Freezing Rain Puts Delay On Harvest

Bad weather this week brought a halt to the cotton harvest as mist started falling Tuesday and was continuing Thursday noon as The News went to press.

Precipitation in Tahoka totaled 30 inches up to noon Thursday. The temperature dropped to 26 degrees two nights and the high Wednesday was 31 degrees, but a warming trend Thursday was causing ice to melt.

Mist and freezing rain fell Tuesday and Wednesday, but pavement was slick only in spots.

Completion of the crop harvest will now probably be pushed right down to Christmas or past, even with favorable weather. There is still considerable "scrapping" to do, especially in the north half of the county, and a few fields are still white with cotton.

Cotton Program Vote Is Tuesday

With the December 13 referendum on marketing quotas for 1961 crop upland cotton drawing near, the Lynn County Agricultural Stabilization and Conservation committee today made known final arrangements for the balloting.

There will be polling places in all of the county's cotton growing communities, the committee announced. Notices showing the date of the referendum and the location of polling places have been posted in conspicuous places in the county.

The ASC committee has also announced the names of eligible farmers who will serve on committees responsible for conducting the referendum.

Charles G. Brugg of the county ASC office points out that eligible voters in the December 13 referendum are persons who as owner, renter or fixed rent tenant, landlord of a share tenant, share tenant, or share-cropper engaged in the production of upland cotton in 1960. Further information with respect to eligibility to vote in the referendum may be obtained from the local ASC county office. On the day of the referendum, information on eligibility also may be obtained at the polling places.

Poling places and the committees to serve in the referendum are as follows:

- ASC OFFICE, Tahoka, West Point Gin, Petty Gin, Lakeview Gin, New Home Co-op, Wilson Co-op, Gordon Gin, Grassland Co-op, Draw Gin, O'Donnell Co-op, Newmoore Gin, Wells Co-op.
- A Community: N. B. Hancock, LeRoy Nettles, Roy Blevins and Foy Swinson.
- B Community: Pete Rhoads, Loyd Mears, Werner Klaus, Walter Ray Steen.
- C Community: Gus Sherrill, Cleve Littlepage, Roy Appling and H. W. (Sam) Edwards, Jr.
- D Community: Harold Payne, J. F. Brandon, Jr. D. J. Bessire, and Jack Hoskins.

Falling Meteor Is Seen Near Here

A large ball of fire, believed to have been a meteor, was seen near here at 5:40 a. m. Monday by a Brownfield man on route to Tahoka, who reported to B. L. Taylor of Lyntegor that he saw the huge ball of fire while in the vicinity of West Point. He said it appeared close to the ground, was traveling west to east, and appeared to hit the ground in the vicinity of Tahoka.

Mr. Taylor failed to get the man's name, but he is operating a deep breaking plow for Moseff Bahff on the Taylor farm northeast of Tahoka and was coming to work when he saw the strange sight.

The man said the huge fire ball appeared to be near the ground, and he was almost certain it must have hit the earth near Tahoka.

Several Hurt In Car Accidents

A rash of traffic accidents in Tahoka and Lynn county this week resulted in three minor injuries, all of which were received in the same accident, and damage to six vehicles and one trailer.

Injured in an accident on Monday at 5:15 p. m. at the intersection of North First and Sweet Street were Mrs. Mickey Bertreaux, Mrs. Tom Gill, and the six months old infant of Mrs. "Tootie" Ingle. All were treated and released from Tahoka Hospital.

Mrs. Bertreaux received a laceration on the head, and Mrs. Gill and the baby, bruises.

The collision occurred at the intersection where there is no traffic control and both were expecting the other to stop. The Gill car, traveling west, received heavy damage on the right side. The Ingle car, which was being driven south by Mrs. Ingle in which the baby and Mrs. Bertreaux were passengers, was damaged heavily on the front.

On Tuesday, and Wednesday, several accidents occurred because of icy road conditions.

Tuesday afternoon a two-car collision involving Woodrow Brazill and Jerry Hays resulted in light damage to the cars. Neither man

Clayton Beard Is Heart Victim

Thomas Clayton Beard, 57, a resident of Lynn county most of his life, died Wednesday at 2:15 p. m. in Tahoka Hospital. He had suffered a heart attack a few minutes before at his home on North Fourth.

He was born Feb. 26, 1903 near Ballinger, Runnels county, Texas. He was married to Mrs. Hattie Garrett March 2, 1950, at Lovington, N. M. Beard had three children by a previous marriage. He was married to Miss Nora Cunningham on Feb. 26, 1924 in Lynn county. She died on April 17, 1934.

A son of the late Mr. and Mrs. A. T. Beard, Lynn county pioneers, Clayton, on reaching maturity was a water well driller and drilled many wells over the county. For a number of years he has been farming. A hard worker, the last few years he had acquired farm property and this year completed a nice, new brick home in Tahoka. He had planned the home, himself, and it was his "pride and joy."

Funeral services will be today, Friday, at 2:30 p. m. in Sweet Street Baptist Church, of which he was a deacon, with Rev. Joe Webb, pastor, officiating, assisted by Rev. Boyce Evans, Lubbock. Burial will be in Tahoka Cemetery under direction of Stanley Funeral Home.

Survivors include his wife of Tahoka; two daughters, Mrs. J. C. (Wanda Jean) Dyer of Tahoka and Mrs. Joy (Evon) Petty of Lubbock; one son, Elwayne Beard of Tyler; one step son, W. G. (Bill) Garrett of Oilton; two sisters, Mrs. Starke Wagley of Plains and Mrs. J. M. Halsey of route 2, Post; one brother, John Beard of Brownfield; and five grandchildren.

MRS. McFADDEN BREAKS HIP
Mrs. Cora McFadden fell Thursday morning and broke a hip. She was treated at Tahoka Hospital and transferred to West Texas Hospital in Lubbock.

C. M. Lamberson was dismissed from Tahoka Hospital Friday where he had been a medical patient.

Mrs. Noel Caswell was a medical patient in Tahoka Hospital Friday and Saturday of last week.

Holiday Contest Entries Sought

Two entries have been submitted in the Tahoka Chamber of Commerce's annual Christmas decoration contest, and others planning to decorate are urged to enter their homes, doorways, or business institutions in the appropriate division.

Mrs. Hollis Hill has entered in the doorway division, and Rutherford's has submitted its entry in the business institution division.

Prizes have been substantially raised this year and out of town judges will name the winners shortly before Christmas.

Winners in the home decorations contest will be awarded \$25.00, \$15.00, and \$10.00 for first, second and third places. Doorway prizes have been raised to \$7.50, \$5.00, and \$3.00 for the top three entries. Prizes of \$25.00 for first, \$15.00 for second, and \$10.00 for third will be awarded business institutions.

Entrants should fill out the entry blank printed in The News and mail it to Dean Taylor, secretary of the Chamber of Commerce.

Mrs. Ben Hardy Dies Thursday

Mrs. Ben Hardy, 87 year old wife of a pioneer Methodist minister, died at 11:30 p. m. Thursday, Dec. 1, in the home of her daughter, Mrs. Clovis Honeycutt, in Tahoka.

She had lived here since 1936, when she and the late Rev. Ben Hardy moved to Tahoka when he became pastor of the Methodist Church. Mrs. Hardy had been in ill health for about seven years.

Born on Oct. 14, 1873 in Sparfenburg, South Carolina, Mrs. Hardy was the daughter of the late Ben Wofford and Molly Lancaster Wofford. She came to Texas in 1890 and was married to Rev. Hardy on Nov. 10, 1911 at Plainview.

A member of the Northwest Texas conference of the Methodist Church since 1897, Rev. Hardy died here on Feb. 13, 1953, after serving the local church as pastor for several years and then remaining here following his retirement.

The couple had lived in many towns in West Texas where he served as pastor, including Albany, Anson, Memphis, Roscoe, Floydada, Plainview, Lubbock, Seymour, Metador, and Childress. They came to Tahoka on Nov. 10, 1911 at Plainview.

Plan Dedication On Dec. 17 Of Improved Tahoka Airport

Plans are underway for dedication of the improved Tahoka Airport on Saturday, Dec. 17, when there will be a fly-in of planes from over the area and a short program and talk by some prominent official of the state.

The event is being sponsored by Tahoka Chamber of Commerce in cooperation with city and county authorities and local flying enthusiasts. In case of bad weather, the event will be held the following day.

City of Tahoka and County of Lynn have just recently cooperated in paving the east-west runway, which is a half mile in length.

4-H Gold Star Awards Presented

Sharon Ann Renfro of New Home and Jack Wood of Tahoka were Lynn county's recipients of the 4-H Club Gold Star awards, presented them at the second annual District II banquet of the Texas Agricultural Extension Service given by 12 rural electric cooperatives of the area Monday night in Memorial Hall of the First Methodist Church in Lubbock.

Congressman George Mahoff spoke to the group, which consisted of 39 award winners from 20 counties, and attended by more than 350 people. State Senator Preston Smith was master of ceremonies.

Miss Renfro was named this county's outstanding member of

School Program Held Thursday

The Tahoka school's annual Christmas program was being presented Thursday night in the North Elementary School gymnasium by about 300 students from the fourth through ninth grades.

Divided into two parts, the first consisted of a variety of Christmas songs presented by choirs and groups from the different grades. The second portion was the presentation of the Christmas story as told in the Bible and portrayed by students as the various Biblical characters, while all grades joined in singing the familiar carols.

Each year the Tahoka schools present the Christmas program, which has become probably the outstanding event of the season in Tahoka. Usually held in the high school auditorium, it was moved to the gymnasium this year to take care of the overflowing crowd that always attends.

New Home Man Stabbing Victim

Cruz Campos, 29 year old Latin American from Breville, was stabbed twice Sunday night at a cotton pulling camp six miles northeast of New Home.

He was taken to Methodist Hospital.

Campos was stabbed in the abdomen and left chest when he and another Latin American got into an argument. They had been drinking, officers reported. Charges had not yet been filed.

Final Federal Census Report Shows Tahoka With 3,012

Decline In Population On Farms Is Shown

The 1959 Census of Agriculture, conducted in Lynn County last fall, counted 962 farms, according to a preliminary report just issued by the Bureau of the Census, U. S. Department of Commerce. Total land in farms was 569,074 acres. The average size of farm was 591.6 acres. The average value of farms (land and buildings) in the county was \$90,765.

Of the county's farm operators, 214 owned their farms, 249 owned part of the land and rented additional acreage, and 499 were tenant farmers.

The average age of farm operators in the county was 45.9 years. There were 78 farm operators 65 or more years of age.

Of the 962 farms in the county, 830 were commercial farms.

Detailed statistics on crops, livestock, equipment, etc., are presented in the preliminary report, with comparable statistics for 1954. Copies of the county report may be obtained for 10 cents each from the Bureau of the Census, Washington 25, D. C.

County Agent Bill Griffin has furnished The News some further interesting information which shows both the trend toward farm units, increase in cultivated areas, and decrease in number of full owners who operate their own farms.

Of the 585,600 acres of land in Lynn county, approximately 480,000 acres are now in cultivation as compared to only 302,287 in 1930.

The following table shows the increase in size of farms and the cultivated acres by years:

	Avg. Size Acres	Crop Land
1930	222	302,287
1940	344	39,568
1950	409	403,412
1954	509	453,003
1960	591	480,000

The table below shows the decrease in farm units and number

Construction Starts On New Church

Construction on the new educational building of Sweet Street Baptist Church was begun Monday morning when work was started on the foundation, announces Joe A. Webb, pastor.

The new structure will be of concrete tile block and will house four departments of the Sunday school and several offices.

Contract for the building was given to Purcell Construction Co. of Lamesa. Work was halted this week due to weather conditions.

Methodists Plan Christmas Event

Children of the Sunday School department of the First Methodist Church will present their annual Christmas program Wednesday night, Dec. 14, at 7:00 p. m. in the sanctuary.

"The Altar of Christmas" will be presented by about 100 boys and girls from the nursery, kindergarten, primary, junior, and intermediate departments.

The story in song tells of the birth of Christ through selections entitled "A Gift of Love," "A Gift of Song," "A Gift of Words of Praise," "The Wise Men's Gifts," "A Gift of Helping Hands," "Gifts for the Family," "Gifts for the Needy," and "The Supreme Gift."

Characters will be portrayed by Leah Short, Mary; Chris Roberts, Joseph; Sharon Thuren, Becky Jacobs, Judy Park, Brenda Ashbrook, Becky Allsup, and Vicky Owens, angels; Roger Potts, Walt Hagood, Ladd Roberts, Calvin Adams, and Charles Ray Ashbrook, shepherds; and Billy Brock, Bill Thomas and Delvin Buchanan, wise men.

Children who will present gifts to the Christ child at the altar will be Kent Payne, Susan Smith, Patricia Young, and Jim Wells.

Narrator will be Mrs. Pete Heggi, organist, Sharon Patterson; and pianist, Linda Thomas, Mrs. Perry Walker, and Mrs. Johnny Wells. The musical portion of the program has been arranged by Mrs. Wells.

Instead of exchanging gifts this year, all children and their parents are asked to bring a gift, canned food, etc. to be given to the Goodfellow Fund for Tahoka's needy families.

Following the program, a visit from Santa Claus is expected, who will have bags of candy and toys for all the children.

Neighbors Harvest Crop For Howard

Friends of Durwood Howard, a patient in a Lubbock hospital for about two weeks, brought in cotton pulling machines, stalk cutters, and tandem discs and finished harvesting his crop last Friday, Dec. 2.

The crop had been pulled twice but the machines got out an additional 14 bales of cotton, Mrs. Howard said.

Those who pulled the cotton were Ruben McElroy, J. A. Pebe-worth, Cleve Littlepage, Dan Curry, Albert Curry, Boyd Pebe-worth, Fred McGinty, Will Young, Ott Caswren, and C. O. McCleskey.

Taking over the stalk cutting operation were Waltha Littlepage, J. T. Miller and J. C. Womack. In addition, Miller and McElroy came behind the machines with a tandem disc and plowed the land.

Tahoka's population went over the 3,000 mark in the 1960 census after all, according to final figures received this week from the Bureau of the Census.

Tahoka had 3,012 people when the census was taken last summer, or an increase of 27 over the preliminary report of 2,985. However, this is an increase of only 181 over the 1950 census, when Tahoka had a population of 2,831.

O'Donnell's final figure of population in 1960 is 1,336, of which 1,241 live in Lynn county and 115 in Dawson county. Surprisingly, this is a loss of 112 people from the 1950 census, when the South Lynn county town was shown to have had a population of 1,468.

Wilson's 1960 population is listed at 403. No official figure was given for Wilson in 1950 because it was not at that time an incorporated town.

Lynn county's official final figure for 1960 is 10,914, or a loss of 116 people since the 1950 census, when the county had 11,030.

Tahoka's 1960 official census was taken in 1920 and at that time there were 786 people; the 1930 census showed 1,620; the 1940 census, 2,129; the 1950 census, 2,831.

According to the Texas Almanac, Lynn county's census in 1880 showed 9 people; 1890, 24; 1900, 17; 1910, 1,713; 1920, 4,751; 1930, the all time high of 12,372; dropped to 11,931 in 1940, and to 11,030 in 1950.

In 1930, there were few farms larger than a half section, while today there are few smaller than a half section. The trend to big scale farming is the principal cause for the loss in population in this farming county.

Local Child Enters Dallas Hospital

Scottish Rite Hospital
Dennis Newsom, 8-year old son of Mr. and Mrs. C. E. Newsom of Tahoka, was admitted on Wednesday, November 30, to the Scottish Rite Hospital for Crippled Children in Dallas.

Thirty-five years ago, Scottish Rite Masons founded the hospital, dedicated to an effort to provide a chance at a normal life for the more than 130,000 children have been admitted for treatment to the hospital, which is supported by public contributions and bequests.

Expertly staffed, unusual physical facilities and devoted interest in the individual, make the Scottish Rite Hospital an outstanding treatment center which serves the entire state.

Johnny Hillhouse, seventh-grade student and son of Mr. and Mrs. O. E. Hillhouse, was admitted to Tahoka Hospital Wednesday as a medical patient.

Goodfellow Fund ...

Citizens of Tahoka are asked to mail contributions in soon for the local Goodfellow Fund, which will be used to furnish food and toys to needy families in Tahoka.

Several donations from organizations and individuals have put the fund well over the \$100 mark this week.

However, more funds are still needed to Box 1196, Tahoka, and used toys taken to the Fire Department.

W.S.G. Completes "Beliefs" Study

Wednesday night of last week the Wesleyan Service Guild met for its last session of the study "Basic Christian Beliefs" led by Miss Lois Montgomery.

Mrs. W. M. Mathis gave the devotional and Mrs. Clint Walker led a discussion group following the program.

As one result of the study, members took a free will collection of \$35.00 to be used for the Jose Moreno family, whose infant son died last week as a result of a rodent bite. An additional \$40.00 from the Guild treasury was given, part of which was designated to be used for the family if needed, and the remainder to be placed in the Goodfellow Fund.

Hostesses at the meeting were Mrs. Wilton Payne and Mrs. Mathis. The next meeting will be held on Jan. 5 when the Guild and W. S. C. S. hold a joint meeting with the Spiritual Life committees from both organizations in charge of the program.

Walker Speaker At Rotary Club

The Rotary Foundation, set up for the purpose of furthering better international understanding was discussed by Clint Walker at the principal part of the Rotary Club program last Thursday.

After teaching the history of the movement, Walker told how the Foundation is operating. One of its leading projects is the granting of fellowships to college graduates for a year's study in some country other than their own.

Since 1947, there have been 1,320 such fellowships granted to young men and women to study in 45 nations of the world. They act as ambassadors of good will, learn the problems of the country in which they visit, and depart the knowledge they have gained in talks to public meetings in their home country.

To qualify for one of these fellowships, the student must be a college graduate of exceptional

ability, 20 to 29 years of age, able to speak the language of the country in which he wishes to study, and must receive the nomination of his home Rotary district.

Idea for the Foundation was first conceived by Rotary in 1917, but it was not implemented fully until 1947 with the death of Paul Harris, founder of Rotary, who wished to leave a living memorial to the cause of peace. A total of \$7,191,961 has been contributed to the Foundation to date. Tahoka club has contributed \$483.00 and is a 100 percent contributor, which means \$10.00 per member.

Some clubs in this district have contributed up to \$400 percent of their quota, he said.

Dr. E. R. Durham, in charge of the program, introduced the speaker, declaring that Clint Walker is one of our outstanding citizens who was reared here, attended the local schools, Texas Tech, served in the Navy Air Force, has been ASC office manager, mayor, school board member, and a leader in many other affairs.

Secretary Dale Thuren reported the club had 99.36 percent attendance for October, second only to Floydada, which had 100 percent.

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room

"He will come to Zion as Redeemer." (Isaiah 59:20. RSV.)

From Isaiah to Joel—a span of several centuries—voices of the prophets were raised with one accord in the interest of Israel's deliverance. At first, as the chosen people of God, Israel was to bring the nations to Him. Then, as the experience of the centuries mounted, it became clear that Israel herself was in need of deliverance from the enemies and sins.

Gradually, persistently, the idea and feeling grew that Israel's deliverance would come in the form of a Messiah. He would save His people and raise their hopes as a nation.

Many officers were ascribed to Him by the prophet: Shepherd, King, Man of Peace, Suffering Servant.

None fitted Him so well and came so near to His real office as that of Redeemer. The angel visitor shocked Joseph into great attention with the words, "Thou shalt call his name Jesus: for he shall save his people from their sins." Today, if we will listen and heed, He becomes our Saviour.

PRAYER: Our Father, we thank Thee for the coming of Jesus. We are glad He came as a little child, thus teaching us humility and trust. We rejoice that He came as the Saviour, to teach us the way of forgiveness. Help us to accept Him in sincerity. We pray in His name. Amen.

THOUGHT FOR THE DAY
Jesus, the child of Bethlehem, is Christ, my Saviour.—C. Lucy VanNorman (Pennsylvania).

Confirmation Held By Wilson Church

Sunday, November 6, Ray Ehlers, Janet Gindorf, Erlene Lehman, Janis Maekor, Valton Maekor and Zetha Rinne were confirmed as members of the St. John's Lutheran Church of Wilson.

The class had studied the teachings of the Bible and were accepted into membership of the church after showing that they knew the Bible taught and that they knew how Christ wants each of us to live. Confirmation is a public confession and declaration of their faith.

As a confirmation gift to the church, the class united with the previous class, Betty Gindorf, Milton Gindorf, Vondal Rinne, and Coy Rinne, and bought a cross to be placed upon the altar.

GEORGE ADAMS WILL GRADUATE SOON

George D. Adams, 1960 graduate of Tahoka High School, will soon graduate from a course of study at Central Technical Institute in Kansas City, Mo.

He is taking a course to fit him for employment by an air line, and is reported to be making high grades on the course.

Dedication Set At Wilson Church

St. John Lutheran Church, Wilson, is having a dedication service at 3:00 p. m. Sunday, Dec. 11, at which Rev. Roy Grote, pastor of St. Martin Lutheran Church of Littlefield, will be speaker. After the dedication, a short hymn-festival will be led by Mrs. James Burnett. A reception will follow sponsored by the Women Missionary Society.

Dedicated in the service will be the new pews, new altar, new lectern, new pulpit, new altar cross and candlesticks, the chancel which was panelled in oak with its large cross above the altar. The church has a new roof, has been repainted inside and out, has had the flooring put in, and a new carpeting up the aisles and covering the rostrum, chancel and chancel steps. While this was being done, the parsonage also received a new roof and was repainted.

Everyone is invited to attend.

O'Donnell Youth Hurt In Wreck

Charles Bursleton, 16 year old sophomore basketball player from O'Donnell, was seriously injured Tuesday afternoon at about 3:00 p. m. when he lost control of the pickup he was driving after it hit an icy spot on the farm-to-market road near Wells and turned over two or three times, throwing the youth from the vehicle.

He was taken to Methodist Hospital in Lubbock by a Stanley Funeral Home ambulance, where his condition was termed as "poor." Bursleton received lacerations on the face and a possible decompression of a vertebrae for "broken back."

The injured youth is the son of Mr. and Mrs. C. R. Bursleton of route 3, O'Donnell. He was driving his father's pickup towards his home when the accident occurred.

Bursleton, who was placed on the Tahoka basketball tournament's all-tournament team last Saturday night, was scheduled to play in a game against Wilson that night.

Mrs. Manuel Mendez was a medical patient in the hospital Monday and Tuesday of this week.

Miss Ginger Riddle Plans Marriage

Mr. and Mrs. T. R. Riddle announce the engagement and approaching marriage of their daughter, Ginger Rogers, to Bobby Lee Hayes, son of Mr. and Mrs. Noel Hayes, route 5, Tahoka.

Vows will be exchanged Friday, Dec. 16, at 8:00 p. m. in the First Baptist Church. Rev. T. James Eflord, pastor, will perform the ceremony.

Friends and relatives of the couple are invited to attend.

Miss Riddle attended the Tahoka schools and is employed by Tahoka Auto Supply. Hayes is a graduate of the local schools and is employed by Continental Oil Co.

Luncheon Meeting Held By W. S. C. S.

The Women's Society of Christian Service met for its regular monthly luncheon and business session Monday at the church with 14 present.

Mrs. A. M. Bray presided over the business session. Mrs. J. B. Thompson presented the program, "Into all the World Together."

The Faith and Margaret Circles will meet next Monday to carry out their Christmas visitation program.

FIREMEN HONORED WITH SUPPER, CHRISTMAS TREE

The annual Fire Department Christmas party was held Monday night at the fire hall when 36 people attended, including the firemen, ex-firemen, retired firemen and their wives and wives of deceased firemen.

A buffet supper of ham and all the trimmings was prepared by the local Fire Department Auxiliary. The Auxiliary was in charge of the decorations and the Christmas tree.

After the meal the group exchanged gifts.

Mr. and Mrs. Charles Reid plan to leave Saturday to attend the National Farm Bureau Convention in Denver, Colo.

Don't "wreck" your chance for happiness.

Farm Facts

Besides being one of America's largest and most important industries itself, agriculture supplies most of the raw materials for other industries.

About 11 per cent of the total working force is on farms and farmers provide 37 per cent of industry's raw material.

Crops, livestock, poultry, dairy products—these are a few items flowing from farms to industry to create jobs and payrolls. Their transportation, marketing, processing, manufacture, and distribution involve millions of people.

Food marketing and processing employ more than five million people, and these industries are almost wholly dependent on agriculture.

Cotton, wool, and flax account for more than 70 per cent of our fiber needs. More than two million people are employed in manufacturing these fibers into textiles and apparel.

The great bulk of the tobacco for the more than 460 billion cigarettes smoked annually comes from U. S. farms. Their manufacture requires 85,000 workers.

These are just a few examples of industry's dependence on agriculture.

Farmers produce 57% of the raw material for industry.

Cotton Quiz

The suspense and excitement of Christmas can be too much for young children. To avoid this, be sure your child has plenty of sleep, exercise and good food. Another good idea... it might be advisable to give the child a very small gift each day for several days before the holiday.

Homer Aldridge was dismissed from the hospital Friday of last week where he had been a medical patient.

R. J. Westbrook Dies Thursday

R. J. Westbrook, 72, of Pattonville, Lamar county, father of Mrs. Ivan McWhirter, local teacher, died Thursday night of last week the result of a head injury received in a fall a few hours earlier.

Mr. Westbrook had visited here a number of times, and was known by a number of local citizens. His wife passed away in August, 1954.

Mr. and Mrs. McWhirter and son, Macky Joe, left soon after hearing of the accident, but arrived after his death. Funeral services were held Saturday at Mount Pleasant Baptist Church, near Deport.

All eight of his children were present for the funeral.

Maurice King of Lamesa, owner of King Roofing Co. of that city, who was born in Tahoka the son of the late Ben King, has been here this week doing some roof work.

N. E. Wood's Brother Dies At Linden

Cecil Wood, 55, of Linden, brother of N. E. Wood of Tahoka, died unexpectedly Tuesday night at about 10:00 p. m. He was ill only about two and one-half hours. Wood was the vocational agriculture teacher at Linden. N. E. Wood flew to Linden Wednesday.

Funeral services were held Thursday at 2:30 p. m. He is survived by his wife, one son, Ralph of Commerce; two brothers, N. E. and Grady, the latter of Holdenville, Okla.; and two sisters, Mrs. R. C. Dudley of Hughes Springs and Mrs. Al Sheiman of Texarkana.

With the rising toll of highway deaths in the state, many of them rural residents, the Texas Farm and Ranch Safety Council urges drivers to slow down when driving on rural roads. Because all road intersections are not marked, they advise slowing to a stoppable speed before crossing any road. Farm traffic is considerably heavier at this season, and hence, the extra caution.

TRAVIS WALKER COMPLETES RADIO RELAY COURSE

Army Recruit Travis W. Walker, son of Mr. and Mrs. Hubert W. Walker, Route 1, O'Donnell, recently completed the eight-week radio relay and carrier operation course at The Southeastern Signal School, Fort Gordon, Ga. Walker was trained to operate and maintain radio relay systems and carrier equipment. The 21-year-old soldier entered the Army in June 1960 and completed basic training at Fort Hood, Tex. He was graduated from Borden County High School, Gall, in 1958 and attended Sul Ross State College, Alpine, and Howard County Junior College, Big Spring.

Farm Home Near West Point Burns

The residence on the Clay Bennett farm a mile and a half north of West Point, occupied by Mr. and Mrs. Jack Reynolds, was completely destroyed by fire last Thursday night.

Mr. and Mrs. Reynolds were away from home, and it is not known how the fire started, but someone at West Point turned in the alarm, and Tahoka Fire Department went to the scene. The house and all the Reynolds' furnishings and clothing, except that which they were wearing, were destroyed. They had only a small amount of insurance.

Mr. Reynolds had gone to Whiteface for an Oddfellow Lodge meeting, and Mrs. Reynolds was visiting in town.

The house is on the old Flint Estate from whom Mr. Bennett had bought the property.

A group of friends and neighbors this week took a collection of \$862.00 for the Reynolds to help them replace some of their household belongings lost in the fire.

Smith, Trammel Operating Business

A. L. Smith and B. O. Trammel took charge of the Tahoka Delicatessen and Frozen Food Lockers Monday morning, having purchased the business from Turner Rogers.

Mr. and Mrs. Trammel will be in active charge of the business, moving here from Lubbock. The Trammels lived here from 1945 to 1951 and worked for Mr. Smith. He is an experienced butcher. Mr. Smith was formerly in the food store business and formerly operated this same business, and since has been in the slaughtering business.

The firm will continue to serve meals cafeteria style while dealing in fresh meats and operating the locker plant. It will also feature slaughtering, meat processing and butchering.

A basic conservation plan has been developed on the E. E. Caloway farm located five miles northeast of Tahoka. The plan includes terracing, contour farming, crop rotation and use of crop residues to retard wind erosion and for soil improvement.

Approximately 1000 feet of twelve-inch underground concrete pipe will be installed on Frank Schneider's farm located five miles southwest of Wilson. The underground pipe will serve as a main line for transporting water without loss by seepage and evaporation. The pipe will be cost shared through the Lynn County A. C. P. Program.

Terrace lines have been run on W. L. (Cap) Rowe's farm located approximately seven miles southeast of Tahoka. The terrace system is part of a complete soil and water conservation plan being installed on the farm with cost share assistance being offered under the Great Plains Conservation Program.

Approximately two miles of terrace lines have been run on the G. Gandy farm located approximately five miles southeast of Tahoka. The terraces will be constructed and all farming operations will be on the contour following terraces.

Scouting News

(By Ed Redwine)

The monthly meeting of Pack 82 was held Tuesday night the 29th at the City-Legion Building with approximately 80 people in attendance.

Den 6 opened the meeting with an impressive flag ceremony. They were followed in succession by Den 4 with a skit, Den 1 with stunts, and Den 5 presented a pantomime entitled "The Flying Purple People Eater." Awards were then presented to Jim Huey (Lion), and Max Bentley (Wolf). Billy Applewhite, Jim Huey, and Jim Adams received one year service stars.

Immediately following the Cub awards two special awards were presented to Den Mothers, Mrs. Helen Jaquess and Mrs. Elsie Eerooks. The awards were presented by Granvel Ayer, Pack Committeeman and Institutional representative for Troop 21. Following awards, Den 6 gave a skit on Cubbing 50 years from now. Den 7 presented a skit on "Moon Youngsters that wanted to become Cub Scouts." Den 7 closed the pack meeting with a song.

I would like to say something about the Den Mothers of Pack 82. As Cubmaster, I usually work pretty close with these women, and while serving in that capacity I have found that all of them can be depended upon for anything that needs to be done.

Some people think of the Den Mother as a lady who has a group of boys in her home for one hour every week. But a Den Mother's duties doesn't stop there. For her, Cubbing lasts all week. She is always on the lookout for new ideas that can be applied to meetings, picnics and outings. She thinks about "Her Boys" and what she can do to help them grow straight and strong both physically and mentally. In my opinion Den Mothers are a special kind of women, for not every woman would attempt to undertake the load that these women have. The next time you see one of Pack 82's Den Mothers tell them how much you appreciate them working with your children.

And if you don't know all of the Den Mothers, here is a list of them: Mrs. Helon Jaquess, Mrs. Elsie Brooks, Mrs. Dorothy Roberts, Mrs. Levetta Wood, Mrs. Ruby Chancy, Mrs. Lucille Ayer, Mrs. Jean McCord, Mrs. Turner Rogers, and Mrs. Virginia McClintock. Thank you very much ladies. Talking about Den Mothers, I am reminded of this following piece that came out of Scouting magazine.

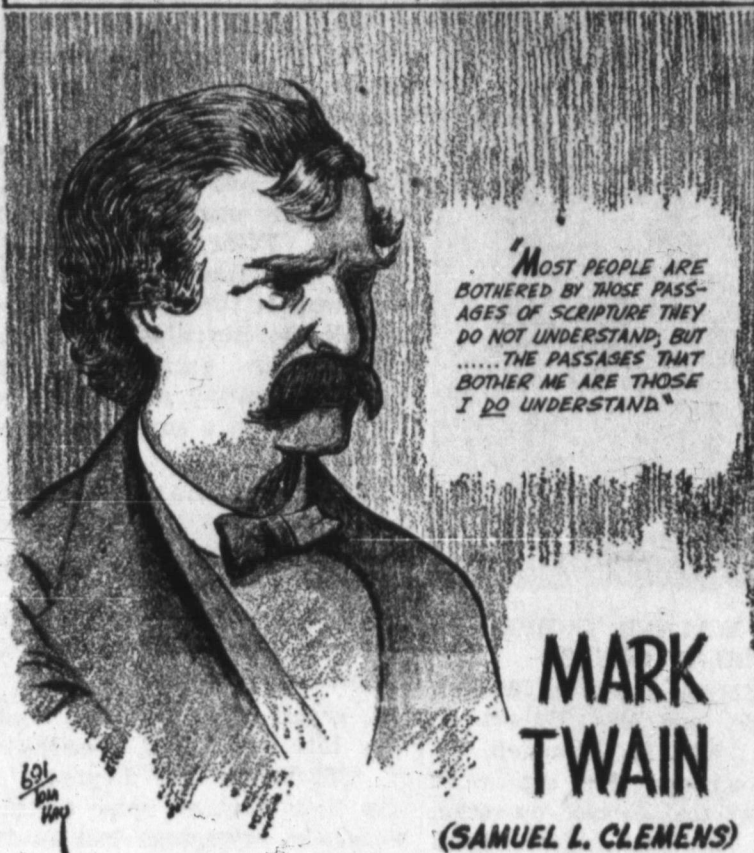

"A Cub Scout was the principal in a suit to determine whether the court should name his father or his grandfather as his legal custodian. After hearing the case, the judge called the boy and asked, 'If you had your choice who would you live with?' The boy hesitated a moment and answered, 'If I had my choice, I would rather live with my DEN MOTHER.'" Scoutmaster Rush Dudgeon of Troop 21 informs us that Troop meeting night has been changed to Monday night at 7:00 p. m. in an effort to get more Scouts out to the meetings.

That's the SCOUTING NEWS for this week.

The Bible Stirs Man's Conscience

Everyday Religion

By J. B. Thompson

Once again we are in the light and glow of Christmas. Teeming as it does with upperworld disclosures and thrilling with inward wonder. It is, unquestionably, the fountain of eternal hope for mankind. What other story, old but ever new, is so eagerly told and retold by the human heart? What other story has in it so much of hope and joy and gladness than the Christmas story?

Christmas gathers peoples of all climes, and all conditions, within its vast and tender heart, making them all rejoice with joy unspeakable and full of glory. Our Christian Christmas stands solitary and unapproachable in human annals. But, the real spirit of Christmas will not come to us automatically. It must be sought after. It must

be planned for and entered into with deliberate purpose if we are to feel the warmth and glow of its message. You have to "get ready for Christmas."

The heart of the Christmas message is the spirit of giving. "God so loved the world that he gave" is the watchword of His revelation. He gave and we enter into the spirit of Christmas as we give of ourselves and our means to make others happy. God gave; we must give.

This writer wishes for each and every reader of this column, the most joyous and rewarding Christmas Season and a New Year of happiness and prosperity as we seek to live the "everyday religion."

Lt. Col. Cooper Is Visiting Here

Lieutenant Colonel Truett Cooper, wife and two children, who recently returned from Germany, are here visiting his parents, Mr. and Mrs. E. J. Cooper, and other relatives, and her mother, Mrs. G. E. Knight in Lubbock.

After the Christmas holidays, Lieut. Col. Cooper will be stationed at Fort Monroe, Virginia, with the Headquarters Continental Army Command.

They arrived back in the United States on November 25 from Stuttgart, Germany, where he has been with the Seventh Army Headquarters for a year and a half prior to that was an Artillery Battalion commander. They lived in Germany nearly three years.

They recently adopted a year old girl, Linda. They also have a son, "Butch".

Col. Cooper reports that relations between the Army and German officials and people are excellent. He says the German people realize that we need each other, in spite of the fact that we are their conquerors, in defense against Communism. These relations are helped by German-American Clubs in which local differences are worked out.

Although they enjoyed their stay in Germany, they are glad to be back in the States.

Cooper has had a varied Army career in about 20 years of service, and has been slated for bigger things, although advancement in the peace-time army is slow.

After graduation from Tahoka High School, he attended Texas A&M, where he was a leader in military affairs, and following his graduation was commissioned a second lieutenant. Entering the Army, he was with the first Cavalry in the Pacific Theatre of the war, coming up from Australia in fighting by way of the Admiralty Islands and the Philippines to Japan, much of the time attached to General Douglas MacArthur's

staff. For two years, 1946-1948, he was food administrator of Korea. Later, he was arms advisor to the government of Turkey. Returning to the States, he saw duty at Fort Sill, followed by services on the military faculty of St. Mary's University in San Antonio. Then, he attended the Command General Staff College in Fort Leavenworth, Kansas, before being assigned to Germany.

4-H Clubs for girls because of her achievements in her own club and that of the county. This year she is president of her club at New Home and attended the leadership camp in Lubbock last spring. Some of her achievements this year have included the award of high point junior girl in the county bake show; first place individual in the dairy foods demonstration in her age group; blue ribbon winners in the dairy foods demonstration in the tri-county contests held at Snyder; and modeled a blue ribbon dress at the county dress revue.

Jack Wood, also a receiver of the highest honor that can be bestowed upon a 4-H Club member on a county level, has extensively worked with cotton, and beef cattle. In 1956 Wood exhibited the reserve grand champion steer at the South Plains Junior Fat Stock Show; in 1959 he showed the fourth place lightweight steer in the Southwestern Junior Livestock

Bonnie Hale, junior at Tahoka High School, was dismissed from Tahoka Hospital Tuesday where she was treated for a head-injury sustained in a basketball game Saturday night during the tournament.

was injured. Brazil was attempting to park about a block north of the traffic light on the Lubbock highway. Hays, who was following the Brazil car, was unable to avoid the collision, officers reported.

Tuesday night near O'Donnell, a Latin American and his family were returning home following cotton harvest, when their vehicle skidded on ice, causing the trailer it was pulling to overturn, scattering their belongings over the highway. No one was injured.

Two accidents were reported Wednesday morning, but one Wednesday morning, both one-car mishaps.

A Mr. Booker from Washington, traveling on U. S. 380 at 11:00 a. m. Wednesday, was the driver of a car that skidded on ice near West Point and hit a fence. He was taken to Brownfield, although officers said he apparently was not injured.

At about 10:30 a. m. a car turned over about five or six miles north of Tahoka on U. S. 87, and although officers did not know the identity of the driver of the car, they reported he was not injured. The car was able to continue its journey after being set right-side up.

Mrs. Hardy . . .

(Cont'd. from Page 1)

Funeral services were held at 2:00 p. m. in the First Methodist Church here with the pastor, Rev. J. B. Thompson, and Rev. Joe McReynolds of Midland officiating. Burial was in City of Lubbock Cemetery under direction of Stanley Funeral Home.

Survivors include one daughter, Mrs. Honeycutt of Tahoka; one son, Dr. W. B. Hardy of Big Spring; four grandchildren, James Hardy Eubanks of Midland, Mrs. Lewis Cowan of Lubbock, James M. Hardy of Big Spring, and W. B. Hardy Jr. of Cleveland, Ohio; and seven great grandchildren.

W. G. Pennington remained a patient in the hospital for the fifth consecutive week, hospital staff reported this week. He received broken bones in both of his legs and feet in a gin accident in O'Donnell.

Farm Facts

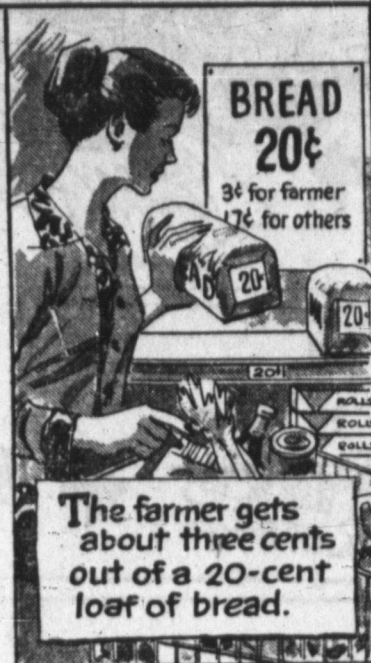

Because bread is a basic item in our diet, its price is an item of some concern in the average family's grocery budget. Consumers, therefore, are likely to be irritated and perplexed when the price of bread rises while surpluses of wheat are being publicized widely. Sometimes they blame farmers.

Actually, the farmer's share of the money spent for a loaf of bread is less than it was back in the late forties.

According to a House Agriculture Committee report, the farm value of wheat in a loaf of bread in the 1947-49 period amounted to 2.7 cents as compared with 2.4 cents in 1958. Yet the average retail price of a pound loaf of bread rose from 13.5 to 19.3 cents in the same years.

Over-all, the average worker's family paid 13 per cent more and farmers got 8 per cent less in 1958 for the same kinds and quantities of food purchased in 1947-49.

The committee report, however, calls attention to another significant fact: "In spite of the increased costs of

processing and marketing in the last few years, food continues to be cheaper in relation to the wages received by consumers than in any period of our history or in any country in the world."

Tahoka, Frenship Split Two Games

Tahoka split two cage games with Frenship there Tuesday night, Frenship slipping by the Bulldogs 45-42 and the local girls taking their game 41-38.

The lead changed hands many times during the boys game, and Tahoka led at the end of the first quarter 9-8 and at the end of the third quarter 31-30. Frenship held a 19-16 lead at the half. Jimmy Stapleton and Mike Burgamy made 16 points each for the winners and Frank Greathouse made 14 for Tahoka.

Judy Thomas made 14 points, leading her team to victory for Tahoka, while Sherry Burgamy also made 14 for the losers.

In the girls B game, Frenship won by a score of 34-22.

Guadalupe Olvera, who works for Farmers Co-op Gin, received a burned right foot this week when he was working near the burr pit. He was admitted to Tahoka Hospital.

Mrs. C. J. Carpenter underwent surgery Wednesday afternoon in Tahok Hospital.

McAdoo, Slaton Winners In Tournament, Tahoka Boys, Girls Take County Title

Tahoka boys and girls lost their own tournament to McAdoo and Slaton, respectively, but were able to latch on to the county championship titles, the boys for the second time in a row and the girls for the first time, taking the traveling trophy given by the Tahoka Chamber of Commerce away from Wilson girls.

McAdoo boys took the championship title by defeating Tahoka 44-35, while the Slaton girls won a first place slot 68-53 over the local team.

It was just not Tahoka's night at the gymnasium, because besides losing both championship games, Bonnie Hale and Frank Greathouse received injuries, taking the latter out of the game in the second quarter with a foot injury. Miss Hale received a concussion on a foul that removed her from the game.

Taking third place trophies were Slaton boys, who won over Wilson 74-41, and McAdoo girls, outscoring Wilson 65-40. Winning the consolation titles were O'Donnell boys over Frenship 49-43, and the Ropes girls over New Home 26-17.

Championship Games
In the boys' finals, Tahoka took a 11-6 first quarter lead, and still held on by a one-point margin at the end of the half, 20-19. McAdoo proved to be too much for the local five, and led 33-27 at the end of the third period. Cherry Eldridge, who thrilled the crowd with his dribbling technique, scored 17 points with L. Morris tossing in 7. Frank Greathouse made 8, and Andy Bray 6 for the losers.

Slaton controlled the girls finals, although the local team never let up. The winners led 10-6 at the end of the first period, 33-27 at halftime, and 50-38 at the end of the third. The "Judy's" took scoring honors, Judy Dunn topping the list for Slaton with 29, helped by teammate Judie Bishop with 18. Judy Thomas made 23 for Tahoka, Loretta Short scored 18, and Kay Halameck 10.

Third Place Games
Slaton boys also added a trophy to their collection by defeating Wilson for third place, while the winners ran up the highest score of the tournament, 74 to 41. The Tigers led 23-10 at end of the

first stanza, held a 41-18 margin at the half, and a 54-31 lead at the end of the third. However, Leroy Schneider of Wilson held scoring honors with 22 points and Bobby Crowson made 13. Tommy Claiborne and Larry Burk made 21 and 29, respectively, for the winners.

McAdoo outscored Wilson girls to win third place 65-40 in a game that saw them lead 16-9 in the first quarter, 29-18 at halftime, and 56-28 in the third. Gayle Hardy burned the basket with 39 points, the highest individual score in one game, aided by Tommie Harris' 16. However, Carol Lamb poured in 26 points for the losers.

Consolation Finals
O'Donnell took home a consolation title trophy when the Eagles defeated Frenship in a hard fought battle 49-43. Wendell White led his team with 14, while Buster Snellgrove and Fernando Lopez each made 13. Jim Stapleton and Mike Burgamy each made 10 for the losers.

Ropes outscored New Home 26-17 to win a consolation berth in the girls' division. Sharla Biggs made 12 points for the winners and Becky Gregg eight for New Home.

County Championship Games
In the semi-finals of the tournament, Lynn county champions were named when Tahoka boys defeated Wilson 47-31. Wilson led at the end of the first stanza 11-10, but lost their lead in the second when the Bulldogs pulled ahead 25-17. The score stood at 34-23 at the end of the third.

Frank Greathouse led Tahoka with 19 points and Charles Walton made 9 for the losers.

Tahoka girls also had to beat Wilson to win the county title and did so 57-44 with Judy Thomas having her best night with 28 points, and Loretta Short and Kay Halameck 15 and 12, respectively. Carol and Doris Lamb led Wilson with a hot 25 and 11 points.

In other second round games O'Donnell beat New Home 62-30 in a boys battle that saw the Eagles lead 12-11 at the first quarter, 30-16 at halftime, and 48-22 at the end of the third. Charles Burleson led his team with 15 points, followed closely by Lopez' 14 and White's 13. Ronald Wyatt made 11 points for the Leopards.

New Home girls found revenge in defeating O'Donnell 49-29 in a second round game with the team from northern Lynn county leading 14-8, 24-14, and 33 to 21 at the end of the first three periods. Joyce Swinson made 20 for the winners, while Sharon Blakney and Becky Gregg scored 15 and 12. Molly Hensley made 16 for O'Donnell.

McAdoo beat Slaton 60-57 to win a place in the finals with Eldridge scoring 23 and Morris 15 for the winners. Slaton's Burk made 18, helped by Claiborne's 15 and Neely Comer's 14.

Slaton girls downed McAdoo 51-47 with Judy Dunn's 35 points and Judie Bishop's 14. Gayle Hardy scored 30 and Ethel Scott 10 for the losers in the battle for a chance at the finals.

Frenship edged past Ropes 42-41 in the consolation semi-finals with Stapleton leading the winners with (Cont'd. on Back Page Sec. 2)

Tahoka Playing In Tournaments

Tahoka boys and girls, eighth grade boys and girls will be playing in tournaments at Abertnathy and Union Thursday, Friday and Saturday, and the varsity boys will play in the second game of a double header Friday night in Seagraves, when the new gymnasium there will be dedicated.

Tahoka boys meet Roosevelt in their first game of the Abertnathy tournament at 6:00 p. m. Thursday, followed by the Tahoka-Roosevelt girls game at 7:10 p. m.

Winners of the boys game will play the winner of the Frenship-Slaton game at 1:00 p. m. Saturday, while the loser plays at 9:50 a. m. Saturday. Girls team winning the first game will play the winner of the Crosbyton-Abertnathy game at 11:00 a. m. Friday, and the loser at 8:40 a. m. Saturday.

Eighth grade boys and girls will meet Grady in the Union tournament, the boys at 1:00 p. m. Thursday and the girls at 12:00 noon Thursday.

Varsity boys play Seagraves at 9:00 p. m. Friday in a dedication game of the new gymnasium. First game of the double header will be Seminole and Dimmitt.

Teams entered in the Abertnathy tournament, boys and girls, include Hale Center, Cotton Center, Crosbyton, Abertnathy, Roosevelt, Tahoka, Frenship and Slaton.

On Tuesday, Dec. 13, Idalou varsity boys and girls and "B" boys come here with games beginning at 6:00 p. m.

The ninth grade and Tahoka "B" boys go to Abertnathy for games on Monday, Dec. 12, that begin at 6:00 p. m.

ARTHUR WUENSCHER FAMILY MOVING TO BARTLETT

Mr. and Mrs. Arthur J. Wuenschel and their son, Gilbert Wuenschel and wife and three little daughters, residents of the Wilson area for a long time, are moving to Bartlett, Route 1, in Central Texas.

The Arthur Wuenschels have lived on the South Plains for 27 years, have long been one of the leading farmer families of the Wilson area, and many friends will regret to see them leave this county.

Mr. Wuenschel writes The News: "We still want to keep in touch with all our good friends through your wonderful paper—enjoy every bit of it."

Larry Hagoods In Auto Accident

Mr. and Mrs. Larry Hagood were given emergency treatment at Methodist Hospital Sunday night after they were involved in a collision with a station wagon on Highway 87 at the intersection of Slide road, Farm to Market Road 41.

The Hagoods, also driving a station wagon, were traveling north on Highway 87 when the vehicle driven by Hurlen Haskell Lemon, 28, of Roaring Springs, came onto the highway off the farm road.

Mrs. Hagood received bruises, and Hagood received lacerations. Both cars were completely demolished.

The Texas Highway Patrol in Lubbock reported that Hash's vehicle was struck from behind by a pickup truck driven by Richard D. Baskin of Lubbock. The collision apparently ignited the gasoline tank and the station wagon burned.

Tony Tredt, another occupant of Hash's vehicle, sustained burns from the waist down and required emergency treatment at the Rumbos Clinic and Hospital in O'Donnell.

Baskin sustained broken ribs and other internal injuries and was taken to Tahoka Hospital.

O'Donnell Mayor Hurt In Wreck

Two persons were injured in a two-vehicle collision about three miles north of O'Donnell on U. S. 87 about 11 p. m. Wednesday night of last week.

O'Donnell Mayor L. J. Hash and W. E. Singleton, a passenger in Hash's vehicle, escaped with slight cuts.

The Texas Highway Patrol in Lubbock reported that Hash's vehicle was struck from behind by a pickup truck driven by Richard D. Baskin of Lubbock. The collision apparently ignited the gasoline tank and the station wagon burned.

Tony Tredt, another occupant of Hash's vehicle, sustained burns from the waist down and required emergency treatment at the Rumbos Clinic and Hospital in O'Donnell.

Baskin sustained broken ribs and other internal injuries and was taken to Tahoka Hospital.

AMERICA'S LOWEST-PRICED 6-PASSENGER CAR!
Sometimes I amaze myself!

FALCON TUDOR SEDAN, with standard trim, is America's lowest-priced, 6-passenger car. Car shown has deluxe trim and whitewall tires, optional at extra cost.

Even more amazing, Falcon is priced as much as \$505† less than the new-name compacts recently introduced. But maybe you think more money means more compact car? No! Fact is, Falcon gives you more—much more—of what you buy a compact for.

You see, these new high-priced compacts are just too big and heavy to handle and park as easily as Falcon. That's why they make extra-cost power brakes and steering available. With all their excess bulk, how would they go up to 30 miles on a gallon like Falcon? And although they're bigger outside . . . where you don't want it . . . they have about the same room as Falcon inside. Falcon takes 6 people in the same comfort and luxury as the highest-priced compacts.

Pay more? What for! Only Falcon has that winning combination of compact features. That's precisely why Falcon is America's best-selling compact car . . . over 500,000 richer owners already!

Printer's Ink-lings

By F. P. H.

Here it is Christmas again!

Last week, this column mentioned the crowded condition of the courthouse room in which South Tahoka citizens vote. We are assured this condition will be improved as soon as the new jail is completed. We intended no reflection of county or election officials, as they have had to do the best they could in the space available.

An election official calls attention to another thing that has caused some dissatisfaction among some voters who do not understand. In cities of less than 10,000,

the polls open at 8:00 a. m. The daily newspapers and radio and TV stations in the cities urge the people to vote early and announce that polls open at 7:00 a. m. Nearly every election, people start turning up at the polls in the smaller cities and rural precincts before 8:00 and are "put out" when they find the polls not yet open. Some of them wait until 8:00, then election officials show up and maybe some of them are a minute or two late. Then, workers have to be sworn in before voting starts. Next election, if we don't forget it, we'll publicize the fact that all election polling places open at 8:00 a. m. in Lynn county.

There may be serious election irregularities in some places, but we have never heard of any in Lynn county. We are glad that our own officials ever try to do an honest, fair, capable, and impartial job, and their work is merely a community service, as they get very little pay for the work they do.

Some Friday mornings, The Printer is almost afraid to come to work for fear of meeting some irate reader with some complaint about a mistake in the paper, or about something we have said which he does not agree, or about some wrong impression we have left.

The News is operated by humans (?), and like anyone else, is pleased when appreciation is expressed. We were almost flabbergasted last week by a flowery tribute paid by Granvel "Ayer-Way" when he presented us at Rotary Club a certificate from the Boy Scouts of America in "appreciation to The Lynn County News in recognition of significant service rendered in connection with the Fiftieth Anniversary Celebration of the Boy Scouts of America during 1960, the Golden Jubilee Year".

A few days before, we had received a similar certificate from the 4-H Club of Texas, presented by County Agent Bill Griffin. "In

recognition of support given to the Texas 4-H Club program," signed by H. E. Burgess, chairman of Texas 4-H Club recognition committee; W. L. Stangel and Roy B. Davis, directors; John E. Hutehinson, Extension Service director; and Floyd Lynch, State 4-H Club leader.

We deeply appreciate these recognitions, and all we will say is that we consider it the duty of any newspaper worth its salt to help promote such worthy programs as these two.

A lot of people have a good aim in life but never pull the trigger.

Irby Carruth, whose parents once lived at New Home, now superintendent of schools at Austin, is one of two nominees for president of the American Association of School Administrators. The Printer went to school with Irby and wife, "Tip" Bradford Carruth, at West Texas State.

Bill Balch, the New Home capitalist who doesn't want any more land except that adjoining him, has had a hard time sleeping the last two Friday nights. He failed to receive his News twice in a row and went to bed irritable, nervous, and upset. Come to think of it, he may have been in worse shape if he had read the paper.

It used to be Connolly (or Connolly, we don't know which) and Durwood Unfred, but then came the war and since then they've come to be known as L. C. and Joe D. Unfred. If we owned a big business, we'd like to have old L. C. as director of the budget and Joe D. as our public relations man. They ought to be tops in these fields.

And while we're on the subject of New Home citizens, we may as well report that the Wayman Smiths are about to become the

grandparents of twin girls. Their son, Billy G. Be and wife of Seagraves have received approval for adoption in the next few weeks of little twins. They have a son of their own, age nine.

Bill McNeely says Ruby recently picked a mustard greens leaf from their garden that measured 16 inches wide and 22 inches long. He wonders if this is not some kind of a record.

"Where did you get those pretty big black eyes?" Pete Hegel asked little Joel Carter, age three, son of Sam and Anna Jo Carter. "They comed with my face," Joel replied.

Since that newspaper publisher down-state robbed two banks, Charley Verner eyes The Printer with suspicion every time he walks into the First National to cover an overdraft.

Following is from The Echo, monthly paper published by inmates of Texas Prison System (population 11,312 on Sept. 30): You can't find in real life anything that will last a lifetime; you find it only inside yourself—something essential and profound. It is something that leads from joy to pain, from pain to no illusions, from there perhaps back to the joy of living; and it is there, inside, that life is shown as the only object of eternity that means anything.

It Pays To Advertise! He who has a thing to sell And goes and whispers it in a well,

Is not so apt to get the dollars As he who climbs a tree and hollers.

Teacher. Why haven't you studied your geography, Willie? Willie: Well, I heard my father say the world is changing every day, so I thought I'd wait until it settles down.

"Is there ever a time when so many people from all parts of Lynn county get together as at this basketball tournament," remarked a man from O'Donnell last week at the local gymnasium. The gym was almost filled for most games the three-nights of the tournament. Sportsmanship was the best on the court, and fans from the area seemed to have a good time visiting in the lobby between games. This tournament is one of the best good-will events Tahoka has ever put on.

A McAdoo lady attending the tournament was heard to remark that she did all her Christmas shopping in Tahoka. Randolph Rutherford said he sold a McAdoo lady more than \$100 worth of merchandise, and many others from out of town and county turned up at his store last week end—one lady with his advertisement in her hand with the items marked that she wished to buy.

Another great lady has passed away. Mrs. Ben Hardy was one of

ONE-STOP SHOPPING FOR A NEW CAR at your Chevrolet dealer's!

Now you can make your car-shopping rounds the easy way—all under one roof! For '61 your Chevrolet dealer offers nearly any type of car you could want—at the kind of price that'll make you want it all the more. There's a whole new crop of Chevy Corvairs with lower priced sedans and coupes and four wonderful new wagons unlike any ever built before in the land. There are new Chevy Biscaynes—the lowest priced full-size Chevrolets, beautiful Bel Airs, elegant Impalas, six easier loading Chevy wagons, including three 9-passenger models.

Come in and pick and choose to your heart's content!

New '61 Chevrolet NOMAD 9-PASSENGER STATION WAGON
There are six easier loading Chevrolet wagons for '61—ranging from budget-pleasing Brookwoods to luxurious Nomads. Each has a cave-sized cargo opening measuring almost five feet across and a concealed compartment for stowing valuables (with an optional extra-cost lock).

New '61 Chevrolet IMPALA 2-DOOR SEDAN
Here's a new measure of elegance from the most elegant Chevrolets of all. There's a full line of five Impalas—each with sensible new dimensions right back to an easier-to-pack trunk that loads down at bumper level and lets you pile baggage 15% higher.

New lower priced '61 CORVAIRE 700 CLUB COUPE
There's a whole crew of new Chevy Corvairs for '61—polished and perfected to bring you spunk, space and savings. Lower priced sedans and coupes offer nearly 12% more room under the hood for your luggage—and you can also choose from four new family-lovin' wagons.

New '61 Chevrolet BEL AIR SPORT SEDAN
Beautiful Bel Airs, priced just above the thriftiest full-size Chevies, bring you newness you can use: larger door openings, higher easy-chair seats, more leg room in front, more foot room in the rear, all wrapped up in parkable new outside dimensions.

New '61 Chevrolet 4-DOOR BISCAYNE 6
NOW—BIG-CAR COMFORT AT SMALL-CAR PRICES—Chevy's new Biscaynes, 6 or V8, are built to save in a big way. They offer a full measure of Chevrolet quality, roominess and proved performance, yet they are priced right down with many cars that give you a lot less.

THE ORIGIN OF FUTURE TB CASES

Most new cases of tuberculosis will come from people now infected. The 20 per cent of our nation's population estimated to have been infected with TB germs sometime in the past will contribute three out of four of the new cases in the next few years. The rest will come from people not now infected. Christmas Seal donations help to find these infected people.

14, while Ropes' Buford Moore made 9.

The girls game was another story, Ropes outscoring Frenship to win 39-31, with Sandra Ward and Sharla Biggs scoring 20 and 13, respectively, for Ropes. Gwen Burks and Sherry Burgamy made 15 and 10 for the losers.

First Round Games
Winning first round games were Tahoka boys over O'Donnell 51-40, with Frank Greathouse scoring 20 for the winners and White and Snellgrove 14 and 12 for the Eagles.

Wilson knocked out New Home 36-32 when Wesley Menzer made 11 for the Mustangs and Marlowe Rudd, 16, and Wyatt, 13, for the Leopards.

Tahoka girls won over O'Donnell 45-32, Loretta Short leading with 18 points, Kay Halameck with 14, and Judy Thomas with 12 for Tahoka while Molly Hensley made 15 and Betty Lang 13 for O'Donnell.

Wilson girls also defeated New Home 37-35 when Doris and Carol Lamb made 18 and 15, respectively, and Becky Gregg scored 21, leading the losers.

All the above first round games were reported in more detail in the last week's edition since the games were played on the previous Tuesday.

In the bottom bracket, McAdoo defeated Frenship 44-32 and led at the half 29-14. Eldridge made 17 for the eventual tournament champions and Morris aided with 10. Stapleton scored 15 for Frenship.

Slaton downed Ropes 58-50 in a tight battle, leading only 25-24 at halftime, and 36-35 at the end of the third. Ronny Jones paced the Tigers with 18 and Comer poured in 11. Buford Moore of Ropes tied for top honors with 18.

Frenship also bowed to McAdoo in the first round 49-35 with the halftime score at 26-17 for the winners. Gayle Hardy and Tommie

PRINTER'S INK-LINGS

(Cont'd. from Page 3, Section 2) will celebrate Christ's birthday by getting polluted.

Mrs. Charles Townes sent in the following she clipped from some newspaper:

What can an ordinary American family do to "Keep Christ in Christmas?"

Here are eight simple, practical suggestions from the Methodist magazine Together:

- Attend the services in your church.
- Give gifts to those outside your circle of family and to friends who cannot repay you in kind. Break the habit of gift swapping.
- Write a note of appreciation to someone who, during the year, did some outstanding public work in an unselfish manner, or whose words or deeds were an inspiration to you. Written words are especially appreciated.
- Phone or call on some lonely person and wish him a Merry Christmas. You may be his only caller the whole season.
- Send a cash gift through a church or charitable channel to needy people overseas. You will be helping people who will never know their benefactor. Remember, when you give alms, give them in secret, and "your Father who sees in secret will reward you."
- Invite someone to eat Christmas dinner with you—a foreign student, perhaps, who cannot repay you in kind.
- Provide your minister with a cash gift for someone in need specifying that he not reveal your name.
- Get down on your knees and thank God that you are living in a land so blessed with riches that it is possible for you to be on the giving instead of the receiving end.

DON'T SHOOT INSULATORS

ELECTRIC SERVICE LINES
Fall and its hunting seasons often mean additional headaches to utility line repairmen when careless hunters thoughtlessly shoot out insulators on electric transmission lines.

These hunters don't realize that shooting insulators on the electric power line poles often cause a lot of expensive trouble. A number of broken insulators may cause an inconvenience to an entire community or business section by interrupting electric service until a line crew can find and repair the damage.

A total of 303,218 airplanes were produced in the United States during World War II years.

Harris shot 28 and 12 points, while Kay Conrad and Gwen Burks made 14 and 10 for Frenship.

Slaton girls won over Ropes 52-41, leading 22-19 at halftime, when Judy Dunn made 23 and Judie Bishop 22 for the winners, and Ropes' Sharla Biggs scored 20 and Sandra Ward 14.

All-Tournament Teams
Chosen for the boys' all-tournament team were Cherry Eldridge of McAdoo, Frank Greathouse of Tahoka, Leroy Schneider of Wilson, Charles Burleson of O'Donnell, and Neely Comer of Slaton.

Picked for the honor sports on the girls' all-tournament team were Jeanette Buxkemper, guard, Wilson; Judy Dunn, forward, Slaton; Gayle Hardy, forward, McAdoo; Sharon Drager, guard, Tahoka; Judy Thomas, forward, Tahoka; and Rita Van Meter, guard, McAdoo.

Dee Lindley Kills Bear In Colorado

Last Oct. 17 is a day Dee Lindley of Ropesville, and formerly of Tahoka, will always remember.

That is the day he killed a six foot, six inch bear while on a deer hunting trip near Cortez, Colo. with Orate Snider and Ropes, and H. G. Franklin and Orville Phifer of Petty. Oldtimers, upon seeing the head and pelt which it took two hours to obtain, said it is probably the largest bear ever killed in that area.

Lindley and Snider were hunting deer, when Dee saw the bear jump about 20 feet away from him.

He shot the animal in the left shoulder, causing him to somersault. The bear got up, and took about three steps toward Lindley, who kept shooting. Every time he shot, the bear dropped, and finally lumbered into dense brush and down the walls of a canyon.

At this point, Dee called to Snider, who began firing at the animal. The bear went down to the floor of the canyon, across a stream and about a quarter of the way up the canyon wall facing the hunter. He became tired and returned to the stream.

Finally Lindley's last shot dropped the bear for the last time. It had been hit eight times. It was

six hours from the time Dee first sighted the 800-pound bruin until the men returned to camp three miles away.

Lindley said there was so much fat under the bear's hide that the bullets couldn't penetrate to the hoallow.

On the trip Franklin succeeded in shooting an elk and one buck, and Phifer got a 10-point buck.

With cold weather approaching, and since the present supply can not possibly take care of the children needing clothing Mrs. McCord urges anyone having used clothing to please bring it to her office in the North Elementary School.
