Pioneers Met Here Saturday

Pioneers nearly a thousand strong, many of them from a distance, turned out Saturday for the annual Lynn County Pioneer Reunion.

Fully 700 were fed barbecue dinner on the picnic grounds at noon, Dwayne Jones reports, while others ate with friends or relatives or at cafes.

Most of all, the early settlers enjoyed visiting with old friends, and most of them sat through a very interesting program held under an arbor built in the old City Park.

Mrs. R. B. (Casey) Jones of Plains, the former "Sit" Clinton of Tahoka was the principal speaker. She brought back many fond memories as she reviewed the history of Lynn county and the people who settled this county. In her talk, she mentioned about 70 of the early day families and told some interesting stories about some of them.

Joe D. Unfred had been selected as the master of ceremonies by Grayam George, president this year and Unfred kept the program moving in fine manner. Mrs. Gladys Stokes, secretary, was in charge of registration. "Booger" Redwine and helper, served a fine meal at noon, and Albert Curry and City employees had a big hand in the "dirty work" of getting ready for the affair. A score or more of people helped out with the affair.

The program opened with the invocation by Rev. J. B. Thompson pastor of the Methodist Church. Don Renfro led the group in singing and then sang a number of old songs, climaxed with "The Old Rugged Cross." Mrs. Marcus Edwards and Barbra Thomas served as pianists.

"Aunt Becky" Roberts, 84, received the prize for the oldest lady present who had not previously received the award. A. I. Thomas, 89, was the oldest man present. Mrs. John (Geneva) McCurdy of Santa Maria, Calif., daughter of Mr. and (Cont'd. On Back Page)

Plan Workshop On Clothing

A pre-planning meeting for clothing workshops for all Tahoka 4-H girls will be held in the board room at the Lyntegar building in Tahoka Monday, June 29, at 2:00 p. m. as announced by Mrs. Laura Bowman, home demonstration agent.

Workshop will begin July 6 for dresses and will last until July 9. Workshop for skirts and blouses will be held July 13-15. Both workshops will be at the high school homemaking cottage.

Leaders will be Mrs. Buel Draper and Mrs. Tom Hale.

The county dress revue will be held July 22 and 23 at the Lyntegar building, and the public revue is scheduled for July 23 at 3:00 p. m. Girls of the 4-H club will also be honored with a tea given by the home demonstration clubs.

Charge Made On Cards of Thanks

Beginning July 1, The News will begin charging for the publication of Cards of Thanks. There will be a minimum charge of \$1.00 for short Cards of Thanks.

For 56 years The News has run these free of charge as a courtesy.

Every line that goes into a newspaper costs money—and the cost has gotten so great that the publishers must of necessity cut down on free material unless such is of news value.

The News is probably the only newspaper in all North-west Texas that has not been charging for publication of Card of Thanks for the past several years.

We hope our subscribers and friends understand.—Publishers of The News.

REUNION OFFICERS for next year are G. R. (Bud) Milliken, second from left, president; Albert Curry, far right, vice president; and Mrs. Wade (Dude) Holland, secretary. Holding the hat is Grayam George of New Home, president of this year's successful affair. Mrs. Gladys M. Stokes, not in picture, was the efficient secretary this year.

REUNION PRIZE WINNERS were "Aunt Becky" Roberts, 84, and A. I. Thomas, 89, eldest lady and man present who had not previously received the prize; and standing is Mrs. John (Geneva) McCurdy of Santa Maria, Calif., daughter of Mr. and Mrs. Tom Smith, who came the greatest distance.

HONOR MRS. J. S. WELLS—Four generations of the Wells family are pictured above at the Pioneer Reunion. At the extreme right is Mrs. Zella "Doc" McCoy of Tahoka, next her nephew, Jim Welcher of Elmore, Okla., born in Tahoka; and next are his daughter, Mrs. Jimmie Lee Davidson and her two daughters, Connie June 7, and Karen Lee 5, of Oklahoma. They are descendants of the late Mr. and Mrs. J. S. Wells, who came here in 1903. The annual reunion was started by Mrs. Wells on her birthday, June 24.

NEXT WEEK'S PAPER WILL BE OUT EARLY

Next week's News will be printed one day earlier than usual, on account of Saturday, July 4, being a holiday. Advertisers and correspondents are requested to get their copy in earlier than usual.

Most or possibly all Tahoka businesses plan to close on the Fourth of July.

Greenland's ice cap covers 700,000 square miles.

STANLEY CLOSES BUSINESS

Stanley Jewelry and Army Surplus store has sold its stock and fixtures to Nelson Auction Service of Lubbock and Amarillo, and the firm will sell the merchandise at auction here next Monday morning.

Cary Borwell of Denver, Colo. has been here two weeks visiting Mr. and Mrs. Eddie Bowman. He will return to Denver today when the Bowsmans will go there to make their home.

Bank Deposits Remain High

Lynn county bank deposits continue at a high level, according to the June 10 call as revealed by statements issued by the three institutions this week.

Total of deposits for the three banks in \$11,275,827.08. First National Bank of Tahoka had deposits totaling \$6,850,692.83. Wilson First National Bank of O'Donnell had \$1,885,331.45.

President J. T. Forbes of the O'Donnell bank announced the capital stock has been raised recently from \$50,000 to \$75,000, and the surplus from \$30,000 to \$55,000.

New Oil Tests Are Planned

Several new oil tests have been announced for Lynn county during the past week.

In the Suniland field, about eight miles east of Wilson, Earl Wells Jr. of Odessa is drilling two wells, each to 4,500 feet to test the lower San Andres. The No. 2 Kleasel is 1,293 feet from the south and 2,310 feet from the west lines of Section 1,273, Block 8, EL&RR survey. The No. 2-A Davies is 1,320 feet from the north and 2,310 feet from the east lines of the same section. Both are in supposedly proven territory.

To the west, Leeper & Cole of Midland are drilling a 4,500-foot Glorietta well, its No. 1 Shipp, 1,650 feet from the north and 2,090 feet from the west lines of Section 15, block J, EL&RR survey.

W. D. Thorn et al. of Midland have announced a wildcard, the No. 1 C. A. Heire, in the Gordon community about six miles northeast of New Lynn. It is 330 feet from the north and 2,310 feet from the east lines of Section 1,414, Block 16, EL&RR survey. Contract depth is 4,950 feet.

Burk Royalty Co. of Wichita Falls is drilling a 5,000 wildcard a mile and a half northeast of O'Donnell, the No. 1 Tomlinson, 660 feet from the north and 1,980 feet from the west lines of Section 46, Block 8, EL&RR survey.

Another wildcard of interest is the Wheeler Oil Co. of Fort Worth No. 1 Mrs. Callie Lumsden, adjoining the Wilson townsite on the northeast.

Earl Wells Jr. has abandoned and plugged the No. 1 Loma M. Fields wild cat at total depth of 3,950 feet in Section 1,272, AB&M Survey, two and a half miles north of the Suniland field in northeastern Lynn county.

Two Injured In Car-Truck Crash

Two men narrowly escaped critical injury or death at about 3:45 a. m. Tuesday when a heavy truck crashed into the rear of a car parked off the four-lane US 87 highway near the Carl Griffing farm south of Tahoka. Both men were brought to Tahoka Hospital for examination, but were released when they were found to have only bruises.

Deputy Sheriff Tom Hale and Police Chief Jack Miller said both vehicles were headed north.

Stephen Peters of Los Angeles, Calif., who was driving a 1951 Kaiser car, had pulled off the paving and was taking a nap. Earl John Brown of Abilene was driving north in a heavy 1955 Ford truck for Mrs. Beard's Bread. He told the officers he went to sleep at the wheel and the first thing he knew he had crashed into the car.

The car was almost totally destroyed, and the truck was badly damaged.

NEW TEACHER

Mrs. Lois Montgomery Mason, a former teacher in the local schools, has returned to Tahoka to live and has been employed by the Tahoka schools as teacher of freshman and sophomore English.

Mrs. George W. Small, who has been a patient in Seale Clinic at Lamesa, is reported to be much improved and may be able to come home today.

Rain, Hail And Wind Destroy Crops Over Large Section

Possible Twister Damages Property

In addition to crop damage, considerable damage was done to much Lynn county property during Monday night's wind, hail and rain storm.

Some people think a twister accompanied the storm across Tahoka, and evidence is pretty strong that such was the case, although the trail of greatest damage was from northwest to southeast—a very rare quirk for tornadoes, for most of them travel from southwest to northeast in the northern hemisphere.

North of town, Reble Thomas had the roof and ceiling blown from a farm hand's house and irrigation pipe was twisted. Southeast of there, the wind destroyed the old T-Bar drive-in theatre screen.

Next in line was Dunbar school, a modern school building for Negroes erected last year, where the roof was blown away, steel beams lifted out of the walls and most of the debris scattered over the Tahoka Compress grounds. Several Negro homes were also damaged.

Heaviest property damage in the county was to Tahoka Compress, where E. R. Edwards, the manager, reports about 10,000 square feet of sheetiron was ripped from three of the big warehouses and from the top of the (Cont'd. on Back Page)

Poisons Listed For Grasshoppers

Many farmers who do not have to replant are very busy fighting weeds.

County Agent Bill Griffin reports there has been some damage, and the threat continues to build up, of grasshopper infestation, especially near pastures.

Some have been poisoning grasshoppers with sodium fluosilicic toxaphene at the rate of four 100 pounds of bran and three sacks of hulls by volume, but the supply of this poison is about exhausted.

Two other poisons may be used, namely: Technical chlordane mixed at the rate of two pounds, or technical toxaphene at the rate of four pounds (or two-thirds of a six pound gallon) with 100 pounds of bran and three sacks of hulls by volume.

John Heinemeier Touring Europe

John L. Heinemeier, son of Rev. and Mrs. G. W. Heinemeier of St. Paul Lutheran Church in Wilson, is spending the summer traveling and working in Europe.

He left from New York on June 8, spent three days in Glasgow, Scotland, and a week in Amsterdam and Brussels, and a week in Paris.

Beginning July 1, he will work for three weeks near Hamburg, Germany, and on July 22 will start a trip on the Rhine visit Switzerland and then go to Florence and Rome. From Rome he will go to southern Italy, travel by barge to Athens, come back through Vienna, Austria, Bavaria, and on to Paris, from which point he expects to fly to New York on Sept 5.

On September 6, John expects to begin work as campus pastor to the Church's youth at Bowling Green University in Ohio. He will also serve a "town and gown" mission in Bowling Green and a little mission at Tiffin, Ohio.

This past year he has been a student at Concordia Seminary, St. Louis.

Mrs. Texas Owens was dismissed from the hospital Friday where she had been a medical patient.

Maurice (Moe) Hodges, graduate of Monahans High School and Eastern New Mexico, will be assistant to Tahoka new Head Coach, J. D. Atwell, who is moving here from Farwell to succeed Coach Bill Haralson, who resigned recently to accept a similar post at Childress.

Savings Bonds Sales Are High

"Savings bond sales for the first five months of 1959 totaled \$212,196.00," A. C. Verner, chairman of Lynn County's Bond Committee reported today. "Our county has now reached 31.9 percent of its 1959 goal of \$250,000.00. May sales were \$19,125.00." Only two counties in Northwest Texas, Armstrong and Crosby, have exceeded Lynn county in percentage of sales.

Sales in Texas for the first five months of 1959 were \$69,397,546. This is 36 percent of the state goal for 1959.

"An important part in assuring our Nation's Safety and Economic stability and growth is played by purchases of United States Savings Bonds," stated Mr. Verner, county chairman.

Mrs. C. W. Young Hurt In Wreck

While visiting a son in Midland last week, Mr. and Mrs. C. W. Young were involved in a three-car collision Thursday.

Mrs. Young, having been thrown against the windshield, received a cut on the forehead which required several stitches and also had bad bruises. She was, however, released from the hospital after emergency treatment, but had to remain in the city until she had a checkup Tuesday. Mr. Young did not receive injuries except for a little bump on his head.

The couple's car was a total wreck and they had to purchase another vehicle before returning home Tuesday afternoon.

Mrs. W. Brazil's Father Is Buried

Andy Northcut, father of Mrs. Woodrow Brazil, passed away Thursday, June 18, in Brownwood. He had been ill for some time.

Funeral services were conducted in Davis-Morris Funeral Home chapel, Brownwood, Saturday at 4:00 p. m.

Survivors include 13 children, 25 grandchildren and three great grandchildren.

Attending funeral services from here were Mr. and Mrs. Brazil and two children, and Mr. and Mrs. T. I. Tippit, and Mr. and Mrs. Don Carlisle from Seagraves.

Mr. and Mrs. W. J. Smith of Roswell and Mr. and Mrs. C. L. Dickson of Lubbock visited in the homes of the ladies' sisters, Mrs. Oran Short and Mrs. H. B. Howell, this week.

Mr. and Mrs. John Powell and daughter of Lawton, Okla. visited in the Jimmy Bragg home last week.

Rain, hail and wind destroyed or badly damaged approximately 100 sections of farm crops across central Lynn county Monday night in one of the most destructive storms ever to hit local farmers.

Cotton destroyed is estimated at from 10,000 to 20,000 acres. However, isolated farmers in the middle of the storm and many along the fringes may be able to save some of their cotton.

The county was drenched with very heavy rains, except for the southwest third, where the rain was moderate.

Tahoka, in the west edge of the worst of the storm, received 1.75 inches of rain in 20 minutes from 7:30 to 7:50 p. m. Total for the night registered by the U. S. Weather Bureau gauge, kept two blocks east of the high school, was 1.89 inches, bringing the week end total to 3.56 inches. However, east Tahoka doubtless received two or three inches in Monday night's fall.

Coming out of the north, northwest, first damage was reported in the Petty community, where a few farms received damaging or ruinous hail. New Home and Dixie areas received little damage.

But, another prong coming roughly down US Highway 87 from Lubbock wiped out most crops along this route into Tahoka. An area northwest of Wilson near the county line received heavy damage. Brunt of the hail damage missed Wilson, but nearly all cotton between Tahoka and the Cummings farm, two miles southwest of Wilson, was ruined or badly damaged.

Traveling a general south-southwest course, the storm extended nearly to New Lynn on the east, thence nearly to Central and Grassland. Immediately south of town there was little damage, but the storm's boundaries on the south extended nearly to Midway, the John F. Thomas and Cap Rowe farms, damaging or destroying most of the area between Redwine and Grassland to the breaks.

In the rain Saturday, hail also damaged a small area south of Draw. Another area between Stanton and Southland is reported to have received hail damage.

Further damage was done over much of the county by high water, as lakes were filled, covering up cotton. There was also much erosion damage from washing fields. Soil erosion damage was high.

Much of the north, central and eastern sections of Lynn county had been destroyed by an electricity-laden sandstorm and rain the first week in June, and farmers (Cont'd. on Back Page)

Subscription Rate Will Be Raised

On August 1, The News will raise its subscription rates to \$2.50 for subscribers in Lynn and adjoining counties and \$3.00 for subscribers living elsewhere in the United States.

This is the first raise in subscription rates in 20 years. We believe our readers will understand that everything else has gone up in greater proportion to this during this period.

A newspaper makes absolutely no profit on a subscription, but it does hope to get the cost of the newsprint and mailing costs involved. During this period, newsprint has doubled in price; in fact, newsprint now costs more than three times as much as it did in the 1940's—and mailing costs have gone up also.

Between now and August 1, our readers may subscribe or renew at the same old rates. Therefore, we invite you to pay up in advance now.—Publishers of The News.

General Telephone Has New Manager

Effective July 1, Wayne King will become Lamesa district manager for General Telephone Company of the Southwest, replacing Claude Adams, who has been district manager since 1957, it is announced by J. L. Kemper, division manager. Adams will become district manager at Denton.

As Lamesa district manager, King will direct commercial and public relations activities in the Lamesa, Post, Tahoka, Wilson, Seagraves and Denver City exchanges which serve a total of over 3,079 telephones.

King, who is now a commercial representative for the company in San Angelo, has been with General since 1949 when he was employed as an accounting clerk at Sherman. He held various positions in the accounting departments in Sherman and San Angelo until September, 1958, when he became business office supervisor in San Angelo. He has held his present position of commercial representative since the first of this year. King has assisted with Boy Scout fund drive in San Angelo. He is married and has two children, Steve, 10, and Vivian, 8.

A native of Altus, Oklahoma, King attended high school in Tom Bean, Texas, and North Texas Business School in Sherman.

Adams began his telephone career in San Angelo as a commercial surveyor in 1956 and also has been eastern division sales engineer in Texarkana and commercial representative in Guymon, Oklahoma. He attended Brownwood High School and Howard

WASHINGTON AND 'SMALL BUSINESS' By C. WILSON HARDER

It would appear that the Canadians are developing another new market in the United States. And ridiculous as it appears at first blush, that new export item is baked bread.

So far, the influx of cheaper priced Canadian bread is confined to Detroit and the adjacent areas. But the figures on the growth of this business are impressive. At the present time, the imported bread is running around 7 million pounds. On the basis of an average American family consumption of bread annually of somewhere around 400 pounds, this represents a supply for only some 16,000 families, which is not too impressive in the bread business.

But on the other hand, this business has increased 120% in ten years, is still growing.

The reasons for this silly phenomenon are quite plain. For one thing, the U. S. price support policies on wheat keeps the prices of this staple up about 30% higher in this country than across the border. In addition, whereas Detroit bakers must pay \$2.00 per hour for unskilled workers, rate in Canada is \$1.50.

Canadian bread was thus selling in Detroit for 17 cents for a pound and a quarter loaf versus 24 cents for the American product. This has precipitated a price war which has brought the American product down to around 19 cents, but Canadian bread has by the same token dropped down to a dime or less.

Here is an example not predicated on Oriental coolie labor.

Here is a nation with a high standard of living that due to American labor and farm policies can whip a segment of U. S. business to death.

Probably in a recent meeting of the Senate Small Business Committee Sen. Russell Long stated the problem in a nutshell saying "What we have to watch out for is the foreign producer who is paying 15 or twenty cents per hour for labor and who has equipment as good as ours; even buys our raw material and brings it back in here far below our production cost."

He continued by saying, "The average American tariff on goods coming in here is about 10% and that is only on things that carry a tariff. Now if you are paying a wage that is about four times as high as the other fellow, that 10% tariff is no bill for a stepper at all, he can just leap over it. I think it is factors like that where you really have a right to demand protection, rather than let some competitor get a big advantage over you and continue to whip you."

This is an interesting comment for a responsible member of Congress made in Washington, D. C. where in these many years, the do-gooders, the socialistic planners, and the rest of that screaming-mecmie tribe have been pushing to even further abolish the protective U. S. tariff system on the basis that this will cause everybody throughout the world to love each other as brothers.

The experience so far with U. S. tariff has proved one thing about love.

Given half a chance, the foreign employer of cheap labor loves to undersell American business in America. In the meantime, American unemployment figures hold at a high rate.

Winners Named In Baby Contest

Winners have been announced for the baby contest which took place at C. Edmund Finny studio, 1813 North First, June 4-6.

Grand prize of a \$50.00 16x20 inch hand painted heirloom portrait painted in oils was received by Cathy Wells, 5-year-old daughter of Mr. and Mrs. George Claude Wells.

Sherry Pitts, 9-month-old daughter of Mr. and Mrs. Billy Pitts, received the second prize which was an 11x14 heirloom portrait hand painted in oils.

Receiving third prize was Joe Bob Henderson, 3-year-old son of Mr. and Mrs. Bobbie Henderson. The prize was an 11x14 tapestry silver-tone portrait.

Awarded with fourth prize was Brenda Elton, 5-year-old niece of Mrs. J. O. Freeman, who received an 8x10 heirloom portrait hand painted in oils.

Fifth prize went to Charles Wayne Davis, 13-month-old son of Mr. and Mrs. Sammy C. Davis, which was an 8x10 portrait finished in silver-tone.

Judges of the contest selected the winners from photographs according to personality, photogenic abilities and neatness of dress.

The 269 U. S. submarines which operated in World War II spent a total of 71,670 days at sea.

Visitors in th Lonnie Isbell home over the weekend were Mrs. Isbell's sisters, Mmes. Allen Mathis, Bill Martin and Miss Verna Martin, and a brother, Bill Martin, all of Muleshoe. Earnest Ray Isbell returned to Muleshoe for a week's visit with his grandparents, Mr. and Mrs. Earnest E. Martin. Bill Martin, also a brother of Mrs. Isbell, was unable to attend as he is serving with the Army in Korea.

MRS. JAMES W. FORRESTER

Miss Wilma Scott, James W. Forrester United In Marriage

The Rev. Gordon Smith read a double ring ceremony at 7:30 p. m. Friday, June 19, in the First Baptist Church for Miss Wilma Scott and James Walter Forrester Jr. before an arch of orchid asters and greenery.

Parents of the couple are Mr. and Mrs. W. P. Scott, route 1, and Mr. and Mrs. James Walter Forrester Sr., 1806 Runnels, Big Spring.

Given in marriage by her father the bride wore a gown of Chantilly lace over taffeta with a Sabrina neckline. The molded bodice featured long sleeves that tapered to petal points and terminated with a point at the centerfront waistline. Her voluminous waltz length skirt was highlighted at hem line scallops of lace. Her tiered veil of illusion was attached to a crown of pearls. She carried a bouquet of white roses surrounded by white carnations on a white Bible.

Mrs. Tommy Billings, Seagraves, sister of the bride, was matron of honor. Mrs. Ted Lawson, Midland, and Miss Jan Collier were bridesmaids. They wore identical dresses of orchid chrysaline with matching orchid cummerbunds and white accessories and carried nosegays of orchid and white asters.

Best man was Johnny Janek of Amarillo. Ushers were Lewis Porter, Big Spring, and Kent Gibson. Ronnie Greer of Wolforth and Kenneth Scott, brother of the bride, lighted the candles. Flower girl was Sherry Greer of Wolforth. She wore a dress of embroidered organza and carried a basket of rose petals.

Wedding music was played by Miss Carol Smith and accompanied Don Renfro, soloist, as he sang "Walk Hand in Hand with Me" and "The Lord's Prayer."

In the houseparty at the ensuing reception were Mes. Wynne Collier, Robert Draper, and G. W. Grogan, and Mes. D. W. McLeon and L. A. Cox of Acuff and D. A. Greer of Wolforth. Also assisting were Misses Linda Cox of Acuff, Linda Williams, Karen Kidwell and Sandra McNeely. The table was laid with lace and decorated with orchid and white flowers.

For the wedding trip to Ruidoso, N. M. the bride wore a black and white linen sheath with black and white accessories.

Mrs. Forrester is a graduate of Tahoka High School and completed her sophomore year this spring at Texas Tech. Her husband attended Arlington Heights High School in Fort Worth and Texas Tech. July 1 the groom will leave for San Diego where he will be stationed in the Navy.

MRS. KENNETH ETHRIDGE

Evelyn Hammonds, Kenneth Ethridge Married Saturday

Miss Mary Evelyn Hammonds became the bride of Kenneth Ray Ethridge as the Rev. H. C. Lonis read the vows at 2:00 p. m. Saturday in Assembly of God Church.

Shades of blue and white accented the ceremony. The bride is the daughter of Mr. and Mrs. Edgar Hammonds Sr. Parents of the bridegroom are Mr. and Mrs. T. F. Ethridge.

The bride, given in marriage by her father, wore an informal white eyelet embroidered dress made on empire lines. The dress was fashioned with a scooped neckline and full skirt. White roses surrounded by feathered mums mounted on a prayer book was carried by the bride.

Maid of honor was Miss Betty Vaughan, cousin of the bride, from Lubbock. She wore a dress of pale blue and wore a blue corsage.

Best man was Edgar Hammonds Jr., brother of the bride.

Special music was played by Mark Pair of Wilson. Following the wedding trip to Colorado, the couple will be at home in Tahoka. For her going-away ensemble Mrs. Ethridge chose a white cotton dress with blue accessories and a white rose corsage.

The bride is a 1958 graduate of Tahoka High School and is employed by Lynegar Electric Co-operative. Her husband, a graduate of Wilson High School, is employed by Shamburger Gee Lumber Co.

Bridal Shower For Mrs. Pritchett

MRS. RIVIE GARRETT

Marjorie Clinton Marries Monday In Home of Mother

In a candlelight ceremony before a mantel decorated with gladioli and daisies Marjorie Lea Clinton became the bride of Airman Rivie E. Garrett of Bath N. C., on Monday evening at 8:00 o'clock in the home of the bride's mother in Tahoka.

Traditional wedding music was to have been played by Mrs. Dorothea Barrett of Lubbock, while Jan Cannon of the same city was to have been soloist. Storm conditions, however, led to a variation of plans.

The double ring ceremony was read by the Rev. J. B. Sharp of Shamrock.

The bride's dress was of heavens blue embroidered organza over satin. It was designed with a fitted bodice and a portrait neckline accented with seed pearls, and a bouffant skirt which was ballerina length. She wore pearl and rhinestone jewelry and carried a white Bible topped with two gardenias and stephanotis extending into long streamers. Debbie Bartley held the bride's bouquet during a part of the ceremony.

For the reception the table was laid with the bride's chosen colors of pink, white and silver. A pink linen cloth was complimented by an arrangement of pink and white daisies with silver and crystal appointments. The bride's bouquet was also a part of the table arrangement.

Mrs. Bobby Wiels of Plains and Mrs. Sargent Munn of Denver City, cousins of the bride, presided at the table.

The bride is the daughter of Mrs. Jessie Clinton and the late James Clinton. She is a graduate of Tahoka High School and Texas Technological College and is employed as secretary to Floyd Honey of Monterey High School. The

groom is an A. P. Airman stationed at Reese. For going away the bride wore a two piece dress of navy silk shantung with accents of white and a white gardenia corsage. After a two-weeks trip to points in North Carolina the couple will be at home at 4221 36th Street in Lubbock.

Campbell-Lambert Rites Read Sunday At Local Church

The First Baptist Church was the setting for the 3:00 p. m. Sunday wedding of Miss Shirley Lambert and Chester Campbell. Miss Lambert is the daughter of Mr. and Mrs. J. R. Lambert, route 1, and the bridegroom is the son of Mr. and Mrs. Jasper Campbell, route 2, Wilson. The Rev. Gordon Smith read a double ring ceremony before an arch of greenery, white carnations and white gladioli.

The bride wore a gown of white lace over net with wide cummerbund of white embroidered eyelet. The waist length dress was accented with a velvet ribbon around the waistline. She carried a cascade of white carnations, leatherned cypripedium, and gypsophelia. She was given in marriage by her father.

Miss Mary Sue Collard was maid of honor. She wore a pink satin street length dress and carried a fan arrangement of pink and white carnations.

Best man for the event of June 21 was John Henderson of Wilson. Ushering duties were performed by Paul Henderson and C. W. Slone, both of Wilson.

Flower girls were Sandra Kay Lambert, sister of the bride, and Judy Roberts, bride's niece. They wore blue and pink satin dresses and carried white baskets with pink and white carnations.

Traditional wedding marches were played by Miss Carol Smith, organist, and accompanied Miss Linda Jones as she sang "The Lord's Prayer" and "Because."

Following the ceremony a reception was held in Fellowship Hall of the church. The table was laid with lace over pink linen and held the three tiered wedding cake with a miniature bride and groom and a bouquet of fern and carnations. The house party included Misses Linda Milliken, Martha Colard and Sue Campbell. Also as sisting were Meses Myrtle Miller, Dot Ashbrook and Joy Wildley.

Upon their return from a wedding trip to Colorado the couple will be at home in Wilson, where he is employed with Campbell Grain Co. For traveling the bride chose a pink dress with white accessories.

Mrs. Campbell is a 1959 graduate of Tahoka High School. Her husband attended the Wilson schools.

of Santa Anna, Mrs. Alvis Griffin of Bangs, and Mrs. Maude Pryor of Concord, Ga.

Out of town guests were from Lubbock, Post, Wolforth, Rockdale, Santa Anna, Bangs, Austin, Houston, Chicago, Ill., and Concord, Ga.

Mr. and Mrs. Williamsons were married June 20, 1909 at Thornedale in the home of the officiating minister, Rev. Sam Elliott of the First Christian Church. Mrs. Williamson is the former Jimmy Boles, daughter of George and Sally Boles.

The couple came to Wilson in 1926 where Mr. Williamson was

engaged in farming until the last several years.

About 110 guests called to help the Williamsons celebrate the happy occasion. Others sent gifts.

Robert Bland Is Married At Smyer

Miss Naomi Ruth Hunt and Robert Glynn Bland were united in marriage Friday evening at 7:30 o'clock in Smyer Church of Christ with Owen E. Hunt, father of the bride, officiating.

The bridegroom is the son of Mr. and Mrs. Roy M. Bland of Smyer and formerly of Tahoka.

Given in marriage by her brother, Richard Hunt, the bride wore a dress of traditional bridal satin with scalloped Sabrina neckline outlined with medallions of lace and seed pearls designed and made by the bride's mother. The modeled bodice led into an offcut floor length overskirt of tulle with a front panel of Chantilly lace. The long petal point sleeves were also of satin. The pillow hat was encrusted with iridescent sequins and seed pearls, an elbow length veil of imported French silk illusion fell from it. She carried a bouquet of gardenias and cascading pink roses tied with satin.

Matron of honor was Mrs. Richard Hunt of Abilene, sister-in-law of the bride. She and Miss Jane Soper of Shallowater, also honor attendant, wore identical dresses of turquoise taffeta.

Don Caraway, Tahoka, served as best man.

Broadway Church of Christ Wedding Chorus provided the wedding songs.

A reception followed the ceremony.

After a wedding trip to Albuquerque, the couple will be at home in Knox City.

Mrs. Bland is a 1959 graduate of Monterey High School, and the bridegroom, a graduate of Texas Tech in electrical engineering, is now serving with the U. S. Army Human Research Unit in Fort Knox.

Congratulations:

Mr. and Mrs. Felix Martinez on the birth of a daughter in Tahoka Hospital at 9:06 a. m. Saturday. She has been named Gloria Gale and weighed 6 pounds 6 ounces.

Mr. and Mrs. Birch Larsen, formerly of Tahoka but now owners of a drug store in Mission in the Lower Rio Grande Valley, are here this week visiting friends. They were en route home from a visit in Utah.

Mary Sue Collard Plans Wedding

Mr. and Mrs. Roy Franklin Colvard, 1629 North Third, announce the engagement and approaching marriage of their daughter, Mary Sue, to Joe Darrell McQueary, son of Mr. and Mrs. W. J. McQueary, 2603 27th St., Lubbock.

The wedding will be solemnized on Sept. 3 at 8:00 p. m. in Tahoka Church of Christ.

Miss Collard is a graduate of Tahoka High School and is presently employed with Texas Consumer Finance Company in Lubbock. Her fiancé is a graduate of Tom S. Lubbock High School and attended Texas Tech. He is employed by McQueary Plumbing Co.

Bridal Shower For Mrs. Fallin

Mrs. Sidney Fallin, the former Gwendolyn Austin, was honored with a bridal shower Thursday, June 11, at the fellowship hall of the Sweet Street Baptist Church.

Colors of pink and white were carried out in decorations. The serving table was laid with a white lace cloth over pink. The centerpiece consisted of a miniature bridge and groon beneath an arch of angel hair and roses. Pink punch and cookies were served.

Approximately 50 guests called during the afternoon.

Hostesses for the occasion were Mrs. C. E. Birdwell, Far east Rector, Owen Schneider, Wil Pennington A. B. Henry and Bert Stice.

EDWARDS FAMILY HOLDS REUNION AT LUBBOCK

The Edwards families, pioneer settlers of Lynn county from Crawford, held their annual reunion Saturday at the East Party House in Mackenzie State Park, Lubbock.

There was a great crowd present including about 30 or 40 cousins.

Mr. and Mrs. A. P. (Pete) Edwards of Lubbock were elected president and secretary, respectively, of the group for the coming year. Mr. and Mrs. Boswell Edwards of New Home held the family offices this past year.

Fred Edwards said they were very sorry the reunion this year conflicted with the Lynn county Pioneer Reunion, and all hoped to avoid the conflict in the future. However, a number of the group attended the Lynn county affair a part of the day.

Everyday Religion

By J. B. Thompson

What kind of a person was Jesus? Not long ago I chanced across a book filled with reproductions of paintings and statues of him by artists of all ages. As I turned the pages I saw representations by the hundreds. None was the same but all were different. In some he appeared gaunt and tall. Some showed him to be short and thick. Some pictured him as a beardless youth, others as a bent and aged patriarch. He frowned. He looked heavenward. He was reproachful. He was tender. In some he looked bland and effeminate; his robes immaculate folds, a halo around his head and his hand uplifted in benediction. On and on I searched.

It seemed that few of the artists had caught the real dynamic passion that I feel dwell in him. Indeed, it seemed to me that the artists revealed themselves more than they did the Christ.

But, I thought, do we not all have our own concept of him: our own mental picture of Jesus hanging in the art gallery of our own souls. And I am sure that in most cases it is an inadequate picture that each of us has. Somehow across the years we have lost the real Jesus. No one knows how he looked or what kind of person he was. We have so sentimentalized him and misunderstood him that it is likely we would never recognize him were he to walk our streets and speak to us today.

On or about April 25, 1956, I caught two "leaders" in the powerful Tearstons Union in the theft of \$500.00 cash, and I told them about it, which was a terrible mistake. I quit driving for Pacific Inter-Mountain Express on July 20, 1956.

I bought a large service station in Turlock, Calif., and after a year I sold out. I went back to Los Angeles and got a job driving the large diesels again to Las Vegas, Nevada. I was real careful not to have any trouble on this driving job. The supervisor said I was completely OK, but these two Teamster Union thieves caused me to get laid off and I'll never get back on this job as long as they live. This happened March 9, 1959. I got another job in Bakersfield on May 25, 1959, driving the large diesels. On my first shift I fell and broke my knee cap of the right knee. I have a cast on my leg from toes to middle of thigh, and will have to wear it for six to eight weeks.

Our eighth son was born April 5, 1959. We have one girl. Otis Mayberry is having to take treatments on his back in a hospital three times a week.

We had snow the last days of May in California this year.

J. L. (Ferg) Griffin went to the hospital in Modesto Friday. He may have lung cancer from smoking cigarettes. How can anyone smoke those filthy things?

Mrs. I. N. Harrison, 76, my mother-in-law, formerly of Wellington, was hit broadside by another car Thursday afternoon. She is in real bad shape. Her friends in Lynn county were J. W. Armontrout of New Home and Mr. and Mrs. Manson Ball of the Joe Stokes area.

Mr. and Mrs. Bill Mayberry have just returned from Fresno on a visit with their daughter, Modene (Mrs. Wise).

ELMER BLANKENSHIP

J. A. Pebsworth has planted peas as a cash crop and for soil improvement on his farm south of Tahoka. Pebsworth has planted two rows of cotton, one blank row, two rows of peas and another blank row. He believes, in the future, he will plant every row for better weed control.

Hubert Aldridge, who farms near Draw has planted 75 acres of blue panicum grass. Aldridge is planning wildlife improvement on the native grass pasture on his place and hopes to build up a quail refuge as well as improving his pasture.

T. C. Beard has obtained a stand of blue panicum on his farm near Redwine. John Beard

also has a stand of blue panicum on his farm south of O'Donnell.

"Since the first crude plow uprooted the first square foot of sod, and since man's axe first bit into virgin forest, erosion of the soil has been a problem. It is as old as history. Down through the ages it has influenced the lives of men and the destinies of nations and civilization. In the United States today, no problem is more urgent."—Dr. H. H. Bennett.

GRAND CHIEF OF PYTHIAN SISTERS of Texas, Mrs. J. B. (Thelma) Oliver, is pictured above on the "throne" as she was installed at the state convention in the Baker Hotel, Dallas, recently. Left to right in the picture are Pat Oliver of Level-land, daughter-in-law of the Grand Chief; Mrs. Oliver; Mrs. Maxine Brock of Waco, her daughter; Thelma Jo and Mary Jan Raindl, also of Waco, her granddaughters; and partly obscured by Thelma Jo is Mrs. R. L. Richardson of Tahoka, Grand Musician. Twenty-three local ladies attended the meeting, and 16 of them were on the installing staff.

Thelma Oliver Is Installed As Grand Chief of Pythian Sisters of Texas

The 36th Annual Grand Lodge Knights of Pythias and 62nd Annual Grand Temple Pythian Sisters held their annual Texas Convention in Baker Hotel, Dallas, June 7-10. On June 10 Thelma Oliver, Tahoka was installed to the highest office in the state, that of Grand Chief.

On Sunday, June 7, the entire installing staff of 23 local ladies chartered a bus to Dallas for the Grand session. Also accompanying the group was Thelma's mother, Mrs. G. W. Forsythe. The candle-lighters were Thelma's granddaughter, Mary Jan Raindl and Juanita Williams, one of the children from the Pythian Home in Weatherford.

Billy Joe Oliver, son of the Grand Chief, presented each of the following Grand officers with symbols:

Mistress of ceremonies, Frances Bealmear, Dallas, escorted by Tiny Lee McNeely and Pat Park, Tahoka; presentation of U. S. flag, Billy Joe Oliver, escorted by Pat Oliver and Jody Raindl; presentation of Texas flag, L. A. escorted by her daughter, Maxine Brock and daughter-in-law, Pat Oliver, on a red carpet rolled out by her granddaughters, Mary Jan and Jody Raindl. She was then seated on the glittering moon. (Red spotlight and bubbles). Granddaughter Jody Raindl presented the crown on a red velvet pillow and Mary Jan Raindl presented her grandmother with a bouquet of red roses.

Sixteen Pythian Sisters of Lynn Temple No. 45 were the installing staff and exemplified the cross which is Thelma's emblem. When exemplifying the cross, the song "Love One Another" was sung while Thelma recited "Angry Words" between stanzas.

The Grand Chief's flower is the red rose, which is for love. Her colors are red, white and blue and her theme being love and loyalty. Her song is "Near to the Heart of God." Her Grand Temple Mother is Ina Belle Ater, Lubbock; Grand Temple Grandmother is Mary Sneed, Wortham; Grand Temple Auntie, Fannie Gordon Dallas; Grand Temple Sweetheart, Margaret Woffard, Brownwood; Grand Musician, Eulalia Richardson, Tahoka and Lynn Temple No. 45.

After Thelma took over the gavel as Grand Chief of Texas the Lord's Prayer was sung by Gregory Kurlec of the Pythian Home accompanied by Darlene Horstmann, daughter of Mr. and Mrs. Hugo Horstmann, superintendent of the Pythian Home in Weatherford.

J. B. Oliver presented his wife with an engraved white leather briefcase, the crown and lovely corsages. She received many other lovely gifts from other Temples and members of her family.

Each member of the installing staff was presented a lovely bud vase and handkerchief from Thelma.

Eagles defeat Orioles
 Tuesday night the Eagles of New Home defeated the Orioles of Tahoka in a wild game 21 to 6. The winning pitcher was Graham George, while the loser was Jack Burk. The game was called in the fifth because of the score.

Eagles over Red Sox
 At New Home Thursday night the Eagles defeated the Red Sox of Wilson 10 to 9 behind the pitching of Bill Koepke. The loser was Charles Walton.

The game between the Red Sox and the Braves was rained out.

(Editor's Note: Tony Spruiell of the Orioles pitched a no-hit game against the Braves, but he was too modest to record the fact in the above story.)

Yankees over Cubs
 Last Thursday night the Yankees defeated the Cubs 4 to 0. Winning pitcher was Pat Mouser while the loser was Terry Brown.

Four games this week and last week were rained out.

DRAW LEAGUE UMPIRE TIGHTENS REGULATIONS

Harry Hedlin, umpire in the Draw League baseball games, states that in the future all games will start at 8:30 p. m., and any team not present may have to forfeit to the other team. Reason is obvious, since the fans and the other teams want to get the games underway as early as possible. Draw games are on Monday, Tuesday, Thursday, and Friday nights.

He also calls attention to the fact that arguments are to be settled by the umpire, and his decision is final.

Winston Redwine was here last week end visiting his mother, Mrs. F. E. (Vesta) Redwine, and other relatives and friends.

Lady Golfers At Big Spring

(Cont'd. from Front Page)
 Thirteen ladies from T-Bar Ladies' Golf Association went to Big Spring Wednesday, June 24, for a one-day tournament.

Irene Spears played in the championship flight. Jewel Smith, Aleta Thomas, Mack Edwards and Joe Belle Robinson, first flight; Lois Fischer, Corene Cathcart and Glenda Dunagan, second flight; Mary Wright, Abbie Whorton, Freda Townes, Billie Thuren and Dink Short in the nine-hole flight.

Freda Townes won low net trophy in the nine-hole flight, while Mary Wright won runner up in low net.

Elsewhere in town, there was other damage. The plate glass in Charley Mason's shop was blown out, as was a door glass at Lynn County Tractor Co., and the front of one of the old C. E. Ross buildings was blown away.

Tahoka Boys Win Over Black Cats

(Delayed)
 Tahoka Boys defeated the Black Cats, also a local team, by a score of 19 to 12 Thursday night.

Richard Stice, Kenneth Hanes, Jack Smith and Charlie Holland were the power hitters driving in 13 runs. Larry Spruiell was the winning pitcher holding in on five hits.

For the Black Cats' team "Steel Mill" Jackson was the losing pitcher allowing 25 hits. Almost all of the power for the Black Cats was by Robert and Jim Green.

Property Damage

(Cont'd. from Front Page)
 press tower. About 8,000 bales of cotton were soaked as a result. Further south, the wind badly damaged the steel super-structure of the new Carmack Gin, under construction. Steel uprights and beams were blown down and twisted, burr pit walls were blown down, and some damage was done to gin machinery.

Falling beams from the gin fell across a 66,000-volt highline of Southwestern Public Service Co., and light and power service for the entire town was disrupted from about 7:45 until about 9:50 p. m. until workmen could make sufficient repairs to resume service.

Elsewhere in town, there was other damage. The plate glass in Charley Mason's shop was blown out, as was a door glass at Lynn County Tractor Co., and the front of one of the old C. E. Ross buildings was blown away.

Downtown, plate glass from the front of Ed Hamilton's store was blown out and water poured into several business houses when the gutters failed to carry away the water as fast as it fell and built up above the flashing on roofs.

A number of farm buildings were damaged or destroyed both north and east of town. Among these was a farm hand's house owned by Ira Vaughan, six miles east of town, badly damaged, and a garage at the Clyde Allen home a mile further east was blown away.

At Grassland, the end was blown out of the seed house at Producers' Gin, the former Thomas Bros. gin, the porch was blown from a Negro house, and Harry Lee Short's barn was blown away. The gin received the heaviest damage, sheet iron from which was scattered over the area and some lodged atop telephone and power lines.

O. C. Harrison, fearing there was hail in the cloud, ran his car under the suction arcade of the gin. Falling debris from the storm fell on the car and crushed the top. Many trees were split and broken, or entirely uprooted.

A tornado alert was sounded at Lubbock, and a number of people rushed south to Tahoka, got caught in the flood here, and could not return home safely for a few hours.

Home Demonstration Council Meeting

Lynn County Home Demonstration Council met June 18 at 2:00 p. m. in the court house with four clubs, seven members and to visitors present for the Thursday event.

Also present were Mrs. Luora Bowman, home demonstration agent, and Aubrey Russell, district agent.

Mrs. Clyde Childress gave a report on the progress of the year-books, and Mrs. Betty Hancock, THDA chairman, conducted a discussion on the plans and reservations for the state meeting.

Mrs. Bowman gave a talk on a personality improvement course which will be held in the home of Mrs. G. L. Cobb. Two members from each club are eligible to attend the course on July 14 from 2:00 until 5:00 p. m.

The district agent gave a talk on four important points on home demonstration. Preparations are being made for the 4-H dress revue and reception which is to be held in the near future.

Next council meeting will be July 16.

Hot weather poses hazards for the hen flock, says Ben Wormell, extension poultry husbandman. Keep them as comfortable as possible and this means plenty of clean, cold drinking water, properly ventilated houses and in case of extreme high temperatures artificial cooling, he adds.

Selection, care and cooking of vegetables are subjects covered in a recently released Texas Agricultural Extension Service publication.

Heavy Rain ...

(Cont'd. from Front Page)
 had just gotten a crop going well again. The last week in June is very late for the planting of cotton, and farmers report everything will have to be just right to replant and make a cotton crop.

Most farmers contacted by The News, however, say they will replant cotton. Some will make every attempt to save what hail damaged cotton they can.

Although much maize was also destroyed, the season is not too late for this crop and barring further disaster there should be a large grain sorghum crop in the damaged area.

Skies were cloudy and threatening Thursday morning, and the Weather Bureau predicted showers continuing at least through Sunday.

The rains began Friday, when Tahoka recorded .11 inches, followed by 1.56 inches Saturday night and the 1.89 Monday night for a total of 3.56.

This brought the total rainfall in Tahoka for June to 6.88 inches. Areas of the county have doubtless received more than this.

Total for the year so far is 11.72, which is above normal. This year's June total of 6.88 in Tahoka is not a record, contrary to the belief of some people.

According to U. S. Weather Bureau records, kept by the News, Tahoka recorded a total of 7.88 inches in June of 1938. But the record total for Tahoka in June came in 1913, when the rainfall amounted to 10.93 inches.

GAINERD MCNEELY IN KOREA

1st Cav. Div., Korea—Gainerd G. McNeely, son of Mr. and Mrs. Arlie A. McNeely, 1812 N. First St., Tahoka, recently was promoted to specialist four in Korea where he is a member of the 1st Cavalry Division.

Specialist McNeely, assigned to Headquarters Troop in the division's 9th Cavalry, entered the Army in January 1958.

The 21-year-old soldier is a 1955 graduate of Tahoka High School and was employed by Higginbotham-Bartlett Co., in Tahoka, before entering the Army.

Marketing quotas for the 1960 wheat crop have been proclaimed by Secretary of Agriculture Benson and he set July 23 as the date for a growers referendum on the quotas.

Pioneers ...

(Cont'd. from Front Page)
 Mrs. Tom Smith, who traveled 1716 miles, received the award for coming the greatest distance.

In the business session which followed the program, G. R. (Bud) Milliken was elected president and Albert Curry was named vice president. Mrs. Wade (Dude McCoy) Holland was elected secretary.

The Old Fiddlers Contest which followed, staged by R. C. (Ruby) Wells, wa, the best ever held here.

Winners were: Carl Hazelwood, Tatum, N. M., first; C. E. Loter of Wheeler, second; Garland Gainer of Tatum, third; and Jack Mears of Lubbock, fourth.

Other entrants were: D. B. Longley, Andrews; Wes Campbell, Lubbock; Jack Reynolds, Tahoka; Sam Hysmith, Chillicothe; Chas. Neal, Lorraine; Tommy Neal, Colorado City; W. M. Wells, Post; Robert James, O'Donnell; and Riley Rigby, Matador.

An old time dance was held Saturday night in the City-Legion Community building.

Charles Verner returned home the first of the week from a three weeks' visit with his parents in Piedmont, South Carolina. He says he left in a bad storm—the sandstorm; rain, and hail early in June—and returned in time to meet the new hail and rainstorm. Mrs. Verner and girls remained for a longer visit.

"Skinny" Carter Working Pro

Lloyd (Skinny) Carter, employed a few weeks ago as golf professional of T-Bar Country Club here, recently was placed in complete charge of the nine hole grass greens layout.

He replaces G. S. Perez, who has been with the golf club several years and who has done a fine job taking care of it and improving it. Directors stated to The News that Perez was not relieved of his duties for any reason except that the officials felt the time has come to employ a working pro, who can care for the course, operate the club house, and give golf instructions.

The course has improved tremendously this spring and summer, and grass has now about covered all the fairways. Though a little small, the greens are as good as those to be found anywhere.

Carter will be responsible for the course and will employ such extra help as needs out of his own income.

Carter was "born and raised on a golf course," and knows every phase of the work. Reared at Roswell, he was assistant pro at Hobbs and more lately at Hillcrest Country Club in Lubbock.

Post Stampede Is July 8-9-10

Post—New dates of July 8, 9, 10 and 11 aren't the only things new about this year's Post Stampede Rodeo. It also has a new producer, L. D. Ward of Trinidad, Colo.

During the last 10 years or so, the rodeo has been held in late May, with Goat Mayo of Petrolia as the producer.

This year's list of rodeo events also include a new contest—steer wrestling. Other events are bareback, saddle bronc and bull riding, calf roping, ribbon roping and cowgirl's barrel race.

Cash prizes of \$200, plus one-half of the entry fees, will be paid the winners in each event. There will also be trophy buckles on all event winners and a hand-made roping saddle for the best average on four head of roping stock.

Again this year, the Stampede Rodeo will include a jackpot cutting horse contest at 1:00 p. m. on the final day of the four-day show.

Charter Given To Scout Troop

Presentation of the Troop 21 Boy Scout Charter was made on Thursday noon at Tahoka Rotary Club, sponsor of the troop.

E. B. Gaither, district commissioner of the Boy Scouts, made the presentation to P. Dennis Otis Spears of the club, and Spears, in turn, presented it to Allyn Cox, scoutmaster. Also presented were a banner for the four year program just completed, "Onward for God and Our Country," and a 25-year seal for the club having sponsored the troop that long.

New Churches For O'Donnell

A new \$25,000 Catholic Church building was opened formally at O'Donnell Sunday, and plans are being made by the First Methodist Church there to start a new \$50,000 sanctuary in the near future.

A number of priests participated in ceremonies at the new St. Plus X Catholic Church opening Sunday. The building is of concrete block construction.

O'Donnell Methodists are reported to have raised about \$35,000 toward their goal of \$50,000 for construction of a new sanctuary and youth wing and remodeling of the present building.

Architectural design will be contemporary with a Gothic spirit. The architect is Hugh Hunt of the Town and County Commission of the Northwest Texas Conference.

On the building committee are Henry Smith, W. J. Shook, Naymon Everett, Arol Moore, Dr. Noble L. Rumbo, and Rev. Howard Marcom, the pastor.

As a boy John D. Rockefeller Jr. had to earn most of his money cutting wood and sweeping sidewalks.

Local Youths At Methodist Camp

Four youths from the Methodist Church are attending the Madge Butman Methodist Camp near Merkel this week. They are Linda Thomas, Janis Gattis, Andy Bray, and Roger Renfro.

A boy is never so young that he will not pick up a cuss word. A dream girl can cause a man to lose plenty of sleep.

Mrs. John F. Thomas, took them to the camp Monday morning. They will return today.

Local Group On Alabama Trip

Mrs. Claude Thomas, Mrs. R. D. McCord, Mrs. Carlice Edwards and Mrs. M. E. McCord returned Saturday from a two week visit in Alabama.

While there Mrs. Vista Daniel, a sister of Mrs. M. E. McCord, passed away in Birmingham. The family had just observed a reunion before the death. Funeral services were conducted at the Arbor Springs Baptist Church with burial in the adjoining cemetery.

Mrs. Daniel is survived by one daughter and five sisters.

Another incident also occurred when the four locally known ladies were in the southern state. Mrs. Eugene Tyson, also a relative, was treated for shock received when a bolt of lightning struck a clothes washer. It was reported that she was taking clothes out of the machine when the lightning struck.

Approximately \$1,000,000 worth of engineering flight test instrumentation was used in the first Lockheed Electra airliner.

Cards were also presented the Scoutmaster; Rush Dudgeon, chairman of the troop committee; Ross Smith, treasurer; Troy Havins, troop committee member; and Granvel Ayer, institutional representative.

In a brief talk, Mr. Cox told of the 15 days camping activities, plus the four-day trip for leaders to New Mexico. He said the troop has two Life Scouts, four Star, 10 first class, 15 second class, and 15 tenderfoots. Two boys are working on Eagle Scout which they hope to achieve this fall, and two more hope to reach the rank next spring.

A. M. Bray suggested that the town raise a fund to help Cox bear the expense of these camping activities on the local level since the District funds are not allotted for this purpose.

Dr. K. R. Durham, who arranged the program, introduced Gaither as a "dedicated Scouter" and paid tribute to him for the fine work he has done over the many years for the Boy Scouts in Tahoka.

As a second part of the program Durham called on two new members, C. W. Roberts and Ross Smith, who spoke briefly and with a good bit of humor on their lives before coming to Lynn county and before becoming Rotarians.

C. W. Conway called attention to the fine ball games played by Pony, Little and Minor Leaguers. He said some funds are still needed to pay expenses for this summer's program.

Harold Green announced the student guest from Europe, Vell-Tuomas Sallinen, 24, from Finland, will be here about July 6 or 7. He will spend nine or ten weeks of the summer in Tahoka.

REPORTS FINE WHEAT

Mr. Loyd Evans of Petty reports that his son-in-law, Dub Thompson, recently harvested some fine wheat—at least for this area. He cut a little better than 40 bushels per acre from a 13.5 acre patch.

The town of Andover, Mass., was purchased from the Indians for about \$30 and a coat.

Chevy Gives You Smarter Style Today...

Don't take it from us—take it from independent experts and from facts and figures that are now a matter of record. POPULAR SCIENCE sums up Chevy's unmistakably modern style this way: "The fact is, in its price class Chevy establishes a new high in daring styling..." This is one more reason your new Chevrolet will bring a higher allowance at trade-in time, as Chevy has over the years. A look at last year's used car prices* shows Chevrolet averaged up to \$128 more than comparable models of the other leading low-priced two.

PLUS 5 MORE BIG BESTS OVER ANY OTHER CAR IN CHEVROLET'S FIELD!

Best Brakes. Chevy showed the best brakes of the leading low-priced three in repeated highway speed stopping tests conducted by NASCAR.* No wonder, Chevy's brakes, built for up to two-thirds longer lining life, are the biggest in its field.

Best Engine. Every motor magazine has given Chevy's passenger car and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price."

Best Economy. No doubt about this: a pair of Chevrolet sixes came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car.

Best Room. Dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room is up to 5.9 inches wider than comparable cars.

Best Ride. No doubt about this. MOTOR TREND magazine sums it up this way: "... the smoothest, most quiet, softest riding car in its price class."

NO WONDER MORE PEOPLE ARE BUYING CHEVROLETS IN '59 THAN ANY OTHER CAR!

Sidelights On The Reunion . . .

W. F. (Will) Humphries, 1902, of San Antonio, was here for the first time at a Pioneer reunion. His father, B. Humphries, who was one of the first commissioners of Lynn county when it was organized in the spring of 1903, came out here from Corsicana and settled in the T-Bar community. The elder Mr. Humphries went back to Corsicana in about 1910 because of his health and lived to be 90.

Will Humphries and the late Bertie Cowan, daughter of Mr. and Mrs. "Cass" Cowan, who had settled a few miles southeast of Tahoka, were the first couple married in the new town of Tahoka. The event took place October 10, 1903.

Just a short time before, there had been only three women and one little girl in the entire county. They were, as Mr. Humphries recalls, Mrs. Bill Petty, wife of the T-Bar foreman; Mrs. Enos L. Seeds, wife of the store and postoffice operator; and Mrs. Jack Alley, wife

of Col. C. C. Slaughter's Tahoka Lake Ranch foreman, and her daughter, Ethel Cook, now Mrs. Hall Robinson.

The Humphries moved to Big Spring in 1912 or 1913, and while Mrs. Humphries was visiting her parents at Tahoka their baby died and was buried here. Mr. Humphries later was in the monument business at Llano for many years and had one of the finest monuments in the family plot of the local cemetery. He now lives in San Antonio, where he owns property.

He recalled that the first person buried in Tahoka Cemetery was Mrs. Stewart Schooler, who had settled in the area where O'Donnell was later to be established.

The second burial, Will says, was that of Jim McDonald, father of Paul McDonald, who died following an accident in 1903. Mr. McDonald had dug a well in the Draw area, and had set off a blast in the bottom of the hole. He went down in the hole to see the results. Some helper pulled him out with a rope, and just as he got to the surface he fell backwards into the hole, 65 or 70 feet deep, receiving fatal injuries.

Paul McDonald recalls that there was another accidental death and burial in the cemetery either just before or after this accident. As a wagon was rounding a hill, a baby fell out, a wheel ran over it and killed the child. He does not recall the name of the parents.

Mr. and Mrs. L. H. (Lit) Moore, who had been at their camp near Hye, came home in time for the reunion and greatly enjoyed meeting old friends.

Mrs. Ben Moore, 1901, a member of the H. E. Baldrige family and another of the first settlers, was up from O'Donnell. Her father was also one of the first county commissioners.

J. B. Walker, 1905, one of the early day school superintendents, and wife, and Mrs. W. H. May, who settled east of Tahoka Lake in about 1901, were down from Lubbock.

Dink Fenn, 1901, was here from Mipturn, Colorado, as was his brother, Hub, from Seminole, accompanied by Tom Taylor, who came to the area in 1903.

Mrs. R. E. Bland, 1916, was over from Brownfield, as was Robert Noble, whose parents, the late J. M. Nobles, were among the first settlers of the West Point area.

Breezing around the Reunion grounds was Mrs. Sam N. (Alice) McDaniel, 93, accompanied by her son, Fred, of Garner. Mrs. McDaniel's late husband was the first county clerk of Lynn, and she lives on the same lots they got when the town was established in 1903.

Mrs. Roy Poer, who had been visiting in Houston three weeks, came home with Harold and Kathryn Edwards. Mr. and Mrs. Frank Edwards were also here from Houston. Frank and Harold are sons of J. H. Edwards of Austin.

Representing the Jack White family, who settled in the New Home area in 1903, were Mrs. Mittie Ater of Meadow, Mrs. Bertie Marcy and Mrs. Dell Thomas of Lubbock and Wallace White of New Home.

N. D. Leavitt, son of the late Mr. and Mrs. Major Leavitt, early settlers in the northwest section of the county, and wife were here from Causey, N. M. They were accompanied by their sons-in-law and daughters, Mr. and Mrs. Frank and Fred Farris.

Mr. and Mrs. George Shumake, 1902, were over from Seagraves.

Charles Nunnally, 1907, was up from Borden county.

Mike Redwine and wife were here from Texarkana. Also here visiting Mrs. F. E. Redwine Sr. and other relatives were Myrtle Redwine and wife of Silver City, N. M., Mrs. Alline Prather of Cotton Center, and Mrs. Elwayne Reed and son of Belen, N. M. The Redwine community was named for the pioneering Redwine family.

Mr. and Mrs. Matt Williams of Yoakum county were here. "Sit" Jones said Matt, who settled in the T-Bar area, brought in a pony that won the bucking contest in 1903 at the town organization celebration. He has a son, Bill Williams, who was born here and is now one of the top quarter horse trainers in the nation. Madison Yates, former Dawson

county judge, was up from Lamesa, and Mrs. W. A. Yates was one of those enjoying a visit with other old-timers.

Bob Preston and son, Bob Jr., were up from Midland. Bob knew most of the old time cowpunchers.

In her talk, "Sit" Jones told of the days when Tahoka was a wagon yard and livery stable town. When the railroad came in 1910, this became the principal shipping point to all the area west of here and clear over into New Mexico. Wagon freighters were in here all the time. She didn't say so, but

MRS. COLLENBACK SENDS GREETINGS TO FRIENDS

Mrs. E. J. Colleenback of Hammond, La. in a letter to The News sends greetings to all her old Tahoka friends.

She has recently been visiting at Brady, and says she intended to come out to Tahoka, but couldn't make it. She still calls this home.

Why let excess weight shorten your life . . . ruin your appearance . . . hamper your success and happiness?

Now . . . losing weight is as easy as chewing gum!

REXALL SLIM-PAC

You simply chew a piece of pleasant-tasting Slim-Pac gum 15 to 20 minutes before each meal . . . your appetite is safely reduced . . . you're satisfied with less food, and ugly, dangerous pounds begin to melt away.

• EASY • FAST • EFFECTIVE • SAFE • VITAMIN-FORTIFIED

SLIM-PAC DISPENSER contains • appetite-reducing gum, and • multi-vitamin capsule, in handy purse-size packets plus the flexible diet plan

14-day supply \$3.98

YOUR APPETITE IS ALL THAT STANDS BETWEEN YOU AND NORMAL WEIGHT . . . AND SLIM-PAC SAFELY REDUCES IT

Slim-Pac contains a harmless but effective appetite depressant that will curb hunger as your appetite adjusts to new eating habits. You've probably been overeating for a long time, filling your stomach with extra, unneeded food. If so, your appetite has probably become adjusted to overeating. It no longer tells you when you've had enough calories, when to stop eating.

With SLIM-PAC you will easily and quickly accustom yourself to eating less than your body requires. This "under-eating" won't hurt you a bit. Your body will simply draw the food energy it needs from excess body fat — and YOU WILL BEGIN TO LOSE WEIGHT.

LOSE AS MUCH OR AS LITTLE AS YOU WANT. YOU CHOOSE THE PLAN BEST SUITED TO YOU.

Your wisest diet will deny only enough food to allow a weekly weight loss of 2 to 3 pounds. The correct diet for you depends upon how many calories you need to perform your daily routine. This varies according to age, sex, activities, height and actual overweight. You get 3 suggested diets from which to choose, and you get to eat the foods you like. However, you should never decide on a stringent diet without first consulting your doctor. Slim-Pac gum will safely cause you to want less . . . and the multi-vitamin capsule will help maintain normal energy and pep!

YOU LOSE WEIGHT WITHOUT NERVES . . . WITHOUT JITTERS . . . WITHOUT HUNGER

With the Slim-Pac gum safely curbing your appetite, the Slim-Pac multi-vitamin capsule helping to maintain your vitality and pep, and the sensible Slim-Pac diets giving you enough food for your needs, you escape the nervous, depressed, and washed-out feeling so common to extreme and unaided dieting.

IT'S FOOLISH, and actually dangerous, to go through life misshapen and unattractive, short of breath, uncomfortable in our clothes, ashamed in public and miserable in private, while the success and happiness we should have slip through our pudgy fingers. SLIM-PAC makes it all so unnecessary . . . so safe, so easy to change. START TODAY on the life you were meant to have!

SLIM-PAC CAN GIVE YOU THE FIGURE NATURE INTENDED, NO CRASH DIETING . . . NO STARVING . . . NO RIGOROUS EXERCISE

REXALL SLIM-PAC IS GUARANTEED TO GIVE SATISFACTION OR MONEY BACK
Available only at Rexall Drug Stores

You get the BIG comfort dividends in your 59 FORD...

Some car's door openings aren't shaped to fit people! So you have to squirm and wriggle . . . make your body conform to the car when getting in and out.

To gain a low roof line, some cars end up with higher floor "humps" and thin padded rear seats . . . a combination that's mighty rough on the middlemen.

The squeezed-down, shifty roofs of some cars aren't comfortable even for hard-headed riders. And they don't keep out excessive sunlight and glare.

NO SQUIRM
Doors in 59 Fords are wider—up to six inches wider—and door openings are contoured to fit you! You get in and out of a Ford with greater ease and comfort. The girls really like Ford's doors . . . for more graceful entries and exits.

NO SQUEEZE
Fords have useable seating space for six big people. The driveshaft tunnel is lower and rear seats are deeply cushioned all the way across. This means more comfort for all passengers . . . especially for the man in the middle.

NO SQUASH
See how much more head room Ford has. Even big six-footers sit up straight without touching the roof. And Ford's big roof protects all passengers, in both front and rear seats, against the discomforts of excessive glare and heat from the sun.

Greater comfort is only the beginning of the dividends you get in a Ford. You get the World's Most Beautifully Proportioned Car. You get a big dividend in Ford prices . . . the lowest of the best-selling three. And you get saving dividends that cut costs every mile you drive. See and Act on a new Ford at your Ford Dealer's. See how you can go finer . . . with more comfort . . . for less . . . in a new Ford!
