

Serving Tahoka and Lynn County Since 1903!

The Lynn County News

"I wholly disapprove of what you say but will defend to the death your right to say it."—Voltaire

Volume 57

Tahoka, Lynn County, Texas, Friday, February 4, 1961

Number 18

Lynn County Soil Is "Too Wet To Plow"

Additional moisture Thursday and Friday nights in the form of snow brought the total January precipitation to 1.55 inches and left many dirt roads in Lynn county almost impassable.

In fact, local rural route carriers were still having trouble getting around their routes up to Wednesday of this week.

Snow, rain, and frequent freezing of this month has made the soil soft, fluffy, and muddy with the least bit of precipitation.

Rain, sleet and snow from Tuesday until Saturday of last week totaled .90 of an inch in Tahoka, and the fall was heavier over much of the county, especially east and southeast.

The local weather observer measured two inches of snow Tuesday and Wednesday, another inch Thursday night, and an inch Friday, bringing the total snowfall for the month to seven inches. Three inches of wet snow had fallen January 10 and 11.

Added to the 13.5 inches of snow in December, there has now been 20.5 inches the last two months. With the 1.55 inches of moisture in December and the 5.72 inches of rain in October, Tahoka has recorded a total of 8.94 inches in four months for one of the wettest winters, so far, on record.

Last year, Tahoka recorded a total of 22.5 inches of snowfall, believed to be an all-time record here. Of this, three inches fell in January, 1960, six inches in February, and then came the 13.5 inches before Christmas.

Normal October moisture is 2.3; November, .68; December, .66; January, .60; February, .66; and March, .53.

Farmers say the ground is in as fine a condition for a crop year as they have ever seen it.

Major Rogers Is Heart Victim

Major Rogers, 64, formerly of O'Donnell and well known in Tahoka as a brother of the late Mrs. N. M. Wyatt, died of a heart ailment Saturday, Jan. 21, at Phoenix, Ariz. while en route from his home in Vista, Calif., to Texas.

He was formerly a prominent Levelland businessman before moving to California about 12 years ago.

Funeral services were held in Vista, Calif., Tuesday of last week.

He is survived by his wife; one son, Charles; and one daughter, all of Vista; his mother and several brothers and sisters. His wife is the former Miss Jewel Doak of O'Donnell, daughter of Lynn county's first sheriff, the late Charley Doak and wife.

Attending services were N. M. Wyatt of Tahoka and Mr. and Mrs. B. B. Street of O'Donnell. Mrs. Street was a sister of Mr. Rogers.

Mr. Wyatt had accompanied the Streets to California, leaving here about January 10 and returning home Saturday.

THS Stage Band Plans Programs

Tahoka High School has a stage band, which is expected to appear in various programs. The group plays popular music and meets each Thursday night for practice.

Members of the stage band include Iris Tyler, Susie Curry, Nedra Roberts, Sue Walker and Townes Walker, saxophones; Jackie Alexander, Roger Renfro and Lester Ford, trumpeters; James Eldrid, Patricia Sikes, and Jackie Burnett, cornets; Mary Jane McCord, drums; Linda Thomas, piano; and Phil Pierce, base. Pierce is also the director.

RAINBOW GIRLS MEETING
Rainbow Girls will meet next Monday evening at 7:00 o'clock.

Savings Bond Goal Is Reached

Lynn county just barely went over the top in purchase of Savings Bonds during the year 1960, one of 88 counties in Texas reaching its goal set by the State sales committee, according to A. C. Verner, Lynn county chairman.

Lynn county people invested \$253,155 in Savings Bonds during the year, and its quota had been set at \$250,000. One county in this district, Crosby, reached 153.7 percent, and Yoakum county had 136.9. Lynn was third in the district, and no other county reached its goal.

Lynn's December sales totaled \$28,767.

The total bond purchases in Texas during 1960 were \$192,823,432. This figure equaled 92.3 percent of the year's goal of \$165.5 million. December sales of \$13,539,528 were the highest one month's totals since last February.

"Last November the members of the Texas Press Association staged a one month's Savings Bonds Contest. The contest, based on news stories, editorials and advertising donated by each newspaper, resulted in increased savings bond support by Texas newspapers and played an important part in the record December sales," Mr. Verner added.

McCracken Will Aid Draft Board

Austin, Feb. 2—George D. McCracken of Tahoka has been appointed registrar for the Crosby-Garza Lynn-Lubbock county draft board in the Tahoka area.

Boys who reach the age of 18 can register in Tahoka by calling on Mr. McCracken at the Courthouse during regular business hours. A registrar is maintained in the area so that men will not have to travel to the draft board at Lubbock.

Colonel Morris S. Schwartz, state director of the draft system, expressed public appreciation of the services of Mr. McCracken.

"People of the Tahoka area should appreciate the services he renders to them," Colonel Schwartz said, "as he is doing the work without pay as a public service to his country."

All males are required to register under the draft law on their 18th birthday or within five days thereafter. Maximum penalties that can be applied for failure to register are \$10,000 fine, or five years in prison, or both.

New Oil Test Is Announced

T. B. Stallworth et al of Midland have announced a new wildcat in northeast Lynn county about 12 miles northeast of Tahoka, the No. 2 Haire, to test the Glorieta, located 2,159 feet from the north and 1,750 feet from the east lines of Jasper Hays survey.

The test is a southwest offset to the No. 1 Haire 4,300-foot failure plugged in November, 1960, and is nearly two miles southeast of YVO San Andres field on a 108 acre lease.

The wildcat test drilled in the Newmore community of southwest Lynn county was recently plugged as a dry hole.

MRS. HOWELL
Mrs. Lonnie Howell, who underwent surgery about two weeks ago for an eye condition, was released from Methodist Hospital last Saturday. The operation was apparently a success, saving the sight of her right eye, which had become stricken with glaucoma.

PRESS HONORED—The George Washington Medal for accomplishment in the field of advertising dedicated to preserving the American Way of Life, was presented the Texas Press Association at its January convention in San Antonio by Associate Justice Meade Griffin of the Texas Supreme Court. Judge Griffin presented the plaque, pictured above, on behalf of Freedoms Foundation of Valley Forge, Pa. Receiving the national award for TPA, on behalf of the daily and weekly newspapers of Texas, was L. B. Smith, publisher of the Brady Standard-Herald, president of the press group.

10 Miles of FM 212 North of Central Will Be Rebuilt

Farm Road 212 in eastern Lynn county which extends from US 380 north from Central Church, Garnolia and Gordon to intersect FM 211, will be rebuilt this summer, the Texas Highway Department has announced.

This road of 9.422 miles in length was built by the county from a bond issue has been taken over by the state and now is a state farm-to-market road.

The Highway Department is advertising for bids on the project to be submitted by February 18, 1961. Plans call for completely rebuilding the road and call for construction of grading, structures, base and surfacing, according to announcement of J. W. Stevens, resident engineer, of Lubbock.

County Judge W. M. Mathis says that although the right-of-way is not being widened, it is necessary to get right-of-way easements on this stretch of highway as this was not done when the road was built originally.

Dr. Floyd Golden Returns To Wilson

Dr. Floyd Golden of Amarillo, former president of Eastern New Mexico University, will speak on "Economics and Politics in Russia Today" Thursday night at 7:30 p. m. in Wilson High School auditorium.

The talk is being sponsored by Wilson Lions Club, admission is free, and everyone in the entire area is invited to attend, according to Clarence Church, publicity chairman of the club.

Mr. Golden, who is an outstanding speaker with an interesting message, spoke at Wilson in November on "Religion in Russia," and in January on "Education in Russia Today."

He is one of the 30 Americans who made a 30-day tour of Russia under the sponsorship of the National Association of School Administration.

Theo Campbell is president of the Lions Club.

March of Dimes Show At O'Donnell

O'Donnell will hold its annual March of Dimes variety show tonight beginning at 8:00 p. m. in the school auditorium.

The show this year will feature "Sky" and "Slim" Corbin as emcees and will sing and play the guitar.

Also featured will be Terry Nolan of Lubbock, and at least three complete western bands.

All profits from the show will go to the March of Dimes.

License Tags Now On Sale

New 1961 vehicle license plates went on sale Wednesday at the office of George McCracken, Lynn county tax assessor and collector. Tags must be on vehicles operating on public roads by April 1.

License tags are also on sale at Moore Insurance Agency in O'Donnell, Farmers Coop. Gin in New Home, and the School Tax office in Wilson.

Vehicle owners are requested to bring their 1960 registration receipts and titles with them when applying for new tags.

Boy Scout Fund Drive Is Set

Mayer H. B. McCord, Sr. has proclaimed the week of Feb. 7 to 13 as Boy Scout Week in observance of the 51st anniversary of the founding of the Boy Scouts of America on Feb. 8, 1900.

The annual fund drive will be conducted that week with A. M. Bray as drive chairman. The Boy Scouts need to raise about \$1,900 in Tahoka, Bray stated and asks that everyone be generous in their contributions.

During that week citizens are urged to recognize the patriotic service being performed for the community by volunteer Scout leaders and to express their appreciation to the sponsoring bodies of the Cub packs, Boy Scout troops and Explorers units.

McCord says that the Boy Scout program has affected the lives of over 33 million boys and men and now has an active enrollment of more than five million members.

The movement now seeks to motivate all its leaders to further and greater effort on behalf of youth under the theme of "Strengthen America—Character Counts."

The South Plains Council of Boy Scouts, of which Tahoka is a member, is a part of the force for training youth in right character, good citizenship, and will continue to serve all boys, regardless of race, color, creed or religion in this area and all over the nation.

Dates Announced For Stock Shows

Community, county and area junior livestock shows will occupy the attention of Lynn county 4-H and FFA boys and girls the next few weeks.

Tahoka Community Show will be held on Saturday, Feb. 18, at the Tahoka FFA farm near the Pioneer Natural Gas booster station west of Tahoka. No cash prizes are given at this show, but trophies will be awarded by Lester Adams for the grand champion barrow, by V. P. Carter for the grand champion gilt, and Bill Griffin for the grand champion steer.

O'Donnell community show will be on February 24 and 25.

The annual Lynn county show will be on March 3 and 4.

The Wilson-New Home show will be held on March 11.

The annual area show in Lubbock has been set for March 20, 21, and 22.

Assistant County Agent Comes Here

Peyton Scott, recent graduate of Texas Tech, arrived here Wednesday to begin work as assistant county agent in training under County Agent Bill Griffin.

Scott is originally from Merkel. At Tech, where he majored in agriculture, he was a member of the International Stock Judging team.

He is married, has a baby daughter three months old, and is living in the Woods duplex apartment on North Sixth.

CHILD CRITICALLY ILL
Cindy McKibben, 17-month-old daughter of Mr. and Mrs. Don McKibben, is seriously ill in Tahoka Hospital following a pneumonia attack.

Phone Cooperative Is In Own Building

Poll Taxes Paid By 2019 Here

Lynn county tax assessor and collector George McCracken states that 2019 citizens of this county paid their poll taxes enabling them to vote in 1961 elections.

In addition, 36 exemptions have been issued to those becoming 21 years of age. These, however, did not fall under the deadline of Jan. 31, the last day on which poll taxes could be paid. Exemptions of those voting for the first time may be claimed up until 30 days before the first election.

Last year, total receipts issued by the tax office here were 3062, including exemptions.

Neither of these numbers include elderly persons exempt.

McCracken stated that he feels the number paying their poll taxes this year may be slightly above average, for an off year election-wise.

Mothers' March Brings In \$718.06

The Mother's March for the March of Dimes in Tahoka brought in \$718.06, according to H. B. McCord, Jr., county chairman of the National Foundation of Infantile Paralysis.

The Pythian Sisters were again in charge of the local march and furnished refreshments to workers. They were assisted in the drive by local organizations and several individuals.

The drive will continue through the middle of February, McCord said. This week letters will be mailed out to citizens of Lynn county and school cards distributed.

In conjunction with the drive, O'Donnell is holding its annual talent show with proceeds going to the March of Dimes.

This week the Duplicate Bridge Club contributed its Tuesday night proceeds and another contribution has come from the Dixie Home Demonstration Club.

Mrs. Warrick, 94, Dies In Pampa

Funeral services for Mrs. W. D. Warrick, 94, were conducted at 2:00 p. m. Thursday in the Lockney Assembly of God Church. Burial was in Lockney Cemetery.

A resident of Lockney for 60 years before moving to Pampa in 1955, Mrs. Warrick had been bedridden for five years. She died Wednesday at the home of a daughter in Pampa.

Survivors include two sons, J. W. Lubbock, and Bill Plainview; five daughters, Mrs. Aubrey Wade, Pampa; Mrs. H. C. McElyea, Spur; Mrs. Mary Wellborn, Bakersfield, Calif.; Mrs. J. T. Cunningham, Tahoka; and Mrs. Nancy Freeman, Denver City; 29 grandchildren, 29 great grandchildren and six great-great grandchildren.

Chas. Townes Back In Post Office

Charles Townes, carrier on Route 5 since last July 1, has returned to his old job as assistant postmaster in the Tahoka postoffice, and Jess Gurley has transferred to carrier on Route 5.

Townes has been in the postal service here 25 years, except for four years in the Army which time he was in Army postal work. Gurley has been in the service here 23 years.

Mrs. J. A. South remained a patient in Tahoka Hospital this week where her condition is considered poor. She was admitted Jan. 24.

Poka-Lambro Rural Telephone Cooperative Moved Into New Location

Poka-Lambro Rural Telephone Cooperative moved into its new location this week on North Main Street. The co-op purchased what was originally the Shambeck Motor Company building and remodeled it to provide facilities for the telephone service offices and storage rooms.

Approximately \$10,000 was allocated by REA for the remodeling job which was awarded to Purcell Construction Co. of Lamesa.

The new location provides Poka-Lambro with a director's room of brick and mahogany paneling, six offices which are paneled or partially paneled, a kitchen, rest rooms, a large reception room, a large storage room used for cable and other large supplies as well as a garage for the co-op's trucks, and three rooms upstairs for mapping, filing, etc. and storage.

Also included in the remodeling plans was a fire proof vault, acoustical ceilings, refrigerated air conditioning and central heating, recessed lighting and some new furniture.

Poka-Lambro now serves over 2,000 members on 2,000 miles of lines in nine counties, Lynn, Garza, Borden, Dawson, Martin, Terry, Gaines, Yoakum and Hockley.

The co-op has 15 employees with a monthly payroll of about \$5,000. Poka-Lambro has under loan from REA \$2,092,000 and of this amount has repaid \$327,696 of which the principal is \$175,615 and the interest \$152,082.

W. D. Harmon, manager, says the co-op has prepaid or advanced \$2,000 to REA.

The building was purchased about two months ago and work on the remodeling was begun soon after.

The new location will provide a more efficient and expanded service into the large area that Poka-Lambro is now extended.

Offices were formerly located in the Wharton building, also on Main Street.

S. C. Ashcraft Rites Tuesday

Funeral services were held Tuesday at 10:00 a. m. in the New Home Baptist Church for Samuel Clyde Ashcraft, 73, who died at his home in New Home at 3:00 p. m. Sunday. He had been ill health about six months.

Conducting the services were Rev. Paul McClung, pastor, and Rev. Aaron L. Mitchell, pastor of the New Home Methodist Church. Burial was in Resthaven Memorial Park in Lubbock under direction of Stanley Funeral Home.

Ashcraft was born Aug. 21, 1887 in Rogers, Texas. He came to Lynn county in 1936 from Slaton and farmed until his retirement. He and Mrs. Ashcraft moved into New Home about five years ago.

He was married to Miss Parma L. Anderson.

Ashcraft was a member of the New Home Baptist Church and was a veteran of World War I.

Survivors include his wife of New Home; one son, Clyde of Tahoka; four sisters, Mrs. Della Chapman of Sulphur, Okla., Mrs. Stella Burleson of Anton, Mrs. Helen Cumby of Marlin, Mrs. Agnes Starks of Bay City; three brothers, John of Bay City, Jack of Hugo, Oklahoma, and Herbert of Temple; and five grandchildren.

O'Donnell Calls Trustee Election

O'Donnell school board has set its trustee election for April 1, when two places will be filled.

Terms expiring are those of Wayland Taylor and Lynn Birdwell.

Deadline for filing for a place on the ballot is March 1. Filing may be made either by petition or personally.

SPORTS

Tahoka Boys Defeat Slaton 67 to 53 To Join Denver City In League Lead

The Bulldogs put another stumbling block behind them on their bid for the district crown when they slaughtered Slaton here Tuesday night 67-53. The Slaton girls, undefeated in conference play, kept their slate clean in overthrowing Tahoka 53-46. Closest game of the evening was the "B" boys game that Tahoka edged out 47-46.

The Bulldogs took a 16-11 lead in the first quarter and from there on coasted into a 35-15 margin at halftime. The widest lead was at the end of the third quarter when the Bulldogs were ahead by 24 points, 53-31.

Frank Greathouse, Billy Clinton and Fred Hegi were top scorers for the winners, making 24, 14, and 9 points respectively. Ronny Jones made 16 and Larry Burk 13 for Slaton.

The win gave Tahoka a 3-1 record in district play.

Loretta Short scored a hot 29 points, but the local girls were unable to keep pace with Slaton who took a 15-9 lead in the first quarter and a 26-19 margin at halftime.

The district leaders were ahead 42-34 at the end of the third. Judy Dunn scored 21 points for the winners, Judy Bishop 18 and Bounds 14.

The "B" game, a close battle with the local five winning a one point, saw Billy Wallace accumulate 13 points for Tahoka and Steve Ellis and Tony Spruiell had 8 each.

Juniors Win Two, Lose Two Games

Tahoka junior teams split four games with Frenship Monday night, the seventh and eighth grade boys winning and the girls losing.

Eighth grade boys took a 25-14 victory and the seventh grade boys a 29-4 win, while the eighth grade girls dropped their game 24-7 and the seventh grade girls 16-6.

Eddie Howard paced the eighth grade with 8 points and Jose Cervantez scored 6. Two Frenship boys scored three each. The eighth graders had a 15-9 lead at halftime.

Stanley Renfro took high point honors with 10 in the seventh grade game while Larry Jolly and Brett Patterson made four each. Dale Cook was high point for Frenship with 8. The local team led 16-6 at halftime.

Frenship eighth grade girls held a 12-1 lead at halftime while Charlotte Snowden paced her team with 13 points and Pam Dickenson made 8. Joyce Huey made 3 for Tahoka.

The seventh grade girls of Frenship were led by Cecilia Williams who made 9 points.

Vivian Short made 4 for Tahoka. All of Tahoka's scores came in the second half.

Boy Scouts of America chartered by the Congress of the United States on June 15, 1916.

Buy, build, live, in Tahoka.

Boy Scouts Observe 51st Anniversary

STRENGTHEN AMERICA CHARACTER COUNTS

BOY SCOUTS OF AMERICA
51st ANNIVERSARY 1961

NEW POSTER MARKS 1961 BOY SCOUT WEEK

The nation's 5,100,000 Cub Scouts, Boy Scouts, Explorers, and adult leaders observe the 51st anniversary of the Boy Scouts of America during Boy Scout Week, Feb. 7 to 13 under the theme of "Strengthen America . . . Character Counts." Each of the 129,100 Scout units will select a top boy member as its spokesman at community and local observances. Twelve Eagle Scouts will be selected to make Scouting's Report to the Nation in Washington, D.C., during Boy Scout Week.

Bulldogs Lose Game At Plains

Tahoka lost to the leaders of District 5-A Saturday night at Plains 54-46 in a game that had been postponed from last Tuesday night. The "B" team also lost by a score of 51-36.

The game scheduled here with Post last Friday night was also called off because of bad weather. This is a conference game and will be played at a later time.

Jack Melxner scored 27 points to lead the Plains Cowboys, making 12 of them in the first period when the Cowboys led 16-13. They held a halftime lead of 27-20, and a third period margin of 37-32.

Frank Greathouse was high point for Tahoka with 20.

Craig Leslie held scoring honors in the "B" game with 14 points, while Jerry Jones made 12 for the winners. However, the last portion of the game was played with four Tahoka players after two of the six boys taken to Plains fouled out.

CARD OF THANKS

I want to take this means of thanking my many friends who so graciously remembered me on my 87th birthday Jan. 4, 1961, as I have received 42 beautiful cards, a nice letter and gifts from almost everyone and so I say thanks to each and everyone. I really have enjoyed each one so much and am so thankful the Lord has spared me all these many years.—Mrs. Bettie Terry, Rt. 2, Bonham, Texas.

Denver City Foe Of Boys Tonight

The Bulldogs journey to Denver City tonight for an all-important basketball conference game, while the girls host Sundown "A" and "B" teams here with games beginning at 6:30 p. m.

The winner of the game tonight will probably emerge the district champions. Both Denver City and Tahoka have one loss in district play, the Bulldogs having defeated the Mustangs, and Slaton handing Tahoka its only loss.

Tahoka will have three more "big" games to play however and would have to win them all. Denver City, on the other hand, has played more games than Tahoka and would not have so far to go to wind up their season.

The boys "B" team will play tonight at 6:30 p. m. preceding the Mustang-Bulldog game.

Tuesday night the varsity boys and girls and "B" boys take on

Stanton here at 6:00 p. m. Stanton surprised Slaton in handing them their second loss of the season and knocking them out of a tie for the district lead.

On Thursday night, Feb. 9, Post girls and boys and "B" boys come here for games that were called off because of bad weather. The games were originally scheduled for Jan. 27.

On Thursday night Post seventh grade girls and boys were playing here. Monday night will see games played by the four teams at Frenship.

Beginning Tuesday night, and resuming on Thursday the eighth grade and freshmen boys and girls are entered in the Crosbyton tournament.

There are a total of 531 local Boy Scout Council in America to serve boys.

SEE THE NEW VALUE-PACKED **COMET** . . . THE BETTER COMPACT CAR

PRICED UP TO \$331 BELOW OTHER COMPACTS

HIGH RESALE VALUE UP TO \$617 MORE THAN OTHER COMPACTS

FINE-CAR FEATURES

Comet is one of the least expensive compacts you can own! These are the facts. Comet costs less when you buy—up to \$331* below other compacts. Comet gives you high resale value—up to \$617* more than other compacts. That's why it pays to own a Comet. But that's not all. Comet has fine-car features, too.

It's the first family-size compact Longer wheelbase—up to 7.5' longer than other compacts—means more Comet room, not only in pleasurable comfort-for-six seating but in over 28 cu. ft. of trunk space—up to twice as much as other compacts.

Comet's big-car ride is the comfort difference Extra length also contributes to Comet's road-leveling ride. The refined new suspension and easier-action springs give Comet a better ride than many standard cars. And you'll find Comet turns, parks and handles almost as easily as a tricycle!

Talk about economy and you're talking Comet To save on gas, choose either of Comet's two thrifty engines. You change Comet oil only every 4,000 miles, get 10% better tire mileage, save on licenses and insurance. And Comet's super-enamel finish won't cost you a cent for waxing—never needs it!

Both two- and four-door sedans and wagons Take your pick from sedans or wagons. Comet wagons have up to 30% more cargo space behind the front seat than most other compacts, plus a convenient roll-down rear window.

Lasting quality, even where it doesn't show Comet is quality, inside and out. Unit-built to keep quiet, stay sturdy and durable, Comet also has rustproofed vital underbody parts, complete soundproofing and an aluminum muffler.

*Based on a comparison of all manufacturers' suggested retail prices. †Based on manufacturers' suggested retail prices and Automotive Market Report figures.

Brotherhood Will Have Ladies Night

The Brotherhood of First Baptist Church is planning its annual ladies night for Monday, Feb. 27, in the school cafeteria.

Guest speaker will be Clifford Harris, former minister who is now pastoring a church in Fort Worth. In charge of the ticket sales are Wes Owens, vice president of the Brotherhood; Walthal Littlepage, secretary; Borden Davis and Terry Noble.

Program committee consists of Bill Choate, music director; Robert Edwards, Sunday School superintendent; the pastor, Rev. T. James Efird; and Bob Warren, president of the Brotherhood.

Composing the food committee are Troy Havins, Grady Lankford, Jimmy Huey, G. W. Grogan, Walthal Littlepage, Otis Hillhouse and Ed Hamilton.

Tickets will be available about Feb. 13.

The executive committee of the Brotherhood will meet Monday, Feb. 13, at the church to complete plans for the event.

Duplicate Bridge Winners Named

Second session of the six-game Winter Series of duplicate bridge was held Tuesday night at T-Bar Country Club.

Winners were: Mrs. Jess Gurley and Johnny Wells, first; Mrs. J. T. Whorton and Miss Echo Milliken, second; and Mrs. Oscar Roberts and L. C. Hanev and Mrs. Jack Smith and Mrs. Larry Hagood, tied for third and fourth.

Mrs. D. W. Gagnat, Mrs. A. N. Norman, and Mrs. Bill Lumsden left early Wednesday for Tulsa Okla., where they are playing this week end in the regional tournament.

The local club voted to contribute \$7.00 to the March of Dimes fund.

Today's MEDITATION

from The World's Most Widely Used Devotional Guide

The Upper Room

THE UPPER ROOM, NASHVILLE, TENNESSEE

They that are after the flesh do mind the things of the flesh; but they that are after the spirit the things of the Spirit. (Romans 8:5.)

Food is a basic necessity for the body. Moreover, the production, distribution, and preparation of it provide employment for a vast portion of the world's population. But meat and bread are not to have priority in our concern.

The Master's counsel that man shall not live by bread alone, but by every word that proceeds out of the mouth of God, needs reaffirmation in our day by each of us. Let us look about our homes to see where we are putting emphasis. Are we putting it on the material or on the spiritual?

We do well to keep in mind that our standard of attainment is set by God, not by man. We reach it not by measuring ourselves by ourselves, but only by bringing our desires into conformity with God's will.

God has expressed this will through His Son, our Lord, and constantly reminds us of it through whisperings of the Holy Spirit.

Prayer: Grant, O God our Father, that we may be motivated by the mind of Christ. Discontent us with that which is small and base—out of character for us. Help us in our outreach and preach to partake of Thy divine nature; through Christ our Lord. Amen.

THOUGHT FOR THE DAY—In the presence of the inescapable Christ, we cannot plead ignorance of God's purpose for man.

—John Marvin Rast (South Carolina)

Jaycee-Ettes Will Entertain Husbands

The Tahoka Jaycee-Ettes met for a called meeting Tuesday night immediately following the Mothers' March of Dimes.

Members of the club decided to finance an appreciation supper at Underwoods in Lubbock for the girls and their husbands. After this an evening of bowling is planned.

Those attending the meeting were:

Clovis McElroy, Ima Pool, Wanda Glenn, Dolores Henry, Dorothy Craig, Cecile Henry, June Dunn, Toia Wilson, Jeanette Roseberry, LaVerne Dykes, Peggy McClellan, Pat McClellan, Mickey Gribble, Ruby Chaney and hostess Kathy Dorman.

The supper and bowling party will replace the regular Valentine party this year.

Draw H. D. Club Starts New Year

The Draw Home Demonstration Club began the New Year by meeting with Mrs. A. R. Hensley. All new officers were in their places.

Home Demonstration Agent Connie Anderson brought the program on techniques of public speaking. Some hints to remember are: pauses, posture and timing, keep up with the times, and never rust but look forward.

Refreshments were served to the agent and eight members.—Reporter.

Mrs. Mattie Whittington, Mrs. Harve Henderson and Miss Lola Belle Henderson, all of Lubbock, were visitors in Tahoka Tuesday. All are former Lynn county citizens and the latter two have recently moved to Lubbock from Oklahoma.

Mr. and Mrs. Homer Aldridge have moved to Plains, where he is farming.

Mrs. Thompson Is Hostess To WSCS

Mrs. J. B. Thompson was hostess to both the Faith and Margaret Circles of the Woman's Society of Christian Service Monday morning for the second lesson of "Heritage and Horizons," the home missions study, under the direction of Mrs. G. M. Stewart.

Mrs. Bland Ramsey read the scripture on "All members working together." Mrs. A. M. Bray gave the highlights of last week's lessons and also reviewed an excerpt from Buechner's book, "The Return of Ansel Gibbs," which told about a pastor's work in the stumps of New York.

Mrs. R. H. Gibson gave short sketches of some of the first missionaries in America and Mrs. O. C. Roberts read articles from the newspapers about different phases of home missions.

Assisting Mrs. Thompson in hospitalities was Mrs. V. F. Jones.

The next meeting will be held at 3:15 p. m. Monday at the First Methodist Church when Mrs. Bray will review the play, "Remind Me to Live," by A. L. Hale. She has asked the ladies to help with the Salvation Army drive next Monday, which will be considered action from the study on home missions.

All ladies who are interested are invited to attend this study, which treats the needs of our own community.

Over 56,000 boys and leaders from the United States and many foreign countries participated in the 5th National Jamboree at Colorado Springs, Colorado.

New Home Girl Award Winner

Betty Louise Taylor has been named the 1961 Betty Crocker Homemaker of Tomorrow at New Home high school.

Having received the highest score in a written examination on homemaking knowledge and attitudes taken by graduating seniors in her school, she becomes a candidate for the state Homemaker of Tomorrow award which will be announced in March.

Each school Homemaker of Tomorrow will receive an award pin, manufactured by Jostens and representing the slogan, "Home is Where the Heart Is." The examination papers of school Homemakers of Tomorrow will be entered in competition to name the state's Homemaker of Tomorrow.

The \$110,000 homemaking education program sponsored by General Mills offers a \$1,500 scholarship to the first ranking girl in each state and \$500 scholarship to the state's second ranking participant.

State Homemakers of Tomorrow and their faculty advisors receive an expense-paid educational tour to New York City, Colonial Williamsburg, Va., and Washington, D. C., April 8-13, the trip culminating in the announcement of the All-American Homemaker of Tomorrow whose scholarship is increased to \$5,000. Second, third and fourth ranking Homemakers of Tomorrow in the nation will have their scholarships raised to \$4,000, \$3,000, and \$2,000, respectively.

The testing and judging is conducted by Science Research Associates of Chicago. With a record 402,786 girls in 12,633 of the na-

The Lynn County News, Tahoka, Texas

tion's schools participating this year, the Betty Crocker Search has enrolled more than two million girls in its seven-year history.

Annual Budget of local Council over the country represented some \$38,320,000 for 1959 as compared to \$10,000 in Scouting's first year of operation.

There are 3,578 Professional Scouters in the United States dedicated to serve boyhood in their respective areas, through sponsoring institutions and adult volunteers.

Scouts have earned over 2,726,800 merit badges awarded in specific fields related to physical fitness.

Two Break Legs At Ski Course

Three couples left here last week to enjoy skiing at Santa Fe Ski Basin in New Mexico. The results, two of the ladies receiving broken legs.

Mr. and Mrs. Leland White of New Home, Mr. and Mrs. Jay Raney and Mr. and Mrs. Wiley Green, all of Olton went to the basin for a week end of pleasure.

On Friday morning the group prepared themselves for skiing. Less than 30 minutes after they had begun skiing, Mrs. Green fell and broke her left leg. She was taken into Santa Fe for treatment.

Saturday morning the remaining five brave skiers started on another such venture. And sure enough, in less than 30 minutes after they had been on the skiing range, Mrs. White fell and broke her left leg. She was also taken into Santa Fe for treatment. Mrs. White is now home and doing well, according to her mother, Mrs. W. R. McNeely. She will remain in bed several days and will be wearing a cast eight to ten weeks.

Mrs. Raney is the former Joy Hamilton, daughter of Mr. and Mrs. Ed Hamilton of Tahoka.

4-H Clubbers Leave For El Paso Show

Eight Lynn county 4-H club boys and girls are scheduled to leave Saturday with their livestock to show at El Paso February 5-12, according to County Agent Bill Griffin.

Showing steers at El Paso will be Lester Ford, Jack Wood, and Daphne Hogg.

Hogs are entered by Ronnie Wood, Billy and Wayne Hatchell, Rodney Mears, and Eddie Joe Moore.

Trustee Election Is Set At Wilson

Trustee election for Wilson Public Schools has been set for April 1, according to Johnny Clark, superintendent of the Wilson schools.

Last date that a candidate may file for the office is March 1. The school board in a meeting Tuesday night elected Miss Patsy Stander as a teacher to teach in the elementary grades. The school has also purchased two buses from the South Plains Junior College to add to their transportation facilities.

SERMON TOPICS

During the month of February, the pastor of the First Baptist Church, Rev. T. James Eford, will bring on Sunday mornings a series of messages on doctrinal themes, under the general title, "The Bible Speaks."

This Sunday, February 5, the topic will be "The Bible Speaks About Satan." Other subjects for discussion during the month will be "The Bible Speaks About God, About Christ, and About The Holy Spirit."

A cordial invitation is given to everyone to hear these scriptural messages in the Sunday Morning Worship Services.

Currently the pastor is bringing a series of messages on Sunday night on Bible heroes. Next Sunday night, the topic will be "The Power Behind the Throne."

Mrs. A. J. Kaddatz was admitted to Tahoka Hospital Thursday of last week after receiving a severely sprained back when she fell on the icy ground at her home when she was going to the car. She is expected to return home the latter part of the week.

Jack Stevens is attending school at North Texas State College at Denton this semester. He was a student at Tech before going to Denton.

THE AMERICAN WAY

Speaking of Price Controls...

Gordon-Southland

(By Mrs. Jesse Ward)
Mrs. Kellum was honored with a birthday party Thursday afternoon. Those attending were Misses S. D. Martin, Elmer Hitt, Thelma Burkett, Dillard Dunn, C. A. Haire, Kenneth Davies, F. W. Calloway, Ivy Basinger, W. P. Lester, J. H. Haire, L. B. Mathis, Donald Pennell, Kenneth Calloway, Mrs. Moore and the honoree.

Mrs. Jack Lancaster and children from Amarillo spent last week with her parents, Mr. and Mrs. Edward Mosley and his parents, Mr. and Mrs. Earl Lancaster. Their son Kevin was taken ill while visiting and has been hospitalized in Mercy Hospital in Slaton while visiting here.

Mr. and Mrs. Herman Dabbs and family spent Sunday afternoon with their son and daughter-in-law, Lt. and Mrs. Travis Dabbs and children in Lubbock.

Mr. and Mrs. Jack Myers attended the funeral of her uncle, I. D. Rogers in Spur Thursday afternoon where Jack was a pallbearer. Services were held with Rev. Lynn Wilson officiating. Burial was in Clairmont Cemetery.

Mr. and Mrs. Ed Milliken are improving. She is still in the hospital and was receiving some company over the week. He was released from the hospital last week and is in the home of his sister, Mrs. Clea Young in Slaton.

Mr. and Mrs. J. H. Haire, Mrs. Jack Myers and John Leake attended a Phillips 66 meeting in Midland Thursday of last week.

Recently Mr. and Mrs. Claude Roper, Wilson, and their daughter, Linda from Lubbock Christian College in Lubbock, were Sunday guests of Mrs. Roper's mother, Mrs. J. F. Rackler.

Mr. and Mrs. Ned Myers and Nedra have moved to Garden City where she has opened up a beauty shop and Ned has accepted a job with the Kimbell Seed Co. with his headquarters in Big Spring.

Mr. and Mrs. Larry Alford spent from Thursday until Sunday evening in the home of her parents, Mr. and Mrs. Sam Ellis and family.

Mrs. Herbert Dunn spent from Thursday until Saturday with her parents, Mr. and Mrs. Ed Day in Muleshoe. Mr. Day is ill and in the hospital. She reported her father better when she returned home.

Mrs. A. A. Ferguson from Post spent Monday of last week with

her sister, Mrs. Donald Pennell. Monday afternoon the ladies visited Mrs. Pennell's daughter, Mrs. Kenneth Calloway and baby in Slaton.

Mr. and Mrs. Jack Myers and Kelly Jo attended the K. D. Myers family reunion held at 6666 Ranch at Guthrie Sunday of last week. Those attending were Mr. and Mrs. K. D. Myers from Crosbyton, Mr. and Mrs. Ned Myers and Nedra, of Garden City; Mr. and Mrs. Porter Myers and family, Guthrie; Mr. and Mrs. E. A. Myers and family, Spur; Mr. and Mrs. Bill Myers and family, Girard; Mr. and Mrs. Curtis Palmer, Garden City.

Mr. and Mrs. Carl Rackler and daughters, Carlene, Wanda, Judy and Sandra from Wolforth were Sunday guests of Mr. and Mrs. J. B. Rackler, J. B. Jr. and Beverly.

Mr. and Mrs. Bryan Landers from Lubbock spent Sunday with their daughter and son-in-law, Mr. and Mrs. Jack Burkett, Jan and Jackie.

Mrs. Jerry Petle and little son, Randy of Athens left Monday for their home after spending two weeks in the home of her parents,

Marcheta Wood Places At State

Marcheta Wood, daughter of Mr. and Mrs. J. M. Wood of O'Donnell, won fourth place in the Junior Division of the state "Make It Yourself With Wool" sewing contest.

She modeled a wool flannel ensemble featuring a brown one piece dress and a white coat with brown trim. She also won woolen yardage for making a garment.

Miss Wood was among 100 girls and women to compete in the event and was chosen to participate through county and district eliminations.

Boys' Life Magazine, national Scout publication has over 1,888,000 circulation.

Rev. and Mrs. Fortson

Mrs. J. F. Rackler was a dinner guest of her daughter and son-in-law, Mr. and Mrs. Claude Roper, Wilson, and Linda from LOC Sunday.

Jerry Hitt from Hardin-Simmons University in Abilene spent semester holidays with his parents, Mr. and Mrs. Elmer Hitt. The Hitts spent the week end with Mr. Hitt's brother and family, Rev. and Mrs. H. W. Hitt at Wolforth.

Mrs. Max Chaffin was honored with a layette shower Friday night in the home of Mrs. Buddy Hall. There were 11 guests and the honoree.

Mrs. Bruster, mother of Mrs. W. A. Basinger, was reported on the sick list last week.

Mr. and Mrs. M. C. Edmunds returned to their home Saturday night from their visit in Louisiana. Their visit was extended on account of the roads not being favorable for travel.

Preachers And Hens Advertise "Wares"

(By Al Lock in The American Press.)

"Everybody in town knows me, I don't need to advertise," You don't dare call him a liar, but when a merchant says that he just don't know what he is talking about, Everybody in town doesn't know him, and if they did they still forget what he has for sale. That is why hens cackle and preachers ring church bells. To remind the public what they already know.

If the town is small enough for everyone to know him, then ask the merchant if everybody in Loper county and adjoining counties where the paper goes, knows him: His business and the paper's circulation are not bounded by the town limits. They both cover the retail trade territory.

People move to town, children grow up and get married, people die and new families take their places. People in the market for hardware this week, may want a floor lamp next week. The merchant is selling a passing parade. He doesn't realize that his store looks like any other store on the street to the customer. He can make it look better by advertising.

In his advertising he has an opportunity to ask people to buy more, to buy better quality, to lay up quantities, to take advantage of his service, to use his telephone, to layaway items, to use his knowledge in making selections. You would think everybody knows a Ford car, Coca Cola, Penney's, yet they continue to advertise. They are like the hen and preacher. They don't intend to let anyone forget them.

AVOID COMPULSION

Senator Barry Goldwater writes: "In order to remake society overnight and to eliminate the inquiries which are apparent to all of us, the radical liberal is always willing to employ compulsion. In order to exercise compulsion, the liberals seek additional power and constantly chafe under the restrictive limitations of the Constitution. Conservatives, on the other hand, believe that compulsion—however well-intended—inflicts serious injury on the dignity of the individual and therefore argue that reform and improvement must be voluntary."

Over 17 million copies of the Boy Scout Handbook printed and sold in the U. S. A.

Try The News Want Ads.

QUESTIONS, PLEASE

QUESTION: "What Is The Heart Spoken Of In The Bible?"

ANSWER: We need more "heartfelt religion" today. A full conversion demands the whole heart be converted. Man is a dual being, physical and spiritual, and each has a heart, the seat of life. The heart of the physical man is the lobe of flesh which keeps up the circulation of blood. But this is NOT the heart spoken of in the Bible! The character of this heart is manifested in the conduct (Matt. 12:35). The words of the mouth tell what is in the heart. The heart is composed of the intellect, which thinks (Gen. 6:5), understands (Matt. 13:15, and believes (Rom. 10:10). It is composed, also, of the emotion, which despises (2 Sam. 6:16), desires

(Rom. 10:1), loves (Matt. 22:37), and trusts (Prov. 3:5). The will is another aspect of the heart which determines (1 Cor. 7:37), intends (Heb. 4:12), purposes (Acts 11:23), and obeys (Rom. 6:17). A final aspect of the heart is found in the conscience which condemns or condemns not (1 Jno. 3:20, 21). The intellect of the heart is converted with the logic of the facts of the gospel. If this is the only area that is converted in man then he is grossly lacking in conversion. The emotion is made right with God when one has done His bidding and is pure. The will is converted through being led to repent. The conscience is made right with God when we do things His way. It is made right with God (1 Pet. 3:20, 21). You are invited to send your questions to: Bob Barnes, Box 812, Tahoka, Texas. You are also invited to attend all the services of the church of Christ.

Dangers Of Communism Told School By Dr. Mattox of Lubbock College

Dr. F. W. Mattox, president of Lubbock Christian College, spoke on "Communism" to the student body in Tahoka High School Wednesday morning under sponsorship of the Future Homemakers of America.

He has become widely known in this area through his efforts to make the people realize the dangers of communism and is widely sought after speaker. Vickey Hamilton introduced him to the student body.

The most startling statement Dr. Mattox made was that if "communism continues to progress as it has from the period of 1939 to 1961, it will conquer the world by 1973."

He said that America has a better way of life than any country in the world and that an average family could give one-half of its income away and still have more than the average family of the world. The average Negro family, Dr. Mattox continued, lives better than the average English family and that Negroes in Amer-

ca drive more cars than the entire population of Russia and Africa. He pointed out these facts to give the students an idea of America's "wonderful way of life."

Turning to communism, he pointed out that in 1917 Lenin took over Russia with fewer communists than there are in the United States today.

The communist policy is to surround the United States and pluck it as fallen ripe fruit. If the U. S. were not so militarily strong, Russia would long ago have taken other lesser countries by force, but since opposition exists here the goal must be reached by infiltration.

The United States has the power to protect itself from without, but is expected by the communists to crumble from within following their intensive infiltration program. And they shrewdly go about their business every day, he said.

Dr. Mattox quoted General Twining when he said that we do not have any secrets anymore because communism has infiltrated even the communications in Washington.

As an example, the speaker cited the case of the recent Un-American Activities Investigating Committee in California when communists called to appear organized and by shrewd methods so brainwashed the students of the University of Southern California that they staged a riot at the scene of the investigations.

In answering the question "what is Communism," he stated that it is a philosophy that says there is no God, heaven or hell; that man is an animal that just happens to be more intelligent than other animals; that there is no such thing as morality or right or wrong except in furthering the purposes of the communists party.

On the other hand, America respects the rights and the word of the individual and projects his rights. The United States is the last and only strong hold against the spreading political disease.

Marx said that the way to take the world is by taxes. He claimed that the world cannot suddenly switch from capitalism to communism, but go from capitalism to socialism and then will turn to communism without realizing what it has done.

Dr. Mattox warned that the bigger the government gets, the less freedom will exist.

As Thomas Jefferson said, the

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

Almost 100% of the nation's independent businessmen, 96% to be exact, voting through the National Federation of Independent Business, have asked Congress to assure business freedom in hiring policies.

This is a significant vote at this time. As is well known, this is an election year, and with an eye on sizeable blocs of racial minority votes, there could be more shouting in Congress this year on the nebulous subject of Civil Rights than anything else.

This is not only a Federal trend. Politicians at the state and city level where there are large concentrations of racial minorities, also let their hearts bleed publicly for the strengthening of Civil Rights.

There is a strong drive to make this type of legislation universal. In California, for example, if an employer seeking a receptionist from a state employment office dares to specify what color the girl that meets callers at his office should be, he is in for a lot of bureaucratic yammer.

Now no American with a background of respect for the U. S. Constitution has any deep racial bias.

But most Americans also resent having a gun stuck to their head.

But as officialdom has already stuck its nose into the operation of business to further schemes of socialism, control

of labor relations, et al, there is perhaps enough precedent for laws that would tell each and every employer what percentage of his employees can be white, tan, brown, black, pink, green, and so on.

And it is not without logic that these self-appointed Messiahs of equality in political life, unable to accomplish anything with the public at large, will seek to make business the fall guy again.

In those industries where government has permitted Big Labor to move in with full force, as many employers know, they have very little say left as to just who they will hire, whom they will not hire. The union bosses, backed up by the fellow travelers that permeate the National Labor Relations Board see to that.

And it is significant if the employees forced on an employer do not produce efficiently, the NLRB does not volunteer to make up the losses.

Thus, if in all this political maneuvering over Civil Rights should result in still another agency to enforce some screwball employment regulations employers might have little if any time left to make a profit.

Actually, the American Constitution promises protection to all minorities. But there is nothing in this document which gives any minority priority.

It is high time that the American business structure quit being the brunt of all the crackpot socialist or do-good schemes dreamed up either for reasons of vote getting, or through just plain ordinary softheadedness.

Everyday Religion

By J. B. Thompson

Jesus encountered a man in a synagogue one day who had a withered hand. Luke says it was the man's right hand that had withered away. The hand that was depended upon most by a right handed person. The hand that was most accurate; most skilled, according to the record the man was whole in every other respect. At least there is no reference to say other physical defect in the man.

Many people today are like this man whom Jesus healed long ago; not physically but morally and spiritually. We have the power to see, hear, speak and feel but we do not do anything. We sympathize with the needs around us. We understand the conditions of our world. We believe in the principals of life that are needed in our day. But, our hands; are withered and we do not take part in the world's tasks.

Jesus healed the man's withered hand by commanding him to "stretch forth" his hand. It is as simple in its broader meaning as that. If we do not use our hands, our abilities, they wither away. The way to regain their use is to "Stretch forth" our hands in service; to do something about the needs and problems of life.

government is to keep men from injuring each other and to otherwise leave the people alone.

Dr. Mattox stated that, like Marx predicted, taxes are continuing to raise, coming back in benefits, to do for us what we have always done for ourselves.

The first income tax was collected in 1913 and it was only 1940 that the average citizen paid income tax. Today the average working man works the first four and one-fourths months for the government and only then begins to work for his family.

Whether or not the citizens of the United States will have freedom or be regimented, will be told in the next two years. Dr. Mattox asked the students to consider whether or not the U. S. is becoming so socialistic that slipping into communism will be a mere trifle to the latter's leaders.

Wilson FFA Farming Activities Report Shows 37 Boys Completing Projects

The final report of supervised farming activities has shown that the members of the Wilson FFA Chapter had a total labor income of \$7,197.29 from farming projects. This report covers the year 1959-60.

Thirty-seven boys completed at least one productive enterprise, eight supplementary farm practices, and one improvement project for the previous year.

The boys fed a total of 341 head of hogs for pork production. Twelve of these hogs sold for a total of \$2,707.00 at state and area livestock shows. All of these barrows sold for over \$100.00 a piece; the highest price one sold for was \$400.10 at the Houston show. Net income from pork production was around \$500.00. Crops and breeding enterprises had a labor income of around \$2,000.00, most boys having pork production projects. These 37 boys had a total of 50 head of

breeding swine.

The FFA chapter has in operation an extensive swine program. Their goal is to establish several herds of outstanding merit of all breeds of swine. Registered swine breeders in the FFA are as follows: Ray Ehlers, Junior, Hewlett, James Wuensche, Bobby Stone, Allen Wuensche, and Jimmy Gickhorn, who have registered Berkshire; Donald Herzog, Valton and Rodney Maeker, Billy Baker, Tommy Swann, and Kenneth Gryder, registered Durocs; Jack Mason, Gene Herzog, and Rodney Crews, registered Hampshires; Larry Mears, Larry Petty, and Keith Sanders registered Poland China; Roy Nolte and Surpy Benavidez, Spotted Poland China.

Adult breeders of swine that work closely with the Wilson chapter are Jasper Campbell, Freddie Koenig, George Williamson, Arthur Gickhorn, and Jud Hewlett.

This year the boys from Wilson have about 175 barrows from outstanding breeders from this state, Nebraska, and Iowa. These barrows are to be shown in the local, county, Fort Worth, El Paso, and Lubbock shows.

Farm Facts

Usually when we think of the farmer it is as a supplier of food and fiber. This, however, is only one aspect of his importance in the economic scheme of things. While he is a consumer and a purchaser of nearly all the goods and services his urban neighbors buy, he provides a major market, furthermore, for many additional items.

It is estimated that farmers spend more than \$25 billion annually for labor and supplies.

Expenditures for feed, livestock, seed, fertilizer and lime, repairs and operation of capital items, and for miscellaneous necessities amount to more than \$16 billion a year.

Farmers pay out nearly \$3 billion a year in wages. Repair and maintenance bills on buildings, vehicles, and machinery amount to nearly \$4 billion. This includes expenditures for gasoline, petroleum fuel and oil—about \$1.5 billion.

For new construction and

major improvements of farm buildings, the outlay amounts to more than \$1.7 billion. Purchases of tractors, trucks, and automobiles exceed \$1.6 billion; and farmers spend another \$1.4 billion for other machinery and equipment.

Wilson Work-Shop Tuesday, Wednesday

A literacy workshop will be held by Robert C. Likins of the Baylor University Literacy Center at Wilson Tuesday and Wednesday, Feb. 7 and 8, for the purpose of training teachers to work with Latin American adults in teaching them the English language.

The program, sponsored by all the churches of the Wilson community, will be set up according to the Frank Laubach system, internationally recognized as the outstanding literacy system in the world today.

Adults and young people of the community have volunteered their services to teach the classes to the non-English speaking Latin Americans and will attend the workshop in the school library room on the two days beginning at 7:00 p. m.

Likins has just returned from a world tour of literacy work. On Tuesday evening training sessions will be held and will be preceded on Wednesday evening by a devotional with film.

Those who will attend the workshop and then hold classes for the Latins include Mrs. Luke Coleman, Mrs. Nelson, Mrs. Hank Scott, Mrs. Tom Bandy, Rev. Christobal Pena, Rodney Maeker, Nancy Wuensche, Glenda Young and others. All others interested are invited to attend.

Wilson FFA Boys At Ft. Worth Show

The Wilson FFA boys left last Wednesday to exhibit barrows in the Southwestern Exposition and Fat Stock show at Fort Worth. Nineteen boys will exhibit approximately 52 barrows of all breeds in the junior livestock show.

Boys exhibiting barrows are Allen Wuensche, Larry Mears, Surpy Benavidez, Charles Walton, Glynn Lehman, Jimmy Gickhorn, Wayne Edwards, Jack Mason, Junior Hewlett, Freddie Koenig, Roy Nolte, Jerry Hutcheson, Donald Herzog, Larry Petty, James Wuensche, Valton Maeker, Mike Walton, and

Johnny Koenig. The boys are to show their barrows Friday, Feb. 2.

Zone Sports Rally Held At Wilson

One hundred fifteen Lutheran young people, their sponsors and pastors registered for the Walther League Zone Sports Rally last Sunday at the Wilson High School.

Seven Leagues from Lamesa, Lariat, Lubbock, Littlefield, Plainview and Wilson were represented in the boys and girls basketball and volleyball tournaments.

The Wilson girls from St. Paul Lutheran walked off with the championship in both volleyball and basketball. And the Lamesa boys from Grace Lutheran won the championship in both divisions. The winners will play in a regional tournament and later in a Texas State District Tournament. We wish our champions the best of luck.

Church of Christ Will Show Film

A series of colored film strips will be projected at the church of Christ auditorium February 13-17 at 7:30 each evening, announced Bob Barnes, minister. These are photographic reproductions of great master paintings of Bible events and people.

There are five film strips in this series. Each one will take about forty-five minutes to an hour for the showing.

These pictures are vivid illustrations of Biblical events. They will help you to remember Bible accounts much better. A survey of the entire Bible will be made by means of these pictures.

The public is cordially invited to attend. No solicitations of any kind will be made.

Agent Talks To Dixie H. D. Club

The Sports Day Rally was conducted by the young people of St. Paul under the able direction of their sponsors, Mr. and Mrs. Hubert Teinert of Wilson. Mothers of the Leaguers gave a supporting hand in serving an evening meal to the young athletes and their parents.

Opening devotion and closing verses were conducted by Rev. Robert Kamrath of St. Paul and Rev. Harold Kaestner of Christ Lutheran in Lubbock.

The Walther League also has a spring and fall Rally at which they conduct business for their Lord, study His Word and have a talent quest.

Tahoka FFA At Fat Stock Show

Nine Tahoka Future Farmers are showing 30 pigs in the Southwestern Exposition and Fat Stock Show in Fort Worth today.

Lester Adams, local teacher of vocational agriculture, left Tuesday with Carol Best, Robert Smith, Jerry Pebsworth, Larry Thomas, and Fred Martin and their pigs.

V. P. Carter, head of the department, went down Wednesday with Billy Davis, Don Hammonds, George Reece and Ronnie Hart and their pigs.

Phil Adams, 4-H Club boy and son of Lester Adams, is also at the show.

DeKalb Grain Sorghum Pays Off!

Wilson Pancake Supper Thursday

The Wilson Band Boosters Club is sponsoring a pancake supper Thursday night, Feb. 9, from 5:00 until 7:00 p. m. in the school cafeteria.

Following the supper, the Wilson Lions Club is sponsoring Dr. Floyd Golden, who is making his third appearance in that city. His talk will be on economic conditions in Russia today.

Admission to the pancake supper is \$1.00 for adults and 50 cents for students. There will be no admission charge to hear Dr. Golden's address.

COMING ATTRACTION

Coming to the Rose Theatre on Friday and Saturday, Feb. 17 and 18, is "Tomboy and the Champ," which was photographed in color and is the story of a honey-haired, blue-eyed Texas hoyden, who falls in love with a scrawny, outlaw calf, and overcomes frightening odds to try for the Grand Championship for her pet at the Chicago International Exposition.

The color production, a Single Picture released by Universal-International, also stars Ben Johnson and Jesse White with guest star Rex Allen, Casey Tibbs and Jerry Nail.

The Boy Scout movement is to be found in all free nations of the world.

Adventures in ADVERTISING

The story of P. K. Wrigley and **THE LOCOMOTIVE**

One day P. K. Wrigley was riding on a train with a friend and the conversation turned to the chewing gum business. The friend, who had an eye for saving a penny, suggested now that Wrigley chewing gum was so well known and had such a large distribution that it might be wise to disperse with the advertising, save that expense and make that much additional profit.

"I could ask the conductor of this train the same question," replied the financial genius, "This train is now going 60 miles per hour, so why not disconnect the engine? Advertising in merchandising is what a locomotive is to a train. It is the power which keeps it going."

Progress In Treatment Of Diseases Of The Heart Is Told By Specialist

Dr. O. Brandon Hull, Lubbock heart specialist, spoke Thursday before Tahoka Rotary Club on heart diseases and progress made in detection, treatment and surgery, and prevention during the past few years.

He said there are many kinds of heart diseases, including defects at birth. Due to great strides in development of antibiotics and anesthesia, many heart defects may now be corrected by surgery whereas in the past the chance was too great because of the danger of infection. However, this represents a very small percent of the heart ailments.

Ninety percent of heart disease come under three categories: 1, rheumatic heart, which usually has the damage done in young people at about the age of nine years; 2, arterio-sclerosis, or hardening of the arteries; and 3, hypertension, or high blood pressure.

Dr. Hull's talk dealt mainly with the latter two, since these reasons for heart troubles are the principal concern of most people.

The two are related since high blood pressure speeds up hardening of the arteries.

He says that contrary to newspaper stories, we are actually not having much more heart disease than in the past. Instead, we are living longer and the number of heart attacks are relative. The longer we live the more subject we are to hardening of the arteries, high blood pressure, and heart attacks. Sixty-five percent of all deaths from heart disease come to people over 65, and thirty-five percent to those under this age.

Also, 25 to 50 years ago, a lot of deaths were from heart attacks which were not diagnosed as such; for instance, we heard a lot about deaths from acute indigestion, which is rarely heard of now be-

cause the death actually was from a heart attack.

Dr. Hull does not believe heart ailments have increased more than fifteen percent in this period.

He said hardening of the arteries begins in early life, and that it when we should be concerned with it.

Women are less susceptible to heart attacks in middle life than men because for some reason they are protected through middle life by female sex hormones. After the child bearing age, women begin catching up with the men in hardening of arteries.

He cited examples of surveys made which show that diet of certain races of people has a lot to do with heart troubles. Our race has a high incidence because of our diets, 40 to 45 percent fats, while, for example, the Bantu race of "colored" people in Africa have virtually no heart troubles because their diet is only 15 to 20 percent fats. The Japanese have less than us because their diet base is fish; the Hawaiians slightly more; and the same races on the West Coast approach ours when they adopt our diets.

In southern Italy, people whose principle diet is spaghetti the heart ailment incidence is low, but in northern Italy where sausage is the large item in the menus the incidence is heavier.

Pressure, stress, and tensions have a lot to do with hastening a heart attack. However, he says the cause of high blood pressure is not known.

Dr. Hull outlined these five things we need to know about our heart:

1. Family history of heart disease.
2. Our blood pressure, and, if high, keep it under control.
3. Overweight. The 100 people

THE AMERICAN WAY

ABRAHAM LINCOLN

The Bible—God's Best Gift to Man

This Week in AUSTIN
by Senator Preston Smith

Among the many bills to be presented at this session are two by the Texas Bar Association which propose the creation of city and county traffic courts of record.

The new courts are necessary, say members of the bar, because of the great increase in court trials of traffic cases resulting from the much-disputed penalty provisions of the automobile insurance rate schedule.

One bill would authorize creation of a traffic court of record in each county; and when the plan is adopted by a county, it would provide for the election of the judge.

The other bar association bill would empower cities of over 50,000 population to establish these courts "of record". It would call on lawyers residing within a city to "nominate" the judge subject to confirmation by the governing authority of the city. If one selection were turned down, another would be made by the lawyers.

Both bills would require the judges to be licensed lawyers.

The municipal traffic courts would not displace the existing corporation courts. But would relieve their dockets of traffic matters, leaving them to trials on violation of other city ordinances.

By making the tribunals courts of record, the process of appeal would be achieved, which is not possible on many of the judgments of present municipal courts.

This legislation, and much other do since the passage of new auto insurance penalty schedules, proves the wide effect that new legislation creates.

Aside from the fact that insurance bill has caused great concern among all citizens, its affect on other legislative processes is not even complete yet. More and more legislators, both in the House and in the Senate, agree that more changes are needed in this auto insurance legislation before it will be to the best interest of all Texans.

overweight are more likely to get in trouble than the 100 people underweight.

4. Cholesterol factor. One does not have to worry too much if not overweight and do not eat a lot of fat.

5. Stress. Many of us push ourselves too much and too long in life until we get to the point where we can't slow down, and soon this pushing begins to tell.

He said there are other factors entering into heart disease such as use of tobacco.

The program was arranged by Dr. Skiles Thomas, who introduced the speaker.

Student guests for the month, James Chorvley and Harvey Pyburn, were introduced by Tom Gill and Winston Wharton, respectively.

There 111 different Merit Badges that a boy may pursue and earn in scouting.

MUNNS MOVE BACK

Mr. and Mrs. Marvin J. Munn moved back to their home just north of Tahoka last week, and Mr. Munn expects to engage in construction work. For the past six years they have been farming out west and southwest of Denver City.

CLIP BOARDS and File Boards at The News, 95c up.

Wilson FFA Will Show In El Paso

Eighteen Wilson FFA members will exhibit approximately 40 barrows in the Southwestern Livestock Show, El Paso, Texas.

The boys and their advisor, Bobby Lee, will leave Saturday, February 4. Barrows will be shown on Monday. Jasper Campbell is sending a truck to haul the barrows to the show.

Boys exhibiting hogs are as follows:

Jimmy Gekhorn, Bobby Stone, Allen Wuensche, and Junior Hewlett showing Berkshires; Donald Herzog, Rodney Maeker, and Tommy Swann exhibiting Durocs; Jerry Hutcheson, Jack Mason, Rodney Crews, and Gary Herzog showing

Hampshires; Charles Walton, Larry Mears, Valton Maeker, and Eddie Williams showing Poland Chinas; and Johnny Koenig, Surry Benavidez, Leroy Schneider, Roy Nolte, and Mason showing Spots and Chester Whites.

JUNIOR CLASS BAKE SALE

The Junior Class of Tahoka High School is having a bake sale Saturday, Feb. 4 from 9:00 a. m. until 12:00 noon in the Southwestern Public Service Building. There will be home-made cakes and pies. Sponsors of the class are Mr. and Mrs. Tom Bartley.

Try The News Want Ads.

PLAN AHEAD . . .

It's not a minute too soon to start saving for your children's college education. At the rate the cost of higher education is booming, it may take twice as much in five or ten years to send that son or daughter to college than it does today. Don't let your child down. Plan for their future now.

The First National Bank

Of Tahoka, Texas

Look beneath the look that sets the trend

The 1961 Ford Galaxie Club Victoria—the true luxury car of the low-price field.

Beneath the roofline that other cars echo is a host of advances that makes Ford the one car beautifully built to take care of itself

We're flattered that other cars are trying to imitate our Ford Galaxie's Thunderbird roofline and its clean, classic lines. Who wouldn't try to hop on the bandwagon of Galaxie's big success? But one thing they can't even begin to copy is Galaxie's *care*. That's a classic Ford secret that goes deep under the Classic Ford Look. Inside, there's luxury and comfort that outshines cars costing hundreds of dollars more. Under the hood, power* that's

direct from the Thunderbird. And when it comes to saving, no other car in Ford's price range can hold a candle to it. Because only Ford in its field is Beautifully Built to Take Care of Itself . . . to save you so much money in operating costs alone! No wonder more and more people who could pay more are parking a Ford Galaxie outside their door. Come in for a look at the real thing today.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF
Lubricates itself—You'll normally go 30,000 miles between chassis lubrications (which cost only about \$4.00 and take about 20 minutes) because Ford has replaced conventional grease fittings with a sealed-in lubrication system.
Cleans its own oil—You'll go 4,000 miles between oil changes because Ford's Full-Flow oil filter gives you filtration through fibers . . . trapping more dirt than any other type of filter made.
Adjusts its own brakes—New Truck Stop brake adjust themselves automatically.
Shields its own muffler—Ford mufflers are double-wrapped and aluminumized to last three times as long as ordinary mufflers.
Protects its own body—All vital underbody parts are specially protected to resist rust and corrosion, even to galvanizing the body panels beneath the doors.
Takes care of its own finish—Just wash and clean Ford's new Diamond Luster Finish and it continues to gleam like new. It never needs waxing.

Printer's Ink-lings . . .

By F. P. H.

B. L. Parker (junior grade) was up over the week end from Austin for some dental work. He is the youngest man ever to serve as sergeant-at-arms of the House of Representatives, and our state representative, Wesley Roberts, is another of those who say B. L. is doing a fine job and is reputed to be the best at the job the Legislature has ever had.

Wesley has tossed his hat into the ring for U. S. Senator along with umpteen other Texans. He was

not born in a log cabin, is no orphan, and has not been swarmed with a great throng of people asking him to run for the office. No pressure group, union, or organization is running him. He does not promise, if elected, to reduce taxes while doling out more money. In fact, he makes no rash promises. Instead, he says, if elected, he would try to represent the vast throng of middlemen and common people. A refreshing entrant in politics and a unique approach, to say the least! But, we wonder if an honest and sincere man could ever be elected. You've gotta humbug the public to get elected to a major office. As P. T. Barnum once said, "There's a sucker born every minute," and most of us are just that!

If our new Secretary of Agriculture is going to follow the radical thinking of the Farmers Union, with which he has been aligned, then it is well and good that he appointed Donald Wooten of Crosby as an advisor on the farm program. We've met Mr. Wooten, and he seems to be a very nice fellow. But, his organization is a radical, left-wing, one, spawned by the labor unions and nurtured on socialistic theories. It advocates further regimentation of agriculture, more government control, high artificial prices for agricultural products, even down to telling the farmer who he can hire and not hire, and to the stamp program which, in effect, would prohibit a farmer from selling anything unless he has a government stamp issued for such purpose. If Secre-

tary Freeman is going the Farmers Union route, there'll be a lot of howls from farmers.

A year or two ago, virtually no American cotton was going in to the world market, except where the U. S. could use pressure and prestige to barter this commodity, because our price was too far above the world market price. Right today, our government has exports around the world teaching other peoples how to raise cotton. If we demand and get high supports, such as Farmers Union advocates, how long can we stay in the cotton raising business? We've got to export to stay in business.

What happened to coal? Every major railroad and most large manufacturing plants in our nation converted to oil, diesel, or other fuel. Most of the coal mines were forced to close down. Why? Because John L. Lewis put pressure on the mine owners, and the government backed him, to raise wages of coal miners to the point where the mine companies had to sell coal at too high a price to compete with oil. When the mines closed, the coal miner no longer had a job. Now, our new administration in Washington is having to dole out food to the miners of West Virginia and other so-called "depressed" areas where these very miners priced themselves out of business. This could happen to cotton very easily.

High wages paid in the manufacturing industry has pushed the price of everything the farmer has to buy to such a high level that the farmer is in a pinch to retol. But, there's a slack in American manufacture. America is importing manufactured goods in increasing amounts from Japan, Belgium, France, Italy, Germany, and a score of other countries, all produced by cheap labor. U. S. manufacturers are spending millions, maybe billions, to build new plants overseas to take advantage of cheaper labor and to compete with foreign-made goods. Major oil companies, we are told, can import oil from Arabia or Venezuela cheaper than they can produce it in Texas. As a result, the minor companies and independents suffer. Men lose jobs in counties that neighbor Lynn. Tax income decreases—amounting to millions Texas-wide. Now, the Legislature is faced with the dilemma of seeking more sources of revenue to run the state, schools, highways, etc. Who pays? All of us! Oil produced in Arabia, toys manufactured in Japan, cotton grown in Mexico and Burma, typewriters made in Belgium affect the Lynn county farmer and taxpayer—all because the coal miner, the oil-field roughneck, the auto plant worker, the steel worker demanded and got a higher wage. That's one reason, at least, for the flow of U. S. gold reserves to other nations. Conceivably, we can ruin our nation economically of the trend continues.

We can remember some of the nights away back yonder when we put off some of the chores until morning. Then, the next daylight, a blizzard was howling, and we had to get out and split kindling and bring in wood or coal before we could build a fire. . . . How old Bosy flinched when we grabbed her feet with icy-cold hands. . . . How disagreeable it was to thaw out the windmill or break the ice on the tank or barrel to get water, then heat it for the stock. We're not a real oldtimer, but we've done all these right here in Tahoka before walking to work—because the Tin Lizzie wouldn't start.

The following two items of local interest are from a recent column by Curtis Sterling in his Brownfield News:

Just couldn't help but laugh the other day when my brother Tommy (who owns a farm north of West Point) told me about loaning his car to his mother and father-in-law to attend a family reunion. My brother had a Nissan Lodge sticker on the back of his car and his mother-in-law couldn't stand the thought of their relatives seeing them in a car with a Republican sticker, so they stopped and washed it off. Very clean, too!

It is impossible to imagine being held prisoner of the Japanese for more than four years. It is certainly an experience to know one of these persons!

This past week I met and visited for a while with Roy Stephens, Route 6, Tahoka, who was a prisoner for more than two weeks longer than the war lasted with the Japanese.

He was captured on Wake Island and after the Japanese took them to Yokohama to show them off, he traveled some 18,000 miles during those four and one-half years. Naturally the living conditions were terrible, the food was

horrible, and before they were in the hands of people again, they had gotten to the point they simply didn't care about anything.

We living Americans owe a big debt to boys like Roy, and I sincerely hope the best things in life will fall his way.

Jim and Grover Tomlinson, who had birthdays Saturday, Jan. 28, celebrated the event Sunday in the home of their mother, Mrs. Nora Tomlinson, R. C. Wells Jr., a nephew of Mrs. Tomlinson who also had a birthday Saturday, and wife of Lubbock were also present Sunday. Mrs. Tomlinson said that at the time of the boys' birth in 1904, she desperately wanted an orange, but her husband couldn't find one for her in Tahoka.

The Lockney Beacon says: Disturbing would probably be the word to use in describing the talk of Dr. Floyd H. Golden here last week to the Baptist Brotherhood. Dr. Golden spent 30 days in Russia in the Fall of 1959 and his talk dealt with "Religion in Russia," but he branched out to add some discussion of the political implications of the Communist system. One statement of which Dr. Golden was very positive: They are a dedicated people and we are no longer dedicated to either Americanism or to Christianity. Dr. Golden is an educator of many years experience, his last position being president of Eastern New Mexico University. He is concerned because it seems that our schools no longer feel it good taste to teach Americanism and patriotism. He stated that unless we change our present attitudes, this nation will be under Communism within 20 to 30 years. He has been in Russia and he is alarmed at the world situation. Maybe the rest of us should be concerned.

The Lynn County News, Tahoka, Texas, says that the newspaper profession has the same percentage of hucksters as there are quacks in medicine, shysters in law and secondals in religion. However, the doctors' mistakes are in the graveyard, the lawyers' mistakes are in jail and the preachers' mistakes are in hell. A newspaper's mistakes are there for everyone to see and get considerable more attention than the graveyard, jail or hell. That is why the newspaper gets more than its share of criticism.

Wise words from "Cheer": The trouble with opportunity is that it always comes disguised as hard work. . . . The hardest job for a

We Have A Good Supply Of HYBRID GRAIN SEED

Shown above is a field of Hybrid Grain, grown by Cletus Floyd. Hybrid Grains have proven themselves on the South Plains and more and more farmers are planting them every year. For the best Hybrid Grain Seeds — plant locally produced seeds.

Terry County producers of Hybrid Grain Seeds are receiving wide acclaim. These seed are in demand, not only locally, but throughout our area. Seed growers — such as Partell Seed Farms, Waters Bros., and Winfred Tucker — are having their seeds field tested in Old Mexico. Results of the tests will be announced at a later date. Test results, conducted in Old Mexico last year, gave locally produced seeds a 1 and 2 rating. According to the Texas Department of Agriculture,

Texas farmers are producing 30% more grain on the same acreage by the use of Hybrid Seed, than they did before Hybrids were introduced. And the outstanding quality of locally produced seeds has caused them to be in great demand outside our local area. All of our Terry County Seed Growers have received "tops" in the testing of their seeds. Give them a try, see if you don't think they are the best seeds for your farming operations.

THE SEEDS LISTED BELOW ARE CURRENTLY AVAILABLE:

- Partell Seeds 610 & 620
- Waters Bros. 601, 610 & 660
- Winfred Tucker Seeds 608 & 610

We Also Have on Hand MARTIN'S PLAINSMAN HYBRIDS and KAFARI, HEGARI, SUDAN, ALPAPA, BLACKWELL SWITCH and BLUE PANIC GRASSES

Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Editor, The News: It is bad enough that some State Senators will condone and permit the waste of the people's money on offices that are useless.

It is even worse that these same Senators would refuse to pass a bill that would permit the people of each county to vote on whether to keep the office or not, as they did in 1959. Senators opposing this legislation give no logical reasons for

their opposition in public; in private, they admit that they have personal friends they wish to protect in huge, glorified pensions. The newspapers of Texas have almost unanimously supported this bill, for which I am deeply grateful.

But unless the average citizen will spend three minutes of his time and a 4-cent stamp to ask his State Senator to vote for it, I do not believe it will pass the Senate this session either, even though the House strongly supports the bill.

Lynn county has no common school districts left, yet \$12,215.22 will be spent to maintain the office of County Superintendent of Schools in Lynn county this year, according to the Finance Division of Texas Education Agency, Austin. Under present laws, you cannot pay your Co. Supt. less; but you may pay your County Judge, acting as ex-officio Co. Supt., as

little as you wish and the most he can be paid is \$2,600 annually. George Corse Jr., County Supt. Young County.

Legal Notices

NO. 120,689 EX-PARTE: THE CANADIAN RIVER MUNICIPAL WATER AUTHORITY.

In The District Court of Travis County, 53rd Judicial District. NOTICE OF SUIT TO VALIDATE ORGANIZATION OF CANADIAN RIVER MUNICIPAL WATER AUTHORITY AND CONTRACTS WITH THE UNITED STATES OF AMERICA AND ITS MEMBER CITIES. NOTICE is hereby given to all persons interested, including among others all persons owning or claiming to own any right, title, interest or estate in or to any land within the CANADIAN RIVER MUNICIPAL WATER AUTHORITY that a suit was filed on the 19th day of January, 1961, by Canadian River Municipal Water Authority, as Petitioner, in the District Court of Travis County, Texas, 53rd Judicial District, styled "Ex Parte The Canadian River Municipal Water Authority," No. 120,689 on the docket of said Court, said suit being filed for the purpose of validating the organization and corporate existence of said Authority; for the purpose of validating a contract entered into by and between said Water Authority and the United States of America, on the 28th day of November, 1960 wherein the United States has agreed to construct the Canadian River Project at a maximum construction cost of \$96,090,000 and wherein the Water Authority has agreed to reimburse the United States for said maximum construction charge, plus interest, over a period of fifty years after completion of the said project; and for the purpose of validating ten several water supply contracts entered into by and between said Water Authority and its member cities of Amarillo, Borger, Brownfield, Levelland, Lubbock, O'Donnell, Pampa, Plainview, Slaton, and Tahoka, Texas.

NOTICE IS FURTHER given that this cause will be tried on the 6th day of March, 1961 at 9 o'clock a. m., or at such later date as the Court may determine.

Any person interested in this cause may intervene or file answer therein. Any judgment finally made and entered herein shall be received as res adjudicata in all cases thereafter arising in connection with any matters pertaining to the establishment, organization and corporate existence of the Canadian River Municipal Water Authority or in connection with the validity of the aforementioned contracts and the obligations of the contracting parties to fulfill their engagements thereunder as stated in the terms and conditions thereof.

GIVEN AND ISSUED under my OFFICIAL HAND AND SEAL OF OFFICE this the 19th day of January, 1961.

(SEAL) O. T. MARTIN, Jr. Clerk of the District Court of Travis County, Texas By: Mrs. Chas. Kohrs, Deputy 17-2c

BOOST YIELDS PER ACRE...

with engineered irrigation and Alcoa Aluminum Pipe!

With a complete line of lightweight Alcoa Aluminum Irrigation Pipe, your Alcoa dealer can design a portable sprinkler or gated system for any need!

You apply an exact amount of water when it's needed, from germination to harvest, with engineered irrigation using Alcoa® Aluminum Pipe. You get higher yields per acre cultivated, better quality crops, earlier maturity to catch peak market prices.

Pick the Alcoa Aluminum Pipe you need!

Alcoa Standard Class 150—a heavy-duty, seamless pipe with full-thick walls to take rough handling and high pressures—comes in eight diameters from 2 in. through 10 in. Alcoa Lite-Line is either extruded—lightweight, low-cost pipe for most normal uses; or welded—alclad inside for maximum corrosion resistance. It's available in nine sizes from 6 in. through 12 in. for tapping high-volume water sources. Both Alcoa Standard Class 150 and Alcoa Lite-Line come in 20-, 30- and 40-ft lengths; larger sizes of Alcoa Lite-Line, Welded, also in 50-ft lengths.

Ask your local dealer about Alcoa's 48-Month Irrigation System Finance Plan.

Provisions of this finance plan allow your new irrigation system to serve as security against your loan. There's no red tape... you get immediate action on application for a loan. You pay for your system out of your increased profits.

Your Irrigation Dealer has quality Alcoa Irrigation Pipe available for immediate delivery from local stocks. He can engineer an irrigation system specifically for your land, your crops; provide local service on a complete system.
