## Improving Bulldogs Play Strong Ralls Team Here

Tahoka Bulldogs have hopes of a victory over Ralls Jackrabbits here tonight after having racked up their first win of the season last Friday at Seagraves 20 to 8.

But, Ralls is reputed to be a tough customer, having won two, tied one and lost one. Ralls defeated Lockney 15 to 0 and O'Donnell 7 to 0, held powerful Floydada to a 8 to 6 score before losing, and was tied by Post 8-8 in a game in which the Jackrabbits whipped the Antelopes every way but in the score.

Ralls features a very strong defense, and is especially powerful in the middle of the line. The Rabbits like to drive through the middle, but have also been developing a versatile running and passing attack.

Probable backfield starters are: David Wheeler, quarterback, 162 pound two year letterman and a senior; Bobby Dennard, 148, junior, at fullback; and Halfbacks James Boydston, 152, senior letterman, and Jerry Smith, 145, sophomore.

Linemen: Wayne Garner, 170, senior letterman, and Jesse Reese, 152, senior, at ends; Tommy Slater, 170, senior letterman, and Billy Edwards, 156, junior letterman, at tackles; Gerald Gray, 189, and Paul Langdon, 187, both senior lettermen, at guards; and at center, Eddie Verett, 145, junior.

Incidentally, last week's line-up as printed on the program lists the above players as weighing all the way from five to 31 pounds less than the lineup of the same boys issued at the opening of the season.

Coach Bill Haralson expects to stick with virtually the same line-up used in past games, except that Larry Spruiell, who showed up so well last week, may see more action on defense if he is sufficiently recovered from a bad cold he contracted last week end.

Anyway, the Bulldogs showed at Seagraves they can hustle and throw up a formidable defense and the game tonight should be a good one, although the local team is a definite underdog.

## Bicycle Club Planned Here

Tahoka Fire Department is sponsoring a drive for members in Tahoka for the American Bicycle Club, according to Dean Taylor, fire marshal.

Principal purpose of the club is to teach safety to kids who ride bicycles. The educational program teaches bicycle riders how to ride bicycles for fun and safety, how to protect themselves in traffic.

Included in the program are such things as an annual barbecue, bicycle races and contests for all ages with valuable prizes for the winners, merit badges for safety accomplishments.

Membership is \$5.00 per year, for which each member receives a membership card, a sticker for his bicycle, the club publication, club pin, insurance which will replace the bicycle if lost or stolen, and other benefits.

All boys and girls or their parents interested may meet with members of the Fire Department at the City Hall Saturday at 4:00 p. m., when the plan will be explained more fully.

## THS Homecoming Set For Nov. 7

The Student Council, football players and ex-student association have set the day of Nov. 7 as the annual homecoming. An earlier date of Oct. 17 had also been considered, but was believed to be too early in the season, so plans are now being made to have a big homecoming Nov. 7 when the Bulldogs meet the Post Antelopes.

Nancy Draper, Marilyn Calloway Carlton Bell and Donald Williams were home over the week end from West Texas State College, Canyon.

## Fund Started For Scoreboard

Football fans and business firms up to Wednesday morning had turned in a total of \$640.50 to the Tahoka football scoreboard fund.

Several workers have additional funds that had not been turned in up to that time as they had not finished their drives.

The new scoreboard was installed this year at a total cost of \$1,453.35, according to Dean Taylor, president of Tahoka Chamber of Commerce, which had underwritten purchase of the board.

Directors of the Chamber of Commerce are receiving contributions. These include Dean Taylor, Otis Spears, C. W. Conway, W. T. Kidwell, Johnny Reasonover, Herman Heck, Clint Walker, A.

## Take Top Honors In Swine Show

Lynn county exhibitors took a big share of the swine honors at the fair. The hog show was declared possibly the best ever held in this area.

In the Chester "White open division, Billy Hatchell of Wilson, showed the grand champion sow, reserve senior champion sow, reserve junior champion sow, senior champion sow, champion barrow, and many of the other top honors.

Two Tahoka youths, John Hegi and Walton Terry took off many of the top honors in the Berkshire open show.

Hegi showed the grand champion sow, reserve senior champion sow, senior champion sow, best mature sow.

Terry showed the champion barrow, champion pen of three barrows, best single barrow, best breeder-feeder litter, and took several other places.

In the Berkshire Junior show, Terry also showed the champion sow pig and the best senior sow pig.

V. P. Carter, Tahoka vocational agriculture teacher, showed a number of winners in the open Poland China show. He had the senior champion boar, reserve grand champion boar, and junior reserve champion sow.

Billy Tomlinson's sow pig placed fourth in the junior Poland China show.

Tahoka FFA Chapter placed sixth in the vocational agriculture exhibits, won by Welch FFA. Tahoka placed ahead of such schools as Tom S. Lubbock, Levelland, Snyder, Brownfield, and Plainview.

County Agent Bill Griffin is again the general superintendent of the Livestock department.

## Theatre Reports Business Increase

George Western, local manager of the Wallace Theatres, Inc., states that last Saturday the local Wallace Theatre had the biggest run of business it has had in several years.

He also received a number of compliments on the improvements recently made in the theatre and its equipment.

Business has been picking up right along at the Rost Theatre, also. Part of this he attributes to the fall season, but he also thinks the booking of late-run pictures is helping. He has a number of top shows booked for the near future.

## WOOD HAS HEART ATTACK

N. E. Wood, prominent Lynn county farmer, suffered a heart attack Friday of last week and has since been a patient in Methodist Hospital, Lubbock. His doctor is reported to have declared there appears to be no permanent injury to his heart and that he should recover satisfactorily. He will possibly be in the hospital at least another week.

MOVIE STAR Smiley Burnette made a visit Sunday in Methodist Hospital, Lubbock, with Donnie Hopkins, 13, of Tahoka, recovering from critical injuries received when badly mangled by a stalk shredder in June near Floydada. Smiley is holding an autographed picture of himself and Gene Autry that he presented Donnie. The youth expects to get out of the hospital this Saturday.

## Donnie Hopkins, 13, Hospital Patient, Enjoys Visit From Smiley Burnette

BY BILL WILKERSON  
Avalanche Staff Writer

It was a big day for Donnie Hopkins, a 13-year-old eighth grader from Tahoka.

Donnie was severely mangled in a farm accident three months ago Sunday and he's been in Methodist Hospital since then.

At first it was believed Donnie would never walk again but his courage—and the skill of the physicians who treated him—have worked "a miracle."

Fell Under Shredder  
Donnie was riding a stalk shredder on a farm owned by his grandparents, Mr. and Mrs. Walter Baxter of Floydada, when he fell in front of the machine and was run over.

The shredder's whirling 5-foot blade cracked his pelvis, chopped two lower vertebra from his spine, tore his spinal cord loose, damaged the nerve that controls his left leg and mangled his left foot. He also received a broken arm.

But although Donnie is learning to walk again, sometimes he feels (Cont'd. on Back Page)

## Training School At First Baptist

The members of the First Baptist Church have attended a Training School this week. Mrs. Pat Crawford taught a book entitled, "Christian Leadership" and a good group of adults and young people attended the class. Rev. Joe Webb, Pastor of the Sweet St. Baptist Church led the intermediates in a study of Principal for Youth and Rev. W. A. Brooks directed a course of study for the Juniors and Primaries as stories were told of Bible heroes.

Mr. Roland Nitcher is the Training Union Director for the new year and he urges every member to be present Sunday evening at 8:00 p. m. for Training Union and the Pastor assures the members that the worship service will be over at 8:00 p. m. Let's have every member present for Training Union Sunday evening.

## Tatum Bros. Buy O'Donnell Elevator

Tatum Brothers have bought an elevator at O'Donnell at which place the same service will be offered as at the elevator here in Tahoka.

All services will be transacted through the office in Tahoka. This purchase makes the third elevator for Tatum Bros., the other two being here and at Wolforth.

Leighton Knox Jr. will be the manager of the elevator in O'Donnell.

## Denver Ford Is Award Winner

Denver Ford, 18, son of Mr. and Mrs. C. E. Ford, Route 3, Tahoka, and one of Texas' most outstanding 4-H club members has been named recipient of one of the State's most coveted awards—Santa Fe Educational Awards. The awards are offered to 4-H club members in connection with the 1958 National 4-H Congress and are provided by the Santa Fe Railroad. The winners will be members of the Texas delegation to Club Congress which meets in Chicago from November 30-December 4.

Judging to determine the winners was first done on the county basis; then the district and finally statewide. Final selections were made on the basis of the member's leadership and achievement, in 4-H; length of membership; participation in community, county, district and state activities; production records and the over-all record submitted by the participant.

Denver has been in 4-H work eight years, starting with a Sears gift. Next he added beef calves to his program, and then cotton production, winning second in the dryland division of the district one year.

He was a member of the 1956 entomology team and was the high point individual in the state. In 1957 he was elected co-chairman of District Two 4-H clubs and supervised two camps. He is currently serving on the Texas 4-H Council. Last month Denver was elected chairman of the Council.

## T-Bar Club Elects New Directors

Bill Griffin and Mel Leslie were elected new directors of T-Bar Country Club at the annual membership meeting held Thursday night in the Legion Hall. They succeeded A. N. Norman Jr. and Frank Hill.

The directors will elect the incoming president and secretary. "Red" Brown is the present president, and Mrs. Melba Clem is secretary. Holdover directors are Brown, Irving Dunagan, Sonny Roberts, Reble Thomas, and Jack Smith.

About 85 attended the meeting, moved to the Legion Hall on account of the rain.

A dinner was served by a committee composed of Mrs. Glenda Dunagan, Mrs. Abbie Whorton, and Miss Echo Milliken, with some of the food being furnished free by Turner Rogers and the rest at cost by C. W. Conway of D & H.

Winston C. Wharton, local businessman who underwent major surgery in a Lubbock hospital two weeks ago, returned home Thursday of last week and now is able to spend a short time each day at Wharton Motor Co.

Mrs. W. A. Nichols was dismissed from the hospital Wednesday afternoon.

## George Mahon Will Be Speaker At Farm Bureau Meet Here Monday

The Lynn County Farm Bureau will hold its annual meeting on October 6, at the Legion Hall in Tahoka at 8:00 p. m. A business session will be held at which time five new directors will be elected. Any member may present a resolution for adoption. These resolutions will then be submitted to the State Convention. This is the method used so that the Farm Bureau can determine what the farmer needs and what the farmer wants.

The main speaker of the evening will be U. S. Rep. Geo. Mahon. Rep. Mahon will talk to the group about the Farm Program and other interests of the West Texas farmer. Texas Farm Bureau president, J. H. West of Bishop, will also be present.

This is the first time that Lynn County has ever had a program of this type and preparations are being made for the best meeting ever held in this county.

Veteran Congressman George Mahon will be speaker at meeting here Monday.

## More Showers Slow Gathering of Crops

### '58 State, County Taxes Are Due

State and county taxes are now due, states J. E. (Red) Brown, Lynn county tax assessor and collector.

By paying these taxes in October, the property owner may take a three percent discount on their state and county taxes. If paid in November, the discount is two percent, and in December one percent.

Those who mail in their tax payments are requested not to forget to include \$1.75 for each poll tax desired. Poll taxes were not included in statement mailed taxpayers.

Poll tax exemptions will be issued to persons becoming 21 years of age after January 1, 1958. Any person 60 years of age, or before January 1, 1958, will be exempt from payment of poll tax.

### Sale of Bonds In Lynn High

Lynn leads all counties in District 5 in its quota of Savings Bonds sales the first eight months of 1958, Truett Smith, chairman of Lynn county's bond committee reports.

Through August, bond sales here totaled \$197,330, or 80.9 percent of its quota of \$244,000. August sales were \$38,360.

Garza county was next percent age wise with 79.9 percent, while Lubbock county has a low 51 percent. Other counties in this district are Cochran, Crosby, Hockley, Terry, and Yoakum.

Texas sales through August were \$118,503,413, which was five percent greater than the same period in 1957.

"Every American investing in U. S. Savings Bonds gets an extra dividend—the satisfaction of knowing that his savings are strengthening America's Peace Power," stated Mr. Smith.

### Warning Given On "Gyp Artists"

Some "gyp artists" have already hit Tahoka this fall, including some boys painting house number on curbs "as a city project" and some "college boys" selling magazine subscriptions who "lack just \$50.00 in sales having enough for a college scholarship."

A number of citizens fell for one or the other of these "pitches." City Secretary Milton Uzzle says no City authority was given anyone to paint such signs, and no permit has been given to "college boys" to sell magazines.

Citizens are warned that the time of year is here when there will be many questionable door to door salesmen and advertising solicitors with all kinds of questionable schemes.

These can be checked easily. The citizen may call for their identification cards or permits of approval. If not sure, call the City Hall or Secretary Otis Spears of Tahoka Chamber of Commerce. The C. of C. has a secret committee whose duty it is to investigate schemes offered by out of town salesmen. When worthy, the schemes are approved and a letter of recommendation given the salesman. When not, they are turned down.

### COTTONSEED DELINTING PLANT IS COMPLETED

The new cottonseed acid delinting plant on the east outskirts of town was being completed and tested here this midweek, and the operators expect to have it in operation by the time this edition of The News is out.

Owners of the new Tahoka industry are E. L. Short, Jack Smith, and Lee Roy Knight.

In spite of more rains and continuing damp weather, 1,343 bales of cotton have been ginned in Tahoka the past week, bringing the total for the year to 3,438 bales up to 10:00 a. m. Thursday.

An estimated 20,000 to 25,000 bales have been ginned in the county.

Grades are holding up unusually well, considering the fact that much, or most of the cotton has been pulled damp or wet. Ginners said the average grade had dropped from middling to strict low middling, however, which represents quite a loss to farmers the county over.

The sun came out Wednesday for the first time in a week, but Thursday morning was cloudy again. A cold wave Tuesday gave farmers a scare and left the fear of an early freeze.

Maize harvest has also been greatly hampered by the damp weather, but so far there have been few reports of grain falling down.

Tahoka received 11 of rain Thursday of last week, .05 on Friday, .28 on Saturday, and a trace on Sunday and Monday, bringing the total for October to 1.41 inches.

Moderate to heavy rains fell over all areas of the county, and in scattered spots farmers are still unable to get in the fields.

Cotton men have been advising farmers not to pull wet cotton since it is impossible for gins to give a good grade turnout when cotton is pulled wet.

Where the rain was heavy, lower grades have resulted but so far not too much spotted cotton has been brought in.

Although the crop is earlier than usual this year, sunshine is still needed on much of it to finish maturing all the bolls.

## O'Donnell Will Vote On Bonds

Qualified voters of O'Donnell will vote Saturday, Oct. 4, on the proposed \$50,000 general obligation bonds, which will enable the city to construct a \$25,000 swimming pool, \$10,000 community house, \$10,000 city hall-fire station and \$5,000 paving.

O'Donnell's present total tax rate is \$1.50 per \$100 assessed valuation. The city's total assessed valuation is \$1,436,025, and the city property is placed on tax roll at 40 per cent of actual value.

O'Donnell has around a four percent debt where most cities its size have about a seven percent debt. These percentages are of the total assessed valuation. It will take 25 years to pay for the improvements.

Citizens of O'Donnell who are qualified to vote are urged to vote on the bond election between the hours of 8:00 a. m. and 7:00 p. m. at the City Hall.

## Pastor Called By Mexican Mission

The members of the Mexican Baptist Mission extended a call to Rev. Jose Tenorio Trujillo of Mexico, City.

Rev. Trujillo will take over his duties as Pastor this Sunday. He plans to move to Tahoka just as soon as he can find a furnished apartment or house. Rev. Trujillo received his training at the Baptist Seminary in Mexico, City. He is married and has one son, age 10. His wife and son are in Mexico City and he plans to return to Mexico City in the next two weeks to bring his family to Tahoka to work with the Mexican Baptist Mission.

The First Baptist Church of Tahoka is sponsor of the Mexican Mission and Mr. Everton Nevills is chairman of the mission work.

Mr. and Mrs. C. S. (Pete) Jolly and Jerry, 14, from Norco, Calif. arrived in Tahoka Tuesday to visit parents and relatives.

## Bulldogs Win First Game — Over Seagraves There Friday Night 20-8

Tahoka Bulldogs won their first 1958 football game over the Seagraves Eagles 20 to 8 there Friday night on a rain-soaked field. Light rain fell intermittently throughout the game.

The Bulldogs played their best ball of the season so far in taking the victory, and for the first time put up a formidable pass defense. Blocking and tackling was good, and the boys looked good on both offense and defense. In fact, if they continue to improve there is little doubt but that they will win many more games.

The Bulldogs held the Eagles cramped by the loss of two of their outstanding players by injuries to four first downs while making 11 of their own.

Tahoka received the kickoff, couldn't move, but neither could Seagraves. Larry Spruiell and Weiden, Calloway blocked Seagrave's attempted punt from their 46 and the former covered the ball on the 7 before being stopped.

Seagraves moved out to the 14, pointed to the 50' and HB Ken Stice returned the ball to the Seagraves 42. Stice, HB David Copeland and Calloway carried in six plays to the Eagles two yard line. Calloway made 1 yard, and then QB Geo. Adams sneaked over for the first score in the third play of the second quarter.

Adams failed to sneak over the ball for the conversion. Score, Tahoka 6-0.

With Seagraves in possession on its own 30 and third down, the Eagles fumbled and Spruiell covered up their 19. Tahoka took just six plays to score. Calloway going the last yard through the line. QB Adams passed to brother End Jerry Adams, who caught the wet pigskin in one hand for the conversion. Score, Tahoka 14-0.

Tahoka got another scoring chance four plays later when the Seagraves punter fumbled the pass from center on fourth down on his own 19 yard line, but Tahoka returned the favor after fumbling on fourth down on the Eagles' 10.

This time the Eagles held the ball for 10 plays but moved only

Tahoka	Seagraves
11 First downs	4
136 Net yds. rushing	171
9 Passing yds.	2
0 Passes complete	1
1 Incomplete	4

3 for 20 Penalties	3 for 20
0 of 7 Fumbles lost	3 of 5

21 yards in the process and a fourth-down pass was incomplete at the half ended.

Opening the third period, Seagraves moved into Tahoka territory to the 46 before failing to make first down on a fourth down and two running plays. After an exchange of punts, End Billy Cain returned a punt from the 50 to the Seagraves 37, and with HB Rich. Cloe now in the game, early in the fourth quarter, Tahoka moved for another touchdown in 14 plays, with Adams again sneaking over from the one yard line. However, on the conversion try Adams slipped down in the mud. Score, Tahoka 20-0.

On the second play following the kickoff, with several Tahoka reserves in the line-up, Seagraves HB Bobby Bullock went through the right side of Tahoka's line, broke into the open, and out ran outside Tahoka tacklers 74 yards for Seagraves only score. QB Jack Freestridge drove over for the conversion. Score, Tahoka 20-8.

A few minutes later, Seagraves covered a Tahoka fumble on the latter's 40, and threatened to score again when they moved to the Tahoka 14, but the Bulldogs held, kicked out of danger, held their opponents again, and that was the ball game.

All the Tahoka boys playing did well in this game, including R. Adams, Calloway, Stice, Copeland, and Cloe, in the backfield; and starters in the line, David Bray, Roy Thomas, John Hegi, Dean Elliott, Richard Stice, J. Adams, and Billy Cain.

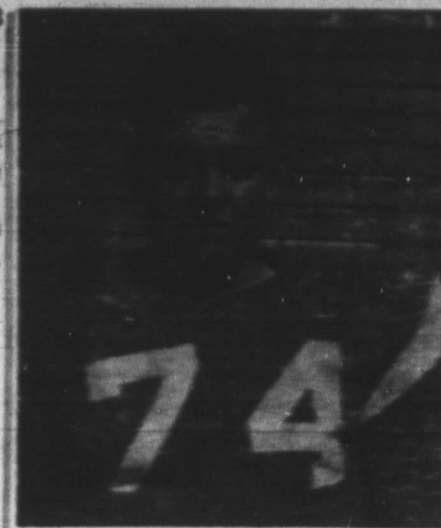

Among the reserves seeing action were Larry Spruiell, who played a fine game crashing through the line defensively to block a punt and to recover a fumble, Ronnie Walters, John Wheeler, Foster Dodgeon, and Freshman Tackle Billy Davis.

### O'Donnell 20 to 0 Winner Over Post

Coach Joe Palmer's O'Donnell Eagles romped to a 20 to 0 victory over Post Annelopes Friday night at O'Donnell.

QB Tommy Gardeshire, passed 25 yards to End Ken White and HB David Besire went three yards through the line for the first TD in the first quarter.

In the third, Gardeshire returned a Post punt 47 yards to set up the second score, and Darrell Dunn went three yards for the TD over right guard. Gardeshire passed to White for conversion to make the score 14 to 0.

A pass, Gardeshire to White, set up the other score in the fourth period on the Post 8, and Besire went around right end for the touchdown.

Post had a long touchdown called back by a penalty in the fourth on a runback of an intercepted pass.

Finis Rogers, Larry James, Dunn, and Gardeshire were the Eagle defensive standouts.

Slaton is at O'Donnell tonight.

### Wilson Mustangs Go To Lazbuddie

Wilson Mustangs have a chance to get in the victory column tonight when they go to Lazbuddie, loser last Friday night to Kress 6 to 14.

The Mustangs lost Friday night at Wilson 14 to 0 to the Petersburg Buffaloes after holding the visitors scoreless the first half.

In the third quarter, Wilson threatened on a drive to the Petersburg 8 on the running of HB Paul Henderson, but was unable to push over the goal. End Jackie Culp caught a 7-yard pass in the third for Petersburg first score and also took a pass for the conversion.

In the fourth, HB Hollis Mahagan plunged five yards for the second score.

### B Team Is Loser To Abernathy

Tahoka B team lost to Abernathy B here Thursday night 22 to 8 in a game that was very evenly played except for the scoring.

An Abernathy back got away in the second quarter through the Tahoka line, and raced 85 yards, and then added 2 points around right end.

With 38 seconds left in the half, End Gerald Short snatched an attempted Abernathy pass in the air and ran 35 yards to score for Tahoka. QB Fred Hegi failed to make the conversion. However, Abernathy time right back with a long pass that carried to the Tahoka 11, and the next pass was good for a touchdown. Score, Tahoka 6, Abernathy 14.

### Meadow Plays At New Home Tonight

New Home entertains the Meadow Bronchos tonight in a home game.

Last Friday, the Leopards lost a free-scoring affair at Whitharral 40 to 22, when they were unable to stop the hard running of the Panthers' Billy Theford and Donnie Polk.

Halfback Nick Ford scored for New Home in the second quarter on a 20 yard run. In the fourth, HB Wesley Dean broke away for scoring runs of 20 and 10 yards, and the extra points were run over by David Cook and Larry Edwards.

### Slaton Juniors Win Two Games

Slaton Junior football teams won two games from Tahoka juniors here Tuesday night.

Slaton Eighth grade won 22 to 6 over Tahoka, grabbing a 16 to 0 lead on three plays, one by picking up a kicked ball before blowing dead and running over the goal, followed by a short kickoff covered and a long pass, plus a two-point conversion.

Tahoka scored on a sustained drive, with QB Larry Forsythe sneaking over the last yard.

Slaton Seventh grade won 26 to 0, featuring the hard and speedy running of one player.

## Haralson Shows Football Film

Coch Bill Haralson presented the program at Tahoka Rotary Club Thursday of last week. He showed pictures of a part of the O'Donnell game to illustrate how the filming of games helps the coaches and team study to improve for future games.

He revealed that it costs about \$42.00 to film each game. When the pictures are re-run, it is possible for the coaches to determine and point out to the boys mistakes as well as the operation of successful plays.

He said Gravel Ayer does an excellent job of filming the games. Funds to pay for filming them are raised partly from the sale of programs at games and the advertising that goes on the programs.

He said another big help to the squad is the practice of business men transporting the players home from school the first three days of the week during football season.

President Otis Spears announced the annual Rotary Institute which will be held in Lubbock Oct. 16, beginning at 9:00 a. m., and the annual Lubbock inter-city meeting planned for that night at Fair Park Coliseum.

Junior Rotarians for the month are Jerry Adams, son of Mr. and Mrs. Jim Adams, and Robert Cloe, son of Mr. and Mrs. Tom Cloe, who,

## Durham's Daughter Attending College

Commerce, Oct. 2.—Mrs. Dorothy Ann Sparks, daughter of Dr. and Mrs. K. R. Durham, is one of eight East Texas State College students practice teaching in Commerce public schools this semester.

Mrs. Sparks, a senior business education major with an English minor, will teach Typing I at Commerce High school.

She is a 1952 graduate of Tahoka High School and is scheduled to receive her B. S. degree in January 1959.

## Congratulations:

Mr. and Mrs. Clifton Brackett on the birth of a son at Rumbos Clinic, O'Donnell, Saturday, Sept. 20. He has been named Charles Ray and weighed five pounds fourteen ounces.

Mr. and Mrs. Jack Manning of Austin on the birth of a son weighing five pounds 10 ounces on Sept. 15, named Mitchell Roy. Mrs. Manning is the former Deanie Edwards, daughter of Mr. and Mrs. E. R. Edwards. Both mother and baby are doing fine, but Mrs. Edwards is still with them.

along with Kenneth Stice, have been elected tri-captains of this year's football team.

James Gayden of Ruidoso, N. M., was here Saturday visiting old friends. He says he and wife expect to move away from Ruidoso to a lower altitude on account of their health.

Charles Walker, who has been an employee of the Soil Conservation Service here, resigned from his post to accept a position with the Texas Butadiene Chemical Co. in Houston.

### Crowning Band Queen Tonight

The half-time activities during the Tahoka-Rails game tonight will be highlighted with the crowning of the Tahoka High School 1958-59 Band Sweetheart. The sweetheart will be revealed when she is crowned by Mickey Owens, drum major. Mickey is the son of Mr. and Mrs. J. W. Owens.

Seven girls, all members of the Tahoka High School Band, were nominated. The band then voted by secret ballot and eliminated the group of seven to the top three girls. Top three girls in the election were Linda Williams, daughter of Mrs. Gussie Williams; Janey Ware, daughter of A. E. (Pete) Ware; and Mary Jane McCord, daughter of Mrs. Lillian McCord. Linda is a junior, has been in the band five years and has been a majorette three years. She was vice president of the band her freshman year and attended band camp three years. Linda is active in F. H. A. and at the present is song leader for the club. She is very active in Rainbows and is guard on the basketball team. She was secretary of her eighth grade class and placed second in a twirling trio.

Janey is a senior and has had six years of band. She was assistant drum major last year and has attended two band clinics. She has also been awarded two first place medals at solo contest. Janey has been F. H. A. reporter, vice-president and is district reporter this year. She was elected class favorite her sophomore year and has been both president and vice president of the choir. Janey was a member of the junior play cast last year.

Mary Jane is a sophomore but has had four years of band, and has been a majorette two years. She is band reporter this year and has attended band camp two years. She is F. H. A. chapter historian and has acted as choir secretary two years. Mary Jane served on the Student Council last year, is a member of the speech club and rated first place in solo (contest twirling).

Eddie Bowman is serving his second year as band director.

Among the books recorded at the American Foundation for the Blind for distribution to America's 350,000 blind people by the Library of Congress is Helen Keller's latest, "The Open Door."

### Bible Topics —

By Leroy Cowan

**THE LORD'S SUPPER**... Read I Cor. 11:23-26. The Lord's Supper is to be observed in the kingdom (Lk. 22:29-30), thus following the establishment of the kingdom or church, we find faithful Christians meeting for the purpose of eating the supper in memory of Christ. Acts 2:42; 20:7.

Both history and the Scriptures bear record of Christians partaking of the Lord's Supper on the first day of the week. It should go without saying that since each week has a first day that there was a weekly observance of the Supper.

Another point well worth remembering is that the Supper is the Lord's not the church's. If it were the church's supper then the church could regulate the elements of the Supper and the frequency of observance. But Supper was instituted by the Lord, not the church. The elements used were unleavened bread and the fruit of the vine. It was to be in the kingdom or church. It was observed on the first day of the week. Changing the elements, or the day and frequency of observing would be presumptuous sinning on our part.

The manner of eating is also vital. To eat unworthily (in an unworthy manner) is to condemn oneself. The manner of partaking is that of "discerning" the Lord's body. We must put our hearts into it.

When sincerely and properly observed, the Lord's supper is a means of spiritual strength—when improperly observed, spiritual weakness is the result.

**CARD OF THANKS**  
Thanks so very much to all you fine friends for your kind words, well-wishes, the flowers, cards and visits. I love every one of you.—  
Mrs. Lillian McCord.

### Congratulations:

Mr. and Mrs. Winfred W. Walker, Amarillo, on the birth of a son, James Weldon, Wednesday, Oct. 1 at 3:30 a. m. He weighed seven pounds eight and three-quarters ounces. James has two big sisters, Margaret Earlene and Janet Lea. Walker was formerly educational director of the First Baptist Church here and is now educational director of the Temple Baptist Church in Amarillo.

Mrs. Lillian McCord, Tahoka school nurse, who underwent major surgery in a Lubbock hospital two weeks ago, was able to come home Thursday of last week and is recuperating nicely. She hopes to return to her work in about a week.

Mrs. Harvey Pyburn was a patient in the hospital Sunday night.

Nancy Bailey has been a medical patient in the hospital.

The braille system of raised dots for reading and for printed material was evolved by Louis Braille, frail young Frenchman who was blind himself and who did at the age of 43, in 1852, according to the American Foundation for the Blind.

Texas has about 6,500 oil producing firms.

### Lynn County Soil Conservation District News

ROY L. WILLIAMS ELLIS BARNES  
 O. E. TERRY W. L. (Cap) ROWE  
 ELMER BLANKENSHIP

**Conservation Thought**  
 The wind will be ready next spring. Will you?  
 The annual election for a supervisor in the Lynn Soil Conservation District Sub Division 5 will be at the New Home Community Club House with the New Home Civic Club as host. The election starts at 7:00 p. m. Monday, Oct. 6, 1958. Every farmer and land owner in this sub-division is invited and urged to attend and vote.  
 Sub division 5 of the Lynn SCD cover the NW 1/4 of Lynn county, except the area forming a rectangle 7 miles west and 5 miles North of Tahoka bounded by U. S. Highway 380 on the South, U. S. 87 on the east, Lubbock county line on the north and Terry county line on the west. This position is currently held by Roy Lee Williams of Lakeview. Other supervisors from that part of the district have been Kay Moore and Lloyd R. McCormick.

**Everyday Religion**  
 By J. B. Thompson  
 All readers of Charles Dickens' story, "Bleakhouse" will remember little Joe, who was trying to sleep in a London alley. A big policeman comes along, turns his lantern on little Joe and gruffly commands: "Move on out of this—you can't sleep here." Little Joe replies, "I have been moving on ever since I was born." But the officer grunted, "I can't help that—move on again." Then little Joe asks, "But where to?"  
 That is a parable of our race. Life prods us on whether we like it or not. We cannot quite settle down and stay put. No sooner do we fix up a snug philosophy or fashion of final faith than we hear a voice, not of a policeman, but of God himself, telling us to move on. Where to? Out beyond the margins of the mind, beyond the dim edges of our thought and faith into deeper mysteries, larger outlooks and richer and more revealing insights.  
 Our own lives move onward at a rapid pace. A day arrives when we realize that youth is gone and we move on out of the rosy glow of morning into the glare of noonday where we must take our place and bear our load. Soon comes another day, after heavy years, when we wake up to the fact that life is far spent and old age is creeping upon us, and we move on down the hill toward the sunset.  
 No one needs to be told of another day which soon or late must come to all, when we are told to lay down our tools and move on. Where to? Out of the finite into the infinite, out of frail mortality into "the one vast life that lives and cannot die," as a soldier poet told us.

**Crop Residue Utilization**  
 Crop residue utilization, leaving the stubble on the surface of the soil through the critical blow season of the year or around April 1st, is becoming very wide spread in the South Plains. Most farmers apply this practice by leaving the stubble standing until time to prepare the land in the spring. In cases where residues alone are inadequate to protect the soil, tillage operations such as sweeps, chisels or listing between the stubble rows will leave the residue on the surface and also give roughness to the soil surface which helps to control wind erosion. These residues also aid in helping hold soil moisture by cutting down on evaporation. This is a practice that should be included in every farming operation. Not only does it aid in wind erosion control but helps cut down the expense of mechanical operations to control wind erosion. Properly managed residues, when used in conjunction with a crop rotation system can only mean more and bigger profits.  
 Many farmers carry this practice farther by using sweep type equipment and keeping the residues on the surface throughout the year. The mulch formed from this type of operation aids in prevention of soil erosion, compaction and evaporation of soil moisture as well as furnish protection to new seedlings. Although this requires some special type equipment, farmers of the Great Plains who have used this system feel that it will pay off quickly in less damage by wind or water, better crops and fewer mechanical operations.  
 Mr. Guion Coyb states that his

cotton burrs applied on top of the land and chiseled is averaging 30 pounds more of seed cotton on the first picking than on the land where the same amount of cotton burrs were turned under. Mr. Cobb is keeping complete records to show which management practice will give the greatest return.  
 Conservation is preservation.

## Former Citizens Will Have Anniversary Open House Here

Mr. and Mrs. E. J. McCrary, former residents of Lynn county now of Fort Worth, will celebrate their Fifty-fifth Wedding Anniversary Sunday, Oct. 5, at the home of Mr. and Mrs. Charlie Lichey, Wilson.

Both Mr. and Mrs. McCrary were born in Comanche county. They were married in Bibb, Tex., Oct. 1903. The couple came to Lynn county in 1928 from Fisher county. They had five children—two boys and three girls.

The children are R. W. McCrary, Donnell; Mrs. George Holden, Spring; Mrs. Charlie Lichey, Wilson; Mrs. Bill Giles, Fort Worth; and Mrs. R. J. Caster, Dallas. They have 13 grandchildren and four great-grandchildren. Mr. and Mrs. McCrary have been here for six weeks visiting and decided that it was such a short time until their anniversary that they extended their stay so they could celebrate with their children. They will celebrate on Sunday instead of Wednesday, Oct. 1, as they can be with the entire family.

## BRIDGE WINNERS

Winners in duplicate bridge at Bar Country Club Tuesday night were: Mrs. Bill Lumsden and Mrs. Johnny Wells, first; Mrs. D. W. Wharton and Mrs. W. C. Wharton, second; and Mrs. J. T. Whorton and Jack A. Robinson, third.

Oil is produced in 195 Texas counties.

## O'Donnell Host To District FHA

The annual meeting of Future Homemakers of America District III was highlighted by a speech by Rev. W. G. Burton, pastor of the First Baptist Church of O'Donnell, in a meeting Saturday morning in the O'Donnell High School auditorium.

Rev. Burton spoke on the subject "Love, Courtship and Marriage." John Orner, superintendent of O'Donnell Schools, and O'Donnell Mayor Jimmy Forbes, also gave brief speeches of welcome. The meeting was attended by 12 area FHA chapters. Those represented were Brownfield, New Home, O'Donnell, Plains, Seminole, Tahoka, Stanton, Wilson, Lamasa, Dawson, Ackery and Klondike.

Sarah Prather, district president and member of the O'Donnell chapter presided. Marchita Wood, O'Donnell, and Sharon Applewhite, Tahoka, were nominated for the area offices. The area officers will be elected in the spring. The theme of the meeting was "FHA in Orbit," and decorations were carried out in a space age manner.

A book review was given in the afternoon by Mrs. Madeline Hegl, state honorary FHA member of Tahoka. Entertainment was provided by talent groups from the O'Donnell, Tahoka, Plains and Ackery chapters.

The O'Donnell chapter served as hosts and arrangements for the meeting were directed by Mrs. Fred McGuire, O'Donnell FHA advisor.

## Walther Leaguers In Social Meeting

Twenty-five Walther Leaguers from Wilson went to Lubbock Sunday and attended the movie, "The Hunters." This was planned as the Sept. social.

Those attending were Hubert Tiener, Bobby and Jereleene Wied, Shirley and Sarah Behrend, Margie and Charlene Talkmitt, Nancy and Alan Wuensch, Geneva and James Wuensch, Jimmy Gickhorn, Kathlene Heinemeier, Darlene and Walter Menzen, Ronnie Joe and Roy Nolte, Lawrence, Norman and Carolyn Luker, Donald Herzog, Mike Moerbe, Mary Ann Handrick and Melvin Lehman.

## Mrs. Willis McNeil Shower Honoree

Mrs. Willis McNeil was honored with a pink and blue shower Thursday, Sept. 25, in the home of Mrs. Jack Smith.

Hostesses for the event were Mrs. Jack Smith, George Glenn, H. B. McCord Jr. and Jack Brice. Refreshments of coffee and cookies were served.

from The World's Most Widely Used Devotional Guide

## The Upper Room

© THE UPPER ROOM, NASHVILLE, TENNESSEE

If any man will do his will, he shall know of the doctrine, whether it be of God, or whether I speak of myself. (John 7:17.)

Late one night I walked alone on a narrow path through a gloomy forest and swampy land. In my hand I held a flashlight which lighted my way a few steps at a time. Without that light I might have lost the way.

We all are wanderers along the path of life. Those who spend their lives without paying any attention to the Bible may be compared with a wanderer in the dark and having no light. Whosoever chooses God's Word for his guide goes his way in the light, for God is light. The Bible teaches us to walk in the light.

God's Word guides us to knowledge of truth and righteousness. By reading the Bible frequently, the Word opens to us. It gives light and understanding to the simple-hearted, to those who have childlike faith.

## PRAYER

Dear Father; we thank Thee for Thy holy Word. Help us to find in it inspiration, strength, and light for the living of this day. Give us the taste for Thy Word, so that we may be able to acquire strength and light from it. Use us to spread the light of Thy Word to others; through Christ, Thy dear Son. Amen.

## Hopkins...

(Cont'd from Front Page)

he's missing out on things... "Sure wish I could go to the fair," Donnie told his mother, Mrs. Ray Hopkins, Sunday morning. "I'd like to see Smiley Burnette." "Old Frog," as Burnette is known to the thousands of children who have watched him in movies and television shows, is to appear at the Panhandle South Plains Fair today.

"Well," Mrs. Hopkins replied cautiously, "perhaps we could get him to come to the hospital and visit you."

Mrs. Hopkins is a woman of determination. She didn't know how to arrange the visit but after several telephone calls she found herself talking to Homer Hunt. She'd been told Hunt was a vice president of the fair so she told him about Donnie and the boy's wish to see the widely-known comedian.

About 5 p. m. Sunday there was a quiet tap on the door of Donnie's hospital room.

The door opened and there stood Frog, wearing his trademark, the battered, dusty turned-up-in-front black hat.

"Hi there, Donnie," Frog said gently.

Donnie's smile was a thing of beauty. The boy could hardly believe his eyes.

"Gosh," Donnie said and gulped.

Burnette came to Donnie's bed, smiled down at the boy, then shifted his vocal cords into "growler" to display another of his trademarks.

"My, My My," Frog roared in an impossible low bass.

The actor plopped down in a chair beside the boy's bed. Oblivious of the gathering crowd in the small room—and in the hallway outside, he struck up a lively conversation.

"How old are you, Donnie?" Frog asked.

"Thirteen."

"You married yet?" The question broke up everyone in the room and speeded the departure of Donnie's shyness.

**Tells Of Own Children**

Burnette proudly told Donnie about his own children, four youngsters from 13 to 22 years old, all of whom were adopted.

"I saw you riding a motor scooter in a movie the other day," Donnie recalled.

"Was it the one where a Mexican boy and I were riding together and neither of us knew how to drive? Or was it the one where I ran the motor scooter off in a lake?"

"No, it was the one where you ran out of gas," Donnie replied.

"Oh yeah, that one," Burnette remembered.

Later the actor produced a picture of himself and Gene Autry, the famous movie cowboy who was Burnette's partner in so many films.

"Would you like to have one of these?" Frog asked Donnie. When the boy replied enthusiastically, Burnette replied, "Well, I'll autograph it with my name and Gene's because I know he'd like you to have it."

Burnette signed the picture: "To Donnie from Frog and Gene." He drew a cartoon figure of a fat little frog beside his signature.

His easy-going manner and his knack with children having won staunch friends, Burnette departed. Long after he left, Donnie still was staring intently at the picture.

All of Donnie's friends will be thrilled to know that he will be dismissed from the hospital this week end.

## Tailoring Class Starts Monday

A night tailoring class will get underway Monday night, Oct. 6, according to Mrs. Madeline Hegi, instructor. Mrs. Hegi is beginning this class so that the women who work and cannot attend the afternoon class may have a chance to take a tailoring course.

The class will begin Monday night at 7:30 p. m.

Six or eight nutrition books have been loaned to ladies of the surrounding area who participated in the nutrition course at school. Mrs. Madeline Hegi states that the books now need to be returned as soon as possible so that the high school students may start on their nutrition course. Please return them at your convenience.
