Tahoka FFA Is Contest Winner

Future Farmers of America chapters from 16 area high schools competed in the Mesa district leadership contest in Seminole Saturday, Nov. 22, in the high school of that city.

Tahoka's senior chapter conducting team, of which Lester Adams is advisor, placed first in the event. Team members are Benny Martin, president; Falcon McAllister, vice president; Teddy Dockery, reporter; Billy Tomlinson, treasurer; Vergil Hicks, sentinel; Carroll Best, secretary; John Hogi and Jerry Hays, delegates.

Adams was assisted in training the team by Perry Williams and Bo Allen, student teachers from Tech.

In the same contest Brownfield placed second and New Home third.

Members of the junior FFA quiz team tied with New Home for first place. The Tahoka team, coached by V. P. Carter, is composed of Jim Robinson, Carl Ingle, Fred Hogi and Jerry Pebsworth. Post placed third in the contest.

The radio broadcasting team composed of Martin, McAllister, Tomlinson and Larry Forsythe placed third. New Home placed first and Brownfield, second.

New Home's FFA members, under direction of Benny Pryor, did very well in the district contests.

The senior chapter conducting team, which placed fourth, is composed of Larry Brown, David Crooks, Russell Balch, Lee Finch, Juan Rodriguez and Ronald Wyatt. Junior chapter conducting team, which placed third, has the following members: Arthur Airhart, Bill Kopecky, Russell Swinson, Charles Crabtree, Dwayne Holtzclaw and Marlow Rudd.

The radio broadcasting team is composed of Bob Nunley, Walter Gasper, and Larry Edwards. This team placed first in the meet.

Junior FFA quiz team composed of Airhart, Holtzclaw, Kopecky and Swinson tied with Tahoka for the first place position.

Junior farm skill team, placing second in the district meet, is composed of Airhart, Kopecky and Swinson.

Senior skill team members placing second in the meet were Nunley, Gasper and Edwards.

The teams that won first places in the district meet will represent the Mesa District in the Area II contest which will be held Dec. 6 in Big Spring.

Dial Cut-Over Set For Dec. 9th

The installation of new dial equipment for Tahoka's future dial telephone system has been completed, according to Claude Adams, district manager for the General Telephone Company of the Southwest.

It is planned that the new equipment will be cut into service on December 9, 1958, after a period of testing by the crews of the company. This new equipment will give the customers of the company in Tahoka the most modern dialing system, and will enable them to dial directly to the desired numbers in Tahoka without the assistance of an operator.

During this period, said Adams, another operation will be in effect. That is the change-over of all telephone instruments in Tahoka. The present telephones will be replaced by dial telephones, which contain the "metropolitan type" dial plate that makes customers direct dialing possible. Special information will be sent to each customer to further acquaint them with the dialing procedures, said the district manager. The planned date for the cutover to this modern dial system is December 9, 1958.

GRANDMOTHER DIES

Mrs. G. D. McSpadden, 85, Lamesa pioneer and grandmother of Coach Grover Watkins of Wilson, died Thursday of last week. Funeral services were held there Saturday at 2:30 p. m. Mrs. McSpadden was the last charter member of the First Baptist Church of Lamesa.

Plan Christmas Light Contests

Christmas lighting plans were completed by Tahoka Chamber of Commerce officers in a meeting Thursday night.

Due to some dissatisfaction among some merchants, the Christmas "give away" program held the past two years will not be staged this year.

In the annual home decorations contests, three new prizes have been added.

The same prizes of \$15, \$10, and \$5 will be given for the best, second and third best overall decorations. An additional prize of \$5.00 will be given for the most unusual home decorations.

Instead of one doorway prize, this year there will be three in this contest, \$7.50 for first, \$5.00 for second, and \$2.50 for third.

As was the case last year, a plaque will be presented the best decorated business institution and honorable mention will go to two or three others.

All individuals and businesses will again be required to register for entry in the various contests so that judges will be sure and find those entered. These entries may be turned in to The News or to members of the home and business decorations contest, Wynne Collier, Herman Renfro, and Frank Hill.

In charge of down-town lighting will be a committee composed of Johnny Reasonover, Garland Pennington, and Clint Walker.

All business institutions are urged to make a little special effort to decorate with the Christmas holiday theme.

New Oil Well Proves "Duster"

After continued tests and attempts to increase the flow of oil, W. E. Bakke of San Antonio and Midland this week announced the No. 1-158 Mollie C. Edwards well northwest of Tahoka and east of Petty is being abandoned and plugged.

The well proved a great disappointment to many, as for a while it seemed certain of making a paying producer, which would have opened up much new oil activity in northwestern Lynn county.

From perforations at 10,546-551, the well had yielded about 15 barrels of oil per hour on swab following acidizing. A total of 8,736 barrels of oil was recovered, but the operators announced, but on the final test it made salt water at the rate of two barrels per hour. Attempts to deepen also resulted in tighter formation and salt water.

The well was located 1,980 feet from the south and 660 feet from the east lines of Section 158, Block 9, B. P. Fakes survey.

Two Hurt In Cycle Crash

Estamizado Mendez, 40, a bracero from Mexico, received a concussion and Johnny Rogers, 14, of Tahoka received facial cuts and body bruises Sunday at about 3:00 p. m. at the southwest corner of the square when Mendez was struck by a motorcycle being ridden by Rogers.

Rogers, son of Mr. and Mrs. Horace Rogers, was riding on his motor bike, and it is believed the Mexican stepped off the curb into the side of the vehicle.

Mendez is still in the hospital suffering from the concussion and a cut leg. Rogers was released Tuesday about noon.

HARVICK INFANT CRITICAL

The infant daughter born to Mr. and Mrs. W. C. (Dub) Harvick Jr. Monday in West Texas Hospital, Lubbock, at 8:08 p. m., was still in a critical condition Wednesday afternoon.

The child, which weighed four pounds eight ounces at birth, is reported to have an enlarged heart.

Harvick is a salesman for Armour & Co.

E. S. Brown was admitted to the hospital Tuesday.

We Give Thanks

For freedom, for plenty, for all the blessings of home and family, we say a prayer of gratitude on this Thanksgiving Day. As we celebrate with the traditional feast, we are grateful, too, for many other American traditions . . . and for the privilege of all to work, plan and save for a bountiful future.

C. of C. Urges Merchants And Citizens Not To Buy From Strange Solicitors

Unauthorized solicitors and salesmen with questionable schemes to get the people's money are receiving a set-back due to activities of the Tahoka Chamber of Commerce.

Merchants, housewives, and other individuals have repeatedly been cautioned against "falling for" the many schemes that are presented, especially by strangers in town. In spite of the warnings, several salesmen have gotten by recently with questionable deals in Tahoka.

Tahoka Chamber of Commerce maintains a secret committee to investigate and to pass on or reject all such schemes. For most worthy causes, an approval permit is issued. But, the plan keeps busy men and women from having to investigate or question every advertising or solicitation deal presented and prevents possible embarrassment to either party.

Some of these deals include questionable advertising novelty deals, peddlers, magazine salesmen, signboard and printing salesmen, radio advertising salesmen, welfare home solicitors, etc., some of which are outright fakes.

The Chamber of Commerce has access to means of checking on most of these solicitors, and when schemes are presented the solicitor should be referred to Dean Taylor, president of the Chamber of Commerce, or Otis Spears, secretary, who will in turn present the proposal to the secret committee for investigation and approval or rejection.

Furthermore, peddlers of merchandise and magazines in Tahoka are requested to have a peddler's license, which may be obtained from City Secretary J. M. Uzzie at Tahoka Municipal Building.

23 Shopping Days Until Christmas

A visitor with Mrs. W. O. Thomas last week end was her nephew, S. E. McCubbins of Oklahoma City.

Jim L. Hill, 85, Dies Thursday

J. L. (Jim) Hill, 85, retired farmer and a resident of this county for 37 years, died at 6:07 p. m. Thursday in Methodist Hospital, Lubbock, following a long illness.

Funeral services were held Saturday at 2:30 p. m. in the First Methodist Church of Tahoka with Rev. Hugh Daniel of Lubbock, former New Home Methodist Church pastor, officiating, assisted by Rev. J. B. Thompson, pastor of the First Methodist Church of Tahoka and Minister Leroy Cowan of Tahoka Church of Christ. Burial was in Tahoka Cemetery under direction of Stanley Funeral Home.

Mr. Hill fell a few years ago and broke a hip, ever since which he has been confined to a wheel chair. About a month ago, he became ill and was taken to Methodist Hospital, Lubbock, to a specialist, and on Oct. 27 underwent surgery for a ruptured stomach ulcer. He was doing fairly well until suffering a stroke early last week.

James Leonard Hill was born July 5, 1873, at Rockdale, Milam county. He was married there on Dec. 11, 1893. The couple later moved to Jones county and thence to Lynn county in 1921. He lived in Tahoka about three years, farmed at Grassland until 1933, and moved back to town. He was a member of the Church of Christ.

He is survived by nearly a hundred direct descendants. Survivors include his wife, a faithful companion for 65 years; five daughters, Mrs. Emma Stafford of Hobbs, N. M., Mrs. Mary Wilson of Ralls, Mrs. Kate Gillette of Letelland, Mrs. Rose Gass of Draw, and Mrs. Tiny McNeely of Tahoka; three sons, Jim Hill of Tahoka and Vernon and Maines Hill, both of Hobbs, N. M.; 36 grandchildren, 48 great grandchildren, and two great great grandchildren. Two children preceded him in death, Jack Hill and Lillie Hill.

Local Basketball Getting Underway

Tahoka A team boys and girls basketball teams open the home basketball season with the O'Donnell Eagles coming here next Tuesday night Dec. 2. Game time is 7:00 p. m.

Thursday night of next week, Wilson boys and girls play here.

Coaches Jake Jacobs and Dean Wright have arranged the varsity games this year where they are no conflicts with Texas Tech varsity basketball games.

Actually, Tahoka opened its 1958-59 season Tuesday night at Wilson, the boys winning 38 to 32, and the girls losing 51 to 40.

Coach Jacobs' 1958 Class AA champions, with only one returning starter, Jarry Adams, led all the way, and the score may have been a wider margin but he used all 11 boys in uniform on the A Squad. By quarters, Tahoka led 19-9, 25-14, 30-20, and 38-32.

High point man was Paul Henderson of Wilson who had 14 (Cont'd On Back Page)

Only 15 Quality Housing Project

Need for only 15 housing units was shown in the survey completed Monday of this week, according to Mayor H. B. McCord.

However, two or three other applications had been taken that may come within the requirements.

Actually, many more housing units than this could be used, but applicants would not meet the Federal government requirements.

Building of new housing is possible for families who do not own a home, who live in sub-standard quarters, and who earn about \$150.00 per month or less.

The survey showed a surprising number of the sub-standard homes in Tahoka are owned by the people who live in them and are not rental property, this making the occupants ineligible for the low-rent project.

The Government has approved a 16-unit project for Tahoka. Built of brick, tile, or concrete, the units will be modern in every respect, and will be designed to last for 40 years, the time in which they are due to pay out in rental returns. More units may be approved later, if needed.

Local Housing Authority is headed up by A. M. Bray, A. C. Verner, Harold Green, and Dean Taylor, and J. M. Uzzie is the executive director.

Miss Milliken To Open New Shop

Miss Echo Milliken will hold open house in her new Echo's Beauty Salon Sunday afternoon from 2:00 to 5:00 p. m. in the new location at the corner of Sweet Street and the Brownfield Highway.

She recently purchased the brick building there from Mrs. Carl Griffing Sr. and O. C. Roberts, and has had the 25 by 62-foot structure completely remodeled inside and out.

The front has been remodeled and modernized, using masonry, glass tile, and aluminum.

The interior has been remodeled completely and the most modern and complete beauty shop equipment money can buy has been installed, making hers the most complete shop south of Amarillo.

The ceiling has been lowered, using acoustical material, vinyl asbestos tile floors laid, and the walls and other appointments furnished in white and pastel shades. Central heating and air-conditioning have been installed. (Cont'd On Back Page)

Texas Highway Department will virtually rebuild FM 400, the paving between Tahoka, Wilson, and Slaton and improve three other Farm-to-Market roads in Lynn county during 1959, D. C. Greer, State Highway Engineer, has announced. Total cost will be \$286,700.00.

FM 400 from the Lubbock county line, just south of Slaton, will be improved and a new seal coat applied through Wilson and to the junction with US 87, two miles north of Tahoka, a distance of 16.5 miles, at a cost of \$274,000.00, he informs The News.

A new seal coat will be applied to the 5.2 miles stretch of road along FM 211, from US 87 at Wayde eastward to Wilson at a cost of \$4,800.00.

FM 1703, which runs south 6.2 miles from a point on US 84 southeast of Slaton to the junction with FM 211, about eight miles east of Wilson, will receive a new seal coat at a cost of \$5,700.00.

FM 1656, beginning two miles east of Wilson and extending south toward New Lynn, will receive a new seal coat along 4.5 miles of the route.

Mr. Greer says this is part of the 3,601.8 miles of existing farm-to-market roads in 187 counties that will be improved during the year. Improvements will include surface and base strengthening and shoulder improvement.

Also scheduled for construction next year, if right-of-way is completed, are two new stretches of farm-to-market road.

One is the nine or ten mile stretch between Newmoore and West Point, connecting FM 213 with US Hwy. 380.

The other is the four mile stretch extending FM 1317 west to intersect FM 2081, the West Point to Lakeview paving.

Biggest highway project in Lynn county is the building of the new four lane divided highway between Tahoka and O'Donnell. Work is now progressing on construction of the grade and drainage structures on this road, and completion is expected by late spring or early summer.

Dee Smith, 95, Rites Sunday

Dee Smith, 95, a resident of Lynn county 37 years, died Friday at about 9:30 a. m. in Tahoka Hospital. A retired farmer and rancher, he was one of the oldest citizens of Lynn county.

Funeral services were held Sunday at 2:30 p. m. in the First Baptist Church of Tahoka with the pastor, Rev. W. A. Brooks, officiating. Burial was in Tahoka Cemetery under direction of Stanley Funeral Home.

Mr. Smith was born in Delta county February 19, 1863. He was married in Erath county in 1895 to Miss Annie Howeth, who preceded him in death. He came to Lynn county in 1921, and farmed until his retirement a number of years ago. He was a member of the Baptist Church. He had been making his home in a Lubbock rest home recently.

Survivors include two daughters, Mrs. Claude Jackson of Matador and Mrs. Albert Ely of Torrance, Calif.; three sons, Frank and Harve Smith, both of Tahoka, and Martin Smith of Albuquerque, N. M.; two sisters, Mrs. Jim White and Mrs. Tom Howeth, both of Mineral Wells; eight grand children and 23 great grandchildren.

Band Objectives Are Outlined

By F. W. SAVAGE
 Director of Music Activities
 Texas Interscholastic League

Almost every discussion concerning methods and procedures for teaching public school bands inevitably terminates with the basic question, "just what are we trying to do?"

As a result, approximately 200 band directors attending the marching band workshops conducted this fall by the Interscholastic League were asked to rank a group of objectives in the order of their importance. The objectives grew in number as new objectives and revisions evolved from the discussion which developed in successive workshops.

Important Objectives

The objectives listed below received the highest ranking in the survey. They are not necessarily listed in the order of their importance. Many directors listed other objectives which, in their opinion, were more important than any of these. It also follows that the objectives listed not only apply to marching bands, but to the entire band program in the public schools. The major exception to this would be the primary objective of developing musical appreciation and proficiency of the individual student

- to the maximum of his ability.
- Basic Objectives**
1. To teach students the basic principles of self-discipline and personal responsibility.
 2. To teach students their personal responsibilities for the success or failure of their group.
 3. To develop leadership and teach fellowship and citizenship.
 4. To serve as an agent of the school in intra-community-public relations.
 5. To provide practical experiences in developing school or group loyalty.
 6. To supply entertainment for large groups of school and community patrons using types of performances appropriate to such occasions as athletic contests and parades.
 7. To serve as an agent of the community for inter-community public relations and goodwill.
 8. To develop school spirit.
 9. To provide a tangible activity of a popular nature which motivates the study of less glamorous aspects of music education.
 10. To provide an activity which will assist the student in his physical development.

Cars Are No Help To Students' Grades

Here's a startling item from yesterday's issue of Automotive News:

"Law-enforcement officials are studying results of a survey by Willis G. Nelson, principal of the Madison High School, Rexburg, Idaho. Over a four-year period, Nelson maintained a scholarship record of students who owned cars and those who didn't.

"Results showed that no student who maintained an A average over the period had the use of cars during school hours. Of those with B averages, 15 percent had the use of cars during school hours; 41 percent of C students drove cars to school, and 71 percent of D students had autos. Of the students who failed or who quit school, 83 percent had access to autos during the school hours."

Today's MEDITATION

from
 The World's Most Widely Used
 Devotional Guide

The ax is laid unto the root of the trees: therefore every tree which bringeth not forth good fruit is hewn down, and cast into the fire. (Matthew 3:10.)

John the Baptist was no reed shaken by the wind. His enemies could not bend him to their will, pressure groups persuaded him to their purpose. He laid his ax to the root of the trouble in the hearts of the people—their selfishness, their dishonesty, their discontent.

He laid the ax to the root of hypocrisy. His searing words to the Sadducees and Pharisees, "O generation of vipers," indicated he was no respecter of persons, but demanded honesty and sincerity in those who would become his disciples.

He laid the ax to the root of the immorality in the royal household of Herod. John said to the King, "It is not lawful for you to have your brother's wife." John's courage cost him his life.

What Edwin Markham said of Abraham Lincoln can well be said of John the Baptist:

"One fire was on his spirit, one resolve—
 To send the keen ax to the root of wrong.
 Clearing a free way for the feet of God."

PRAYER

Our Father, we thank Thee for John the Baptist—yes, for all the forerunners who have helped us to clear from our lives all hindrances to our acceptance of Christ as our Saviour. In the Master's name. Amen.

D. H. Goodnoughs Visit in Tahoka

Mr. and Mrs. D. H. Goodnough, now of Abilene but formerly of Tahoka, were here Monday looking after business interests. They own a building on the west side of the square, half of which is occupied by Woods Jewelry and until this week end the other half has been occupied by Echo's Beauty Salon.

The Goodnoughs say their daughter, Aletha, and husband, Mr. and Mrs. Shelton Holmes, now live in Big Spring. Their granddaughter, Sheila Holmes, is a sophomore in Hardin-Simmons University, and their grandson, Dennis Holmes, is a six-foot two-inch 248-pound senior in Big Spring High School.

MITCHELL WILLIAMS IS BROWNFIELD SPEAKER

Mitchell Williams, out-going district attorney who has resigned effective Dec. 1, was the guest speaker Thursday night at the Brownfield Branch of the American Association of University Women at the Brownfield Clubhouse.

He talked on the subject, "The Problems of the District Attorney," as one of the lectures in a series of "Social Studies" arranged by Mrs. A. M. Muldrow.

Cage Prospects For Boys Fair

Tahoka Bulldogs, 1958 district and bi-district champions in basketball, have only one returning starter this year, but Coach Jake Jacobs reports prospects are good for a fair ball club if squadmen and three boys injured in football come around in good shape.

Jerry Adams, a senior, is the lone returning starter from last year's championship club. Lettermen returning are David Bray, Weldon Calloway, and Billy Tomlinson, all seniors. Other squadmen, most of whom are capable of making the starting line-up, include John Hegl, a senior, and Juniors George Adams, Gerald Huffaker, Gerald Short, Paul Ford, Larry Forsythe, Larry Spruiell, and David Copeland.

However, three boys are still handicapped from football injuries. These are Weldon Calloway, a letterman, and squadmen David Copeland and Billy Tomlinson. Calloway will probably not be able to play until later, and it is doubtful if Tomlinson and Copeland will be able to play at all. Both have knee injuries.

The B team squad is made up of several boys who are likely to be on the A team a year or two

Girls To Seek Better Record

Five lettermen are back this year as a nucleus for the Tahoka girls varsity basketball team, and prospects are that they could have a winning year.

Lost from last year's team are Betty Vaughan, Barbara Jones, and Mary Helen Whitaker.

Last year's team won 11 games and lost 13, and finished fifth in district competition behind Abernathy, Spur, Slaton, and Post and ahead of Lockney and Floydada.

Deane Wright is coaching the girls this year. He says the girls have been doing real well in early season work-outs.

Returning lettermen are Jan Thomas, Patsy Norman, Sharon Applewhite, and Carol Smith, and also Diana Hensley, who lettered the year before.

Other members of the A squad are Linda Williams, Supny Gibson, Sandra McNeely, Barbara Thomas, Marihelen Reid, Judy Thomas, and Dixie Forsythe.

Members of the B team are Sophomores Martha Collard, Martha Bell, Martha Curry, Melissa Reece, and Virginia Stephens; freshmen Kay Halamicck, Donna Copelin, Loretta Potts, Loretta Short, Diane Falls, and Paula Wood; and one junior, Rebecca McCuiston, a transfer from New Home who is ineligible for A team play this year.

CARD OF THANKS

We would like to take this opportunity to thank all our friends for the wonderful hospitality shown us during the time that A. T. was in the hospital. The cards, flowers, and visits were just great. Also we would like to thank the doctors and nurses of Tahoka Hospital for all that they did. Thanks again. A. T. Adams and wife.

Everyday Religion

By J. B. Thompson

For tinted woods and falling leaves;

For tang of frosty morn.
For hazy skies above the fields
Of autumn's golden corn.
We thank Thee O God.

For homes where love is wont to dwell;
Secure from day to day.
Where tender memories abide
And little children play.
We thank Thee, O God.

For life and love and all things good
Along the winding way.
For glowing embers on the hearth
And friends to cheer the day.
We thank Thee, O God.

For land of plenty and of peace;
For freedom's flag unfurled;
For bread to share with those in need
Around the hungry world.
We thank Thee, O God.

For holy place where prayers are said
In gratitude to Thee;
Where sacred hymns of praise are sung
And souls are ever free.
We thank Thee, O God.

For grace divine our souls to bless
With joy forevermore;
For promise of eternal life
When earth's short day is o'er.
We thank Thee, O God.

Visiting Speakers At Sweet Street

Rev. Bill Brooks, pastor of the First Baptist Church, filled the pulpit of Sweet Street Baptist Church Sunday morning, due to the illness of Joe Webb, pastor of the church.

Sunday evening, members of the two local churches enjoyed hearing Mr. and Mrs. Gordon Robinson, missionaries to Nigeria. The Robinsons brought films of the country which illustrated the many needs of the people in Nigeria as well as the progress that is being made there. He also stated that Nigeria was a country of many languages, varying with the different tribes of people.

At the close of the service a "love" offering was taken for the Robinsons.

acre originally meant the amount of land one man could plough in a day.

Joe D. Knight In Army Maneuvers

Camp Leroy Johnson, La.—Army Pvt. Joe D. Knight, 18, whose wife, Glenda Sue, lives on Route 1, Shallowater, recently participated with the 512th Transportation Company in "Exercise Rocky Shoals", a joint Army-Navy maneuver held on the California coast.

Knight is regularly stationed at Camp Leroy Johnson, La., as a longshoreman in the 512th.

A farmer in civilian life, he entered the Army in March of this year and received basic combat training at Fort Carson, Colo.

His parents, Mr. and Mrs. W. T. Knight, live on Route 5, Tahoka.

Are You...
Lawful
prevy

A while back I ran across this saying by a fellow named Ruskin, and I think it makes a lot of sense:

There is hardly anything in the world that some man cannot make a little worse and sell a little cheaper—and the people who consider price only are this man's lawful prey.

Especially when it comes to something like insurance—which you depend on for protection—quality is mighty important.

The pennies you may save by buying cut-rate insurance now can cost you hundreds, even thousands, of dollars later when you try to collect a claim.

As an insurance agent who works independently, not for any insurance company, I'll be glad to study your needs and tell you which car, home or business insurance policy I believe will give you the best protection.

Exceptional Range!

Vocal range is what counts in a soprano. In a motor oil the important thing is the *temperature range* at which the oil is effective. Phillips 66 Trop-Artic Motor Oil is exceptional in this respect. Trop-Artic permits easy starting in a cold engine because it doesn't get too thick. And it provides dependable protection in a hot engine because it doesn't get too thin. Winter and summer, year after year, the exceptional range of Trop-Artic Motor Oil will contribute to finer performance from your car. Get Trop-Artic Motor Oil at any Phillips 66 Station.

Girls To Seek Better Record

Five lettermen are back this year as a nucleus for the Tahoka girls varsity basketball team, and prospects are that they could have a winning year.

Lost from last year's team are Betty Vaughan, Barbara Jones, and Mary Helen Whitaker.

Last year's team won 11 games and lost 13, and finished fifth in district competition behind Abernathy, Spur, Slaton, and Post and ahead of Lockney and Floydada.

Deane Wright is coaching the girls this year. He says the girls have been doing real well in early season work-outs.

Returning lettermen are Jan Thomas, Patsy Norman, Sharon Applewhite, and Carol Smith, and also Diana Hensley, who lettered the year before.

Other members of the A squad are Linda Williams, Supny Gibson, Sandra McNeely, Barbara Thomas, Marihelen Reid, Judy Thomas, and Dixie Forsythe.

Members of the B team are Sophomores Martha Collard, Martha Bell, Martha Curry, Melissa Reece, and Virginia Stephens; freshmen Kay Halamicck, Donna Copelin, Loretta Potts, Loretta Short, Diane Falls, and Paula Wood; and one junior, Rebecca McCuiston, a transfer from New Home who is ineligible for A team play this year.

CARD OF THANKS

We would like to take this opportunity to thank all our friends for the wonderful hospitality shown us during the time that A. T. was in the hospital. The cards, flowers, and visits were just great. Also we would like to thank the doctors and nurses of Tahoka Hospital for all that they did. Thanks again. A. T. Adams and wife.

THIS IS THE ONE FOR WAGONS! 1959 CHEVY

Chevrolet's five stunning new station wagons for '59 are shaped to the new American taste with fresh, fine Slimline design. And they're beautifully practical—with roomier, quieter Bodies by Fisher, an even smoother ride, new ease of handling!

Wagons were never more beautiful or dutilful. From low-set headlights to wing-shaped tailgate, these '59 Chevrolets are as sweet looking as anything on wheels. They're just about the handiest things on wheels, too—from their overhead-curving windshield to their longer, wider load platform. Besides additional cargo space, you also get added seating room (4 inches more in front, over 3 inches in back). And you'll find such other practical advantages as new easy-ratio steering, Safety Plate Glass all around, bigger, safer brakes, smoother-than-ever Full Coil suspension and a roll-down rear window (electrically operated as standard equipment on the 9-passenger Kingswood). Your dealer's waiting now with all the details on why this year—more than ever—Chevy's the one for wagons.

Gov. Roberts Is Rotary Visitor

Burnett B. Roberts of Leveland, Governor of the 573rd district of Rotary International, accompanied by his wife, Martha, made his official visit to Tahoka Rotary Club Wednesday and Thursday of last week.

Wednesday night, he met with 16 officers and committee chairmen at Lyntegar conference room, went over the local club's program in detail and presented recommendations for improvement.

That evening, wives of local Rotarians entertained Mrs. Roberts with a tea in the home of Mr. and Mrs. Charles Towpne at which a book review was presented by Mrs. Pete (Madeline) Hegi. Following the tea, a coffee was also given in the home of Dr. and Mrs. Skiles Thoms for the ladies.

In his talk before the club, Governor Roberts complimented the local club highly on some of its projects, many of which are given little or no publicity.

He was especially complimentary of the local club's student guest program, the bringing of a foreign student from Europe to Tahoka each of the past four years, the club bulletin, the publicity program; the leadership furnished community projects, and the support of Rotary Foundation.

He announced that a local member, Harold Green, is being appointed to a district committee of three men to further the foreign student guest program.

Mr. Roberts said there are 42 clubs in his district and that this is one of the leading districts in many respects in all of Rotary.

He said there are now nearly 10,000 Rotary clubs with nearly half a million members in 110 nations and geographical regions of the world.

He emphasized that Rotary is a service organization, with its motto of "service above self," the principal objects of which are to develop better fellowship and understanding among its business and professional men members, promote community betterment, raise the standards of business and professions, and foster the advancement of good will, understanding and peace among all the peoples of the world.

Student guests for the month of November, Weldon Calloway and John Hegi, were introduced by Mitchell Williams and Truett Smith, respectively.

President Otis Spears announced there would be no meeting this Thursday on account of Thanksgiving falling on the meeting day.

Larence Jackson Gets Expert Badge

Mainz, Germany—Army Pfc. Larence J. Jackson, 24, whose wife, Bortha, lives at 1207 S. Third, Lamesa, recently received the Expert Infantryman Badge while serving with the 8th Division's Infantry in Germany.

Jackson completed a series of written and practical tests on all phases of the infantry soldier's duties and skills.

He is a mortar gunner in Company B of the infantry in Mainz. Jackson entered the Army in August, 1957, completed basic training at Fort Carson, Colorado, and arrived in Europe last January.

He is a 1953 graduate of O'Donnell High School and attended San Marcus High School. His parents, Mr. and Mrs. L. E. Jackson, live on Route 2, Tahoka.

Summer temperatures in Maine average from 60 to 70 degrees, most of the things we wait for aren't worth the delay.

Seek Speed-Up of Social Security

Would you like to help your local social security office reduce the length of time necessary to process applications for retirement benefits? According to John G. Hutton, manager of the social security district office in Lubbock, people making application for their retirement benefits can speed up the handling of their applications if they bring along the papers necessary to establish their right to benefits. These papers should include their social security card, proof of their age and proof of recent earnings. Hutton explained that your most recent W-2 form furnished by your employer, or your last income tax return along with your Schedule C or Schedule F and the cancelled check showing payment of the self-employment social security tax, if you are self-employed, will suffice for proof of recent earnings. Mr. Hutton added that a birth certificate is not necessary for proof of age but that any old document giving your date of birth, an old family Bible, or an old insurance policy might possibly be all that is needed for proof of age.

Mr. Hutton cautioned that no one should delay filing a claim because he or she does not have one or more of the documents necessary to establish right to benefits. The people at the local office at 2878-34th Street will be happy to give assistance to anyone in securing these proofs, Mr. Hutton concluded.

A representative of the Lubbock Social Security Office will be in Tahoka on Dec. 2, 1958 at 9:00 a. m. at the Courthouse and will be glad to assist in all matters pertaining to Social Security.

Mrs. C. M. Overman, of the Joe Stokes community and who has been seriously ill during the past two months, is able to be up and about the house, improving slowly but surely. She recently underwent major surgery.

A good many people drop all their money trying to pick up more.

Bible Topics -

CHILDREN . . . Was Socrates right when he said over 2000 years ago, "Could I climb to the highest place in Athens, I would lift my voice and proclaim: 'Fellow citizens, why do ye turn and scrape every stone to gather wealth and take so little care of your children to whom one day you must relinquish it all!'"

There is no more important work in America today than that of training little children. Yet the mother in the home is listed in the census as "Unemployed." If we were really wise, we would spend more time and money training our children to whom we shall soon relinquish our stores, our factories, our farms, our nation and the church. Someone has written:

"I saw tomorrow marching by On little children's feet; Within their forms and faces read Her prophecy complete.

"I saw tomorrow-look at me From little children's eyes, And thought how carefully we'd teach

If we were really wise!"

Yet long before these two quotations were penned, the Bible record said: "Train up a child in the way he should go." The Lord had always instructed parents to teach their children. "Ye fathers, provoke not your children to wrath, but bring them up in the nature and admonition of the Lord."

Lynn County Soil Conservation District News

E. R. BLAKNEY ELLIS BARNES
O. E. TERRY W. L. (Cap) ROWE
ELMER BLANKENSHIP

Joe Unfred of Petty reports he is getting a good stand of volunteer vetch on the land he had in the acreage reserve this past year. Joe plans to turn the vetch under next spring prior to planting cotton.

Roy Lee Williams is planning on stocking some quail on his soil bank conservation reserve land. Williams has permanent cover of sorghum alum that will furnish food and cover. He plans to seed some rye around the edges and turn rows to furnish green food and insects to make up any vitamin deficiency that is detrimental to quail.

"Adding fertilizer alone is not going to increase cotton yields. If you fertilize for two bales to the acre, you have got to put water on for two bales," said Jack Barton, Extension Soil and Water Conservation Specialist.

"Terraces in Lynn county are designed to hold a rain that would

produce a three inch runoff. That much runoff on an 80 acre irrigated farm would require a 5 inch well to pump 20 days to replace that amount of water lost.

Terrace lines are being run this week for A. N. Norman Jr.'s farm west of Tahoka, and on the Alex Sanders farm west of Dixie.

Olen Dillon, biologist with the Soil Conservation Service is making a study of the quail food habits in Lynn county. Dillon would appreciate getting as many quail crops or craws as he can. The crops should be kept separate, wrapped in paper so that a more complete analysis can be made. The crops can be left at the Reid Parker Texaco Service Station in north Tahoka, where they will be picked up once each week.

Mrs. E. J. Coltenback writes The News that she is now back at home in Hammond, La., and sends her best regards to her many old friends in Tahoka.

Student Council Is Active Body

The Tahoka High School Student Council has done several things of importance and interest this year. Slave Day, the first money-making project sponsored by the Student Council this year, was very successful. The Council made \$75.00 during the auction of the slaves. Auctioning of the slaves is an annual affair in the local school. Students are sold and serve as a book-carrier for the remainder of the day for his purchaser.

On November 7, the Student Council sponsored Color Day. Each student not wearing blue and white, the school colors, was fined 25 cents. In the future the Council plans to sell school pennants for 50 cents each. The pennants have the name of the school and the word "Bulldogs" on it. They are very pretty and no one will want to be without such a pennant.

Jerry Adams, president of the Council, Carol Smith, secretary, Judy Thomas, representative, and Principal John Shepherd went to Plainview and met with other officers of the South Plains Association of Student Councils to plan the program for the District Student Council Convention which was held in Tulsa on Nov. 22.

At the convention Adams gave the response to the welcome extended by Tulsa. He also gave a good campaign speech for Tahoka during the election of officers for the coming year. Tahoka Student Council was elected to the office of Parliamentarian for the 1959-60 year. Others attending besides the above mentioned were George Adams, reporter, and representatives Andy Bray and Saraa Wells. Billy Tomlinson, vice president, and John Hegl, parliamentarian, did not attend because of the District TFA meeting at Seminole on the same day.

Other schools attending the Convention from this area were New Home, Stalon, Brownfield, Lubbock High and Monterey. Officers who will serve along with Tahoka are Muleshoe, president; Dimmitt, vice president and Seminole, secretary.

The Homecoming program this year was one that was enjoyed by all those present. The invocation was given by Rev. D. W. Copeland, welcome was given by Jerry Adams, and H. B. McCord Jr. gave the response to the welcome. Billy Tomlinson recognized the guests and honored the eldest and the ex-sudent who traveled the greatest distance to attend the program.

Speaker for the program was Gordon Smith, student at Baylor University, Waco. Smith was introduced by Ware High. The program was closed with a pep rally, but probably the most entertaining part of the program was the music presented by the "Earls," which is composed of Doyland Lewis, Jack Stevens, Buddy Chestnut and Danny Uzie. They are all students in high school and can produce some very good music.

RATLIFF BOYS SCATTERED

W. F. Ratliff of West Point was in Tuesday to pay his subscription to The News and stated that he now has five daughters-in-law, the latest being Mildred's recently acquired bride while serving in the Army at Fort Riley, Kansas. He said Mildred made the Fort Riley Army football team this fall.

He said Alfred is now assistant manager of Garrett Lumber Co. at Hobbs, N. M.; Alvin is with the REA at Artesia, Conrad is with Ozark-Mahoning Chemical Co. at Brownfield, and Stanley is with Kenney Auto Parts at Stalon.

Cotton Farmers Vote December 15

College Station, Nov. 26—Farmers "eligible to vote" in the upcoming referendum on 1959-crop cotton marketing quotas has been defined by Searcy M. Ferguson, Chairman, Texas Agricultural Stabilization and Conservation Committee.

"The general rule is that anyone who engaged in the production of upland cotton in 1958 is eligible to vote in the December 15 referendum," the Chairman explained. "This, of course, would include all persons—whether owner, operator, tenant, or sharecropper—who had an interest in the 1958 upland cotton crop."

"However, under provisions of law now in effect, the term 'eligible voters' also includes some other persons whose right to vote on cotton quotas may not be so well understood," Ferguson declared.

"For instance, any grower who had a 1958 cotton allotment for his farm but who produced no cotton this year is also eligible to cast a ballot on 1959-crop quotas."

"Likewise, a farmer who placed his 1958 cotton allotment in the Soil Bank is eligible to vote in the December 15 referendum."

"These are the principal classes of persons who are defined as 'eligible,' the Chairman stated, 'but persons may also qualify to vote as a guardian, administrator, executor, or trustee for another person. In such a case the person for whom he is acting may not also vote.'

"Each individual's right to vote depends upon his or her own qualifications," Chairman Ferguson concluded, "and this applies to husbands and wives, as well as minors who were engaged in the production of cotton in 1958."

Where any person has a question about his eligibility to vote in the December 15 referendum on 1959 cotton marketing quotas, he is urged to get in touch with his local county ASC office where he may obtain all the necessary facts.

CARD OF THANKS

May we say "Thanks" to our many friends for their interest shown while I was in the hospital for surgery and then afterwards since I came home. We appreciate everything more than words can express. Thanks and bless you every one. —Mrs. W. E. Shaws and family.

Mr. and Mrs. L. W. Graham of Clayton, N. M. were Thanksgiving guests of Mr. and Mrs. Dick Wight.

Loyalty Sunday At Sweet Street Church

The Sweet Street Baptist Church has set this Sunday, Nov. 30, as Church Loyalty Sunday. Building Fund envelopes have been mailed out to members of the Church, and the pastor, Joe Webb, urges the members to make their contributions and return them by Sunday.

"Sweet Street members will contribute approximately \$1,900.00 next Sunday to complete the first payment on the new parsonage recently completed. The payment is due Dec. 1 of this year."

Since the Lord has blessed us this year with good crops and good jobs, the pastor states that he is confident the people will not let God down.

CARD OF THANKS

Words cannot truly express what is in each of our hearts for all the things you, our friends, have done for us during the illness and death of our loved one. We would especially like to thank the Sunday School Class who served the dinner at the Methodist Church. Thanks are also extended to the Pythian Sisters who helped in so many ways. The cards, flowers and words of sympathy were all appreciated. To all those who helped in any way, again we say "Thanks," and may God bless each and every one of you. —The J. L. Hill family.

Bermuda Newspaper, Tahoka Ladies Tell Of Texans' Success In Bridge Tournament

Four local ladies put Tahoka and Texas on the map in the First Bermuda Sectional duplicate bridge tournament held Nov. 14, 15, and 16 in the Princess Hotel at Hamilton, Bermuda.

As reported by The News last week, Mrs. D. W. Gagnat and daughter, Mrs. A. C. (Myrna) Verner, won first place in women's pairs, and Mrs. Lee Roy Knight and Mrs. A. N. Norman Jr. placed third in the same event.

The winners brought home the large Butterfield Bank trophy, a large sterling silver bowl, made in England, which they will keep for one year, and as permanent trophies they each received a sterling silver compact bearing the Bermuda crest. They are expected to return next year to defend their title.

A copy of the newspaper, The Royal Gazette, brought back by Mrs. Knight, tells more of the winnings by the Tahoka players. Mrs. Gagnat and Mrs. Verner, in winning the women's pairs, scored 23 1/2 points and won four Master points. Mrs. Knight and Mrs. Norman scored 227 points, only two points behind the second place couple.

In mixed pairs play, Mrs. Verner teamed with G. Rosser of Bermuda to place fourth with 195 1/2 points, and immediately ahead of the world-famed bridge couple, Mr. and Mrs. Charles Solomon of Philadelphia.

In the team of four championship, the four Tahoka ladies teamed up to take fifth place with 26 1/2 points. Played in two sections, the ladies had tied for second, third and fourth places with other teams. First place winners in the finals were Charles H. Goren, Mrs. Helen Sobel, Alvin Landy, and Mr. and Mrs. Charles Solomon, all world-famed in bridge circles, with 35 points.

Miss Sylvia Edwards In Baylor Choir

Sylvia Edwards, daughter of Mr. and Mrs. Boswell Edwards, New Home, will participate in the Christmas Program by the Chapel Choir and a Cappella Choir of Baylor University in Waco on Dec. 4. Under the direction of Dr. Euell Porter, the two choirs will give their annual Christmas Program of sacred and secular music.

The 110-voice Chapel Choir and the 53-voice Cappella Choir have received wide acclaim on their tours throughout Texas and the southern states. Both choirs have busy concert schedules for this year, with bookings throughout Texas and surrounding states.

Mr. and Mrs. Johnny Raindl, June, Pam and Dennis left Wednesday at noon to spend Thanksgiving with Mrs. Raindl's parents, Mr. and Mrs. Joe Newman of Glenn Rose, her sister and family, Mr. and Mrs. W. E. Ray in Fort Worth, and a cousin, Mr. and Mrs. Albin Janaka of Waco.

McCord Employees At Annual Dinner

H. B. McCord & Son, Phillips dealers at Tahoka and Grassland, and McCord Motor Co., Pontiac and Evinrude dealers, entertained their employees and families with an annual turkey dinner Saturday night at the Legion Hall.

Following the dinner, served to about 35 people, sound movies were shown for special benefit of the children.

Special guests were John Harnard of Brownfield, district salesman for Phillips, and family.

HOW BOUT THAT BY RALPH TEE

A MEMO TO BUSINESS MEN OF TAHOKA

When Jr. came home from college, he told his father (who did a very nice business) that bad times were coming. And so his father took down his signs, stopped ordering as much merchandise, stopped telling people what he had to sell and, sure enough—people slowly stopped coming to him for things to buy. After a few months, the father turned to his son and said, "You were right son—things are bad."

Dale Carnegie Winners Named

In Tuesday night's session of the Dale Carnegie course, Margaret Renfro won the Special Achievement award; J. W. Inklebarger, most improvements award; and Mrs. Robbie Pennington, "Best Talk."

Members of the class last week enjoyed talks on different rules of life. Mrs. Coye Collier, Carter Caldwell and Mitchell Williams each won a book, "Lincoln, The Unknown," for their speeches. Dale Carnegie is author of the book. Mrs. Collier used the rule, "Become Genuinely Interested in Other People," for her prize winning speech. She told the class of her visit to Margaret Renfro's special school.

Caldwell caught the attention of the class as he spoke on "Talking in Terms of Other Men's Interests." He told of some points his father had handed down to him before passing away.

Williams put "life" into the

Mary H. Whitaker Honored At College

Mary Helen Whitaker, daughter of Mr. and Mrs. Oscar Whitaker recently was elected as president of the freshman nursing class at Baylor University, Waco, for the fall of 1958. Approximately 40 freshmen are enrolled in the course.

Miss Whitaker is a 1958 graduate of Tahoka High School where she was an honor student. She was a leader in many of the organizations of the school such as FHA, National Honor Society, and the class of which she was a member.

She was also a member of the girls' varsity basketball team and participated in several tennis events.

10 Boy Scouts Pass Second Class Tests

Ten Tahoka Boy Scouts passed all requirements for their second class badges Monday night, according to Allyn Cox, scoutmaster.

The boys are: Glen Riddle, Mike Smith, Jack Robinson, Terry Harvick, Dennis Clem, Larry Price, Stanley Price, Jim Wells, Wayne Smith, and Tony Spruiell.

Serving on the board of review were: John Shepherd, Granville Ayer, and W. V. Kelley.

Court of Honor will be held on Monday night, Dec. 15.

Elgin Harper is the new assistant scoutmaster of Troop 21.

CARD OF THANKS

We would like to express our appreciation to all our friends for the words of sympathy, the beautiful flowers, and food during the death of our loved one. —The Smith family.

Former Citizen Dies At Portales

William Mack Gray, 60, formerly of Lynn county, died Friday at about 2:15 p. m. at his home ten miles southeast of Portales, N. M.

Funeral services were Sunday at 3:00 in Calvary Baptist Church, Portales, with Rev. J. F. Weber officiating. Burial was in the family plot in Portales Cemetery beside his son, John Robert, who died in 1947.

Mr. Gray came to Joe Stokes community, near New Home, in 1914 with his parents, the late Mr. and Mrs. J. J. Gray. He resided here until 1924, when he and his bride, Lera Vaughn, went to Portales to make their home. He was a member of the Baptist Church.

He is survived by his wife; four daughters, Mrs. Leta Westfall of Lovington, N. M., Mrs. Fern Stanford of Taos, N. M., Mrs. Cleo Melendez of Santa Barbara, Calif., and Linda of the home; three sisters, Mrs. Elsie Case of Rockdale, Mrs. Wayman (Alice) Smith, New Home, Mrs. Arlie (Goldie) McNeely of Tahoka; two brothers, Houston Gray of Portales and Birl Gray of Terminal, Texas; and ten grandchildren.

Carl Lichey, 62, Rites At Slaton

Funeral services for Carl Lichey, 62, a Wilson community farmer since 1913, were held at 2:00 p. m. Monday in Williams Funeral Home Chapel in Slaton.

Rev. James Burnett, pastor of St. John's Lutheran Church in Wilson, officiated. Burial was in Englewood Cemetery in Slaton.

Lichey died about midnight Friday at his home following a heart attack.

Survivors include six sisters, Misses Erna and Ernestine Lichey, both of Wilson, Mrs. Lydia Knott, Slaton; Mrs. Pauline Lovett, Amarillo; Mrs. Adela Hetzel, California; and Mrs. Wilhelmina Neugebauer, Post; and one brother, Emil, Oklahoma.

TIPPIES IN NEW HOME

Mr. and Mrs. T. I. Tippit, who have recently completed a beautiful new, modern pink brick home on their farm east of town, are holding open house Sunday from 2:00 to 5:00 p. m., and invite all their friends and acquaintances to call at this time.

The new home has three bedrooms, den, and all the modern conveniences. They moved into the new home about three weeks ago.

Congratulations:

Mr. and Mrs. Wayland Craig on the birth of a daughter in the Tahoka Hospital Thursday, Nov. 20 at 8:15 p. m. Weighing 6 pounds 13 ounces, she has been named Wayla Jo. Grandparents are Mr. and Mrs. Kinsey Phillips, and Mr. and Mrs. C. S. Craig, all of Tahoka.

Mr. and Mrs. Jess Rodo Gass on birth of a daughter Friday, Nov. 21 in Tahoka Hospital. She has been named Deborah Jan and weighed 6 pounds 15 ounces.

Mr. and Mrs. Richard Musick on the birth of a daughter in Tahoka Hospital Saturday, Nov. 22. She weighed 5 pounds 12 ounces and has been named Linda Belle.

Mr. and Mrs. Paul Suggs, Jacksonville, on the birth of a daughter, Cathy Marie, Saturday, Nov. 22, in Tahoka Hospital. She weighed 8 pounds 10 ounces.

Mr. and Mrs. Jimmy McMillan on birth of a son, Dennis Ray, weighing six pounds 7 ounces at 8:52 p. m. Sunday in West Texas Hospital. Grandparents are Mr. and Mrs. H. L. McMillan Sr., Tahoka, and Mr. and Mrs. Harlan Morris, Post.

Mrs. Willis Pennington is a patient at Tahoka Hospital.

Eighth Grade Wins Two Cooper Games

Eighth Grade boys and girls basketball teams defeated Cooper here Tuesday night, the boys winning 32 to 12 and the girls winning 28 to 8.

Seventh and Eighth grade boys and girls will play a conference schedule this year, the other teams in the league being Frenship, Post, and Slaton.

Next Thursday night, Tahoka Seventh and Eighth grade girls will play at Wilson.

The Eighth Grade boys team, being handled by Coach Bill Haralson, is made up of the following: Craig Leslie, Jerry Forsythe, Billy Clinton, Tony Spruiell, Andy Bray, Wesley Curry, Johnny Rogers, Bobby Curry, Larry Price, Kenneth Scott, Ronny Hart, Freddie Stice, Taylor Knight, Billy Wallace, Wayne Vandergriff, J. E. Birdwell, Mike Taylor, and Billy Hamilton.

Malcolm Atwood, coach of the Eighth Grade Girls, has the following on his squad: Carolyn Howard, Brookie Reece, Sharon Drager, Ruby Hinkle, Mary Cazares, Jerre Wyatt, and Patricia Hammonds, forwards; and Sue Jones, Angelica Conzaes, Bonnie Hale, Hazel Ware, Cynthia Franklin, and Letta Clinton, guards.

LETTERMEN RETURNING ON O'DONNELL TEAM

O'Donnell Eagles, who meet Tahoka here next Tuesday night, have several lettermen returning.

Coach Joe Palmer has the following boys returning: Kenneth White, 6-3 all-district center last year; Lanny Brewer and Neal Shaw, forwards; and David Bessire and Tommy Gardenhire, guards.

Coach Bob Agnew has three returning letter-winners on his girls' team; Donna Vestal, Thurlene Marburin, and Ruthell Jackson.

points, followed by team-mates Bobby Wied, 9; C. W. Slone, 3; Billy Weaver, 4; and Leroy Schneider, 2.

For Tahoka, Jerry Adams and David Bray tied for high point honors with 10 points each; Gerald Huffaker had 8, Frank Greathouse had 7, and Weldon Calloway had 3. Also seeing action were George Adams, Paul Ford, Gerald Short, John Hogi, Larry Spruiell, and Larry Forsythe.

All the boys looked good for the first game. In the first half they were hitting well from the outside, but had a little trouble in the second half, scoring only 13 points while Wilson scored 16.

Coach Deane Wright's girls team also showed promise of developing into a pretty fair ball club, and played good ball except for the third quarter, during which Wilson actually won the game by scoring 19 points while Tahoka scored only 6.

Tahoka led 10 to 8 in the first quarter and 24 to 21 at end of the

WASHINGTON AND
"SMALL BUSINESS"

By C. WILSON HARDER

With temporary rules on procedure issued by the Internal Revenue Service, it is expected several thousand small corporations will take advantage of the benefits secured by independent business in the revision of the tax laws by the recent Congress.

Basically, this measure, which was fought by many, but solidly backed by the nation's independent businessmen voting through the National Federation of Independent Business, provides that small corporations may elect to be taxed as partnerships. Based on this expression of businessmen's sentiment at the grass roots level George Bergren, Washington vice president of the Federation appeared before many Congressional Committees to explain the vital need for this revision.

Tax savings up to 25% will result for many enterprises.

The background is briefly this. Many small firms are incorporated largely to take advantage of the limited liability of such an operation of the principals.

But under the law, as it existed, such a small corporation had to pay 52% of any profit over \$25,000 plus a heavy tax on the first \$25,000. This has taken away from these small enterprises capital needed to expand, or compete.

Under the revision of the law passed by Congress, these corporations can now elect to be taxed as partnerships. In many cases, the tax rate on the individuals is far less.

© National Federation of Independent Business

The Internal Revenue Service has set up for the present the following regulations. Any domestic corporation, not a member of an affiliated group of corporations, with not more than 10 shareholders, with only one kind of stock, and whose shareholders, with the exception of estates, are individuals, can elect to be taxed as a partnership.

For the tax year of 1958, such small corporations that qualify who elect to take advantage of this benefit, such election must be made not later than December 1 of this year.

Naturally, whether or not a qualified corporation elects this method is a highly technical matter which undoubtedly will be preceded by conferences with the accountants.

But it is interesting to note that for the first time in income tax law history, a definite, specific provision is being made to aid the small business operation, and to put the taxes on small business at least on some semblance of a basis of equity.

This provision is just one of the several passed in the last Congress to protect the welfare of independent enterprises. And while this provision, and the others, do not do the entire job, needed, it is significant that a start has been made.

Equally as significant is this fact. Many times in the past, huge corporations, employing expensive batteries of legal talent in Washington, have secured revisions of the tax laws for their benefit. But this is the first instance where a grass roots movement has resulted in a tax reform not to benefit one or two Goliaths, but one that can help a widespread number of small business enterprises.
