Masons Plan New Building In Tahoka

Plans are going forward on the erection of a new lodge building northwest of the City Hall by Tahoka Masonic Lodge A. F. & A. M. No. 1041, in the near future, if members respond liberally to a building fund drive now underway.

The proposed building will cost about \$28,000, and approximately 14 percent of the amount needed is in hand, according to Harry L. Roddy, lodge secretary.

Having outgrown its quarters in the building above Rutherford's the lodge has acquired a lot from the City of Tahoka 110 feet by 135 feet at the northwest corner of the old City Park on which is located the City Hall.

The proposed building would be 40 by 90 feet in size, constructed of concrete blocks and face brick to match that of the City Hall. Remainder of the lot would be paved for off-street parking.

C. W. Roberts is Worshipful Master of the lodge. Members of the fund raising committee are: H. W. Carter, V. F. Jones, Lewis Allsup, H. L. Roddy, Calloway Huffaker, and Nat Park.

Erection of the new building now depends, Mr. Roddy says, on the results of the current drive for funds. He says the lodge is trying to secure sufficient funds to erect the building without a raise in dues.

The lodge has hopes of letting a building contract at the next meeting on March 7.

John Hahn Is Death Victim

John Hahn, 74, resident of the Wilson area of Lynn county since 1923, died Thursday night of last week at 10:00 p. m. after an illness of nearly two years. At the time of his death, he was visiting his son, Rayburn, in Dallas.

Funeral services were held Sunday at 3:00 p. m. in St. Paul Lutheran Church, Wilson, with the pastor, Rev. F. Kamrath, officiating, and interment followed in Wilson Cemetery.

Mr. Hahn was born October 1, 1886, at Blackjack Springs, Fayette county, the son of Fredrick and Agnes Hahn. He was married to Miss Lily Bertha Umlang in July 18, 1915. After farming near Taylor, the couple moved to a farm near Wilson in 1923. In 1938, they moved to Wilson and he operated a blacksmith shop until forced to quit work in 1959 because of ill health.

He was a charter member of St. Paul Lutheran Church and of Redeemer in Lubbock. Both of these churches had worshipped in his home at one time. He was a faithful member of his church and served many years as organist and choir director.

Mrs. Hahn died in 1953 and an infant son Monroe, also preceded him in death.

Survivors are one daughter, Mrs. T. P. (Delphine) Herzog of Hamilton; one son, Rayburn, of Dallas; one sister, Mrs. Bill Schroeder of Callahan; and two brothers, August of Saterton and Julius of Cedar Creek; and five grandchildren.

Funeral services were held at St. Paul Lutheran Church, Wilson, with the pastor, Rev. F. Kamrath, officiating, and interment followed in Wilson Cemetery.

Bi-District Game Here On Feb. 28

Cosmos and Sundown girls will play their bi-district basketball game in Class A here in Tahoka High School gymnasium at 7:30 p. m. Tuesday, Feb. 28, according to Coach Jake Jacobs.

J. B. Reese is a medical patient in Tahoka Hospital having been admitted this week.

Salvation Army Drive Progresses

Contributions on the annual Salvation Army drive are still coming in here following the kick-off meeting Tuesday morning of about 50 workers.

Those workers who have not completed contacting citizens are asked to do so as soon as possible, and persons living on routes receiving cards through the mail are asked to send their contributions to the local committee secretary, Mrs. Florene McCracken.

The goal this year is \$2000 and on Thursday morning a total of \$810.53 had been counted. Of the amount collected here, only one percent goes to the National organization, and only nine percent is used by the state organization for administration purposes. The local committee keeps one-third of the funds for use in this area, and can receive outright reimbursements from the state upon request. The remainder of the money goes to support hospitals, camps, rehabilitation centers, disaster units, etc. in Texas.

It is hoped that the goal can be reached here this year because the local fund was depleted early last summer and the committee has been dependent on funds from the state organization since that time. These reimbursements, however, do not have to be paid back. On the first report of the drive on Tuesday afternoon, a total of \$747.53 was counted.

In addition to community chairmen announced in last week's paper, Mrs. Clyde Allen has been added to the list to help in the New Lynn area. Others are E. R. Blakney and Dick Turner, New Home; A. L. Holder, Wilson; Mrs. Sam Edwards, Grassland; and Mrs. A. M. Bray and Mrs. Jake Jacobs, Tahoka. Mrs. Nan McAngrave of Tahoka has served as drive secretary.

Rev. Webb says that the church hopes to have a portion of the new education building completed by March 5 for use when a previous attendance record of 211 will attempt to be broken by members. Exterior work on the new structure was delayed about three weeks because of weather conditions.

Everyone is invited to attend the series of revival meetings.

Red Cross Drive Set For March

The annual American Red Cross Drive will be held during the month of March, according to Bill Griffin, county chairman.

Johnny Reasonover is to serve as county fund chairman and states that this year's quota for the drive is \$2310.00.

Last year's quota was exceeded in the drive and chairmen hope to do the same again.

Drive workers and other information of the Red Cross drive will be announced at a later date.

Mrs. Merlin Calloway of 303 Broadway in Plainview, formerly of Tahoka, broke her right foot when she stepped from a curb in that city Friday of last week reports a friend, Mrs. James Phillips. The Calloways moved to Plainview from Tahoka last year.

ASSISTANT COUNTY AGENT TRANSFERRED TO HALE

Peyton Scott, graduate of Texas Tech, who recently came here to work under County Agent Bill Griffin as county agent in training, has been employed as assistant county agent of Hale County.

He will move to Plainview this Saturday.

W. M. Harris is in Methodist Hospital in Lubbock, where he has been a patient since Sunday. He is showing improvement, reports say.

New Home Building Continues At Steady Pace In Tahoka

Community Livestock Show Here Saturday

Tahoka FFA and 4-H club community livestock show will be held Saturday at the FFA farm immediately south of the Pioneer Natural Gas Booster plant a mile west of Tahoka. The show is a "get-ready" event for the county show here on March 4.

Receiving of livestock will begin at 8:00 a. m. Saturday morning and judging will begin at 1:00 p. m. County Agent Lewis Herron of Post will judge steers and Bobby Lee, vocational agriculture teacher at Wilson, swine.

No cash prizes are awarded, but ribbons and trophies will be given winners. There will be three trophies for grand champions, one given by County Agent Bill Griffin in the steer division; one by Lester Adams, barrows and one by V. P. Carter, gilts.

V. P. Carter and Lester Adams, vocational agriculture teacher, and Bill Griffin, county agent, are sponsors of the show. It is for both FFA and 4-H club boys residing in Tahoka School District.

Approximately 125 barrows and gilts and 12 to 15 steers will be exhibited.

Mr. Griffin says the annual O'Donnell Community show will be held this year on Saturday, February 25. The annual Wilson Home Show will be held following the county show and will be on March 7.

REV. AND MRS. McATEER

Assembly of God Starting Revival

Starting Sunday Feb. 19, evangelists John and Elsie McAteer of Portland, Oregon, will conduct a revival at the local Assembly of God.

Rev. McAteer is one of America's best choir directors. He has directed singing for such famous evangelists as Oral Roberts and Billy Graham. Special emphasis will be given to singing throughout the meeting.

The evangelist also will tell the story of his miraculous healing after five doctors had pronounced him incurably ill and offered no hope for his recovery.

Mrs. McAteer is also a very capable evangelist and will be sharing the pulpit with her husband. She is also an excellent musician and singer.

Services will be held each evening at 7:30 o'clock except Saturdays and Mondays, which will be rest nights.

H. C. Louis is pastor of the church. The public is invited.

Lloyd Mears was admitted to Tahoka Hospital Friday of last week where he remained a medical patient until Monday.

Building permits for new home construction totaling \$90,000 have been issued by City of Tahoka, according to J. M. Uzzle, city secretary.

The permits include seven new residences and additions to two others.

Latest permit is to H. W. (Sam) Edwards, who now lives on his farm near Grassland, for \$22,100 to erect a new three bedroom and den brick home at the corner of North Second and Lynn, in the Roberts Addition of West Tahoka.

Started Saturday was a new \$24,000 home for J. Dudley (Buck) Martin of Draw at North First and Wells, also in the Roberts Addition. This will also be a three bedroom, den and utility room home.

West Texas Builders has been issued a permit of \$11,000 for a North Eighth Street in the new three bedroom brick home on Lockwood Addition.

Charles Oliver has taken out a permit for a new \$15,000 home now under construction at the Corner of Sweet-J and North Fifth.

Other permits issued since January 1 for home construction are: W. J. Jordan of Wells, who has sold his farm and retired from farm life, for a new frame residence costing \$8,000 at the corner of South Fourth and Petty, next to the home of the Jordan's daughter, Mrs. C. E. McClellan.

Pete Dorman, \$4,000 residence on South Third Street.

Elmer Gunnels, \$1,000, to add bedroom to home on South First.

M. F. Reynolds, \$3,000, new residence on Ketter Street between South Second and South Third.

Jimmy Dykes, \$2,000, to add room and bath to his home on North Fourth in the Roberts Addition.

A number of other people plan to build new homes this spring and summer, according to local builders.

Mrs. J. C. Key Is Buried Sunday

Mrs. J. C. Key, a well known pioneer of Lynn county and a resident of Wilson, died at 11:20 a. m. Friday in a convalescent home in Lubbock. She was 78 years old.

Funeral services were held Sunday at 3:00 p. m. at Slaton Church of Christ with Bob Hoover, minister of Vandalia Village Church of Christ in Lubbock and Rev. H. F. Scott, pastor of the Slaton First Baptist Church, officiating. Burial was in Englewood Cemetery in Slaton under direction of Sanders Funeral Home in Lubbock.

Mrs. Key and her husband came to Wilson 38 years ago in 1923, and farmed in that area for many years before Mr. Key retired.

She became seriously ill as a result of a broken hip which she received in January.

Survivors include her husband of Wilson; three daughters, Mrs. LeRoy Johnson of Lubbock, Mrs. Charles Ford of Albuquerque, N. M., and Mrs. George Burgher of Houston; four sons, Yates and Harold, both of Wilson, John of route 4, Lubbock, and Billy of Slaton; one brother, S. W. Hooker of Navasota, Texas; and 14 grandchildren.

Funeral services were held at the home of Mrs. Key in Tahoka, Texas, on Monday, Feb. 13, 1961.

Funeral services were held at the home of Mrs. Key in Tahoka, Texas, on Monday, Feb. 13, 1961.

W. B. Slaton Is In Critical Condition

W. B. Slaton, president of the First National Bank, is in serious condition in Methodist Hospital where he underwent surgery this week.

However, Wednesday he was reported to be much improved, and it is possible he may get to leave the hospital this week end.

School Trustee Election Called

An election for the purpose of naming two school trustees in the Tahoka Independent School District was called Tuesday night at a board meeting for Saturday, April 1.

The terms of board president Maurice Huffaker and W. W. Young expire this spring.

Holdover trustees are Clint Sikes, Wilton Payne, Earl Terry, and H. W. (Sam) Edwards.

New Minister At New Home

Gerald Paden, minister of the New Home Church of Christ since his return from seven and one-half years of mission work with the churches of Christ in Italy, will be reporting on the activities and progress of the church in Italy at the Abilene Christian College Lectures which are held annually in February.

Paden succeeded Roger Turner in October as minister of the church. Turner is now at Slaton.

While in Italy, most of Paden's work was done in the city of Rome. The church in New Home contributed financially to the support of Paden while he was in Italy. He and his family have returned for a period of rest and at present have plans to return to Italy after a couple of years.

Paden says that interest among members of the church is unusually high in the Italian work because of the problems encountered in the early stages of the church's activities there. Today, he reports, there are well over 1,500 members in Italy in 40 congregations scattered throughout the peninsula.

Principals Get New Contracts

All Tahoka school principals were given new contracts at a meeting of the school board Tuesday night.

They are: Clifton Gardner, high school principal; Jake Jacobs, north elementary principal, athletic director and boys basketball coach; J. B. Howell, south elementary principal; and British C. Daniel, Dunbar school principal.

Coaches and other teachers will be elected at a later meeting.

Tahoka's Street Lighting Improved

Power of 50 street lights in downtown Tahoka is being increased by about one-third, as result of an agreement between the City Council and Southwestern Public Service Company.

In the past these lights have been 15,000 lumen power, and they are being increased to 20,000 lumen. The lights will provide a third more light at less than one-fourth more expense.

Resident section street lights a few years ago were from 1,000 to 2,500 lumen power.

LESTER FORD TO PRESIDE AT COUNCIL MEETING

Lester Ford, new chairman of the District 4-H Club Council, will preside at the first meeting of the district organization in Lubbock Saturday beginning at 9:00 a. m. The meeting will be held in the County Health Clinic Building.

SPORTS

Boys Take Second Place In District; Girls Tie With Stanton For Second

The Bulldog varsity basketball teams wound up their season Tuesday night at Post winning both games and giving the boys a second place berth in district 3-AAA and the girls a tie with Stanton for second place. Denver City boys and Slaton girls are champions of district basketball competition.

The Bulldogs finished with a season record of 14 wins and 11 losses. District record was 6-2. The girls, with a 13-9 season record, finished district competition with three wins and three losses.

However, both the boys and girls barely slipped by Post Tuesday night, the Bulldogs winning 54-46 and the girls 42-40. In "B" team games, Tahoka lost the boys game 37-23 while the girls won 37-34.

The Bulldogs took a 17-8 first quarter margin, but a lax second quarter let the Antelopes come within threatening distance as the halftime score stood at 23-16. The local quintet picked up momentum in the third and finished the quarter 40-26. The Antelopes nearly doubled their score in the last quarter, making 20 points.

High point man for Tahoka was Perry Flippin with 14, while Billy Clinton made 10. Minor made 19 for Post, Acker 13, and Cornell 10.

The score was all tied up 10-10 in the first quarter of the girls game, but Tahoka edged out a 26-23 halftime lead and pulled away by four points at the end of the third 34-30. The Post girls outscored Tahoka in the final quarter

by two points but were unable to overtake the local sextet.

Kay Halameick made 15 points any Judy Thomas and Loretta Short made 12 each for the winners, while Wilson poured in 21 points for the losers.

Post controlled the "B" boys game from the early minutes of the game, emerging with a 37-23 victory. Halftime score was 23-8. Michel and Fluitt led the winners with 12 and 11 points, respectively, while Allen Cox and Macky McWhirter each made seven points for Tahoka.

The "B" girls from Tahoka took a 21-16 halftime lead before winning the game 37-34. Louella Tomlinson put 19 points through the basket and Montie McGinty added 16 more. Ford made 19 and Pennell 11 for Post.

Juniors Win Three From Abernathy

In a "B" team double-header and a Freshman game in Abernathy Saturday, Tahoka won three games and gave a promising preview of things to come next year.

Behind the hot shooting of Billy Clinton, who made 60 points in two games, the "B" team defeated Idalou 53-47 Saturday morning and Lockney 64-49 in the afternoon. The Freshmen knocked out Abernathy 40-32.

Leading 18-10 at the end of the first quarter in the Idalou game, the Bulldogs maintained a lead throughout the game. Halftime score was 27-18 and third period score was 44-28.

Clinton made 31 of his points in the opener.

Also looking good for next year was Steven Ellis, a junior whose name was erroneously omitted who made 11 points against Idalou, last week from the prospects list.

Andy Bray added seven more. Jackson made 17 and Jones 11 for the losers.

The afternoon game with Lockney went much the same way. Tahoka led 12-8, 29-15, and 45-25 at the end of the first three periods. Clinton tossed in 29 points, and Craig Leslie made 16.

The Freshmen, passed by Billy Miller with 13 points and Allen Cox with 11, made a clean sweep of the Saturday games when they came up against Abernathy. Ahead 17-9 at the end of the first quarter, they nearly lost the lead in

Post Loses Two Here Friday

Tahoka boys and girls sailed by Post Thursday night of last week in conference make-up games, the Bulldogs winning 58-21 and the girls coming out on top 49-24. Post won the "B" boys game 39-28.

Taking a big 20-4 first quarter lead, Coach Jake Jacobs heavily used all reserves in the game following that period. Frank Great-house scored again in double figures, 17 points, and Billy Clinton added eight more and Craig Leslie and Jerry Forsythe six each. Jackie Fluitt made eight points for the losers. The Bulldogs led 34-7 at halftime and 43-11 at the end of the third. The Antelopes scored nearly half of their total points in the fourth quarter when the ball dropped through the hoop for 10 points.

The girls, not to be outdone, pasted the visitors with Judy Thomas leading in the scoring division with 26 points. Both Kay Halameick and Loretta Short scored in double figures also, but their number of tallies were not known at the News. Peggy Lamsey made eight for Post.

The Antelopes went home with their lone victory behind the scoring of Jackie Fluitt, who lead in both boys games, but managed 20 points in the "B" class. John Freddie Thomas made nine points and Allen Cox seven for Tahoka. The local five took a 10-5 lead in the first quarter, and a 15-13 lead at halftime. However, the visitors tallied 13 points in the third period to overtake and pass the "B" team and take control of the ball game.

Plains Cowboys Defeat Tahoka

The powerful Plains Cowboys improved their season's record here Friday night when they won two boys games from Tahoka, the varsity squad winning 66-49 and the "B" team taking a 49-36 battle.

James Alberding led his team with 26 points along with Jack Meixner's 17 to overpower the Bulldogs. Frank Greathouse made 19 for Tahoka and Perry Flippin nine.

Taking a wide margin lead of 19-8 in the first period, the Cowboys forced the Bulldogs into a "catch up" game, which they nearly did in the second period, the score standing at 29-24 at halftime. The Bulldogs were unable to keep up their pace and the Cowboys again pulled ahead in the third stanza.

Dennie Hickman made 28 points in the "B" game for the Cowboys, and Tahoka's high point man was Steven Ellis who made 12. Jerry Forsythe added eight more for the Bulldogs.

Plains lead 8-6 at the end of the first quarter, but the Bulldogs passed them in the second and led 22-15 at halftime. Behind the onslaught of Hickman Plains again took control of the game and led 32-28 at the end of the third.

Fifth grade teams took to the court during halftime of the two games, providing both thrills for the participants and entertainment for the fans.

The fifth grade girls played during the half of the "B" game and fifth grade boys during halftime of the "A" game. They are coached by Mrs. Irene Spears.

Boys Start Track Work-Outs Here

With the conclusion of basketball season, track workouts will intensify for the coming schedule announced by Coach J. D. Atwell.

Several boys have been working out for track and others will be added from among the basketball teams.

Atwell states that he hopes to have dual meets preceding the following schedule, however:

March 4—Brownfield, there.

March 11—Floydada, there.

March 18—Crosbyton, there.

March 25—Hale Center, there.

April 8—District meet, Denver City.

April 15—Regional meet.

April 22—State Meet, Tahoka.

May 2—State meet.

Only the ones qualifying at the regional meet for the state will be eligible to enter the Red Raider Meets.

The second and led by only 10-10 at halftime. They began hitting again in the third to pull away 34-27 and were able to maintain that margin until the last whistle blew. Leading the Abernathy scores was Fluitt with 15 points.

Juniors Lose In Crosbyton Play

Eighth grade boys were defeated 27-21 by Floydada Saturday for the consolation trophy in the Crosbyton tournament, after winning the semi-final round over Spur 30-10.

Monday night the seventh and eighth grade girls and boys play make-up games at Slaton, and the eighth grade boys stand a good chance of taking the district crown. They are tied with Slaton, each having lost one game, in the round robin district play. However, Slaton won the district tournament and if they win tonight will have the district sewed up. If Tahoka wins, they will go into a play-off with the tournament winners to decide the championship.

This week end the eighth and ninth grade boys and girls are playing in the Post tournament. On Thursday the ninth grade boys and girls were playing Idalou and today the eighth grade teams take on Floydada.

In the Crosbyton tournament last week end, Tahoka eighth graders dropped their first game to Slaton 28-25 with Adolph Chapa making seven points and Terry Harvick six. They bounced back to paste Spur 30-10 to gain the finals of the consolation bracket. This time Eddie Howard made seven points and Harvick repeated his six tallies.

The finals saw Floydada take a 43 first quarter edge, which widened to 12-7 at halftime. The local five rallied in the third period and led 18-17 but Floydada came from behind in the final stanza to win the game. Jose Cervantez made nine points for the losers and Mike Smith tossed in six. Lyle and Teague of Floydada made nine each.

Editor, The News:
We are enjoying the News but can't say the same for these severe winters. We have had some sub-zero weather. However, there is no snow at present except on the hills from our deep snows last month.

I hear your winter man visited down there, too.

For the many kindnesses, words of comfort and sympathy, the floral offerings, and the meals served to us and our relatives and friends from a distance, we extend our sincerest thanks. Such friends are a great comfort. May God bless each of you, is our prayer.—The Family of Aubrey Floyd.

WARREN BRINGS IN "WHOPPER" TURNIPS

W. R. Warren brought a large turnip into the News this week that he raised. The large vegetable measured about eight inches in diameter and about four inches from top to bottom, not including the head and roots.

The specimen proved that in Texas everything is "Bigger," and so far there are no claims from Alaska to contradict us, except for the size of the state.

QUESTIONS, PLEASE

QUESTION: "What Is Prayer?"

ANSWER: One of the outstanding duties, privileges and joys of the Christian life is prayer. It is the Father's desire and will that His children pray. "Pray without ceasing; in everything give thanks; for this is the will of God in Christ Jesus to youward." (1 Thess. 7:17, 18). It gives us joy and happiness to know, "The supplications of a righteous man availeth much in its working." (Jas. 5:16). The literal meaning of the original word "prayer" is to ask, wish, beseech, plead, etc. David leaned heavily upon prayer as a source of comfort to him in time of trouble. Hear him in Psalms 142: 1-2. "I cried unto the Lord with my voice; with my voice unto the Lord did I make my supplication. I poured out my complaint before him; I showed before him my trouble. When my spirit was overwhelmed within me, then thou knowest my path. In the way wherein I walked have they privily laid a snare for me." Here prayer is described as his source of strength in time of trouble, and the rest of his Psalms are evidence of his prayer life. To early disciples prayer was a source of help and strength beyond human means. "When they had prayed, the place was shaken where they assembled together, and they were all filled with the Holy Spirit and spake the word of God with boldness." (Acts 4:31). Thus they prayed that God would supplement their weakness and give them the strength to do His will. Time and time again their extremity became God's opportunity to demonstrate His power. To the erring child of God it is the means of seeking His forgiveness of sin. Remember the words of Peter to Simon when he had sinned, "Repent therefore of this thy wickedness, and pray God, if perhaps the thought of thine heart may be forgiven thee." (Acts 8:22). Prayer is the avenue through which the Christian talks to God, praising Him and asking His help and guidance.

Mark Twain's Story OF THE READING SPIDER

During Mark Twain's days as a newspaperman, he was editor of a small Missouri newspaper. One day he got a letter from a subscriber, stating that he had found a spider in his newspaper and asked if this was all right or not.

Twain wrote: "Finding a spider in your newspaper is neither good luck nor bad. The spider was merely looking over our paper to see which merchant was not advertising so that he could go to that store, spin his web across the door and lead a life of undisturbed peace over afterward."

You will find no spider webs across the doors of the merchants who advertise in your local newspaper.

Jaycee-Ettes Hold Meeting Thursday

The executive committee of the Jaycee-ettes met in the home of Peggy McClellan last Thursday night, February 9.

Purpose of the meeting was to compile the qualifications of each member for outstanding member of the year. They will be elected and announced in two weeks.

Those attending the meeting were Mickey Gribble, Fern Lewis, Kathy Dorman, Ruby Chaney and Peggy McClellan.

The next meeting will be Feb. 28 at which time new officers will be elected.

Bridge Winners Tuesday Night

Winners in duplicate bridge at T-Bar Country Club Tuesday night were:

Mrs. Jack Smith and Mrs. W. C. Wharton, first; Johnny Wells and Mrs. Frank Hill, second; Mrs. Lee Roy Knight and Mrs. Bill Lumsden, third; Mrs. D. W. Gagnat and Miss Echo Milliken, fourth.

Valentine boxes of candy were presented low scorers, Larry Haggood and L. C. Haney.

Day of Prayer Is Held Here

World Day of Prayer is being observed today in the First Methodist Church at 10:00 a. m. and everyone is urged to attend the special program in commemoration of its 75th anniversary.

Being sponsored by the Woman's Society of Christian Service, Mrs. J. C. Womack will be the principal speaker.

World Day of Prayer is sponsored in the U. S. by the United Church Women of the National Council of Churches. It began in 1887 when a woman suggested that her church pray for the success of its home missions. Since that time it has grown into an international interdenominational prayer cycle.

Although many local citizens will be unable to attend the special service, those who cannot are urged to join millions of Christians the world over in taking out a few minutes for prayer and meditation.

Valentine Parties Held At School

Classes in South Elementary and North Elementary schools on Tuesday held Valentine parties, one of two such parties they are permitted each year.

Refreshments were served in each class and Valentines, which had been deposited in each child's sack or box, opened.

Helping in the various classes were mothers and teachers. Ladies of the Baptist and Methodist churches furnished refreshments for rooms of Latin American children.

The other holiday observed by a school party is that of Christmas.

MRS. MASON DAVIDSON

Mason Davidson, Miss Dorothy Ayres Married Last Saturday In Pampa

The First Christian Church in Pampa was the scene of a double ring ceremony read Saturday, Feb. 11, for Miss Dorothy Ann Ayres and Ralph Mason Davidson. The Rev. Richard Crews performed the 8:00 p. m. ceremony.

Parents of the couple are Mr. and Mrs. John B. Ayres of Pampa and Mrs. Pearl Davidson of Wilson.

White silk taffeta formed the wedding dress worn by the bride as she was given in marriage by her father. The traditional floor length gown featured a portrait neckline, long sleeves tapering to petal points over the hand, and a chapel train. Lace appliques sparkling with iridescent sequins highlighted the dress. An elbow length veil of illusion cascaded from a

crown of seed pearls. The bridal bouquet was formed of white gardenias and rosebuds atop a white ribbon.

Miss Mary Helen Ayres was her sister's maid of honor. Her rose pink organza dress was fashioned with cap sleeves and a bouffant skirt. She carried a cascade arrangement of pink gladiolus.

The bridegroom chose his brother, Fred Davidson to serve as best man. Guests were seated by Leldon Hensley, cousin of the bridegroom, and John Ayres, brother of the bride.

Traditional wedding music was presented by Mrs. Joyce Grant, organist, and Morris Sullivan, soloist.

The ensuing reception was in the church parlor. Assisting in hospitalities were Miss Ann Davidson, sister of the bridegroom, Mrs. Fred Davidson, sister-in-law of the bridegroom, and Mrs. Hugh Smith, Mrs. Bob LaGrone, Miss Janet Eddleman, Miss Dorene Drake and Miss Lynne Hutton, all of Lubbock.

For traveling the bride selected a green wool suit complemented with a fur collar and black accessories. Her corsage was a white gardenia from the bridal bouquet.

The couple will reside in Childress where Davidson is employed by West Texas Utilities Co. as a district distribution superintendent. He is a graduate of Wilson High School and served two years in the Armed Forces.

Both are graduates of Texas Tech. Mrs. Davidson is a member of Alpha Phi social sorority and home economics sorority. She is teaching in Estelline Public schools in Pampa.

Floyd Relatives Attend Funeral

Many relatives and friends were here Sunday for funeral services for Aubrey Floyd, member of a pioneer Lynn county family, who died of a heart ailment in Moab, Utah, on Feb. 7.

Among those present from out of the county were:

Brothers and sisters of Mrs. Maible Floyd, Mr. and Mrs. Gilbert Christman and daughter of Bolder, Colo.; Mrs. Joe Mark, San Antonio; Mrs. Earl Cribbs, Dallas; Miss Bess Christman, Arlington; and her nieces, Mr. and Mrs. Arthur Huffman and daughter, Carolyn, and Mrs. Carl Perrett, all of Arlington.

Mr. and Mrs. J. W. Phillips of Brownfield, Mrs. Phillips being his only living aunt.

The following cousins: Mr. and Mrs. James Phillips, Abney McInnis, Mr. and Mrs. Wyman McInnis, Mr. and Mrs. Grayson Brown, all of Brownwood; Miss Myrtle Brown and Mrs. Mary Ellen White, both of May; Mrs. Bonnie Jernigan, Dublin; Mrs. Bill Howard, Hico; Mr. and Mrs. Jim Brooks, Coahoma; Mr. and Mrs. Charlie Core, Brownfield; Mr. and Mrs. Fenner Tubbs, Lubbock; and Mrs. G. C. Storefel, Cisco; and a nephew, Jackie Slover of Borger, a niece, Mrs. Dottie June Lowrey of Knox City, and Mr. and Mrs. Jimmy Williams, Big Lake.

The following friends of the family: Mrs. Billie Barrett, Brownwood; Mrs. Vernon Jolly, Phillips; Mrs. Georgia Henderson and son and Mrs. R. G. Henderson, both of Hart; Mrs. Anna Lou Huff, Lubbock; Mr. and Mrs. J. W. Roberts, Muleshoe; Mr. and Mrs. Chunky Ivy, Lamesa; and Mr. and Mrs. Travis Thomas, Post.

Help Sought For Special School

Our Plea to You

The Tahoka Firemans Auxiliary will call on YOU for a donation soon. What is the donation for? It's for one of the most worthy goals any civic club can work toward and one that will be a profit in our own hometown—it is the Lynn County Special School.

The Special School is located in Tahoka on the Brownfield Highway and was started in the fall of 1957. Of the first eight children enrolled, four could talk a little, four could not talk, some could not walk. Now all of the children can talk, walk and even sing. Age range is from six years to 18 years. The 6-year-old is learning to talk also.

The possible handicaps range from mongoloidism, cretinism, cerebral palsy, emotional disturbance, R. H. factor, cerebral palsy, brain damage at birth, orthopedic handicaps and others. In most instances the handicaps are multiple. Speech, music and physical therapy are taught to all of the children.

Charles Eskridge, director of special education for the state of Texas says this is the first county-wide school of its kind to be founded in Texas.

The school has three rooms in the old Veterans Ag. barracks. The state pays the teacher and provides for the class room but not the music room, workshop, extra curricular or playground equipment that these children need.

The children are happy and love to come to the Special School. Their goal is kept in sight and they know they are needed, wanted, loved and contributing.

Mrs. Margaret Renfro, the teacher, holds eight state certificates, all Professional Life. She has taught in Texas in elementary grades, high school art and music, and the mentally retarded, emotionally disturbed and juvenile delinquent at Cal Farley's Boys Ranch. Mrs. Renfro started to college and studying how to help children with speech and other defects 20 years ago. She had a son with a speech problem and has been an orthopedic handicap herself.

The Fireman's Auxiliary has started the project of a merry-go-round which will cost \$250.00, for these handicapped children. Your

help will be solicited by this organization. The merry-go-round not only will be used as a means of play and exercise, but also rest. When the pupils get tired there is no place for them to rest in the sunshine and the merry-go-round will provide this need.

Members of this civic organization will personally contact as many business-individuals as possible until this goal is reached. There will also be workers in Wilson and O'Donnell-as there are pupils from both towns enrolled in the school.

If you are not contacted by an individual, you may send your donation to: Tahoka Fireman's Auxiliary, Box 942, Tahoka, Texas.

Miss Patterson Plans Marriage

The Rev. and Mrs. H. M. (Dick) Patterson of Salida, Calif., formerly of Draw, announce the engagement of their daughter Patsy Ruth, to Jim Fisk, son of Mr. and Mrs. Loyd Fisk of Sterling, Colo.

Both young people are students at Wayland Baptist College.

Miss Patterson is a senior and is majoring in elementary education. She has been chosen junior class favorite, class secretary and cheerleader while attending Wayland.

Mr. Fisk, a junior business major, is a transfer student from Northwestern Junior College at Sterling.

A March 30 wedding date has been chosen by the couple. They will be married at First Baptist Church in Ralls.

Sub-District WSCS Meeting In Tahoka

The local Woman's Society of Christian Service was hostess to the sub-district WSCS here Friday when about 45 women attended.

Mrs. Buj Rucker of Ropesville, president of the sub-district, presided at the meeting when the theme was "Prayer Opens Doors." Four talks were given on phases of prayer by as many women. Rev. Watkins of Grassland presented special music.

In the afternoon a business session was held followed by an officer's training period.

Mrs. A. J. Kaddatz was dismissed from the hospital last Thursday where she was receiving treatment for a back injury received during the icy weather a few weeks ago.

Play Is Presented At WSCS Meeting

Mrs. A. M. Bray presented a play, "Remind Me To Live" at the fourth session of the Woman's Society of Christian Service's study held Monday at the First Methodist Church.

The home missions study, entitled "Heritage and Horizons" will be concluded at the next session when Miss Lois Montgomery will be guest speaker.

About 16 women attended the Monday afternoon meeting.

Cotton Trailer Bill Advances

Austin—Farmers who haul grain and cotton in trailers will benefit by H. B. 59, which passed the Texas House of Representatives on February 9. The bill, by Rep. Granger McIlhaney and others, raised the limit on such trailers from 4,000 to 14,000 lbs. and includes trailers loaned without charge to farmers by ginners and granaries.

Among the West Texas delegation working for enactment of the measure was Rep. Wesley Roberts, of Seminole.

The bill will next be considered in the Senate.

Scout News

By Ed Redwine

February 7 through 14 has been Boy Scout Week all over the nation.

Local Troop 721 participated in activities. Monday night a regular meeting was held and then at 8:00 all Scouts joined in unison to rededicate themselves to the Scout Oath and Law. Saturday morning the Scouts took over the town and performed duties normally performed by the Police Department. The Scouts kept the townspeople "on their toes" all morning. They collected fines for everything from jaywalking to turning corners without a signal. It was all done in the interest of safety. Proceeds from the patrol will go into troop funds to further the interest of scouting in Tahoka.

Sunday the boys attended church services en masse at the First Baptist Church. Sunday night the boys attended their respective churches. The troop appreciates all the help the townspeople have given them during Boy Scout Week.

On Friday the 10th Eagle Scout Jack Jaquess left for Lubbock for Austin to give the annual report on scouting to the Governor. Several boys from over the South Plains Council were chosen to make the trip. District Scout Executive H. Shelby Berry from Brownfield accompanied the boys on the trip.

The past month has been a busy one for our local Scout units. Both Troop 721 and Pack 782 rechartered and filled old vacancies with new personnel. Troop 721 rechartered 21 boys while Pack 782 rechartered 34 boys with five new boys registering.

Pack 782 held a bake sale the last part of January. It was a huge success. The Pack made about \$66.00. This money will be used to further Cubbing activities in Tahoka. The Pack would like to take this opportunity to thank Coye and Wynne Collier and W. T. Kidwell for donating space for the sale. These people are fine supporters of all Scouting activities in Tahoka and should be commended for their efforts.

There are several things coming up on the Scouting agenda for February and March. On Feb. 23 the annual Blue and Gold Banquet will be held by Pack 782. On Saturday, Feb. 25, an overnight hike and campout is planned by Troop 721. The destination is Tahoka Lake. While there the boys will work on Merit Badges and on other achievements required for higher Scout ranks.

Don't forget the Scout Circus to be held in Lubbock on March 10 and 11. Tickets can be obtained from any Cub. The ticket price is 50 cents for everyone except children under six. This will be great opportunity to see Scouting in action. If you are a little hazy on the details of Scouting, plan now to attend and see for yourself what the 8,000 Boy Scouts, Explorers and Cubs are doing to make themselves tomorrow's leaders.

Frances Timmons, nine years of age, is a medical patient in the local hospital. She is the daughter of Mr. and Mrs. Frank Timmons.

Stanley Purchases New Ambulance

Stanley Funeral Home has purchased a new Cadillac combination ambulance and is now better prepared to take care of emergencies as well as funeral services, Martin White announced this week.

The new ambulance is completely air-conditioned, is oxygen equipped and has the latest facilities in first aid.

The funeral home now has three people qualified to render first aid, a licensed lady funeral director, and two licensed embalmers.

Cindy McKibben, 17-month-old daughter of Mr. and Mrs. Don McKibben, is showing steady improvement in Tahoka Hospital, where she has been a patient more than two weeks. She has been seriously ill following pneumonia.

Janis Gattis, Tahoka High School freshman, was a medical patient in the local hospital Sunday night and Monday.

Cleaner Quotes

Scoutmaster Rush Dudgeon has registered 19 boys for 1961.

Did you ever see it so cold for so long? The moisture content is the highest I've ever seen since I discovered Tahoka 16 years ago.

There is very little difference in "good" and the "finest" drycleaning. Brighter colors, no seam shine, minor repair of seams, snaps, hooks and eyes replaced, make dressing much more pleasant. We inspect and repair.

The FFA boys and their teachers, V. P. Carter and Lester Adams, will have their first stock show at 1:00 p. m. Saturday. The Tahoka FFA school farm property was bought recently by the school. Between the teachers and the boys, over \$2,000 worth of improvements have been added to the property. Be sure and see this show at 1:00 p. m. Saturday.

Black grease on clothing should not be spotted with home spotter. The metal content of black grease will be left in the form of brown circles and in some fabrics is quite a problem to remove. Do not use any home spotter that contains carbon tetrachloride in a closed room. Carbon tet is very hard on lungs and can cause sclerosis of the liver.

An easy retirement plan for late starters

Even at 47, you can add \$72.50 a month to your retirement income for just \$1.25 a day

Maybe you've put off saving up to now. But, it's not too late to learn a new habit. You can help make your retirement years more pleasant with this simple formula:

Buy one \$50.00 U.S. Savings Bond a month until you're 65 (just \$1.25 a day). By that time you'll have accumulated 213 Bonds.

Now you're ready to start cashing-in a Bond a month. Each Bond you bought for \$37.50 will be worth \$72.50—\$1.93 for every \$1 you put in.

Total Invested: \$ 7,987.50
Total Realized: \$15,442.50

Whatever your age, you'll find Savings Bonds can make a valuable addition to your retirement income. And the sooner you start, the better. Why not today?

SOME OTHER ADVANTAGES

You can save automatically with the Payroll Savings Plan. Tell your company how much to set aside from your pay for Bonds. This way you won't forget to save.

You now get 3 1/2% interest, so maturity. This new rate, which went into effect June 1, 1959, makes your Bond money grow faster. Series E

Bonds now mature 14 months earlier than before—in just 7 years, 9 months. Bonds bought before June 1, 1959, earn more too—an extra 1/2% from then to maturity.

You can get your money, with interest, any time you want it. Bonds are a ready reserve that you can cash any time at any bank. But it pays to keep them.

Your money is guaranteed safe by the U.S. Government. Bonds are an absolutely riskless investment. The Government promises you the cash value of your Bond will not drop—it can only grow.

The Treasury will replace your Bonds, free, if anything happens to them.

You save more than money. You help save the peace with every Bond you buy. Peace costs money—money for science, education, military strength. And the money you save helps keep our Nation's economy strong.

Here's how you can reach your savings goal with U.S. Savings Bonds in just 17 years, 9 months

Buy one \$50.00 bond	\$36.25	\$72.50	\$145.00
Buy two \$50.00 bonds	\$72.50	\$145.00	\$290.00
Buy three \$50.00 bonds	\$108.75	\$217.50	\$435.00
Buy four \$50.00 bonds	\$145.00	\$290.00	\$580.00
Buy five \$50.00 bonds	\$181.25	\$362.50	\$725.00

MELVIN WUENSCHÉ

The Lynn County Soil Conservation District board of supervisors held its regular meeting Feb. 8. Supervisors present were: Melvin Wuensché, chairman; E. R. Blakney, vice chairman; W. L. Rowe, secretary; Ward Eakin and Ellis Barnes. Other agency representatives present were Bill Griffin, extension service; D. M. Mauldin, S. C. S.; and Aubrey Dalrymple, field representative for the State S. C. D. Board.

The board approved final write-up on outstanding conservation farmer for Lynn County and submitted to the Fort Worth Press, and a discussion was held concerning soil fertility day to be sponsored by the local board.

Nine basic conservation plans were approved and six Great Plains plans were reviewed by the board.

The supervisors decided to arrange for purchase of Arizona Cypress trees through nurseries.

Dalrymple discussed equipment purchase and sale. Also the Good-year award and other various aspects of the program.

The supervisors were invited to a meeting in Snyder on March 8 on activities related to Soil Conservation Districts.

The Plaque for the outstanding farmer will be presented at the Chamber of Commerce banquet to be held March 11.

Former Citizen Dies In Amarillo

Miss Bonnie Faye Goodrich, reared in Tahoka, recently died in Amarillo. The News is informed, a short time after coming there from New York, where she had been teaching.

Miss Goodrich's sister, Lois, also from here, is associated with Life Magazine as director of summer camps for children of New York City.

For a time as a girl, she lived with Mr. and Mrs. A. A. Suits, rural mail carrier.

CARD OF THANKS

Our heartfelt thanks to those who extended comforting sympathy and help in the loss of our beloved wife and mother, Mrs. W. N. Willett. For the beautiful service, floral offerings and other kindnesses, we are deeply grateful. May God richly bless you. W. N. Willett, Mrs. Elvis Billings. 1tc

Farm Facts

Value of farm real estate per farm—not including dwellings—rose from \$11,278 in 1950 to \$25,308 in 1960, according to the U. S. Department of Agriculture.

While the total value of farm real estate increased sharply during the same period, the percentage was not as marked as the increase "per farm." Total market value of farm real estate in 1960 was estimated at \$129.1 billion. This compares with \$75.3 billion in 1950 and \$33.6 billion in 1940.

A factor in the increase in value of real estate per farm is that real estate values have been climbing while the number of farms has been declining.

Farm buildings accounted for about 22% of the total value of farm real estate. About half of this was accounted for by dwellings of farm operators.

Nationally, the average value of farm real estate amounted to about \$111 per acre.

The USDA pointed out in its 1960 Balance Sheet for Agri-

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

There seems but little doubt this first session of the new Congress with a new Administration, will be concerned about tax reformation.

In the past few years, most attempts, with a few exceptions, to adjust tax maladjustments have been met with the cry "the Treasury will lose." Thus, it would appear that the demands of the U. S. Treasury have become almost sacrosanct in nature. This is a dangerous point of view.

It will be much more to the point if all proposals to change the taxing regulations were to be considered from this point of view "what will this change do to stimulate the domestic economy of the United States?"

The northern neighbor Canada maintains a common sense attitude toward the welfare of its domestic business life.

For example, Canada recently did these things. They trebled the tax on dividends received by foreign parent corporations from their Canadian subsidiaries, and took the same action on the withholding tax on income earned by foreigners on Canadian stocks and bonds. They also put a special 15% tax on the income of branches of foreign owned corporations doing business in Canada.

Of course, the type of mentality in Canada that matches that which has so long prevailed in the U. S. State Dept. cries that these measures will discourage foreign capital from

coming into Canada. These walls are not cutting much ice with the government.

It has just gone ahead and offered new tax incentives to its own domestic business to encourage it to expand.

Canadian tax laws had provided that small corporations making \$25,000 or less per year, paid 21% tax, with 45% paid on earnings over that level. This, incidentally, corresponds with the U. S. rates of 25% and 50%. However, in order to give the small corporation a better opportunity, the firms can now earn up to \$35,000 per year before paying the higher rate.

In addition, they are permitting firms which develop new products, or new types of goods, to take the first year double depreciation on any capital investment made to produce this new wealth.

Of course, in the meantime, the northern tier of the United States is being flooded with cheap bread, baked in Canada by lower priced help from non-price supported wheat. And in the timber areas, every cutting season Canadians pour into U. S. woods with their equipment bought in Canada, to take home more dollars to Canada.

Canada is also going to strengthen its protective tariff system. Some may claim Canadian government is unsound. Yet two world wars and Korea took a proportionately bigger drain out of Canada than they did out of the U. S.

Yet, Canada has lower taxes on business, and Canadian dollars, when exchanged for U. S. dollars, still bring a premium. It looks very much as if the U. S. government should take lessons from the Canadians on how to be "unsound."

Man Is Hit By Car On Highway

J. W. Puckett of Stanton, between 60 and 70 years of age, received a compound fracture of the left arm when struck by a car on US Highway 380 five miles west of Post Saturday night. The News is informed Mr. and Mrs. R. B. Wilke were traveling west in their car, with Mrs. Wilke driving. They had just met a car when suddenly the man loomed up before them walking west on the north side of the pavement. Luckily, Mrs. Wilke had time to swerve to the left and almost missed the man, but his arm was struck by the right windshield post of her car. They gave what aid they could to him until a Post ambulance arrived, and he was later transferred to a Lubbock hospital, where he is reported to be doing nicely.

Elmer Wuensche Attending College

Mr. and Mrs. Elmer Wuensche and two children, Wilson residents, left Thursday for River Forest, Illinois, where he will enter Concordia Teachers College for four years of study. Upon graduation Mr. Wuensche will become a teacher in the Christian Day School system. He is a member of the St. Paul Lutheran Church in Wilson and has been farming in the Wilson area the past six years. His parents are Mr. and Mrs. Oscar Wuensche of Wilson. Buy, build, live in Tahoka.

Farm Facts

Planting seed is no little item on the list of production expenses showing up on the farmer's balance sheet. The amount of seed bought annually in the past few years has averaged about \$530,000,000. Efficient farmers, however, consider the money spent for high-grade planting seed a sound investment. They realize that plant breeders have spent years developing and improving varieties. Hybrid corn is a good example. Average retail price paid by farmers for hybrid corn has been about \$11 a bushel. In 15 years, however, hybrid seed corn jumped U. S. corn yields by 43%. All of us are reaping the benefits of plant breeding. Good seed, for example, assures vegetable growers of a high quality, uniform product. These vegetables end up in the produce bin at your supermarket. Commercial vegetable seed growers according to the U. S. Department of Agriculture, usually account for 95% of the total commercial production of vegetable seeds. Their output in 1958 amounted to more than 128,000,000 pounds of seed—ranging from 20,524,000 pounds of dwarf green bean seed to 1,000 pounds of Chinese cabbage seed.

Farmers spend more than \$530,000,000 annually for seed.

This Week in AUSTIN

by Senator Preston Smith
Teachers and PTAs will be happy to hear that salary boosts for Texas teachers are practically in the bag. There seems to be no doubt that annual teacher salary raises will be voted at this session. The only question is "how much?" Hale-Akin grass roots committee is strong in support for the \$800 a year hike. Governor Daniel recommended \$600 a year because he had to match new revenue with many other items other than the school teachers salary bill. In other youth news, it is predicted that much work will be directed this session toward establishing a juvenile parole system to supervise more than 2,055 parolees from state institutions whose "repeating records" are astounding. The program has the backing of the governor and of the Legislative Budget Board. The system would be under the Texas Youth Council. And naturally the big question now is financial possibilities. One bill would provide five area supervisors for the juvenile parole system and 20 parole officers the first year of the biennium, increasing the number of paid parole officers to a total of 45 the second year. The present system provides no funds for paid parole officers. Parolees from state correctional schools are supervised in part by volunteers. But the high rate of repeat offenses shows that the system is not effective. Jay Kelly, small son of Mr. and Mrs. Alton Kelly, was a medical patient in Tahoka Hospital Friday and Saturday of last week.

Dan Carpenter Suffers Backset

Dan Carpenter, seriously ill and suffering intensely for several years, returned home Wednesday of last week following further brain surgery in a Fort Worth hospital. Mrs. Carpenter reports the operation was successful, and he was able to be up and around the place until suffering a severe backset this week. "We would like to express our sincere thanks for the flowers, cards, and the prayers of our friends in all of West Texas," Mrs. Carpenter says. Mr. and Mrs. Fred Bucy of Brownfield were here Wednesday visiting friends. They expect to leave today for the Valley to spend a few weeks.

Honor Students

(Cont'd. from Page 1)
Allen, Donna Copelin, Billy Davis, Perry Flippin and Fred Hegi, junior students; and Andy Bray and Craig Leslie, sophomores. Boys and girls chosen for these coveted honors must have traits of leadership, a good attitude, and respect for authority. They must be willing to help at all times and must participate in school activities. Susan Thomas, daughter of Dr. and Mrs. Skiles Thomas, has been a member of the National Honor Society for two years and is secretary of the organization this year. She is active in library work and is president of the Library Club. She has also participated in journalism activities and is a member of the Future Homemakers of America. During her junior year, she was vice president of her class and was a member of the junior play cast. Frank Greathouse is the son of Mr. and Mrs. F. O. Greathouse and is president of the Senior Class. He held the office of secretary of his junior class and vice president of his eighth grade class. An active member of Future Farmers of America, Frank holds the office of sentinel. He has been a member of the varsity basketball team for three years, has been the leading scorer the past two, and is captain of the 1960-'61 team. He was chosen "most handsome" in the school his sophomore year and was runner up for the honor his freshman year.

Two Injured In Accident Here

Two boys were injured Saturday night at 11:40 p. m. when the car in which they were riding hit a parked car on U. S. Highway 87 just inside Tahoka City limits near a cafe on North Main. Jack Wagner of El Paso, and Mike Obradowich, of Tahoka and formerly of El Paso, received injuries. Wagner was hospitalized in Tahoka Hospital, with head and chest injuries and was released Wednesday. Obradowich was treated and released here but was later hospitalized in Reese Hospital with a knee injury. The boys were driving north when they hit a car belonging to Joe Young, which was parked near the cafe while he was inside. The impact knocked the Young car 60 feet and turned it over on its top. Both vehicles were total losses. The accident was investigated by Tahoka police.

Used School Bus Bought By Board

Tahoka School District has bought a bus from South Plains Junior College at Levelland, which will be used to replace one of the older buses now in use. J. M. Small, school district secretary, says the district got a bargain in the bus, as the college is discontinuing the hauling of students to the college. He said Wilson also bought two or three of the buses and O'Donnell possibly took one or two of them. New buses cost about \$4,500, he said, and this bus only two years old and in top condition, cost the district only \$2,200. Linda Driver, student in the Tahoka schools, received a head injury while playing basketball Thursday of last week. She was admitted to Tahoka Hospital where she remained a patient until Wednesday morning.

DAN COWAN UNDERGOES SURGERY IN DALLAS

Mr. and Mrs. Winston Davies of New Home drove to Dallas on January 22 to visit her son, Dan Cowan, who had major surgery in Baylor Hospital, and returned the following Monday. Mrs. Davies went back to Dallas on Jan. 27 and stayed ten days with him. Dan, who is a salesman for Dictaphone Corp., is very active with the Junior Chamber of Commerce in Dallas. Being general chairman of youth welfare, he is working as a member of the Scottish Rite Crippled Children, Boy Scout Troop No. 28 of which he is project chairman. Dan was elected J. C. of the month in January.

Mrs. R. M. Stewart underwent major surgery last Saturday in Methodist Hospital and is showing continued improvement.

Mrs. Aubrey Thomas of McAllen is here visiting her mother, Mrs. John Donaldson.

Texas operators spent \$825 million drilling in 1959; \$117 million last to dry holes.

We Have A Good Supply Of HYBRID GRAIN SEED

Terry County producers of Hybrid Grain Seeds are receiving wide acclaim. These seed are in demand, not only locally, but throughout our area. Seed growers—such as Purcell-Seed Farms, Waters Bros., and Winfred Tucker—are having their seeds field tested in Old Mexico. Results of the tests will be announced at a later date. Test results, conducted in Old Mexico last year, gave locally produced seeds a 1 and 2 rating. According to the Texas Department of Agriculture, Texas farmers are producing 30% more grain on the same acreage by the use of Hybrid Seed, than they did before Hybrids were introduced. And the outstanding quality of locally produced seeds has caused them to be in great demand outside our local area. All of our Terry County Seed Growers have received "tops" in the testing of their seeds. Give them a try, see if you don't think they are the best seeds for your farming operations.

THE SEEDS LISTED BELOW ARE CERTIFIED HYBRIDS:
• Purcell Seeds 610 & 620
• Waters Bros. 601, 610 & 660
• Winfred Tucker Seeds 608 & 610

Beverly Wells McKnight Honored As Outstanding Citizen At Commerce

Mrs. W. G. (Beverly) McKnight, daughter of Mr. and Mrs. E. T. (Thurman) Wells of O'Donnell and granddaughter of the late Mr. and Mrs. J. S. Wells, was recently named one of three Outstanding Citizens in 1960 at Commerce, Texas. She was named for the award at a Chamber of Commerce and Junior Chamber of Commerce banquet.

The first woman ever to serve on the school board at Commerce, she is currently secretary of the board and is serving her fifth year as a trustee. She is also president of the high school PTA and last year was vice president of the PTA at a junior high school there.

Mrs. McKnight, the Outstanding Woman of Commerce, has a long list of other civic activities to her credit. She is a native of Tahoka and attended school in O'Donnell and Texas State College for Women at Denton. She moved to Commerce Dec. 1, 1949.

Her husband is a general contractor engaged in highway construction. Their daughter, Diane, is a freshman in Commerce High School.

Mrs. McKnight is active in the First Methodist Church at Commerce. She is serving her fourth term as secretary of promotion and cultivation of the Women's Society of Christian Service, is a teacher of the eighth grade Sunday School class, counselor for the junior high MYF, coordinator for mission studies in the junior high department, and also served as resource person during Youth Activity Week in June.

In addition, she is a member of the committee of social concerns and served on the committee which helped to organize a woman's group in the colored Methodist Church.

Methodist Men Hear Mexican

"Religious Conditions in Mexico was the subject of a talk by Rev. Jose Trujillo, pastor of the Mexican Baptist Mission at the monthly meeting of the Methodist Men Monday night.

Rev. Trujillo told of work being done in his country by the Methodists, Presbyterians, and Baptists under adverse conditions, where they are opposed at every turn by the Catholic Church, which is so powerful in that country.

He said the three denominations work together wonderfully well and are making great progress. He told how Protestants are sometimes persecuted and discriminated against, but he says conditions are much better now partly because the wife of the president of Mexico is a Methodist.

AL ROBERTSON

Sales Clinic In Lubbock Monday

"Nine Tested Ways to Sell" is the topic for a regional sales clinic to be held in Lubbock, Monday evening, February 20, which will be attended by electric appliance dealers from here and other cities served by Southwestern Public Service Company.

Al Robertson, Oklahoma City, will conduct the conference.

Mr. Robertson, nationally known for his sales counseling, is the owner and manager of a successful retail appliance store in that city. Sometimes called, "The Will Rogers of Retailing," Mr. Robertson believes in his own advice.

Since the starting of his business 20 years ago, Mr. Robertson has seen the development of a sales training program for his own salesmen. He employs both inside and outside salesmen.

The sales clinic will be preceded by a buffet dinner at 7:30 p. m. It will be held at the Pioneer Hotel.

Car Inspection Is Lagging Here

Of the 7,055 registered motor vehicles in Lynn County only 32 percent had been inspected, to date, according to Captain Alan Johnson, Motor Vehicle Inspection supervisor, of the Texas Department of Public Safety.

Drivers are urged to have their vehicles inspected early to avoid the last minute rush. This time of the year is noted for adverse weather conditions which may be predominant during the next two and one half months. As a result the number of inspection days will be cut down since stations cannot inspect vehicles under these adverse conditions.

"Texas law requires all registered motor vehicles in Texas to display a valid inspection sticker," stated Johnson. All motorists not displaying a valid inspection sticker will be subject to a fine of \$1.00 to \$200.00 plus court cost.

Captain Johnson further advised that all licensed trailers having a gross weight exceeding 4,000 pounds are required to be inspected.

"By having your vehicle inspected today, you will be driving a safer vehicle," Johnson pointed out.

Brief reports on local Scouting were made by President H. B. McCord Jr. and Granvel Ayer, institutions representative.

Post Banker Is Rotary Speaker

"The Boy Scout movement is building citizens for a better world," Irby Metcalf, president of the First National Bank of Post told Tahoka Rotarians in a talk Thursday noon as a feature of Scout Week.

He pointed out the fact that there have been 31,500,000 Scouts and leaders in the program in the United States since its organization in 1910, and the annual expenditures on the program have grown from a few thousand dollars to the present annual budget of \$38,220,000.

He quoted the Boy Scout oath and the laws of Scouting to emphasize the objectives in the building of character and citizenship.

Hubert Eudy, in charge of the program, said Mr. Metcalf is a former Boy Scout, and presently is a member of the Council executive board.

Contest Open To School Students

Tahoka High School students are invited to enter the area and national essay writing contest on the subject, "Advertising—A Force For Democracy," being sponsored in this section by Lubbock Advertising Club.

First prize in the area will be \$25.00 and entry in the national contest, with the winner of the latter receiving \$600 (cash prize) and an all-expense paid trip to the annual international advertising convention in Washington D. C.

Purpose of the essays is to point out the role advertising has played in the development of our country both economically and socially.

Entry blanks are available at The News. Essays must be sent by midnight March 31 to B. R. Bradshaw, Essay Contest chairman, Community Chest, 2201 19th street, Lubbock.

the spiritual life.

Rev. Trujillo said this was his first attempt to make a talk before a group in English, but he did very well, although he had "Shorty" Marez along to help him out when he got in trouble with translation.

President Louie Weathers introduced the speaker.

Prior to the program, a fried chicken dinner was served by F. A. Wyatt and V. F. Jones.

Next month Walter Mathis and Clint Walker will be in charge of the program, and Pat Patterson and Oran Ramsey will arrange the meal.

Weathers told the group in a short business session, the organization has grown short in funds due to drop in attendance. After considerable discussion, the men voted to try out a plan of selling tickets at \$1.00 each in advance for the Methodist Men meetings. H. W. Carter, Johnny Reasonover and Roy Edwards were named to a committee to work out the details.

Thompson Will Visit Big Spring

Rev. J. B. Thompson, pastor of the Methodist Church, will be in Big Spring Monday, Tuesday and Wednesday of next week helping with a visitation program in the new Kentwood Methodist Church, which held its open house only last Sunday.

During the afternoons Rev. Thompson and the pastor, Rev. C. W. Parmenter, retired minister who organized the church, will visit with members. Rev. Thompson will preach at evening services.

On February 27 and 28 and March 1, Rev. Royce Womack of Wesley Methodist Church in Big Spring will help conduct a similar visitation program here.

Bonus cotton yield and extra profit—thanks to his seed treat!

That's right. This cotton grower got all this additional cotton from 10 acres just by having the seed he planted treated with Du Pont "Ceresan". The cost for treating was only \$2.00, but the added profit was \$603.

Seed treatment for 100 acres also produced an added return over cost of \$939 for barley, \$482 for soy, and \$154 for sorghum. Make it a regular practice to cash in on the dollars and cents benefits of Du Pont "Ceresan".

You can get bonus yields like this, too—from just a small investment in Du Pont "Ceresan" Seed Disinfectant. Add to your profits this year by planting seed treated with Du Pont "Ceresan".

On all chemicals, always follow label instructions and use safely.

Printer's Ink-lings

By F. P. H.

This newspaper gets its share of criticism, and occasionally we get that what's-the-use feeling. Therefore, being human, we sincerely appreciate some of the kind words that have come our way recently.

As a class, professional men are usually the least appreciative of any of a newspaper's readers of any favorable publicity or "advertising" they may get in the press. Such is not true of Dr. O. Brandon Hull, Lubbock heart specialist. Following our recent extended report of his talk to the Rotary Club here on heart disease, he wrote The News a very flattering letter of appreciation. Thanks, Doctor, but reporting the news or passing on information that is helpful to the public is our job.

Research shows that tall men are just as short at the end of the month as anybody else.—Santa Fe Magazine.

Although we were not pleased with several of President Kennedy's major appointees, including Secretary of Agriculture Orville Freeman, we are very pleased with one fact of the new approach to agriculture's problems. For several years, it has been popular, encouraged by Secretary Ezra Taft Benson, Labor, Congressmen from the cities, and the big city press, to discredit the farmer, to make him the scape-goat, to blame the farm program for a lot of our woes. The new administration has started out taking opposite viewpoint, at least vocally. It has been popular, in some circles, to blame agriculture for high prices. We've had the cost of the farm program (with a lot of costs thrown in that the farmer never gets) thrown in our face until we're tired hearing it.

Another thing we get tired hearing is farmers throwing it up to the business men about the cost of things he purchases. The small business man in Tahoka is in the same boat as the farmer. Everything he buys costs more and more, because of the higher and higher costs of his products made higher and higher every time Labor gets an increase in wages. A local grocer told us the other day that since January first several food items had gone up fifty cents a case, wholesale, which increase he has to pass on to the customers to stay in business. Another grocer

said he could get rich if he could make a three percent gross profit. As hard as it is to believe, according to grocer journals, 2.5 percent is a good profit in the grocery business.

Which reminds us that a Lubbock lady recently came to Tahoka to buy groceries because, she said, the advertised prices in The News were lower than those in Lubbock. And, she said she was able to buy good red meat right off the cow in Tahoka, whereas she had been getting old black meat in Lubbock.

A while back, some one sent us this clipping from some newspa-

per: There is 20 cents worth of cotton in a white shirt that sells for \$5.00. Cotton middlemen, compressing, shipping and processing cost 5 cents. Labor in the shirt manufacture costs \$3.00, or three-fifths of the shirt's cost to the consumer. The mill and the wholesaler get another \$1.00. That leaves 75 cents for the retailer, and from this 75 cents, the retailer gets his profit—if any—after paying taxes, clerk hire and other overhead, plus donations to local charity churches, etc.

A few business men who howl about others trading at home will buy "bargains" from Sears & Roebuck and allow his wife to go to Lubbock to trade.

To have the kind of town most of us want to live in, we all have to work together. Our neighbors have to live, too, and we wouldn't

have much of a community if we didn't work together.

Time and space in a weekly newspaper do not permit publication of all the good stories we would like to publish. We have one such from Congressman George Mahon.

Mr. Mahon encourages his constituents to write him their views or for any other help he may be to them in Washington. Address him George Mahon, Member of Congress, House Office Building, Washington, D. C. Phone CAPITAL 4-3121 extension 4005.

George points out that last year he voted against federal aid to education, increasing the minimum wage, a big billion dollar housing bill, and aid to depressed areas. Both Kennedy and Nixon advocated passage of such bills in the

recent campaign. He says he opposes any wild spending spree, even for defense. He thinks a better effort will be made to understand the problems of agriculture.

Mahon says major efforts are being made to insure a big increase in sugar beet allotments in West Texas, as we need a new cash crop which is not in surplus supply. Right now, Texas has a total allotment of only 1,940 acres. Sufficient acreage is needed in West Texas to insure the building by private industry of a \$15 million sugar mill. However, he points out, sugar beets require more irrigation than cotton and milo.

A bill has been introduced in the Texas Legislature to give the people an opportunity to express their preference on what type of state tax they prefer; they are given a choice of 1, a payroll tax;

with engineered irrigation and Alcoa Aluminum Pipe!

With a complete line of lightweight Alcoa Aluminum Irrigation Pipe, your Alcoa dealer can design a portable sprinkler or gated system for any need!

You apply an exact amount of water when it's needed, from germination to harvest, with engineered irrigation using Alcoa Aluminum Pipe. You get higher yields per acre cultivated, better quality crops, earlier maturity to catch peak market prices!

Pick the Alcoa Aluminum Pipe you need!

Alcoa Standard Class 150—a heavy-duty, seamless pipe with full-thick walls to take rough handling and high pressures—comes in eight diameters from 2 in. through 10 in. Alcoa Lite-Line is either extruded—lightweight, low-cost pipe for most normal uses; or welded—alclad inside for maximum corrosion resistance. It's available in nine sizes from 6 in. through 12 in. for tapping high-volume water sources. Both Alcoa Standard Class 150 and Alcoa Lite-Line come in 20-, 30- and 40-ft lengths; larger sizes of Alcoa Lite-Line, Welded, also in 50-ft lengths!

Ask your local dealer about Alcoa's 48-Month Irrigation System Finance Plan.

Provisions of this finance plan allow your new irrigation system to serve as security against your loan. There's no red tape... you get immediate action on application for a loan. You pay for your system out of your increased profits.

Your Irrigation Dealer has quality Alcoa Irrigation Pipe available for immediate delivery from local stocks. He can engineer an irrigation system specifically for your land, your crops; provide local service on a complete system.

THE NEWS

Student Council Electing Officers

On Thursday students of Tahoka High School were electing a president of the Student Council following a round of campaign speeches and today will choose a vice president, secretary, reporter, and parliamentarian.

Nominees for president, placed on the ballot by members of the Student Council, class presidents and members of the faculty, include Perry Flippin, Fred Hegi and Craig Leslie. Other nominees include vice president, Jerry Forsythe; secretary, Sue Walker, Sarah Wells and Diane Falls; reporter, Larry Price, Donna Copeland and Elaine Buchanan; and parliamentarian, Billy Davis, Tony Spruiell, and Frances Willhoit.

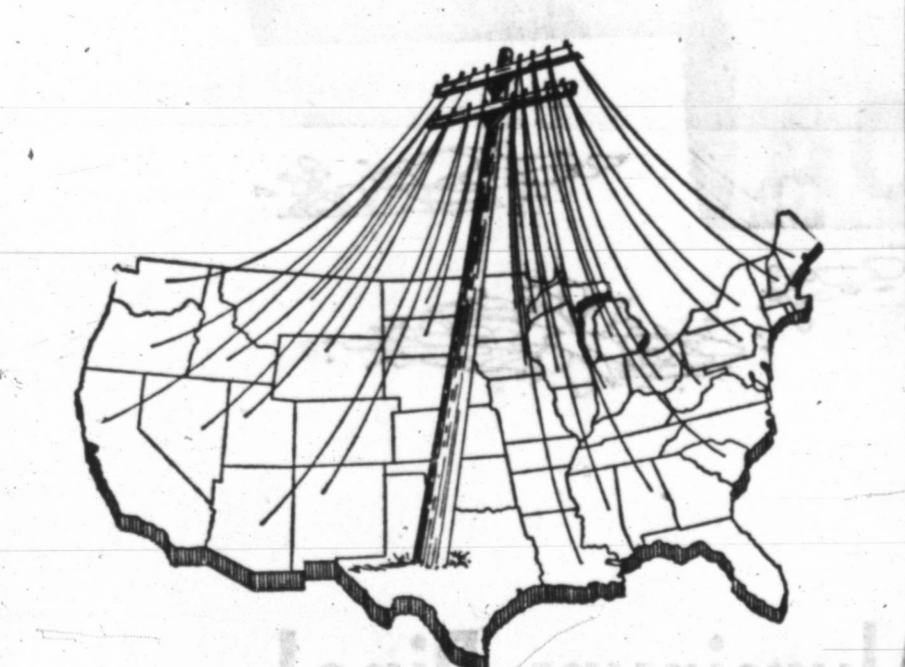

According to the Growl, student newspaper, officers must maintain an overall average of 80 each six weeks. The representatives, which will be elected next year, must maintain an overall average of 75.

What have you that you did not receive? If then you received it, why do you boast as if it were not a gift? (1 Corinthians 4:7, RSV.)

Toscanini was rehearsing Beethoven's Ninth Symphony with the New York Philharmonic Orchestra. He gave his musicians such a new insight into the music that, when the rehearsal ended, they rose and applauded him. Desperately, Toscanini tried to arrest their ovation, waving his arms widely, crying to them to desist.

When there was a lull in the ovation, Toscanini's broken voice could be heard exclaiming—and there were tears in his eyes as he spoke: "It isn't me, men . . . it's Beethoven. Beethoven is everything—Toscanini, nothing."

The great sound of this world is the humble. The rest of us, even the best of us, have our little pride and our not-so-little arrogance. Sometimes when I catch myself in the act of boasting, I think of the Pharisee and the publican. Modesty becomes us, for we have much to be modest about; nothing to be puffed up about!

PRAYER: Be patient with us, our Father, as we come humbly into Thy presence. Dwell in our hearts, helping us to be like Thy Son in thought, attitude, and decision. In His name we make our prayer. Amen.

THOUGHT FOR THE DAY—No garment is more becoming to a child of God than the cloak of humility—Cyril M. Jackson (Illinois).

(Cont'd. from Page 3, Sec. II) take care of our money right to our last breath; take care of our thoughts, take care of our rent, but who will take care of the Government?—Sunshine Magazine.

The News is informed that H. B. McCord Sr. does not "choose to run" again for mayor of Tahoka, having served two terms in this office.

Most everyone will agree that H. B. has done a wonderful job, along with his fellow-members on the council, and more progress has been made in the town during his administration than possibly any in the history of the town. Among these accomplishments have been the addition to the water supply by the drilling of new wells in north Tahoka, extensions to the water and sewer lines, the 35 blocks of new paving, securing extension of the city limits and taking in two new additions, the Roberts and Lockwood additions; renewing contacts to make possible FHA housing loans, securing the \$145,000 low rent housing project, modernizing the City-Legion building as a community center, improving the city park and Little League ball field, and many others.

The mayor and councilmen work for free for the building of a better town. They deserve a pat on the back for this fine community service.

W. R. Warren brought us a gigantic turnip just to show that Lynn county can produce the best.

When Miss Margaret Anglin of Ottawa Canada accompanied Lt. (J. G.) Harold Hamilton to Tahoka for a visit, she forgot her contact lenses and left them at home. Her mother mailed them to her name at Tahoka, Texas. Nobody at the postoffice knew who she was until Charles Townes read of her visit in The News last week and delivered the glasses to her.

Charles Reid has another gripe at General Telephone. He has been paying 35 cents for "extra listing" per month of his name under the Farm Bureau listing. Now that Gen. Tel. has reached 1,000 subscribers in Tahoka, cost of this listing has been raised to 50 cents. Why, he wants to know?

A Texas lad rushed home from school demanding that his mother buy him a set of pistols, holsters, and gun belt before next day.

"Why, dear?" his mother asked. "Surely you don't expect me to believe you need them for school?"

"Yes I do," he asserted. "Teacher said tomorrow she's going to teach us to draw." Texas Outlook.

The judge told the defendant sternly, "I can't think of anything worse than a man beating up his wife. What made you do it?"

"I was drunk on the man," she kept saying. "Hit me, go ahead and hit me and I'll have you brought before that baldheaded old baboon in court and I'll hit him good!"

"Case dismissed," declared the judge. Texas Outlook.

JACK STRICKLIN JUMPS ON EDITOR ON COTTON CLAIMS

Jack Stricklin, pioneer Brownfield newspaper man, recently jumped on The News in the Brownfield Shopper as follows:

Our old friend Frank Hill, editor and publisher of the Lynn County News over at Tahoka has been bothered a lot the past year about the Terry and Lynn cotton crops. Last year, for the first time Terry ginned more cotton than Lynn, and it like to have killed his soul. But this year, Lynn is some ahead, perhaps 20,000 bales, as they think they will get 40,000 bales.

But look, Frank, at the Terry county cotton ginned just over the line in other counties. There are three gins at Seagraves and one or two at Loop in Gaines, just south of the line. Then the two gins in Dawson county at Welch, get a lot of Terry county. Then there comes old Lynn with gins along the line, at Newmoore, West Point and Lakeview. Then old Hockley starts in on our cotton at Ropesville, and Sundown. We did get some cotton off old Yoakum out there at Tokio, but last summer, a new gin was built just over the line in Yoakum, on the Plains highway, about a mile west of Tokio. So, we imagine the cotton ginning of the two gins is sir and sir between the two counties.

What in the heck is the matter with Frank, anyway. He owns a farm in Terry county down between Wellman and Loop? On top of that, they named one of the licker joints out on highway #87 just over in Lubbock county, the Tahoka Drive-In Emporium? Only about 15 miles north of Tahoka, whereas, they have been having
