## Jess Hill Child Dies In Two-Car Wreck

Laura Beth Hill, age 23 months, daughter of Mr. and Mrs. Jess Hill, route 5, was killed in a two-car collision Friday night at about 7:50 o'clock south of Wolforth at the intersection of Farm Roads 1073 and 41.

Funeral services were held here at Stanley Funeral Chapel Monday at 3:00 p. m. with Rev. Henry Flipplin, pastor of Lakeview Baptist Church, and Rev. Edward Williams of Plainview, former pastor at Petty, officiating. Burial was in Tahoka Cemetery.

Injured in the wreck were Mr. and Mrs. Hill and Mr. and Mrs. Foye Rogers and son, Ronnie, 8, all riding in an Oldsmobile driven by Rogers going north; and in the other car, a Cadillac traveling east were Mr. and Mrs. Jerry Fletcher and daughter, Rose, 2, of route 1, Ropesville.

Mr. and Mrs. Hill were later released from the Methodist Hospital, Lubbock, having received minor injuries, but Mr. and Mrs. Rogers were more seriously injured and were still in the hospital early this week.

Mrs. Fletcher and baby were released after treatment, but Jerry remained in the hospital seriously injured but was not believed to be in a critical condition.

Little Laura Beth Hill was born in Tahoka October 15, 1956. She is survived by her parents, who farm for R. M. and Reble Thomas in the Petty community; two brothers, Ronnie Jess, 12, and Leonard Ray, 6; a sister, Jamie Fay, 10; grandparents, Mr. and Mrs. Walter L. Hill of route 4 and Mrs. A. Pendleton of Tahoka.

Officers investigating the accident said the wreck was a terrible sight with occupants of the two cars scattered over the site and out in the field. Because of inability to make good radio contact, there was a mixup in getting ambulances to the scene promptly.

The Hills and Rogers were en route to Lubbock to do some shopping. Fletcher, a former Lynn county citizen and son of Mrs. Velma Fletcher of Ropesville, route 1, was home on leave from his Naval station at Memphis, Tenn., and was to return to his station last week end. He and wife and baby had been visiting his mother and were en route to Lubbock to visit her mother, Mrs. Ray Nored.

Walton Terry, local Future Farmer of America member, will be recommended to receive the organization's highest award, the American Farmer Degree, at the 31st Annual National FFA Convention in Kansas City, Oct. 13-16.

Walton is among 34 FFA boys in Texas who will be recommended for the degree, which is awarded to only one of every 1,000 boys in the nation, reported George Hurt, Austin, state director of agricultural education.

The degrees will be presented in the Municipal Auditorium at Kansas City on October 14. Each degree winner will receive a certificate and a gold key from the national organization, plus a cash travel allowance from the FFA Foundation, Inc., and the Texas FFA Ass'n.

## Tahoka Playing At Denver City Today

Tahoka Bulldogs, whipped 30 to 0 by tough Seminole last Friday, meet the always-rugged Denver City Mustangs there tonight, a team picked as a top contender in District 4-AAA this year.

The Bulldogs open their home season with their old rivals, the O'Donnell Eagles, here Friday night of next week.

The Bulldogs came out of the Seminole opener in fine shape physically, and Coaches Bill Haralson, Deane Wright, and Tom Bartley have been working the boys this week to iron out mistakes made at Seminole and to defend against the Denver City 'attack'.

Like Seminole, DC has a rugged fullback in Johnny Johnson, 186, who runs hard. Quarterback is Dan Nicewander, 182; and other backs

## Voting Precinct Change Is Made

Lynn county will have one fewer voting precincts when the next county-wide election is held.

The Commissioners' Court has voted to do away with the Garnolia precinct and to divide it between the Gordon and North Tahoka precincts.

Now numbered Precinct 9, this will cause a change in numbers of other precincts, with West Tahoka becoming No. 9, Newmore No. 10, Lakeview No. 11, and the Absentee box No. 12.

Roughly, all of the old Garnolia precinct lying east of a line beginning a half mile west of Central Church and extending north will become a part of Gordon precinct, and voters will in the future cast their ballots at Gordon. All that part of Gordon lying west of this line will become a part of North Tahoka precinct and voters will cast their ballots in Tahoka.

Commissioners' and Justice precincts will not be affected by the change.

Metes and bounds as a result of the change are listed in two legal notices appearing in this issue of The News.

## Mrs. Hattie Yates 90 Next Wednesday

Mrs. W. A. (Hattie) Yates, longtime citizen of Lynn county and of Tahoka, will celebrate her 90th birthday on next Wednesday, Sept. 17.

Mrs. Yates is one of the few remaining grand old ladies of the past generation, and there are few people who have more friends.

Mrs. Yates is a native of West Texas, having been born in the town of Palo Pinto in 1868, when that was the outpost of civilization. The house in which she was born is still standing.

Her father was Capt. John Henderson of the Texas Rangers and was known as an Indian fighter as well as for his tracking down the criminal element in Texas' early days.

Calvin and Pete Dorman recently had some pretty fair luck fishing at Lake Thomas, taking on a trofile yellow catfish weighing 19, 12, 6, and 8½ pounds.

## Tailoring Class Is Planned Here

An adult tailoring class will be started soon by Mrs. Madeline Hegl, local homemaking teacher. There will be no tuition charges.

All working ladies who can't meet at this time are asked to call her Monday. Mrs. Hegl will attempt to arrange the class to meet the convenience of both working ladies and housewives.

The recent sale of Copper Publications subscriptions in Lynn county, sponsored by Tahoka VFW Post brought in as commissions \$258.90 worth of equipment, which includes two hospital beds, two folding wheel chairs, and two pair of crutches, announced C. W. Conway, VFW commander.

The equipment is for the residents of the county without charge, and the two wheel chairs are already in use.

"All that is asked of you," says Conway, "is to please bring them back as soon as you finish with them so someone else who needs such equipment may have it."

He conveys the thanks of the VFW to everyone who helped the cause by subscribing for the publications through the solicitors.

## Bill Griffin Gets National Award

County Agent W. B. (Bill) Griffin returned Monday from Seattle, Wash., where he received the Distinguished Service Award at the convention of the National County Agricultural Agents Association.

The award was presented him by B. F. Bredthour, chairman of the national committee on awards, at the banquet last Thursday night ending the five-day meeting.

Griffin was one of seven from Texas receiving the honor, and unofficially he is said to have been the top-ranking Texan on this list.

The award is given annually to select county agents in recognition for outstanding contributions to agriculture and community living over a period of years.

Bill has been county agent here since January 1947, during which time he has carried on an outstanding 4-H program and worked in many ways for the advancement of Lynn county agriculture. He has sponsored and directed outstanding 4-H club shows, served as livestock superintendent and judge of many area shows and long has been the livestock superintendent of Panhandle-South Plains Fair.

Along with the many phases of agricultural work, he has also served a number of years as county Red Cross chairman and has been active in many other civic affairs.

## Juvenile Crime Shows Increase

Tom Cannon, Lubbock juvenile officer, spoke on the growing problem of juvenile crime before the Methodist Men at the monthly meeting Monday night in Fellowship Hall of the Church.

Cannon stated that our juvenile population has increased 13 percent, and at the same time juvenile crime has grown by 51 percent.

Last year, in Lubbock, 800 juvenile cases were handled by his office and he expects to handle 1,000 this year. He attributes much of this to lack of parental supervision. He declares they meet with success in about 20 percent of the cases in restoring juvenile offenders.

Entertainment consisted of three quartet numbers by Otis Spears, Dale McElroy, Bill Stuber, and Eddie Bowman, accompanied at the piano by Mrs. Gwen Patterson.

The program was arranged by John Slover, and Tom Gill acted as master of ceremonies in the absence of President Mitt Draper.

A steak dinner was cooked and served by Milton Uzie and A. M. Bray to 37 men.

## O'Donnell Plans Swimming Pool

Harvest of crops was getting underway this week, and the scarcity of hands promises to hold up cotton harvest although a number of both braceros and Natives are arriving.

Tahoka had ginned 140 bales up until 11:00 a. m. Thursday.

Maize is beginning to pile up at local elevators, and some buyers are again forced to pile grain on the ground temporarily until cars and storage becomes available.

Grain is turning out unusually well, with many farmers reporting 1,500 or more per acre. This year's harvest of grain will be strung out over a greater period of time this year due to the fact that some of it is early and some late.

Local gins report early cotton is of good grade.

The cotton crop will not be as large as expected earlier, due again to a dry August. Even most of the irrigation farmers do not have as good a crop as last year. But, even with the August decline, the crop will possibly be above average.

## Student Council Officers Named

The Student Council of Tahoka High School had its first meeting of the 1958-1959 school term on Monday, Sept. 8. The officers of the Council, who were elected last spring, met with the class representatives who were elected in class meetings last week.

The class representatives are Martha Rector and Don Young, seniors; Barbara Thomas and Foster Dudgeon, juniors; Martha Colard and James Bingham, sophomores; Judy Thomas and Jim Robinson, freshmen; Sarah Wells and Andy Bray, eighth grade. The sponsor is Lester Adams.

In the meeting several things were suggested as a means of making money. The Council decided to sponsor many of the same things this year that it has done in the past years, along with some things a little different. Most of these are indefinite and will be planned later, but the Council decided to hold the annual slave sale on Tuesday, Sept. 16.

Students from the respective classes are chosen by the Council members to serve as slaves. They are sold at an auction held under the supervision of the Council, Mr. Adams and Principal John Shepherd.

## Miss Venita Shipley and Ronnie Brooks Married In Church Ceremony Here Sunday

The First Baptist Church was the scene for the wedding of Venita Myrtle Shipley and Ronnie Brooks Sunday, Sept. 7. The Rev. W. A. Brooks read the 3:00 p. m. ceremony before an altar banked with greenery and an arch of greenery and pink gladioli flanked by cathedral tapers held in wrought iron candelabra. The bridal aisle was marked with pink satin bows and pink gladioli.

Parents of the couple are Mr. and Mrs. Fred Shipley and Mr. and Mrs. Neely Brooks, all of Tahoka.

Traditional wedding music was played by Miss Carol Smith. She accompanied Roland Nitcher as he sang "Because," "Walking Hand in Hand" and "Whither Thou Goest."

Escorted to the altar and given in marriage by her father, the bride wore a gown of white Chantilly lace over satin featuring a bustle of ruffles edged in lace which extended the length of the skirt to form a chapel length train. The dress featured a long pointed torso effect at the waistline and was detailed in seed pearls and rhinestones. The scooped neckline was edged with lace and the long sleeves ended in points over the hands. Her hip length veil of illusion was held by a tiara of pearls and rhinestones.

The bridal bouquet was an arrangement of a white orchid

showered with pink rosebuds and pink ribbon streamers surrounded by staphenotis.

Matron of honor was Mrs. Fredy Shipley, sister-in-law of the bride. Bridesmaids were Misses Nancy Draper and LaRhea Great-horse of Tahoka and Buddie Lou Allen of Welch. Junior bridesmaids were La Veta Raynes of Welch and Doris Jerrieries of Otton.

The matron of honor wore a dark rose sheath dress with a pale pink cummerbund. The bridesmaids were attired in dresses identical to that of the matron of honor in pale pink with dark rose cummerbunds. The street-length dresses were complimented with full net overskirts of pink. They carried a single pink rosebud. Other feminine attendants wore similar styles with gathered skirts.

Don Reed of Lubbock attended as best man. Groomsmen were Richard Brooks, brother of the bride-groom, Carlton Bell and Gerald Hardage of Tahoka. Candelighters for the ceremony were Connie Oline, cousin-of the bridegroom from Lubbock and Gary Brooks, brother of the bridegroom. Angela Shepherd served as flower girl and Joe Dykes as ring bearer.

At the reception which followed in Fellowship Hall, the bridal couple was assisted in the receiving line by members of the wedding party and by their parents. The bride's table was laid with

MRS. RONNIE BROOKS

a white lace cloth over rose with a center piece of pink roses and white bells. The pink frosted three-tiered wedding cake was topped by a miniature wedding couple.

Assisting in hospitalities were Mmes. Joe Brooks, Robert Draper, Lewis Byrd and Miss Idalia Wood.

Following the trip to Colorado, the couple will make their home in Tahoka after Sept. 15. For traveling the bride wore a white linen sheath dress with black accessories. She wore a white lace hat and corsage of white orchid.

Mrs. Brooks attended Texas Tech after graduating from Tahoka High School. Her husband is also a graduate of Tahoka High School and is attending Texas Tech as a student in Business Administration.

The bridegroom is the son of Mr. and Mrs. Lipscomb Westbrook of Cameron and is stationed with the Army at Fort Hood.

The bride chose for her wedding a ballerina-length gown of white nylon net and lace fashioned with a full bouffant skirt. The fitted bodice was enhanced by a lace Peter Pan collar caught at the throat with small lace-covered buttons.

Following a short wedding trip the young couple will be at home in Killeen where the bride plans to continue her education at Killeen High School.

## Everyday Religion

By

J. B. Thompson

Fanny J. Crosby was born March 24, 1820, and lived until 1915, lacking only six weeks being 95 years old. When she was six weeks old she was blinded by an overheated poultice and spent her long life in total darkness. Although denied the light of day she found the light of faith and gave the world over six thousand Christian hymns.

At the age of fifteen she entered the Institution for the Blind in New York City where she remained for twenty-three years as a pupil and teacher. There she developed a gift for dramatic recitation and verse writing and with a group of selected students visited in Washington, D. C., where she read one of her poems on the floor of the United States Senate. She was married to Alexander Van Alstyne, a teacher in the same school and also blind.

The prominent musical composer, W. B. Bradbury, heard her recite some poems and urged her to write a sacred song. Her first effort was: "We are going, we are going to a home beyond the skies, where the fields are robed in beauty and the sunlight never dies."

Her fame spread like a prairie fire in the days of the camp meetings and her songs echoed across the land. "Jesus Is Calling," "Blessed Assurance," "Rescue the Perishing," "Savior, More Than Life," "The Shadow of the Rock," "Safe In the Arms of Jesus," "Christ Is Risen"—these and hundreds more burst into melody on the lips and from the hearts of singing Christians everywhere.

Through her songs Fanny Crosby hoped to lead a million souls to Christ. We wonder if the goal was reached.

The following article was taken from the August issue of "The Cross Section" published by the High Plains Underground Water Conservation District No. 1.

"I have been having a lot of trouble with my own conscience lately about the way I'm using this irrigation water the good Lord put under my land out here. I look at me and then think of my moral

obligation to this boy of mine, he will be using this farm after I'm done and he is going to need a little water too, to keep it going.

My neighbor says, "Let's pump her out while prices are right and put her in the bank as money, then we know where it is, besides this will be a good dry land country again, it was once." Well, maybe yes, maybe no. I don't much think it will be good dry land again the way we are using this soil with this one and a half and two bale cotton every year. It just won't work that way. And this thing of putting it in the bank now—I'm not sure I like that either—this part of Texas wasn't made that way. It was made by work, and I want my son to know how to work and to work hard, and I want him to have a good farm to do it on—one that still has some water under it, like I had—and that puts me right back where I started—that's why my conscience is bothering me.

"I have to teach this boy to keep this water where it belongs, not down the bardiatches or in some neighbor's lake. He sure ought to be taught to use it as insurance against dry or lean years and pump it out as he needs it, not just turn the well on and run it hours at a time down a few bows. So I'm more or less obligated to teach this boy to do some things I'm not doing too well myself right now.

"Of course, I have another moral obligation to the fellow that put the water under this farm in the first place. It was put there as sort of a gift; like a lot of other things for me to use as I need it—like the forest and the rivers and the soil. And since I am just kind of a tenant here on His land I know some day He is going to call on me to answer for the way I

### Bible Topics -

By Leroy Cowan

TITLES . . . Religious titles are often popular, especially in showing various degrees among men. Men have instituted clergy and laity classes. Within the clergy class they have numerous titles trying to show a difference. Most popular titles are "Father," "Reverend," "The Right Reverend," "The Most Right Reverend," etc. Such titles as these are not used in the Bible. We do not read in the Scriptures of "Father Peter," "Reverend Paul," "The Right Reverend James," nor of any like exaltation of men. Gospel preachers are as all other members of the church, Christians, brethren in Christ. In the New Testament they did not exalt themselves, and rebuked others when they tried to exalt them.

The word, reverend, is used only in the Bible; "Holy and reverend is his (God's) name." Psa. 111:9. No man is equal with God. Jesus in reference to religious exaltation said, "But be not ye call Rabbi; for one is your Master, even Christ; and all ye are brethren. And call no man your Father upon the earth; for one is your Father, which is in heaven. Neither be ye called masters; for one is your Master, even Christ. But he that is greatest among you shall be your servant. And whosoever shall

used those things.  
"So when I'm coming home from town or some place and see water running down the bardiatch or out of some neighbor's field, I just naturally get uneasy and turn my head so I don't have to look at it—By Gum! that ain't right. I need to get started at—Hey, Son! come here a minute, you and I need to have a talk."

**Cover Crop Planting Time is Here**  
For several years landowners have been discouraged on planting clovers on dryland because of our recent drouth. With our moisture conditions looking so good, we sure want to consider planting some legumes this fall to increase the water intake, organic matter and nitrogen of our soils. Since we made a bumper grain crop, most soil could use some nitrogen.

The application of 20 pounds of nitrogen under our clovers this fall would surely help. This much fertilizer and 8 pounds of humus would cost approximately \$2.60 an acre. The return could easily be 75 pounds of nitrogen per acre, manufactured by nitrogen-fixing bacteria on legumes. Commercially this is worth about \$9.00 for next year's crop. Clover with winter oats, rye or barley helps the diet of animals, also by furnishing more protein. Include a soil building crop in your rotation by planting it this fall.

Gilmore & Jaquess displays model featuring New Comfort, Convenience, and Ease of Handling.

"You'll step up to new farming ease and convenience with a new John Deere '30' Series Tractor," says Jack Jaquess of Gilmore & Jaquess. The new tractors will be on display at Gilmore & Jaquess on Saturday, Sept. 13 and an invitation is extended to all farmers in the area to stop in and view the new model.

The new John Deere Tractor Line includes six power sizes in 30 basic models. Mr. Jaquess stated, "Farmers in our area will be particularly interested in the 730 LPG, row crop which we have on display. Our new line includes a model for every farmer, no matter what his job, acreage, or power requirement."

A complete new change in styling makes these tractors easier to mount and operate, more comfortable to drive, according to Mr. Jaquess. "In addition," he said, "We have retained the outstanding power and economy that is typical of John Deere Tractors plus all including Advanced Power Steering, versatile hydraulic system, the many field-proved features 3-point hitch with exclusive Load-and-Depth Control, Five" Power Take-Off, and Float-Ride Seat.

The 530, 630, and 730 Series—These powerful tractors offer many new comfort and convenience features. They are easier to mount, easier to shift, and are quieter running. The 3-plow "630" tractor offers more than 38 belt horsepower; the 4-plow "630" offers more than 48 belt horsepower, and the 5-plow "730" Tractor develops more than 58-belt horsepower. All three models can be furnished with gasoline, LP-Gas, or all-fuel engines; the "730" also is available with the same outstanding Diesel engine that set an all-time tractor-fuel-economy record in official tests.

Brand-new fenders with dual lights are available on all three models. These lights are ideal for night work, for highway travel, and are particularly effective when used with four-and six-row cultivators. The lights project brilliant beams ahead of the tractor and also flood the cultivator and immediate work area. The fenders offer greater protection from dust, dirt, and mud and provide a convenient handhold that makes mounting the tractor easier.

# Tahoka Bulldogs Lose Opener To Strong Seminole Indians 30 to 0

Tahoka Bulldogs lost their opening game Friday night at Seminole to the Indians of District 4-AA 30 to 0. Seminole scored once in each quarter. The new two-point conversion rule is in effect this year. The rule gives two points for conversion after touchdown for running or passing the two yards and the same one point as in the past for place kicking.

5 for 30.4	Punts, avg. 's	3 for 26.3	
5 for 45	Penalties	5 for 65	
2 of 4	Fumbles lost	2 of 3	

Tahoka received the kick-off, couldn't move, kicked, and Seminole started scrimmage on their 47. The Indians moved to Tahoka's 25, a jump pass QB Robert

Bice to End Ronnie Norton was good for 18, and on the next play FB Carol Norton went off right tackle to score. He then ran over the conversion. Score, 0-8.

The Bulldogs again failed to move, but late in the quarter covered a Seminole fumble. A few minutes later Tahoka seemed to have a drive underway, nullified by a 15 yard penalty and a leaky line.

Seminole took over on its 25, Tahoka stiffened and forced them to punt, after a penalty to their 13, but a Tahoka had attempted to field the punt at the Seminole 45, fumbled it, and the Indians recovered. That started an Indian touchdown march, a pass QB Jack Bonner to End Paul Guber good for last 23 yards for the score. A pass to End Billy Jones accounted for the conversion points. Score, 0-16.

After the half, the Indians bulldozed 52 yards on nine plays to the Tahoka 9, from which point a pass from Bice to HB Jacky Holton was good for the TD. A jump pass to R. Norton was good for the conversion. Score 0-24.

The teams exchanged the ball in the opening of the fourth, and

### Wilson Mustangs Entertain Plains

Wilson's lost to Frenship 26 to 0 Friday night at Frenship. Coach "Sonny" Watkins, Mustangs show prospects of developing into a fair ball club before launching the Class B conference season.

A fleet halfback, Darrell Hobgood, got away for three of the four TD's one on an 8-yard drive after covering a Wilson fumble, made a 60-yard punt return to set up a 23-yard bootleg play by Quarterback Lynn Harrant, one on a 30 yard gallop after blocking a Wilson punt, and one on a 75-yard broken-field run.

Halfback Paul Henderson was the outstanding ball carrier for Wilson.

Wilson plays its first home game of the season tonight when the Mustangs meet the powerful Plains Cowboys.

### O'Donnell Wins Over Crosbyton

With a season opening victory of 8 to 6 over Crosbyton last Friday at Crosbyton, the O'Donnell Eagles tackle Ralls tonight at Ralls.

Crosbyton Chiefs scored in the first quarter and failed on the conversion try, and in the third quarter the Eagles surged back in the third period on a 55-yard sustained drive, with Halfback Neal Shaw going over to score. Quarterback Tommy Gardenhire carried the ball around end for two points, the winning margin. Then, in the final stanza, the Eagles staved off a Chief threat with Crosbyton in possession on the O'Donnell two yard line as the final whistle sounded.

then the Bulldogs took on new life and looked much better in moving to the Seminole 9, with FB Weldon Calloway going 25 yards around left end, a jump pass QB George Adams to brother End Jerry Adams good for 14. However, a mix-up in the backfield, a fumble, and an incomplete pass stopped the threat.

Taking over on their 16, the Indians moved on consistent gains to the Tahoka 5, from which point Norton went through center for the final score. Place kick conversion failed. Score 0-30.

Tahoka then moved to the Seminole 39, but lost the ball on a fumble.

The heavier Bulldogs lacked confidence, were out-charged most of the time in the line both on offense and defense, and tackling was not too good. Backs failed to run with drive and authority, and blocking needed to be better.

However, all was not so black, if the Bulldogs show a little more fighting spirit in the future. The boys say they know some of their mistakes and intend to profit by them, and nobody can blame a team trying to improve. Most of the experienced boys are playing in new positions this year, and the others just need a little seasoning. Too, they were up against an alert, eager crew, with some hard-charging backs, and the Indians just wanted to win the most. One Seminole boy, FB Norton, was the principal difference, as he accounted for 117 yards on 20 plays.

Halfback Kenneth Stice and End Bill Cain looked good on defense, and Stice and FB Weldon Calloway were the best ground gainers on offense. All the boys playing looked good on occasions, and fans, as well as the coaches, expect them to come about fine as the season progresses.

Billy Tomlinson operated at a halfback post, Robert Cloe and David Copeland also saw action. George Adams operated at quarterback, David Bray was at center, John Hegi and Roy Thomas at guards, Richard Stice and Dean Elliott at tackles, and Jerry Adams and Billy Cain at Ends.

**Phone Directories  
Coming Out Soon**

"It won't be too long before all telephone users, residential and business customers alike in Tahoka will receive new telephone directories for 1958. Claude Adams, District Manager for the General Telephone Company of the southwest announced today.

"Correct initials, names, and addresses are necessary to assure complete and adequate representation in the alphabetical section and the yellow pages as well," he said. The final closing date for making changes or adding new listings in the new telephone directory will be September 26, 1958. Adams urged that all subscribers

wishing to make any changes should call the business office as soon as possible to enable the Telephone company to make the corrections or additions before the new directory is printed.

**Walker Explains  
Cotton Program**

Clint Walker, Lynn county's new businessman director of the Plains Cotton Growers, talked to Tahoka Rotarians Thursday of last week on the effects of the new cotton program as it applies to this area.

Walker pointed out that it now appears cotton must get into the competitive market in order to survive. He said the product is now in competition on the world market through the subsidy program, but it also has to compete on the domestic market with synthetics. The cotton problem is a terrific one, and it is hard to know what to do with it.

The new legislation is not believed to be the entire answer to the problem, but it has achieved the purpose of voiding a major acreage cut in the immediate future, putting cotton more nearly on a competitive basis and retaining farm income protection through maintenance of the parity principle in price supports.

He said Plains Cotton Growers had also been successful in getting and hope to get a better break on this cotton in 1959. Under the loan rate, light spots have been classed as spotted cotton, making a difference of \$36 a bale, whereas hopes are for a difference on light spots of about \$18 in the new classification.

Walker explained the optional plans A and B which a farmer may take and showed how they might theoretically work out on a typical Lynn county farm. Plan B apparently shows an advantage for farmers of this area.

Coach Bill Haralson introduced the first two Junior Rotarians for this school year, Jerry Adams and Robert Cloe, both seniors, who will attend the club during the month of September.

A. M. Bray called for volunteers to haul football boys home after workouts each evening.

Letter Writing Week Oct. 5-11

International Letter Writing week will be celebrated in Tahoka, Texas during the week of October 5 to 11. Postmaster Happy Smith announced today.

Twenty-one years ago, realizing the importance of written communication, the Post Office Department joined in the observance of an annual letter writing week—an event celebrated to emphasize the meaning and value of letter writing as a link between people throughout the world.

It is evident that by participating in both International Letter Writing Week and National Letter Writing Week this worthwhile objective is promoted between all people everywhere.

As we all know so well, a personal letter is next to an actual visit, the most intimate means we have to communicate with our fellow human beings. Letters between our citizens and between people of different nations are a sure method of establishing friendly relationships and understandings.

I urge all citizens of Tahoka to join in this celebration of International Letter Writing Week. And at the same time, don't overlook your friends and relatives in America. Write them a letter too.

Miss Lavender Is Married Saturday

The Sweet Street Baptist Church was the scene for the wedding of Miss Deloris Ann Lavender, daughter of Mr. and Mrs. D. S. Lavender, and Larry Lynn Moore, son of Mr. and Mrs. Howard Moore, Saturday, Sept. 6, at 10:00 a. m.

Rev. Dale Lavender, brother of the bride, performed the double ring ceremony.

Given in marriage by her father the bride wore a gown of Chantilly lace over taffeta with low neck-line, three-quarter length sleeves and short gloves. She had a finger-tip length veil and carried a bouquet of pink roses atop a white Bible with pink and white streamers.

Miss Delilah Randle served as maid of honor. Bridesmaids were Misses Laphane Greenlee and Peggy Burkett.

Best man was Billy Edwards of O'Donnell. Charles Weatherford and Deryl Lavender, twin brother of the bride, acted as ushers. Randy and Marilyn Allen lighted the candles. Karen Dale Moore, sister of the bridegroom, was flower girl.

A reception followed the ceremony in the home of the bride's parents. The serving table was laid of ecru lace over pink and centered with the bride's bouquet. Miss Darlene Pyron served the three tier wedding cake while Miss Nell Ledbetter poured the punch.

The bride chose for her going-away dress a gray flannel suit and pink corsage.

The couple will be at home in Tahoka where the bridegroom is engaged in farming.

W. L. ROWE TELLS OF MID-WESTERN TRIP

Mr. and Mrs. W. L. (Cap) Rowe returned Tuesday from a three week's trip through the Midwest and into Canada visiting 12 states and two Provinces. The Rowes have been tied down on the farm most of their lives, and they greatly enjoyed this trip.

They visited first in Arkansas, then went on up to St. Louis, Chicago, and Milwaukee, where they saw the Braves beat the Pittsburgh Pirates 9 to 1 and visited a huge factory employing 15,000 people; thence they journeyed to Sheboygan, Green Bay, over to Minneapolis and St. Paul.

Then, they visited their newly married daughter, Betsy, and her husband Olie Varhaug in Carington, North Dakota, where a big barn dance was given the newly married couple, as is the custom in that area, and all the neighbors from miles around turned out. They said the occasion was something to see.

The couple then went with them on a trip up into Canada, down through Montana and the Badlands of western North Dakota. Mr. and Mrs. Rowe returned from Carington to Tahoka.

Mrs. Pearl Brown had two of her daughters visiting her last week. They were Mrs. O. D. (Fay) Pierce and Mrs. W. R. (Marie) Sanders and daughter, Donna.

Mr. J. D. Donaldson Sr. was dismissed from the hospital Monday.
