**GASOLINE TAXES HAVE GROWN TO SUCH AN EXTENT IN RECENT YEARS THAT THEY NOW PRODUCE MORE REVENUE THAN THE LEVY ON ANY OTHER SINGLE PRODUCT. FEDERAL AND STATE TAXES ON A GALLON OF GASOLINE NOW TOTAL 10 CENTS ON THE AVERAGE...OR NEARLY 50 PERCENT OF THE PRICE OF GASOLINE ITSELF.**

**MOTORISTS PAY AN AVERAGE OF \$1 TAX ON EVERY 10 GALLONS OF GASOLINE THEY BUY!**

**THE RECENT U.S. HIGHWAY TRANSPORTATION CONFERENCE HAS TOLD THAT INCREASING TAXES ON GASOLINE MAY JEOPARDIZE HIGHWAY FINANCINGS...AND THAT GASOLINE TAXES SHOULD BE HELD DOWN AND DIVERSION OF HIGHWAY-USER TAXES TO OTHER PURPOSES HALTED.**

**EXPERTS TOLD THE CONFERENCE THAT 43 PERCENT OF EVERY DOLLAR COLLECTED BY THE FEDERAL GOVERNMENT FROM HIGHWAY USERS IS DIVERTED TO NON-HIGHWAY PURPOSES. LAST YEAR THEY REPORTED \$1.7 BILLION WAS SO DIVERTED; AT THE STATE LEVEL THE TOTAL WAS \$300 MILLION.**

### CARD OF THANKS

At this time we are found with insufficient words to express our gratitude to you, our friends, for all the thoughtfulness shown on our behalf during the recent death of our loved one. We thank those

who sent flowers, food, and cards, and for those who took time to express words of comfort and encouragement in other ways. Thanks for everything. May God bless each of you is our prayer. —The Family of F. E. (Dolly) Roberts. Itc

## O'Donnell School Plant Improved For Opening of Year August 29

O'Donnell's new school term will open on Aug. 29 with a full schedule and buses will operate in a normal manner on that date, according to Supt. John Criner.

A total enrollment of more than 700 students is expected in the O'Donnell system this year. High school enrollment is expected to be about 160; junior high, 250; and the elementary school is expected to enroll about 300.

Major improvements in the system include a new concession stand and restroom facilities at the football field; three water wells; \$1,000 in new science equipment; new floor for the homemaker cottage; two new school buses; new grass on the west side of the junior high school campus and renovations to the stadium.

The high school principal will be A. H. Burton. Mrs. Paul Gooch will be the elementary principal and Ivan Sherrill will be in charge of the junior high school.

School board members include: D. B. McMillan, president; Wayland Taylor, vice president; Ralph Beach, secretary; Bart Anderson, Andy Jordan, Lynn Birdwell and Elbert Crawford, members.

Registration for grades one through four will be conducted on the first day of school, Aug. 29. Registration for grades five through eight will be conducted between the hours of 9:30 a. m. and 12 noon and from 1:30 p. m. to 3:30 p. m. on Aug. 26. All the grades will register during this period.

Freshmen will take a test and register at 10:00 a. m. on Aug. 26, and all are expected to be at the school not later than 10:00 o'clock. Sophomores will register from 9:00 until 10:00 a. m. on that date.

Juniors will register from 3:30 to 4:30 p. m. on Aug. 25 and the Seniors will register between the hours of 1:30 and 3:00 p. m. on Thursday.

The general faculty meeting will be held at 9:30 a. m. on Aug. 25 in the elementary school and will last until 11 o'clock. At that time, building meetings will be conducted.

## Senator Smith To Conference

Sen. Preston Smith, who represents this county and 10 others in West Texas, has been appointed a delegate to the National Legislative Conference to be held in Chicago Aug. 31 through Sept. 2.

Sen. Smith was appointed to the post by Lt. Gov. Ben Ramsey. The national conference is sponsored by the Council of State Governments.

Sen. Smith, appointed to serve on the Texas Legislative Council last year, is the first West Texas senator to hold such a position.

The Legislative Council functions as one of the State's most important groups, serving as a fact-finding body to investigate departments, agencies and officers of state government as the occasions demand. The council makes studies and gathers information for use in organizing bills for presentation to the Legislature, and makes recommendations and drafts of legislation as it deems proper.

Sen. Smith is one of five senators and 10 representatives who with the Speaker of the House and Senate President make up membership of the Legislative Council.

## Everyday Religion

By R. Thompson

Bob Bartlett, the explorer, tells of bringing back a large number of caged birds from a summer voyage. Along about mid-ocean one restless bird escaped from his cage. In ecstasy of freedom, he flew away and they watched him out across the water until he disappeared in the blue of the sky. They said, "That bird is lost," but after several hours had passed, to their surprise, they saw him again coming toward the ship on heavy wing. Panting and breathless, the little feathered prodigal dropped upon the deck.

What is freedom? Freedom may be the emptiest of all words if it means only absence of restraint, or absence of authority. "Freedom of speech," said Dr. Rober Hutchins, "is empty unless we have something worthwhile to say." What good is free speech if we use that freedom to lie and to

mislead? Freedom of worship is empty if we have no God to worship. A lot of people who worry about Russia closing the churches don't even know that their own churches are open. Freedom of religion does not mean to be free of religion.

Of what use is freedom if we take it as a right to do as we please? The Prodigal son had that and it took him straight to the pig trough. Dr. Buttrick has pointed out that the Emperor Nero had all four freedoms, and he used them to make himself a scoundrel.

There is no real freedom, no real liberty, except in the will of God. Every other freedom is an illusion. We batter and bruise ourselves in vain attempts to break away from Him and fly off on our own, only to find that He is the only way across. And every excursion into the far countries of false freedom brings us back, at last, to this: "Make me captive, Lord, and then I shall be free."

Guess they call 'em window enve- lopes because they contain bills that give us a pane.

### Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

HOUSE JOINT RESOLUTION NO. 3 proposing an amendment to Section 24 of Article III of the Constitution of the State of Texas allowing an annual salary of not to exceed Four Thousand, Eight Hundred Dollars (\$4,800) per year and a per diem allowance of not to exceed Twelve Dollars (\$12) per day for the first one hundred and twenty (120) days only of each Regular Session and for thirty (30) days only of each Special Session of the Legislature as the maximum compensation for Members of the Legislature; limiting the Regular Session to one hundred and forty (140) days; and prescribing the form of ballot and providing for the necessary proclamation and publication.

Section 1. That Section 24 of Article III of the Constitution of the State of Texas be amended so as hereafter to read as follows:

"Section 24. Members of the Legislature shall receive from the Public Treasury an annual salary of not to exceed Four Thousand, Eight Hundred Dollars (\$4,800) per year and a per diem of not exceeding Twelve Dollars (\$12) per day for the first one hundred and twenty (120) days only of each Regular Session and for thirty (30) days only of each Special Session of the Legislature. No Regular Session shall be of longer duration than one hundred and forty (140) days.

"In addition to the per diem the Members of each House shall be entitled to mileage in going to and returning from the seat of government, which mileage shall not exceed Two

Dollars and Fifty Cents (\$2.50) for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel, from a table of distances prepared by the Comptroller to each county seat now or hereafter to be established; no Member shall be entitled to mileage for any extra Session that may be called within one (1) day after the adjournment of a Session or called Session."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the 8th day of November, 1960, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment allowing an annual salary of not to exceed Four Thousand, Eight Hundred Dollars (\$4,800) per year and a per diem allowance of not to exceed Twelve Dollars (\$12) per day for the first one hundred and twenty (120) days only of each Session of the Legislature as the maximum compensation for Members of the Legislature and limiting the Regular Session to one hundred and forty (140) days."

"AGAINST the Constitutional Amendment allowing an annual salary of not to exceed Four Thousand, Eight Hundred Dollars (\$4,800) per year and a per diem allowance of not to exceed Twelve Dollars (\$12) per day for the first one hundred and twenty (120) days only of each Session of the Legislature as the maximum compensation for Members of the Legislature and limiting the Regular Session to one hundred and forty (140) days."

Section 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and Laws of this State.

### Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

HOUSE JOINT RESOLUTION NO. 28 proposing an amendment to Article IX of the Constitution of the State of Texas by adding thereto new Sections to be known as Sections 10, 11, and 12 to provide that the Legislature may authorize the creation of a Hospital District co-extensive with Lamar County, Hidalgo County, and County Commissioners Precinct No. 4 of Comanche County, having certain stated powers and duties and subject to certain stated limitations; providing that any such Act shall not be invalid because of its anticipatory character; providing for an election, providing for the form of ballot and providing for the necessary proclamation and publication.

Section 1. That Article IX of the Constitution of the State of Texas be amended by adding the following Sections which shall read as follows:

"Section 10. The Legislature may by law authorize the creation of a Hospital District co-extensive with Lamar County, Hidalgo County, and County Commissioners Precinct No. 4 of Comanche County, except that the maximum rate of tax that the said Lamar County Hospital District may be authorized to levy shall be seventy-five cents (75c) per One Hundred Dollar (\$100) valuation of taxable property within the District, subject to district taxation.

"Section 11. The Legislature may by law authorize the creation of a Hospital District co-extensive with Hidalgo County, having the powers and duties and with the limitations presently provided in Article IX, Section 10, of the Constitution of Texas, as if it applied to Wichita County, except that the maximum rate of tax that the said Hidalgo County Hospital District may be authorized to levy shall be one cent (1c) per One Hundred Dollar (\$100) valuation of taxable property within the District subject to district taxation.

"Section 12. The Legislature may by law authorize the creation of a Hospital District to be co-extensive with the limits of County Commissioners Precinct No. 4 of Comanche County, Texas.

"If such District is created, it may be authorized to levy a tax not to exceed seventy-five cents (75c) on the One Hundred Dollar (\$100) valuation of taxable property within the District; provided, however, no tax may be levied until approved by a majority vote of the participating resident qualified property-taxpaying voters who have duly rendered their property tax. The maximum rate of tax may be changed at subsequent elections on a like basis as obligations are not incurred, and not to exceed the maximum limit of seventy-five cents (75c) per One Hundred Dollar (\$100) valuation, and no election shall be required by subsequent change in the boundaries of the Commissioners Precinct

No. 4 of Comanche County.

"If such tax is authorized, no political subdivision or municipality within or having the same boundaries as the District may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities, but the District shall by resolution assume all such responsibilities and shall assume all of the liabilities and obligations (including bonds and warrants) of such subdivisions or municipalities both. The maximum tax rate submitted shall be sufficient to discharge such obligations, liabilities, and responsibilities, and to maintain and operate the hospital system, and the Legislature may authorize the District to issue tax bonds for the purpose of the purchase, construction, acquisition, repair or renovation of improvements and initially equipping the same, and such bonds shall be payable from said seventy-five cent (75c) tax. The Legislature shall provide for transfer of title to properties to the District.

"(b) The Legislature may by law permit the County of Comanche to render financial aid to that District by paying a part of the expenses of operating and maintaining the system and paying a part of the debt of the District (whether assumed or created by the District) and may authorize the levy of a tax not to exceed ten cents (10c) per One Hundred Dollar valuation (in addition to other taxes permitted by this Constitution) upon all property within the County but without the County Commissioners Precinct No. 4 of Comanche County at the time such levy is made for such purposes. If such tax is authorized, the District shall by resolution assume the responsibilities, obligations, and liabilities of the County in the manner and to the extent hereinafter provided for political subdivisions having similar co-extensive with the District, and the County shall not thereafter levy taxes (other than herein provided) for hospital purposes nor for providing hospital care for needy individuals of the County.

"(c) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be invalid because of their anticipatory character."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at the general election to be held the first Tuesday after the first Monday in November, 1960, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment authorizing the Legislature to create a Hospital District co-extensive with Lamar and Hidalgo Counties, and co-extensive with County Commissioners Precinct No. 4 of Comanche County."

"AGAINST the Constitutional Amendment authorizing the Legislature to create a Hospital District co-extensive with Lamar and Hidalgo Counties, and co-extensive with County Commissioners Precinct No. 4 of Comanche County."

Section 3. The Governor shall issue the necessary proclamation for said election and have the same published as provided by the Constitution and laws of this State.

### MADE BY THE MAKERS OF U.S. MONEY

Can you think of a safer way to save?

Nobody has ever invented a safer way to save than U.S. Savings Bonds. They're guaranteed by the United States of America. Their value can't decrease—it can only go up. At maturity you get 15 more than you paid for them. And Bonds are replaced if they're lost or stolen.

What 63¢ a day will do

Just 63¢ a day will buy an \$18.75 Bond every month worth \$25.00 at maturity. If you keep it up for forty months, you'll have a stack of Bonds worth \$1,000 at maturity. Cost: only \$750—in easy installments.

Some advantages to think about

You can save automatically with the Payroll Savings Plan. This way you won't forget to save. You now get 3 1/2% interest, to maturity. This now rate began June 1, 1959. Series E Bonds now mature 14 months earlier than before—in 7 years, 9 months. Bonds bought before June 1, 1959, earn more, too—an extra 1/2% from then to maturity.

You can get your money, with interest, when you want it. Bonds are a reserve you can cash any time at any bank. It pays to keep them.

You save more than money. You help save the peace with every Bond you buy.

Here's how you can reach your savings goal with U.S. Savings Bonds in just 7 years, 9 months.

If you want about	\$2,500	\$5,000	\$10,000
each week	\$5.45	\$10.85	\$21.70

You save more than money with U.S. Savings Bonds. Buy them where you work or bank.

Visiting Mexico**

Dr. and Mrs. Emil Prohl and son, Karl, will leave Tuesday for Mexico to spend a month visiting in homes of Mexicans, sight-seeing and promoting good-will between the two nations as a part of the Experiment in International Living program with which Rotary is co-operating.

The first week will be spent in the home of a family in Mexico City; the second in a home at Guanajuato, about 300 miles north of Mexico City; the third week in a home at Oaxaca, down the other way from the capitol; and the fourth week traveling to other parts of Mexico.

The program is the same under which the exchange students are handle, such as the visit of Patrick Ardant of France, now a guest in the home of Tahoka Rotarians.

The Prohls recently received the invitation for such a visit along with invitations to other such families. This trip they will make by train.

Dr. and Mrs. Prohl have previously made trips to Europe and to a number of foreign countries, but this is their first under this type program.

Dr. Prohl says they hope to get a clear insight to the Mexican way of life, what the people think about the U. S. and world affairs.

### Men's Class Has Good Programs

The Down Town Men's class has enjoyed some good Sunday school lessons this month by a series of good teachers.

David Bray had the first Sunday's lesson, John Prescott the second Sunday, and the third Sunday will be taught by Rev. Gordon Smith, who is one of Tahoka's favorite sons. Then to finish the month of August, Hon. Mitchell Williams will bring the fourth Sunday's lesson.

All men and young men are urged to attend these fine lessons, coffee and fellowship.

In addition to the fine teachers, Karl Prohl has done a great job leading the song services for which we are all very grateful.

### PRO BASKETBALL GAMES AT LUBBOCK OCTOBER 4

Lubbock—Basketball fans of the Tahoka area will have a chance to see some of the nation's top cagers perform this fall when the Cincinnati Royals meet the St. Louis Hawks in Lubbock Coliseum.

The two NBA clubs will play in Lubbock at 8 p. m. Tuesday, October 4. It will be their only appearance in Texas this season.

The Hawks, champions of the Western Division for the last four years, are led by three forecourt giants 6-9 Bob Pettit, 6-9 Clyde Lovellette and 6-4 Cliff Hagan. Their roster also includes such standouts as Larry Foust, Si Green, John McCarthy and Ed Conlin; Oscar (Big O) Robertson, rated

by many experts as the finest collegiate players in history, is due to spark the Cincinnati attack. Robertson led all NCAA scorers for each of the last three seasons, averaging 33.8 points per game over that span. He is now with the U. S. Olympic cage squad, but is due to sign his pro contract with the Royals as soon as the Olympics end.

Also on the Cincinnati roster are two other Olympians—Jay Arnette of Texas and 6-8 Bob Boozer of Kansas State. Top veteran for the Royals is rugged Jack Twyman, who last season averaged 31.1 points per game in 75 contests. He finished second to Wilt Chamberlain in the NBC individual scoring race.

Tickets for the Lubbock game, priced at \$3.00, \$2.50 and \$2.00 each, may now be ordered by mailing a check to Pro Basketball, Box 5002, Lubbock, Texas. Promoter Choc Hutcheson said this week that fans who ordered tickets now are assured of choice seat locations in whichever price range they select.

Mr. and Mrs. Ted Terry and children of Slaton were supper guests in the home of Mr. and Mrs. Rex Marshall and Peggy in New Home Sunday.

Monel nickle-copper alloy is used for propeller shafts of pleasure boats because it is highly corrosion resistant, as strong as structural steel and tougher than ordinary hafting.

Cleaning nickle stainless steel is as easy a washing china or glassware—soap or detergent in warm water will wash it quickly without the need for subsequent polishing.

### S. S. ATTENDANCE

### Church of Christ Services Continue

Excellent interest, good crowds, and fine messages is the report of Bob Barnes, local minister, on the Gospel meeting in progress at the Tahoka Church of Christ.

O. H. Tabor of Carlsbad, N. M., is doing the preaching and B. Wayne Hinds, director of Lubbock Christian College chorus, is leading the song services.

The meeting will continue through this coming Sunday.

### BREAKS ANKLE IN PRACTICE

Billy Miller, freshman in Tahoka High School, and son of Mr. and Mrs. Jack Miller, was admitted to Tahoka Hospital Tuesday evening suffering from a broken right ankle received while practicing football at high school.

Mrs. Maud Bledsoe received word Tuesday that her daughter, Mrs. Jewel Johnson, who has been in Fort Worth taking therapy treatments for paralysis, that she suffered a broken hip in a fall Saturday but is doing very well. Mrs. Johnson had been in Tahoka prior to going to Fort Worth. She had had brain surgery in April.

## Bulldogs Start Football Work

Fans watching work-outs of the Tahoka Bulldogs this week declare the 30 boys are showing more hustle and desire than last year. Indications are that this could become another fighting team such as made Tahoka feared a few years ago.

The Bulldogs will scrimmage Abernathy here next Tuesday at 5:00 p. m. and will go to Plains for a scrimmage there on Saturday, Aug. 27, at 4:00 p. m. The New Home squad was to work out with Tahoka here this Thursday.

Tahoka's first game will be at

Frenship on Sept. 2, and the first home game will not be until Sept. 16, when the O'Donnell Eagles come here.

"The boys seem to have a very fine attitude," Coach J. D. Atwell reports.

His assistant here this year is Jerry Brown, who played at Hardin-Simmons University and was assistant coach at New Home last year.

In Coach Atwell's rebuilding process, he has only seven lettermen back this year, but the major portion of the squad is made up of sophomores and juniors. There are five boys up from last year's eighth grade team, with six freshmen on the squad, 11 sophomores, 10 juniors, and four seniors.

Several boys have come out for the squad and already dropped off. A few more are expected by the start of school.

Lettermen lost from last year's squad are George Adams, Pike Burkhardt, David Copeland, Ronnie Walters, Larry Spruiell, Joe Phil Inman, Foster Dudgeon, Richard Stice, Phillip Havins, Roy Lee Thomas, Dean Elliott, and Larry Owens. Also not returning to the squad this year for various reasons are Mike Gurley, Carl Ingle, Murl Cloe, and Charley Holland.

Mr. and Mrs. Charles Reid and children left Wednesday for Amarillo to attend an insurance meeting, following which they will proceed to Colorado for a vacation at Creede and Lake City.

## Leopards Start Football Work

New Home football prospects should be better this year, stated Coach Charles Yarbrough following the first work-out Monday. "We will have a little more size and experience," he said.

The Leopards lost only two boys by graduation, Freddy Kieth and Gayland James, but Jackie Gage moved to Tahoka and Curtis Cowart to New Mexico.

The squad has picked up two other prospects, one a boy who was not eligible last year and the other a boy moving in from Wilson who will be eligible. Also, there are about seven boys coming up from the grade school.

He hopes to have a practice scrimmage with Tahoka about next Thursday and possibly one with Brownfield. Coach Yarbrough

would like to have an opening game for Sept. 9.

## Bridge Contests Here August 27

A one session open pairs tournament will be sponsored by T-Bar Country Club Duplicate on Saturday night, August 27, at 7:30 o'clock in the City-Legion building, announces Johnny Wells, the Duplicate Club director.

The meeting will be open to all people of this area, and there will also be party bridge for those who prefer to play this type of game. However, those who expect to play party bridge are asked to contact Mrs. Chas. Townes in advance.

Prizes will be awarded winners, refreshments of cold drinks and sandwiches will be served, and entry fee is \$2.00 per person. Proceeds will go to the T-Bar club house fund.

Many players are expected from out of town for the event, Wells said.

Mrs. C. V. Williams of Pecos is here visiting her sister, Mrs. Ed (Nettie) Davis.

## Joretta Ingle To Wed In Lubbock

Mr. and Mrs. Clifford T. Ingle of New Lynn, Post, route 2, announce the engagement and approaching marriage of their daughter, Joretta Sue, to Connie Mac Jones, son of Mr. and Mrs. Lee Jones of Slaton.

The marriage will be performed by Homer Jones, minister of the Church of Christ at Wellman and a brother of the prospective bridegroom, on Friday, September 9, in the home of Mr. and Mrs. Don Dansbee in Lubbock. Mrs. Dansbee is a sister of Mr. Jones.

### DUPLICATE WINNERS

Winners in duplicate bridge at T-Bar Country Club Tuesday night were: Mrs. Oscar Roberts and Mrs. Johnny Wells, first; Mrs. Jess Gurley and Mrs. J. T. Whorton and Mrs. Winston Wharton and Johnny Wells, tied for second and third; Mr. and Mrs. L. C. Haney, fourth.

Next Tuesday is Master Point night at the club.

## Miss Margie Curry And Bob L. Freeman Married At Local Church Saturday

Miss Margie Ann Curry and Bob L. Freeman exchanged double ring wedding vows Sunday in First Baptist Church at 3:00 p. m. The Rev. Gordon Smith performed the ceremony.

The bride is the daughter of Mrs. Elnora Curry. Parents of the bridegroom are Mr. and Mrs. Walter M. Freeman, 1924 21st St., Lubbock.

Mrs. Sam Reid, organist, and Mrs. E. W. Patterson, soloist, provided traditional wedding music. Miss Curry, given in marriage by her uncle, Deck Dunagan, wore a gown of Chantilly lace and tulle over satin which featured long petal point sleeves and a v-shaped neckline edged with folds of tulle and enchanced with iridescent sequins. The ruffled net and tulle skirt was banded by appliqued lace. The bride's illusion veil fell from a tiara of imported seed pearls and she carried a cascade of white feathered mums centered by an orchid.

Mrs. Marvin Churchwell of Lubbock was the bride's attendant. She was dressed in pale mint green silk arganza over taffeta with white applique accenting the Sabrina neckline. Her headpiece was a white taffeta bow with a short veil. She carried a nosegay of pink rosebuds.

Miss Suzy Curry and Mike Curry, twin sister and brother of the bride, lighted candles.

Allan Clayton of Rockdale served as the bridegroom's best man. John Curry and Wiley Lee Curry of Hale Center, seated guests.

Fellowship Hall was the scene of the ensuing reception. Assisting in the houseparty were Misses Peggy Helamieck, Pat Smith of

## W. S. C. S. Luncheon Meeting Monday

The W. S. C. S. met Monday for a luncheon in Fellowship Hall of Tahoka Methodist Church with 12 members present.

Mrs. A. M. Bray and Mrs. Jack Fenton were hostesses.

Mrs. R. H. Gibson opened the meeting with a prayer and Mrs. Bray, president, held a short business meeting. The program was then turned over to Conrad Archer, youth director of the church, who gave an inspiring talk. He will be missed by the church, as well as by the youth, when he leaves to resume his studies in college.

The next scheduled meeting of the W. S. C. S. will be Sept. 5 which will also be a luncheon.

## FORMER LOCAL CITIZEN VISITS HERE TUESDAY

Howard Payne and daughter, Margaret Ann, of Santa Fe, N. M., were here Tuesday visiting his aunt, Mrs. Frank Hill, and many old friends. He was in the insurance business here several years until leaving in 1943.

Howard lost his wife a year ago last May. Their son, Kenneth, graduated from University of New Mexico last spring, and is employed there by the Indian School. He is married, and his wife teaches in the Albuquerque schools.

**QUESTIONS, PLEASE**

QUESTION: "Are we predestined to be saved or lost without any choice on our part?"

ANSWER: There are those who teach, "What is going to be is going to be whether it comes to pass or not." This doctrine is against the scriptures of God. There is a doctrine of predestination taught in the Bible but it is not the type that teaches that man can do nothing to be lost or saved. If this is true then God is a respecter of persons to save one and damn another on the grounds of nothing. But He is not a respecter of persons (Acts 10:34). 2 Thess. 2:13 "God hath from the beginning chosen you to salvation through sanctification of the Spirit and belief of the truth." This is predestination. God knew from the beginning who it was that he would choose. It is those who are SANCTIFIED. How are we sanctified? Paul tells us in this passage of scripture. We are sanctified by the Spirit and BELIEF of the truth. Man who believes then has the power to be saved. This is the belief that says, "Speak Lord, thy servant heareth." We do not believe if we do not obey. We are told that we are sanctified by "obeying the truth" (1 Pet. 1:22). Since "by the Spirit and belief of the truth" and "obedience to the truth" are both equal to the same thing (sanctification), they must be equal to each other. Therefore, he who obeys the truth of God is "foreknown" of God and was "chosen from the beginning" to be saved. By the same token, they that do not obey the truth will be lost. This was also "known from the beginning." Many of the parables of Christ and with the statement that "many are called but few are chosen." The calling takes place when we hear the Gospel (2 Thess. 2:14). The choosing takes place when we obey the Gospel. This is why "many are called and few are chosen" because the Gospel goes to many but few are obedient to it. Too many want to be saved on their terms and not upon the Lord's. This is futile.

## Robt. Harvick, Irene Spears Medalists In Annual T-Bar Club Tournament

Robert Harvick shot a four-under-par 68 here Sunday afternoon to take medalist honors in the annual Club tournament of T-Bar Country Club. Mrs. Irene Spears took medalist honors in the ladies' division with an 84.

However, in the first round Monday, Harvick was thrown into the consolation bracket when G. W. White, playing red-hot golf, downed the medalist 1 up on the 18th green.

First and second rounds are being played this week, and finals in all flights will be Sunday afternoon, at which the public is welcome to follow their favorites.

Only 38 men are entered in the Club tournament this year, a slight drop from last, and 26 ladies, about the same as last year.

Winner of the men's division will receive the Mollie C. Edwards and winner of the ladies' championship flight will get the Pearl Callaway trophy.

In competition for men's medalist honors, Harvick shot a 68, "Red" Brown 72, G. W. White and Ray Adams 73, George Glenn 74, Jack Robinson 75, Reble Thomas 76, and Charles Townes 77.

Following were the results of the first round of play:

### Men's Division

Championship flight: White over Harvick, 1 up; Brown over Robinson, 1 up; Townes over Glenn, 2 and 1; Adams over Townes.

First flight: Berry Fischer over Irvin Dunagan; Jim Applewhite over C. N. Woods, 2 and 1; Wade Holland over Roy Lynn Kahlich, 3 and 2; Bill Griffin over Walter B. Holland, 5 and 4.

Second flight: Roy Harvick over Willis McNeil; Otis Spears over Chas. Verner, 1 up; Jack Smith over J. D. Atwell; Eldon Carroll over J. F. (Sonny) Roberts, 1 up on 19.

Third flight: Thomas Jolly over Sam Edwards, 1 up; Roscoe Treadaway over Charley Mac Holland, 3 and 2; Clint Walker and E. L. Short (playing Thursday); Joe Bob Billman over Johnny Wells, 4 and 2.

Fourth flight: Elmer Rice over Dean Taylor; Jerry Don Brown, bye; Clyde Ashcraft over Terry Harvick; and Theo Campbell, bye.

### Ladies' Division

Championship flight: Irene Spears over Mack Edwards; Jobell Robinson over Lottie Jo Walker; Jewel Smith over Jeanette Harvick; Judy Lois Fischer over Judy Treadaway.

First flight: Glenda Dunagan over Weesie Carroll; Mary Wright

### New Telephone Directory Planned

The new 1960 Post, Tahoka and Wilson telephone directory is now being compiled, Wayne King, District Manager for the General Telephone Company of the Southwest, announced today.

All business, telephone users in Post, Tahoka and Wilson will be contacted by a representative of the General Telephone Directory Company within the next few weeks regarding changes in listings.

Several new features are going to be included in this year's Yellow Pages such as new classifications, new illustrations, and others.

King said that the distribution date of the new telephone directory will be announced later.

### BOBBIE ROPER TO MARRY

Miss Bobbie June Roper will become the bride of Glenn Allison Kreger in a ceremony performed at New Home Methodist Church Sunday, August 21, at 4:00 p. m.

Parents of the couple are Mr. and Mrs. C. E. Roper of New Home, and Mr. and Mrs. O. V. Kreger of Haskell.

The couple will live in Haskell.

## French Visitor Tells Of Home Land, Impressions of U. S. And Its People

Patrick Ardant, 25, summer guest from France, spoke to the local Rotary club Thursday noon about his impressions of the U. S. and its people and of his home country. A guest at the meeting was Shabir Papa from Kenya, East Africa, who is visiting the Brownfield club, and five Rotarians from Brownfield.

Ardant thanked the Tahoka club for making it possible to spend the summer here by its cooperation with the Youth Ambassador Program of the Experiment in International Living organization. He said Tahoka families had taken him in and made him feel like a child of the local Rotarians. He praised the program as a great force in bringing better understanding between the peoples of Europe and America.

He thinks the program is good for the students visiting here and for their home countries, but he thinks "it is a little good for you to know us and the French thinking."

Son of a book publisher, he was

reared in Limoges, France, a city about the size of Lubbock, where his ancestors have lived for unknown centuries. This is an old town, established in Roman times, that has been improving during this century because of new industries, one of which is the result of the development of porcelain art.

He said grade school education is very intensive, and his high school work in his home town was principally a classical education featuring Latin and Greek. Next, for four years he attended Catholic University in Paris, then attended the National Agronomy Institute specializing in agricultural economy and sociology.

He will also have to spend two years in military service, about 18 months in Algeria. Then, he hopes to qualify for work in the United Nations in the field of agriculture or in the service of his government.

He said he expected Texas terrain to be rougher and the climate drier and for there to be more

## Hart's Home On Double U Burns

The home and all contents of Mr. and Mrs. J. D. Hart on the Double U Ranch, four miles east of Draw, were consumed by fire on Friday afternoon, July 5, Mrs. Hart reports. Only things saved by the family were the clothes they were wearing.

The family had left at noon to attend the rodeo at Post, and no one knows how the fire started. A neighbor turned in the alarm but the house had burned to the ground when the first people arrived at the fire.

When announcement of the fire was made at the rodeo that night, George Montgomery, movie and TV star attending the event, started a fund for the family with a \$100 contribution.

Redwine Baptist Church, which the Harts attend, raised a fund of several hundred dollars for the family.

The Harts had lived in the four room and bath home about 10 years. The Hart boys attend the Tahoka schools.

Mmes. Cass O. (Mollie) Edwards, S. T. Bibb Jr., and L. D. Chapman, sisters, all of Fort Worth, were here this week looking after Mrs. Edwards' T-Bar ranch interests.

cowboys. He was surprised at the friendliness of the people, how they take a stranger in right from the start. In contrast, he said, Europeans are moderately friendly but not overly so until they know a person perhaps two or three weeks.

He finds our life easier and freer in every way, but parents are not nearly so strict as in France. We place more importance on meeting and mixing with people. He said he especially appreciated our attitude in being willing to give help to poor people of the town.

France has been close to three wars in 80 years. In one, 300,000 Frenchmen were killed, in the next 2,500,000, and in the last 800,000. Each family has lost members in wars. Under such conditions, it is hard to be friends with other peoples. This is especially true of the older folks.

With the younger folks, it is a little difference. This war is talked little different. The war is talked the last conflict, didn't know who Hitler was when he asked her about him.

Young people are trying to unite. Many favor a federation of European states, and Ardant thinks it is only a matter of time until this comes into being. "If we are not united, we will be eaten by the communist," he declared.

He does not think France is in any danger of going Communist. About 20 percent of the people vote Communist. But, he declares, these are the very poor who have nothing to lose anyway. They are led by few "intellectuals," the elite of the Communist Party, who worship Communism as a sort of religion, but he says there are no more of these so-called intellectuals than in any other country.

Gen. Charles DeGaul (?), is somewhat socialistic, but Ardant says he is a very strong man and France feels that she needs him at the head of the government.

He frankly declared that France sometimes gets aggravated with the United States but actually it loves us. He said the position is somewhat like a parent who slaps his child, but he still loves the child.

The French guest can better appreciate the exchange of students between nations because his family has entertained an American student in their home in Limoges.

Ardant is the sixth student guest the Rotary Club has brought here, the others being from France, Austria, Switzerland, Belgium and Sweden.

"These trails would shake the cab off an ordinary truck...but not our Chevy"

Few trucks are subjected to the body-wracking beatings that are part of a day's work for this Chevrolet Series 60 pulpwood hauler. It's owned by J. E. Fox, North Carolina logging contractor. As Bobby Fox, a partner in the business says, "Loaded with pulpwood, we drive over stumps and potholes you'd think would tear the track to pieces. These trails would shake the cab off an ordinary truck, but not our Chevy. We can average an extra load a day... make \$45 to \$50 a day more with this Chevy than we can with the others."

In every weight class these Chevies are doing more work at less expense than trucks have ever done before. Drive one at your Chevrolet dealer's. It's an experience that could pay you big dividends.

"That 6-cylinder engine really performs," says Bobby Fox. "It's got the lagging power we need in the woods and waits right along with a full load on the highway."

## Printer's Ink-lings . . .

By F. P. H.

The News receives about fifty West Texas newspapers, most of them weeklies, on exchange. We have been interested in noticing the recreation of other editors to the trend of government as expressed in the recent national conventions and by the party nominees.

With only two or three exceptions, every editor who has expressed any opinion at all has registered shock, anger, opposition, or at least a reprimand to both parties and to the trend of government. We don't know about the public generally, but we do know that newspaper editors are terribly upset over the trend.

Even the liberal Falls Banner is concerned. Lone exception is the ultra-liberal Tulsa Herald, whose outspoken and erudite editor, H. M. Baggerley, is for every type of Government give-away program proposed by any do-good Democrat in the name of the party. In the past, H. M. has done everything

in his editorial power to vilify Senator Lyndon B. Johnson. But now that LBJ has made "the big switch" and traded his convictions for a place on the ticket, Baggerley has also turned tables and is writing columns of praise for our turn-coat senator.

To say the least, most of the men on the steet in Tahoka we have talked with—even those who go all the way with the party—have a lot of misgivings, to put it mildly. Many people right here in Tahoka seem to be plain mad.

We wonder how closely Lyndon and Ralph and George are reading these West Texas newspapers. If they are reading them closely, they should sense that all is not well at the grassroots—the people who elected them are none too pleased with the trend of government.

Things are getting pretty bad if so many of the people out in the hinterlands are worrying about what Congress might do, or what some branch of government might foist off on the public some new law by having some published in the Federal Register.

The State Department has been trying to get the Connally Reservation (SR 94) repealed or bypassed to supercede the Constitution and place a large part of our rights on the seas under compulsory jurisdiction of the World Court. We have only one judge on this court of 15, while the Communists have two. Both Senators Johnson and Yarborough have previously voted to sell-out America's sovereignty in this matter to the World Court. The One-World boys are making progress. What do you think? Then, write your senator.

Joe D. Unfred, gallivanting around back East, has sent The News from Gettysburg a copy of the "Civil War Times," a facsimile newspaper dated July 2, 3, 4, and 5, 1863. The four front pages feature tell the story of the war between the states at that time.

Mrs. Cass O. (Mollie) Edwards of Fort Worth was another of our readers who sent in the clipping from the Dallas News of the story by Arch Fullingim of Kountz about the burying of two dogs near Tahoka.

Many of us have better hindsight than we do foresight. The man with good foresight, and never to back it gets rich, the man who has only hindsight gets nowhere. Paul Walker was telling about some land the late J. Y. Thompson, his father-in-law, bought. At the time, a lot of Lynn county people thought Mr. Thompson was making a mistake. Some years later, a fourth of the mineral was sold from the land for enough to pay the original cost of the land.

Reminds us of a farmer we were visiting over in Yoakum county a few years ago. There were several oil wells on his property. We asked him if he owned the minerals, and he replied, "Heck, no,

I only paid \$6.00 an acre for the land when I came here. One day, some fool came along and offered me \$25.00 an acre for the minerals, and I unloaded on the sucker right there. But, why should I worry? Wife and I have made a living, raised our children, drilled an irrigation well, and the land is now worth \$200 an acre, anyway."

Mrs. Earl (Georgia Cox) Echols, 4348 McNeil, Wichita Falls, an old New Lynn girl, would like to know the name and address of a very dear girlhood friend, Faye Bishop, with whom she has lost contact. Will some one please send her this information?

Nothing is ever all wrong. Even a clock that's stopped is right twice a day.

Robert Lee Harber of Gordon, a writer at The News Friday, said most of that community received a good rain, up to an inch, but further north along the county line at Hackberry and Southland the fall was very light.

**The Uncommon Man**  
I do not choose to be a common man. It is my right to be uncommon—if I can. I seek opportunity—not security. I do not wish to be a kept citizen, humbled and dulled by having the state look after me. I want to take the calculated risk; to dream and to build; to fail and to succeed. I refuse to barter in-entive for dole. I prefer the challenges of life to the guaranteed existence; the thrill of fulfillment to the stale calm of utopia. I will not trade freedom for beneficence nor my dignity for a handout. I will never cower before any master nor bend to any threat. It is my heritage to stand erect, proud, and unafraid, to think and act for myself, enjoy the benefit of my creation, and to face the world boldly and say, "This I have done."  
—Dean Alfange in Voiceways.

A New York lady was walking her poodle down fashionable Fifth Avenue when she met a friend also with her poodle on leash. "Oh, how beautiful is Cuddles hair!" exclaimed the first lady. "To what hairdresser do you take him?" The second lady replied, "Why, I do not take him to a hairdresser; the hairdresser comes to us!"

A lady wants to know, "I am a Democrat; my husband is a republican; is our child unconstitutional?"

An Irishman and an American Indian somehow got into an argument. The Irishman listed the names of all the great Irish-Americans who contributed to the development of the country, then demanded to know what the Indians had contributed to the nation. "Well," replied the Indian after a little thought, "You never see any kids playing Cowboys and Irishmen!"—Santa Fe Magazine.

Mr. and Mrs. G. A. (Gus) Edwards of Lubbock, 5403 21st, were here Friday of last week visiting Mrs. Elnora Curry and family and other friends.

Mr. and Mrs. Edwards, former residents of Tahoka, say they were never happier in their lives, and so far as they know, their children and grandchildren have about everything they could want.

The couple have done well with their farms and have real nice Austin stone home.

Their son Lloyd and wife, Oleta, have retired from work, have a nice home in Abernathy and spend a lot of time traveling. "Pete" Edwards, who is married and has one son, and Donald Lee Huffaker, husband of Lloyddean, operate the Lloyd Edwards farms.

Donald and Lloyddean have two boys and a girl.  
Garland (Sug) and Dot (Turrentine) Edwards have a fine farm and home at Wolforth, a son Donald who will enter Tech this fall, and a daughter, Phronisie, age 14. "Sug" has been on the Frenship school board 14 years and currently is the board president.

MELVIN WUENSCHÉ

A basic soil and water conservation plan has been developed on the W. T. Kidwell farm three miles southeast of New Lynn. The plan includes a conservation cropping system and proper use of crop residues.

A basic conservation plan has been developed on G. W. Grogan's farm located nine miles east of Tahoka. Grogan plans to use a cropping system that will maintain, or increase his present level of production. The plan also includes proper use of irrigation water, and installation of an irrigation system that will control the loss of soil and water.

M. S. Craig has started work on treatment of blowout areas on his farm northeast of Tahoka. Craig plans to break the blown out areas to make them hold the shifting sand. Next summer the areas will be planted to forage sorghums to make a dead litter cover for seeding native grass the following year. This work is being carried out as part of a complete soil and water conservation plan being applied on this farm under the Great Plains Conservation Program.

### Paper Features Wood Family

The J. M. Wood family, who live on a 440-acre place northwest of O'Donnell, was featured Sunday in the Fort Worth-Star-Telegram Farm and Ranch section.

The story says the Wood farming operation is an affair of the entire family, with all the children participating in 4-H projects to learn and to develop skills that make farm living happier and more successful.

The story tells of the two daughters, Marcheta and Lanita, who not only win prizes on dressmaking but also have livestock projects; and the four boys, Ronnie and Kent who have livestock projects, and Billy and Kevin, the youngest, who will soon be entering 4-H work. Both the parents are 4-H club leaders.

Anyone who thinks the customer isn't important should try doing without him for 90 days.

Help keep Tahoka clean.

### WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Voting through the National Federation of Independent Business, almost 90% of the nation's independent businessmen have expressed themselves in favor of eliminating "good will" in computing estate taxes.

As it stands now, the proprietor of a business dies, and the tax boys, after taking up all the other assets which are tangible, then throw in for good measure a sum based on the "good will" C. W. Harder held by the business.

There is probably nothing more fragile than goodwill. Often the respect that a business enjoys disappears with the death of the founder and owner.

After all, if there is an element of good will attached to a business, it is largely based on the reputation of the owner or management.

Thus, it seems almost impossible to place a tax on a good reputation. But through some hocus pocus computation, the tax boys seem to find out how to tax a reputation.

So, while it might not be possible to take it with you, tax authorities seem to feel it possible to tax the reputation a man takes to his grave.

It would seem perfectly logical on this basis if an owner of a business died who was somewhat of a shady character, then the estate should be able to

take a tax deduction for ill will. Of course, this is not allowed, but it would seem to make as good sense as computing a tax on whatever good will a business may have.

As a matter of fact, it has been years since a good will item has figured very importantly in the selling and purchasing of a business.

In fact, many business firms today carry on their statements a good will item at \$1. In today's strenuous competition, it seems almost necessary for a business to build a new reputation every day.

Of course, the huge corporations never have to encounter this problem as the corporation goes on no matter who dies.

This matter of placing a value and assessing a tax on the good will of a business is practically in its entirety a tax on the independent family owned business.

It would seem at times that the entire taxing philosophy of the nation is based on the premise that independent business is bad for the country and everything possible should be done to force all business into big corporate structures.

As evidenced by the splendid work done the past few years by the Senate Small Business Committee, the House Small Business Committee, and the Small Business Administration, this obviously is not the viewpoint of government leaders. Yet this is just one more example of laws that are discriminatory toward independent enterprise in America.

### FREEMAN HAVE GUESTS

Mr. and Mrs. J. O. Freeman were hosts to 29 relatives Sunday in honor of six members of the family having birthdays in August and observing Mrs. Freeman's sister and brother-in-law's silver anniversary. Dinner was served buffet style and everyone had an enjoyable time.

### The Upper Room

THE UPPER ROOM, NASHVILLE, TENNESSEE

I can do all things through Christ which strengtheneth me. (Philippians 4:13.)

Once I went skiing with some young people. It was such a beautiful day. The trees were heavy with snow. The limbs bent toward the ground.

During a resting period I noticed two trees. One of them a fir tree, had not been able to carry the weight of the snow. The trunk had snapped about six feet above the ground. The other one, a birch tree, its top bent to the ground, had not broken under the weight of the snow. When we shook off the snow, the tree rose again and stood as straight as ever.

Life can burden people. For some, their powder of resistance breaks down. They are not able to rise again. Other persons, also heavily burdened, are bowed down under the weight, but they do not break. They possess an inner strength which prevents their power of resistance from ever reaching the breaking point. They weather the storms of life, rise again, and stand as witnesses of a glorious inner power. They know Christ. His strength in them makes the difference.

PRAYER: Our Father, we come to Thee for the strength which enables us not to break under the hardships of life. Grant us that strength today through Jesus Christ our Lord We pray Hin is name. Amen.

### THOUGHT FOR THE DAY

I will humble myself before Christ who gives me strength to rise again. —Karl Erick Hellberg (Sweden).

### Six Accidents During July

The Highway Patrol investigated six rural traffic accidents in Lynn county during the month of July, according to Sergeant E. L. Stroud, patrol supervisor of this area.

These wrecks have accounted for no persons killed, five injured, and a property damage of \$5,250.00.

This brings the total for the year in this county to two persons killed, 27 injured, and a property damage of \$38,865.00.

Prior to the first of this month there had been a total of 929 fatal accidents in Texas. These tragedies resulted in 1,134 persons losing their lives.

Sergeant Stroud pointed out, "In order to arrive on time at your destination, start in plenty of time to allow for delays along the way."

### HALL COUNTY REUNION

Ex-residents of Hall county will hold their all-day reunion Sunday, Aug. 21, in MacKenzie State Park, with a basket picnic lunch at noon. Enter the park at Hub Homes and follow the signs.

It's thrifty to save

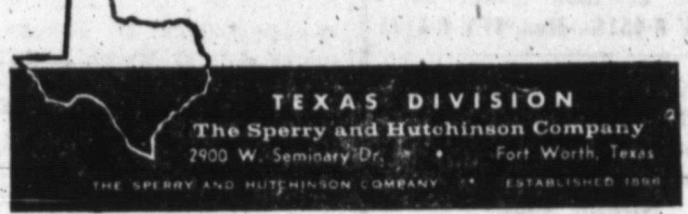

...and lots of fun, too!

Saving for the things you want can be lots of fun, when saving doesn't demand any sacrifice or cut-backs in your budget.

That's why the S & H Green Stamp saving plan is so popular today with 25 million families in this and other states.

Saving S & H Green Stamps doesn't require giving up something else. They're extras that you get when you shop at stores that give them. Actually, they're discounts on your purchases — the same kind that manufacturers and merchants receive.

With your filled books of S & H Green Stamps, you can get at no added cost any of 1,500 items of distinguished merchandise — the finest made in America. You'll find them at your nearest S & H Green Stamp Redemption Center. Or order them by mail from the beautiful S & H catalog, if there's no center nearer you than 20 miles away.
