Man Killed In Elevator Mishap

J. C. (Jake) Thomas, 27, Tahoka Negro laborer, died as the result of a tragic accident at Tatum Bros. Elevators here Friday when the retaining wall between two elevator bins collapsed. Thomas, who was engaged in cleaning out one of the bins was covered with an avalanche of grain and concrete.

Scores of men worked continuously before recovering the body 10 hours later. The accident occurred at 3:30 p. m. Friday and the body was recovered at 1:20 a. m. Saturday.

Junior Hardt, an employee of the elevator company, who was supervising the cleaning of the bin, said he had just climbed off the bottom to some bars slightly above ground level. He heard a crackling noise, and yelled to Thomas, in the bottom of the v-shaped bin, but it was too late. Hardt escaped through a window in the north end of the bin into another bin and called for help.

Leighton Knox, manager of the firm, said the concrete foundation between this bin and another full bin to the west gave away, the wall buckled, and grain from the filled bin poured into the empty one on the top of Thomas.

Tahoka Fire Department, county and city officers, and many volunteers rushed to the scene. They worked continuously to free the man, but the adjoining bin had to be emptied to prevent more grain from pouring in before the bin in which Thomas was trapped could be emptied. Grain augers were used to empty the bins and the grain hauled away in trucks. Concrete blocks from the broken foundation had to be removed through a hole cut in the east side of the elevator bin before they could get to Thomas.

Martin White of Stanley Funeral Home said Thomas' neck was broken, and there were possible arm fractures and internal injuries. It is believed he died almost instantly.

Thomas had been an employee of the elevator only about three weeks, and previous to that had been employed by Paul Pittman Gulf Service for a long time.

He came to Lynn county in 1939 from Milam county. He is survived by his mother, Mrs. Minnie Smith, and step-father, Prince Smith, both of Tahoka; two sisters, and two brothers.

Funeral services were held Sunday at 3:00 p. m. in Pleasant Grove Baptist Church with Rev. W. H. Hicks officiating, and burial was in the local cemetery under direction of Stanley Funeral Home.

Alvin White, 36, Dies In Wreck

Alvin White, 36, a native of Lynn county, died in St. Anthony Hospital in Amarillo at about 9:00 p. m. Monday from injuries received in a car accident 35 miles northeast of Amarillo on Highway 136, near Fritch.

Funeral services were held Wednesday at 3:00 p. m. in the First Methodist Church of Tahoka with the pastor, Rev. J. B. Thompson, officiating, assisted by Rev. W. A. Brooks, pastor of the First Baptist Church. Burial was in Tahoka Cemetery under direction of Stanley Funeral Home.

Charles Alvin White was born at Tahoka on February 9, 1922. He attended the Tahoka schools, lettered on athletic teams, and graduated in the spring of 1939.

He was a veteran of World War II, and went through the campaigns through North Africa, Sicily, and Italy with the U. S. Army.

He was married on December 25, 1944, to Miss Billie Greer, daughter of the late Wes R. Greer of Grassland and Mrs. Greer, who now lives in Slaton. The couple lived at Muleshoe and Dimmitt before moving to Amarillo about a year and a half ago. He was a salesman for an Amarillo wholesale house. Alvin was a member of the Methodist Church.

Monday night he was returning home alone from his route when (Cont'd On Back Page)

1,000TH TELEPHONE in Tahoka has been installed in the home of Mr. and Mrs. Billy Byrd, 1405 N. Third, by General Telephone Company of the Southwest, according to Claude Adams, district manager of the company. In celebration of the event, Mrs. Byrd received a pen set with a miniature colored telephone as its base for being the 1,000th customer served out of the Tahoka exchange. She also received a free long distance call to Greenville. Present for the presentation were Adams and Roy Priest of Brownfield, division commercial superintendent.

Child Dies Of Accident Injuries

Raymond Rocha, 6, son of Mr. and Mrs. Frank Rocha of Route 1, died at 6:15 a. m. Wednesday in Methodist Hospital, Lubbock, from a brain injury received Saturday on the west side of the square in Tahoka when he was struck by a car.

Investigating officers said the Rocha boy was playing around some cars in the center of Sweet Street when the left front bumper of a passing car struck him. The accident was at about 4:00 p. m.

He was taken to Tahoka Hospital and for a while was not believed to be seriously injured. Saturday night he began to hemorrhage, and was rushed to a specialist at Lubbock. Brain surgery failed to save the little fellow's life.

Funeral services will be held at 4:00 p. m. Saturday in St. Joseph's Catholic Church, Lubbock, and burial will follow in Catholic Cemetery there under direction of Stanley Funeral Home.

The Rochas work for Lee Roy Knight and live eight miles east of Tahoka. Raymond was born here on June 28, 1952.

Survivors include the parents; four sisters, Rosie, Frances, Dora Marie, and Annie; and three brothers, Marla, Refugio, and Frankie.

City Increases Sanitation Bills

Beginning with this month, City of Tahoka sanitation bills will be raised 50 cents for residences and \$1.00 for business institutions, City officials state.

The charges are being increased to make the collection of garbage and trash self-sustaining and to get around the necessity for an increase in taxes.

The additional revenue is necessary to meet payments of the \$50,000 bond issue voted a few months ago to secure right-of-way through the city limits for the new US 87 four-lane expressway.

STANLEY CRITICAL

Chester L. Stanley, local jeweler and second hand store operator, is reported to be in very critical condition in the Big Spring Veterans Hospital and little or no hopes are held for his recovery, according to his father, who is operating the store. Mr. Stanley has a wife and two children.

Aaron Zedlitz, 22, reared in Tahoka, has been added to the Tahoka Police force to help out Chief Jack Miller and Argyle McNeely because of the "rush of business."

Work On Four-Lane Highway Is Started

Work has been started on the drainage structures by the contractor for the new four-lane expressway on US 87 between Tahoka and O'Donnell.

Forms for concrete culverts are being constructed, and work on the project is expected to increase in tempo in the near future.

Two new lanes will be constructed, and the two existing lanes will be rebuilt or reconditioned along the entire route, Resident Engineer A. W. Partain of the State Highway Department, informs The News.

Gilvin-Terrill Co. of Amarillo was awarded the 12-mile road construction contract in September on a low bid of \$649,364.36. The entire project will be paid for by the State and Federal governments, except the additional right-of-way required, which was bought by the county.

All fences have been set back, the gas lines of Pioneer Gas Company moved, and all utility lines set back except for one or two short stretches.

Grade and drainage structures will be completed this winter, and the caliche applied. The schedule calls for topping of the road next summer.

Mrs. Jack Reynolds Accident Victim

Mrs. Jack Reynolds, 57, of West Point, has been in a Brownfield hospital since Saturday in a serious condition with a broken hip and complications as a result of shock and exposure.

Saturday afternoon at about 5:00 o'clock, while alone at home near West Point, during the light rain, she slipped and fell on the porch and was unable to get back in the house.

Her husband, Jack, was in Tahoka and found her when he returned home at 6:30. The Tahoka ambulance was out on a call, and he and George Hill, who came by, were unable to get an ambulance to carry her to the hospital until 9:20, when they arrived at the Brownfield institution.

Although they kept her covered with quilts, the exposure during the light rain which was falling had a bad effect.

Passenger car advertisers invested over 13 per cent more in newspaper advertising in 1957 than in the previous year.

Damp Weather Delays Harvest

In spite of six days of damp weather, Tahoka gins have handled a total of 2,350 bales of cotton the past week to bring the season's total to date to 8,825 bales.

This would indicate that Lynn county has ginned approximately 13,000 bales so far this season.

Most local cotton men are estimating that the crop will run 150,000 to 160,000 bales, barring weather or which would severely waste open cotton. This is 25,000 to 30,000 bales more than the estimate being made by Lubbock "experts".

The price is holding up fairly well in view of the damp weather, ginnerers declare.

The damp weather has also slowed down the harvest of one of the largest maize crops in the country's history.

Cotton yards, were jammed Saturday when the damp weather began, and the return of sunshine Thursday gave prospects that gins will again be far behind if the sunshine continues a day or two.

Only 24 inch of moisture was received during the six-damp days, however, which, added to .06 received Oct. 2 and 3, brings the year's total in Tahoka to 15.61 inches.

Cotton harvest in the south part of Lynn county is reported to be 40 to 50 percent complete, and O'Donnell has ginned in excess of 12,000 bales.

However, in the north part of the county, much of which is irrigated, some declare the harvest is not much more than 20 percent complete. Central part of the county will probably range between these two figures.

Dryland cotton, in most cases, is turning out much more per acre than most people had originally predicted. Many farmers are pulling a half bale or more the first time over.

Due to the shortage of hands, many farmers have defoliated their cotton and will get it with mechanical pullers. This is especially true in the New Home and Wilson areas, where there are few braceros.

Local Police Get Man With Liquor

Utah Cooley of Lubbock was picked up here Saturday afternoon by City policemen and charged with illegal liquor transportation, and was fined \$250 and costs in the court of Justice of the Peace C. A. Clem.

Chief Jack Miller, who made the arrest, said Cooley had two 16 gallon drums of beer, five cases of beer, and a 4-5's of liquor.

Battle of Bulldogs Opens District Play

Tahoka Bulldogs open District 3-AA conference campaign here tonight on Kelley Field with the up-and-coming Spur Bulldogs, ranked next to Floydada as the possible favorite for the district title.

Next week, Tahoka boys have an open date, which they need very much to recuperate from injuries.

Coach Bill Haralson's boys enter this game in possibly the poorest state physically of any game played this season. Halfback David Copeland is out with a knee injury, Fullback Weldon Calloway may see no action due to a leg injury, Halfback Kenneth Stice has shoulder trouble, and Halfback Billy Tomlinson is still nursing a knee injury. Several other boys, including Ronnie Walters and Larry Spruiell, have bruises that prevent top performance.

Although the home boys have the proper attitude, they have shown a weakness for stopping crucial plays for long gains. Pass defense was much improved in the Abernathy game, in which the Antelopes had 13 incomplete. The boys say they will give Spur their best.

Coach Bill Henry's Spur Bulldogs include four-starters and five other lettermen returning this year from last season, but the team has been coming along rapidly. Last week, they held Quanah, ranked as one of the state's top Class AA teams, to a 32-20 score. They lost their opener to Abernathy 20 to 8 and were later tied by Anson 14-14. Spur has won over Hamlin 28-14, Matador 43-20, and Crosbyton 22-14.

Addition To School Contract Awarded

Contract for the addition to South Elementary School building was let by Tahoka School Board Tuesday afternoon to Hunter Bros. Construction Co. of Lubbock for a total price of \$47,335.00. Six other firms bid on the project. DeWitt & Maeker, also of Lubbock, are the architects.

The new addition will contain four class rooms and a combination dark room for showing movies and playroom for first grade children during bad weather.

Built on to the east end of the present building, the addition will blend with the older structure but will be somewhat wider.

The four classrooms are specially designed for first grade classes, have closets, lockers, and private boys' and girls' rest rooms in each room. Each will be 23 by 30 feet in size. With two rooms on each side will be the 20 by 88 foot combination hallway, darkroom and playroom.

Overall dimensions of the addition will be 68 by 78 feet, but taking out for off-sets, there will be about 4,600 feet of floor space.

Funds for the building are a portion of the \$200,000 bond issue voted last winter for school improvements.

Already completed is the modern Dunbar School at the cost of \$11,800.00.

School District Secretary J. M. Small states the board expects to open bids next January 15 on the construction of the new gymnasium and physical education building to be located immediately north of the high school building. Contract was to have been let last summer, but because of the building and construction market the board decided on recommendation of the architect to wait until winter starts to call for bids.

Sup't. Spears states the addition can not be finished too quickly, as rooms at the school this year are almost unbearably crowded because of the increased enrollment.

Wilmer Smith On National Board

Wilmer Smith of New Home has been named by Secretary of Agriculture Ezra Taft Benson as a member of the Cotton and Cottonseed Research and Marketing Advisory committee to the U. S. Department of Agriculture.

For a number of years, Mr. Smith has been prominent in local, state, and national agricultural affairs, and the non-political appointment comes in recognition of the esteem with which opinions are held in Washington.

Made up of about 11 members, the committee is strictly non-political but is set up as a working body. His term is for two years, but he is informed he may expect the term to extend to six years, which is the custom in order to rotate membership thereon.

Membership of the committee is made up of producers or their representatives, processors, distributors, and research men, and representatives of the State Departments of Agriculture, State Experiment Stations or Extension Services.

The committee makes recommendations to the U. S. Department of Agriculture regarding production, utilization, and marketing research programs and certain aspects of the marketing service and educational activities. It deals with many problems of producers, processors, distributors, and consumers, Mr. Benson writes Smith.

Mrs. Wilmer Smith At National Meet

Mrs. Wilmer (Lola) Smith of New Home, president of the Texas Home Demonstration Association, this week has been attending the National Home Demonstration Association convention in Wichita, Kansas.

Mrs. Smith left Saturday for the meeting, attended a dinner meeting of the national board Sunday as Texas' official delegate, and sessions of the convention Monday through Wednesday.

She was one of 25 ladies from the state of Texas attending the convention.

HERMAN HECK TAKES POSITION IN LUBBOCK

Herman Heck, manager of Shamburger-Gee Lumber Co. here for the past several years, has resigned and accepted a position in Lubbock as assistant manager of the Morrow-Thomas Hardware Co., a wholesale firm.

Mrs. Heck says they like Tahoka so well that they do not expect to move to that city, but Mr. Heck will drive back and forth to his new work.

N. E. Wood, who recently suffered a heart attack, is now improving very nicely and is able to come to town occasionally.

General Installing Dial Equipment

Installation of the most modern dial equipment for Tahoka's future unattended dial system began October 6, according to Claude Adams, district manager for the General Telephone Company of the Southwest.

The district manager stated that this equipment, the latest in design, will provide greatly improved telephone service to customers in Tahoka. The new dial equipment will allow customers in this area to dial directly to the desired numbers, without the assistance of an operator, hence permitting a much more rapid completion of all local calls.

Company plant personnel will be assisted in this installation by a team of technical experts who specialize in the installation of this type equipment, said Adams.

Mrs. T. J. Jackson Dies At Hobbs

The News received a report this week that a former resident of Tahoka, Mrs. T. J. (Hannah) Jackson, 73, passed away Thursday of last week in a Hobbs, N. M. hospital.

She and her husband resided in Lynn county about 35 years before moving to Hobbs 14 years ago. All of her children live in Hobbs except for one daughter who lives in Alamogordo. She is also survived by many grandchildren and great-grandchildren.

A number of Tahoka people attended the services in Hobbs.

Mrs. Mary Stewart was admitted to the hospital Wednesday as a medical patient.

Rev. Sidney Knox Dies In Lubbock

Rev. Sidney C. Knox, 34, brother of Leighton Knox, manager of Tatum Bros. here, died at his home in Lubbock Monday a little after midnight from a malignant ailment.

Funeral services were held Thursday at 2:00 p. m. in the First Nazarene Church of Lubbock, with the general superintendent of the Church of the Nazarene, Dr. Harry C. Powers of Dallas, officiating, assisted by other Lubbock Nazarene ministers. Burial was in York Memorial Park.

Rev. Knox and wife had spent two years in New Guinea as missionaries, being among the first to carry the Gospel to the natives in the highland country. They established a mission school for boys and a hospital. Then, he developed cancer of the intestinal tract, and underwent surgery at Fort Meade. He seemed to be recovering nicely and had been back at his work two or three weeks when he was stricken again. He and his wife and children were flown to San Francisco and thence to Lubbock, all hopes having been abandoned for his recovery.

He is survived by his wife and two children, Geron Murray, 5, and Jane Marie, 16 months, his parents, Mr. and Mrs. W. F. Knox, 181 Vernon, Lubbock; three brothers, Raymond and Murray of Lubbock and Leighton of Tahoka; three sisters, Mrs. Harris Milligan of Amarillo, Mrs. Lt. Col. Lewis L. Treadwell of Germany, and Mrs. Melvin Patterson of Abernathy.

Biblical Lecture In Slaton Tuesday

"History in the making" says Together Magazine of the color picturals of "The Twelve Disciples and Women of the Bible" of Signe Richards, nationally known, lecturer-artist who is to speak Tuesday, Oct. 27, at 7:30 p. m. at the Methodist Church in Slaton.

Mrs. Richards, on a cross-country speaking tour, comes directly to Slaton from Oklahoma City for her first Texas talk, and gives a dramatic portrayal of her story that was 10 years in the making, according to J. B. Sharp, Slaton pastor.

She started her project of photographing and painting when something inside her kept telling her that among the men she was seeing on the streets in everyday life were counterparts of men known by Jesus for his followers.

A teacher of art and photography, Mrs. Richards is a conscientious student of the Bible, and over a period of ten years made a world-wide search for subjects to pose. Her original photo-paintings, which she brings to Slaton, are a triumph of her art, coupled with her lecture, the world of art.

Admission to the program is free.

Pastor G. W. Heinemeier of St. Paul's Lutheran Church of Wilson says they had a capacity crowd at the installation of the new pastor, Rev. Harold Kaestner, of the First Lutheran Church in Lubbock Sunday. Rev. Heinemeier has been helping out at the church until the new pastor arrived.

Piano pupils of Mrs. Edgar Hammonds will be presented in an informal recital Sunday afternoon, Oct. 19, at 3:00 p. m. at the Assembly of God Church. The public is cordially invited to attend.

More automotive advertising dollars are invested in newspapers than in any other medium.

Bulldogs Lose Final Non-Conference Game To Abernathy Antelopes 46-6

Tahoka Bulldogs last Friday night at Abernathy played the Antelopes a fine 8-0 first half, but then the roof caved in for Tahoka and the District 2-AA team picked to go a long way in the state playoffs rolled up the touchdowns for a 46 to 6 victory.

Except on two Abernathy plays, the Bulldogs did a fine job in the first half, but injuries of several Tahoka boys coupled with fumbles and miscues gave Abernathy the opportunity it needed in the third period, and from then on out it was just a matter of time.

FB Weldon Calloway went out near the end of the first quarter with a leg injury, and HB David Copeland, who received a knee injury in the third, will be out for several weeks. Several other boys were also nursing injuries received previously or in this game, including HB Kenneth Stice and Center David Bray.

Most of the first quarter was largely a defensive battle until Abernathy took over on its own 43 late in the period. Three plays netted only 8 yards. Then, on a fake punt which pulled Tahoka out of position, HB Jimmy Gregg, who carried the ball for 176 yards in the game, broke away to the Tahoka 31. Six plays later the Antelopes were on Tahoka's 18 when HB Gerald Watson ended up with the ball on a tricky reverse and went over for the only score of the first half. QB Lane Tannehill passed to End Neal Humphrey for the conversion. Score, Abernathy 8-0.

Tahoka put up a fine defensive stand in the second quarter, and End Billy Cain kept Abernathy back with two good punts, one for 41 yards.

Opening the third quarter, FB Danny Miller brought the kick-off to the Abernathy 42. On the next play, Gregg broke over his right

tackle and dashed 58 yards to score. Tannehill passed to Watson for the conversion. Score, Abernathy 16-0.

Tahoka fumbled on its own 18 on the first play after the kick-off, and Freshman Center Larry Florence, 205, covered for Abernathy. Six plays later, Miller went two yards over right guard to score. A pass to Gregg was good for the conversion. Score, 24-0.

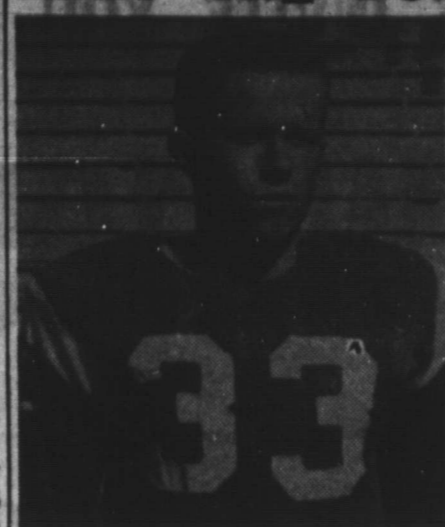

Late in the third, Tannehill found End Pat Atteburry away down field and tossed a pass to him the play good for 56 yards on Tahoka's 15. On fourth down, Gregg went six yards to score over right guard. The conversion failed. Score, 30-0.

Stice and Halfback Robert Cloe and Ronnie Walters and QB George Adams moved the ball out to the Tahoka 39, and it was then on the second play of the fourth quarter, that Kenneth Stice broke through the line and raced 61 yards in a fine run for Tahoka's only score. Attempted pass Adams to End Jerry Adams was incomplete. Score, 30-6.

Three plays after the kickoff, Tannehill again saw Atteburry down field and passed to him complete for a touchdown, the play going 54 yards. He passed to Watson for the conversion. Score, 38-6.

Later in the quarter, Tackle Richard Dubose covered another Tahoka fumble on the Tahoka 46. Four plays netted the Antelopes 11

yards, but they lost 11 on the next on a fumble. Then, Gregg broke over right tackle and again ran 46 yards for the final score. A pass to End Mike Richey was good for the extra points. Score, 46-6.

With mostly B-team boys in the game, Tahoka rolled up four first downs in a march to the Abernathy 26 before the game ended. Included in the futile drive were a pass to HB Jerry Hays and two to HB Walters, who also ran for 10 yards on two plays.

Not counting conversion passes, Tahoka looked much better on pass defns. in spite of the fact that Abernathy completed only four (but they covered 139 yards, the long one paying off), as 13 Abernathy passes were broken up. As noted above, long passes and long runs featured Abernathy's game.

New Home Opens Conference Play

Cochosoma Coach Hubert Williams' New Home boys, who have been surprising fans all season until dropping a 22-20 decision to Lazbuddie Friday night, meet the nearby Cooper Pirates on the New Home field tonight. This game opens the District 4-B season for both teams.

New Home got behind Lazbuddie Friday night when the visitors jumped into a first quarter lead when the Longhorn quarterback, Harold Jennings, ran 60 yards on the first play from scrimmage to score. The visitors scored again in the second with the fullback carrying 24 yards, and Jennings, added the two-point conversion. New Home's HB Nick Ford drove three yards in the same period, and Wesley Dean ran over the conversion to make the score 14-8 at halftime.

Dean scored again in the third to tie the score 14-14, but in the fourth, Lazbuddie HB Dean Watkins went 19 yards to score again and Jennings ran the conversion to make the score 22-14. Dean ran 65 yards for another New Home score, but the conversion attempt failed and the visitors won by that margin.

News is the plural of the word "new." The Greeks' word for it was "neos" and it became in Anglo-Saxon "neove" and later in middle English "news." It is akin to the French "nouvelles."

In 1922, several makes of cars introduced gasoline gauges on their instrument panels.

O'Donnell Eagles Meeting Sundown

O'Donnell Eagles came back from Coahoma Friday night with the long end of a 30 to 6 score, but this Friday Coach Joe Palmer's boys go to Sundown to open District 3-A play against the always tough Roughnecks in a game that may either make or break the Eagles as the championship contenders.

QB David Bassire scored in the

first quarter around right end, HB Neal Shaw ran back a punt 65 yards in the second, and in the fourth Tommy Gardenhire scored from four yards out. Shaw ran over one conversion. Coahoma scored in the third on a 47-yard quarterback keeper play.

The Eagles held the Coahoma Bulldogs to a net gain of 63 yards, a minus-23 in the first half.

Texas oil men drilled 21,352 wells in 1937, or 40 percent of U. S.

Wilson Mustangs Rest This Week

Wilson Mustangs get a much-needed rest this week and before launching their District 4-B 1938 schedule.

Coach Sonny Watkins' hapless Mustangs lost a 6 to 0 heartbreaker at Ropesville's homecoming Friday night.

Going into the game neither team had won a game in five starts. Wilson out-played the Eagles most of the way and kept Ropesville's homecoming Friday night.

In the third quarter, Halfback Gerald Ward, out most of the year with an injury, broke over right tackle and ran 55 yards to the Wilson and on the next play bulled over for the game's only score.

B-Team Wins Its Game At Spur

Tahoka Bulldogs B-team defeated Spur Bulldogs B-team 34 to 8 in a game played at Spur Thursday night of last week.

Tahoka scored once in the first half when HB Pike Burkhardt lunged over the goal line to end a sustained drive, and took a 6 to 0 lead.

QB Fred Hegi took the ball on the first play from scrimmage after the kickoff opening the second half and darted 65 yards for Tahoka's second TD.

The fired-up Tahoka boys really took over following this score, with Burkhardt scoring again, Jerry Hays coring once, and End Larry Owens taking a 15 yard pass for another score. Tahoka added two conversions in five tries.

Spur's lone touchdown came in the fourth quarter.

Juniors Split Post Games

Tahoka Junior football teams split with Post in two games played here Tuesday night.

Tahoka Eighth Grade team came out victorious over Post 12 to 8, scoring in the last few seconds to win. HB John Valdez scored for Post in the first quarter and then ran for the 2-point conversion. In the fourth, QB Jerry Forsythe ran about five yards for the first score, and with the clock running out dived over for the second score as the game ended. Tahoka had kept the ball in Post's end of the field most of the game.

Post Seventh Grade took a 6 to 0 victory over Tahoka on a pass play that went for about 50 yards in the first quarter. As the game ended, Tahoka was threatening to score following a first down on the Post eight yard line.

Friday and Saturday of next week the annual turkey shoot will be held, proceeds from which will go to the Community Club House fund.

A. N. Crowson is president of Wilson's Lions Club.

Grandfather New Home Pastor Dies

J. A. Farr, nearly 90, grandfather of Rev. Vernon O'Kellely, New Home Methodist pastor, died Sunday at Abilene.

He was the father of Mrs. Grace O'Kellely, mother of the minister and also of New Home, who had been at Mr. Farr's bedside about a month.

Mr. and Mrs. C. E. Roper accompanied Rev. O'Kellely to the funeral held at 2:00 p. m. Tuesday in Wiley Methodist Church and burial followed in the cemetery at nearby Cap.

Coming to the area immediately south of Abilene in 1903, he was the last of the old settlers in the community.

One of the earliest blind teachers of note in history was Didymus of Alexandria, Egypt, according to the American Foundation for the Blind. He lived from 308 to 395 A. D. and taught sighted and blind students grammar, arithmetic, music, logic, rhetoric, geometry and astronomy.

A person considered legally blind if his vision is 20-200 or less, according to the American Foundation for the Blind, his means that a legally blind person can see at 20 feet what a person with normal vision can see at 200.

More than 50 percent of America's estimated 350,000 blind people are over 65 years of age, according to the American Foundation for the Blind. Our extended life span has resulted especially in greater occurrence of senile cataract and glaucoma.

Pineapple Upside-Down Cake
 Melt 3 tablespoons of butter in 8-inch square pan or 8-inch round pan. Sprinkle with 2/3 cup brown sugar; arrange over sugar mixture 1-1/2 cups (No. 2 can) drained DOLE Crushed Pineapple. Decorate with maraschino cherries and walnut or pecan halves. See inside while you make cake batter, using package cake mix, or following recipe.
 1/3 cup shortening
 1/2 cup sugar
 1 egg, unbeaten
 1 teaspoon vanilla
 1 1/4 cup sifted all-purpose or cake flour
 1-1/2 teaspoon salt
 1/2 teaspoon baking powder
 1/2 cup syrup drained from pineapple
 Gradually add sugar to shortening, creaming until fluffy. Add egg and vanilla, beat well. Add sifted flour and baking powder alternately with pineapple syrup, beating smooth after each addition. Spread batter over pineapple in pan, bake in preheated moderate oven, 350° for 30 to 35 minutes. Let stand 5 to 10 minutes, then turn out upside-down on plate. Serve warm, with whipped cream.

N. E. Wood Jr. and Carolene Sneed, Students In Baylor U., Are Married

Miss Carolene Sneed and Nolan Earl Wood Jr. were married Friday evening, Sept. 12, in the home of the bride's parents, Mr. and Mrs. Henry L. Sneed, 3411 Ethel Avenue in Waco. The Rev. M. L. Rhodes of Highland Baptist Church performed the ceremony.

The bridegroom is the son of Mr. and Mrs. N. E. Wood Sr. of Route 5.

The bride wore a princess styled light blue embroidered taffeta street length dress. The bodice had a V-neckline, short sleeves and an empire waistline. Her tiny veil was caught to a wide band of velvet flowers with scattered rhinestones. She carried a Bible with an orchid and white carnations. Her pearls were a gift from the bridegroom, and she carried a handkerchief that her mother carried in her wedding.

Mrs. Don E. Sneed of Waco, the bride's sister-in-law, was matron of honor.

Her dress was light pink antique taffeta with rose velvet cummerbund. She carried carnations in various shades of pink.

The bridegroom had Don E. Sneed as best man.

Following the ceremony, a small informal reception was held for close friends and relatives. Miss Betty Rae Sewell, bride's cousin, served cake, Miss Idalia Wood, bridegroom's sister, served punch, and Miss Paula Jane Wood, also sister of the bridegroom, presided at the guest book.

Mrs. Wood is a graduate of Waco High School, where she was a member of Darden Service Club, English Literary Society and Junior Classical League. She is a receptionist in a Waco clinic and will continue studies as a junior student at Baylor University.

The bridegroom graduated from Tahoka High School, was a member of the National Honor Society and the Student Council. He also participated in the different sports of the school. He is a student at Baylor University where he is majoring in education and minor- ing in religion.

First Baptist WMU Has 22 Present

The W. M. U. of the First Baptist Church met Monday for Royal Service program with 22 women present. The devotional was led by Mrs. Everton Nevill and the theme was "My Great Redeemer's Praise" in the the Philippines.

Study consisted of the mission- aries, the work they are doing among the Chinese and Filipino people, the churches they have or- ganized and the wonderful work they are doing for the Lord.

Mrs. K. R. Durham and Mrs. Paul Pittman read Psalm 96:2 with the members singing praises to the Great Redeemer. The group had special prayer for all of the missionaries having birthdays on that day. Prayer was led by Mrs. Dub Kenley, and a plea was made to all the ladies present to pray daily for our missionaries abroad and here at home.

Those taking part on the program were as follows: Mmes. John A. Roberts, J. C. Womack, Walthal Littlepage, Carl Williams and Bill Haralson. They told of the differ- ent types of work and studies in the Philippines.

The W. M. U. invites all the wo- men of the church to attend these meetings at which they will re- ceive a blessing and also learn more of our missionary work.

The organization will meet in circles next week to study their mission book.

Family Night At St. Paul's Church

The members of St. John's Lu- theran Church, Wilson, enjoyed a Family Night on Oct. 5, which was sponsored by the Luther League.

The evening of fun began with Pastor James Burnett reading two essays called "How to be a Bad Parent" and "Wise Men from the West" from "Like a Mighty Army" by Halford E. Lucecock. Next the group enjoyed singing, which was led by Mrs. James Burnett. Rod- ney Maeker showed slides of his recent trip to the International Luther League Convention in Ithica, New York, and of New York City and Washington D. C.

Then the group enjoyed domi- noes and a variety of games for young and old. Refreshments concluded the evening of fun.

Today's MEDITATION

The World's Most Widely Used Devotional Guide

The Upper Room THE UPPER ROOM, NASHVILLE, TENNESSEE

I lay down my life for the sheep. (John 10:15).

If you were in a very difficult situation, imagine knowing that you were completely unable to help yourself. If in that situation you happened to hear about some- body who would be willing and able to help you—by forsaking all his riches and comfort—by under- taking a long journey to be at your side—by offering the days of all his life to be with you—by causing himself toils and sufferings—by bringing himself finally to death for your sake, as if you were the only one on earth worth caring for—would you not then realize that this person felt an unusual interest in you, and would you yourself not begin to take an in- terest in him?

This has already happened! That is what Jesus Christ has done for you and for me. He did not spare himself to come to our salvation. He deals with a person as if that person were the only one in all the world to care for. Christ loves us. Is He not worthy loving?

PRAYER

O God, we can never measure what Thou in Jesus Christ hast done for us and what Thou art still willing to do. We open our hearts to Thee to receive Thy love and be saved and transformed by it. In our Redeemer's name we pray. Amen.

Brothers Buried Over Week End

Three days after the death of Dan Pegram of Tahoka of a heart attack between Claude and Amarillo, his older brother, John Pegram of Claude, died Saturday at 11:30 a. m. in St. Anthony Hospital, Amarillo.

Funeral services for Dan Pegram, 74, were held Saturday at 2:00 p. m. in Tahoka Church of Christ with the minister, Leroy Cowan, officiating, and burial was in Tahoka Cemetery.

Services for John Pegram, 81, were held Sunday at 2:00 p. m. in the Claude Methodist Church, and graveside services were held Monday at 10:00 a. m. in Akin Cemetery at Ponder, Denton county.

Daniel Howard Pegram, born at Farmersville, first came to Lynn county in 1933, and had been a railroad and oilfield worker until his retirement in 1949. He was a member of the Methodist Church. He was in Claude and Amarillo with his brother when stricken with a heart attack and died before he could be gotten to a hospital. He is survived by three sons, one daughter, two step-children, 31 grandchildren, and 27 great grandchildren.

John Pegram was born in Turnersville, N. C., but had lived in Claude since 1912. He was a member of the Methodist Church. Three children survive.

Also surviving the two men are one brother, Jim Pegram of Tahoka; and two sisters, Mrs. Ted Chaney of Tahoka and Mrs. Flora Alexander of Norman, Ark.

New Home Opens Baptist Parsonage

New Home Baptist Church had a special program Sunday morning to dedicate the new parsonage, at which Rev. Franklin Swanner, district missionary of Plainview, was the speaker.

Dinner was served at the church following which open house was held in the new parsonage.

The new pastor's home contains about 1,700 square feet, has three bedrooms and den and two baths, and is finished in brick. It is modern in every respect.

Rev. Hubert Austin, the pastor, says about twenty men attended the Brotherhood breakfast Monday morning, at which Rev. Vernon O'Kelley, the Methodist pastor, was the principal speaker.

Ronnie Shepherd, a seventh grade student and son of Mr. and Mrs. Nathan Shepherd, was a clinic patient in the hospital Tuesday night and Wednesday, after receiving a fractured left forearm Tuesday night in the Junior football game.

THE NEWS

Two Girls Are Class Favorites

Two Lynn county girls have been elected "class favorites" at McMurry College, Abilene and were honored last Friday night at homecoming exercises of the college and again Saturday night at the football game won by McMurry 20 to 7 over Abilene Christian College.

Jerre LeMond of Grassland and Tahoka is the McMurry Senior Class favorite and Martha Roper of New Home is the Junior Class favorite. Ann Reasonover of Tahoka was runner-up for the latter honor.

Miss LeMond, daughter of Mr. and Mrs. Roy LeMond, is a 1955 graduate of Tahoka High majoring in elementary education at McMurry. She is secretary-treasurer of the Senior class, president of Kappa Phi social club, vice president of the Women's Inter-Social Club council, and a member of Wah Wahtaysee service club.

Miss Roper is a daughter of Mr. and Mrs. C. E. (Gene) Roper of New Home and was salutatorian of the 1956 graduating class there. At McMurry, she is majoring in elementary education, is intramural manager of Kappi Phi and also belongs to Wah Wahtaysee. She has a sister, Bobbie June, and a brother, Joe Wayne, attending McMurry also.

Other local students in McMurry include Jan Collier of Tahoka, Rebecca Morrow and C. L. Rogers of New Home.

Two boys known in Tahoka were also honored at the homecoming. Bud Shelton of Avoca, related to the Tahoka Sheltons, was named the senior boy favorite, and runner-up was Bob Holcomb, son of Rev. and Mrs. C. A. Holcomb of Sweetwater, formerly of Tahoka.

Mr. and Mrs. Roy LeMond and Mr. and Mrs. Sam Edwards and children of Grassland went down for the exercises Saturday. Also present was Mrs. Carlos W. Higgins, the former Miss Kathryn Roper and a McMurry graduate, of Lake Charles, La.

Alvin White

(Cont'd. from Front Page) investigating officers said he apparently lost control of his car. The vehicle overturned, throwing him to the shoulder of the paving. Survivors include his wife; two daughters, Carol Yvonne and Elaine Greer, and one son, Thomas Michael, all of the family home at 909 Evergreen, Amarillo; his parents, Mr. and Mrs. A. L. White of route 5; and three brothers, G. W. White and Walter Allen White, both of Tahoka, and James Weldon White of Lubbock.

David Gutierrez, 7, son of Mr. and Mrs. J. A. Gutierrez, Wilson, fell out of a swing on the Wilson school grounds Tuesday after he had eaten his lunch breaking both of his arms. He was brought to the Tahoka Hospital and it was believed that just one of his arms was broken but after x-rays were taken Wednesday morning, the technicians discovered that both arms had been broken in the fall. David is in the second grade at Wilson.

Everyday Religion

By J. B. Thompson

There is a story of Robert Louis Stevenson's childhood that describes the frail lad pressing his sleepless little face against the window pane to watch the lamp lighter lighting the lamps in the street.

"What are you doing, Robert?" asked the nurse.

"I'm watching the man knocking holes in the darkness," said the boy.

After all that is what our religion does for us every day. It knocks holes in the darkness that so often closes in around us. It lights up the dark streets of life that we may make our way in confidence. Jesus referred to Himself as the light of the world and wherever His gospel has gone the darkness of doubt and fear has given way to the light of faith and confidence.

We, too, should be lamp lighters, bringing joy and happiness to those around us who have lost their way in the darkness. It is often so easy to speak a word of cheer or lend a helping hand, but it means much to one for whom the night is long. We can knock holes in the darkness and let the light come in.

Wilson Youth At Lutheran Meeting

Rodney Meeker, president of the Luther League of St. John's Lutheran Church, Wilson, attended a "Convention in Miniature" the past week end of October 11 and 12, which was held at Zion Lutheran Church in San Antonio.

About 100 leaguers from Texas were invited to attend this convention, which was held in conjunction

with the American Lutheran Church Convention now in session at St. John's Church in San Antonio.

The purpose of this "Convention" was for young people to learn more about the American Lutheran Church. The group was divided into 10 committees which discussed issues which are being discussed at the main church convention.

Rodney was on the Social Action Committee. This committee is concerned with the human rela-

tions through institutions of the church and society as a whole. Sessions began at 9:00 a. m. Saturday, Oct. 11, and closed Sunday at 4:00 p. m.

A banquet was held Saturday evening. Speakers were Bob Vogel, International Luther League President, and The Rev. Chester M. Patton, Assistant Luther League Director, from Columbus, Ohio. Dr. Henry Hoesmann of Columbus, Ohio preached at the church worship service on Sunday morning.

Tahoka Students Wayland Officers

Two Tahoka students have been elected class officers at Wayland Baptist College, Plainview.

Margaret McKee, daughter of Mr. and Mrs. L. D. McKee, has been named historian of her Freshman class. Roma Brewer, daughter of Mr. and Mrs. C. A. Brewer, Rt. 4, has been named secretary of the Junior Class.

Miss Brewer and Miss McKee are currently working with the Student Government Association and members of their classes in laying plans for Homecoming activities at Wayland Nov. 14-15.

One of the highlights of Homecoming will be a colorful downtown parade Nov. 15, with floats from each class and college organization and marching bands.

LADY'S HUSBAND IN ENGLAND ON MISSION

Mrs. C. W. (Kathryn) Higgins and baby girl of Lake Charles, La., are visiting her parents, Mr. and Mrs. C. E. (Gene) Roper at New Home.

Last week end she attended the Homecoming at McMurry College, where she graduated in 1954, and was the ex-student coming the greatest distance for the event.

Mrs. Higgins and baby are here visiting her parents for three weeks while her husband, Lt. Carlos W. Higgins of the U. S. Airforce, is in England on a special mission with the Strategic Air Command.

Saleh Tells Of Army Program

Sam Saleh, O'Donnell attorney and brother of John Saleh, was the speaker at Tahoka Rotary Club Thursday noon of last week.

A graduate of the University of Texas Law School, Sam just recently returned from his tour of duty with the 46th Infantry, stationed in Frankfurt, Germany.

Since most of us are interested as taxpayers and as relatives of friends of young men who will go into the service under the extended draft laws, Sam said he felt it appropriate to tell something of our objectives overseas.

The Army is in Europe to fulfill its obligation as a member of the NATO team to aid Western Europe against the Communists. He said under NATO rules, any attack against any member of the alliance is considered an attack against all members.

He cited the rigid disciplinary rules under which the Army now operates in Europe, set up because Europeans judge us by our representatives over there. And, he declared, soldiers are now making a fine impression on European people.

One reason for the terrific cost of maintaining our forces in Germany is the fact that we have to pay damages to property owners there for destroyed crops and forests. Such damage is necessary as we have to hold maneuvers and carry on a training program in the field. Because of the saturation of the country by farmers, many crops and some property is damaged, which we have to pay for.

Every soldier who goes to Europe gets 30 days annual leave, in addition to three-day week-end passes. During his time off duty, the service man has a rare opportunity to travel over the free countries. Anywhere a man is stationed, there are short trips available to scenic and historic spots. Also, the Army maintains a resort in the Alps where service men may go frequently on leave or week end passes. Sam had opportunity also to visit Italy and Spain.

The speaker was introduced by Pete Hegli.

President Otis Spears announced the annual Rotary District Institute at Lubbock this Thursday, followed at 6:00 p. m. by the 34th annual Lubbock Inter-City Rotary meeting in Fair Park Coliseum at which the speaker was to be H. Roe Battle, mayor of Kansas City. Mo. A number of Tahoka Rotarians attended.

Student guests, Billy Tomlinson and David Bray, were introduced by L. C. Haney, and Dr. Emil Prohl, respectively.

Charles Townes and Eddie Bowman will be program chairmen for November.

Rev. and Mrs. J. B. Thompson went to Pampa Wednesday to visit with their son Charles Thompson and family. Charles is educational director of the First Methodist Church, Pampa. They returned to Tahoka today.

Williams is the church Lay Leader and Spears is associate District Lay Leader of the Brownfield District of the Methodist Church. Along with most all denominations in America, the Methodist Church observes Laymen's Day annually with a service that is prepared by the General Board of Lay Activities of the church.

Dr. and Mrs. C. Skiles Thomas spent last week end in Dallas visiting relatives and attending the State Fair of Texas. They saw the afternoon and the Texas Tech-TCU game in Fort Worth that night.

Sunday Laymen's Day at Methodist

The First Methodist Church will observe Laymen's Day Sunday with the laymen of the church in charge of the morning worship service. Otis Spears and Mitchell Williams will bring the Laymen's Day message on the theme "Seek Ye First." Men will also occupy the choir and render the musical part of the service.

Taylor Is New WTCC Director

Dean Taylor was elected the new director from Tahoka in the West Texas Chamber of Commerce at a meeting of the local Chamber of Commerce Thursday night. He succeeds Herman Heck, who has resigned as manager of Shamburger-Gee Lumber Co. here and accepted a job in Lubbock.

Also, Curtis Stevens was named to succeed Herman Repfro of the local board.

The board discussed plans for seeking the location of a manufacturing plant here that would employ more than 100 people. The firm under consideration is said to be definitely interested in locating here. Members of the local body expect to meet with the firm executives at an early date to discuss the proposal.

The C. of C. also voted to cooperate with George Western, local manager of the Wallace Theatres, in staging a movie show for the benefit of the school football field electric scoreboard fund.

Plans for the annual Christmas party were also discussed.

Mr. and Mrs. Bill Ware attended the State Fair last week end, Texas-Oklahoma game Saturday game, and attended the "Music Man." They also visited friends in Sherman.

Lynn County 4-H Boys At State Fair

The Lynn County 4-H Club is being well represented this week at the State Fair in Dallas, according to Bill Griffin, county agent. Thirteen members of the local club are attending the state event.

Exhibiting in the Lamb Division are JoAnn Lacy, Carolyn Reed, Shirley Evans and Gregg Reed.

Hog Division: Ronnie Wood, Lynetta Wood, David Bessire, Robert Bessire, Harold Bessire, Berdell Taylor and Phil Adams.

Beef Calves: Ronnie Hart.

Judging on the stock was done Wednesday.

J. W. Gates, 79, O'Donnell, Dies

Now... all America sees the one that's truly new!

Like all '59 Chevs, the Impala Sport Sedan has Safety Plate Glass all around.

what America wants, America gets in a Chevy!

'59 CHEVROLET

It's shaped to the new American taste with a lean, clean silhouette, crisp new contours, beautifully restrained accents. It brings you more spaciousness and comfort with a new Body by Fisher. It has a bright new sheen—a new kind of finish that keeps its luster without waxing for up to three years. New bigger brakes. Vast new areas of visibility. New Hi-Thrift 6. New handling ease and road steadiness. It's new right down to the tires!

Never before has an automobile manufacturer made such sweeping changes two years in a row. And never before has any car been new like this one.

The 1959 Chevrolet is more than a restyled car—more, even, than a completely new car. It's your kind of car. Shaped to reward your new taste in style with a fresh Slimline design that brings entirely new poise and proportion to automobile styling. Inside the new and room-

ier Body by Fisher you'll find truly tasteful elegance. And you'll have clear seeing from every seat. The new Vista-Panoramic windshield curves overhead—and there are new bigger windows, too.

When you take the wheel, you find Chevy's newness goes down deep. A new steering ratio makes handling easier. New suspension engineering gives you a more stable ride. There's a sweet new edition of Turbochrome. A new Hi-Thrift 6 that

goes and goes on a gallon. Vim-packed V8's. New and bigger brakes. Even tougher, safer Tyrex cord tires.

There's still more! A new finish that keeps its shine without waxing or polishing for up to three years. New Impala models. New wagons—including one with a rear-facing rear seat. And, with all that's new, you'll find those fine Chevrolet virtues of economy and practicality. Stop in now and see the '59 Chevrolet. **Extra-cost option*

Lynn County Soil Conservation District News

ROY L. WILLIAMS ELLIS BARNES
O. E. TERRY W. L. (Cap) ROWE
ELMER BLANKENSHIP

Some good management of crop residues are being carried out in the district as well as poor management. Research has proven that residues maintained on the surface of the land improves the soil, aids in controlling erosion by wind or by water. The residue on the surface act as a sponge or cushion to the rain drops that fall and allows the water to enter the soil instead of running off. The breakdown of residues are faster at the surface of the soil where microorganisms break down these residues to plant food and humus. A good example of how organic matter is broken down is the way a fence post rots; above the ground very little rotting takes place as well as 4-inches or more below the ground. On the surface or mixed 3 or 4 inches of surface soil residues of 10 tons or more will be completely decomposed by spring planting time.

The better methods of managing residues are to leave them standing, followed by chiseling or sweeps where it is desired to stop the growth of that plant. Tandem-disc or light cutting with a one-way may be desired where exceptional high residues are present. In all cases residue should be managed to the extent that maximum benefits at the lowest cost are obtained. If lands to be plowed at this time of year some thought should be given toward adding cotton burrs on the surface or the planting of a cover crop of winter grains for soil protection and improvement.

Requests for assistance to install under ground pipelines have been received from Doug Finley, Frank Schneider and Monroe Tallmitt. E. E. McMannis and W. T. Knight are planning on rebuilding their terraces.

Range clipping was made on the R. W. Overstreet section southeast of Petty. This is one of the few sections of rangeland to be found in good condition which indicates a good job of range conservation in grazing management.

There is still time to plant those field borders, terraces, and other land to winter grain. Winter barley last year yields up to 65 bushels per acre were reported along with 100 bushel yields of winter oats.

CARD OF THANKS
I would like to thank all my friends for the flowers, cards and visits during the time of my illness and operation a short time ago in the Tahoka Hospital. I would also like to thank the staff at the clinic for their acts of kindness shown me during my stay. Thanks again—Lois Nichols.

RELIGIOUS UNITY ... is religious unity possible? Many individuals are not satisfied with the religious division witnessed in our present day. Many religious bodies believe in religious unity and have made many efforts to pursue this achievement, only to discover more and more division. Thus it is no wonder that people ask, "Is religious unity possible?"
There remains but one basic platform and prescription for religious unity, and that is the unadulterated Word of God. God is not a God of confusion. Jesus Christ prayed fervently and ardently for the unity of all religious believers, John 17. Jesus based his prayer and confidence in his Word of Truth, the revelation and will of God. "Sanctify them through thy truth; thy word is truth. . . Neither pray I for these alone but for them also which shall believe on me through their word. . . Then THEY MAY ALL BE ONE."
Let us all strive for religious unity, pray for it and admonish all religious thinking people to leave the doctrines of men and join forces upon the simple gospel of Christ, the Word of Truth. Unity will result. "The gospel is the power of God unto salvation to everyone that believeth." Ro. 1:16.
The Bible only will make Christians only.

PETROLEUM—basic to the needs of our time

Oil and natural gas have powered most of the great technological advances of modern times; petroleum hydrocarbons have transformed the dreams of inventors into the realities of engineers . . . Today, in the United States, oil and natural gas provide about 75% of the country's energy requirements; and large quantities of oil, available for production beyond immediate need, are necessary to the national security.
An obvious example is the gasoline that powers our automobiles; another is the diesel fuel burned by post-war railway engines. But do not overlook electric power plants, the airplane, whether jet or propeller driven, factory power plants, farm mechanization, and the revolution since World War II in home heating devices. Oil provides the energy that moves the trucks, airplanes, ships and tanks of our Armed Forces.
But petroleum as a source of energy is only part of the story. In the past two decades, the petrochemicals have supplied the country with a vigorous new industry: already most of our rubber is made from petrochemicals . . . the ubiquitous plastics derive from petroleum products . . . paraxylene, a petrochemical, is the raw material for one of the most useful of the new fabrics. In this area, wonders never cease; the petrochemicals contribute more each year to the efficiency, comfort, and convenience of modern living.
Thus, oil's progress has made other progress possible all along the front of American industry . . . Petroleum is the American resource that is basic to the needs of our time . . . that is essential to our national security.
* * *
The Humble Company, established in 1917, has developed with the industry.
Humble's exploration activities extend from Florida around the rim of the country to California, Oregon and Washington, and beyond to the new State of Alaska . . . The Company is a leader in the production of oil and gas in the United States . . . Humble Pipe Line Company is a public carrier transporting not only Humble's oil but that of many other companies and independent producers to Gulf Coast terminals . . . Baytown refinery is one of the nation's great manufacturing plants . . . And Humble is a marketer in the Southwest, supplying the needs of motorists in modern service stations.
The Humble Company believes strongly in research, maintains two outstanding research facilities, and annually budgets considerable sums for this activity . . . Humble research has made substantial contributions to the discovery, production, and utilization of petroleum.

J. T. Anderson On Submarine Duty

San Diego, Calif.—James T. Anderson, Jr., radarman third class, USN, son of Mrs. Ponella Anderson of 1801 Petty-K St., Tahoka, aboard the radar picket submarine USS Salmon, is taking part in a First Fleet Striking Force Exercise, nicknamed "Barnstorm," during Oct. 13-17, off the coast of Southern California.

"Blue" offensive forces will train in launching carrier air attacks against a large land mass. Opposing "Orange" defenders will counter the attacks using submarines, aircraft and other modern weapons.

The exercise will include training in the use of guided missiles—the surface to surface "Regulus I", surface to air "Terriers" and air to air "Sidewinders" and "Sparrows"—representing the operational missiles in the Navy today.

Operations such as "Barnstorm" serve to keep ships of the First Fleet in a high state of combat readiness preparatory to deployment to the Seventh Fleet in the Western Pacific.

Allan Cox of the local SCS office attended the State Fair in Dallas last week end. He reports the fair was possibly the best ever held.

Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Dear Folks:

I can't sign my name to this letter, because it would mean my job. I sincerely hope you will print it, however, as it may give the Great American Public something to think about.

I'm employed by the Bell Telephone System. We are instructed to be courteous at all times. Under no circumstances are we to put a customer in his place no matter what is said.

I've been called "Stupid," "Dumbbell," "Ignorant" and many names which couldn't be printed in a newspaper. Almost every day someone uses vulgar language and hangs up with a crash. It's amazing how people who consider themselves well bred and educated are rude, impatient, and demanding to one who is trying to give them service.

I hope the millions of people who read this and may be using the telephone today will remember that operators are humans and not machines. A little courtesy costs nothing and it can mean a lot to a girl who takes public guff all day.

Sincerely, DIAL O.

Sweet Street Has Laymen's Day

Laymen conducted both services at the Sweet Street Baptist Church Sunday, Oct. 12. The morning devotional was brought by C. L. Atkinson, and Clayton Beard delivered the message.

In the evening service Lonnie Isbell had the devotional and H. L. Duckett brought the message. The Laymen of the church also filled the choir, and the Junior and Intermediate boys served as ushers.

Good attendance was reported in both the Sunday School and worship services, and the church extends a welcome to everyone to attend if he does not have a regular place of worship.

Joe A. Webb is pastor of the church.

CITATION BY PUBLICATION
THE STATE OF TEXAS

TO: Johnnie Waters Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court of Lynn County at the Court House thereof, in Tahoka, Texas, at or before 10 o'clock a. m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 1st day of December, A. D. 1958, then and there to answer Plaintiff's Petition filed in said Court, on the 13th day of October A. D. 1958, in this cause, numbered 2380 on the docket of said court and styled VELMA RENELL WATERS Plaintiff, vs. JOHNNIE WATERS Defendant.

A brief statement of the nature of this suit is as follows, to wit:

The same being a suit for divorce, custody of the parties' minor child, to-wit, Melanie Ann Waters, and for child support for said minor child, wherein said petition for divorce the plaintiff alleges that only one child was born of the marriage union, as above named, and that there is no community property owned by the plaintiff and the defendant. The grounds

for divorce alleged by the plaintiff being that the defendant disregarded the solemnity of his marriage vows, and his obligation to treat the plaintiff with kindness and forbearance, and defendant commenced a course of unkind, harsh and tyrannical conduct towards the plaintiff over a period of time, and until about December 26, 1957, when the defendant, without cause or justification, abandoned the plaintiff, and the parties' minor child, and fled to parts to

unknown, and that the defendant was guilty of such excesses, cruel treatment, misconduct and outrages toward the plaintiff of such a nature and degree as to render their further living together impossible and insupportable; plaintiff is further asking for custody of the parties' minor child, and for child support payments from the defendant in an amount which the Court may deem just and fair, until said minor child reaches the age of 18 years, as is more fully

shown by Plaintiff's Petition on file in this suit.

The officer executing the process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Tahoka, Texas, this 13th day of October A. D. 1958.

Attest: W. S. TAYLOR, Clerk, District Court, Lynn County, Texas. (Seal) 2-4c

Ford brings Thunderbird elegance to the low-price field with

THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

These Fords you've got to try! Far left is the new Thunderbird . . . center, the new Custom 300 Tudor Sedan . . . and above, the 9-passenger Country Sedan.

The elegant new Fairlane 500 Town Victoria

AWARDED THE GOLD MEDAL for beautiful proportions—by the Comité Français de l'Élégance of the Brussels World's Fair

Styled, powered and priced for today's driving! There never was a Ford like this before! Its classic new design was awarded the Gold Medal of the Comité Français de l'Élégance at the Brussels World's Fair! With new Thunderbird flavor in each lively line and tastefully new interiors, these 59 Fords are beautifully proportioned for elegant driving.

Power, performance and economy are served up in new proportions, too. All standard Ford engines—Six or Thunderbird V-8—thrive on regular gasoline at regular prices. You save up to 5 cents on each gallon! There's a new aluminum muffler that normally will last twice as long as conventional mufflers used on other cars . . . full-flow oil filtration that lets you

change oil at 4000 miles instead of the 1000 often recommended . . . new Tyrex cord tires for greater economy and safety . . . a brilliant new Diamond Lustre Baked Enamel Finish that's so durable you won't have to wax it ever . . . and two new economy power-transmission teams that will bring you savings automatically. That's why we say, for '59, Ford is truly a masterpiece of underpricing!

NEW economy team Number One! Get all the high performance of a completely new Fordomatic Drive teamed with a Six or Thunderbird V-8—at a price that puts automatic

driving within everyone's car budget. It's a simplified Fordomatic with nearly 1/4 fewer parts. **NEW economy team Number Two!** Take Ford's versatile new Cruise-O-Matic Drive, add the responsiveness of Thunderbird Special V-8 power and you have the last word in automatic driving plus the "built-in" overdrive savings of an economy-gear-axle.

Altogether NEW in everything you can see feel or touch!
