## Gerald Deane Tippit Becomes Bride Of Wood In Church Ceremony August 15th

Miss Gerald Deane Tippit became the bride of Hilton Wood in a double ring ceremony read at the First Baptist Church at 8:00 p. m. Friday, August 15 with the pastor, W. A. Brooks, officiating. The two exchanged vows before an arch of greenery and pom pom mums. Candelabra completed the decorations.

Parents of the couple are Mr. and Mrs. J. T. Tippit, route 2 and Mr. and Mrs. H. E. Wood, route 5.

Miss Marilyn Carmack sang "Because" and "The Lord's Prayer." She was accompanied by Mrs. Clay Bennett, organist.

Given in marriage by her father the bride wore a streetlength white brocaded cotton satin dress with white satin cummerbund and shoulder length veil. She carried a bouquet of phalaenopsis orchids with feathered chrysanthemums.

Maid of honor was Mrs. Elvin R. Moore, O'Donnell, sister of the bridegroom. She wore a pink brocaded cotton satin dress with pink satin cummerbund and pink hat. Her bouquet consisted of pink Amaranthus lilies.

Candles were lighted by Misses Mary Evelyn Hammonds and Margaret Cawthron.

Elvin R. Moore, O'Donnell, brother-in-law of the bridegroom, served as best man. Ushering duties were performed by Tim Tippit, brother of the bride and Jack Wood, brother of the bridegroom.

Hostesses for the reception which followed in Fellowship Hall of the church were Misses Myrtle Terry and Earlyne Womack. The guests were registered by Mrs. T. I. Tippit.

For a wedding trip to Carlsbad, N. M. the bride wore a two-piece black and white cotton suit. The couple is now at home in the L. I. Gattis apartment on Lockwood St.

Mrs. Wood is a 1956 graduate of Tahoka High School. Her husband is also a graduate of the local school and both are employed by Lyntegar Electric.

## Barhams Guests At Nevada Wedding Of Former Tahokan

Two Lynn county people, Mr. and Mrs. Newt Barham, were special guests at the recent wedding of Miss Eylonda N. Roberts, daughter of Mr. and Mrs. Hollis Roberts of McFarland, Calif., and formerly of West Point community, to Alfred Thomas Hausner of Hollywood, Calif., in Las Vegas, Nevada, on August 6.

Mr. and Mrs. Barham were among the 50 special guests flown by chartered plane to Las Vegas for the ceremony. Before and following the wedding, the Barhams visited with the Roberts family. They were gone 11 days in all.

Hollis Roberts formerly farmed in this county. Since going to California, he is reputed to have become one of the nation's biggest farmers. The Barhams report that he has recently added to his already substantial holdings, buying a peach ranch for \$2.5 million dollars and a grape and vegetable farm for \$1.5 million.

The wedding was a lavish affair, the Barhams report, read in the Little Chapel of the West at the New Frontier Hotel in Las Vegas. Preceding the ceremony, dinner was served the entire wedding party in the Stardust Hotel. On flying back to Bakersfield, near McFarland, the party had a special dinner at Bamboo Chopsticks.

The bride, remembered as a child at West Point, attended McFarland schools, University of Southern California, University of Mexico, and Mexico City College.

The bridegroom, reared in Camden, New Jersey, attended Blair Academy, Newark Academy, and University of Southern California. He holds the BS, EE, MS, and PhD degrees, and is associated with Hausner Aviation Sales and Brokerage in Los Angeles.

Betty Jane Roberts, sister of the bride, was maid of honor, and the bride was given away by the father.

The Roberts and the Barhams were close friends when the Roberts lived at West Point, and the Barhams have been guests of the Roberts in California on several occasions before.

## Garden Party At Wilson Honors Two

The garden of the Rudolph Behrend home was the scene of a farewell party Sunday evening in Wilson. The host was Miss Shirley Behrend.

The honorees were Miss Jerene Wuensch, who will attend Concordia College in Austin this fall and Miss Vernell Dube, who will attend Texas Tech.

Games were played by a large group of Walther Leaguers and visitors. A special guest was Don Behrend of Ponca City, Okla.

The evening ended with a wailer roast and an inspiring vesper service lead by Miss Kathlene Heinemeier.

## BETTIE HOWLE SPONSOR AT TEXAS WOMAN'S UNIVERSITY

Miss Bettye Lee Howle of Tahoka, daughter of Mr. and Mrs. E. A. Howle, has been designated as a "sponsor" at Texas Woman's University, Denton, where she will be a sophomore this fall.

Sponsors are chosen on the basis of their scholarship and scholastic records and their abilities to get along with other students, and it is their duty to assist new students in getting settled and acquainted with the campus during their first days of college.

## Wilsonites Observe Golden Wedding

Mr. and Mrs. Fred Steinhauser, Wilson, observed their Golden Wedding anniversary Saturday with a reception in Parish Hall of St. John's Lutheran Church. Guests called between 2 and 5 p. m.

The couple's children, Walter and Norman of Corpus Christi, assisted in hospitalities. Five grandchildren and two great grandchildren complete the family.

Gilded candles and gladioli were arranged on a reflector to center the serving table, covered with gold ruffled net over gold linen. White gladioli and a three-tiered cake topped by gold bells finished the setting.

Mr. and Mrs. Steinhauser were married Aug. 23, 1908 at Bartlett and lived in Holland, Tex., until 1921 when they moved to Gaylord, Kan. The couple returned to Texas in 1926 and Steinhauser farmed in Post until this year.

## Tahoka Bulldogs Showing "Hustle" In Work-Outs For Season Opener

With the opening game just a week away, Tahoka Bulldogs are working out twice daily this week, and Coach Bill Haralson says the squad has a fine attitude and scrimmages are spirited. Many of the boys had been running and taking exercises on their own for a week or two, and were in comparatively good condition when official work-outs started Monday.

Tahoka opens the season at Seminole Friday of next week, goes to Denver City the following Friday night, and opens its home season with O'Donnell Eagles here on Sept. 19.

Haralson has less than forty boys out this year, but he thinks they have the spirit to win some games. Win or lose, he expects the squad to do a good job.

He is again being assisted by Deane Wright, who has been doing a good job in his capacity, and Tom Bartley, who formerly was assistant coach, is now helping with the coaching duties again.

Members of the squad reporting this week are:

If the big boys come through, Tahoka can field a team this year that averages about 175

pounds—180 in the line and 160 in the backfield.

Ends: Jerry Adams, 174, senior; Larry Owens, 143, and Gerald Short, 145, juniors; Billy Cain, 153, soph; Steve Ellis, 106, and Perry Flippin, 127, and Mike Gurley 128, freshmen.

Tackles: Richard Stice, 223, Phil Inman, 165, and Dean Elliott, 203, all juniors; Delmer Ussery, 181, and Charley Holland, 175, soph; Glenn Hopkins, 214, and Billy Davis, 165, freshmen.

Guards: John Hegi, 166, senior; James Hicks, 130, Foster Dudgeon, 172, and Roy Thomas, 166, juniors; Alton Terry, 148, and James Ghoramley, 135, sophs.; and Curtis Harvick, 146, a freshman.

Centers: David Bray, 180, senior; Larry Spruiell, 179, and John Wheeler, 156, juniors.

Backs: Billy Tomlinson, 140, Weldon Calloway, 176, Jerry Hays, 121, and Robert Cloe, 140, all seniors; George Adams, 182, Ronnie Walters, 132, Kenneth Stice, 153, David Copeland, 146, and Pike Burkhardt, 125, all juniors; Douglas McClellan, 132, soph.; Merrill Cloe, 128, Jim Robinson, 114,

## Wilson Prospects Looking "Fair"

Coach Grover (Sonny) Watkins states his Wilson Mustangs, who started work-outs Monday, are showing lots of spirit and give prospects of furnishing some stiff competition in District 4-B this year. He has high hopes of bettering the 5-5 record of last year.

Thirty boys are working out daily, eight of them lettermen. This year, the coach has nine freshmen up from last year's Junior High team which lost only one game.

Wilson will open the season at Frenship on Friday night of next week, Sept. 5.

Returning lettermen are: Paul Henderson, halfback, a 160-pound senior; Jimmy Blankenship, 165, senior fullback; Billy Weaver, 150 pound junior who will be operating at quarterback this year; Milton Ehlers, 160-pound junior center; two big tackles, Robert Christopher, a senior, and Roy Woodall, a junior, each weighing 200; Bobby Wied, 195, junior fullback; and Ronnie Nolte, 164, a junior end.

Several squadmen are looking good, Watkins says.

Watkins, who played football at Lamar Tech, formerly was assistant coach of the Mustangs. He has no assistant this year, but Mr. Redman will coach the Junior High team.

## New Home Has Better Prospects

New Home Leopards, who began work-out Monday, have 22 boys out this year, and will field a team of much more experience than during its two previous years in District 4-B.

Coach Hubert Williams lost only three boys from last year's squad. Joe Wayne Roper, Barney Castro and Joe Don Milliken, the first by graduation and the other two by the age limit.

He has 14 boys returning who had experience and lettered last year, eight seniors, two juniors, and four sophomores.

On the 22 man squad this year are: Larry Edwards, Walter Gasper, Wesley Dean, Nick Ford, Robert Nunley, Gary Roper, and Jimmy Briggs, all seniors; Gayland James and Freddie Keith, juniors; Larry Brown, David Crooks, Lonnie Roper, and Ronald Wyatt, who lettered last year as freshmen. Gene Bob Wilson, a junior, is out for his first time, as is Russell Balch, a sophomore, and Lee Finch, ineligible last year, is out again and is expected to help the team. Freshmen this year include Arthur Airhart, a new boy, Dwain Holtzclaw, Russell Swinson, Clarence Nieman, and Marlow Rudd.

This year, New Home opens the season Sept 12 at Hart and does not play a home game until Oct. 3 when Meadow will be the guest team.

- Sept. 5—Open.
- Sept. 12—Hart, there.
- Sept. 19—Ropesville, there.
- Sept. 26—Whitharrel, there.
- Oct. 3—Meadow, here.

- Oct. 17—Cooper, here.
- Oct. 24—Wilson, here.
- Oct. 31—Open.

## O'Donnell Boys Getting Ready

O'Donnell Eagles of District 5-A opened work-outs Monday morning under their coaches, Joe Palmer, Bob Agnew and James Thompson.

Among the 10 returning lettermen are these boys who are expected to be outstanding this year: Hamp Thompson, 225 pound tackle, senior, all-district last year; Kenneth White, 165, end, senior, who was all-district honorable mention last year and made the mythical team the year before; Lanny Brewer, 150, end and also a senior; David Spraberry, 170, senior center; Neal Shaw, 150, senior fullback; and Tommy Gardenhire, 150, quarterback, a junior who will probably be the top passer this year.

Coach Faimer says O'Donnell expects to field both A and B teams this fall, and the B team will play Tahoka and Seagraves and possibly Post two games each on a home-and-home basis.

### SEPT. 26 LAST DAY FOR CONSERVATION RESERVE

Texas farmers have until Sept. 26 to file a request with their county Agricultural Stabilization and Conservation Committee for a maximum rate for their farm under the 1950 conservation reserve phase of the Soil Bank Program, says I. H. Lloyd, who has charge of the program in the State ASC office.

Winston Wharton has been a patient in the hospital.

D. J. Pennington has been a patient in the hospital.

### FARMERS MUST PAY SOCIAL SECURITY

Any farm and ranch employer who pays \$150 or more to a laborer or who hires a farm hand 20 days or more during a year must pay social security taxes on the wages involved, says Cliff Bates, extension farm management specialist.

### CARD OF THANKS

I wish to express my deepest appreciation to all who made it possible for me to become the 1958 Farm Bureau Queen. I shall strive to do my best to make Lynn County proud of me at the District Contest, September 6. Carolyn Albridge.

Mr. and Mrs. Calloway Huffaker, Gerald and John, toured Mexico for two weeks, returning home last Friday.

Van Brookshire, who has been critically ill in the Veterans Hospital at Big Spring for the past few weeks, took a turn for the worse over the week end, and little hopes are held that he will survive for long.

Mr. and Mrs. Earl Schulz, Houston, will leave Saturday after visiting two week with their parents.

ELMER BLANKENSHIP

Recent information released by the Spur Experiment Station shows that the average yield increase from the use of mulching materials on the experimental plots has been 60 percent. Runoff was 5 times greater on bare plots than on those where two tons of gin trash was on the surface.

After the spring rains this year the average depth of moisture was 22 inches. This was compared with the 31 inches, 40 inches and 46

inches where 2, 4, and 8 tons of mulch was used.

Austrian winter peas are a good winter legume for irrigated or dryland. Winter peas that were planted after a grain sorghum crop the latter part of September were fertilized with 200 pounds of 16-20-0 at the time of planting. They were only irrigated twice during the winter and spring.

On March 30, a small sample area of the top growth was clipped and weighed. From the weight of this sample the green weight of the crop was estimated to be 13,600 pounds per acre. It is estimated that the weight of roots of peas is about one half of the weight of the growth above ground. On this basis there would have been 6800 pounds of roots on this date, or a total of 20,400 pounds of organic matter per acre for the crop.

On April 12, a second sample was taken and it was found that the total weight of the crop has increased to 40,835 pounds per acre or more than double what it was March 30. This meant an increase of 1570 pounds per day for the 12 day period. A crop of this weight would provide about 200 pounds of nitrogen per acre. The crop had cost this farmer \$23.00 for seed, fertilizer and watering. The 200 pounds of nitrogen would go a long way toward paying this cost at the current rates for commercial nitrogen.

Crosbyton's Keystone Kops deliver justice and Garnet Jones discovers the stocks are an adequate punishment for his offense in neglecting to wear appropriate Jubilee garb, which Crosbyton residents are wearing each Monday preceding the town's 50th birthday celebration, Sept. 7-10. Daily activities during the Golden Jubilee range from style show to Indian dances, with a spectacular pageant on the history of Crosbyton, "Blanco Canyon Cavalcade", presented Monday, Tuesday and Wednesday nights at the Crosbyton rodeo arena.

Several Lynn County farmers are planning to overseed winter cover crops on cotton and feed land this fall. Welch Flippin and R. H. Holder will overseed 1100 acres and 90 acres respectively with rye. Theo Campbell plans to put in about 200 acres of rye and hubam clover and Willie Nieman of Lakeview is planting rye and vetch on his place.

**Advantages and Benefits**  
Many advantages are to be had by overseeding winter cover during the last cultivation. Theo Campbell has reported that rye growing in his cotton last year reduced ground blowing and provided him with cleaner cotton, making mechanical harvesting easier, and reducing his ginning costs.

A green growing winter crop gives further benefits through increased fertility and water holding capacity, biological activity and water penetration. This conservation practice will also eliminate the need for emergency wind erosion control measures and probably one bedding operation.

Winter small grain is also useful around field borders and farmsteads to hold down drifting sand and provide cover and food for wildlife.

**Seeding Rates and Methods**  
A seeding rate of 20 pounds of small grain per acre is recommended. Double this amount may be needed on critical areas. To add nitrogen, a mixture of 10 pounds of small grain and 10 pounds of legumes is adequate.

Seeding may be done during or after the last cultivation with 8 row cotton dusters, broadcast seeders, interrow planters and other methods.

**Provides Break in Cropping System**  
Overseeding of winter cover has been found to be especially useful to farmers who, for one reason or another, cannot move their cotton or feed land around each year. This system fits in well with regular farming operations and is badly needed to provide a break

Lead us not into temptation, but deliver us from evil. (Matthew 6:13.)

Pedro could not be more than twenty years old. He was different from those boys his own age who were foolishly turning to liquor, or to drugs like marijuana.

Although Pedro did not turn to liquor or drugs, he could not be accused of not enjoying life. To the contrary, his Christian life seemed to invite adventure.

"I believe in prayer," he said. "When my father died, we received no more pension. I have been able to find work. My younger brother and my mother, and I do not find life easy. Sometimes we go to bed so hungry we cannot sleep. And then I pray. As I pray for others, I forget my own hunger, and sleep comes easily. I sometimes find myself tempted; but then I pray, and God delivers me from evil."

At all times, God is ready to supply our needs, but not always in ways we hope for or expect. In His divine wisdom, He does it in His own way.

**PRAYER**  
O God, Thou knowest our deepest needs. According to Thy divine knowledge, satisfy our hunger of body and soul. Strengthen us so that we may grow in knowledge and love of our Saviour, Jesus Christ, in whose blessed name we pray. Amen.

**THOUGHT FOR THE DAY**  
God supplies our needs in accordance with His wisdom and our trust in Him.—Charles O. Butler (Pennsylvania).

in straight cotton or grain sorghum cropping systems.

**The Moisture Problem**  
Many farmers are hesitant about using winter cover for fear that excessive moisture will be deprived from the following crop. However, several farmers in the Lynn County Soil Conservation District, are using the system successfully even on dry land and are making it pay.

It is believed that little moisture is lost to the following crop because the winter cover uses very little moisture in the first place, aids rainfall penetration, reduces evaporation and makes use of ineffectual winter showers of .25 inches and less.

The secret of the whole operation is to destroy the winter cover at least 3 to 4 weeks before normal planting time. Rye should be destroyed after it begins to joint, usually between March 1 and 15, because that is when it begins to use excessive moisture.

By bedding and knifing, or discing, bedding and knifing, the winter cover may be destroyed and incorporated in the top soil. Some years winter cover may make little growth before it has to be destroyed. Generally, however, it will make enough tonnage and cover to be well worth the time and effort spent.

Those desiring further information on winter cover crops should contact their local Soil Conservation District office. Now is the time to plan.

**O'Donnell Plans School Opening**

O'Donnell schools will open under a new superintendent, John Criner, succeeding Weldon A. Skinner, who resigned to accept a similar position at Whiteface, and four new faculty members. Mr. Criner comes to O'Donnell from Amherst.

Opening of the school on Sept. 1 had been somewhat indefinite on account of failure of seats to arrive for six high school classrooms, but authorities early this week were going ahead with plans to open Monday.

The new faculty members are Mr. and Mrs. Fred McGuire and Mr. and Mrs. Lester Hollis.

McGuire will teach high school science and Mrs. McGuire will be the high school home economics teacher. Mrs. McGuire replaces Mrs. Ann Adams, who has joined the Tahoka faculty.

The McGuires are recent graduates of Sam Houston State Teachers College.

Mr. Hollis will teach high school mathematics in the place of Roy Nichols, and Mrs. Hollis will teach in the junior high.

The remaining members of the high school faculty are: A. H. Burton, principal and geometry; Jas. W. Reed, vocational agriculture; Joe Palmer, head coach; Robert L. Agnew, assistant coach; Mrs. Nola Bolch, English; and Mrs. Gene Singleton, social science, moved up from junior high to fill a vacancy left by Mrs. Morene Cathey, who moved to Levelland. Junior high teachers are: Ivan

G. Sherrill, principal and science; James Thompson, coach and science; Mrs. Nial Rae Furlow, language arts and history; Mrs. Margaret Sherrill, Slater Johnson, and Mrs. Hollis.

The elementary staff includes: Mrs. Paul Gooch, Mrs. Alta Line, Mrs. Nodia Tredway, Mrs. Vera Johnson, Mrs. Louise Line, Mrs. Ann Hulcy, Mrs. Ruth Bates, and Miss Barbara Ballard.

Mrs. Vera A. Etter will assist Criner as office secretary, and Mrs. Adeline Payne will teach the Colored School, which runs

through the first six grades. Teachers are needed for high school commercial subjects and for elementary school music.

Teddy and Cann Donaldson, Denver City, visited here a few days this week with their grandparents, Mr. and Mrs. Claude Donaldson and Jane.

**Local Coaches Are Guests of Humble**

Attending the annual Humble football banquet for area dealers and coaches held in Caprock Hotel Lubbock Tuesday night were: Coaches Bill Haralson, Deane Wright, and Tom Bartley, Charles McClellan of the News, Ragan Reed, and Bill Chaney, local Humble dealer.

Feature of the program was the showing of the color film narrated by Kern Tips on the 1957 Southwestern Conference football season. This year, Humble is celebrating its 25th year of such broadcasts.

Dealers of the Texas-New Mexico area are being offered prizes this year for sales increases, and 25 of them will receive free trips to the Cotton Bowl Jan. 1, and another 75 will receive transistor radios.

**Students Attend Band School**

Six Tahoka band students returned home Sunday from Gunnison, Colorado, where they attended for two weeks the 25th annual Summer Music Camp at Western State College.

Those attending from Tahoka were: Mary Jane McCord, daughter of Mrs. Lillian McCord; Betsy Adams, daughter of Mr. and Mrs. Jack Adams; Mickey Owens, son of Mr. and Mrs. J. W. Owens; Linda Williams, daughter of Mrs. Gussie Williams; Patti Brooks, daughter of Rev. and Mrs. W. A. Brooks; and Roger Renfro, son of Mr. and Mrs. David Renfro.

Mrs. McCord went up with the students as chaperone and spent the entire time with them. Mr. and Mrs. J. W. Owens went up and spent the last week with the students. Mrs. Gussie Williams, Don Williams, and Rita Sue Renfro went up last week and visited the camp and then picked up Linda for a vacation trip.

Some of the nation's leading music teachers were on the faculty of the camp, at which 1,218 students were registered.

Mickey Owens, who will be drum major in this year's THS band, was elected for Wright's Honor Marching and also Carey's Concert Band. He plays first chair trumpet.

The girls, in addition to work in the Gadget Band, took twirling lessons, and Roger Renfro also took choir training.

All are students here under Eddie Bowman, local band and chorus director.

**BAND STUDENTS**—Shown here are five members of Tahoka High School Band who attended a band school in Gunnison, Colo., the past two weeks. Left to right: Mary Jane McCord, Betsy Adams, Mickey Owens, Linda Williams and Patti Brooks.

Supt. F. W. Callaway announces Southland school is ready for the opening Monday. The new coach is Wayne Locke, and he and wife have moved here. Ed Roberson is the new science teacher and he will make his home with Mr. and Mrs. G. D. Ellis.

The Rev. Lusby Kirk went to Snyder Sunday evening to preach at Bethel Baptist Church in the place of the Rev. Lewis Cass, who began preaching for the summer revival at the Baptist Church. Tom Neil of Lubbock is song leader and Jerry Hitt is pianist.

Southland Eastern Star ladies sponsored a watermelon feast on the school yard Saturday night. A large crowd was present, some from surrounding towns. Mr. and Mrs. Leonard Anderson were here from Sudan.

Mr. and Mrs. Sam Martin visited her sister and brother-in-law, Mr. and Mrs. B. L. Billingsly, in Lubbock Sunday, and report Mr. Billingsly is much improved from his recent illness.

Mr. and Mrs. Glenn Renner of Vernon spent the week end with Mr. and Mrs. Fred Davidson and Louise. Sunday afternoon guests in the Davidson home were Mr. and Mrs. W. A. Baxley, Wilson. Mr. and Mrs. George Baker, Loyce and Royce, are spending a few days vacation seeing sights in the state of Colorado.

Mr. and Mrs. H. W. Seals spent last week-end with a son, H. W. Jr. and family in Plains.

Mrs. Jack Hargrove and Mrs. Otho Quisenberry visited in Dallas and Greenville last week. On Sunday they attended a Roberson reunion in Rockwall.

Guests in the home of Mr. and Mrs. Noble Wynn Sunday were their daughter and son-in-law, Tommie and Steve Dearth of Amarillo, Mrs. Wynn's brother, Mr. and Mrs. Eddie Hill of Brownfield, and Wynn's niece, Mrs. Carrie Mae Warren of Meadow, and also several friends.

Mrs. Myrtle Blanton of California is visiting her cousins, Mr. and Mrs. W. A. Pritchard and children. Week-end visitors in the home were a son, Don and wife of Santa Anna.

**New Home Has New Teachers**

New Home has a number of new teachers this year, Supt. C. O. Head announces.

D. A. Daly is the new high school principal and science teacher, succeeding H. O. Webb, who moved to Seagraves. Mr. Daly has been at Muleshoe the past six years. He attended college at Wayland and West Texas State.

Another new high school teacher is Ray Allen, a graduate of Texas Tech, who will teach mathematics and chemistry.

J. G. Miller, at Petersburg the past two years, is the new grade school principal, and Mrs. Miller will teach the fourth grade. Mrs. J. C. McGraw, at Slaton last year and wife of a Texas Tech professor, will teach English in the sixth, seventh and eighth grades. Mrs. Harold McKinney, who formerly taught in Arkansas, is fifth grade teacher; Mrs. Willie Williams, a West Texas State graduate from Stephenville, teaches third grade; and Mrs. Ruby Hulise, at Slaton last year, is the first grade teacher.

Returning are Mrs. Joe Lewis, homemaking; Benny Pryor, vocational agriculture; Hubert Williams, coach and social science; Mrs. Head, English; Harold McKinney, grade school coach; Mrs. Davida Burkhalter, second; and Mrs. Mary F. Truelock, first.

and children visited in Santa Anna last week-end and on Sunday they attended a Pritchard family reunion in Granbury.

J. B. Rackler and Robert Lee Hagler have gone to Tennessee to visit relatives. Mrs. Rackler and the children are visiting in Murfreesboro and will return home with J. B. Friday.

Mr. and Mrs. Clyde Shaw went to Buffalo Lakes Saturday afternoon to watch Mrs. Shaw's grandson, Tom Stacey, age 5, of Leveland, perform on water skis.

Billy and Jo Lancaster and their son, David Earl of Temple, spent the week end with his parents, Mr. and Mrs. Earl Lancaster and Jimmy. Billy returned home Sunday afternoon, but Jo and the baby are spending the week here.

Last week's guests in the home of Mr. and Mrs. Ed Milliken were four cousins, Mrs. Molly Block, Mrs. Ford Scott and Geo. Porter of Jacksboro, and Mrs. Neola Riggs of Wichita Falls. On Thursday Mrs. Don Hatchett, Mr. and Mrs. Bryan Shaw of Lubbock, Mr. and Mrs. Clyde Shaw visited the cousins in the Milliken home.

Mrs. J. F. Rackler visited Mrs. Ed Denton and attended the Baptist revival Sunday.

Mr. and Mrs. Ed Milliken went to their son's Don and Jewel Milliken's home in Wolforth Saturday evening and the other sons, Byron and Ralph and families met them there and all celebrated their mother's birthday.

Mr. and Mrs. Hubert Taylor and Sharla, and a son-in-law and daughter, Royce and Sherry Josey of Post, are vacationing in the cool state of Colorado.

Pfc. Dale Edmunds went to Lubbock Monday afternoon and caught a plane for Camp Roberts, Calif. after a visit here with his parents, the Martin Edmunds.

Junior Becker, E. L. Dunn, Glenn Edmunds, and Joe Hargrove came home Sunday after spending several days touring Calif.

## Mitchell Williams Tells Lawyer Duties To His Client And To Community

Mitchell Williams, local lawyer and district attorney, spoke at Tahoka Rotary Club Thursday noon of last week on the subject, "Functions of a Lawyer in the Community."

Declaring that the legal profession is misunderstood by many laymen, his talk explained some of the principles set up by the bar.

The State Bar of Texas sets up certain standards to rule, or govern the conduct of lawyers, known as "Cannons of Ethics." There is a grievance committee in each congressional district which hears complaints against any lawyer for any unethical or wayward act, and this committee may reprimand, suspend, or disbar a lawyer found guilty of misconduct. Disbarment is virtually automatic if

a lawyer is convicted of a felony or of a misdemeanor involving theft or fraud.

Most law schools require a B. A. of B. B. A. degree for entrance, and to become a lawyer in Texas one must attend an accredited law school, pass a bar examination, be licensed, and become a member of the Bar Association before he can legally practice law.

One thing misunderstood by many laymen is lawyer-client relationship, Williams said. The lawyer has taken an oath to uphold the laws and to represent his clients by all honorable means, but he is bound not to do anything to violate the law in representing his clients. He is bound to keep his client's confidence in trust, and he is sworn not to represent

# The Lynn County News

TAHOKA, TEXAS "Heart of the South Plains" FRIDAY, AUGUST 29, 1958

H. Shelby Berry, 42, is the new Boy Scout district executive of the Quannah Parker District. He comes from Mississippi and will make his headquarters in Brownfield. Mr. Berry is married and has six children.

## Bracero Labor Promised Area

Lynn county will need at least 6,000 cotton pullers by the peak of the harvest season about October 1, according to Garvin Wilkes, manager of the Texas Employment Commission office at Lamesa. This shortage will be met by the importation of Mexican National Bracero workers, he said Monday while here.

Three Lynn county citizens, Frank Hill, E. L. Blankenship, and Otis Speaks, have been appointed by the TEC to serve as a County Farm Labor Committee.

The TEC estimates that Lynn county will need a total of 10,000 seasonal laborers, of which the local supply totals at the peak about 600 and native migrants about 3,500.

The Committee will function under Public Law 78, obtaining facts relevant to the supply of domestic farm workers existing in Lynn County and the shortage of workers, if any, which must be met by importing Mexican Nationals to harvest the cotton crop. Under Public Law 78 the TEC must supply this information to the Secretary of Labor who must limit the number of Mexican Nationals to be used in this country by granting a "ceiling." The Committee consults with the Local Office Manager to assist him in estimating the number of workers who will be needed, based on current local conditions affecting the cotton crop.

"Ceilings" granted by the Secretary of Labor limiting the importation of Mexican Nationals into this area will be posted in Post Offices in Tahoka, O'Donnell and Wilson, in the County Agent's Office, and in the County Courthouse.

W. R. (Bob) Poage, congressman from Waco, above, and W. E. Reid, president of a New York textile corporation, will be featured speakers at the second annual Plains Cotton Growers, Inc., meeting which opens today, Friday, at 10 a. m. in Municipal Auditorium, Texas Tech campus. A business session will be held at 9 a. m. Poage speaks at the afternoon session.

## Lynn Leads In Sale of Bonds

"Savings Bonds sales for the first seven months of 1958 totaled \$158,699," Truett Smith, chairman of Lynn county's Bond committee reported today. "Our county has now reached 65 percent of its 1958 goal of \$244,000. July sales were \$4,174.

Sales in Texas for the first seven months of 1958 were \$103,806,068 which was 3.9 percent greater than the same period in 1957. Lynn county is next to Garza county in District 5 sales, Garza having sold 68.3 percent and is far ahead of such counties as Lubbock, Hockley, and Terry.

"A part of every American's savings should be invested in Savings Bonds, to provide for his future and to add strength to the national economy," stated Mr. Smith, county chairman.

Texas Department of Public Safety needs young men between 21 and 35 to become patrolmen in four of its services.

## Two Teachers Get Masters Degrees

Two Lynn county men received their Master of Education degrees at summer commencement exercises of Texas Tech Friday night in Lubbock.

John Lovic Shepherd, principal of Tahoka High School, received the Master of Education degree in agriculture.

Ralph Edwin Droege, teacher in the St. Paul Lutheran Church school at Wilson, received the Master of Education degree.

"MY ELECTRIC HOME FREEZER MAKES MEAL PLANNING SO Easy!"

SAYS  
**Mrs. H. S. Hackfield,**  
2132 56th STREET,  
LUBBOCK, TEXAS

"An electric home freezer is the perfect answer to meal planning, especially for working wives," says Mrs. Hackfield. She continues, "There are many advantages of owning a freezer. For example, it's such a convenient appliance and, because we can buy in quantity when prices are lowest, our freezer lets us realize a big savings in food costs. But, getting back to meal planning — when I have odd moments I can prepare complete meals in advance, freeze them, and then when we have dinner guests it's a simple matter just to 'heat 'n serve.'"

The same advantages that Mrs. Hackfield speaks of can be yours just as soon as you get that electric home freezer you've been wanting for so long — why wait — there's never been a better time to buy!

Frequently, the public misunderstands a lawyer's representation of a client in a criminal case. The lawyer is pledged to use all fair and honorable means to defend his client.

The prosecutor is not necessarily pledged to convict, but is honor bound to see that justice is done.

He declared that a lawyer should be used more frequently in a preventive sense. Many people wait until in great difficulty before going to see a lawyer, when, by seeing a lawyer earlier they could have saved much time, trouble, and expense.

As a specific example, he cited that the making of a will through an attorney, usually saves the layman in estate taxes and avoids court expenses. Employment of a lawyer is also the safe thing to do in the sale of real property.

It is true, he said, that there are some unscrupulous men in the legal profession, but there are no more, possibly not as many, as there are in other walks of life, and it is the goal of the State Bar Association to weed out unscrupulous practitioners.

The program was arranged by A. M. Bray.

Mrs. Harold Green acted as pianist in the absence of Carol Smith, club sweetheart.

President Otis Speaks announced the club was back in the "high-ten" in the Rotary district during July, although not back to 100 percent attendance.

## School Band Starts Practice

Pre-School band practice began Monday morning, but only about 35 students turned out the first morning, reports the director, Eddie Bowman. There should be about 60 players in the band this year.

The band has been practicing each morning from 9:00 to 12:00, but with the opening of school the regular class periods will be observed.

The Junior High Band will not start practice until the opening of school on Monday.

Students in the fifth grade who desire to be in the beginners' band should contact Coach Jake Jacobs today, Friday so that a schedule may be worked out.

Mr. and Mrs. Frank Hodges and three children of Bryan, where he is employed in the advertising department of the Bryan Daily Eagle, arrived Sunday for a visit with his aunt, Mrs. B. T. Tate. They are also visiting his uncle, Pat Swann of Wilson, and aunt, Mrs. Van Bates of Levelland.

A. R. Bostick, a teacher in the Tahoka schools from 1934 to 1942, was a business visitor here Friday. Most of the time since leaving here, he has been teaching at Hart. He recently moved to the Olton system.

Patrolmen in four services of the Texas Department of Public Safety are among the best trained lawmen in the state.

**FOUNDATION** . . . . . In Matt. 7:24ff Jesus told about two different builders, one was wise because he built upon a good foundation and the other was foolish because he built upon a foundation that would not stand the test. The foolish man lost all his work and effort but the wise man's house stood sure and strong. The difference was the foundation.

Our life should be built upon the proper foundation. Christ is the only sure foundation. He is tried and proved, sure and steadfast. "Other foundation can no man lay than that is laid, which is Jesus Christ." 1 Cor. 3:11. "The foundation of God standeth sure." 2 Tim. 2:19.

However many people refuse to build their life upon Christ. They think that it is silly, foolish and sign of weakness, not being able to walk alone. We need always to realize that we are weak and cannot direct our steps; that though we are weak that we can be strong in the Lord.

When we reject the Lord we are rejecting our only sure foundation. The foolishness of such a rejection is shown by the Scriptures, "The stone (Christ) which the builders rejected, the same is become the head of the corner;" Matt. 21:42; Acts 4:11-12.

To build upon Christ means to hear and obey him in all things. Some foolishly build partly upon the word of the Lord and partly upon the doctrine of men. Such a mixture is no good. Read Matt. 15:9, 13. Paul said, take heed how ye build. The word of God is our blue-print we always need to call Bible things by Bible names and to do Bible things in Bible ways.

**CARD OF THANKS**

We wish to thank our friends and friends of our father, N. J. Hudspeth, for all the kindness and sympathy extended to us and also for the food and flowers and especially the prayers. We deeply appreciate these things more than words can express. May God bless each and every one of you. Lillian Craig and Dorothy Floyd.

### Great Revival At Wells, Pastor Says

Walter L. Bryan, evangelist from Alamogordo, N. M. and Alton Webb, singer from the First Baptist Church, Brownfield, led the Wells Baptist Church in a great revival, according to D. W. Copeland, pastor of the church.

Seven people united with the church by baptism, seven by letter and a number came for rededications.

### FIGHT PICTURE WILL BE SHOWN AT THE ROSE

George Western, local manager, announces that the Patterson-Harris world's championship heavy-weight picture will be shown in Tahoka at the Rose Theatre on September 7 and 8.

This is the official picture, and the highlights of the fight are shown in slow motion.

H. O. Webb, former New Home School principal who has moved to Seagraves, where he will be elementary principal and where he owns a couple of irrigated farms, was a business visitor here Saturday.

### Cafeteria Menus For First Week

Following are the lunches that will be served in the school cafeteria during the first week of school, Sept. 1-5.

**Monday:** Ham and cheese sandwiches, baked potatoes, lettuce, pickles, ajicot cobbler and milk.

**Tuesday:** Pinto beans, mixed greens, whole kernel corn, corn bread, butter, pickle beets, pineapple rice pudding and milk.

**FOPPING THE RAG OR SHINING THE SHOES**

He was an elderly colored man—he owned his shop. I had just watched him put a shine on my shoes, and complimented him with a tip. He smiled up at me, and his teeth seemed whiter than they really were, perhaps because of the blackness of his face. Then as he brushed my coat he said, "The trouble with most of these shine boys is, they learn to pop the rag, but they don't learn to shine the shoes."

Now in the language of the street, "I think he has something there." In fact one of the commonest failures of life is precisely that. We try to cover up a lack of real accomplishment many times by making a lot of noise. Camouflage is a good military term, and is used successfully to make gains and win victories—but in everyday living it seldom pays off in lasting values. The Bible says something about "Sounding brass, and tinkling cymbal—" where love and sincerity are absent from life.

Ours is a day of great need, and we can meet the challenge of it only with open and above-board honesty and sincerity. Camouflage cover-up will not win in the long run. Propaganda propagation is never sound unless it rests on sound truth. Sincerity

and spiritual power are attained by shining the shoe rather than merely popping the rag.

During 1957, 2,539 persons were killed in 2,077 traffic accidents, reports Texas DPS.
