Volume 55

Tahoka, Lynn County, Texas Friday, July 3, 1959

Number 39

Continued Rains Delay Farm Operations And Crop Growth

Rain—usually looked for with eagerness by Lynn county people—is proving a detriment to this area now.

More rain Tuesday, Tuesday night, and Wednesday came to further hamper most farmers and to harm badly some of them.

Thunder showers over the county Tuesday afternoon turned into a general rain during the night, which was very heavy in much of the east and southeast part of the county.

Tahoka received 26 inch Tuesday afternoon, and rainfall totaled 1.28 inches up until noon Wednesday as measured in the U. S. Weather Bureau gauge.

Parts of the Grassland community are reported to have received up to five inches, and the Redwine-Draw area reported three to four inches.

Whereas the rest of the county had received too much rain, the southwestern section had not received enough and there this last rain was very welcome. Crops in the southwest and south central quarter to one-third of the county are excellent but it would not have been long until they began needing rain.

About 15,000 acres of cotton in the east central, east of Tahoka, immediately north of Tahoka, and some scattered fields extending to the north county line were hailed out 10 days ago, and had been replanted.

Wednesday morning, farmers contacted by The News did not know what the outcome might be on this cotton, some of it already up and some of it just ready to come up. If the rains stop and farmers can get in the field, they say maybe they can scratch it out.

Also, in this hailed-out and washed-out area, much milk had to be replanted, and some farmers have not been able to get around to planting feed. Time is getting late for planting of feed, also, and the cotton planted late in June may not have time to make, unless weather conditions are right.

Elsewhere over the county, most farmers are covered up in weeding-fighting. Many have been hoeing, but others have not been able to catch up with the weeds.

Prospects are still bright for a big crop this year, as a whole, but outcome of crops in the damaged area is problematical.

Rainfall in Tahoka during June measured a near-record total of 7.14 inches, including the .28 inch which fell Tuesday afternoon but not including that which fell during the night Wednesday.

During the first five months of 1959, the total was 4.84 inches. Added to the June rains, the total grew to 11.98 inches for the first six months of the year. Including Wednesday's rain, up until noon, the year's total is exactly 13 inches.

Two New Oil Tests Started

Two new oil tests near production have been announced the past week; one in the northeast part of the county and one in the extreme southwest.

Leeper & Cole of Midland have announced their No. 1 Shipp, 1650 feet from the north and 2090 feet from the west lines of Section 15, Block J, EL&RR Survey, six miles east of Wilson and just west of the Sunland field. Contract depth is 4,500 feet.

South of Newmoore, in the southwest part of the county, Harold D. Jenkins of Oklahoma City will drill the No. 1 E. A. Roberts wildcat 1990 feet from the south and 600 feet from the west lines of section 8, Block C-41, PSL survey. Contract depth is 5,000 feet.

Mrs. Texas Owens was admitted Wednesday as a medical patient in Tahoka Hospital.

Little League Play-Off Set

Area Little League play-offs will be held in Lamesa beginning Thursday, July 23, and continue through Friday and Saturday evenings, with the winner advancing to the district play-offs, according to Dean Taylor.

Tahoka drew a bye the first night and will play its first game Friday afternoon at 5:30 o'clock. The first evening of the play-offs, Slaton meets Jayton and Post plays Lamesa.

Tahoka Selected For Pony Play-Off

Pony League Area III play-offs will be held in Tahoka, beginning Monday, July 26, according to A. M. Bray, who attended the area league meeting last week end.

Slaton, Garza county, and Lynn county leagues will be involved in the area play-offs, and the winner will advance to the district play-off.

Lynn county Pony League all-star team drew a bye in the play. The first game will be Monday night, July 26, at 8:00 p. m.

Tahoka will play the winner on Tuesday evening at 8:00 p. m., and a second game will follow, if needed, to determine the champion.

The local Pony League completes its schedule on July 15.

Couple Escape Burning House

A Mexican couple, Mr. and Mrs. John Hernandez, barely escaped their lives Monday night at about 11:00 o'clock when the farm house in which they were living and all their belongings were consumed by fire.

The house was on the farm of Mrs. Effie Townes, farmed by Clint Walker, nine miles south of Tahoka.

Clint says the couple was asleep and when the fire awakened them they barely had time to get out of the burning building. It is not known how the fire started in the five room house.

Youths Attending McMurry Meeting

Four young people from the First Methodist Church are attending the Northwest Texas Youth Assembly at McMurry College, Abilene, this week. They are Martha Bell, Barbara Thomas, Raymond Bagby, and Sunny Gibson.

Mrs. Roger Bell took the young people to Abilene Monday, and Conrad Cherry, youth director of the Church, will go to Abilene this Friday and return them to Tahoka.

MRS. TULLIS DIES

Mrs. Mollie Tullis, a sister of the late W. R. Rogers, was buried in Comanche Monday, June 29 at 2:30 p. m. Mrs. W. R. Rogers, Horace Rogers and Mrs. W. T. Kidwell and Karen went to Comanche for the funeral services.

Mrs. Borden Davis has been spending most of the time recently in Seminole with her aged mother, Mrs. J. F. Curry, formerly of Tahoka, whose late husband was one of the pioneer Baptist ministers of West Texas, who has been seriously ill for many months.

Mrs. Hattie Yates was admitted to the hospital this week after a car door shut on the middle finger of her left hand.

Janie Moore, 5-year-old daughter of Mr. and Mrs. Kenneth Moore was dismissed from the hospital Wednesday after undergoing an appendectomy Saturday.

Electric Camp For 4-H Clubs

Lynn county will be represented by four girls and five boys at the 4-H Club Electric Camp being held at Levelland Monday, Tuesday and Wednesday, according to Bill Griffin, County Agent. The camp is sponsored by Southwest Public Service Co. and the Extension Service.

Girls expected to attend are: JoAnn Lacy, Janice Timmons, Gail Phillips, and Martha Collard.

Boys are: Weldon Bessire, James White, Lindell Askew, Jack Wood, and Denver Ford.

Mrs. Morris Renfro, adult leader for 4-H girls, and Mr. Griffin will also attend the meeting.

During the three days, the group will study use of new developments in electricity, crafts, etc., and make a trip to Plant X. T.

Automatic Phone Is Installed Here

Another advancement in the world of automation has come to Tahoka.

This week, General Telephone has installed an "electric secretary," an automatic telephone answering unit, in the office of Clint Walker.

The robot electronic wonder answers the telephone when you call his office. If Clint is not there at the time, he leaves a message on a tape recorder which is transmitted to the person calling his number—any message he wishes to leave. The caller may hear his telephone number, or any message he desires. This message is recorded on tape. Then, when Clint comes in he can call the number left or otherwise take care of the message.

The "electronic secretary" is in operation at all times of the day or night.

Local Man Writes Wording For Song By Jimmy Rogers

Lewis Burns, 22, has had a song he wrote accepted by Jimmy Rogers, popular singer, for release soon in the latter's newest album of recordings.

Lewis wrote the words for a song he called "I Wish I Was A Star" and submitted the words to Jimmy Rogers, and the latter wrote the music for the song.

The new album of records will be on sale all over the nation in the near future, Burns has been informed.

HANES WRITES THE NEWS ABOUT IRVING SCHOOLS

W. T. Hanes, former Tahoka superintendent and now superintendent of schools in the mushrooming suburb of Dallas, Irving, whose school district was torn with strife a few years ago, has written The News a bit of information that may be of interest to people here.

The district has 10,600 scholastics for next year, an increase of 1,100 over this year. Under construction are the first wing of a 2500-student high school, three new elementary schools, an eight-room addition to another, and a new Negro school.

Hanes recently received a pleasant surprise from his school board when they tore up his old contract and gave him a new five-year contract at a substantial raise in salary.

He says Leo Jackson, former coach here and now athletic director at Irving, has 16 coaches in his department "and could be elected mayor if he ran for it." Both still value their friendships made in Tahoka.

Cecil Dorman of Newmoore reports the rain Tuesday night and Wednesday morning was "just what the doctor ordered" for his area.

Jimmy Hash O'Donnell Mayor

Jimmy Hash has been elected by O'Donnell City Council to serve out the unexpired term of J. T. (Jimmy) Forbes as mayor. Mr. Forbes recently resigned because he is president of the First National Bank of O'Donnell, and an officer of a bank which is depository for a government agency's funds can not serve as an officer of that agency.

In retiring, Mr. Forbes reported work was nearly complete on the new city hall and community building.

Other members of the council are "Shag" Garzett, Harvey Line, Hugh Lott, Homer Hardberger, and Norman Shaw. Mrs. Mood Everett is city secretary, and John Salah is city attorney.

Mrs. R. C. Coppedge was admitted to the hospital Sunday as a medical patient.

Finland Student Will Arrive Here Saturday

Veli-Tuomas Sallinen, agricultural student in Helsinki University, will arrive in Tahoka Saturday July 4, from Finland to spend eight to ten weeks as a guest of Tahoka Rotarians.

He is the fifth European young man to be brought to Tahoka for such a visit by the Rotary Club and the International Research Fund, Inc. The others have come from France, Austria, Switzerland, and Belgium.

He will arrive in Lubbock on the 5:00 p. m. bus from New York City. The first week he will spend in the Dr. Emil Prohl home and the second will be in the A. M. Bray home.

Sallinen is a senior student in the university. He is 24 years old, was reared on a farm, has served in military service and is an ensign in the reserves, and will complete his studies in the university this fall. He speaks Finnish, Swedish, German, and English. He has traveled in Germany and had a short course at Cambridge in England.

Dr. Skiles Thomas was elected vice chairman, succeeding Reasonover, who had served in this position. Tom Gill was elected board secretary succeeding Judge W. M. Mathis.

Other business of the board included the adoption of the Church budget for the new conference year which began June 1.

The Church now has more than \$25,000.00 in its building fund for future building expansion.

Insect Threat Is Light Here

The cotton insect threat has abated, at least for the time being, states County Agent Bill Griffin.

However, farmers with hail damaged cotton should especially keep a close watch as the tender new leaves are put on by these plants.

LAKES FURNISH BOATING FOR CITIZENS OF AREA

There's no need for boating and skiing enthusiasts to journey all the way down to Lake Thomas now. With Lynn county lakes filled with water, many people have been enjoying these water sports right here at home.

Several boats and a number of water skiers were having a "picnic" last week end on the lake just east of town adjoining the Post highway.

Congratulations:

Mr. and Mrs. James Olen Renfro on the birth of a son in Tahoka Hospital Saturday, June 27, weighing 8 pounds 2 ounces he has been named Charles Steven.

H. Y. Stroud, Levelland, was admitted to the hospital Monday after having fallen from a load of pipe on a truck and breaking ribs and spraining his back.

Irving Stewart has been "under the weather" the past several weeks while undergoing treatment.

Changes Made In US 87 Plans For Underpasses In Tahoka

Tahoka Closing Fourth of July

Nearly all Tahoka businesses and all the offices will be closed all day Saturday for the Fourth of July holiday.

This is one of five national holidays Tahoka business firms have voted to observe so that the proprietors and employees may have a period of rest.

However, a few businesses dealing directly with farmers feel they will have to stay open due to meet dire needs of those having to replant.

Early Settler Dies Sunday

Mrs. W. E. Henderson, 82, pioneer citizen of Lynn county and the first postmaster of Tahoka, died Sunday at 7:30 a. m. in St. John's Hospital at Santa Monica, Calif. She was the former Miss Fannie Chambers, member of one of the early day families of this county. She had lived in Los Angeles the past 37 years.

Mrs. Henderson and her late husband, who died in Los Angeles 12 years ago came to Lynn county in 1903. They helped organize the county in the spring of that year. Relatives claim she is the person who suggested the name for the town of Tahoka, the latter being taken from Tahoka Lake, seven miles to the northeast of the town. The lake was long an Indian watering place and campsite. The word is a corruption of two Comanche words meaning "deep water" or "clear water."

Following organization of the town, a postoffice was granted the new little village, and she became the first postmistress. She and her husband moved to Los Angeles in 1922.

She is survived by two daughters, Mrs. H. W. Scott and Mrs. Odessa Powell, both of Los Angeles.

Funeral services were held Tuesday and burial was in Forest Lawn Memorial Park in Glenwood Park, Calif.

O'Donnell Lady Dies Monday

Funeral services for Mrs. Ida Eugene Harris, 66, were held Tuesday at 4:00 p. m. at the O'Donnell Baptist Church with the Rev. W. G. Burton, pastor, officiating. Burial was in the Pridemore Cemetery under direction of Higginbotham Funeral Home.

A resident of Lynn county for 35 years, Mrs. Harris died at the family home in O'Donnell at 1:00 p. m. Monday following a long illness.

Mrs. Harris was born April 10, 1873, in Arkadelphia, Ark., and has been a member of the Baptist Church since the age of 17.

Survivors include three daughters, Mrs. Myrtle Burkett of Tucson, Ariz., Mrs. H. L. Cathey of O'Donnell, and Mrs. J. C. Mitchell of Greenville; two sons, W. B. of Seagraves and E. C. of O'Donnell; three sisters, Mrs. Joe Petty of Vernon, Mrs. Charles Carr of Sotella, and Mrs. Charles Roderick of Bonham; one brother, W. L. Denson of Commerce; 24 grandchildren, 27 great grandchildren, and two great, great-grandchildren.

Clean-Up Week Is Big Success

"We have never had the people of Tahoka cooperate better during a clean-up week," Warren Smith and Evon Wilson, City employees, told Mayor H. B. McCord Sr.

During the week, 26 big truck loads of trash, in addition to the regular hauls, were taken to the dump grounds. Most citizens cooperated by cleaning up their premises and placing the trash in convenient piles in their alleys.

COACH MOVES TO TAHOKA

Coach J. D. Atwell and family this week moved in to the Roy Everett home on North Sixth St. Roy expects to move to Lubbock soon.

Mr. Atwell is the new football coach of Tahoka High School, moving here from Farwell. His assistant, Maurice Hodges, a recent graduate of Eastern New Mexico University at Portales, expects to move here at an early date.

ABBBIE WHORTON WINS PRIZE

In last week's edition The News failed to list Abbie Whorton as a trophy winner of the Big Spring golf tournament held Wednesday, June 24. She was presented the trophy for having low net in the nine-hole flight.

Mrs. James Dorman is improving slowly in the hospital, having been admitted about three weeks ago.

The public hearing on construction of the new four-lane U. S. 87 highway through Tahoka will be held Wednesday, July 15, at 10:00 a. m. in the Lynn county court house, according to A. W. Partain of Lamesa, resident engineer of Texas Highway Department.

The meeting is required by the Federal government for the purpose of discussing proposed location and route of the new highway. The section involved is from two miles north of Tahoka to one mile south of Tahoka.

Contracts were signed several months ago by the City of Tahoka and County of Lynn with the State and Federal governments for a new route through Tahoka, but technically it is still possible to change the route if all agencies were agreeable.

Cost of the right-of-way, estimated at \$200,000, will be paid 50 percent by the State and Federal governments and 25 percent each by the City and County. Tahoka has voted \$50,000 bonds for its share.

Mr. Partain says engineering plans have been changed in recent weeks, and he thinks the new plans will be much more acceptable by all concerned.

Major change is at two of the three proposed intersections. At the intersection of US 87 with US 380, two blocks east of the present intersection, new plans call for US 87 to go under US 380, and the east-west highway, US 380 would remain at the present ground level. The through routes of US 87 would go under the other highway by way of an excavation. The traffic exchange involved would consist of side roads at ground level leaving US 87 to left and right to turn onto US 380 east or west, or the same modified cloverleaf as originally planned except that 87 would go under 380 instead of over it. This would involve an excavation instead of a high dump. Mr. Partain said a storm sewer would be installed to carry away water from any large rain that might fall.

Also, at the south edge of town, north of the old Draper home, there would be another excavation near the lake for U. S. 87, and at this traffic exchange the cemetery road and access to Tahoka US 87 would go over the main highway.

Plans for the overpass and traffic exchange north of town, at the old drive-in theatre site, would remain the same as planned.

All persons interested in this project are asked to attend the meeting on July 15, when Highway Department engineers will be present to explain the plans and answer questions.

Negro School Loss Estimated

Estimate on the cost of reconstruction of the Dunbar School building has been set at about \$7,000, according to Supt. Otis Spears.

This will just about be covered by the insurance he said. Roof, steel beams, and a part of the walls were destroyed Monday night of last week in the high wind, or twister, which struck eastern Tahoka.

The building was new, erected last year at a cost of about \$13,000. The wind lifted off and destroyed the roof and pulled the steel beams out of their resting places in the concrete tile building.

Mrs. Grover Tomlinson, Sue and Louella left Thursday morning for McPherson, Kan. to visit their mother and grandmother. They were accompanied as far as Ponca City, Okla., by Sharon and Brenda Drager, who will visit their brother, Jimmy and his wife.

Buy, build, live in Tahoka.

E. R. BLAKNEY ELLIS BARNES
O. E. TERRY W. L. (Cap) ROWE
ELMER BLANKENSHIP

Virgil White of O'Donnell, has just completed rootplowing five acres of mesquite land on his farm south of Tahoka. White plans to reseed this area to a native grass after it has been smoothed. This is a part of the Great Plains Conservation plan written for his farm. Government cost share is set up for this and other permanent conservation practices on this plan.

Application for Great Plains assistance were received from Otis Davis and K. R. Durham last week. Anyone who is interested in this program may apply at the local Soil Conservation Service office or through your Soil Conservation District.

"Conservation touches every phase of civilized life, and its everybody's business because it deals with the resources by which we live."—Charles Brannon.

George Williamson and D. A. Martin plan to install underground

concrete pipeline as a part of the conservation irrigation systems already started on their farms.

L. W. Cannon, who farms north east of Lakeview, is constructing a diversion terrace on his farm. This practice qualifies for cost share payment under the ACD

"The real wealth of our nation—program. foods, minerals and fiber—comes from the soil, and conservation practices are prolonging the soil's usefulness for decades, even centuries."—John F. Cunningham, Dean of Agriculture, Ohio State University.

EDUCATOR VISITS TAHOKA

Rex Jackson and wife of Austin have been here off-and-on this week visiting his sister, Mrs. Pauline Smith Goff, while checking the state colleges at San Angelo and Alpine. He was reared at Draw, formerly was on the faculty of the University of Texas, and now is supervisor of higher education for the State of Texas.

On June 4, 1944, the destroyer escorts Jenks, Chappelle and Pillsbury, with the escort carrier Guadalupe, captured the German submarine U-505 in the Atlantic. This was the first time in 130 years that the U. S. Navy boarded and declared as a prize of war, an enemy vessel on the high seas. The U-505 is presently on display at the Museum of Science and Industry in Chicago, Ill.

Rotarians Tell Of Trip To N. Y.

Three Tahoka Rotary Club members, Mitchell Williams, Harold Green, and Dr. Skiles Thomas, who attended the recent Rotary International convention in New York City, accompanied by their families, told of the meeting at the local club last Thursday.

Williams, the incoming president and official delegate from the Tahoka club to the international meeting, was the principal speaker.

He said New York and Madison Square Garden proved to be an ideal place for the meeting, and New Yorkers went all out to be hospitable.

There were 15,462 Rotarians and guests registered at the meeting, not including 964 children, from 73 of the 118 nations in which Rotary has clubs.

He said the opening meeting was impressive when 16,000 people rose to sing Rotary songs, led by Walter Jackson of Houston, Texas. Guy Lombardo's orchestra had been featured on an opening entertainment program.

First day speakers included Mayor Robert Wagner of New York City, Governor Nelson A. Rockefeller, governor of the state, and Harold Thomas of Auckland, New Zealand. There were 53 vocational craft assemblies in the afternoon. That night, entertainment was by Eddie Arnold and Minnie Pearl, some Metropolitan Opera stars, Ray McOrchestra, and Victor Borger.

He told of the "Youth Hub" in the Manhattan Hotel, which furnished entertainment for young visitors, and the "House of Friendship" in the grand ballroom of the Hotel Astor, where delegates gathered to visit with others from all over the world.

Tuesday's program included a panel of experts on world problems sponsored by Newsweek, an outstanding talk by Author Pearl Buck on youth problems, assemblies for club officers, and fellowship dinners.

Wednesday's sessions featured a talk by Dr. Marcus Block, a stage panorama with 200 in the cast on the subject, "Seven Paths to Peace," in which Susan Thomas, daughter of Dr. and Mrs. Skiles Thomas, was one of the actors.

That night at the President's Ball, the orchestras of Sammy Kaye and Tito Queñe furnished the music, and Mrs. Harold Green was one of those called to the stage to direct a number of Sammy Kaye.

Thursday, an address by Dag Hammersheld, president of United Nations, was the program feature. The new officers were installed, and J. Edd McLaughlin of Dallas was introduced as the vice president line for president in 1960-61.

Harold Green told of some of the events omitted by Williams, including a meeting on "What We Can Do in Our Communities." He told of an impressive style show for the ladies, an all-day party for kids at Jones Beach, a boat ride up the Hudson River, and his visit to the United Nations Building. He also told of seeing a Yankee baseball game.

Dr. Thomas told of still other events, including an impressive panel discussion by wire from France, England, Germany and Japan. He also told of the vocational meeting of doctors and briefly of the American Medical Association meeting in Atlantic City, New Jersey, which he also attended.

Dr. K. R. Durham was in charge of the program.

President Otis Spears announced Wynne Collier and Larry Hagood will be in charge of July programs.

GROWING CROPS NEED A BALANCED DIET OF NUTRIENTS

VERNON FARRAR — "To me this liquid nitrogen is not a new type fertilizer. I pretty well know what it will do for my crops. This is my third year to use it and I'm more pleased with the results every time," said Vernon Farrar, who farms four miles northwest of Brownfield. He added: "So far I have what I think is a balanced fertilizer program. By this I mean that by putting down 60 pounds of nitrogen and 50 pounds of phosphate before planting, and now coming back and adding another 49 pounds of nitrogen I think that it will pay off to feed the plants when they are hungry." Farrar has 152 acres of irrigated cotton and farms 3/4 of a section. "I don't go along with the idea of putting down all your fertilizer at one time. That's kind of like eating one big meal a day. You may be saving a little time, but are you sure that your crop isn't hungry at supper time? That, to me, is one of the best arguments of why it pays to side-dress. Along about bloom-time is 'supper time' for cotton," Farrar said.

WHY ARE YOU USING FERTILIZERS? The practice of applying fertilizers to crops should be a profitable one. Not only is the farmer concerned in making applications of fertilizers a paying practice, but the fertilizer manufacturers also desire that the farmer should realize a profit from the use of their products.

WHAT IS THE FUNCTION OF FERTILIZERS? The primary purpose of fertilizers is to supply plant nutrients to growing crops. Besides supplying nutrients, fertilizers may often influence plants in other ways, and may also bring about marked changes in the characteristics of the soil.

OBJECT IN USING FERTILIZERS: Let's get down to brass tacks. The primary objective for the use of fertilizers is to increase your crop yield, which in turn will increase your net profit. True, there are limiting factors to be considered in the use of fertilizers—such as climatic conditions, soils leaching and high or low contents of organic matter.

LET'S CONSIDER: If all the above be true, and experiments have proven it to be, then why go to all the expense of applying fertilizer if it isn't applied when the crop—producer of your profit—needs it most. With most field crops, the application of fertilizers should be sufficient to keep the plants thrifty with good growth and setting of fruit. Plants receiving sufficient amounts of nutrients, at the proper times, appear to be better able to utilize the plants that are applied.

SIDE-DRESSING—If you find that your crop is not doing what it should be doing, and that water has not been a limiting factor to crop growth, and that insect or disease pests are not prevalent, then an effort should be made to find out what plant nutrients are deficient and then applications should be made to remedy the situation. Liquid fertilizer is one of the best ways to side-dress because it is in a state of neutrality, suspended in water and ready to go to work immediately, supplying the needed nutrients necessary for a balanced diet for your crop.

Adams was the father of T. L. Adams who owns and operates the Pleasant Valley Gin. Our deepest sympathy is extended to the Adams family.

Mrs. G. D. Ellis underwent major surgery in Mercy Hospital, Slaton, last Tuesday. At last report she was doing nicely. All her children have visited during her illness.

The Southland Baptist Church had their Bible school commencement last Friday night.

Mrs. Martin Edmunds left last Sunday for Nebraska where she will visit relatives.

Ed Milliken, who has been ill for some time, is doing very well. Their visitors the last week were two sons, Don and Ralph Milliken from Wolforth. Another son, Mr. and Mrs. Byron Milliken, two daughters from Lakeview, Mrs. D. H. Haichett of Lubbock, Mrs. Bill Swann from Idalou. Others were Mrs. Noble Wynn, Mr. and Mrs. Kenneth Warshaw and sons, Ronnie and Wayne, Lois Baker, Mr. and Mrs. Robert Mock and Mrs. H. W. Seals.

Mr. T. L. Ainsworth from Hereford visited with Mr. and Mrs. Jack Hargrove and Joe last Tuesday week.

Spending the night last Monday with Mr. and Mrs. Fred Davidson and Louise were Mr. and Mrs. Bryon Caraway from McKenney and Charlie Buchanan from Trent.

Mrs. Cieta Young, sister of Ed Milliken, is in the Mercy Hospital, Slaton, suffering with arthritis. Mrs. Young has been there two or more weeks.

Visitors in the home of Mr. and Mrs. W. P. Lester last week, were her two sisters, Miss Leonard Ingle and Mrs. G. E. Davis from Grandview. They returned home last Monday. Mrs. Lester and her granddaughter, Deneice Duff, Levelland went home with them for a visit.

Mr. and Mrs. J. W. Minton and two daughters, Lanita and Debbie of Pomona, Calif., spent some time last week with her brother, Mr. and Mrs. Weldon McGeehee and family.

Spending the day recently with Mr. and Mrs. Jack Myers and fami-

CLARENCE CHURCH HOME AT WILSON IS FINE ONE

One of the finest new homes in Lynn county built this year is that of Mr. and Mrs. Clarence Church of Wilson.

Built of brick on a spacious lot in the west part of the town, across from City Park, the home has three bedrooms, living room, large family room, glassed-in back porch, kitchen and dining area, service room, 2 1/2 baths, double garage, and several large walk-in closets.

Also, Clarence has his personal den in which he can "get away from it all" to work on his books or watch television. He admits his room is also a favorite hang-out of his son and nephew.

The new home is directly east of the also fine home of Mr. and Mrs. G. (Bill) Lumsden, built last year.

Several other nice homes have been erected in Wilson during the past few months, including a nice brick home built by Mr. and Mrs. Sam Gatzki.

It costs like heck to have a wreck.

ly were his father, Mr. and Mrs. K. D. Myers, two brothers, Mr. and Mrs. D. A. Myers and Mr. and Mrs. Bill Myers. Other visitors in the Myers home include Annetta Stephens from Big Lake, and Wyleen Tinnell from Seminole.

Mrs. W. J. Kuykendall is ill at her home this week, suffering with a heart ailment. Among her visitors was Mrs. B. J. Wood of Midland.

Mrs. Elmer Hitt went to Abilene last week to visit her son Jerry. Visiting in the home of Mr. and Mrs. Earl Morris is her sister, Mrs. W. J. Shepherd of Houston.

Mrs. O. M. Hart from Spur spent last week with her daughter, Mr. and Mrs. Jack Myers and family.

Mrs. Jack Myers spent last Thursday with her sister-in-law, Mrs. Bill Myers, who underwent major surgery in a hospital at Crosbyton.

Everyday Religion

By J. B. Thompson

My first automobile was a used (up) 1921 Model T Ford Roadster. It was not very much to look at compared to today's slick models but it got me to my college classes and preaching appointments on time.

It did not have power brakes or power steering. As to airconditioning—whatever condition the air was in what I got. I did not have a speedometer but I could tell about how fast I was going by the shakes and rattles. I was proud of it then and would be even prouder to have it around today. I could charge admission to see it.

To see it along side today's crop of beauties would make one believe in evolution—that is until you looked at the driver. The driver is not much smarter than he was then.

It had one advantage over the modern models—you walked up to it, climbed in and sat up. Today you crawl in and sit up. Today you crawl in and lie down. Any way—I started out to say that the little Ford that cost me one hundred dollars served me through the final days of my courtship and through a year in college and preaching to six country churches and I was sorry to see it go. I thought I was able to afford a better one so I let it go and went in debt for another which I thought was more in keeping with the neighbor's car. Ever since then I have had a hard time keeping the wolf away from the garage door.

Mrs. Dell Reagan of Floydada visited here the first of the week with her sisters, Mrs. Frank Hill and Mrs. Harold Henderson.

Mr. and Mrs. Owen Schneider and daughter, Linda, returned last week from a vacation to Louisiana.

REV. THOMPSON'S SON ENTERS NEW FIELD

Rev. and Mrs. J. B. Thompson went to Pampa this week to help move their son, Charles, and family to Irving.

Charles has assumed a position with the Texas Educational Aids Company of Dallas, and he will work with churches in audio-visual programming and equipment.

He has served as religious education director at Corsicana and Pampa since graduating from McMurry College in 1956, and has directed singing and youth work in Tahoka Methodist Church the last two years in revivals.

Dickie Dorch of Irving returned with his grandparents for a visit in Tahoka.

Try The News Classified Ads.

Mrs. Abe Burgess, 63, of New Home, underwent major surgery Thursday of last week.

Mr. Tax-payer:

Which of these pipes will your city use?

Texas-made Lone Star cast iron pressure pipe will last over a hundred years!

The use of cheap substitutes, such as foreign made cement-asbestos pipe, is wasteful and means probable replacement in a very few years. (This pipe was taken from a Texas city's water system. Photo is unretouched.)

Officials of most Texas municipalities know that when they buy and install cast iron pipe they are helping to support the American economy and the high standard of living we all enjoy. They are buying products made in America for use by Americans. They are not fooled by the slightly lower initial cost of foreign goods because they realize that this "paper savings" will be more than offset by the cost of excessive maintenance.

Domestic cast iron pressure pipe is time-honored, centuries-proved, and is backed by strong, resourceful American companies that will be in business for years on end to guarantee their product.

Really, who backs foreign-made pipe? Who answers for it when it fails? To whom will the few all-advised pipe-buyers look for the answers to these questions when trouble develops? Were they penny wise and pound foolish?

Take a look at some of these important factors back of the initial price tag, then pick up the telephone and call the first city official you think of and tell him you appreciate his good judgment in buying American-made cast iron pipe with your tax dollars. If he has been buying Lone Star pipe, tell him that we, too, appreciate the business!

Foreign products used in America deprive Americans of work

Cast iron pipe, such as Lone Star's dependable pressure pipe, will last for over a hundred years. It saves millions in tax dollars by eliminating repeated repairs that are inherent in cheap, foreign-made substitutes. Lone Star pipe bears the "quality check" of the Cast Iron Pipe Research Association and the approval of Underwriters' Laboratories, Inc.

Wilson News

MRS. FRANK SMITH
Correspondent

Tommy Fountain of Amarillo was a supper guest of his paternal grandmother, Mrs. H. C. Fountain Saturday and spent Saturday night with his maternal grandparents, Mr. and Mrs. Charlie Campbell.

Mr. and Mrs. Lawrence Cook and daughter have moved to Wilson from Post to make their home in one of the new teacherages. Mr. Cook is the new assistant football coach.

Mr. and Mrs. J. M. Hughes and children of Vero Beach, Florida, are visiting Mrs. Hughes' mother, Mrs. B. F. Smalley and Mr. Smalley, and her sister, Mrs. Zolie Moore, and family. Other visitors in the Smalley home Sunday were Mrs. Grady Reed and daughters of Matador and Mrs. Naomi Davis and children of Slaton.

Mrs. John Henderson has been ill and in the Slaton hospital from Tuesday until Thursday suffering from a virus infection.

Visiting in the Fred Steinhäuser home Sunday were Mr. and Mrs. C. W. Gindorf of Southland, Mr. and Mrs. Grady Montgomery and daughter of Slaton, Mrs. Pearl Bruegigam, and Mrs. Walter Steinhäuser, both of Wilson.

Mr. and Mrs. Willie Nleman of Lakeview accompanied by Mr. Nleman's mother, Mrs. Katie Nleman visited Sunday in the home of Mr. and Mrs. Bill Schneider. Other visitors in the Schneider home were Messrs and Mmes Truett Schneider and family, Owen Schneider and daughter, D. R. Adamson and family all of Tahoka; also Willie Alton Nleman of Lakeview.

Donald Gryder, who has been living in Lubbock spent last week in Wilson with his parents, Mr. and Mrs. Carl Gryder. Donald returned to Lubbock Monday morning to resume work with an airconditioning company.

Miss Charlene Riddle and her fiancé, Tom Henry Stevenson, both of Abilene were guests Sunday in the home of Charlene's grandparents, Mr. and Mrs. Ollie Riddle. Other guests in the Ollie Riddle home Sunday were Mr. and Mrs. A. D. Riddle and family and Mr. and Mrs. R. L. Christopher and family.

Cynthia and Ronnie Anders are in Albuquerque, N. M. for an indefinite visit.

Mr. and Mrs. Thad Smith re-

turned Monday from a few days' visit in Alamogordo, N. M. as guests of their son, Bobbie Joe Smith, and family.

Mr. and Mrs. Earnest Allison of San Benito have been visiting in the home of their son-in-law and daughter, Rev. and Mrs. H. F. Scott and son Mark. The Allisons also visited in Levelland.

Mr. and Mrs. Roger Blakney and twin daughters, Rhonda and Lorna, attended a housewarming in Lubbock for Mr. and Mrs. Roy Lee Williams Sunday.

Sue and Cherry Campbell, daughters of Mr. and Mrs. Jasper Campbell are taking sewing lessons at the Singer shop in Lubbock.

Captain and Mrs. Lynn Murray and daughters of Lawton, Okla., spent the week end with Captain Murray's parents, Mr. and Mrs. Mart Murray.

Mrs. Doyle Hackney of Melissa has been visiting her son-in-law and daughter, Mr. and Mrs. Ray Craft, for the past two weeks.

Mr. and Mrs. Phil Davidson and daughter of Arizona, are visiting in the home of Mr. and Mrs. Howard Cook. The Davidsons taught in Wilson in the late 1930's.

Mr. and Mrs. Robert Taylor of Compton, California, are visiting the Jessa Earwoods, the Edward Taylors, and the R. T. Moores for about two weeks.

Mrs. H. C. Fountain had as guests Sunday Mr. and Mrs. Earl Tunnell of Tahoka, Mrs. Bill Deaver of Slaton and Mr. and Mrs. J. T. Fountain of Amarillo.

Mr. and Mrs. Zolie Moore, Mr. and Mrs. J. M. Hughes of Vero Beach, Florida, and Mr. and Mrs. Dwayne Walters of Slaton enjoyed supper at Underwoods in Lubbock Thursday night.

Friends will be happy to learn that Mrs. Carl Stone is recuperating nicely in her home after undergoing major surgery in Lubbock last week.

Mr. and Mrs. R. L. Christopher visited their daughters, Mrs. E. W. Roe and Mr. Roe, in Tahoka Saturday.

Mr. and Mrs. E. T. Smith of Lubbock visited Mr. Smith's brother Thad Smith, and family Sunday night.

Mr. and Mrs. J. R. Newcomer of Hartsville, South Carolina arrived Saturday for a several days visit with Mrs. Newcomer's parents, Mr. and Mrs. Mart Murray and with Mrs. Newcomer's parents in Big Spring.

Mrs. Grover Coleman was returned home Sunday after undergoing surgery in West Texas Hospital, Lubbock, last week. Mrs. Coleman is getting along nicely.

Mr. and Mrs. Chester Campbell returned Sunday night from a wedding trip to various spots in Colorado and New Mexico.

Mr. and Mrs. Floyd Heck and daughter, Lynda and Linda Fields, attended the Rural Letter Carriers picnic at MacKenzie Park in Lubbock Saturday night.

Mr. and Mrs. John W. Wilson of Lubbock spent Sunday with Mr. and Mrs. Howard Cook.

Mr. and Mrs. Jim Brock and daughter, Gladys, returned home Tuesday from a several day's visit with relatives in Jacksonville and Irene.

Misses Shirley Behrend and Geneva Wuensche returned Monday from Huntsville where they attended a Texas district Walther League Convention. The convention is an annual affair.

Mr. and Mrs. Claude Coleman returned Monday from Lipan where they had attended funeral services for a girlhood friend of Mrs. Coleman's.

Mrs. Walter Ray Steen honored her sister, Nita Hewlett of Lubbock, with a birthday luncheon Sunday. Present were Mr. and Mrs. Harry Hewlett and family and Mr. and Mrs. Walter Ray Steen and family.

Mr. and Mrs. Floyd Heck and daughter, Lynda, visited Mr. and Mrs. L. G. Thuette, Jim, was a day. Mrs. Thuette has recently undergone minor surgery in a Post hospital.

Mr. and Mrs. Jim Reeves, former Wilson residents, who now reside in Dallas, visited Mr. and Mrs. Carl Stone Saturday. Other visitors in the Stone home were Mr. and Mrs. Polk of Tahoka.

Mr. and Mrs. Lloyd McCormack, Jr. spent several days last week in the home of Lloyd's parents, Mr. and Mrs. L. R. McCormack Sr., of Lubbock. The elder Mrs. McCormack has been ill with an inner ear infection which had caused her

Senator Preston Smith

If fireworks start in the House soon, the cause more than likely will be Rep. Frates Seeligson's new "luxury sales and use tax" which levies a two per cent tax on "luxury goods" in excess of \$50.

Seeligson, who early in the 56th Legislature received statewide attention with his general sales tax plan, gives luxury goods to be affected by his new bill (HB 18) as follows:

"Luxury goods means any article of tangible property selling for an amount in excess of \$50, and which may be seen, weighed, measured, felt or touched, or which is in any other manner perceptible to the senses. Luxury goods does not include real property."

Seeligson refers to his tax plan as a "\$50 deductible" tax. Under the plan, if you purchase a \$55 luxury item you would only pay the two percent tax on the amount over \$50. The tax applies to each separate sale.

To prevent evasion, the bill would require that any seller that sold units separately when actually the units were all to be used together would be guilty of a misdemeanor. To illustrate this point, Seeligson said a typical attempt at evasion might be to sell a man's suit as two units—one coat, and one pair of trousers, in order to make two sales under \$50.

Mike Coleman was honored with a birthday supper Sunday night. Helping Mike enjoy the delicious meal and viewing the gifts were his great uncle and aunt, Mr. and Mrs. Dewey Winstead of Lubbock and Mr. and Mrs. Frank Smith.

John Mack Hewlett of Ropesville was a lunch guest of his brother and sister-in-law, Mr. and Mrs. Harry Hewlett and family, Wednesday.

Mr. and Mrs. Ollie Riddle were in Tahoka Saturday.

Chris Coleman, small son of Mr. and Mrs. Jim Coleman underwent surgery for removal of his tonsils and adenoids Wednesday at Methodist Hospital in Lubbock. Sunday night Chris had to be taken back to the hospital after he started hemorrhaging but was returned to his home Monday.

The Seeligson measure provides that the two per cent tax would be paid by both the buyer and the seller—at one percent each. The sellers would collect the tax and quarterly payments to the state.

There are a series of exemptions, including automobiles, already taxed by a separate sales tax. An airplane would be taxed two percent over \$50, unless the sale was to interstate carriers, foreign governments and non-residents. The bill has been interpreted to carry the tax of pleasure boats, motors and trailers. Other exemptions include food "of whatever nature purchased for human consumption."

Seeligson's "luxury and sales tax" will very definitely figure into "compromise talk" now heard in both houses. Unyielding legislators call the measure only a wedge to pave the way for a future Texas sales tax.

CARD OF THANKS

I would like to take this opportunity to thank everyone for all the nice things done during my recent illness and stay in Mercy Hospital; to those who sent letters, cards and flowers, and to those who made personal visits. Every thoughtful expression and every deed performed were appreciated.

Thanks again and God bless you everyone.—Mrs. Lewis Murray.

Mrs. G. D. Ellis of Southland and mother of Mrs. Lewis Murray underwent surgery at Mercy Hospital in Slaton Tuesday. She is reported to be improving nicely.

Take a tip from the experts . . . in their own words . . . and from on-the-record facts and figures: More than ever, Chevrolet gives you more than any other of the leading low-priced three! More room to relax in, for instance. A sampling of official dimensions reported to A.M.A.* makes this clear. Chevy front seat hip room, for one thing, is up to 5.9 inches wider than comparable cars. And Chevy even offers more front seat head room than all but one of the high-priced cars!

Best Brakes Not only bigger, but built with bonded linings for up to 66% longer life. Just to prove what's what, Chevy out-stopped both of the "other two" in a NASCAR†-conducted test of repeated stops from highway speeds.

Best Style It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

Best Engine Every motor magazine has given Chevrolet's standard and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: ". . . surely the most wonderfully responsive engine available today at any price."

Best Ride MOTOR TREND magazine calls Chevy ". . . the smoothest, most quiet, softest riding car in its price class." You'll be able to tell this yourself instantly, once you take the wheel.

Best Economy No doubt about this: two Chevrolet 6's won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car: 22.38 miles per gallon—with Powerglide.

Best Trade-In Check in any N.A.D.A.† Guide Book. Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two."

Pythian Sisters Hold Picnic

The Pythian Sisters of Lynn Temple No. 45 were entertained in the back yard of the O. L. Kidwell home Tuesday night, June 30.

The losing team of a recent contest entertained the winning team by serving a supper of fried chicken, beans, salads, and all the trimmings and home-made ice cream.

The members of the temple presented Mrs. Eulalia Richardson, Grand Musician, with an engraved leather briefcase.

Approximately 32 members attended the occasion which was thoroughly enjoyed by all.

CORRECTION MADE IN PYTHIAN INSTALLATION

In the article of the Pythian Sisters last week concerning the installation of Mrs. Thelma Oliver, The News has this correction to make. The News stated that J. B. Oliver presented his wife with an engraved white leather briefcase, the crown and lovely corsages. Actually he presented her an engraved white Bible, and members of Lynn Temple presented her the other items.

Tea Is Held By Pythian Sisters

A reception was given by the Pythian ladies of Temple No. 45 on June 21 at the Legion City Building honoring Grand Chief, Thelma Oliver and Grand Musician, Eulalia Richardson.

In the receiving line were Senior Vice, Bertha Williams; P. C., Hannah Nordyke; Grand Chief, Thelma Oliver and Grand Musician, Eulalia Richardson.

The registration table was covered with a cut linen table cloth and centered with a bouquet of beautiful red roses. Dorothy Kidwell presided over the registration book for the Grand Chief and M. E. C. Lucy Brice for the Grand Musician.

The serving table, covered with a beautiful cut work table cloth, was decorated with two round reflectors surrounded with red roses and crystal candelabra with red candles. On each reflector was placed a red velvet pillow which held the beautiful jeweled crown for the Grand Chief and a glittering miniature grand piano and bench for the Grand Musician. Peggy Pat Park was chairman of the decoration committee. Delicious red punch, nuts and angel food squares, decorated with red rose buds, were served from a beautiful Early American crystal punch service by Ferne Lewis, Patsy Brookshire and Wanda Glenn.

Others in the house party included Corine Cathcart; Emma Halameck, Blanch Burrough, Thelma Sherrod, Gladys Cobb and other ladies of the temple. All the ladies dressed in beautiful pink formal except the state officers, who wore their chosen colors of white. A number of Tahoka people attended.

Out of town guests were Robert Hill and Mayme Hill, Big Spring; Mr. and Mrs. B. F. Warlick, Lubbock; Margaret Phillips, Christine Weathers, P. G. J., Alice Anglin, G. G., all from Friendship No. 55, Lubbock; Ina Belle Ater, P. G. C., Faye Harris and Sue Kelly, all of Lubbock No. 135; Velma Bartlett, Ella Schmidt, Mr. and Mrs. S. F. Reynolds, Edith Blackstock and Sally Turnbow, all of Lamesa; and Lou Calvery of Florey, Texas, a P. C. of Lynn Temple.

He (Barnabas) was a good man, full of the Holy Spirit and of faith. (Acts 11:24.)

In the New Testament we have reference giving insight into the life and character of Barnabas.

Luke says of him, "He was a good man." Only a good man would sell his land and lay all the money at the apostles' feet. In the early days of the church it took a good man to see that the gospel was meant for the Greeks as well as for the Jews. It took a man of spiritual insight to see the capabilities of Saul, the new convert to the faith.

Barnabas was "full of the Holy Spirit." The apostles surnamed him Barnabas, meaning "son of encouragement." They sent him out to tell others of Christ and teach and encourage the believers.

Barnabas was a man "of faith"—faith in God and in the church. He had faith in others. He convinced the apostles that Saul of Tarsus was worthy of acceptance into their fellowship. Later on, Barnabas remained steadfast in his faith in Mark when Paul had lost confidence in him.

Luke has paid deservedly high tribute to Barnabas in his simple statement: "He was a good man, full of the Holy Spirit and faith."

PRAYER
Our Father, we thank Thee for godly persons of the past and of the present. We thank Thee that by Thy grace we, too, can walk in the

light of Christ amid the darkness of this world. In Christ's redemption we pray. Amen.
THOUGHT FOR THE DAY
Godliness begins in us with our acceptance of Christ as our personal Saviour.

The story of

WILLIAM ALLEN WHITE and The Church Bell

"I don't need to advertise," an established merchant in Kansas once told William Allen White, renowned publisher of The Emporia Gazette. "Everybody knows me and knows what I sell."

"In that event," replied the thoughtful publisher, "we can dispense with the oldest advertising medium for the oldest institution in the world. See that church down the street," continued Mr. White, pointing to one of Emporia's oldest and most beautiful structures. "That church has been established here for many years. Everyone knows what it is and what it does. In the tower of the church is a bell and every Sunday it rings out to remind folks to come to church."

"Shoppers go where they are invited and stay where they are well treated," concluded the publisher.

"Regardless of how well established a firm may be, newspaper advertising is a repeated invitation and a reminder to come and do business with that store."

Miss JoAnn Curry And Robert B. Kukulka United In Marriage At Lubbock Church

Twin rings were exchanged by Miss JoAnn Curry and Robert B. Kukulka in a ceremony read by the Rev. Harry C. Bielski at St. Elizabeth's Catholic Church, Lubbock, at 9:00 a. m. Saturday.

Parents of the couple are Mr. and Mrs. Otis Curry and Mr. and Mrs. Brownie Kukulka of Elmira, N. Y. Given in marriage by her father the bride wore a gown of imported Chantilly lace and tulle over taffeta designed with a portrait neckline outlined in appliques of lace. Iridescent sequins dusted the lace at the top. The sculptured bodice had long petal point sleeves. A bouffant floor length skirt had a cascade of alternating tiers of lace and tulle flowing to a chapel train at back. Her corsage was an arrangement of white roses with satin streamers.

Miss Ruth Curry, sister of the bride, was maid of honor, and bridesmaids were Miss Martha Curry, the bride's sister; Mrs. Sandra Jourden, Mrs. June Pinkston of Rails and Miss Judy Reeves of Bledsoe, cousin of the bride. They wore dresses of pink nylon designed with full skirts and large sleeves. They wore white feather hats.

The bridegroom's father served as best man. Ushers were Daniel McIntire of Levelland, Richard

Bear and Edward Johnson of Reese and Robert Curry, brother of the bride.

Wedding music was provided by Mrs. Jack Henry.

Following the reception in the church, the couple left on a honeymoon trip to Albuquerque, N. M. The bride wore a green suit with white feather hat and white accessories. They will reside in Lubbock at 2104 28th St.

Mrs. Kukulka is a graduate of Tahoka High School and her husband graduated from Thomas A. Edison High School at Elmira Heights, N. Y. He is in the Air Force and stationed at Reese Air Force Base.

Wilson WSCS In Social Meeting

(By Mrs. Frank Smith)
The W. S. C. S. of the Wilson Methodist Church met Monday afternoon in the home of Mrs. Clarence Church for their monthly social.

Mrs. Charlie Campbell gave a call to worship and a prayer. The group then sang "I Need Thee Every Hour" after which Mrs. Church and daughter, Joyce, rendered an organ and piano duet "What a Friend We Have in Jesus." Mrs. J. O. King presented a devotional on the Lord's Prayer, after which a business meeting was held.

Refreshments were served to Mrs. J. W. Lamb, F. B. Riney, Claude Coleman, Jim Coleman, Luke Coleman, Chester Swope, Glen Ward, Harold Rucker, J. O. King, Charlie Campbell, Clarence Church, and the three small children of Mrs. Jim Coleman.

It costs like heck to have a wreck.

MRS. BOBBY LEHMAN

Farewell Party For Ralph Droege

(By Mrs. Frank Smith)
The Weather League of the St. Paul's Lutheran Church turned their regular monthly social into a farewell party Sunday night for Ralph Droege, who has been teaching in the St. Paul's parochial school for the past eight years.

Mr. Droege is moving to Odessa where he has accepted a position in the parochial school there.

The social was held at the home of Mr. and Mrs. Hubert Teinert, counselors. Games were directed by Kathleen Heinemeier and Ronni Nolte. The group then enjoyed a weiner roast and home-made ice cream.

Present were Barbara, Nancy Jerene and Betty Wuensche, Jerlene Wied, Carolyn Luker, Margie and Charlene Talkmitt, Shirley and Sandra Behrend, Judy and Kathleen Heinemeier and Arnell Lehman. Also James and Allen Wuensche, Bobby Wied, Jimmy Gieklhorn, Lawrence and Norman Luker, Mike Moerbe, Melvin Lehman, Buddy Kaatz, Donald Herzog, Ronnie and Roy Nolte, Ralph Droege, and Mr. and Mrs. Teinert.

Mrs. A. J. Kaddatz was due to arrive home this week after having spent three weeks with her daughter in Oregon.

Mr. and Mrs. George Glenn and family left Sunday for a vacation trip to Louisiana where they will visit his sister.

Sandra Shopmaker And Bob Lehman Married Saturday

Miss Sandra Lee Shopmaker, daughter of Mr. and Mrs. Leonard Shopmaker of Kansas City, Mo., became the bride of Robert Lehman, son of Mr. and Mrs. A. N. Lehman, Saturday night, June 27, at the Hotel Muehlebach in Kansas City.

The ceremony took place beneath an umbrella decorated in white embroidered organdy fans garlanded in peach majestic daisies and ivy. Wrought iron candelabra holding peach burning tapers and decorated in white organdy fans and commodore foliage completed the settings. The bride's gown was decorated in nurracane candelabra entwined in smilax and peach shaded majestic daisies and holding burning tapers with etched hurricane globes.

Rabbi Stanley J. Schachter and Cantor Jacob Rothblatt of Congregation Beth Shalom officiated.

Mr. Lehman, who has been teaching in the St. Paul's parochial school for the past eight years, is moving to Odessa where he has accepted a position in the parochial school there. The bride's gown was styled with a sweetheart neckline and short sleeves. The pearl encrusted lace bouffant skirt was fashioned with a large bow that cascaded into a chapel train. Her double fingertip illusion veil fell from a jeweled lace plateau. She carried her Bible with a garland of white Cymbidium orchids, fleur d'amour with showers of satin ribbons tied in lovers knots.

Miss Nancy Shopmaker, sister of the bride, was the maid of honor. The bridesmaid was Miss Gerre Lipoff. They wore ballerina length turquoise embroidered silk organza gowns with matching crowns and carried peach fans clustered with peach sunrise carnations and ivy. Dr. Irwin Lehman, brother of the bridegroom, was best man. The groomsmen were Rod Minkin and ushers were Ted Minkin of Kansas City and Ed Rashti of Galveston. The bride's mother wore a rose beige chiffon dress with a cascade of pink Cymbidium orchids tied with matching ribbons. The bridegroom's mother wore a beige embroidered silk dress with a cascade of ivory Cymbidium orchids tied with matching ribbons.

A string trio played while guests assembled. A dinner was held following the ceremony. Following a wedding trip the couple will be at home after August 1 in Galveston.

Wilson Methodist Family Night

(By Mrs. Frank Smith)
The Wilson Methodist Church enjoyed its monthly Family Night social in the church basement Wednesday night.

A delightful program of contests and skits was directed by Mrs. Luke Coleman after which the group enjoyed home-made ice cream and cake. At the conclusion of the affair Rev. and Mrs. Harold Rucker were surprised with an old-fashioned "pounding." About 40 were present.

Safety is no accident.

Sandra McNeely Sets Wedding Date

Mr. and Mrs. W. R. McNeely of Tahoka reveal the engagement and approaching marriage of their daughter, Sandra, to Jerry Brown, son of Mr. and Mrs. Bonnie Brown, also of Tahoka.

Wedding vows will be repeated on Saturday, July 18, at 7:30 p. m. at the First Methodist Church. Friends and relatives are cordially invited to attend.

Grand Assembly Honors Tahokans

At Grand Assembly held in San Antonio June 15-17, Vickey Hamilton, Junior Past Worthy Advisor, was appointed junior member of the Grand Credentials Committee and Mrs. Beulah Applewhite was re-appointed Grand Visitor of Texas Order of the Rainbow for Girls. Grand Assembly will meet in Corpus Christi in 1960 and Supreme will meet in Miami, Fla.

Bridal Shower For Nancy Cook

(By Mrs. Frank Smith)
Miss Nancy Cook, bride-elect of Jerry Don Ross of Slaton, will be honored with a miscellaneous shower Monday night in the home of Mrs. Bill Lumsden from 7:00 until 9:00 o'clock.

It will be a come-and-go affair.

Miss Cook and her fiance will repeat marriage vows July 18 in the Wilson Baptist Church.

D. G. PHIPPS IMPROVING FROM RECENT STROKE

Mr. and Mrs. D. G. Phipps of San Antonio, owner of Lynn county farm land and a former long-time citizen, are here for possibly a month's stay visiting their children. Their son, Buster, of Wells went down on the bus and drove them out here.

Mr. Phipps suffered a very severe stroke two or three months ago and spent seven weeks in a hospital. His doctors doubted that he would ever walk again; in fact, they doubted that he would ever get up. However, Mr. Phipps says he intended all the time to get up, and told the doctors so.

Today, he even looks his old self, although he uses a cane to steady himself while walking. And, he is able to drive his car on short trips.

Mrs. Phipps, in ill health a long time, is showing steady improvement and was feeling sufficiently well to come out to the Plains.

Mr. and Mrs. D. C. Freeman of Salsbury, N. C., were here last week visiting his grandfather, A. G. Freeman and uncle, Harvey Freeman. Mr. Freeman is employed by a branch of the Owens, Ill. Containers Corp. in Salsbury.

The speed that thrills is the speed that kills!

Tahoka Boys Win Game Over Draw

(By Tony Spruiell)
Friday night the Tahoka Boys defeated Draw 12 to 4 behind the pitching of Kenneth Hanes who allowed three hits, two walks and four runs.

Losing pitcher was Danny Thom as who allowed 13 hits, four walks and 12 runs. Draw got an early lead but the Tahoka Boys came back in the third inning to lead 4 to 2. Deane Wright led off with a double, Don Finley and Dean Elliott walked, and Wright stole home. Charley Holland hit a single which passed the short stop and Finley ran in for a score.

The fifth, sixth and seventh innings were Tahoka's biggest—innings with Foster Dudgeon hitting his first home run of the season, a grand slam.

On June 8, 1927, the Naval Academy at Annapolis, Md. instituted a short three-month course for midshipmen in ground and flight instruction as a preliminary step toward qualifying as naval aviators.

Safety is no accident.

Three Games In Little League

(By Tony Spruiell)
Giants defeat Cubs
Thursday night of last week the Giants beat the Cubs 16 to 0. The winning pitcher, Renfro, who went all the way for the Giants gave up no runs on 5 hits. The loser, Terry Brown who was relieved in the third by Reed, gave up 7 runs on 8 hits. The game was close, 2 to 0, until the third inning when the Giants scored 8 runs to go out in front 10 to 0. The Cubs who were unable to score, lost 16 to 0.

Cards defeat Yanks
Friday night the Cards defeated the Yanks 4 to 3 in a close game. The game was a pitchers duel with Mike Smith going all the way for the losers and Brit Robinson for the winners. The Yanks got off to an early lead of 2 to 0 in the first inning. The Cards scored 2 in the second to tie the score and the Yanks scored one in the third to go out in front 3 to 2. The Cards were unable to score until the sixth inning when they came up with 2 runs to win the game.

Yanks over Cubs
Monday night the Yanks defeated the Cubs 15 to 2. The winning pitcher was Allen Cox while the loser was Anderson, who was relieved in the fifth by Williams. The Yanks got an early lead, 4 to 1, and kept on building up this lead to out score the Cubs.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Inasmuch as Firestone is one of the Big Four that enjoys a practical monopoly in rubber and automotive tires, it could perhaps be said that their problems have no place in a small business column.

But recently Firestone was accorded treatment by one of the big TV networks which causes wonder whether or not the investigations launched some time ago by Rep. Emanuel Celler into the TV industry should not be pushed further, with perhaps the Federal Communications Commission, which controls broadcasting, directed to abolish the networks.

For 30 years Firestone, first in radio and then in TV, presented a weekly program of fine music known as the Voice of Firestone. After many years it was unceremoniously booted off the facilities of the National Broadcasting Company, refused by the Columbia system, accepted by the American Broadcasting System, now booted off this network.

Now in the broadcasting business, they live by a rather silly shibboleth called ratings. In a medium size city, if 29 people were found to be listening to a program, that program gets a rating point.

As the late Fred Allen once said "Broadcast rating systems are like counting grains of sand in the bottom of a birdcage to find out how many grains of sand there are in the Sahara."

While the Firestone program of fine music never attained on

this basis the highest ratings, even accepting the rating system at face value, it did have an audience.

There seems to be quite a few people who want something more than horse operas and warmed over jokes on their TV set.

But according to the networks, the rating systems show that the majority of people prefer horse operas and warmed over jokes, thus those liking something else are out of luck.

Here is perhaps monopoly in its most strenuous form. Not only are advertisers told what they must present on the networks, but the public is also told what they must look at.

Actually there is little need for network TV. Most shows are filmed, but if independent stations want these films they are clubbed into joining the network, or affiliating, as the term goes, and forced during the prime evening hours to run these network programs at just a fraction of their normal rates.

Thus, they have to scramble around to get local and regional advertisers to pay extremely high rates, for the 20 second spot announcements between these programs, to make up for the loss.

So, any local advertiser who pays the price for spots between programs by giants who are sponsoring the shows, are in actuality subsidizing these giants. Thus, obviously, without the networks monopolizing the TV industry, both the interests of the public and of independent advertisers would be better served. It would seem high time for a long look-see into this monopoly operating under auspices of a government bureau which is supposed to keep the air free.

Pony League Race Tight

Red Sox over Orioles
Thursday night at New Home the Red Sox defeated the Orioles 19 to 4. The winning pitcher was Gonzales while the loser was Cervantes. The Red Sox led all the way getting an early lead of 6 to 0 and then scoring a few runs every inning. The Orioles scored four runs in the fourth but could not break the lead of the Red Sox.

Braves over Eagles
That same night at Tahoka the Braves beat the Eagles 10 to 5. Winning pitcher was Tony McGrew, who was relieved in the fourth by Hank Chapa. The losing pitcher was Bill Kopecky who only went three and one-half innings before being relieved by Landers. The game was close until the third inning when the Braves scored 5 runs to go out in front 8 to 2. The Eagles kept pecking away at the Braves lead but were unable to catch up.

	Standings		
	W	L	Pct. GB
Orioles	7	3	.700 0
Red Sox	6	4	.600 1
Eagles	4	6	.400 3
Braves	2	8	.200 5

IN CONGRESS, JULY 4, 1776

The unanimous Declaration of the thirteen united States of America.

The Declaration of Independence not only signaled the founding of our country, but also marked a giant step forward in man's conquest of freedom. As we celebrate the 183rd anniversary of its adoption by the Continental Congress, may we all firmly resolved that the principle of liberty which is so bravely enunciated shall ever be maintained.
