Farm Labor Meeting In Tahoka Tuesday

The critical farm labor situation will be discussed at a mass meeting of Lynn and Garza county farmers and businessmen Tuesday night at 7:30 o'clock in the district court room in Tahoka.

Brief talks will be made by Joe Suiter, Muleshoe farmer; John Kendrick, banker; Noah Lemley, farmer; and Joe Satterwhite, chamber of commerce manager, all of Brownfield. A. C. Verner of the First National Bank of Tahoka has been selected as moderator.

The meeting will be similar to one held in Lamesa Friday in which farmers already in the "price-squeeze" which is becoming untenable discussed means of protesting further encroachments on their rights.

Labor Department officials are seeking to bring farm workers under Age and Hour laws, do away with the Bracero program in favor of domestic labor, set "fair labor standards" impractical on farms and minimum wages at \$1.25 per hour, and is suspected of working with Union Labor bosses in attempting to bring oil mills and eventually gins and compresses, hauling, etc., under union control.

The move is admittedly underway to organize farm workers. The farm labor meeting has been called by popular demand, with arrangements for the session being made Tuesday at a breakfast meeting of Tahoka Chamber of Commerce directors, Farm Bureau officials, and two or three other interested.

The meeting was called by Herman Renfro, C. of C. president, and Woodrow Brewer, Farm Bureau president. At this planning meeting, the Farm Bureau and Tahoka C. of C. each pledged \$100.00 to a fund to be deposited locally to carry on a fight in the farmers' labor legislation battles.

Some further details on the nature of this meeting may be gained from the story in the second section of The News this week dealing with the Lamesa meeting.

Legion Reaches 100 Member Goal

At the present date the American Legion membership drive is almost complete with 101 paid members and promises of several more.

Jess Gurley, adjutant, stated that it's a little risky to announce which team in the drive is leading, but the winners will be announced at the regular meeting Monday night, April 13. Regular business meeting will be followed by sandwiches and cold drinks. Ray Andrews, commander of District 19, will be the honor guest at this meeting. All paid-up members present will receive their 1959 membership cards.

District 19 Convention is scheduled to be held this week end, April 11-12, in Big Spring, beginning with registration at the Settels Hotel at 1:30 p. m. The local post is to be represented by five registered delegates. These delegates will be permitted to vote on any and all business and legislation that comes up, but all members are welcome to attend the meeting.

The local Post will be presented a Citation at the convention, along with 11 others, for having exceeded its 1959 membership quota by the time of the event.

The state and national departments are looking forward to a successful convention so each one is urged to work "Legion" and talk "Legion" for a better district and a better post at Tahoka.

DALE CARNEGIE WINNERS

Last week's winners in the Dale Carnegie course were Carl Grifing, best speech; Bill Taylor, most improved; and Raymond Gatzki, special achievement.

Thursday night, marked the end of the first half of the second course which lasts 14 weeks.

Car Inspection Deadline Near

Motorists are reminded that April 15 is the deadline for having motor vehicles inspected for safe driving requirements. Following that date, Texas Highway Patrol authorities, officers are instructed to start picking up motorists whose cards do not bear the safety inspection sticker.

Since many Lynn county car owners have not yet had their safety inspection, authorized inspection stations are due to have a last minute jam.

College Game Planned Here

West Texas State Buffaloes of Canyon will meet Eastern New Mexico University Greyhounds of Portales in Tahoka's new gymnasium on December 14 this next winter, Coach Jake Jacobs announced.

Each of the college teams has a former Tahoka player expected to be on the traveling squad. Mill (Junior) Fitts, former all-time Tahoka great basketballer who made all-state, is the high scorer this year for the Buffaloes. Jay Gurley, another fine Tahoka basketballer, is a freshman at Eastern New Mexico this year and is expected to be on the team next fall.

Coach Jacobs last week completed arrangements for the game with Athletic Directors Frank Kimbrough of West Texas State and Al Garten of Eastern New Mexico University.

This will be the first time two college basketball teams have ever met in Tahoka, and it will be an opportunity for many fans to see two fine college ball teams in action.

Work of laying the foundation of Tahoka's new \$150,000 gymnasium and field house is about complete, and the contractors have expressed a desire to rush the construction. Completion has been promised in October. The modern gym will seat about 1,000 spectators.

Tahoka Boy Wins In Lubbock Gun Shoot

Brit Robinson, Tahoka's young sharpshooter, has again won honors with his remarkable ability by taking the runner-up spot Sunday at the Lubbock Gun Club over men and boys. He also won the top trophy in the junior division.

"Dead-Eye" Brit tied with three men for runner-up honors and the four were required to take 25 shots at targets to break the tie. Brit hit and broke all 25 targets to take second place trophy. In regular shooting of the registered gun shoot, Brit hit 93 out of 100 shots.

Mr. and Mrs. Jack Alley Robinson are the parents of the boy, who is earning much recognition in such events.

32 Boys Are Signed Up In Cub Scouts

Thirty two boys have signed up for the Cub Scouts, according to Wilton Payne, Cubmaster.

A pack meeting will be held tonight, Friday, at 7:30 o'clock in the WOW Hall, and all former Cubs as well as the new ones are urged to be present. All the boys attending the meeting must be accompanied by their parents who are required to sign the entrance applications.

Cubs will be assigned to Dens for a term of one year at the meeting.

Harold Green was a medical patient in Tahoka Hospital this week having been dismissed Wednesday morning.

New Wildcat At Wilson Flowing

The W. B. Yarborough, L. W. Windham, Ormand Brothers Drilling Co., Midland, No. 1-A C. S. Davis, northeast Lynn county wildcat has been completed as a flowing Ghorjeta discovery.

The well flowed 148 barrels of 35 gravity oil through a 1/4-inch choke with six per cent basic sediment and water on a 24 hour basis. Gas to oil ration was 106-1. Production was through perforations from 4,476-80 feet and 4,503-507 feet. Both intervals were treated with 250 gallons of acid.

The discovery was 330 feet south and 1,650 feet from east lines of Section 12, Block L, GWT&P Survey, seven miles southeast of Wilson. It is two miles southwest of the Suniland field.

Last week the Texas Co. plugged and abandoned their No. 1 H. A. Macha, northwest Lynn county wildcat, at 10,375 feet.

The failure, located nine miles northwest of Tahoka, was drilled 680 feet from north and 1,980 feet from east lines of section 9, Block 11, EL&RR survey, on a 380 acre lease, 10 miles east of the Tahoka field and 3.75 miles east-northeast of a 7,238 foot dry hole.

Following a drillstem test in the Ellenburger which recovered primarily water, the venture was then deepened to 10,375, electric logs run, and perforations to abandon began.

The two-hour drillstem tested the Ordovician formation from 10,040-090 feet. Recovery was 1,630 feet for drilling mud and 7,070 feet of salty sulphur water.

Lions At Wilson Honor Sanders

Carl Sanders of O'Donnell, recently selected as the outstanding conservation farmer for 1958 in the Lynn County Soil Conservation District, was honored Thursday night of last week at Wilson Lions Club.

He was presented a plaque from the Lions Club by A. N. Crowson, Boss Lion, and Elmer Blankenship, member of the SCD board of supervisors and also a Lion.

Theo Campbell, winner of the award for 1957, was also honored when presented an aerial picture of his farm by Frank Gray, chairman of the Lubbock County board of supervisors on behalf of the Texas Association of Soil Conservation Districts and Great Southwest Life Insurance Co. The picture was one of 25 such awards in Texas.

Guests present for the presentations included E. R. Blakney of New Home, Ellis Barnes of O'Donnell, Allyn Cox of Tahoka, all of the local SCS district; W. Y. Reece, work unit conservatist of the Lubbock district, and A. B. Slagle of Southwestern Crop & Stock Magazine.

Glen Jones of Anton, candidate for Lions District Governor, was a visitor. He was accompanied by Alvin Crews, also of Anton, formerly of Wilson and Tahoka.

Safety is no accident.

SHOWN ON THE RIGHT IS CAPT. LYNN O. MURRAY, son of Mr. and Mrs. Mart L. Murray of Wilson, being congratulated by Brig. Gen. Geo. T. Powers III for being commended for meritorious service as deputy assistant chief of staff for intelligence on Okinawa. See story on page 1, section 2.

H. B. McCORD, SR.

McCord Elected To Second Term

The turnout for the city election Tuesday, was very high as it was in many of the South Plains cities and towns.

In the election for the City of Tahoka 52 persons voted for three unopposed candidates. Mayor H. B. McCord Sr. received the maximum 52 votes, as did councilman Mel-don Leslie. Dr. Skiles Thomas polled 48 votes.

All three were incumbents. Other members of the City Council are Albert Curry and Everton Nevill, who are holdovers to serve another year.

As a result of heavy balloting in O'Donnell, N. B. Shaw received 70 votes, Shagg Garrett and incumbent Hugh Lott each received 75 votes to be elected to three seats on the O'Donnell City Council.

Defeated were L. J. Hash with 63 votes, and incumbents John Earles with 53 votes, and J. T. Middleton with 51 votes. Citizens of O'Donnell cast a total of 124 votes in Tuesday's election.

In Wilson's municipal election the incumbent mayor and three city aldermen, all unopposed were re-elected, although Clarence Church received seven write-in votes for mayor.

Mayor H. G. Cook was re-elected with 25 votes in light balloting as 32 votes were cast. Aldermen re-elected were J. F. Covey with 30 votes, Sam C. Gatzki with 31, and D. A. Brown with 24. Thad Smith received six write-in votes.

Revival Opens At New Home

New Home Baptist Church will hold an eight-days series of meetings Sunday through Sunday, April 19, with services being held both Sunday mornings but on Sunday and week-day nights at 7:30 o'clock.

The pastor, Rev. Hubert Austin, will do the preaching, and song services will be directed by Linda Bingham of Lubbock.

Rev. Austin and members of the church invite one and all to attend any or all services of the revival.

Rain Dents Drouth!

Rains over Lynn county Tuesday and Tuesday night ranged from an inch at Draw to 3/4 or more at West Point and brought smiles to the faces of the populace, for it was the first moisture of any consequence in nearly half a year.

Unless too many high winds come too soon and dry out the soil, many farmers think they have sufficient rain for planting. However, April brings prospects of more showers or rain.

Rainfall in Tahoka totaled 1.23 inches. A light shower fell Tuesday at noon, and was followed by a very heavy shower and hail the size of marbles just before dark.

Light rain began falling again at about 9:30 p. m. and continued through much of the night.

Heaviest rain was in the western portion of the county, West Point reporting one of the biggest rains it ever had—three to four inches—with water in lakes that had never been lakes before. An area near Dixie also reported as much as three inches, Newmoore had 1.7 to 3 inches, Wells two inches, Petty and Lakeview about the same, and New Home 1.5 to 2 inches.

Midway reported 1.75 to 2.50 inches, Grassland approximately 1.5; New Lynn 1.4. In fact, all the county received an inch or more. The rainfall brought the 1959

precipitation in Tahoka to only 1.50 inches, 14 having come in January, .13 in February, .0 in March, and 1.23 in April.

Also, there was no rain last December, only .78 in November, and there had been no good rain since October, 1958.

Also, there was no rain last December, only .78 in November, and there had been no good rain since October, 1958.

Tahoka recorded 30 inches in 1957 and 17.78 last year. Bottom season in the soil has held up remarkably well, farmers report, but the recent winds have been taking that moisture out rapidly.

Wilson Drafts Church In Trustee Write-In

There was only one major upset in the school trustee elections last Saturday in Lynn county.

Clarence Church, president of the Wilson board, was not a candidate for re-election as he wished to retire after many years of service. However, the voters wished otherwise, and there were sufficient write-in votes to return him to the board.

Also elected to the board were Cecil Wied, 70 votes and Lloyd Mears, 63. Church received 35 votes to nose out Newman Bartley, whose name was on the ballot but ran fourth with 32 votes. Other write-ins were Earl Cummings 5, Theo Campbell 4, Tom Mason 2, and Jiggs Swann 1.

New trustees at Tahoka are H. W. (Sam) Edwards, who received 105 out of 109 votes cast; Wilton (Jim) Payne, 96; and O. E. (Earl) Terry, only present member seeking re-election, 96. A fourth candidate, Gilbert Ford, received 16 votes. Holdovers here are Maurice Huffaker, L. A. Forsythe, Wm. W. Young, and Rebie Thomas.

Elected at New Home were two new board members, Carl Armes, who received 40 votes; and Cecil G. Kieth, who got 36. E. M. Rudd was re-elected by polling 52 votes. Others on the ballot were Delbert Mouser, who received 25, and Lit H. Moore Jr., 22. Board Chairman Aubrey Smith and members Joe D. Unfried were not candidates for re-election.

O'Donnell voters returned to its board D. B. McMillan with 126 votes and Bart Anderson with 81. A new trustee is W. A. Jordan, who received 87 votes. Jordan succeeds J. W. Gardenhire, who was not a candidate for re-election. Other candidates were C. R. Burleson Jr., 64; Glen B. Brewer, 52; and Mrs. Lou Dean Mansell, 50.

There was no contest in either of three places on the county board. James K. Applewhite, chairman, was re-elected trustee-at-large; H. B. Crosby, precinct I; and Homer Hardberger was elected the county trustee from precinct 3.

Rabbit Hunt Is Declared Success

There was a good turn-out for the rabbit drive at Tahoka Lake Saturday and approximately 1,500 rabbits "bit the dust," Watson Spears reports.

Not only were there a lot of Lynn county people in the drive, but there were hunters from Lubbock, Brownfield, Abernathy, Lamesa, Slaton and other towns.

Mrs. Gene Sparks, nee Dot Durham, and daughter Sharon of Commerce are here visiting her parents, Dr. and Mrs. K. R. Durham. Mr. Sparks is attending an Air Force school in Amarillo where Mrs. Sparks will join him and then they will go to Denver, Colo. for a vacation. Sharon will remain here with her grandparents.

Texas gasoline tax collections in 1957 totaled \$164,702,000.

Two Men Charged In Burglary At Wilson

Marvin Lee Brown of Lubbock and Gary Willingham of Brownfield have been charged with the burglary of D. A. Brown Grocery and Market in Wilson on Tuesday night, March 31, when \$225 in cash and numerous checks were taken, the later of which were burned.

Bond was set at \$1,500 for each man and Willingham has posted his bond. Sheriff Norvell Redwine stated. In addition to the Wilson burglary, Brown is also implicated in break-ins at the Brownfield Country Club and the American Legion Hall in Merkel, along with other men.

Brown was arrested for the burglary of his brother's store Wednesday night of last week at a residence in Lubbock by Lynn and Lubbock county officers. Willingham was placed under arrest Friday by the Terry county sheriff's office in Brownfield.

Redwine said that the two men gained entrance to the grocery store through a rear door and took the money and checks from a hiding place.

The case will go before the grand jury during its next session, the date of which is yet to be set.

Man Injured In Fall From Pole

Wayne Reeser, about 25, is in Methodist Hospital, Lubbock, as a result of injuries received Wednesday at about 3:00 p. m. when he fell 25 or 30 feet from a telephone pole just west of Tahoka.

He is being treated for fractures of both heel bones and was given emergency aid at Tahoka Hospital before being transferred to Lubbock. The accident occurred while Reeser was stringing wire. Although it is not definitely known just how the accident occurred, it was reported that the wire broke and could possibly have thrown Reeser off-balance. He landed on both feet.

An employee of Lewis Construction Co., a crew of workmen were in the process of retransposing lines of General Telephone Company between Tahoka and Brownfield.

Mrs. May Newton Falls, Breaks Hip

Mrs. May Newton, formerly of Tahoka who now lives on Peoria Street in Lubbock, had the misfortune of falling and breaking her left hip Tuesday night of last week while attending church services in that city.

She is a patient in Goodnight Hospital Clinic, and is reported doing fine following an operation performed Saturday to pin the broken parts together.

Cancer Drive Is Now Underway

The drive to raise funds for the American Cancer Society is hoped to be finished within the next few days, according to Mrs. C. Skiles Thomas, chairman of the county wide campaign.

This year's goal is approximately \$1,500 and a large portion of the funds are being raised by coffees throughout the various communities. Originating these events are Mrs. Truett Smith, Tahoka; Mrs. M. L. Murray, Wilson; Mrs. Sanders, Wayside; Mrs. J. M. Neiman of New Home where the Home Demonstration Club of that community will conduct the coffees in memory of Mrs. Grayam George.

In Tahoka, business houses are being contacted, Mrs. Thomas says, and those not reached by either means are urged to mail contributions to her or to H. W. Carter in Tahoka.

In an urgent appeal to citizens of Lynn county to give generously to the American Cancer Society Mrs. Thomas said that statistics show that there will be 6,000 new cases of cancer in Texas during 1959 and that an estimated 11,500 Texans will die from the disease during this year. However, research is coming closer to the cure for the dread disease each day and every person's help is desperately needed. People over the nation are even now being cured, as was evident by 800,000 Americans cured of cancer that recently attended the Cured Cancer Congress in Washington.

"The answer to the problems of the disease may be at the very fingertips of the men dedicated to finding out more about it. Let us join together to become a part of the total elimination of a disease that effects three out of every four families in this nation," Mrs. Thomas concluded.

H. W. Carter, president of the Lynn County Unit, ACS, said that Jim Bennett has been assigned as field representative of District II, succeeding Miss Barbara Liggett.

Mrs. Lillie Miller Dies At New Home

Funeral services for Mrs. Lillie Miller, 58, route 1, Wilson, were conducted Wednesday in the Mt. Zion Baptist Church in New Home.

Mrs. Miller died at her home at 7:15 a. m. Sunday, April 5.

She first moved to the New Home area in 1937, and she along with her husband and family established the church in which funeral services were conducted.

She was a niece of the Rev. J. R. Miller, a pioneer rancher and teacher, who also helped establish Mt. Zion Baptist Church in 1906.

Survivors include the husband, Joe; two sons, Thomas, New York City; and Steve, Lubbock.

Mrs. Jep Wharton, who had a major operation March 30th in the Simmons Memorial Hospital in Sweetwater, is reported to be doing good, and was released from the hospital Wednesday. She will be home Sunday.

Kay Moore Writes From Colorado

Mr. and Mrs. Kay K. Moore of Durango, Colorado, in renewing their subscription to The Lynn County News, sent along their best regards to all their old friends here. They say they are happy for everyone in Lynn county for the fine crops produced last year.

Kay says they have remodeled an old rock barn on their farm a mile and a half north of Durango into "The Red Barn," from which place they are operating their catering service. They serve buffet dinners and large parties in the winter, and in summer they serve chuck wagon dinners. Friends say he has built up the outstanding catering service of that entire section.

The Moores are probably a little home-sick, for Kay invites anybody from Lynn county up that way to come by and see them.

Tahoka Sixth In Crosbyton Meet

FFA Places In Sul Ross Event

Eight members of the Tahoka Future Farmers of America chapter were invited to compete in the Sul Ross Judging Contest held in Alpine Saturday, April 4.

Tahoka placed fifth out of 28 teams in the livestock judging contest. The team placed behind Spur, Big Lake, Ozona and Odessa and before Marfa, Alpine, Sterling City, Brownfield, and Midland.

The Tahoka team placed fourth in sheep judging and fifth in the entire contest.

Benny Marun, a senior and member of the team, was high individual in the beef cattle contest. Members of the livestock team are Martin, John Hegi, Teddy

Dockery and Billy Tomlinson. They were coached by Lester Adams, FFA sponsor.

O'Donnell failed to place in the high ten teams but had second high team in swine with Burl Cooley fourth high individual in the division.

Tahoka rated fourth out of six teams entered in the Grass Judging Contest. Team members are Billy Davis, Fred Hegi, Freddie Martin and Truitt McAda. V. P. Carter, FFA sponsor, and Owen Young, student teacher, coached the grass team.

The teams will also compete in the district and area contest.

Senior agricultural education students doing student teaching in the local agriculture department are Young from Baird and Albert W. Taylor from Seagraves. They assisted the local teachers during the South Plains Junior Fat Stock Show and are teaching a part of the regular vocational agriculture classes. Young and Taylor assisted Mr. Adams and Mr. Carter in training the following judging teams: livestock, dairy cattle, crops, grass and dairy products.

The student teachers will be in the local schools for two more weeks.

Congratulations:

Mr. and Mrs. Claude Slover of Fort Worth on the birth of a son, James Wesley, weighing eight pounds four and one-fourth ounces on Thursday, March 26. Mr. and Mrs. John Slover, and grandparents, who had gone to the Valley to visit a daughter, Mrs. J. E. McClellan, rushed back to Fort Worth to see their new grandchild, and Mrs. Slover remained a few days. John says this is the Claude Slover's third child, and the mother on each occasion has been in the hospital on Easter. John's getting a little superstitious about Easter.

Mr. and Mrs. Bill Spears on the birth of a son in Rumbo Clinic, O'Donnell, Thursday, April 2, at 7:30 a. m. He weighed eight pounds and has been named Rodney Charles. Grandparents are Mr. and Mrs. Ernest Rector and Mr. and Mrs. Carl Spears, all of Tahoka.

Mr. and Mrs. Vincent Ramirez on the birth of a son April 1 in Tahoka Hospital at 11:25 p. m. Weighing six pounds 13 ounces he has been named Richard Ramirez.

Mr. and Mrs. Eladio Calvillo on birth of a son at 7:16 a. m. in Tahoka Hospital Thursday, April 2. He has been named Travisco G. Galvillo.

Mr. and Mrs. Solomon Amela Gutierrez on the birth of a daughter in Tahoka Hospital April 6, at 3:30 p. m. Weighing five pounds 12 ounces she has been named Flora.

Mr. and Mrs. Charles Louder on birth of a son in Methodist Hospital Monday, April 6, at 12:07 p. m. He weighed nine pounds five ounces and has been named Sam Fenton. The Louders also have a daughter, Nancy, who was two years old Wednesday, April 8. Grandparents are Mr. and Mrs. Jack Fenton, Tahoka, and Mr. and Mrs. Jess Louder of Lubbock.

House-Warming Is Given Carl Spears

Mr. and Mrs. Carl Spears were honored with a house warming in their new seven-room farm home five and one half miles north of Tahoka on the Wilson highway Saturday night, April 4.

Fifty guests registered throughout the evening and many who were not present sent gifts.

Hostesses for the occasion were Mrs. R. E. Bagby and Mrs. N. O. Townsen.

Coffee, and drinks and cookies were served. The Spears family received many lovely gifts that will be useful and add attraction to their home.

Phebe K. Warner To Meet Tuesday

Members of the Phebe K. Warner Club will meet Tuesday, April 14-at 4:00 p. m. in the home of Mrs. Ethel Calahan, according to Mrs. J. F. Toler.

The program to be presented will be on gardening, and Mrs. Skiles Thomas will present a film strip on the subject.

All members are urged to be present for the Tuesday event.

Mrs. A. O. (Edna) Pollock of Hollister, Calif., is here for three weeks visiting her sister, Mrs. C. A. Marlin. Last week end the two visited in Fort Worth with a brother, Fred Moore. On leaving here, Mrs. Pollock will visit in Oklahoma City and Binger, Okla.

from The World's Most Widely Used Devotional Guide

The Upper Room
THE UPPER ROOM, NASHVILLE, TENNESSEE
As sorrowful, yet always rejoicing; as poor, yet making many rich; as having nothing, and yet possessing all things. (II Corinthians 6:10.)
The Christian who walks with God is the richest of all. He may be poor in the world's eyes, having neither silver nor gold, nor lands, nor houses. Yet he has treasures the world can neither give nor take away.
We read in the Bible the parable of two men, one with great wealth, the other a beggar. Who was rich? The man with great riches lost his soul. Lazarus had no money; but with the love of God in his heart, he found rest to his soul.
So with us. We may be poor, but if we have God in our poor house, grace at our scanty meal, and prayer by our hard bed, we are rich. As having nothing, we yet possess all things. Death does not deprive us of our possessions.
Between us and the next world is a door, and death unlocks it. We pass into a new world of such good things as surpass man's finite understanding.

Jerre Ann Wyatt Places Fifth In Area Spelling Bee

Jerre Ann Wyatt, 13-year-old daughter of Mr. and Mrs. F. A. Wyatt of Tahoka, and an eighth grade student in Tahoka High School placed fifth in The Lubbock Avalanche Journal Spelling Bee Saturday afternoon, April 4, in O. L. Slaton Junior High School auditorium.

This was Jerre's second year to participate in the Lubbock bee, having been the county champion the past two consecutive years. She was one of five county champions eligible to compete again this year, not having passed the eighth grade. She was withdrawn from the Saturday bee after having misspelled the word "confectioner."

A Lubbock youth, David Nelson, also an eighth grade student, won the bee and will participate in the National Bee in Washington, D. C. in June.

Jerre has one sister who is a student in Tahoka North Elementary, likes basketball and volleyball and was an outstanding player on her team this past season. Her father is a farmer, and her mother is a teacher in Tahoka North Elementary.

Alternate from Lynn county was Townes Walker, 12, seventh grade student in Tahoka North Elementary and son of Mr. and Mrs. Clint Walker.

Mrs. N. E. Wood, Tahoka High School teacher and sponsor of the school year book, served on the panel of judges. Each contestant was entitled to be represented by one judge.

"It's Easier and Cheaper To Put Down!"

SAYS R. E. (Ruben) McELROY

"Use of LIQUID FERTILIZER is the coming thing!" This statement was made by R. E. (Ruben) McElroy, well known young farmer whose operations are southeast of Tahoka. "It is so much easier to handle, easier to regulate both as to amount applied and to depth, and it is much cheaper.

"But, one of the main reasons I like this liquid fertilizer so well is that I should get maximum benefit this year. When dry fertilizers are put down all of it does not decompose the first year. Of course, it is there for possible benefit the second and third year. But, right now, I am worrying about this year's crop, and I want to get all the good from my fertilizer right now—this year."

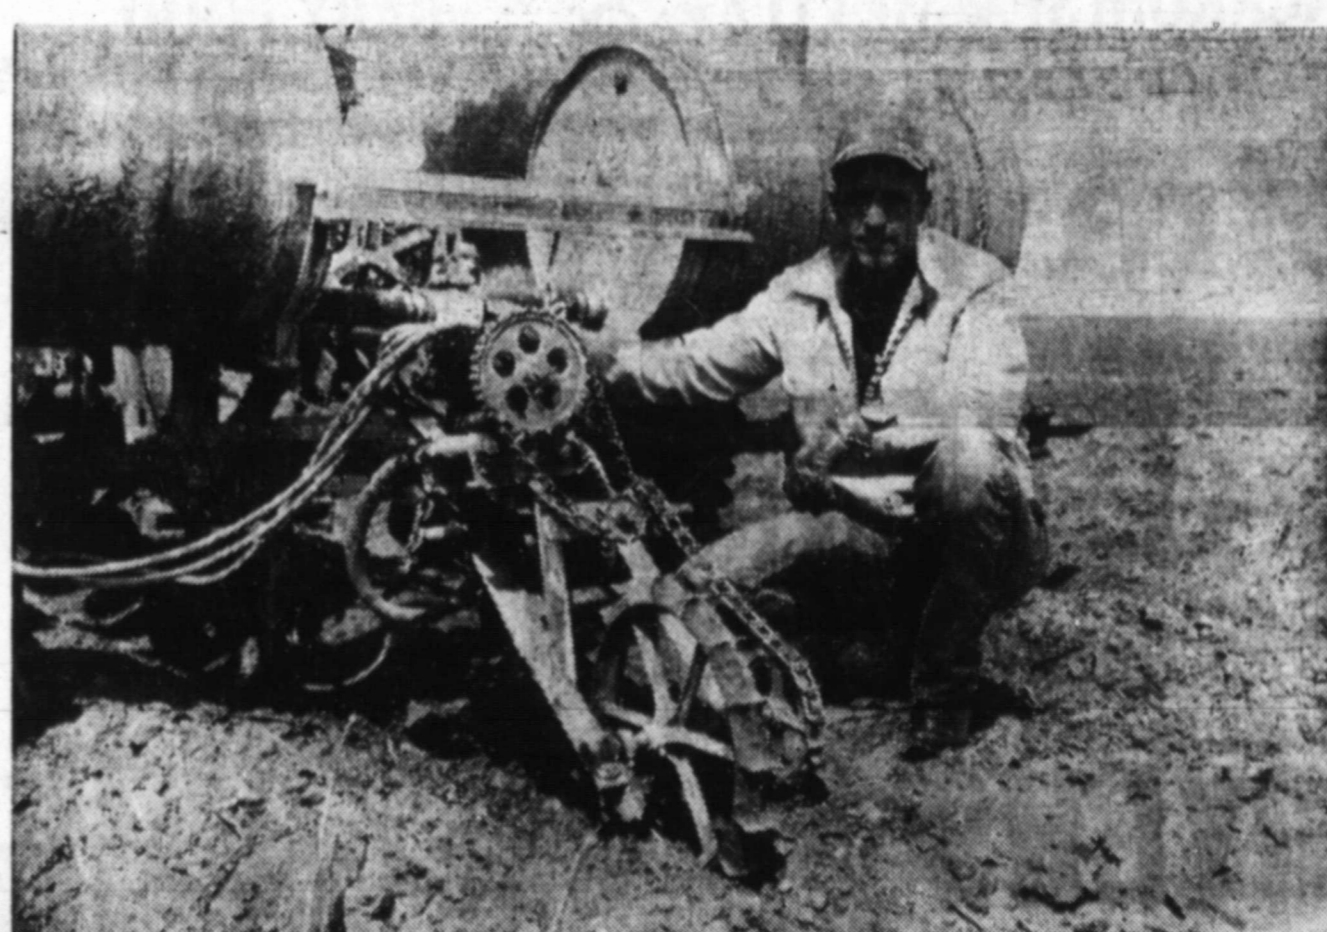

Liquid fertilizer may be mixed to any specification accurately, there is no loss, and it may be applied through open ditch, sprinkler system, chiseled into the land, applied to growing plants with cotton sprayer, or applied to stubble in fall before residue is turned under.

Application machinery is simple and cheap to arrange and use, easy to regulate, and barrels may be loaded direct from our tank trucks.

LIQUID FERTILIZERS

10-20-0	13-13-0	10-10-5

Plus many other liquids containing balanced nutrients... correctly mixed in our new fertilizer plant.

R. E. McElroy is shown above with the applicator attached to his tractor for putting down liquid fertilizer. The applicator driving device has a simple adjustment which may be made to put out the proper amount of fertilizer.

New Home Club Meeting Monday

Fifty-two members and guests of New Home Civic Club Monday night, heard Jack Bates of Lubbock Christian College speak on "Project Alert," the course now being presented at the college to inform area citizens on Communist infiltration, its principals, etc.

Cities over the nation such as Lubbock have been challenged by Admiral Schindler of the U. S. Navy on investigation such infiltration and to educate the people of the U. S. of its far-reaching work in this country.

Steve Anglin, an electrician of Lubbock, showed a colored film to the group of a summer camp for boys and girls in Colorado, where Anglin's sister is employed.

In other action of the New Home group a committee was set up to ready the Pony League field for summer play. Delbert Mouser is chairman, and other members include E. M. Rudd, Aubrey Smith, and Dick Turner. The men will be in charge of the installation of lights on the field, which the club has already voted to provide.

The program of the Citizenship course which Mr. Bates told of at the Monday night meeting is presented in six sessions, one course of which will be held on Friday nights from 8:00 to 10:00 p. m., beginning April 3, and one on Monday nights at the same time beginning April 13.

Held in room 104 in the west wing of the main Administration Building at 5601 West 19th Street in Lubbock, the course provides in its six sessions the following topics: (1) The Battle Ahead, (2) The Structure of the American Way of Life, (3) Modern Communism, (4) Socialism Unveiled, (5) Profit System, and (6) Responsibility of Citizenship. The topics do not necessarily have to be attended in the above order.

Anyone interested in attending the course may write to the above address for further information. The New Home Home Demonstration Club served dinner to the club at the Community Center.

Band Students Get High Grade

Several members of the Tahoka High School Band went to Plainview Saturday, April 4, for a solo and ensemble contest, and all placed very high in the event, according to Eddie Bowman, band director.

Mickey Owens played a solo, "Asia con Variazioni" by Handel, Class I, Division II rating. His presentation was said to have been very outstanding.

Clara Jean Allen presented a solo, "Sologny," Class II and received a Division I rating.

Vesta Sue Dudgeon received a Class III, Division II rating on her solo.

The clarinet quartet composed of Terry Spears, Diane Falls, Kay Parker, and Sethen Lewis had a Class III, Division I rating on "Danza."

A French horn quartet composed of Janey Ware, Montie McGinty, Ducey Riddle, and Lowell Bryan received a Class II Division I rating on "Lento."

Classification ratings were through V, and Mr. Bowman stated that all the students participating in the event did very well.

Another band contest will be conducted in Plainview May 1 which will include student conducting, concert and sight reading.

Lubbock Barber College is the cheapest way to a good profession since the full six month course costs only \$250.00. Upon completion of the state approved course, anyone over sixteen and one-half years of age is eligible to take the examination for a state license.

Since the student is in school only seven hours per day some work after school hours will pay the expenses.

Everyday Religion

By J. B. Thompson

A writer recently referred to our day as one of "chrome-plated chaos." But almost in the same breath he said he would choose to live in this chaotic period of the world's history because "the soul of humanity is being plowed up and made ready for the planting of the seed."

There have been more changes in the past fifty years than in the previous two thousand years. Such have been the changes in our manner of living that a person from the last century would find our world almost unrecognizable.

But what has come of all this progress? We have reacted to these blessings by having the bloodiest wars in history. In fact Professor Sorokin of Harvard says that our century is the bloodiest in history. The world has become a world of paradox. We are best and the worst civilization in history. We are the richest people and the poorest of all history.

We have the most and in some ways do the least. We are wise but we are not good. We are full of conflicts and contradictions. We should be kings but we are the most fearful and frustrated generation in history.

We have better ways of going places but no better places to go. We carry more problems along with us in our sleek, silver airplanes than our forefathers did in their creaking covered wagons.

But the writer was hopeful. He said that we can make a world of righteousness and peace out of our muddled world of today. This writer also believes in the good and has dedicated his life to its ongoing. If we are to find the way to this better world we must follow one who knows the way—one who long ago said, "I am the way."

Valton Macker was given a "one" rating on his trombone selection, and Freddie Koenig Jr., playing cornet, received a "two" rating in the competition.

A clarinet quartet composed of Travis Brown, Jane Schneider, Sharon Lumsden, and Ted Bartley received a "one" rating in the ensemble class and a "one" rating was given to a brass quartet made up of Koenig, Larry Petty, Jack Mason and Harry Hewlett Jr.

The members who participated in Saturday's competition will be included in a Wilson High School band group which will compete in the Region I concert and sight-reading contest to be held in Plainview in May.

Farm Labor Outlook Is Threat To Area

A number of Lynn county people were among the 325 persons at the Agriculture Employers Conference held in Lamesa Friday to oppose growing pressure from the Labor Department and Union Labor.

Five speakers brought out the critical situation facing farmers in 1950 and future years.

Among the points hammered home were: Labeled unfair an attempt by the Labor department to bring farm and ranch workers directly under the Wage and Hour law; claimed that proposed regulations to require farmers to use only domestic labor were untenable; stressed how the proposed regulations could affect the economy of this area; and urged every one to write their Congressmen and Secretary of Labor to protest legislation and rulings of quasi-legal status.

The meeting was called by Lamesa Chamber of Commerce and Lynn County Farm Bureau cooperated in getting representatives to the affair from here. Following the talks, \$4,500 was raised for a fund to fight farm labor legislation through the West Texas Agriculture Users Association, organized for this purpose.

If present plans are allowed by Congress to go through, there will be no more bracero program and domestic labor will be all that is left. If the Wage and Hour regulations are put into effect, the cost of gathering crops will be prohibitive.

Speakers warned we are rapidly traveling down the road of Socialism and the need of farmers, as well as all citizens, to concern themselves quickly. One speaker declared that for too long the farmer has not considered himself a businessman.

One speaker maintained it is not illegal or immoral to make a fair profit; that a man has a right to choose whether or not he joins a union; and that a man has had these rights in the past, but they are rapidly slipping away from us.

The principal bills now in Congress affecting farmers and oil mills, compresses, gins, trucking and hauling, etc., as well as labor on the farm are:

Senate Bill No. 1046 which amends the Fair Labor Standards Act of 1938, as amended to provide coverage for employees of large enterprises engaged in retail trade or service and of other employers engaged in activities affecting commerce, to increase the minimum wage to \$1.25 per hour, and for other purposes.

Senate Bill No. 1085 which amends the same Act to provide coverage for hired farm labor employed by large farm enterprises, and for other purposes.

Hous Resolution No. 4488 which amanded the same Act in a similar manner to cover such services and employees and increase the minimum wage to \$1.25 per hour.

Farmers and businessmen are requested, if they want to maintain even a semblance of the present situation, to write immediately their views to these key men in Congress:

Senators John Kennedy, Pat McNamara, James Roosevelt, Lyndon B. Johnson, and Ralph Yarborough.

Adult Training Class Graduates Give Program At Rotary Club Thursday

Mr. and Mrs. Charles McClellan and Wilton (Jim) Payne presented the program at Tahoka Rotary Club Thursday noon of last week.

Charles told of the objectives of the Dale Carnegie Courses for the training of adults, among the principal ones being learning to get along better with one's associates, memory training, personality improvements, and learning to be at ease in talking before groups. Instruction is given in the 14-week course without embarrassment or criticism to any of the students.

He revealed that 34 local people completed the first course concluded here a few weeks ago and that the present class has 44 members.

His wife, Peggy, added to his remarks, told how much the course had meant to her in learning how to get along with others better and how it had helped her in conduct of the drive-in business. She graphically illustrated her point by telling how she made true friends with some teen-age boys who everstepped the bound of propriety at her place of business.

The couple then conducted three memory illustrations with their audience participating. In one demonstration, Peggy had Carol Smith list 15 items numerically on a blackboard called out by as many people from the audience. Positioned where they could not see the blackboard, Charles and Dr. Emil Prohl collaborated in demonstrating they could match up the number with the descriptions of the articles and person who had called out the item, in mixed-up order and also numerically.

Wilton Payne, in a short talk, told of the remarkable growth of Lyntegar, rural electric cooperative which has its headquarters in Tahoka. Now 20 years old, he said Lyntegar is doubling its kilowatt hour usage about every two and a half years and its farm usage each five to 10 years.

Lyntegar now has 3,900 miles of distribution lines, which if in one line would extend to New York City and back, serving more than 9,000 connections in eight South Plains counties and reaching over into two others.

Payne also proved to be a very interesting and entertaining speaker.

Senate Office Building, Washington, D. C.

Representatives Sam Rayburn, John Young, Jim Wright, Jome M. Kilgore, Frank Ikard, J. T. Rutherford, Omar Burleson, Walter Rogers, O. C. Fisher, and George Mahon (all from Texas), House Office Building, Washington, D. C.

Among those seen at the meeting from Lynn county were: A. C. Vermer, Buford Jones, Otto Carter, Carl Griffing, Jack Fenton, W. T. Kidwell, Woodrow Brewer, Charles Reid, J. W. Gardenhire, N. E. Wood, A. L. White, J. Welton Martin, and Curtis Stevens.

CAPT. L. O. MURRAY RECEIVES ARMY RIBBON

Army Capt. Lynn O. Murray, (right) of Greenville, is congratulated after receiving a Commendation Ribbon from Brig. Gen. Geo. T. Powers III, deputy commanding General of the U. S. Army, Okinawa. Captain Murray was commended for meritorious service as deputy assistant chief of staff for intelligence, U. S. Army Ryukyu Islands, IX Corps on Okinawa. The 31-year-old captain, whose wife, Lois, lives at 3303 S. Walnut, entered the Army in April 1944 and arrived in the Far East in November 1945. He is a 1944 graduate of Slaton High School and a 1949 graduate of Texas Technological College. His parents, Mr. and Mrs. Mart L. Murray, live in Wilson.

Brotherhood Will See Travelogue

The Brotherhood of the Sweet Street Baptist Church will have a meeting Monday night, April 13, at 7:30 o'clock at the church.

Supper will be served before the program gets underway, according to Joe Webb, pastor.

Frank Lynch will present a travelogue of his travels in the United States. His program will be presented on a 16mm film and is planned to be a very interesting program.

All members of the Brotherhood are requested to be present for the meeting, and visitors are always welcome.

Sweet Street Has Progress Report

The Sweet Street Baptist Church had wonderful services Sunday with four new members added to the church. Sunday School attendance was reported to be 162 and 70 were present for the Training Union hour at 6:30 p. m.

The church's fund for the new pews and furniture for the auditorium to date stands at \$1,015.90, and the pew committee was hoping to turn in the order sometime this week. Joe Webb, pastor, and members of the church, wish to thank the friends of the church who have sent in contributions for the pews as this is a great need of the church and the generous donations have been deeply appreciated.

The church is looking forward to another great day for the Lord Sunday and invites everyone who does not have a regular place to worship to attend each service at Sweet Street.

Bro. Webb announces that the subject of his sermon Sunday morning will be "Sanctification As a Misunderstood Doctrine of the Bible."

REVIVAL AT O'DONNELL

Rev. Troy Dale, son of a former Tahoka pastor and now serving Northhill Baptist Church in Houston, will do the preaching in the revival at the First Baptist Church of O'Donnell opening Sunday and continuing through the following Sunday, according to the pastor, Rev. Bill Burton.

Rev. Dale, son of Rev. and Mrs. Geo. A. Dale of Lubbock, is also a former pastor of the O'Donnell Church.

Services will be at 10 a. m. and 7:00 p. m. daily. J. E. Boggs will direct the song services.

ELMER BLANKENSHIP

Root plowing to control mesquite will begin this week on the L. O. Sparks ranch 12 miles west of Tahoka. Brush will be plowed, raked and burned and a dead litter crop will be planted for the seeding of native grass next year.

Sparks will also begin reseeding approximately 700 acres of range land to native grasses.

Fifty percent of the cost of the root plowing and 80 percent of the range seeding will be paid by the Government as their cost share under the "Great Plains Conservation Program."

Live as if you were going to die tomorrow. Farm as if you were going to live forever.

According to Assistant Secretary of Agriculture, Ervin L. Peterson, conservation means, "Use—multiple use—use of the product without damage to the capital—use of the land without impairment of its capacity for sustained production—use of land within its capacities—treatment of the land to achieve maximum production—use of the land to provide for better living and better homes—enlarging opportunity for those who live on the land and for those who are dependent on them."

Concerte, irrigation pipeline has been installed for J. A. and Boyd Pelsworth, R. T. and Glenn Brewer, Robert and Howard Draper, and Carlton Wilke. Government cost share has been approved.

A man is known by the soil he keeps.

School Legislation Will Place Demand On Local Districts

School districts over the state are being put on notice that they will have to raise more tax money at the local level if the current Hale-Aiken educational improvement bills before the Texas Legislature receives approval for the House.

A Senate committee has already recommended approval of the bill, but the House version is yet to be heard.

J. W. Edgar, State Education Commissioner, says that Lynn county now contributing directly in taxes \$120,719.00 for support of its public schools. The improvement program will require an estimated additional \$34,938.00.

The new education bill includes an \$800 pay raise for teachers, plus monies to provide courses for gifted students, driver education and special services, improve administration and increased allotments for maintenance, operation and the transportation system.

The News has been asked to pass along this information to inform people that local schools will not increase state help without putting up more money directly.

CARD OF THANKS

May we express our sincere thanks to our friends for sharing our sorrow during the illness and death of our husband and father. We deeply appreciate the prayers, cards, flowers, food, and thoughtfulness more than words can express. May God's blessings be with each of you.—Mrs. Roy E. Poer and family.

Senator Preston Smith
Increased tuition for the state's colleges apparently will not be voted by this session of the Legislature.

The door was closed March 13 against introduction of any bills to raise the tuition as recommended by the Commission on Higher Education. From now on, the controversial tuition-hike will require a four-fifths premissive vote for introduction.

It is substantive legislation and cannot be put in the appropriation bill. That was recognized two years ago in the hard fight for HB 265, which then increased tuition 100 percent in state colleges and universities.

In spite of some confusion in the issue, the truth is that the state's colleges and universities are opposed to any increase in tuition.

It had been reported erroneously from conclusions drawn prematurely, that apparently some colleges were aware of the possibility of increased tuition and were in favor of such increase.

A bill has been introduced to authorize colleges and universities to charge additional "student activities" fees, primarily to cover costs of intramural athletics. The bill did not deal with the different question of higher tuition charges, and apparently could not be amended to include such charges.

A pending house bill would raise tuition of out-of-state students.

Based on the extensive opposition to the 1957 tuition hike, it is highly improbable that a bill could be introduced now. Even if the subject gets before the Legislature, the history of the 1957 floor fights indicates a tuition-hike bill would have at most a long chance of consideration or action at this session.
