Open House Held At T-Bar Club

About 100 members of T-Bar Country Club attended open house for the new club house recently completed. The new furniture, which has not all been purchased, was on display.

The serving table was covered with a linen aqua cloth centered with an arrangement of large chrysanthemums, pom pom mums and eucalyptus in a milk glass bowl. Other appointments were also milk glass, including the punch bowl. Presiding at the serving tables were Mrs. Jack Smith and Mrs. Charles Verner.

The receiving line was composed of the board of directors and their wives.

Providing music for the event on the piano recently contributed to the new club house were Misses Lynnetta Cain and Mackey Joe McWhirter, Linda Thomas and Sharon Patterson.

A large calendar of events is being planned for the year in the new building, including parties for everyone, from the small children to the adults.

Olivia Chapa Weds Froylan Salinas

Miss Olivia Chapa and Froylan Salinas, popular and well known young Latin Americans of Tahoka, were united in marriage Friday night in a double ring ceremony at the home of the bridegroom's mother, Mrs. Maria Salinas, at 1301 South Third Street. The bride is the daughter of Mr. and Mrs. John Chapa Sr.

District Judge Truett Smith performed the ceremony.

A large number of relatives and friends attended the event. Following a reception, at which the couple opened wedding gifts, the pair went on a honeymoon trip to Carlsbad Cavern.

The couple will make their home with Mrs. Maria Salinas.

The bride is a former student in Tahoka schools, and Froylan is a graduate of Tahoka High School. Since his graduation in May, 1958, he has been employed by Hester Office Machines in Lubbock and drives to and from work in that city.

Church Entertains School Faculty

Mrs. Lenore Tunnell of Lubbock, former Tahoka teacher and county superintendent, presented her slides on the "Passion Play" held in Bavaria this past summer, as well as numerous ones of the castles and scenes of the country, when the W. S. C. S. and Wesleyan Service Guild entertained the local teachers at family night Thursday of last week in the First Methodist Church.

Mrs. Tunnell spent several weeks with her daughter, Mrs. James Walker, the former Miss Savannah Tunnell whose husband is with the American Consulate at Malta. During her stay the group toured parts of Europe.

The famous Passion Play, held in Oberamgau, is the center of the entire life of the unique town. Mrs. Tunnell said that members of the cast spend each year trying to live up to the character which they portray, except of course, Judas and Pontius Pilate. The greatest honor that can be bestowed upon a citizen of the town is the opportunity to portray Christ.

The castles built by Ludwig II, ruler of Bavaria, who was claimed by some to be insane, are perhaps the most fantastically built and decorated in the world today.

About 150 attended the event and were served a covered dish supper in Fellowship Hall of the church before the program.

Winners Named In Party Bridge

Winners in the newly formed party bridge group at T-Bar Country Club Saturday night were Mrs. Wade Holland, first, and Mrs. Albert Curry, second.

Last week an error was made in reporting the winners. Mrs. Elnora Curry won second place rather than Mrs. Albert Curry.

Anyone wishing to play is invited to the Saturday night event. Admission is 50 cents for Country Club members and \$1.00 for guests. Those planning to attend this week are asked to notify Mrs. John Thomas, director.

MISS BILLY DALE TOMLINSON (nee Jolene Sikes) (Photo by Finney)

Miss Bennie Jolene Sikes Becomes Bride Of Billy Dale Tomlinson in Saturday Ceremony

Double ring wedding vows were repeated by Miss Bennie Jolene Sikes and Billy Dale Tomlinson Saturday night, Oct. 15, at 7:30 o'clock in Tahoka Church of Christ. Bob Barnes, minister, performed the ceremony.

Parents of the couple are Mr. and Mrs. O. C. Sikes and Mr. and Mrs. G. B. Tomlinson, all of Tahoka.

Escorted to the altar by her father, the bride wore a gown of ivory silk taffeta which was designed with a long stemmed figurine bodice and a modified scoop neckline and elbow length sleeves edged with imported Belgian lace. The bell shaped skirt swept into a carriage back which fell into a formal court train. She wore an ivory Belgian lace veil and carried a bouquet of white orchids and a bronze mum atop a white Bible.

Miss Patricia Sikes, sister of the bride, was maid of honor. The bride's other attendants were Miss Karen Kidwell, Mrs. Gaylon Tekell, sister of the bridegroom, Miss Virginia Willhoit, and Mrs. Edward Dunn of Lubbock.

The attendants wore matching dresses of antique beige satin fashioned with cap sleeves and pleated skirts. They carried bouquets of bronze mums and wore matching headpieces of brown velveteen accented with tiny orange flowers, pearls and beige net.

Best man was Gaylon Tekell. Guests were seated by Stephen Ellis, Robert Cloe, Kenneth Stice and Lonnie Wheeler of Lubbock. Candlelighters were Billy Davis and Louella Tomlinson, sister of the bridegroom. Jeanette Tomlinson of Lamesa, cousin of the bridegroom, was flower girl. Tom Ellis of Lubbock, cousin of the bride, was ring bearer.

The Lubbock Christian College

Janey Ware, James Adams Plan Rites

Mr. A. E. Ware of Tahoka announces the engagement and approaching marriage of his daughter, Janey, to James D. Adams, Jr. son of Mr. and Mrs. J. D. Adams, also of Tahoka.

The bride-elect is a 1959 graduate of Tahoka High School where she was a member of the local band, choir and FHA chapter. She is a past Worthy Advisor of the Tahoka Rainbow Assembly. Mr. Adams is a 1958 graduate of Tahoka High School where he was active in football and track. He was also a member of the National Honor Society, Student Council and Math Club.

Both Miss Ware and Mr. Adams are currently employed in Lubbock where he is a junior at Texas Tech. He is studying engineering physics.

The wedding will take place on November 25 in Tahoka.

New Home Club Elects New Officers

The New Home Home Demonstration Club met Thursday, Oct. 13, in the Community Center with Mrs. Charles Leuder, president, presiding.

New officers for the coming year were elected, same being as follows:

President, Mrs. Leland White; vice president, Mrs. Mel Halford; secretary, Mrs. G. B. Mayfield;

treasurer, Mrs. Oscar Lowrey; reporter, Mrs. Willie Nieman; council delegate, Mrs. Charles Leuder; alternate delegate Mrs. Joe M. Armontrout; and parliamentarian, Wilmer Smith.

Refreshments were served to 14 members by Mrs. H. G. Franklin

and Mrs. Milton Evans. Next meeting will be Oct. 27 when the agent, Mrs. Connie Anderson, will present the program.

Cafeteria Menus For Next Week

Cafeteria menus to be served in Tahoka schools during the week of Oct. 24-28 are as follows:

Monday: Baked ham, glazed yams, green beans, sunflower salad, rolls, butter, honey and milk.
Tuesday: Pinto beans, cheese sticks, fresh spinach, buttered carrots, pickled beets, corn bread, peanut butter cookies and milk.
Wednesday: Fish with tartar sauce, buttered broccoli, whole kernel corn, whole wheat bread, cherry pie and milk.
Thursday: Toasted wafers with cheese, cream potatoes, tossed salad, buttered cabbage, rolls, butter, apple sauce and milk.
Friday: Hamburgers, onions, lettuce, tomatoes, baked potatoes, fruit cups and milk.

OFFICE SUPPLIES—The News now carries a complete line of office supplies.

Junior Games At Post Next Tuesday

The seventh and eighth grade football games at Post on Tuesday night were cancelled because of field conditions following the week end rains.

Tahoka will go to Post this Tuesday night for games, and Post will return the tilts later in the season.

BURDS IN NEW HOME

Mr. and Mrs. Leo Burd, formerly with Shipley Motor Co. here and now with Cook Auto Sales in Lubbock, have recently moved into their new home at 3422 East Bates in that city and invite their Tahoka friends to come to see them there.

Asked what he would do when he retired, a fellow townsman said, "Nothing at all for the first year and less than that during my remaining years."

Wilson Mustangs Defeats Sands

In a downpour that drowned out a homecoming crowd at Wilson Saturday night, the Wilson Mustangs won their first conference game of the year by defeating Sands (Ackerly) 18 to 0.

The improved Wilson eleven played their best defensive game of the year in what might be termed the school's muddiest game in its history.

However, ex-students nevertheless braved the storm 202 strong to attend their second annual banquet, then took to their cars with other fans to watch the football tilt.

Wilson took an early lead in the game when Fullback Billy Baker ran 35 yards off tackle for a touchdown. With about four minutes gone, the Mustangs took possession of the ball mid-field and made the scoring run on the fourth play. The kick for extra points was no good.

The half ended with Wilson leading 6 to 0. In the middle of the fourth period, End Bobby Stone blocked a punt, which the Mustangs covered on Sands' 10 yard line, setting up the second scoring play when Quarterback Surpy Benevisez went over from the one-yard line on a quarterback sneak. The attempted run for extra points failed.

With time running out in the ballgame the Mustangs took over on their own 12 yard line and drove 88 yards in six plays for their final touchdown, with Halfback Leroy Schneider going the last yard off tackle in the last play of the ball game. Schneider sparked the long drive with a 30 yard run and two passes from Benevisez to End Larry Petty put the team in scoring position.

Wilson controlled the game with eight additional penetrations while Sands was able to penetrate only once. Playing an outstanding game defensively were Schneider and Linebacker Eddy Williams.

Travis Rector, football mentor, is coaching his first year at Wilson having come there from Tullia. He says his team is showing improvement and played a fine homecoming game.

KNOW YOUR VOTING RIGHTS!

We feel that all legal voters of Texas should know—

- No matter how you have ever voted . . .
- Or in which primary you voted . . .
- Or if you voted . . .
- Or how your poll tax receipt is stamped . . .

You CAN vote for any candidate of any party on the November 8 ballot.

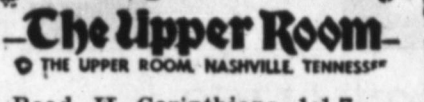

For Democrats who value the ideals and true aims of the Democratic Party, the only choice is Nixon and Lodge.

Today's MEDITATION

from The World's Most Widely Used Devotional Guide

The Upper Room

Read II Corinthians 1:1-7. Grace be to you and peace from God our Father, and from the Lord Jesus Christ. (II Corinthians 1:2).

It was a stormy November day in a town in northern Norway. I made my way toward the hospital to make my regular calls upon the patients and to hold the preaching service there. In the hospital I found the usual silence—and the usual hurry.

Before the service, an anxious mother asked me to see her son who was seriously ill. She told me he was eighteen and wanted to talk to a minister. As I went into his room, the boy's mother left, closing the door behind her. He and I were alone.

I did not know him, but was about to begin speaking when something unexpected happened. The boy turned his face toward me. He smiled and said, "Peace from the Lord." This dying boy, with faith in the Lord, wanted to share with a minister the peace that Jesus Christ had given him.

On a stormy day, in a house of pain and uneasiness, the boy knew the comfort and leavening power of Christ's peace. He passed on to me a feeling of peace, which I carried with me into many experiences.

PRAYER: O God of Love, we thank Thee for Christ's peace. Help us to share Thy peace with those we meet, that it may be the leaven of life to them. In Christ's name, Amen.

THOUGHT FOR THE DAY
 In all circumstances, Christ's peace leavens life. —Leif Sevre (Norway).

QUESTIONS, PLEASE

QUESTION: "Is there consciousness in the grave?"

ANSWER: By the term "grave" I am sure we have reference to the "realm of the dead" or "Hades." Yes, the Bible teaches that there is consciousness in the realm of the dead. Luke the 16th chapter teaches this about as well as any passage of scripture. This is the well known parable (?) of the Rich Man and Lazarus. The Rich Man was very much conscious of what was going on WHERE HE WAS. He was very much aware of the fact that the world in which his brothers lived existed. But he was not in that world (he was in the Hadean world) so he had to rely upon his past knowledge of the condition of his brothers, etc. Our friends, who believe in "soul sleeping," quote only a part of the thought from Ecclesiastes 9:5, ("The living know that they shall die; but the dead know not anything.") If one were to quit here he would believe the Bible to teach that one would not know a thing in the Hadean world. The dead "know nothing of the kind" since they are already dead. Let us quote from Ecclesiastes 9:5, 6: "For the living know that they shall die; but the dead know not anything, neither have they any more a reward; for the memory of them is forgotten. As well their love, as their hatred and their envy, is perished long ago; NEITHER HAVE THEY ANY MORE A PORTION FOR EVER IN ANYTHING THAT IS DONE UNDER THE SUN." Notice where it is that they "know not anything." It is the same place where they "have no more a portion of anything." IT IS UNDER THE SUN. I am well aware of a place called Chicago. I have been there. I am not there now. I have no reward in anything done there because I am not there. I have to rely upon my past knowledge of the place to know anything about it (other than what I read). I am not in the grave. I do not know about the events there. The people in the grave are not IN THIS WORLD so they "know not anything" about what is transpiring under the sun.

You are invited to send your questions to: Bob Barnes, Box 812, Tahoka, Texas. You are also invited to attend all the services of the church of Christ.

Local Drive Planned To Assist Boys' Ranch of West Texas At San Angelo

Boy's Ranch of West Texas representatives, Perry Walker and Maurice Bray, have announced that the period of October 24 through October 31 will be set aside as Boys' Ranch Week of West Texas. During this period, emphasis will be placed on familiarizing the citizens of Tahoka and Lynn County with the Boys' Ranch of West Texas program. Boys' Ranch of West Texas, a non-profit charitable organization organized in 1947 to serve West Texans, offers its services to Lynn County. Presently there is one boy at the Ranch from Lynn County and the Ranch has reserved room for more boys when needed.

concentrated efforts will be made to obtain funds for the operation of the Ranch. The Ranch serves from 50 to 60 boys and currently has 51 boys.

Recently, the Executive Director of Boys' Ranch, Morris H. Craig, appeared before the Rotary Club and showed slides of the Ranch. He pointed out that the Ranch has four goals: (1) To teach a boy self-respect; (2) To teach him respect for others; (3) to give him a sense of responsibility and (4) To teach him respect for work. To accomplish this, the Ranch has a well rounded program with emphasis being placed on education, religious training, character building and training. The Ranch does have case work service, psychological and psychiatric consultation when needed.

Walker pointed out one important feature of Boys' Ranch; if they cannot help a boy at the Ranch, they will work with the community in making the proper planning for the child.

The Ranch deserves and needs the support of the citizens of Lynn County. Contributions to the Ranch should be made to Perry Walker or Maurice Bray.

Wilson Exes At Homecoming

Miss Sharon Lumsden, daughter of Mr. and Mrs. Bill Lumsden, was crowned the 1960 football queen at halftime ceremonies Saturday night in the homecoming game at Wilson. She is a junior student in Wilson High School.

Attendants were Cherry Campbell, sophomore, and Doris Lamb, senior.

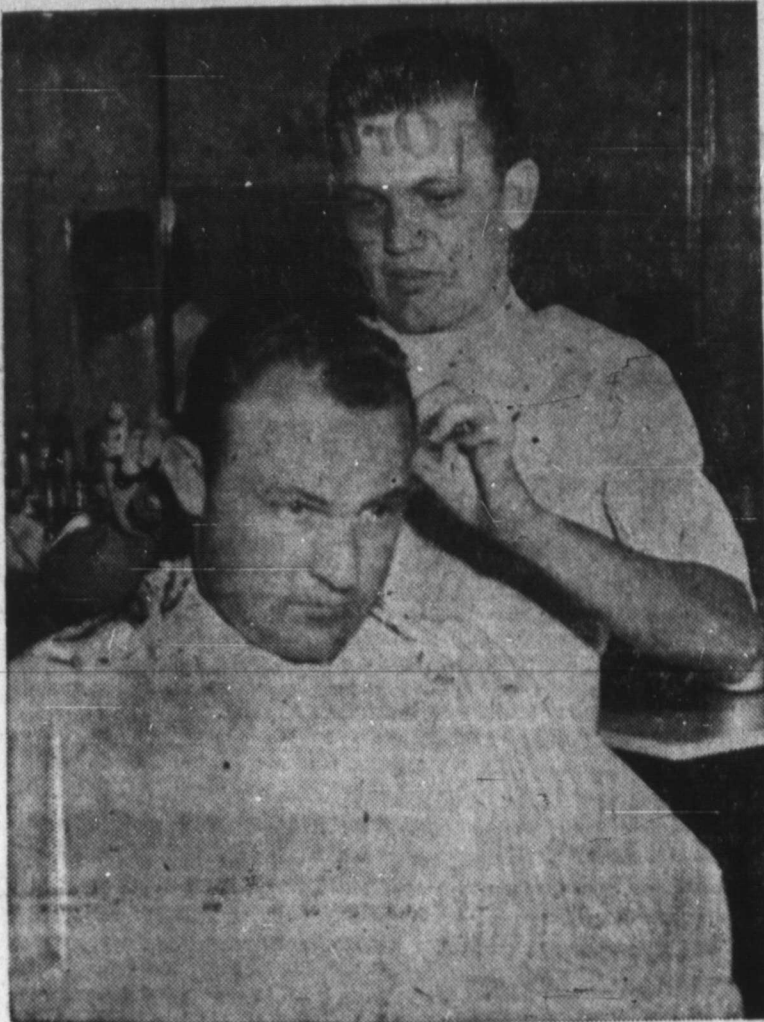

In spite of heavy rain, 262 students attended the second annual homecoming reunion barbecue served in the school cafeteria and heard John W. Wilson, director of the Lubbock Boys' Club and former Wilson coach, speak to the group on "Passing Time." Wilson was coach there from 1935 to 1937.

Honored this year were the classes of 1925, 1926, and 1927 and the girls and boys basketball teams of 1937. Although few graduates of the classes were present, there were about five ladies and nine men attending who had made up the cage team from 23 years ago.

In a business session at the dinner, the group voted to make homecoming activities an annual event.

Elected president for the coming year was Charles Baker and other officers include Theo Campbell, vice president; Mrs. Victor Steinhauer, secretary; and Mrs. M. G. Wied, reporter.

Outgoing officers were Roy Lynn Kahlich, president; Harold Key, vice president; Mrs. Erwin Sanders, secretary; and Mrs. Steinhauer, reporter.

BOYS' RANCH OF WEST TEXAS gives a boy a chance to learn a vocation. The barber in this picture is an Ex-Boys' Rancher who received barber training through the Ranch and is now barbering in a local shop in San Angelo.

Scouting News

(By Ed Redwine)

Old Mother Nature has been up to her tricks again. The overnight campout scheduled by Troop 21 ended in retreat last Saturday. Scoutmaster Rush Dudgeon and eight boys started out for the lake, got there in time for two hours of swimming and skiing before it clouded-up and began to pour. Former scoutmaster of Troop 21, Allyn Cox, drove up from Midland to be with the boys. George Wright furnished his boat for skiing. Scouts making the trip were: Dennis Clem, Dennis Cline, Johnny Hillhouse, Jack J. J. Quess, Stanley Price, Glen Riddle, Townes Walker, and Bill Wright.

The combined Court of Honor will be held Nov. 3. This meeting will be the first of its kind in this city. More boys will be given awards at this time than at any other time in the history of Scouting in Tahoka. This event will be open to the public and will give people that are not connected with Scouting or ever have been, a glimpse of Scouting around them. Watch this column for more details.

For the past several presidential campaigns, the Boy Scouts of America have participated in what is called the "Get Out the Vote" campaign. Its purpose is to urge the citizens of America to get out and vote for the nominee of their choice. America is a free country. But the fact remains that many qualified voters are not exercising their right to vote. On Oct. 29, a Boy or Cub Scout will knock

on your door, or ring the doorbell, then will hang a Liberty Bell doornob hanger to remind you of your obligation. Heed Scouting's call—and vote!

Dates to remember:
Oct. 25, Training session at Brownfield for Cub Leaders.
Oct. 29, Get Out the Vote campaign.
Nov. 3, Combined Court of Honor.

Jack Keyser's Are Visitors In Tahoka

Mr. and Mrs. Jack Keyser of Huntington, West Virginia, arrived Monday night for a few days visit with Dr. and Mrs. K. R. Durham, Mr. and Mrs. Ode Brewer, and other old friends.

Mrs. Keyser is the former Miss Lorene Reese, reared here the daughter of Mr. and Mrs. J. L. Reese, now of White Settlement, Fort Worth. She reports her parents are doing fairly well. Her brother, Carra, lives near them and has been working at Convair aircraft plant about eight years.

Her other brother, Martin S. (Sylvester), is professor of journalism and manager of SMU Press at Southern Methodist University, where he has been ten or twelve years. Martin is a "graduate" of The News.

Friday, Mass at 7:00 p. m.

Scouts To Help Get Out Vote

As a climactic feature of the Golden Jubilee Year of Scouting, the 1960 National Good Turn of the Boy Scouts of America will be the third Get-Out-The-Vote campaign. As in the two previous nonpartisan campaigns, the South Plains Council will participate.

Cooperating sponsors as they were in the successful campaign of 1952 and 1956, the Boy Scouts of America and Freedoms Foundation, Inc., of Valley Forge, will again undertake responsibility for the immense civic project.

A Get-Out-The-Vote committee of the South Plains Council has been established with Jimmy Lums of Lamesa as chairman.

On Saturday, October 29, five million Scouts and leaders throughout the nation will place on forty million doors, Liberty Bell placards with imprinted reminders to vote. It is expected that 8,000 Cub Scouts, Boy Scouts, Explorers, and their leaders of the South Plains Council will participate in this mass distribution.

The message on the Liberty Bell doorhanger will read: "Heed Youth's Call. Ring the bell for freedom. Vote as you please, but vote!"

The aim of the 1960 campaign is to surpass the results of both 1952 and 1956 Get-Out-The-Vote campaigns when the increased voting turnout was largely attributed to these efforts of the Boy Scouts of America and the Freedoms Foundation.

Strictly nonpartisan in concept and execution, the deeper purpose of the project is twofold, as emphasized by J. A. Brunton, Jr., Chief Scout Executive. "It is," says Mr.

Brunton, "to install a deeper consciousness of the privileges of American citizenship in the voters and to awaken in the boys participating the awareness of their own personal responsibilities as citizens."

Until the distribution day of October 29 and Election Day fol-

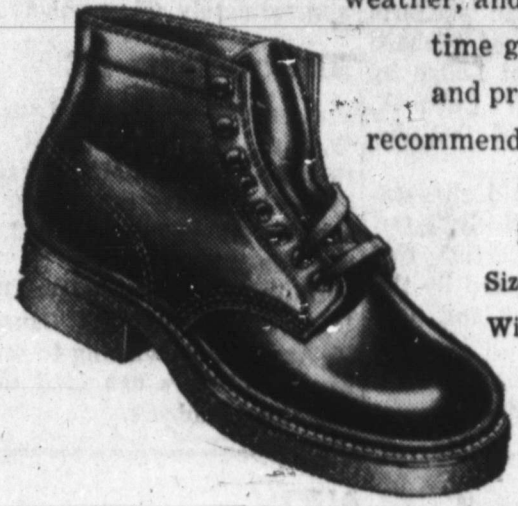

lowing, Scout units throughout the country will stage special events and activities to highlight the project.

Over 65,000 door-knob hangers will be distributed throughout 20 counties in the South Plains Area.

Ralph Brock Talks To School Students

Wednesday morning Ralph Brock, democratic leader from Lubbock, spoke to the Tahoka High School student body preceding a mock election the group will conduct in November.

Brock told the students of the advantages of the Democratic platform and the qualifications of the presidential candidates, John F. Kennedy and Lyndon Johnson.

This is the first of two political speeches to be made to the student body, sponsored by the Student Council. The second will be given on the Republican platform and the qualifications of Richard Nixon and Henry Cabot Lodge by Gordon Treadaway of Lubbock, Republican chairman of this district.

Supt. Otis Spears said the students were taking a lively interest in the political election this year, and has been spurred by the scheduled mock election and political speeches.

Help keep Tahoka clean

LARRY FORSYTHE IN LCC CHOIR

Larry Forsythe, son of Mr. and Mrs. L. A. Forsythe, has been selected to sing this year with the Lubbock Christian College A Cappella Chorus, directed by Wayne Hines.

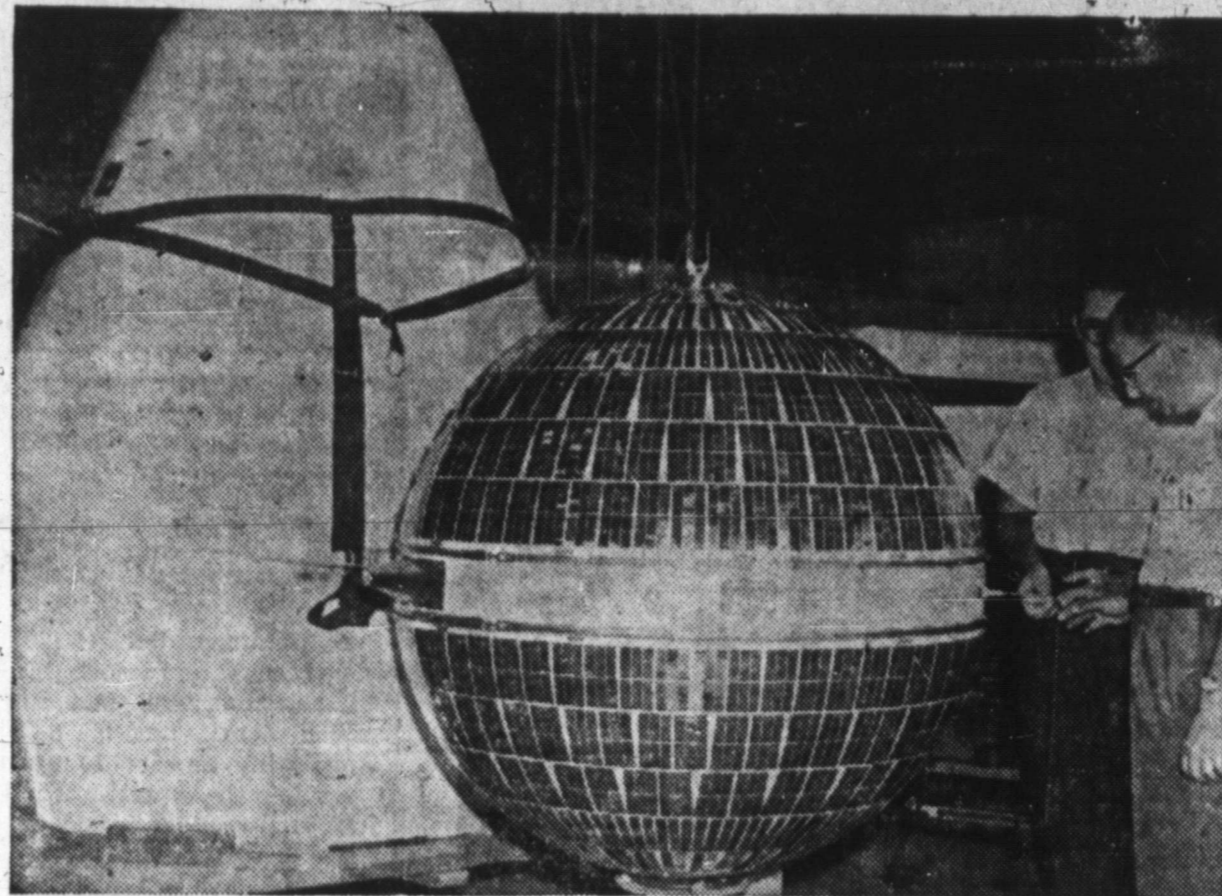

In addition to various concerts on the LCC campus and in Lubbock, the chorus is planning numerous tours throughout the year. The first one will begin the latter part of this month and will include Clovis, Amarillo, Santa Fe, Albuquerque and Roswell.

The A Cappella Chorus, now in its fourth year of existence, has approximately 65 members.

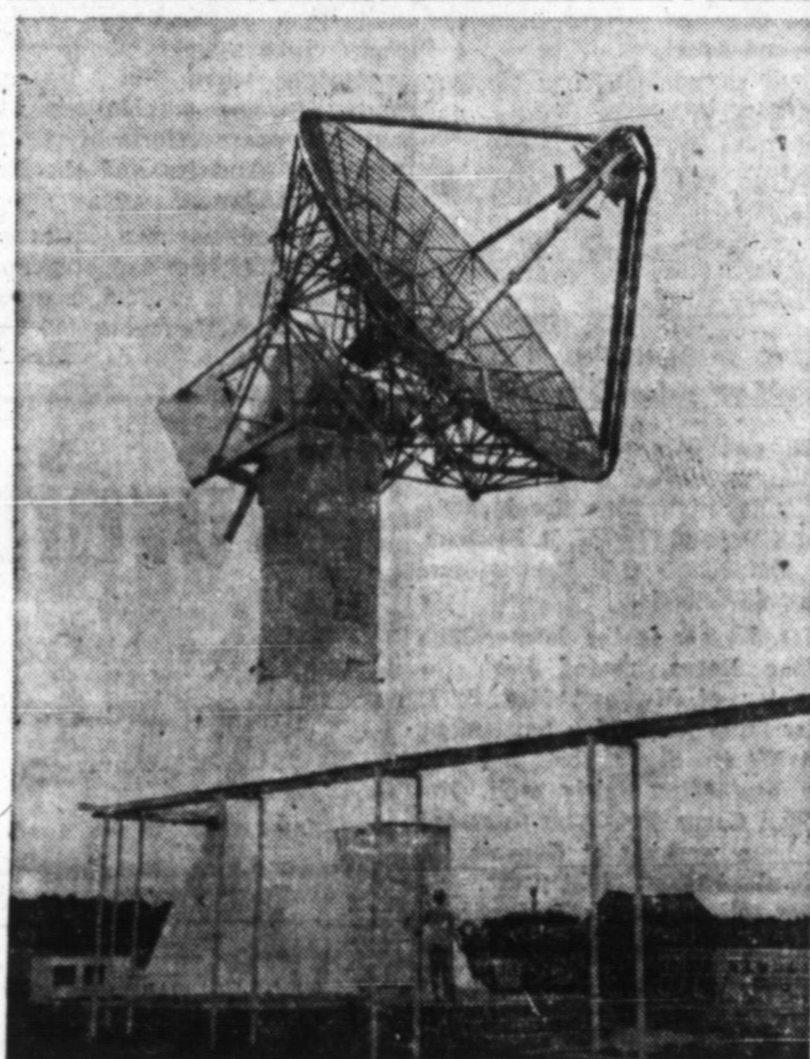

MRS. CAMPBELL ILL

A former resident of Lynn county, Mrs. Myrtle Campbell, known in Lynn county as Mrs. Oscar Richards, is recovering from major surgery at her home, 312 South Abaline St., Portales, N. M. according to a sister-in-law, Mrs. V. D. (Tiny) Leavitt of Causey, N. M. Any friends wishing to send her cards or letters can mail them to the above address.

U. S. Army's Courier Satellite in Orbit . . .

COURIER SATELLITE, Cape Canaveral, Florida. At left is the nose cone of a Thor Able missile which houses COURIER as it goes into orbit around the earth. The satellite is a communications vehicle developed by the U.S. Army Signal Corps Engineering and Development Laboratory at Fort Monmouth, New Jersey. COURIER, a solar-cell powered 500-pound ball, is capable of sending and receiving 68,000 words a minute as it passes over a tracking station. The satellite was produced by the Philco Corporation.

A UNIQUE 28-FOOT PARABOLIC ANIENNA built for the COURIER Satellite, now in orbit. This antenna at Fort Monmouth, New Jersey and a similar one installed at the Space Communication Center of the Army's Caribbean Signal Agency in Puerto Rico are the principal "ears" for COURIER. About 340,000 words can pass between the satellite and the ground stations in a single five-minute period.

If you want to feel disenchanted, read this:
Soap, and not champagne, is used in Lawrence welk's bubble machine.

Chorus Sings At Rotary Meeting

Mrs. Bettye Green, local teacher of public school music, presented another one of her always-enjoyable choral programs at Tahoka Rotary Club Thursday noon of last week.

This group was "The Dreamers," eighth and ninth grade girls whom she had trained in grade school. Since no chorus program is available this year in the high school, these girls requested that Mrs. Green give them further training and they meet twice weekly after school hours.

Making up the group are: Patricia Sikes, Sharon Patterson, Linda Thomas, Montie McGinty, Jackie Burnett, Sheryl Nevill, Jean Flippin, Arnetta Wood, and Patricia Falls.

Principal part of the program consisted of a modified version of the musical show, "My Fair Lady," in which the group sang a number of the popular songs as a chorus and solo numbers were sang by Jean Flippin, Linda Thomas, and Patricia Sikes. The story was narrated by Montie McGinty.

Opening the program, the group sang their theme song, "Dream," and "Wonderful Copenhagen," and they closed with two religious numbers, "He" and "My God and I."

The program was arranged by Fred McGinty.

A. M. Bray announced that he and Perry Walker will attempt to raise a quota of \$500.00 set for Lynn county for the support of Boys Ranch of West Texas, located near San Angelo.

Rotary student guests for the month of October, Carol Best and Douglas McClellan, seniors in high school, were introduced by Tom Gill and Mitchell Williams, respectively.

PRIMITIVE BAPTIST WILL HAVE COMMUNION SUNDAY

Sunday, Oct. 23, will be the Communion meeting of the Primitive Baptist Church.

Elder V. J. Lowrance writes: "We wish to extend to one and all a most hearty welcome to attend. We are expecting to have some visitors from over the area, perhaps even a visiting preacher. If you love to hear the old doctrine of salvation by grace, we promise you will not be disappointed."

Ring-shaped garnishes are good to eat and fun to make: slice a large radish and cut out the centers of the slices; poke a sprig of water cress or a small scallion (green onion) through the radish ring.

MRS. CONWAY HERE

Mrs. Claude Conway of Seminole is here this week visiting Mrs. Roy E. Poer and her son, C. W. Conway, in Lubbock. Last week, Mrs. Poer visited her in Seminole and also visited in Odessa and Hobbs, N. M. Mrs. Conway lived here many years before she and her late husband moved to Seminole.

SPAGHETTI SUPPER

Duplicate Bridge Winners Named

Winners in the fifth game of a six-game fall series Tuesday night at T-Bar Duplicate bridge were Mrs. Meldon Leslie and Mrs. Jess Gurley, first place.

Second place winners were Mrs. A. N. Norman and Mrs. D. W. Gaignat; third, Mrs. Oscar Roberts and Mrs. Winston Wharton; and fourth, Mrs. Sonny Roberts and Mrs. Johnny Wells.

Next week is the final game in the series, and is also master point night. The winner of the series will be presented a trophy.

Announcement was made of the club championship to be held in two games on Nov. 8 and 15. A trophy has been donated to the club and named the Mr. and Mrs. W. B. Slaton duplicate bridge club championship trophy for the November play. Each year the couple's names winning the club championship will be engraved on the travelling trophy. Those couples who have previously won the club championship are Mrs. Meldon Leslie and Mrs. Frank Hill, Mrs. Charles Verner and Mrs. Winston Wharton, who won two years, and Mrs. Leslie and Mrs. Oscar Roberts.

G. H. Nelson of Lubbock was a business visitor in Tahoka Wednesday.

MISS VANDA LATHAM

Bobby Paris Will Marry At Canyon

Mr. and Mrs. Fred Latham of Canyon announce the engagement and approaching marriage of their daughter, Vanda, to Bobby Paris, son of Mrs. J. E. Hill of Tahoka.

Wedding vows will be solemnized November 23 in the First Methodist Church in Canyon.

Miss Latham and Paris are attending West Texas State College in Canyon.

McNeely Family Holds Reunion

A reunion of the McNeely family held in the Community Center at New Home Sunday was attended by 55 members of the family. The group had dinner and spent the day at the center.

Those attending were Mrs. J. H. McNeely of Tahoka; her sons and families, Mr. and Mrs. Charlie Evans of Orange, Calif., Mr. and Mrs. Argyle McNeely and two children of Tahoka, Mr. and Mrs. Arlie McNeely and Carla of Tahoka, Mr. and Mrs. W. R. McNeely, Johnna and two grand-children of Tahoka and New Home, Mr. and Mrs. Bill McNeely of Tahoka; several of her grandchildren and families, Mr. and Mrs. Leslie McNeely and two children of Tahoka, Mr. and Mrs. Shorty McNeely and Tom of Brownfield; Mr. and Mrs. Morris Bingham and two children of Tahoka, Mr. and Mrs. Jerry McNeely and two children of New Home.

Also making the event was a brother and wife, Mr. and Mrs. Peg Strong of Pampa; a sister, Mrs. Molly Yates of Lamesa, her two daughters and children of Lubbock and Lamesa; a nephew, Mr. and Mrs. Cecil Kieth of Betty and their children and families, Mr. and Mrs. Gene Kieth and two children of Betty, Mr. and Mrs. Jimmy Kieth and son of New Home, and Mr. and Mrs. Gene Grider and daughter of Lubbock; and Mrs. Leona Shelton of Tahoka.

Dixie Club Meets With Mrs. Copelin

Ten members were present for the Dixie Home Demonstration Club meeting Wednesday, in the home of Mr. Troy Copelin when new officers for the coming year were elected.

New officers include: President, Mrs. A. D. Smith; vice president, Mrs. Elmer McAllister; secretary-treasurer, Mrs. Troy Copelin; council delegate, Mrs. Roy Poer; council alternate, Mrs. E. J. Cooper; reporter, Mrs. J. C. Bohannon.

The next meeting will be held in the home of Mrs. A. C. Aycox on November 2.

The fellow that stays on the level seems to have fewer ups and downs.

Pythians Observe Founders Day

"Founders Day" was the theme of the meeting of Lynn Temple No. 45 Pythian Sisters Tuesday night, when a history of Knights of Pythias and Pythian Order was given by Ina Bell Ater of Lubbock, Past Grand Chief of Texas.

Mrs. Ater instituted the Lynn Temple on Oct. 9, 1944. Also visiting here Tuesday night were Fannie Gordon of Dallas, Past Supreme Chief; Evelyn Hardin, Past Grand Chief of Texas; Rhea Young, district deputy of District No. 4; and Lillian Gothard, all of Lubbock.

M. E. C. Bertha Williams presided at the meeting.

A salad supper was served to 27 guests and members. Hostesses were Eloise Chamblee, Corene Cathcart, Mildred Sherrill, and Hannah Nordyke.

Next meeting will be on Nov. 1 at 7:30 p. m. which will be advancement night for officers.

EASTERN STAR

Tahoka Eastern Star will have their regular meeting Monday, Oct. 24, at 7:30 p. m. The Worthy Matron plans to observe the chapter's birthday and honor the Past Matrons and Patrons of the Chapter. All officers and members are urged to be there. Visitors are welcome.

Mrs. Prohl Speaks At Warner Club

The Phebe K. Warner Club met last Tuesday in the home of Mrs. Emil Prohl for a most interesting program on "International Living."

The house was decorated with various items brought from Mexico by the hostess who was also attired in a Mexican costume. Mrs. Prohl presented the program and told of her recent trip to the conference on Experiment in International Living which met in Mexico City. She also discussed the week she and Dr. Prohl spent living with a Mexican family.

Guests were Mrs. Hubert Tankersley, Mrs. Charles Townes, Mrs. Ross Smith, Mrs. Fred McGinty and Mrs. Otho Thomas.

The next meeting will be Tuesday, Oct. 25, in the home of Mrs. H. W. Carter. The program will be on Americanism.

Congratulations--

Mr. and Mrs. Edgar Lee Follis, Rt. 4, Tahoka, on birth of a daughter weighing 7 pounds 3 ounces at 10:57 p. m. Sunday, Oct. 16, in a Lubbock hospital. The father is employed by New Home Co-op Gin.

Mr. and Mrs. Felix Martinez, Tahoka, on birth of a son in Tahoka Hospital at 11:38 p. m. Sunday, Oct. 16. He is named Robert Lee and weighed 8 pounds 5 ounces.

Mr. and Mrs. Otigui Florez, Rt. 2, Tahoka on birth of a daughter at 5:46 p. m. Sunday, Oct. 16, in Tahoka Hospital. Weighing 7 pounds 9 ounces she has been named Amelia B.

Mrs. Carter Will Speak At S. S. Class

Mrs. H. W. "Cotton" Carter will be the guest teacher at the Men's Down Town Sunday School class next Sunday, according to "Cap" Rowe.

Men are urged to come before 9 a. m. for coffee and fellowship in the old WOW building.

Dr. C. Skiles Thomas taught the lesson last Sunday.

Earl Tunnell is president of the class, M. M. Boyd is vice president, and Roger Bell is secretary.

Two hundred fifty million pounds of gum were chewed by Americans last year. To reach the "sweet tooth" market, confection manufacturers invested over \$4.5 million in newspaper advertising.

T-Bar Calendar

Beginning this week the News will print the social activities of T-Bar Country Club each week so that members may plan ahead to attend the events.

Everyday Religion

By B. Thompson

There are two kinds of people in the world. I am almost afraid to say that now for I read somewhere that there are two kinds of people in the World—those who divide the world into two kinds of people and those who don't. But just now I am one of those who do. So, there are two kinds of people in the world—at least two kinds. For my present purpose I will say that are the "getters" and the "givers."

One group is always praying "Give me, Lord, give me something." The other group prays a nobler prayer, "Lord, make me something." That difference makes a difference. You can trace it all through human history. The Prodigal Son left home saying, "Give me mine," and returned later and much wiser saying "Make me a servant."

The "getters" want to get something without being something. They want to feel good without being good. They will follow any prophet that will promise them health, happiness and heaven. They want God to save them without changing them. They want what Henry Drummond called "salvation by formula." Their question is not, "What must I do to be saved," but "What must I do to be safe." There is a difference.

But the "givers" are different. The gap between them is as wide as the earth. "Let me serve. Let me be used of God for His purpose rather than to seek to use Him for my purpose," is their prayer. Jesus did not say, "Follow me and I will make you safe," but "Follow me and I will make you fishers of men." The abundant life is given us to share and not to keep selfishly unto ourselves.

There are two kinds of people in the world, the "getters" and the "givers."

Miss Wood Third In Dress Revue

Marcheta Wood, daughter of Mr. and Mrs. J. M. Wood of O'Donnell, participated in the State dress revue in Dallas last week end at the State Fair of Texas and unofficially is the third place winner of the 4-H event.

District 2 of which Miss Wood was a representative, also placed the other top two winners, Rebecca Carr of Hale Center winning first and Nancy Pycatt of Tulla second. About 50 girls took part in the contest.

Miss Wood was declared earlier this year as a district winner which made her eligible for the state event. She modeled a coffee colored Irish linen suit, featuring a tailored short box jacket and tailored skirt, both completely lined. She wore tangerine shoes and a bag and a white straw hat trimmed with a coffee colored ribbon.

Miss Wood is a senior in O'Donnell High School. She was accompanied to Dallas by her mother and Mrs. Connie Anderson, home demonstration agent.

MEXICANS ARE INJURED IN NEW HOME WRECK

Two Mexican farm workers were injured in a car wreck south of New Home near the Charles Armontrout home Friday of last week when the driver lost control of his car as he was meeting another vehicle and ran into the bar-ditch. The Mexican man received a lacerated scalp and the boy a fractured hand. A Stanley ambulance brought them to Tahoka Hospital.

first, Mrs. Hines. Tea Rose first, A. Fallen, Tankersley (three first places); second, Mrs. Noble, Mrs. Calloway Huffaker, Tankersley (four second places); fourth, Mrs. Ed Hamilton. Granda Flora, first, Mrs. Prohl, Mrs. Applewhite, Tankersley; second, Mrs. Smith, Mrs. John Donaldson, Tankersley.

Foliage plants, first, Mrs. W. C. Huffaker.

Flowering shrubs, first, Tankersley; second, Mrs. Calloway Huffaker, Tankersley.

Berried Shrubs, first, Mrs. Smith, Mrs. W. C. Huffaker; second, Mrs. C. A. Thomas, Mrs. Louie Weathers.

Farm Facts

Population of the United States is increasing at the rate of one person every 11 seconds—by some 8,000 people a day. The Census Bureau says it could reach some 200 million by 1965 and be close to 220 million by 1970. Like compound interest, it is accruing.

With food and fiber plentiful and a great deal of attention being given to farm surpluses, the problem of supplying all these people may seem remote.

But if we are going to eat as well in 1975 as we are eating now, we will need 50 per cent more food in this country. This means that farmers are going to have to produce half again as much as they're now producing.

We're going to need about three-fifths more eggs, broilers, and fruits and vegetables. We will need 56 per cent more meat animals and 48 per cent more dairy products.

Land for food and fiber, however, is being taken out of production at the rate of more than 2,000 acres a day. It is being taken by new suburbs, highways, etc. Furthermore, some 100,000 families are leaving the farm each year.

Although farm productivity is growing twice as fast as that of industry and yields of crops are up amazingly, the population challenge is a tremendous one. It points up the farmer's vital role.

By 1975 farmers must produce half again as much in many crops if Americans are to eat as well then as they do now.

1975 REQUIREMENTS

- 61% MORE BROILERS
- 60% MORE MEAT ANIMALS
- 56% MORE DAIRY PRODUCTS, ETC.

Democratic Rally Is Planned Here

Tentative plans for a big rally for the Democrats of Lynn County are being made this week. A similar meeting was held in Brownfield last Monday night. Those attending this meeting from here were very impressed and the need for such a rally in Lynn County was noted.

Committees have been working on the prospect of getting a noted Democrat to be the speaker and the date, place and the program will be selected in a few days. Lynn County Democrats will be contacted by telephone, by personal contact, and through the newspapers.

It is urged that every Lynn County Democrat be present at this meeting. Watch the paper for the date!

LOCAL SOLDIER PARTICIPATES IN TRAINING EXERCISES

Fort Campbell, Ky.—Army PFC Cecilio Reyes, 23, whose wife, Isabel, and parents, Mr. and Mrs. Valentin Reyes, live on Route 5, Tahoka, participated with other personnel from the 101st Airborne Division's 501st Infantry in Exercise Kansas Eagle I, a four-day training exercise at Fort Riley, Kan. The exercise ended Oct. 11.

The exercise featured a parachute assault at the Kansas fort, following an airlift from Fort Campbell, Ky., home of the 101st, a major element of the Strategic Army Corps (STRAC).

Reyes, a rifleman in the infantry's Company A at Fort Campbell, entered the Army in December 1959 and completed basic training at Fort Riley, Kan.

He attended Brownfield High School and was employed by Reed's Body Shop in that city, before entering the Army.

The Lynn County News

TAHOKA, TEXAS

"Heart of the South Plains"

FRIDAY, OCTOBER 21, 1960

New Home Wins Over Cooper

The New Home Leopards overpowered Cooper last Friday night 20-13 in a passing attack that accounted for one touchdown and the setting up of another, in addition to adding two points to their score.

It was the first conference game for both teams in District 4-B. Halftime score was 12-7 with the Leopards out in front.

In the first quarter, Quarterback Larry Brown passed 35 yards to Halfback Ronald Wyatt, who crossed the goal line for the first score. The conversion try was no good.

The second quarter saw another scoring play by New Home when Wyatt hit pay dirt after a 20 yard run around end. Try for extra point failed. Then Cooper got back into the ball game with Tommy Halvity going three yards for a touchdown and Jimmy Jenkins kicked the extra point.

New Home, not intending to let the game get out of hand, made its third touchdown in the fourth quarter when Lonnie Roper plunged over from the two yard line. A pass play to Wyatt added two points, and ended New Home's scoring attack for the evening.

Cooper came back late in the fourth with Jenkins running 12 yards around end for another tally, but the extra point try failed.

New Home made 206 yards on the ground compared to 206 for Cooper, and Coach Charles Yarbrough said the passing attack was the factor that turned the tide. The Leopards made 114 yards in the air, while the Pirates were able to make only 55 yards.

Coach Yarbrough is very pleased with his team this year, and the recent change in positions of the players because of the loss of Halfback David Crooks, who received a ruptured kidney in the

New Home Plays Wilson Tonight

The annual northern Lynn county football classic, the game between Wilson Mustangs and the New Home Leopards is tonight at 7:30 at New Home as feature of the latter's homecoming event.

Wilson annually is the favorite, but this year Coach Yarbrough's Leopards, fresh from a 20-13 4-B conference victory over Cooper, are all steamed up to get revenge for past defeats before a homecoming crowd.

Coach Travis Rector, new at Wilson this year and having a rebuilding job to do, but his boys have won two of six starts, taking Sands 18-0 Friday night in the district opener. They won over Meadow 15-6, but have lost to Plains 49 to 0, Anton 25 to 6, Whiteface 40 to 25, and Ropes 52 to 14.

The New Home boys have likewise won two games, the one over Cooper and also over Meadow 8 to 0. They have lost to Hart 16 to 8, Ropes 36 to 0, Whitharrall 14 to 6, and Lazbuddie 20 to 6.

Thus, the two teams seem to be about equal in strength.

FRIDAY'S SCORES

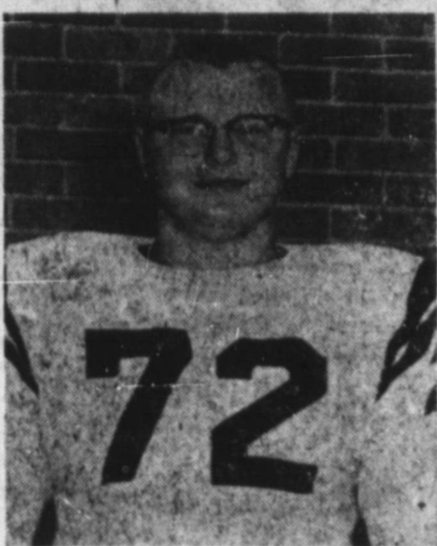

Tahoka (open date):
New Home 20, Cooper 13
Wilson 18, Sands 0
Sundown 44, O'Donnell 6
Denver City 90, Slaton 6

O'Donnell Drops Sundown Game

O'Donnell Eagles entertain the powerful Plains Cowboys tonight in their second District 5-A conference game.

Last Friday night, the Eagles lost to the Sundown Roughnecks 44 to 6.

O'Donnell's lone score came in the second quarter when Dale Finch intercepted a fumble in mid-air and lateraled to Buster Snellgrove, the play covering 75 yards.

Good cooks sometimes use chicken feet for broth. Allow the feet to stand in boiling water (off the range) until the heavy outer skin can be peeled off.

Miss Swinson In Choir At L. C. C.

Bobbie Swinson, daughter of Mr. and Mrs. J. T. Swinson, has been selected to sing this year with the Lubbock Christian College A Cappella Chorus, directed by Wayne Hines.

In addition to various concerts on the LCC campus and in Lubbock, the chorus is planning numerous tours throughout the year. The first one will begin the latter part of this month and will include Clovis, Amarillo, Santa Fe, Albuquerque, and Roswell.

The A Cappella Chorus, now in its fourth year of existence, has approximately 65 members.

The president of Turkey is elected for a four-year term by members of the Grand National Assembly from its own ranks.

Two Southwestern Employees To Get Service Awards

Southwestern Public Service Company's Southern Division will hold its 12th annual service awards dinner Monday, Oct. 24, at 7:30 p. m. in the Pioneer Hotel in Lubbock.

Two residents of Tahoka will be among the 43 employees receiving awards. Lois F. McCracken and E. W. Patterson will be honored for 15 years service. The awards will be presented by A. R. Watson, Executive Vice President.

Top award this year goes to Elbert Wilson of Slaton for 40 years of service. The 43 employees receiving awards have a combined service of 585 years.

Lynn County Soil Conservation District News

E. R. BLAKNEY ELLIS BARNES
O. E. TERRY W. L. (Cap) ROWE
 MELVIN WUENSCHÉ

A basic soil and water conservation plan on the Wm. O. Green Estate, has been revised. The plan now includes installation of a conservation irrigation system, including concrete pipe for laterals, use of crop residue to protect land from blowing and crop rotation.

The application of cotton burs and gin trash to cropland to provide cover during the critical blow season is gaining favor with area farmers.

Many of the gins in the area have special equipment for hauling burs, and spreading them on the land.

Some of the basic benefits derived from the application of cotton burs are: Provides cover for land that would otherwise be bare; Protects the land from wind and water erosion, and adds organic matter to the soil.

The rate of application should be a minimum of three tons of

dry burs per acre, with four to five tons per acre optimum. Burs should be uniformly distributed over the area treated, and left on the surface until after the critical blow season.

Cotton burs and gin trash are highly recommended along turnrows and roadways as protection to an initial wind erosion hazard, but should not be substituted for winter covercrops.

Ladies Of Garden Club Will Attend Brownfield Meet

Members of the Tahoka Garden Club will be among many ladies of the area attending the Central Zone Board Meeting of District 1, Texas Garden Clubs, Inc., Tuesday, Oct. 25, from 9:00 a. m. to 3:00 p. m. in the First Presbyterian Church in Brownfield.

Registration and a coffee will be held from 9:00 until 10:00 a. m. following which a business session will be held. The Presbyterian ladies will serve the noon luncheon at the church.

Pre-registration fees of \$1.75 must be sent to Mrs. Robert W. Baungardner of Brownfield.

Mrs. John V. Powers of Lubbock, a National Accredited Judge, will present the program on selecting and preserving materials for long lasting arrangements. A tour will also be made to the Brownfield Savings and Loan Association, the third state award winner for a landscaping project by a firm in 1959-60.

2 ways to feel good...

give a portrait—the truly personal gift... the one gift that only you can give... a gift that's always appreciated because it's a little bit of you.

Letters From News Readers

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

FROM MULESHOE READER

I particularly enjoy your "Inklings." The Bob Haynes, owners prior to the Hills, used to live next door to us, on the corner where the John Roberts now live, and were awfully good friends of ours—and how well we remember the Cries, who were nice, too. Your story about the paper made me think back to Tahoka and how it was in 1915 when we moved there. But, that's a long story and I won't bore you with that...

Magann is editor of the "Mule-train," Muleshoe High School annual. She has done well with her writing and won a certificate of award and a trophy for "best general column" story from Panhandle High School Press Ass'n last spring. We are real proud of her.

Sincerely, Olabelle Lamb, Muleshoe.

(Editor's Note: Olabelle was recently re-elected Republican committeewoman of the 30th Senatorial District, and this is her third term as a member of the State Executive Committee. Her husband operates Radio Station KMUL in Muleshoe, and her mother, Mrs. J. R. Singleton, lives there also. Her father was the late Dr. J. R. Singleton, pioneer Tahoka dentist, mayor of the town several terms, and an ardent life-long Republican.)

Editor, The News:

Thanks for the notice about the paper—can't afford to miss The News—it is like a letter from home.

We're fine, keeping busy with school. Mr. Mason is still busy with his job as County School Superintendent.

Pick your temperature in every room with **ELECTRIC** baseboard heating!

When you think of control — you think of electricity. That's true in the biggest factory — the most modest home. Accuracy and electricity go hand in hand. This is the big advantage for electric heating. It's why electric baseboard heating is tailor-made for comfort. 65 is a good nighttime bedroom temperature. 72 is best for watching television in the living room. 80 takes the chill off the bathroom when it's bath or shower time. And you can have all three of these temperatures at one and the same time. That's control. That's comfort. How do you get it? You ask your Public Service manager. He's got heating facts and figures for you.

Printer's Ink-lings . . .

By F. P. H.

Rev. George Heinemeier of Wil-son tells this story: The editor of a large daily newspaper once asked a country editor, "Why do you publish a paper, anyway, we have already carried all the news when your paper comes out?" The editor of the little country weekly replied, "Yes but we tell our readers who got caught at it!"

Reverend George also says "The only reason the rural people read the country weekly is to see if the editor knows."

Mrs. Bob Tate says Kirk and Gaynelle Pitts, who farm-up in the country between Muleshoe and Earth, had their crop just about completely wiped out last week by

Go now - pay later on the Santa Fe

Now enjoy all the fun and excitement of a Santa Fe trip and pay for it when you get back. Only 10% down. Spread the balance over 12, 18 or 24 months. (Minimum balance of \$50 required.) Good for all trips sold by the Santa Fe. Find out all the details of this convenient new way to travel.

Ask your local Santa Fe agent about the "Go now-pay later" plan

didate of their-choice. Or, they can ignore the opportunity—not both. Yet those who do not vote have little right to complain if the person elected is not suited for the job. That's why we urge you to vote. Study the issues and the candidates. Then after you choose the person you want, make sure that you vote for him! Let's all vote!

But, an astounding fact pointed out in the folder is that only 60.4 percent of the eligible voters here in the United States bothered to go to the polls in the last presidential election—1956. On the other hand, 75.5 percent of the eligible voters in France voted in the National Assembly election of 1958. In Great Britain, 78.7 percent of the eligible voters went to the polls in the 1959 House of Commons election. But, in Italy in the 1958 Chamber of Deputies and Senate election, 93.9 percent of the voters went to the polls. In Texas in 1956, only 38.1 percent, a little over one-third, of the eligible voters took the trouble to go to the polls. Is it any wonder we have the type of candidates for president that we now have? Apathy could prove to be the undoing of our great democracy.

We believe one thing wrong in the United States is the method of nominating men for the presidency. The rank and file virtually have no choice whatever under the convention system. Why not a nation-wide preferential primary for each party?

Today's political promises become the taxes of tomorrow, says The Belton Journal.

The drift toward socialism and confiscatory taxes in the U. S. will have to grow even worse before the public awakens sufficiently to demand a return to sound government.

We had a long letter a few days ago from a former minister in this county for whom we have a great deal of respect. He castigates this newspaper for its political thinking, recalls the hard times he had in the Coolidge and Hoover administrations and recounts his personal frustrations through life, hinting these were the fault of the Republicans, etc. He makes one rash statement which surprises us, this being, "As to having a free enterprise system, I challenge it. If I were wanting to farm now I could not find a place to work."

We agree with the writer on a lot of things, but we oppose his line of thinking on a lot of others. America was established on the thesis of freedom of religion, the very fact that permitted him to enter the ministry, freedom of thought, expression, action—freedom to choose one's vocation according to his desires and ability. Sure, it's hard in our free enterprise system today for a man to start farming, or to start in the printing business, or to enter the Methodist ministry. We hear it's hard in a Socialistic state for one to get a start of his own.

We think a man still has the right to vote as he pleases, regardless of party. America is, or should be, bigger than any political party. Of course he would not agree, but The Printer is a

Democrat—an old line Democrat. It is the party of our state and our area. We reserve the right to criticize our party when it goes contrary to the things the Democratic party has always stood for and takes into its platform the principals of the Socialists. We have never attended any kind of Republican meeting except as a reporter. We have, in the past, crossed party lines, to vote for the man we thought best. If this is not democracy, what is democracy? We have been very critical of the present party platform and its candidates. We don't like the Republican party and its platform, either, although its principles are not quite so socialistic. We have not said in this paper for whom we are going to vote because we don't know for certain.

Another thing, we still can't figure out is how a minister of the Gospel can defend such a man as our former President Harry S. Truman, who was reared politically in the most vilely corrupt political machine in America, the Pendergrass machine, which the newspapers in its home town say was guilty of every low-down crime in the book: a vile speaking man in public and private; a man who plays poker and drinks; a man who put some of his crooked friends in office of trust and defended them when they were caught red-handed. But, Harry is OK with a lot of people just because he is a Democrat, and that's perfectly all right with us if that's the way you think.

Another thing we can't understand is why some people have to get mad at their friends because of politics. Some of the best friends we have are ultra-liberal Democrats, some are that nasty word, Republicans. But, we still respect all of them if they are sincere in their thinking, if they stand for certain decent principles and stay with them. The man we feel sorry for is the man who thinks his way is the only way and gets mad at his friends because they do not think like he does, or the man who will sacrifice his principles for a puny political advantage. We may differ with you on your thinking, but we're not going to get mad and stay mad about it because we think that's your right.

R. W. Allen of Lakeview was

recalling some of his "good old days" to The Printer the other day. Said he and his wife went to Eastern Oklahoma in 1917 to farm, nearly starved out and nearly lost his health. Came back home to old Lynn in 1922 by wagon. Mrs. Allen, a Shattock, first came to New Lynn in 1907, while R. W. came to Post in 1909.

We asked R. W. how S. L. (Saleh) Williams of Lakeview was getting along, and up drove Saleh and wife and parked at the curb. Ill for several months and unable to get around like he once did, Saleh has been bothered with arthritis but is still very alert mentally. We found out his wife is almost kinfolks—well, anyway, she is a cousin of our wife's sister-in-law.

We have heard that Lit Moore Sr. started farming in Lynn county in the Draw area with burros. How about it, Mr. Moore?

The oil industry paid 64 percent of the assessed taxes in Terry county last year.

Girl answering telephone: "Marie isn't in just now. This is her 111 pound, five-foot-three, blonde, blue-eyed sister."

Letter to a Boston paper: "Dear Sir: When I subscribed a year ago you stated that if I was not satisfied at the end of the year I could have my money back. Well, I would like to have it back. On second thought, to save you trouble, you may apply it to my next year's subscription."

The average girl would rather have beauty than brains because the average man can see better than he can think—Roses for Reflection.

A pedestrian is a man who has taught his son how to drive his car.

THE '61 PONTIAC IS HERE!

It's All Pontiac on a new Wide-Track!

New track-to-body proportion! The track is the width between the wheels. Pontiac has the widest track of any car. And now that we've trimmed body width, more weight is balanced directly between the wheels. You ride with greater poise, maneuver with firmer control.

More room, more comfort inside! Headroom, legroom and foot-plate have been increased! Seats are higher, yet there's more clearance under the steering wheel. Overdrive wheel, using gears to keep high no jutting tailfins to bump as you get in and out.

Powered by the new, fuel-saving Trophy V-8 Engine! New fuel induction system gives this new free-breathing engine more air, makes gas go further. Eleven versions to select from. Horsepower ranges from 215 to 248. For best economy, specify the Trophy Economy V-8. Its lower compression ratio lets you use regular gas. We're the Wide-Track way to travel! Try it!

THE ONLY WIDE-TRACK CAR Pontiac has the widest track of any car. This extra clearance between the front wheels gives you more steering control. You can't be too sure about steering control.

Tahoka Postal Receipts Nearly Doubled In Past Seven Years

A new all-time high in the nation's mail volume was reached during fiscal year 1960 ended June 30, which continued the steady upward trend of the past seven years at a rate which even exceeds the population growth, according to advance information from the Annual Report of the Post Office Department which has been made available to Postmaster Happy Smith.

Although subject to last minute revisions, the year's total has been estimated as 63.6 billion pieces

of mail which includes about one billion pieces of parcel post. It was stated that this would mean an increase of nearly 25 per cent over the corresponding figure for 1953 when the annual volume was 50.9 million pieces.

During this same period, it was pointed out, the revenue of the Department also has shown an impressive gain with an increase from \$2,091,714,000 in fiscal year 1953 to \$3,276,800,000 for fiscal year 1960.

Here in Tahoka, receipts of the post office climbed from \$29,041.37 in 1953 to \$52,882.51 last year.

"There is not much we can do about how much mail we have to handle from day to day or how many people are making use of the Postal Service, but the whole Department keeps busy in devising ways and means for doing the job not only more efficiently but more economically. As I recall it, that was the way President Eisenhower outlined the principal objectives of the Department when Postmaster General Arthur E. Summerfield was being sworn in back in 1953, and that's the way we have been operating ever since.

"We can't deny that we still make mistakes and that the human element still plays a vitally important part in daily operations, but the statistics in the Department's annual report offer positive proof that we are making progress on a

Farm Facts

Farmers have gambled with weather since Cain planted the first seed. In some years Nature is kind. At other times it looks like the cards are stacked against the farmer. He has to play his hand against drought, rain, heat, cold, hail, winds, killing frosts or unseasonable freezes.

For almost a decade, back in the 1950's, hot, dry winds seared the Great Plains of the United States, creating the Dust Bowl, impoverishing thousands of farmers and forcing them from the land. Hoping to market their products for premium prices, vegetable growers may gamble and plant a little earlier. Unseasonable weather often exacts a disastrous toll in which the grower not only loses his labor and seed but his fertilizer as well. Such weather, too, has meant disaster for many a citrus grower, killing trees that have taken several years to reach the bearing stage.

Prolonged wet weather encourages plant diseases and impairs the quality of fiber

Farmers gamble their crops every year with an unpredictable partner... weather.

and grain, encourages growth of weeds and grass, and prevents insect control. These are some of the gambles the farmer takes as he goes about the job of supplying you and me with food and fiber.

nation-wide basis. As an example, while the mail volume showed an increase of 16 billion pieces handled annually, the employment increase during this same period amounted to only 11 percent.

"By way of explanation, it should be mentioned that the employment figures—based on thousands of man-years—are first worked out under two separate headings, city carriers and 'all other,' and then combined for the over-all percentage figures just mentioned for fiscal 1960.

"It should also be mentioned that there has been a steady and substantial increase in 'city carriers' each year as compared with 1953, ranging from 4.5 per cent in 1954 to 29.2 percent in the latest estimates. This increase has been essential to keep pace with the ever-expanding growth of established cities as well as the establishment of new ones. City delivery service has been started in 800 communities in addition to the extension of literally hundreds of

routes which were already in operation. This required the equivalent of 31,000 more letter carriers to serve approximately 9,000,000 more American families and upwards of 700,000 more business concerns.

"There is perhaps no better way of demonstrating the Department's ever-improving efficiency than by showing just how steadily the annual volume handled per man-year of employment—excluding city carriers—has been increasing since 1953. In that year the total handled by one man was 132,000 pieces of mail. For 1960 the corresponding figure was 157,000.

"It is, of course, true that all the additional service has made it necessary to take on many new employees and that our total increased from 506,520 in 1953 to 526,868 on June 30, 1960, but as pointed out in the original 1960 report figures, the workload increase during this same period was nearly 25 percent.

"To my way of thinking that's

the story in a nutshell and I seriously doubt if there has ever been a story just like it in the entire history of the Post Office Department. I am also of the opinion that it would be impossible to over-emphasize the importance of this story—not only for today's operations but for the years that lie ahead.

"In a recent speech on this subject by the Postmaster General he brought out that by 1970 our population is expected to be 208,000,000 and that our annual mail volume by then will be more than 90 billion pieces. The U. S. Bureau of Standards, an entirely separate organization, estimates that our mail volume will be doubled within the next 25 years, and it all fits into the same picture.

"It was in another speech before the Post Office Department that another official expressed his sentiments about the situation like this: 'We are proud of our record. We have no apologies to make and no regrets to express. What has been done was once said to be

impossible. Now it is history. Those are also my sentiments.'

Included among items cited by the Postmaster as recent accomplishments by the Department were the following:

Established the first large-scale program of automatic mail handling by machinery on a nation-wide basis.

Developed the "airlift" program which speeds up the delivery of approximately one letter out of every 17 on a "space-available" basis.

Continued with the development

of faster machines for letter sorting, parcel post sorting, and for mail culling, facing and cancelling.

Continued with plans for a new automatic postal sub-station which will vend stamps, envelopes, post cards and writing paper, and which will have money changers for both coins and bills.

Mrs. Billy Davis and children of Roseburg, Oregon are here visiting her husband's parents, Mr. and Mrs. W. O. Davis. She is also visiting with her parents at Spur.

EVERYBODY ought to have GAS LIGHTS!

Now enjoy Happy Motoring! Coast-to-coast

Your HUMBLE Dealer now represents America's Leading Energy Company

To serve you nationwide—five leading regional oil companies have joined hands in a new company. United, they form the new HUMBLE OIL & REFINING COMPANY... the largest domestic oil company in the U.S.!

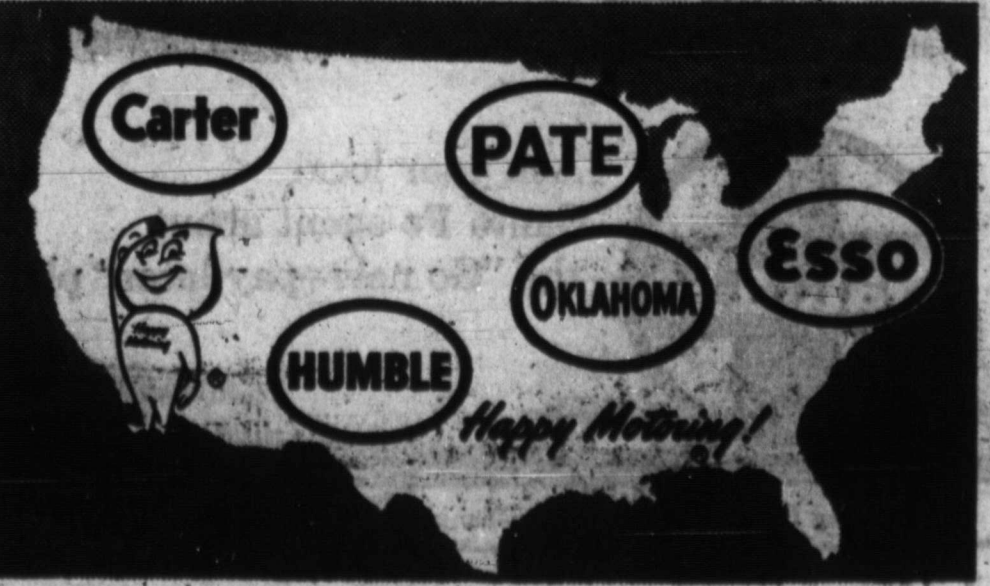

This new move creates America's Leading Energy Company. This is of great importance to you—in several ways:

With the nation's leading oil research laboratories, Humble will bring you many new and exciting products first. Products like the famous high-energy Humble gasolines, the remarkable new Uniflo Motor Oil and the revolutionary "No Squeal" Atlas Bucron Tire.

With the nation's largest oil reserves, unsurpassed refinery and transport facilities, Humble can bring you new and better values through greater operating efficiencies.

Now with a network of more than 30,000 service stations—Humble can offer you all its high quality products coast-to-coast.
