## FFA Boys Win First At Fat Stock Show

Tahoka FFA Chapter was awarded first place in the overall FFA swine exhibit at the Fat Stock Show in Fort Worth last week, and many of its members made impressive records individually.

Don Hammonds exhibited the grand champion Spotted Poland China and took first place in the light weight Spotted Poland China division.

Robert Smith exhibited the first place light weight Berkshire, the third place light weight Hampshire and the seventh place heavy weight Duroc.

Taking third, fourth and fifth places in the heavyweight Chester White division was Billy Davis.

Others showing and placing included Ronnie Walters, fourth place medium Hampshire, ninth place heavy weight Duroc, and twelfth place medium Duroc; Jerry Pebsworth, fifteenth medium Duroc; Charley Holland, fifteenth light weight Duroc; Carroll Best, fifteenth light weight Hampshire; Fred Martin, fifteenth in both the heavyweight Hampshire and light weight Poland China; Larry Thomas, twelfth light weight Poland China; Jerry Kelley, fourteenth light weight Poland China; George Reece, sixth light weight Poland; Ronnie Hart, seventh light weight Poland China.

Phil Adams, a 4-H Club member who also entered the show, exhibited and won in the 4-H division, first place medium weight Hampshire, third medium weight Hampshire, and tenth heavy weight Hampshire.

The boys were accompanied to the show by their sponsors and vocational agriculture teachers, V. P. Carter and Lester Adams.

## Former Citizen Buried Tuesday

Funeral services for Lou McCrary, 72, a Brownfield resident, were conducted Tuesday at 2:00 p. m. in Memorial Chapel of Brownfield Funeral Home. McCrary died at his home in Brownfield about 4:00 a. m. Sunday.

He moved to Terry county in 1932 from Tahoka. He was engaged in ranching here from 1901 until 1932 and then farmed south of Brownfield until his retirement several years ago.

A member of the First Christian Church, McCrary also was a veteran of World War I and a member of the American Legion. He has been in ill health two years.

Officiating at services were Rev. Harold Rucker, pastor of the Meadow Methodist Church. Burial was in Terry County Memorial Cemetery.

Survivors include the wife and a son, Ewel McCrary, Rt. 1, Meadow; two daughters, Mrs. Louveta Vest, Kermit, and Mrs. Carrie Nickander, Madison, Minn.; a half brother, Clay Mitchell, Wilson; a sister, Mrs. Velma Everett, Grandbury, seven grandchildren and a great-grandchild.

## Mother Mrs. Botkin Is Buried Recently

Mrs. Laura Turner, 80, mother of Mrs. V. A. Botkin, died in Gatesville hospital on January 19, after an illness of about two weeks, and was buried there the next day.

She was known here, having visited with the Botkins, her last visit being last year. She had lived in the Fleet community of Coryell county all her life.

Incidentally, Mr. Botkin's mother, Mrs. Belle Botkin, also of Coryell county, is now 88 years of age and still "going in high gear."

Don Carpenter is in the hospital in Fort Worth where his condition is reported to be about the same. He has been in ill health for several years and underwent major surgery a few months ago in Fort Worth.

## Farm Meeting Next Tuesday

"General Farm Record" will be the theme for the third in a series of farm management meetings to be held Tuesday night, Feb. 14 at 7:30 p. m. in the Lyntegar Electric building, announces Bill Griffin, county agent.

The program will be presented by John Seibert, area farm management specialist, and Miss Mildred Webb, area home management specialist. They will use the Extension Service farm record book as a guide.

All farmers and their wives and bookkeepers are invited and urged to attend the session.

The farm management meetings will continue through April.

## Speaker Secured For C-C Banquet

Louie Throgmorton of Dallas, one of the most popular after-dinner speakers in the Southwest, has been secured as the principal speaker at the annual Farmer-Businessman banquet of Tahoka Chamber of Commerce in the school cafeteria on Saturday night, March 11.

Mr. Throgmorton is vice president in charge of public relations of Republic National Life in Dallas, and is nationally known as a banquet speaker.

New officers and directors will be installed by the C. of C. at the banquet, and farm leaders of the county will be recognized.

President Jack Jaquess says only 280 tickets will be available for the meeting, since this is the capacity of the cafeteria, and those desiring to attend should get their tickets early. Tickets will be in hand of directors of the C. of C. in a few days and are priced at \$1.50 each.

## Carol Jean Allen Winner In Piano

Carol Jean Allen, daughter of Mr. and Mrs. Clyde Allen of Tahoka won second place in the high school division in piano competition at Amarillo College Saturday and Sunday when recitals were held to choose soloists to play with the Amarillo Symphony Orchestra, which sponsored the event.

She will be alternate to the first place winner, who will participate in a concert on April 23 in Amarillo.

William A. Murphy of Lubbock is Carol Jean's teacher and entered several of the 100 students in the event. Entries were from New Mexico, Oklahoma and throughout Texas.

Winners from four divisions will participate in the concert as soloists, the junior high division, high school division, college division, and adult division.

Carol Jean is recognized locally and in this area as an outstanding pianist and participates in many school and church events in this category.

## NEW HOMES GOING UP IN NEW HOME COMMUNITY

Mr. and Mrs. Martin Mahoney are building a new modern home in the north part of New Home. They formerly lived at New Home, and are moving back with their two children from Ropesville. Mr. Mahoney will farm some of the land of his father-in-law, J. E. (Hickaboo) Fortenberry.

Joe D. Unfred is also preparing to build a new home on his farm southwest of New Home at Peaty.

Tommy Guin, 16-month-old son of Mr. and Mrs. Sonny Guin, received a broken arm Tuesday and was admitted to Tahoka Hospital.

JACK B. JAQUESS

## Explorer Scout Meets Governor

Explorer Scout Jack B. Jaquess Jr., son of Mr. and Mrs. Jack B. Jaquess of Tahoka, along with five other Explorers representing districts of the South Plains Council, will deliver a report on activities during the past year to Governor Price Daniel today, Saturday and Sunday.

The South Plains Council's 8,228 Boy Scouts, Cub Scouts and Explorers and more than 3,550 adult leaders will participate in activities of National Boy Scout Week which began Tuesday and continues through Feb. 13.

Several events are planned throughout the 20-county council area.

National theme for the 51st anniversary of the founding of Boy Scouts of America is "Strengthen America—Character Counts." The program was established Feb. 8, 1910.

## W. B. Slaton Has Operation Monday

W. B. Slaton, president of the First National Bank, underwent an operation in Methodist Hospital Monday. Wednesday he was reported to be "doing fine" but his doctor said it would be this week end before he could tell whether the operation was entirely successful.

The News is informed that the operation was to tie some blood vessels to improve circulation in his left leg and foot.

A host of friends of the pioneer Tahoka banker wish him a speedy recovery.

## Grassland Youth Revival Opens

The Grassland Church of the Nazarene is holding a Youth Revival beginning tonight and continuing through Sunday night, according to the pastor, Rev. R. B. Fitzgerald.

Services will be conducted by Rev. Corner Johnson, a senior at Bethany Nazarene College in Bethany, Okla., on Friday and Saturday evenings at 7:30 p. m. and on Sunday at 11:00 a. m. and 6:30 p. m.

Everyone is invited to attend.

## Taking Annual School Census

County Superintendent J. P. Hewlett urges parents of six year olds to enroll them in the school census. Children who become six on or before Sept. 1 were to have been enrolled before Jan. 31. However, parents may do so during the month of February.

## Salvation Army Drive Tuesday

The annual Salvation Army drive in Tahoka will hold its kick-off meeting Tuesday, Feb. 14, at 9:00 a. m. in the Stockman Cafe, when workers will meet to receive instructions and material. Tahoka's goal this year is \$2,000.

Approximately 50 workers will give their services this year in the drive, when solicitations are made only one time each year. Mrs. A. M. Bray and Mrs. Jake Jacobs are drive co-chairmen.

Coffee and doughnuts will be served at the kick-off meeting Tuesday.

There will be 10 team captains, each of which will work with four other individuals. Team captains are W. T. Kidwell, Otis Spears, and Mmes. Clyde Spruiell, Everton Nevill, Larry Hagood, R. H. Gibson, Truett Smith, Jack Brice, C. Skiles Thomas, and Charles Townes.

Community drive chairmen are Mrs. Sam Edwards, Grassland; Roy Stevens, West Point; E. R. Blakney and Bobby Carroll, New Home; and A. L. Holder, Wilson.

Tahoka's territory includes New Home, Wilson, Grassland and West Point, but does not include the G'Donnell area, which has its own local committee and drive. Funds are used locally and to support camps, hospitals and rehabilitation centers over the state, many of which are utilized by local citizens.

Although in past years, only the business section of Tahoka has been contacted, this year some residents will be visited. However, those who are seen downtown will not be contacted at their homes.

All local funds are dispensed through a local Salvation Army committee, of which Dean Taylor is chairman and Mrs. Florene McCracken is treasurer. However, funds raised last year were depleted by early summer and a successful drive is hoped for next week.

Other members of the local Salvation Army committee are Charles Verner, W. T. Kidwell, W. M. Mathis, J. E. Reasonover, Mrs. Jake Jacobs, Mrs. A. M. Bray, Wynne Collier, Rev. J. B. Thompson, Bill Vardeman of Wilson, and Mrs. Wilmer Smith of New Home.

## General Locates Man In Tahoka

General Telephone Company of the Southwest has announced the appointment of Lynn Seales as combinationman in charge of maintenance, installation and repair work for Tahoka and Wilson.

Seales comes to Tahoka from Lamesa where for the past two years he has served as a central office repairman.

He is a native of Turkey and received his high school education in Seagraves. Seales joined General Telephone as a construction crewman in 1953.

Seales and his wife, the former Gwen Thrig of Atoka, Oklahoma, have one daughter, Regina, age 3. Seales' appointment was effective Monday, and his family will establish residence in Tahoka later this month.

The Seales attend the Baptist Church.

## McNeely Cousins Home From Army

W. H. McNeely and Gairner McNeely, cousins, recently returned home from Fort Meade, Md., with their discharges from the Army.

They were together most of their three years in the service, during which time they were in Japan and Korea for a year.

W. H. is the son of Mr. and Mrs. Bill McNeely, and Gairner is the son of Mr. and Mrs. Arlie McNeely.

Cindy McKibben, 17-month-old daughter of Mr. and Mrs. Don McKibben, remained a patient in Tahoka Hospital this week where she is recovering from pneumonia.

The News Want Ads get results.

## Lynn Ginnings Reach 155,906 Bales, 15th County In Nation

### Mrs. Greathouse Speaks At Club

Joe D. Unfred was presented the "man of the year" plaque Monday night at New Home Civic Club for outstanding service to the community during the past year. The presentation was made by Calvin Tucker, club president.

Mrs. Frank (Lois) Greathouse of Lyntegar was the speaker and told of the history and growth of the REA and the Local cooperative from a very modest beginning into one of the most successful electric cooperatives in the country. Her talk was very interesting and informative.

A committee of Leland White, Unfred, and Frank Liseby was appointed to receive bids for repairing and redecorating the interior of the Community building.

Speaker for the first Monday night in March at the club will be District Highway Engineer O. L. Crwin of Lubbock, and the speaker for April will be Martin von Roder of Snyder.

### Aubrey Floyd Rites In Tahoka

Aubrey Floyd, 56, formerly of Tahoka, died Tuesday at about 8:00 p. m. in Moab, Utah, after an illness of about three weeks with a heart ailment.

Aubrey was born at May, Brown county, and came here with his late parents in 1916. He attended the local schools, and after leaving Tahoka was married at Arlington in 1932 to Miss Mable Christian.

Floyd had a colorful career, and most of his life was spent working with horses. He went to South Texas to work for the Arnetts, and a few years later became associated with the Waggoners at Vernon. From there, he went to Arlington, where he began playing polo.

As a polo player, he came into national prominence and was a member of the 1937 Junior Championship polo team at Long Island, N. Y. During his polo playing days, he played with such famed men as Avarel Harriman, later to become one of the nation's leading diplomats, and Cecil Smith, the all-time great polo player.

Later, he became a trainer of polo ponies at Arlington, and his ponies were ridden by all the top-flight players of the country.

Several years ago, he acquired some uranium claims at Moab, Utah, and for the past five years he has lived there developing these claims.

Survivors include his wife; two brothers, Sam Floyd of Lubbock and Ben Floyd of El Segundo, Calif.; and two sisters, Mrs. Rufus Slover and Mrs. Lewis Bonham, both of Tahoka.

Services were being held in Moab Thursday, and services will be held here this week end, Saturday or Sunday afternoon, depending on time of arrival of the body in Tahoka. Floyd was a Mason, and the Masonic Lodge will be in charge of graveside services.

### Firemen Plan Work Program

Members of Tahoka's Volunteer Fire Department Monday night adopted a state approved constitution for such organizations at its bi-monthly meeting at the fire station.

In addition Fire Chief Pat Patterson outlined the program of work for the future.

These plans include pumper work as soon as weather permits and drills in the use of respiratory equipment owned by the fire department. The group also plans to receive instructions on technical phases of fire fighting from experts in the field.

About 17 members attended the meeting, when they also cleaned, sanded and varnished ladders and other fire fighting equipment.

### Six Are Indicted By Grand Jury

Six indictments were returned Monday by the 106th district court grand jury in session the first day of the new court term.

Bills of indictment were returned against the following: James J. Gilbert, Hamlin, forgery and theft by false pretext. He is accused of illegal use of a service station credit card.

Anita S. Acaredo, San Angelo, forgery and passing.

Jesse A. Pena, San Angelo, forgery and passing.

Felipe Hernandez, a resident of Mexico, forgery and passing.

D. W. Landrum, Dallas, theft by false pretext.

L. D. Gallini, Dallas, theft by false pretext.

### Lt. Harold Hamilton Home For Visit

Lt. (j. g.) Harold Hamilton is here visiting his parents, Mr. and Mrs. Ed Hamilton, after spending three days recently in South America in connection with the Santa Maria escapade.

He was accompanied to Tahoka by Miss Margaret Anglin of Ottawa, Canada.

Hamilton was in Puerto Rico on an assignment when called to South America. His father stated that he did not know if Harold was engaged in tracking the Santa Maria or not, but that he did see it.

Hamilton is a Navy pilot and flies a P2V Neptune bomber. He is currently stationed in Brunswick, Maine, where he has been for three and one-half years. Before going to Maine, he was stationed in Florida and Corpus Christi.

He and Miss Anglin arrived here Tuesday morning for a week's visit.

### Rogers And Cook Buy Service Station

Lynn Cook and Turner Rogers have bought the Tomlinson Gulf Service Station on North Main Street and have already assumed its operation.

The business, now known as Rogers & Cook Gulf Service Station, will be operated by Cook.

### Charley Terry's Father Is Buried

Late Terry, 80, of Houston and father of Charley Terry of Tahoka, passed away Saturday night, Feb. 4. Funeral services were conducted Monday in Conroe. Burial was also in Conroe Cemetery. Survivors include one daughter, seven sons, and a number of grandchildren and great grandchildren.

### Lynn county's 1960 cotton crop again exceeded all estimates, according to the U. S. Bureau of the Census report received by The News early this week.

Ginnings for 1960 up to January 16 for Lynn county were 155,906 bales, the report showed. Only a very few more bales remained to be ginned at that time.

Lynn county was sixth on the Plains, seventh in the state, and 15th in the nation. Lubbock county was first in Texas and sixth in the nation.

Only counties in the nation outstripping Lynn were five large all-irrigated counties in California, Kern, with 508,399 bales, Fresno with 489,732, Tulare with 309,490, Kings with 227,912, and Imperial with 158,347; two counties in Arizona, also all irrigated, Maricopa with 336,520 and Pinal with 300,712; and one in Arkansas, Mississippi county with 206,757. The South Plains produced more cotton than most of the other states, as Texas led all states in production.

These figures are not the final report, and some cotton is yet to be transferred out of Lynn's total, but this is not substantial and will doubtless be more than offset by cotton not ginned by January 16.

Lynn county is almost consistently in the high ten counties in Texas and in the high fifteen in the nation.

Only one county off the Plains this year exceeded Lynn, this being Hidalgo with 161,947 bales; and only Hidalgo and Cameron with 119,151 bales were in the high ten producing counties in the state this year.

The News only recently had estimated Lynn county's production at about 145,000 bales, which proved to be 10,000 bales short of the preliminary release of January 16.

Following was the production of 14 South Plains counties, compared with the 1959 production:

| County  | 1960    | 1959    |
|---------|---------|---------|
| Lubbock | 241,250 | 210,579 |
| Hale    | 187,505 | 179,614 |
| Lamb    | 173,157 | 174,347 |
| Hoekley | 163,307 | 178,379 |
| Dawson  | 158,065 | 138,259 |
| Lynn    | 155,906 | 128,697 |
| Crosby  | 116,212 | 111,967 |
| Terry   | 113,483 | 132,309 |
| Floyd   | 97,720  | 123,564 |
| Bailey  | 88,412  | 96,724  |
| Cochran | 47,756  | 63,240  |
| Gaines  | 43,340  | 48,891  |
| Yoakum  | 22,225  | 31,745  |
| Garza   | 22,647  | 18,031  |

Following is the production by states for 1960:

|                |            |
|----------------|------------|
| Texas          | 4,279,741  |
| Alabama        | 755,221    |
| Arizona        | 823,447    |
| Arkansas       | 1,328,456  |
| California     | 1,917,715  |
| Florida        | 11,402     |
| Georgia        | 507,319    |
| Illinois       | 1,262      |
| Kentucky       | 6,298      |
| Louisiana      | 462,007    |
| Mississippi    | 1,510,432  |
| Missouri       | 472,332    |
| Nevada         | 5,340      |
| New Mexico     | 263,325    |
| North Carolina | 244,417    |
| Oklahoma       | 453,109    |
| South Carolina | 418,000    |
| Tennessee      | 565,609    |
| Virginia       | 8,890      |
| All Others     | 8,890      |
| Total          | 14,066,222 |

### Weldon Calloway On LCC Honor Roll

Weldon Calloway, son of Mr. and Mrs. Merlin Calloway of Plainview and formerly of Tahoka, was among the 16 students of Lubbock Christian College listed on the Dean's Honor Roll for the fall semester, according to Dr. H. O. Wilson, registrar.

Calloway had a grade point average of 2.5 based on a 3-point average. He was a 1959 honor graduate of Tahoka High School.

# SPORTS

## Basketball Teams Are Playing Post Here Tonight, There Next Tuesday

Three games were being played here Thursday night with Post, boys and girls, and "B" boys, in make-up games postponed because of bad weather.

Tonight Plains varsity and "B" team boys come to Tahoka for return matches beginning at 6:30 p. m., while the Tahoka girls go to Frenship for a game at 5:30 p. m.

Next Tuesday night will finish the season for the Bulldogs when they journey to Post for "A" and "B" boys games and a girls game at 6:00 p. m.

This week end the eighth grade boys are playing in the Crosbyton junior tournament which began Tuesday and was resumed Thursday, to continue through Saturday. A game scheduled for Feb. 13 for ninth and "B" boys here with Abernathy has been cancelled.

Jake Jacobs next week is completing his 13th year as boys basketball coach in Tahoka and J. D. Atwell his second as girls coach, both "A" and "B" teams. Jerry Brown has coached the "B" boys team and the seventh grade girls and boys. Clifton Gardner this year coached the eighth grade girls while Jacobs coached the eighth grade boys.

Buy, build, live, in Tahoka.

## Sundown Winner Of Two Girls Games

Sundown girls won two games here Friday night, taking the "A" game 55-40 and the "B" game 45-35.

The winners lead the varsity game from the first when the score stood at 13-17. Other period scores were 26-19 and 38-29. James took scoring honors with 25 for Sundown, aided by Stokes' 15 and Huffman's 14. Carolyn Howard made 15 points for Tahoka while Kay Halamicek made nine, far below her usual double figures in the 20's.

Tahoka's "B" team led the preliminary game until the fourth quarter, when Sundown made 21 points to overtake the local six and win the game. Tahoka led 14-9, 20-17 and 28 to 24 at the end of the first three periods of play.

Pirtle burned up the nets with 35 points for Sundown while Louella Tomlinson made 18 and Linda Thomas 10 for the losers.

Mr. and Mrs. Gail Estep returned home Tuesday night from a visit with her uncle and aunt in Mena, Arkansas.

## Tahoka Winner Over Stanton

Both the Tahoka boys and girls sailed smoothly by Stanton here Tuesday night, the Bulldogs pulling in a 57-42 victory and the girls winning by a 67-56 margin.

Taking an early lead in the first quarter the Bulldogs were never really threatened by the Buffaloes. They led 17-7, 33-23, and 47 to 32 at the end of the first three periods. The only quarter the Buffaloes equaled Tahoka was in the second when they both scored 16 points.

Frank Greathouse put the ball through the basket for 22 points and Fred Hegi and Billy Clinton made 8 each. Sorley had 14 and McReynolds 8 for the losers.

The girls game saw some hot shooting on the part of both teams, when Kay Halamicek scored 30 points and made 10 out of 11 free throws, and Judy Thomas and Loretta Short, both of whom were also shooting well, made 19 and 18 respectively. Frances Graves took honors, however, with 38 points, 20 of them coming from 27 attempts at the free throw line.

Giving outstanding performances at guard positions were Jerre Ann Wyatt, who seemed to be under the basket for nearly all the rebounds, Brooksie Reece, and Sharon Drager, both of whom gave Stanton "fits" in trying to work the ball in.

Tahoka led 17-13, 34-25, and 46 to 43 at the end of the first three periods. The local sextet held a wide lead until the third and early in the fourth when Stanton came within two points at one time. Offsetting the attack, the girls regained their margin before the game ended.

Preceding the two varsity games, the "B" boys team dropped a game to the visitors 49-34 with Mathis and Glaspie scoring 15 points each. Steven Ellis led Tahoka with 8. Stanton was ahead 10-9 at the end of the first period, but made 14 points to Tahoka's 3 to take a 24-12 halftime lead. The score stood at 32-21 at the end of the third.

## Tahoka Wins Three Of Four, Frenship

Tahoka juniors won three out of four games at Frenship Monday night, the seventh and eighth grade boys and eighth grade girls emerging winners.

Eighth grade girls won the closest game 21-20 with Carla McNeely sinking a free throw in the last 15 seconds to win the game. Halftime score was 12-11 in Tahoka's favor. Jamie Florence made 9 and Judy Terry 8 for high points.

Seventh grade girls lost 23-12, but details of the game were not available.

Seventh grade boys took a 23-9 victory with Stanley Renfro making 10 points, and Billy Jolly 4. Halftime score stood at 12-4.

Taking their third straight win were the eighth grade boys with a score of 29-12 after leading at halftime 20-7. Eddie Howard and Mike Smith made 11 and 7 points, respectively.

## Atwell Announces Track Schedule

Coach J. D. Atwell states intensive track work-outs will begin soon in preparation for several meets already scheduled.

The following meets have been scheduled for March leading up to the district meet which will be held in Denver City on April 8: March 4, at Brownfield. March 11, at Floydada. March 18, at Crosbyton. March 25, at Hale Center.

WASTE BASKETS for office at home at The News.

## Bulldogs Lose To Denver City

Denver City took the lead in District 3-AA basketball play by defeating the Tahoka Bulldogs 72-54, almost certainly knocking the local cagers out of a crack at the title.

Tahoka and Denver City went into the game tied for the lead with winner taking all. Both had lost one game each, Tahoka having handed the Mustangs their only defeat. Tahoka now has two losses on their conference record, and has two games left to play, both against Post.

Although the Bulldogs lost out last Friday night, fans are still impressed with the way the inexperienced team shaped up this year. Having two seniors, Frank Greathouse and Douglas McClellan; two juniors, Perry Flippin and Fred Hegi, and the rest sophomores, Andy Bray, Billy Clinton, Craig Leslie, Jerry Forsythe, Billy Wallace, and Tony Spruiell, the team has become a scrappy and smoothly moving unit. The sophomores, beginning the year with virtually no experience, have developed into players that promise a good team during the next two years.

If the Bulldogs win their remaining games, they will come in second in district play.

Denver City also won the "B" game Friday night by a score of 67-26.

The varsity game saw Denver City take an early lead forcing the Bulldogs to play a game of trying to catch up, which they nearly did several times. The Mustangs set up a zone press against the Bulldogs, one that did its damage in their first match, but the Bulldogs soon outsmarted the Mustangs and forced them to release their pressing defense.

Denver City led nine points in the second quarter, but the Bulldogs narrowed it to two points, 27-25, although the winners led 31-25 at halftime. During the third quarter, behind an onslaught led by Frank Greathouse the Bulldogs came within two and three points on several occasions.

However, the Mustangs lowered the boom in the fourth and went far ahead dashing Tahoka's hopes. Greathouse held scoring honors with 20 and Billy Clinton added

## Juniors Win Two, Lose Two Games

The seventh grade girls and eighth grade boys came out victors Thursday night of last week in games played here with Post, while the seventh grade boys and eighth grade girls lost.

The winning boys team outscored Post 34-17 with Eddie Howard making 9 and Terry Harvick 8 for Tahoka. All boys played good defense, which made the difference in the game against a much taller Post team. Howard and Jose Cervantes were outstanding rebounders.

The seventh grade girls won 9-3 with Brenda Riddle and Mary Ellen Wyatt making 4 each. Nancy Parker was outstanding on defense as a guard.

The Post seventh grade boys edged out Tahoka 26-22. Stanley

10 more, while the Mustangs' George Curtis had 18 and Dennis King, Mike Hubbard and Loyd Hodges all had 16 each.

The "B" game saw Charles Rohman making 12 points for Denver City and Stephen Ellis seven for Tahoka.

# N. O. Townsen Writes Of Extended Trip To Oregon And Its Beauties

(Editor's Note: The following is a letter from Mr. and Mrs. N. O. Townsen who are in Oregon, where their son and family, Rev. and Mrs. Dwight Townsen, live. Mrs. Townsen is the former Miss Joan Silver, daughter of Mr. and Mrs. John Slover.)

"We came up here over a week ago. Mrs. Bonnie Adamson is with us. This is her first trip to this wonderful country and she thinks it is wonderful. We are visiting our son and family in Portland, Ore. He is pastor of Rockwood Methodist Church here. Dwight is on the committee of this district for hospitals and homes. The National Convention is now going on in Kansas City and we are staying here and keeping our granddaughters in school while Dwight and Joan are at the convention.

If you count the fringe towns that join Portland there is over one million people. Portland, in Multnomah county, is the largest city in Oregon. The Willamette River runs through Portland and joins the great Columbia River at the edge of town. Portland has a mild climate and is much warmer than in West Texas. The lowest temperature reading so far this winter is only 26 degrees. They rarely have snow, but 60 miles north, east or southeast in the mountains they have cold weather and heavy snows. It rains here almost all winter. The average annual rainfall is 100 inches and 65 miles west on the coast they have as much as 130 inches of rain. I think this is the most rainfall of any place in North America.

"You can imagine what effect this has on the growth of timber and all kinds of vegetation. Portland is the 'Berry Kingdom' of the world. It is also the 'Rose Kingdom' of the world. The newspaper here states this district ships more lumber than any other place on earth.

"There are thousands of acres of berries in this district. I saw an ad in the paper stating how to use poison to kill wild berries. It is a larger problem than the Johnson grass at home.

"The Willamette River runs almost due north. Up the Millamette Valley are large farms. They raise barley, wheat, oats, flax, and corn. They have large orchards of English walnuts, apples, some peaches and of course, berries. At this time of year the fields are covered in spots by water.

"When the wind is out of the east it means clear weather. When it is out of the west we have rain. In other words, rain comes off the ocean. These storms come from the same source. Dwight lived here for five years before he saw any lightning or heard thunder.

"On clear days we can see Mt. Hood standing high up white and cold. Due east of Portland, it looks 10 miles away, but is 60 miles away. To the north you can see Mt. St. Helens. It's 140 miles away. Then to the northeast you can see the top of Mt. Adams, 170 miles away. Close to sundown these peaks turn to light pink, and lingers that way after the sun has gone down here in town. It's very beautiful.

L.C. HANEY  
Phone 998-4041

"Years ago they had a great forest fire that burned for weeks between here and the coast. This burned over area is called the Tillamook Burns, named after the Tillamook River that runs through the burns. The mountains are so steep men and machines could only fight the fire in the valleys. The burns cover a million acres. It's 26 miles through the burns on road to the coast. You can see second growth making a slow comeback.

"There is wild game in the district, deer, bear, elk, a few caribou, a few moose. There are Salmon canneries here, as well as five large berry canneries. There is great fishing here, but I find it takes a lot of experience to catch fish, though. It's usually a cold, wet job, but the steel heads are biting now.

"Across the Columbia River to the north is Vancouver, Wash. Vancouver has many industries, and both it and Portland have large docks. Heavy freighters make these ports.

"Religious leaders here at least have a passing knowledge of botany. They head groups of young and old to the streams and moun-

### Day Of Prayer Set For Feb. 17th

The 75th anniversary of World Day of Prayer is being observed Friday, Feb. 17. A special program is being held at the Methodist Church from 10:00 until 11:00 a. m. on that day in keeping with this observance.

Mrs. J. C. Womack will be the principal speaker. The local chairman of World Day of Prayer is Mrs. R. M. Stewart.

World Day of Prayer, sponsored in the U. S. by United Church Women of the National Council of Churches, carries with it a potential force worthy of the nuclear age in which we live. From a day set aside back in 1887 at the suggestion of one woman of one denomination to pray for the success of its home missions and to bring gifts for their support, World Day of Prayer has grown into a giant interdenominational, international prayer cycle.

From the silent prayer of each individual, to that of communities gathering in a place of worship on Feb. 17, to the Prayer Fellowships meeting on behalf of huge geographical areas, the united effort to Christians to find God's purpose for this world will come full circle. Everyone can be a part of this fellowship, wherever he is, on Friday, Feb. 17.

Everyone is invited to the observance services at the Methodist Church.

gains in the spring and summer. Just the study of the tree family is a big thing here. It's a beautiful thing to learn to see our Father's hand in every leaf and bloom. The wild shrubs, the wild ferns here are beautiful. This district is the home of those wild, beautiful rhododendrons. They begin blooming in February.

"There are many waterfalls close by, especially up the Columbia Gorge, or canyon.

"We hope to make a trip to the coast before we leave. If we do I will write you about the trip. We see where the South Plains has had some real cold weather."

## Muleshoe Rainbows Honor Miss Lamb

Magann Lamb, daughter of Mr. and Mrs. Gilbert Lamb of Muleshoe, and granddaughter of Mrs. J. R. Singleton and the late Dr. Singleton, pioneer residents of Tahoka, was installed as Worthy Advisor of Muleshoe Assembly No. 161, Order of the Rainbow for Girls Saturday evening Jan. 28, in Muleshoe Masonic Hall.

Installed as Fidelity in the same service was Nina Ed Bovell, daughter of Mr. and Mrs. W. T. Bovell, Mrs. T. J. Bovell and Mrs. A. J. (Jack) Edwards of Lubbock, all of whom were Tahoka pioneers. Juarene Bovell was also installed as a member of the advisory board.

Have News? Phone 998-4888.

## QUESTIONS, PLEASE

QUESTION: "What is Blasphemy Against The Holy Ghost?"

ANSWER: This question is centered around Mark 3:22-29 and Matthew 12:22-32. Taken in this entire context the blasphemy against the Holy Ghost takes on a little more meaning to us. The Lord had just cast out a demon. The scribes said that he did it by Beelzebub the prince of the demons. They had rejected an evident fact. Christ had performed a miracle. They denied it. The miracles which Christ did were his credentials to prove that He was from God

(Jno. 20:30-31). If one denied Him without the miracles it could be understood. But, when the Holy Spirit, through Christ, worked these miracles there was no excuse for denial. The scribes ascribed the works of God to Satan. This is blasphemy. The scriptures that we have today have been affirmed by miracles. They have stood the test of time. Anyone who denies them, or rejects even a part of them, is blaspheming against the Holy Spirit. This is inexcusable! To deny the scriptures is to deny plain fact and is a slap in God's face.

You are invited to send your questions to: Bob Barnes, Box 812, Tahoka, Texas. You are also invited to attend all the services of the church of Christ.

## Mrs. Patterson Is Holding Recitals

Mrs. E. W. Patterson is presenting her piano and voice students in five recitals in Tahoka, New Home and O'Donnell.

On Thursday night the Primary recital was being held in the sanctuary of the First Methodist Church in Tahoka.

The Intermediate recital will be held at 2:30 p. m. Sunday in Fellowship Hall of the Methodist Church here.

At 3:30 p. m., immediately following the above recital, the senior students will be presented, also in Fellowship Hall.

On Saturday, Feb. 11, all students in O'Donnell will participate in a recital at the Methodist Church at 7:00 p. m.

New Home students will be presented at 7:00 p. m. on Feb. 14. The public is invited to attend any or all of the winter recitals.

## Draw Club Meets With Mrs. Watson

The Draw Home Demonstration Club met with Mrs. G. O. Watson on Thursday, Feb. 2.

Mrs. A. R. Hensley brought the council report and each club woman in the county is urged to subscribe for "The Messenger."

Mrs. Connie Anderson, county home demonstration agent, bought the program on "Fabrics and Their Care."

Refreshments were served to six members and Mrs. Anderson.

## Duplicate Winners For Tuesday Night

Winners in duplicate bridge at T-Bar Country Club Tuesday night were: Roy Owens of Lamesa and Mrs. Johnny Wells, first; Mrs. H. B. McCord Jr. and Mrs. Jess Gurley, second; Mrs. L. C. Hamey and Johnny Wells, third.

Next Tuesday night will be the fourth session of the winter series.

## Joe Stokes Club Meeting Tuesday

Joe Stokes Club met Feb. 7 with Mrs. Parris, Mrs. Dean presiding and minutes were read and approved. Three members and the agent were present.

Members present paid for their club books and T. H. D. A. dues. Mr. Russell paid for one year's subscription to "The Messenger." Mrs. Dean was elected T. H. D. A. delegate from this club.

The secretary was authorized to send Mr. Riddle a check for the pepper the club sold.

Mrs. Anderson talked on "Laundry Care and Fabrics" and illustrated how our washer could only do its best when we prepared our clothes and use detergent suited to our water, added, to hot water.

She stressed reading directions on appliances and detergent. Reporter.

## Study Program W. S. C. S. Continues

Twelve ladies of the Woman's Society of Christian Service met Monday at 9:30 a. m. to continue the study of "Heritage and Horizons" led by Mrs. G. M. Stewart.

Mrs. V. F. Jones brought the Mrs. Launa Thomas told some of the history of the Tahoka church and the work of the Woman's Society of Christian Service. Mrs. Mattie Jackson gave history of the Draw church and W. S. C. S.

Mrs. Jones and Mrs. Earl Tunnel were hostesses for the hour. The society will meet next Monday at 9:30 a. m. at the church for another lesson from "Heritage and Horizons." All ladies are invited to attend.

## ERROR IN KING'S AD.

Many readers of The News this week will find the signature in King's Department Store advertisement upside down, others will find it as it should be. Just another of those mechanical errors a newspaper frequently makes!

"The way to destroy capitalism is to debase the currency. Through a continuing process of inflation, a government can quietly and unobservedly confiscate the wealth of its citizens."—Karl Marx

## TEACHER GIVES ADVICE

Sophie Jaffe, a teacher of 25 years' experience, recently said this to a teacher's meeting: "We are going overboard these days on the idea that, by giving our children the best and the most, we make them happy, well-rounded individuals. Today's children have television sets in their bedrooms, carry transistor radios to school, and brag about the money they spend. . . . What we should do is to get through to the parents that their children must be taught at home that they cannot have everything they want, that money and material abundance are not the acme of American democracy."

## KENNEDY'S COMMITTEE REPORTS

A three-member task force committee on the key elements of the agricultural situation handed President John F. Kennedy a report which recommended: (1) A large land-retirement program. (2) Price supports at current levels on major commodities. The report also said that farmers would be unlikely to support any sort of a rigid farm production control program.

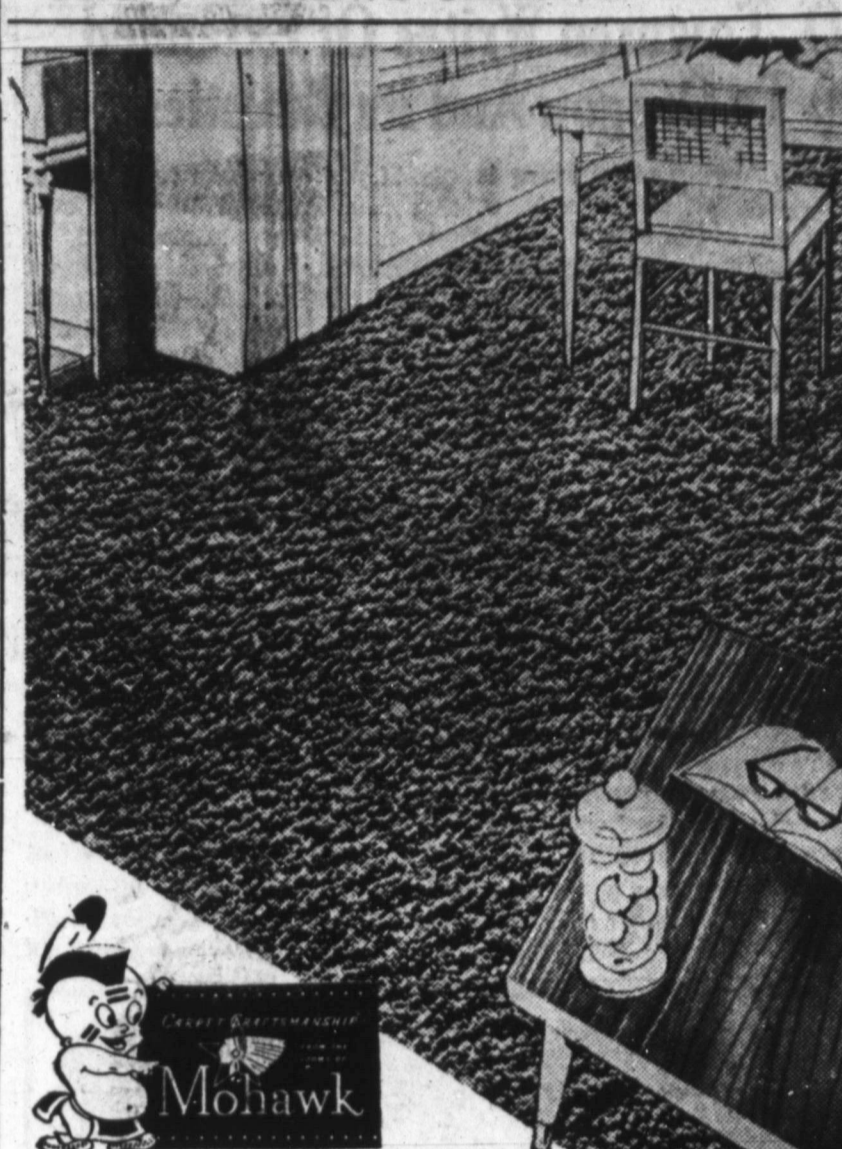

The committee was composed of Lauren K. Soth, Editor of the editorial page of the Des Moines Register and Tribune, J. Norman Efferson, Dean of the College of Agriculture of Louisiana State University, and Jesse W. Tapp, Vice President of the Bank of America at San Francisco.

The Valentine Party for ages 10-12 at T-Bar Country Club will be held this Saturday night, Feb. 11, instead of on November 11 as stated in the invitations mailed out this week.

### Don Hammonds Shows Champion

Don Hammonds of Tahoka has shown the junior show champion of other breed barrows of the 1961 Southwestern Exposition and Fat Stock Show, held in Fort Worth Jan. 27-Feb. 5.

Significance of the honor is underscored by the fact that 5,394 cattle, sheep and swine—topping last year's total by 624 head—were entered in this year's show. The entry list in all departments approached 10,000.

The 1962 Southwestern Exposition is scheduled for Jan. 26 through Feb. 4, President-Manager W. R. Watt has announced.

### Cleaner Quotes

H. B. McCord Jr. sure makes a fine Rotary president.

Plans to build a new and needed Masonic Hall are complete, erection to start soon.

Knits of all types are the vogue, light weight or heavy. Some are bonded with a synthetic foam rubber. All knit wear must be handled, both in cleaning and especially blocking, with extreme care. Knits can be a shapeless mass or blocked to fit your favorite dress. Try our knit blocking service—25 years experience.

Pat Patterson, Tahoka's new fire chief is doing a fine job. Past Chief Curtis Stevens has retired having served over 20 years.

Plaids, Plaids, and more Plaids That's the vogue, with colors of the rainbow. Soft tones blended with rich staple colors. Soft pastel colors, woven into a very soft weave demands gentle but thorough cleaning to keep colors bright and must be pressed soft as a powder puff.

The remodeled bank building really looks good, a real credit to our town.

A pocket with a hole in it? A button off? Or just plain gapi-sis? We install pockets, new pocket buttons, repair and do all types of alterations.

This is National Scout Week. We commend our local Scouters who make our Scouting program work.

### Today's MEDITATION from The World's Most Widely Used Devotional Guide

### The Upper Room

By grace are ye saved through faith; and that not of yourselves: it is the gift of God. (Ephesians 2:8).

While I was conducting a preaching mission in a village in the United Arab Republic, a man called Yassa invited three others and me for lunch. He prepared us a rich banquet at his house. He greeted us so nicely, saying, "We are greatly honored. Feel at home and help yourselves." Suddenly, his eyes were moist with tears. He hurried at once to another room and shut himself in.

As his wife saw my surprise, she stepped in and said, "I am sorry. My husband is a drunkard. He can't enjoy a meal unless he drinks. He wept because he couldn't eat with you."

A few minutes later, our host came back. He looked at me and said: "Please don't preach at me. I know more than you do what wine is. I have tried all means to overcome it, but in vain."

"I repent! I am not going to preach at you. I believe every word you say. But may I just add a word? There is a power that can save you. You need not try it; just trust it. It is the grace of Jesus the Saviour. Take hold of it through faith."

He did, and won a victory.

PRAYER: Our loving Father, source of every good gift, grant us Thy gift of faith that links us with all-powerful Saviour, through whom we become more than conquerors. In His name. Amen.

THOUGHT FOR THE DAY—Faith displaces our weakness with God's power. —Tanios Zakhary (Egypt)

### Gordon-Southland

(By Mrs. Jesse Ward)

The Southland O. E. S. has as their guests Thursday night Deputy Grand Matron Margaret Jackson from Arzon. She made her yearly official visit to the chapter. Other visitors were from Post, Slaton and Lubbock chapters.

Mr. and Mrs. Donald Pennell were in Plainview Friday night where he attended a butane meeting and she visited with her niece, Mr. and Mrs. Mitchell Marlow.

Mrs. G. E. White, Tahoka, spent last week in the home of her sister and brother-in-law, Mr. and Mrs. Earl Morris.

Mr. and Mrs. Elmer Hitt spent last week end in San Angelo with his sister and brother-in-law, Mr. and Mrs. Doyle Rogers and family. They were joined there by their son, Jerry Hitt from Hardin-Simmons University in Abilene.

Mrs. Bill Yeltes was honored with a layette shower Saturday afternoon in the home of Mrs. Ivy Basinger. Coffee, cookies and mints were served to the following guests: Mmes. Herbert Dunn, Fortson, Sam Ellis, Donald Pennell, Paul Winterrowde, S. D. Martin, C. A. Haire, Earl Morris, F. W. Calloway, Jesse Ward, Louise Davidson, Ivy Basinger and the honoree. She received gifts from several who were unable to be present.

Mr. and Mrs. Travis Dabbs, Lubbock on the birth of a daughter, Dana Lynn, Saturday at Reese Air Base Hospital. The Dabbs have three children, two sons and a daughter. Grandparents are Mr. and Mrs. Herman Dabbs. Mr. and Mrs. S. D. Martin are great grandparents.

Mrs. S. M. Lewis and son, R. H. Lewis, his son-in-law, Ward Thomas of Lubbock spent last week visiting her daughter and his sister and family, Mr. and Mrs. T. J. Wardlow at San Benito and the men went deep sea fishing while there. Mrs. Ward Thomas and children visited her mother, Mrs. R. H. Lewis, Edwin and Troy. Mrs. S. M. Lewis remained with her daughter and son-in-law for a longer visit.

Teddy and Mike Scott from Post were church visitors at Pleasant Valley Baptist Church Sunday. Teddy was visiting Billy Joe Hall and Mike and his grandparents, Mr. and Mrs. C. R. Scott.

Mrs. Jay Oats entered Mercy Hospital Monday for observation and treatment. Friends wish for her a speedy recovery.

Mr. and Mrs. Harley Martin honored his father, S. D. Martin with a birthday dinner in their home near Slaton. Those present for the occasion were Mr. and

Mrs. Blanton Martin and daughter, Susan of Littlefield, Mrs. B. N. Billingsley of Lubbock, Mr. and Mrs. Herman Dabbs and David, the honoree and Mrs. Martin.

Elder Jack Bateman, a missionary from China, and his two small sons were visitors at New Lynn Baptist Church Sunday night where Bro. Bateman made a talk on his work. He was born in China and received his college work at the Baptist College in Jacksonville Texas, and returned to China as a missionary. He had visited in Lubbock and New Lynn during his college years.

Mr. and Mrs. G. D. Ellis have returned home after spending three weeks at Truth-or-Consequences, N. M.

J. B. Rackler, his sister, Mrs. Claud Roper and Mrs. Robert Lee Hagler were honored with a birthday dinner Sunday in the home of Mr. and Mrs. J. B. Rackler by Mrs. J. B. Rackler. Those attending were Mr. and Mrs. Claude Roper and daughters, Nelda and Linda from Lubbock, Mr. and Mrs. Claude Roper Jr. of Lubbock, Mrs. J. F. Rackler, Mr. and Mrs. Robert Lee Hagler and Jean, Mike Mayo of Amherst, Mr. and Mrs. William Mayo, L. D. and Wanda.

Mr. and Mrs. L. T. Smith from Earth were visitors in the homes of their cousins, Mr. and Mrs. F. L. Ward and Mr. and Mrs. Jesse A. Ward last week.

Mr. and Mrs. Earl Morris spent two days last week with his sister and brother-in-law, Mr. and Mrs. B. L. Cogdill in Lubbock.

Mr. and Mrs. W. P. Lester spent Saturday with their daughter and son-in-law, Mr. and Mrs. I. J. Duff and children in Levelland.

Mrs. Ed Milliken was released from Mercy Hospital in Slaton Monday where she had been a patient three weeks. She and Mr. Milliken are home and have a lady staying with them. Mrs. Milliken's sister, Mrs. D. H. Hatchett, Lubbock, was in Slaton Hospital last week. She was released from the hospital and went to the home of

her son Dr. Don Hatchett in El Paso. Mrs. Oats from McMurry College in Abilene spent the week end at home with her parents, Mr. and Mrs. Jay Oats and Commie.

Mr. and Mrs. R. W. Cook, Mike and Mrs. Stanley Regina, and Mr. and Mrs. Stanley Sunday afternoon in Levelland of Canyon and other relatives.

### A-A-H-H-H-H THAT BIG FALCON CARGO AREA!

Falcon wagons never get their fill! With loadspace over seven feet long—the longest in the field—Falcon wagons make room for anything from a load of do-it-yourself lumber to a month's vacation gear. What's more there's room for six adults. And all seats are foam-padded for soft, soft, sitting... at no extra cost!

### A-A-H-H-H-H THAT EASY-TO-OPEN FALCON TAILGATE!

Just like the big luxury wagons, Falcon's rear window rolls right down into the tailgate. You can load right through the window without even opening the tailgate. Or swing down the tailgate for extra loadspace and a handy loading platform. What a joy compared to other compact wagons that actually make you lift up or swing out the whole rear end. Once you open a Falcon wagon... you'll want to close the deal!

### A-A-H-H-H-H THAT LOW, LOW FALCON PRICE!

For all their big-wagon room, comfort and convenience, Falcon wagons are priced as much as \$508\* less than other compact wagons. And Falcon wagons are Falcons to the last penny: up to 30 miles on a gallon, 4,000 miles between oil changes, no more waxing ever. See and try the new Falcon wagons for yourself. See what makes Falcon America's best-selling compact car—by far!

### Congratulations—

Mr. and Mrs. Don Smith, New Home, on birth of a son at 6:15 a. m. Wednesday, Feb. 8, in West Texas Hospital in Lubbock. He weighed 6 pounds 5 ounces. Mr. and Mrs. Wayman Smith of New Home are paternal grandparents and Mr. and Mrs. Marvin Gary of Snyder are maternal grandparents.

Mr. and Mrs. Richard Havens of Abernathy on the birth of a daughter Tuesday at 5:25 p. m. in Methodist Hospital. She weighed seven pounds, eight and one-half ounces. The couple have a son, who is two years old. Richard is formerly of Tahoka and is now editor of The Abernathy Review.

Mr. and Mrs. Don R. Smith of route 1, Wilson on birth of a son Wednesday at 6:45 a. m. in West Texas Hospital. He weighed six pounds, five ounces. The couple have two other children, a son and a daughter.

### CLOE FINISHES AVIATION ELECTRONICS SCHOOL

Memphis—Gloyd F. Cloe Jr., airman, USN, son of Mr. and Mrs. Gloyd F. Cloe of Tahoka, was graduated, Jan. 20, from the Aviation Electronics Technician School at the Naval Air Technical Training Center, Memphis, Tenn.

Students are trained in the fundamentals of electronics, radar and transmitters, International Morse Code, communications and operational maintenance systems.

Aviation electronics technicians serve primarily as maintenance personnel aboard aircraft carriers, cruisers and naval air stations.

Mrs. Ruth Halford of New Home is a medical patient in Tahoka Hospital having been admitted this week.

### 4-H Club Roundup At A & M In June

College Station—The annual Texas 4-H Club Roundup will be held at Texas A&M College on June 6 and 7. The big day will be the 7th when hundreds of young Texans will vie for honors in the 25 judging and demonstration contests.

The two high ranking teams or individuals from each Extension District are eligible to participate in the statewide contests scheduled for Roundup. The district winners will be selected in district elimination contests held prior to the state meeting.

The boys and girls who attend Roundup will be accompanied by either their county extension agent or agents or by adult leaders.

Many of the state winning teams and individuals later in the year will represent their state in national contests and will, therefore, have an opportunity to add further to their training and 4-H experiences.

Program details are not yet available but will be announced well in advance of the June meeting, according to Extension Service officials.

Mr. and Mrs. John Slover returned recently from Kansas City, where they met and visited with their son-in-law and daughter, Rev. and Mrs. Dwight Townsend of Portland, Oregon, while the latter were in that city for a conference on Hospitals and Homes of the Methodist Church.

Mrs. A. J. Kaddatz is a patient in the local hospital where she is receiving treatment for a back injury sustained a few weeks ago when she fell on the icy ground.

Mrs. J. A. South is still a patient in Tahoka Hospital where her condition is considered the same.

### Legal Notices

#### CONTRACTOR'S NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 9.422 miles of Grading, Structures, Base & Surfacing From FM 211, 2.0 Mi. West of Garza Co. Line, South to US 380 on Highway No. FM 212, covered by R 1055-1-3 in Lynn county, will be received at the Highway Department, Austin, until 9:00 a. m., February 16, 1961, and then publicly opened and read.

Plans and specifications including minimum wage rates as provided by law are available at the office of J. W. Stevens, Resident Engineer, Lubbock, Texas, and Texas Highway Department, Austin. Usual rights reserved. 18-2tc

### Farm Facts

Even with modern equipment and techniques, farmers put in a long workday in comparison with that of many of us. The U. S. Department of Agriculture's Agricultural Marketing Service notes that the workday for farmers across the United States averages 10.6 hours during the month of June, and its length isn't changing much.

What's more, the operator puts in a longer day than his hired hand, on the average. The average workday for hired workers on farms in June totals 9.3 hours.

You probably might get an argument on this but the statistics reveal that, in June, farmers work longer hours in the North Central states than anywhere else—11.3 hours.

Wisconsin farm operators top the list, working 12.2 hours. Their counterparts in Florida and Nevada average 9.1 hours. The Florida farm hand knocks off after 8.4 hours, while the North Dakota hired worker puts in an average of 10.6 hours in June—longest day of any.

### The farmer's work day averages 10.6 hours.

The North Dakota farm hand works 7.9 hours in December and the Wisconsin operator works 10.6 hours. Florida operators and hired workers put in 7.4 and 7.6 hours, respectively.

Mrs. Oscar Whitaker underwent surgery last Saturday in Tahoka Hospital and was dismissed Wednesday morning.

### The Last Move

They say there is a painting of a chess game called "The Last Move," where the devil is grinning across the table at a young man, who is sweating. The youth had gambled with the devil for the joys of the world, and the next move would lose him his game and his life.

The Last Move!  
That's the tragedy the artist meant to put on his canvas. But one day a famous chess champion studied the picture. Then he said, "I'll make the young man's move for him."

They set up a chess board for him, exactly as it was in the picture. He made a move which the artist had not seen as possible, by which the devil lost the game.

If such a chess champion actually had come to save that young man, not in a picture, but in life, would the young man ever have forgotten?

I'm not sure. People are very forgetful.  
A much greater Champion saved you when your game was lost and your number was up, and it cost Him His Life. Are YOU remembering?

Lent is for helping you remember what Jesus did for you. He is the Champion who loved you and saved you. Come and worship Him with us.

## Youthful Drivers Responsible For Many Accidents, Patrolman Says

"When to let your child have the keys to your car" was the subject of a talk before Tahoka Rotary Club Thursday noon of last week by Sgt. E. L. Stroud of the Texas Highway Patrol, Lubbock.

He declared teen-age drivers are the cause of one out of 12 of the fatal accidents in Texas.

His talk was based on results of a recent comprehensive survey, which showed, among other things, that a high school student grades drop the minute he is allowed to have a car.

He said there is no way of telling how many speed-loving, chance-taking inexperienced teen-agers will end up in a casket, but the chance is great.

However, the results are not all the teen-ager's fault. Some of the responsibility rests with the parents who allow them to have the car. The teen-ager is probably a better driver than his parents, but he has not yet reached the age of responsibility and has a bit of daring, a desire to show off. He is at the competitive age—the age of rebellion—and to him a car is the symbol of social standing.

Cars have changed since the rumble-seat Model T days; with increased horsepower, the accident rate has jumped and the car can become a lethal weapon.

He said 75 percent of the youngsters feel they should have the car because "others have a car."

He declared that students who

have taken driver training in high school have a rate of 27 accidents out of 100, while those who have not had driver training rate 41 out of 100.

Sgt. Stroud asks parents, "Has your son or daughter power to be responsible, careful with his property, your property, and the property of others; do you set a good example of safe driving and law observances?"

Harold Green arranged the program and in introducing the speaker said Sgt. Stroud is supervisor of five counties, has been with the department 24 years, 15 of which have been at Lubbock.

Student guests for the month, Charley Mack Holland and Raymond Bagby, were introduced by E. L. Short and Dr. Emil Prohl, respectively.

C. Edmund Finney was a guest of Dr. Prohl and Charles Brock of Granvel Ayer. Jim Hutchison of Corona, Calif., was guest of Dr. K. R. Durhan.

Charles Townes and "Cotton" Carter, both out for several months on leave of absence, have returned to club meetings.

### VISITORS IN TAHOKA

Raymond Lee Johns, editor of Southwest Crop and Stock, and Roy Krebs, real estate dealer, both of Lubbock were here Saturday on business. Krebs was re-ar in Lynn county and is a graduate of Tahoka High School.

## Printer's Ink-lings . . .

By F. P. H.

We didn't know so many people were having telephone trouble until we criticized General Telephone for the lack of service in Tahoka a couple of weeks ago. We've been with The News 37 years, and this blast resulted in more agreeable comments than we've ever had to anything that has appeared in this paper. If Tahoka customers of the company pay in upwards of \$15,000 a month, we think General Tel. owes this community a lot better service, a permanent local repair crew on the job, and a permanent local business office where bills may be paid and other business transacted with this firm.

We understand General Telephone right now has a request before the Tahoka City Council for another rate raise. We're against it! Period!

Our criticism of General Telephone also evicted some criticism of Poka-Lambro from its customers. Principal complaint here is that present lines are insufficient to carry the unexpected heavy use of rural phones. However, Poka-Lambro is a fledgling organization still in the process of building, and W. D. Harmon, manager, has assured us on several occasions that they are trying to work out these problems as they can as funds available justify.

Tom Draper, an old Tahoka boy, and "Goose" Ramey of Dimmitt were down Saturday visiting Mr. and Mrs. Welch Flippin and others. "Goose" told Welch he is fattening two possums and a coon. As soon as the possums are fat, he's going to cook possum and 'taters and barbecue the coon and throw a big party. He said he would send Welch and wife a formal invitation, but anybody who comes to one of his parties must come dressed up. He told Welch to get himself a tuxedo and his wife an evening gown and be ready. Welch was raised on possum and 'taters down in Hopkins county and his mouth is a-watering for some of the delicacy.

It's finally happened. A firm has been organized to produce "Brand X" cigarettes for people who are content with second best, for the man who as a boy dreamed of bedoming only a vice president. The new cigarette will cash-in on the publicity generated by all this T-V advertising in which each brand ballahoes its product as being superior to Brand X.

Kay K. Moore, the Durango kid, who has received national publicity for his daily ride in summer on back of a spirited cow pony as the little narrow-gauge Denver & Rio Grande tourist train comes down the Las Animas Valley in Southwestern Colorado past his Red Barn catering service, sends in his renewal to The News, passes on a few compliments on this column, and invites all his old Lynn County friends to come to see them this summer.

Mrs. O. B. Davis Jr. of 5809 Hampshire in Corpus Christi sends in her subscription and writes she would like to hear from old friends. Winter in South Texas has

been disagreeable and farmers, due to wet weather, have been unable to do anything to the land since September. She says her mother, Mrs. A. J. Mullins, sees every now and then, in Seguin

W. R. Traweek of Draw says he has never seen a better season in the ground. The ground is wetter than ever before, he says, at least since 1949. Mrs. Traweek, who has long suffered from rheumatism and arthritis, is doing fairly well, he says.

Lloyd McCormick (Junior) says he liked our comments in regard to the labor situation as it affects the farming business. As we see it, there's no permanent relief for the squeeze put on the farming country until and unless there is a reduction in the cost of manufactured goods, made so high by continued ka-towing to demands of labor unions for higher wages, shorter hours, and other such benefits. . . . until there is more world demand for our products until the powers that be in Washington go back to the basis of all economy—the fact that any economy is based on that which comes from the soil and the laws of supply and demand.

President Kennedy in the election campaign made many, many rash promises but already he is back-tracking and taking the "fifth amendment." Like President Eisenhower, he pledged immediately relief of farm programs. The other day on a news cast, he was hedging, hemming and hawing, sipping and maybe-ing.

He appointed a Farmers Union Secretary of Agriculture, who frankly admits he knows little about agriculture, and all the latter's assistants seem to be lined up with the thinking of the ultra- (Cont'd. on Page 2)

## Two Local Youths Enlist In Army

Charles R. Anderson, son of Mr. and Mrs. C. L. Anderson, of Tahoka, and Frankie Lynn Grayson, son of A. D. Grayson of Lubbock, were enlisted in the regular Army Feb. 3 at Amarillo, out of the Lubbock recruiting station.

Both men enlisted under the Army guaranteed assignment program. Ret. Anderson chose armor and Ret. Grayson chose automotive maintenance. They will be assigned to these career fields after completion of basic training which they will receive at Fort Hood Texas.

Also enlisted was Ronald E. Wilhelm, son of Mrs. Francine Wilhelm of Ranger. Ret. Wilhelm was enlisted under the buddy plan with Ret. Anderson, his cousin.

Grayson attended the Tahoka schools prior to his enlistment.

## Rowes Make Trip To Southern States

Mr. and Mrs. W. L. (Cap) Rowe returned home Sunday from a two weeks trip through the South.

Leaving here, they went across Texas, Louisiana and Mississippi to Selma, Ala., where they visited his brother-in-law and sister, Dr. and Mrs. Bill Elhart. There they were met by his brother and wife, Mr. and Mrs. Austin Rowe of Arkadelphia, Ark., who accompanied them through Georgia and on a four-day sight-seeing visit to Florida.

On the return home, the Rowes stopped in Fort Worth Saturday night for the Fat Stock Show, and some of the Tahoka boys at the show got them tickets for the rodeo.

"We saw lots of pretty things," Cap says, "But the prettiest things I saw were on the Florida beaches."

## ONE DROP AT A TIME . . .

Fills a bucket quicker than you think. The same is true with savings. When you make a practice of saving a little bit each month, you soon have a substantial bank account. Most estates are started on just such a procedure.

Automobile and farm machinery loans with a minimum of red tape.

## 28 CARS WANTED IT! PONTIAC'S TEMPEST WON IT!

(Motor Trend's CAR OF THE YEAR Award goes to Pontiac's Tempest!)

The Motor Trend Magazine Car of the Year Award to Tempest marks the second time in three years that the Pontiac Motor Division has received this honor. The editors who selected it are: Robert Ames, Associate Editor; James Miller, Managing Editor; Don Werner, Editor.

These men edit one of America's leading car magazines—Motor Trend. What they know about cars can help you buy your next new car with complete confidence. They study all the different makes. Compare. Drive. Then they make one award for the year. The Motor Trend Car of the Year Award. This year these editors

voted solidly for Pontiac's newcomer—the Tempest. The one car that will give the car buyer top performance, ride and economy for his nickel. Read what these experts say!

Don Werner—"We studied the design features of 28 American cars. The Tempest pulled ahead of the whole crop of '61 cars. The flexible drive shaft is a fantastic innovation. It's the most sensible, dependable power train we've seen."

Bob Ames—"Equalizing the weight on the front wheels and the weight on the rear wheels (with the front engine/rear transmission) gives the Tempest great traction and ride. Pontiac engineers scored a great breakthrough with the Tempest."

Jim Miller—"The Tempest 4-cylinder

engine and the triple alloy steel drive shaft team up as a smooth, going combination. I had to look under the hood to convince myself they hadn't put in a V-8. That 4-cylinder engine should do wonders for gas economy."

Take it from this group of sharp automobile experts. Tempest is a winner. Check the facts! 110 to 155 h.p. from a gas-saving 4. Big car ride! Independent wheel suspension. 15-inch wheels at no extra cost! Priced with the compacts. See your Pontiac dealer.

### PRINTER'S INK-LINGS

(Cont'd. from Page 1, Sec. 2) liberals and union labor. No assistant knows anything about cotton problems except possibly the millionaire plantation owner from Georgia who has a little cotton land and another assistant from Missouri.

Kennedy said in the campaign we could have many good things such as high wages, more aid for the old people, aid to education, more foreign aid, and a bigger defense program for less money—and maybe a reduction in taxes. Already, he is hunting new ways for more taxes. Seems like we've heard the same old political hocus before.

We packed the Supreme Court one time when that body was held in the very highest of respect by all Americans, and now we have a Supreme Court made up of political appointees, few of whom ever had any judicial experience. Now, we've set another precedent in Congress when Speaker Sam Rayburn went along with Kennedy and the liberals in packing an important committee to get the wishes of the left-wingers.

We were disappointed to note that our George Mahon went along with the liberals on this proposal. This newspaper was probably the first on the South Plains to support George Mahon for office back in the days when our friends and other newspapers were trying to force the election of the late Clark Mullican of Lubbock—a time when many in this area laughed at the candidacy of the young fellow from Colorado City. We have ever since admired and respected George, and still do. He's a high-type fellow and he's proved it in Congress. But, we're apprehensive about the fact that he, at times, seems to be leaning further and further toward the thinking of the Northern liberals. There are great pressures being put on him, and others, we know. He's dedicated to a big defense build-up and a big foreign program. But we know the man on the street in Tahoka did not agree with his stand on packing the committee.

More and more, we are convinced America can not buy friendship with foreign aid dollars. Just the other day, a Tech professor was home from Burma, where he has been advising that country on agricultural problems. Reminds us that two or three years ago a young college student from that far-away country in Asia was attending Tech to observe textile engineering procedures, and he spoke at Tahoka Rotary Club one day. Said he had never seen cotton grown until some was grown in his country a few years before. He was interested in cotton and began to specialize in his field, and his government had sent him to Tech. We asked him how Burma had come to start raising cotton. He replied, "Well, I don't know, except that about five years ago the United States government sent 27 agricultural experts to our country to teach us how to raise cotton."

2 ways to feel good...

give a portrait—the truly personal gift... the one gift that only you can give... a gift that all ways appreciated because it's a little bit of you.

give a portrait gift certificate... always in good taste... and always sincere... the smart way to say "I want a portrait of you."

For your portrait, send gift certificate, \$25.00 in cash.

Phone WY 5-4444

Big old generous Uncle Sam, we think, is overdoing the job of helping the rest of the world when our people are worried over the price-squeeze, inflation, the out-flow of gold, constantly increasing taxes, the threat of Communism, etc.

The U. S. government took the sugar beet acreage away from the farmers up at Plainview and Hereford a few years ago, cut down on the beet production in Colorado and other states so that Cuba could produce more sugar at a guaranteed price above the world market. Now, look how grateful Cuba has been to us.

We send money to the Arab republics, for instance, and the kings and sultans turn up with more wives, more Cadillacs and more air-conditioned mansions. The poor people for whom such was intended never hear of the foreign aid dollars.

ed never hear of the foreign aid dollars.

Tahoka Rotary has had seven European college boys here for summer visits in as many years. None of these boys even knew that the U. S. was materially helping their countries financially. Last summer, Patrick Ardant from France, a very smart young college graduate well up on national and foreign affairs, when asked about our aid to France replied, "I had never heard much about it until coming over here. Oh, I read a little item or two buried in the Paris papers about some such help, but the French people know little or nothing of any financial help you have given us."

"I wish to complain of poor service," said the young wife to Postmaster Happy Smith.

"And what is the trouble, m'am?" asked Happy.

### HOG-CALLING RESEARCHER HAS EGO DEFLATED BY TAHOKA BOYS AT SHOW

In his West Texas column of the Star-Telegram Saturday, George Dolan told of the visit at the Stock Show of a "research expert" in the field of the art of hog calling whose ego was deflated by a couple of Tahoka boys:

The swine building also offers the research addict, who is interested in the science of hog-calling, a fertile field.

One such fellow was prowling the building Friday. He had read in a pig book that the most effective hog call was "Pig-hoo o o o-ey!"

The expert had explained further: "You want to begin the 'Hoo' in a low minor of two quarter notes

Said the wife: "My husband is in Austin on business and the card he sent me is postmarked Beau mont."

in four-four time. From this build gradually to a higher note, until at last the voice is soaring in full crescendo, reaching F sharp on the natural scale and dwelling for two retarded half notes, then breaking into a shower of accidental grace notes."

The researcher talked first with this exhibitor, then with that. None seemed particularly sound on pig calls. Finally, he spoke

# BOOST YIELDS PER ACRE...

## with engineered irrigation and Alcoa Aluminum Pipe!

With a complete line of lightweight Alcoa Aluminum Irrigation Pipe, your Alcoa dealer can design a portable sprinkler or gated system for any need!

You apply an exact amount of water when it's needed, from germination to harvest, with engineered irrigation using Alcoa® Aluminum Pipe. You get higher yields per acre cultivated, better quality crops, earlier maturity to catch peak market prices.

### Pick the Alcoa Aluminum Pipe you need!

Alcoa Standard Class 150—a heavy-duty, seamless pipe with full-thick walls to take rough handling and high pressures—comes in eight diameters from 2 in. through 10 in. Alcoa Lite-Line is either extruded—lightweight, low-cost pipe for most normal uses; or welded—alclad inside for maximum corrosion resistance. It's available in nine sizes from 6 in. through 12 in. for tapping high-volume water sources. Both Alcoa Standard Class 150 and Alcoa Lite-Line come in 20-, 30- and 40-ft lengths; larger sizes of Alcoa Lite-Line, Welded, also in 50-ft lengths.

### Ask your local dealer about Alcoa's 48-Month Irrigation System Finance Plan.

Provisions of this finance plan allow your new irrigation system to serve as security against your loan. There's no red tape. You get immediate action on application for a loan. You pay for your system out of your increased profits.

Your Irrigation Dealer has quality Alcoa Irrigation Pipe available for immediate delivery from local stocks. He can engineer an irrigation system specifically for your land, your crops, provide local service on a complete system.

No. 3 In A Series of Stories About—

# Businesses that Make Our Town "Tops"!

As hard-working townspeople, we are apt to overlook many personalities and programs that aid in making Tahoka a fine and prosperous place in which to live.

Among the folks who deserve recognition and reward for outstanding help in reaching our town goals are the businesses and business men that serve our town and area.

To acquaint you with the folks and firms that mean much to us, The Lynn County News is printing a series of stories about these people and places. We know you will be interested in the stories we tell. We also feel that when you have need for what these friends and their firms sell, you will reward them with your purchases.

(By Frederic de Vries)

ONE OF TAHOKA'S NEWEST BUSINESS INSTITUTIONS IS—

## THE SHORT COMPANY

The Short Company, featuring "Service on the Move," is one of Tahoka's newest firms, but its proprietor is no new comer to Lynn county.

Harry L. Short, the owner, is from a pioneer family of the county, and in fact represents the third generation.

The new firm, located at the intersection of Sweet Street and the Brownfield Hwy. (US380) is a service station with emphasis on SERVICE and local dealers for Plymouth and Valiant cars.

The firm offers complete automobile service and repair, and when a car or truck stops in for gas the attendants give the machine a bumper to bumper check-up. The station offers the best in washing and greasing, oil and filter change, battery check, tire repair, windshield wiper replacement—anything and everything a good service station is supposed to do but sometimes neglects.

This is the only place in town to get that new motor fuel EL PASO for quicker starts and more mileage in three kinds, Regular, Ethyl,

and Red Flame; also, El Paso oil, or the oil of your choice; Star and General tires, Willard batteries.

Minor automobile repairs can be taken care of at the station, but the firm has arrangements for major repairs in its shop. If you are

tired waiting a long time to get your car repair work done, give Short a trial.

The Short Company has the local agency for Plymouth and Valiant cars. If you want a quality low-priced automobile which all tests show to be the best and most economical among "the low-priced three," a fine trade-in deal will be offered on a new Plymouth. If you want a small compact car that will out-perform them all and

still give you comfort and quality, the buyer should investigate the Valiant.

The firm is operated by home people who know the problems and needs of both the farmer and the town people, and this firm will be operated with this in mind at all times.

The Short Company only asks for a trial. Being new, it is especially anxious to prove that it has SERVICE as its goal and it is on

SERVICE that it hopes to build. Whether it be a new automobile, car service or repair, washing and greasing, a new set of tires, a windshield wiper blade, a stalled car, or some of our fine El Paso gas and oil—all you have to do is contact The Short Company in Tahoka by coming by in person or by telephoning No. 998-4979, and they will take care of your problems. Short is "long" on service!

The Short Company — The Home of Plymouth-Valiant and El Paso in Tahoka

## Keeton Cattle Co. Auction Sale Is Interesting Place On Mondays

Keeton Cattle Co., located five miles out of Lubbock on the Slaton highway, has long been serving livestock people of Tahoka and Lynn county.

Whether you have cattle to sell, want to buy, or want to just see the show, you are welcome at any and all times. Sales are Mondays beginning at 10 a. m. If you have never been to one of these sales, a visit to one will be interesting and educational.

Claud Keeton is well known over the entire area, and he says Lynn county is "partly home" to him. Since Lynn county does not have a livestock sales pen and barn, he invites Lynn county people to use his famed facilities.

Mr. Keeton knows cattle and can help you with your problems. Since top market value depends a lot on your commission man, he invites all cow men to investigate closely his services.

For the uninitiated, a visit to the sale has somewhat of a circus atmosphere—everything running off rapidly but smoothly... stock everywhere... the chant of the auctioneer... stockmen buying at

the nod of the head, a wink, or the raise of a finger.

There are seats for hundreds of people, and when you get hungry or thirsty there's a fine restaurant just off the lobby.

If there's other information you need, consult the Keeton ad on this page and call Mr. Keeton or Mr. Rogstad Zachary.

**WINS PHOTO PRIZE**  
Frederic De Vries, who took the pictures and sold the ads, in the series of advertising running on this page, recently took second prize in the Rotary World Photo Contests, according to the February Rotarian, monthly magazine of Rotary International.

This page will appear in The News twice a month, and during the series there will be two news stories, one with a picture on each business represented here.

Since 1910 there have been some 33,500,000 boys and men in the Scouting program. Some 41,550 churches of all faiths and denominations sponsor Scout Units in the United States of America.

Call King For

## Cotton on the Plains... A Multi-Million Dollar Wonder Crop!

Do you know that every dollar King Cotton earns on the Plains turns over at least seven times? That's good for everybody's business... helps keep everybody's business on the move.

Because cotton helps everybody's business, we call it the multi-million dollar wonder crop of our area.

We are proud of the part our services to farmers and ginners play in keeping business on the move in the Tahoka area.
