H. L. and E. L. Short, repairs to Connolly building for Tahoka Auto Supply, \$2,000.

A. L. Smith, \$5,000 building in East Tahoka for meat processing plant.

Carol Riddle, student at Hendrix Memorial Hospital in Abilene, underwent a tonsillectomy in Tahoka Hospital Tuesday. She is a daughter of Mr. and Mrs. A. D. Riddle.

Ronald Sherrill is repairing and improving his home on North Third Street.

Howell Erecting New Building

H. B. Howell is erecting a modern service station building on South Sweet Street, the O'Donnell highway, a block south of the square, which will be occupied by G. H. (Shorty) Chestnut's service station.

The new structure is replacing an old sheet iron building that was erected in about 1919 by the late H. M. Larkin. Mr. Howell bought the building in about 1924. Since then, the building has been occupied most of the time by garages and service stations. At one time, it was the location of Happy Smith's bottling works.

Howell's new building is 25 by 60 feet in size, with a 60-foot front, and is constructed of concrete tile, cement and steel. It contains a sales room and office, wash and lubrication rooms, a storage room, and rest rooms. A concrete drive 27 by 87 feet faces Sweet street.

Nitcher Resigns Church Position

Sunday, June 5, will be the last Sunday Roland Nitcher will act as music and youth director at the First Baptist Church here. Nitcher resigned the position at the church's last business meeting held May 11.

He has been with the local church two years and the past year also held a teaching position in North Elementary School. He has accepted a teaching position with the public schools in El Paso where the family has bought a home at 1009 Yukon.

The Nitchers came to Tahoka in May, 1958 from El Paso where he was music director of the Calvary Baptist Church in that city. He has directed music during many revivals over the area during the time that he has been here.

Roland and wife, Wilma, and three-year-old son, Randy, moved part of their furnishings to El Paso last week and expect to complete their move about the middle of next week.

Don Hopkins Has Surgery On Leg

Donnie Hopkins, 15, critically injured two years ago and given little hopes of recovery, underwent another operation Wednesday in Methodist Hospital, Lubbock, on his right leg.

The operation, believed a success, was to tie some blood vessels to an artery in his right leg to speed up blood circulation and help the leg to grow.

Donnie was injured about June 25, 1958, at Floydada when he was chewed up in a shredder he was riding which was being pulled by a tractor driven by his older brother, Glenn. He is the son of Mr. and Mrs. Ray Hopkins.

Huddleston Child Dies At Birth

The infant daughter of Mr. and Mrs. W. W. Huddleston of Route 1, Wilson, died at birth in Tahoka Hospital Wednesday at 6:19 p. m.

Graveside services were set for 3:00 p. m. Thursday in Tahoka Cemetery with Rev. H. F. Scott, pastor of Wilson Baptist Church, officiating, and Stanley Funeral Home in charge.

Besides the parents the child is survived by three brothers, Eddie, James, and Herman; grandparents, Mr. and Mrs. Pete Gage of Tahoka and Mr. and Mrs. G. R. Huddleston, Route 1, Wilson; a great grandfather, W. C. Davis of Route 1, Wilson.

"Million Dollar" Rain Monday

The "million dollar" rain finally came early last Monday morning, and farmers are busy planting.

Beginning at about 4:00 a. m., most of the county received an inch or more of precipitation. Measurement in Tahoka was exactly an inch. Spotted areas received up to two inches, and a few spots received down to a half inch.

Although most farmers say it is not quite enough to plant on, they are going ahead putting seed in the ground. Some who had to replant are planting down in the furrow.

Some think that with the deep moisture they will be able to get their crops up and hold them, if anything like normal weather follows.

The first five months of this year, Tahoka received a total of 3.84 inches, which is exactly an inch below the 4.84 received up to the same time last year. However, 7.14 inches fell in June last year. Normal rainfall for the first five months is 6.12 inches.

This year, Tahoka had .85 in January, .96 in February, .22 in March, .33 in April, and 1.48 in May. Normal is .61 in January, .66 in February, .53 in March, 1.33 in April, and 2.99 in May. The June normal is 2.52.

Small areas north of Grassland and near Midway received hail damage, and cotton up to a stand on some farms at T-Bar was washed out by a heavy downpour.

Much of the irrigated cotton has not been growing off well, and some dryland cotton farmers had been able to get up to a moderate to poor stand will be replanted. The News is informed.

At any rate, prospects are much brighter for some kind of crop. The time is growing late for planting, although it is possible to plant up to July 1 and have some chance of producing a crop with favorable weather.

Hogan's Furniture Destroyed By Fire

While the Odell Hogan family was moving to Sundown last Friday morning, the trailer they were pulling with their car caught fire and burned all their household goods and clothing except that which they had in their car.

The fire occurred between New Home and the Levelland road.

Mr. Hogan, who has been with Lyntegar here for several years, has been transferred to Sundown as the manager there.

Mrs. Bert Stice reports some local ladies will give the Hogans a linen shower, and anyone wishing to participate is asked to take a gift to Sweet Street Baptist Church.

Grassland Co-op Meets Monday

Grassland Cooperative Gin will hold its 27th annual membership meeting next Monday night, June 6.

There will be refreshments served, a brief business session, reports on the gin's operation the last year, and reports from the mill, compress, and cotton cooperative. Two directors will be elected.

Current officers and directors are: L. S. Turner, president; T. L. Aten, vice president; Thurman Francis, secretary; Amos Gerner, Glenn Norman, Bishop Mathis, and G. W. Grogan. Otis Tew is gin manager.

NANCE OPENING STORE

J. E. Nance has opened his Super-Save Market in the building owned by him and recently vacated by Piggly Wiggly. He hopes to have a formal opening in the near future. A farmer; he was formerly in the grocery business at this location and before that was associated with the old Security State Bank.

DURHAM GRADUATES

Kenny Durham, son of Dr. and Mrs. K. R. Durham, who graduated last week from Baylor University, Waco, is home visiting his parents. He expects to return to Baylor to start work on his Master's degree.

C-C Committees Work On Projects

One of the best Chamber of Commerce meetings in many months was held Thursday of last week when President Jack Jaquess called for reports from committees appointed a month before.

Most of the committees reported on projects, and some of them were taking forward steps on programs for the good of the town and county.

Among the reports made were: Dean Taylor, secretary, on highways and an industrial survey; Dale Thuren, agriculture; Graebel Ayer, community service; Dr. E. Prohl, health and education; H. B. McCord Jr., housing; industry and business modernization, Winston C. Wharton; A. C. Verner, retail, merchants and requiring solicitors to have permits; Garland Pennington, rural relations; A. C. Verner, speaking for Truett Smith, bracero program and wage-hours legislation; Martin White, holidays; and Herman Renfro, price-fixing.

Mr. Jaquess has an active program of work outlined, and directors and committee chairmen are backing him up with some active work that promises some results for both farmers and businessmen.

Child Victim Of Tragic Accident

The young son of a Mexican farm hand was killed here Saturday afternoon on the J. E. Nance farm four miles north of town when a tractor grader blade apparently fell on him.

The boy was Refugio Moreno Lopez, age 2 1/2, son of Mr. and Mrs. Refugio Lopez.

The father had detached the grader blade from the tractor and gone to the field. Some of the family saw the boy playing on the equipment, and shortly thereafter his mother found him dead, the blade having fallen on him.

The child was born at New Deal. The family came here from Lamb county.

Funeral services were held Monday at 2:00 p. m. in the Mexican Baptist Mission with the pastor, Rev. Jose Trujillo, officiating. Burial was in Tahoka Cemetery under direction of Stanley Funeral Home.

Survivors include the parents; three sisters, Rosa, Beatrice and Yolanda; and his grandparents, Mr. and Mrs. Trinidad Lopez of Mathis and Mr. and Mrs. V. Moreno of Edna.

Soil Testing Price Raised

Due to increasing costs of operating the Soil Testing Laboratory at College Station, soil test fees will be increased to \$2.00 per sample effective September 1, 1960. County Agricultural Agent W. B. Griffin said he received the information on the increase today from Director John E. Hutchison, Texas Agricultural Extension Service.

The increased costs for labor and chemicals used in operating the laboratory were listed as primary cause for the rate increase.

Even though soil tests will cost \$2.00 beginning September 1, 1960, W. B. Griffin pointed out that money spent for a soil analysis is still the cheapest and most convenient method for determining fertilizer need, and as a guide for investing more profitably in a fertilizer program.

Billy Joe Oliver Child Is Buried

Graveside services were held Thursday, May 26, for little Randy Doyle Oliver, infant son of Mr. and Mrs. Billy Joe Oliver of Levelland and grandson of Mr. and Mrs. J. B. Oliver of Tahoka.

The infant was born prematurely on May 24, weighing 3 pounds and 6 ounces.

The Olivers have another son, Bobby Joe, two years old.

Election Is Saturday

One Methodist Pastor Moved

There was only one change in Methodist pastors in Lynn county as revealed by the list of appointments announced Friday noon by the Northwest Texas Methodist Conference meeting in Amarillo.

Rev. Aaron L. Mitchell from Quitaque is the new pastor at New Home, succeeding Rev. Vernon O'Kelley, who was moved to a newly established post as assistant chaplain at Methodist Hospital in Lubbock.

The former Grassland pastor received changes in appointments. Rev. A. N. Motes was moved to Lazbuddie and Rev. S. B. Bean from Middletown, near Dumas, was moved to Liberty, north of Plainview.

Rev. Jim Sharp, a former pastor here, was moved from Shamrock to Fairmont Church in Abilene.

Rev. J. B. Stewart, another former pastor here, moved from Buchanan Church in Amarillo to McLean.

Rev. Wallace Rosenberg, pastor at Asbury, Midland, was moved to Tenth Street Church in Amarillo.

Rev. C. A. Holcomb remains as district superintendent at Stamford and Rev. Clyde Smith remains as district superintendent at Big Spring.

Rev. J. B. Thompson was returned to Tahoka, Rev. Howard Marcom to O'Donnell, Rev. Thomas Bandy to Wilson, Rev. Howell Watkins to Grassland, Rev. Claude Nixon to Law, and Rev. Elmer E. Ward to Lakeview, Whitharrel.

Chas. Verner Is WTCC Director

Abilene, June 2—Charles Verner, executive vice president, First National Bank has been chosen director of the West Texas Chamber of Commerce for Tahoka.

Announcement was made by J. Carter King, Jr., of Albany, newly elected president of the 132-county regional chamber.

Local directors of the WTCC represent local members of the regional chamber in meetings of the organization's board. They determine policy for the nearly 4,000 member body and are responsible for maintaining local financial support for the work of the WTCC.

Six major fields of activity for the organization are state and national affairs, community services, industrial development, agriculture and livestock and water resources.

The 42nd annual convention of the organization was held recently in San Angelo. The 1961 convention is to be conducted in Mineral Wells.

Sweet Street Will Have Bible School

Preparation day and registration for Vacation Bible School at Sweet Street Baptist Church will be Saturday, June 4, beginning at 9:00, according to Jerry Perkins, church secretary.

The school will get underway Monday morning, June 6, and will continue through Friday, June 10. Commencement exercises will be held Sunday night, June 12, during the regular worship hour.

Children through 17 years of age are urged to attend the Vacation Bible School.

CONWAYS MOVE

Mr. and Mrs. C. W. Conway, Dav. and Gary moved to Lubbock this week where their home is located at 4401 28th St. Conway was manager of the former D & H Super Market here and was transferred recently to the Piggly Wiggly store on Idalou highway in Lubbock. They invite all their friends to go up and visit whenever they can.

Salvation Army Needing Funds

The local Salvation Army organization is in need of funds to carry out work among the needy. Anyone wishing to make a contribution may give or mail same to Dean Taylor, chairman, or Mrs. Florene McCracken, treasurer.

The Salvation Army drive this year fell short by about \$500.00 of its \$2,000 goal. Since the first of January, funds have been nearly depleted.

Tanner Youth Badly Burned

Billy Tanner, 11, son of Mr. and Mrs. Ernest Tanner Jr. of Carlisle, west of Lubbock, and grandson of Mr. and Mrs. E. J. Tanner of Tahoka, was critically burned Friday night when an aluminum pipe he was carrying touched a high voltage electric line.

He is in Methodist Hospital undergoing treatment for extensive third degree burns. If he improves sufficiently, it is said he may be transferred to John Sealy Hospital in Galveston.

Billy, who had just been promoted to the sixth grade at Friendship school Tuesday, was visiting a neighbor friend, John McMakin, 13. Billy was to play in a Little League ball game that evening, and at about 3:00 p. m. Mrs. Tanner had called her son to come home and rest for the game.

Billy and John started for Billy's home. En route, they spotted a ground squirrel and gave chase. The squirrel darted into a section of aluminum pipe. It is presumed Billy picked up the section of pipe and when he raised it the high-voltage line was touched and charged through his body.

A third youth, Harold Wright, 11, saw Billy astraddle of the pipe and John standing nearby. Thinking the two boys had found (Cont'd. On Back Page)

Singing School At Church of Christ

A singing school will be sponsored by the church of Christ June 6-10. The public is invited. There will be no charge to the pupils.

Special emphasis is placed upon the school age people but all ages are invited to attend.

There will be two sessions a day. One from 3:00 to 5:00 o'clock in the afternoon and the other will begin at 8:00 p. m. Instruction will be available for beginners and advanced students as well.

Horace Coffman, of the Broadway church of Christ in Lubbock, will be coordinating the school and instructing the more advanced students. He is to bring another instructor with him to teach the beginners.

Farmer Meeting Is Friday Night

"Cotton John," popular radio and TV farm program conductor from Amarillo, will present a "Golden Acres" program at the City-Legion building tonight, Friday, at 7:30 p. m.

"Cotton John" will speak, and two films will be presented, "Arctic Adventure" and "It's the Yield That Counts."

Refreshments will be served, and everyone is invited, including women and children.

The meeting is being sponsored by Tatum Bros. Elevators, Inc.

Dennis Cline, son of Mr. and Mrs. Johnny Raindl, underwent a tonsillectomy in Tahoka Hospital Wednesday.

Winston C. Wharton is repairing and remodeling his home on North Third.

Two important local races and one state race are to be decided in the Second or Run-Off Democratic Primary election being held in Lynn county this Saturday, June 4.

Sheriff Norvell (Booger) Redwine is being opposed for re-election by Jack Miller, Tahoka Police Chief.

In the Primary of May 7, Redwine polled 1469 votes to 1250 for Miller. A third candidate, Cleve Barrington of O'Donnell, received 299 votes.

In a run-off for the office of County Commissioner of Precinct 1, the northeast one-quarter of Lynn county, including most of North Tahoka, are Curtis Morgan, seeking a second term, and Buford Jones. Both are well known farmers of the northeastern quarter of the county.

In the first primary, Morgan received 428 votes and Jones 411 to lead a field of four candidates. Martin Wuensche Jr. received 176 votes and Lloyd Mears 149 votes.

Another election to be decided by the voters is for the state office of Judge of the Court of Criminal Appeals. The present incumbent, Lloyd W. Davidson of Austin, is opposed by Judge W. T. McDonald of Bryan. The present Judge has been under fire from several sources by reason of his so-called "hit-splitting" decisions.

There were 3,038 votes cast in the first primary in May, which was considered a fairly heavy vote. Many are predicting that the vote will be much lighter in the second primary since there are so few races to attract attention.

Two years ago, in the first primary, Lynn county cast 2,068 votes while in the second primary only 1,227 votes were cast.

O'Donnell Plans Golden Jubilee

O'Donnell will celebrate its 50th anniversary on June 9, 10, and 11 with a Golden Jubilee in connection with its annual rodeo.

The town of O'Donnell was established in 1910 with the building of the Santa Fe railroad from Slaton to Tahoka, O'Donnell, and Lamesa. One of the organizers of the town was the late C. H. Doak, first sheriff of Lynn county, who later became known as the "daddy of O'Donnell." The town was named by a man named O'Donnell, who helped promote the railroad and the town.

A parade at 6:00 p. m. Thursday, June 9, will kick off the three-day celebration, followed by the rodeo at 8:00 p. m.

The second day, dedicated to the pioneers of the area, will open with a breakfast honoring early settlers from 7:30 to 9:30 a. m. Also, there will be a barbecue at 1:00 p. m. at the Community House, another parade at 6:00, and the rodeo show. The third day, the parade will be repeated preceding the final rodeo performance.

O'Donnell Roping Club sponsors the rodeo. Mrs. Dallas Vaughn is the parade marshal, Mrs. Bill Davis is the Jubilee chairman, Mrs. J. W. Gardenhire is the barbecue chairman, and Mrs. Darius Sumrow is publicity chairman.

Queen candidates selling rodeo tickets are Marcheta Wood, Lions Club; Judy Furlow, Fire Department; Dianne Gibson, American Legion; Jan Lott, Rotary Club; and Robbie Hale, Sheriff's posse.

Bible School Opens At Baptist Church

All children interested in Vacation Bible School are asked to meet at the First Baptist Church today, Friday, at 4:00 p. m. for registration and a parade.

This will be preparation day for the school which will begin at 8:30 o'clock Monday morning, June 6, and continue through June 15.

WSCS, Guild Hold Fellowship Day

Fellowship Day was observed by members of the Woman's Society of Christian Service and the Wesleyan Service Guild to a coffee Monday morning at First Methodist Church. Mrs. V. F. Jones was hostess.

Mrs. Larry Hagood very ably read a humorous Irish play, "Spreading the News," by Lady Gregory. Twenty-four ladies attended the coffee. Mrs. Viola Ellis Bleimeyer of El Paso was a guest.

The new officers of the Woman's Society of Christian Service will be installed Sunday evening at the regular church service. Work for the new year will begin June 6 with a business luncheon at 12:00 noon at the church. Mrs. A. M. Bray, the new president, will preside. Faith Circle will be hostess.

Mrs. R. E. Bagby is chairman of the Faith Circle and Mrs. H. W. Carter is chairman of the Margaret Circle.

All ladies of the church are invited to attend all meetings of the W. S. C. S.

Mrs. T. L. Whitley, manager of the New Home Cafe, went to Temple Wednesday of last week. She is going through the clinic there and will remain for surgery if it is deemed necessary.

Miss Nancy L. Riley Becomes Bride Of Bobby R. Ferguson

Miss Nancy Lee Riley joined Bobby Ray Ferguson at the altar of the Grassland Nazarene Church for marriage vows Sunday, May 22, at 3:00 p. m. when the minister, Rev. Robert Fitzgerald, performed the ceremony before baskets of white gladioli and candelabra.

Parents of the couple are Mr. and Mrs. A. E. Riley, Tahoka, and Mrs. H. E. Ferguson of Floydada. Given in marriage by her brother, Bert McDonald of Tahoka, the bride wore a white bridal gown with a Chantilly lace bodice and a sweetheart neckline trimmed with pearls and rhinestones. The skirt was tulle tiers and the fingertip veil descended from a jeweled crown. She carried a bouquet of white roses.

Miss Pauline Riley, sister of the bride, served as maid of honor, and Miss Joy Riley, also a sister of the bride, was bridesmaid. They wore white street length dresses with insets of blue covered with lace and carried bouquets of blue carnations.

Flower girls were Jeanie and Sandra McDonald, nieces of the bride. Ringbearer was Delores Ferguson, niece of the bridegroom. A. W. Ferguson, brother of the bridegroom from Floydada, served as best man. Groomsman was Donald Riley, brother of the bride. Ushers were Billy Riley and Marvin McDonald.

A reception followed in the parsonage followed the ceremony. For her traveling attire the bride chose a black sheath dress with white accessories. They are making their home in Ranger, Texas.

Mrs. Ferguson attended the Tahoka schools. Her husband attended the schools at Floydada and is now in evangelistic work.

Bride Is Honored At Two Parties

Sylvia Edwards, now Mrs. Frank Alvin McDonald, was honored with a miscellaneous shower on Wednesday, May 25, at the New Home Community Center.

The bride's colors of blue and white were carried out in the table decorations. Some 75 guests registered.

Sylvia was also honored with a surprise personal shower given by her roommates and friends of Baylor University on May 12.

On Saturday morning, May 14, her bridesmaids, Pat Perryman and Wanda Sumrall, gave a breakfast and presented the bride a kitchen shower.

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room - THE UPPER ROOM, NASHVILLE, TENNESSEE

I have fought a good fight, I have finished my course, I have kept the faith. (II Timothy 4:7.) When Christopher Columbus started out "against wind and the high seas" on his expedition to the New World, he ventured forth with three small ships. He conquered all opposition and all difficulties, including the mockery of his contemporaries, for he had faith that the world was round.

Just before the Apostle Paul lost his life, he wrote a letter to Timothy. In it we find one of Paul's finest phrases: "I have kept the faith." He was referring to his faith in Jesus Christ.

Today we can have hope if we keep the faith. Christ offers to each one of His faithful servants the crown of righteousness and eternal life.

Our Lord Jesus recommended that we have faith, even if it is as small as a grain of mustard seed, for even that much faith is capable of great things. Without faith we can do nothing; but through faith in our Lord, we can do what He would have us do, for faith is the very essence of life.

PRAYER: O Lord, our God, increase daily our faith. Give us the assurance that we are Thy faithful servants. Help us to reveal our faith through personal dealings with others. In the Savior's name. Amen.

THOUGHT FOR THE DAY: By keeping his faith, the Christian lives a useful and victorious life.—Leticia G. Hidalgo, Educator (Bolivia).

QUESTIONS, PLEASE

QUESTION: "What is salvation by grace through faith?"

ANSWER: The question in reference is a partial quote from Eph. 2:8, 9. The passage reads, "For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: not of work, lest any man should boast." The first reference in this passage is to grace. Grace is unmerited favor. It appears to us in the form of teaching (Tit. 2:11, 12). We have not merited the word of God (which is Christ—Jon. 1:1-4). But this word has appeared and brought salvation to "all men." This is the grace of God. We know that all will not be saved (Matt. 7:13, 14). Since the Word has brought salvation to "all men" and all will not be saved it stands to reason that we must conform to the Word in order to be saved! This is salvation by grace through faith. Faith is something that is greatly misunderstood. It is looked on as some mysterious something that cannot be understood. Faith is the "doing" part of religion. It is

the thing that says, "Speak, Lord, thy servant heareth." No faith is involved in refusing to do God's will. "Faith comes by hearing and hearing God's word." (Rom. 10:17).

The "works" spoken of in the passage of scripture under consideration have to do with the works of the law of Moses. Many of Paul's letters were called out to combat Judaism. The Jews boasted of the law. But the law could never make perfect the person following it. We are told that the law was given by Moses, but grace and truth came by Jesus Christ (Jno. 1:17). Again, we are told that we are not under the law but under grace (Rom. 6:14). Therefore, being saved by the grace and truth of Jesus Christ we are not saved by the works of the law wherein we can boast. Summarized, "Not ever on that saith, unto me, Lord, Lord, shall enter into the kingdom of heaven: but he that doeth the will of my Father which is in heaven." (Matt. 7:21). To do the will of God is to be served by grace through faith.

You are invited to send your questions to: Bob Barnes, Box 812, Tahoka, Texas. You are also invited to attend all the services of the church of Christ.

NOTICE OF HEARING

OF SPECIAL BENEFITS TO BE RECEIVED FROM PROPOSED STREET IMPROVEMENTS, AND ON OTHER MATTERS WITH REFERENCE THERETO, WHICH HEARING IS TO BE HELD IN THE CITY HALL OF THE CITY OF TAHOKA, TEXAS, BEGINNING ON THE 20TH DAY OF JUNE, 1960, AT 7:30 O'CLOCK P. M.

TO ALL OWNERS AND TO ALL PERSONS CLAIMING ANY INTEREST IN OR LIEN UPON ANY PROPERTY ABUTTING THE STREETS OR AVENUES OR PORTIONS THEREOF IN THE CITY OF TAHOKA, TEXAS, HEREINAFTER NAMED, WITHIN THE LIMITS HEREINAFTER SET FORTH, AND TO ALL OTHER INTERESTED PARTIES OR THEIR AGENTS AND ATTORNEYS:

You are hereby notified that

the City Commission of the City of Tahoka, Texas, has determined the necessity for and ordered the improvement of certain streets and avenues or portions thereof, hereinafter described, within the limits hereinafter defined, the nature of such improvements which is hereinafter generally set forth; and the City Commission has approved and adopted the estimate, statement and report of the City Engineer and has taken other proceedings with reference to the making of such improvements, and all of which are of record in the minutes of the City Commission of the City of Tahoka, and have, by ordinance, ordered that a hearing be held and notice be given, now therefore, pursuant to said proceedings and such ordinance, NOTICE IS HEREBY GIVEN:

1. That a hearing shall be given to the owners and to all persons owning or claiming any interest in or lien upon the property abutting the streets or avenues or portions thereof in the City of Tahoka, Texas, hereinafter named,

within the limits herein set forth and to all other interested parties and to their agents and attorneys, before the City Commission of the City of Tahoka, Texas, which hearing shall begin on the 20th day of June, 1960, at 7:30 o'clock p. m. and shall be held in the City Hall of the City of Tahoka, Texas, at which hearing all of said owners and other interested parties, their agents and attorneys, shall have the right to be heard on any matter as to which hearing is a constitutional prerequisite to the validity of any assessment sought to be imposed and to contest the amount of the proposed assessments, the lien and liability therefor; the special benefits to the abutting property and the owners thereof by means of such assessments are to be levied; the accuracy, sufficiency, regularity and validity of the proceedings and contract in connection with such improvements and proposed assessments, or concerning any matter or thing connected therewith. The said hearing may be continued from time to time and from day to day until the fair opportunity for hearing

has been afforded to all desiring to contest the said assessment or proceedings, the City Commission shall have power to and shall correct any error or errors, inaccuracies, irregularities, and invalidities, and shall have power to and shall supply any deficiencies and shall determine the amount of the assessment and all other incidental matters and shall have power by ordinance to close such hearing and shall, by ordinance or by a later ordinance or ordinances, have the right to levy such assessments before, during or after construction of such improvements, but no part of any assessment against abutting property shall be made to begin prior to the acceptance by the City, by ordinance, of said improvements abutting the property for which the assessment is levied. It shall not be necessary to levy all of the assessments at one time or by a single ordinance, but said hearing may be closed after each portion of the street or avenues or portions thereof constituting a unit of improvement; and the City Commission shall then have the power to levy such assessments against such abutting

property and against the owners thereof as provided herein and the prior proceedings of the City Commission herein referred to. No assessments will be made against any abutting property or properties of any owner or owners thereof in excess of the special benefits to such properties, and its owners in the enhanced value thereof by means of such improvements as determined at such hearing. All of said owners, claimants, and other interested parties, their agents and attorneys, are hereby referred for further information to the proceedings with reference to said improvements on file and on record with the City Secretary of the City of Tahoka and particularly to the estimates of the City Engineer, and to the proposed assessment rolls for any exact amount to be assessed against the abutting property and the owners thereof within the limits hereinafter set forth; and the City Engineer's estimates and proposed assessment rolls being on file in the City Office with the City Secretary of the City of Tahoka, Texas.

2. The nature of the improvements for which assessments are proposed to be levied and to which this notice relates is the raising, grading, filling, permanently paving or re-paving of said streets or avenues or portions thereof, within the limits herein stated, and by the construction of curbs and gutters, and by the construction of such things and other and necessary incidental or appurtenant as the City Engineer has found to be necessary or advisable, and as shown by the plans and specifications of the City Engineer, and by widening or narrowing, if necessary, to obtain a paved surface, curb and gutter, so that the paved width from back of curb to back of curb shall be the width set out below; and the said paving shall consist of construction of asphalt triple penetration wearing surface on six-inch inflexible concrete base, which base surface, as well as all of such other improvements, shall be of such a nature and type of construction in each particular unit of improvement as are shown on the plans and specifications of the City Engineer.

To The Voters Of Lynn County
During the past few weeks I have tried to see as many of you as possible in the interest of my candidacy for sheriff of Lynn County.
Due to the duties of Chief of Police I have not been able to see some of you so I am taking this means to solicit your support in the runoff Saturday.
If elected your sheriff I will be on the job 24 hours a day.
I would like to thank my opponent for his clean campaign.
There has been some discussion as to whom I would appoint as my deputies. The citizens and the Commissioners' Court will have a big part in who the deputies would be, should I be elected.
When I announced for this office, I was asking for a better job and if you see fit to elect me to this job, I will make you a hand at it.
THANKS—
JACK MILLER

A Great Hymn
The Christian world is coming more and more to appreciate "Are Ye Able," the great hymn by Dr. Earl B. Marloff. It made its first spiritual appeal several years ago in youth assemblies over the nation and has been sung in local congregations more and more in recent years.

Dr. William L. Stidger, faculty member of Boston University, learned after speaking in more than a dozen army camps that it was being sung everywhere by men in uniform. According to Dr. Stidger the boys call it the "I Can Take It" hymn. One flier said: "That's my favorite hymn. When I'm up there in the night I hum it to myself. It says something to me!"
"Are Ye Able" is the challenge that rings throughout the hymn. Able to be crucified. Able to remember that a pardoned soul is worthy of a place in paradise. Able to believe that spirit triumphs when the shadows close around you.

"Lord, we are able" is the response that echoes in the refrain. The closing verse brings the message of the hymn down to every day life and the responsive refrain can be the expression of every loyal heart.
"Are ye able," still the Master Whispers down eternity, And heroic spirits answer, Now, as then in Galilee.
Lord, we are able,
Our spirits are Thine, Remold them, make us Like Thee divine.
Thy guiding radiance Above us shall be A beacon to God, To love and loyalty.

John Hegi returned home last week from Waco, where he has been attending Baylor University the past year.

A. I. THOMAS WRITES OF TRIP TO ELEPHANT BUTTE

Mr. and Mrs. A. I. Thomas returned last week from a two week's stay at Truth or Consequences, New Mexico.
He writes the following interesting account of their trip:
"There was lots of fishing at Elephant Butte Lake, which is five miles north of town.
"The Butte is surrounded by water. From the north, it looks like a big elephant. When I was there once before, there were five goats on the Butte and now there are nine.
"The Rio Grande River runs along the south side of town. The few corner lots in town that the motels do not have are filling stations. Some business houses in town are built on high points. Truth or Consequences is a great health resort.
"The folks at the motel where we stayed brought in about 200 fish one day. Mrs. Thomas has 30 of that number."

Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Dear Editor:
I was reading the article in the paper about the grave robbing and it certainly is a low thing to do. How low can one get?
I think next to that the lowest thing people can do is poison people's pets.

A few weeks back an elderly man, whom you never saw without his faithful dog by his side and same having been known to save his life at different times in the past, had to stand and watch his pet die a cruel death. The man being up in age and his eye sight not as good as it once was, his dog would go out in front of him and the cars would see her and stop. But now the poor man walks alone.

Other people's pets also got the poison. A lady would come in from work and would be met by a friendly face and happy look on her dog—but now she has to come in to an empty yard.

A little girl's pet is also gone and no more running and playing with it.

These dogs had collars on and also their tags. They had never hurt or tried to hurt anyone. Why then would a person be so low they would do this cruel thing? I only wish the guilty one could have seen the way these poor dogs suffered before death came to them. It could have easily been a little girl or boy to pick up the poison instead of the dogs.

I only hope that the one who is guilty of this cruel act will realize the danger and the cruelty they are committing.

A Tree Grows In Los Angeles

(Contributed)
On the campus of UCLA there is now growing a tree planted and properly inscribed by the late U. S. Air Force Officer Foy Draper. Only Draper was not an air force officer when he planted the tree. As a Texas born, California reared athlete, Foy was on Uncle Sam's mile relay team which won the Berlin Olympics in 1936.

In a recent TV show entitled THIS IS YOUR LIFE, honoring Jesse Owens, also a member of this relay quartet, these four runners were pictured, and three of them are still living. Along this line, the broad jump record set by Owens is still standing after 25 years, although most athletic records are being smashed almost annually, if not oftener.

The Germans gave the members of our relay team small trees to bring back and plant on the campus of the schools they had attended.

Came 1940, and Draper trained at Randolph Field, graduated at Kelly Field, and became a pursuit pilot.

These tree-giving Germans shot down our hero in North Africa in World War II and his body was identified several years later by dental bridge work.

Foy Draper was a nephew of the late I. M. Draper, and as a youngster visited his relatives here, who declare he could outrun a deer.

WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

There is a growing problem in maintaining a healthy independent business structure in a given community. And in Washington, expert observers of the small business scene wonder whether or not it is a problem that can be successfully attacked at the federal level.

As a matter of fact, C. W. Harder there appears to be a growing sentiment that the problem should be attacked at the grass roots level.

In a report just released by a trade publication following a two year study by a marketing professor at Notre Dame, it has been found that the big food chains are moving rapidly into the field of other merchandise, plan further expansion.

In some areas of the country, chain food stores are found to be handling as many as 8,500 nonfood items, or more non-food items than food items.

The items handled included drug items, principally called health and beauty aids, baby needs, housewares, hardware, small appliances, stationery, greeting cards, toys, records, magazines, books, photo equipment, barbeque equipment, garden equipment and supplies, notions, hosiery, domestics, men's apparel, women's apparel, children's apparel, costume jewelry, pet supplies.

Obviously, the more independent business enterprises there are in a community the better the community health in terms of National Federation of Independent Business.

of employment opportunities, shopping opportunities, taxes to maintain and improve the community and to provide for vital community services.

But if this chain trend goes to its logical conclusion, many communities could end up with a single store, which would end community progress and growth.

Thus, it is a general practice in each business community for a business to have a city license or permit. It should perhaps be the responsibility of local city government to revamp its business licensing system so that it would be impossible for a chain outlet, for example, licensed primarily to sell foods, to carry on lines of business which raise every tax paying independent business in the community.

Perhaps even preservation of good city government demands such action.

Or, it would be perfectly logical for a community to require an establishment handling food to be entirely apart and separate from a building handling other merchandise. It does not seem the most sanitary, not to mention aesthetic, situation for a store stocking food on one shelf to have garden fertilizer on the next shelf.

And also in the long run, such measures would undoubtedly return more food volume to independent dealers.

For the facts of the matter are that most big chains cannot compete price-wise with smartly run independent grocery stores unless they have a volume in the higher profit nonfood items.

Change In Criminal Appeals Court In Order!

The latest example of legalistic hair-splitting by the Texas Court of Criminal Appeals is in its reversal of the conviction of a Dallas man for selling beer during prohibited hours. The court reversed the conviction because the complaint alleged the beer was sold to Rupert Lloyd Sessions, whereas a police officer testified the man identified himself as Ruford Lloyd Sessions.

This is another of the cases which have been overturned by the court because of minor errors in the record which had nothing to do with the guilt or innocence of the defendant of the offense charged to him. The member of the three-judge court who has shown the greatest addiction to such legal fly-specking is Loyd Davidson, who is seeking re-election in the June 4 runoff primary.

We do not believe that Judge Davidson should be re-elected. We believe the concern of the man who sits in his place should be to see that the convictions of men plainly guilty of crime should be upheld, and that

the rights of the innocent or the doubtfully guilty should be protected. The guilty also have the right to a fair and just trial and this right should be safeguarded, but not to the extent of allowing inconsequential errors and legal technicalities to undo the work of the trial courts and reverse the conscientious findings of juries. A whole list of cases could be cited in which Judge Davidson has seemed to put the emphasis upon technicalities rather than substantial justice.

In the first primary a majority of the voters of Texas appeared to agree that Judge Davidson should be replaced. Sixty-one per cent of them voted for one or the other of Judge Davidson's two opponents. One of these opponents, District Judge W. T. McDonald of Bryan, is in the runoff contest. He is a man of experience in legal practice and on the bench, and of a different concept of the duties of an appeals court judge than the man he seeks to unseat. The Star-Telegram believes his election would mean improvement in the administration of justice in Texas.

(The above is an editorial from the Star-Telegram of May 29)

We approve of such editorial whole-heartedly. If you, too, are tired of the hair-splitting and technical decisions of the Court of Criminal Appeals, which cost Texans many thousands of dollars annually retrying these cases, you have a chance to do something about it Saturday.

Let's Elect Jack Miller!

Things To Consider When You Vote--

- Jack Miller in this campaign has belittled no one, nor has he thrown any mud.
- He is running this race strictly on his own merits.
- Jack Miller has had sufficient experience and training to serve in a capable manner as Sheriff of Lynn County.
- If elected, he will give his full time to the office.
- He will treat all people as he would like to be treated himself.
- He is 33 years of age, was reared in Lynn county, attended local schools, and knows and has a deep interest in the people he will serve.
- We think he has an outstanding record for his ability to deal with all people, and more especially the teen-agers.
- He is a veteran of World War II.

Legion Team Is Winner of Two

Lynn county's American Legion baseball team, made up of boys 15 to 17 years of age, won two games last week end on the home field. Friday afternoon here, Tahoka defeated Post 16 to 3. Jim Green started things off in the bottom of the first with a home run with one man on, and the Tahoka boys were never in serious trouble from then on. Taylor Knight started on the mound for Tahoka, and had relief from Andy (Lefty) Bray—Leslie Aker was on the mound for Post. Earlier in the season, Tahoka had defeated Post at Post 12 to 6. Sunday afternoon here, Tahoka defeated Littlefield 4 to 0. Andy

Scotch Foursome Held At T-Bar

Mr. and Mrs. Ray Adams were first place winners in the Scotch Foursome golf tournament held on Monday, Memorial Day, at T-Bar Country Club. Other winners were Sonny Roberts and Mrs. Mac Edwards, second, and Jack A. Robinson and Mrs. Judy Treadaway, third. Fourteen couples were on hand for the holiday play. Jack A. Robinson and Mrs. Mac Edwards are tournament chairmen. Bray, who went all the way on the mound for Tahoka, gave up only three hits, and two of these were in the last inning with two men out. Tahoka had previously lost a game to Littlefield 10 to 1 at Littlefield.

Yankees Leading Little League

The Yankees went into a commanding lead in Tahoka Little League the past week by defeating the Giants 14 to 4 in a game last Thursday and on Tuesday by downing the Cubs 8 to 3. Mike Smith was the winning pitcher in the latter game. Friday night, the Cubs took a 5 to 3 decision over the Giants. The Cubs came up with three double plays, while Robert Adams of the Giants had a home run. Mitchell Williams was the winning pitcher and Sayles the loser. Monday night's scheduled game between the Cardinals and Giants was postponed on account of wet grounds. Thursday night, the Giants and Cardinals play. Friday the Cubs and Cardinals, Monday the Giants and Yankees, to end the first half of play except for make-up games. Second half of the season starts June 13.

Tanner . . .

(Cont'd. From Front Page) a rattlesnake, Harold ran to the site and found Billy lying on the ground near the pipe severely burned. He called his daddy, L. B. Wright, and they took him first to Tanner Auto Service, and Mr. Tanner rushed his son to the hospital. Wright said they ripped the boy's burning shirt off and extinguished his flaming trousers. The other boy, John McMakin, received a burn on his foot, but this was not serious. Mrs. Charlie Boswell, who has been sitting up nights with the child, reports his doctors marvel that he has lived at all. His condition was very critical Thursday morning. The boy's mother, shocked by the tragedy, is also a hospital patient, and the grandfather, E. J. Tanner, is barely able to be up from his long illness. Because of the latter, the family is badly in need of help, and friends here willing to do so are asked to help in some way.

Rutherford's

Problems of Agriculture Discussed At Rotary Meeting By Farm Expert

Farmers were guests of Rotarians Thursday noon when Bill Gunter, farm management specialist of the Texas Extension Service, spoke on some of the trends that affect agriculture.

In 1940, in Texas, he said, 34 percent of our people were making their living on the farms, 4 percent were engaged in supplying farmers, 7 percent were processing and distributing farm products, and 55 percent in other pursuits of life. Last year, this had changed to 11 percent directly engaged in farming, 11 percent supplying farmers, and 18 percent in processing and distribution, as compared to 60 percent in other lines of endeavor. Thus, the number of farmers has decreased from 34 to 11 percent, and vocations outside the farming field increased 5 percent. He didn't think there will be much more shift in the future.

Sixty percent of the farms in the nation produced 97 percent of the farm products, and the remaining 40 percent of the farmers produced only 3 percent.

Thus, we have evolved into bigger farms, largely of necessity to meet the higher costs of production. But, the fewer people on the farm are doing a better job. Higher costs of operation has meant the farmer has had to become a better manager and also produce a better product.

Shifts in populations has brought about other changes that throw the farmer to a disadvantage. For

instance, New York City now has more representatives in Congress than any two or three of the agricultural states.

Another disadvantage is that our agricultural states are split politically. For instance, Kansas habitually votes Republican, Texas Democratic.

He also cited the downward trend of prices under the parity program as a reason why the farmer must do a better job. He said, however, the export business is looking better because of the drop in prices.

The better job being done by farmers is shown by the fact that grain sorghum production has been increased 78 percent and per acre cotton yield 50 percent since 1950.

Increased wages to labor has brought about this difference: In 1929, the city man worked one hour to buy 6½ loaves of bread. Today, he can buy 11 loaves on an hour's work.

One solution is for the farmer to pay more attention to politics, market information, management, and public relations, he declared.

County Agent Bill Griffin introduced the speaker, declaring he is a former assistant county agent and that his father is a farmer living near O'Donnell.

The program was arranged by Alton Cain, chairman of Rotary's rural-urban committee.

A number of Rotarians were absent on vacation and four had gone to the Rotary International meeting in Miami, Florida.

Plan For Over 50,000 Boy Scout Campers At Colorado Springs National Jamboree

Official Poster of the Fifth National Jamboree

More than 50,000 Boy Scouts, Explorers and leaders from all parts of the nation and some from other lands will camp together at the Fifth National Jamboree, July 22-28, 1960.

A 2,000-acre site at Reverse J Diamond Ranch in Colorado Springs, Colorado, is being prepared for the jamboree. It will have its own water supply, electricity, telephone service,

post offices and other services for the largest gathering of boys in the Western Hemisphere.

Jamboree campers, all of them twelve years old or older, will share daily camp chores, cook their own meals, take part in displays, campfires, demonstrations, skill contests, and inter-camp visits during the seven day event.

Outstanding Americans will take part in the principal events.

Nolan Porterfield Wins Army Medal

Specialist 4 Nolan Porterfield, Information Section, Headquarters Fifth U. S. Army was awarded the Army Commendation Medal in a ceremony May 16. Colonel W. L. Slisher made the presentation.

Specialist Porterfield, who has been at the headquarters since November 1958, is being separated from active duty and plans to attend Texas Technological College in Lubbock, Texas.

Before entering the Army, Specialist Porterfield was publisher of the Lamesa Daily Reporter in his hometown of Lamesa, Texas.

During his tour of duty in Chicago, Specialist Porterfield and his wife, Peggy lived at 1649 East 30th in Chicago.

Boat Safety

1. Have an expert check your craft and motor.
2. Learn the nautical rules of the road and live up to them.
3. Get up to date on Coast Guard regulations.
4. Don't overload your boat.
5. If your boat DOES capsize and float, cling to it. You have a better chance to survive than if you try to swim ashore.
6. Equip your small boat with the new plastic buoyant materials so that in case it capsizes, it will stay afloat.
7. Check water indications and don't go out in your boat if a storm is evident. If in doubt, ask your local weather port.
8. When entering congested

areas, keep speed at posted minimums.

9. Check your children's boat handling habits yourself to make sure they are correct.

10. If you fall or get thrown into the water while fully clothed, get rid of heavy boots, shoes or other clothes that may weigh you down.

Savings Bonds Sales Are High

April E and H Savings Bonds sales in Lynn county totaled \$38,076 according to A. C. Verner, chairman of the County Savings Bonds Committee.

Sales for the first four months of 1960 were \$124,277 which represents 49.7 percent of the county 1960 goal. Sales in Texas for the first four months were \$57,452,776 or 34.7 percent of its 1960 goal of \$165,500,000.

"An important part in assuring our Nation's safety and economy stability and growth is played by purchasers of United States Savings Bonds. Every buyer of a Savings Bond helps provide the strengthened resource on which so much depends, not only for us but for future generations of Americans, Mr. Verner said.

O'Donnell Makes School Improvements

O'Donnell schools have completed a concessions stand and rest room facilities at its football stadium, built of concrete blocks, and has drilled three small water wells to supply the school.

Two of the wells are near the football stadium, and one is on the Junior High campus.

Cost of the building was \$2,600 and of the water wells, \$1,500.

Carlton Bell, who has been attending West Texas State in Canyon, has been home visiting his parents, Mr. and Mrs. Roger Bell. He will work on his uncle's ranch near Clayton, N. M., this summer and return to college in the fall for his senior year.

1st Choice Car

for the things you want

This is the Kingswood 4-Door 9-Passenger Station Wagon

For Commercial Transportation

With wagons like this one in the lineup, it's no wonder Chevrolet is the most popular car in the whole U. S. All five Chevy wagons, 6- and 9-passenger models, are widest where wagons should be wide—with comfortable seating space that becomes up to 92-cu. ft. of cargo area by a simple adjustment. All five feature all the things that are making Chevrolet first choice, too: FULL COIL SUSPENSION cushioning all four wheels... an ECONOMY TURBO-FIRE V8 that gets up to 10% more miles to the gallon on regular gas, or that well-known saver, the IN-THE-FT 6... the shift-free smoothness of TURBOGLIDE... a wider front seat and more entrance height in Chevy's ROOMIER BODY BY FISHER than you'll find in any other car of the leading low-priced 3. Now's the best time to stop by and let your dealer list all the reasons why YOU CAN'T BUY ANY CAR FOR LESS UNLESS IT'S A LOT LESS CAR! *Optional at extra cost

Printer's Ink-lings . . .

By F. P. H.

Be sure to vote Saturday!
What a change on the faces of men can a little rain bring!

The eager beavers, the termites, and the do-gooders in Congress are determined to give us federal aid to education and socialized medicine whether we want it or not.

The freight on our dollars to Washington and back home is awfully high.

We often wonder if many of our lawmakers have not forgotten what it means to get out and hustle for the dollars it takes to make the family a living.

The man who moved the mountain began by carrying away small stones.—Anonymous.

Although the ballot is short, it's important that you and I vote Saturday. Lynn county must elect a sheriff and a commissioner in Precinct 1. It's a local affair, and local people should be as wise in their choice as The Printer, and we'll make no comment.

The state race is something else. A lot of people, it seems, vote blindly for the minor state office. Therefore, we have made a special effort to gain information on the two candidates for the office of Judge of the Court of Criminal Appeals, Judge Lloyd W. Davidson of Austin is the present incumbent, and Judge W. T. McDonald of Bryan.

Both men seem to have the qualifications for the office, each claims a substantial element of the Bar as backers, and it would probably not make much difference to the average man on the street which is elected.

But, we will cast our vote for Judge McDonald of Bryan to replace Judge Davidson, the present incumbent, because Davidson is the man who puts legal technicalities ahead of justice, has engaged in "legalistic hair-splitting" in ruling on a number of cases, and has therefore brought discredit to the courts in the eyes of the public.

Many cases of this "hair-splitting" by Judge Davidson. One was the reversal of the conviction of a dope addict because the indictment said he was driving a "vehicle" at the time, rather than a "motor vehicle" since the defendant was driving a pickup truck. Another decision held that a Houston woman was arrested unlawfully

THE AMERICAN WAY

Words of Wisdom

because she was holding a sack of marijuana and that the police only had authority to search the car in which she was sitting and not the sack she was holding. Bosh and Balogne!

The courts go too far sometimes in protecting the criminal against conviction of crimes because of the "beyond a reasonable doubt" idea.

If we were going to start from scratch in business in Tahoka and wanted to make a success, we believe we'd start out in the little rock service station building on the west side of the O'Donnell highway, a block and a half south of the square.

Douglas Finley started out there. Then came Homer Maxey, now a "big wheel" in Lubbock. Winston Wharton got his Tahoka start in that station, and so did O.C. Elliott and more recently Shorty Chestnut. Each has had some measure of success in the business world.

No doubt, some people were missed in the Tahoka census enumeration. We know of one family of five. If there are others, mail in the information by Monday and it is possible there will be time to get a correction.

Here's a card from a News reader: "Webster's New College Dictionary defines bacalaureate (No. 2 definition) as a sregon delivered to a graduating class at commencement. May I agree with you that the No. 1 definition is the degree of beheler conferred by colleges and universities." The Printer ain't going to argue no more.

This junior baseball program keeps lots of money at home . . . It keeps a lot of families from taking long vacation trips.

Johnny Reasonover tells these stories in a recent Rotary Club "Stemwinder" edition:

Shorty Chestnut was telling about a trip he made down state several years ago with Fred McGinty and Welch Flippin. When they drove into a service station, several people just stood there with their mouths open gawking at Fred and Welch towering three or four feet above Shorty. Without any further word of explanation, Fred turned to them and said, "We just brought him along to change tires." They went into a cafe for lunch. Unknown to Fred and Shorty, Welch told the waitress that he was taking Fred and Shorty down to Wichita Falls to leave them at the asylum. When they were through eating, there was the usual hulabaloo about who was going to pay for the meals. Shorty said, "If you don't take my money, I'm going to beat hell out of these two guys." The waitress, remembering Welch's story about taking them to the asylum, stammered, "That's all right, I always

BILLY HATCHELL HURT IN LUBBOCK ACCIDENT

Billy Hatchell, 15, son of Mr. and Mrs. B. L. (Bertram) Hatchell of Wilson, received minor injuries Sunday afternoon in the collision of two go-carts at the races at the Lubbock Go-Kart Track.

This was said to have been the first accident that has occurred at the track. Billy was dismissed after receiving treatment at West Texas Hospital.

The collision occurred on a turn, and Billy evidently jumped from the go-cart when he saw it was about to overturn.

not necessarily poor of character and stands foursquare to the world. If one has not bent the knee of principle to avarice he is not poor though he may be compelled to beg.—Clipped.

Be sure to vote Saturday!
