C. of C. Banquet March 20 Will Honor Farm Leaders

Delbert Downing of Midland, one of the most popular after-dinner speakers in the Southwest, will be the speaker for the annual Farmer-Businessman banquet of the Tahoka Chamber of Commerce in the school cafeteria here Friday night, March 20.

Only 280 tickets will be available for the meeting, since this is the capacity of the cafeteria. They will go on sale next week at \$1.50 each.

Farmers and their wives and adult and youth farm leaders will be honored at the meeting, including the outstanding conservation farmer of the year, the Soil Conservation essay winners, and the top Stock Show winners.

Chamber of Commerce members and their wives will attend the meeting, and new president of the body will be announced, according to Dean Taylor, this year's head of the organization.

At a meeting of the C. of C. board Tuesday morning, votes were canvassed in the recent poll for directors. In very close voting, A. C. Verner, Mitchell Williams, and Martin White were elected new members of the board; and old members re-elected were A. M. Bray, Dean Taylor, Wynne Collier, Johnny Reasonover, and Frank Hill.

Holdover directors are: W. T. Kidwell, Garland Pennington, Herman Renfro, Jack Jaquess, Fred Shipley, Roy Edwards, Clint Walker, and Curtis Stevens.

In charge of the banquet program are Hill, Pennington, and Ager, program; Bray, Jaquess, and Williams, arrangements; and Edwards, White, and Shipley, food.

D. V. Smith, 67, Is Buried Here

Funeral services for D. V. (Verner) Smith, 67, of Mineral Wells, but formerly of Tahoka, were held at 2:30 p. m. Wednesday in Stanley Funeral Chapel here, with Rev. George A. Dale of Lubbock and Rev. W. A. Brooks, pastor of the First Baptist Church of Tahoka, officiating. Burial followed in Tahoka Cemetery.

In poor health for several years, D. V. recently became the victim of a malignant disease, from which he died Monday at 12:30 p. m. at his home at 1916 East Hubbard Street in Mineral Wells.

Born November 4, 1891, in Red River county, he came to Tahoka in the 1920's with his brother-in-law and sister, Mr. and Mrs. Taylor White, Mr. White being the vocational agriculture teacher in the local schools. He was married June 4, 1932, at Lovington, N. M., to Miss Mattie Will Seroyer, then a teacher here. The couple moved to Mineral Wells about seven years ago. He was an active member of the Baptist Church.

D. V. was a ginner until he lost an arm in a gin accident, following which he operated a chick hatchery here for several years.

In addition to his wife, he is survived by one brother, B. G. Smith of Bellflower, Calif., and several nephews and nieces. He was preceded in death by an infant son.

Verner Is Named To State Board

A. C. Verner, executive vice president of the First National Bank of Tahoka, has been named to the board of directors of the Texas Law Enforcement Foundation, an organization being formed to lend encouragement and support to the various law enforcement agencies of the state.

The Foundation is privately financed by laymen and the president is J. E. Connally, an Abilene oil man.

Mrs. Ruth Dunlap of Arlington attended the funeral of Claude Conway in Seminole last week and is now visiting her sister, Mrs. Roy Poer of Tahoka.

Salvation Army Drive Over Top

With a few reports yet to come in, the annual Salvation Army fund drive is already over its goal of \$1,500.00, according to Mitchell Williams, drive chairman.

Up until Wednesday, a total of \$1,658.57 had been turned in, he said. Two communities and two or three local workers have not yet turned in their funds, and Williams expressed the opinion the total may reach \$1,800.00.

Dean Taylor is this year's chairman of the local county Salvation Army board, Mrs. George McCracken is secretary, and board members are A. C. Verner, W. T. Kidwell, Mrs. A. M. Bray, and Johnny Reasonover.

Drawing Plans On Housing Units

Plans for Tahoka's 14-unit housing project to be financed by the Public Housing Administration are going forward, and completion of all plans is expected before July 1, according to J. M. Uzzle, executive director of the Local Housing Authority.

Sites have been selected and approved by Government inspectors, but these sites have not yet been purchased. However, Hedrick & Stanley of Fort Worth, are drawing up plans and specifications, estimated costs, etc., and these should be ready soon, Mr. Uzzle says.

Approved for immediate construction is a 14-unit program, including six units for white citizens, and four each for Mexicans and Negroes.

Some time later, a date for making application for rental of these units will be announced. If there are more applications of people who can qualify for such houses then there will be units available. Uzzle says it is possible that the number of units constructed will be increased.

All units will be built of masonry and constructed to last at least 40 years.

The project will be operated entirely by local people. A. M. Bray is chairman, A. C. Verner, vice chairman, and Harold Green and Dean Taylor members of the Local Housing Authority. A fifth member is to be named.

Brit Robinson Is Winner In Shoot

Brit Robinson, 10, son of Mr. and Mrs. Jack Alley Robinson, who has been gaining quite a reputation as a result of his trap shooting ability, participated in his first registered trap shoot Sunday at Lubbock Gun Club—and he was winner to the only event he entered, hooting against experienced adults.

In a 100-shoot match, shooting against all entries, he broke 46 of the last 50 targets to win over the field.

Brit began shooting a shotgun several years ago under the tutelage of his father and grandfather, Hall Robinson. Last year he began entering turkey shoots, winning some matches against some of the better shooters of the South Plains. Last fall, he went on a pheasant hunt and was responsible bringing home most of the meat.

BUNGER FOUND GUILTY

Roy Allen Bunger was found guilty of driving while intoxicated, second offense, by a jury in District Court here Wednesday.

His punishment was set at a fine of \$2,000 and costs.

Mr. and Mrs. James Murray and two children, Queda, 7, and Quinten, 2, of route 3 Post, left this week for Harrison, Ark., where they will make their home. Murray, who was a farmer will raise livestock in Harrison.

77 Rural Traffic Accidents In '58

The Highway Patrol investigated 77 rural traffic accidents that occurred in Lynn county during 1958, Sergeant E. L. Stroud, Patrol Supervisor of this area, announced today. Property damage accidents accounted for 44 of the total Personal injury for 28 and 5 were fatal accidents. These accidents caused a total property damage of \$42,679.50 with 30 persons injured and eight lives lost.

"In 1958, Texas recorded 1,869 fatal motor vehicle traffic accidents which resulted in 2,311 deaths," said Sergeant Stroud. "639 of these deaths were in cities over 2,500 population while the remaining 1,672 were rural traffic deaths."

The Sergeant further pointed out that these figures were not complete and an accurate account will not be known until about March 15. He estimated that when the final reports are received, the 1958 death figure should be approximately eight percent less than 1957.

Sergeant Stroud advised the Highway Patrol had investigated three accidents in Lynn County during January 1959 with the following breakdown: Property damage three, personal injury none, and fatal accidents, none. This is a decrease of five accidents for the same period of 1958.

The Sergeant pointed out that speed continues to be the number one killer in traffic accidents throughout the state and called on all motorists to voluntarily observe the speed limits in an effort to prevent further carnage on our streets and highways.

Three Filed For Tahoka Trustees

Friends this week filed the names of Earl Terry, Sam Edwards, and Wilton Payne for as many places on the board of trustees of Tahoka school district.

Trustees whose terms expire are Terry, J. M. Uzzle, and Herman Renfro. Uzzle and Renfro did not choose to run again.

Holdovers are Maurice Huffaker, president of the board, L. A. Forsythe, Reble Thomas, and W. W. Young.

The final date for filing under the law is March 5, or 30 days before the election date of Saturday, April 4.

Mr. and Mrs. Robert Drennon and three children of Abilene were in Tahoka recently and visited Mr. and Mrs. Lawrence Harvick. They also attended the opening of the new Church of Christ of which Drennon's father, R. P. Drennon, was once a minister.

REV. G. W. (BILL) BURTON

Sweet Street Is Opening Revival

The revival of the Sweet Street Baptist Church will get underway Sunday, March 1, and will continue through the following Sunday, March 8. Services will be held twice daily with morning services at 10:00 a. m. and evening services at 7:30 p. m.

Evangelist for the revival will be Rev. W. G. (Bill) Burton, pastor of the First Baptist Church, O'Donnell. Rev. Burton is a great speaker and messenger of the Gospel.

Members of the church are urged to attend the revival services and to bring visitors with them. The Sunday School hour begins at 9:45 a. m. and the Training Union at 6:30 p. m. The nursery will be opened during the evening services.

A hearty welcome is extended to everyone to attend the services for both wonderful preaching and singing.

Joe A. Webb is pastor of the church.

Pioneer Couple Illness Victims

Both Mr. and Mrs. J. D. Donaldson, pioneer citizens of Lynn County, have been the victims of illness lately.

Mrs. Donaldson, 84, who recently fell at the home and broke her left arm, went home from the hospital Sunday and is now recovering nicely.

On Monday, Mr. Donaldson, 86, suffered a light heart attack, one of several light ones he has had. Friends will be glad to know he was doing fine on Wednesday, however.

Mike Anchondo, 13, was released from the hospital Wednesday where he had undergone an appendectomy.

Safety is no accident.

Career Conference For Lynn Students Thursday

What do I want to do upon my graduation from high school? What do I want to do upon my graduation from college and what subjects should I take to qualify me for a certain vocation?

Many students from the O'Donnell, New Home, Wilson, and Tahoka schools will find the answer to the question of what their futures hold as Tahoka High School holds its second Career Conference Thursday, March 5, in the high school auditorium.

The purpose of the conference is to instigate the students to begin to think and prepare now for their future careers, to help them choose those to which they are best suited, and to help them discover whether or not they are interested in vocations they now have in mind.

The conference will begin with a general assembly in the auditorium from 9:00 to 10:00 a. m. The Pledge of Allegiance will be led by Billy Tomlinson, vice president of the Student Council. David Bray, president of the N. H. S. will give the welcome, and introduction of the speaker will be given by Otis Spears, superintendent of schools.

Wartick Carr, lawyer from Lubbock, will then deliver the main address of the conference. Introductions of the guest speakers will be presented by the N. H. S. members.

Immediately following the general assembly, the students will adjourn to sectional meetings. The first class session will be held from 10:00 to 11:05 a. m. so that they may attend their first choice selection, and the second session will be held from 11:05 a. m. to 12:05 p. m. for their second choice.

Separate conferences will be conducted by Dr. J. J. Willingham, agriculture; Perry Walker, Civil Service; Hemphill-Wells, commercial art; Town & Country Interiors, Lubbock, interior decoration; radio and television, Frank Lee of KCOB-TV in Lubbock; Robert L. Newell, assistant dean of engineering and physics; Police and F. B. I.; Edwin Merriman, Lubbock, office work; Dr. Sam Dunn, West Texas Hospital, Lubbock, medical services; Mrs. Vada Whiting, Methodist Hospital, Lubbock, nursing; A. M. Bray, motor transportation; Stewardess Miss Patricia Frack, Braniff Art Lines, air transportation; pilot, Reese Air Force Base; Jessie Lee, beautician; Mrs. Pat Jacobs, Journalism; Ollie Tomlinson, Lubbock, teaching; and Bill Pearce, religious education.

The National Honor Society and its sponsors, Mrs. F. B. (Pete) Hegi and Floyd Tubb, have secured the counsellors for the different conferences and feel that they have selected some very noted people who can assist young people with their problems of the future.

Anyone interested in the Career Conference is invited to attend.

Names Filed In City Election

Three present members of the Tahoka City Council were filed for re-election this week in the annual City Election coming up on Tuesday, April 7.

According to City Secretary J. M. Uzzle, the name of H. B. McCord Sr. has been filed for re-election as Mayor. Also, the names of Meldon Leslie and Dr. C. Skiles Thomas have been filed for re-election as City Aldermen.

All three men were reluctant to run again, but friends insisted they file again they offer their service for two more years in order to carry out some of the present programs underway, including the housing project and the additions to the water supply.

According to law, candidates for these offices must be filed before March 9.

Holdover aldermen are Winston C. Wharton, Everton Nevill, and Albert Curry.

Tahoka Band Boosters will have a meeting Thursday, March 5, at 7:30 p. m. in the Band Hall, according to Mrs. Emma Halamicke, president. All mothers of band students are asked to please be present for this meeting.

The speed that thrills is the speed that kills!

REV. W. A. BROOKS

Host Pastor For Baptist Revival

Pastor W. A. Brooks of the First Baptist Church is the host pastor for the revival now in progress. Evangelist Jimmy O'Quinn is preaching each evening at 7:30. Great crowds have attended every service. Pastor Brooks would like to invite the citizens of Tahoka and surrounding communities to attend the closing services conducted by Evangelist O'Quinn.

All members of the Sunday School are urged to be present Sunday for a great service. Goals of 600 have been set for Sunday School and 200 for Training Union. Evangelist Jimmy O'Quinn will speak at both morning and evening services Sunday.

Wells Is Opening Revival Sunday

The Wells Baptist Church will begin its revival Sunday and continue through the following Sunday, March 8, according to D. W. Copeland, pastor of the church.

Rev. Calvin Beach, pastor of the Pleasant Hill Baptist Church near Seagraves will deliver the message for the services, and Rowland Nitcher of the local First Baptist Church will lead the song services.

Services will be held daily at 7:30 p. m. each evening. The church extends an invitation to all to attend.

Child Seriously Ill From Sleeping Pills

Gabriel Cruz, four years of age, is a patient in Tahoka Hospital after having been brought there Tuesday as a result of taking sleeping pills, the quantity of which is not known. The pills had been prescribed by a doctor for an older member of the family and were in reach of the small boy.

At the time Gabriel was brought to the hospital, he was in a coma but his condition was said to have been improved Wednesday.

New Home-Wilson Show Saturday

The New Home-Wilson Junior Stock Show will be held at New Home this Saturday, and the entry list is expected to be larger than ever.

Cash prizes are being offered youthful exhibitors, to which Wilson State Bank adds a \$5.00 bonus to each exhibitor.

The show is staged by Benny Fryor, vocational agriculture teacher at New Home; Bobby Lee, vocational agriculture teacher at Wilson; County Agent Bill Griffin, and a committee of men from the two communities. Clarence Church of Wilson is general superintendent.

Members of the show committee are: C. E. Roper, New Home, chairman; B. L. Hatchell, Wilson, secretary-treasurer; Elmer Blankenship, H. G. Cook, Church, and Robert Lamb, all of Wilson; Dick Turner, Jim Bob Smith, and E. R. Blakney, all of New Home, and the vocational teachers and county agent.

Swine superintendents are Geo. Sealy, Larry Edwards, and Jimmy Blankenship; Lambs, Elmer Blankenship and Freddie Keith; Beef calves, E. R. Blakney and Larry Mears.

Judging will begin at 9:00 a. m. and will be done by Paul Gross, assistant county agent of Gaines county.

600 Sunday Is Goal of Church

Evangelist Jimmy O'Quinn is urging every member of the First Baptist Church to do their best and be faithful for the closing services of the revival effort.

The Sunday School has set goals of 600 and the Training Union has set a goal of 200. Mr. Rowland Nitcher who is directing the music for the revival effort is urging every member to be present for this Sunday service.

George McCracken would like to express his appreciation to every member for their fine work in their visitation. Many members have been added to the Sunday School and Church.

Robert Edwards, Superintendent of the Sunday School, urges every members of the Sunday School to be present Sunday.

Pastor W. A. Brooks states that the revival has been well attended and invites every member to be faithful for the remaining services. Evangelist O'Quinn will speak tonight at 7:30 and also on Saturday night at the same time.

J. A. Williamson is still a patient in the hospital and his condition is reported as "about the same."

Pictured above is the five-man Board of Directors of the High Plains Underground Water Conservation District. The members are, standing left to right, T. L. Sparkman, Jr., Hereford; J. R. Belt, Jr., Lockney; John Gammon, Leabuddie; and seated left to right, Roy McQuarters, Sr., Littlefield; and Elmer Blankenship, Wilson. Mr. Blankenship was elected to serve as President of the Board for 1959. Mr. McQuarters was elected Vice President, and Mr. Belt will serve as Secretary-Treasurer.

ALTON CAIN

Hardware—Furniture—Appliances

Senator Preston Smith

The widely discussed "lobby law" passed by the 55th Legislature has already shown its effect in Austin this session.

The law, it should be explained, was not to outlaw lobbying but to put the lobby in the open where the public and government could see it better.

It is still early in the session, but the lobby law has caused a change of pace in the operations of the so-called "third house," the title long given the lobby force that watches legislators at work from the balcony.

Major companies and trade associations have apparently gone out of their way to register all personnel who might have any occasion at all to discuss pending legislation with members of the House or Senate.

In some cases this extends to area officials who never leave their home ground, but who might have occasion to talk with the lawmakers when they return to their districts on weekends.

Lobbyists themselves have admitted to newsmen here that entertainment is on a scale equal to the past. But from general observation, small breakfasts and two or three men luncheons are as popular as ever.

Other changes affecting the Legislature, though not specifically or directly through the lobby law, include an innovation in the House which automatically closes the doors of the chamber at 8:30 a. m., to all who do not have the privilege of the floor. This allows the members a couple of hours of work time with their secretaries before the House session convenes.

Teachers Meeting Set For March 6

Tahoka schools will be dismissed Friday, March 6, along with the other schools in District IV of Texas State Teachers Association, as that is the day on which Lubbock will host West Texas teachers or their 24th annual meeting.

This meeting will mark the end of the present organizational structure of the district. Following this meeting, the area which now comprises District IV will be divided by a line drawn along the south borders of Yoakum, Terry, Lynn, Garza and Kent counties to form District XIII to the north and leave those counties to the south in District IV. This will be the first major change in the organization of the district since its creation in 1935.

I. T. Graves, superintendent of schools at Floydada, is president of District IV and will preside at the general meetings as well as at the meeting of the House of Delegates.

More than 6,000 teachers are expected to attend this 24th annual meeting.

EXPECTING VISITORS

Mr. and Mrs. A. L. Shepherd will have as guests this week end Mr. and Mrs. O. T. McCarver of Houston, Mr. and Mrs. B. F. Shepherd of Olney and Mr. and Mrs. Blain Ramsey of West Point. The Messrs. Shepherd, Mrs. McCarver and Mrs. Ramsey are brothers and sisters.

SPORTS

Junior Teams Close Season

Tahoka junior basketball teams completed their season when they played host to Slaton Tuesday night.

The Seventh Grade junior girls was the only victorious team from the local school, defeating Slaton girls 16 to 13. Louella Tomlinson led Tahoka scoring with 10 markers. Other scorers were Linda Thomas, Arnetta Wood, and Jeanette Wood, two each.

The Seventh Grade boys did some good playing but were defeated by Slaton 24-14. Ronnie Shepherd scored seven points for Tahoka, Henry Chapa four, Gary Grogan one, and Billy Miller two.

Tahoka Eighth Grade Girls played ball all the way but were defeated one point, the final score being 24-23 in Slaton's favor. Top scorer was Carolyn Howard with 17 points, Jerre Wyatt four, and Brooksie Reece two.

The Eighth Grade boys had a hard time, being defeated 41-17. Craig Leslie had six points, Jerry Forsythe four, Andy Bray and Johnny Rogers two each, and Billy Clinton, Wayne Vandergriff, and Billy Wallace one each.

Last week the local junior teams played hosts to Frenship.

The Seventh Grade girls lost 16-12 with Nancy Inman making seven points, Louella Tomlinson three, Linda Thomas and Arnetta Wood one each.

Ronnie Shepherd, who had seven points, led the Seventh Grade boys to a 20-8 victory. Gary Grogan and Henry Chapa each had four points, Allen Cox and Billy Miller two each, and Terry Phillips one.

Eighth Grade girls defeated Frenship by a score of 31-16. Carolyn Howard had 12 points, Brooksie Reece 11, and Jerri Wyatt and Patricia Hammonds four each.

In the Eighth Grade boys game, which had a final score of 31-32 in Tahoka's favor, Craig Leslie had 10 points. He was followed by Johnny Rogers with five, Jerry Forsythe six, Andy Bray and Billy Clinton three each, and Wayne Vandergriff and Tony Spruiell two each.

Track Work-Outs Are Started Here

Coach Bill Haralson has started work-out for the 1959 Bulldogs track team, with practically all the athletes out of the team except boys on next year's basketball squad.

Coach Jake Jacobs, since the close of the varsity basketball schedule, has been holding spring training with prospective members of next year's basketball squad. He will lose from the squad by graduation Jerry Adams, Welton Calloway, David Bray, and John Hegi.

Haralson states that track prospects are only fair. Along with the regular track team candidates, most of next year's football squad members are also working out to keep in condition.

Other standings in the series were: Mrs. Wells, second; Mrs. W. C. Wharton, third; Mrs. L. C. Haney, fourth; Mrs. Meidon Leslie, fifth; Mrs. Eldon Carroll, sixth; and Miss Echo Milliken, seventh.

The winners in Tuesday night's master point play were: Mrs. W. C. Wharton and Clint Walker, first; Dean and Mrs. James F. Allen of Texas Tech, second; Mrs. K. L. Riggs and Mary R. McCrary, also of Lubbock, third; Mr. and Mrs. Harley Henderson and Mrs. Johnny Wells and Mrs. Eldon Carroll, tied for fourth.

APPRECIATION FOR REVIVAL DINNERS

Pastor W. A. Brooks and Rowland Nitcher of the First Baptist Church, would like to express their appreciation to each of the Sunday School Classes that prepared the delicious meals each evening for the revival workers and their families.

Appreciation to Mrs. A. L. Smith for planning the meals for the revival effort.

It costs like heck to have a wreck.

Today's MEDITATION
from
The World's Most Widely Used Devotional Guide

The Upper Room
THE UPPER ROOM, NASHVILLE, TENNESSEE

"A new commandment I give to you, that you love one another; even as I have loved you, that you also love one another." (John 13:34)

Jesus gives us the guidance we need in our relationship with other people when He tells us to love one another as He has loved us. This seems impossible for us as we think of His supreme sacrifice of Himself for us. However, we know imperfect people who have achieved very nearly perfect relationship with their neighbors. It takes discipline and unfaltering faith to believe that Jesus strengthens our efforts to live by His principles. Results demonstrate His yoke is easy.

A Pebble cast into a pool of water sends ripples over an earthen area. So our goodwill sends ever-enlarging circles of goodwill that change persons and their attitudes from self-seeking to concern for others.

George Lloyd, Bishop of the Cathedral, Chester, England, in the seventeenth century took as his motto, "Love will conquer force." He typified it so well in his relationship with people that King James described him as having the "Beauty of holiness."

PRAYER

Our Father, may we seek Thy will by studying Thy Word and applying its teachings this day. May we move in Thy strength, realizing that it is available to us in the measure we seek it. In the name of Christ, our Redeemer. Amen.

THOUGHT FOR THE DAY

When we love others as Christ loved us, we help create brotherly love necessary for a Christian society. —Genevieve L. Davis (South Carolina.)

World-Wide Bible Reading—Mark 5:1-20.

Wilson Faculty Guests At Party

(By Mrs. Frank Smith)
The faculty of the Wilson school enjoyed a party Tuesday night in the home economics department. Games of "42", dominoes, and Wahoo were played.

Mrs. Paula Morgan was surprised with a gift from the group. She is taking a leave of absence.

Those enjoying the fellowship besides the honoree and her husband were Messrs and Mrs. Johnny Clark, Bell Vardemon, Cliff Gardner, M. L. Green, E. L. Blankenship, Daniel Beaver, Clyde Smith, W. H. Deamore, and Bobby Lee. Also present were Misses Gladys Kistley, Juanita Kendrick, and Ann Davidson, Mrs. Audrey Johnson, Mrs. Clarence Nelson, Mrs. Pearl Davidson, Mrs. E. M. WeWhirter, and Frank Smith.

electric clothes drying's a breeze!

* We'll all agree, to dry clothes you need a breeze — and breezes come in two styles. There's the outdoor breeze that tears clothes, covers them with dust particles, and chills you to the bone. Then there's the indoor breeze which is gentle as a lamb on the clothes and on you. An electric clothes dryer is the way to get that soft and fluffy breeze, and it's the way to have the sweetest, whitest wash in town. Make clothes drying a breeze — electrically.

Search for it in your Ruddy Kilowatt Electric Appliance Dealer and see the appliance most wanted by most women. It's the electric clothes dryer.

Recently Mrs. Matlock has been hospitalized in Mercy Hospital in Slaton.

Mr. and Mrs. W. E. Kidd and Teddy, of Slaton, visited her aunt, Mr. and Mrs. S. D. Martin last

The First Baptist Church is having one of the greatest revivals it has had in many years, members of the church report. Evangelist Jimmy O'Quinn is preaching each evening at 7:30.

He will speak at the early morning service at 7:00 on Friday morning and also will speak at the 10 o'clock service this morning.

Services will begin tonight at 7:30, and there will be services on Saturday evening at 7:30. The church invites every member and visitor to be present for the closing services of the revival.

A goal of 600 has been set for

the Sunday School and the teachers and members of the classes are working to have every member present for Sunday School. Robert Edwards and George McCracken, who are the leaders of the Sunday School, are planning to have a record attendance in Sunday School.

Evangelist O'Quinn will speak at the morning worship service on Sunday morning at 11 o'clock. The evening service will begin at 7:00 p. m., when Jimmy O'Quinn will bring his last message of the revival.

The speed that thrills is the speed that kills!

Monday. Other visitors were Mr. and Mrs. R. L. Hagler, Mr. and Mrs. Robert Lee Hagler and Mrs. Ed Denton.

Mr. Tucker returned home last Wednesday from the Mercy Hospital, Slaton, where he has been a patient.

Mr. and Mrs. Fred Davidson and Louise spent Thursday and Friday visiting Mr. and Mrs. William Cato at Quanah.

Mrs. Green from Lubbock was a visitor in the home of Mrs. Thelma Burkett three days last week.

PONTIAC NAMED CAR OF THE YEAR

"Pontiac with wide-track wheels is the best combination of ride... handling... performance and styling of any '59 car" —The Editors of Motor Trend Magazine

In making its annual automotive award, the staff of Motor Trend Magazine, leading automotive publication, tests and evaluates all new cars. Here are quotations from the April 1959 issue:

"The stability of the 1959 Pontiac is the outstanding automotive advance of the year. Everyone considering a new car should experience it."

"It's the best balanced passenger car in America. We firmly believe that in moving the wheels farther apart, to develop the widest stance of any American car, Pontiac has created an entirely new sense of balance and handling security."

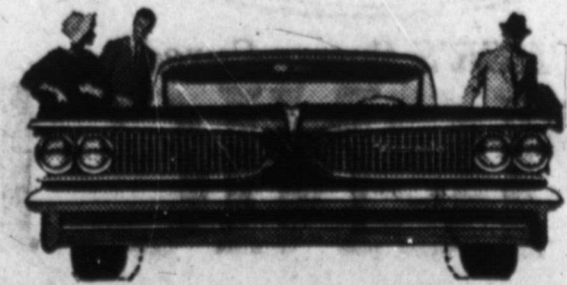

"Pontiac's lines are clean, simple and beautiful. It has a fleet look, a trim appearance. The wide wheel design contributes greatly to its

over-all integrated styling. Any comparison with narrower track cars readily shows the difference."

"For the economy-minded, an efficient new engine. The new 420E Tempest economy engine offers remarkable performance along with exceptionally high mileage while operating on regular grade gasoline."

"Pontiac is again tops in performance, based on our extensive road testing. Acceleration is outstanding, yet the engine is unusually quiet and smooth."

Your nearest Pontiac dealer will be glad to let you road-test this award-winning automobile on your own. You'll see why it's the year's most talked-about car!

THE ONLY CAR WITH WIDE-TRACK WHEELS

Wheels are five inches farther apart. This widens only the stance, not the car. Pontiac takes a better grip on the road, hugs tighter on curves and corners. Sway and lean disappear, ride is smoother, balanced, steadier. Handling is easier. You drive with a new confidence, a comforting security. Pontiac gives you roadability no "narrow gauge" car can offer.

FREE! If you would like a reprint of the complete, illustrated article with all the tests and evaluations on which Motor Trend judged Pontiac "Car of the Year"—see your Pontiac dealer or simply send your name and address on a postcard to Pontiac Motor Division, Department 10, Pontiac, Michigan.

Wilson Schools Heads Re-elected

Wilson School Board in a meeting Tuesday night gave new contracts to special teachers, called the annual trustee election for Saturday, April 4, and rescinded the rule prohibiting married students from attending the Wilson schools.

Superintendent Johnny Clark, serving his first year, was given a new contract at the December meeting, and in January re-elected were Bill Vardeman, high school principal; Clifton Gardner, elementary principal; and M. L. Green, Junior high principal.

Special teachers re-elected Tuesday night were Mrs. Velma McWhirter, homemaking teacher; Bobby Lee, vocational agriculture; Paul Frank Smith, band; and Grover Watkins, who will coach high school basketball and track. A football coach is to be elected.

Terms of three trustees, Clarence Church, Tom Mason, and Loyd Mears, expire in April. Holdover trustees are Charles Baker, Alfred Crowson, Pete Rhoades, and Edmund Maeker. March 25 is the final day for filing for trustees. Appointed to hold the election were: Earl Cummings, judge, and Erwin Sander and W. C. Maeker, clerks.

The school has had a policy prohibiting students who had married to continue in school, and this was amended to permit such school attendance.

The board also approved the adoption of the textbook committee.

Proctor And Bragg Open Barber Shop

Cody Bragg and John Proctor are opening a new barber shop Monday in Goodnough building, formerly occupied by Duchess Beauty Shop, next door north of Woods Jewelry, on the west side of the square.

Bragg has been here all of his adult life barbering and farming, and has until now been working at the Bill Newton shop. Proctor first came to Tahoka in 1948 and operated a barber shop until moving to Ropesville a little more than three years ago.

They are installing new chairs and some other new equipment for their opening Monday morning.

Mrs. A. M. Cade is a medical patient in Tahoka Hospital where her condition is said to be improved.

Williams School Assembly Speaker

Mitchell Williams, local attorney, spoke to the student body of Tahoka High School, Friday, Feb. 20, in an assembly presented by the National Honor Society. His talk was one in a series of speeches to help better the school.

Attorney Williams' talk was entitled "Open Mindedness," and in his address he urged the students and faculty to search for the truth. He stated that open-mindedness is not just accepting every fact for truth, but being able to sift the facts so the truth will come; the truth will eventually come. Williams also said that Abraham Lincoln was just a little taller than everyone else because he stood for truth.

The student body and N. H. S. are very grateful to Mr. Williams for his inspiring speech. He has always been a fine supporter of the schools.

CARD OF THANKS

City Officials At Regional Meeting

Eight Tahoka city officials attended the meeting in Lubbock Tuesday night of Region 3, Texas Municipal League, held in Top of the Plains Restaurant in the Great Plains Life building.

C. C. Crutchfield reported on pending legislation affecting municipal palities.

Attending from Tahoka were Mayor H. B. McCord Sr. and the City Council, Meldon Leslie, Dr. Skiles Thomas, Everton Nevill, W. C. Wharton, and Albert Curry. City Secretary J. M. Uzzle, and Water Superintendent G. H. Hines.

Dan Brookshire, Dub Fulford, and Howard Wheeler, three Lynn county boys helping revolutionize farming in Terry county, were here Wednesday checking up on their old friends. Howard is receiving a lot of publicity on his two and three-quarters bales per acre cotton crop produced last fall.

McCRARYS ARE VISITING WITH CHARLEY LICHEY

Mr. and Mrs. E. L. McCrary of Fort Worth, old citizens of Lynn county, came out Wednesday of last week to spend two weeks or more visiting their son-in-law and daughter, Mr. and Mrs. Charley Lichey, and old friends while Mrs. McCrary has a medical checkup.

Accompanying them are another daughter, Mrs. R. J. Caster, and husband of Dallas.

PUBLIC HEALTH NOTE

Children with chicken pox cannot return to school until the scabs have been cleared up. Mrs. Lillian McCord, school nurse, states that the scabs can be washed off if applied with vaseline or oil.

Many students who have scabs and return to school are being sent home the nurse states, and the parents can help matters by keeping children at home until the scabs are completely gone.

Lions Club Show Is March 20-21

Wilson Lions are planning a big fun show for Friday and Saturday nights, March 20 and 21, to raise funds for building tennis courts in the Wilson City Park. Funds left over will go toward lighting the

Pony League baseball park. Earl Cummings of the club states there will be a "womanless wedding" with Lions playing the parts and a variety show. There will be door prizes and candy on sale with merchants donating premiums. He says the club is planning a lot of fun for the people's money.

Mr. and Mrs. Roy Adams of House, N. M. were down Wednesday to pick up some fence posts he had out at his Wells farm. He says the recent big sandstorm blew down a lot of his fencing, his cows got out on his neighbors, and he has had a terrible time getting things back in shape.

Plan Talks On Grain Sorghums

College station—A conference covering grain sorghum research and utilization will be held in Amarillo at the Herring Hotel on March 3 and 4.

The conference, according to Dr. R. J. Hildreth, research coordinator for west Texas, Texas Agricultural Station, is designed to provide a meeting place for an "across-the-board" exchange of information on research and development which may lead to a wider use of the nations fifth ranked cultivated crop—grain sorghums.

Too, said Hildreth, it is further expected that the material presented will provide a basic brief of factual information which may be used in the furtherance of the domestic and foreign market development activities of the Grain Sorghum Producers Association.

Speakers for the day and a half conference will come from five states and the District of Columbia and all are recognized leaders in their respective fields. Among the subjects to be discussed are "The Roots of Agriculture; What Industry Sees in Grain Sorghum; Sorghum Utilization Research; Value of Grain Sorghums in Livestock and Poultry Rations; Economics of Feed Substitution; Economics of Cattle Feeding Systems; Grain Sorghums in the Great Plains Economy; Potentials for Feed Grain Utilization Abroad; The Farmer Looks at Grain Sorghum and Research—Fitting Grain Sorghum to Current and Future Needs."

Hildreth said the program was started and planned by representatives of several firms, organizations and institutions interested in grain sorghums as an economic resource. Cooperating with this group is the Texas Agricultural Experiment Station, Grain Sorghum Producers Association, West Texas Chamber of Commerce and Texas Technological College.

Related activities will include the annual meeting of the Grain Sorghum Producers Association; regular meetings of the Grain Sorghum Utilization Committee and National Grain Sorghum Research Committee and a special meeting of the Sorghum Section, International Crop Improvement Association.

Rebecca Morrow On McMurry Honor Roll

Abilene — Rebecca Morrow, daughter of Mr. and Mrs. B. A. Morrow of New Home, was listed on the fall semester honor roll recently released by the dean's office of McMurry College, Abilene.

Twenty-five students, posted a 3.00 grade average last semester, and ten per cent of the entire full-time enrollment of the Methodist College posted at least a 2.65 average.

SPEAKS AT LAMESA

Mrs. Thelma Oliver of Tahoka, Grand Senior of the State of Texas, spoke to members of Lamesa Temple of the Pythian Sisters, at the regular meeting there Thursday night of last week. She told of plans for an Easter party at the Pythian Home in Weatherford.

Mary Lou Lichey Honored At H-SU

Miss Mary Lou Lichey, a junior student in Hardin-Simmons University, Abilene, has recently been made a member of the "Bronco" staff and a member of the Press Club at the school. "The Bronco" is the school annual.

Miss Lichey is the daughter of Mr. and Mrs. Charley Lichey, who live eight or nine miles north of Tahoka. She is a graduate of Wilson High School.

She is majoring in English and

minoring in art. Among the other organizations at Hardin-Simmons in which she is active are Kappa Pi, of which she is the vice president, S. E. A., Life Service Band, and Chapel Choir.

Mrs. Dell Reagan of Floydada spent last week end here visiting her sisters, Mrs. Harley Henderson and Mrs. Frank Hill.

That's what users say of Golden Esso Extra gasoline... and truer words were never spoken! Golden Esso Extra will improve the performance of any car in any price class. It is a modern gasoline of highest octane rating and exceptional purity, formulated with special chemicals from Humble's great Baytown refinery. It gives superior anti-knock performance; it burns cleaner than any other gasoline; it eliminates "bucking" when you start and "rumble" as you run; and it adds the power and response that make driving safer and—yes, more fun! As one Humble customer puts it, "Golden Esso Extra wakes up your car!" The cost is only pennies more than the cost of gasoline in the middle-price range (about a nickel a day on the average), and you get a dividend of improved performance on every mile you travel. Any car in any price class. See for yourself—fill up with Golden Esso Extra under your neighbor's Humble sign. Every time!

ELMER BLANKENSHIP

Conservation means intelligent utilization of our resources today and their maintenance for the use of our children tomorrow.

March is a good month to consider basal treatment in the control of mesquite. This year the surface moisture in the soil is low and that alone makes the treatment more effective. Basal treatment is achieved by wetting the lower 12 to 18 inches of the mesquite trunk with a mixture of 2-4-5T and diesel fuel or kerosene. Diesel fuel or kerosene alone will kill mesquite, however, more of this, approximately one quart per tree is needed to achieve the kill. In using 2-4-5T, one pound of this acid equivalent is mixed with 10 gallons of kerosene or diesel fuel. This mixture is then applied to the tree trunk by wetting the bark for that area thoroughly. The five gallon pressure sprayer can generally be used to the greatest advantage in making the application.

For more details on this method of brush control contact the Soil Conservation Service assisting the Lynn County SCD.

The cow is the foster mother of the human race. From the days of the ancient Hindu to this time the thoughts of men have turned to this kindly and beneficent creature as one of the chief sustaining forces of human life.—W. D. Hoard.

A Great Plains Conservation Plan has been completed for J. H. Stalcup who farms 10 miles South-east of Tahoka. The plan includes underground concrete pipeline and terraces.

A conservation plan has been written for Paul M. Sherrell, who farms 4 miles west of O'Donnell. Sherrell plans to practice contour farming and conservation crop rotation.

A Great Plains Conservation Plan will be completed in the near future for Leland White, who farms four miles west of New Home. White plans to bench level 80 acres and install underground concrete-pipeline.

Everyday Religion
By J. B. Thompson

The western stories on television show the great progress made during the last seventy five years. One phase of this progress that impresses this writer is in the field of medical care. Many of us remember the country doctor of a generation ago with his horse and saddle or top buggy. When one got sick someone got on a horse and went after the doctor. It was miles to where the doctor lived and frequently when the messenger got there the doctor was in the other end of the county delivering a baby. And when the doctor got to a patient he did not have much to give, in comparison to our modern medicines.

Among his many other activities and achievements John Wesley dabbled in medicine a little. In order to help the poor of his day he established a dispensary in London in 1746. He had over three hundred cases the first three weeks and had to have the help of an apothecary and a surgeon. Out of this experience grew his Primitive Physic, a book containing many "simple" remedies. Nine editions were printed the first four years. Looking over some of his remedies I am very grateful that I was never a patient of his. Still some of his advice was good, and could be followed with profit today.

For general health "through the blessing of God" he advised rest, (I'm for that) open air, moderate diet and water to drink. He said water drinking will prevent asthma, apoplexies, convulsions, hysterical fits, palsies, etc.

For swimming in the head he prescribed, "On a May morning, about sunrise, sniff up daily the dew that is on the mallow leaves." I recommend that to my friends; my head never swims, but I fear it would if I got to fooling around with dew and leaves that early.

The temptation to give his remedy for baldness is strong, so I yield. Here it is; "To cure baldness, rub the part (bald head) morning and evening with onions, till it is red; rub if afterwards with honey." Now why should there be any bald-headed men when it is that simple?

For "raging madness" he prescribed that the patient sit with his head under a great waterfall, as long as his strength will bear. The trouble today is that there are not enough waterfalls to accommodate even the politicians.

But I was most interested in the

Self-Employed Should Report On Annual Earnings

People who work for themselves in a business, trade or profession are reminded by John G. Hutton, District Manager of the Lubbock social security office to report their earnings for social security purposes with their income tax returns. For most business people this return is due on or before April 15, 1959, and the social security tax rate for 1958 is 3-3-8 percent of the first \$4200 of net earnings.

Since Federal income tax returns are used not only for reporting the amount of income for income tax purposes but also for reporting self-employment income for social security credits, it is necessary that a complete and accurate Schedule C be filed with the income tax Form 1040. If net income from a trade or business was \$400 or more, social security taxes must be paid on these net earnings. This is compulsory even though no income tax is due. Self-employed persons sometimes overlook their responsibilities for paying social security taxes because they have enough exemptions so that they don't owe any income tax.

Hutton concluded with the reminder that maintaining complete and accurate records is good business from many standpoints, and these records are particularly valuable when income tax time rolls around. In preparing the business Schedule C, it is important that only operating expenses be listed. So, a complete and accurate income tax return filed on or before April 15 will serve a dual purpose—it will satisfy the Inter-

nal Revenue filing requirement and will guarantee proper earnings credits to your social security account. A representative of the Lubbock Social Security Office will be in Tahoka on March 3, 1959 at 9:00 a. m. at the courthouse and will be glad to assist in all matters pertaining to Social Security.

NARROW DOORS, CORNER POSTS STICK OUT. Other cars are actually issuing printed instructions on how to get in with dignity, without cracking elbows and knees. And note center hump now bigger than ever.

WIDEST DOORS, CORNER POSTS PULLED BACK. Doors are, in fact, six inches wider. Doorsills are wide enough for sure, easy step. Even ladies in tight skirts, or six-footers can step in easily. And see how center hump is cut in half.

LOOK! HERE'S ONE CAR YOU DON'T HAVE TO FALL, CRAWL OR BACK INTO

Mercury alone in its field gives you a body designed specifically for just *one* car. Other manufacturers give you—even on cars in Mercury's price class—the same basic body used on their lowest priced makes. That's why Mercury alone is so easy to get in and out of. Why Mercury alone can cut the center hump in half and provide decent cushioning and stretch-out room for six (not four) passengers. That's why Mercury is the one "better car" that gives you a full measure of better car comfort. Performance?—just come in and drive this beauty. You'll see.
