Vegetable Crop Gives Promise

Fifty to sixty thousand pounds of tomatoes on three acres—that's the production record of Lewis Allsup and Winston Wharton on the latter's farm north of Tahoka.

The pair are also raising onions, okra, squash, bell peppers, cantaloupes, cucumbers, and corn, although the latter was almost a failure.

Allsup, who also has some vegetables on his farm at New Home, was reticent to say that the big experiment was a huge success. But, he says they have learned a lot this year that will help them in the future.

Vegetable growing is a very costly operation, and the hazards are great. But, the men and their foreman, Jim Bingham, an experienced vegetable grower in the Lower Rio Grande Valley, declared that almost anything can be grown here successfully.

They have been handicapped this year in getting a market for their products at the proper time, but are making contacts which they think will help them in this respect in the future. Some of their crop has gone to waste for want of buyers, but they expect to show a profit on the year's business.

Their purpose in entering the vegetable growing business is an attempt to find crops to replace unprofitable maize and to replace the dwindling cotton acreage. Monday morning 35 hands were required to pick the 14,000 pounds of tomatoes from the 30,000 to 60,000. (Cont'd. on Back Page)

Foreign Visitors Leave Tahoka

Patrick Ardant of France, foreign student guest of Tahoka Rotary Club this summer, left Wednesday night for Dallas, and was to fly from there to New York. He will visit with friends in New England for two weeks before flying back to Paris.

He is a graduate agricultural student in France, and was selected as one of the top young men in his field in the nation for the trip to the U. S. under the Experiment in International Living program in cooperation with Tahoka Rotary Club.

Local Rotarians fitted him out in Western clothes before he left.

Jaques Revacrier, graduate law student from Switzerland, picked as the top young lawyer in his nation for a Fulbright Scholarship at SMU, who has been here a few weeks as the guest of the Harold Greens, A. M. Brays, and the Rotary Club, left Saturday for Dallas, where he will do graduate study in international law. Jaques expects to be back here for visits during the year.

Tahoka Band In Parade At Fair

Tahoka High School Band is among the more than 30 high school bands in the Lubbock area expected to compete for \$600 in cash prizes offered by the 43rd annual Panhandle-South Plains Fair, scheduled to open in Lubbock Sept. 26.

The parade will wind its way through downtown Lubbock, officially opening the 43rd annual fair.

Bands from the entire South Plains area, including Eastern New Mexico, will be judged on the usual basis of marching-playing qualities observed in interscholastic competition.

The parade will begin at 10:00 a. m. on September 26, the opening day of the fair. Parade divisions will be A, AA, AAA and B.

Gaithers' Infant Child Is Buried

Funeral services for Kenneth Allen Gaither, 2-month-old son of Mr. and Mrs. James K. Gaither, Brownfield, and a nephew of E. B. Gaither, Tahoka, were conducted Sunday afternoon in a Brownfield cemetery.

The baby died at 7:50 p. m. Saturday in Methodist Hospital in Lubbock.

Survivors include the parents, two sisters, Brenda Joyce and Dorey Jean; a brother, David James, all of the home; the grandparents, Mr. and Mrs. Harvey Gaither, Beaumont, Calif.; Mrs. Guy Godwin, Los Angeles, and Luther Sheppard, Athen, Tenn.

NEW GRAND JURY SESSION

A new Lynn county grand jury will be sworn in next Monday morning at 10:00 a. m. and is expected to go into session immediately, according to W. S. (Skip) Taylor, district clerk.

Tahoka - O'Donnell Game Is Tonight

O'Donnell Eagles and Tahoka Bulldogs meet tonight at Kelly Field here in the annual football battle of two Lynn county rivals. This is the first home game of the season for Tahoka, and possibly the largest crowd of the season is expected.

Although losing to Crosbyton 15 to 8 in the rain and wind last Friday night, the young and inexperienced Tahoka Bulldogs put up a real fight and fans took heart that Tahoka once again has a team that has the desire and can battle all the way.

With continued improvement, the charges of Head Coach J. D. Atwell, here his second year, implementing a rebuilding program, and Assistant Coach Jerry Don Brown, here his first year, the Bulldogs should play better football and win a few games this season, barring injuries to the small squad. The Eagles have defeated Tahoka the last three years. They opened this season with a loss to Crosbyton 18 to 12, and dropped a game to surprisingly strong Ralls 38 to 0.

O'Donnell likewise has a rebuilding program to do, but the Eagles can usually be depended upon to put out their best effort against Tahoka.

Coach Clyde Blair is new at O'Donnell this year, although he was an assistant there several years ago. He is from Spur High School and Howard Payne College. Also new are his assistants, Wiley Brown from Abilene Christian and James Thompson from West Texas State.

O'Donnell lost 11 lettermen from last year's team, but have 10 lettermen returning. Although only three linemen regulars return, a number of boys have had experience, and the Eagles have two. (Cont'd. on Back Page)

O'Donnell Fair Is In Progress

O'Donnell's second annual fair is being held this week end at the show barn in that city.

In addition to what was featured last year, there is to be a quarter horse show. Livestock classes include swine, cattle, sheep, and poultry.

General superintendent is Shag Garrett and his assistant is Ken Pearson.

Big Cantaloupe Is Raised Here

Mrs. Gene Draper of Lakeview brought a record cantaloupe to The News office Monday raised in their farm.

The cantaloupe weighed 13 3/4 pounds, and had a circumference of 31 inches one way and 27 the other. Although the melon looked like a muskmelon, Mrs. Draper says others on the same vine are definitely cantaloupes. Anyway, it was some "fruit."

RAINDL HAS OPERATION

Johnny Raindl underwent surgery on his right arm at the elbow Monday in St. Mary's Hospital, Lubbock, for removal of a bone splinter sustained about a month ago in a fall from a ladder. The member will be in a cast for some time.

VERNERS VISITING HERE

Mr. and Mrs. C. V. Verner of Piedmont, South Carolina, arrived Saturday for a visit with their son, A. C. Verner, and family. Mr. Verner is chairman of the Employment and Security Commission of South Carolina.

Construction Starts On New \$125,000 Lynn County Jail

Ladies Attending Texas HD Meet

Mrs. Wilmer Smith of New Home, outgoing president of the Texas Home Demonstration Association, and four local club representatives are attending the annual meeting of the state organization being held in Brownsville Wednesday through Saturday. Mrs. Smith left Sunday for that city for pre-convention meetings.

The other ladies attending from here are: Mrs. G. C. Watson, Draw-Redwine Mrs. Roy E. Poer, Dixie-Tahoka; Mrs. Leland White and Mrs. Willie Nieman, New Home. Mrs. Smith is completing two years as head of the state THDA, and will preside at the meetings.

She will also participate in a panel discussion as the moderator of the White House Conference on Youth, which she attended. The panel program is one of the featured numbers on the program.

Mrs. Smith was recently elected treasurer of the National Home Demonstration Association. Incidentally, Mrs. O. D. Kennedy of Brownfield, district chairman, is a candidate for treasurer of the state organization. She is well known by many local Home Demonstration ladies.

Mrs. R. F. Cook of Idalou, also known here, is also attending the meeting.

Farm Bureau Will Complete Drive

Farm Bureau membership committee members of Lynn and Garza counties will kick-off the final membership drive for 1960 at a breakfast meeting Tuesday morning at 8:00 o'clock at the Stockman Cafe.

For the first time, Garza county workers will be a part of the program. Don Smith, president, said about 110 more members are needed to meet the county quota of 746.

Membership in the Bureau, leaders say, will help strengthen the drives to preserve the farm program, eliminate the cotton trailer license law, and curtail the power of Labor forces against agriculture. The local organization is proving of much benefit to farmers of this area; for one thing, postponement of the licensing law was secured last year.

RIDDLE IMPROVES

A. D. Riddle is improving in the local hospital where he has been since Wednesday of last week after receiving a broken pelvis when a car fell on him while at work at Lynn County Tractor Co. He will remain in bed several days.

REV. T. JAMES EFIRD

Baptist Pastor Goes To Alaska

Atlanta, Ga.—Alaska's Southern Baptist churches and missions from Ketchikan to Kotzebue and from Anchorage to Fort Yukon will conduct simultaneous revivals this fall.

T. James Efirid of Tahoka and three other Texans will be among the 36 pastors and 10 musicians from Southern Baptist churches in 13 states who will serve as evangelists and singers in the two-week crusade, according to Vernon Yearby of Dallas. Dates for the crusade are Sept. 25-Oct. 9.

Yearby, who will direct the crusade, is an associate in the evangelism division of the denomination's Home Mission Board. He said the Alaskan churches range in size from a handful to more than 1,000 persons.

Efirid, pastor of Tahoka's First Baptist Church, will serve as evangelist in the First Baptist Church of Warngell, Alaska. (Cont'd. on Back Page)

Litter Winners Are Named

Two Lynn county 4-H club boys finished in the money in the district Sears pig litter contest embracing 13 South Plains counties with 49 entries.

Gary Grunnels, son of Mr. and Mrs. Elmer Grunnels of Tahoka, had a gilt with nine pigs which weighed 342 pounds at 56 days of age. They won sixth place and the boy receives a premium of \$12.00.

Rickey Haley, son of Mr. and Mrs. V. P. Haley, New Home, finished seventh and got a \$10.00 premium on a gilt's litter of seven pigs weighing 325 pounds.

These are the first litters from gilts awarded 4-H club boys last year.

Developments came fast this week end on the proposed new Lynn County jail building, and ground was broken Monday morning by the contractor for construction of the new \$125,000 building.

Several weeks ago, the County worked out plans for building the structure by issuance of 20-year warrants against the Permanent Improvement Fund without a raise in taxes.

Haynes & Kirby, Lubbock architects, drew the plans, but when bids were opened they were all above the allotted amount of money the County figured it could spend, County-Judge W. M. Mathis explains.

Since that time, the Commissioners' Court, architect, fiscal agent, and the low bidder, W. B. Abbott & Co. of Lubbock, have made adjustments in plans to lower the general building contract to \$75,000 and the jail equipment contract with Southern Steel Co. of San Antonio to \$50,000.

Principal adjustment was elimination of the east part of the second story, 44 by about 25 feet, which area had been included in original plans for possible future jail cell needs.

The warrants will draw five percent interest, but these may be converted to bonds at a later date at somewhat lower interest rates.

Lynn county was facing a crisis on its jail situation, since the old jail on third floor of the court house was facing condemnation under the new state law passed in 1957, which goes into effect in May, 1961, defining minimum health and security standards for jails.

The new jail will be on the southeast corner of the court yard, facing south. The ground floor will be 66 by 44 feet in size, plus a covered driveway on the north, and the second floor will be 44 by 40 feet.

Construction will be of brick, concrete, and steel, with a reddish-brown face brick used and trim of Carthage stone.

Provisions are made for 18 prisoners without crowding. West half of the ground floor will contain the Sheriff's office, deputy's office, a public waiting room, interrogations and records room, kitchen, and storage room.

East half of the ground floor, separated from the west half by a hallway, will contain juvenile boys and girls wards, a hospital cell, a witness room, and a drunk tank.

The upper story will contain the cell blocks, including cells for felons, first offenders to which a day room is connected, and women, and also a padded cell and a corridor.

Maximum health and safety provisions are made in the arrangement and jail equipment. The contractor expects to proceed with the work as rapidly as possible.

Products Needed For Area Fair

County Agent Bill Griffin needs help in assembling products for the Lynn county agricultural exhibit at the Panhandle South Plains Fair Sept. 26-Oct. 1, which exhibit he will arrange on Sept. 24, two days preceding the fair.

He needs help on the following items: One gallon each of dry black-eye peas, dry peas other than black eyes, dry pintos, any other variety dry beans, Cashaw, sugar pumpkin, and watermelon.

Mr. Griffin is again the general superintendent of the livestock division of the area fair.

Nancy Unfred, 11-year-old daughter of Mr. and Mrs. Joe D. Unfred, New Home, was admitted to Tahoka Hospital Monday suffering from a severe attack of bronchial asthma. She was dismissed Wednesday afternoon.

NEW T-BAR CLUB HOUSE was completed this week, except for minor touches. The old club house, to the left, has been remodeled and joined by a breezeway to the new 30 by 60-foot building to the left, containing a beautiful meeting room, modern kitchen, rest rooms, heating and air conditioning. With furnishings, the two buildings will represent a value of about \$25,000. Monday, an anonymous friend contributor a new piano with a retail value of \$645.00 to the club, another is contributing the landscaping, and the Western artist John Melix of San Patricio, N. M., has contributed a mural painting of the original T-Bar ranch headquarters. The building is especially designed for parties, bridge, club meetings, dinners, banquets, and dances. It is being furnished with sturdy ranch oak furniture, and will also serve as a "living room" where club members may relax and visit. Outside lights have also been installed around the building and down the driveway to the clubhouse. The older section faces the 9-hole grass greens golf course, over all of which there is a view from the picture windows or the patio. The pro shop is located in this building. (Photo by Finney)

The OLD RANCHER

A basic soil and water conservation plan has been developed on Jack Brewer's farm located southeast of Tahoka. The plan includes contour farming, proper use of all crop residues to prevent wind erosion and a conservation cropping system that will rotate crops so that cotton is not planted on the same land more than two years in succession.

A conservation plan has been developed on Brewer and Burdett farm southeast of Tahoka. The plan includes conservation cropping system, crop residue use and approximately 10 acres of wildlife area improvement. This area will be protected from grazing and fire, and water will be available for wildlife.

Brush control and deferred grazing may increase the carrying capacity of your ranch as much as 10 to 15 animal units per section. For more information contact the Soil Conservation Service.

Bobby Lee Rains Is Married Recently

Miss Barbara Barfield of Midland and Bobby Lee Rains, also of Midland, pledged double ring vows Sunday, Sept. 4, at 5:00 p. m. in Tapp Memorial Methodist Church in New Boston.

Parents of the couple are Mr. and Mrs. A. B. Barfield, New Boston, and Mrs. U. C. Rains, O'Donnell.

The bride, given in marriage by her father, chose a gown of white satin. The princess bodice was fashioned with a wide portrait collar, enhanced by appliques of Swiss lace at the neckline. A band of applied Swiss lace accented the midriff. The long fitted sleeves were marked by lace detailed on the petal points over her hands.

The bouffant skirt, flaring from inverted pleats extended to a chapel length train. She carried a bouquet fashioned of stephanotis and centered with two matching white hybrid orchids was styled into a lovely cascade.

Mrs. Robert H. Johnson, sister of the bride from Big Spring, was matron of honor.

Bridesmaid was Miss Bobbie Rodgers of Midland, and bridesmaids were Mrs. Paul E. Haskins, Midland, and Mrs. George V. Hays, Miami, Florida.

Billy Joe Sitzes of Chicago, Ill. served as best man. Groomsmen were Paul E. Haskins of Midland, Curt Coxon of Lubbock, and Neil Wood of Littlefield. Ushers were Joe Barclay of Lubbock and Arnold Barfield of New Boston.

Following the ceremony a reception was held at the Officer's Open Mess, Red River Arsenal.

The couple is making their home at 726 West Golf Course in Midland.

Mrs. Rains attended University of Texas and was a member of Alpha Gamma Delta Sorority. She is employed by Stubbleman, McKee, Sealy & Laughlin in Midland. Rains attended Texas Tech and was a member of Kappa Sigma Fraternity. He is district manager of the Massachusetts Mutual Life Insurance Co. in Midland.

Everyday Religion

By J. B. Thompson

It is an interesting fact that the words "holiness" and "health" come from the same root word. Then "holiness" is the same to the soul as health is to the body. An overconcern about one's health is called a phobia. How does one go about being healthy? Certainly not by worrying about illness all the time. You do not find health by washing your hands every hour on the hour, or by wearing a gauze mask during conversations, or by gargling after every encounter or by carrying a portable sterilizing kit when eating out. (Although I have felt the need of one in some places I have tried to eat).

Physical health comes when one ceases being preoccupied over germs and begins to observe the laws of health; getting enough rest, eating good food (plenty, but not too much), exercise and recreation and work. Similarly, spiritual health comes when one ceases being preoccupied with self and, observing spiritual disciplines, loses ones self in the service of God and others.

Spiritual health is not a matter of clenched fists, set jaws, and furrowed brows. "Try harder to be better" is not the way to victory in spiritual living. It is more than making resolutions, turning over a new leaf, or taking a pledge or swearing a vow. A person trying hard to be good is a picture of frustration. How, then, does spiritual health come. The answer is a simple one: a deceptively simple one: by living ones life in daily fellowship with God and in faith in his way for us. A "tug-of-war" won't win but faith will.

Buy, build, live, in Tahoka.

MRS. BOBBY HUFFAKER

Bobby Huffaker Marries Girl At Baton Rouge, La.

Miss Grace Elizabeth Roberts and Bobby-Deryl Huffaker exchanged nuptial vows Saturday, Sept. 3, at 2:30 p. m. in the First Church of the Nazarene in Baton Rouge, La. The Rev. Henry T. Beyer officiated at the ceremony.

The bride is the daughter of Mr. and Mrs. Ernest H. Roberts, Baton Rouge, and Mr. and Mrs. H. E. Huffaker of Grassland are parents of the bridegroom.

A gown of white peau de soie was chosen by the bride, who was given in marriage by her father. The fitted bodice was heavily embroidered in alencon lace with seed and tear drop pearls and iridescent sequins. A panel in front of the skirt carried out the same design. The dress had short sleeves, floor-length streamers and a chapel train. The fingertip veil was held in place by a Juliette cap of accordion pleated tulle. The bride wore white gloves and carried a white Bible topped by three white orchids.

Serving as maid of honor was Miss Margaret Roberts, and Miss Regina Long was bridesmaid. They wore street-length dresses of blue organza over taffeta with basque waists and round necklines. The dresses had puffed sleeves and gathered skirts. Short white gloves, matching shoes, and blue crowns trimmed with tulle veils completed their outfits. They carried rose pink feathered carnations. Flower girl was Joey Holm.

Roy Huffaker from Lamesa served as best man. Groomsmen were Conley Henderson and Philip Beyer. Don and Conley Henderson ushered.

Following the wedding a reception was held in the church annex. After the reception the couple departed for a wedding trip to the Texas Gulf Coast.

Mrs. Huffaker was graduated from Istrouma High School in Baton Rouge and attended LSU. The groom is a graduate of Tahoka High School. The couple will live at Bethany, Okla., where both are to be seniors at Bethany Nazarene College.

Birthday Party At Special School

The first birthday party of the 1960-61 school year was held at the Lynn County Special School Sept. 6. Every child has a party each year celebrating his or her birthday.

Kenneth Thompson, son of Mr. and Mrs. L. E. Thompson of Tahoka, was the honoree for this occasion. His mother brought a freezer of home-made ice cream and a birthday cake topped with 11 candles. She also brought favors for everyone present. The honoree made a wish and blew out the candles, and wore the special School's silver crown that made him king for his party. He was a happy and gracious host as he sat at the end of the long decorated table.

After opening each gift, Kenneth embraced the giver and said "thank you." He selected the games played and all of the children had a happy time.

Some of the visitors present were Mrs. B. A. Young, Mrs. A. E. Hays and children, all of Tahoka, Mrs. Hubert Crain of O'Donnell, Mrs. L. H. Traweck of Wilson, Mrs. Bob C. Woodrum of Lamesa, and J. P. Hewlett, county superintendent.—Margaret Renfro, teacher.

Jane Schneider was elected sweetheart of Wilson FFA Wednesday, Sept. 7. Jane is a junior in high school and is the daughter of Mr. and Mrs. Frank Schneider, Rt. 1, Wilson. She is a majorette in the Wilson Mustang Band.

The new officers of the chapter are as follows: President, Rodney Maeker; vice president, Larry Petty; sentinel, Leroy Schneider; reporter, Wesley Menzer; treasurer, Junior Hewlett; and secretary, Jack Mason.

Bobby Lee, the ag teacher, talked to the boys about the coming Dallas fair and other spring shows. The chapter plans to exhibit projects at the Dallas fair, and the Fort Worth, El Paso and Lubbock stock shows.

The chapter also plans to go to the Wilson-New Home and Lynn County fat stock shows.

Dixie Club Meets With Mrs. Tunnell

The Dixie Home Demonstration Club met in the home of Mrs. E. R. Tunnell Monday, Sept. 12, with seven members and the agent, Mrs. Connie Anderson, present.

Mrs. Anderson gave a demonstration on Texas Food Standards which was provisions of food and sources of good nutrition and the result of poor eating habits.

The next meeting will be Wednesday, Sept. 21, in the home of Mrs. B. C. Aycox.

Methodist WCS Begins Fall Work

The Woman's Society of Christian Service began its fall work Monday, Sept. 12, at the Methodist Church in their study of "Into the World Together" a new study on world missions. The text book, "One World, One Mission," was written by Dr. W. Richey Hogg, professor of World Christianity at Perkins School of Theology, Southern Methodist University.

Mrs. H. W. Carter is directing this study. The first session was an introduction to the study as a whole.

Mrs. Maurice Bray will direct the study, Monday, Sept. 19, at 3:15 p. m. on "Today's Rapid Changes." Mrs. R. M. Stewart will give the devotional.

This is a timely study important to our day. If you miss it you will be missing information concerning the mission program of your church that could bring understanding of current situations and causes of some of the existing situations in the world today.

Area Club Honors Mrs. W. C. Wharton

Mrs. W. C. (Louise) Wharton, who recently became a Life Master player in the American Contract Bridge League, was honored Friday night in Lubbock by the Llano Esteado unit of the national organization with a party.

There were 16 tables of players in two sections, and 14 players were present from Tahoka.

Mr. and Mrs. Johnny Wells of Tahoka won the top honors, scoring the highest percentage of all players, and brought home a beautiful trophy as play champions. Mrs. Wharton, playing with Mrs. Meldon Leslie, placed first in one section.

MADE BY THE MAKERS OF U.S. MONEY

Can you think of a safer way to save?

Nobody has ever invented a safer way to save than U.S. Savings Bonds. They're guaranteed by the United States of America. Their value can't decrease—it can only go up. At maturity you get 1/2 more than you paid for them. And Bonds are replaced if they're lost or stolen.

What 63¢ a day will do

Just 63¢ a day will buy an \$18.75 Bond every month worth \$25.00 at maturity. If you keep it up for forty months, you'll have a stack of Bonds worth \$1,000 at maturity. Cost: only \$750—in easy installments.

Some advantages to think about

You can save automatically with the Payroll Savings Plan. This way you won't forget to save.

You now get 3 1/2% interest, to maturity. This new rate began June 1, 1959. Series E Bonds now mature 14 months earlier than before—in 7 years, 9 months. Bonds bought before June 1, 1959, earn more, too—an extra 1/4% from then to maturity.

You can get your money, with interest, when you want it. Bonds are a reserve you can cash anytime at any bank. It pays to keep them.

You save more than money. You help save the peace with every Bond you buy.

Here's how you can reach your savings goal with U.S. Savings Bonds in just 7 years, 9 months.

Eighth Grade In Close Game

Although Tahoka Eighth Grade lost 8 to 6 to Frenship here Tuesday night, the team put up a good fight and outplayed the visitors, at least in the second half.

The team, coached by Jerry Brown, will play at Abernathy next Tuesday.

Top boys offensively included Halfbacks A. G. Cook and Terry Harvick and Quarterback Eddie Howard, who called a good game, while among the top boys defensively were Jose Cervantes, Adolph Chapa, Harlen Curry, Mike Smith, Mike Huffaker, and Harvick.

The boys had a little hard luck early in the game as a Frenship ball carrier got away on about the fourth play from scrimmage and went all the way to score. From then on, Tahoka Eighth kept control of things.

Among the other 26 boys on the squad are: Dennis Clem, Jim Crawford, Mike Curry, Skip Deuveall, Jack Edwards, Ronnie Eford, Frankie Ferrera, Jack Jaquess, Jessy Limon, Robert Medlin, Stanley Price, Ronnie Reed, Gary Thomas, Jerry Ware, Jim Jells, Richard Whitley, and Cal Womask.

A number of prospective Bulldogs are on the squad.

Andrew Hill, who suffered a heart attack Aug. 23 and spent two weeks in Tahoka Hospital, was dismissed Sept. 6 and re-admitted to the institution Saturday. His condition is considered good and was expected to be dismissed over the weekend.

Mrs. Amelia Turner was admitted to Tahoka Hospital Thursday of last week after she received a broken left wrist when she was in the yard of her home and stumbled on a piece of wire. She was dismissed Friday.

Mrs. Billy Reecer is a patient in Methodist Hospital, Lubbock, where she was admitted Sunday, Sept. 4. She has been listed on the critical list but was reported to be improved Wednesday morning.

Tommy Lee Graves, colored, received back injuries Sept. 7 while working at Tatum Bros. Elevators here and is in Tahoka Hospital. His condition was said to be improved this week.

Roger McClintock, 6-year-old son of Mr. and Mrs. Carl McClintock Jr. was dismissed from the hospital Sunday where he had been a medical patient since Wednesday of last week.

It's not new, it's just been Ayer Wayed. 50-21c

Seventh Grade Takes Frenship

Tahoka Seventh Grade, coached by Jake Jacobs, took a one-sided 30 to 0 victory over Frenship here Tuesday night. They will play at Abernathy next Tuesday night.

All 27 boys on the squad saw action in the game and did well in their first football competition. Tahoka touchdowns were by Dickie Davis, Reti Patterson, Gary Tomlinson, and Clarence Long. The latter ran over one conversion, and Kenneth Hart carried the ball for two conversions. Frankie Stanley was also a good ground-gainer.

Outstanding on defense were Robert Adams, Sammy Ashcraft, Dean Hamilton, John Huffaker, Britt Robinson, and Richard Williams.

Other boys playing were: Phil Adams, Gary Anderson, Terry Bairrington, Jimmy Billman, Charles Carpenter, Kenneth Durham, Sidney Hart, Johnny Hillhouse, Roy Isham, Paul Kenley, Larry Kiziar, Benny Limor, Stanley Renfro, and Mike Stanley. James Brown is on the squad, but was not suited out. Dennis Cline is the team manager.

The boys looked sharp and indicated that they will be good Bulldog prospects in a few years.

Miss Paula Brock Bride of T. C. Todd

Miss Paula Jan Brock became the bride of Thomas Calvin Todd in a candle light double ring ceremony read August 27 in the Calvary Baptist Church in Mineral Wells by Rev. Ernest D. Stewart, Jr.

The bride is the daughter of Mr. and Mrs. Truman Balch, Mineral Wells, and is the granddaughter of Mrs. C. T. Oliver of Tahoka. Todd is the son of Mr. and Mrs. Eston E. Todd, 612 James, Pasadena, Texas.

Nuptial music was provided by Mrs. Robert L. Morgan, who accompanied Bill Wells as he sang "At Dawning," "Ah, Sweet Mystery of Life," and "The Wedding Prayer."

Gifts in marriage by her stepfather, the bride wore a formal white gown of Brussels lace and silk organza. The dress was styled with a sweetheart neckline, heavily beaded in tiny pearls, a fitted bodice and long sleeves. Panels of lace fell from the torso blouse into the voluminous skirt of organza which swept into a chapel train. A tiered veil of French illusion fell from a crown of clustered pearl. She wore a cameo ring belonging to her grandmother, Mrs. C. T. Oliver of Tahoka, and which has been worn by several generations of brides in the family.

Her flowers were a cascade of French carnations and lily of the valley centered with a white orchid on a white Bible, with handmade lace leaves sprinkled with mother-of-pearl.

Miss Nancy Kay Brock, attended her sister as maid of honor. Mrs. Howard McPhearson of Fort Worth and Miss Susie Todd of Pasadena, Texas, the bridegroom's sister, were bridesmatron and bridesmaid. Zenda Oliver and Francie Timmons, both of Tahoka, were flower girls. Candle lighters were Misses Zackian Oliver and Linda Timmons, both of Tahoka.

Don Cole of Houston was best man and Bennie Robinson of Dallas and Tommy Brock, the bride's brother, were groomsmen. Kenny Timmons of Tahoka and Larry Eugene Bandy were junior ushers. At a reception on the mezzanine floor of the Crazy Water Hotel,

New Home Girls In Football Game

A "powder puff" game will be sponsored by the New Home High School senior class Thursday, Sept. 22, at which time all senior girls of that school will participate.

The game will be played on the New Home football field. Admission will be \$1.00 for adults and 50 cents for students.

Mrs. Clyde Norstrom of Mineral Wells presided at the bride's book and Mmes. Raymond Cadwallader of Fort Worth, Carl Holder of Irving and Mmes. Charles Oliver and Frank Timmons of Tahoka served refreshments. Terri and Barbara Holder of Irving were the rice girls.

After a wedding trip to Oklahoma, the couple are at home in Fort Worth. For the trip the bride wore a light blue silk suit with patent bag and shoes, with other light blue accessories and a white orchid corsage.

The bride attended Hardin-Simmons University and Texas Christian University, and the groom is a graduate of Texas A & M College.

Guests from Tahoka attending the wedding were Mrs. C. T. Oliver, Mr. and Mrs. Charles Oliver, Zackian and Zenda Oliver, Mr. and Mrs. Frank Timmons, Linda, Kenny, Francie, and Wesley Timmons.

Western Artist Donates Mural To T-Bar Club

A mural painting of an old T-Bar ranch headquarters scene has been placed on the west wall of the new club house at T-Bar Country Club by John Meigs, famed Southwestern artist, and a friend of Mr. and Mrs. Oscar Roberts and Mrs. Charles Townes.

Mr. Meigs, who donated the painting to the club, did the work this week end. He has painted a number of murals in Lubbock under commission, and has donated several pictures to Tech Museum. When shown the local club house under construction, he volunteered to do the mural free.

Mr. Meigs, who headquarters at San Patricio, is an understudy of Peter Hurd, said to be one of the top ten artists of the nation.

He has visited the Roberts several times and done a lot of painting of scenes at their Mound Lake ranch home which have been sold in Lubbock.

Mrs. Charles Verner was admitted as a medical patient to Tahoka Hospital Saturday where she remained until Wednesday.

We have the knowledge and patience to expertly clean and finish these expertly fragile garments at the Ayer Way. 50-21c

Rev. Conrad Tells How Castro Led Cuban Government To Communism

The revolution, conditions in Cuba, and the quick transition to Communism were related by Rev. Howard Conrad, a Church of the Nazarene missionary, at the monthly meeting of Tahoka Methodist Men Monday night.

Rev. Conrad, wife and two small children, left Cuba on July 14 because of rising tensions, and is visiting with Mrs. Conrad's parents, Mr. and Mrs. T. J. Murray, at Grassland while awaiting a new assignment in the missionary field on about January 1. Mrs. Conrad is the former Modena Murray, a graduate of Tahoka High School, whom he met in college.

Arriving in Cuba in the midst of the revolution in 1957, following graduation from a Seminary in Kansas, he was reared in Kansas, and attended a college in Oklahoma City.

He said Cuba, except for Mexico, is the nearest Latin American country to the U. S., being only 90 miles from our mainland, has a population of seven million, and before the revolution was the most prosperous of all Latin American countries, with the exception of Argentina. The standard of living is relatively high, in spite of much poverty. There are two Cubas, he said, the modern city of Havana and the rural Cuba of oxcarts and palm houses.

The people are extremely friendly, and he likes them very much, but they are temperamental and easily influenced. They have extreme curiosity and are both interested and interesting.

They are easy to get acquainted with and like Americans who accept their customs and fall in with

their ways of life. The American tourists and some of the industrialists make a bad impression because "An American is an American and a little too proud of it." In our foreign relations, he thinks we need to learn to respect other people's customs, practices, ideas, and beliefs.

When they arrived in Cuba, they were well received and well liked by the people in the central part of the country and there was complete religious freedom. The revolution was on, machine guns were set up in the streets, and there was frequent firing. Few were killed, however, because the Army and revolutionists were both more interested in making a noise and a show than in killing their fellow-citizens. Batista's bad points outnumbered his good points, and most people wanted a change from the tyranny of his regime.

When the Batista government was overthrown, there was celebration in the streets. The people knew little or nothing of Fidel Castro but they had a new ruler and high hopes for something better—they had been living under oppression so long.

Right away, however, he said the Americans and some Cubans began suspecting Communist influence in the revolution, literature was distributed, and radios constantly blared out the Communist line. The poor were pitted against the rich, private enterprise was deprecated, there were work stoppages and labor troubles and constant demands for benefits for the poor.

Then came the Agrarian Reform proposals, backbone of the revolu-

SWIMMING 2 1/2-TON TRUCK. Now undergoing rigorous tests, this 8800-pound vehicle can be air dropped and can travel cross country up to a speed of 55-miles per hour.

tion, the theory of which was that a large part of the tillable land was owned by five percent of the people, principally British, Dutch and Americans, and a policy to throw the foreigners out. This was only partially true, and usually the foreign owners furnished a better way of life for workers than did native owners.

People's stores were established, undersold private businesses and put them out because they could not get goods. Confiscation was stepped up to take in the mining firms, refineries, electric plants, telephone system, hotels, etc.

The old Communist trick of encouraging men to check on each other, making everyone an informer, with even children betraying their parents. Streets were filled with soldiers, civil police, workers police, and even children police. He said he had seen children 14 years old carrying 45 revolvers, and had been searched by children as young as 12. Criticism of the government and Communism became a capital offense, punishable by death. He said the pattern of Communism is complete, and this is a country that everyone supposed would be the last in Latin America ever to turn to Communism.

How have we failed in Cuba, he asked, and how can we meet the Communist challenge? He proceeded to give some observations. One of the causes is "dollar diplomacy." He says we can not buy friendship and cooperation; we must put more than money into our diplomacy. We have a condescending attitude toward foreign nations and peoples. We brag about being bigger and better and think our way is superior. Our bigness and formality turns out to look like rudeness. Tourists are rude and inconsiderate. Then, there is something to the charge of cut-throat capitalism. We have drawn a little more out of Latin America than we have put into it. We need to take time to understand other people's ways of life, customs, nationalism.

We talk about the American way of life, but what is it? Partially, it is the old pioneer spirit, willingness to sacrifice, individualism, willingness to stand up for principles, all of which have grown lax in America.

He said it has become popular with some Americans to sneer at "flag waving," and he declared flag waving and patriotism is very important. We need to teach more Americanism in our schools and homes. We need to stand up for principles that made America great. We need to resist Communism and a lot of this so-called "liberal thinking." We have a tendency to be cowed by the propaganda being thrown against us. We need to take a positive stand against Communism, to get tough in this fight, to "fight fire with fire," to petition our lawmakers to stand out against and to stand up against Communism, to show our displeasure and anger at appropriations, and we need more moral and spiritual strength in our churches.

"In this day of ours, it has become too sophisticated to pray," he declared.

He has little hopes of the Cuban people arising against the present regime, although 80 percent of the people would like to, because the secret police have things under control and make it impossible for resistance groups to get together. He also noted that most of the political refugees from the previous regime are also racists and do not have the confidence of the people.

Charles Townes, program co-chairman with Eldon Carroll, introduced the speaker.

A fried chicken supper was served about 40 men by Tom Gill and

Roger Bell. President Johnny Reasonover appointed Happy Smith and Pat Patterson to arrange the program for next month and Horace Rogers and Cap Rowe to arrange the meal.

Rev. Nixon, pastor at Draw, Mrs. Harold Green and Mrs. Pete Hegi were guests.

French And Swiss Visitors Make Final Appearances At Rotary Club

Two foreign graduate students, guests of Tahoka Rotarians this summer, Jaques Revaclier of Switzerland and Patrick Ardant of France, were speakers at Tahoka Rotary Club Thursday noon of last week in their last appearance before the club.

Revaclier, 27, a licensed lawyer, will do graduate study in international law at Southern Methodist University this fall and winter, and has been here several weeks staying with the Harold Greens and A. M. Brays.

He expressed his thanks for the visit here, told of his attendance at court sessions in Tahoka and Lamesa, and declared our criminal court procedure is not so much different from theirs.

He noted that European people are more formal, and do not become overly friendly with a stranger until they have known him a few weeks, whereas the Americans are quick to take in a stranger and make him one of the group. Also, he said our family relationship is freer and easier, whereas in his country there is somewhat of a wall between the parents and the children.

Switzerland is a small country of five million inhabitants, established in 1921, has 22 states. Although its people speak a diversity of languages, they are a very united people. His family is an old one in that country, with its ancestry traced back to the 15th century.

Pat Ardant, in his talk, said in the seven weeks he has been here

he has learned to think as a Texan and could stay here forever. He said local families had taken him in as a member of the groups, all people have been kind and interested in him, and he quickly came to have a deep affection for us.

However, he said that in his travels he has found that all people wherever you go are about the same. The biggest barrier is language.

He offered a little advice on our foreign aid program. Other children to other countries to try of the world need help, but he seemed not too sure about us doling out cash to them. He said what they need is friendship, understanding and help such as that given him. With two-thirds of the world's population not having enough to eat, these peoples need help to help themselves, inferring that outright gifts do not win our respect necessarily.

He thought we ought to send our learn to understand other peoples as he has been able to come here and learn to understand Americans. He says our people do not have sufficient understanding of foreign nations. For example, he said, when Africa is mentioned to our children, they immediately think of cannibals cooking a human in a pot.

He admonished us to keep our country for our children, to keep our libraries, to think in long range terms: His impression is that local people are worrying too much about a rain for right now, a new

WASHINGTON, AND "SMALL BUSINESS" BY C. WILSON HARDER

Apparently, in the official viewpoint along the Potomac, there are two kinds of Indians. There are the American Indians and the Indians of India.

It also seems apparent, if money is a guide, that in Washington they have not yet forgotten about Custer, G. W. Harder and believe only good Indians are those in India.

Bear in mind that last year India, and Pakistan, which was a part of India, received over a quarter billion dollars of U. S. foreign aid.

The late Sen. Richard Neuberger was quite anxious to get a bill passed removing the restrictions on the Indian vocational training program. At present time, no more than \$3 1/2 million per year may be spent teaching American Indians between the ages of 18 and 35 in skills that make it possible for them to earn a living. Hundreds of American Indians wait this training.

Yet the Indians of India get over a quarter billion dollars and look for more just because their leadership cannot quite make up mind about how bad communism is for world.

Perhaps the American Indians have made a big mistake. Perhaps, they like every nation with its hand out, or any

other inside minority, should beat the tom toms that perhaps the communists are not such a bad sort after all.

And it is even possible they could have some excuse for this approach. After all, there are now about 400,000 American Indians, mostly shut out onto reservations.

In the Southwest, especially, they must depend on some of the world's most barren land.

Of course, there is never any question that the American Indians will ever approve communism. In fact, it is quite unlikely they even become good union members, which is probably held against them.

Yet the fact remains that given the opportunity to learn trades, not only would U. S. working force be enriched, but in addition, many thousands of Americans would become self-reliant and good customers of American business.

This would be the equivalent of adding another state larger in population than either Delaware or Vermont.

Thus, it is to be expected that millions upon millions will continue to be poured down the rathole that is the abode of the Indians of India.

But so far, there doesn't appear to be an extra million or two to make it possible for the Indians of America to get off the taxpayers' back. As one wag put it "If you want to be an Indian today, you're much better off being an Indian in India than an American Indian."

New Telephone Directories Soon

"It won't be too long before all telephone users, residential and business customers alike in Post, Tahoka and Wilson will receive new telephone directories for 1960, W. A. King, district manager for the General Telephone Company of the Southwest announced today.

"Correct initials, names, and addresses are necessary to assure complete and adequate representation in the alphabetical section and the Yellow Pages as well," he said.

The final closing date for making changes or adding new listings to the new telephone directory will be September 23, 1960.

King urged that all subscribers wishing to make any changes should call the business office as soon as possible to enable the telephone company to make the corrections or additions before the new directory is printed.

Cafeteria Menus For Next Week

QUESTIONS, PLEASE

QUESTION: "Does infant baptism take the place of circumcision?"

ANSWER: Some suppose that it does. By the wildest stretch of the imagination some read an "inference" to such in the Bible. Infant baptism rests on the flimsiest basis of any religious doctrine invented by man. Circumcision was commanded by Abraham, and his descendants, as an initiatory rite into covenant relationship with God and ratification of the promises God made with him. At eight days of age the male child was to have the rite of circumcision enacted upon him. Of course, the girls and women were members of the Jewish religion by virtue of their birth and the boys and men by virtue of birth and circumcision. Christ has done away with the Law of Moses (which embraced circumcision) by His death upon the cross (Rom. 7:1-6; Col. 2:14; Gal. 3:24, 25, etc.). Was baptism given to take the place of circumcision? There are some points of similarity. Both circumcision and baptism are initiatory rites into covenant relationship with God. Baptism is into Christ (Gal. 3:27; Rom. 6:3; 1 Cor. 12:13) and circumcision initiated one into the Law of Moses and into the promise of the blessings that Abraham's descendants were to receive. Here the similarity ceases. Baptism is for both male AND female. Circumcision was only for males. Circumcision required a faith only on the part of the parents (in the case of infants—adults sometimes submitted themselves for circumcision and then the faith had to be theirs). The water baptism that Christ commanded ALWAYS REQUIRES faith on the part of the one baptized! On the day of Pentecost (Acts 2) the ones who presented themselves for baptism were those who believed (vs. 37) and those who heard (vs. 41). Of course, the hearing comes before the believing. These people also repented before they were baptized (vs. 38). A baby cannot hear, in the strictest sense of hearing; a baby cannot believe; and a baby cannot repent as he has no sins from which to repent. The households of Lydia and the Jailor in Acts 16 who were baptized consisted only of those who could hear and believe.

 The evangelists and singers, chosen because of their evangelistic ministry and the missionary concept of their churches, represent 13 states. Their expenses to and from Alaska will be paid by their local churches and expenses while there by the Alaska churches.

This is the 11th annual simultaneous crusade in Alaska with all the Southern Baptist churches participating. Yearby says. The revival plan book, which was prepared by the Home Mission Board's evangelism division and which has been used successfully throughout the Southern Baptist Convention will be followed to the extent possible during this crusade.

Southern Baptist churches and missions are scattered over Alaska's almost 600,000 square miles, extending as far north as Fort Yukon. Most of the churches are located in towns, with the exception of native missions in outlying areas.

The churches are divided into associations by location: (1) The Chugach association, located in the Anchorage-Seward area, holds one half of the churches; (2) the Tanana Valley association, which is far north and takes in Fairbanks and Fort Yukon, has 10 preaching stations; and (3) the Southeastern Area association includes Ketchikan, Sitka, and Juneau, the capital, and has the remainder of the churches.

Baptists make up the second largest religious body in Alaska, with Catholics being the largest.

Southern Baptist work began in Alaska in 1943 when Military Chaplain Aubrey Halsell started a church in Anchorage. The work grew and the Alaska Baptist Convention was formed in 1946. The Home Mission Board began appointing missionaries and appropriating

The men say local merchants have been very cooperative with them, but of course they could buy only a small part of the crop.

Onions were the first to come off, and due to hail damage to the 10 acres of onions, they just about broke even on them. But, from the 65 acres of onions in Lynn county this year, the crop was shipped all over the nation. Also producing onions were A. N. Norman, Bill McNeely, and J. A. Pebsworth.

The four acres of okra couldn't be picked as fast as it produced, but they have marketed a lot of okra, some of it by the bushel basket nearby.

About 75,000 pounds of squash was produced on three acres, one or two truck loads going to San Antonio.

From the two acres of bell peppers, just now coming on, some has already been shipped to San Antonio and some is being marketed in this area.

Cucumbers from two acres were marketed mostly at wholesale houses in Lubbock.

Ten acres of fall cantaloupes are not yet ready for the market.

Everything has produced in abundance but corn, and they either ad the wrong variety or didn't give it the proper care.

Tahoka Loses To Crosbyton 15 to 8 In Close, Hard-Fought Game Friday

Although they lost to the Chiefs 15 to 8 Friday night in the light rain and a fairly high wind at Crosbyton, the Tahoka Bulldogs played a fine game and, for some thing new in recent years, they looked like the fighting Bulldogs that made Tahoka feared a few years back.

Except for a couple of bad breaks, including a fumble at a crucial moment, the Bulldogs would have won this one. However, fans were cheered by the fact that they had seen a new life come into the team that can mean only one thing in future games this year and next—some victories—if the boys keep that fighting spirit and team play.

Rain fell all during the first half, and a high wind blew out of the north all during the game, hindering a passing attack and punting for the team going against the wind and rain. However, there were only seven fumbles in the game, Tahoka losing on two of three and Crosbyton on three of four.

Coach Deane Wright of Crosbyton had his boys up for the game also, and they seemed to be playing inspired football. There will be few better games this year, except that a Tahoka victory might help.

The first bad break for Tahoka came in the first quarter, the second time Crosbyton had the ball when Crosbyton fullback Max Rathel broke through the middle of Tahoka's line and sprinted 61 yards for a touchdown. Halfback Calvin Brints kicked from placement for the extra point to make it 7 to 0.

But, the Bulldogs were not discouraged and bounced right back to take a 7-8 lead that stood to the last three minutes of the game. End Perry Flippin carried the kickoff from his 30 to the 37, Fullback Allen White, Tahoka's best ground-gainer, made two yards, Halfback Tommy Jones three, and a pass, QB Fred Hegi to End Douglas McClellan was good for eight.

Jones and White alternated in moving the ball for two more first downs. Then it was fourth and six to go on the Chief 20 when Hegi threw a perfect pass to Halfback Tony Spruiell, who caught the ball and dashed into the end zone. White hit right guard for the two point conversion.

Tahoka made three first downs in the second quarter to Crosbyton's none. Although Crosbyton's attack was stalemated, the Bulldogs could not move consistently. On one occasion, they were set back by a 50-yard quickkick for the Chiefs.

The third quarter was a stalemate also, but it seemed that the Bulldogs had the Chiefs down. McClellan's 45 yard punt, plus two 5-yard penalties put Crosbyton back on its own six, facing the wind. Two plays netted six yards, and an attempted Chief quick-kick was blocked, but Tahoka was off-sides. The Chiefs proceeded to roll up two first downs, and then Tommy Jones intercepted a Chief pass on the Tahoka 45. Tahoka couldn't move, and McClellan punted 47 yards and Crosbyton was again in the hole on its 7. Three plays netted little, and the Chiefs ran out the clock to get to punt with the wind.

Opening the final quarter, Crosbyton got off a short kick, and Linebacker Merrill Cloe ran it back to the Chief 29. But the Chiefs held, and McClellan was caught for a loss in an attempt to pass. The Chiefs were stopped after one first

New Home Will Meet Ropesville

After losing to Hart in its opener 16 to 8 two weeks ago and an open date last Friday, Coaches Charles Yarborough and Roy Lynn Hahlich of New Home have been getting their Leopards ready for the tough grind of the next eight successive Fridays.

The Leopards play the high-flying Eagles at Ropesville tonight. Last Friday Ropes romped over Cooper 36 to 0 at Cooper, and therefore are expected to be a tough test for the Leopards. Ropes is in District 3-B and New Home is in 4-B Friday of next week, New Home journeys to Whitharral.

Just as Tahoka seemed to be moving again, there came a crucial fumble covered by a Crosbyton lad on the Tahoka 30. It was now that Crosbyton completed its only pass, from QB Jodie Ogle to End C. T. Rogers on the Tahoka 5. On the next play, Halfback Jerry Jones went off right tackle five yards to score, and Brints carried over the conversion.

The Bulldogs didn't give up. Crosbyton tried an on-side kick-off, but Tahoka covered on the Crosbyton 48. Jones swept left end for 11, then right end for seven. White made three, Jones, none, a jump pass was incomplete, and on the next play Tahoka lost the ball again on a third fumble, and the Chiefs ran out the clock.

Every Tahoka boy put up a battle like the Bulldogs of old. Curtis Harvick seemed to come into his own in the game, playing fine ball and getting a lot of tackles. Merrill Cloe, who just came out last week after previously deciding not to play this year on account of a head injury received last year, also bolstered the team.

Others seeing action were Billy Clinton, Billy Davis, Glenn Hopkins, Andy Bray, Johnny Rogers, Jack Wood, Jerry Forsythe, and possibly others.

The Bulldogs served notice in this game that they can give O'Donnell a battle tonight on the home field.

Meadow Plays Wilson Tonight

Wilson Mustangs have a chance to get on the victory train tonight as they entertain the Meadow Broncos, tied last week by Lorenzo Hornets.

The Mustangs bit off more than they could chew last Friday night when the tough, hard-riding Plains Cowboys came to town and left for home after breaking the Mustangs 49 to 0. The Mustangs were just clearly out-matched, and the Cowboys scored almost at will.

The new Wilson coaches, Travis Rector, a West Texas State player who coached at Tulla last year, and Richard Gilmore, an East Texas State graduate, have a rebuilding job to do as they have only two starters, Leroy Schneider and Bobby Crowson, back from last year's team.

The Mustangs play at Anton Friday of next week.

State Winners In SCS Contest

College Station—Texas' six individual grand award winners and the state's three outstanding districts in the 13th annual national soil conservation program have been announced by The Goodyear Tire & Rubber Company, sponsors of the event, according to Jack Barton, soil and water conservation specialist for the Texas Agricultural Extension Service.

Districts named as winners were District 1, Hale County SCD; District 2, Southmost SCD; and District 3, Llano SCD.

Individual winners from each district were District 1, F. F. Calhoun, Plainview and Don P. Hegi, Petersburg; District 2, Dean Alexander, La Feria and Olney J. Dean, Jr. McAllen; District 3, James D. Epperson, Valley Springs and J. L. Renick, Llano.

In addition to receiving plaques as permanent symbols of their conservation accomplishments, the six Texans will be guests of Goodyear at the Wigwam resort and Goodyear

O'Donnell Loses Game At Ralls

O'Donnell Eagles, who meet Tahoka here tonight, ran up against a surprisingly strong Ralls Jack-rabbit team in the Crosby county city last Friday night and lost by a one-sided 38 to 0 score.

Ralls scoring was by Fullback Ronny Morgan on runs of 55 and 98 yards, Quarterback Jerry Smith on runs of 28 and 15 yards, a pass Smith to End Bill McFadden, Budy Esparza on a 3-yard plunge, and Jerry Johnson on a 7-yard gallop.

Ralls reports rated the O'Donnell outstanding players as Linebacker Jimmy Garrett, Quarterback Buster Snellgrove, and Tackle Gerald Aldridge.

Farms at Litchfield Park, Arizona in December, Barton said.

The program annually provides awards for districts and individuals in the categories of organization, education, planning, promotion and accomplishment in soil and water conservation at the state level.

Printer's Ink-lings . . .

By F. P. H.

Yep, we made a mistake. That diamond-back rattler Michael Glenn killed was eight and a half inches in circumference, not in diameter.

And here comes Robin Vaught, the new science teacher at Tahoka High, with a skin from a rattler he killed in Oklahoma this summer that is six feet long, 12 inches in circumference, and had 12 rattles. He has been displaying the skin in his science classes.

We are proud of the hard clean play exhibited by the Bulldogs Friday night. It's even easier to write about a game when one knows our boys are putting out their very best. The boys looked like some of the teams in the past that put-out all the way.

O'Donnell comes to town tonight, and we should all put our best foot forward, make our guests welcome, exhibit the best of sportsmanship—and then do our utmost to defeat them on the playing field with hard-nose football.

There was unpleasantness last year in the game at O'Donnell and in a basketball game at Tahoka. And, we're certain that it was all generated by fanatical fans on the sidelines yelling personalities to players on the field. This can not help but carry over to the boys playing the game. We hope no Tahoka fan lowers himself to such

unsportsmanlike conduct. This is only a game—a laboratory exercise for training youth. Let us keep the game as such!

Newspapers have a rule against printing letters from readers that are not signed. The signature of the writer may appear as fictitious, but the paper should have the signed letter in its files. Last week we received an excellent letter from a reader, signed "an avid reader." We can print the letter, signed that way, but we must have the writer's signature on file.

The letter deals with the "band situation" at Tahoka High, already partially solved, but the writer makes some comments we will pass along in an abbreviated form.

The writer calls attention to the fact that Tahoka once had a fine band, 54 pieces, that aroused pride of the school, students, parents, and townspeople when it marched down the football field, or downtown. It drew parents and fans to the football games.

Citizens pitched in and bought uniforms, the writer says, thinking that the band would take over from there and include the band in its budget. Since then, mothers have had to sell cakes and pies to buy replacements of shakos, uniforms, and supplies.

The writer says the uniforms are wearing out, and teenagers do not want to wear some of the nine-year-old uniforms because they can not feel proud and sharp in them and are not willing to be laughed at. This is one thing wrong with the band. The writer thinks that if the band draws crowds to the game, it should draw part of the gate receipts, or better financial support from the school district, and supplies cannot properly be furnished by cake sales.

Band is one organization that teaches group cooperation, teamwork, complete harmony, as well as music for a large number. Nothing good comes free, and if Tahoka wants a good band it will have to spend some money for uniforms and equipment in which the participants and townspeople may take pride.

The News is happy to report that the school has a personable new director, about forty interested students back out for the varsity band, has a feeder band started, and

everything is "looking up" for building back this music program in the schools.

Here are some quotations from a little booklet entitled "Roses for Reflection" which we thought pretty good:

Profanity or swearing never did man the least good. No man is richer, or happier, or wiser for it. It commends no one to any society. Profanity is disgusting to the refined; abominable to the good; insulting to associates; degrading to the mind; unprofitable, needless, and injurious to society.

The dream of every marriageable girl: To be swept off her feet by a man she can easily dominate. People who are not sure of themselves usually try to build themselves up by tearing other people down. Then, as a result, they end up being even less sure of themselves if that is possible.

Lockney Beacon says: According to Citizens Public Expenditure Survey, spending programs of a strictly non-defense nature now proposed in Congress would add \$2 billion to the federal budget for this fiscal year. These programs include federal aid to education, public housing, benefits for peacetime servicemen, federal aid for depressed areas, and a depression type make-work project called the Youth Conservation Corps.

Jay Moore, son of Mr. and Mrs. Lit Moore Sr., of Moore & Son Construction Co., Ltd., of Pemberton, British Columbia, Canada, sends us a picture folder from "the home of the world's finest potatoes." Pemberton, more or less isolated in a scenic mountain valley, has made rapid and fabulous developments the last few years. Actually, the Moores live at Mount Currie, a hamlet four miles from Pemberton, and the folder has two pictures of his farm "which three years ago was primitive bushland" showing a field and also a flock of purebred sheep on pasture, "a new venture in the district that could prove highly successful." Farmers raise potatoes, peas, berries, flax, clover and vegetable seed, bulbs, dairy and beef cattle, sheep, swine. Timber is a big industry, and superb hunting and fishing, camping, skiing, and mountain climbing draw visitors.

ELECTORAL SYSTEMS NEED CHANGE

(Dallas News)

The Gallup poll showing the Republican and Democratic candidates in a close race for the presidency is a warning to the country in more than one respect.

This year, we have a distinct possibility of one candidate getting a majority of the popular vote while the other wins a majority of the electoral vote. Such a result would bring severe public repercussion. It would probably result in Congress doing something about a procedure that makes such a result possible. But why isn't Congress foresighted enough to correct the situation before this happens?

Closeness of the race is a reminder of another unfortunate situation in our system of electing a President. A situation has developed in which a small voting bloc is exerting a political influence out of all proportion to its number. This comes about because a majority of the popular vote in any state swigs the entire electoral vote.

New York's 45 electoral votes are likely to be swung to one party or the other by a solidly voting bloc of not more than 6 percent of its population.

Election of the President by popular vote would eliminate the bad situation. Such a change would be difficult to effect because of the public's traditional acceptance of the electoral system handed down to us by our forefathers.

A more feasible plan would be that proposed by former Rep. Ed Gossett which would apportion each state's electoral vote according to its popular vote. It is a greatly needed reform. The present system could deprive the country of a truly democratic expression in the election of its President.

Same Wheat Program Will Continue Through 1961, ASC Manager Says

With winter wheat planting getting under way, Charles G. Bragg of the Lynn County Agricultural Stabilization and Conservation Committee pointed out September 14 that the wheat program for 1961 will be essentially the same as it has been in recent years.

Highlights of the program are as follows:

1. Marketing Quotas—As a result of an 87.4 affirmative vote of wheat growers who voted in a referendum July 21, marketing quotas will be in effect for the 1961 crop and a marketing of excess wheat will be subject to a penalty.

2. Price Support—Price support will be available on 1961 crop wheat at a minimum national average rate of \$1.78 per bushel, the same as the rate for the 1960 crop.

3. Acreage Allotments—Each wheat-producing farm has an acreage allotment, representing the farm's share of the national allotment, which again in 1961 stands at 55 million acres, the minimum permitted by law.

Under the marketing quota system, any farmer who keeps within his wheat acreage allotment (or does not exceed 15 acres of wheat) may market his total wheat crop without penalty. Also exempt from penalty is any farmer who obtains approval to participate in the feed wheat program and produces 30 acres or less of wheat for use on his farm.

Other growers who exceed their allotment will generally be subject to a marketing quota penalty on the normal yield of the excess acreage. The penalty rate for 1961 will continue at 45 percent of parity, which for 1960 worked out to a dollar-and-

cents penalty rate of \$1.08 per bushel.

The wheat price support program for 1961 will be carried out through loans on farm-or warehouse-stored grain and through purchase agreements. Support will be available from harvest time in the summer of 1961 to the end of January 1962. The tentative support level is a minimum announced in advance of planting, which may be increased on the basis of a later information next year but may not be reduced.

The total U. S. wheat supply for the 1960-61 marketing year is now estimated at a new record of 2,682 million bushels, according to the late U. S. Department of Agriculture report on the wheat situation received at the local ASC office.

It has been determined that a 20 cent per bushel discount from the applicable support price shall be made for the following varieties which have been named as undesirable and of poor milling quality. In addition to the discount, no protein or amber or hard amber durum premiums will apply to the following: Class Hard Red Winter—Blue Jacket, Cache, Chief Ran, Cimarron, Early Blackhull, Kan King, Karkof MC22, New Chief, Pawnee Sel. 33, Purkof, Red Chief, Red Hull, Red Jacket, Stafford, Wasatch, and Yogo.

Class Hard Red Spring—C. T. 231, Gasser, Henry, Minney, Premier, Progress, Russell, Spintoka, and Sturgeon.

Class White—Fiftyfold, Florence, Greeson, Rex, and Sonora.

Class Soft Red Winter—Kan Queen, Kawvale, Nured, and Seabreeze.

Class Durum—Golden Ball, Peliss, and Pentad.

Dollins' Brother Buried Friday

John Henry Dollins, 60, brother of Bert Dollins of Tahoka and a life-time resident of Fort Worth, died in that city Wednesday morning of last week.

He had operated a parking lot in Fort Worth at Seventh and Taylor Street for 40 years.

An acquaintance of the late Will Rogers, he owned a plaster bust of the famed humorist made by the sculptor, Joseph Eddy Lipe, in 1940. The replica was presented by the family to Bert, and it is on display in the show window of Wynne Collier Drug this week. There are said to be only two more similar casts of the bust in existence.

Mr. Dollins is survived by his wife, two sons, six grandchildren, and the one brother.

Bert Dollins and two daughters, Mrs. Sue Bednarz of Slaton and Mrs. Euella Rogers of Tahoka, attended funeral services held in Fort Worth Friday, followed by burial in the new Greenwood Cemetery.

The statutes of the Lord are right, rejoicing the heart: the commandment of the Lord is pure, enlightening the eyes. (Psalms 19:8.)

My forty years of Christian experience have proved to me that the Bible is the chart of life.

As a teenager I had felt the need of a true chart and compass for my life in this world of uncertainty. How grateful I am that through God's mercy I have found in Christ the true captain of my soul and in the Bible the true chart of my life.

Through tempests of my life my Captain has stood beside me. Whenever darkness encompassed me, my soul was enlightened by the Word of God, and I was led safely to victory.

More than once when brought to the very brink of death, I stood on the promise of God and was restored to health and strength.

The Word of God has inspired, strengthened, and guided me when all else failed. I have been troubled much, yet as I have knelt before God, the Holy Spirit has been my helper. He has brought understanding and comfort, strength and guidance, as I have turned to the life-giving Word of God.

PRAYER: We thank Thee, our Father, for Thy Word, which is the true chart and compass of our lives. Help us to put our trust in Thee and believe Thy word and be guided by it. In Christ's name. Amen.

THOUGHT FOR THE DAY: God never fails those who trust Him for guidance.—Vahram Salibian (Lebanon).
