Three Inches Snow Helps County Soil

Lynn county residents awoke to a winter wonderland scene Wednesday morning after about three inches of snow had covered the ground in the early morning hours.

The snowfall was a complete surprise since predictions had called for clear and warm weather.

The snow was preceded by rain and intermittent snow throughout the day brought Tahoka a moisture measurement of .65 of an inch representing the first precipitation in Lynn county in 1961. Wilson area was reported to have received from four to five inches of snow.

Before the Wednesday snow, farm land was in good shape for another crop year after Tahoka received 13.50 inches of snow for moisture measuring 1.67 inches in December.

One farmer east of Tahoka recently commented that it was the first time he had ever seen his land too wet to plow in January.

With most of the cotton already in, the snowfall Wednesday morning was a welcome sight and boosted even higher the already good prospects of a good crop year in 1961.

Friendly Visit Saves Life of Local Lady

Mrs. J. A. South narrowly escaped with her life last Friday afternoon when she was asphyxiated at her home on Lockwood Street.

She was found by Mrs. Otho Thomas and Mrs. C. A. Thomas when they went to her home to visit her. Upon entering, the ladies thought Mrs. South was asleep, but immediately realized something was wrong. They called the doctor, threw open the windows, and bathed her face until the doctor's arrival, who called an ambulance.

The stoves in her home had apparently been turned too high, and with the windows closed, had used up the oxygen in the house. Relatives say another few minutes in the house would have been fatal.

Mrs. South regained consciousness about 7:30 a. m. Saturday and has since been steadily improving. She was taken to Tahoka Hospital where she was treated until her release Tuesday.

New Oil Test Site Announced

Four miles northwest of Southland in extreme northeast Lynn county on an 80-acre lease, Santanna Oil Co., Midland, No. 1 Gulley will be dug as a 4,000 foot, rotary Glorieta wildcat test.

It is 3 1/4 miles north of Sunland (Glorieta, San Andres) field production, 1 1/4 miles southwest of a 4,754-foot failure and 1 mile northeast of a 4,100-foot dry hole.

Drillsite spots at 660 feet from south and 1,960 feet from west lines of Section 9, Block O, D&W survey.

Ford To Head District II 4-H

Lester Ford, 16 year old son of Mr. and Mrs. C. E. Ford, was elected chairman of District 2 4-H Club Council in Lubbock Saturday in a meeting that began the re-organization of the governing body.

Previously co-chairman have served as head of the district committee, which is being replaced by a chairman and two vice chairmen to head a council-type governing body.

Ford succeeds Gail Phillips, 17, daughter of Mr. and Mrs. James Phillips of Tahoka, and Cullen Jennings of Tulsa, who have served as co-chairmen the past year of the committee.

Diphtheria Hits Lynn County, One Fatality Is Listed Here

LESTER FORD

Two cases of diphtheria have been reported in Lynn county, one resulting in the death of a Latin American infant, five month old Radolpro Trevina Recendez of route 5, Tahoka.

The other case is that of a 10 year old boy from New Home, Eddie Huddleston, son of Mr. and Mrs. W. W. Huddleston, who is showing continued improvement.

The boy entered Tahoka Hospital Thursday of last week and was in critical condition for several days. A tracheotomy was performed and other treatment led to his improved convalescence.

Since the New Home boy's entry in Tahoka Hospital, the local hospital and Rumbo Clinic in O'Donnell have been swamped with county residents receiving Schick tests, booster shots, and diphtheria inoculations. Wednesday the local hospital had given about 850 tests and about 600 inoculations to children and adults, and were still going strong.

The State Health Department sent vaccine to Tahoka to be used for persons unable to pay for it, and on Wednesday a station was set up at New Home where school nurses administered the diphtheria inoculations to a large group. No booster shots were given, however.

Tahoka Hospital has alternately run out of Schick tests, adult inoculations and children's inoculations, but supplies of all three have continued to come in.

Late this week another shipment of inoculations from the state Health Department is expected for Tahoka and Mrs. Lillian McCord, school nurse, will have them at her disposal to administer to children whose parents cannot otherwise afford them.

Wilson has also requested inoculations for children of needy families and another order for such will be placed with the State Health Department.

Doctors and nurses urge every person who has never had diphtheria shots to either take the Schick test or diphtheria shots, and for every child under age five to receive a booster if he has not received one in the past six months.

Efforts are being made to keep the disease from growing to epidemic proportions as it recently did in Hale county, but the cooperation of citizens is necessary.

Lynn county's diphtheria fatality was the son of Mr. and Mrs. Guadalupe Recendez who farm near West Point for Olin Remfro. He was dead on arrival at Tahoka Hospital at 7:00 a. m. Friday. The child had been under treatment in Lamesa, but it was not known that he had diphtheria. However, because of the existing case in the local hospital, doctors secured a culture from the baby, which substantiated their suspicion of the disease.

There are seven other children in the Recendez family, all of whom along with their parents, were inoculated.

Graveside services for the infant were held Friday afternoon in Tahoka Cemetery under direction of Stanley Funeral Home.

The New Home youth, a school age boy, became ill during the Christmas holidays and had not attended any classes before his case was diagnosed as diphtheria. Another member of his family had previously been ill, apparently from tonsillitis.

The school nurse and the local hospital have also been swamped with telephone calls from anxious parents who have heard rumors of other cases. They ask people to keep in mind that such rumors are usually false and that any such cases will be reported if and when tests and cultures prove that diphtheria exists.

A request has been made that parents do not call the school nurse about such rumors. Reports will be made by news media or at the schools should another case be diagnosed.

On Wednesday morning Dr. C. S. Thomas said that only two cases had been seen or reported here.

Cotton Report Still Climbing In County

Tahoka has ginned an additional 358 bales of cotton this week, bringing the total production to a total of 28,558 bales.

The county has produced an estimated 142,000 bales of cotton, and ginners in Tahoka are expecting a little more to come in, possibly another 300 more bales.

On that basis the county will probably reach 145,000 to 150,000 bales of cotton when it is all in.

Former Teacher Dies In Austin Home

Mrs. Arny Henderson Maxwell, known here as Mrs. W. O. Henderson, was found dead in her home in Austin Thursday by friends who had been unable to reach her by telephone.

The details of her death and funeral services were not known by friends here.

Mrs. Maxwell, whose maiden name was Arny Houston, was born April 10, 1877. She and her first husband, W. O. Henderson, came to Tahoka in about 1925 from Whitney. He was a gin operator and was a county commissioner at the time of his death in 1941.

She was a school teacher here for many years, teaching in the lower elementary grades. At the time of Mr. Henderson's death, she had retired from the school room, but filled out his unexpired term as county commissioner before moving to Austin about 1943.

After moving to Austin, Mrs. Henderson married Judge J. W. Maxwell, who served as municipal judge in that city for 12 years before his death about five years ago.

She was a member of the Methodist Church.

She was a member of the First Southern Presbyterian Church, Thankful Hubbard Chapter of DAR, William B. Travis Chapter DRT, Delta Kappa Gamma, and the Retired Teachers Association.

Funeral services were held Saturday at 3:00 p. m. at Cook Funeral Home in Austin. Burial was in Oakwood Cemetery.

Survivors are a sister, Miss Josephine Houston, and a brother, James M. Slaughter, both of Austin.

Right-Of-Way Secured In County For Four-Lane Divided Highway

County Judge W. M. Mathis announced this week that Lynn county has completed the buying of right-of-way from Tahoka to the Lubbock county line for the purpose of constructing a four lane divided highway.

The announcement climaxed the work of many months of securing right-of-way for U. S. Highway 87, which will begin at a point two miles north of Tahoka.

Construction on two additional lanes to run alongside the existing two lanes is expected to begin this spring or summer, Judge Mathis said. However, utility lines must be moved before the State lets a contract. Gas lines have already been moved.

Money has also been earmarked by the State for the buying of half the right-of-way through the City of Tahoka, the city and county to split the cost of the other half. However, Mayor H. B. McCord, Sr. said that he expected it to be the end of 1961 or early 1962 before this money is available. A four-lane highway through Tahoka with two access roads and an overpass has been proposed to tie in the existing four-lane highway from Tahoka to the Dawson county line and the one to be constructed to the Lubbock county line.

The highway south of Tahoka was completed in 1960.

The last right-of-way to be secured north of Tahoka ended a long struggle by the Commissioner's Court to obtain the four-lane highway.

Flow an election was held which approved a bond issue to

Local Farm Leader Encouraged By Kennedy Agriculture Meeting

Wilmer Smith of New Home returned Friday from New York City, where he was in conference Thursday, along with about fifteen other farm leaders from over the nation, with President-elect John F. Kennedy; Orville Freeman, the new Secretary of Agriculture; and Vice-President-elect Lyndon B. Johnson.

Although the conference was brief, Smith returned home optimistic concerning the prospects for a farm program suitable to our needs in spite of the fact that the group did not get into specific details of the proposed program or its goals.

Smith was also highly impressed with Mr. Kennedy, who frankly stated the United States has a lot of major problems to face in addition to the farm problem and asked that all factions try to get together on a program and be prepared to give and take to such an extent that a suitable farm program can be worked out.

He announced at this meeting plans for an all-day meeting in Washington on January 26 of farm leaders, presided over by the new Secretary, to help formulate future farm policies.

Those at the New York conference Thursday represented all hues of thought on the farm program from the radically liberal to the ultra-conservative. Smith says all present seemed to sense the need for cooperation and expressed willingness to help the new administration develop policies designed to bring greater stability to agriculture and to take a broad use of American farm surpluses for economic development abroad.

Freeman said the Washington farm conference will be attended by leaders of all major farm organizations and farm commodity groups as well as farm leaders in Congress.

In answer to a query, the secretary designate said the fact that Kennedy was turning to the farm leaders does not mean that he is abandoning a farm program outlined during the presidential campaign.

That program envisioned a broad use of powers of the government—including rigid controls, production payments, price supports and other devices—to bring farm income to what Kennedy called a parity level.

Kennedy told Thursday's farm group that, "To accomplish our farm goals we need a broad base of consultation and discussion and cooperation among leaders of farm organizations."

"We also need," he said, "effective support and participation by farmers themselves and a sound understanding of our objectives and program on the part of our non-farm public."

Kennedy said he wished to emphasize the importance of stable agriculture to the economy and the implications of such an agriculture in regard to international policies. He said his administration will treat agriculture's abundant productivity as "a blessing rather than a curse," and seek to use this abundance to meet basic needs at home and to initiate what he called "a food for freedom" program abroad.

George W. Pfeifferberger of Lubbock, executive vice president of the Plains Cotton Growers, Inc, was also one of those attending (Cont'd. On Page 4)

Clean Up Drive To Begin Soon

The Phebe K. Warner Study Club is sponsoring a Clean Up campaign here that will involve cleaning vacant lots and Latin American homes and other surroundings.

A committee headed by Mrs. Roy Edwards and Mrs. G. M. Stewart will meet with Tahoka City Council at its next meeting to discuss the problems of sanitation conditions in the Latin American section. Many of the homes have no sanitary facilities whatsoever. The City has said it will furnish lime to the tenants or owners of such homes if they will dig pits for outdoor toilet facilities. Many homes do not even have outdoor toilets.

In conjunction with the Garden Club, a committee headed by Mrs. C. Skiles Thomas, is also asking every home owner in Tahoka to plant a flowering tree or flowering shrub this winter in a beautification project. The Garden Club will plant several Crepe Myrtle shrubs at the special school along with the program.

A Clean Up Week will be held sometime in the future and a date will be announced at a later time, when owners of vacant lots and homes will be asked to put forth a special effort to clear Tahoka of unsightly debris, trash, and weeds.

David Bray Is New Forum Chairman

David Bray, son of Mr. and Mrs. A. M. Bray, Tahoka, was named chairman of the Forum Committee of the Umphrey Lee Student Center at SMU for the spring and fall semesters of 1961. The Forum Committee brings national and international issues and events to the attention of SMU students, and arranges programs and personality appearances at the university.

Bray, a graduate of Tahoka High School, is a student in the school of Business Administration at SMU, and a member of Phi Gamma Delta fraternity.

Wilson Students In Honor Band

Three Wilson students are among approximately 100 members of the West Texas Honor Band who will present a concert at Monterey High School Auditorium at 7:30 p. m. Saturday, Jan. 14.

They are Fred Koenig, cornet; Keith Sander, cornet; and Harry Hewlett, baritone.

Members of the band are musicians who won All-State honors and those who rated in the regional all-star band.

Blankenship On Water Board

Elmer Blankenship of Wilson was re-elected a director of the High Plains Underground Water Conservation District Tuesday by a narrow margin over Earl Weaver of Dalou. Blankenship is currently the president of the board of directors.

The Lynn county incumbent garnered 269 votes over Weaver's 247 in Precinct 1 which includes Lubbock and Lynn counties.

Two committeemen were also chosen to serve in the district for another term, incumbents Earl Cummings of Wilson and Frank Lisenby Jr. of New Home.

Two other directors were also named in the Tuesday voting, John Gammon of Lazbuddies who represents Bailey, Castro and Parmer counties, and T. L. Sparkman of Hereford, who represents Armstrong, Deaf Smith, Potter and Randall counties. Other counties in the water district are Cochran, Floyd, Hockley and Lamb, making a total of 13 counties.

A total of five men up the board of directors, with three terms expiring this year. Gammon and Sparkman were unopposed.

Blankenship received 203 votes in Lubbock county, outnumbered by Weaver's 246. However, in Lynn county, votes tallied 66 for Blankenship, while Weaver picked up only one vote.

Housing Project Being Occupied

Thirteen of the 14 units of the new Tahoka housing project for low-income families have been rented and all but two families have moved into their dwellings, according to J. M. Uzzle of the Housing Authority.

The only unit still unrented is a two-bedroom in the white project.

The other two families are expected to move into their units this week end.

The 13 rented units are currently housing 25 adults and 60 children, Uzzle states. Of these, nine adults and 19 children are in five of the six units for white families; eight adults and 22 children in the units for Latin Americans, and eight adults and 19 children occupy the units for Negroes.

The new brick structures are furnished with stoves and refrigerators, although one family is using its own refrigerator, which is permissible to those wishing to do so.

Uzzle stated that many of the families, upon moving into their new homes are buying some new furniture and taking a great deal of pride in their new surroundings.

Rent is based on the family's income and the number of dependents it has. Applications for the rental of the units may be made at City Hall.

Sam Gatzki of Wilson is ill with the mumps but is feeling better, according to his father, Gus Gatzki.

TEXAS PUBLIC SCHOOLS week has been proclaimed by Governor Price Daniel for March 6-12. Receiving the proclamation for the tenth annual statewide observance is John McKee (right), who has served as State Chairman of the Texas Citizens' Committee for Public Schools Week since the week was inaugurated in 1950. Chief purpose of the observance is to induce more citizens—not only parents but all others—to visit the schools and see for themselves the functioning of our democratic system of education. More than 8,000 local and area committees are working for a record attendance of adults this year.

SPORTS

Boys And Girls Win Places In Slaton Basketball Tournament

Tahoka boys and girls won consolation and third place trophies, respectively, Saturday night in the Slaton tournament, the Bulldogs dumping Stanton 55-46, and the girls outscoring Floydada 45-41.

Probably the biggest triumph was the first game of the tournament for the Tahoka girls when they defeated Lakeview of San Angelo 54-49, the team slated to win the tournament. Lakeview later won consolation title by outscoring Stanton 81-71.

In the Saturday night final games, Spur boys and Slaton girls won championship trophies by beating Floydada and Spur.

The local Bulldogs won their title over Stanton in a game they

Overtime Gives Win To Bulldogs

The Bulldogs took a 58-57 victory in an overtime period over the Abernathy Antelopes here Thursday night of last week, after the visitors had defeated the "B" team 55-35.

With the score tied at 54-54 when time ran out, the last three minutes of overtime proved as exciting as the four regular quarters. Billy Clinton dropped the field goal that put the Bulldogs ahead one point to win the game.

Abernathy led 15-12 at the first quarter, 27-25 at halftime, and 39-38 at the end of the third period. Frank Greathouse found his range in the fourth quarter, scoring 12 of his total 26 points, after a cold first half when he was only able to hit for 6 points. Fred Hegi made his eight points in the first half, while Clinton made a total of 12 points in the game.

Larry Florence led the Antelopes with 18 and John Brown scored 11.

The Antelopes' "B" squad controlled the starting game and led 28-10 at halftime. High point man for the winners was Wynne with 13. Billy Wallace made 9 for the Bulldogs.

Don't "wreck" your chance for happiness.

The lead at halftime 24-22, a lead they held on to until the final whistle, gradually widening the margin in the last two periods of play. Greathouse scored 20 points, and Hegi and Flippin made six each. Forrester made 20 for the losers.

The girls victory over Lakeview of San Angelo came when Kay Halamicek, Loretta Short, and Judy Thomas poured in 24, 19, and 11 points respectively. However, Lakeview's hot shot, Wagner, made 30. Tahoka led 10-8 in the first stanza, 24-25 at halftime and 41-36 at the end of the third.

A loss to Spur, 50-47, made the local girls settle for a third place try, but the three Tahoka forwards were scoring in double figures again. Short with 20, Halamicek 15, and Thomas 12. Foreman made 33 for the winners. Tahoka led the first three quarters, 14-11, 30-21, and 39-34 before relinquishing to Spur in the final eight minutes.

ONLY COTTON. OTHERS REMAIN THE SAME OR LOSE STRENGTH.

4-H Boys Place In Odessa Show

Several 4-H Club members from Tahoka and O'Donnell attended the Sand Hills Hereford Show in Odessa last week and placed in the event.

Also being held was the World Championship Horse Show, which attracted wide-spread interest.

Jack Wood of Tahoka won a fifth place on his steer in the middle weight division, and a 15th place in the lightweight division. He sold the latter for 55 cents per pound.

Lester Ford placed 16th and 18th in lightweight steer division; Rex Hamilton 21st in the same group; and Daphne Hogg of O'Donnell 22nd. There were 54 steers entered in each class.

Lynn county also brought home a fifth place in the county group of five steers, and a third place in the breeders special. Breeders of the steers were Roy Largent and Sons of Merkel and Alpine.

Conference Play Starts Tonight

Tonight begins the conference season in basketball competition for Tahoka, when the varsity boys and girls and "B" girls go to Slaton with games beginning at 6:00 p. m.

On Tuesday, Jan. 17, Tahoka "A" and "B" boys take on Denver City here in a conference battle, with the first game beginning at 6:30 p. m.

Coming into conference play both varsity teams are looking better each game, and both are predicted locally to be strong contenders for the district crown.

The boys, having only two seniors on the squad, one of which is Frank Greathouse who has been passing the team in the scoring division, is mostly composed of sophomores and juniors who have been seeing plenty of action so far this season and have been steadily improving. In fact Coach Jake Jacobs has all but "thrown in the bench" in every game giving all the players the experience they need to develop into a well rounded club, and to establish needed depth not only for this year, but in future seasons. The squad has been scoring around 50 points each game.

The girls, coached by J. D. Atwell, have really found their range and are racking up as many as 60 points per game, making them

look good for the district championship. Of the three outstanding forwards, Kay Halamicek, Judy Thomas and Loretta Short, all of whom fairly consistently scored in double figures, only Loretta is a senior. The guards are strong, presenting a threat to any ball squad is developing each game, and look good not only for this year but next year as well.

Monday night, Jan. 16, Abernathy ninth and "B" girls come here and games will begin at 6:00 p. m. and on Thursday, Jan. 19, the

seventh and eighth grade girls and boys go to Post with games beginning at 5:30 p. m.

We Have A Good Supply Of HYBRID GRAIN SEED

Shown above is a field of Hybrid Grain, grown by Cletus Floyd. Hybrid Grains have proven themselves on the South Plains and more and more farmers are planting them every year. For the best Hybrid Grain Seeds — plant locally produced seed.

Terry County producers of Hybrid Grain Seeds are receiving wide acclaim. These seed are in demand, not only locally, but throughout our area. Seed growers — such as Purcell Seed Farms, Waters Bros., and Winfred Tucker — are having their seeds field tested in Old Mexico. Results of the tests will be announced at a later date. Test results, conducted in Old Mexico last year, gave locally produced seeds a 1 and 2 rating. According to the Texas Department of Agriculture.

Texas farmers are producing 30% more grain on the same acreage by the use of Hybrid Seed, than they did before Hybrids were introduced. And the outstanding quality of locally produced seeds has caused them to be in great demand outside our local area. All of our Terry County Seed Growers have received "tops" in the testing of their seeds. Give them a try, see if you don't think they are the best seeds for your farming operations.

THE SEEDS LISTED BELOW ARE CERTIFIED HYBRIDS:

- Purcell Seeds 610 & 620
- Waters Bros. 601, 610 & 660
- Winfred Tucker Seeds 608 & 610

We Also Have on Hand MARTIN'S, PLAINSMAN HYBRIDS and KAFARI, HEGARI, SUDANS, ALFALFA, BLACKWELL SWITCH AND BLUE PANIC GRASSES

Lynn County Soil Conservation District News

E. R. BLAKNEY ELLIS BARNES
WARD EAKIN W. L. (Cap) ROWE
MELVIN WUENSCHÉ

A Great Plains Conservation Plan has been developed on the Herbert Ehlers farm near New Lynn. The plan will include approximately 40 acres of land converted from cropland to pasture. Field will be planted to improved grasses. Ehlers also plans to construct terraces and farm on the contour. Crops will be rotated to meet the needs of the soil, and crop residues will be managed to control wind erosion.

C. W. Stubblefield Jr., who farms near O'Donnell, has developed a Great Plains Conservation Plan on his farm. The plan includes terracing, crop rotation, contour farming, and proper use of crop residues for soil improvement, and to retard wind erosion. The terraces will be constructed with part of the cost being shared under the Great Plains Conservation Program.

The Tahoka work unit of the Soil Conservation Service has been designated as a radiological monitoring station. All work unit personnel will be given special training in detecting radioactive fallout.

Terrace lines are being run on the L. O. Sparks farm 12 miles

(By Mrs. Jesse Ward)

Linda Davis, bride-elect of Harold Wayne Donahou, was honored with a bridal shower in the home of Mrs. Sam Ellis Thursday afternoon from 3:30 to 5:30 p. m. Co-hostesses were Mmes. Hub Haire, Jack Myers, Kenneth Davies, Dillard Dunn, Donald Pennell, F. W. Calloway, Jack Hargrave, Pat Taylor, Bobby Teferetter, Pete Lancaster and Herbert Dunn. The couple will be married Jan. 15 in Cumberland Presbyterian Church in Lubbock.

J. H. Haire, Howton Haire and John Leske attended the funeral of Cleve Spence in Portales, N. M. Sunday afternoon. Mr. Spence was a resident of Pleasant Valley community for a number of years before moving to Portales.

Mr. and Mrs. Jack Meeks attended the Meeks family reunion held in MacKenzie Park Party House in Lubbock Sunday.

Rev. Ross Dunn returned to Durham, N. C. where he is a ministerial student at Duke University last Tuesday after spending Christmas and New Year's holidays with his parents, Mr. and Mrs. D. I. Dunn and Ronnie. Ross will graduate in May.

Mrs. Kenneth Calloway and baby son, J. Morris from Slaton are visiting in the home of her parents, Mr. and Mrs. D. D. Pennell. Friends who have visited them are Mrs. Don Kelly and baby from Lubbock; Mrs. Jackie Pearson and baby from Slaton, Mr. and Mrs. Carl Cedarholm, Mr. and Mrs. A. A. Ferguson from Post, Mrs. Ronald Huddleston and baby from Dallas, Mrs. J. H. Huddleston and Jerrylyn; Mrs. W. A. Basinger, Rev. and Mrs. Fortson, Mrs. Elmer Hitt, Mrs. J. B. Robinson, Mrs. J. H. Haire and Mrs. Duane Locke.

Mr. and Mrs. W. J. Kuykendall spent Sunday afternoon with their son and family, Mr. and Mrs. Jack Kuykendall and children in Slaton.

Rev. J. L. Gary of Roswell, N. M. underwent major surgery in a hospital in Roswell New Year's week end. He will be in the hospital two more weeks. Rev. Gary is the son-in-law of Mr. and Mrs. Earl Morris. He and his family lived here before moving to Roswell.

Mr. and Mrs. Jack Burkett and children spent Sunday with his aunt and uncle, Mr. and Mrs. Walter Burkett at Lamesa.

Mr. and Mrs. Earl Morris returned home last week after spending Christmas and New Year's holidays with their son-in-law and

First Bond Payment Level Reached As Rambler Sales Increase

34,324

U.S. SAVINGS BONDS ARE ON THE WAY TO DECEMBER RAMBLER BUYERS

39th Straight Record-Breaking Month Means Bonds for December Buyers of Ramblers and "Mets".

Now January Buyers Can Share, Too. Bonds are already on the way to the 34,324 customers who took delivery of new Ramblers in December (the 39th straight month in which Rambler sales set an all-time high over corresponding previous months). Metropolitan buyers also receive bonds. Both can share in future bond payments up to a cumulative total of \$125 (maturity value), as sales increase.

January Buyers Can Receive Bonds, Too. American Motors' Customer Progress Sharing Program is retroactive and cumulative. If you take delivery of a new Rambler or Metropolitan this month, you can receive U.S. Savings Bonds, Series E, with maturity value of \$25 to \$125, as Rambler sales reach pre-set goals.

Join us in putting the spotlight on the necessity for sharing progress with ALL consumers if the whole nation is to prosper. Ask your neighbor about his Rambler. Then see your Rambler dealer for the best car buy and full details on how you can share Rambler's success.

Farm Meeting . . .

the meeting on invitation from the incoming president.

Among others at the meeting were representatives of the Farmers Union, Farm Bureau, National Grange, National Wheat Growers, National Association of Farm Cooperatives, National Milk Producers, National Grain Council, National Dairyman's Association, Congressman W. R. Poage of Washington, and others.

Mr. Smith is recognized nationally in the field of cotton, and has been mentioned from several sources as a prospective assistant secretary of agriculture in the new administration. In addition to heading local and national cotton organizations, he has been an advisor to the President, the Department of Agriculture, and the House and Senate Agricultural committees on cotton problems.

March of Dimes Drive Underway

The Lynn county March of Dimes is underway, according to H. B. McCord, Jr., county chairman of the National Foundation who is this year also serving as county drive chairman.

Local Boy Scouts have distributed containers for the March of Dimes, and the Tahoka Rainbow Assembly will send out mailers in the near future.

The Mothers March, conducted each year by the Pythian Sisters and other volunteers, will be held at a date to be announced later.

No definite quota has been established, but usually from \$3000 to \$4000 is raised in Lynn county. However, in spite of the generous contributions here, Lynn county this year is "in the hole" on its local fund.

During 1960 a total of \$6,872.50 was spent on a six year old Lynn county boy for treatment of polio. Of this amount, Lynn county paid out \$3000 from its fund, and transfers of \$2,500 from Midland and \$750 from Crane were made available for the boy's use.

... In a Successful Demonstration of Capability—

THE ARMY'S NIKE HERCULES air defense missile "kills" another NIKE HERCULES 11 miles above White Sands Missile Range, New Mexico. Using improved ground equipment, one of the NIKE HERCULES rises from its launch pad (left). The defending missile explodes (upper right) as it intercepts the target missile, the small object on the left of the explosion. In the actual "kill" (lower right), the target NIKE HERCULES missile, carrying a dummy warhead, is inside the explosive cloud from the defending NIKE HERCULES.

Relative Of Local Lady Dies Wednesday

Roy Maxey, 78, of Plainview brother-in-law of Mrs. Don Bradley of Tahoka, died of a heart attack Wednesday morning in a drug store there while drinking a cup of coffee and reading the morning paper.

Maxey was a well known pioneer of that area. He was a retired building contractor and carpenter. Funeral services were pending at Lemons Funeral Home in Plainview on Thursday morning.

Mr. Maxey's sister-in-law, Mrs. J. B. Maxey of Lubbock, had died on Tuesday.

His wife is the sister of Mrs. Don Bradley. Other survivors include a son, Leedy, of Plainview; a daughter, Mrs. J. A. Dagley of Lubbock; three brothers; three sisters, two grandchildren and four great-grandchildren.

Roy Howard of Melbourne, Ark. visited Mr. and Mrs. Frank Hill here over the week end. He is Mrs. Hill's brother.

H. B. McCORD, Honorable Mayor, City of Tahoka, Texas. 15-2tc

The trouble with many hands that rock the cradle today is they're hired.

The Fair Labor Standards Act, passed in 1938, set the minimum wage level at 40 cents an hour.

For the wonderful business given us during the time we have been in business in Tahoka. We have enjoyed serving you. We regret to discontinue our business, but health and other reasons have caused us to sell out our equipment and I am now managing the Close City Cooperative Gin.

Again, we thank you for many courtesies and we hope to remain your friends.

THANK YOU, FOLKS . . .

W. W. Young Machine Shop

Highway . . .

purchase right-of-way completely across the county. The land south of Tahoka was bought first and a portion of the right-of-way north of Tahoka purchased when money ran out.

With the expense exceeding expectations, another election was called in October of 1959 on a \$190,000 bond issue to complete the purchasing and to obtain money for the county to help the city buy right of way through town.

The bond issue did not pass in the election.

Then another election was called in December, 1959 and this time passed.

The State reimburses the county half of the State's approved value of the right of way bought across the county, Judge Mathis said.

Mrs. Delores Mitchellmoore of California is here visiting her uncle, D. W. Gagnat and Mrs. Gagnat, and with Mr. and Mrs. A. C. Verner.

QUESTIONS, PLEASE

QUESTION: "Is There More Than One Way to Heaven?"
ANSWER: In order to explain so many varying religious doctrines some compare the way to heaven with the way to some destination here on earth. It is pointed out that there are many ways to Fort Worth or some other place and you can go in a Cadillac, Ford, Chevrolet or some other conveyance. This is true of traveling here on earth. There are many roads to the same place and many kinds of conveyances in which to travel. There is a condition which MUST exist before this is true in the spiritual realm. There must be MORE than ONE WAY to heaven before this condition is true. How are we to know if there is more than one way? The Bible is our "road map." It is our guide to heaven—one cannot be saved without it! (John 15:3; 17:17; Jas. 1:21, etc.). Jesus said, "I am the way . . ." (John 14:6). The article "the" is specific. The word "way" is singular, Christ did not say that he was the "ways," but, rather, the "WAY". Isaiah, in speaking of the way to heaven, said, "And a highway shall be there, and a way . . ." (Isa. 35:8) Notice again the singular terms, "highway" and "way". Not many highways and many ways but ONE. Is Christ actually the author of this confusion in the religious world? Are there really many ways when He said that there is just ONE? Christ prayed that all who would follow Him would be ONE (John 17:20-23). How can we be one when we want to travel "every one his own way?" (Isa. 53:6). "You go your way and I'll go mine" is not a good philosophy! We must go Christ's way. What ever He bids us do, that we MUST do (Matt. 7:21-23). How many ways are there? ONE! Whose way is it? CHRIST'S! A person is sometimes classed as "narrow minded" for teaching this but it is much better to exalt Christ than self.

You are invited to send your questions to: Bob Barnes, Box 812, Tahoka, Texas. You are also invited to attend all the services of the church of Christ.

The Lynn County News

U.S. ARMY'S NIKE ZEUS POISED FOR FLIGHT on its R&D launcher during the final minutes of the countdown. The men in charge of the test firing are at their places in the blockhouse. NIKE ZEUS is the only anti-missile missile system under active development in the Free World. The system incorporates radars of great range and accuracy, and electronic computers which will automatically issue commands from the ground, steering the defending ZEUS to intercept intercontinental ballistic missile warheads outside the earth's atmosphere.

Activities Planned For Girl Scouts

Several activities are being planned for Girl Scouts of this area, including a cookie sale in March and a five day Troop Camping at Camp Rio Blanco in June.

This year Girl Scouts will sell two kinds of cookies, vanilla thins and chocolate mint cookies. Junior high and senior scouts may sell nuts.

Neighborhood cookie chairmen are asked to send in their orders to the Caspock Council by Jan. 25.

The Troop Camping will be available to troops for not more than three nights from June 1 through 6 at Camp Rio Blanco. Troops will be put up with four to six beds in each. Only cost to the girl scouts will be for food. However, reservations must be made early for the Troop Camping at the Council office.

Deputy Grand Treasurer Tom Jones; and Deputy Grand Chaplain Barnett.

Following the installation refreshments of sandwiches, doughnuts, coffee and cokes were served to members and visitors from Lubbock, Slaton, Ropesville, Brownfield, O'Donnell, Seagraves, and Grand Rapids, Minn.

Mrs. Myrtle Rochelle, Anita and Sara, and "Red" Irwin, all of Lubbock visited relatives here Sunday. Miss Sara Rochelle and Irwin will be married in March following the completion of their new home in Lubbock.

A "space telescope" now under construction in Sugar Grove, W. Va., will use more than two million pounds of aluminum.

Mr. and Mrs. Lee McFadden Honored By Friends on Golden Anniversary

Mr. and Mrs. Lee McFadden were surprised with a party Wednesday night on their 50th wedding anniversary.

The Pythian Sisters and Rebekahs of Tahoka sponsored the party at the WOW Hall when gifts were presented them by their friends.

Mr. and Mrs. McFadden were married on Jan. 16, 1911.

A mock wedding was held at the party honoring the McFaddens when the wedding party was made up of Mrs. Beulah Adkins as the bride, Mrs. Mildred Sherrill as the bridegroom, and Mrs. Blanche Burroughs as the preacher.

Cake, hot tea and coffee were served the friends of the couple attending.

The couple met in Lamar county and were married at Paris. McFadden farmed there for several years and the couple moved to Lynn county in 1919. They farmed east of town for many years and then farmed the J. K. Calloway farm north of Tahoka for about eight years.

They moved into town in 1940 and operated a cafe for five years. They are presently operating the E-Z Way Laundry on Lockwood Street. The couple bought their present home on North Fourth Street in 1944.

Mrs. McFadden was born Gertie Johnson in Arkansas. She came to Lamar county, Texas with her parents when she was about 15 years old. Lee was born in Delta county in Northeast Texas.

The couple adopted a son, William Thomas McFadden, when he was six weeks old. A second lieu-

Traditional Mercury values in the popular price range

1961 MERCURY MONTEREY 2-DOOR HARDTOP

TRADITIONAL MERCURY COMFORT Only Mercury has Cushion-Link Ride (standard on Monterey and Meteor 800)—a unique suspension system that absorbs jolts and jars that come through to you in other cars. It "gives" backward and forward as well as up and down. And Mercury has a longer wheelbase (120 inches) and greater weight (up to 241 pounds heavier) than other cars in its price range. Result: you enjoy a smooth, solid, steady big-car ride you'd expect to pay much more for. There's plenty of stretch-out room in Mercury, too—even more rear seat hip, shoulder and head room than in last year's spacious Mercury. Wider doors and more trunk space, too.

TRADITIONAL MERCURY VALUE There's extra value in Mercury's engine choice—all the way from the Super-Economy "6" (Mercury's first "6") to the powerful Marauder V-8's. And even the top-performing V-8's deliver up to 15% better gas mileage. There's extra value in Mercury's seven self-servicing features. From self-lubricating chassis to self-adjusting brakes, they save you money every mile you drive. Everywhere you look, the 1961 Mercury offers you traditional Mercury values. Now, for the price most people pay for a new car, you can own a Mercury. Take your pick of Mercury's three great series and drive it today!

Individual Play Held At Duplicate Club

Tuesday night was individual play at T-Bar Country Club's duplicate bridge and Mrs. Eldon Carroll was the winner of the Louise Wharton Trophy, which she will keep for one year before passing it on to the 1962 winner.

Seven tables of players attended the event. Mrs. Oscar Roberts won the trophy in 1959 and Sonny Roberts took it in the 1960 play.

Other winners Tuesday night included Mrs. A. N. Norman, Jr., second; Mrs. J. T. Whorton, third; Mrs. Frank Hill, fourth; Mrs. Billy Hancock of New Home, and Miss Echo Milliken, a tie for fifth and sixth.

Mrs. Johnny Wells is director of the duplicate club.

Mrs. Whorton Speaks At FHA Meeting

The Tahoka Chapter of Future Homemakers of America met Jan. 4, 1961, in the Tahoka High School Auditorium.

Sue Walker was in charge of the program, "Teenage Consumer Education." Mrs. J. T. Whorton, owner of Abbie's Fashion Shop, brought the program "Spring Fashion Ideas." She told what styles and colors would be popular this spring.

Donna Copelin, vice president, presided in the absence of the president.

Brenda Martin Wed To James Bowles

Rev. Ray E. Martin, pastor of the Wells Baptist Church, officiated at the ceremony Friday, Jan. 6, at 8:00 p. m. uniting his daughter, Brenda Ray, and James Wayne Bowles in marriage.

The Rev. and Mrs. Martin and Mr. and Mrs. M. A. Bowles, Rt. 2, O'Donnell, are parents of the couple.

Miss Jo Ann Lacy, organist, and Gary Bowles, brother of the bridegroom, vocalist, furnished the wedding music.

Given in marriage by Carl P. Matthews, the bride wore a gown of white brocade satin with scooped neckline and molded bodice. The tiny matching jacket had long tapering sleeves. The bride's shoulder veil was attached to a crown type headpiece, and she carried a bouquet of blue carnations.

Miss Rose Snider of Rt. 3, O'Donnell, was maid of honor and Miss Mignon Rodgers of Coleman, bridesmaid. Their dresses were blue and fashioned along bouffant lines; blue headpieces and bouquets of white carnations completed their attire.

Best man was Beal Finch, Rt. 1, O'Donnell, and the brothers of the bride and bridegroom, Jimmy Martin and Gary Bowles, ushered. A reception in the church followed the ceremony.

Mrs. Bowles is a senior at O'Donnell High School, and her husband, who graduated from the O'Donnell schools, attended Texas Tech. For traveling, the bride selected a blue wool suit with black accessories. Upon their return from a wedding trip to Santa Fe, N. M., they will establish residence in O'Donnell. Bowles is engaged in farming in the area.

The Tahoka Garden Club will meet in the home of Mrs. Charles Townes Tuesday at 3:30 p. m. The meeting will feature a guest speaker. All members are urged to attend.

Ehlers-Wuensche Vows Are Read

Miss Geneva Annette Wuensche became the bride of Arlis Dean Ehlers in a double ring ceremony at 5:00 p. m. Saturday, Jan. 7, in St. Paul's Lutheran Church, Wilson. The Rev. Elmer G. Neunaber, pastor of Redeemer Lutheran Church in Lubbock, read the double ring wedding ceremony.

Mr. and Mrs. Wilbert Wuensche, Wilson, are parents of the bride, and Mr. and Mrs. Hubert Ehlers, also of Wilson, are parents of the bridegroom.

The bride wore a gown of white bridal lace over net and taffeta featuring a portrait neckline embroidered with iridescent sequins and seed pearls. The fitted bodice featured long pointed sleeves and the full shirred skirt ended in a chapel length train. Her fingertip veil of silk illusion flowed from a crown of iridescent sequins and seed pearls. She carried a white orchid surrounded by lilies of the valley and white satin streamers atop a white Bible.

Miss Shirley Behrend was maid of honor and Misses Nancy Wuensche, Carolyn Luker and Betty Wuensche, cousins of the bride, were bridesmaids. They wore street length dresses of powder blue brocade taffeta with full skirt, round necklines and large puffed sleeves accented with flat bows. They carried nosegays of white carnations. Their headpieces of blue tulle were caught to flat bows of matching brocade taffeta.

Milton Ehlers served his brother as best man. Groomsman were James Wuensche, brother of the bride, Harley Ernst, cousin of the bridegroom, and Chris Gindorf. Guests were seated by Marvin Kaatz, cousin of the bride, and Bruce Hewlett.

Susan Stegemoeller, niece of the bridegroom, was flower girl, and Alton Ernst, cousin of the bridegroom, was ring bearer. Wedding music was presented by Miss Barbara Wuensche, sister of the bride, who was accompanied by Miss Jerlene Wied.

The ensuing reception was in the church parish hall. Assisting in hospitalities were Mmes. C. A. Wied, Byron Talkmitt, Arthur Herzog, Milton Wied, Arthur Gickhorn and Misses Margie Talkmitt, Charlene Talkmitt and Arnell Lehmann.

Both are graduates of Wilson High School. They will live near Wilson where Ehlers is engaged in farming.

Book Reviewed For Club By Mrs. Hegi

Mrs. Pete Hegi reviewed "The Snake Has All the Lines" by Jean Kerr Tuesday afternoon at the meeting of the Phebe K. Warner Study Club in the home of Mrs. Harold Kerr.

The author's book is the well known book "Fannie Don't Eat the Daisies."

Thirty members and guests attended the meeting and tea.

Jaycee-Ettes Hold Business Meeting

The Tahoka Jaycee-Ettes met for their regular bi-monthly business meeting at the W. O. W. Hall Tuesday night.

Members of the organization voted to again help with the Mother's March of Dimes.

The losing team in the Christmas card sales are making plans to entertain the winning side.

Refreshments were served by the hostesses Jeanette Roseberry and Mickey Grizzle to the following members: Pat Hall, Dorothy Craig, Cecile Henry, Peggy McClellan, Kathy Dorman, Janie McMillan, Laverne Dykes, Pat McClellan, Clovis McElroy, June Dunn and Ruby Chaney.

Members of the organization voted to again help with the Mother's March of Dimes.

Guild Study Will Begin January 19

"Into All the World Together" is the title of the foreign mission study which will begin Thursday, Jan. 19, at 7:30 p. m. for the Wesleyan Service Guild of the First Methodist Church.

The group will meet in Fellowship Hall. Mrs. Roscoe Treadaway will conduct the study, which will be presented in four sessions.

Meeting nights are the first and third Thursday of each month. Every one is urged to attend.

Party Bridge Held In Knight-Home

Five tables of players attended party bridge Saturday night in the home of Mr. and Mrs. Lee Roy Knight.

First place winner was Mrs. Albert Curry. Mrs. Wade Holland was second. Assisting the Knights as host and hostess were Mr. and Mrs. R. C. Roberts.

Buy, build, live in Tahoka.

Everyday Religion

By B. Thompson

A familiar answer to some question in regard to some given situation is, "You can't prove it by me." I have thought of the opposite of this statement, "You can prove it by me." Can the great truths of life be proven by your life and mine? Are we living proof of the ideals which we profess? Paul said, "Be ye transformed . . . that ye may prove."

We usually try to prove everything to our own satisfaction. We are slow to believe unless we have proof. For example, if someone puts a sign on a gate. "This gate is out of order," and ten of us walk by, about nine of us would give it a little push to see if it is out of order. Or let someone put up a sign on his fence, "Wet paint" and let ten of us walk by, about nine of us would walk on with red or green or white finger tips. We just have to prove things, don't we.

But, let us remember that we ourselves are proving something every day of our lives. We are proving that truth and goodness are realities or we are proving that they are not. We are proving that democracy is the world's greatest way of government or that it is a failure. We are proving that faith in God is transforming or we are proving that without faith in God life is shoddy and shallow. The world is using your life and mine as proof of the good or the evil, which ever one is shown by our actions. You can prove it by me.

A woman's magazine recommends a new reducing diet with bananas as the main dish. This may seem silly, but did you ever see a fat monkey?

WSCS Circles Have Monthly Luncheon

Members of the Faith and Margaret Circles of the W. S. C. S. met Monday in Fellowship Hall of the Methodist Church for their monthly luncheon with the Faith Circle as hostess.

Twenty members attended the monthly event when Mrs. Skiles Thomas gave the devotional entitled "Sanctuary—the Secret of a Peaceful Heart."

Next Monday the circles will meet in the homes of members.

On the week the W. S. C. S. will begin its study, "Heritage—Expanding Our Horizons," which will be led by Mrs. G. M. Stewart.

A large per centage of the inhabitants of the Congo's secessionist Katanga Province are immigrants, brought in to work in copper, uranium and other mines.

County 4-H Club Members Receive Awards At Annual Banquet Here

The annual 4-H Awards Banquet was held Monday night at 7:00 p. m. at the assembly room at Lyntegar Electric Cooperative honoring Lynn county winners.

Master of ceremonies was Charles Vegner, executive vice president of the First National Bank. C. E. Ford, adult 4-H leader, gave the invocation and dinner was served to the group, courtesy of Lyntegar Electric. Wilton Payne, assistant manager at Lyntegar, gave the welcome address and Ronnie Wood, outstanding 4-H Club member, the response.

Presentation of awards was by Judge Walter Mathis, assisted by W. B. Griffin, county agent, and Connie Anderson, home demonstration agent, to the following winners:

Agricultural: Gary Grogan, Tahoka.
Beef: James Smith, New Home; Dean Hamilton, Tahoka; Harold Bessire and Daphene Hogg, both of O'Donnell.
Clothing: Carolyn Morrow, New Home.
Dairy Foods, Demonstration: Lexi Adams, Maria Bray and Chloe

Thuren, Small Speak At Rotary

Two humorous talks featured last Thursday's Rotary program. Dale Thuren said his subject was "Looking Across the Fence at Greener Pastures," and his talk was filled with good-natured kidding of Dr. K. R. Durham and the dental profession, paying "tribute" to a man who has spent 32 years "working in an area not as big as a man's fist."

Maurice Small took the subject, "The Woes of a Tax Collector, or Nobody Loves a Tax Collector," and took advantage of the occasion to tell some stories on Rotarians. The program was arranged by Dr. Skiles Thomas, who introduced the speaker.

Preceding the program, Wynne Collier gave official welcome to two new members of the club, E. L. Short and Meldon Leslie. President H. B. McCord Jr. announced the board of directors had voted to invite the District 573 Assembly of Rotary International to meet in Tahoka in April.

Dr. Emil Prohl called attention to the District Conference meeting in Pampa on March 26, 27, and 28, urged wives to go along with their husbands and enjoy this outstanding meeting, and stated that Monday is the big day of the meeting if members cannot attend all three days.

Student guests for the month, Harvey Pyburn and James Ghormley, Tahoka High School seniors, were introduced by Clint Walker and A. M. Bray, respectively.

RONNIE J. NOLTE COMPLETES COMBAT TRAINING

Camp Pendleton—Marine Pvt. Ronnie J. Nolte, son of Mr. and Mrs. Felix R. Nolte of Route 1, Wilson, completed four weeks of individual combat training Dec. 23 at the Marine Corps Base, Camp Pendleton, Calif.

The course included the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

DELVIN W. BEHREND GETS CONDUCT MEDAL

Hawaii—Delvin W. Behrend, aviation electronics technician third class, USN; son of Mr. and Mrs. Rudolph E. Behrend of Route 1, Wilson, received his first good conduct medal, Dec. 2.

The medal is awarded for demonstrating high achievement in conduct and proficiency in the duties during three years of continuous active service.

He is serving with Utility Squadron One at the Naval Air Station, Barbers Point, Hawaii.

Before entering the service in July 1957, Behrend was graduated from Wilson High School.

HUDDLESTON AT POST

Garland Huddleston and family now live in Post, where he is employed by Hudman Funeral Home, and his wife, a nurse, works part time at the hospital. His parents, Mr. and Mrs. W. J. Huddleston, moved from Grassland to Post a couple of years ago.

Huffaker, all of Tahoka.

Dress Revue: La Nita Wood, O'Donnell; Laura Sealy, New Home; and Jolene Balch, O'Donnell.

Electric: Sarah Wells and Lynetta Cain, both of Tahoka; and Ronnie Wood and Billy Miller, both of O'Donnell.

Entomology: Benna Askew and Lyndal Askew, both of O'Donnell.

Field Crops: Lester Ford, Tahoka; Eddie Jo Moore, O'Donnell; Gid Moore, Wilson; and Louis Birdwell, O'Donnell.

Food Preparation: Sherron Renfro, New Home; Diane Martin, Wilson; Vickie Young and Brenda Drager, both of Tahoka.

Home Economics: Josephine Castro, New Home; Jeannie Hewlett, Wilson; Peggy Marshall, New Home.

Swine: Dave Hancock, New Home; Valton Maeker, Wilson; Kent Wood, O'Donnell; Jay Hart, Tahoka.

Tractor: Weldon Bessire, David Bessire and Robert Bessire, all of O'Donnell.

Public Speaking: Marcheta Wood, O'Donnell.

Citizenship: Gail Phillips, Tahoka.

Gold Star: Jack Wood, Tahoka; Sherron Renfro, New Home.

PCG Asks For Farmers' Support

The Plains Cotton Growers, Inc. has done an enormous amount of work to help the cotton farmers in this area, states T. B. Mason, Lynn county director of the organization, and enters into every phase of the cotton growers' problems in boosting West Texas crops.

However, many Lynn county farmers and ginners are not well informed on this work of the Plains Cotton Growers and presently the organization has only about 65 percent support of this county.

This is not all necessarily the farmers' fault, Mason is quick to admit, since enough information on the organization is not always passed on to them. He urges all farmers to read all newspaper articles appearing both in The News and the Lubbock Avalanche Journal pertaining to the work of the organization.

Financial support for Plains Cotton Growers is collected by the ginners from supporting farmers at the rate of 15 cents per bale. This is about one percent of one percent of the price of a bale of cotton. With this small amount of support, the organization spends its money on helping the cotton farmer on the South Plains to market his crop, iron out problems to help him gather his crop and in any other problems arising.

In comparison, Mason said the Plains Cotton Growers in far West Texas collect \$4.00 per bale and have been able to market more cotton than the area can produce, both in this country and abroad.

The Plains Cotton Growers is not asking for higher collections per bale, but only that all farmers and ginners inform themselves on its work and build up 100 percent support on the present scale in this area.

W. W. YOUNG CLOSES LOCAL MACHINE SHOP

William Young has closed his machine shop and sold out his shop equipment.

Recently, he accepted a position as manager of the Close City Co-operative Gin, over in Garza county, succeeding R. B. Crisp Jr. He will continue to reside in Tahoka, for the time being, at least.

Church-Wide Study Began Wednesday

The Methodist Church began its church-wide study Wednesday night in Fellowship Hall. Title of the study is "Jesus Christ is Lord," which is based on the Book of St. John.

Rev. J. B. Thompson will present the lessons, which will continue for approximately three months. Meeting time will be each Wednesday evening for approximately three months. Meeting time will be each Wednesday evening at 7:00 p. m.

"Jesus Christ is Lord" is the quadrennial emphasis of the church and the study is the beginning of the four-year plan. Study, those attending may take cards bearing the names of inactive or prospective members to visit during the week.

A. C. FILLINGIM HERE FROM COLORADO RANCH

Mr. and Mrs. A. C. Fillingim were in Lynn county last week from their Colorado ranch visiting their sons, A. C. Jr., Bobby, and daughter, Mrs. Clifton Clem, and families in the New Home area.

The Fillingims own a ranch 17 miles north of Walsenburg on US Highway 87, and are enjoying their ranch life. In fact, A. C. Jr. says

his dad feels and looks much better physically.

The couple has a daughter, Mrs. Robert Blacker, who lives in Denver.

Mr. and Mrs. Elmer Richey of Sacramento, Calif., were here a few days beginning Christmas morning visiting his parents, Mr. and Mrs. M. C. Richey. They also visited her sisters in Amarillo.

Important news for new-car buyers— THE '61 CHEVY BRINGS

JET-SMOOTH TRAVEL DOWN TO EARTH

HERE'S WHAT GIVES CHEVY ITS JET-SMOOTH RIDE—

Full Coil suspension—Chevy's one of the few cars with a coil spring at every wheel. Precision-balanced wheels—For smoother rolling with less vibration. Sound-hushing insulation—Sheet metal is carefully insulated against drumming and vibration. 51 built-in "shock absorbers"—Cushion the chassis against shock and shake. Live rubber body mountings—Extra-large butyl rubber cushions that further isolate the ride from the road.

This is the Impala Sport Coupe—just one of 20 Jet-smooth Chevies!

Better just circle your dealer's block the first time you try a Jet-smooth '61-Chevy. Get anywhere near an open highway and he's liable never to see you again.

What we mean, Chevy's ride whets your yen to travel. Wins you over with its delightful coil-spring smoothness, its hushed comfort and light steering. You find yourself feeling sorry for people who buy higher priced cars, thinking they have to pay premium prices for a luxury ride.

That may have been true at one time, but not any more. Chevrolet's ride, its roadability, just doesn't take second place to anybody's. Drive one soon and see.

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's

Printer's Ink-lings

By F. P. R.

Mrs. F. C. Williamson, the former Miss Tommie Milliken of Tahoka, recently sent the following clipping from the Carlsbad, N. M., Current-Argus; to her sister, Miss Echo Milliken:

Mrs. F. C. Williamson was surprised when she and her husband returned from Tahoka, Texas, Monday Dec. 26, to find a New Year's

greeting edition of The Lynn County News awaiting them.

"The News is published at Tahoka, Mrs. Williamson's former home town. The wrapper bore her former name of Tommie Mathis, and she just knew the paper had changed her name and mailing address."

"On locking at the paper cover, Mr. and Mrs. Williamson discovered it was the Friday, Jan. 1, 1960, issue. Where it has been all these almost 12 months, they have no idea."

We know what probably happened to that paper. Happy Smith took it home to read and just forgot to send it on to Tommie. Seriously, it's remarkable how few pieces of mail go astray. In fact, when one considers the millions of pieces of mail handled, it is almost fantastic how few are the number of papers that fail to reach their destinations. Those that fail to get to the place addressed are usually because of failure of faulty wrapping or addresses.

Reminds us of the time back during the war when a man living north of New Home who received his mail on Route 6, Lubbock. One day he walked into The News office waving a letter from his son stationed in Alaska. The son in the letter said he was receiving his Lynn County News on Sundays after publication on Thursday night. This made the New Home

THE AMERICAN WAY

Campaign Promises Catch Up!

man a little unhappy. For, he said, he was not getting his News until Monday, and he wanted to know why we could get a paper to Alaska quicker than we could get it to New Home. No doubt, the Army was flying mail to service men in Alaska, while the New Home man's paper went from Tahoka to Big Spring to Sweetwater to Lubbock and then on out on the route.

After spouting off last week about our tax and government report troubles, we were handed this little gem: If you must talk about your troubles, don't bore your friends with them—tell them to your enemies, who will be delighted to hear them.

Worse than a quitter is the man who is afraid to begin.—Cheer.

An efficiency expert is a man who is afraid to begin.—Cheer.

How to run your business, and too smart to start one of his own.

Jude Taylor swears he likes running a service station better than farming.

The following advertisement appeared in a physical culture magazine: "Here's a good test of your stomach muscles. Clasp your hands over your head and place your feet together on the floor. Now bend to your right at the waist as you sit down on the floor to the left of your feet, haul yourself up, bend to the left, and sit down on the floor and bend to the right of your feet. Keep this up and let us know the results." In a few days the first letter arrived. It said simply, "Hernia."

The game of basketball, like most other sports, has changed a lot in the last 30 or 40 years. Formerly there was a center jump following each goal, which kept the scores down somewhat in comparison to today's fast-moving high-scoring games.

Mrs. Joe D. (Betty) Unfred has some yellowed clippings telling of basketball games in the Philadelphia area of 40 and more years ago in which her uncle, the late "Danks" Graff, was a star player. Graff played the game from 1909 to 1923, first in high school, then Staunton Military College, and later on semi-pro teams, and was known as "the Peerless Kid". One of his teammates was Nat Holman, later to make basketball famous in Madison Square Garden. Incidentally, Tahoka's coach Jake Jacobs played in the Garden several times while at West Texas State and became well acquainted with Nat Holman. Graff coached boys area until his death less than two years ago.

This interesting note is taken from one of the clippings: "The basketball season came to close last Saturday night, and it is expected the cage will be taken down as the hall is to be used for other purposes during the spring and summer."

The father of banker A. C. Verner is an old time pro in basketball, also, and back in those days he played for the New London (Conn.) Lobsters.

The average man is 42 around the waist, 42 around the chest, 36 around the golf course and a biased nuisance around the house.—Santa Fe Magazine.

Joe Spears of Texas Employment Commission at Brownfield

Letters From News Readers—

The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.

Dear Editor: I always enjoy my home paper. It brings me both glad and sad news. I am glad Tahoka is making such headway, building beautiful homes and paving so many streets, but it makes me sad to hear of so many good friends passing away.

We had a beautiful fall. The autumn coloring was beyond description. Now, winter is here with its snow and ice where the beautiful autumn leaves were. Snow and ice cling to the trees. The evergreens are very beautiful with their snow suits on.

I will always love Tahoka and Tahoka friends. Best wishes to all. Sincerely, Sue A. Cain, Traverse City, Mich.

Cheer. Count your blessings name them one by one, and it will surprise what the Lord hath done.—From a Gospel Hymn.

People are funny. They spend money they don't have, to buy things they don't need, to impress people they don't like.—Santa Fe Magazine.

It all adds up to a superior plant food that produces more. We know you'll like results. That's why we say: "You'll never know what a field can yield until you use Rainbow Premium Plant Food." Use Rainbow and see for yourself the benefits of premium ingredients wrapped up in a premium plant food.

DALE THUREN FARM STORE

Tahoka and O'Donnell

Why settle for the inconvenience of an awkward "lift-up" gate?

Before you put hard-earned cash on the line for any compact wagon, just try this: open the tailgate. If it swings up, as shown at left, you could be in for some lumps and bumps on the head as your cargo rolls out. But Falcon's tailgate, with the built-in, roll-down window, swings down. That means easier loading—and 26.1 inches more cargo deck (with tailgate down) for carting those long loads—up to 31% more cargo area with tailgate up. No doubt about it. Falcon hauls more—and that's what you buy a compact wagon for!

Pay up to \$508 more? What for? Only Falcon offers the just-right compact wagon!

Just Right in Convenience!
Check the current crop of compact wagons. You'll find they all fall short of Falcon's convenience. For instance, seven out of eleven don't give you a handy, swing-down tailgate with roll-down rear window on all models. There's attention paid even to the "little" conveniences, such as two arm rests, two sun visors, two coat hooks, all standard at no extra cost! And of course, you can have your choice of Tudor or Fordor Falcon Wagons, too.

Just Right in Price!
Cast an eye on that low price sticker and you realize what a sensational value the Falcon wagon really is! Imagine... up to \$508 less* than some compact wagons, not stripped but equipped the way most people want their wagon... including radio, heater, automatic transmission and deluxe trim. With all this that you save on Falcon's low price, you're still driving a dazzling new beauty, handsomer than ever inside and out.

Just Right in Economy!
Of all compact wagons, Falcon's the economy champ! America's sweetest, savingest 5-cylinder engine takes you up to 30 miles per gallon on regular gasoline—4,000 miles between oil changes. And Falcon's sensible engineering makes for rock-bottom repair costs and lower maintenance, too. You save on tires, mufflers, every driving cost in the book. P.S. For an extra measure of performance, try Falcon's brisk, new 170 Special engine option.

BE FALCON-HAPPY AT YOUR FORD DEALER'S

*Based on comparison of manufacturers' suggested retail list prices for 4-door Falcon compact wagon equipped with radio, heater and automatic transmission.

Eighth Grade Loses In Union Tourney

Klondike knocked Tahoka eighth grade boys and girls out of the Union tournament last week, the boys defeating the local five 38-34

and the girls beating Tahoka 23-20. Some sharp shooting on the part of several players drew attention in both the girls and boys games.

A lad named Jackie from Klondike poured in 26 points to lead his team to victory over Tahoka. Terry Harvick made 10 and Adolph Chapa 8 for the losers. Klondike led 17-16 at halftime.

In the girls game Benson scored 22 of her team's 23 points, while Jamie Florence made 17 for Tahoka. Klondike held a six point lead at halftime, 18-12.

Buy, build, live in Tahoka.

ARE YOU ONE OF THE 3 TYPES OF WOMEN WHO DOESN'T USE A GAS CLOTHES DRYER?

MRS. SEMORE CASH

Money means nothing to her. Has a wealthy husband who pays all the bills without batting an eye. She just buys... and, of course, uses nothing but the most expensive, whether it's automobiles or appliances. (What else can a woman of her social position do?) She's not concerned with the phenomenal savings in operating costs of a Gas Dryer. Twenty-five dollars a year? Trivia, my dear Cavendish!

MRS. I. M. CAREFREE

Time means nothing to her. No kids to keep up with... belongs to no clubs or organizations... doesn't have to fit her hours to any particular schedule. She's not impressed by the fact that the faster performance of a Gas Dryer provides precious minutes to the harried homemaker with an over-crowded schedule.

PRUNELLA HARDTACK

You can't convince HER that the clean, live flame in a Gas Dryer is completely isolated from the clothes... that National Fire Underwriters statistics prove Gas near the bottom of the list as an accident cause... that the low heat—high air flow principle of Gas Drying is completely safe for even the daintiest of synthetic fabrics. No matter how valid the advantages, she'll stick with her prejudices.

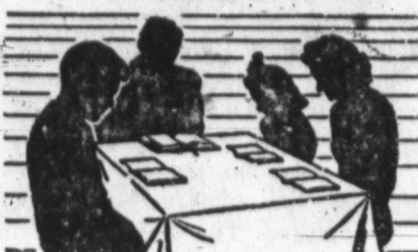

RIGHT NOW, YOUR GAS APPLIANCE DEALER IS OFFERING THE YEAR'S BEST BUYS ON FAMOUS-NAME GAS DRYERS. IF YOU'RE NOT ALREADY USING GAS FOR DRYING, THIS IS THE TIME TO CHECK THE FACTS. LIVE MODERN... FOR LESS WITH GAS!

fuel for a growing empire Pioneer Natural Gas Company

today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room

THE UPPER ROOM, NASHVILLE, TENNESSEE
The Lord said, Whereunto shall I liken the men of this generation? . . . They are like unto children sitting in the marketplace, and calling one to another, and saying, We have piped unto you, and ye hath not danced. (Luke 7:31, 32.)

To her students of drama and speech, Agnes Futterer used to say again and again, "Think your part." It was good advice then. It is good advice now.

To make of life a drama of delight and usefulness it is necessary to saturate ourselves with thoughts of fulfillment rather than with thoughts of failure. God overreaches our highest aspirations and undergirds our lowliest talent. Sometimes His plan and purpose we cannot comprehend, but this we know—He is always near. God gave to Joshua the divine reassurance: "As I was with Moses, so I will be with thee: I will not fail thee, nor forsake thee." God is always near; however, it is only as we acknowledge Him and commune with Him that he can give to our lives personal, positive direction. "In all thy ways acknowledge him, and he shall direct thy paths."

PRAYER: Eternal God, in the great drama of life, help us to act in accordance with the instruction and spirit of Christ, our divine director. Thus may our talents be released for the uplifting of people everywhere. In His name. Amen.

THOUGHT FOR THE DAY—As we acknowledge God and commune with Him, He gives us personal, positive direction. Ernest R. Case (Massachusetts).

CARD OF THANKS

We sincerely appreciate the many courtesies, visits, and encouragement during Mr. Richey's illness. We especially thank Bill Newton for coming out and shaving him. We thank the good Lord for our many kind friends and neighbors.—Mr. and Mrs. M. C. Richey, Itp

ATEN ON ALL-STAR TEAM

David Aten, 17, son of Mr. and Mrs. Henry Aten formerly of this county, as a senior member of the North Highland High School football team in California was selected to the all-star team. Mrs. Aten is the former Miss Bessie Lee Munn.

THE NEWS

THE AMERICAN WAY

It is impossible to mentally or socially enslave a Bible-reading people. The principles of the Bible are the groundwork of human freedom.

THE BIBLE PROMOTES HUMAN FREEDOM

TWO LOCAL BOYS JOIN ARMY RECENTLY

Gary Wilson Brazil, son of Mr. and Mrs. Woodrow W. Brazil, Tahoka, and Monroe James Hicks, son of Mr. and Mrs. William V. Hicks, Rt. 4, Tahoka, were enlisted Wednesday in the Regular Army, at the main recruiting station, Amarillo, from the Lubbock station.

Following training in Field Artillery at Ft. Hood, Brazil and Hicks will be sent to Europe for duty.

Both are 1960 graduates of Tahoka High School.

Turning a deaf ear to the voice of temptation isn't much more difficult than turning one to traffic noises.

Here's how the Wide-Track Pontiac keeps pace with your stepped-up driving schedule!

Pontiac '61 is tuned and tailored to enliven the extra hours you spend in a car. Weight is trimmed to give you more action with less expense. Wider doors open farther to ease your getting in and out. There's more room inside. Outside, Pontiac has a more parkable, garageable size. You maneuver without effort, sit steady

and straight on curves and corners. This comes from the built-to-the-road stability of new Wide-Track. And Pontiac's famous V-8 performance lets you take city or turnpike travel with assurance.

Choose the car that has kept pace with the change in your driving habits. Inspect, drive, select the '61 Pontiac of your choice.

THE ONLY WIDE-TRACK CAR! Pontiac has the widest track of any car. Body width trimmed to reduce side overhang. More weight balanced between the wheels for sure-footed driving stability.
