More Rain Adds To Hail, Flood Damage

Lynn county received additional rains Tuesday and Wednesday afternoons of this week, all unwanted by farmers at this time.

The rain ranged from a light shower up to five inches.

On Tuesday afternoon, 1.29 was gauged in Tahoka, and on Wednesday afternoon 1.03 inch fell in a very hard shower at about 3:00 o'clock which came very near to running water into some stores down town.

Pioneer Natural Gas measured 2.15 Tuesday at the booster plant west of town, and W. W. Hagood reported three inches southwest of Tahoka. He said east of him the fall was even greater.

Another flood of up to five inches was received Wednesday afternoon up in the Joe Stokes area, northwest of Wayside. Robbie Gill said Carl Armes was reported to have received five inches and Delbert Mouser three inches.

Wilson, already flooded, reported a little over an inch, and the rainfall was lighter over most of the remainder of the county.

This brings the total rainfall in Tahoka to 6.32 inches, with 4.02 of this having fallen last week, July 4th through 6. Total for the year in Tahoka now stands at 11.68 inches.

Last year 7.14 inches fell in Tahoka in June and 3.76 inches in July, and the total for the year was 24.54 inches. Less than half an inch fell last year in the critical month of August.

Damage from last week's floods and hail now appear to have been greater than at first estimated.

Much of the cotton that received bad hail damage has died. In fact, many farmers have already replanted the land to feed where they could get into the fields. Other damaged cotton is not responding very well.

M. L. Murray, Wilson ginner, estimates that 2,000 to 2,500 acres of cotton was lost in Wilson area alone. Some have estimated the acreage loss in the county is from 5,000 to 10,000 acres.

Not only was cotton lost to hail, but many cotton fields in the north half of the county were killed by high water and washing fields, especially in the Lakeview, New Home, Wayside, and Wilson areas.

Property damage from the heavy rains also amounts to considerable.

Some of the paving was washed out on Farm-to-Market road 2081 south of Lakeview and also north of Lakeview Church.

FM 211 between Wilson and Wayside is still under water, and FM 400 from Wilson to Slaton is still closed.

FM 400 probably received the heaviest damage. This road was in the process of being rebuilt from the intersection with US 87 two miles north of Tahoka to Wilson and the intersection with US 84 in South Slaton.

From Tahoka to Wilson, the base was ready for the topping when the big flood came last week and washed out part of the dump at Tahoka Lake Draw. In fact, the road was ready for the hot-topping. Following the big rain, the contractor got the road ready again for the topping, and then got another rain Tuesday.

On the same road between Wilson and Slaton, where call (Cont'd On Back Page)

Lightning Kills Sow For Cooley

Lightning Tuesday afternoon struck and killed a valuable sow belonging to B. K. Cooley, who farms the Will Montgomery place a mile and a half northwest of Tahoka.

Mr. Cooley said the sow was burned to a crisp. She was due to farrow this month.

He said he received two inches of rain Tuesday, followed by another rain Wednesday afternoon.

Making Surveys For Paving Job

Engineers this week began staking lines for the first unit of the new street paving project, and the contractor is expected to begin work at an early date.

City Secretary J. M. Uzzle says several other blocks of proposed paving need the signature of one or more property owners if the blocks are to be paved.

Citizens who desire paving are again urged to sign up at an early date.

Tahoka voters recently approved a \$50,000 bond issue for the City's part in a paving program that calls for 35 blocks or more.

J. R. Fanning Construction Co. of Lubbock is the paving contractor.

Onions Shipped To Many Points

Tahoka onions have been shipped out the past few days to New Orleans, Atlanta, Dallas, San Antonio, Baton Rouge, and Knoxville, according to A. N. Norman Jr.

Even a lot of No. 2 onions was shipped this week to Knoxville, Tenn.

All of these have been New Mexico Yellow "Grano" onions. This week the market price took a jump as the current crop of local onions was running out.

Norman has 31 acres of Spanish Sweet onions on the Bill McNeely place that will be ready in about ten days. He says J. A. Pehs-worth's five acres will produce about 500 sacks to the acre.

Most of these shipped have been from the Lewis Allsup, Winston C. Wharton, and A. N. Norman crops. The price has been low, however, and the producers say those harvest so far have made no money.

However, Allsup is reported to be doing well on his okra crop, most of which is being marketed in this area.

Giants Winners In North Lynn

The North Lynn Little League closed the season Tuesday night, July 12 when the Giants defeated the Yankees 14 to 6. Both teams are from Wilson. Other teams in the league are the Cardinals and Orioles of New Home.

The Giants are the champions of the North Lynn Little League, having won the first and second half of play. They had 13 wins and two losses. Carl Armes and Milton Evans are coaches of the champion team.

Players for the Giants include: Kenny Timmons, Tommy Green, Kenneth McClung, Dwayne Wyatt, Adrian Hill, Jamie Smith, Johnnie Armes, Wayne Fillingim, Ronnie Rogers, Calvin Timmons, Raymond Castro, Dusty Walker, Ronnie Bruno, Dennis McCullough, Mickey Fillingim and William Lee Shockey. Wayland James was bat boy.

The Little League leaders would like to thank all the boys and parents for their cooperation throughout the season.

District play will begin in New Home Thursday, July 21 when the first game will be between North Lynn and Shallowater.

Mr. and Mrs. Lawrence Harvick left Sunday morning for a vacation trip to Los Angeles, Calif. They will return in about two weeks. Going with them to the coast were Mrs. C. J. Carpenter and Charles.

Mrs. Libbie Boner and Mrs. Georgia Brewer of Durant, Okla., were guests of Mr. and Mrs. D. R. Proffitt Sunday night and Monday.

Junior Meeks was an overnight patient Monday in Tahoka Hospital.

Help keep Tahoka Clean.

Lightning Kills Mexican Boy

A Mexican boy was killed instantly either by lightning or by an electrical charge Wednesday at about 5:30 p. m. on the R. W. Overstreet farm in the Petty community, northwest of Tahoka.

He was Reynaldo Padron, 10, son of Mr. and Mrs. Manual Patron of Robstown, who had been here only about a week chopping cotton.

The child's father found him on the ground near the house, and rushed him to Tahoka Hospital, where Dr. Emil Prohl pronounced the boy dead.

Justice of the Peace C. A. Clem ruled the death accidental. There were no burns on the hands or feet, but his face and chest had abrasions, possibly received when the boy fell, according to Martin White of Stanley Funeral Home.

Judge Clem said the youth could have been struck by lightning, or he could have touched the ground wire of a television antenna against which a bare electrical wire had been blown by the wind.

The body was carried to Robstown Thursday for burial services were presumably scheduled for Friday in the Catholic Church.

Reynaldo was born Feb. 12, 1950, at Robstown. He was in the second grade in school at that time. The parents and six brothers survive.

Lavender, Nowlin Are In Seminary Graduating Class

Fort Worth—Two natives of the Tahoka area are candidates for graduation at Southwestern Baptist Theological Seminary during summer commencement exercises July 15 at 10 a. m. in Truett Auditorium on the seminary campus.

They are Darvey D. Lavender, son of Mr. and Mrs. D. S. Lavender, Rt. 3, O'Donnell, and Thomas Deen Nowlin, son of Mrs. O. E. Eubank, Rt. 1, Tahoka.

Lavender, a 1957 bachelor of science graduate from Texas Tech, is scheduled to receive the bachelor of divinity degree.

Nowlin, a graduate of California Baptist College in 1957 with the bachelor of arts is scheduled to receive the master of religious education.

Dr. Nane Starnes, pastor of the West Asherville Baptist Church in North Carolina for the past 24 years, will deliver the commencement address.

Degrees and diplomas will be conferred and awarded to 138 students, 83 in the School of Theology, 47 in the School of Religious Education and eight in the School of Church Music.

Students in this graduating class represent 22 states, Mexico, and Australia.

New Home FFA Boys To Houston

A delegation of five FFA members representing the New Home Future Farmer Chapter will go to Houston, July 20-22 for the 33rd State Convention.

Headed by Ronald Wyatt, chapter president for 1960-61, the group will be accompanied by Benny Pryor, vocational agriculture teacher and FFA advisor. Others in the group will be Larry Brown, Freddie Kieth, David Crooks, and Ronnie Harston. All members will receive their State Farmer Degree at the convention.

Approximately 5,000 strong are expected at the convention to be held in the air-conditioned Houston Coliseum, according to Neill Masterson of Houston, chairman of the convention committee.

In addition to the business session, the awards and the honors, a tour of the Houston area is being arranged for the afternoon of July 21 and an always popular "Fun Night" including the FFA Talent contest, in the making for the evening of July 20.

Lions Elect International President

Finis E. Davis of Louisville, Kentucky, was elected International President of the Lions International at the Association's 43rd Annual Convention in Chicago. Lions International, with 610,000 members in 106 countries or regions, is the world's largest service club organization.

Lions International is best known for its many youth programs, community service projects, sight conservation activities and aid to the blind. Last year Lions Clubs around the globe completed more than 192,000 individual community service projects.

"Doc" Cook, 54, Dies At Lubbock

M. W. (Doc) Cook, 54, former Wilson businessman and brother of bank President Howard Cook, died at about 10:30 p. m. Tuesday in West Texas Hospital about an hour and a half after suffering a heart attack at his home at 1711 42nd street in Lubbock. He was owner and operator of Poplar Grove Convalescent Home.

Funeral services were held at 11:00 a. m. Thursday in Lubbock with Rev. Leo Gee, pastor of St. Luke's Methodist Church, officiating. Burial was in City of Lubbock Cemetery.

"Doc" was born Jan. 12, 1906, in Pell City, Alabama, and came to Wilson in 1921 from East Texas with his late parents, Dr. and Mrs. E. J. Cook.

After graduation from Danforth School of Pharmacy in Fort Worth, he was pharmacist for the R. E. (Bob) Finley Drug Store in Wilson. He moved to Hobbs, N. M., in 1928 and was married to Miss Jewel Williams on Nov. 18, 1930. Three or four years later he returned to Wilson, where he owned and operated the drug store until moving away in about 1940.

At Lubbock, he worked as a pharmacist, then operated a health clinic on Ave. Q, and the last four years he had the convalescent home.

Survivors include his wife; three sisters, Mrs. W. P. Lee of Sweetwater, Mrs. Lew Yates of Corpus Christi, and Mrs. J. Kell Williams of route 5, Lubbock; two brothers, Dick Cook of Lubbock and H. G. Cook of Wilson.

FRANKIE JONES IN COLLEGE

Mr. and Mrs. Frankie Jones, who have been making their home in Springfield, Mo., the past year, are expected to arrive in Tahoka this week and for a few weeks visit with their parents, Mr. and Mrs. H. P. Jones and family, and Mrs. H. H. Roberts. Frankie has been attending the Baptist Bible College in Springfield and will enroll in the school at Fort Worth next fall.

MEN'S MEETING POSTPONED

The ladies' night garden party of the Methodist Men, scheduled for Wednesday night on the Calloway Huffaker lawn, was postponed on account of the rain. President Johnny Reasonover announced the meeting will be held at a later date.

BUILDING NEW HOME

A new home has been started on North Sixth for Mr. and Mrs. Jack A. Robinson. It will be a three-bedroom and den, two-bath brick home. Their old house was sold to Wes Owens, who moved it to North Third, next door to his home, and is remodeling it.

N. W. Smith was admitted to the hospital Sunday and was dismissed on Monday.

Greatest number of accidents caused by tractors overturning occur while the tractors are being operated on level ground.

Lynn County Plans Issuance Of Warrants For Jail Building

11 Boys Going To Scout Jamboree

Eleven Lynn county Boy Scouts and one Scoutmaster leave Monday by chartered bus for the 50th anniversary National Scout Jamboree being held near Colorado Springs. The boys will return the night of July 29.

Making the trip from here are Scoutmaster Allyn Cox, Macky Joe McWhirter, Andy Bray, Taylor Knight, Johnny Hillhouse, Townes Walker, Larry Price and Jack Jacques, all of Tahoka, and David Unfred of New Home.

Going from O'Donnell will be Louis Birdwell, Douglas Mires and Billy Singleton.

The local boys will meet Monday morning on the court house lawn in Tahoka, where the bus will pick them up at 7:00 a. m.

The boys will camp a week along with 60,000 other Boy Scouts and leaders from over the nation and several foreign countries. The Jamboree this year is celebrating fifty years of Scouting in America.

In addition to the activities in camp, the boys will make side trips to Pueblo and Denver, the Air Academy across the highway from the campsite, and to the mountains.

Boating And Skiing Popular On Lakes Over Lynn County

No longer do local boating and water ski enthusiasts have to go all the way to Lake Thomas to enjoy their hobbies. There's a big lake only a few miles away.

Sunday afternoon, several boats were on Tahoka Lake, which is said to have more water in it than it had in 1941 and succeeding years. Water in the lake is said to be nine to 11 feet deep and covers the better part of three sections. Only trouble is that the shoreline is shallow, and boating enthusiasts had trouble launching their craft.

Among those boating Sunday on the lake were Clarence Church, A. N. Norman, Meldon Leslie, and a friend of the latter two men from Lubbock.

However, pastures to the lake are closed, and any guests are requested to close gates and not otherwise abuse their privileges.

Edgar Ahrens reports there was also boating Sunday on the lake north of Wilson which covers a part of the Ahrens farm and the lake west of Wilson on the Rudy Maeker farm. The former lake covers about 400 acres.

Rev. George Small Will Enter College

Rev. George Maurice Small, wife, and three daughters of Fayetteville, Ark., are here this week visiting his parents, Mr. and Mrs. Maurice Small. He has been an Episcopal chaplain at the University of Arkansas, but is preparing to enter the University of the South at Sewanee, Tenn., to work on his Master's degree.

Mr. and Mrs. Jimmy Dumas Small and daughter of Muleshoe were also here Tuesday visiting.

NEW STORE AT WILSON

Wilson Food Market announces it is opening for business Friday next week in the former T. A. Brown location in the Pat Campbell building. Bill Bohall is the manager.

Wilson Selects New Alderman

City of Wilson voters Tuesday elected A. N. Crowson to the City Council to succeed D. A. Brown, resigned.

Other members of the Council are Clarence Church, mayor, J. F. Covey, M. L. Murray, Wm. G. Lumsden, and Sam C. Gatzki.

Voters also approved 40 to 4 the street improvement program now being done in the town. The election was necessary as a technicality in order to permit assessment for cost of curbing and gutter work adjacent to property.

Cost of the curb and gutter is \$2.00 per linear foot. The News is informed.

Pony Play-Off Starts Monday

Lynn County Pony League on Monday night will open a three-game play-off series with the Lubbock Dixie League to see which team represents the two leagues at the district play-offs in Hereford beginning Monday, July 25, at 5:30 p. m.

The Lynn County team will play the Dixie League team Monday night at 8:00 p. m. at the park immediately north of the Circle Drive-In Theatre, in south Lubbock.

The second game will be played in Tahoka Tuesday night at 8:00 p. m. If a third game is necessary, the two teams will meet again at the Lubbock park.

Five teams will be entered in the Hereford district tournament, and winner of the Tahoka-Lubbock game will meet the winner of the Littlefield-Hereford game.

In the meantime, Lynn County Pony League was playing a practice game with Denver City there Thursday night, and the same two teams will meet again here tonight, Friday.

New Home 4-H Girls In Dress Workshop

Eleven girls were enrolled in the New Home 4-H clothing workshop conducted recently, according to Connie Anderson, county home demonstration agent.

The girls participating and garments made by each are as follows: Dresses, Sharon Renfro and Carolyn Morrow.

Skirts, Laura Sealy, Ivah Keith and Freda Jean Brewer.

Skirts and blouses, Nancy Unfred, Susan Hancock, Rhonda Gill, Yvonne Moore, Peggy Marshall and Treva Keith.

Little League Season Closing

Little League season is scheduled to end next week, although there is a make-up game to be played between the Yankees and the Cards, delayed from Tuesday because of the rain.

Monday night, the Giants went into a second half season lead by reason of a 15 to 1 win over the Cubs. Milton Miller was the winning pitcher, and Stanley Renfro came up with a grand slam home run.

The Yankees were scheduled to meet the Cubs Thursday night, the Cards play the Giants, Monday the Cards and Cubs play, and Tuesday the Yankees and Giants play.

Mr. and Mrs. Bill Balch of New Home visited last week in Gatesville, Dallas, Fort Worth, and Oklahoma City. In Gatesville, they attended the funeral of an uncle, Lan Weaver, who died at the age of 90. Mr. Weaver had lived in Coryell county 85 years.

Wilson News

(By Glenda Ward)
The big news this week is the abundant rain. Some are rejoicing, while many others are downhearted because of getting their land washed so badly or their crops hauled out.

VFW Auxiliary Is Planning School

The Tahoka VFW Ladies Auxiliary will be host to a school of instruction here Sunday afternoon, July 17, beginning at 2:00 p. m. in the City-Legion Building, according to Mrs. Maurine McClellan, president.

Nannie Young, District 7 department president, will be in charge of the school. All auxiliaries of the district have been invited to participate. All members of the local auxiliary are requested to be present.

Tahoka VFW Auxiliary will have their regular meeting Monday, July 18, at 8:00 p. m. in the City-Legion Building.

Reeves-Thorton Rites At Bethel

Mr. and Mrs. H. M. Thorton, 3, announce the marriage of their daughter, Dorothy Lee to Melvin Dwain Reeves, son of Mr. and Mrs. Dwain Reeves of O'Donnell.

The couple were married in a double ring ceremony July 2 at Bethel Baptist Church with the Rev. D. W. Copeland officiating.

Miss Margie Thorton was her sister's maid of honor, and Raymond Reeves, brother of the bridegroom, was best man.

The wedding reception was held in the Harold Mires home. Assisting with the hospitalities were Gloria Line, Patsy Cook and Mrs. Robert Reeves.

Mrs. Reeves is a graduate of the O'Donnell schools and her husband completed high school at Abernathy. He has recently completed a three-year tour of duty with the U. S. Army. They are residing in Lubbock where both are employed.

BRIDGE WINNERS

In duplicate bridge play at T-Bar Country Club Tuesday night the winners were: R. C. Keith of Post and Mrs. A. N. Norman, first; Mrs. Oscar Roberts and L. C. Haney and Mrs. Lee Roy Knight and Mrs. Jess Gurley, tied for second and third.

Bridal Shower For Miss Reasonover

Miss Ann Reasonover was honored with a bridal shower Saturday afternoon, July 9, from 3:00 until 5:00 o'clock in the home of Mrs. V. F. Jones.

Colors of yellow and white were carried out in the decorations, and punch and cookies were served to the 50 guests who called.

Hostess gift was a bedspread. Hostesses for the occasion were Mrs. H. W. Carter, John Slover, J. B. Thompson, A. M. Bray, Tom Gill, Roger Bell, Maurice Huffaker, V. F. Jones, and Miss Linda Jones. Also included in the houseparty were Miss Vala Dawn Taylor of Lubbock and Miss Judy Reynolds of Brownfield. Piano arrangements were presented by Misses Martha Bell and Sunny Gibson.

Miss Reasonover will become the bride of David P. Ammons Jr., Saturday, July 30 in the First Methodist Church of Tahoka.

W. S. C. S. Luncheon Is Held Monday

The W. S. C. S. monthly luncheon was held Monday in fellowship hall of the First Methodist Church with 25 ladies, Rev. J. B. Thompson, pastor, and Conrad Archer, youth director, present.

Following the luncheon, Mrs. A. M. Bray, president presided at a meeting. Archer gave an inspirational devotion on the subject of "Others."

The Margaret Circle will meet July 25 at 3:00 p. m. in the country home of Mrs. W. W. Hagood, while the Faith Circle meets that morning at 9:30 o'clock in the home of Mrs. Bray. An invitation is extended to all ladies of the Methodist Church to join these circles in their studies. Interesting programs have been planned for the following year.

Mr. and Mrs. Luke Hagood of Junction were up Wednesday and Thursday visiting his brother, W. W. Hagood and family. Luke says it is very dry at Junction.

Help keep Tahoka Clean.

MRS. DONALD BRYANT (Nee Miss Bobbie Carroll)

Miss Bobbie Carroll Married Recently At Rockwall To Donald W. Bryant

Miss Barbara Jo (Bobbie) Carroll became the bride of Donald William Bryant in a ceremony read at 1:00 p. m. June 24 in the Rockwall Church of Christ by C. A. Warden, minister.

The announcement was made this week by the bride's parents, Mr. and Mrs. D. C. Carroll of Tahoka. The bridegroom is the son of Mr. and Mrs. John M. Bryant of 2904 Westminister Ave., Dallas.

The bride wore a white embroidered linen dress accented by a white pillbox trimmed with black and a short white stand-out veil. She carried a white orchid and wore black patent accessories.

Mrs. Bryant is a graduate of Tahoka High School and received her BBA degree from Texas Tech in 1959. She was a member and

recording secretary of Pi Phi sorority and was a 1958 La Ventana beauty and a 1957 finalist in the La Ventana contest. She is employed as a secretary by Continental Casualty Company in Dallas.

The bridegroom is a graduate of Southern Methodist University and is now branch controller of Continental Company in Dallas.

The couple will make their home at 4502-106 Cedar Spring Road, Dallas.

Donald Paris Will Marry Sunday

Donald Paris, son of Mrs. Jim Hill of Tahoka, will be married to Miss Shirley Ann Miller, daughter of Mr. and Mrs. Aaron Miller of Sunray, on Sunday, July 17, at 3:00 p. m. in Joseph A. Hill Chapel on the campus of West Texas State College in Canyon.

A reception will follow at the Baptist Student Center.

The prospective bride and bridegroom are both graduates of West Texas State. Although he is employed by The Canyon News, both expect to teach school this fall and winter in Amarillo.

Mrs. Frank Hill and Mrs. Jake Jacobs and children were visiting in Floydada this week with Mrs. Hill's sister, Mrs. John Reagan.

Mrs. May Newton, mother of Bill Newton, returned Sunday from a month's visit at Henrietta. Bill says she is now doing fine.

Miss Sue Smith Is Shower Honoree

Miss Carol Sue Smith, bride-elect of Carey Frisby, was honored with a miscellaneous shower Friday, July 8, in the home of Mrs. Emil Prohl.

Colors of silver, white and deep blue were used in decorations. The table was covered with a white imported cloth from Switzerland and had blue flowers, silver bells and blue streamers with the names Sue and Carey and the date, Sept. 4 on them.

About 40 guests called. Hostesses were Mrs. Mmes. Calloway Huffaker, Roy Lemond, Fred McGinty, Buel Draper, Finis Botkin, A. C. Weaver and Prohl.

Miss Smith and her fiance will be married Sept. 4 in Tahoka Methodist Church.

Miss Brock Plans August Wedding

Mr. and Mrs. Truman Balch of Mineral Wells announce the engagement and approaching marriage of Mrs. Balch's daughter, Miss Paula Jan Brock to Thomas Calvin Todd, son of Mr. and Mrs. Eston E. Todd of Pasadena, Texas. Miss Brock is the granddaughter of Mrs. C. T. Oliver of Tahoka.

The wedding will take place at 8:00 p. m. August 27 in Calvary Baptist Church of Mineral Wells with Rev. Ernest D. Stewart Jr. officiating. A reception will follow in the Mezzanine Room of the Crazy Hotel.

The future bride is a graduate of Mineral Wells High School and has attended Hardin-Simmons University and Texas Christian University. She is currently employed by Pan American Petroleum Corporation, Fort Worth. Mr. Todd will be an August graduate of Texas A&M College.

All friends of the family are invited to attend.

Miss Lichey Will Marry In August

Mr. and Mrs. Charlie Lichey of Route 1, Wilson, announce the approaching marriage of their daughter, Mary Lou, to Don Roddy Bogus, son of Mr. and Mrs. W. D. Bills of 4913 W. 14th Street, Lubbock.

The bride-elect is a graduate of Wilson High School and attended Hardin-Simmons University in Abilene two and one half years. She is presently a senior English major at Tech. Her fiance, a graduate of Tom S. Lubbock, is a senior accounting major at Tech.

The wedding date has been set for 8:00 o'clock in the evening of August 26 at the First Baptist Church, Wilson. All friends and relatives of the couple are invited to attend.

Mrs. Ruth Atkins and daughter, Gwendolyn, of Fresno, Calif. visited over the Fourth of July with their parents and grandparents, Mr. and Mrs. W. T. Knight.

Mrs. Atkins and Gwendolyn had been to Greenfield, Iowa to attend the wedding of a son and had been through 12 states.

QUESTIONS, PLEASE

QUESTION: "Is the fruit of the Spirit jumping, jerking, dancing, prancing and shouting?"

Answer: We are told by the apostle Paul, in Galatians 5:22, 23, "But the fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance: against such there is no law." It is a misconception of the purpose of the Holy Spirit to say that one must go through the various antics listed above in the question. The Holy Spirit was given to guide men into all truths. This was done by miraculously inspiring the apostles on Pentecost (Acts 2). We have the word confirmed by the miracles which they did. We receive the Spirit today by receiving that confirmed word and letting it become a part of us. "Every man therefore that hath heard, and hath learned of the Father, cometh unto me" (Jno. 6:45). Our coming to God is not a re-

sult of the direct influence of the Holy Spirit apart from the teaching of God's word. There is the idea that those who are filled with the Spirit are righteously noisy. But Peter said, "But let it be the hidden man of the heart, in that which is not corruptible, even the ornament of a meek and quiet spirit, which is in the sight of God of great price" (1 Pet. 3:4). A quiet person does not quench the Spirit. "And that ye study to be quiet, and to do your own business and to work with your own hands, as we command you" (1 Thess. 4:11). We are to "try the spirits whether they be of God: because many false prophets are gone out into the world" (1 Jno. 4:1). Just because one claims to have been "baptized in the Holy Ghost" and tries to prove it by being noisy does not mean that we are to accept them without question. They must "be tried."

You are invited to send your questions to: Bob Barnes, Box 812, Tahoka, Texas. You are also invited to attend all the services of the church of Christ.

GRASS-ROOTS

BY BILL GRIFFIN
County Agent

Tests conducted recently on the High Plains indicate that a commercial flocculent, Separan AP-30, may prove successful for removing sediments from playa lake water used for groundwater recharge. Application of the flocculent reduced the amount of silt plus clay entering a recharge well in a 24-hour period by 49 percent.

During the test, which consisted of a 24-hour recharge period, the flocculent was added at the constant rate of 0.7 ppm to the water at the inlet pipe in the lake. The irrigation pump was operated for one hour at the end of the recharge period. Samples were taken of the unflocculated water at the pipeline intake and of the flocculated water at the well inlet. All samples were mixed for a minimum of 3 minutes, and no dispersant was added. The sediments in the flocculated samples were determined in only two categories: sand and silt plus clay.

There was an increase in sediments in the untreated water about 4 hours after the test was started. This sediment increase was caused by an increase in wind velocity. A correspondingly smaller increase in sediments occurred in the treated water. The smaller increase in the sediments in treated water indicates that the flocculent may be more efficient when used in water containing higher amounts of sediments. The total silt plus clay flocculated from the water that entered the well, using Separan AP-30, was 1,576 pounds, or 49 percent of the total sediments in the water.

Results from this test indicate that, under more favorable conditions, Separan AP-30 may prove to be successful flocculent for removing sediments from playa lake water used for groundwater recharge. More tests are planned for the future in which conditions will be varied to determine if more efficient results can be obtained.

These studies were conducted cooperatively by the Texas Agricultural Experiment Station and the Soil and Water Conservation Research Division of the USDA.

Little League Names All-Stars

Tahoka Little League All-Stars were selected recently with the Giants and Cards each placing four players and the Cubs and Yankees three each.

Cubs making the team were Mitchell Williams, Dean Hamilton and Mike Reid.

The Giants All-Stars include Stanley Renfro, Milton Miller, B. L. Miller and Gary Conway.

Cards placed Britt Robinson, Gary Tomlinson, Jerry Jolly and Alex Valdez.

Playing for the Yankees will be Mike Smith, S. R. Pena and Rhett Patterson.

Alternates include Mike Davis of the Cubs, first alternate, Sammy Ashcraft of the Yankees, second, and Johnny Hillhouse, also of the Yankees, third.

Manager is Billy Jack Dunlap of the Cubs while Ray Adams of the Cubs will be assistant.

Area playoffs will be held in O'Donnell beginning Saturday, July 23 at 5:00 p. m. at Little League field. Slaton and Post will play the first game. At 7:00 p. m. O'Donnell will play the Stonewall-Kent county all-stars. Winners of the first and second games will play Monday, July 25, the time to be set at the conclusion of the first game.

Tahoka and Lamesa drew a bye on the first game and will play Monday, July 25. The time, which has not been decided upon, depends on the first and second games.

Winners of the third and fourth games will play for championship Tuesday, July 26 at 5:00 p. m. All of the games will take place in O'Donnell. Winners of the playoffs will go to Lubbock for district competition.

Jose Servantes, and Allan Cox.

New Home Eagles: Cerildo Perez, Terry Brown, and Elton George.

Tahoka Braves: Adolph Chappa, Billy Clinton, and Terry Harvick.

Selected as alternates were Johnny Long of the Wilson Red Sox and Larry Jolly of the Tahoka Orioles.

Bart Anderson of the league winning O'Donnell Dodgers will be the manager, and Dean Taylor of the second place Tahoka Orioles will be coach. Bubs Allen of O'Donnell will serve as scorekeeper.

O'Donnell Wins Pony League

O'Donnell Dodgers, champions of Lynn County Pony League with 11 victories and one loss, have some outstanding records, according to Bubs Allen of O'Donnell, scorekeeper.

The Dodgers took the title Tuesday night of last week when they defeated the New Home Eagles 4 to 2 behind the pitching of Jerry Utecht.

Fen Taylor ended the season as the leading hitter of the Dodgers with a batting average of .424 followed by Manuel Garcia with .400, Jerry Utecht .368, and Ellis Treadway .304.

Utecht had the distinction of pitching a no-hit game and also of hitting safely at least once in each of the 12 games.

The Dodgers had three double plays. They scored 86 runs in 76 innings, had 76 men left on base. They allowed only 28 runs in 81 innings at bat on 37 hits, and their officials want to take this opportunity on base.

Allen says: "The Pony League players, managers, coaches and opponents left a total of 58 men of thanking the sponsors, fans, and the whole county for the support given, and hope they will continue their support of the Lynn County All-Stars."

P. E. ASKEW REPORTED NOT DOING SO WELL

P. E. Askew of Wells, aged retired farmer who suffered a stroke several months ago, is reported by his daughter-in-law, Mrs. Bertice Askew, to be growing weaker. Mr. Askew and wife came to Lynn county in 1924, and have lived on the same farm ever since.

Mrs. Askew says her father, C. B. (Charley) Morrison, who lives a mile and a half east of O'Donnell is not able to get out much but his mind is as active as ever, in spite of his 87 years. C. B. has lived in this area "always", having come out in the early days to Borden county, and later to pioneer in Lynn county.

Billy Gene Smith, formerly of New Home, was over from Seagraves Monday. He says he had about six inches of rain on the place he farms for his dad, Waymon Smith, but only about four inches on the Truett and Aubrey Smith farm. He had little damage from washing and says everything is "hunky-dory."

Scout Jamboree Starts July 22

The Fifth National Jamboree of the Boy Scouts of America this July 22 to 28 at Colorado Springs, Colorado with its 55,600 participants will be the largest encampment of youth in the world. It will demonstrate the value and skills of Scouting on a grand scale.

One of the principal purposes of the National Jamboree is to bring to boys and leaders a clearer understanding of and a deeper sense of commitment to the ideals of Scouting. Another is to show America and the world the atmosphere of a huge youth gathering as conducted by a great youth movement in a free society.

The jamboree will help boys know and love America through learning more about the principles and history of our democracy. At their 2,000-acre camp on the Reverse J. Diamond Ranch, opposite the Air Force Academy they will be living and sharing with boys from all parts of the nation and some 425 other Scouts and leaders from 38 nations around the world, who will be their guests. They will see America en route to and from the Jamboree.

This is truly a once-in-a-lifetime opportunity as a boy in Scouting generally has one chance to take part in a Jamboree.

We are proud that we will be represented. The South Plains Council, Boy Scouts of America, responsible for Scouting in this area will be represented by 259 (total) Boy Scouts and Explorers. Helping them get this invaluable experience are 21 (total) adult volunteer leaders in the contingent who are giving generously of their time and talents to help make this representation possible.

We wish for our Jamboree group a most glorious experience. We know they will bring great credit to themselves. We salute the Scout parents for their part in making their sons' participation possible.

There are more than four times as many accidental deaths in farming than in manufacturing.

Work like sixty in '60 and you won't have to work like sixty after you're 60.

Today's MEDITATION

The Upper Room

Read Matthew 18:21-27

All the law is fulfilled in one word, even in this; Thou shalt love thy neighbor as thyself. But if ye bite and devour one another, take heed that ye be not consumed one or another. (Galatians 5:14-15)

During the American Civil War, when hatred between the North and South was bitterest, a White House reception was given. One of the guests overheard Abraham Lincoln as he made a kindly remark about the South. She immediately assailed him saying: "Why, Mr. Lincoln, how can you say kind things about your enemies? You should want to destroy them." Lincoln looked at her and said slowly, "Madam, do I not destroy my enemies when I make them my friends?"

This is the Christian way: get rid of the hatred. The result is that your enemies are gone also. Jesus was saying exactly this when He said, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you; that ye may be the children of your Father." PRAYER: Our Father, help us this day to show love for all our fellow men that Thy spirit may be seen in us. Make us to walk together before Thee as those who have been forgiven a great debt. In the name of Jesus. Amen.

THOUGHT FOR THE DAY: More hate cannot drive out hate—only love can do that. John Paul Hankins (New York) World-wide Bible Reading. Job 28:12-28

Accidents to farm residents claim more than 11,300 victims annually, according to the National Safety Council.

WASHINGTON AND "SMALL BUSINESS"

By G. WILSON HARDER

One of the greatest mysteries of our times is how governmental leadership, in a democracy, can maintain policies that are in conflict with the people.

In a just recently completed nationwide poll of the nation's independent businessmen conducted by the National Federation of Independent Business, 64% expressed themselves in favor of the bill introduced in Congress by Senator Keating. G. W. Harder which would require tariff rates to be set according to foreign wage rates. This measure would go a long way toward stopping ruinous flood of imports made with 17 cent per hour labor competing with goods made at American wage rates.

Of course, there are some who will jump up and say that the nation's 4,000,000 independent businessmen do not represent the nation as a whole. Yet just recently Congressman Alvine Bentley released results of an extensive poll he made in his district, the eighth district in Michigan comprising some six counties in mid-Michigan where the composition of the population among farmers, businessmen, manufacturers, labor and other segments are about equal to a cross section of nation as a whole.

In his questionnaire Rep. Bentley touched on the American deficit in world trade and the loss of gold and dollars, pointing out that low cost foreign goods are being sold in our market.

L. C. HOWLE ASSIGNED TO SERVICE IN GERMANY

L. C. Howle is home on a 35-day leave from the Army and is visiting his parents, Mr. and Mrs. E. A. Howle. L. C. has been stationed at Ft. Leonardwood, Mo. but will be sent to Germany following his leave where he will be for two years before receiving his discharge from the services. He attended Tahoka High School before entering the Army.

You'll never be popular if you spend all your time taking advantage of your free speech.

sign-imports is one of the factors. He then asked how the people in this typical American district he represents would attack the problem.

The results were interesting and illustrate the wide cleavage between the people and Washington leadership. Over one-third, 33.9%, voted to raise tariffs and impose import quotas. Another 37.2% are in favor of preventing U. S. corporations with foreign plants from shipping the products of these low wage plants into the U. S. Another 33.5% expressed themselves as in favor of limiting foreign give aways and U. S. spending abroad.

As to be expected with the technique of questioning used by Rep. Bentley, there was not a clear cut majority for any one of these solutions, but it is evident that at least 90% of the people in the midlands of Michigan are opposed to the present national policies in the international field.

Actually, this supporting data should not be necessary, because the nation's 4,000,000 independent businessmen are a quite representative segment of national thought.

But the sobering question remains.

How long can a democracy exist if the national policies are framed and executed by the theorists, the monopolists, the internationalists in opposition to the beliefs of the majority of the people.

The situation can be corrected.

No matter how firmly entrenched, bureaucracy can be routed by ballots.

oses Two Games

The American Legion ball team at two games last week end. Saturday at Lubbock, the boys lost 10 to 1 to the State champion Red Checks. Andy Bray is reported to have pitched good ball, but Ahoka fielding was poor and actually all of Lubbock's runs were unearned as Tahoka committed eight errors. Winning pitcher was Danny McDougal.

Sunday here, Tahoka lost to Andrews 5 to 7 when several of the regular players failed to show up. John Freddie Thomas started on the mound for Tahoka and was relieved by Bray.

Tractor Care Saves Money

Here's some information that can save you money. It comes from Kansas State University of Agriculture and Applied Science, where a performance study on 50 typical farm tractors was completed recently.

Failure to maintain an engine properly can cost the owner more fuel to produce less power. The average tractor in the Kansas State test was producing only seventy-five percent of its maximum power and it took one-third more fuel than normal to do it. Improper preventive maintenance is the primary culprit, with the following four points topping the list.

- (1) Air Cleaner. Of the tractors tested, one out of ten had air cleaners that were choked with dirt and chaff. Servicing their cleaners resulted in an average power gain of 76% and an 11.4% decrease in fuel consumption.
- (2) Carburetors. Adjustments were needed in almost 75% of the cases. On 23 en-

More Rain . . .

(Cont'd. from Page 1) che was being laid, the contractor not only lost a lot of road bed, and some of it is still under water, but he received heavy damage to a lot of heavy equipment. Some of the equipment was almost covered with water.

Several irrigation wells north and west of Wilson are also under water, and some farm machinery is still 'out in' the normally dry lakes.

The Santa Fe Railroad was running trains again Monday on the Slaton to Wilson, Tahoka, and Lamasa after being out of service five days, since Wednesday of last week, due to high water and tracks washed out.

Work crews Sunday completed rebuilding the washed out tracks at points between Wilson and Slaton and also immediately south of Wilson.

Many farmers are still trying to get in their fields to battle the weeds. Many farmers in the north part of the county have a difficult task as careless and other weeds are now a threat to the crops.

Over most of Lynn county, however, the rains were a life saver, as dry land crops had gone just about as far as they could go over at least two-thirds of the county.

Ghormley Family Meets In Reunion

The Ghormley family reunion was held at the State Park, Brownwood Lake on July 8, 9, and 10. Boating, swimming and fishing were enjoyed by all. Those present were:

Mr. and Mrs. Omer Hogan and daughter, Nelda, Odessa; Mr. and Mrs. Billie Hogan and family, Dallas; Mr. and Mrs. Omer Hogan Jr. and family, Fort Worth; Mrs. Lawrence E. Hogan and son Terry Lee, Odessa; Mrs. Franklin Hines and family, Odessa; Mr. and Mrs. B. C. Mitchell and son Billy Edward, Carbon; Mr. and Mrs. B. K. Lockney Editor Favors Raise In Teacher Salaries

Edgar Hays in Lockney Beacon: The Tahoka school board has done what The Beacon would like to see done in Lockney. In fact it is a move The Beacon editor has been urging for several years and we believe it would improve our school system. Last week the Tahoka school board voted to pay their teachers \$200 above the state minimum salary schedule, the first time it has ever been done at Tahoka. To pay our local teachers, who are not now drawing extra pay for one reason or another, the extra \$200 would probably cost the school district about \$8,000 per year. This \$200 doesn't sound like much but we believe it would bring these results: 1. It would make it easier for the administration to replace teachers. 2. It would keep teachers better satisfied in the local system. 3. It would encourage teachers to put more effort into preparation, and make them better teachers because they would feel that we appreciate their efforts. 4. It would reduce the number of resignations we have in the local system, particularly late resignations when the teacher finds a better paying job just before school starts and leaves a vacancy that is hard to fill in time for school. 5. It would serve to raise the level of teachers efficiency in the local system because the higher salary would attract efficient teachers.

Vote J Wheat
According to the report of the Wheat Commission, the total production of wheat in the United States for the 1960-61 season is estimated at 1.4 billion bushels, which is a decrease from the 1.5 billion bushels of the 1959-60 season. This is due to a system of wheat production that has been in effect since 1954. With this carryover, the total production will be about 1.4 billion bushels. The wheat will be sold at a price of \$1.10 per bushel. The wheat will be sold at a price of \$1.10 per bushel. The wheat will be sold at a price of \$1.10 per bushel.

Vote July 21 On Wheat Program

According to the latest U. S. Department of Agriculture report on the wheat situation received at the Lynn County Agricultural Stabilization and Conservation office, the total national wheat supply for the 1960-61 marketing year is now estimated at a record 2,561 million bushels, which is 6 percent above the previous record. Further estimates show an expected carryover of about 1,435 million bushels for that marketing year.

With this record supply and carryover in prospect, farmers will vote July 21 for the eighth successive year on whether to have a system of marketing quotas for the 1961 wheat crop.

If the vote is two-thirds favorable, farmers who stay within their allotment will be eligible for the full announced support price on their entire production. Those who exceed their allotment will not be eligible for price support and will be subject to marketing quota penalties if (1) they have more than 15 acres of wheat for harvest, or (2) they have not signed applications for exemption under the feed wheat program. If farmers do not approve quotas, the law provides a wheat price-support level at 50 percent of the July 1, 1961, parity for producers who stay within their allotments, and there will be no penalties for excess production.

The wheat quota ballots may be cast on Thursday, July 21, from 8:00 A. M. to 6:00 p. m. at the

Lynn County ASC Office, according to Charles G. Bragg, office manager. Eligible voters are those who will have more than 15 acres of wheat for harvest as grain in 1961 (except those taking part in the feed wheat program).

Wheat growers voting in a referendum each year have approved marketing quotas for the past seven wheat crops.

Mrs. Dr. Campbell Is Buried Here

Mrs. Hattie A. Campbell, 87, widow of a pioneer O'Donnell physician, passed away Wednesday night of last week at about 11:00 p. m. in a Lamesa hospital, where she had been a patient five days.

Born in Belton, she came to O'Donnell with her late husband in 1924. Dr. Campbell died in 1963. Both were long prominent citizens of the county and active in affairs of their town.

Funeral services were held Friday at 4:00 p. m. in O'Donnell First Baptist Church with the pastor, Rev. Bill Burton, officiating. Burial followed in Tahoka Cemetery.

Mrs. Campbell is survived by one son, Dr. K. F. Campbell of Midland; one sister, Mrs. May Cox of Sweetwater; and one grandchild.

L. F. "Jake" Jacobs is visiting his parents in Carthage, Mo., this week. He expected to attend the major league all-star game in Kansas City Monday.

Help keep Tahoka clean.

H-SU Ex-Students Plan Meeting

Hardin-Simmons University ex-students living in the six-county area around Tahoka have been invited to attend a back yard meeting at the Frank Junell residence, 4011 Gary Street, Lubbock, on July 22 at 7:30 p. m.

Glenn Curry of Lubbock, president of the Lubbock area alumni association, is in charge of the meeting. Ex-students from Garza, Crosby, Hale, Lubbock, Floyd and Lynn counties will attend.

Approximately 500 Hardin-Simmons ex-students live in the area. Truett Latimer, alumni director for the university, will attend the meeting. He will show a film entitled "Education Is Everybody's Business."

While not dealing with the needs at Hardin-Simmons specifically, the motion picture does relate them to the national program of higher education, Curry said.

The alumni were invited to bring their families to the informal get-together.

In addition to Curry, area alumni officers are Mrs. Lewis Kenley of Lubbock, vice-president, and Mrs. Wendell Shelton of Lubbock secretary.

Music Program At Rotary Club

Conard Archer, youth director at the Methodist Church this summer, who was reared at Spur and is a student in McMurry College, brought a program of vocal solos at Tahoka Rotary Club Thursday noon last week.

He was accompanied by Mrs. E. W. Patterson, who also joined him in singing a duet.

Dr. Skiles Thomas, one of the members who attended the Rotary International meeting in Miami Beach, Florida, recently made a brief report on the sessions of the convention he attended, particularly the craft guild assembly for doctors, and the visit of he and his family to Nassau in the Bahamas.

The program was arranged by Otis Spears.

New president of the club, H.B. McCord Jr. was in charge of the meeting. He thanked the members for bestowing the honor on him and called for cooperation in making this a great year for the club. Dale Thuren, the new secretary introduced visiting Rotarians.

Quite a bit of indigestion is caused by people having to eat their words.

WILSON MARINE NOW ON ATTACK TRANSPORT

Camp Pendleton, Calif. — Pfc. John E. Rodgers, son of Mr. and Mrs. Sonny Rodgers of Wilson, departed San Diego, Calif. June 21, aboard the attack transport USS Henrico with a transplacement battalion of First Division Marines bound for duty on Okinawa.

Enroute the battalion will make stops at Hawaii and Japan, with arrival on Okinawa scheduled for mid-August.

JAKE WEBB RETIRES

Jake Webb of Post, senior maintenance foreman of Texas Highway Department, retired July 1st, after nearly 35 years with the department. He has been succeeded by Joe Williams, formerly of Lubbock. Webb is well known in eastern Lynn county and by many Tahoka people.

JERRY REER HOME

Pfc. Jerry Reed, son of Mrs. Lillie Patterson, arrived home over the Fourth of July holiday for a visit with relatives here in Tahoka, while on a 15-day leave. Jerry is stationed with the Army at Sacramento, Calif., and entered the service last year.

Everyday Religion

By J. B. Thompson

God Is At The Organ
John Drinkwater's lovely poem pictures God in a beautiful way—
"God is at the organ;
I can hear
A mighty music
Echoing far and near."
God plays on many stops. We hear His sweet music as the winds whisper through the pine trees on a cool mountain slope, as the surf pounds along a rocky shoreline; or when deep voiced thunder rumbles through a stormy night.

Wind in the trees, running brooks, rivers flowing lazily toward the sea, mountain streams leaping over white stones, water avalanches cascading into deep canyons.

What does it all mean? God is at his organ playing on the great manual of nature.

He also plays on human stops. Poets, prophets, preachers, singers, etc., are his human stops.

Marys and Marthas, Johns and Pauls, Cromwells, Wilsons, Hughes, Shakespeares, Booths, Nightengales—these are the stops on the great organ of human deeds and human dreams through which God has been playing his majestic music through the long ages.

But God plays his sweetest music through the heart of Christ and the world has been lured by the beauty of life at its best. His heart of Christ, this karp of a thousand strings, has won the world's hushed adoration.

It is the music of love! It is the music of forgiving! The music of sympathy! Of sacrifice! God's music!

"God is at the organ;
I can hear
A mighty music
Echoing far and near."

Printer's Ink-lings . . .

By F. P. H.

Young Senator Frank Church (he's 35) from Idaho, who gave the keynote address at the Democratic Convention Monday night, will do to watch. Whether you agree with him en toto or not, you'll have to admit he is the freshest, cleverest speaker on the national

scene. We'll bet his speech Monday night won more votes for the Democratic party than any speech that will ever be made by the nominee.

"The Old-Timer" writes in The Echo, monthly newspaper edited and printed by the inmates of the Texas Penitentiary: No man can think straight, or be expected to, if he lives crooked. . . . People who wonder where the younger generation is headed would do well to consider where it came from. . . . It is not in giving in to others, but building into them, that makes sound homes. . . . If all the cars in the world were placed end to end on a six-lane super-highway, someone in the middle lane would still try to make a left turn. . . . We cannot be right with God and wrong with one another. . . . Our deeds are only our thoughts hung out so everybody can see them.

Even a tombstone will say good things about a guy when he's down.—O. G. Nieman in Lamesa Reporter.

The Printer refused to fall for the Bermuda shorts craze or to buy one of those ultra narrow-brim hats, and, by gum, we ain't gonna wear one of those short-sleeved coats the men's fashion-designers are trying to promote. We'll leave the silly fashion crazes to the gullible women who will buy

nearly anything—if it's "in style."

One of Paul Crume's "Big D" columns in the Dallas News the other day reminded us of the time up at Muleshoe some of the ladies' organizations, probably embarrassed and ashamed of the town's country name, proposed that Muleshoe's name be changed to Rosedale. The suggestion really stirred up old Jess Mitchell, then editor of the Muleshoe Journal, and he successfully fought down the move. Old Tack of the Amarillo News suggested a compromise by changing the name to Jennyslipper.

Muleshoe's name is one of its biggest assets. Why not a distinctive name? We like the name Tahoka and also Bovina, Quitaque, Spur, Matador, Quana, Quitaque, Dad's Corner, San Antonio, Cut-and-Shoot, Happy, Ropesville, Meadow, Lariat, and all the other colorful and unusual names.

Rufus Slover had another tall tale about the recent rains. He said he had a barrel with both ends out but with the bung-hole turned upward as the barrel laid on its side. The rain came in the bung hole faster than it would run out the ends.

Rayford Smith thinks he caught Carl Williams in a big lie. Carl said he had 200 acres under water on his quarter next to the Double U, but explained this is because the water was stacked up so high.

Melvin Wuensché says 12 years of work and planning went out the door last week in the flood which took out the terraces, borders, land leveling, etc., he had done during that time on his farm.

The News did not attempt to list all those hailed out or washed out. We merely ran names of farmers damaged so our readers might know the approximate territory covered.

Our nomination as one of the most beautiful and most gracious elderly ladies of Tahoka is Mrs. W. T. Clinton.

We had a caller the other day asking us to "get on" the City Council about the feeding lots being permitted to operate in Tahoka. Well, we'd rather citizens would do their own getting-on, but the stench from these lots has been pretty bad during the recent wet weather. It does seem that cattle feeders, owners of hogs, milch cows, and other animals kept in lots in town would have more regard for their fellow-citizens and at least try to keep their feed pens clean. It also seems that the City should enforce more stringently any ordinances they have, if they have any, against the keeping of livestock in town. Lubbock and Sudan are not the only two towns with this problem.

Fifty years ago Wednesday of last week, Jack Stricklin, who had been editor of the Terry County Herald for 13 months, washed off the printer's ink in a barber shop bath tub—only one in that town—put on a tie, got in a buggy and drove out to the house of Uncle Joe Hamilton, where he was married to Miss Twie Holden. After the ceremony, the bridegroom had to get back to the Herald office—it was 36 hours before press time, and a lot of type had to be set by hand. Sunday afternoon, the beloved newspaper couple observed this 50th wedding anniversary with an open house.

When Jack sold The Herald in 1954, he was the dean of South Plains newspaper publishers.

A while back we did some bragging on those fine, sweet onions

raised by Lewis Allsup and partners in their large-scale vegetable growing project. We can now testify that the blackeye peas and okra are just as fine.

As any married woman will tell you there is no perfect husband, which leads one to wonder what happens to the perfect sons mothers are always describing.

If nothing goes wrong, another of The News' printer trainees, Larry Spruiell, has been given a job at Tech Press which will enable the young man to work his way through college.

Don Brice, just home from the Navy, was telling us about a visit he and his wife had, while on the West Coast, with Dan Blocker and family. Dan is the former O'Donnell boy, son of Mr. and Mrs. "Shack" Blocker, who has become a TV star, now playing in "Bonanza." Don says Dan is a really nice fellow who has been changed little by Hollywood. The 6-6, 300-pound Dan and his little wife, a foot shorter, have four children.

A story that is going the rounds these days is about a Russian officer, a Rumanian, an old lady and an attractive young lady. All four were seated in a compartment on the Orient Express when the train entered a dark tunnel, somewhere behind the iron curtain. The train had only been in the dark for a few minutes when the occupants of

the compartment heard the sound of a kiss followed almost immediately by a sound of a resounding slap.

The old lady thought: "How nice, to see a girl of such high moral standards these days." The young lady thought: "How odd that the Russian would kiss the old woman instead of me." The Rumanian thought: Smart fellow that Rumanian. He steals the kiss and I get slapped."

The Rumanian laughs to himself: "Not bad, not bad at all! I kiss the back of my hand, then slap a Russian officer and get away with it."

In the Raymondville Chronicle: So far our fair county seems to be fortunate enough to escape some of the unpleasant racial conflicts that seem to plague Arkansas and South Carolina.

This thing is getting to be so that you can't body. We read the other day where TV networks sing an old favorite song without offending some—had taboored many old-time songs nobody ever thought would offend anybody.

"Shortnin' Bread," for instance, had to go through a complete revision. "Mamma's Little Baby" had to be changed to "Mamma's Little Baby." No longer is it possible to hear "Old Black Joe" on the networks because it offends Negroes. "Dark Town Strutter's Ball" has been purged to "Down Town Strutters."

If this thing gets much further south-both the Kiwanis and Rotary clubs here will have to burn their

The Lynn County News, Tahoka Texas July 15, 1960

song books. Maybe the tunes could be hummed without possibility of offense, but we doubt it.

Unidentified man, quoted by H. L. Mencken: "I was figurin' on starting some kind of business, but of every business is already en-

gaged in more than's necessary; and then I ain't got no business ability. What I want is something that don't call for no kind of ability whatsoever and no kind of exertion to speak of, and ain't out of town, and pays good, and has a future."

NOTICE OF COUNTY'S INTENTION TO RECEIVE BIDS FOR THE ERECTION OF A COUNTY JAIL BUILDING AT TAHOKA, TEXAS, INCLUDING FURNISHING AND INSTALLATION OF THE NECESSARY JAIL EQUIPMENT, AND TO ISSUE TIME WARRANTS IN PAYMENT OF ALL OR A PORTION OF THE COST THEREOF

SEALED PROPOSALS addressed to the Commissioners' Court of Lynn County, Texas, will be received until 10:00 o'clock A. M. on the 11th day of August, 1960, at the office of the County Judge of Lynn County, in the Courthouse, Tahoka, Texas, for furnishing all labor and materials and performing all work in connection with the erection of a county jail building to be located in the City of Tahoka, Texas, including the furnishing and installation of the necessary jail equipment, in accordance with plans and specifications now on file in the office of the County Judge of Lynn County, Texas, where they may be examined with-

out charge. As stated in the specifications separate proposals will be received for "General Construction" and "Jail Equipment" and proposals may be submitted for either or both portions of the single project, but in any event the successful bidder or bidders will be expected to enter separate contracts on the forms provided.

ALL BIDDERS must submit cashier's or certified check issued by a bank satisfactory to the Commissioners' Court, or a proposal bond given by a reliable surety company authorized to do business in the State of Texas, payable without recourse to the order of HON. W. M. MATHIS, County Judge, in an amount not less than 5% of the amount of the proposal or bid as a guarantee that the bidder will enter into contract and execute performance and payment bonds within ten days after notice of awarding contract to him. Bids without required check or proposal bond will not be considered, and all bids must be submitted on the forms provided.

THE SUCCESSFUL BIDDER will be required to furnish a performance Bond and a Payment Bond each in the full amount of the contract, written by a responsible Surety Company authorized to do business in the State of Texas, and satisfactory to the Commissioners' Court, as required by Article 5160, V. A. T. C. S., as amended by H. B. 344, passed by the 56th Legislature, Regular Session, 1959.

BIDDERS are expected to inspect the site of the work and to inform themselves regarding all local conditions.

ATTENTION OF BIDDERS is directed to the provisions of Article 5159a, Revised Civil Statutes of 1925, as amended, requiring that not less than the general prevailing rates of per diem wages for work of a similar character in the locality where the work is performed, shall be paid all laborers, workmen and mechanics employed in the construction of public works.

PLANS, SPECIFICATIONS and contract documents may be obtained from the offices of HAYNES & KIRBY, Architects-Engineers, 1902 Dixie Drive, Lubbock, Texas, upon deposit of \$10.00 for each set, which sum shall be returned upon receipt of the plans and specifications in good condition within ten days after the bid opening. If plans and specifications are not returned to the Architect within the time limit stated above, the entire deposit will be retained.

NOTICE IS HEREBY FURTHER GIVEN that it is the intention of the Commissioners' Court of Lynn County to pay all or a portion of the Contract prices by the issuance and delivery to the proper contractor of the interest bearing time warrants of Lynn County, Texas, the principal and interest of which are to be payable from ad valorem taxes to be levied out of the county's permanent improving fund,

such warrants to bear interest at a rate of not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually, and to be issued in the principal sum of not to exceed ONE HUNDRED TWENTY FIVE THOUSAND DOLLARS (\$125,000), payable serially, the maximum maturity date to be not later than December 31, 1980, and the successful contractor or contractors shall receive such warrants in installments based upon periodic estimates approved by the Commissioners' Court.

The County has made arrangements for the Contractor to dispose of such warrants herein mentioned at par value thereof, and all bidders shall be governed accordingly.

NO BID may be withdrawn after scheduled closing time for receipt of bids, for at least thirty (30) days.

THE COUNTY reserves the right to reject any or all bids, and to award the contract to the bidder or bidders, who, in the opinion of the Commissioners' Court offers the proposal to the best interest of the County and to waive formalities.

MARGARET MCKINNON IS HONORED AT SLATON

Margaret McKinnon, daughter of Mr. and Mrs. Clyde McKinnon, was recently selected "best all-around girl" in the Slaton Girls' Summer program for this year.

The club, which included about ninety students of the Slaton school, was a six weeks affair ending June 25.

Margaret won several blue ribbons and trophies for athletics achievements.

She is a former student of Tahoka North Elementary School, and will be in the eighth grade at Slaton Junior High School this fall.

Accidents in the farm home kill more than 2,700 and injury nearly 400,000 farm residents each year.

"From 3 to 13 My Dishes Get Clean.. Automatically—"

says Mrs. Don Winter, 1401 W. Beaver, Guymon, Okla.

Here's an enthusiastic homemaker who fully utilizes her electric dishwasher, whether it's just the family three for breakfast or a friendly dinner group of thirteen. In either situation, Mrs. Winter merely "pushes the button" for sanitary, clean dishes. Incidentally, all the dishes used by the thirteen people in the actual dinner party pictured, easily went into Mrs. Winter's electric dishwasher with plenty of room for proper washing.

"OUR ELECTRIC BILL IS THE BIGGEST BARGAIN WE HAVE"

It's the man of the house who usually pays the bills and Mr. Winter is no exception. Despite unlimited use of electric service in the Winter home, Mr. Winter is happy with the low cost of his electric service. No wonder he says, "Our electric bill is the biggest bargain we have."
