Crop Harvest Rush On Following Frost

Gins are operating around the clock and grain elevators are piling milt on the ground as the crop harvest went into high gear this week following the first frost Monday, October 31.

Tahoka's five gin plants reported total ginnings of 10,330 bales Thursday morning, or 2,750 ginned since Thursday of last week.

Even in the north part of the county, long strings of cotton trailers were waiting on the gin yards. Crop harvest is far behind that of last year due to the later crop, but most observers say the production will exceed that of 1959 when approximately 128,000 bales were ginned.

Early Monday, the thermometer here dropped to 32 degrees, and nipped the cotton leaves just about right for most cotton crops to cause defoliation and assisting in opening of green bolls. However, the frost was not killing in all areas, as there are spots of green cotton left. Little or no damage was reported to late cotton by the frost, which came about two weeks before normal this week, but a hard freeze would have hurt.

The frost put an end to commercial defoliation by airplanes and ground sprayers.

Many farmers are already using boll strippers, and some fields have already been cleaned.

Local ginners report the sunshine is helping bleach out the cotton and moderate winds have helped blow out some of the sand collected by the staple in the recent rains. As a result, fair to good grades are being received on cotton samples.

Mrs. H. W. Lamb Dies October 24

Mrs. H. W. Lamb, 84, former Tahoka resident, died Monday, Oct. 24, at 8:00 a. m. in an Odessa Hospital, where she had lived for only three weeks.

Funeral services were held in Levelland Wednesday, Oct. 26, at 2:00 p. m. in the First Baptist Church. Burial was in Resthaven Memorial Park in Lubbock.

She was born April 23, 1876 and was married to H. W. Lamb Aug. 18, 1892. The couple lived here with a daughter, Mrs. Emmer Brewer, for five years. They moved to Odessa with a son, Joe Lamb, on Oct. 9. Mr. Lamb has been in ill health for about five years.

Mrs. Lamb was a member of the Baptist Church. Her death was the first in her immediately family.

Survivors include her husband of Odessa; five daughters, Mrs. Brewer of Tahoka, Mrs. Falbie Ritter of Lee's Summit, Mo., Mrs. Bettie Adkisson of Levelland, Mrs. Bessie Fugate of Lee's Summit, Mo., and Mrs. Seneth Skinner of Houston; five sons, C. J., Jim and Woodrow, all of Levelland, and Joe and Billy of Odessa; one sister, Mrs. Nettie Fortenberry of Marysville, La.; two brothers, Calvin Davis of Silsbee, Texas and Johnnie Davis of Beaumont; 32 grandchildren, 64 great grandchildren, and 7 great great grandchildren.

Students Identified In '35 Class Picture

Last week the News "ran" a picture of the football team of 1935 which listed two of its members as unidentified. Readers have since identified the two boys.

They are Johnny Janak and Charles Gagnat. Janak is pictured directly behind No. 17. Gagnat, to the right of Red Brown and behind No. 10, was the son of Mr. and Mrs. D. W. Gagnat, a West Point graduate who was killed in Europe during World War II.

Identifying the two boys, respectively, were Mrs. G. B. Sherrod and Mrs. Lenore Tunnell.

Water Election Set For Nov. 22

The Canadian River Municipal Water Authority has called an election for Nov. 22 in the various member towns to vote for or against giving the Authority the right to sign a contract with the U. S. government for a loan.

Congress recently appropriated \$300,000 for the project to furnish water to the 11 towns forming the Authority.

Also on November 22 on separate ballot voters will express their wishes for or against the City of Tahoka signing a water contract with the Canadian River Municipal Water Authority.

The City of Tahoka's rates would be 21.76 cents per 1,000 gallons of untreated water delivered from the proposed lake on the Canadian River near Borger to the local city also necessarily be added to individual rates, according to J. M. Uzzie, city secretary. The cost of adding disinfectant, however, would be very small, he said, and the latter would not increase the individual rates to any important degree.

The proposed rates, made by the U. S. Bureau of Reclamation, are figured on the distance of the town involved to the lake. The

Plans Are Made For Christmas

Christmas plans were made at a Friday morning breakfast meeting of Tahoka Chamber of Commerce officers and directors, with President Jack Jaquess in charge of the meeting.

Prizes in the annual Christmas lighting and decorations contests were raised considerably by the directors.

This year, prizes of \$25.00 for first, \$15.00 for second, and \$10.00 for third place will be given for the best home Christmas decorations.

Three doorway prizes will be awarded in addition, these being \$7.50 for first, \$5.00 for second, and \$3.00 for third place.

In the contest for the best decorated business institutions, prizes will be \$15.00 for first, \$15.00 for second, and \$10.00 for third.

Also, a committee will be named to contact business institutions and encourage them to put up more decorations and to get their stocks on display early.

One business man pointed out that Lubbock firms get their Christmas stocks on display immediately after Thanksgiving.

An effort will also be made this year to get the Christmas lights down town up immediately following Thanksgiving, and Johnny Reasonover and Wilton Payne were named to supervise installation of these lights.

Plans are being made for the visit of Santa Claus to town with candy for the kiddies about two weeks before Christmas.

Members pointed out that too many solicitors are canvassing the town who do not have approved permits, and business men are again being asked not to contribute to such solicitors unless their propositions have been investigated and approved by the secret committee from the C. of C. Proposals for door-to-door selling and solicitation should be presented to Dean Taylor, secretary of the Chamber of Commerce, who will refer the proposals to the committee for approval or rejection. This process is followed to protect merchants who do not have time to investigate every proposal from being "taken" by individuals and organizations seeking funds for questionable causes.

INTRODUCING WAYNE CALLOWAY HUFFAKER. That's right—all four of them. It is not unusual to feature a four-generation picture, but it is unusual to picture one when all four have the same name and live in the same town within five blocks of one another. The three adults, left to right are Wayne Calloway Huffaker Jr. (Grandpa, or better known as Calloway), Wayne Calloway Huffaker III (Papa or Wayne), and Wayne Calloway Huffaker Sr. (Great Grandpa, W. C. or to many of his friends, Willie). In the arms of his father is Wayne Calloway Huffaker IV, who wears the tag of honey, baby, and numerous others but will probably wind up as Cal, according to his mother. His three elders are all farmers, although Grandpa is also an attorney. Maternal grandparents of the six weeks old lad are Dr. and Mrs. R. H. Wells of Brandon, Vermont.

Tahoka Plays Stanton Tonight

Tahoka Bulldogs play their last game away from home tonight at 7:30 at Stanton against the Buffaloes, the first meeting between the two teams. Stanton moved up to District 3-AA this year from District 6-A.

Although Stanton has lost four games and won four, it is rated as a good ball club, and in Tommy Newman has one of the finest backs in the area. Newman, who has scored 92 points in this year's competition, was injured in the Denver City game last week and may not see action.

The Buffaloes have good speed and like to skirt the end. The coaches are Hardin Dauphin from Hardin-Simmons, at Stanton three years, and he is assisted by Larry Lewis from Sam Houston State and Buddy Cosby from Eastern New Mexico U.

Stanton defeated Big Lake 38 to 0, Coahoma 26 to 20, Ozona 26 to 0, and Post 28 to 0. It has lost to Merkel 0 to 16, Fort Stockton 8 to 34, Crane 6 to 27, and Denver City 0 to 60.

Probably starters will be: Ends, Lindon Huckaby, 155, senior, and Robert Turner, 160, sophomore; tackles, Tommy Davis, 190, senior, and Jerry Polson, 195, junior; guards, Arnold and Arvel Fincher, twins, 160-pound seniors; Center, Weems Williams, 165, junior; quarterback, Reggie Church, 155, senior; fullback, Jimmy Sale, 145, junior; and halfbacks, Thad Koonce 140, senior, Tommy Newman, 155, junior, or Herb Sorley, 150, sophomore.

Two County Girls Get Tech Awards

Dixie Hewlett of Wilson and Kay Smith of New Home were among the Texas Tech home economic students who received more than \$5,000 in scholarships at the awards banquet Thursday. Dr. Willis Tinsley, dean of home economics, made the presentations.

Miss Hewlett received the anonymous \$125 scholarship, and Miss Smith the tuition scholarship for valedictorian.

All of the scholarship winners were either home economics or home education majors.

W. R. LEDBETTER HAS "CROP" OF HAWS

W. R. Ledbetter, who lives near Wells, brought a sample of Red Haw into the News this week. The bush is thought to be the only one in the county. It is found abundantly in East Texas, but its growth is unusual in West Texas soil. The branch Mr. Ledbetter brought in was covered with red berries tasting something like apples.

Drunks Damage Jail In Escape

Two men arrested Saturday night for drunkenness broke out of the city jail a few hours later, stole personal papers of Police Chief Jack Miller, and left behind a damaged jail room.

The men were Guadalupe Lopez, 20, and Andrew Totolla, 18, who said they were from Post and Stanton, respectively.

Miller said the men were put in jail at about 3:00 p. m. Saturday at a Mexican dance here following a disturbance at a local theatre. When he came back with another drunk at 11:00 p. m. he discovered the break.

The men had first pried a board off a column housing a sewer pipe, but on finding they could not get out of the jail in this manner had evidently torn up cots to get some steel rods. With the latter they managed to pry open the steel door, break out a glass in the outer jail door, and get into the jail lobby. They stole Miller's leather case containing an electric razor and many of his personal papers, including insurance policies, deeds to property, and other valuable papers. Evidently, they wired around the switch of their 1952 Oldsmobile car, and left for Miller had taken the keys to the car.

The city jail was not designed for the purpose of holding dangerous criminals, as cell equipment was not installed when the jail was built. However, it seemed almost incredible to Chief Miller that the two men were able to wreck the damage they did in so short a time, as getting the jail pried open was no little trick.

No Destruction In City Hallowe'en

Police Chief Jack Miller, on behalf of the police department, said Tuesday morning that never has Tahoka been as orderly on Hallowe'en as it was on Monday night.

He expressed his appreciation to the boys and girls of the town and their parents for their fine cooperation in preventing wasteful destruction of property and molesting individuals and their property.

Miller also said that the fire department should receive a hearty "pat on the back" for aiding the three-man police force in patrolling the town on Hallowe'en.

DAN CARPENTER'S OPERATION SUCCESS

Dan Carpenter, who underwent major surgery in Fort Worth Thursday of last week, returned home Monday and is recovering from the operation extremely well, according to his daughter, Mrs. Dwight Corbell. The surgery was termed very successful.

Interest In Presidential Race High As Election Approaches

Housing Project Renters Needed

Tahoka's 14-unit low-rent housing project is nearing completion, and the contractor hopes to finish the job by November 15, according to J. M. Uzzie, secretary of the Housing Authority of the City of Tahoka.

Sufficient applications have been received for the Mexican and Negro units, but for some reason eligible white people have been reticent to apply for rental of the six modern apartments in Southwest Tahoka. These are both two and three-bedroom units.

Uzzie thinks this is probably because the public does not yet understand the eligibility requirements, as there must be many people eligible for them.

The units may be rented to families with a maximum income of \$3,000. However, the renter can have an income of \$3,600, for instance, if he has five dependents. The Authority deducts \$100 for each dependent, five in the above case of \$3,600 income, and the Social Security, which would run more than \$100 on this income.

Rental is on a graduated scale, and is far below, probably less than half, the rental price of the normal quarters of similar quality.

Van Bates Dies At Levelland

Van Bates, 73, former Tahoka and New Home resident, died about 7:10 a. m. Tuesday at his home near Levelland following a heart attack.

He was the brother-in-law of Mrs. Bob Tate of Tahoka, having married Mrs. Tate's sister.

Funeral services were held Thursday at 2:30 p. m. in the Cactus Drive Church of Christ in Levelland with the minister, Joe Barnett, officiating. Burial was in City of Levelland Cemetery.

He was a native of Tennessee and moved to Levelland from Tahoka in 1940. He was a veteran of World War I.

Survivors include his wife; two sons, C. C. Bates of Prescott, Ariz. and Kenneth Mac Bates of Levelland; one daughter, Mrs. Norman Mettew of Duncanville; and one brother, Dick Bates of Fresno, Calif.

Blood Is Needed For Blood Bank

Mrs. Roy (Kate) Poer, who has been in serious condition in St. Mary's Hospital in Lubbock for over a week, was expected to undergo surgery there this week.

An urgent request has been made for the donation of 27 pints of blood to be given to the Blood Bank in Lubbock to replace that which has been required for Mrs. Poer's treatment. It is also expected that additional blood will be needed.

Anyone wishing to give blood may call Mrs. A. M. Bray, or go directly to the Lubbock Blood Bank. The latter should designate to whom the blood is to be given credit.

Fire Destroys Cotton On Trailer Truck

About 35 bales of ginned cotton on a trailer truck were destroyed or badly damaged by fire Thursday at about 8:00 a. m. on FM 1317 just west of Dixie.

The cotton was being hauled from Petty Gin to the haulers when the fire broke out. Tahoka Fire Department went to the scene and helped save five bales to the 40-bale load. The trailer was destroyed, but no damage was done to the truck.

Baby Sitting Service Is Offered Ladies For Election Day

Future Homemakers of America will offer baby sitting services on election day, Nov. 8, from 4:00 p. m. until the polls close.

The service is a project of FHA to help get the voters to express their wishes in the general election.

The girls will go to the homes of those wishing to go to the polls, and anyone wishing their services are asked to call the Homemaking Cottage at WY 8-4474 during school hours, 8:40 a. m. to 3:45 p. m.

Court Of Honor Held Thursday

Court of Honor was held here last night in the high school auditorium for all phases of the Scouting program, the first time such an inclusive event has been held here.

Honored in a special ceremony were two local boys who have received the Eagle award, the highest in Scouting, Jack Jaquess and Macky Joe McWhirter.

Awards were presented Cubs, Scouts, and Explorers by Shelby Berry of Brownfield, Quannah Parker district Boy Scouts executive; Allyn Cox of Midland, former local Scoutmaster; Rush Dudgeon, present Scoutmaster; George Glenn, Cubmaster; and Granvel Ayer, institutional representative from the Rotary Club.

E. B. Gaither, district committeeman-at-large was master of ceremonies.

Mrs. Bartley's Dad Killed In Wreck

Funeral services for Louis H. Clifton, 76, a pioneer Motley county resident and father of Mrs. Edward Bartley, Tahoka, were conducted Wednesday at 2:30 p. m. in Roaring Springs.

Clifton died in Traweek Hospital at Matador Tuesday as a result of a car-trailer accident which occurred late Monday.

Investigating officers said Clifton had stepped behind the front section of a cotton trailer for protection from a car going one direction when the trailer was struck by a car being driven the opposite direction by his daughter-in-law. He suffered a broken collar bone and internal injuries.

He is survived by his wife, four daughters, four sons, four brothers, two sisters and 17 grandchildren.

Lamesa Man Hurt In Accident Here

D. G. Chiles, 41 year old Lamesa farmer, was injured near Tahoka Monday night when he lost control of his car and crashed into a high line pole.

He was taken to Tahoka Hospital where he was treated for lacerations of the face and head.

The only occupant of the sedan, Chiles was driving south on Farm road 409 from Wilson toward Tahoka at about 8:20 p. m. and at the intersection of the Lubbock highway lost control, missed the curve and slammed into a highline pole. His automobile was a total loss.

Virginia Willhoit In Howard Payne Club

Brownwood—Virginia Willhoit, daughter of Mr. and Mrs. Vernon Willhoit, Route 4, Tahoka, and a freshman at Howard Payne College, has been selected for membership in the Jacket Coeds.

Jacket Coeds is a campus organization designed to promote spirit and interest in college athletics.

Next Tuesday, Nov. 8, voters of the nation will elect a new president of the United States, and as the election day draws near the campaign has become rather heated, locally and nationally.

Only 68 absentee ballots have been returned out of the 92 requested in the general election up until noon Thursday. Today is the last day to cast an absentee vote.

Many experts say the outcome rests with the undecided and independent voters, but both sides are urging everyone to make a decision and go to the polls and vote.

As usual, Lynn county is expected to go for the Democratic Presidential ticket as the county has voted Republican only once and that was in 1928, when Herbert Hoover won the presidency over Al Smith.

Although most local Democrats are not satisfied with the national platform, they are backing Senator John F. Kennedy of Massachusetts and Lyndon B. Johnson of Texas for president and vice president, respectively. However, many Democrats will doubtless cross party lines and vote for the Republican nominees, Vice-President Richard Nixon and Henry Cabot Lodge, running on a less radical platform.

Some local interest has been expressed in the candidacy of John G. Tower of Wichita Falls in opposition to Lyndon Johnson for the Senate, and John Anderson of Gail for Congress, in opposition to long-time Congressman George Mahon, but this is expected to be only token support. A peculiar quirk of this year's general election is the fact that the name of Lyndon Johnson appears on the ballot as a candidate for two offices, vice president and re-election to the Senate.

Voters are requested not to overlook some other important questions to be decided, these being the four proposed amendments to the Texas Constitution listed at the bottom of the ballot.

Before marking the ballot, each voter should read the instructions at the head of the ballot, which says: "Vote for the candidate of your choice in each race by scratching or marking out all other names (in all other columns) in that race."

Kennedy Selects Smith As Adviser

Wilmer Smith, a widely-known cotton leader of New Home, has been appointed by Sen. John F. Kennedy to a national non-partisan cotton advisory committee.

Smith is president of the American Cotton Producers Associates, vice president of the Plains Cotton Growers, Inc., president of the Plains Cooperative Oil Mill and holds other cotton posts.

In announcing the formation of the 14-member committee, Kennedy, the Democratic presidential nominee, said:

"I am asking this distinguished group of cotton farmers and leaders to serve as advisors to me and to work with Congressional leaders from cotton states and the new secretary of agriculture to bring improvements in the present program and assist in developing any new program."

Smith is a former member of Agricultural Advisory Committee.

WELLS BREAKS WRIST

While Johnny Wells was up a ladder putting the cover on his air conditioner Tuesday some wasps took after him and in his haste to get away he fell and fractured his left wrist. The rumor was out Wednesday that the injury was caused when his partner slapped his hand at the T-Bar bridge game Tuesday night.

Taboka High Ex-Students, Teachers Enjoy Reunion At Homecoming Here

ELAYNE BUCHANAN, Football Queen (Photo by Finney)

Before a crowd of about 1800 spectators and ex-students, Miss Elayne Buchanan, junior student in Taboka High School and daughter of Mr. and Mrs. Preston Buchanan, was crowned the 1960 football queen by Douglas McClellan in coronation ceremonies preceding the Tahoka-Post football game at Kelley Field.

The identity of the queen was not known before the crown was placed on her head. Other candidates were Misses Mary Jane McCord, senior, daughter of Mrs. Lillian McCord, and Sarah Wells, sophomore, daughter of Mr. and Mrs. George Claude Wells.

The royal court circled the field in a blue convertible, and was escorted to the center of the field by members of the football team. Identity of the queen was revealed when McClellan placed a glittered helmet upon Miss Buchanan's head.

The class of 1935 held its 25th anniversary at a banquet held in the school cafeteria when 73 ex-students gathered for the event. Of the 74 1935 class members, 32 were present. Officers for the Ex-Students Association were elected and Rufus Siover, the new president, designated the classes of 1936, 1937, and 1938 the ones to be honored in reunions next year.

At a program Friday afternoon, sponsored by the Student Council, attended by possibly the largest group of ex-students ever to gather for the annual event, Mrs. Montie McGinty of the class of 1922 and now speech teacher in Abilene Christian College, made the principle address. Her topic, "Now and Then" showed the contrast in conditions in the public schools when she was a student here and the conditions in 1960. Introduced by Miss Lois Montgomery, an ex-student and now local teacher, Mrs. McGinty told of the Draper family, of which she was a member, moving to Lynn county. She went to school in the two-story brick School Building in South Tahoka that was torn down several years ago, where grades one through 11 were housed. She said when a student entered high school, he merely moved upstairs.

The late H. P. Caviness was then superintendent and one of Mrs. McGinty's teachers was Mrs. Lenore Tunnel.

The class of 1922 had four members and its commencement exercises were held in the county courtroom in Tahoka. Other than Mrs. McGinty, the class consisted of Mrs. Alice Hill of Lubbock whose husband was a successful farmer in the Dimmitt area, Mrs. Montie Baldrige of Lubbock, whose husband founded the Baldrige Bakery, and Dr. Conrad Lamb of Detroit, an internationally famous heart surgeon, whom Mrs. McGinty proclaimed to be Tahoka's most distinguished ex-student.

A telegram sent here from Dr. Lamb was read to the assemblage. Mrs. Alice McIntyre Fortenberry of Eugene, Ore. won both free tickets to the football game for having traveled the longest distance to attend, 2,000 miles, and also for being from the oldest class present. Mrs. Fortenberry, of the class of 1913, also represented the earliest class ever to register at a homecoming in the Tahoka schools.

The invocation was given by Paul Hagl, the welcome by Student Council President Stanley Kruse,

the response by Mrs. Helen Ellis, and Douglas McClellan recognized the guests.

A pep rally was held following the program.

Officers elected for the Ex-Students Association other than Siover were Robert Wagoner, vice president, Mrs. Rufus Siover, secretary-treasurer, and Mrs. Helen Ellis, reporter. They succeed Bert Stevens, president, Bill Chaney, vice president, and Mrs. Irvin Dunagan, secretary-treasurer.

Members of the class of 1935 attending the event were Leo Brooks of Plains, Robert Drennon of Abilene, Zelma Hart of Loveland, Gaynell Pitts of Earth, Pauline Jackson of Lubbock, Waltha Littlepage, Helen Ellis, A. R. Miller, Marian Flippin, Ruby Harwick, Elsie Dee Brooks, and Joe Bob Billman, all of Tahoka.

The reunions of the classes of 1936, 1937, and 1938 are expected to be a start in improving the homecoming activities of ex-students next year. Members of these classes living in this area are urged to contact Mrs. Ellis, who has volunteered to help the groups to get their reunions started.

Those attending the 1935 class reunion, which also had a get-together at the City Recreation Hall following the football game, said they talked with some of their class mates they had not seen

Speaker Makes Plea For A Return To Principles That Made America Great

"If we continue to follow the present trend of government in the United States, we will soon have lost all our individual rights, even the right to choose the job or vocation of our choice," was the theme of a talk by John R. Anderson of Gail at Tahoka Rotary Club Thursday noon of last week.

Although Anderson is a candidate for Congress under the Constitution Party label, but said he had no hope of election or no interest in the political job but is making the campaign solely to do his part in calling attention to the trend of government, a path taken

by many once-great nations in the past.

He declared the basic difference in the two major political parties today is between the "ins" and the "outs."

He is a relative of the "Aunt Becky" Roberts family, was reared at Lovington, N. M., as a member of a pioneer Plains ranching family, graduated from the University of Oklahoma, and married a Clayton girl of the pioneer Borden county ranching family, and he is now ranching in that county.

He cited the circle we are following as being similar to that of the Roman Empire, and other such governments of the past. The people go from slavery to spiritual faith, from spiritual faith to courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency, and from complacency to apathy, from apathy to dependency, and from dependency back to bondage.

This was the story of the Roman Empire. The same thing happened to China 2,000 years ago. The history books are full of such stories of rise and fall of empires in exactly the same course ours is now following. To a lesser degree, the same has happened to Germany, France, Spain and England.

England, he said went to liberal to socialistic and now the trend there is back to the right. He declared the only thing that saved England was the fact that we have continually pumped money into her.

"What is your way of life?" he asked, "A hand-out or freedom and liberty. The further we go, the more individual responsibilities we are passing off, and government gets bigger and bigger. We pay and pay. The more subsidies the government puts on, the more you pay."

"We are in a battle between Paganism and Christianity, he declared, "And our trend is playing right into the hand of the Communists, who are making rapid progress in their drive to conquer the rest of the world and surround the United States and make

Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Editor, The News:
I would like for you to know how much my father, the late William Zappe, looked forward to your fine paper.

It would usually come on Sunday, and if it did not his Sunday was actually spoiled. He liked both your paper and the Fort Worth Star-Telegram. Of the two, I believe he liked yours the better.

n'tueoak
His subscription expired five days after his death. I believe if I had gone to the postoffice and brought your paper (it was in the box) he might have read it and I might have seen him once more. I want you to know this because your paper meant so much to him.

Daddy must have been truly loved and respected. He had more flowers than anyone in Shiner ever had. It was a great comfort, but our loss, too, was truly great.

We thank you sincerely for the beautiful tribute and you lost a most ardent reader. Thank you for everything. Daddy thought your paper the best, and your country—the heart of the Plains—God's country.

Very sincerely,
Miss Beatrice Zappe, Shiner, Texas.

(Editor's Note: Thank you, Miss Zappe, for the kind words. The News certainly appreciates its loyal family of readers. Mr. Zappe had a host of good friends scattered over Lynn county who were grieved at his passing.)

Editor, The News:
Lyndon Johnson's double-face reminds me of this one: A young lawyer wanted to go to the legislature and asked an influential judge if he would support him. The judge didn't know the fellow very well and as he wondered about his integrity he asked the lawyer, "If you will give me your word you won't steal when you get in the legislature I will do what I can to help you." The lawyer drew himself up in dignity and looked down his nose at the judge, and with all the sarcasm he could muster, declared, "I go to the legislature absolutely unpledged, or I don't go at all."

LBJ has fence-straddled so much that his face is even two-faced. How can anyone look at him and see statesmanship is beyond me. As far as I am concerned, it is the lesser of two evils this time, but the Johnson vote stealers and the rich Kennedy boys will do anything, and I mean absolutely anything, to get control of the lives of the American people.

The machinery of the Democratic Party has been cleverly stolen by a gang of socialists, and millions of real Democrats are too glib to see it.

At any rate, when Shivers took the stump, they got scared in Texas and are sending 16 carpetbaggers left-wing Democratic senators in here to try to salvage Texas.

our power ineffective, if not win us over.

He opened his talk by relating briefly the founding of the United States by settlers fleeing Europe seeking freedom and individual initiative. He said our U. S. Constitution was the first government document ever written in the name of God, following Biblical teachings of freedom and individual rights. Then, he said, the Bill of Rights was written just to make sure that the freedoms set forth in our Constitution would not be misunderstood.

The speaker was introduced by Dr. K. R. Durham, who called attention to the fact that the U. S. national debt is now \$300 billion, the interest on which is \$8 billion a year, or \$300 a second, getting larger every year, and we are making no effort to reduce this debt.

President H. B. McCord Jr. issued a plea for all Tahoka Rotarians to attend the Lubbock Inter-city meeting in Fair Park Coliseum Monday, Nov. 7, at 8:00 p. m., at which there will be a chicken barbecue dinner and a talk by J. Edd McLaughlin of Dallas, president of Rotary International.

He appointed Granvel Ayer, Wynne Collier, and Otis Spears to make a survey to see if there was a sufficient number going to get a special bus to the affair.

To The Editor:
Many people have inquired why their poll tax receipts have been stamped "Democrat," and the same time want to know if they have to vote Democratic in this nation's general election. You do not need to have your poll tax receipt stamped either "Republican" or "Democrat" in order to vote Nov. 8th. Texas voters have a free choice in secret ballot to exercise the dictates of their own individual conscience.

I'm sure the people of Texas will not be fooled by lavish promises and give-aways: forcing federal aid to education and teachers' pay, which will inevitably lead to a monolithic school system; radical civil rights program; high price supports with increased production controls (the farmer being told how many bales and bushels he can sell—the strictest type of controls); extending the minimum wage to farm workers; reducing depletion allowance, which would affect our whole Texas economy; the beginning of socialized medicine; repealing state right-to-work laws—the unionist's dream; urban renewal, and repeal of the Connally Amendment. Non-partisan fiscal experts say all this will cost an additional 15 billion dollars. Who will pay for this radicalism? It's rather obvious, isn't it?

Nixon-Lodge are for state right-to-work laws—a basic law in our state of Texas; 27 1/2 percent oil depletion allowance; pledge to stabilize farm income with new programs, such as large-scale land retirement, better use of surplus, expanded rural development to help low-income farmers, price supports to protect farm income and policies that will help hold down farmers costs; the Connally Amendment, and for individual freedom.

Kennedy has criticized our beloved country so much that Krushchev is gloating. To combat communism, America needs Nixon-Lodge, men who are qualified with experience and integrity, and who agree on foreign and domestic affairs. This we cannot find in Kennedy and Johnson.

I'll not betray Texas as Johnson did when he joined forces with Kennedy, Bowles, Ruether and Galbraith. Tis said, "Politics make strange bedfellows."

I'll be true to Texas and vote for Nixon-Lodge and for John Tower for U. S. Senator.

Vote as a Free American!

Vote the Ticket that is BEST FOR TEXAS
HERE'S HOW TO DO IT

1. Find the names of RICHARD M. NIXON and HENRY CABOT LODGE at the top of your ballot.
2. Leave the names NIXON and LODGE unmarked on the ballot; scratch all other names for President and Vice President.
3. To complete your ballot, leave the name of the candidate for whom you wish to vote for each office and scratch the rest.

WARNING!

You may be told that you cannot vote for Nixon and Lodge if (1) you voted in the Democratic Primary or (2) your poll tax receipt or exemption certificate is stamped "Democrat." THIS IS NOT TRUE. You CAN vote for any candidate you wish, no matter how you have voted, or not voted, in any previous primary or election. THIS IS YOUR RIGHT AS A FREE AMERICAN.

The one '61 car built to back up a long-term warranty

Ford led the way with the one car beautifully built to take care of itself... and you

On September 29, Ford Dealers set an industry trend—were first to extend their 1961 car warranty from the conventional 4,000 miles or 3 months to 12,000 miles or one full year, whichever comes first.

Why? Because Ford built the one car to support such confidence. Ford for 1961 is the one car beautifully built to take care of itself!

The '61 Ford was designed and built to the more exacting standards necessary to offer an extended warranty. Ask to see this warranty at your dealer's.

It is significant that Ford has so many take-care-of-itself features not found in other cars, regardless of price. These new Ford features are a triumph of exhaustive research, fine engineering, and quality construction that give you the most reliable Ford ever built. Drive a '61 Ford now.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

Lubricates itself—You'll normally go 30,000 miles between chassis lubrications. Then a quick, inexpensive Ford Dealer lube job (which costs about \$4.00*) will get you set for another 30,000 miles.

Cleans its own oil—You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

Adjusts its own brakes—New Truck Size brakes adjust themselves automatically for the life of the lining.

Guards its own muffler—Ford mufflers are double-wrapped and slumminized—normally will last three times as long as ordinary mufflers.

Protects its own body—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing the body panels beneath the doors.

Takes care of its own fash—New Diamond Lustre Finish never needs wax.

Miss Martha Crooks Married On Friday In Church Ceremony

Miss Martha Vaece Crooks, daughter of Mr. and Mrs. J. Ed Crooks of New Home and James Keith Whitfield, son of Mr. and Mrs. J. M. Whitfield of 4918 10th St. in Lubbock, exchanged double ring wedding vows Friday, Oct. 28, in New Home Baptist Church.

The Rev. Paul McClung officiated at the candlelight ceremony. Wedding music was presented by Mrs. Raymond Daughy, organist, and Boswell Edwards, soloist.

Given in marriage by her father, the bride wore a gown of Chantilly lace designed with a scalloped Sabrina neckline highlighted with scattered iridescent sequins and seed pearls. Long sleeves tapered to petal points over the hands. From a fitted bodice flowed a bouffant floor-length skirt complemented by side panels of alternating ruffles of lace and tulle which cascaded to the hemline. A crown of sequins and pearls held a fingertip veil of silk illusion. She carried a white orchid and Stephanotis atop a white Bible.

Mrs. Leonard Doyle of Lubbock was matron of honor. Other bridal attendants were Mrs. Leon Blackman of Lubbock and Miss Joan Green of Muleshoe. They were dressed in silk organza of variegated shades of blue. Their bouquets were of white feathered mums with matching ribbons.

Best man was Paul Ferris of DeKalb. Guests were seated by Ronnie Caps of Olney and Sandy Smith of Memphis. Candelighters were brothers of the bride, Harold Crooks of Meadow and David Crooks. Flower boy was Max Crooks of Meadow, nephew of the bride. Ring bearer was Anthony Crooks, also the bride's nephew.

A reception in the Community Center followed the ceremony. Assisting in the house party were Miss Mary Tanner, Miss Peggy Morrow, Mrs. Donald Hancock, Mrs. Harold Crooks, Mrs. Newt Barnett, Mrs. J. B. Edwards and Mrs. Charlie Hemmeline.

Mrs. J. D. Crawford Observes Birthday

Mrs. J. D. Crawford, a resident of Lynn county since 1910, celebrated her eightieth birthday Sunday, Oct. 30, at the Community Center in O'Donnell with a host of friends and relatives present for the occasion. All of the children except one, Mrs. Truett (May) Giles, whose family is living in Germany, attended the event.

Mr. and Mrs. Crawford came to Lynn county 50 years ago and bought two sections of land at Draw.

Children present were: Mr. and Mrs. J. B. Waller, Welch; Mr. and Mrs. Marshall Crawford, Lamesa; Mr. and Mrs. Dutch Crawford, Draw; Mr. and Mrs. Bill Powell, Odessa; Mr. and Mrs. Elmer Newton, Tahoka; Mr. and Mrs. Pete Crawford, Grandfalls; Mr. and Mrs. James Adamson, Midland; Mr. and Mrs. Harvey Crawford, Levelland; Mr. and Mrs. Elbert Crawford, Draw; and Mr. and Mrs. Jimmie Crawford, Loop.

Mrs. Crawford has 26 grand children and 18 great grandchildren with almost all of them present Sunday. Also present were a brother, Chess Flack and a niece from Hereford. Attending the celebration also were the school teachers who taught the Crawford children the first term they were in classes, and included Mr. and Mrs. C. C. Nunnally, Mr. and Mrs. Mason Yates of Lamesa, and Mrs. A. K. Hensley, Draw. Their first mail man and wife, Mr. and Mrs. Gum Minton of O'Donnell, were also present.

The family is grateful to everyone for all the nice gifts and

"Americanism" Is Study Club Topic

The Phebe K. Warner Club met last Tuesday afternoon in the home of Mrs. F. B. Hegi who was assisted by Mrs. Elmer Owens. The president, Mrs. Emil Prohl, presided over the business meeting.

Mrs. Roy Edwards was in charge of the program on "Americanism." She presented Mrs. J. B. Billman who discussed the "Declaration of Independence." This was followed by a school lesson on the Constitution of the United States conducted by Mrs. G. M. Stewart. Mrs. Truett Smith concluded the program with an explanation of The Bill of Rights and a plea for every clubwoman to vote on Nov. 8.

The next meeting of the club will be on Election Day, Nov. 8, in the home of Mrs. H. W. Carter. Each member will bring a "Golden Age" guest to enjoy the Biblical program by Rev. and Mrs. J. B. Thompson.

Honor Society Names Committees

The Tahoka National Honor Society met Tuesday, Nov. 1, at which time four committees were appointed to create more activity among the members.

Finance committee consists of Billy Davis, Carol Jean Allen, Vesta Dudgeon, and Lynetta Cain. Members of the social committee are Frances Willhoit, Darlene Tekell, Sarah Wells and Andy Bray.

Program committee members are Fred Hegi, Gail Phillips, Susan Thomas and Martha Bell.

Working with the project committee will be Geanne Gandy, Donna Copelin, Vennie Ratliff, Perry Flippin and Craig Leslie.

Speakers will be sponsored by the National Honor Society through the school year instead of having a Career Conference. Mrs. F. B. Hegi, sponsor, gave a book review which was enjoyed by the group.

Sarah Wells FHA District Secretary

Sarah Wells, daughter of Mr. and Mrs. George C. Wells, was elected the FHA district secretary at the district meeting held in Seminole Saturday of last week. Thirty-four schools in District III, Area II attended the meeting. All girls who were elected as officers are from Lynn county, an honor for the entire county.

Sharon Lumsden of Wilson was elected president of District III, Charlene Edwards of New Home was elected vice president, and Sarah Wells of Tahoka, secretary.

Theme for the program was "Make the Most of Your Abilities." C. E. Lawrence, Gaines County judge, gave a very inspiring speech on the theme.

Hallowe'en Party At Special School

Hostess for the Lynn County Special School's Hallowe'en party was Mrs. L. H. Traweck of Wilson.

The room was decorated with autumn leaves, black cats and witches that the children made and real pumpkins that the hostess brought. The table was decorated with a Hallowe'en table cloth and beautiful flowers. Popcorn balls, goodies and soda pop were served to the children and the guests.

Following refreshments, Hallowe'en games were played and the children and guests went home happy and thankful for the Special School and many other blessings. —Margaret Renfro, teacher.

BROTHER DIES

C. H. Warnick, 65, brother of J. Q. Warnick of Lubbock and son of the late Dr. and Mrs. F. C. Warnick of Lamesa, both well known in the Tahoka area, died Monday in Long Beach, Calif. after a long illness.

Funeral services were held Wednesday morning in Long Beach.

Mrs. Weldon Huffman of Houston, the former Miss Sina Bairrington, has been here this week visiting her sister, Mrs. Curtis Stevens and other relatives. She was accompanied by her two year old son, Danny. The former Tahokan visited here while her husband was on a business trip to Europe.

B. H. (Buford) Jones reports Mrs. Jones is showing steady improvement from her recent severe heart attack, is up much of the time, and is enjoying visits from friends.

Lonnie Isbell, employee of Lyntegar Electric, is a medical patient in the hospital having been admitted Monday.

Mrs. Adam's places in the concession stands, a large responsibility which she has successfully undertaken.

Republicans Honor Tower At Lubbock

Larry Hagood, Lynn county Republican campaign chairman, attended a breakfast in Lubbock Tuesday morning honoring John Tower of Wichita Falls, candidate for U. S. Senator against Senator Lyndon B. Johnson.

Principal speaker was Senator Prescott Bush, Republican from Connecticut. Larry says the Senator praised Tower highly for his work on the Platform Committee of the recent national convention, declared that he was the outstanding man on the 163-member committee, and predicted that, if elected he would soon become the minority leader in the Senate.

Tower resigned his position as a professor in government at Midwestern University to run for the Senate. He is prominent in many affairs and is a leading Methodist layman.

Sermon Subjects At Sweet Street

Rev. Joe Webb, pastor of Sweet Street Baptist Church, announces that his sermon topic for Sunday, Nov. 6 will be "God's Fellowship Lost Through Sin." He urges all members of the church to be present.

Last Sunday evening the church had an inspirational service conducted by James Gebhart, missionary to the Spanish people in Grand Junction, Colo. He presented slides of his work there and told of home mission work.

REDWINE IN CALIFORNIA

Winston Redwine, son of Mrs. F. E. Redwine, is now working in a large music store in Oakland, Calif. He also is accompanist for a singer and plays for a church there. Winston has been in California for about a year. He formerly was a teacher at Tarleton State College at Stephenville.

Mrs. V. F. Jones was admitted to Tahoka Hospital as a medical patient Monday.

QUESTIONS, PLEASE

QUESTION: "Does God approve of religious division?"

ANSWER: This question could be answered simply by "no" but this would not be enough for some. It is the general consensus that religious division is exactly what God wants. It is wonderful to live in such a country in which such an attitude can be manifested, freely, but IS GOD PLEASED WITH IT? Such a condition existed at Corinth. If God was pleased with it Paul did not know it! "Is Christ divided? was Paul crucified for you? or were ye baptized in the name of Paul?" (1 Cor. 1:13). They had at Corinth divisions which might be termed, "the church of Paul," "the church of Apollos," "the church of Cephas" and "the church of Christ" (this latter group seemed to be following Christ out of contention). Today, were thank God for such a division. Then,

the Holy Spirit, through Paul, condemned such an arrangement. What has changed? Nothing! We are still trying to take the same attitude the Corinthians took and try to follow Christ in divided religions. Peter, in Matthew 17, wanted to build a "church of Moses," a "church of Elijah" and a "church of Christ." God did not sanction this. He said, "This is my beloved son . . . hear ye him." We are divided today, usually, over what the Bible DOES NOT say rather than what the Bible says. Creed books of men have divided us religiously! We have the word of God. Why not follow that. It will do away with party names and party creeds. All professed Christians will become Christians indeed. All can then join hands in taking the Gospel to a lost and dying world. No, God is not pleased with religious division!

Cotton Growers Vote December 13

Cotton growers will vote December 13 in their annual referendum to determine whether to use a system of marketing quotas for the upcoming crop of upland cotton, Charles Bragg of the Lynn County Agricultural Stabilization and Conservation Committee announced October 12.

If approved in the referendum, the system of quotas would apply to the 1961 cotton crop. This would be the eighth successive year in which quotas have been in effect for upland cotton.

Upland cotton quotas have been proclaimed by the Secretary of Agriculture on the basis of an official determination that the estimated total supply of cotton for 1960-61 will amount to approximately 21.7 million running bales, or about 3 million bales above normal. The law requires the procurement of quotas by Oct. 15 in any year when the total supply exceeds normal. Quotas do not take effect, however, unless approved by at least two-thirds of the growers voting in the referendum.

In announcing the upland cotton program for 1961, Bragg pointed out that only one allotment-price support program will be available to growers for their 1961 cotton crop. Legislation provided they be bonded Choice (A) and (B) programs only for 1959 and 1960.

The national cotton allotment for 1961, he said, has been determined at 18,398,424 acres, compared with 16 million acres in 1960. This 1961 national allotment, plus a national reserve of 60,000 acres, will be broken down to States and counties, and individual farm allotments will be made available to producers before the referendum. While farm allotments in Lynn County are not known, Texas' share of the national allotment has been set at 7,838,510 acres. This compares with the 1960 acreage of 6,817,477, or an increase of 14.9 percent over last year's (A) allotment. If marketing quotas are approved in the December 13 referendum, price support will be available to growers who comply with their farm allotments at a level within the range of 70 to 90 percent of parity. As in other years, the exact level of price support will be determined later. Growers who exceed their farm acreage allotments will be subject to penalties of 50 percent of the June 15, 1961 parity price on the farm's excess production of the crop. In addition, none of the upland cotton produced on the farm will be eligible for price support.

If marketing quotas are disapproved for 1961, acreage allotments will remain in effect and price support will be available to cooperators at 50 percent of parity, as provided by law.

NOTICE OF WATER CONTRACT ELECTION THE STATE OF TEXAS CITY OF TAHOKA COUNTY OF LYNN

TO ALL QUALIFIED ELECTORS OF THE CITY OF TAHOKA, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID CITY, AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in the City of Tahoka, Texas, on the 22nd day of November, 1960. In obedience to a resolution and order duly entered by the City Council on the 31st day of October, 1960, which is as follows:

"RESOLUTION AND ORDER calling an election on the 22nd day of November, 1960, in the City of Tahoka, Texas, for the purpose of submitting to the qualified electors of the City who own taxable property therein and who have duly rendered the same for taxation the question of whether the City shall be authorized to enter into a water supply contract with the Canadian River Municipal Water Authority; and enacting other provisions relating to the subject and purpose of this resolution and order."

WHEREAS, the City of Tahoka is in need of a water supply which may be obtained by contract with the Canadian River Municipal Water Authority; and

WHEREAS, the City Council has received from the Board of Directors of the Canadian River Municipal Water Authority notice to call a water supply contract election in accordance with the provisions of Article 8280-154 R. C. S. of Texas, 1925, as amended, such election to be held under the provisions of Article 1109e, R. C. S. of Texas and other applicable laws; and

WHEREAS, the City Council deems it advisable and to the best interest of the City and its inhabitants to call and conduct an election as hereinafter provided for on the proposition hereinafter stated; therefore

BE IT RESOLVED AND ORDERED BY THE CITY COUNCIL OF TAHOKA, TEXAS:

SECTION 1: That an election be held within and throughout the limits of the City of Tahoka, Texas, on the 22nd day of November, 1960, at which time there shall be submitted to the qualified electors of the City who own taxable property therein, and who have duly rendered the same for taxation, the following proposition:

"SHALL the City Council of the City of Tahoka, Texas be authorized to contract with the Canadian River Municipal Water Authority for a water supply for said City as authorized by Article 1109e, R. C. S. of Texas, 1925, and other applicable laws?"

SECTION 2: That said election shall be held under the provisions of and in accordance with the laws of this State applicable thereto, particularly the provisions of Article 1109e, R. C. S. of Texas, 1925, and only qualified electors of said City who own taxable property therein and who have duly rendered the same for taxation shall be permitted to vote.

SECTION 3: That the polling place and officer of said election are as follows:

City Hall, J. M. Small, presiding judge.

SECTION 4: That the ballots for said election shall be prepared

in sufficient number and in conformity with Chapter 8, V. A. T. C. S., Election Code, adopted by the 52nd Legislature in 1951, as amended, and that printed on such ballots shall appear the following:

"FOR THE WATER CONTRACT"

"AGAINST THE WATER CONTRACT"

AS TO THE FOREGOING, each voter may mark out with pen or pencil one of such expressions, thus leaving the other as indicating his vote on the proposition.

SECTION 5: In the event the results of the aforesaid election are favorable to the proposition for the water contract, the City Council shall pass an ordinance prescribing the form and substance of the contract and directing its execution. A form of said proposed contract is on file in the Office of the City Secretary and is there available for public inspection. The contract thus to be authorized will be substantially in such form.

SECTION 6: A substantial copy of this resolution and order, signed by the Mayor and attested by the City Secretary, shall serve as proper notice of said election. Notice of said election shall be given by posting and publication of a copy of this resolution and order at the top of which shall appear the words "NOTICE OF WATER CONTRACT ELECTION." Said notice shall be posted at the City Hall and at two other public places in the City, not less than fourteen (14) full days prior to the date on which said election is to be held and be published on the same day in each of two successive weeks in Lynn County News which is a newspaper of general circulation, published in the City of Tahoka, Texas the first of said publications to be made not less than fourteen (14) full days prior to the date set for said election. The City Secretary shall cause said notice to be prepared, posted and

A basic conservation plan has been developed on the Douglas Neugebauer farm northeast of Wilson. The plan includes installation of approximately 2,640 feet of underground irrigation pipeline. Use of crop residue to prevent wind erosion, conservation cropping system, and rotation hay and pasture.

Funds are now available for development of Great Plains Conservation plans on farms and ranches. S. C. S. technicians will assist in the development of a complete soil and water conservation plan for your farm or ranch.

From fifty to eighty percent of cost will be shared by the government for installing permanent conservation practices such as:

Pasture planting, range reseeding, farmstead windbreaks, shaping and sodding of waterways, constructing terraces, chiseling or pitting rangeland, installing irrigation pipelines, leveling irrigated land, constructing wells and water storage facilities for livestock water, constructing ponds for livestock water, installing pipelines for livestock water, brush control on rangeland, and cross fencing rangeland.

The farmer will have from three to ten years to complete his plan.

Juniors Split With Slaton

Tahoka's seventh grade defeated Slaton there Tuesday night 38 to 18, but the eighth grade were not so fortunate, losing 34 to 0.

The win put the seventh grade into position of trying for the district title if they can beat Post here Tuesday night. Eighth graders lost their chance of tying for district, but their aim is to upset Post again. Post beat the seventh graders in their first encounter, and the local juniors will be out for revenge here next week.

Dickie Davis made three touchdowns at Slaton to lead in the scoring division, although he had the complete cooperation of his team mates. Frankie Stanley made one touchdown, as did Clarence Long and Rhett Patterson. Long also made two extra points. Patterson hit pay dirt on a pass play. Halftime score was 12 to 0.

All seventh grade boys who suited out saw action, and showed good blocking and tackling in the line. Outstanding on defense were James Brown, Jimmy Billman, Robert Adams, John Huffaker and Rhett Patterson.

The eighth grade eleven could never get going against a heavier Slaton team.

On September 7, 1776, the first submarine, the American Turtle, built by David Bushnell of Saybrook, Conn., was used by Ezra Lee to attack the British ship Eagle in New York Harbor with a "time bomb." An explosion resulted but no serious damage was done.

Demo Rally Is Held Tuesday

Travis Shelton of Lubbock and Frank Moore of Plainview made convincing pleas for support of the Party nominees at a Democratic rally Tuesday night in the district court room here attended by about 100 people.

Shelton pointed out the disadvantages of "voting for the man," and declared that probably no one in Texas is completely satisfied with the Democratic platform. He said it is best for Texans to stay with their party and then try to work out these differences within the party because the Democratic party is best for Texas.

He emphasized the fact that Texas and the South furnishes much of the leadership in Congress. He cited such leaders as Lyndon Johnson, Sam Rayburn, George Mahon, Paul Kilday, Bob Poage, Wright Patton, and others, who hold key positions in the Congress. These men, he said, will continue to look after the things we Texans believe in if we elect Kennedy and Johnson.

On the oil depletion question, he said because Kennedy has said he would "look into it," Republicans and others in Texas are at tacking his stand. The facts are, Shelton pointed out, that the major companies, which produce 10 percent of the oil in Texas, are using the oil depletion law for their benefit on imports of foreign produced oil while Texas wells are cut down to eight or nine days operation per month, and this "ought to be looked in to."

He pointed out that President Eisenhower has appointed 47 Republicans to Federal positions who have been defeated by Democratic candidates for seats in Congress or as state governors.

Bringing up the religious issue, the speaker said he was "intolerant of intolerance." People have a right to vote as they please, but if they actually believe in the principles of our Constitution and the freedom it guarantees they should not vote against a man simply because he is a Catholic. There are 40 million Catholics in our nation, and they are citizens, too. He raised the question as to what other nations of the world would think of our type of freedom if we turn down a man for president simply because he is a Catholic.

Shelton's talk was a calm and sane approach to the problems discussed.

Mitchell Williams, in introducing the feature speaker, pointed out that Travis Shelton was reared in Lynn county, is a graduate of Tahoka High, Texas Tech, and the University of Texas School of Law, served three terms as district attorney at Lubbock, is Democratic Committeeman of the 28th Senatorial District and co-chairman of the Democratic campaign in Lubbock county.

In the opening speech of the rally, Frank Moore, Plainview farmer, dealt largely with the farm problem, comparing the records of past administrations, and his talk was more of a partisan one.

He declared we have had "government by minority" under Eisenhower and "we can't stand another eight years" of Republican rule. Attacking Benson, he said Benson had spent more on his farm program in this administration, than the nation had spent in the 91 previous years. "The Democrats have received nothing on their farm proposals but votes," he declared.

He said the Democrats are responsible for REA, price supports, the loan program, the storage programs, and FHA.

"We have enough laws already on the books for a good agricultural program," Moore said. "All we need is a sympathetic secretary or agriculture."

Lyndon Johnson has declared that Congress will pass a just farm program, and with a Democratic administration Kennedy will approve it.

He pointed out that Congress will continue to write the laws, and closed with the remark, "The farmer has been Bensonized, simonized, but I don't think he will be Nixonized."

Callaway Huffaker, in introducing Moore, said he is recognized as an outstanding authority and is president of the Grain Producers Association of the nation and of the Hi-Plains Research Station at Halfway.

Clint Walker served as master of ceremonies, introduced precinct chairman and guests, thanked Mrs. Novice Curry, Mrs. Elvora Curry, Mrs. Lottie Jo Walker, and "Skip" Taylor for their work in decorating the meeting room and Albert Curry and Maurice Small for other arrangements and work. E. J. Cooper gave the invocation.

Election . . .

(Cont'd. from Page 1)

You may vote for all the candidates of a party by running a line through every other column name." Likewise, the voter should mark out the Amendment proposal, leaving the "for or against" proposal which meets his desire.

The Democratic Party is listed in the first column, the Prohibition Party in the second, the Constitutional Party in the third, the Republican Party in the fourth. The fifth column is a blank column headed "Independent" and will require no marking, and the sixth column is for write-ins.

If the reader is interested in past votes in Lynn county, the following information compiled by County Clerk C. W. Roberts may be of interest:

1928 Election: Herbert Hoover, Republican, received 1,268 votes, to 754 for the Democratic nominee, Al Smith, a year when many people opposed the Democratic nominee because he was a Catholic, an anti-Prohibitionist, and a candidate of the then corrupt Tammany Hall. The Socialist ticket received seven votes.

In 1932, Franklin D. Roosevelt defeated Hoover 1934 to 110, and the Socialist received eight votes.

In 1936, Roosevelt was re-elected over Alf Landon 1983 to 169.

Following the meeting, coffee and cookies were served.

the Socialist ticket received six votes, Union II, and Prohibition, one.

In 1940, Roosevelt was elected to an unprecedented third term 2618 to 255 for Wendell Willkie. There were three votes for the Socialists, one for the Communist ticket, and six for the Prohibition.

In 1944, Roosevelt was elected to a fourth term, during which he died and was succeeded by Vice President Harry S. Truman, by a vote of 1968 to 263 for Thomas E. Dewey. The Texas Regulars received 256 votes, Socialist none, Prohibition five, and America First Party one.

In 1948, Truman received 2178 to 224 for Dewey, while the States Rights Party received 120 votes, Prohibition six, Progressive one, and Socialist one.

In 1952, Adlai E. Stevenson received 1769 votes to 1352 for Dwight D. Eisenhower, the first time Lynn county ever voted for a loser for the presidency. The Prohibition party received five votes, Progressive one, Christian Nationalist one, and Constitution one.

In 1956, Lynn also voted for a loser, 1800 for Stevenson to 861 for Eisenhower, while there were six votes for the Constitution Party.

cities near the lake would have lower rates, while those at the distance would be somewhat higher because of the expense of pipelines.

Originally, the rates for all member cities were set the same, but some near the lake refused to agree to the proposal under those conditions.

Members of the Canadian River Municipal Water Authority include Amarillo, Lubbock, Plainview, Borger, Pampa, O'Donnell, Lamesa, Brownfield, Levelland, Slaton and Tahoka. All cities will be voting on the proposal of whether or not to allow the Authority to sign a contract with the U. S. government on November 22.

The polling place in Tahoka will be the City Hall with J. M. Small presiding judge.

Absentee Voting In Water Election

Absentee voting opened Tuesday and will continue through Nov. 18 on the proposal of allowing the Canadian River Municipal Water Authority to sign a contract with the U. S. government for the purpose of building a dam and supplying water to 11 towns.

Absentee votes may be cast as soon as ballots are printed signifying for or against the City of Tahoka entering a contract with the Canadian River Municipal Water Authority and will end on the same day, Nov. 18.

Post Antelopes Come To Life To Win Over Tahoka 22-6 At Homecoming

Post Antelopes won their first ball game of the season Friday night in spilling Tahoka's homecoming by a 22 to 6 score, as the impotent Bulldogs could never rally their forces for a consistent defense or offense.

With less than a minute to go in the first quarter, neither team had made a first down, Tahoka had lost the ball twice on fumbles, and Post had lost it once on a pass interception, by Tommy Jones.

Then, the Minor name came back to haunt Tahoka as Jimmy Minor, 160 pound senior halfback and son of James Minor of Post, a former football great of the days past in Tahoka, broke loose on a 31-yard dash through left tackle to the Tahoka 11 for Post's first first down. Three plays later, Post was still on the 11 when QB Kenneth Williams found End Dwayne Capps with a touchdown pass. Then, QB Leslie Acker, who alternated at the position with Williams, threw a pass to HB Richard Ray for the conversion. Score, Post 8-0.

Opening the second quarter, Tahoka got its only first down of the first half on a 10-yard pass from QB Hegi to End Douglas McClellan, who later in the same quarter caught another for nine yards. However, Post could not gain consistently in the period.

After the half, HB Merrill Cloe brought the kickoff from to 12 to the 27, Tony Spruiell made a yard, and on the next play HB Tommy Jones broke over right guard and raced 72 yards for Tahoka's only touchdown. Hegi's attempted jump pass for conversion failed. Score, Post, 8-6.

Soon thereafter, Minor got away again over left guard, and ran by the Tahoka secondary and was caught from behind by Tommy Jones but only after he had set up another Post score on the Tahoka 15, after a 50 yard gallop. FB Harold Mason went to the one yard line on the next play, a pass was incomplete, and then Mason hit the middle for the touchdown. Score, Post 14-6.

Tahoka had the ball three plays, but on the third, Mason intercepted a Tahoka pass on the Tahoka 33, and Post required six plays to score again, with Williams going the last yard. Acker faked a place kick, and passed to Minor for the conversion. Final score, Post 22-6.

Late in the third quarter, Coach J. D. Atwell sent in Sophomore quarterback Jerry Forsythe, moved Hegi to halfback, and the Bulldogs began to move for two first downs before bogging down, as Hegi made two 5 yard runs, Jones 4 and 8 yards, and Cloe 4 Post likewise bogged down on a drive, and late in the quarter Ta-

O'Donnell Wins Over Frenship

O'Donnell Eagles close out their 1960 football season tonight when they entertain the powerful Seagraves Eagles, who played to a 20-20 tie at Plains last Friday.

O'Donnell's Eagles pleased a homecoming crowd last Friday night by taking a surprise 28-16 win over the visiting Frenship Tigers, long-odds favorites.

Dennis Jordan went around end 37 yards in the second quarter for the first score of the game, but the conversion failed. Before the half, Frenship took an 8-6 lead when Mike Burgandy scored on a 50-yard pass play and James O'Donnell ran over the conversion.

The Eagles bounced back into a 12-8 lead on a pass from Jerry Bowles to Wendell White, the play good for 20 yards and the score. In the third period, Frenship went back into a 16-12 lead when Burgandy carried the ball over from 21 yards out.

O'Donnell came back to score soon after on Fernando Lopez's 20 yard gallop and conversion to bring the score to 20-16. Later, Buster Snellgrove bulled over from the one to clinch the game, and Bowles passed to Wendell White for the conversion.

Sue Mahurin was crowned football queen at halftime ceremonies. Princesses were Charlotte Crawford, Nelda Stallcup, and Carol Ann Moore.

Ex-students attended a 6:00 banquet in the Community House preceding the ball game, and the Class of 1935 was honored at the homecoming event. Arranging the affair were Mr. and Mrs. Glen Brewer, president and vice-president, and Mrs.erald Barton, secretary of the Ex-Students Association, and Mr. and Mrs. Wayne Clayton for the Class of 1935.

Robert Drennon of Abilene, son of the late R. P. Rrennon, once minister of the Tahoka Church of Christ, was among those here for Friday's homecoming.

Tahoka had another drive going as Cloe ran for 9 and Hegi got loose on a 20 yard run, but time ran out as a fourth down pass was incomplete on Post's 35 yard line.

This was a game in which the Bulldogs were unable to get a consistent game to going and in which Fullback Allen White, Tahoka's most consistent ground-gainer, had an off night.

New Home Will Face New Deal

New Home Leopards continued their drive toward the district title by defeating Sands at Ackerly 32 to 6 Saturday, and meet New Deal there tonight in a game that will probably name the district winner.

New Home and New Deal will go into the game neck and neck. While New Deal has a heavier team than the Lynn county squad, Coach Charles Yarbrough says the Leopards will depend on speed and team work. New Deal defeated Wilson 12 to 0 Friday, a team New Home beat 26 to 7.

However, tonight will be New Deal's last conference game, while the Leopards still have Lorenzo to contend with on Nov. 11.

The Leopards controlled the Sands battle from start to finish beginning their scoring attack early in the first quarter when Ronnie Roper broke loose for a 29 yard run for the initial touchdown. Later in the same period Quarterback Larry Brown hit pay dirt with a 40 yard run and then passed to Russell Swenson for the extra points. The quarter ended 14 to 0.

The New Home eleven's third scoring play came in the second quarter when Brown connected with Ronald Wyatt with a 39 yard pass for a touchdown. Halftime

Wilson Entertains Lorenzo Tonight

Wilson's hard-luck Mustangs will seek a conference 4-B victory today as the Lorenzo Hornets come to town.

Coach Travis Rector's boys held the strong New Deal Lions for two and a half quarters last Friday night at Wilson, but the visiting team broke loose with a drive that resulted into a touchdown by David Atterberry from two yards out. Midway of the fourth period, Dough James plowed four yards to end another touchdown drive. Both conversion tries failed.

Outstanding for Wilson were Bobby Crowson, Bobby Stone, and Leroy Schneider.

Who's going to help the farmers?

America's farmers are having a rough time in the midst of Republican "prosperity." Low prices—high costs. Big overhead—small profit. Costly investment—staggering bills and debts.

Who's to blame? It isn't just Ezra Taft Benson. The Republican administration that appointed Benson and for eight years praised his policies is equally to blame. The "experienced" Mr. Nixon has called Benson "one of the greatest Secretaries of Agriculture in our history."

The best way to get sympathetic action for farmers' problems is to elect Democratic leadership to the White House.

By F. P. H.

You will be the boss Tuesday. Vote as you please, but vote!

As the barber worked on his man he talked long and enthusiastically for the Democratic nominee. The man getting the shave said nothing—until he got out of the chair and left with one parting shot, "I'll tell you one thing for sure," the customer said, "If Kennedy is elected, in three days the banks will be closed and there'll be soldiers marching in the street." Rabidly partisan, the barber really blew his top until he happened to think that three days after the election is Armistice Day.

We are asked to state again that you may, in the General Election Tuesday, vote for any candidate in any column on the ballot regardless of party lines, or even write in the name of any candi-

date. The amended Texas Election Code requiring stamping of the word "Democrat" or "Republican" on the poll tax receipt or exemption certificate when you voted in a party primary has nothing whatever to do with voting in the General Election. This provision was designed to keep Republicans from attending Democratic Party Conventions and vice versa. Furthermore, the "pledge" on the Democratic ballot, expressing the voters intention to support the nominees of the primary, has no application or bearing in any way upon your vote in the General Election. However, to properly vote in this general election you must mark out all parties, or parties thereof, leaving only the names of candidates for whom you wish to vote.

It's the right and duty of every good citizen to vote. One-vote margins have turned many eventful decisions in the past history of our country. Thomas Jefferson was elected President by one vote in the electoral college. So was John Quincy Adams. Rutherford B. Hayes was elected President by one vote, and his election was contested and referred to an electoral commission where he again won by a single vote. The man who cast that deciding vote for President Hayes was a Congressman from Indiana, a lawyer who was elected to Congress by a margin of just one vote. And that one vote was cast by a client of his who, though desperately ill, insisted on being taken to the polls to vote. Just one vote gave statehood to California, Idaho, Oregon, Texas and Washington... and today all the millions living in those five states are Americans by just one vote. Among other momentous one-vote decisions was the passing of the Draft Act of World War II, according to the National Research Bureau, Inc., Chicago.

form for his "Bunkless Party"? Will said: I want it understood first off that my platform is made out of planks carried in by voters. Anybody with ten votes can have a plank. We are leaving room between planks for any wisecrack we think should be inserted. We also will not only give the farmer relief, we will cure him of being a farmer."

We think there's a note of good-humored sarcasm in this note from our good friend, John Saleh, a party man all the way: "I enjoy reading your 'DEMOCRATIC' newspaper. Best wishes." John, we think we're a better Democrat than Jack Kennedy—we said Democrat, not Socialist.

According to District Scout Executives, Tahoka has one of the most active and successful Boy Scout programs on the Plains. A visitor here the other day asked if we have a Girl Scout organization. We had to reply in the negative. O'Donnell and New Home both have active Girl Scout programs. Tahoka has none.

Tahoka extends best wishes to New Home in its all-important game at New Deal tonight, with the District 4-B conference title possibly hanging in the balance. The Leopards have a tough assignment here, but they

have been improving steadily of late and both teams are undefeated in conference play. If they can win over the Lions they will have only Lorenzo, relatively weaker, standing between them and their first district football championship.

We hear Judge C. A. Clem is now mending nicely after having had a close call with the Grim Reaper. We imagine a lot of other friends miss having chats with the Judge, but all of us hope he'll soon be back dispensing justice.

Mr. Brown read the erroneous report of his death in the paper. Excitedly he called the office and asked to talk to his boss. "Did you see this morning's paper?" he shouted into the phone.

"Yes," replied the boss. "Where are you calling from?" An officer in the South Pacific who had been overseas sixteen months received a letter from his wife telling about a prayer their four-year-old daughter made: "Dear Lord, please send me a baby brother so we will have something to surprise Daddy with when he gets home."—Wendell Tooley in Littlefield News.

HORSEPOWER THAT MAKES SENSE FOUR CYLINDERS TO SAVE GAS! THE NEW SWEET RUNNING TROPHY 4 ENGINE FROM PONTIAC PERFORMANCE SPECIALISTS!

The new Trophy 4 engine puts real performance in the Tempest and cuts gasoline bills to boot. This new baby is *eager to move out* for safe passing. Holds the going pace on any expressway. Breezes up steep hills in high gear. This new 196 cubic inch displacement, 45° inclined, short stroke, 4 cylinder engine has a wide range of h.p. ratings. With single-barrel carburetor and stick shift: 110 h.p. (regular gas) or 120 h.p. (premium gas). With the same carburetor and extra cost automatic shift: 130 h.p. (regular gas) or 140 h.p. (premium gas). Want still more? Order the 4-barrel carburetor with the automatic and jump the output to 155 h.p. (Or buy the 155 h.p. aluminum V-8 option.)

Rear axle drive and transmission are combined (a trans-axle). Flexible shaft from front engine delivers smooth, quiet power. Perfect 50-50 balance gives a flat, level ride that no other new-size car can touch. *Rides like the big ones!* An equal load on every wheel. Steering is light and easy! Better braking and improved traction in snow, sand or mud! *Independent suspension at all wheels.* Swing axles keep Tempest on an even keel over bumps, ruts, dips and holes! *112" wheelbase.* Long enough for a cradled ride—short enough to handle like a sports car. *Big 15" wheels.* Good road clearance. Long tire life. (13" compact tires turn at least 4900 more times to go 100 miles.) *Seats six men.* The big transmission hump is gone. The middle man can stretch out size 12 brogans! *Wide-Track, too!* The track is up to 3 inches wider than most compacts. Less lean. Less sway. Better cornering. *Pontiac dealers have it—and they have it now!* A four-door sedan... a station wagon... a full line-up of accessories. Try the Tempest out for an hour—you'll want in for keeps! It's priced with the compacts!

NOTICE OF ELECTION TO BE HELD WITHIN THE CANADIAN RIVER MUNICIPAL WATER AUTHORITY ON THE QUESTION OF APPROVAL OF A CONTRACT WITH THE UNITED STATES OF AMERICA

TO ALL QUALIFIED VOTERS WHO RESIDE IN THE CITIES OF AMARILLO, BORGER, BROWNFIELD, LAMESA, LEVELLAND, LUBBOCK, PAMPA, PLAINVIEW, O'DONNELL, SLATON AND TAHOKA, TEXAS, AND WITHIN THE CANADIAN RIVER MUNICIPAL WATER AUTHORITY, WHO OWN TAXABLE PROPERTY THEREIN AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held on the 22nd day of November, 1960, within the CANADIAN RIVER MUNICIPAL WATER AUTHORITY, in compliance with resolution and order duly enacted by the Board of Directors of said Authority on the 12th day of September, 1960, and which resolution and order is a part of this Notice, being in words and figures as follows, to-wit:

A RESOLUTION calling an election to be held on the 22nd day of November, 1960, in the Canadian River Municipal Water Authority, for the purpose of submitting to the qualified voters of said Authority who own taxable property therein and who have duly rendered the same for taxation the question of whether or not the Board of Directors shall have the authority to enter into a contract with the United States of America, for the construction of the Canadian River Project as authorized by public law 898, an Act of Congress which became effective December 29, 1950 and for payment by the Authority of the reimbursable cost of the construction, operation and maintenance of the project in accordance with Reclamation Law; prescribing the voting places for said election; designating the presiding judges of said election; prescribing the form of ballot to be employed in said election; and enacting other provisions incident and relative to this resolution.

WHEREAS, the Board of Directors of Canadian River Municipal Water Authority has determined upon the construction of certain facilities commonly known and referred to as the "Canadian River Project" for the purpose of providing a source of water supply for the member cities of the Authority, for municipal, domestic, industrial and other useful purposes permitted by law, to-wit: a dam and reservoir on the Canadian river at Sanford, Texas; pumping stations, pipe lines or aqueducts; and other works and facilities designed for the purpose of impounding, processing and delivering water for the aforementioned purposes; and

WHEREAS, this Board finds that plans have been filed in the office of the Secretary of the Authority as well as a report of the Interior Bureau of Reclamation covering the plan, plants, facilities and improvements to be purchased and constructed, together with maps, plats, profiles and data fully showing and explaining same, which report is open to inspection by the public; and

WHEREAS, the aforesaid report contains, among other things a

detailed estimate of the cost of such improvements and an estimate of the time required to complete same so that service therefrom can be commenced; and

WHEREAS, a summary of said estimate of the cost of said facilities and improvements including the cost of property to be purchased, as shown in the report aforesaid, is as following:

Table with 2 columns: Item, Amount. Includes CANADIAN RIVER PROJECT, TEXAS Estimated Reimbursable Construction Costs. I. Sanford Dam and Reservoir. II. Aqueduct System.

TOTAL REIMBURSABLE COST \$92,960,000

WHEREAS, this Board has received from the United States Department of Interior Bureau of Reclamation a form of contract whereunder the United States Government is to construct the facilities embraced in and at the cost estimated by the aforementioned report and whereunder the Authority shall be obligated to repay all reimbursable costs incurred in such respect by the United States Government; and

WHEREAS, copies of said form of contract are on file in the office of the Secretary of the Authority, have been placed in the hands of the governing body of each member City, and are available for examination upon request of any interested party at the office of the Secretary of this Authority; and

WHEREAS, this Board, upon due deliberation, considers that such contract is in the best interest of the Authority and its inhabitants and that same should be entered into when authorized by an election held in the manner provided by the laws of the State of Texas; and

WHEREAS, this Board finds that due notice of its intention to call the election herein ordered has been duly given by mailing and publication as prescribed by Section 15 (1) of Article 2290-154 R. C. S. of Texas, as a condition precedent to the enactment hereof; that no resolutions have been received from the governing body of any member city requesting withdrawal from the Authority under

the provisions of the aforementioned statute; and that according to this Board is empowered to call and hold said election throughout the Authority and in each of the member cities of which it is comprised; and

WHEREAS, this Board has concluded that it should now proceed to submit the proposition for its authority to enter into said contract to an election as provided by law;

NOW, THEREFORE, BE IT RESOLVED AND ORDERED BY THE BOARD OF DIRECTORS OF CANADIAN RIVER MUNICIPAL WATER AUTHORITY:

SECTION 1: That the aforementioned report of the Department of the Interior Bureau of Reclamation is hereby in all things approved and adopted.

SECTION 2: That the aforementioned form of contract presented this Board by the United States Department of the Interior Bureau of Reclamation be and same is hereby approved for submission at the election herein ordered.

SECTION 3: That an election be held on the 22nd day of November, for the purpose of submitting to the qualified electors of the Canadian River Municipal Water Authority, who own taxable property therein and who have duly rendered the same taxation, the following question:

SHALL the Board of Directors of the Canadian River Municipal Water Authority be authorized to enter into the contract submitted by the United States Department of the Interior Bureau of Reclamation for the construction of the Canadian River Project as authorized by Public Law 898, an Act of Congress which became effective December 29, 1950, and for repayment of the reimbursable costs of the construction, operation and maintenance of the project in accordance with 'Reclamation Law'?

SECTION 4: That for the purpose of the aforesaid election the area and boundaries of the Authority shall include all lands located within the defined corporate limits of the Cities of Amarillo, Borger, Brownfield, Lamesa, Levelland, Lubbock, O'Donnell, Pampa, Plainview, Slaton and Tahoka, Texas.

VOTE NOVEMBER 8TH "Those who expect to reap the blessings of freedom must, like men, undergo the fatigues of supporting it." —Thomas Paine The First National Bank Of Tahoka, Texas MEMBER OF F. D. I. C.

"We Stand Today On The Edge Of A New Frontier" KEEP THE VOICE OF TEXAS STRONG Texas' dominant position in the Democratic Party has been a major factor in the amazing growth and prosperity of our State during the past 50 years. Count our blessings that have come because TEXANS were in the RIGHT party at the RIGHT time. Count the jobs... educational opportunities... military installations... defense projects... water and soil projects... rural electricity and telephone systems. Count our ultimate potentials for development. Now the Democratic Party has selected a TEXAN for one of the two top offices our Nation has to offer. As Vice President, Lyndon B. Johnson will be in a position to render the greatest service any Texan has ever been able to give his State, his Party, his Nation. Our Nation needs the dynamic leadership of John F. Kennedy and Lyndon B. Johnson. And Texas needs to be counted in the Democratic column November 8 to keep its voice STRONG in the party that has honored its sons and nurtured its growth. Texas has no such stake in any other party or any other candidate. Texas' future — and America's — lies in your response November 8. Vote Democratic — Vote The Texan's Ticket JOHN F.
