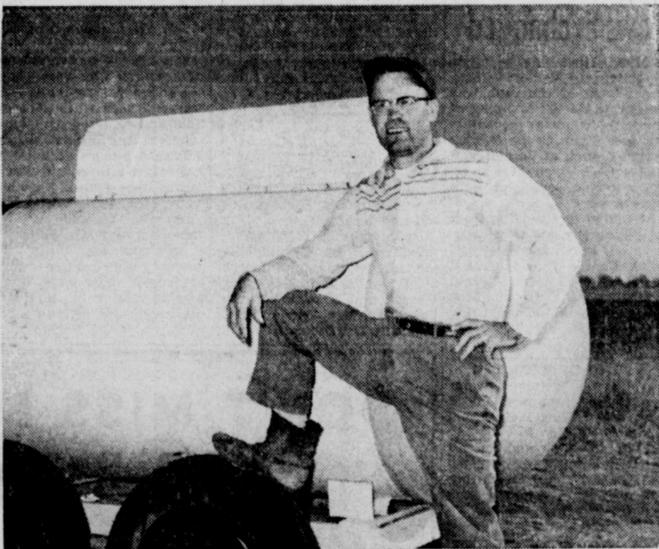

**BEST TRADE-IN** Check the figures in any N.A.D.A.\* Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two."

**BEST ROOM** Official dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room, for example, is up to 5.9 inches wider than comparable cars.

**BEST STYLE** It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

NO WONDER MORE  
 PEOPLE ARE BUYING  
 CHEVROLETS IN '59

## Petersburg, Texas, Man Reports— 1500-pound Increase on Grain Sorghum

Frank Stanton, successful young Hale County farmer, says: "By chiseling in 85 to 100 pounds of Phillips 66 Ammonia as a side dressing, I increased my maize yield 1500 pounds per acre. This represents a \$4 profit on every \$1 invested in ammonia."

"This proved to me that using Phillips 66 Ammonia is profitable. I am using it on both my cotton and grain sorghum land this year. There are not many investments I know that will return 4-for-1."

Other successful Southwestern farmers have discovered that they make more profit per

acre, using Phillips 66 Ammonia. They get more cotton that classes higher at the gin . . . yields of sorghum grain or ensilage are increased . . . profits on wheat and small grains are increased through higher grain yields and improved forage . . . more marketable vegetables are harvested.

Phillips 66 Ammonia can be easily applied as a side dressing either by you or your distributor. See us today for your supply of Phillips 66 Agricultural Ammonia . . . it gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

## STATE FAIR'S HUGE NEW LIVESTOCK COLISEUM

This huge new \$2,000,000 Livestock Coliseum now under construction on the state fair grounds in Dallas, will be completed in time for the 1959 State Fair of Texas, Oct. 9-25. The Coliseum, seating 7,108, will be the scene of a series of horse shows during the Fair. One of the finest and most modern facilities of its kind in the nation, the new State Fair Coliseum has a 300-foot main hall and is adjoined by a horse building with 304 stalls.

home the past weekend with her parents, Mr. and Mrs. Smoock of Paducah, The Hardgroves and the Smoocks left Monday for San Antonio.

Mr. and Mrs. Cecil Cole returned home Saturday from an extended trip to the northwestern states and Canada. They left July 2.

Mr. and Mrs. Clint Everett visited at Gustine, Texas, with his sister and husband, the C. E. Edwards. Mr. Edwards is critically ill and has been for several months.

Mr. and Mrs. Jack Ferguson and children visited last weekend with his parents, Mr. and Mrs. C. W. Ferguson in McKinney, Texas.

Visiting recently with Mr. and Mrs. Amos Sedgwick of Brownfield were Mr. and Mrs. Ed Neutzler, Mr. and Mrs. Bill Hendrix, and Mr. and Mrs. Adolph Wittner.

Kathy Knox of Hereford is visiting with her grandparents, Mr. and Mrs. Frank Knox.

Mr. and Mrs. John Crocker and children of Canadian, Texas visited recently in the Baker Johnson home.

Mr. and Mrs. Freddie Parkman visited Sunday with her parents, the Horace Huttons.

J. L. Lemons visited last week with relatives in Oklahoma.

**Queen Contest**  
The Bailey County Farm Bureau will again sponsor a queen contest for girls of farm families who are single, and 16 years of age or older. Either their fathers or husbands must be a member of the Farm Bureau.

Girls interested in entering the contest may contact Mrs. Horace Hutton, phone WAR-7-3181.

The Three Way community surprised the John Tysons with a house warming in their new brick home south of Maple Saturday evening. The community gift was a silver tea service.

**Attend Youth Camp**  
Attending Youth Camp at Floydada last week were Gayle McCelvey, Elaine Kenley, Shirley Cunningham, Nona Coffman, and the counselors, Mmes. Bill Wood and Adolph Wittner, of the Three Way Baptist Church.

Attending from the Maple Baptist Church were Kay Lemons, Dorothy Tucker, Shirley Fine, Janice Shepherd, Ginger Carlisle, and Barbara Maston. Counselors were Mrs. Carlisle and Mrs. Chester Petree.

Boys from the Maple church who attended were Danny, Kenneth, Jimmy and Timmy Petree, and Chester Petree were their counselor. Rev. Hardgrove of the Three Way church was counselor for LeWayne Bateas, B. B. Johnson, Tom Coffman, and Charles Latimer.

**ROUNDUP TIME**  
Its roundup time again. So come out to the Riddle-Roden reunion at the community building in Littlefield city park at 600 West 3rd Street July 25 and 26. We will see you there.—Mrs. Frank Lee.

## Lazbuddie News Letter

by Penny Grusendorf

Mr. and Mrs. Preston Carlie, Cassandra, Karen, and Wade from Summerville visited in the home of Mr. and Mrs. C. A. Watson Friday.

Fred Wilbanks, who had surgery last Thursday at the West Plains Hospital, is now at home resting. It was reported he had to stay in and not work much, but he seems to be getting along just fine.

**Revival Going**  
The Lazbuddie Church of Christ revival meeting is still going on, with Bro. Thomas McDonald of Ft. Worth doing the preaching. The services each morning at 9:00 and each evening at 8:30. Everyone is urged to attend.

Bro. Bernard Seay attended a ministers meeting at the First Church in Plainview Monday.

**Attend Encampment**  
Monday, July 13, the intermediate girls of the Lazbuddie Baptist Church left to go to church camp at Floydada. Those attending were Pat Peterson, Wynell Barnes, Elaine Vanlandingham, with Mrs. Earl Peterson and Mrs. Eugene Redwine as counselors.

Wednesday, July 15, the intermediate boys of the Lazbuddie Baptist Church left to go to camp at Floydada. Those attending were: Paul Wilbanks, Sammy Blackwell, Cooper Young, Jimmy Broadhurst, Leroy Cox, Richard Gordon, Derrell Mason, with Earl Peterson and Weldon Slaton as counselors. They reported to have really enjoyed themselves.

Thursday, July 16, Mrs. Wesley Barnes, Mrs. Thomas Carlie, and Mrs. W. S. Menefee left to go to WMU camp at Glorieta. They are supposed to return Monday evening. They have had a really enjoyable time.

Monday, July 20, the Junior boys left for camp at Floydada. They will return Wednesday evening. Those attending are: David Wimberley, Gayland Beavers, Royce Barnes, Ronnie Vanlandingham, Freddie Vanlandingham, Gary Grusendorf, Bobby Redwine, with Eugene Redwine and Sam Bradley as counselors.

**WMU Meets**  
The WMU of Lazbuddie Baptist Church met at the church Monday evening at 7:30 p.m. A missionary program on Louisiana was presented by Mrs. Allen Grusendorf.

Those present were: Mmes. Bill Curry, Bert Gordon, Ira Wimberley, Raymond Houston, Jack Black, Carrie Withrow, Luther Ham, L. B. Ham-bright, Walter Broadhurst, F. W. Greene, L. B. Plummer, E. E. Mason, T. D. Reed, and Allen Grusendorf.

**Enjoy Trip**  
Dewayne Teague, Roy Max Miller, and Mr. Black enjoyed a week of activities, including a talent contest with 10 groups participating. They saw the string band who won first, a queen contest with 10 entries of lovely young ladies in formal dress. The boys voted for the winner. They went swimming every day while there. While gone, they spent three days in Austin attending the State FFA meeting and convention. Dewayne Teague received his Lone Star Farmer degree, with Roy Max Miller standing in for Ronnie Briggs to receive Ronnie's Lone Star Farmer degree.

The Bro. Bernard Seays finished moving into the new Methodist parsonage this week, which was formerly the Baptist parsonage.

Mrs. F. W. Green from Austin, with her daughter and husband, Lt. and Mrs. L. B. Plummer, are visiting in the community. They also plan to visit with her brother, L. F. Green of Pleasant Valley and her sister, Mrs. Ralph Paul of Hereford.

Mrs. Perry Barnes' son and family, Mr. and Mrs. Lesley Barnes, Elwin, David, Kenneth, and Walter, who was recently stationed in Manila, is now being stationed at Kansas City, Mo.

## Clifton Allen Best Hand Muleshoe Cowboy Wins Earth Rodeo Top Honors For 3rd Straight Year

EARTH — A Muleshoe cowboy won top honors at the 15th annual Earth Rodeo Saturday night for the third consecutive year.

Clifton Allen won the saddle for best all-around cowboy as the rodeo closed one of its most successful years.

As his aged father, a sculptor, grew frail, the son persuaded him to make his home with him. The evenings were long, and the old sculptor asked for clay to continue modeling.

His distinguished son, aware of his father's failing sight and skill, watched the result with some concern. When bedtime came, always the accomplishment was distressing to the old man's dream.

The son would later take hold of his father's poor, faltering effort. In the morning, the old man would exclaim with delight, as he looked again at the work: "Why, it isn't so bad as I thought."

Most of us are blessed by the loving concern of loved ones or friends. But whether or not we have that blessing, we always have the encouragement of the Lord "David encouraged himself in the Lord his God." He looked away from his own frailty to the power, purpose, and loving concern of the Lord his God.

**PRAYER**  
Eternal God, our Father, we are so often and so easily discouraged. Teach us that no failure need be final. May we lift our eyes this day, with glad faith, from ourselves to Thy infinite strength and love. In Thy name, Amen.

**THOUGHT FOR THE DAY**  
God's love and care never fail.

—Dita F. Snowden (N. Z.)

Other saddles went to Travis Nuckols, Clovis, roping; and R. E. Josey, Post, double mugging.

Big crowds attended all three performances of the show, with the Thursday night crowd estimated at a record 1,400.

Earlier Thursday, about 1,000 persons attended a parade kicking off the rodeo and later a free barbecue at the Community Building.

At the parade, top prizes of \$25 went to a float entered by the Rainbow Girls. Second prize of \$15 went to the Earth Lions Club, while third prize of \$10 went to Springlake School.

The rodeo was sponsored by the Earth Rodeo Assn., which is headed by Price Hamilton. The barbecue was sponsored by the Chamber of Commerce.

The following were winners in the final night judging of the rodeo, listed in the order in which they finished.

Bull riding, Elson Rose, Olton; Jim Rhodrick, Plainview; and Bugs Nafziger, Olton.

Women's barrel racing, Joan Porter, Dalhart; Patti Mitchell, Lubbock; Carolyn Montzenga, Memphis.

The down calf roping, second go round, Travis Muckles, Clovis, 1.7; Raymond, Hall, Morton, 13.1; T. L. Hedrick, Hale Center, 14.4.

Barbecue riding, Fred Carlie, Plainview; Clifton Allen, Muleshoe; John Holt, Amarillo.

**BIRTHDAY PARTY**  
Mr. and Mrs. R. C. Cline attended the birthday party of their young grandson in Lubbock Tuesday night.

## At Tri-Co Bowling Center 3 New Faces In Top Ten

Three new names appeared in the men's top ten bowlers at Tri-Co when this week's averages were released Monday night. They are Bill Smith, Theo Atkinson, and A. W. Kimbell, Jr. Marlon Waggoner, top man, was 3 points above his nearest contender, Horace Battenfield.

In the top ten were Waggoner 178, Battenfield 175, Benny Pena 172, R. B. Chandler 168, Bill Smith 166, F. Meyers 165, Alex Williams 164, Theo Atkinson 162, A. W. Kimbell, Jr. 162, and Richard Barnett 161.

**TEN HIGH WOMEN**

## Three Way News

by Mrs. Frank Griffith

Mike Pollard and Bailey Griffith spent the weekend in Ruidoso, N. M.

Guests in the W. C. McCelvey home Sunday were Mr. and Mrs. W. M. Alexander of Anton, Mrs. Alexander is a niece of Mrs. McCelvey.

The Carl Pollards visited Sunday in Lubbock with their son and wife, Mr. and Mrs. Howard Pollard.

**Attend Youth Camp**  
Attending Youth Camp at Floydada last week were Gayle McCelvey, Elaine Kenley, Shirley Cunningham, Nona Coffman, and the counselors, Mmes. Bill Wood and Adolph Wittner, of the Three Way Baptist Church.

Attending from the Maple Baptist Church were Kay Lemons, Dorothy Tucker, Shirley Fine, Janice Shepherd, Ginger Carlisle, and Barbara Maston. Counselors were Mrs. Carlisle and Mrs. Chester Petree.

Boys from the Maple church who attended were Danny, Kenneth, Jimmy and Timmy Petree, and Chester Petree were their counselor. Rev. Hardgrove of the Three Way church was counselor for LeWayne Bateas, B. B. Johnson, Tom Coffman, and Charles Latimer.

**ROUNDUP TIME**  
Its roundup time again. So come out to the Riddle-Roden reunion at the community building in Littlefield city park at 600 West 3rd Street July 25 and 26. We will see you there.—Mrs. Frank Lee.

Guests in the Hardgrove

F. I. STANLEY Fayetteville, Ark.

Reddy will heat your water for just one cent a kilowatt-hour.

### Chief Army Nurse Col. Inez Haynes Is Honored By University of Minnesota

Col. Inez Haynes, of the U. S. Army Nurse Corps, recently received an Outstanding Achievement Award from her alma mater, the University of Minnesota, where she received her Bachelor of Science degree in nursing education in 1955. The award was given when the University's school of nursing celebrated its 50th anniversary in May.

COL. INEZ HAYNES

The Colonel's nursing career began in 1932 when she was commissioned in the Army Nurse Corps Reserve. She has served in hospitals at Ft. Sam Houston, Manila, P. I., Ft. Lewis, Wash.; Ft. Worden, Wash.; and Walter Reed Hospital and Medical Center in

### Christian Science Services

The effectiveness of healing based on spiritual law will be brought out at Christian services Sunday in the Lesson-Sermon entitled "Truth".

Peter's healing of the "man lame from his mother's womb" will be featured in the Bible readings which include this passage:

"Then Peter said, Silver and gold have I none; but such as I have give I thee: In the name of Jesus Christ of Nazareth rise up and walk. And he took him by the right hand, and lifted him up; and immediately his feet and ankle bones received strength. And he leaping up stood, and walked, and entered with them into the temple, walking, and leaping, and praising God" (Acts 3:6-8).

Correlative selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include (183:26-29): "Truth casts out all evils and materialistic methods with the actual spiritual law — the law which gives sight to the blind, hearing to the deaf, voice to the dumb, feet to the lame."

Washington, D. C. During mid 1945 she went later served with the Eighth Army in Japan. In September 1947 she became chief, nursing service, for the U. S. First Army with headquarters at Governor's Island, New York. The Colonel has served in the office of the Surgeon General, Washington, D. C., since 1949 first on the staff of the career management branch in the Army Surgeon General's Personnel Division, then as Deputy Chief of the Army Nurse Corps from August to October 1955, and finally as Chief of the Army Nurse Corps.

With relatives living in Muleshoe, Col. Haynes is a member of the American Nurse Association, the National League for Nursing, and the American Red Cross Nursing Service, Sigma Theta Tau, national honorary society for professional nurses, and Alpha Tau Delta.

### Aylesworth Take Interesting Trip To South Texas

Mr. and Mrs. Dave Aylesworth returned home Sunday afternoon from Houston where Mrs. Aylesworth received a checkup at the M. D. Anderson hospital.

Mr. Aylesworth and Mr. Smith got in some fishing at Galveston. They also visited her brother and family, Dr. Otto Smith of Texas City.

Two cousins, Mrs. Jack Williams of Tucumcari, N. M., and Mrs. Tom Dunkard of Pittsburg, Texas, also made the trip with them. They visited at Alvin with a brother, Horace Gage. The return trip was made via San Antonio, where they visited L. R. Aylesworth and family.

Stopping at Brownwood they planned to fish some, but the rains came, and the fishing was out.

In Richland Springs they visited an aunt, Mrs. Ora Smith, who is 86 years of age.

### A WORD OF THANKS

We want to thank the members of Muleshoe Volunteer Fire Department for their wonderful work in saving our home when fire damaged the dwelling last week. Also, we want to express our thanks to our neighbors and friends for their assistance in saving the furnishings and household goods from the flames. Thanks to all.

The Walter Harrison Family

### New 4c Stamp To Be Issued Honoring Soil Conservation

The world's first Soil Conservation Stamp will be offered for sale in U. S. Post Offices all over the nation on August 26, it was announced here this week by Virgil Nowell of the Blackwater Soil Conservation District. Cooperators in this district are among those who are honored.

Mr. Nowell said the stamp, to be issued at Rapid City, S. D., is a "tribute to the nation's conservation farmers and/or ranchers, including the local district which has been operating since 1941."

The 4-cent stamp is in recognition of the farmers and ranchers who are demonstrating good soil stewardship, Nowell said. It is a salute to their good district and to the professional workers of Texas and the nation who help them.

Going on sale August 26, it will coincide with the annual meeting of the Soil Conservation Society of America, a professional group, Nowell said.

ROBERT C. HUKILL  
BACK IN STATES AFTER SIX MONTHS TOUR

LONG BEACH, Calif. — Robert C. Hukill, radarman seaman, USN, son of Mr. and Mrs. T. C. Hukill of Route 1, Farwell, serving on the staff of the Commander of Cruiser Division Five aboard the heavy cruiser US Los Angeles, arrived in Long Beach, Calif., July 16, after serving six months in the Western Pacific with the Seventh Fleet.

### PVT. JERRY SCARBROUGH COMPLETES COURSE

Aberdeen Proving Ground, Md. — Army Pvt. Jerry C. Scarbrough, 20, son of Mr. and Mrs. Clyde A. Scarbrough, 407 Cleveland, Ave., Friona, completed the ten-week turret artillery repair course July 10 at The Ordnance School, Aberdeen Proving Ground, Md.

He was trained to repair and rebuild turret mechanisms and weapons on tanks and other combat vehicles.

Scarbrough entered the Army in January 1959 and completed basic combat training at Fort Chaffee, Ark.

A 1956 graduate of Friona High School, he attended Texas Technological College.

### While Acting Governor July 9 Big Day For Senator Andy Rogers And Family

Thursday, July 9 was a day which will be well remembered by Senator Andy Rogers and his wife Georgia Ann, and their three children. It was a busy day, and activities ranged from a proclamation declaring September 27 through August 1 as Bailey County Vegetable Week, to a gala dinner at a swank restaurant attended by more than six hundred friends, including several from this part of the district.

The busy day began officially at 9:30 when Senator and Mrs. Rogers started receiving friends and relatives in the Governor's Reception Room in the State Capitol Building. Coffee and cookies were served throughout the day. Proclamations were signed and pictures made. The list of official duties included signing a parole releasing a resident of the 30th Senatorial District and the signing of two land patents from the General Land Office.

At noon Senator and Mrs. Rogers and their families were guests at a luncheon at the Governor's Mansion, which is another tradition of the traditional "Governor for a Day" festivities honoring

the President Pro Tem of the State Senate.

The day ended with a huge banquet and program at the Villa Capri in Austin. Due to the illness of Secretary of State Zollie Steakley, Judge Otha Dent of Littlefield, member of the Board of Water Engineers in Austin, presided at the dinner. The invocation was given by the Rev. W. H. Townsend, Chaplain of the State Senate, and the benediction by Rev. John Barclay, of Central Christian Church in Austin, who was Mrs. Rogers' pastor before her marriage. General Earl Rudder, President of Texas A. & M. College, told of Senator Rogers' early days, his school life and military service. He was followed by Dolph Briscoe, Jr., prominent South Texas rancher and cattleman, who served with Senator Rogers during his tenure in the House of Representatives. Senator A. M. Alkin, Jr., of Paris then spoke of his association with Senator Rogers since he has been a member of the State Senate.

Senator Rogers was then presented and spoke briefly, thanking all those who had participated in the affair.

### BULA NEWS BRIEFS

by Mrs. John Blackman

(Omitted Last Week)

Mr. Freddie Derickson and his agriculture boys for this school year met for a get-acquainted social Tuesday evening in the ag building. Twelve boys attended. Home made ice cream was enjoyed by the group.

Mr. and Mrs. David Setliff and boys, Tommie and Byron of Friona, visited Sunday afternoon with Mrs. B. S. Setliff.

**Bible Class**  
Ladies Bible Class of the Church of Christ met Tuesday morning at 10 o'clock in the church building for their regular weekly study class, with six ladies attending. Brother Hammons had charge of the lesson with the study taken from the study book, "Christian Home." Attending were Mrs. M. J. Setliff, T. L. Harper, Gene Bryan, Ronnie Fisher, B. S. Setliff, and Mrs. Bud Hammons. The group decided to dismiss the class until after the summer meeting.

**Attend Funeral**  
Attending the funeral for Mr. Charlie Crume at Portales, N. M., Monday afternoon were DeWitt Tiller, Mr. and Mrs. Edd Crume and Mrs. H. G. Thompson and daughter Joyce.

Mr. and Mrs. Tom Bogard attended the funeral at Clarendon Tuesday afternoon for Mr. Harvey Smith. Mr. Smith was a brother-in-law of Mr. Bogard.

Visiting in the Ivan Clav-

son, W. L. Clawson and J. D. Rowland homes last week were Mr. and Mrs. Gordon Warlick and baby, Jimmy, and Wilbert Clawson from Vista, Calif. Mrs. Warlick will be remembered here as Miss Anita Clawson.

Mr. and Mrs. Dale Beasley and boys from Hereford visited Sunday with Mr. and Mrs. Ralph Beasley.

Mrs. Marvin Drake spent the weekend at Ballinger visiting her mother, Mrs. D. C. Camp.

Mr. and Mrs. John Blackman spent the weekend at Las Cruces visiting their daughter, Mr. and Mrs. Dudley Cash and son Dennis.

Mr. and Mrs. J. L. Middlebrooks and their guests, Mr. and Mrs. W. P. Hand and Mrs. Musgrove and son Paul, spent Monday at Muleshoe visiting in the Tootie Middlebrooks home.

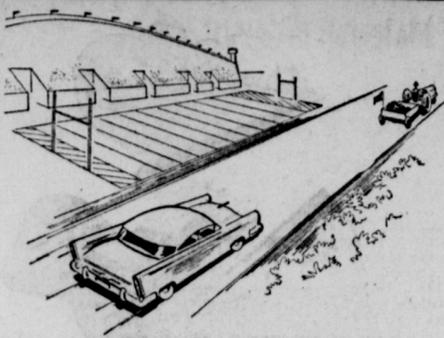

Mrs. Paul Young and Mrs. I. L. Clawson carried Juana Young and Brenda Clawson to the Methodist summer camp at Ceta Canyon Monday. The girls will return home Friday.

#### To Encampment

Mrs. H. G. Thompson and Mrs. Fred Locker accompanied four intermediate girls of the Bula Baptist Church to the Baptist encampment near Floydada. The group left Monday, returning late Wednesday. Girls going were Judy Cleveger, Betty Cody, Joyce Thompson and Parla Locker.

Mrs. O. H. Pierce, accompanied by her brother and family, Mr. and Mrs. Johnnie Smallwood of Muleshoe, spent last week visiting at Wilcox, Ariz., with Mr. and Mrs. Leroy Pierce and son, Mike, and also with

### Can You Stop In Time?

It takes more than the distance between goal posts on a football field (100 yards) to stop a car traveling at 60 miles per hour under the best driving conditions. 4-H Club members point out: At 60 mph, a car travels 88 feet per second. There's not much "time" to come to a dead stop upon approaching a tractor or other slow-moving farm machinery.

"Highway safety is everyone's responsibility," 4-H leaders declare, and during the summer when traffic is at its peak the obligation becomes greater. The devastating fact that three out of four traffic fatalities occur in rural areas makes the 4-H Safety program the "number one crop" for nearly a million conscientious club members.

Statistics reveal that there are more teenage drivers on the highways today than ever before.

It is also true that drivers under 20 years of age have a worse safety record than older drivers. So each 4-H boy and girl enrolled in the safety project is encouraged to become a "self-policing committee of one." These 4-Hers make certain that the family car, truck, and tractor are in safe operating condition at all times.

For the past 15 years the 4-H Safety program has been supported nationally by General Motors, which among other things provides incentive awards for top ranking club members in each state. The awards consist of \$400 college scholarships, all-expense paid trips to the National 4-H Congress in Chicago, medals of honor, and plaques. The program is under the direction of the Cooperative Extension Service, United States Department of Agriculture.

other relatives. Guests Friday afternoon in the DeWitt Tiller home were Mr. and Mrs. John Aduddell and daughter, Marsha, and Mr. and Mrs. Kirby Carroll of Lubbock. The group enjoyed boating at Bull Lake.

Mr. and Mrs. C. D. Jenkins returned Sunday after a weeks visit with the children at Hamlin and Floydada. They also did some fishing while at Hamlin.

Mrs. A. T. Ellis from Hampton, Ark., visited last week with her sister and family. Mr. and Mrs. J. P. Morris. She also visited her mother, Mrs. J. E. Nichols of Littlefield.

**Visit in Amarillo**  
Mr. and Mrs. A. J. Wallace spent the weekend in Amarillo with their son, the Bob Wallace family. Their grandson, Phillip returned home with them after a months visit with his grandparents.

Mr. and Mrs. Melvin Howard and girls of Portales spent the weekend here with friends.

**Weekend Visitors**  
Visiting in the home of Mr. and Mrs. J. L. Middlebrooks from Friday until Tuesday morning were Mrs. Middlebrooks' sister and husband, Mr. and Mrs. W. P. Hand, and also their daughter and grandson, Mrs. Freda Musgrove and son Paul. They were from Houston.

Sunday the group visited in Odessa with another sister of Mrs. Middlebrooks and Mrs. Hands, Mrs. J. A. Donery and children.

Mr. and Mrs. T. L. Harper and son Craig, attended services at the Sudan Church of Christ Sunday and also attended the 1941 Sudan school graduation class reunion held at the Sudan community center.

Mrs. DeWitt Tiller and girls, Beverly and Elaine, spent Sunday afternoon with Mr. and Mrs. Jack Aduddell and family in Muleshoe.

Mr. and Mrs. Doyle King of Muleshoe were guests over the weekend with her mother, Mrs. Joe Speck.

**Here From Phoenix**  
Mr. and Mrs. Leo Short of Phoenix, Ariz., are visiting their daughter and family this week, Mrs. Bradley Robertson.

Mr. and Mrs. Bud Hammons and daughter of Bula, were dinner guests in the T. A. Thomas home Sunday. Bro. Hammons is the Church of Christ minister at Bula.

**Methodist Revival**  
The Methodist revival will start Friday night, July 24, with Bro. L. H. Hatcher of Bloomburg, Texas doing the preaching. Services twice daily, 7 a.m. for the morning services, and 8 p.m. for evening services.

The M. Y. F. of the Methodist church had an ice cream supper last Tuesday night at the Fellowship Hall with 17 present.

Mr. and Mrs. James Cash of Hereford, visited in the Dutch Cash and H. H. Snow homes Sunday.

**Sunday Guests**  
Mr. and Mrs. J. E. Autry, Jene and Allen, Mr. and Mrs. Doyle Turney and children, Mr. and Mrs. Bradley Robertson and children, and Mr. and Mrs. Leo Short from Phoenix, Ariz., were dinner guests Sunday in the home of Mr. and Mrs. Bertis Cloud of Leahman.

The guests in the Carl Hall home Sunday were Mr. and Mrs. J. E. Autry, Mr. and Mrs. J. T. Burns, and Mr. and Mrs. J. F. McGinnis and family, all of Lubbock.

Guests in the C. S. Vandevanter home last week were Mrs. Carlisle and children, Mrs. Annie Calvert, all of Lyford, Texas, and Mrs. Doyle Kenyon and girls from Wichita Falls, and Mr. and Mrs. John Vandevanter and family of Morton.

Mr. and Mrs. J. E. Autry, Jene and Allen, Mr. and Mrs. Doyle Turney and children, Mr. and Mrs. Bradley Robertson and children, and Mr. and Mrs. Leo Short from Phoenix, Ariz., were dinner guests Sunday in the home of Mr. and Mrs. Bertis Cloud of Leahman.

The guests in the Carl Hall home Sunday were Mr. and Mrs. J. E. Autry, Mr. and Mrs. J. T. Burns, and Mr. and Mrs. J. F. McGinnis and family, all of Lubbock.

Guests in the C. S. Vandevanter home last week were Mrs. Carlisle and children, Mrs. Annie Calvert, all of Lyford, Texas, and Mrs. Doyle Kenyon and girls from Wichita Falls, and Mr. and Mrs. John Vandevanter and family of Morton.

Mr. and Mrs. Claude Coffman and daughter of Muleshoe attended church at the Baptist Church Sunday.

Mr. and Mrs. J. D. Bayless visited in Muleshoe Sunday evening with his brother and family, Mr. and Mrs. Roy Bayless.

Bro. and Mrs. J. J. Terry's grandchildren from Amarillo are visiting their grandparents this week.

Mr. and Mrs. Robert George of Lubbock visited her parents over the weekend.

Mr. and Mrs. Carl Coffman and daughter of Lamesa, spent the night Sunday

## On National Cotton Council Plains Cotton Men To Help Name Delegates

The Plains Cotton Growers, Inc., has been named to join with other producer organizations in Texas to select eight grower delegates to the National Cotton Council, it was announced July 18 after a NCC meeting in Dallas.

Aubrey Lockett, chairman of NCC's Texas chapter, explained that the meeting was held to pass on the application of the Plains Cotton Growers to become a participating producer organization in the naming of Texas grower representatives to the NCC.

W. O. Fortenberry, president of the PCG, said the move "recognizes the PCG is a bonafide producer organization and gives us national representation. It is one of the goals we have sought for a long time." Fortenberry and George W. Pfeifferberger, executive vice-president, attended the Dallas meeting.

The PCG represents more than 20,000 Texas High Plains cotton growers, who produce a sizable portion of the state and national cotton crop. Producer delegates to the NCC are named to give the council a representation of growers on the basis of geography, number of cotton farmers and number of bales produced.

Delegates representing the High Plains producers in the NCC at present include H. L. King, Brownfield, of the Texas Farm Bureau, and Wilmer Smith, New Home, of the Texas Federation of Cooperatives.

In addition to these two producer organizations, Texas NCC grower delegates have been named by the Texas Cooperative Planting Seed Assn., Bryan; Southwestern Irrigated Growers, E. Paso; and the Texas Cotton Growers Cooperative Marketing Assn., Dallas.

**OKLAHOMAN LIKES TO VISIT MULESHOE**  
Mrs. Charles Gamble, of Oklahoma City, who has been visiting her sister-in-law, Mrs. L. L. Cole, and her niece, Mrs. Wayne Dempster, and nephew, Jimmy Cole will be returning to her home next Saturday. She plans to visit her other niece, Mrs. Rufus Chandler, of Sentinel, Okla., on her return trip.

Her son, C. D., and family accompanied her here but have returned home. Mrs. Gamble has visited here before, but had not been here since the death of her nephew, Buck Cole, having been ill and unable to come when her brother, L. L. Cole passed away, so she says she would not have recognized our city since we have grown so very much since then.

She likes Muleshoe and especially our good water, which she says is "like medicine to her." She attended services with Mrs. Cole Sunday morning.

night in the home of his sister, Mr. and Mrs. J. D. Bayless.

Mr. and Mrs. Jim Davis spent from Sunday until Friday night visiting their son and family at Hereford, Mr. and Mrs. Vernon Davis.

**Visitors From Morton**  
Mr. and Mrs. F. L. Fred and family and Mr. and Mrs. Malaim Fred and family of Morton visited in the Bob Newton home Sunday.

Kinstry was dismissed Saturday and is at the home of her daughter, Mrs. Oscar Allison.

Laurel Brooks returned to her home in Slaton after visiting in the John Inman home.

Harold Allison and Veta were in Lubbock on business last week.

**4-H Club Meets**  
The 4-H Club boys met last Wednesday with their adult leader, Oscar Allison, for their regular meeting on tractor maintenance.

**Visit Enroute To Colorado**  
Mr. and Mrs. E. H. Holder spent the night with their daughter and family, the T. E. Bills. The Holders were on their way to Colorado for a vacation.

Mrs. A. Hardin, Mr. and Mrs. T. E. Bills and Brenda, Mr. and Mrs. E. L. Carroll of Amarillo, Mr. and Mrs. W. A. Hardin and girls and William Stone of Amherst, all went water skiing Sunday afternoon.

Mr. and Mrs. Kenneth Duncan and Mr. and Mrs. Allen Haley spent the weekend in El Paso and Juarez, Mexico.

Mr. and Mrs. John Inman, Priscilla and Ira Lee returned Monday night from a trip to Houston and Galveston. While in Houston they visited with Mr. and Mrs. Robert Halsell. Mrs. Halsell was the former Pat Inman.

Mr. and Mrs. B. H. Bickel have gone to Homer, La., to visit their daughter and family, Mr. and Mrs. Peyton Dunham and children.

Mrs. Virgil Cummings and daughter Kathie were guests in the home of Mrs. Lillie Wuerflein last Friday and Saturday. The Cummings are from Konawa, Okla.

Mr. and Mrs. Roy Shoemaker and Aloma Gail of Montpelier, Idaho, visited in the community last week. The Shoemakers are former residents of Pleasant Valley.

Mr. and Mrs. W. E. Angeley

of Morton attended church in Earth with Mrs. Bonnie Haberer on Sunday. Other dinner guests were Mr. and Mrs. Tracy Angeley and Leslie and Teresa Haberer.

Mr. and Mrs. W. F. Stewart and Terry Lynn visited with Mr. and Mrs. John Tyson in Maple on Sunday.

Mr. and Mrs. Weldon Jones and Maurice went to a surprise birthday party for Dale Krebbs at Sudan last Thursday night.

### IT'S ONLY MONEY

people who are at home with quality...choose GAS air conditioning!

Whether the day is blistering hot or cold and blustery, pass through a doorway that promises gracious living and you're likely to find an atmosphere made miraculously fresh and comfortable through the marvel of Arko-Serrel GAS all-year air conditioning. Never before has there been an air conditioning system so technically simple, yet so compactly efficient. From the same space-saving unit, it heats and cools with a single fuel... a tiny Gas flame provides the energy for both winter heating and summer cooling. Because it operates on the absorption principle of refrigeration, there are no moving parts, your assurance of unrivaled quiet and years of trouble-free operation. And here's the Bonus Advantage of superior GAS air conditioning... operating costs are far below those of comparable units using other types of energy! All this with a five-year guarantee, too! Contact Pioneer Natural Gas Company tomorrow for all the facts on remarkable GAS air conditioning. It offers exciting proof that "where the finest is truly appreciated, Gas belongs!"

*fuel for a growing empire* Pioneer Natural Gas Company

# Human Failure The Major Cause Of Rural Accidents

Each year 12,000 persons are killed on American farms and another million are injured. Farm Safety Week which is being observed this week—July 19 through July 25, is sponsored by the National Safety Council and the Department of Agriculture.

The National Safety Council says that the majority of accidents are caused by human failure—ignorance and carelessness. As individuals, rural residents can help prevent farm accidents by making regular inspections of their homes, fields, buildings, machinery and equipment. A small repair or an extra bit of

ected. 3. Machinery being serviced while running. 4. Machinery and equipment being moved along public roads with inadequate caution flags or lights.

A big portion of all farm accidents occur during May, June, July, and August, and it is during these months that particular attention should be given to safety on the farm.

During 1950 the death rate from farm accidents was 62 per 100,000 persons, but in 1958 it declined to 57 per 100,000. The number of accidental injuries has declined some 300,000 during the past nine years which proves that by practicing the rules of farm safety, the number of deaths and injuries can be reduced to a minimum.

National Farm Safety Week is a good opportunity for rural residents to take a few lessons in safety and then practice them all year long. A safety attitude should become a part of one's personality because it is the most effective way to combat accidents.

members of the Texas Congressional delegation in Washington (House of Representatives) for passing State's rights legislation that is now pending in the United States Senate, and urging Texas Senators to vote for this legislation. Texas and American Farm Bureau are supporting this legislation strongly. You will remember that Senator Lyndon B. Johnson voted against this bill last year, preventing its passage. You may want to write him a letter.

Clyde T. Ellis, manager of National Rural Electric Cooperative Assn., has been reprimanded for claiming to congressmen that the four million REA members were opposed to passage of HR 3, the States Rights Bill. You REA members may want to let him know how you stand on this, too. Earl J. Shiflet, Executive Director of the Virginia Association of Electric Cooperatives sent a statement to congress denying the reported opposition of that states REA.

Some of you have not yet claimed refund of the road use tax on tractor gas.

**CONSIDER THIS: As a roaring lion, and a ranging bear; so is a wicked ruler over the poor people. Proverbs 28:15.**

## Parmer County Farm Bureau News

The Weed Committee and their volunteers reported to the State Highway Department in Bovina Monday morning. They had made surveys of the various areas of the State ROW for locations of bindweed. Lloyd Killough and his crews will begin treatment of these areas soon. If you, a farmer, have patches of the weed extending out into the right of way, you are expected to treat those in your field. If you will do this, in cooperation with the Highway Department, eradication can be completed in a reasonable length of time. Raymond Schueler, chairman, and others on the committee will appreciate your reporting any bindweed on any road or adjoining the rail road right of ways. Then they can report them to the proper people for treatment.

From the Waco Farm Bureau Office, we have been informed that the Attorney General in Washington has ruled in favor of the Labor Department's proposed regulations on recruitment and employment of farm labor. This does not prevent further Court action, however.

The Texas Senate adopted a resolution commending the

## Progress News

by Mrs. M. O. Nigh

### Fish Fry At Progress Baptist Church

A fish fry was enjoyed by everyone who attended Friday night at the Progress Baptist church. There were between 70 and 80 present. There was a lot of fish and all the trimmings to go with them.

The men drank coffee and talked, and the ladies enjoyed a song service afterwards.

Mr. and Mrs. A. L. Nigh and Mrs. M. F. Nigh of Lockney came up to visit the M. O. Nighs Sunday, and Mrs. M. F. Nigh stayed for a week's visit with her son and family.

Mrs. Tom Morgan and Mr. and Mrs. James Freeman and daughters spent a couple days fishing at Conchas Dam this past week.

**Mother Passed Away**  
Mrs. Charlie Baker of Muleshoe passed away in Muleshoe this past week. She is the mother of Willey and Jaque Baker of this community.

Mr. and Mrs. Baker lived in our community for several years and she leaves a host of friends and relatives in our community.

Mr. and Mrs. Eugene Black left Saturday for Victoria, Ill., to attend the funeral of W. H. McClure.

**Sisiter Passed Away**  
Mrs. Barda Garrett received word early Saturday morning of the death of her sister, Mrs. W. H. Willingham of Ardmore, Okla. Mrs. Garrett and her sons, Bill, Phill, Robert and families, and Jim, all will attend the funeral. Mrs. Annie Hill also went to Ardmore with the Garretts.

Mr. and Mrs. O. S. Richards left Friday for Ft. Worth to visit with Mr. and Mrs. Tom Roblson. Mrs. Roblson is ill. She and Mr. Richards are brother and sister.

Mr. and Mrs. Horton Griffin and daughters of Longview community spent last Sunday with his mother, Mrs. Mattie Griffin.

**Celebrated 80th Birthday**  
Mrs. W. D. McDorman celebrated her 80th birthday July 14. Several neighbors and friends dropped in for a visit. Punch and cookies were served.

Mrs. O. S. Richards went to Olton Wednesday of last week to attend the celebration for her little granddaughter, Diane Johnson, who was having her 4th birthday.

Mr. and Mrs. Dalton Redwine and children and Rev. and Mrs. Cone Merritt and children spent a few days vacationing at Ruidoso, N. M., this week.

Mr. and Mrs. D. O. Smith left Saturday for Colorado to be with Mrs. Smith's sister, who was to undergo surgery.

Mr. and Mrs. Melvin Marrow and children attended a family reunion Sunday at Levelland.

Mr. and Mrs. Dug Ferrell and daughter of Grand Prairie are visiting with her parents, Mr. and Mrs. Jde Simmacher and her sister, Brenda. They all attended the Simmacher's meet Sunday at the park in Clovis, for the yearly Simmacher reunion.

**WSCS Met**  
The WSCS met with Mrs. C. Lamb Thursday, July 16.

## Ralph Yarborough Reports . . . Opposes Dumping Radio Active Materials In Gulf Of Mexico

This nation has just started to learn about the hazards of radioactivity that accompanies its vast new resource of nuclear power.

It is because of these hazards and the fact that even our scientists do not know too much yet about the dangers of radioactivity, that I have been against the proposed dumping of radioactive wastes in the shallow waters inshore in the Gulf of Mexico.

The problem should be carefully studied. A great deal more information is needed before we fill our waters with material which scientists tell us may prove harmful to our children and their children for 100 or 200 years. Recent news articles have told how some of our nation's streams have been dangerously polluted by radioactive waste. I don't feel we should make this mistake again, and pollute more water.

The fact that the dumping of these radioactive wastes in the Gulf was proposed without all the necessary information being gathered first shows the need for someone to look out for the public's interests.

Mrs. Byron Gwyn had charge of the program. Mrs. Gray held the business session. The Supply "Christmas Party in July" will be at Mrs. Henry Rowe's home July 30. All ladies are requested to come. Refreshments was served to nine ladies.

**Home On Leave**  
Billy Eason, son of Mr. and Mrs. E. F. Eason, is home on a 30-day leave, and is supposed to go overseas when he returns to camp.

Miss Velma Woran of New Deal spent the week here visiting Mrs. Retta Shipp. Mrs. Shipp and Janet carried her home Saturday.

Mr. and Mrs. Dale Wright and family of Levelland, visited over the weekend with his parents, Mr. and Mrs. Opal Myers and Deanna.

William K. Reglan and family of Austin visited over the weekend here with his sister and family, Mr. and Mrs. Fred Ote.

**New Granddaughters**  
Mr. and Mrs. Clyde Henry have a new granddaughter. The young lady was born July 16 to their daughter and husband, Mr. and Mrs. Curtis Goss, former residents of Muleshoe. They have a son, Jerry.

Some of the agencies which work with radioactive materials are now held responsible for protecting the public only from an overdose of radiation resulting from that agency's activities. There is not now any one agency which is responsible for the overall protection of the public.

To correct this dangerous situation I am supporting a proposal by Senator Lister Hill and Congressman Kenneth Roberts, both of Alabama to make the United States Public Health Service responsible for safeguarding our people against the hazards of all types of radiation.

The measure calls for setting up standards of radiation protection. It would instruct the Surgeon General of the U. S. Public Health Service to confer with federal, state, and local authorities and submit to Congress, not later than February 28, 1960, a program for the control of radiation hazards from all man-made sources.

In addition, research and training programs would be established to explore this vast and vital subject. A National Advisory Council on Radiation Hazard Control, would be set up to work on this problem continuously. The 15-member council would include the Surgeon General, the Secretary of Defense, the Chairman of the Atomic Energy Commission, the Director of the National Science Foundation and others.

We are dealing with a power which, if not kept within bounds, could destroy or horribly change human life. We must be certain the public is protected.

## Morton Changes City Form of Government

The City of Morton last Tuesday named three men to their city council, and will change over to the 5-man and mayor type of government.

Named on the council were R. G. Strickland, W. B. Merritt and Robert Richards.

There was an unusually wide interest in the election with six other names on the ballot: J. R. Ward, J. A. Love, C. B. Jones, Skinner Butler, David Rozell, G. G. Nesbit, and Troy Lee Coon.

## Home Economists Say . . . Women Appreciate Electric Dishwasher Most Of All

What price freedom from unnecessary hard labor? A few cents a day? Homemakers today simply take this unique service for granted, automatically using so many of the smaller appliances, as well as the large ones, that help them to live better electrically.

However, one of the most important services operated by electricity, is often ignored because it is "traditional" for women to accept, willingly or otherwise, the inescapable and endless drudgery of washing dishes by hand.

This doesn't have to be so today . . . just because that's "the way it always was" in the days of mother and grandmother when the facilities to live better electrically did not exist. But today, with an automatic electric dishwasher that

saves time, money, and energy, the chore of dishwashing is almost a "labor of love" it is so effortless.

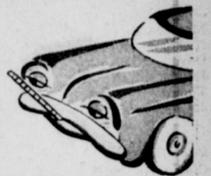

According to the Ohio Study, a research project conducted under controlled conditions, the actual dishwashing time is just a fraction of the time spent in handwashing, rinsing and drying. In fact, once the machine is loaded, it takes only a few seconds to add detergent, close it . . . and start it.

What a small investment on freedom, more than half the entire dishwashing process . . . a few cents and a few seconds! Try it and see.

# CAR SICK?

Engine sluggish?  
Burning oil?  
Leaky transmission?  
**CURE IT FAST!**

**With These New Pyroil Rx Products**

**Pyroil Rx-1 for sluggish motors.**  
Purges engines in 30 minutes. Brings back pep and power. Add to gas or thru carburetor. Cleans out power-robbing engine deposits (the main cause of pre-ignition and engine knock). Loosens the binder holding carbon to metal, so carbon is blown out with exhaust gases. Cleans out fuel lines, pumps and carburetor jets.  
Add to oil and clean out the lower engine, too. Purges out sludge, gum and goo. Frees sticky rings and valve lifters. Flushes out impurities.  
Contains a magnetic oil film that plates metal. Protects from rust and corrosion. Buy a can today, for top performance and wonderful gas savings. Only \$1.50 for a treatment.

**Pyroil Rx-2 for worn motors.**  
Stops oil burning fast, because it forms a compression seal and prevents a blow-by. Reduces exhaust smoke, keeps power in the engine instead of having it trail behind your car in the form of smoke. Miracle two-way formula, stays thin for easy starting, keeps its body as motor heat increases. Contains CGA (Cam Guard Additive). Reduces engine wear and noise. Cures oil pumping and worn motors, gives them a new lease on life. \$2.00 per quart, saves you oil and repair bills.

**Pyroil Rx-3 for leaky transmissions.**  
Works two ways . . . 1. Stops leaks caused by drying, shrinking and hardening of transmission seals. Brings new life into oil seals, keeps them soft and pliable.  
2. Cleans and lubricates transmissions, reduces gear and bearing wear and noise. Eliminates sluggish, uneven shifting. Saves on expensive repair bills. Every auto with automatic transmission needs this conditioner. Only \$1.00 per can.

**FREE TRIAL OFFER** **THIS COUPON WORTH \$1.00**

**MAKE YOUR CAR RUN LIKE NEW AGAIN!**

This coupon worth \$1.00 when applied to the purchase of any one Pyroil Rx Product . . . In the case of a \$1.50 can of Rx-1, it would cost you 50¢. A \$2.00 can of Rx-2 would cost you \$1.00. With a \$1.00 can of Rx-3, you would get that can Free. (Limit one can per customer. Customer must fill out coupon.)
