Volume 56 Tahoka, Lynn County, Texas, Friday, June 10, 1960 Number 36

Showers Help Many, Hail Damages Some

Showers which started Saturday night and continued through Tuesday night benefitted crop prospects on hundreds of Lynn county farms, but hail and sand destroyed or damaged crops on scores of other farms.

Tahoka received a total of .88 inch in two showers, .62 inch coming in the rain Saturday night, followed by .26 shortly before midnight Monday.

4-H Members At State Round-Up

Lynn county winners in the District 2 4-H eliminations contest left Tuesday morning on charter bus for the Texas 4-H Roundup at College Station. Accompanying the six 4-H Club members are Bill Griffin, county agent, and Miss Virginia Renfro, New Home, adult leader.

Representing Lynn county at the state contests are:

Marcheta Wood, O'Donnell, public speaking.

Valton Maeker of Wilson, Ronnie Wood, Lyndell and Benna Aske, all of O'Donnell, entomology.

Lester Ford, tractor operation.

Contests were conducted Wednesday. Sears essay winners.

County Agent Bill Griffin announced the following 4-H Club members as winners of the 1960 Sears essay contest.

Gifts were received by Johnny Koenig, Jimmy Koenig, Mike Walton, both of Route 1, Wilson, John Tyler, Route 3, Tahoka, Jay Hart and Mike Burk, Route 3, Post, Dwayne Wyatt and Dave Hancock, Route 4, Tahoka.

Jimmy Koenig got the boar.

Sweet Street Has Large Enrollment

An enrollment of 103 was reported in the Vacation Bible School at Sweet Street Baptist Church with an average daily attendance of 95.

The school began Monday, June 6, and will conclude today, Friday.

Rev. Joe Webb served as general principal of the Bible school. Commencement exercises will be held Sunday night at 7:00 p. m. at the church. At that time, classes from Nursery III through Intermediates will present the program.

Following the program, parents and others will examine the work done by the children during the week.

Training Union will begin at the regular time Sunday night, 6:30 o'clock, but will be a short session.

Everyone is invited to attend the services Sunday night.

ROY RIDDLE IS HOME FROM FORT MCLELLAN

Roy Riddle, wife and nine months old daughter, Tina, are here visiting his parents, Mr. and Mrs. T. R. Riddle.

Roy has been in the Army six years, but does not expect to reenlist at end of his present hitch, which is September of next year.

JOIN NAVY RESERVES

Gary Brazil, son of Mr. and Mrs. W. W. Brazil, and James Hicks, son of Mr. and Mrs. W. V. Hicks, are scheduled to leave Lubbock Saturday, June 11, by plane for two weeks of recruit training at the U. S. Naval Training Center at San Diego, Calif. The members of the Naval Reserve are 1960 graduates of Tahoka High School.

City of O'Donnell Is Celebrating 50th Anniversary of Founding This Week

O'Donnell is celebrating its 50th anniversary this week end along with the annual rodeo on Thursday, Friday, and Saturday.

Rodeo performances will be each evening at 8:00 o'clock, and are being preceded each evening at 6:00 o'clock by a parade featuring about 25 floats, O'Donnell High School Band, Lynn County Sheriff's posse, and visiting Sheriff's posse.

A free breakfast is being sponsored by Mansell Bros. at their store from 7:30 to 9:30 a. m.

According to O'Donnell Index Press, July 19 comes nearest to being the town's birthday, for that was the date the first Santa Fe train rolled into the new town.

The following is from the Index Press:

"However developers of the town began to sell lots in April of that year. A big tent was pitched on the city park, now the town's main business section.

The late Tom O'Donnell, from whom the town took its name, was

Pioneer Reunion Set For June 24

Officers and committee chairman are completing plans for the annual Lynn County Pioneer Reunion here on Friday, June 24th, according to G. R. (Bud) Milliken, president of the organization this year. Mrs. Wade (Dude) Holland is the secretary.

Clint Walker will act as master of ceremonies at the meeting.

Committee heads and some of the committee members are:

Food: Norvell (Booger) Redwine, Elmer Sproles, Albert Curry, and F. E. Redwine.

Finance: Albert Curry.

Entertainment: Mrs. Jack Alley Robinson and Mrs. Dale Thuren.

Grounds: Pat Hines.

Chairs and tables: Happy Smith.

Dance: Mr. and Mrs. Eldon Carroll and Mr. and Mrs. A. N. Norman Jr.

Other directors are: Mrs. Jack Fenton and Mrs. Garland Pennington.

"Lefty" Squires Buried Monday

Glenmore Dean (Lefty) Squires, 53, died here Saturday at 10:45 p. m. in the home of his mother, Mrs. J. A. South, after a lingering illness of about three years.

Funeral services were held Monday at 3:00 p. m. at Stanley Funeral Chapel with Rev. James Efrid, pastor of First Baptist Church, and Rev. J. B. Thompson, pastor of First Methodist Church, officiating. Burial followed in Tahoka Cemetery.

"Lefty" was born at Savoy, Fannin county, on October 4, 1906. He came to Tahoka in 1927 with his mother and late step-father. He played baseball with Tahoka when it had one of the top teams in West Texas, late in the 1920's and in the early 1930's. Leaving here, he played professional baseball in Louisiana and Southeast Texas several years. On giving up baseball, he became an oil field pumper, and still later was with a chemical manufacturing firm at Angleton, on the Gulf Coast. While there, he became a close friend of State Senator Jimmy Phillips.

He was married to Delia Hayes on April 20, 1933, in Guymon, Okla. She passed away in 1952. He was a member of the Christian Church.

In 1957, he became afflicted with a rare form of paralysis for which there is no known cure, and after a few months he returned to Tahoka to live with his mother. He had grown gradually worse until about three days before his death the disease reached vital organs.

In addition to the mother, he is survived by one sister, Mrs. Temple Brashear of Tahoka.

Water Formula Plan Presented

Agreement of the two major cities, Lubbock and Amarillo, on a water rate formula if and when the Canadian River dam is built has raised hopes in some circles that the project will be carried out.

According to the new formula, Tahoka would pay 20.19 cents per 1,000 gallons for water delivered to the city limits.

The formula, necessary to reach an agreement with Amarillo, has proposed rates ranging from 12.79 cents per thousand gallon to Amarillo and Borger to 38.01 for Brownfield. Cities out on the end of the line will pay more according to the cost of getting pipelines and delivering water to the city gates.

E. R. Edwards, Tahoka's director in the Canadian River Municipal Water Authority, Mayor H. B. McCord Sr., and City Councilman W. C. Wharton attended the meeting of directors in Plainview Monday, at which time the latest proposal was made.

Mr. Edwards seems to think the rate set for Tahoka would be one with which this city might be able to get along.

An additional five cents per thousand might have to be charged for treatment.

However, directors from such towns as Brownfield, Lamesa, and Levelland were doubtful if they could come into the project at the rates set for them.

In addition to Brownfield's rate of 33.01, under the new formula Lamesa, would pay 32.40 and Levelland 27.26 cents per thousand. Rates set in the proposed formula for the others, a total of 11 cities, are: Amarillo, 12.79 cents; Borger, 12.79; Pampa, 13.30; Plainview, 13.85; Lubbock, 17.03; Slaton, 20.19; Tahoka, 20.19; O'Donnell, 24.81.

If Lamesa should drop out, it is not known what effect this would have on the rates for Tahoka and O'Donnell, which would be on the line extension to Lamesa.

The \$92 million project has been under consideration for 13 years.

Pythian Sisters To State Meet

Ten members of the Pythian Sisters of Tahoka are making plans to attend the State convention of Pythians in Fort Worth next week. The meeting will conclude Wednesday, June 15.

Pythians leaving Sunday for Fort Worth are: Emma Hallambeck, Bernice Carter, Gladys Cobb, Lucy Brice, Dorothy Kidwell, Charlotte Coxton, Elsie Brooks, Blanche Burroughs, Pat Oliver and Bertha Williams.

Grand Chief of Texas Thelma Oliver will also attend.

The local temple is not entered in competition but will open the Grand Temple session.

Donnie Hopkins, son of Mr. and Mrs. Ray Hopkins, who underwent surgery last week in Lubbock, was undergoing skin grafting Monday at the Methodist Hospital. The 15-year-old youth was critically injured two years ago in a farm accident in Floydada.

The Joe Robinsons were down from Clarendon Tuesday and Wednesday visiting friends and having some dental work done. Joe is ranching a part of the old JA Ranch. Mrs. Robinson said they have had plentiful rains in that country.

New Home FFA Wins Area Event

The New Home FFA Chapter scored heavily at the Area II FFA convention held in Midland last week.

Five Lone Star Farmer applications were submitted from area checking. All applications were passed and have been submitted for State checking this week. The results of this check should be known by the first of July. Those submitting applications were Ronald Wyatt, Ronnie Harston, David Crooks, Larry Brown and Freddie Kieth.

Ronald Wyatt's application was judged runner-up to the State Lone Star Farmer of the area based on his supervised farming program for the past three years. He had a net worth from his projects of approximately \$3,000. His projects this year include ten acres of cotton, five acres of milo, one boar for breeding, 51 head of market hogs, seven sows and two gilts for breeding, and three show pigs. The show pigs, however, were killed by dogs before show time. Ronald has been very active in FFA work, school activities and sports events. He was all-district in basketball and won the State Class B broad jump. His project program is enough to keep him busy but he seems to find time for extra activities. (Cont'd. On Back Page)

Redwine, Morgan Win Offices In Run-off Primary Election

In Saturday's Democratic run-off primary, Sheriff Norvell (Booger) Redwine and Commissioner Curtis Morgan of Precinct 1 were re-elected to new four-year terms, and Lynn county gave a majority vote to Judge W. T. McDonald of Brian over Judge Lloyd W. Davidson for the Court of Criminal Appeals, the only state race in which there was a run-off.

Voters turned out 2,354 strong for the Second Primary. There had been 3,038 votes cast in the First Primary in May.

Redwine had a 260 vote margin over his opponent, Jack Miller, Tahoka Chief of Police, and carried nine of the 12 voting boxes in the county. Redwine's margin in the first primary was 219, but he evidently managed to pick up, percentage-wise, a large portion of the third man's vote, Cleve Bairrington, in the run-off than he had in the first primary.

Morgan, running for re-election as Commissioner of Precinct 1, squeezed out a narrow 53-vote margin over Buford Jones in a race that looked all the time as though it would be a "hoss race." Judge McDonald had a majority of 347 votes in Lynn county over the present incumbent, Judge Lloyd W. Davidson of Austin, formerly of Houston. He won nomination by a margin of 35,000 votes over the entire state.

New terms do not begin until next January.

Sumner M. Clayton Jr. of O'Donnell, County Democratic chairman was highly complimentary of his precinct election officials for the efficient manner in which they handled the election and the promptness with which they reported the results.

Although the polls closed at 7:00 p. m., all returns had been reported to Clayton at the court house before 8:00 p. m., and in spite of the rainstorm that blew in.

Delegates To State Demo Convention

Several delegates and alternates will attend the State Democratic Convention in Austin next Tuesday. The News is informed.

Elected delegates, some or all of whom will attend, are: S. M. Clayton Jr., O'Donnell, county chairman; E. R. Edwards, Calloway Huffaker, and Albert Curry, all of Tahoka; Wilmer Smith, New Home; and Mrs. J. M. (Margaret) Noble, O'Donnell.

Alternates, some of whom will attend, are John Saleh and John Ellis, O'Donnell; John F. Thomas and Charles Verner, Tahoka; Clarence Church, Wilson; and Woodrow Brewer, Draw.

Old movies never die—they're re-played on TV.

American Legion Ball Team Opens Play With Big Spring Here Sunday

Tahoka American Legion baseball team opens league play here Sunday at 3:00 p. m. with Big Spring and will play at Brownfield next Tuesday.

The district was set-up at a meeting in Lubbock Sunday, according to E. L. Short, team manager. There are 16 teams in the district, and there will be three divisions. Winners of each will meet in a play-off in July.

In this division with Tahoka are Big Spring, Brownfield, Denver City, and Bell of Lubbock. Tahoka will play four games at home and four away.

Uniforms have not arrived yet, but financing for them has been arranged and Short hopes to have them in soon.

The Lynn county Legion team has played six practice games this summer, winning five and losing only one.

Billy Tanner, 11, Victim of Burns

Billy Carrol Tanner, 11, burned on May 29 at Carlisle when an aluminum irrigation pipe he was holding touched an electrical line, died at 9:15 a. m. Friday in Methodist Hospital, Lubbock.

Funeral services were held at 2:00 p. m. Saturday in the First Baptist Church of Tahoka with Rev. Burtis R. Heilts, pastor of Carlisle Baptist Church, officiating. Burial was in Tahoka Cemetery under direction of Stanley Funeral Home.

Billy, formerly of Tahoka, was critically burned as he and a playmate were en route home to rest for a Little League game that evening. They gave chase to a ground squirrel, the latter ran in an aluminum pipe, and when Billy picked up the pipe an electric wire was touched and the youth was burned.

He would have been a sixth grade student in Freshman school at Wolfforth this fall. He formerly lived here with his parents.

Billy was born in Tahoka on Oct. 25, 1948, and moved with his parents to Lubbock six or seven years ago.

Relatives say Billy was a friend to everyone and was loved by all who knew him. He was always wanting to help anyone who was down and out.

Survivors include the parents, Mr. and Mrs. Ernest J. Tanner Jr.; the grandparents, Mr. and Mrs. E. J. Tanner Sr. of Tahoka and Mr. and Mrs. R. A. Jenkins of Delta, Colorado.

BREAKS HIP

Mrs. M. A. Shockley, 81, of Lubbock, fell the night of May 25 and broke her right hip. Her left hip had been broken about three years ago. She is in Methodist Hospital and getting along as well as can be expected for her 78 years of age. She is expected to return home in a few days.

Curtis Jester, son of Mr. and Mrs. A. J. Jester of Floydada, is here visiting his grandparents, Mr. and Mrs. G. B. Tomlinson.

Tahoka People Witnessed Crash of B-58 Experimental Plane Saturday

Three members of a Tahokin family witnessed the crash Saturday at about 6:00 p. m. of the B-58 Convair Hustler, said to be the fastest plane in the world, east of Slaton.

Mrs. Graham Tyler, her daughter Iris and son John were driving on the highway from Post to Kalgary en route to Spur.

The sky was clouding-up and lightning began to flash. Suddenly, John exclaimed, "Oh look! That lightning!"

Iris said she saw what appeared to be a bomb exploding. In another half second, Mrs. Tyler saw a flash that astounded her, and she exclaimed, "It was an oil well."

The angry cloud of fire mushroomed slowly.

"It was several miles away," Mrs. Tyler said, "and struck at the foot of a hill." An odd thing about it was that the fire in the cloud burned out, and that was all. Nothing else was burning, and only a large cloud of black smoke was left.

"We could see that for miles and miles as we drove on," John said. "After the black smoke disappeared, grey smoke took its place."

Mrs. Tyler told this reporter, "My one thought was to get away from there as fast as possible. It seemed close enough to be dangerous if it were an oil well."

The family wondered what they had seen. That evening on the news they heard about the crash of the B-58 and they knew.

Monday morning, Mr. Tyler called Reece Airforce Base and told the officer in charge, Colonel Wright, that his son John had seen the crash. He told the officer that John had seen what looked like a flash of lightning strike the ground and then the explosion.

Since John saw the plane before it crashed and it looked like lightning, it could have been on (Cont'd. On Back Page)

Jimmy Whorton Camp Counselor

Jimmy Whorton is working as a counselor in a summer boys' camp at Montezuma, near Las Vegas, New Mexico. He left here Sunday to begin his duties Monday.

Camp Western Life, owned by a couple of Amarillo men, is in the mountains, and the first month is for boys and the second is for girls. Jimmy will have a group of 10 boys in his charge.

TANNER IN HOSPITAL

E. J. Tanner Sr., who had been ill for the past year, was taken back to the hospital Monday for a check-up. Mrs. Tanner reports he had been doing nicely until the tragic death of their only grandchild, Billy, following which he went back to bed and has been running a high temperature.

Ronnie Parker of Hamlin was here last week end visiting friends.

He is working in the oil field there this summer, and will return to McMurry College in the fall. Two years ago he served as youth director in the local Methodist Church.

Old movies never die—they're re-played on TV.

Schedule for the season follows: June 7, Denver City at Brownfield; Bell of Lubbock, bye.

(Cont'd. On Back Page)

DESK TRAYS—Both wire and gray metal at The News.

Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Editor, The News:

Your comments in "Printer's Ink-lings" in the May 27 paper are very timely. As high school graduates are debating whether to go to college or not, your column should be an inspiration to them.

I can certainly agree with you that a high percentage of the people we consider successful had to earn a large part of the cost of their higher education.

Until reading your column, I had never thought of a newspaper office as an educational institution. It seems that yours has been just that. I'm sure it is a source of much satisfaction to you that you have helped so many ambitious men in getting their start.

With best wishes, I am sincerely yours, C. E. Bowles, secretary, Plains Cotton Cooperative Association, Lubbock.

Methodists Close Successful School

Nearly 100 children attended the Vacation Bible School at the First Methodist Church last week, directed by Mrs. Johnny Wells.

Mrs. Larry Hagood presented the opening program, and teachers of the four departments were: Nursery, Mrs. Turner Rogers; Kindergarten, Mrs. Perry Walker; Primary, Mrs. Jake Jacobs, Mrs. Harley Henderson, and Mrs. Gordon Tryon; handicraft, Mrs. Dale Thuren and Mrs. Lewis Allsup; Junior—Mrs. Maurice Huffaker, and Miss Linda Jones; handicraft, Mrs. Clifton Hamilton.

Army

ARMY SPECIALISTS plot and calculate data received on atmospheric pressure, temperature, and humidity from balloon-launched radiosonde at Redstone Arsenal, Alabama. Information will be used in scheduling the static test firing of the SATURN space rocket, to predict what sound intensity of SATURN blast will be at any given location on the ground. Men are (from front) Pfc Floyd J. Davis of Brownsville, Texas, Pfc Phillip A. Stewart of Piqua, Ohio, and SP4 Robert A. Gautyne of Alvin, Texas.

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room—

I know that this shall turn to my salvation through your prayer, and the supply of the Spirit of Jesus Christ. (Philippians 1:19.)

The famous preacher Charles H. Spurgeon was fond of this story. Some children were being taught the Apostles' Creed. Each child repeated a clause. Thus they proceeded through the Creed.

One day the minister came into the classroom and asked the children to repeat the Creed to him. All went well for a time. Then there was an awkward pause. "Well," said the minister, "What is wrong?" A little boy replied, "Please sir, the boy that believes in the Holy Spirit isn't here today."

Someone has said that the Holy Spirit is the lost chord of the church. How little is known of His working in the heart! Yet we need Him so much. He is the One who brings conviction of sin, accomplishes His saving work in the heart, reveals the things of Christ to us, and leads us into all truth. Happy indeed is the man blessed by the Holy Spirit.

PRAYER: Almighty God, grant unto us to know and experience the power of the Holy Spirit in our lives. Convict us of sin, purify our hearts, grant us wisdom in living as Christ would have us live. In His holy name we pray. Amen. THOUGHT FOR THE DAY "As many as are led by the Spir

Chapel Choir Will Sing At Lubbock

The Chapel Choir, a superb American concert-group of the Capital University, Columbus, Ohio, will present a performance in the Municipal Auditorium, Lubbock, at 8:00 p. m. Tuesday, June 14, according to Rev. James P. Burnett, pastor of St. John's Lutheran Church in Wilson.

Conductor of the choir is Ellis Emanuel Snyder.

Unanimously acclaimed as a distinctive organization singing the world's choral masterpieces with sincere simplicity and "aristocratic finesse," this a capella choir of university men and women remarkably succeeds in carrying on the glamorous traditions of musical art, demonstration the sheer beauty and exaltation of inspired song.

Admission to the choir's performance is \$1.00 for adults, and 50 cents for students, including college students. Everyone is invited to attend.

it of God, they are the sons of God." Caroline Morton (North Ireland)

World-wide Bible Reading—Exodus 18:1-27.

Storm Damage To New Home Store

Wind and rain Saturday night did considerable damage to the Davies Grocery & Appliance Store in New Home.

A gust of wind preceding the rain blew away a portion of the roofing, allowing water to pour into the store building during the heavy rain. Also, the electricity went off, adding to the confusion, reports Mrs. Winston Davies.

An apricot tree in the Davies yard was uprooted by the high wind.

Several farmers in the New Home area report hail damage to cotton and feed. Most of these damaged fields will be replanted. As much as two or three inches of rain fell in parts of the New Home and surrounding areas.

Across Street From Bank

EVERY WEEK 10,000 PEOPLE BOUNCE ON ITS SEATS, HONK ITS HORN, KICK ITS TIRES, SLAM ITS DOORS, SHOP ACROSS THE STREET AND THEN RETURN TO BUY THIS CAR!

Falcon is having the best first year any car ever had... over 250,000 already sold since introduction... going at the record rate of 10,000 every week. What makes Falcon the world's most successful new car?

Economy!
To begin with, Falcon is America's very lowest-priced 6-passenger car... \$64 to \$154 less than the other compacts.
"Falcon delivers the best fuel economy of the three new compact

cars," says Motor Trend magazine. Owner reports and fleet operator logs consistently show Falcon mileage figures of up to 30 miles per gallon with regular gas.

Falcon goes 4,000 miles between oil changes, costs less to service, less to license and in most places, less to insure.

Falcon saves you more and still gives you full room for 6 big people and all their luggage. Small wonder Falcon has become first so fast!

Gordon-Southland

(By Mrs. Jesse Ward)
Correspondent

The new Methodist pastor, Rev. and Mrs. Yeatts, have moved to the parsonage in Southland. He preached his first sermon on this work Sunday.

Mr. and Mrs. Kenneth Calloway and E. L. Dunn went to Jacksboro Saturday night where they attended the wedding of a college friend of E. L. and Kenneth, E. L. and Kenneth were ushers in the wedding and were present Friday for the rehearsal.

Mrs. Bill Kane of Amarillo and her sister, Mrs. Herb Ausburn of Longbeach, California spent Saturday night with their parents, Mr. and Mrs. T. L. Barnes and Mrs. Agnes Rinker. Mrs. Ausburn was joined by Mr. Ausburn Monday in Amarillo and they will continue their visit with her parents, Mr. and Mrs. Barnes.

Mr. and Mrs. E. L. Hitt were hosts to all their children and families for a family dinner Sunday in their home. Those present were Mr. and Mrs. J. B. Robinson and sons, Mr. and Mrs. Wesley Scott and sons, Mr. and Mrs. Horace Hitt and family, Jerry who is home for a few days vacation, and a granddaughter, Mr. and Mrs. Jerry Dixon of Plainview and the hosts.

Guests in the home of Mr. and Mrs. D. D. Pennell last week were his brother and family, and his sister and family, Mr. and Mrs. G. C. Emory and girls from Houston.

Mrs. G. E. White, Tahoka, spent the weekend with her sister and brother-in-law, Mr. and Mrs. Earl Morris and was among visitors at Southland Methodist Church.

Rev. and Mrs. George Ellis, who have just recently graduated from McMurry College in Abilene are visiting his parents, Mr. and Mrs. Sam Ellis and family. They were also visitors at the Southland Methodist Church Sunday.

Mr. and Mrs. Kenneth Calloway have moved from the Methodist parsonage where they have been living for sometime to the C. E. Basinger place east of Southland. Visiting in the home of Rev. and Mrs. Fortson, Sunday were Mr. and Mrs. Martin from Dallas. They were visitors at the Southland Baptist Church.

A. It Ned Myers returned to Dyess Air Base Thursday of last week and started the processing of his papers and will get his discharge June 13.

Congratulations to Mr. and Mrs. Fred Myers on the birth of a son, Stephen J., born at Meridian June 5 and weighed 8 pounds and 2 ounces.

Harvey Pennell is spending the week with Mr. and Mrs. Mitchell Malouf Jr. at Plainview.

Kelly Jo Myers spent last week in Spur visiting friends and relatives. Her parents, Mr. and Mrs. Jack Myers, went to Spur Sunday where they visited Mrs. Myers mother, Mr. and Mrs. O. M. Hart and brought their daughter home Sunday afternoon.

Mrs. Leo Baker was released from Mercy Hospital in Slaton the first of last week, but returned to the hospital where she underwent surgery again. She is home and doing fine at this writing.

Mrs. C. S. Oats, who underwent major surgery some two weeks ago, is improving satisfactorily at the Mercy Hospital in Slaton at this writing.

Nedra Sue Myers, little daughter of A. L. and Mrs. Ned Myers of Lubbock, spent last week with her grandparents, Mr. and Mrs. Jack Myers.

Recently Mrs. Kenneth Rackler of Slaton honored her daughter, Thresa, with a birthday party. J. B. Jr. and Beverly Rackler were among guests of her party.

Visiting Mr. and Mrs. T. L. Barnes and Mrs. Agnes Rinker Sunday afternoon were her niece and husband, Mr. and Mrs. Curtis Watson from Lubbock, also his niece and husband, Mr. and Mrs. S. H. Eubanks from Hale Center.

The speaker at Gordon Church of Christ Sunday and Sunday night was E. R. Davis from Acuff who spoke in the absence of the minister. He will be the speaker again Sunday. Visitors at Gordon Sunday were David and Edwin Reed from Pampa, Clark Cowdrey from Graham, and Mr. and Mrs. Orville Stanley and family from Grassland.

PEREZ HOME ON LEAVE

Sgt. Oscar Perez, son of Mr. and Mrs. Gregorio Perez of Tahoka, is now home on a 30-day furlough from the Army. He has been stationed the past two years in Germany and will be in Colorado the remainder of his stay in the service. The young soldier attended Tahoka High School before entering the service.

COOL CURTAINS

It's easy to change your curtains with the seasons if you make reversible ones. Use a cool-looking cotton print for summer, and on the other side a deep solid-colored fabric that will give warmth to a room in winter.

India's fourth steel mill will be at Bokaro in Bihar State.

QUESTIONS, PLEASE

QUESTION: "Does the Bible state who will be saved?"

Answer: Yes, the Bible states who it is that will be saved. We are told in Ephesians 5:23 that the Lord is savior of the body. In Ephesians 1:22, 23 we are told that the body is the church. This same truth is set forth in Col. 1:18-24. If the church and the body are the same and Christ is savior of the body then he is savior of the church. This shows the importance of the church. Even though there are some who teach that one can be saved out of the church the Bible teaches differently. The Lord adds the saved to the church; there is not one example of a person "joining" the church. Acts 2:47 states that the Lord adds the saved to the church. If He adds some of the saved to the church and does not add others then He is a respecter of persons—which is contrary to Bible teaching (Acts 10:34). All the saved are added. One has not a choice; if he is saved then he is part of the church. None of the

saved are out of the church. How, then, are men saved? The Lord says that those who do His will are saved (Matt. 7:21-23). Take, as an example, those who were being added to the church in Acts 2. Peter told them to repent and be baptized for the remission of sins. Verse 41 states that as many as gladly received his word were baptized. We know then that these were saved because Peter said that they would be if they did this. If we can find some way to get "into Christ" we can find a way to be saved. There are only three passages of scripture that tell us (using the term "into Christ") how to get into Christ. One of these is in Romans 6:3 which states that we are BAPTIZED INTO CHRIST. Another is in 1 Corinthians 12:13 which tells us that we are BAPTIZED INTO ONE BODY (which is Christ). The third is found in Galatians 3:27 that tells us that we are BAPTIZED INTO CHRIST. This cleansed us of all past sins. One must then live a good life in order to live with God (Rev. 2:10).

You are invited to send your questions to: Bob Barnes, Box 812, Tahoka, Texas. You are also invited to attend all the services of the church of Christ.

TOMB OF THE UNKNOWNNS, Arlington National Cemetery, Virginia. The sentry is one of the soldiers of Army's 3d (Old Guard) Regiment who keep a 24-hour vigil of the tomb. On Memorial Day, May 30, Americans both at home and overseas will again pay tribute to those who died in the cause of freedom.

Among out of town people here for the funeral of "Lefty" Squires were Mr. and Mrs. Billy Joe Brashear from Abilene, son of Mr. and Mrs. Temple Brashear, E. E. Jones, Bobby Jones and J. C. Huffaker, all from the American National Insurance office in Lubbock.

Rev. and Mrs. Joe Webb and family returned Thursday last week from Colorado Springs, Colo. where they visited his relatives.

Power Mowers Can Be Dangerous

College Station—Did you know a rotary power lawn mower blade travels at speeds up to 150 miles per hour and is capable of throwing sticks, stones, or other objects at comparable speeds? Imagine what would happen if you were hit by one of the fast-flying objects.

Power lawn mowers are now in the majority in town and among farm people. Along with their increased use has been a closely related increase in accidents involving both operators and bystanders. Most accidents have been due to carelessness or lack of knowledge on the part of the individual.

W. L. Ulich, extension agricultural engineer, offers these suggestions on how to operate your rotary power lawn mower safely and efficiently.

Always disconnect spark plug wire before working on the blade. A clean sharp blade does a better cutting job and requires less power.

Never operate mower with safety shields removed. Make sure all rocks and debris are removed from the area before close mowing.

Do not refill the gasoline tank when engine is hot or running. Run mower as slow as possible to do good work.

Keep children and pets away from mowers. Always be certain of sure footing when mowing on steep slopes. Never leave engine running when mower is unattended.

Make sure mower is steady and under control when starting engine.

Always be aware of the hazards involved when you are using a power mower. Don't get caught napping.

Nanette Smith, 4-year-old daughter of Mr. and Mrs. H. E. Smith, was admitted to Tahoka Hospital Tuesday afternoon after she had drunk kerosene. After having a high temperature she has been reported as a little improved.

Mr. and Mrs. John Kirkwood, teachers in the El Paso schools, came up Monday to visit her parents, Mr. and Mrs. Henry Douthitt. John returned home Wednesday but Mrs. Kirkwood remained for a longer visit.

Mr. and Mrs. Wade Holland and Charley returned Tuesday from a visit at Commerce with Mr. and Mrs. Billy (Beverly) McKnight and at Tyler with Mr. and Mrs. M. O. Bridges.

COTTON SUITS POPULAR

Cotton suits, styled for coolness and comfort, are more plentiful this summer. You'll find the suits in cotton cords, knits, tweeds, duck, ticking, and even blue denim. Cardigan jackets, "Fourth of July" colors, and brass buttons are favored.

T-SHIRT DRESS

The T-shirt dress is making a comeback in striped cotton jersey. These inexpensive, smart-looking fashions have short sleeves, straight across necklines, and fit loosely—with or without belts.

Cholla is a particularly spiny species of cactus. It grows to a height of six or eight feet and has many stumpy branches which are easily detached, and on this account has a most vicious reputation for embedding itself in passers-by.

Organization is a device to enable the weak-minded to get somewhere or something.

W. W. McNabb, Petty, is a medical patient in Tahoka Hospital. He was admitted Tuesday evening.

People differ. Some object to a fan dancer, and others to the fan. —Wash. Post.

DO YOUR CAR WHEELS NEED BALANCING?

4 out of 5 do!

Yes, even most NEW cars need wheel balancing jobs

A good wheel balancing job with a modern Hunter Balancer, pays for itself fast. That's true because unbalanced wheels pound your tires to an early death—and increase wear and tear on the front end of your car.

You get more pleasure out of driving—greater comfort, smoother riding, easier steering when you get a wheel balance job done with the modern Hunter Balancer. Yours will be a safer car on the highway, too.

Get your wheels checked FREE—in just 2 minutes. Stop in today.

Mrs. H. H. Hewlett, Dixie, Neita, and Jeanie Sue attended graduation exercises for Mrs. Hewlett's

WANTED BY THE FBI

JOSEPH CORBETT, JR.

Corbett, one of the FBI's "Ten Most Wanted Fugitives," is wanted for escape from the California Institution for Men, Chino, Calif., where he was serving a 5 years' life sentence for murdering an Air Force sergeant. A Federal warrant was issued at Los Angeles, Calif., on March 21, 1960, charging him with unlawful interstate flight to avoid confinement for murder.

A white American, born on October 25, 1928, at Seattle, Wash., Corbett is 6 feet 1 inch to 6 feet 2 inches tall and weighs 160 to 170 pounds. He has light brown hair, hazel eyes, a fair complexion, a medium build, and has worked as a clerk-typist, laborer, warehouseman, laboratory technician, and ally-resin cooker for a paint manufacturer.

His two upper front teeth slant inward and he wears glasses, reportedly being extremely nearsighted and capable of seeing only close objects without them. He has a mole under his chin and a C-shaped scar on his right thumb.

Corbett, once a premedical student, is interested in scientific matters, avidly reads technical and travel books, and is intensely interested in firearms and target practice. He reportedly has a superior general intelligence and generally lives quietly and neatly but becomes erratic when drinking alcoholic beverages.

Convicted of second-degree murder, he is considered armed and dangerous.

Anyone having information concerning him should immediately notify the nearest office of the FBI, the telephone number of which can be found on the first page of local telephone directories. WFO 651200-4

nephew, Duane Cookston, in Whiteface recently.

Judson Hewlett, who has been attending Tech, left Sunday for six months army duty, at Fort Hood. Mrs. Marie Surovik of Lubbock is visiting in the home of her son-in-law and daughter, Mr. and Mrs. E. J. Hewlett.

Mr. and Mrs. David Peterson were dinner guests of her parents, Mr. and Mrs. N. A. Rodgers, at New Home Sunday.

Memorial Day guests of Mr. and Mrs. George Baker and family were Mr. and Mrs. John F. Meyers of Lubbock.

Vacation Bible School of the Wilson Methodist Church had its closing exercises Sunday night. Perfect attendance certificates were presented to 10 children from the Primary, Intermediate, and Junior departments. A program of verses, song and prayer was presented by the children through demonstration of the week's work. The Bible School was under the direction of Mrs. Glen Ward.

Saturday dinner guests of Mr. and Mrs. E. C. Stabeno were Mrs. Bertha Betts and Mrs. Leroy Mueller of Sundown. They spent the weekend with their mother, Mrs. A. Wilke in Slaton.

Mr. and Mrs. Ollie Riddle, Mrs. R. L. Christopher and daughter of Tahoka attended capping ceremonies for the Ollie Riddle's granddaughter, Miss Carol Riddle at Hendrix Memorial Hospital in Abilene Saturday.

Messrs. and Mmes. Claude Coleman and Joe White attended an annual reunion and homecoming at Lipan Sunday.

Mr. and Mrs. Lester Brewer and baby of Lubbock visited his parents, Mr. and Mrs. Herman Brewer Sunday.

Mrs. Joe Bryant of Slaton spent the weekend with her parents, Mr. and Mrs. E. L. Blankenship and Jimmy.

Closing of Vacation Bible School at St. John Lutheran Church will be held Friday, June 10, at 8:00 p. m. with a short program by the children who attended. Interesting displays will be set up and ice cream and cake will be served.

The Women's Missionary Society of St. John Lutheran Church met Wednesday afternoon, June 7 at the church.

Miss Barbara Brewer of Lubbock spent Friday night with her parents, Mr. and Mrs. Herman Brewer.

The MYF of Wilson Methodist Church had a swimming party at the Slaton swimming pool Wednesday June 1. Those attending were Doris and Carol Lamb, Sue Coleman, Joe Hewlett, Bobby and Sammy Crowson, Johnny Long, Jerry Church, Mike Gatzki, Carolyn Clary, Mrs. Sam Gatzki and Mrs. Jim Coleman. After swimming the group ate supper at the El Tiger drive-in.

Kirby Boles of Austin arrived Wednesday for a visit with his sister, Mrs. H. R. Williamson and

S. S. Attendance

Seven of Tahoka's churches reported an attendance of 903 during the Sunday School hour Sunday, June 5, while 798 was reported the previous Sunday.

Following are this week's figures:

First Baptist	318
Mexican Baptist Mission	74
United Pentecostal	31
First Methodist	139
Sweet Street Baptist	138
Church of Christ	189
Revival Center	14
Total	903

family, Mr. Boles became ill and had to be taken to the hospital Sunday.

Mr. and Mrs. Frank Blue and family of Fort Worth visited with Mr. and Mrs. Ray Foster and family over the weekend. Also visiting in the Ray Foster home were Mr. and Mrs. Edwin Foster and girls of Lubbock.

Mrs. Eli Scarbrough and sons of Rockdale spent from Tuesday until Friday in the home of Mr. and Mrs. H. R. Williamson and Eva Pearl.

Mrs. Myrtle Stanley and children and Mrs. Lowell Wagner and children of Clovis, N. M. spent Saturday night with Mr. and Mrs. Roy Robinson.

Visitors in the home of Mr. and Mrs. B. E. Webb and Don over the weekend were Mr. and Mrs. John D. Young.

Mr. and Mrs. Dickie Thomas and son of College Station, are visiting in the home of her parents, Mr. and Mrs. Sam Crowson and family.

GAS STRETCHING ECONOMY mountain shrinking performance CORVAIR GIVES YOU BOTH!

The same Corvair that rolled up a whopping 27.03 miles per gallon* in the Mobilgas Economy Run turned around to scale snow-glazed Pikes Peak earlier in the season than any other car has ever dared to try. What better proof could you ask (official United States Automobile Club observers were aboard every mile of the way) of Corvair's rare combination of light-fingered steering, sure-footed traction and tight-fisted economy? Drop down to your dealer's and see for yourself what it took to make a gallon of gas look so big and 14,110 feet of mountain look so small!

SHORT'S UNCLE VISITS HERE FROM FLORIDA

Mr. and Mrs. C. L. Short of Tampa, Florida, were here Monday visiting his nephews, E. L. and H. L. Short. They went from here to Plains to visit his brother, Bert Short, and wife.

Reared in Hunt county, Mr. Short left home in 1903 to enlist in the Navy, later attended school in New York, joined a contracting firm. Until his recent retirement, he has worked as an engineer installing telegraph and wireless equipment in Panama Canal Zone, South America, the Philippines, and China, in addition to the United States, although Florida has been his home many years.

Mrs. Short, who is a native of North Carolina, said her husband just had to come back to Texas and look around. They expect to visit Brownsville and Houston before returning home.

Breakfast Given For Bridesmaids

Mrs. Urban Brown and daughter, Sharon, were hostesses to a breakfast Tuesday morning honoring the bridesmaids of Miss Marihelen Reid, bride-elect of Dan Kamp.

Attending were the bridesmaids, Jill Walker, Sunny Gibson, Virginia Willhoit, Sandra Reid from Alabama, and Mrs. Leonard Dunn. Miss Carol Smith was also present.

The bride-elect was presented kitchen gifts.

Dixie H. D. Club Has Program

The Dixie Home Demonstration Club met June 1 in the home of Mrs. R. W. Haley with 12 members present.

Mrs. A. D. Smith presented the program on "Happy Living Under One Roof," and "Care for Older People."

Next meeting will be in the home of Mrs. Earl Tunnell on June 15.

Congratulations—

Mr. and Mrs. Frank Thomas on birth of a daughter weighing six pounds, five and one-fourth ounces at 3:44 p. m. Thursday, May 26, in the Garza Memorial Hospital in Post. She has been named Inola Lois.

Mr. and Mrs. James Gage on birth of a daughter in Tahoka Hospital Tuesday, June 7, at 1:20 a. m. She weighed 6 pounds 6 ounces and has been named Jamie Lyn. She has two older brothers. The father is a lineman for Lyntegar Electric. Mr. and Mrs. Carroll Edwards are maternal grandparents, and Mr. and Mrs. Pete Gage are paternal grandparents.

Mr. and Mrs. Bill Hayes on birth of a daughter at 7:44 a. m. Tuesday, June 7, in Tahoka Hospital. She has been named Jonell and weighed 7 pounds. The father is employed by Lyntegar Electric. Mr. and Mrs. J. E. Mayberry are maternal grandparents.

Mr. and Mrs. Robert L. Brandon on birth of a daughter Tuesday, June 7, at 11:38 a. m. in Tahoka Hospital. She has been named Debra Diane and weighed 7 pounds 2 ounces. She is the couple's first child.

Mrs. Leon Braddock was admitted to Tahoka Hospital Wednesday morning as a medical patient.

Pony League Play Advances

O'Donnell continues to lead the Lynn County Pony League play. Thursday night, the Orioles took a 7 to 5 win over the Braves. Larry Jolly was the winning pitcher and Joe Flores the loser.

Monday at Wilson, Wilson defeated the Orioles 8 to 7.

Tuesday night here, O'Donnell took a 12 to 4 victory over the Braves.

Managers failed to report all the games, or details on the above. Thursday night, New Home was playing the Orioles here, O'Donnell will be at Wilson Friday night, the Braves at New Home Monday night, the Orioles at O'Donnell Tuesday night, and Wilson here for a game with the Braves Thursday night.

Make More Profit On Fewer Acres

College Station—Texans take pride in the size of their farming operations. Sometimes they overlook the fact that large operations also may be inefficient—that more profit often can be obtained by more intensive farming methods practiced on fewer acres.

This is particularly true with vegetable crops, says Dr. H. C. Mohr, associate professor of horticulture, Texas A&M College. For example, cabbage, when grown in twin rows on the bed, gives yields about double those of single rows on the bed. Very little additional fertilizer and irrigation are required. Cultivation is the same and labor for thinning and harvesting is much more efficient than on the single row. Thus the yield is doubled at much less than double the production cost.

Similarly, there are savings to be made in many other crops, and the farmer will do well to look for methods of producing more on fewer acres.

Yankees Win First Division

The Yankees are undisputed winners of the first half of the Little League schedule, having won seven games while losing none. Second half of the schedule will open Monday with the Cubs and Giants meeting, while the Yankees play the Cards Tuesday and the Cubs meet the Yankees Thursday.

Thursday night of last week, the Cards took a 5 to 4 victory over the Giants. Trailing 3 to 4, the Cards pinch hitter Wendell Medlin got a double in the bottom of the fifth to tie the score and make the win possible. Alex Valdez was the winning pitcher and Milton Miller the losing pitcher.

Friday night, the Cards took the Cubs 10 to 2. Gary Tomlinson got a home run with one on for winners. Britt Robinson was the winning pitcher, Mike Davis the loser.

Monday night, the Yankees won over the Giants, 13 to 5. Mike Smith was the winning pitcher and Stanley Renfro the loser.

Tuesday evening, in a make-up game, the Cubs won 15 to 17 over the Cards as Dean Hamilton got two home runs for the victors. Mitchell Williams was the winning pitcher, Alex Valdez the loser. Friday night, the Cards play the Yankees a make-up game.

TAHOKA LEGION WINS ANOTHER OVER POST

Tahoka Legion baseball team won another game Wednesday night over Post by a score of 10 to 3.

On the mound for Tahoka were Andy Bray, Sammy Anderson, and Tony Spruiell. Pitching for Post were Leslie Aker and Bobby Beard.

The effect of ten M. P.'s going through a division lobby is equal to the effect of a one-kilowatt fire.—London Evening Standard.

New Home . . .

(Cont'd. From Front Page)
vities. This is due to the support and encouragement of his parents, Mr. and Mrs. Richard Wyatt of Route 4.

The application of Gayland James, son of Mr. and Mrs. Claude James of New Home, was judged first for the Anderson-Clayton College Scholarship. This is based on the cotton program of the applicant for the past four years.

It is the purpose of the award to promote better harvesting and ginning methods of cotton along with better staple length and grades of cotton. The State winner receives

\$3,200 for college expenses over a four-year period. Gayland's application has been submitted for the state competition. He is a May graduate of New Home High School and will study agriculture at Texas Tech this fall.

The New Home Chapter of FFA was awarded a Gold Emblem rating at the convention, which placed the chapter in the top 20 percent of the chapters in the area. The ranking was based on the chapter activities and accomplishments of the past year.

The State FFA convention is to be held in Houston, July 20-22. Benny Pryor, vocational agriculture teacher, accompanied the boys to Midland.

OUR HATS ARE OFF TO—

Ronald Wyatt, Ronnie Harston, David Crooks, Larry Brown and Freddie Kieth of the New Home FFA Chapter whose applications were passed in the area checking and have been submitted for State checking. Especially to Ronald Wyatt whose application was judged runner-up to the Star Lone Star Farmer of the area, and to Glyland James whose application was judged first for a college scholarship. Also to Benny Pryor, New Home ag teacher, for his great leadership of the chapter. Good Luck in the State competition!

Hawaii Subject Of Rotary Talk

A program on Hawaii was presented by Mrs. Wilmer Smith of New Home at Tahoka Rotary Club Thursday noon of last week.

Mrs. Smith and her mother recently visited the islands and took color picture slides which she showed at the club along with commentaries on the points of interest.

She said the Hawaiian islands are made up entirely of volcanic lava, and the highest peak is 13,000 feet. Some of the volcanos are still active, and she had pictures of the lava flow from them.

Her pictures ranged all the way from scenic points, public buildings and the beaches to pictures of the crops, vegetation, and especially of the beautiful flowers that grow there. Some of them were of the area devastated a short time later by the recent great tidal wave.

Mrs. Smith is president of the Texas Home Demonstration Association. She was also a recent delegate at the White House Conference on Youth in Washington, D. C., by appointment from Governor Price Daniel.

The program was arranged by H. B. McCord Jr., president-elect of the club, who introduced the speaker.

A number of Rotarians were away on vacations and at Rotary International, but a number of visiting Rotarians and several local guests were present.

Help keep Tahoka Clean.

Ralls Man Head Of Rotary Clubs

Miami Beach, Florida, June 9—Four members of the Rotary Club of Tahoka met in Miami-Miami Beach last week with more than 15,000 Rotarians and their guests from most of the 116 countries of the world in which there are Rotary clubs for the 51st annual convention of Rotary International.

During the week, they heard numerous distinguished speakers, participated in discussion forums on their various businesses and professions and on the service activities of Rotary clubs around the world, considered proposed legislation, and they enjoyed special entertainment features.

Among the speakers addressing the Rotary convention were Dr. Victor A. Belaunde of Lima, Peru, president of the General Assembly of the United Nations; James P. Mitchell, U. S. Secretary of Labor; Captain Eddie Rickenbacker of New York City, chairman of the board of directors of Eastern Airlines; Ben C. McGahey, chairman of the board of commissioners of Metropolitan Dade County, Florida; and Rotarians and Rotary Foundation Fellows from ten countries.

J. Edd McLaughlin, Ralls banker, was introduced at the convention as the next president of the world-wide organization. All the South Plains of Texas was especially pleased with this honor, as Ralls is probably the smallest town ever to furnish a president of Rotary International.

The Rotary delegation from Tahoka was especially interested in plans announced for the 1961 convention of Rotary International in Tokyo, Japan, the first Rotary convention to be held in Asia.

Rotarians and their ladies from Tahoka in attendance at the convention in Miami Beach include: Delegate and Mrs. Charles Towne, Mr. and Mrs. Harold Green, Mr. and Mrs. Otis Spears, Terry and Tommy, Dr. and Mrs. Skiles Thomas, Susan Bill, Cliff, and Carol.

The Lynn County News

TAHOKA, TEXAS "Heart of the South Plains" FRIDAY, JUNE 10, 1960

WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

One of the most sensible bills introduced this session of Congress so far is authored by Sen. Kenneth Keating. But of course, the mere fact that the bill is sensible does not insure its passage, but his bill is bound to gain substantial support.

Alarmed at the increasing inroads being made into the American market by goods that are produced in cheap labor countries and practically escape any tariff duties, Sen. Keating proposes that U. S. tariffs be tied to the difference between U. S. and foreign labor costs.

Such a plan would, for example, largely eliminate the unfair advantage Japanese manufacturers have over domestic producers due to their 17 cent per hour labor rate.

There are so many inconsistencies in the tariff policies since they have been meddled with by the socialist one-world do-gooders and the State Dept. that if not so serious, they would be laughable.

For one example, domestic wine producers in New York, Ohio, California, and other states are being hard pressed by the flood of cheap foreign wines pouring into the country under a practically non-existent tariff rate.

On the other hand, corks used to stop the bottles carry quite a substantial tariff according to size and type of use ranging up to \$3.50 per thousand for

corks used for champagne bottles. Yet, there is not a single producer of corks in this country, and not a single tree is grown to produce cork.

On the other hand, the small cotton textile mills have been all but driven out of business due to tariff policies, and other nonsense provisions.

There is practically no tariff on cotton finished goods imported into this country. But the government pays American cotton producers an eight cent per pound subsidy on cotton they sell to foreign cotton mills.

Thus, the foreign cotton mills buy American grown cotton for eight cents per pound cheaper than the American mills can buy American grown cotton.

Then, to top it all off, with wages running into mere pennies per hour, and with cheaper raw cotton, and practically no tariff to pay, these foreign mills get rich shipping finished cotton goods into the United States.

The situation is not only ridiculous; it is dangerous. Many small textile mills have been driven out of business and their long time employees driven to the relief rolls.

Probably no nation in history has ever worked so hard to commit economic suicide.

It is small wonder that foreign nations are cashing in their Yankee dollars for Fort Knox at the rate of some \$3 billion per year.

As they get rich off the U. S. at the expense of independent American enterprise they undoubtedly hold the opinion that the U. S. has been turned into one big insane asylum.

George McCracken reports that he recently attended in Abilene the meeting of tax assessors and collectors in order to get acquainted and to become more familiar with the job he will assume next January in Lynn county.

Boy Scouts Will Attend Jamboree

All plans have been completed for the South Plains Council contingent going to the National Boy Scout Jamboree at Colorado Springs in July. Scoutmaster Allyn Cox will accompany the local group.

Tahoka Scouts to attend the Jamboree include Jack Jaquess, Taylor Knight, Mackey McWhirter, Johnny Hillhouse, Clint T. Walker and David Unfred, all of Troop 21. Larry Price, Post 21.

O'Donnell Scouts attending will be Billy Singleton, Douglas Mires, and Louis L. Birdwell, all of Troop 89.

Seven buses will transport the 299 Scouts and Scouters from this area on July 18 and return July 29. The side trips include Pueblo and Denver, and the Scouts will also have the opportunity to go to the top of Pikes Peak. The Jamboree site is located across the highway from the Air Academy.

A preparation camp will be held at Chapman Field in Lubbock on July 9 and 10.

Engineers have made ready the location of thirty-nine sectional camps each of which will have a population of about 1,400 persons. Each section will have its own health lodge, water supply, shower baths, and commissary.

This newest, youngest, and busiest city of approximately 56,000 will team with excitement. Living together will be boys from all walks of life, of all races and creeds. They will exchange skills, swap home-town products, and learn about the customs and traditions of many sections of the nation.

There will be pageants, campfires, ceremonies, and music. There will be demonstrations of all types of campcraft and Scoutercraft, swapping and friendship-making, and the opportunity of seeing some of America's outstanding citizens.

If you want to know what's behind the headlines, ask any housewife. She'll tell you it's her husband, especially at the breakfast table.

Jay Gurley Will Work In Alaska

Jay Gurley, son of Mr. and Mrs. Jess Gurley, flew from Seattle, Wash., to Fairbanks, Alaska, Thursday morning of last week where he is employed for the summer by a construction company.

He completed his sophomore year at Eastern New Mexico University in Portales in May where he is attending school on a basketball scholarship.

In a recent election, Jay was elected a junior class representative to the university's Student Council. He is a 1958 graduate of Tahoka High School.

NOTICE OF HEARING

OF SPECIAL BENEFITS TO BE RECEIVED FROM PROPOSED STREET IMPROVEMENTS, AND ON OTHER MATTERS WITH REFERENCE THERETO, WHICH HEARING IS TO BE HELD IN THE CITY HALL OF THE CITY OF TAHOKA, TEXAS, BEGINNING ON THE 20TH DAY OF JUNE, 1960, AT 7:30 O'CLOCK P. M.

TO ALL OWNERS AND TO ALL PERSONS CLAIMING ANY INTEREST IN OR LIEN UPON ANY PROPERTY ABUTTING THE STREETS OR AVENUES OR PORTIONS THEREOF IN THE CITY OF TAHOKA, TEXAS, HERENAFTER NAMED, WITHIN THE LIMITS HEREINAFTER SET FORTH, AND TO ALL OTHER INTERESTED PARTIES OR THEIR AGENTS AND ATTORNEYS:

You are hereby notified that the City Commission of the City of Tahoka, Texas, has determined

the necessity for and ordered the improvement of certain streets and avenues or portions thereof, herein after described, within the limits hereinafter defined, the nature of such improvements which is hereinafter generally set forth; and the City Commission has approved and adopted the estimate, statement and report of the City Engineer and has taken other proceedings with reference to the making of such improvements, and all of which are of record in the minutes of the City Commission of the City of Tahoka, and have, by ordinance ordered that a hearing be held and notice be given, now therefore, pursuant to said proceedings and such ordinance, NOTICE IS HEREBY GIVEN:

1. That a hearing shall be given to the owners and to all persons owning or claiming any interest in or lien upon the property abutting the streets or avenues or portions thereof in the City of Tahoka, Texas, hereinafter named, within the limits herein set forth and to all other interested parties and to their agents and attorneys, before the City Commission of

the City of Tahoka, Texas, which hearing shall begin on the 20th day of June, 1960, at 7:30 o'clock p. m. and shall be held in the City Hall of the City of Tahoka, Texas, at which hearing all of said owners and other interested parties, their agents and attorneys, shall have the right to be heard on any matter as to which hearing is a constitutional prerequisite to the validity of any assessment sought to be imposed and to contest the amount of the proposed assessments; the lien and liability thereof; the special benefits to the abutting property and the owners thereof by means of the improvements for which such assessments are to be levied; the accuracy, sufficiency, regularity and validity of the proceedings and contract in connection with such improvements; and proposed assessments, or concerning any matter or thing connected therewith. The said hearing may be continued from time to time and from day to day until the fair opportunity for hearing has been afforded to all desiring to contest the said assessment or proceedings, the City Commission shall have power to and shall correct any error or errors, inaccuracies, irregularities, and invalidities, and shall have power to and shall supply any deficiencies and shall determine the amount of the assessment and all other incidental matters and shall have power by ordinance to close such hearing and shall, by ordinance or by a later ordinance or ordinances, have the right to levy such assessments before, during or after construction of such improvements, but no part of any assessment against abutting property shall be made to begin prior to the acceptance by the City, by ordinance, of said improvements abutting the property for which the assessment is levied. It shall not be necessary to levy all of the assessments at one time or by a single ordinance, but said hearing may be closed after each portion of the street or avenues or portions thereof constituting a unit of improvement; and the City Commission shall then have the power to levy such assessments against such abutting property and against the owners thereof as provided herein and the prior proceedings of the City Commission herein referred to.

No assessments will be made against any abutting property or properties of any owner or owners thereof in excess of the special benefits to such properties and its owners in the enhanced value thereof by means of such improvements as determined at such hearing. All of said owners, claimants, and other interested parties, their agents and attorneys, are hereby referred for further information to the proceedings with reference to said improvements on file and on record with the City Secretary of the City of Tahoka and particularly to the estimates of the City Engineer, and to the proposed assessment rolls being on file in the City Office with the City Secretary of the City of Tahoka, Texas.

2. The nature of the improvements for which assessments are proposed to be levied and to which this notice relates is the raising, grading, filling, permanently paving or re-paving of said streets or avenues or portions thereof, within the limits herein stated, and the construction or reconstruction of the concrete curbs and gutters, and by the construction of such things and other and necessary incidental or appurtenances as the City Engineer has found to be necessary or advisable, and as shown by the plans and specifications of the City Engineer, and by widening or narrowing, if necessary, to obtain a paved surface, curb and gutter, so that the paved width from back of curb to back of curb shall be the width set out below; and the said paving shall consist of construction of asphalt triple penetration wearing surface on six-inch inflexible concrete base, which base surface, as well as all of such other improvements, shall be of such nature and type of construction in each particular unit of improvement as are shown on the plans and specifications of the City Engineer.

3. The streets and avenues or portions thereof to be improved within the limits designated by the City Commission are listed below as they have been divided by the City Commission of the City of Tahoka in two separate and distinct improvement units. As stated in connection with the listing of each street or avenue or portion thereof within the limits herein defined, constituting each improvement unit, the estimated amount or amounts per front foot to be assessed against the owner or owners of the properties abutting such street or avenue or portions thereof and such improvements and the estimated total cost of street improvements on each improvement unit and the width of paving surface to be obtained from back of curb to back of curb. There is included in the estimated amount to be assessed against abutting property and the owners thereof a proportionate part of the Engineer's fee as well as a proportionate part of all other incidental costs to the construction of the improvements. The designation of such streets or avenues or portions thereof and such other information is as follows:

ESTIMATED COST OF PAVING IMPROVEMENTS—TAHOKA, TEXAS CONTRACT NO. 160

WIDTH BACK SETBACK TO NO. O. E. TERRY W. L. (Cap) ROWE
MELVIN WUENSCHKE

A revision of the basic conservation plan on Charles Brookshire's farm has been completed. The plan includes planting of 10 acres of Plains Bristle Grass for seed production and grazing. The plan also includes a conservation cropping system, proper use of all crop residues and cover cropping.

A Great Plains Conservation Plan is being developed on W. A. Morrow's farm near New Home.

It puts abundant residue and nitrogen into your soil for new life.

Greatly increases water intake and water holding capacity of the soil.

Gives increased yields on following crops, produces the effects of root-rot and insect damage on cotton. The plant is drought resistant and thrives in hot weather.

All cultivation can be done with standard equipment.

Guar can be seeded in late spring after cotton is planted. Seeding rate is from 5 to 6 lbs. per acre.

A buying station will be set up at Tatum Bros. this fall.

CARD OF THANKS

We fail to find words to express our thanks and appreciation for the many nice things done for us in the tragic loss of our darling Billy. The prayers and kind words and presence of our good friends and neighbors make our burden lighter. We want to say thanks to every one who contributed to our welfare in any way, and to the ones who brought food, the ladies who served, to those who sat up at the hospital, to the doctors and nurses who worked so faithfully, to those who took over the arrangements for us, to Mr. and Mrs. White of Stanley Funeral Home who did such a wonderful job, and to those who sent flowers. We love each one of you and pray that God's richest blessings rest upon each of you.—Mr. and Mrs. E. J. Tanner Jr., Mr. and Mrs. E. J. Tanner Sr., and the R. A. Jenkins family.

Everyday Religion

By J. B. Thompson

Pure Food Laws and Liquor Ads.

The pure food laws of the land stand out like a sore thumb alongside the common advertising practices of the liquor industry. At least one state (Oregon) has undertaken to ban certain kinds of liquor advertising that are false, deceptive and misleading.

The seven points of the control law of that state prohibits: (1) advertising that claim that liquor is a food or remedy for any disease or malady; (2) that contains a recipe for using the liquor advertised; (3) that connects liquor with a seal, coat of arms, crest, award, medal, prize, picture of a woman, child or family scene; (4) that associates liquor with any religious sign, symbol, holiday, festival or observance; (5) that associates liquor with comic strips, pets, athletes or athletic events; (6) that connects liquor with historical personages, events, or the American flag; (7) and that refers to a person, firm or corporation as using or advertising the purchase of the liquor.

All the laws of the land demands of all industries producing food, medicine, tobacco products, or cosmetic preparations that the advertising claims shall be true as represented. However, with our famous (or infamous) inconsistency concerning beverage alcohol products, we allow the grossest misrepresentations to go practically unchallenged by law. Liquor advertising

seeks to deceive the unthinking by claiming false values of by associating liquor with things or people which are approved.

Rev. and Mrs. J. B. Thompson will have as their guests this week end Mr. and Mrs. R. B. Dortch and three children and Charles Thompson and two children from Irving. Mrs. Dortch and Charles are their daughter and son.

4. The City reserves the right to omit the improvements in front of any property, any interest in which was exempt from the lien of special assessment at the time the street improvements were ordered, and further reserves the right to omit the improvements to entire units where one or more of the properties therein are exempt from the liens of assessments and the owners fail or refuse to execute valid Mechanic's Lien Contracts fixing valid contractual liens against such property, or to otherwise secure the payment of their share of the cost of such improvements, and any such omission will not invalidate the lien or liabilities or assessments made against abutting properties.

Done by order of the City Commission of the City of Tahoka, Texas, in witness whereof we have set our hands and the Seal of the City on this the 31st day of May, 1960.

H. B. McCORD SR. (S)
Mayor of the City of Tahoka

LYNN COUNTY TRACTOR CO.

Printer's Ink-lings . . .

By F. P. R.

Just two more weeks until the Lynn County reunion of pioneers on June 24

Every so often, late in the evening, we see three bachelors all dressed up, get in a car and take off. We happen to know they don't gamble or drink or chase women. They're sober, sane, and sensible, and they're good friends of ours but we'd like to know what Floyd Reece, Dewey Brown, and Curtis Morgan are up to!

You don't have to talk with Dewey long before you find out he is a well-read man. He reads a lot and knows a little bit about everything. And there are few questions on sports that he can not answer. But, Dewey has a few pet peeves. One of them is the Yankees. Dewey has been feeling a lot better the last year or two—or since the Yankees have not been a cinch to wrap up the

American League title.

Bill Klattenhoff of Slaton visited The News the other day. Bill is interested in Lynn county history, and he enjoys any story about the early days here. His dad was an early settler. Incidentally, Bill collects old coins. Come on down to the reunion, Bill.

Citizens are missing a bet on not making more and better use of the Lynn County Library, which is located in the Boy Scout Hut and open on Wednesday and Saturdays. The library has several thousand books, including most of the best sellers, many standard works and classics, top non-fiction books, in fact, books for every age. Rental is free on most books to all Lynn county citizens.

And, while we are at it, we'd like to pass a bouquet to the librarian, Mrs. A. J. Kaddatz, one of

U. S. Army's DAVY CROCKETT Unveiled at Fort Benning . . .

ARMY'S LATEST—mobile weapons system, the DAVY CROCKETT, displayed at Fort Benning, Georgia, during PROJECT MAN, a demonstration recently held to focus public attention on Modern Army Needs. A hand or portable weapons system, DAVY CROCKETT is capable of firing atomic or conventional warheads in support of Army's front line pentomic battle groups. The weapon is scheduled for production in Fiscal Year 1961.

Why Install a Gas Light?

If you are a home owner who takes justifiable pride in the appearance of his property . . . if you have a regard for the convenience and safety of folks who come to see you . . . and if you have a keen sense of economy as well as for things functional . . . then a Gas Light will be a satisfying addition to your yard.

Neighbors welcome its glareless illumination . . . insects give its soft, mellow glow a wide berth. And regardless of the architectural style of your home, gas lights provide an indefinable "something" that adds noticeably to the appeal of any residence, at an amazingly small cost of operation.

Why not call Pioneer tomorrow and find out all the details about Gas Lights? Special Budget Prices ~~Start~~ at just \$49.50 installed.

Pioneer Natural Gas Company

the nicest and most obliging ladies in town, who gives her time for "peanuts" to open the library two days a week. Such good citizens as Mrs. Kaddatz is what makes this such a fine place to live.

What on earth will members of today's younger generation tell their children they had to do without?—Submitted by "Anonymous."

When I pass by a little church, I try to stop for a visit—So when I'm finally carried in, The Lord won't ask, "Who is it?"—Also submitted by "Anon."

Said the kind old lady to the Internal Revenue clerk: "I do hope you'll give my money to some nice country." Clipped.

A recent speaker on television, one Hanson Baldwin, made the statement: "Forty years of our American youth are unfit mentally, morally or physically for military service.—We have gone soft." We don't believe any such poppycock. American youths today, in spite of the seemingly large number of delinquents, have much more information, nicer manners, are better morally, and have better health than ever before in history, we believe.

Maybe we're wrong, but the only thing we would change about our youth in general is this: Youngsters today are pampered too much. Instead of handing the young people everything they want, from a car on down, parents need to teach their youngsters to work—to learn where the dollar comes from.

New wage-hour proposals before Congress, if approved, will bring another jump in inflation. Bills before congress will extend coverage to millions more workers, including store clerks. If you don't think it will affect you, Mr. Farmer, you better think again. This will cause another big raise in prices of everything you use. Every time Congress gives the public this kind of "help", the farmer gets it in the neck. Better write your congressman.

You may get some more "help" also in the matter of "health care" legislation—another step on the road to Socialism, being pushed by AFL-CIO and the "prosperity through spending and taxation" boys. The freight on your tax money to Washington and back to Lynn county is mighty high.

The News has the word indirectly from a State Highway Department official that the proposed four-lane divided U. S. highway plans are being drawn to go east of the square through Tahoka unless an injunction, or some such action, is filed by those who oppose the route.

Some other area small towns disappointed in the census figures are: Abernathy, 2491; Morton, 2679; Spur, 2131, a loss of 52 in 10 years; and Lockney, 2139.

In regard to young people working their way through college, a reader reports that seven members of one family from Bonham have graduated from Texas Tech without financial help from their parents, and that during the 1930's and early 1940's when jobs and money were scarce items.

Some day we are going to write in this column some of the success stories of some of the students with whom we went to college, each of whom made his own

way.

The pretty school teacher was trying to tell her pupils about the advent of autumn. "As I stood on the station platform one sunny September morning waiting for my train I felt something lightly caressing my cheek. Can anyone tell me what it was?" she asked. "The station-master's moustache?" suggested the small bad boy of the class.—Santa Fe Magazine.

Johnny Wells brought us a copy of Friday's Dallas News in which the columnist Paul Crume, formerly of Friona and Lariat, spends all of his "Big E" column in a very humorous discussion of the origin and meaning of "baccalaureate." But, we have said enough on the subject. Anyway, Paul's column is too long to print here.

Post and its trade area thoroughly enjoyed what the Lubbock Avalanche-Journal headlines writer consistently terms a "strong slash" over the weekend. If we can be "slashed by the weather" a couple of more times, maybe we can get us a cotton crop.—Jim Cornish in Post Dispatch.

Jim, did you hear "Sewell's Jewels" weather forecast last week on KDUB-TV in which the forecaster stated: "It look's like we'll miss the severe thunderstorms in this area tomorrow—we hope." Boy, what we're afraid of so much in this country is that we will miss the thunderstorms.

Mrs. Virginia Sanford Bailey informs us that her cousin, the former Miss Inez Weatherford, is now Mrs. W. D. Williams and lives at 1220 Galloway Drive in El Paso. Inez has long been a secretary in the El Paso school system, and her husband works for the Gov-

ernment in the water control district.
