COTTON PILED UP at most all the county's gins this week, as shown in the pictures above in the Tahoka gin district taken by C. E. Finney, local photographer. Tahoka ginnings up to 10:00 a. m. Thursday totaled 16,470 bales, and county gins had turned out an estimated total of 90,000 bales. Local ginner estimates the county's crop is a little more than half ginned. Fair

weather of the past few days has been conducive to harvesting, but many of the braceros have left and more and more farmers are beginning to machine harvest. Saturday morning's light frost did little good from Tahoka south, but nipped some leaves in the north part of the county. Most farmers would like to see a killing frost soon. —Photos by Finney

Annual Homecoming Of Former Tahoka Students Being Held Today

Tahoka will be thronged today as a large number of ex-students arrive for the Homecoming activities at Tahoka High School. Climax of the day will arrive when the Tahoka Bulldogs meet the Post Antelopes tonight at Kelley Field.

Highlight of the game will be the crowning of the 1958 football queen. Top three candidates chosen by the football squad by secret ballot are Susan Thomas, daughter of Dr. and Mrs. C. Skiles Thomas; Jolene Mayberry, daughter of Mr. and Mrs. J. E. Mayberry; and Patsy Norman, daughter of Mr. and Mrs. W. H. Norman. Queen's identity will be revealed when a football helmet, glittered for the queen's crown, is placed upon her head. The two runners-up will attend the queen. The girls will be escorted by the captains of the team, Jerry Adams, Robert Cloe and Kenneth Stice.

Ex-students will register at 1:00 p. m. in the high school building. The Student Council program will begin at 2:00 p. m. in the auditorium. Gordon Smith, 1956 graduate of Tahoka High School, and an ex-letterman in both football and basketball, will be the speaker.

Free tickets to the football game will be presented the ex-student coming the longest distance to attend the activities and to the ex-student representing the earliest class. All ex-lettermen will report to the north gate for free passes.

The ex-students will have a get together at the American Legion Hall immediately following the game at which time they will elect new officers. Outgoing officers will be G. W. White, president; Charles Reid, vice president; Carl Griffing, secretary; Mrs. Eldon Carroll, reporter; and chairman of names committee, Mrs. James Roberts.

Rotary Governor Coming Nov. 19-20

Burnett B. Roberts of Levelland, Rotary district governor, will make his official visit to the Tahoka club Wednesday and Thursday, November 19 and 20. President Otis Spears announces.

He will meet Wednesday night of the 19th with officers and committee chairmen in the Lyntegar building to hear reports and make recommendations to the club. He will speak at the club's noon luncheon on Thursday.

Mrs. Roberts will be honored Wednesday night by local Rotary Ann with a reception in the home of Mr. and Mrs. Charles Townes.

Street Is Closed For School Hours

Starting Monday the street between the two elementary schools here in Tahoka will be closed between the hours of 8:30 a. m. and 4:00 p. m. each school day.

Parents are asked to deliver and pick up their children on North Fourth, North Second or the street running east of the two buildings.

Superintendent Otis Spears states that 731 students are now enrolled in the two elementary schools and many of the youngsters don't realize the danger of darting out into the street when the school bell rings.

NEW STUDEBAKER

ShIPLEY Motor Co. has been made Tahoka distributor for the new small car, Studebaker Lark, which will be on display Monday in their showrooms here.

Mrs. Leslie Paris underwent an appendectomy in a Lamesa hospital Tuesday.

Baptists Seeking To Retire Debt

Pastor Brooks states the building fund of the First Baptist Church is growing. Last Sunday, the members of the church gave \$1,636.00.

During the month of November and December, the building fund will be emphasized. A theme for the drive is: "Let's Clean the Slate in '58."

The total amount of the indebtedness of the building fund is \$24,000.00. Every member is urged to have a part in helping to erase the indebtedness of the church.

Benefit Show Raises Funds

The Tahoka football scoreboard fund was nearing its goal this week after a successful benefit show and a few more contributions. The fund now stands at \$1,256.47, and the total needed is \$1,453.35.

The benefit talent show and movie at the Wallace Theatres, staged through courtesy of the Blankenships, brought a profit of \$244.97 to the fund.

Other contributions the past week were received from J. B. Howell, Mitchell Williams, and Truett Smith.

Mrs. Kirkpatrick Is Buried At Morton

Mrs. Joe Kirkpatrick, 63, formerly of the Dixie community, died Saturday at her home in Springdale, Ark. Funeral services were held Tuesday at Morton.

She is survived by her husband, four daughters, and one son.

The Kirkpatricks left here about twenty years ago, moving to Morton. Four or five years ago, they moved to Arkansas.

J. T. (Slim) Elliott is reported to be a patient in a Lamesa hospital with the pneumonia.

McMillan Child Burns To Death

A little girl burned to death in a dog house in which she was presumably playing Tuesday at about 4:00 p. m. in the Wells community, a mile and a half south of the old T-Bar school site.

The victim was Mavis Elaine McMillan, daughter of Mr. and Mrs. J. W. (Woody) McMillan, members of a prominent Lynn county family. Following the tragedy, the mother was receiving treatment for shock in Rumbo Clinic at O'Donnell.

Funeral services were held Thursday at 11:00 a. m. in Stanley Funeral Chapel with G. E. Griffin of the Primitive Baptist Church officiating, and burial followed in Tahoka Cemetery.

Officers said the mother and child were at home alone Tuesday afternoon, and the little girl was in the yard playing. The mother looked out of the house and saw the dog house afire, but was unable to save the child.

Several neighbors, including Clyde Childress, R. C. Webb, and Laleon Jordan came to the scene and it is believed one of them found the child's charred body.

The dog house was about two and a half feet high, five feet long and four feet wide, with a small opening for a door, and previously had been mounted on wheels and used by the father to transport his hunting hounds. The day before, the father had filled the house with hay to provide a bed for the dogs. How the fire started is not known, but one man theorized the child may have had some matches. The dog house was almost completely destroyed and there was no chance at all to save the child.

Little Mavis Elaine was born February 3, 1953, at Lamesa.

Survivors in addition to the parents include a sister, Marilyn Jeanette, and a brother, Charles Kenneth, both in school at O'Donnell at the time of the tragedy; the maternal grandmother, Mrs. Maggie Austin of Lubbock; and the paternal grandparents, Mr. and Mrs. Arthur McMillan of O'Donnell.

Justice of the Peace C. A. Clem said he was conducting an investigation but had not rendered an inquest verdict Thursday morning.

Negro Critically Hurt In Wreck

Arnett Morgan, Brownfield Negro, was critically injured in a car accident Tuesday night at about 9:15 o'clock when the car he was driving crashed into the rear end of a cotton trailer belonging to West Point gin near the C. J. Falls home, about two miles west from West Point. He is in a Brownfield hospital and is not expected to live. Riding with him and injured only slightly was Jesse Lawson, also of Brownfield, former Tahoka Negro.

Jimmy Bragg, bookkeeper at West Point Gin, said the Negro's car had started to pass the trailer when an approaching car loomed up in front coming over a rise. The driver apparently tried to cut back behind the trailer to the right, but the upper part of the car struck the rear of the trailer at the windshield.

Bragg and others rushed to the scene, wrapped the injured man up, and a Stanley ambulance carried him to the hospital.

Ashcraft Is New Route 4 Carrier

Clyde Ashcraft, Jr., of Lubbock, formerly of New Home, will become the new carrier on Route 4 out of Tahoka on Saturday, November 15.

Mr. Ashcraft lived at New Home many years, and has farmed there for a number of years.

D. C. Carroll, carrier out of the local postoffice who has been carrying the mail on Route 4 recently, will transfer back to his old route, No. 3.

Mr. and Mrs. J. T. Cunningham, Grassland, are in California visiting their son. They will return in a few weeks.

Flowing Oil At Petty Reported

The wildest Bakke oil test northwest of Tahoka and two miles east of Petty was reported flowing oil Thursday shortly before noon. The News had no official confirmation of the strike.

Depth was reportedly around 10,500 feet. Nearest production is about five miles west of the test, or three miles west of Petty in the so-called Tahoka Field.

If the new well actually makes a producer, it could open up considerable more development in northwestern Lynn county.

Designated the W. E. Bakke of Midland No. 1-158 Mollie C. Edwards, location is in the southeast corner, 660 feet from the east and south lines of Section 158, Block 9, B. P. Fakes Survey. It is a very short distance from a test drilled to 7,238 feet in 1945.

New Oil Well East Of Wilson

The new oil well on the Florence Scott farm, four miles east of Wilson, is reported to have flowed around 118 barrels of oil on a five hour test. Tanks are being set to try for a 24 hour test.

This well is an offset by the Brown Bros. to the Coleman No. 1 well on the Walter Savell Farm. No average has been established on the well to date.

The two wells are thought to be the beginning of a new oil field in the area.

The new Scott well is on the east half of Section 6, Block L, GWT&P survey. The Coleman well on the Savell land is on Section 1 of the same block and survey.

Lt. Bobby Boyd Home From Europe

1st Lieut. Bobby Boyd, who has been in Germany the past three and a half years with the U. S. Army, has been here this week visiting his parents, Mr. and Mrs. M. M. Boyd.

Bobby was married about a month ago in Germany, but his wife will not be able to come to the United States for a few weeks yet.

He leaves this week end to visit a brother and sister in Fort Worth, and will attend the Texas A & M-Rice game in Houston on Nov. 15 and also a reunion of the A&M Class of 1954, of which he was a member.

He will then report back for duty in North Carolina. A graduate of Texas A & M, where he was an outstanding cadet and student, Bobby is making the Army a career.

Methodists Start Building Drive

First Methodist Church has launched a campaign to increase the size of the church building fund, according to the pastor, Rev. J. B. Thompson.

The church now has a total of \$23,508.50 in the building fund, of which \$22,600.00 is in bonds and \$1,908.50 in cash.

At a meeting of the Board of Stewards last week, Mrs. H. W. Carter was elected Church Treasurer to succeed Maurice Small, who resigned a few weeks ago after many years of service in the office.

Man Loses Eye In Freak Accident

C. J. Renfro, lineman for Lyntegar Electric Cooperative, had his left eye removed Tuesday by a specialist at Methodist Hospital, Lubbock.

The operation was made necessary by reason of an accident Friday of last week while working in the Sunland oilfield in the northeast part of the county. The tip end of a guy wire struck him in the eye damaging the eyeball beyond repair.

Renfro is the son-in-law of Mr. and Mrs. Sammie Norwood.

Light Vote Is Cast In General Election

Bill Griffin Is State Officer

W. B. (Bill) Griffin, county agent of Lynn county, was elected first vice president of the Texas Agricultural Agents Association at its annual meeting at Texas A & M College, College Station, last week.

Other officers of the 330-member Texas organization are: Ben Browning, Tyler, Smith county, president; Robert B. Tate, San Antonio, Bexar county, secretary; treasurer; and Lloyd Joyce, Bryan, Brazos county.

The election was on Wednesday of last week. The annual convention is held during the annual conference for Texas Agricultural Extension Service personnel, attended this year by 800 extension workers Monday through Friday. Theme of the conference was "Meeting the Challenge of the Changing Agriculture."

Also attending the conference from here were Buddy Logsdon, assistant county agent, and Mrs. Laura Bowman, county home demonstration agent.

Van Brookshire Dies Thursday

Van Brookshire, 28, died at about 9:00 a. m. Thursday in the Big Spring Veterans Hospital, where he had been critically ill for several months. Funeral plans had not been made at noon Thursday.

He became ill with sugar diabetes last January, while in his senior year at Texas Tech. In the spring his condition became critical, and finally was taken to the Big Spring hospital.

Van, a twin of Dan, was born May 5, 1930, at Grassland. He graduated from the Tahoka schools, served in the Armed Forces, and attended Texas Tech over three years.

He is survived by his father, W. C. Brookshire of Grassland, and seven brothers, Preston of Grassland, Price of Plains, Melvin of Denver City, James and Charles of Tahoka, Bennie of Lubbock, and Dan of Brownfield.

CARNegie COURSE HAS NEW WINNERS

Winners at Tuesday night's session of the Dale Carnegie course were: Mrs. Iva Elliott, achievement award; Carter Caldwell, best talk; Jerry Roseberry, most improved.

Those taking the course meet each Tuesday night at 6:30 for class.

Tahoka Bulldogs, Post Antelopes Meet In Annual Game Here Tonight

Tahoka Bulldogs are crippled up worse than ever for the annual battle with their old rivals, the Post Antelopes, here tonight. This is the homecoming game for Tahoka, and the Bulldogs, in spite of their injuries, should be out to do their best in this one.

With three backfield men already sidelined with injuries, Halfback Kenneth Stice may see little or no action tonight because of a shoulder injury. Also, big tackle Dean Elliott has an injured back and will probably not be able to go all the way. Others definitely out include backs Weldon Calloway, David Copeland, and Billy Tomlinson.

Morale of the squad is still remarkably high considering the seven losses and one victory, and the Bulldogs—if they keep alert—could spring a surprise.

Although they have not met competition quite as tough as have the Bulldogs, Post has a little better record, having won three

Slightly more than 900 voters turned out in Lynn county for the General Election, voted heavily in favor of all Democratic nominees, approved six and turned down three of the proposed amendments to the Texas Constitution.

Governor Price Daniel received 806 votes to only 25 for his Republican opponent, Edwin S. Mayer.

For United States Senator, present incumbent Ralph Yarborough received 796 votes to 112 for the Republican nominee, Roy Whittenburg.

Voters rejected Amendment No. 1 which would provide for an annual session of the Legislature 574 to 178.

They rejected No. 2 by a vote of 489 to 255 which would allow counties to participate in retirement, disability and death compensation plans to elective officials and employees.

Also rejected was No. 9 by a vote of 369 to 345 which would allow the Legislature to authorize creation of hospital districts in Amarillo, Wichita county, and Jefferson county.

Approved were: No. 3, 513 to 237 which would allow the County Commissioners Court to fill vacancies in offices of County Judge and Justice of the Peace only until the next general election.

No. 4, 457 to 274, which would provide for automatic resignation of a district, county or precinct official who announces for any other public office more than one year before the end of his term of office.

No. 5, 372 to 363, which would allow Home Rule cities to extend terms of their elective and appointive officials from two to four years.

No. 6, 378 to 375, which would provide pensions not to exceed \$80.00 a month for retired Texas Rangers and widows of Rangers who retired before the 1947 State Employees Retirement System was established.

No. 7, 398 to 355, which would allow Legislature to appropriate money for advertising advantages of Texas in nationally circulated publications, public funds to be matched by private funds.

And No. 8, 497 to 266, which would allow Legislature to appropriate money to pay for medical care for people who receive old age assistance, aid to blind and aid to dependent children.

State-wide, all the Amendments carried except No. 1 and No. 2. Brookshire dies

Claude Phillips was dismissed from the hospital Wednesday morning where he had been a medical patient.

Special School Projects Told

Ten students, eight through 15 years of age, are enrolled in the Lynn County Special School for exceptional children this year, according to Mrs. Margaret Renfro, the teacher.

The school was set up last year by the Wilson, New Home, O'Donnell and Tahoka school districts due to efforts of Mrs. Ruth Jolly, county superintendent.

Only suitable place that could be secured was the old Veterans' School building on the Brownfield Highway in west Tahoka, but two rooms of the building have been furnished and equipped with desks, chairs, tables, refrigerator, rest rooms, teaching equipment, and a reception room in which there are complete furnishings including a record player and a piano.

This is the first and only school of its kind in the State of Texas. But, since this one has proven so successful, others are expected to be set up.

The following article by Mrs. Renfro will give Lynn county people an insight into the work being done:

Those who work with the Exceptional Children must be humanitarians and honestly interested in them, their problems, and their welfare; no-trick ideas can be used.

Workers must be alive to the interest of the child, interested in the work, expectant, and responsive to any and all accomplishments regardless of how small, and be able to develop their own subconscious thinking. The teacher must have a basic desire to help them to walk, talk, and to lead as near to a normal life as is possible; to live with themselves and their limitations, and to live harmoniously with others. They must try to develop creative energy and emotional maturation. They must continue to study and learn about these children, their loneliness, mistakes, emotional disturbances, desires, and frustrations. Teachers must have an attitude of constant learning. This will lead to new ideas and help to build emotional security in the work. Education, genius, or talents are worthless without persistence and determination.

In our Lynn County Special Class we do special projects, study work and play in a special way. To the nervous or emotional child we

RAYES TO FINISH TRAINING

Camp Pendleton, Calif. — Marine Pvt. Domingo Rayes, son of Mr. and Mrs. Valentin Rayes of Route 5, West Point Gin, Tahoka, is scheduled to finish four weeks of individual combat training Nov. 4 at the Marine Corps Base, Camp Pendleton, Calif.

The course includes the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on Weapons.

Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

Every child excels in something. They are often rewarded by being allowed to be the teacher when they do a job particularly well. Jobs are assigned for each of them to have a part in keeping the building neat and clean. They use aprons, brooms, and small dust pans.

The children take much pride in their work and enjoy showing it to their parents. Teachers of such children must remember to keep the goal low enough in order that the child may feel a reasonable amount of success. Yes, each child is encouraged to reach his maximum in growth and development.

Kind but firm discipline is used. Our children are happy, their happiness indicate that they know they are loved, needed, wanted, and most of all they have the feeling of belonging.

Love faith, and hope can unlock many mysteries. We seek to know the cause and try to control, as much as possible, direct and help these children to mature with dignity, self-respect, mitigation, happiness, and hope.

"They told me that I could not teach you. But with God's help I did learn with you."

Special Class Has Halloween Party

The ten children of the Lynn County Special School, taught by Mrs. Margaret Renfro in the Veterans' School building, held a Halloween party Friday, participated in by the children's parents.

The children dressed in Halloween suits and masks, and the parents joined them in marching to music from the record player, sang to music from the piano, and played games.

The parents brought decorated cookies and orange pop, and the dining table was decorated with art work done by the children.

Mrs. Renfro reports that the children greatly enjoyed the occasion, and parents seemed pleased with the progress they are making in the school.

Pythian Sisters Help State Home

Pythian Sisters Lynn Temple No. 45 met Tuesday night for regular business session which was also advancement night for officers.

A \$10.00 donation was sent to the Pythian Home for the Thanksgiving and Christmas funds. Also a \$5.00 memorial donation was sent for Vickie Williams who was reared at the home since a child. The death, which occurred Oct. 24, was the first death in the Pythian Home.

Six of the past 17 chiefs were present—Introduced were Florene McCracken, Nina Short, Pauline Warren, Eulalia Richardson, Vera Carter and Glenda Dunagan. After the introduction the past chiefs were given a sprig of yellow chrysanthemum.

Bernice Carter, also a past chief and now of Waco, was a visitor. She was given a welcome.

The table was covered with a cut-work cloth over brown. Silver service was used with arrangements of white chrysanthemums and white candles. Salads, cake and coffee were served.

An arrangement of yellow chrysanthemums decorated the piano. Hostesses were Pauline Warren, Ruth Benson, Eulalia Richardson, and Darlene Gurley. Twenty-seven members and one visitor were served.

Next meeting will be Nov. 18 at 7:30 p. m. when the Pythian Sisters will have annual roll call.

to its beauty is tragic. Life is not all good, nor all bad, but a mixture, and we find what we want to find. There is an abundance of beauty in life if we only look for it, and those who do inevitably become a part of that beauty. Those on the other hand, who revel in the rubbish of life not only find it in abundance but eventually partake of its foulness.

"Look for the beautiful, seek to find the true. God and the beautiful will dwell with you," says the song and so it life.

MRS. EDWARDS IN JAPAN

Mrs. Mollie Edwards of Fort Worth, currently making a tour around the world, writes J. E. (Red) Brown from Kyoto, Japan: "Wonderful country. Scenery indescribable. Too much rice and water. No cattle."

EVERYDAY RELIGION
 By J. B. Thompson

In a familiar gospel song we are admonished to "look for the beautiful" in life. That is good advice for it is so easy to see only the sordid and the ugly. Our attention is so constantly directed toward the vile side of life. Some one is forever holding up a soiled life as the real life.

So much of our present day fiction is a parade of foul-minded rotters whom one would not care to know much less have as friends. The story is told of a dinner party at which Gene Stratton Porter and another novelist were guests of honor.

"Look at life" said the other novelist, poking fun at sentimentalists and stupid moralists. "See it as it is. Do not wear blinkers. If it is ugly do not be squeamish; say so."

When her turn came to speak Gene Porter said, "I always love banquets like this. I love the beautiful flowers, the exquisite china, the delightful dresses. But I know that for every banquet there must be a garbage pail, and I know, too, that it is nasty and smelly; but is that any good reason for insisting that the garbage pail be brought in and made the centerpiece of the table?"

Too often that is just what our novelists and news reporters do; they use the garbage pail for the centerpiece. They have a keen nose for the nasty. They think that their work will not be read unless it is filled with filth and reeking with rotteness. This they call life in the raw.

To be blind to life's ugliness is stupid, of course, but to be blind

Olivers' Relative Dies Tuesday

Douglas Pyle of Big Spring, a brother-in-law of C. T. and J. B. Oliver, died Tuesday at about 4:00 a. m. at his home there from a malignant disease. He had been ill several months.

Mr. Pyle, 67, was a railroad engineer, had lived in Big Spring many years, and is survived by his wife, one son, Douglas Jr., and one step-son, James McNeil, an officer in the Army.

Attending the funeral services Thursday included the J. B., C. T. and Charles Oliver families.

Guest Speaker At St. John's Church

Rev. Albert Meyer, pastor of St. Paul Lutheran Church of Leveledale, will be the guest speaker Sunday at St. John's Lutheran Church in Wilson. The service will be at 8:00 a. m. instead of at 10:30.

Pastor and Mrs. James P. Burnett will be at Schroeder, near Goliad, where he will officiate at the marriage of Mrs. Burnett's sister, Miss Mary Abramont of Schroeder, to Wilburn Pargman of Yoakum.

Stolen O'Donnell Pickup Is Found

A 1950 Chevrolet pickup belonging to W. M. Pierce of O'Donnell, reported missing from the football field parking area following the O'Donnell-Frenship game Friday night, was found in a Dawson county field southeast of O'Donnell early this week.

Deputy Sheriff Roy Heffner of O'Donnell said two front tires and wheels, a spare mount, and the carburetor were missing from the vehicle.

Budget Is Planned By First Baptist

The budget for the First Baptist Church will be presented soon. The new budget will begin as of January, 1959.

Budget committee members met last Tuesday evening in the home of Truett Smith and planned the budget for the new year.

Truett Smith is chairman, with Earl Terry, "Dub" Harvick, George McCracken and W. A. Brooks as members of the committee.

Mr. and Mrs. Skip Taylor had as their week end visitors her two sister, Mr. and Mrs. Mel O'Keefe from San Antonio and Mr. and Mrs. Jack C. Porter of Austin.

C. T. Tankersley Is Birthday Honoree

C. T. Tankersley celebrated his seventy-ninth birthday Sunday, Nov. 2, in his home in the West Point community where he has lived for 39 years.

Children present were Mr. and Mrs. Terry Noble (Beatrice); Mr. and Mrs. H. R. (Hubert) Tankersley and Shelia Kay; Mr. and Mrs. Cody Bragg (Violet); Mrs. Ray Taylor from Seymour (Geneva); Mrs. Wayne Sherrod (Penny) granddaughter from Plainview; Mr. and Mrs. Orvil Moody, Abilene; Altha Wayne Jennings, a niece; Mr. and Mrs. John Bulman, brother of Mrs. C. T. Tankersley who lived many years in Lynn county and is widely known here. They now live on a ranch near Hico.

We thank every one for all they did and enjoyed the occasion very much. May it be repeated many times.

Mrs. Aycox Hostess To Dixie Women

The Dixie Home Demonstration Club met Wednesday with Mrs. A. C. Aycox. Roll call, "My Greatest Accomplishment of 1958," was answered by eight members.

One new member, Mrs. Elmer McAllister, was added to our roll. Visitors were Mrs. Mittie Atter, New Home, and Mrs. W. T. Clinton, Tahoka.

The home demonstration agent gave a demonstration on "Making Home Water Safe." A sample of water was taken to be tested for contamination. Eighty-five percent of the water wells in this area are contaminated and all people who have personal water wells should have them tested.

Our next meeting, Nov. 19, will be with Mrs. Haley. The study of shrubs and trees adapted to Lynn county will be presented by leaders, Mrs. Buel Draper and Mrs. Guion Cobb.

Local Math Club Elects Officers

The Angle Club of Tahoka High School met Monday, Oct. 27, at 7:30 p. m. in the high school auditorium. Following a report on the financial condition of the organization, new officers were elected for the coming year.

Officers elected are as follows: president, Jerry Adams; vice president, David Bray; secretary-treasurer, Jan Thomas; parliamentarian, George Adams; and reporter, Jerry Perkins.

The program for the evening consisted of a science-fiction film entitled "Rocketship X-M." The club is to meet regularly every six weeks. The purpose of the Angle Club is to further the interest and understanding of mathematics.

Young Matrons In Meeting Wednesday

The Young Married Women's Club met Wednesday afternoon at 3:00 p. m. in the home of Mrs. Billy Reeser with eight members present.

The group voted to bring husbands and to reveal secret pals at the Christmas Party, Dec. 5. They also voted to help some needy family for Christmas.

A program was presented and refreshments were served. Next meeting will be held Nov. 19 in the home of Mrs. Fred Pergeson.

Study Club Meets In Thomas Home

Phebe K. Warner Club met in the beautiful home of Mrs. W. O. Thomas with Mrs. G. M. Stewart as hostess. Seventeen members and one visitor was present.

The program was presented by Mmes. Elmer Owens, F. A. Wyatt and H. W. Carter on "Through Traffic Safety."

Next meeting will be in the home of Mrs. Emil Prohl on Nov. 11 at 4:00 p. m. with Mrs. J. B. Billman as hostess. —Reporter.

D. C. DAVIS WILL TEACH MEN'S CLASS
D. C. (David Crockett) Davis, beloved Tahoka aged citizen, will teach the Men's Downtown Bible Class at the WOW Hall this coming Sunday morning, Jess Gurley announces. Mr. Davis always has some interesting and original thoughts, and every man is invited to be present.

Last Sunday's lesson was taught by Rev. Pickens, chaplain of McMurry College, Abilene.

Kerry Gandy, 10 month old son of Mr. and Mrs. Ruben Gandy, was admitted to the hospital Monday as a medical patient.

The tempo of farm work is sure to hit record highs, and when favorable weather returns, and that means farmers and their families will be exposed to more accident hazards warns the Texas Farm and Ranch Safety Council. Their advice is, don't take chances, for every farmer is needed. A tired body and mind doesn't have the reflexes needed for safety.

A disposal pit, says Ben Wormeli extension poultry husbandman, is a must on every poultry farm. A pit will soon pay for itself in time saved and in reduced health hazards. L-401, Poultry Disposal Pits, is now available from the office of local county agents or from the Agricultural Information Office, College Station, Texas.

A successful man is one who can make more money than his wife can spend. And a successful woman is one who can find that kind of a man.

A continuation of the present unfavorable weather conditions could bring about a repeat of last year's cotton planting seed situation, warns Fred C. Elliott, extension cotton specialist. He says harvesting conditions in some areas are even worse than last fall and the situation has been worsened by cotton root rot and angular leaf spot disease. Farmers who have good seed are advised to save them and to make sure they don't ruin in storage. Elliott advises regular checking of stored seed.

Tahoka Makes Good Showing, But Loses To Slaton Tigers 20 to 0

Tahoka won everything except the score last Friday night in its District 3-AA battle with the Tigers at Slaton, coming out on the short end of the 20 to 0 score.

The Bulldogs led in yardage gained rushing 190 to 156, in passing 102 to 47, and in first downs 16 to 9. But, the Tigers ran back a kickoff for a score, converted a Tahoka fumble into a score, and put together one successful scoring drive, while Tahoka was unable to score after driving into Slaton territory six times.

Slaton's speedy halfback Pat Adamek took the opening kickoff on the five yard line, headed up the right sideline, and went all the way. Try for conversion failed.

The first time Tahoka had the ball, the Bulldogs lost it on a fumble on the second play on its own 40, held the Tigers and forced them to punt. Taking over on their own 5, Tahoka moved all the

way to Slaton's 25 only to lose the ball again on a fumble.

After a fumble of their own, QB Randy Sanders passed to Adamek good for 29 yards, then to HB Giles Smith for 31, a third pass was incomplete, and then FB Howard Limmer went around his right end 31 yards to score Slaton's second TD. Adamek ran over the conversion. Score, Slaton, 14-0.

On the last play of the quarter, Linebacker Billy Cain intercepted a Slaton pass on Slaton's 45 and ran it back to the 30, but four Tahoka plays carried only to the Slaton 23.

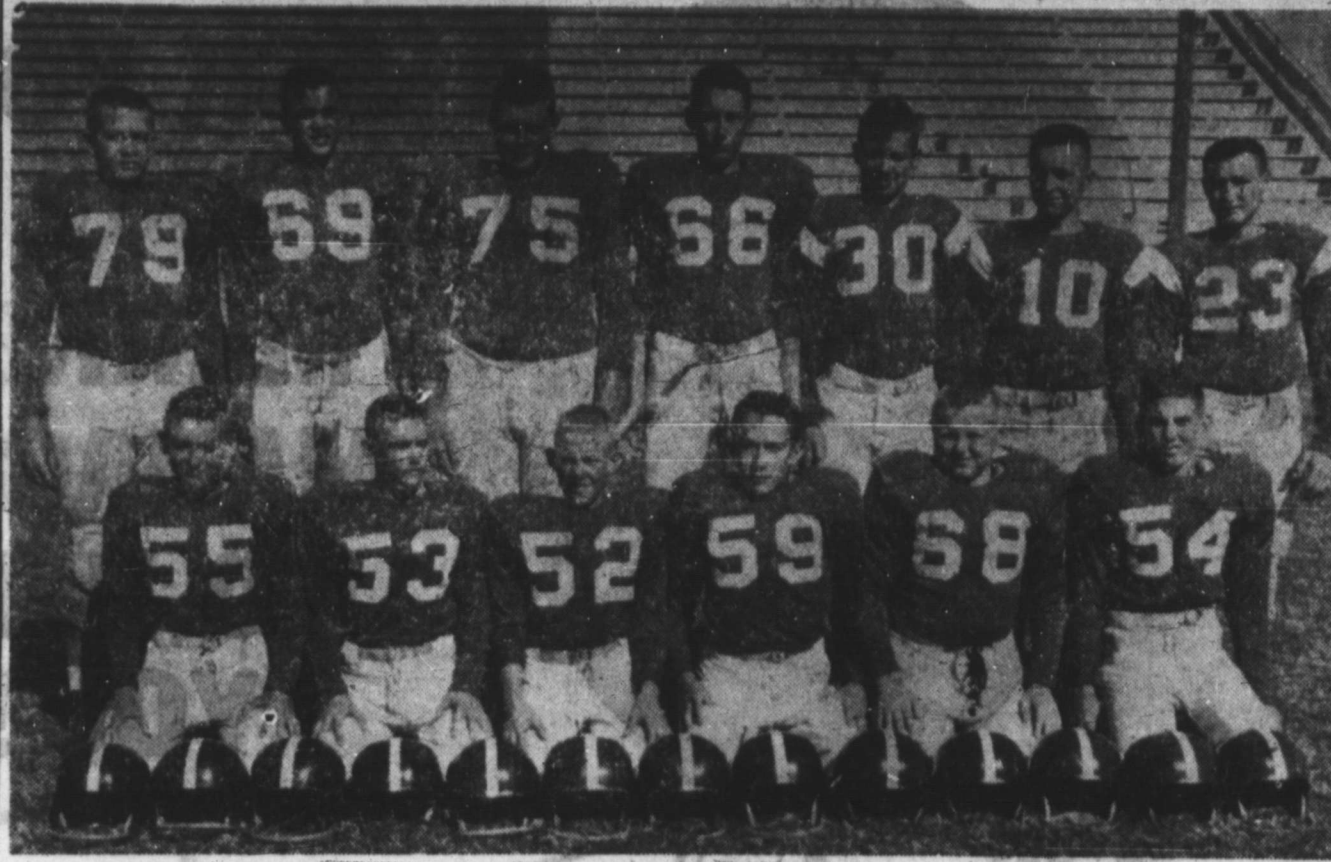

Limmer made 5, a pass was incomplete. Sanders made 19, Adamek made 37 around his left end, and then Sanders went 20 yards around his right end to score the final touchdown early in the second quarter.

Thus, Slaton had scored three touchdowns on just 11 plays.

The Bulldogs now tightened up and played good defensive ball the rest of the way. They also played good offensive ball until they were deep in Slaton territory on four more occasions.

Near the end of the second quarter, Tahoka moved to the Slaton 21, and bogged down after losing six and failing to complete two passes. Slaton took over, but Cain intercepted another pass on the Slaton 30, and with nine seconds left HB Kenneth Stice carried back to the 21.

Midway in the third period, Tahoka moved from its 25 to the

Wilson Loses In Very Close Game

Wilson Mustangs entertain the Lorenzo Hornets at Wilson this Friday night.

Last Friday, Coach "Sonny" Watkins' Mustangs played a fine ball game although losing to the favored New Deal Lions 8 to 6 on the Wilson field. New Deal is undefeated in District 4-B play, and Wilson has tied one and lost one game.

In addition to putting up a great defensive battle, the Mustangs took the lead in the second quarter on a drive down field, capped by Halfback Bobby Weid's five-yard drive for the touchdown. The conversion failed, but Wilson still led at halftime 6 to 0. Wilson put on another drive in the third which carried to the New Deal 10 only to lose the ball on downs.

New Deal's score came in the third period when Halfback Dale Christie dashed across the goal from 10 yards out and then ran over the conversion for the victory.

Slaton 11 only to bog down again. The drive included a 14 yard run by Stice, a 30-yard pass by QB Adams to Cain, and a six yard pass to HB Robert Cloe, with HB Ronnie Walters carrying the ball also for consistent short gains. A penalty pushed Slaton back to the 2 yard line, but Adamek made 14 and then kicked out, following which Tahoka lost the ball on a fumble on its own 33.

Tahoka's passing attack, which had worked pretty well earlier in the game, now failed to produce as Tahoka had 10 incomplete in the fourth quarter and two intercepted. But Tahoka had one more scoring opportunity after Slaton fumbled on the fourth and Tahoka took over on the Slaton 43.

The Bulldogs moved to the Slaton 21, but the Tigers' Glen Taylor intercepted a pass on his own 6 as the game ended.

As has been the case all season, the Bulldogs played good defensive ball most of the game except that the lapses cost them 20 points, which, together with lack of scoring punch, cost them another ball game.

Fullback Weldon Calloway, out two or three games with an injury, was hurt again early in the first quarter, and Tackle Dean Elliott went out later in the game with a back injury. John Hegi played his consistently good game in the line, and David Bray and Larry Spruiell at times did real well in mopping up Slaton plays. Richard Stice and Roy Thomas, Jerry Adams and Larry Owens, all did well, also, most of the game. Pike Burkhardt, halfback, also got into the game late and made 10 yards on two tries.

Soil cannot be considered as just soil. People live on it and from it. They own it, rent it, plow and cultivate it and harvest the crops it produces. When the soil fails, people and nations suffer.

O'Donnell Eagles Play Seagraves

The annual battle of the Eagles take place tonight when Coach Joe Palmer's O'Donnell team invades Seagraves. O'Donnell has won one district 5-A game and lost two, which Seagraves has dropped both its starts in conference play.

Last Friday, playing at home, the O'Donnell boys took an easy 33 to 6 victory over Friendship Tigers, running up a 20 point lead in the first quarter.

QB David Bessire ran the opening kick-off back 90 yards for the first score, HB Tommy Gardenhire went 32 yards for the second and HB Lanny Brewer 20 yards for another. Gardenhire passed 35 yards to End Ken White for another, and HB Leroy Berrera returned a punt 58 yards for the final score. Gardenhire ran over one conversion and Tackle Larry James place-kicked for another. Friendship's lone score came in the fourth period.

B-Team Winner Over Spur 32-0

Tahoka Bulldogs B team defeated the Spur B team here Thursday night of last week by a score of 32-0.

Tahoka scored in every period, with Ronnie Walters running over two, Jerry Hays one, and Fred Hegi one, and Hegi passed to Pike Burkhardt for one conversion. Tahoka led 14 to 0 at the half.

The local boys were in complete charge of the game all the way, and a number of the boys give prospects of making fine players for the coming years as several are freshmen.

TITLE AT STAKE IN GAME AT SPUR TONIGHT

The District 3-AA title is at stake tonight when Spur Bulldogs entertain the Floydada Whirlwinds at Spur. Both are undefeated in conference play.

The game tonight closes out the season for Spur, if they lose, but a victory will give them the title.

Floydada has one more district game to play—Tahoka at Floydada next Friday.

Floydada is the only remaining undefeated team on the South Plains, while Spur has lost two and tied one in non-conference play. However, in conference play, the Bulldogs have won by much more impressive scores than has Floydada.

Housing Project Given Approval

Washington, D. C. (Spl.)—Housing Administrator Albert M. Cole has approved the workable program by which Tahoka, Texas, proposes to eliminate its slums and blight. The city is a market center in a cotton-growing and ranching area with an estimated population of 3,500. It is 30 miles south of Lubbock.

Formal approval of a community's workable program is a prerequisite for Federal assistance for loans and grants for slum clearance and rehabilitation and for public housing and liberal types of FHA mortgage insurance for private redevelopment of project areas and to rehouse displaced families.

The Public Housing Administration has authorized preliminary planning funds for 16 low-rent units to be managed by the Tahoka Housing Authority.

While Tahoka is presently without codes regulating building construction or housing occupancy, the City Council reported that studies would be initiated and that a General Code including approved standards for building, plumbing, electrical and minimum housing regulations would be adopted.

The City also proposed establishment of a Planning Commission in the immediate future and stated that it would be assigned to develop a comprehensive community plan to include land use, streets and community facilities plans; a public improvement program, zoning ordinance and subdivision regulations. The Commission also will be charged, the city stated, with delineation of residential neighborhoods, the identification of areas of substandard housing and with reporting recommendations for corrective treatment.

The local housing authority will assume responsibility for relocating in standard housing families displaced by urban renewal or other governmental actions, the city reported, and cooperative community interests is said to be assured for the renewal program.

We wish to express our appreciation to each of you for buying a ticket and helping us in our Hallo'een project. We were able to buy a screen for our slide projector that was bought last year and help the boys to represent in the State Athletic Department at Prairieview State College so they will be eligible to play basketball in the South Plains tournament.

We would like for you to know who won the prizes: case of pop, Mrs. Geneva Cain; cake and quilt top, George Eavors.

We are especially grateful to Mrs. Cain for giving the case of pop she won to our room. With a few more bottles added we were able to serve the fourth, fifth and sixth grades of which Mrs. Daniels is teacher.

Thank each of you again. We missed some of you but when we are to sponsor another project we will see you then. The first, second and third grades. (Total money raised, \$40.00) P. L. Sayles, teacher.

REV. AND MRS. CORBETT MAKE SURPRISE VISIT
Rev. and Mrs. Tad Corbett of Lake Charles, La., made a surprise visit last Thursday and Friday to her parents, Mr. and Mrs. Clay Bennett, and grandmother, Mrs. Cora Bennett.

Rev. Corbett, who has recently completed a flying course, and wife dropped in unexpectedly by plane at Tahoka Airport, called a friend to come and get them, and walked into the Bennett's store to shock their parents.

The young minister is pastor of a Baptist Church in Maplewood, a suburb of Lake Charles, and Mrs. Corbett teaches in the school system there.

When a lad starts the study of Latin and algebra he says goodbye to his boyhood and, also, to any help on his homework from dear old dad.

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

In the coming elections in many areas the so-called "right to work" issue is a hot one.

It is not without significance that the nation's independent businessmen, in a nationwide poll just completed of the membership of the National Federation of Independent Business found 85% in favor of laws prohibiting the closed shop, only 13% against such prohibitions. C. W. Harder and 2% expressing no opinion.

Labor leaders claim unless everyone is forced to belong to the union, there are some who would reap benefits gained through organized effort with no support on their part.

That is probably true. To paraphrase a well known passage, it is fitting to say, "Yes, verily, the free leaders will be with us until the end of our days."

For example, in any given community, it is actually only a handful of citizens who fight for better schools, libraries, roads, improvements that benefit all. In fact, in this nation, despite the priceless heritage of the secret ballot, there is no compulsion on anyone to vote.

Thus, it seems far fetched for labor leaders to assume that they, and they alone, should have such a wide power of compulsion.

It is, of course, much too early to predict outcome of "right to work" measures this November. But it seems obvious public sentiment is on march toward clean up of labor organizations.

It also seems obvious that with the growth of Big Monopoly busi-

ness in this nation, there is a need for Big Labor to deal with such systems. It also seems obvious labor leadership has been lax in bringing up its own reforms.

The labor leader himself should be bombarding Congress with requests for many reform laws such as the following:

Strict adherence to the principle of the secret ballot and the democratic processes of nominating candidates for office should be one. And inasmuch as unions, with both treasurers from dues and for pension funds, are serving as huge depositaries of public funds in the same manner of banks and insurance companies, labor leaders themselves should be insisting on a system of outside audit and review such as is carried on by federal and state bank examiners.

In addition, Big Labor leaders have too long neglected the fact that the major employers of American labor is small, independent business, and thus too many times have tried to impose on independent business the same wages, hours and conditions gained from some giant corporation in a given field.

And it is probably on this latter point that Big Labor has brought down so much public sentiment on its head.

A picket line around a U. S. Steel plant makes headlines, but actually draws little public interest. It's just another big battle between giants.

But when Joe's Sheet Metal Shop on the other side of any small town is picketed just because Joe can't pony up with all the fringe benefits that U. S. Steel has agreed upon, the situation not only gets ludicrous, but in addition, a lot of people get pretty mad. Often the maddest of all are Joe's employees.

LAMESA HOMECOMING IS FRIDAY, NOVEMBER 7

The Lamesa High School will hold its annual Homecoming Friday night, Nov. 7, when the Lamesa Golden Tornadoes play the Snyder Tigers in a conference game.

The graduating classes of 1946 and 1950 have been chosen to receive special recognition at the re-

ception in the high school cafeteria after the game. Highlighting the half-time activities will be the presentation of the Band and Football Sweethearts and the crowning of the 1956 Homecoming Queen. All exes are urged to attend this homecoming.

A resourceful man isn't necessarily a man of means.

TAHOKA, TEXAS "Heart of the South Plains" FRIDAY, NOVEMBER 7, 1958

Mills Ask Better Cotton Package

"King Cotton" was the subject of a talk and color movie at Tahoka Rotary Club last Thursday by Conrad Loehffer, public relations director of Plains Cotton Growers, Inc., and formerly farm editor of the Lubbock Avalanche-Journal.

He showed pictures of cotton mills in Greenwood, South Carolina, made several months ago when a group of cotton growers from this area made a visit to that section to see what happens to cotton after it leaves the producing area.

The picture showed how cotton is milled and made into cloth and the types of cotton the mills need for processing and ended with interviews with mill operators who told what they liked and don't like about Plains cotton.

These men complimented the Plains in its efforts to produce a better grade and staple. Their biggest complaint was on the poor bagging.

To illustrate the point, pictures were shown of synthetics coming to the mill completely wrapped and packaged so that no dirt could get to the fiber. In comparison, pictures were shown of cotton bales with ripped and torn bagging, ragged and dirty cotton. They emphasized that the mills like to know what they are buying and then receive it in better shape than they are now receiving cotton. Otherwise, they will continue to use a lot of synthetics.

Truett Smith, who arranged the program, introduced the speaker. Three new members of the club were introduced. They are Dr. Bryce Campbell, J. R. Autry, and Charles Reid.

President Otis Spears announced the club was back in the "high ten" in district attendance in September with an attendance of 96.62 percent.

The District Governor will visit Tahoka club Nov. 19 and 20, meeting with officers and committee chairmen Wednesday night, Nov. 19, in Lyntegar building and speaking to the club the next day. Wives of Rotarians will entertain the Governor's wife with a tea in the home of Mr. and Mrs. Charles Towles Wednesday night.

Townes and Eddie Bowman have the program for November. David Bray and Billy Tomlinson have been the student guests during the month of October.

GRANDSON OF HUFFAKERS HONORED AT WEST TEXAS

Roger Douglas Huffaker of Lubbock was one of the 35 cadet students at West Texas State College, receiving the scholastic achievement awards in the Reserve Officers' Training Corps unit.

He is the son of Mr. and Mrs. Loyd E. Huffaker, Levelland Road, Lubbock, and a grandson of Mr. and Mrs. W. C. Huffaker of Tahoka. He is a sophomore at West Texas State majoring in physical education, played on the freshman football team last year and is a member of the varsity squad this year.

Central Bank To Meet In Lubbock

The Board of Directors of the Central Bank for Cooperatives will meet in the Caprock Hotel at Lubbock, November 20th and 21st. Texas' board member Wilmer Smith has planned a tour of the Lubbock area for the visiting members on the afternoon of the 21st and the morning of the 22nd.

Principal lending activity of the Central Bank of Cooperatives located in Washington, D. C. is through participation in loans made by the 12 district banks for cooperatives, particularly large loans which exceed the lending limits of a district bank, and the making of loans to the district banks to assist them in meeting their peak needs for lending funds.

Formed in 1933, Authorized by the Farm Credit Act of 1933, the 13 banks for cooperatives have provided \$8.3 billion in credit for several thousand and farmer cooperatives engaged in marketing farm products, purchasing farm supplies, and furnishing farm business services. During the past fiscal year, farmer cooperatives borrowed \$530 million from the 13 banks. A total of \$406 million in loans was outstanding to 2,523 cooperatives on June 30, 1958.

Funds loaned by the 13 banks, in addition to their own capital, are obtained from sale of consolidated debentures to the investing public and from short-term borrowings from Federal intermediate credit banks, Federal land banks and from commercial banks. The 13 banks for cooperatives sold five issues of short-term consolidated debentures totaling \$325 million during the past fiscal year.

Board Members
President of the Central Bank is Homer G. Smith of Washington, D. C. Vice President and Secretary is B. F. Viehmann and Vice

President and Treasurer is F. R. Wilcox, Los Angeles, Calif; Vice Chairman, O. E. Zacharias, Jr., Richmond, Virginia. Representatives of Farm Credit Districts on the board are: James H. Dean, Hutchinson, Kansas; John D. Feltenfeld, Troy, Missouri; Kenneth N. Probasco, Columbus, Ohio; Wilmer Smith, Wilson, Texas; and Frank D. Stone, Minneapolis, Minnesota.

4H CLUB ELECTS

The fourth and fifth grades of North Elementary met recently and elected officers for the year. Officers are as follows: president, Phil Adams; vice president, Stanley Renfro; secretary-treasurer, Britt Robinson; and reporter, Gary Tomlinson.

Mr. and Mrs. John Bulman of Hico left for home Tuesday morning following a visit here with his sisters, Mrs. C. T. Tankersley and Mrs. Lou Busk, and other relatives. John has a nice ranch at Hico, moving back there last year from Colorado, where he ranched for several years.

Jim Barnett Wins Award At Tech

James R. Barnett, son of Mr. and Mrs. W. N. Barnett, and a senior Army ROTC cadet at Texas Tech, has been designated as one of the thirteen distinguished military students, Col. James B. Carvey, professor of military science and tactics, has announced.

Barnett is a senior physical education major, is a member of ROTC Association, Scabbard and Blade and was a member of Wainwright Rifles and a graduate of Tarleton Junior College.

Distinguished military students are selected by the Army ROTC commanding officer at each college and university with the concurrence of appropriate academic deans. Those selected are eligible to apply for Regular Army commissions.

Persons designated as distinguished military students must possess outstanding qualities of leadership, high moral character, and a definite aptitude for the military service. Candidates must also be in the upper half of his college class and have demonstrated leadership ability while participating in campus activities.

Mr. and Mrs. J. M. (Jack) Keyser of Huntington, West Virginia, were here last week visiting Mr. and Mrs. Woodrow (Ode) Brewer, leaving Sunday for Fort Worth to visit her parents, Mr. and Mrs. J. L. Reese. Mrs. Keyser is the former Miss Lorene Reese.

If you think women never do anything on time, you've never gone shopping with them.

For one who never knows what she wants, today's woman is quite apt at getting it.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: All of the Heirs of Turner Joyce, deceased, all of the Unknown Heirs of Turner Joyce, deceased, and all of the Unknown Heirs of the Heirs and Unknown Heirs of Turner Joyce, deceased, Defendants, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable County Court of Lynn County at the Courthouse thereof, in Tahoka, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 17th day of November A. D., 1958, to Plaintiff's Petition filed in said court, on the 2nd day of October A. D. 1958, in this cause, numbered 883 on the docket of said court and styled IN

Re to the Estate of Turner Joyce, deceased, No. 883, County Court of Lynn County, Texas.

A brief statement of the nature of this suit is as follows, to-wit: Being a suit to establish and decree who the heirs of Turner Joyce, deceased, are, the said Turner Joyce having died intestate in the State of Washington in November of 1955, and to establish the interest of each heir in the estate of the said Turner Joyce in accordance with the allegations, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served with in ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof and make due return as the law directs.

Issued and given under my hand and the seal of said court at Tahoka, Texas, this 2nd day of October A. D. 1958.

Attest: Beulah Pridmore, Clerk, County Court, Lynn County, Texas (SEAL) 2-4tc

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: Johnnie Waters Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court of Lynn County at the Court House thereof, in Tahoka, Texas, at or before 10 o'clock a. m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 1st day of December, A. D. 1958, then and there to answer Plaintiff's Petition filed in said Court, on the 13th day of October A. D. 1958, in this cause, numbered 2380 on the docket of said court and styled VELMA RENELL WATERS Plaintiff, vs. JOHNNIE WATERS Defendant.

A brief statement of the nature of this suit is as follows, to-wit:

The same being a suit for divorce, custody of the parties' minor child, to-wit, Melanie Ann Waters, and for child support for said minor child, wherein said petition for divorce alleged by the plaintiff that only one child was born of the marriage union, as above named, and that there is no community property owned by the plaintiff and the defendant. The grounds for divorce alleged by the plaintiff being that the defendant disregarded the solemnity of his marriage vows, and his obligation to treat the plaintiff with kindness and forbearance, and defendant commenced a course of unkind, harsh and tyrannical conduct towards the plaintiff over a period of time, and until about December 26, 1957, when the defendant, without cause or justification, abandoned the plaintiff, and the parties' minor child, and fled to parts unknown, and that the defendant was guilty of such excesses, cruel treatment, misconduct and outrages toward the plaintiff of such a nature and degree as to render their further living together impossible and insupportable; plaintiff is further asking for custody of the parties' minor child, and for child support payments from the defendant in an amount which the Court may deem just and fair, until said minor child reaches the age of 18 years, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing the process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Tahoka, Texas, this 13th day of October A. D. 1958.

Attest: W. S. TAYLOR, Clerk, District Court, Lynn County, Texas. 2-4tc

"My Electric Range Gives Double Satisfaction!"

says Mrs. Clyde Rice, 2110 FAIRFIELD, AMARILLO, TEXAS

"As this is my second electric range, I know from experience that electric cooking gives me double satisfaction. I get the satisfaction of seeing my family eat good, properly-cooked foods. And then, for a mother, perhaps an even greater satisfaction in seeing my daughter, Linda, baking cakes and learning the fine art of cooking in the easiest and safest way, electrically."

Esso Extra Out-performs many gasolines selling for 1¢ more!

Esso Extra sells for premium—not super-premium—price, but it out-performs many gasolines selling for 1c to 2c more.

Out-performs them in clean-burning characteristics: it burns so clean that spark-plugs last up to 50% longer.

Out-performs them in anti-knock operation: its octane rating is high—higher, in fact, than the octane rating of many gasolines for which motorists pay a super-premium price.

Out-performs them in quick starting . . . in smooth, safe acceleration . . . in mileage.

Esso Extra is the No. 1 premium in Texas . . . first in premium sales . . . first in premium performance.

Use this great gasoline in your car. You'll prefer its performance, you'll like its mileage, and most of all, you'll be pleased with its economy. Fill up under the Humble sign in your neighborhood. Every time!

HUMBLE OIL & REFINING CO.

Golden Esso Extra In a quality class by itself

This superior gasoline stands out as the best gasoline to use in any car in any price class. It is the only gasoline that will give you all the performance you paid for when you bought your modern car. It has highest octane rating; it eliminates engine "bucking" as you start, engine "rattle" as you drive, and engine knock as you accelerate. A must for cars with air-conditioning, power brakes and power steering. It's the gasoline for the 1959 models.

Dependable Quality at Regular Price

If your car performs well on regular gasoline, Humble Motor Fuel is your gasoline. Every gallon is made to exacting quality specifications.

You get three distinct advantages: (1) continuous improvement; (2) uniform quality wherever you fill up; and (3) a patented solvent oil that keeps engines clean. Among the regulars, Humble Motor Fuel is second to none.
