## Dial Phone Switch Scheduled Tuesday

Business and civic leaders and their wives will be honored guests Monday at a dinner celebrating Tahoka's conversion from manual to dial telephone operation, announces Claude Adams, district manager for General Telephone Company of the Southwest.

Officials from the company's general office in San Angelo and from the division office in Brownfield will be on hand for the event. Clint Walker will be master of ceremonies, and the Reverend W. A. Brooks, pastor of the First Baptist Church, will give the invocation.

Adams points out that the switch to dial will occur the night of Tuesday, Dec. 9, and will climax months of planning and a large expenditure for construction of a building to house the new dial equipment. Facilities outside the central office have been rehabilitated and enlarged.

Each dial telephone has been carefully checked to be sure it is operating correctly before the cut-over, Adams said.

Bringing modern dial service to Tahoka is a major step forward and is evidence of the company's faith in Tahoka's continued growth, the district manager stated.

With the conversion to dial, all telephone numbers in Tahoka will be changed and subscribers are urged to check their new telephone directories before making calls. Instruction for dialing and making emergency calls are given in the front of the directory.

The new telephone numbers will be preceded by the prefix WY down 8, followed by four other numerals. Subscribers will dial the letters W and Y and the five numerals in order to reach the desired local number. The new prefix fits into a nation-wide numbering plan so that when Tahoka cuts into the nation-wide dialing network early next year, long distance calls can be completed more rapidly.

The Tahoka exchange was established in 1910, and was purchased on July 1, 1926, from the States Telephone Company, predecessor of General of the Southwest.

Tahoka recently observed the milestone installation of the 1,000 telephone in the home of Mr. and Mrs. Billy Byrd, 1405 North Third. In 1950, there were 695 telephones in Tahoka, and only 423 in 1945.

Tahoka is one of the Southwest's 265 exchanges in the five state area of Texas, New Mexico, Oklahoma, Arkansas, and Louisiana. Tahoka is the 26th exchange to be converted to dial operation this year, and will make the company's operations 80 percent dial.

Twelve percent of the telephones in Tahoka will be in color when the cut to dial is made, Adams said.

### LEASE SERVICE STATION

Grover Tomlinson and son, Billy, have leased the Gulf Service station operated a number of years by Mr. and Mrs. Paul Pittman, taking over the business Monday. Mr. Pittman expects to farm this next year.

Mr. and Mrs. F. A. Wyatt and daughters, Jerre Ann and Mary Ellen, spent Thanksgiving in the home of Mr. and Mrs. W. C. Anderson near Waco. They also visited in Irving and Weatherford.

## Change Affects Rural Telephones

Conversion of the Tahoka telephone exchange, owned by General, will vitally affect subscribers of the Poka Lambro Rural Telephone Cooperative only when these subscribers call outside their own exchanges, states W. D. Harmon, Poka Lambro manager.

However, the conversion is bound to cause some confusion, Mr. Harmon says, unless patrons in the New Home, West Lakes, New Lynn and Fletcher Carter exchanges, as well as citizens of Tahoka calling these exchanges, note the instructions carefully in the new Tahoka directory.

Poka-Lambro patrons will continue to use the same four numbers listed in their old directories when calling some other member in the same exchange area. However, when calling from Tahoka to home or anyone in Tahoka, or the connected exchanges of New Home, West Lakes, New Lynn or Fletcher Carter, it will be necessary to use the dial letters and numbers listed in the new directories.

If patrons will note this carefully, there should be little trouble.

Eventually, Poka Lambro will be adjusted to the new Tahoka system, but this is a complicated process and will probably take a long time to work out.

Tahoka's prefix is WY 8 (WY down). Fletcher Carter is FA 7 (Faculty). New Home is WA 4 (Warwick). New Lynn is PY 4 (Pyramid). West Lakes is IN 5 (Ingersoll). Dial Operator, long distance, to call Wilson.

To report a fire in Tahoka or in any of the four Poka Lambro exchange areas listed above, call WY 8-4122. To call police, dial WY 8-4211. For other emergencies, dial Operator.

## Mrs. R. C. Scott Rites Saturday

Funeral services for Mrs. Alice Velena Scott, 80, were held at 2:30 p. m. Saturday in the First Baptist Church. She died Wednesday in West Texas Hospital in Lubbock following several years of ill health.

The Rev. Joe Webb, pastor of Sweet Street Baptist Church and the Rev. W. A. Brooks, pastor of the First Baptist Church, officiated. Burial was in Tahoka Cemetery under direction of Stanley Funeral Home.

Mrs. Scott was born in Waynesboro, Tenn., and was married there in 1900 to R. C. Scott. Scott preceded his wife in death in 1945. The couple moved to Lynn county from Erath county in 1927.

Survivors include five daughters, Mrs. M. B. Norris, Lubbock; Mrs. C. A. Blackwell, Arlington, Calif.; and Mrs. Ray R. Lee, Mrs. Grady L. Herrin and Mrs. H. L. Duckett, all of Tahoka; one setp-daughter, Mrs. N. W. Smith, Tahoka; and 13 grandchildren and 12 great-grandchildren.

Curtis Stevens, John Thomas, and Cleve Littlepage left Tuesday afternoon on a deer hunt "down south."

CHAMPION PUMPKIN RAISER—Mrs. R. M. Turner, who lives three miles north of Central Church, is pictured above with one of the big pumpkins she raised this year in her garden. The pumpkin shown here weighed 64 pounds, was 68 inches in circumference and 14 inches high. She raised a number of other big pumpkins, but this is the biggest. Lynn county produces the finest of just about everything.

## Denver Ford Is Award Winner

Denver Ford, son of Mr. and Mrs. C. E. Ford, route 3, left Thursday evening, Nov. 27, to attend the 1958 National 4-H Congress in Chicago. He was awarded the trip when he was named recipient of one of the State's most coveted awards—Santa Fe Educational Award—provided by the Santa Fe Railroad.

Winners of the awards were determined first on the county basis, then the district and finally statewide. Judges made the final selections on the basis of the member's leadership and achievement in 4-H; length of membership; participation in community, county district and state activities; production records and the over-all record submitted by the participant.

Ford has been in 4-H work eight years in which he had swine, beef calves and cotton as his projects. He is now a freshman student at Abilene Christian College.

## Gold Star Awards Banquet Monday

At a District 2, Gold Star awards banquet to be held in the Student Union Building at Texas Tech Monday night, outstanding 4-H Club boys and girls from 20 counties in the South Plains area will be honored.

The banquet, which will get underway at 7:00 p. m., will honor youths selected as the outstanding 4-H Club boy and girl in their home counties. More than 300 persons are expected to attend.

Gail Phillips, daughter of Mr. and Mrs. James Phillips, and Lester Ford, son of Mr. and Mrs. C. E. Ford, are the Gold Star winners of Lynn county.

Purpose of the banquet, which is the first to ever be held in this district, is to recognize outstanding achievement, leadership and contribution to the county 4-H program, to stimulate Gold Star winners to further achievements and encourage others to participate in 4-H work.

## Harvick Infant Is Buried On Friday

Funeral services for Carol Lee Harvick, 2-day-old daughter of Mr. and Mrs. W. C. Harvick Jr., were held at 10:00 a. m. Friday in Stanley Funeral Home Chapel.

The Rev. W. A. Brooks, First Baptist Church pastor, officiated. The infant died in West Texas Hospital, Lubbock, at 11:00 p. m. Wednesday.

Survivors include the parents, the paternal grandparents, Mr. and Mrs. W. C. Harvick Sr., Tahoka; and the maternal grandparents, Mr. and Mrs. G. M. Gregg, Eustace.

Mr. and Mrs. Larry Hagood and children spent the Thanksgiving holidays visiting her parents, Mr. and Mrs. Jim Bob McAtee, in Henryetta, Okla.

## Tax Collections Set New Record

State and county tax collections from 1958 have set a new all-time record for this time of the year, according to J. E. (Red) Brown, Lynn county tax collector.

Brown said 77 percent of the tax roll has already been collected. He attributed the unprecedented early payment to this year's early crop, one of the best in a number of years.

However, poll tax payments are only normal, only 604 having paid these taxes. He reminds those who mail in their checks for taxes that their poll taxes are not included in the statement mailed out to taxpayers, since payment of poll taxes is optional.

"Be sure to check your tax receipts and pay your poll taxes before the deadline on January 31, 1959," Brown states.

## Cotton Meeting Tuesday Night

All Lynn county farmers, landlords, and others interested in any way in farming are urged to attend a cotton meeting Tuesday night, Dec. 9, in the district court room in Tahoka.

Purpose of the meeting is to discuss the Marketing Quotas, choice of plans A and B, and the 1959 cotton program.

Speakers will be Dee Green of the local ASC office, Wilmer Smith of the Plains Cotton Growers, and County Agent Bill Griffin.

Coffee and doughnuts will be served through courtesy of the First National Bank of Tahoka.

## County Cotton Ginnings Are Near 130,000 Bales To Date

### Huge Grain Sorghum Crop Means Much To Economy of Lynn County

Lynn county's 1958 milo crop, probably the biggest in the history of the county, has brought \$5 million dollars to farmers, local grain men estimate.

This year's total crop is estimated at 320 million pounds, 160,000 tons, or 3,200 cars, based on an average of 1,600 pounds per acre on 200,000 acres.

Average price paid for milo is estimated at \$1.56 per hundred. Some believe the 1,600 pound average may be a little high but that the 200,000-acre figure is a little low.

In round figures, Lynn county has 486,000 acres in cultivation; 188,000 acres are in cotton and 5,600 acres of cotton in the Soil Bank. Of the remainder, 30,000 acres are in the Conservation Reserve and an estimated 200,000 in grain sorghums. This would leave 62,400 acres in wheat, barley, rye, and miscellaneous crops—which figure is probably a little high, and there may be more than 200,000 in grain sorghum.

Coupled with the good cotton crop, milo this year has enabled most Lynn county farmers to get out of debt and make some money.

In fact, some farmers are said to be paying off their debts with profits from their milo crop. Several have reported that proceeds from their milo crops have paid all their farm operating expenses this year. The farmers who reached this year without any debt is "in the clover."

At any rate, for the first time in a number of years, practically all farmers, due to the good crop of both cotton and maize are out of debt or nearly so, have again established good bank credit, and face the future with much hope and confidence.

The big problem now facing farmers, in addition to price, quality and over-production, is the labor situation. With the brace program coming to an end in 1959, some farmers already are making long range plans to step up mechanical harvesting of cotton.

### AKINS BUYS GROCERY

Mr. and Mrs. Edd Akin have purchased the Adams Grocery from P. D. Adams on Sweet J. Street. The Akins took the store over Monday, Dec. 1.

### BEAUTY NOMINEE

Marilyn Carmack, daughter of Mr. and Mrs. C. O. Carmack, and a freshman home economics major at Texas Tech, has been nominated by the Independents for a campus beauty.

### Cotton Acreage For 1959 Is Announced

Lynn county's 1959 cotton allotment will be cut by approximately 6.78 percent, or 12,774 acres, according to announcement made Thursday in the Lubbock Avallanche by Dale Carter of Plainview, district Agricultural Stabilization and Conservation farmer-fieldman.

Lynn county's allotment in 1958 has been 188,445 acres, which will be cut in 1959 to 175,671 acres. It had been feared that the cut would be nine percent or more, nine percent being the percentage by which the national allotment is being lowered.

Carter said 1.6 percent will be reserved by the Texas ASC committee for hardship cases, small farmers, and other acreage adjustments.

### 1958 Rainfall Is Nearly Normal

In spite of the heavy spring rains, 1958 rainfall is running slightly under normal, according to records of the Tahoka station of the U. S. Weather Bureau.

Rainfall during November amounted to a total of .78 inches to bring the year's total to 17.78. Normal rainfall for the year, based on records which started in 1913, is 18.52 inches. The average used to be above 19 inches, but the ten year dry spell preceding 1957 brought the average down.

Rainfall this year in Tahoka has been as follows:

January	1.45
February	.59
March	2.48
April	1.76
May	2.55
June	2.26
July	2.01
August	.86
September	1.41
October	1.63
November	.78
Total	17.78

### Christmas Lights Are Turned On

Christmas lights and decorations are going up over Tahoka this week.

Streamers of vari-colored lights and the large "Merry Christmas" sign were placed on the court house early this week, and many of the business houses already have decorations up.

Home owners and business institutions are urged to enter their Christmas decorations in the annual contests being sponsored by Tahoka Chamber of Commerce. Prizes of \$15, \$10, and \$5 are being offered for the best home decorations, an additional prize for the most unusual home decorations, and prizes of \$7.50, \$5, and \$2.50 are being offered for the best decorated doorways.

In the commercial classification, a plaque will be presented the business institutions judged to have the best decorations, and two or three others will receive honorable mention.

Out of town judges will again judge the contests.

### OFF-SET NEAR PAY

Walter Savell of Wilson informed The News Monday that the Herman Brown No. 1 Coleman offset test in the Glorieta field, east of Wilson, was drilling ahead at around 4,000 feet. Barring no further trouble, the operator was expected to run coring this week.

Help keep Tahoka clean

Lynn county ginnings are now in the neighborhood of 130,000 bales. The News estimates following a check made with most of the county's gins.

Tahoka had ginned 24,943 bales Thursday morning.

Ginnings at O'Donnell are close to 27,000, New Home is nearing 18,000 bales, and Wilson is about 14,000. The two gins at Grassland are reported to have handled about 8,500.

The Tahoka ginnings represent an increase of nearly 4,000 bales in the last two weeks.

Local gimmers estimate that the crop is about 90 percent harvested, while the O'Donnell Index-Press this week says the crop is about 95 percent out there. A farmer from New Home estimates their crop is 80 to 85 percent harvested.

Grades are still holding up remarkably well, with most of it grading low middling and strict low middling. Few "spots" are being received.

One ginner estimated that the county would gin 20,000 or more bales from here on out, which would mean an average of about 750 more bales to the gin. There are 27 gins in the county.

There are still some hands pulling cotton, but many farmers are now using mechanical pullers.

Most of the ginning will be completed before Christmas if favorable weather continues, but there will probably be some "scrapping" after the first of the year.

One ginner told The News it is his opinion the grade and staple this year has been the best in the history of the county, and the price has been good.

On the basis of 150,000 bales, which seems entirely probable, and an average price per bale of \$160.00 (not counting seed), this would bring the year's cotton crop to approximately \$24 million dollars. Seed would add nearly \$3 million more.

## V. H. Macha, 69, Dies Suddenly

Victor Henry Macha, 69, a resident of Lynn county about thirty years, died suddenly of a heart attack Thursday of last week at about 11:10 p. m. at his home in Lubbock, 3609 37th street, where he had lived two years.

Funeral services were conducted at noon Saturday in St. Elizabeth's Catholic Church, Lubbock, with the Rev. Thomas J. Drury, pastor, officiating. Burial was in Resthaven Memorial Park.

Mr. Macha had resided in the Dixie and New Home area for many years. He was a brother of the developer of Macha stormproof cottonseed, the late H. A. Macha. On retiring two years ago, he and his wife moved to Lubbock.

Survivors include his widow; four daughters, Mrs. Mildred Shambeck of Lubbock, Miss Edith Macha of the U. S. Navy, Mrs. Irma Bednarz and Mrs. Leubusha Huser, both of Slaton; one brother, Jerome Macha, and one sister, Mrs. Raymond P. Rybla, both of Bomarton.

## News Will Print Letters To Santa

The News will publish children's letters to Santa Claus this year in the annual Christmas greeting edition which will come out on Dec. 23.

Several letters have already been received. The News requests that no anonymous letters be sent in or that our readers refrain from using Santa Claus letters for practical jokes.

Letters should be mailed The News not later than December 20 to assure publication.

Mrs. L. H. Bain is a medical patient in the hospital having been admitted Sunday.

## Rebekahs Hold Friendship Night

Tahoka Rebekah Lodge No. 209 had Friendship Night and Thanksgiving program and dinner Tuesday night, Nov. 24.

Lodge opened in regular form with Maurine McClellan, Noble Grand, presiding. At the close of the lodge the following program was presented: reading, "The Drumstick," by Eugenia Smith; piano solo, Jerre Ann Wyatt; and vocal selections by Linda Jones accompanied at the piano by Mrs. E. W. Patterson.

Musical numbers were given by Mrs. Richardson's pupils followed by a reading, "The Master," by Mary Beckham.

Turkey dinner with all the trimmings was enjoyed by members of the lodge, their families and visitors, including visitors from Lamasa Rebekah Lodge No. 9.

During the meal the group was favored with musical selections by A. W. McClellan string band.

## Former Tahokan Marries At Idalou

Miss Helen-Jean Hays, daughter of Mr. and Mrs. Bryon M. Hays, former Tahoka teacher, and Nathan Louis Speights of Royce City were united in marriage Wednesday of last week in the First Baptist Church of Idalou. Dr. Lawrence Hays of Lubbock, former pastor of the First Baptist Church of Tahoka, read the ceremony.

Among those participating in the wedding who are well known in Lynn county were: Misses Rebecca Morrow of New Home and Linda Hancock of Lubbock, bridesmaids; Miss Kathy Heck of Idalou, flower girl; Gerre Hancock of Lubbock, organist; Mrs. Bill Swann of Idalou, soloist; Tommy Link of Presidio, an usher.

In the houseparty included: Mrs. Bill Seth of Lubbock, Misses Sylvia and Glenda Link of Presidio, and Mrs. Rodney Heck of Idalou, all cousins of the bride; Mrs. Chris Giles of Portales, N. M., Mrs. Geo. Hancock of Lubbock, Mrs. B. A. Morrow of New Home, Mrs. E. E. Hancock of Lubbock, Mrs. Albin Seth, Mrs. Jack Link, and Mrs. Lawrence Hays, all aunts of the bride.

Mrs. Speights is a graduate of Idalou High School and attended Wayland College, she is now a senior student in elementary education at Texas Tech. Her husband is a graduate of Royce City High School and served two years in the armed forces. He graduated from Texas Tech with a degree in engineering in June. He is now employed with APBM in Lubbock.

## Miss Betty Smith Will Marry Soon

Mr. and Mrs. Chester Smith of Slaton, route 1, announce the engagement and approaching marriage of their daughter, Betty, to Don Bell, son of Mr. and Mrs. Ford Bell of Lubbock.

The wedding date has been set for December 30 in Ford Memorial Chapel of the First Baptist Church of Lubbock.

The bride-to-be is a senior student in Texas Tech, majoring in home economics, and currently is doing practice teaching in Slaton High School. She expects to complete work for her degree the first of the year. The prospective bridegroom is also a senior student in Texas Tech, majoring in agriculture, and expects to graduate next spring. He will engage in farming.

## RICHARDSONS HAVE HOLIDAY VISITORS

Mr. and Mrs. R. L. Richardson had as guests over the holiday Gattis Barnard and family of Midland. Barnard owns the Barnard Flower Shop in that city.

Mr. and Mrs. George M. Barnard of Cross Plains visited the Richardsons over the week end. Mrs. Barnard and Mrs. Richardson are sisters.

R. L., who recently returned home from the hospital, is somewhat stronger and is getting out a little in the car.

Mr. and Mrs. Loyd McCormick of New Home, who are spending the winter in Alpine, were here a few days this week visiting. Mr. McCormick's health seems to be better in the high, dry atmosphere at Alpine.

Duplicate bridge players will participate in another individual round next Tuesday night at T-Bar Country Club, and winner of the most points last Tuesday and next Tuesday will receive the Louise Wharton Trophy.

The trophy was presented Mrs. Wharton by local players several months ago in appreciation for the work she had done in starting and directing duplicate play here.

Individual winners Tuesday night were: Mrs. J. T. Forbes, O'Donnell, first; Mrs. Lee Roy Knight, second; Mrs. Melton Leslie, third; Mrs. D. W. Gagnat, fourth; Mrs. A. C. Verner, fifth; Mrs. L. C. Haney, sixth.

## Ladies S. S. Class Holds Luncheon

The Bessie Brashear Sunday School class met at noon Monday, Dec. 1, in Fellowship Hall of the Methodist Church for luncheon. For the annual Christmas program and gifts, 23 members and three guests were present.

Mrs. Robert Field, who is Mrs. W. T. Clinton's granddaughter, from Plains, reviewed "Let's Keep Christmas," by Catherine Marshall. The meeting was enjoyed by all.

## MRS. HEGI ATTENDS CHARM SCHOOL

Mrs. Pete Hegi has been attending the Bess Rossman charm school in Lubbock in order to bring the lessons to the home economics girls in high school. The course features charm and modeling in general.

The instructor is from the John Robert Powers Modeling Institute in New York City, N. Y.

Mrs. Mary K. Wood, formerly of Tahoka, writes The News that she has recently moved from Dallas, route 2, to Seagoville, Route 1, where her daughter, Adeline and husband, have bought a home. She wanted The News changed so she can keep up with her old home town and friends here.

## W. T. Hanes, Wife Visit In Tahoka

Supt. and Mrs. W. T. Hanes of Irving came out Thanksgiving Day and were accompanied to Ruidoso, N. M., for a couple of days vacation by Mr. and Mrs. Frank Hill. They returned home Sunday morning.

The Hanes' son, Billy Travis, a graduate of the U. S. Naval Academy, and family are now located on the West Coast. He is a first lieutenant in the Air Force as a navigator, and flies about twice a month from San Francisco to Japan. He and his wife, a former Houston girl, have two children, a boy four and a girl two.

Mr. Hanes says Irving, which adjoins the city of Dallas on the northwest, is growing at a fabulous rate and now has an estimated 40 or 50,000 people. His schools are growing at the rate of about a thousand students a year, and there are 9,400 enrolled his fall.

## Budget Proposal At First Baptist

The budget of the First Baptist Church for the year of 1957 will be presented to the members at the regular business meeting on Wednesday evening, Dec. 10. The budget committee has prepared the budget which will be presented to the members of the Church for their approval.

Truett Smith is chairman of the budget committee, and Earl Terry, Dub Harvick, and George McCracken are the other members of the committee.

A box of Budget Offering envelopes will be presented to each member of the Sunday School. Envelopes will be given to the members before the first of January.

**WE'VE GOT THE WORLD'S MOST BEAUTIFULLY PROPORTIONED WAGONS NOW IN**

For the first time...  
**Hardtop Styling in the longest, lowest, roomiest wagons Ford has ever offered!**

We feel certain you'll agree with us: you've never had it so new as our 1959 Ford wagons. For here are wagons with Ford's exclusive hardtop styling... with more glamour and glass area than ever before!

The wheelbase is a full 2 inches longer. The wagons themselves are over 5 inches longer. There's a whopping 92 cubic feet of loadspace (that's about 17% more). The picture window up front is 20% larger, too. In fact, everything about these Ford wagons of ours is new... right down to the new Shantung pattern upholstery... new cooler-running, longer-lasting Tyrex cord tires... and the Diamond Lustre Enamel that never needs waxing.

NEW! A Limousine Ride... thanks to Ford's exclusive front and rear suspensions you ride "limousine level." There's less rock or roll, regardless of road or load. And all seats face forward. Come on in this week and let us prove it!

**Mrs. Claude Thomas Gets Deer, Turkey**

Mr. and Mrs. Claude Thomas of Grassland were recently in a party of 23 hunters down near Harper, Gillespie county, in the Hill Country, that killed a total of 35 deer and 18 turkeys.

Mrs. Thomas came home elated because she bagged her first deer and her first turkey.

When she killed her six-point buck, no one else was near. She had no knife, with her to dress the animal. However, she found an axe and a pair of scissors in a pick-up with which she is said to have done a nice job of dressing the deer.

In their party were their son and daughter-in-law, Mr. and Mrs. Billy L. Thomas of Redwine, and their son-in-law and daughter, Mr. and Mrs. Dan Martin of Lubbock.

The rest of the party included: Mr. and Mrs. Nolan Von Roeder, Mr. and Mrs. Howard Franklin, Marvin Key, and Max Von Roeder, all of Snyder; Mr. and Mrs. Buddy Trevey, Mr. and Mrs. Harold Hester, Mr. and Mrs. Ben Weathers, and Mr. and Mrs. Quin Sorrels, all of Knapp; Mr. and Mrs. Sam Armstrong of Big Spring, and Rollin Hamilton of Lamesa.

**Everyday Religion**

By J. B. Thompson

I Love The Bible—Because. It is the book of books—the dispeller of darkness; the lumina-tor of man's stumbling pathway. It was born of Divine seed, planted in human soil. It is the down-reach of God, and the up-reach of man. It is comfort to those who mourn; rebuke to those who sin, and salvation to those who turn to its glorious redeemer.

Its truths are brought close to life. It reflects every strata of human experience, from the humble tent to the gilded palace; from the shepherd boy to the king. It is the inspirer of the highest and best in literature. Poets have brought their most sparkling water from its mountain spring. They have dug their most re-splendent gold from its inexhaustible mine.

Its pages are stained by the blood of those who died for its noble conceptions. Turn its pages and find the dank mold of dismal dungeons where men have rotted because of their love for it's blessed injunctions! Shake from its pages the ashes of martyrs who have burned at the stake that it might be ours today!

It is eternal. Thrones have rotted and empires have crumbled—crowds have fallen from sovereign heads and scepters have dropped from bejeweled hands—but through the long and painful journey of mankind it has been his eternal staff! It fits the needs and experiences of every age from the cradle to the grave. It meets the changing needs of the ages. It is the ageless among the aging; eternal spring amid the fading flowers of life.

As we climb its mountain peaks the world pushes back its mystic curtains. As we camp on its vast plains the light of heaven comes to center in our humble tent. As we enter its temple to pray, alter-fires are kindled across the darkened world to light a path that leads to God! As we sail its unbounded seas, we catch the breezes that fan all skies. As we rest beside its rivers we hear voices from far waters. As we linger on its shores, we greet the traffic born from beyond the dawn—as we gaze at it's over-arching skies, we dream of everlasting life!

By Raymond Griffin

Glen Boydston, manager of a football team for small boys in North Long Beach, Calif., broke his left arm playing with the youngsters last week. Boydston was a former barber in Tahoka with his brother Elmore. They both have very nice barber shops in Long Beach.

The entire B. J. Mayberry family spent Thanksgiving in the home of Mrs. Floyd Wee, nee Modene Mayberry, formerly of Dixie community. Glenn Boydston married Fay Mayberry as all of our old timers know.

J. L. (Ferg) Griffin spent Thanksgiving with "our" 82 year old mother here at 279 Florence St., Turlock, Calif. He works for Bethlehem Steel Co. in San Francisco.

My wife and I spent Thanksgiving at our home with our seven sons and Carolyn. She is 17 and the boys are from 3 to 15 years of age. A turkey doesn't last long with us.

I sure am homesick for a chance to get to see good old Texas—the Plains for sure!

## WASHINGTON AND 'SMALL BUSINESS'

By C. WILSON HARDER

It will be perhaps a few weeks yet before the data is gathered on spending in the recently completed political campaigns.

But already, with figures in only up to September 1st, an idea is gained of the vast amounts of money Big Labor threw into campaign activity.

Up until September 1, organized labor groups had spent on campaign purposes a recorded total of \$696,000 as compared to only \$751,000 spent by one of the major political parties.

These totals only give an idea, not the full amount as it is only required under Federal law to report campaign expenditures by political committees that operate in more than one state.

Thus, while the totals on labor's political spending is largely under the banner of the AFL-CIO Committee on Political Education, presumably, unions operating inside a state that have set up local political organizations can also spend freely on campaigns without reporting.

It is interesting to note that of reported political campaign spending, Labor accounted for 20% of the total.

It is also interesting that the law does not require reports on moneys spent in primary elections even though in many cases they are equal in importance to the general election.

Under the law, it is illegal for labor organizations to make contributions to candidates for national office.

Yet, Big Labor has made a mockery of this law by setting up groups such as the Committee on Political Education, which takes in the money from the unions and spends it for campaign purposes.

It is also interesting to note that just one union, United Auto Workers, through their political satellite, the Political Action Committee, C. I. O. spent almost one third of reported totals.

Generally speaking, businesses are prohibited by law from making political campaign contributions. Thus, for all practical purposes, the biggest single factor in election spending is Big Labor. This is a fact which the Senate Privileges and Elections Sub-Committee recognized during recent Congress and expressing the feeling that some action will have to be taken to tighten up the laws in this respect.

Undoubtedly, entire situation points up need for businessmen to take a far more active part in the political affairs in order for business to survive in an economy where labor looms so important in political arena. And while it is undoubtedly quite unwise for business to try to enter into political campaigning with political funds, it also seems obvious that business must take some action.

It seems without doubt that the best influence businessman can have on political matters affecting small business is to make known, without trying "pressure" tactics, the problems of independent enterprise, and express opinions on measures that do affect small business welfare. It is in this area that the National Federation of Independent Business functions. Only in this manner can the American politico-economic scale be kept in proper balance.

## Preacher Praises Airplane Service

Pastor W. A. Brooks of the First Baptist Church and his family were thrilled with a trip home last weekend. The Pastor accompanied his wife and children to the home of her parents, Mr. and Mrs. R. C. Hart, in Sherman last Thursday for Thanksgiving.

Mr. Lewis, owner of the Lewis Construction Company, took the Pastor and his family on a 300 mile trip. The ride was the first for the family of the pastor and they were certainly thrilled. The trip was very smooth and comfortable and they were in the air for only two hours for the trip to Sherman and two hours on the return. Pastor Brooks again accompanied Mr. Lewis on Sunday afternoon to Sherman to get his family.

Mr. Lewis has three airplanes at the local airport. The pastor and his family rode in the Cessna 162, a very fine plane for charter service.

Pastor Brooks states that flying by air is certainly a fast mode of travel and comfortable and safe, and that Mr. Lewis is a very efficient pilot.

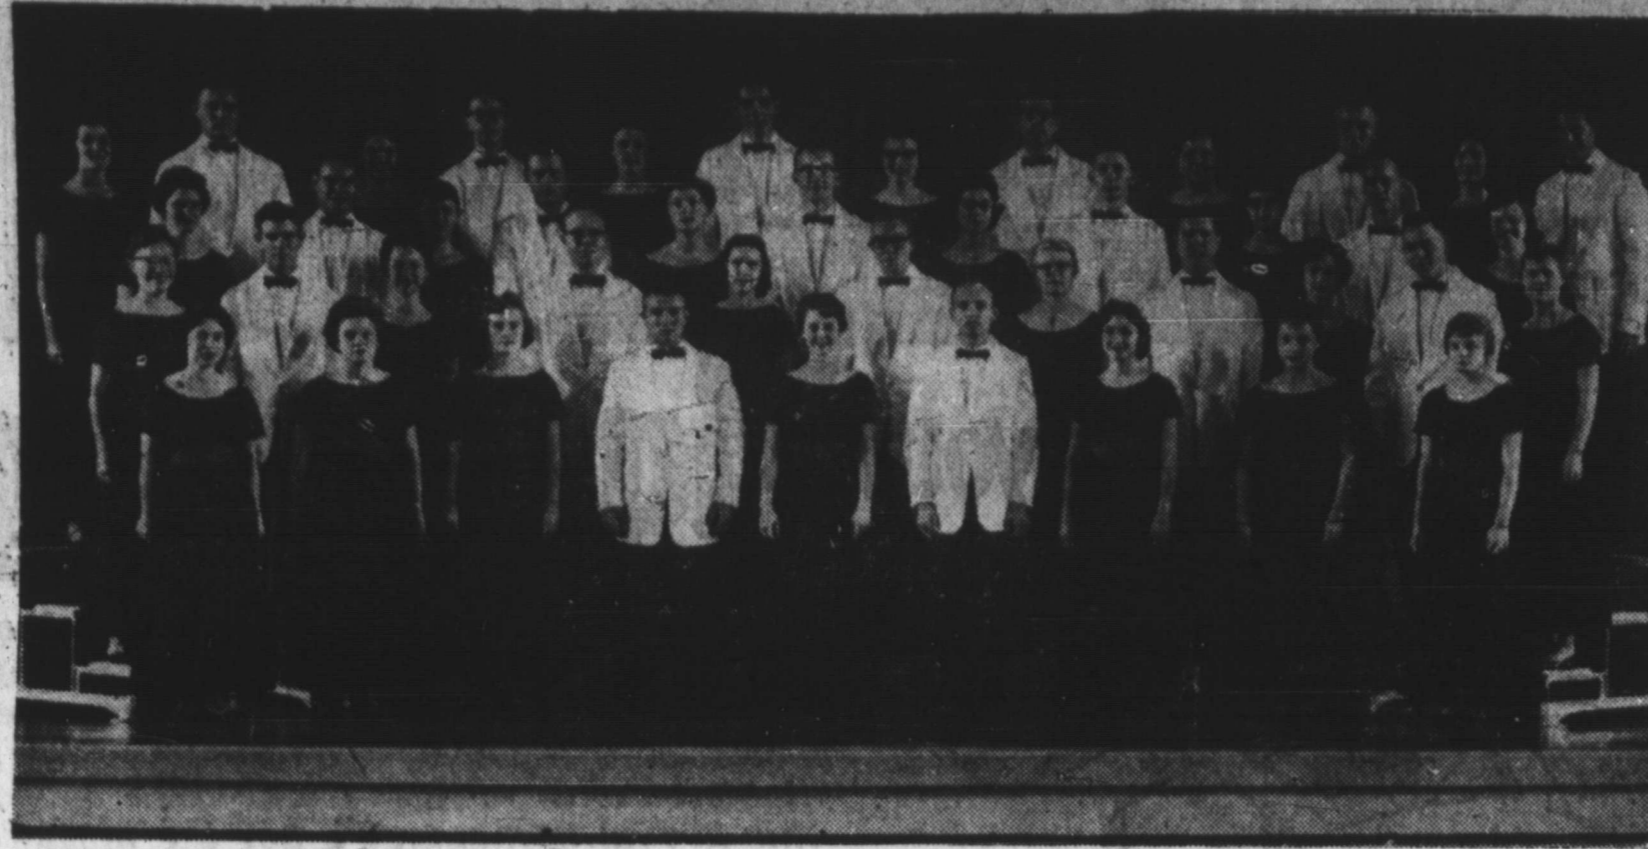

Mr. Lewis has two planes for charter service and a complete family of four can charter a plane to make a trip during the holidays. It is very reasonable and the trip will certainly be enjoyable.

Call 32 or 115 for further information on chartering a plane for trips of any distance.

### CARD OF THANKS

I would like to take this opportunity to thank the many friends for the cards, flowers and visits during my stay in the Tahoka hospital. Also thanks are extended to the staff of the hospital. The acts of kindness presented by you are greatly appreciated during such a time. Thanks again. Mrs. Frank Stuart.

## West Texas State Choir Will Appear Here Monday Night

West Texas State College's Cappella Choir, on tour through a dozen South Plains and West Texas cities, will appear in a concert Monday, Dec. 8, at 8 p. m. in the Tahoka High School auditorium.

The group, directed by Dr. Houston Bright, tours the Tri-State area annually just before the Christmas holidays, appearing in from 10 to 12 schools. The choir also appears in a number of churches and over area television stations.

The Tahoka concert is the third of the 1958 tour, which also includes two Lubbock high schools, and schools in Snyder, Big Spring, Odessa, Midland, Kermit, Brownfield, Muleshoe, Dimmitt, and Hereford.

Organized in 1941 by its present director, the WT Choir now enjoys a reputation of being one of the finest concert organizations of the Southwest. In addition to tours and television performances, the

group appears with the Amarillo Symphony, and assists with productions by the WT Opera Workshop.

Dr. Bright, professor of music at WT, holds the degree of Ph. D. in music from the University of Southern California. A large number of Dr. Bright's compositions and arrangements have been published, and many have been performed in the nation's major musical centers, including New York, Chicago, and Los Angeles.

In the choir's repertoire are a number of hymns and choruses by Bach, Mendelssohn, and Rossini, and double choruses spirituals, and part songs by Dr. Bright, Willan, and H. L. Wilson.

Among Dr. Bright's compositions and arrangements are his "I Hear a Voice a-Prayin'", "Come to Me, Gentle Sleep," and "Rain-song."

The choir will end its pre-Christmas concerts with a program in the West Texas State auditorium Dec. 18 for the WT student body.

## Postmaster Pleased With Response To "Mail Early For Christmas" Request

Postmaster W. E. Smith is pleased with the prompt response to his recently announced "Mail Early For Christmas" Campaign. He said today, "The biggest single factor in getting all mail delivered before Christmas is the full cooperation of the public in early mailing of all Christmas cards and gifts. Post Office facilities have been expanded, extra personnel will be available, and everything is geared up to handle a record Christmas mail in Tahoka this year."

With Christmas less than a month away, the Postmaster says it's not a bit too soon to start following these three simple rules to insure delivery of your gifts before Christmas: Wrap them securely. Address them correctly, and Mail Them Early.

The Postmaster said you shouldn't take chances on mailing poorly wrapped packages. Use corrugated mailing cartons, plenty of heavy brown wrapping paper, and be sure that every package is tied with strong cord. Cartons containing several gift packages should be stuffed with tissue or old news papers to cushion the contents.

The Postmaster also reminds us that size and weight limitations for Parcel Post packages vary according to place of mailing and destination. Always include an extra label with your return address and the recipients address inside the carton or package before it is wrapped.

"Careful addressing of your Christmas cards is equally important," the Postmaster said. Bring your Christmas card mailing list up-to-date and be certain that you have the complete name, address, zone number, city and state for everyone on your list.

Always send your Christmas cards by First Class mail. They will be processed and delivered quicker and they'll be forwarded or returned, if it becomes necessary. Christmas cards sent by First Class mail may carry written messages; whereas, cards sent with Third Class three cent postage may only have a written signature.

Don't fail to put your return address on your Christmas card envelopes. This is not only socially correct, but it will enable both you and your friends to keep your mailing lists up-to-date.

All mail going long distance should be sent well before December 10th, and Christmas packages for local delivery should be mailed by December 15th. Mail all Christmas cards for nearby destinations by at least a week before Christmas.

### CARD OF THANKS

I would like to thank you good people for being so nice to me while I was in the hospital and since I came home. You will never know what it has meant to me. Your prayers, visits, flowers, gifts, cards and interests are greatly appreciated. May God richly bless each of you is my prayer.—Mrs. Willis Pennington.

Mr. and Mrs. Clay Bennett went down to Whitney Lake during the Thanksgiving holidays, but report the weather was rainy and fishing was poor.

### Sweet-Street Pays Debt On Church

Pastor Joe A. Webb wishes to thank the members of the Sweet Street Baptist Church and those outside the membership of the church who contributed this past Sunday to the building fund loan payment. The amount of \$2,034.50 was raised Sunday. This amount, to be put with the \$532.00 that was in the building fund, enabled the church to meet the first payment of \$2,400.00 which was due Dec. 1.

Many-needs are still to be met in the church. The church hopes to buy new pews in the future.

The pastor wishes to call on all members as the Christmas season approaches to give themselves to prayer for the church and the work in the community.

### FIRST BAPTIST DEACONS TO HAVE MEETING SUNDAY

The deacons of the First Baptist Church will have their regular deacons' meeting Sunday at 2:00 p. m.

## O'Donnell Wins Over Tahoka

Tahoka dropped two games to O'Donnell here Tuesday night, the visiting boys winning 46 to 38 and the girls 45 to 39. Both games were close most of the way.

In the boys game, neither team could hit in the first quarter which ended 8-7 with Tahoka in the lead, but the more experienced O'Donnell boys actually won the game in the second quarter when they scored 19 points while Tahoka scored 8 to take a 26-16 halftime lead. The score was 29-34 at end of the third quarter, and two or three times in the fourth Tahoka pulled up but could not go ahead.

For Tahoka, Weldon Calloway scored 16 points, Jerry Adams 8, David Bray 6, Frank Greathouse 4, Larry Spruiell and George Adams 2 each. Others seeing action included Gerald Huffaker, Paul Ford, and Gerald Short.

For O'Donnell, David Bessire was high with 15 points, Lanny Brewer 11, Kenneth White 9, Neal Shaw 7, and Tommy Gardenhire 4.

Each team fouled 13 times, with Tahoka making good on only four shots and O'Donnell on only six. Tahoka hit only four of 17 field shots in the first quarter.

Coach Jake Jacobs had only one regular starter coming back this year, Jerry Adams, but his squad put up a fine defensive game Tuesday night and were in the game all the way. They show prospects of developing as the season advances.

Coach Joe Palmer has an experienced crew back this year, having lost only one starter from last year's O'Donnell team.

## Jay Gurley Makes Team At Portales

Jay Gurley, freshman at Eastern New Mexico University at Portales, has made the traveling squad on the varsity basketball team of the school coached by Al Garten.

The team plays Texas Tech Monday night in the Municipal Coliseum. Last year Tech defeated the Greyhounds 162 to 85, but the New Mexico school was top team in its conference and were District 7 NAAI champions. Tech has probably its finest team in history and is picked as the Southwest Conference favorite.

Jay was a member of last year's Tahoka Bulldogs which won the Class AA district and bi-district championships before losing out in the Regional meet. He is a son of Mr. and Mrs. Jess Gurley.

FILE FOLDERS, 8 1/2 x 11, third cut, any number. The News.

Coach Deane Wright's girls were behind by quarters, 9-13, 20-21, 27-28 and 39-45, O'Donnell never being ahead more than five points until the fourth quarter. Wright experimented with several combinations, and the girls showed a lot of hustle, but, like the boys, couldn't find the basket.

Donna Vestal led O'Donnell scoring with 18 points, and Thuriene Mahurin was right behind her with 17 points.

For Tahoka, Jan Thomas had 14 points, Patsy Norman 10, Sangra McNeely 7, Judy Thomas 4, and Sharon Applewhite and Dixie Forsythe, 2 each. Playing at guards were Carol Smith, Diana Hensley, Linda Williams, Sunny Gibson, Maribelen Reid, and Martha Colard.

## Many Basketball Games Coming Up

Tahoka boys and girls were meeting Wilson Mustangs here Thursday night as The News had already gone to press. In a previous meeting, Tahoka boys won 38 to 32 and Wilson girls came out victorious 51 to 40.

Today and Saturday, Tahoka girls are playing in the annual Floydada tournament, and next week end they will be playing in the annual Abernathy tournament.

Tahoka boys and girls play at Abernathy next Tuesday night, and Tahoka A and B team boys entertain Seagraves here on Thursday night of next week.

The boys will play in the Abernathy tournament Friday and Saturday, December 12 and 13.

## Basketball Slate For Wilson Teams

## Low Machinery Costs Necessary

College Station, Nov. 26—Profitable farming today not only requires adequate machinery and equipment to make labor most productive, but it also requires a balance between the capital invested and the labor which goes into the farm business.

It has never been more true that "you must spend money to make money." It is possible, however, to spend money without adding to income. At the same time, many farmers can profitably spend more for machinery, especially if they can increase their volume of business and lower their costs per unit of product. The big questions farmers should ask themselves are:

1. Which costs should I increase and which should I cut?
2. Which costs can I cut that will not cut my income?
3. Which machines, if any, are not essential for my farm business?

The Texas Agricultural Extension Service has released a bulletin that will answer these questions. It discusses factors to consider before buying machinery, how to cut machinery costs, selecting a machine, when to trade, along with cost-cutting tips and other related topics. Cecil Parker, farm management specialist and W. L. Ulrich, agricultural engineer, are the authors.

This publication is available from local county agents or the Agricultural Information Office, College Station, Texas. Ask for MP-281.

Three Offices Are Moving This Week

Three offices are in the process of shifting around this week. Attorney Truett Smith, district judge-elect of the 106th Judicial district, is closing his law office and moving to the second floor of the Lynn county court house to occupy the offices occupied by Perry Walker and the Farm Home Administration.

Mitchell Williams, who recently resigned as district attorney to re-enter the practice of law, is moving from the Clint Walker building to the former offices of Truett Smith in the Deap Nowlin building, now owned by the Tahoka-Post National Farm Loan Association.

Perry Walker is moving the Farm Home Administration offices to the offices formerly occupied by Williams in the Clint Walker building.

Clint Walker is having the interior of his building redecorated and new floor covering put down.

Christmas Holidays Set By School

The Christmas holidays for the students and faculty of the Tahoka schools have been announced by John Shepherd, Tahoka High School principal.

School will be dismissed Friday, Dec. 19, at 2:30, immediately following the Christmas program of each class. Classes will be resumed Monday, Dec. 29, but school will be dismissed again on Thursday Jan. 1, for the New Year's holiday.

Girls Sing For New Home Club

A trio of Tahoka High School girls, Jan Thomas, Patsy Norman, and Diana Hensley, furnished the entertainment part of the program at New Home Civic Club Monday night.

The club discussed holding another turkey shoot, and attended to other business.

The dinner was served by the New Home Home Demonstration club.

Mr. and Mrs. John Fulford and Mrs. Minnie Conwill visited at Leaky last week end.

Church of Christ Work Progressing

Work is now progressing rapidly on the new Tahoka Church of Christ building.

Brick work is just about complete. In fact most of the outside work is nearly done, except final roof covering and finishing touches. Some of the classrooms are near completion. Acoustacle tile is now being installed.

Killingsworth Construction Co. of Dimmitt, the contractor, now thinks he will have the building complete in, possibly three weeks. Furniture will not be delivered until about the first of the year!

Mrs. Jack Reynolds Home From Hospital

Mrs. Jack Reynolds, who received a broken hip in a fall about eight weeks ago, returned home from a Brownfield hospital Monday morning.

She will have to remain in bed from three to six weeks but is improving nicely and is feeling very well.

The accident in which she was injured occurred on Oct. 11 at the Reynolds home near the West Point community.

She is very glad to be home again and her friends wish her a quick and complete recovery.

Mrs. Pearl Elam, sister of Mrs. C. E. Woodworth, a patient in West Texas Hospital at Lubbock for about three weeks, was able to return home Saturday. She is reported to be doing as well as can be expected.

Following several years of research the Boy Scouts of America is launching this fall a new Exploring program designed to be attractive to boys of high school age whether or not they have ever been a member of the organization. Try The News Classified Ads.

TAHOKA, TEXAS "Heart of the South Plains" FRIDAY, DECEMBER 5, 1958

## Cotton Quota Election Dec. 15

Cotton growers will make an important decision on Monday, December 15, 1958. On that day, growers will vote in a referendum to decide whether marketing quotas will be in effect for their 1959 upland cotton crop. All farmers who engaged in the production of upland cotton in 1958 will be eligible to vote in the referendum.

If at least two-thirds of the growers voting approve the quotas, marketing quotas will be in effect on all farms growing upland cotton in 1959. Penalties will apply on 'excess' cotton, and growers will have an opportunity to elect a choice between complying with their 'regular'—Choice (A)—farm allotments or increasing their cotton acreage by as much as 40 percent; this second choice is called Choice (B).

By complying with the Choice (A) allotment, a grower will be eligible for price support at the full level available—not less than 80 percent parity in 1959; by complying with the Choice (B) allotment, a grower will be eligible for price support at a level 15 percent of parity lower than under the Choice (A) program. If more than one-third of the growers disapprove quotas, there will be no marketing quotas or penalties, only 'regular'—Choice (A)—allotments will be in effect, and price supports to eligible growers

(those who comply with their 'regular' allotments) will be available at 50 percent of parity. In either case, acreage allotments of some kind will continue in effect for the 1959 cotton crop as a means of determining eligibility for the available price support. Legislation directs the Secretary of Agriculture to proclaim marketing quotas for the next upland cotton crop when the cotton supply exceeds normal. Quotas are not put into operation, however, unless they are approved by at least two thirds of the growers voting in a referendum on the question.

**TOM SMITH SELLS FARM**  
Mr. and Mrs. Tom Smith have sold their quarter section farm home at Redwine to Mr. and Mrs. Hubert Aldridge, and expect to move to Lubbock. The Smiths have owned the place since 1917, when they came here from Weatherford.

Mary Lou and Margaret Sue McKee returned to Plainview Sunday night after spending the holidays here. Selling of modern accident insurance in the U. S. did not begin until 1864.

## Lynn County Is Near Bond Goal

During the month of October the citizens of Lynn county purchased \$20,978 in Series E and H Savings Bonds. This announcement was made recently by Truett Smith, chairman of Lynn County's Savings Bonds Committee. "Sales for the first ten months of this year totaled \$227,796," chairman Smith reported. "We have now achieved 93.4 percent of our 1958 goal of \$244,000." Sales in Texas during the first ten months of 1958 were \$146,136, 258 which represents 83.5 percent

## Leonard Crawford Gets Another Well

Leonard Crawford, who farms 1,000 acres of the G. M. Stewart land southeast of town, has just recently brought in a new full-pipe five-inch irrigation well of excellent water. He is in an area where many of the existing wells are strong with alkali. His latest well is only 71 feet deep. Crawford now has six wells on the place, including two eight-inch wells, one six, one five, one four, and one three-inch. Robinson Drilling Co. drilled this last well, and Leonard says it might make a six-inch well, but he is putting on a five-inch pump. Another happy fact about the wells on the Stewart place is that most of them have been getting stronger instead of weaker, as is the case with many wells over Lynn county. During the past few years, many irrigation wells have been developed in Lynn county in areas where there has not been good windmill water. Idalis Wood, Mary Helen Whitaker and Kenny Durham were home from Baylor University for the Thanksgiving holidays. of the 1958 goal of \$175,000,000. "Under a recent change in Treasury regulations, individuals who hold F and G Bonds that mature after September 1, 1956 may invest the proceeds from the maturing bonds in E and H Bonds without regard to annual purchase limits," Smith announced. "This information should be of interest to hundreds of people in this area who hold maturing F and G Bonds," Smith concluded.

## HULEN S. LEDBETTER ON AIRCRAFT CARRIER

Fort Carson, Colo.—Army Recruit Bobby L. Williams, whose wife, Odessa, lives on Route 2, Tahoka, recently completed light weapons instruction at Fort Carson, Colorado. Williams was trained to assist in the firing of such crew served weapons as the automatic rifle, machine gun, rocket launcher, and portable flame thrower. He entered the Army last June and received basic training at the fort. The 22-year-old soldier is a 1956 graduate of Carver High School, Levelland, and was formerly employed by Commercial Print Shop, Levelland. His mother, Mrs. Rosie L. Williams, lives on Route 1, Levelland.

**MERCURY SOLVED THE PROBLEMS MANY '59 CARS FORGOT**

**SOLVED: STANDING ON YOUR EAR TO SEE TRAFFIC LIGHTS.** New windshield curves up into the roof, lets you see high traffic lights. New windshield wipers clear 42% larger area—including middle.

**SOLVED: JACKKNIFE RIDE FOR "MAN IN THE MIDDLE."** The hump in the floor has been whittled way down in the new Mercury to provide more foot room.

**SOLVED: WHACKING YOUR KNEES GETTING IN OR OUT.** Mercury's front doors are wider than those in the costliest cars. And the windshield post has been moved forward, out of the way.

**SOLVED: LOOK-ALIKE STYLING.** Mercury is the only car in its field that doesn't share its styling with any other car—doesn't use a dressed-up body of a lower priced car.

**SOLVED: POOR GAS MILEAGE.** All of Mercury's new Marauder engines (up to 345 hp) are amazingly efficient. And for top mileage and savings, Mercury offers a brand-new Monterey series that uses regular gas, not premium.

**SOLVED: TENSION WHEN PASSING.** New Marauder engines react with split-second precision. You enjoy the difference between merely "enough power" and real peace of mind.

**WASHINGTON AND  
"SMALL BUSINESS"**  
By C. WILSON HARDER

Quite some time ago in this column this question was raised. Why in Washington is it felt permissible, if not moral, for the U. S. to trade with Russia, and at the same time immoral to trade with Communist China?

and the U. S. have dynamic free enterprise economies. Apparently this official is unfamiliar with the fact that although Gen. Douglas MacArthur broke up the age old Japanese cartels, as soon as he was called home, the big Japanese cartels set up business again.

This entire paradoxical situation was thrown into bold relief again when Loring H. Macy, director of the Bureau of Foreign Commerce in U. S. Commerce Dept. address G. W. Harder recently a meeting of Japanese Chamber of Commerce.

But the entire tenor of this official's remarks could well be interpreted to mean that it is government policy to keep Japanese business healthy as long as the Japs don't sell to Communist China even if it means ruining many American businesses.

He pointed out that with the U. S. now taking in almost two-thirds of a billion dollars worth of Japanese made goods, this nation is now Japan's No. 1 customer.

Thus, the picture gets more and more confused. U. S. trade with Russia continues to grow. Yet, rather than have Japan trade with a natural trade area, China, it is apparently the American policy to try somehow to absorb the major share of Japanese products even though the Japanese pricing, pegged to its fantastically low wage rate, is far below what American business can compete with.

Yet at the same time, he pointed out, due to import restrictions and other barriers, American business is handicapped in trying to sell to Japan.

This, then, becomes a great paradox of modern times. It can perhaps be argued with merit U. S. aim should be to encourage free world to trade with communistic nations.

The government official admitted steadily increasing influx of Japanese made goods, which has more than doubled in four years, is causing hardship to many segments of U. S. business.

Yet, it seems logical there should be some consistency, if this premise is sound.

And he also was quite plain in telling visiting Nipponese despite protests, there is no intention by the U. S. government to clamp down on these imports.

And when the U. S. forbids trade with China, but trades with Russia, and gives aid to communistic Yugoslavia, it appears to be one of the most lurid exhibitions of "off again, on again, gone again, Finnegan" policy that has been known to history. Mr. Dulles' State Dept. seems to have quirks of reasoning much too devious for the ordinary American citizen to comprehend.

Later on he said "Both Japan and Russia are free enterprise countries."

**Grassland Gin Is Featured By Paper**

Odin Tew, manager, and Grassland Cooperative Gin are the subject of a story in the November issue of Texas Cooperative News, which has the following to say:

A member of the Grassland Cooperative Gin, 25 years is Odin Tew, who has never missed a meeting during all of those years. Mr. Tew has worked for the gin in some capacity every year since it was organized in 1933 and knows full well the "ups and downs" of a cooperative association. For the past 14 years he has served as the manager. "The smallest gin run," says Mr. Tew, "was in 1945 when 135 bales of cotton were ginned; the record run was in 1957 when 5,554 bales were ginned. This year's annual meeting was well attended and our plant now is one of the most modern in the territory."

**Bible Topics -**

By Leroy Cowan  
GIVING - Giving is, to many people a touchy subject yet the Lord makes many very plain statements about it. Though shunned by some, it will make the participant better and happier.

Many high pressure and fabulous schemes are used to raise money for various things. Many times religions are supported by suppers, dances, sales, carnivals, with gambling games and even by taxation, all of which are unscriptural. Money can be raised many ways for various things, but there is a vast difference in "raising" money and its being "given." In the Lord's work it is to be given. The Lord loveth a cheerful giver. True giving comes from the heart. The real giver gladly does so because he wants to. That which is turned over to another because of pressure, a sale, a game, a service, etc., would be a form of support but it would not really be a gift.

The Bible teaches that there is to be no "showmanship" in giving. Jesus said, "Therefore when thou doest thine alms, do not sound a trumpet before thee, as the hypocrites do in the synagogues and in the streets, that they may have glory of men. Verily I say unto you, They have their reward." Matt. 6:2. "He that giveth, let him do it with simplicity." Rom. 12:8. Another point to remember is, "It is more blessed to give than to receive."

Richard Moore was here over the holidays visiting his parents, Mr. and Mrs. L. D. Moore.

**ONLY CAR WITH WIDE-TRACK WHEELS**

... acclaimed by experts as the year's top engineering advance! The wheels are moved out 5 inches for the widest, steadiest stance in America—lower center of gravity for better grip on the road, safer cornering, smoother ride, easier handling. Pontiac gives you roadability no narrow gauge car can offer!

You've never known a car to ride so smoothly or handle so surely... because no car was ever built like this before. And that wide, solid stance is only the beginning. Engineering's hottest team really poured it on to produce this one for you: There's a great new Tempest 420 engine to give you the most breath-taking performance on wheels... or, if it's extra economy you're after, Pontiac has, at no

extra cost, a new V-8 companion, the Tempest 420E, that actually delivers better gas mileage than many smaller cars with so-called "economy engines." There are great new True-Contour Air-Cooled Bikes for smooth, safer stops. And inside, seats wider than a sofa! Come on in and see for yourself. And remember, your quality Pontiac dealer displays the manufacturer's suggested retail prices on every new Pontiac!

PONTIAC MAKES V-8 HISTORY! A Pontiac Tempest 420E has set a NASCAR conditioned and supervised 2,442 mi. coast-to-coast economy mark on regular gas—only 1 1/2 per mile at an average speed of 40.2 m.p.h.!

### Allotments Due Cotton Growers

Cotton growers will receive official notice of their 1959 farm acreage allotments for cotton in the next few days. The notices will be mailed by County Agricultural Stabilization and Conservation offices, said Searcy M. Ferguson, chairman, Texas ASC Committee.

Cotton acreage allotments for 1959 have been determined by the County ASC Committees in accordance with the law and the regulations issued by the Secretary of Agriculture. In 1959, two allotments for upland cotton will be established for each farm, and if marketing quotas are in effect each farm operator will have an opportunity to choose the one he wants to comply with and to register his choice at the County ASC Office. If he elects the "regular" — Choice (A) — allotment and complies with it, he will be eligible for price support at the full level available — not less than 80 percent of parity for 1959. If he elects the Choice (B) allotment, (which is 40 percent larger than the Choice (A) allotment) and complies with it, he will be eligible for price support at a lower level — 15 percent of parity less than under Choice (A), said Ferguson.

If marketing quotas are not in effect, only "regular" allotments will be available and price support will be at 50 percent of parity, as directed by law.

The Chairman explained that the national allotment and reserve of 16,310,000 acres available for distribution is first apportioned among States and the State allotments among counties. The county allotments are then distributed among farmers on which cotton was planted or regarded as planted in any one of the past 3 years, with a small acreage reserved for specified uses. The minimum farm allotment is the smaller of the farm's 1958 allotment or 10 acres.

Farmers who do not intend to operate a farm for which a 1959 cotton allotment is established should immediately return the official allotment notice to the County ASC office so that it can be sent to the person who will operate the farm next year. Cotton allotments are established for specific farms and may not be transferred by the operator or other producer from one farm to another.

Any changes in the land to be included in the farm for which the allotment is made should be reported to the County ASC Committee. Farm operators likewise are asked to check with the County ASC Office regarding any other question about the farm on which the allotment is established.

Ferguson also reminds cotton growers that all should vote in the December 15 marketing quota referendum. Polling places will be announced in each county very soon.

Alonso Alvarez de Pineda, a Spanish explorer, and his followers are believed to have been the first white men to set foot on what is now Texas soil. Pineda and his group explored the area in 1519.

### Today's MEDITATION

#### The Upper Room

Let not sin . . . reign in your mortal body, that ye should obey it in the lusts thereof. (Romans 6:12.)  
The graceful flight of a boomerang is extremely lovely to watch, but as the boomerang arches in its flight, it suddenly returns to land at the feet of the thrower, with a force that could be destructive.  
How pleasurable, momentarily,

appear to be, but how soon their luster tarnishes!  
The sins we indulge in appear enjoyable, and have appeal to us. But sin, both of action and of the heart, is anything that separates us from God. In our spiritual blindness, we fail to sense the danger hidden in them. Suddenly they return to us, and we feel their destructive force. They cut us off from the fulfillment of God's purpose for us.  
Jesus Christ, our Redeemer, can forgive our sins and destroy in us our bent to sinning. Before He can do this, however, we must surrender our lives to Him so that His power may work in us to our salvation and usefulness in His kingdom.  
PRAYER  
Merciful Father, we acknowledge and confess our shortcomings to Thee. Believing in Thy promises, we cast our burdens upon Thee, knowing that Thou wilt forgive our

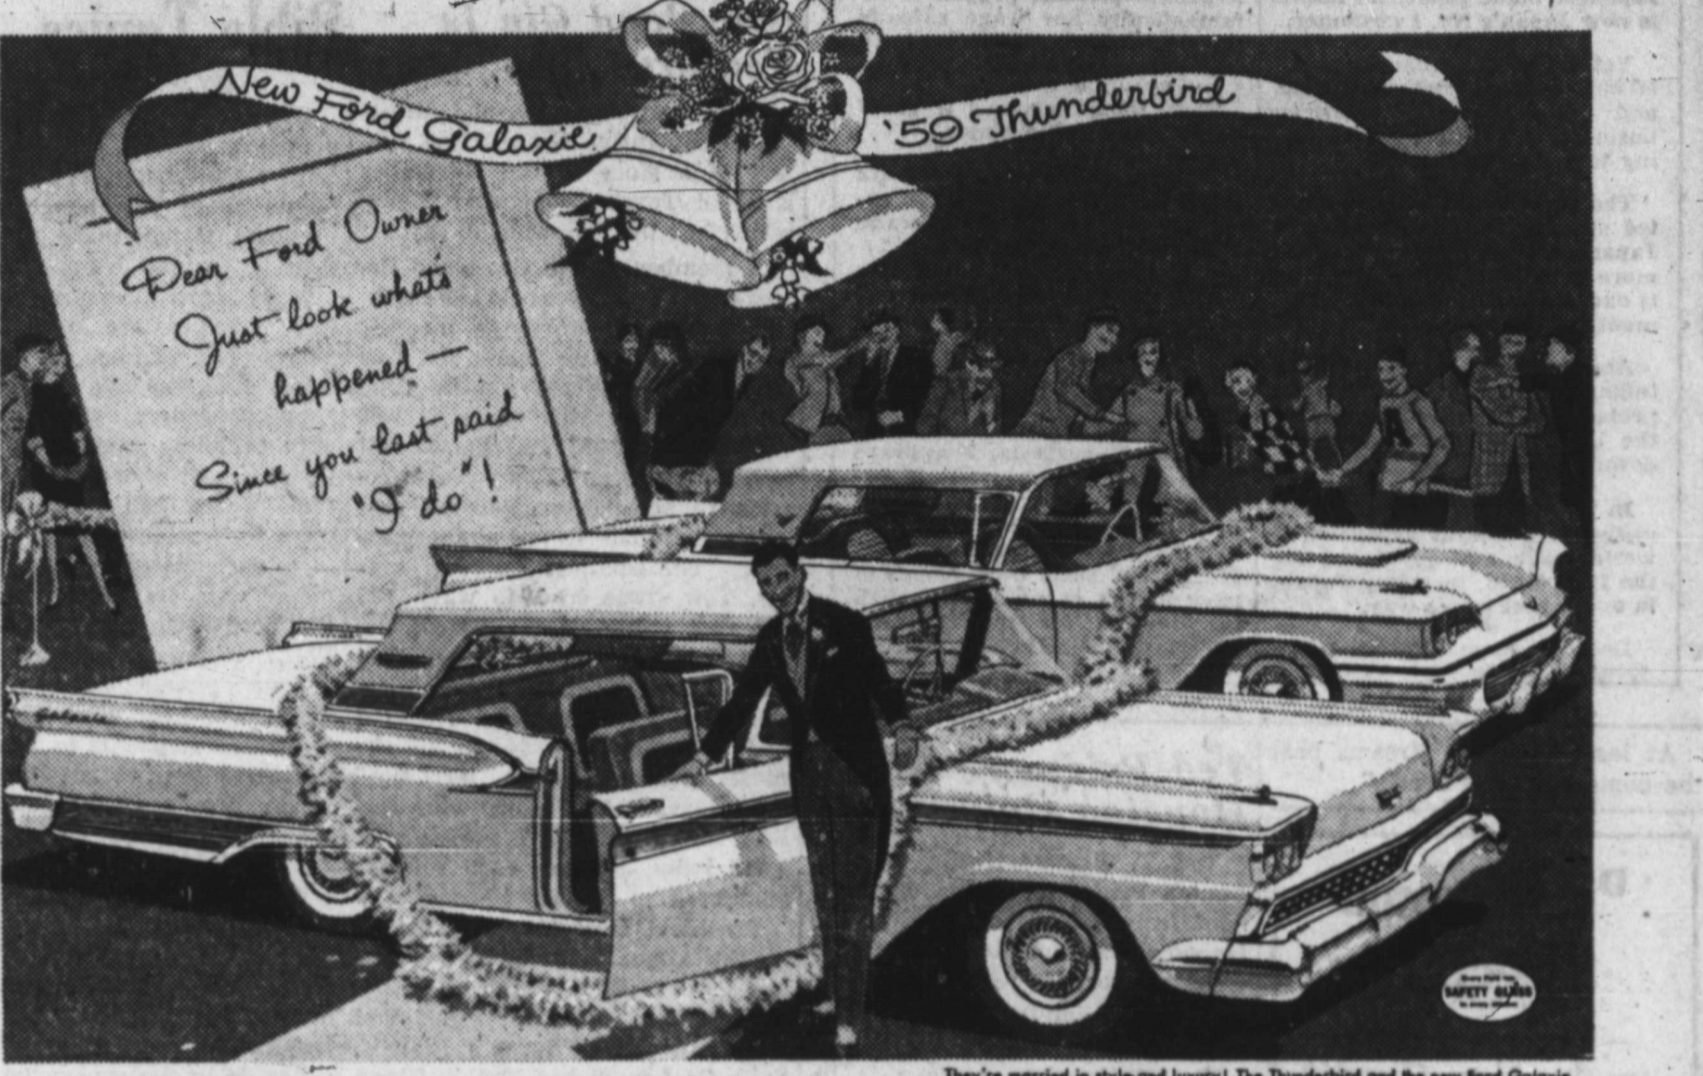

sins and change our lives, through Jesus Christ, Thy Son and our Saviour. Amen.  
THOUGHT FOR THE DAY  
The wages of sin is death, but living for Jesus brings life everlasting. — Edwin E. McDonald (Colorado.)
