Fair Barn Destroyed By Fire, Stock Show Here March 6-7

The livestock barn of the Lynn County Fair Association was completely destroyed by fire of unknown origin at about 3:00 a. m. Tuesday.

A nightwatchman at Union Compress saw the blaze and was the first to turn in the alarm. Fire Chief Lawrence Harvick said the building was almost completely destroyed when the Fire Department got there a few minutes later.

County Agent Bill Griffin estimated the loss as about \$12,500, which included the building, about fifty stock pens, scales—in fact, all the equipment used for the annual Junior Livestock Show. The building was only partially covered by insurance.

The fire came at a very inopportune time as the annual stock show is coming up on March 6-7.

At a called meeting of Tahoka Chamber of Commerce directors Tuesday afternoon, who sponsors the event along with the Rotary Club, it was decided to go ahead and hold the show as planned on the local fair grounds.

Portable stock pens will probably be brought in from Lamesa, which telephoned in an offer of their use, and added to these will be 30 portable pens which were being built at a local lumber yard for this year's show when the fire occurred.

County Agent Bill Griffin and Vocational Agriculture Teachers V. P. Carter and Lester Adams met with the C. of C. board Tuesday to make plans for going ahead with the show.

Mr. Griffin says the entries in this year's show will be greater than ever before, and the Lynn county show is generally recognized as being the biggest county show in West Texas.

Steps will probably be taken at a later date to build a bigger and better barn at a new location, as the present site is in the way of the proposed new four lane highway.

Donaldson Child Dies At Denver

Little Elizabeth Jan Donaldson, daughter of Mr. and Mrs. Claude Donaldson Jr. of Denver City, died Thursday of last week at about 10:35 p. m. following a long illness. She was one year, seven months, and two days of age.

Gravestone funeral services were held at 4:00 p. m. Saturday in Denver City Memorial Cemetery with the Rev. Weldon McCormick, pastor of the First Methodist Church of that city, officiating.

The little girl was born July 3, 1957, at Lubbock. The father was reared in Tahoka. He was associated with Newsom Paint and Supply Co. in Lubbock before moving to Denver City 15 months ago, where he is manager of St. Clair Department Store.

Survivors include the parents; one brother, Ted; one sister, Claudia Ann; the grandparents, Mr. and Mrs. C. C. Donaldson of Tahoka and W. T. Edwards of Miami, Okla.; and great grandparents, Mr. and Mrs. John Donaldson, Tahoka.

Chas. Armontrout Loses Ring Finger

Charles Armontrout of New Home lost a finger Wednesday of last week while trying to "thaw out" a frozen air compressor on his car.

In some way, he stuck the ring finger of his left hand under a v-belt, and it was immediately whacked off at the second joint.

Strangely, Charles had on a glove and didn't know he had lost the finger until he pulled the glove off.

Mrs. Jack Adams was released from Tahoka Hospital Wednesday.

B. L. Parker Jr. Is Sergeant-At-Arms In 56th Legislature

B. L. Parker Jr. is the sergeant-at-arms for the House of Representatives of the 56th Legislature now in session at Austin.

The office is filled each session by election of the members, and carries with it a lot of responsibility. Some of his duties are to guard the doors against entrance of unauthorized persons and on occasions to keep members from leaving the House chamber, to maintain order at all times, to get visitors and others with business in contact with legislators, and to see that all directives of the Speaker are carried out.

B. L. is the son of Mr. and Mrs. B. L. Parker of Tahoka. He attended Tahoka High School and the University of Texas.

Farmers Co-op Plans New Gin

Stockholders of Farmers Cooperative Gin of Tahoka, in a meeting Saturday afternoon at the City-Legion building, voted to build a new gin plant.

John F. Thomas, president of the board, said the new plant will probably be built on property the association already owns immediately west of the present plant and adjacent to the proposed new four-lane highway.

Gin equipment has not been bought, but it will be of the most modern type, with all the new features and automatic controls. Burr hoppers will be installed, and there will be no more burning of burrs. In fact, there will be no fire about the plant.

The old gin will be retained for rush seasons.

Thomas said there were 46 votes in favor of the expansion project and only three dissenting votes. Other board members are: T. D. Dunlap, vice president; J. O. Allen, secretary; Cleve Littlepage, Charley Lichey, Lois Smelser, and O. E. Terry. Curtis Stevens is manager.

Joe Don Milliken Is Recovering Burns Received Recently

Joe Don Milliken, 19, serving in the Army in Germany, was seriously burned last month, but is recovering nicely in an Army hospital in that country, he writes his parents, Mr. and Mrs. Byron G. Milliken of Lakeview.

He was burned in an accident which occurred while his tank unit was on bivouac some time after January 15. While out in the field, the tank which he drives went dead. He and other men were working on it when the gas line exploded.

Joe Don received first and second degree burns on his face and neck, third degree burns on the back of the neck and ears, and his eyes were damaged. However, he writes the doctors say he will be all right. They were afraid his eyesight might be impaired, but on removal of the bandages from his eyes for examination it was found that he could see.

Joe Don attended New Home schools but did not graduate before entering the Army. Friends will be interested to know that he will soon complete his high school work in the Army.

He entered the service on January 9, 1958, and went to Germany on July 19 last year.

WIND DAMAGES GYM

The high winds Monday night did some damage to the Wilson school gymnasium. The flashing around the eaves of the building was torn loose in places, and the roof of the breezeway connecting the gym with the main high school building was damaged.

Roy Keith, 22, Is Heart Victim

Funeral services for Roy Cloyce Keith, 22, were conducted Monday, Feb. 9, at 2:00 p. m. at the First Methodist Church, with Rev. J. B. Thompson, pastor, and Rev. Floyd Dunn, Amarillo, officiating.

Keith died at his home at 5:35 p. m. Saturday following a long illness as a result of a heart ailment. Burial was in Tahoka Cemetery under direction of Stanley Funeral Home.

He was born April 2, 1936 at Stamford and moved to Lynn County in 1941 where he had resided until his death. He was a member of the Methodist Church.

Keith attended the local schools and was a 1953 graduate of Tahoka High School. He was a truck driver, having been employed previously by W. E. Shawn Gulf Wholesale and Jimmy Dullin.

Survivors include his father, B. W. Keith, Tahoka; and a grandmother.

Mrs. Leroy Cowan In Critical Condition

Mrs. Leroy Cowan, wife of the minister of Tahoka Church of Christ, is still in a very critical condition in Methodist Hospital, Lubbock, where she has been a patient for a little more than two weeks.

Mrs. Cowan is suffering from a kidney ailment. She is in room 616.

Studebaker Lark Dealer Is Named

Tahoka Motors, Inc., this week officially announced its appointment as dealers for The Lark, built by Studebaker, and that they have a full line of the new cars on display.

The firm is also dealers for International pickups and trucks.

Denver Ford, left, outstanding 4-H member from Lynn county and chairman of the Texas 4-H Council, and Council Vice Chairman Jan Barton from Motley county, watch with interest as Governor Price Daniel signs Proclamation designating the period from February 28-March 7 as 4-H Club Week in Texas. Governor Daniel in his proclamation called attention to the contributions that former 4-H club members, they number more than 20 million in the U. S. and well over a million in Texas, had and are making to the betterment of Texas and the Nation.

O'Donnell Show Is February 21

O'Donnell's annual Junior Livestock Show this year will be held on Saturday, Feb. 21, in the new \$10,000 show barn now being erected by citizens of the community on a block of land acquired in South O'Donnell.

Last year the O'Donnell Livestock and Fair Association was set up and a fund raising campaign started for construction of permanent quarters for the annual show. Previously, the show has been held on open lots or wherever space could be obtained, but with the building of the show barn the affair can now get in out of the weather.

Officers of the organization are: Harold Hohn, president; Bennie Edwards, vice president; Ralph Beach, secretary and treasurer; and board members are C. A. Lacy, D. J. Bessie, Jack Wood, Orvil Evans, Bertice Askew, and Burl Moore. Trustees are D. B. McMillan, Naymon Everett, and John Ellis.

The 44 by 132 foot building is being erected of corrugated iron, with ventilators in the roof, one large door and one small walk-in door at each end. There will be rest room, pens, show rings, grandstand, and two wash racks.

The entire southern part of the county has cooperated in raising the fund, which amounted to \$10,051.87 in cash on February 2, with 316 individuals and business firms having contributed to the fund.

Damage Light From Sandstorm

Monday's high winds, reaching a peak about dusk, brought the worst sandstorm of many months, and the velocity was possibly the highest in several years.

Except for soil erosion, little material damage has been reported from the storm. Some out-buildings were blown down, power was disrupted spasmodically in Tahoka, and light damage was done to the Wilson school gymnasium.

Fire early the following morning destroyed the 100 by 100 foot Lynn County Fair Barn, located just east of the E. I. Hill home, but luckily the fire got underway after the wind had died down. Fireman said destruction in that area would have been heavy if the fire had started a few hours earlier.

Donna James, five years of age, underwent a tonsillectomy Monday in Tahoka Hospital.

Baptist Revival Opens Feb. 22nd

Jimmy O'Quinn will be the evangelist for revival services at the First Baptist Church, February 22 through March 1st. Jimmy O'Quinn has served as pastor in Texas and has conducted revivals throughout the Southern States. He is a Southern Baptist Evangelist and has conducted revivals in many of the cities around Tahoka. He conducted a successful revival last year at the First Baptist Church, O'Donnell.

Services will be each morning beginning on Monday at 7:00 a. m. with the brotherhood of the church sponsoring the service. Breakfast will be served from 6:30 to 7:15. There will be services at 10:00 a. m. and also at 7:30 p. m. The music will be under the direction of Rowland Nitcher, with Mmes. Nan Adams and Hazel Bennett as the musicians.

Everyone is cordially invited to attend these revival services.

W. A. Tadlock 76, Of Wilson, Dies

(By Mrs. Frank Smith) W. A. (Wiley) Tadlock, 76, long-time resident of Wilson, died in a Lubbock convalescent home Friday at 4:15 a. m.

Funeral services were held at 2:30 p. m. Saturday in Wilson Methodist Church, of which he was a member, with Rev. Billy Wilkinson of Lubbock, a former Wilson pastor, and Pastor Harold Rucker officiating. Interment was in the Wilson Cemetery.

Mr. Tadlock was manager of the Planters gin at Wilson for many years.

Survivors include two daughters, Mrs. J. N. Leavitt of Lingo, New Mexico, and Mrs. Erwin Sander of Wilson; a sister, Mrs. H. W. Hawkins of Sweetwater; and two grandchildren.

Start Offset Well In Block L Field

A new offset well in the Block L Glorietta Field, three miles east of Wilson, will be drilled by Ambassador Oil Corporation.

Designated the No. 1-A C. A. Coleman, contract depth is 5,200 feet. Location is 330 feet from the south and 647 feet from the east lines of the southwest quarter of Section 1, Block L, DWT&P rail way survey.

The Texas No. 1 Macha deep test northwest of Tahoka in Dixie community is reported at a total depth of 4,170 feet and running nine and five-eighths intermediate casing before drilling deeper.

Large Crowd At Church Opening

Large crowds attended the opening services Sunday in the new \$80,000 Tahoka Church of Christ building.

Nearly 450 people filled the main auditorium for the first preaching service Sunday morning, there was a large crowd for the afternoon services and also the evening service.

During the afternoon, people of the town and county and from surrounding towns were given an opportunity to inspect the entire church plant.

Visitors were present during the day from Sundown, Levelland, Lubbock, Brownfield, Acuff, Post, Lamesa, New Home, Wilson, Gordon, Grassland, O'Donnell, and possibly other towns and communities.

Services are continuing throughout this week at 10:00 a. m. and 7:30 p. m. with W. T. Hamilton of Lamesa Church of Christ doing the preaching and Horace Coffman, assistant minister of Broadway Church of Christ, Lubbock, leading the song services.

Man Draws Heavy Fine After Tearing Up Tahoka's Jail

A Lubbock citizen may think a second time before he gets drunk and tears up a jail.

Alvie Berry, Lubbock, was fined \$105.00 in Corporation Court here Monday morning after he had torn up the plumbing, broken out a window light and pried loose the window bars to escape from the City jail the night before states Police Chief Jack Miller.

The man was arrested early Sunday night by officers from the Sheriff's department, and because of his drunken state, being "out cold," he was placed in the City jail. Some time later, he broke out and was attempting to wire around the switch of his car, parked near the City Hall, when caught again by a deputy sheriff.

MRS. ROBINSON IMPROVES

Mrs. Hall Robinson, who suffered a light stroke a few weeks ago, is reported to be doing fine. She has been able to come down to the store a few times for short periods. Mrs. Robinson has lived in Lynn county longer than any other lady, having come here as a girl in the late 1890's when her mother married Jack Alley, manager of Col. C. C. Slaughter's Tahoka Lake Ranch.

ROBERTS ON TRIP

Mr. and Mrs. O. C. Roberts left by plane Wednesday for Galveston, where they will board a ship of the Lykes steamship line for a 30 day cruise.

Their itinerary calls for them to stop two days in Cuba, following which they will visit several points on the north coast of South America.

Mrs. Emil Rainold was dismissed from the hospital Tuesday.

Election Called On School Bonds

Tahoka School Board Tuesday afternoon voted to call an election on the issuance of \$75,000 additional bonds to complete the current improvement program. Election date has been set for February 28.

The decision was reached following the receiving of bids that afternoon on the proposed new school gymnasium. Low bid was \$148,145 by Hunter Construction Co. of Lubbock for a structure of 15,000 square feet of floor space and to include one basketball game court, two practice courts overlapping this court, seating for 600 people, for dressing rooms, offices, lobby, rest rooms, and concessions stand area. The architects are DeWitt and Maeker.

Due to recent rising building costs, this was more money than the board has available, states Supt. Otis Spears, and the board did not let the contract.

In May of last year, Tahoka district voters authorized the issuance of \$200,000 in bonds to build an addition to the South Elementary school, to build a new Negro school, erect a gymnasium, to improve and refurbish the North Elementary School and to modernize the High School science department.

Since that time, the new and modern Dunbar school has been built at a cost of \$12,000, and the five-room primary department to South Elementary is just now being completed at a cost of a little over \$50,000, including architect fees and cost of bond servicing. The board had expected that the \$200,000 issue would do the whole job, but since that time prices have advanced, especially that of steel.

The board now sees that it made a mistake in not asking for enough money, but it did not wish to call for more than was necessary.

The board now estimates that about \$55,000 will be required to bring the school plant up to date, however, they decided to call a bond election for \$75,000 just in case they may not get caught in another jamb. If the voters see fit to authorize the bonds, they promise that only that which is actually needed will be spent.

The Tahoka Schools do not meet State Department requirements in science laboratory facilities, nor do they in physical educational facilities.

J. F. Warren, 85, Dies Suddenly

J. F. Warren, 85, retired farmer who had been a resident of Lynn county since 1926, died suddenly at his home in O'Donnell Sunday at about 6:30 a. m.

Funeral services were held Tuesday at 2:30 p. m. in O'Donnell Church of Christ with the minister, Carl Cain, officiating, assisted by Rev. Paul Orndorff, pastor of O'Donnell Nazarene Church. Burial was in Lamesa Cemetery under direction of Stanley Funeral Home of Tahoka.

John Franklin Warren was born December 5, 1873 in Molten, Okla. He was married to Miss Hattie Mae Hickman in 1902. The couple moved from Oklahoma to Lynn county in 1926, and farmed east of O'Donnell. The first Mrs. Warren died in 1932, and he was married to Mrs. Nannie Gay VanKirk at Durant, Oklahoma, in 1934.

He was a member of the O'Donnell Church of Christ and the Odd-fellows Lodge.

Survivors include his wife; two sons, Troy Warren of Tahoka and Jack Warren of Grapevine; one daughter, Mrs. Panola Fannon of O'Donnell; two step-sons, Sylvan VanKirk of Dennison and S. F. VanKirk of Lamesa; 30 grandchildren and 18 great grandchildren.

Mr. and Mrs. Troy Warren, Mr. and Mrs. Ronald Sherrill, and Bud Copelin had left early Sunday morning for Brownwood to attend the funeral of a cousin, and Mr. Warren's death message was awaiting them when they reached Brownwood.

SPORTS

Tahoka Defeats Slaton Tigers

Coach Jake Jacobs cleaned the bench Monday night as his Bulldog basketball team took an easy 54-33 victory over the Slaton Tigers. In the girls' game however, the opposite prevailed, with Slaton taking a 60 to 41 win.

Tahoka boys led all the way, by quarters, 18-13, 30-18, 44-29, and 54-33. Randy Sanders of Slaton was high point man with 16, but Jerry and George Adams each scored 15 and Weldon Calloway 11 for Tahoka.

Tahoka girls made it a close game the first half, leading 13-11 at end of the first quarter, only to fall behind 25-26 at the half. But in the third and fourth quarter Slaton forged ahead to take a 43-31 lead at end of the third, going on to win 60 to 41.

For the visitors, Judy Bishop had 20 points, Judy Dunn 16, and Pat Schilling 14. For Tahoka Patsy Norman had 12 and Marihelen Reid 11 points.

Both Teams Lose In Post Games

With three starters out, Tahoka Bulldogs dropped a 56 to 41 decision to the Antelopes at Post Friday night. The girls lost a 51-35 game, also, which was close until the final quarter.

The Bulldogs were playing without the services of Frank Greathouse, ill with the flu; David Bray, out with a lacerated finger; and Gerald Huffaker, who had a sprained ankle and broken hand.

Even then, Tahoka played the sharp-shooting Antelopes a good ball game, and Weldon Calloway turned in one of his top performances to score 16 points and grab off a lot of rebounds. Post led, by quarters, 15-10, 32-24, 41-28 and 56-41. The Bulldogs couldn't stop Scotty Pierce, who scored 29 points.

Safety Check Is Set On Vehicles

The Motor Vehicle Inspection Service of the Texas Department of Public Safety issued a reminder today that registered motor vehicles in Texas must be inspected prior to April 15. This announcement by Captain Alan Johnson stated that only 19 percent of the vehicles in Region 5 have been inspected. Region 5 consists of 60 West and Northwest Counties.

"Many vehicles are operating on the highways with defective equipment, including a large number with only one headlamp," said Johnson. "These defects make a vehicle hazardous, in addition to being in violation of the law." He further pointed out that vehicles should be inspected early in an effort to avoid a last minute rush.

A check revealed that there are some 428,000 registered vehicles in this region. Following the April 15 deadline, Johnson advised that drivers will be subject to a fine of \$1.00 to \$200.00 if they operate a motor vehicle without a valid inspection sticker attached.

Captain Johnson also advised that all licensed trailers having a gross weight exceeding 4,000 pounds, are required by law to be inspected.

Dr. Emil Prohl has gone to Galveston to attend a medical meeting this week end.

O'Donnell Man Dies Suddenly

Irving Roger Street, 63, a resident of O'Donnell for 35 years, died suddenly at his home at 9:30 a. m. Sunday.

A retired farmer, Mr. Street was born May 18, 1895, at Rising Star, and had been a resident of the O'Donnell area since 1923.

Funeral services were held in the First Baptist Church of O'Donnell Monday at 4:00 p. m., and burial followed in O'Donnell Cemetery.

Survivors include his wife; one daughter, Mrs. Johnny Billingsley of O'Donnell; one brother, Gordon Street of Abilene; one sister, Mrs. Hallie Combs of Abilene; two grandchildren, and one great grandchild.

G. Huffaker Raises Record Cotton Crop

Glenn Huffaker of Grassland gathered 24 bales of cotton from a 10 acre plot this past fall, reports C. M. Greer, who owns the land farmed by Huffaker.

Some interesting comparisons are found in the experiment which involves two other plots, one of which made one and three-fourths bale to the acre and one which produced only one and one-fourth bales. All three plots were irrigated and were planted to Lankart No. 611 on May 20.

On the No. 1 plot, Mr. Greer says Glenn fertilized with 300 pounds of phosphate and 50 pounds of nitrogen at a cost of \$10.00 per acre. The tract was watered three times, the last watering being on August 25 and 26. He had pulled 17 bales the first time over which graded strict low middling one-inch. The other seven bales were machine pulled and graded strict-low light spot one-inch. Lint average per acre was 1186.5 pounds.

The No. 2 plot was fertilized with nitrogen only and averaged 1.75 bales per acre.

The No. 3 plot was watered only twice and no fertilizer was used and the production was 1.25 bales per acre.

Draw Plans Work On Community Club

People of the Draw community will again try to get together next week, Thursday, Feb. 19, to do work on the community house, according to Mrs. A. R. Hensley. A previous date had been set but due to the bad weather, the clean-up day was postponed.

Those who are interested in the community house and want to help out are asked to come out Thursday at 10:00 a. m. To all who will help the Draw Home Demonstration Club will serve a nice lunch.

The commissioner, Ode Brewer is still expected to attend the event and present a few facts on the duties of his office.

A roof is expected to be put on the community house and several other things repaired.

All club women are expected to come and bring a covered dish.

Mrs. Jack Reynolds of West Point was able to be in town Friday for the first time in four months. She is now improving steadily.

Alton Cain attended a convention of hardware and furniture dealers in Amarillo the first of this week.

The Upper Room

THE UPPER ROOM NASHVILLE TENNESSEE

I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think. (Romans 12:3)

One day some soldiers were repairing a road. As they were attempting to lift a heavy timber, an officer not in uniform came riding by. Seeing the struggling men, he stopped to watch.

Struggle as they might, the men could scarcely move the heavy timber. The officer asked the commander why he did not take hold and help. With a superior air, the commander replied, "Sir, I am a corporal."

"Oh, I ask your pardon, Corporal," said the officer gravely. Then he dismounted from his horse, and assisted the men. Then he turned to the corporal and said, "Corporal, whenever you have such a job on hand and not enough men to handle it, send for your Commander-in-Chief, and he will come and lend a hand again."

How true indeed are the Master's words, "Whosoever exalteth himself shall be abased, and he that humbleth himself shall be exalted."

PRAYER

Gracious God, our Father, Thou didst humble Thyself by sending Thy Son into the world for the redemption of mankind. Humble us now by increasing our awareness of how much we fall short of Thy glory. In Jesus' name we ask it. Amen.

THOUGHT FOR THE DAY

"Humble yourselves in the sight of the Lord, and he shall lift you up."

CAROLYN WARD Correspondent

Rev. and Mrs. Elmer Crabtree from Plainview visited Mr. and Mrs. S. D. Martin last Thursday.

Mr. and Mrs. Clyde Shaw spent two days and nights last week with her son, Mr. and Mrs. M. J. Stacy of Friona.

Mr. S. D. Martin was honored with a birthday dinner last Sunday by his family. Being his 74th birthday, his son and wife, Mr. and Mrs. Harley Martin had his birthday cake made and decorated with seventy-four candles on it.

Those present for the occasion were Mr. and Mrs. Blanton Martin and daughter, Susan, Harl Camp, Mr. and Mrs. Herman Dabbs, Brenda and David; Mr. and Mrs. Harley Martin and children, Mr. and Mrs. H. D. Taylor, Sharla and Patsy McGeehee.

Riley Wood and Mr. and Mrs. R. L. Hagler and a number of people who could not come, phoned congratulations to Mr. Martin. He returned home from Mercy Hospital in Slaton, last Wednesday, where he had been hospitalized 16 days but is now getting along fine.

Visiting Mr. and Mrs. Ed Milliken last Sunday were their son, Mr. and Mrs. Ralph Milliken and daughter of Wolforth, Mr. and Mrs. Bryan Shaw and Mrs. D. H. Hatchett from Lubbock, Mr. and Mrs. Clyde Shaw.

Men's Group Hears Talk On 'Characters'

In spite of the sandstorm about thirty men attended the monthly dinner meeting of Tahoka Methodist Men Monday night. The meeting was held early so as not to conflict with the basketball games.

"Some Characters I Have Known" was the subject of the talk given by Frank Hill. Happy Smith arranged the program.

A steak dinner was served by Milt Draper and Milt Uzzle. President Maurice Huffaker appointed Maurice Broy and Otis Spears to get the program for the March meeting and Louie Weathers and Wilton Payne to arrange the meal.

Rev. and Mrs. Elmer Crabtree from Plainview, were dinner guests of Mr. and Mrs. F. M. Davidson and Louise last Thursday.

Mrs. Kenneth Warshaw is in Mercy Hospital, Slaton, with the flu.

Mr. and Mrs. W. E. Kidd and Teddy of Slaton were visitors in the home of Mr. and Mrs. S. D. Martin last Thursday. Recent visitors of Mr. and Mrs. Fred Davidson and Louise, were Mr. and Mrs. Shime Miller from Littlefield and Mrs. Travis Hooper and daughters, Brenda and Linda, from Spade.

News is short this week as correspondent Carolyn Ward is in Mercy Hospital with the flu.

Tahoka Splits With Floydada

Tahoka boys lost their last home game of the season Wednesday night to the Floydada Whirlwinds 56 to 48, but Tahoka girls came from behind to win an overtime game 44 to 38 over the visiting girls.

In the boys game, the breaks just went the wrong way for the Bulldogs. It was a close game all the way, but the local boys made some costly mistakes and also some bad breaks on the officiating.

Tahoka jumped into a quick 10-5 lead early in the first quarter, which ended 11-10 in Tahoka's favor, only to fall behind 20-24 by halftime. The score was 41-38 at end of the third. During the fourth Tahoka pulled up close two or three times, but the visitors would bounce right back on the shooting of Patterson and Vickers.

Box scores:

Tahoka	FG	FT	F	TP
F. Greathouse	6	3	3	13
Jerry Adams	4	2	3	10
Weldon Calloway	3	3	5	9
George Adams	3	1	3	7
Gerald Huffaker	0	0	4	0
Fred Hegi	0	0	0	0
Totals	19	10	19	48

Floydada	FG	FT	F	TP
Patterson	8	7	3	23
Vickers	7	1	1	15
Irby	2	0	2	4
Shipley	0	1	2	1
Gilliland	4	1	4	9
Graves	2	0	2	4
Totals	23	10	14	56

For three and a half quarters, the Tahoka girls seemed to do nothing right, throwing the ball away and committing many fouls, and trailed 5-8, 10-14, and 22-27 the first three quarters. Then, with 2:45 left in the game, came from behind to tie the score 31-31, fell behind 34-31, but came up again to take a 35-34 lead with 1:05 left. Floydada then took a 38-35 lead with 20 seconds left and seemed to have the game sewed up. Jan Thomas was fouled and sank a free shot, Tahoka got possession on a jump ball, and Marihelen Reid hit a long shot to tie the game 38-38 with 5 seconds left.

In the two minute overtime, the Tahoka girls really went to work, Norman hitting one, Reid one, and Norman another to take the 44-38 victory for Tahoka. Patsy Norman hit 20 points for Tahoka, while Jan Thomas and Marihelen Reid each had 10. High scorers for Floydada were Mae Belle Johnson with 19 and La Juana Womack with 18. Tahoka girls committed 22 fouls, Floydada 17, and Tahoka made good on 12 free shots while Floydada was sinking 16 free shots.

JUNIOR FITTS

Junior Fitts Leads West Texas Scoring

Canyon, February—Milton Fitts, former Tahoka student, is a starter on the West Texas State varsity basketball team.

Fitts, a junior and physical education major, has a 16.8 season average and a 23.6 conference average. The six foot five inch 195 pound forward center was one of the nation's most sought high school players.

He made All-South Plains two years, 2nd team All-state two years and played in the Coaching School North-South game, and the Texas-Oklahoma All-Star game.

Fitts is the son of Tom Fitts of 2105 6th Ave. Canyon, Texas. He is a 1956 graduate of Tahoka High School and played basketball under Jake Jacobs, ex-Buff basketball.

Basketball Play Ends On Tuesday

Tahoka A and B team boys were playing non-conference games at Seagraves Thursday night. Next Tuesday night, both the boys and girls teams will wind up their 1959 basketball season in 3-AA conference games at Spur.

JUNIOR GAMES WILL BE PLAYED NEXT WEEK

Tahoka Seventh and Eighth Grade boys and girls basketball teams were playing in Post Thursday night. Slaton will play them here next Monday night, and Friendship will be here Thursday night.

Both Eighth Grade boys and girls won a pair of games at Cooper, the boys winning 30 to 20, with Craig Leslie scoring 8 points for top honors. Tahoka won the girls' game 37 to 18, with Jerry Wyatt leading Tahoka scorers with 15 points.

Mrs. Lula Stevens Dies In Arizona

Mrs. Thurman (Lula) Stevens, about 47, died at about 2:00 p. m. Thursday at Casa Grande, Ariz., where she and her husband have lived a number of years. Mr. Stevens is the son of D. A. Stevens of Tahoka.

Although Mrs. Stevens had undergone minor surgery Wednesday morning, she was in excellent health and her death was quite a shock to relatives.

Her husband, Thurman, has been paralyzed about a year.

His father and brother, Curtis Stevens and wife, and sister, Mrs. C. E. Finney, all of Tahoka, and three other sisters, Mrs. Ralph (Ola Lee) Gary of O'Donnell, Mrs. Larry (Lois) Conrad of Odessa, and Mrs. Wade (Thelma) Ray of Post.

Congratulations:

Mr. and Mrs. Jerry Bragg, 1806 20th St., Lubbock, on the birth of a son, Jerry Paul, weighing seven pounds six ounces at 5:50 a. m. Tuesday, Feb. 10, in West Texas Hospital. The father is employed by Lubbock Vending Machine Co. Grandparents are Mr. and Mrs. Carl Williams and Mr. and Mrs. Cody Bragg.

NEW TEACHER HIRED

Mrs. Margaret Lee, a graduate of Texas Tech, has been hired as science teacher in Tahoka High School. Her husband is attending Tech. She succeeds Paul Barron, who resigned to move to California on account of sinus trouble.

Janey Ware, daughter of A. E. Ware, underwent surgery at Rumbold Clinic in O'Donnell Monday afternoon. She is reported to be in fine condition and will be home sometime next week. She is a senior in Tahoka High and is an officer in Future Homemakers of America and a member of Tahoka High School Band.

C. B. Keltner was admitted to the hospital Saturday as a medical patient. His condition is reported to be much improved.

J. A. Williamson, father of Mrs. Violet West, Tahoka, was admitted to the hospital Saturday as a medical patient.

Four Locals On Television Sunday

Four local people, Dr. and Mrs. Skiles Thomas and Mr. and Mrs. Charles McClellan, appeared on the Dale Carnegie TV program Sunday afternoon at 5:00 o'clock, over KCBT TV, channel 11.

All four are graduates of the Dale Carnegie Leadership Course, TAH, (Tahoka) I Class, which finished its fourteen week training course Tuesday, Feb. 3.

A second class, TAH, II Class, is being held in Tahoka on Thursday nights, the first meeting in session as The News went to press.

West Point Club In Regular Meeting

The West Point Home Demonstration Club held its regular meeting in the home of Mrs. Roy Stevens, Wednesday, Feb. 11, with seven members present.

Mrs. Laura Bowman, agent, gave an interesting talk on child development and read an amusing story about the "later" family. Next meeting will be March 11 in the home of Mrs. Edward Bartley.

Mrs. V. W. Parr, daughter of Mr. and Mrs. C. E. McClellan, visited with her parents and other relatives a short time Thursday, while en route to Lubbock to visit Mr. Parr's parents, Mr. and Mrs. Porter Parr.

THS School Chorus Sings At Service

Eddie Bowman, band director and director of the chorus, had 32 young people who sang several beautiful songs during the Sunday evening worship service at the First Baptist Church.

A good attendance of the Methodist and Baptist were at the church.

Rev. J. B. Thompson brought the evening message on the subject, "Enthusiasm in Religion." He directed his message to the young people, challenging them to direct their enthusiasm in the channel of their lives that will be helpful to them. He stated that the word meant, spirit within or God in us.

Rowland Nitcher, youth director, invited the young people to stay for a period of fellowship and a large group of young people enjoyed a wonderful time together. Mrs. Nitcher served cokes to the youth.

An offering of \$55.00 was taken for the March of Dimes.

NEW HOME 4-H CLUBS MEET

Youth Banquet Is Set For March 6

Night of Friday, March 6, has been set as the date for the Youth Banquet of the First Baptist Church. Plans are being made to have one of the finest banquets ever held.

Roland Nitcher is planning the music and has obtained the speaker for the event. Mmes. Anita Billman, Juanita Brooks, and Velma Carter are the leaders of the intermediate department.

Intermediate I and II are leading the Young People's Department in the Queen's race. The Young People receive points in the queen races on a new member, bringing visitors and points are also given for 100 per cent members.

BRAYS ATTEND ANNIVERSARY OF AUNT AT ODESSA

Mr. and Mrs. A. M. Bray accompanied his mother, Mrs. W. E. Bray of Lubbock, to Odessa Sunday for the fiftieth wedding anniversary of the latter's brother-in-law and sister, Rev. and Mrs. C. E. Jameson. Rev. Jameson is a retired Methodist minister and a former pastor of the First Methodist Church of Odessa.

Also at the event were two ladies from Dallas who were attendants at the wedding of the couple 50 years ago. Friends prepared a wedding anniversary cake for the couple that was four feet tall, with an open Bible on top, and a golden "money tree" with over \$1,000 on it.

Rebekah Lodge Plans "42" Party

Tahoka Rebekah Lodge No. 209 is sponsoring a "42" party at the Oddfellow Hall Saturday night, Feb. 14, at 7:30.

Sandwiches, pie, coffee, and cokes will be served and proceeds from the eats will go toward the payment of the lodge's piano. There will be no charge for playing the games.

A play room and television will be provided for the children in order that the adults can enjoy the evening.

Everyone is invited to attend the Saturday night event, according to Mrs. Charlene Farr, member of the lodge.

Alaska Is Subject Of Baptist W.M.U.

The W.M.U. of the First Baptist Church met Monday at 4:00 p. m. at the church for Royal Service with 15 women present.

Program was led by Mrs. Everton Nevill telling of the fortieth state, Alaska. Interviews were given the missionaries. Mrs. K. R. Durham acted as first interviewer. Others on the program included Mrs. W. H. Haralson (Mrs. Miller), Mrs. H. R. Tankersley (Mrs. Johnson), second interviewer, Mrs. Paul Pittman, Mrs. Carl Williams (Mrs. Marson), Mrs. J. C. Wojniak, (Mrs. Jeffcoat).

The missionaries told of the work and living conditions of the people and told of the experiences of the people learning of Christ and becoming Christians. The interesting program was enjoyed by all.

Mrs. Dub Kenley led the prayer for the missionaries having birth days Monday and also for the sick and bereaved of the community.

The W. M. U. will meet next Monday at the church at 10:00 a. m. to have book study, "Ways to Witnessing." A covered dish luncheon will be served and all ladies are urged to come and hear the teaching of the book.

Mrs. Clyde Allen dismissed the group in prayer.

Lenten Services At St. John's Church

(By Mrs. Frank Smith)

The St. John's Lutheran Church of Wilson in conjunction with other Lutheran churches of the area began a series of Lenten services Ash Wednesday, Feb. 11.

Pastor F. A. Witt of the Immanuel Lutheran Church at Posey, William Slaughter of the Shepherd King Lutheran at Lubbock, Leroy Deans of Grace Lutheran Church at Slaton, and James Burnett Jr. of St. John's Lutheran Church of Wilson, will start a "round-robin" exchange of pulpits during the Lenten season, and will hold services every Wednesday night until March 25.

Rev. Burnett will occupy his own pulpit on Feb. 11, March 4, 18, and 25.

A dinner was served to over 50 GA's and RA's and the leaders were happy with the good attendance.

A severe dust storm was blowing and the lights were going on and off during the dinner and the boys and girls had a wonderful time.

The GA's and RA's of the First Baptist Church will have their regular meeting on Monday afternoon at 4:00 p. m.

LADIES REQUESTED TO PICK UP DISHES

Ladies of the community who helped serve meals at the First Baptist Church are requested to pick up their dishes as soon as possible. The dishes can be picked up in the church kitchen. There are a number of articles in the kitchen not belonging to the church and storage space is limited for other items.

The Walther League of the St. Paul Lutheran Church held a business meeting Sunday night. Geneva and Nancy Wuensche had both the opening and closing devotionals and also discussed the topic on Lent.

Mr. and Mrs. Hubert Teinert, counselors for the League, served cookies and cupcakes in the Valentine motif and hot chocolate.

Present were Misses Mary Ann Handracks, Margie and Charlene Talkmitt, Shirley and Sandra Behrend, Kathleen Heinemeier, and Geneva and Nancy Wuensche. Messrs. James and Allen Wuensche, Ralph Droege, Bobby and Jerry Wied, Jimmy Gickhorn, Mike Moerbe, Buddy Koatz, Ronnie and Roy Nolte, Donald Herzog, a visitor, Ronnie Becker of Slaton, and the counselors, Mr. and Mrs. Teinert.

RA'S AND GA'S HAVE MISSION STUDY

The GA's and the RA's of the First Baptist Church had a mission study last Monday evening. The mission study was about Home and Foreign Missionaries.

The W. M. U. of the Church sponsored the mission study.

A dinner was served to over 50 GA's and RA's and the leaders were happy with the good attendance.

A severe dust storm was blowing and the lights were going on and off during the dinner and the boys and girls had a wonderful time.

The GA's and RA's of the First Baptist Church will have their regular meeting on Monday afternoon at 4:00 p. m.

LADIES REQUESTED TO PICK UP DISHES

Ladies of the community who helped serve meals at the First Baptist Church are requested to pick up their dishes as soon as possible. The dishes can be picked up in the church kitchen. There are a number of articles in the kitchen not belonging to the church and storage space is limited for other items.

Everyday Religion

By J. B. Thompson

How much do you owe? I don't mean to the bank or the finance companies. My financial deals have always been modest but painful. My greatest admirers have never, in their wildest enthusiasm, even hinted that they regard me as a financial wizard. With me buckle and tongue have always had to employ smoke signals for purposes of communication. The only claim I make to financial acumen is the fact that I have always had to do a lot with a little. This is not a bit of economic advice but is about something that is a lot closer to my advice giving abilities.

I mean how much do you feel in debt to others who have labored and into whose labors you have entered. Longfellow writes in The Village Blacksmith, "He looks the whole world in the face, for he owes not any man." Nonsense! He was deeply in debt to many who through the centuries had laid the foundations for a civilization in which he could own and run his blacksmith shop. The natural world that grew the "spreading chestnut tree" under which his smithy stood had him under its debt for its great gift of beauty and shade.

We need the exhilaration that comes from a sense of obligation to all those forces and people from whose hands we have received the gracious, unearned gift that have blessed our lives. This feeling of debt will give us a wholesome humility and save us from the corroding evils of pride and conceit. Let us join St. Paul in saying, "I am debtor."

It is one thing to pay our bills but it is something else to pay our debts; to discharge our obligations for all that we have received from life. Every one of us owes more than we can ever pay.

Safety is no accident.

GEORGE McCracken IS VISITATION CHAIRMAN

George McCracken is urging all of the members of the First Baptist Church to return the census cards by Sunday, Feb. 15.

Mr. McCracken is asking the various members to check the block they live on and see if there are prospects for the church.

The Brotherhood of the church is planning an extensive visitation next week and names of prospects will be needed.

Mr. McCracken requests the members to place names on a sheet of paper and bring it to church Sunday or place it in the offering plate.

The revival will begin on February 22 and continue through March 1st with Jimmy O'Quinn as the evangelist.

Mr. McCracken is urging all teachers to visit every absentee. Plans are being made to have a record attendance on March 1st.

Flag Is Presented School In Assembly Program Thursday

"Americanism" was the subject of a Tahoka school assembly program in the auditorium Thursday morning at 11:40 o'clock as a part of a program to emphasize more strongly the American Way of Life in Tahoka High School.

During the program, a new flag was presented the school by Bray Chevrolet.

Brief talks were made by Weldon Calloway on "Patriotism," Lonnie Wheeler, "Democracy," and Jolene Mayberry, "Americanism."

In the future, each assembly program will be opened with the Pledge of Allegiance to the Flag.

Thursday's program was sponsored by the National Honor Society unit in the local school.

School Bonds . . .

(Cont'd. from Front Page)

33 years old, only one experiment table has running water and none have electricity available. Repairs and additional improvements are badly needed, Mr. Spears says.

Tahoka has only one gymnasium, and the number of students that can use it is limited. In fact, high school and junior high school basketball teams keep it occupied just about all day—and there is not sufficient time for them. The new gym would give practically all students opportunity to use a gymnasium and for physical education classes. This is one of the few schools in the area without modern gymnasium facilities.

Some of the school buses are now as much as 11 years old, and at least two or three must be replaced.

North Elementary and Dunbar School both need furniture badly.

No increase in valuations would be necessary to issue the needed \$75,000, Spears says, but the rate would probably have to be increased five cents on the \$100 valuation. This would mean an additional tax payment of about \$1.75 on the average quarter section of land.

The Board was very reluctant to call this additional bond election, but they see no alternative if Tahoka is to continue to meet State requirements and receive State aid.

Members of the board are: Maurice Huffaker, president; L. A. Forsythe, vice president; J. M. Uzdie, secretary; O. E. Terry, Reble L. Thomas; Herman Renfro, and W. W. Young.

CAR BURNS HERE

A 1950 model Buick car burned on the highway just south of Tahoka Saturday night at about 9:00 o'clock. A passing motorist notified the Tahoka Fire Department, which made a run to the scene, but the automobile was already badly burned. The next morning a Lubbock man reported the car missing. No one was present who claimed the burning car, and officers are making an investigation.

TAHOKA, TEXAS "Heart of the South Plains" FRIDAY, FEBRUARY 13, 1959

Wuensches Use Perennial Grasses To Improve Soil On Wilson Farm

The following story by W. S. Goodlett, Jr., Soil Conservation Service area conservationist of Big Spring, appears in the January issue of Southwestern Crop & Stock magazine:

The need for soil improvement and additional cash crops has been a problem to Melvin and Martin Wuensche on their farm near Wilson, in the Lynn Soil Conservation District. After discussing the possibilities of perennial grasses with Allyn Cox, Soil Conservation Service Technician, the Wuensches started in 1957 by planting 8 acres of El Reno sideoats grama, 50 acres of sorghum alum, 4 acres of blackwell switchgrass and 95 acres of blue panicum grass.

The plan calls for leaving the grass on the land for three years to get maximum soil improvement benefit in hopes that it will greatly decrease the damage from verticillium wilt in cotton. Melvin Wuensche said, "There is no doubt in my mind that cotton following grass will out produce cotton following other crops. I plowed up four rows of blackwell switchgrass and planted cotton this year and it is the best cotton on the farm."

The seed yield from the grasses in 1957 was sideoats grama 400 pounds per acre, blue panicum grass 200 pounds per acre, blackwell switchgrass 200 pounds per acre and sorghum alumm 800 pounds per acre.

In the spring of 1958 the Wuensche brothers planted 2 acres of big cenchrus, 8 acres Eldorado green sprangletop, 6 acres of El Reno sideoats grama, 10 acres Coronado sideoats grama, 6 acres of plains bristlegass and 8 acres of Marfa green sprangletop in addition to keeping those grown in 1957. They now have a total of 197 acres in perennial grasses. Seed yields this year are much better than in 1957 because of ex-

perience in management and harvesting gained the previous year. The grasses on the Wuensche farms receive the same careful cultivation and weed control, as is used on cotton, which accounts for the high production of good quality seed. Some roguing is done on the grasses to get a more uniform species by taking out those plants that do not conform the kind of grass being grown. Supplemental irrigation is given the native grasses to insure a high quality and quantity of seed per acre. Plains bristlegass planted in the spring of 1958 will produce three seed crops this year. Two crops of seed will be gathered from the two-year-old sideoats grama planting while only one seed crop will be gathered from the one-year-old planting. Two seed crops are harvested each year from the blue panicum and sorghum alumm while all the other grasses produce only one seed crop per year. The blue panicum and sorghum alumm are grown dry-land.

Other crops besides grass and cotton grown on the Wuensche farm are sesame and grain sorghum. Some cattle are now being kept to use the surplus hay and to graze on the grasses at various times during the year. As the grassland farming program is further developed, the cattle will be increased to utilize the feed that is produced on the farm.

Wylie D. Phillips Dies At O'Donnell

Wylie D. Phillips, 80, retired O'Donnell cafe operator, died Thursday of last week in a Lamesa hospital. The aged man received injuries Tuesday at his home when he slipped and fell on the ice, which injuries resulted in his death.

Funeral services were held Friday at 2:00 p. m. in the O'Donnell Church of the Nazarene with the pastor, Rev. Paul Orndorff, officiating. Burial was in O'Donnell Cemetery.

Survivors include his wife; two stepsons, Bill Hodge of O'Donnell and Ira Hodge of Hobbs, N. M.; two sisters, Mrs. Fannie Marks of Salen, Ore., and Mrs. Beulah Spencer of San Francisco; and three brothers, Lester Phillips of Oregon, J. Phillips of San Francisco, and Willie Phillips of Ladonia.

Lubbock School Man Talks Here

"The best defense against Communism is private enterprise as the American way of life as taught in our public schools," stated Dr. Ishmael Hill, assistant superintendent of the Lubbock Public Schools in a talk before the Tahoka Rotary Club Thursday noon of last week.

He said all the criticisms now being leveled at our public school system in view of the Soviet scientific advances are not justified, and that citizens should investigate for themselves by visiting their local schools to determine just what the schools are doing in the educational process.

Dr. Hill pointed out the fact that our governmental trend is toward more Socialism, and that even more socialism is coming unless the public remains awake.

He cited efforts of the Federal government to grant more and more Federal aid to education, and stated that "where the money goes, control goes." He outlined the many fields in which the government is attempting to give aid, and hinted that these aides will not do the job better but will be more expensive and cost individuals more and more freedom. "Human nature is that we want to be free. Let's keep the spark of freedom alive!" he declared. "More control means more Socialism."

His talk also gave strong hints he thought some of the claims our public school system is not doing a good job are highly exaggerated, and, in fact, that the reverse is true—that the American School system is doing a much better-over-all job than is the Russian.

The program was arranged by Alton Cain, program chairman for the day, who attended both high school and college with Dr. Hill. Student guests for the month are Don Young and Jerry Hays, who were introduced, respectively by Clint Walker and Frank Hill.

Morning—Chevy panel hustles over causeway to St. Petersburg.

Chevy panel steps lively in Florida...runs day and night, delivers 19.3 miles per gallon!

"This '59 Chevy panel is on the go, morning, noon and night; it covers as much as 567 miles a day . . . runs so constantly that its engine never cools off completely. Yet Mr. Clark Farber, the Tampa Tribune's circulation manager, reports that the truck is delivering 19.3 miles per gallon!"

This year, the light, medium- and heavy-duty trucks of the 1959 Chevrolet Task-Force fleet are out to whip anything that comes their way—and they've got what it takes to do it!

Take the panel pictured above, for example. Powered by the '59 Thriftmaster 6 with new economy-contoured camshaft, it's building a sensational economy record, despite the sizzling pace of its work. That's typical of the way Chevrolets of all sizes are turning-to on the most challenging jobs in America. The way they're made, with tough-built truck components, they make the hardest hauls look easy! If you have a job that puts a truck on its mettle, see your Chevrolet dealer!

HUMPS ARE GREAT! BUT...

NOT FOR CARS

'59 MERCURY CUTS THE HUMP IN THE FLOOR WAY DOWN. FIRST CAR WITH REAL COMFORT—EVEN FOR CENTER-SEAT PASSENGERS

For 1959, Mercury's got what the other new cars forgot. For example, Mercury is the only new car that remembers "the man in the middle."

Other new cars still have that big tunnel-hump in the center of the floor. The so-called "6-passenger" models are only comfortable for 4 passengers. Center-seat passengers ride with their legs doubled up. But Mercury has cut the hump in half—shrunk it into a footrest. Seat cushioning is deep and soft. There's solid, stretch-out comfort wherever you sit.

Stop in. See all the ways Mercury turns problems into pleasures: windshield wipers that clear even the center, doors that are easy to get through (wider than in the costliest cars). And so much more—all at a price that 2 out of 3 new-car buyers can afford.

Lynn County Soil Conservation District News

E. R. BLAKNEY ELLIS BARNES

ELMER BLANKENSHIP

Moisture at present is 0.24 inches deep and the next three months average for Lynn County Soil Conservation District is approximately .65 inch per month with a little more due in the month of April. The average consumptive use for this same period is from 2 to 3.5 inches, with the average effective rainfall less than .5 inches per month with all or most of this effective rainfall in April. From now until planting time is when irrigation wells will be of most benefit in assuring a crop for 1959.

Crops here on the plains are all deep rooted and take most of their moisture from a depth of 6 inches to 4 feet and will remove moisture from a depth of 6 feet if moisture is that deep. Irrigation farmers should not only think about how many acres they will irrigate in 1959 but how much water will be required to bring this number of acres to field capacity to a depth of 5 to 6 feet if the soil is that deep.

There are several things that

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

In a recent poll of the nation's independent business by the National Federation of Independent Business, 88% voted in favor of placing cooperatives on the same tax basis as independent enterprise.

It is a measure long sought by independent businessmen, not only to plug a tax inequality, but also to make competition in the market place a fairer procedure.

Many years ago, special acts were passed to enable farmers C. W. Harder to form cooperatives for the orderly marketing of their crops. And it is without doubt that in many cases these cooperative marketing plans immensely aided agriculture.

But the law was written on such a broad basis that now there are many cooperative enterprises that have about as much relation to the farmer as the Kremlin has to the Vatican.

Thus, in the field of manufacturing, wholesaling and retailing, and even in certain areas of finance, there are profit making cooperatives competing with independent enterprise without carrying the tax burdens imposed on private enterprise.

And in this day and age when any small corporation which pays at least 52% of all profits over \$25,000 in a year in federal income taxes, it is quite obvious the competitive edge that is gained by a competing enterprise that can set itself up as a cooperative.

© National Federation of Independent Business

It appears obvious that a great deal of the current inflation has been unwittingly promoted by taxing policies which have put the squeeze upon small business so that normal expansion has been hampered. Thus, for example, a committee headed by Sen. Estes Kefauver, is probing the present prices of bread.

Yet in some markets the bread business is controlled by a baking organization set up as a cooperative, a huge grocery chain with its own bakeries, and the local branch of a huge national baking operation.

While price competition existed between these three disparate operations until the local independent bakeries were driven out, today there is a strange unanimity of pricing even though all three should have different pricing structures.

Thus, if as some experts predict, the cost of living, principally in foods, are due to increase about another two percent in 1959, it is obvious that elimination of independent competition is an impetus to inflation, not a deterrent, and the public loses, instead of gains, propaganda to the effect that mass merchandising is more economical to the consumer.

It also appears obvious that taxing policies which make it impossible for small firms to stay-in-business and thus offer the public a broader range of products and brands at different prices, is the road to ruin.

It becomes quite evident when small business is taxed out of existence, there is bound to be inflation. The only other alternative is the Russian system. This is not a pretty picture.

Senator Preston Smith

Several issues carried over from the 55th Legislature are already on the agenda this session.

Among such bills fiscal decisions are:

A bill to increase the truck load limit to 72,000 pounds.

A measure that would not require a state permit to improve water in lakes not exceeding 200 acre feet.

Amendments to the rural electrification law.

Pay raises for members of the Legislature.

Measures to regulate the small loans business in Texas, more popularly referred to as the "loan Muphical" bills, dealing with shark bill, civil service and other city problems.

Elevation of some junior colleges to senior status.

There are many other issues. But the measures and the issues they involve, as listed above, consumed many hours of debate in both houses two years ago.

Truckers and railroad men are busy counting noses in the House and Senate on the controversial 72,000 pound truck load measure, which passed the House two years ago but lacked a very thin margin of having enough votes to be brought up in the Senate out of order in the closing days of the session.

Trucking interests were said to have been active supporters of several freshmen members of the Legislature. This measure to raise the truck load limit from the present 58,000 pound was one of the hottest potatoes of the last session.

Lobbying activities will be moving into higher gear soon, since the appointments of major committees from the 56th Legislature are complete.

Lobbyists present their positions for or against certain bills to the many committees in charge of studying proposed legislation.

Children's Home Thanks Donors

Miss Margaret McKinnon, student in North Elementary School, received a letter recently from James S. McNabb, Jr., administrator of the Texas Baptist Children's Home, Round Rock. The letter expresses thanks to the young people who collected toys for the orphans home.

Contents of the letter reads as follows:

"We are grateful for the Christmas gifts which were received December 22 for the Texas Baptist Children's Home.

"Please express our sincere appreciation to those whose interest in our Home makes it possible for

us to provide the many needs for our boys and girls.

"We are sorry for the delay in acknowledging this gift due to the many duties incumbent upon us during this Yuletide Season.

"Again, thanks for what you mean to us and visit our Home when you have the opportunity.
