Bridge and golf will be played after the business session.

Muleshoe Receives 2.12 Inches

General Rains Bring Relief To West Plains Area; More in Sight

Long hoped for and eagerly welcomed, the rains came to the West Plains Tuesday.

More than an inch of moisture, including some hail, was received here in less than half an hour.

Total official moisture received in Muleshoe measured more than two inches. A gauge at The Journal showed 2.90 inches early Wednesday morning.

The break in the drought which was beginning to cause serious concern to farmers and townfolk alike, came with a cool front moving in early Tuesday. Intermittent showers fell through the early part of the day, and about 3:15 p.m., the heaviest rain started.

Strong northerly winds slashed the driving rain and fine hail across the plains for two hours. Considerable displays of lightning accompanied the rainstorm.

The last moisture of any consequence recorded in Muleshoe was in mid-November, when 63 of an inch of moisture was received from a snowfall. Dryland farmers in

particular were needing moisture badly for planting spring crops.

The rains came at just the right time to prove immeasurable help for area dryland wheat crops, also.

A spot check Wednesday morning, with more rain in prospect, showed the following moisture totals:

Wildlife Refuge — .6.
Needmore — 1 inch.
Maple, Three Way — .9.
Pete Tarleton Farm — 2 inches.
Muleshoe official — 2.12.
Light Snow Thursday
Light, intermittent snow fell in Muleshoe for about an hour Thursday morning, melting as it hit the ground.

JIM COX NEW PRESIDENT

Supt. Kirk Gets 3-yr. Contract; School Board Hires Head Coach

Jim Cox was elected president of the board of trustees of the Muleshoe Independent School District when members met Monday night to reorganize the board following the election held Saturday.

Jack Lenderson was elected vice-president, Harold King secretary. These two new members were elected Saturday.

Other members of the board are: B. R. Putman, R. O. Gregory, Robert Blackwood, and

Gerald Allison.

Given 3-Year Contract
Supt. Jerry Kirk was given a three year contract.

Callan Is New Coach

In other action the board employed H. W. Callan, of Lefors, as head coach to succeed Wayne Mantooth, who recently resigned.

Mr. Callan is a graduate of Shamrock high school, took his BS degree from Midwestern University, and his masters degree from West Texas State College, Canyon. He has had ten years of coaching experience, 3 years as assistant football and boxing coach at Shamrock, the last seven years at head coach at Lefors. He is a qualified teacher in the fields of physical education, social studies, and drivers education. Mr. Callan probably will be in Muleshoe in the near future to plan the athletic and physical education program with the assistant coaches and the principals.

Incumbents Win At Lazbuddie

Incumbents Robert Jones and Harold Wilson were re-elected to the Lazbuddie school board Saturday in what was termed an average turnout casting a total of 96 votes.

Jones received 74 votes and Wilson 67. Other candidates included W. G. Harlan with 35 votes and Jess Pendergrass with 17.

Career Day Conference Held Wednesday

Approximately 425 students from 10 area high schools attended the annual Career Day Conferences held here Wednesday.

In addition to a talk on "Responsibility of Citizenship", the students heard talks by leaders in a number of vocational fields. Opportunities, education, and similar points were discussed in individual group counselling sessions.

The conference is sponsored each year by the education committee of Muleshoe Chamber of Commerce.

W. A. Bailey Hurt In Pickup Wreck Monday Evening

W. A. Bailey, 48, a Muleshoe gin employee was critically injured Monday night when his pickup truck overturned at the intersection of FM 789 and 1310 about 16 miles southeast of Plainview.

He is undergoing treatment in a Plainview hospital for head injuries, fractured spine, chest injuries, and facial and body lacerations as well as a fractured ankle. Both legs are paralyzed.

Bailey, who was a resident of Ballinger, was thrown from his truck when he lost control of it at the intersection dead end.

An Oklahoma salesman spotted the wreck and called officers who took the man to Plainview in an ambulance.

King Lenderson Elected Trustees In Spirited Voting Saturday

A. J. "Jack" Lenderson and Harold King were elected to the board of trustees of the Muleshoe Independent School District Saturday as the voters turned out in unprecedented numbers to express their in-

terest in their school. Total ballots cast, including 6 absentees, was 597, largest vote ever recorded in a trustee election in this district.

Lenderson received 334 votes, King 246, to lead the voting for the six candidates for the two places. The two men succeeded Paul Scott and Leon Lewis, both of whom were candidates for re-election.

Votes for the others in the race besides the two leaders were polled as follows:
Ralph Ethridge, 231.
H. D. Holley, 14.
Paul Scott, 135.
Leon Lewis, 219.

Cancer Crusade Kickoff Monday

Community chairmen for the Bailey County Cancer Society's annual Crusade will meet Friday night to prepare to get the Crusade under way next Monday, county chairman M. J. Gunstream announced today.

House to house and business appeals will be made by teams working with each chairman during the Crusade. Contributions to Cancer Memorial funds will be accepted any time, the county chairman announced.

Community chairmen are: Mrs. B. F. Chapman, W. M. Pol, Jr., and Mmes. Lewis, Mafer, A. H. Daricek, John Jackson, E. W. Locker, W. Walker, and Buck Ragsdale. The Muleshoe Lions Club voted Wednesday to donate \$100 to the Cancer Crusade, as memorial to the late Travis Reed.

Griffith-Paul Wedding Is Set For May 31

PAULA GRIFFITH

Mr. and Mrs. Frank Griffith of Three Way are announcing the engagement and approaching marriage of their daughter, Paula Florence, to Mr. William Kenneth Paul of Albuquerque, N. M.

The prospective bridegroom is the son of Mr. and Mrs. John Paul of 1236 Vassar Dr., Albuquerque.

The wedding date has been set for Sunday, May 31 at 2:00 p.m. (Mountain time) in the First Presbyterian Church of Portales. The Rev. Omar Pittman of Fort Sumner will officiate.

Miss Griffith, a student at Eastern New Mexico University in Portales, attended high school at Three Way. She is a member of Kappa Delta Alpha social sorority, the Press Club, Board of Publications, Student Council, Silver Key Honorary Scholastic Society, and Baptist Student Union. The bride elect is a member of the ENMU newspaper staff and secretary of the University's pre-school. Mr. Paul is employed by the Sandia Corp. He attended ENMU, is a graduate of New Mexico Military Institute, Roswell. At the Institute he was class vice-president, editor of the "Bronco" yearbook and president of the First Sergeant Club.

All friends and relatives of the couple who wish to attend are invited to the wedding and reception that follows in the church patio.

Mrs. Lane Hosts Co-Workers Class

The Co-Workers Sunday School Class of First Baptist Church met in the home of Mrs. Eddie Lane Thursday night, April 2, in a regular monthly session and social.

Mrs. Byron Griffiths, president, was in charge of the business meeting. Mrs. L. C. Roddam brought the devotional on Faith, from Romans, Chapter 5.

The class has adopted a girl who is in the Baptist Girls Home in Lubbock. She is 14 years of age. The class sent her a new complete suit for Easter.

After the business session, games were enjoyed and refreshments of strawberry short cake and coffee was served to Meses. Cliff Odum, S. E. Goucher, Byron Griffiths, L. C. Roddam, C. E. Layne, Claude Coffman, Ruby Brashear, Hope Flanagan, Sarah Payne, Faye Taylor, Miss Lillie Williams, and the hostess, Mrs. Eddie Lane.

Philathea Circle Plans Banquet

Bette Cowan continued the current Bible study at the regular meeting of the Philathea Circle of the First Methodist Church, April 2. Dorothy Wyer brought the devotional.

The president, Mrs. J. K. Adams, presided over the business of the meeting, which included plans for a Mother-Daughter banquet. It was decided to hold the banquet in the Fellowship Hall on May 8 at 8:00 p.m.

Coffee and cake were served by the hostess, Mrs. Doris Jones, to Meses. Wyer, Cowan, Adams, Pat Nickels, Jean Allison, and Beth Blair.

The next meeting will be in the home of Bette Cowan on April 16.

Tickets may be obtained from any member of the Ladies Golf Association or purchased at the door on Friday evening for \$1.00.

Miss Mona Faye Hall Becomes Bride Of Mr. Troy Sharrock, April 4

MR. AND MRS. TROY SHARROCK

Tall cathedral tapers burning in two seven-branched candelabra provided illumination for the Saturday evening wedding of Miss Mona Faye Hall and Mr. Troy Ray Sharrock.

Double-ring nuptial vows were pledged at 6:00 by the couple in a ceremony read by W. R. Tittle, minister of the Church of Christ. Large white urns of white stock, two large palms and an archway of plumosa foliage tied with blue bows provided the background decorations.

Parents of the bride are Mr. and Mrs. L. R. Hall and the bridegroom is the son of Mr. and Mrs. M. M. Sharrock, all of Muleshoe.

Bride's Gown
The bride was given in marriage by her father. She wore a formal length gown of chantilly lace and nylon tulle over taffeta designed with a scalloped neckline with seed pearls, fitted bodice, and long sleeves. The bouffant skirt of nylon tulle featured inserts of lace. She carried her grandmother's handkerchief for "something old" and wore the traditional blue garter and '39 and '59 pennies in her shoe. Her veil of silk illusion was attached to a tiara of sequins and seed pearls. The bride's bouquet was of white gardenias and stephanotis with garlands of ivy leaves. Glenda Hall was her sister's maid of honor, and she wore a dress of blue satin designed

with princess lines and V-neckline. Miss Janice Oliver and Mrs. Leonard Smith, both of Muleshoe, and Mrs. Dwain Menefee of Farwell were bridesmaids. Their dresses were fashioned like the maid of honors in a lighter shade of blue. All the attendants wore head-bands of white velvet, white gloves, and carried colonial bouquets of white carnations.

Brenda Hall, niece of the bride, was flower girl and Chester Clay Beavers was ring bearer. Little Brenda was dressed in pale blue.

Mack Hall, cousin of the bride, was best man. The ushers and groomsmen were Billy Harmon and Leon Wilson, of Muleshoe, and Dwain Menefee of Farwell. Wedding music was presented by a chorus composed of Mrs. Clyde Monk, Mrs. R. F. Parkinson, Mrs. Willis Rutherford, Harold Wilson, Jacque Baker, Joe and Dan Lee Smallwood.

The mother of the bridegroom wore a beige suit with navy accessories and a corsage of stephanotis. The mother of the bride was unable to attend because of illness.

Reception
Following the ceremony a reception was held in the home of the W. R. Tittles. The bride's table was laid with a white maderia cloth over blue and centered with the three-tiered wedding cake surrounded by plumosa leaves and

Local Artist Wins Award

Awards for the South Plains Art Guild's annual membership and Texas Fine Arts Assn., regional show scheduled to open April 12, were announced in Lubbock Saturday.

Award winners include Mrs. Blanche Lenderson of Muleshoe, who won second place honors and \$50. The prize winning painting by Mrs. Lenderson was a mountain landscape in water colors. She sketched the scene on Claudecroft last summer and completed the impression this fall.

The showing is to be in the West Texas Museum on the Tech campus Sunday afternoon, April 12, from 2:00 to 5:00 p.m., with the presentation of awards at 4:00. This art show is open to the public.

Demonstration Contest For 4-H Girls Set

Members of Bailey county 4-H clubs who plan to enter the 4-H girls demonstration contest April 25, are asked to contact Mrs. Harriette Jackson, the Home Demonstration Agent, for details and rules of the contest.

Mrs. Jackson announced the contest will include dairy food team and individual contests, vegetables, public speaking and electric.

white stock flowerlets, and white tapers in milk glass candle holders. Miss Donna Kay Bruns poured the punch from a white milk glass punch bowl and Miss Jordan Jarman served the wedding cake. Miss Kay Brown registered the guests.

When the couple departed for the wedding trip to points in New Mexico, Mrs. Sharrock was wearing a melon colored linen dress with black and white accessories and gardenia corsage.

Mr. and Mrs. Sharrock will reside 12 miles north of Muleshoe. He is employed by Brown Supply.

M. H. S. Observes 'F. H. A. Week'

More fun than freshman initiation, more romantic than the Sweetheart banquet, and more hectic than the last week of school—Yes, this is it.

F. H. A. Week started at Muleshoe high school April 5 and will continue through April 11.

On Sunday approximately 70 girls attended the First Baptist Church in a group.

Monday, a salad supper and style show was held and approximately 200 were present for the pleasing evening.

Tuesday, the girls had a "clean up" campaign. Students who had messy lockers found a tag on the door that read, "I am a litter bug". Owners of neat lockers found a gold star glued to their locker door.

On Wednesday, in connection with career day, all students and visiting students were presented with F. H. A. friendship tags.

Thursday, girls working toward State Degrees in Homemaking conducted a "Better Breakfast Survey" among the M. H. S. students.

Teacher Appreciation Day will be observed on Friday by presenting each teacher with a red rose.

The climax of the week will be on Saturday when the girls will wash car windshields from 2 until 4 o'clock.

H. D. Council Holds Session

The Bailey County Home Demonstration Council met in the Council room Wednesday, April 1, with seven members present representing three clubs. Those attending were Mmes. J. E. Sligar, Louis Henderson, Myrtle Wells, Fern Davis, W. C. McCelvey, Opal Robinson, and S. C. Caldwell.

The county 4-H demonstration contest for girls will be held Saturday, April 18 and all interested persons should

contact Mrs. Harriette Jackson, District II meeting of Home Demonstration Clubs will be held Thursday, April 16 in Plainview. Those making the trip should meet at the court house at 7:30 a.m.

There will be a meeting of the EEE committee from each club at 2:00 p.m., April 21 in the Council Room.

Mrs. Louis Henderson was elected the new T. H. D. A. chairman of Bailey county.

Friendship Class

Meets With Mrs. Crow

The Friendship Sunday School Class of the First Baptist Church met in the home of Mrs. A. W. Crow on Thursday, April 2 for their monthly social and business meeting. Mrs. N. C. Moore served as co-hostess.

Mrs. C. M. King, class president, presided over the business meeting. The opening prayer was offered by Mrs. Ray Griffiths.

Roll call was answered by a scripture or poem. Mrs. W. T. Andrews brought the devotional taken from the 13th chapter of I Cor., and also gave an interesting talk on the prayer room of the National Capitol.

Mrs. W. B. McAdams read the minutes of the last meeting and the treasurer, Mrs. A. W. Crow gave a financial report. Refreshments were served

by the hostesses to nine class members and two visitors, Mrs. J. K. Jackson and Mrs. Edna Daniel.

Pamela St. Clair Celebrates Birthday

Irvin and Dorothy St. Clair honored their daughter, Pamela, on Saturday morning with a party to celebrate her tenth birthday.

Pamela and her friends enjoyed skating at the local rink from 10 to 12, and on their return to town, cooked hamburgers over charcoal grills.

Guests were also served birthday cake and ice cream for dessert. Those attending were: Debbie Goss, Doris King, Jeanne King, Pam Kerr, Nancy Lee, Charlotte Barnett, Mary Phelps, Melinda Harris, Joe Adams, Pat Malone.

Charles Marrow, Terrie Wiedeubush, David Alsup, Paul Swint, Neil Finley, Johnny St. Clair, Also John Robert, Mary, and Kay St. Clair of Morton and their mother, Mrs. Lois St. Clair; Karen, Janis, Brenda, Marlene and Bill St. Clair.

CARD OF THANKS

The Chester Wilson family would like to take this means to express their appreciation for the many kindnesses shown to them following the fire in their home.

They would especially like to thank the fire department for their efforts and concern. Sincerely,
The Chester Wilson Family

On Driving

LO DRIVING
Juanita Burkett
Think you are a good driver? Test yourself!
Do You:
- Obey traffic signals for the 100 feet when changing lanes, turning, passing or merging?
- Drive at a speed suitable for road and traffic conditions?
- Keep your temper, keep calm and steady what you are doing?
- Obey all posted traffic signs and signals both ways before entering an intersection?
- Drive yourself physically, mentally and emotionally fit?
- Keep your car in good condition, especially the lights, windshield wipers and tires?
- Drive while under the influence of intoxication or while fatigued?
- Give your main attention on the road and traffic?
- Maintain a safety margin at all times?
- Obey the courteous policy in any occupation while driving, answered "no" to any of the above questions, show the symptoms of show-off, rationalizer, or over emotional driver?
- Allow anyone of the above to drive while leading to a consequence to the one pictured in the following poem:
The Unforgivable
Juanita Burkett
I've your position in or out of traffic
I take you think necessary to take
I'm in your car and pre-emptive to take off,
I'm with a turn of the key, I'm are aloft,
I'm back from your driveway, I'm pay no heed,
I'm oncoming traffic pro-ing with speed,
I'm adjacent driver stops like a dead horse,
I'm or to prevent one terrible accident.
I'm continue your journey, I'm the greatest of ease,
I'm ng you are a good driver, I'm can do as you please, I'm come to a sign that really means stop,
I'm as eased on through it, I'm was no cop,
I'm now gained in your favor, I'm a few seconds of time.

Christian Science Services

The importance of spiritual perception in making decisions will be emphasized at Christian Science services Sunday.
"Unreality" is the topic of the Lesson-Sermon. Included in the Responsive Reading are these verses from Matthew (7: 19, 20): "Every tree that bringeth not forth good fruit is hewn down, and cast into the fire. Wherefore by their fruits ye shall know them."
From "Science and Health with Key to the Scriptures" by Mary Baker Eddy, this selection will be read, "Everything good or worthy, God made. Whatever is valueless or baneful, He did not make—hence its unreality" (325:20-22).
The Golden Text is from Psalms (119:65, 104): "Thou hast dealt well with thy servant, O Lord, according unto thy word... Through thy precepts I get understanding; therefore I hate every false way."

Joe Hodge at Whiteface Now

After more than two years as deputy on the Bailey county sheriff's staff, Joe Hodge has accepted a similar post with the Cochran county sheriff's office.
Hodge is stationed as a county deputy at Whiteface at present.

AREA SERVICE TEAMS MEET IN LITTLE HOUSE

Top Yields of Cash and Silage Crops, Using Ammonia

Art Hegi, successful Hale County farmer, says: "I use Phillips 66 Ammonia pre-plant on all my crops. My yields per acre since starting to use ammonia are: cotton, 2 bales; grain sorghum, 4500 pounds; castor beans, 1900 pounds; Sargo silage, 20 tons.
"My practice has been to apply Phillips 66 Ammonia in the following amounts: cotton, 45 pounds per acre; sorghum, castor beans and sorghum silage, 100 pounds. My yield increases have given me considerably higher profits per acre."
Other successful Southwestern farmers have discovered that they make more profit per acre, using Phillips 66 Ammonia. They get more cotton that classes higher at the gin . . . yields of sorghum grain and ensilage are increased . . . profits on wheat and small grains are increased through higher grain yields and improved forage . . . more marketable vegetables are harvested.
Phillips 66 Ammonia can be easily applied either by you or your distributor. See us today about Phillips 66 Agricultural Ammonia . . . it gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

Plant Needed Trees Now
There's still time to set needed shade trees around your home... provided you buy them growing in cans or balled in burlap and set at once. Trees in cans may be set out now, but growing trees should not be uprooted and transplanted at this time. Every home needs at least two trees to frame the front view of the house and at least one

to form a background for the house roof.

Use care when transferring trees from cans to your grounds. Try to keep an unbroken ball of earth about the roots and remove the can even if it is rusty and has many holes. It may stunt your plant if left around the roots.

Many trees have been killed by planting them too deeply. For best results, plant trees the same depth as they were growing in the can or nursery. Never plant them over an inch deeper. Dig a hole wide enough so all loose roots can be spread flat without crowding. Remove any injured roots that may be attached.

When you have the tree in position, pack moist top soil firmly around the roots and water immediately to help settle the soil about the roots. Cut off any broken or split limbs and prune or shape the tree, if it is needed. Cutting off lower limbs will make the mowing job easier.

As a finishing touch, scatter a cup of commercial fertilizer evenly over about 25 square feet of soil immediately around the tree. Do not allow the fertilizer to touch the bark or other parts of the tree. If preferred, a bushel of barnyard fertilizer may be scattered over an area of 25 square feet.

Remember that too many trees give a cluttered appearance and make mowing harder. Study the picture your home makes now—add trees where needed to give balance and background to your landscape.

Warm Days Increase Moth Damage
Rug moths and carpet beetles love warm, humid spring days. Eggs of both moths and beetles hatch rapidly under these conditions and the larvae begin at once to gorge themselves. Moth larvae feast for 40 days while those of the beetle continue to eat for an entire year.

In addition to heat and humidity, larvae thrive on dirt and darkness. Too often shades and blinds are drawn and insects are left to enjoy themselves.

The best protection is a thorough cleaning in advance of hot weather. This will not only get rid of moths, larvae and eggs, but will also remove the dirt and stains which encourage infestation.

Day-to-day care is very important. For best results, use the carpet sweeper daily on

floor coverings and vacuum at least once a week. Give particular attention to breaks, creases, seams and baseboard areas, all of which are favorite hiding places for insects.

Termites may attack rugs on basement floors and on porches. Moth-proofing is fatal to termites.

Organize That Cleaning Closet
A well-organized cleaning closet can simplify your house cleaning jobs.

If there isn't closet space for cleaning tools, a metal cabinet or a corner or a rear hall or porch can serve the purpose. Women who have two-story houses can save time and steps by keeping an extra set of cleaning tools upstairs.

In organizing the closet, arrange tools so that you can remove one without shifting the others around or taking them out of the closet. Hooks for mops, brooms, and brushes and shelves for bottles and jars will help keep the closet orderly.

An easy-to-carry basket with a handle will provide storage for small cleaning supplies and can be carried from room to room. Only dust cloths and rags used in waxing should be kept in covered metal containers to eliminate fire hazards and odors.

It saves time to clean dust cloths, mops, and brushes each time they are used. The closet is easier to keep clean, too, if equipment is in good condition when it is put away.

CALIFORNIA VISITORS

FIRST TO BE EARNED HERE . . . Dorothy Hickman, Lenda Landers Awarded Homemakers Degree

DOROTHY HICKMAN

LENDALANDERS

The first State Homemaker Degree to be awarded in the F. H. A. chapter of Muleshoe will be awarded to Lenda Landers, 17, daughter of Mr. and Mrs. Henry Landers, Rt. 2, Morton, and Dorothy Hickman, 17, daughter of Mr. and Mrs. M. E. Hickman, Rt. 2, Muleshoe.

The State Homemaker Degree is the highest award given in the Texas Association of Future Homemakers.

It is a detailed record kept by the member of her activities in high school. The degree shows how the member has become a well rounded person through well planned personal goals, community activities, school activities, FHA activities, home experience supervised by the homemaking teacher and interpretation of the homemaking program to others.

Miss Hickman moved here in January of 1957 from Rails. She has been a member of F. H. A. four years, has attended the Area I meeting in Amarillo four times, has attended the state meeting held in San Antonio, has served as vice-president of the F. H. A. and now holds the responsible position of president.

She is active in school activities, too. She has been a member of the student council two years, a member of the Pep Club for four years, and is now serving vice-president. She was voted most outstanding girl by the faculty, received Who's Who in clothing and received 3rd place honor last year in sewing.

Miss Landers has been a member of F. H. A. for four years and during this time she has served as chairman of various committees, vice-president, and this year serves as parliamentarian. She also is active in other school activities.

She has been a member of the Pep Club for three years, a member of the Future Teachers of America organization for two years, a member of Student Council for two years, and a member of the high school choir for four years, where she has served as Student Council representative and secretary and was elected Who's Who.

Miss Landers and Miss Hickman, seniors in Muleshoe high school, will be awarded their degrees at the F. H. A. State meeting to be held in Dallas April 24 and 25, at the State Fair grounds.

ENTERTAIN HUSBANDS
On Friday evening the JayceeEts and their husbands went to Clovis for Mexican food and bowling. Those enjoying the treat were: Mr. and Mrs. Bob Copeland, Mr. and Mrs. Bill Wilson, Mr. and Mrs. Sam Lindley, Mr. and Mrs. Jim Hall, Mr. and Mrs. Phil Gillespie, and Mr. and Mrs. Johnny Moore.

ATTEND CONVENTION IN WACO
Mr. and Mrs. T. W. Goar and Mrs. Verney Towns were in Waco this week attending the State Sunday School Convention and the Vacation Bible School Clinic.

Press Book Judged Second

Muleshoe Study Club's press book was judged second in Class B at the 38th Annual Convention of the Seventh District, Texas Federation of Women's Clubs held in Borger April 2 and 3. The winning press book was under the direction of Mrs. O. N. Jennings and Mrs. Brlek Whitt.

Mrs. John Cadenhead, of Meadow, chairman of press books for the Seventh District, TFWC, announced winners of the annual competition at the Friendship Breakfast held Friday morning at Borger Hotel.

Clubs in the district are judged according to population of the town, whether the town has a weekly, semi-weekly or daily publications and by senior clubs, junior clubs, and county federations.

Attending the convention from Muleshoe were Mrs. T. R. White, president of Muleshoe Study Club, Mrs. Jack Schuster, president of Los Planos Club, and Mrs. Norman Thomas, also of the Los Planos Club.

Mrs. White reported the Borger clubwomen were solicitous of their every need and courtesy cars were at their command during their entire stay.

Back home with plenty of food for thought, Mrs. White expressed the desire that every clubwoman should have heard the inspirational addresses of the convention. Most impressive and most frightening were the opinions of Dr. Fred C. Swartz of Sydney, Australia, a former Baptist minister, who has relinquished his holdings and position to tour the world in an effort to stir thinking people to the dangers of Communist encroachment.

It is the opinion of Dr. Swartz that our country will be overrun by Communism by 1973 unless strong anti-Communism measures are taken by free nations to prevent the decay from within. He spoke of the subtlety of indoctrination used by the Communist Party and the thoroughness with which their young are taught. Dr. Swartz believes that our public schools should teach Christ

just as thoroughly as Russia teaches absence of Christ.

Fighting Communism by informing ourselves and each other will be one of the chief projects of District Seven Federated Club Women for the year 1958-60, Mrs. White stated.

Another project of the Seventh District for the year will be that of establishing markers along the Coronado Trail through our area. It is believed that one of the stopping places of Coronado's entourage was Muleshoe and federated clubwomen of Muleshoe will sponsor a movement to have markers placed to commemorate the event.

Lubbock was chosen as 1960 site for the 1960 convention of the Seventh District, TFWC. Lubbock is also the place for the State Convention to be held May 4, 5 and 6 and it is hoped that every club woman can attend for at least one day during the convention.

Charles King played a saxophone solo and took a I division.

Flute solos were played by Annamary Elrod, Sandra Harris, and Eugenia English and they all took II division.

Oboe solo played by George Moray won a II.

Don Gardner won I division with his bassoon solo, and Jean LaRue won I division with her French horn solo.

Cornet solos were played by Zona Millen, I; Linda Scott, I; John Wilkins, II; Kenneth Ewins, II; Gary Albertson, II.

Trombone solos winning honors were Don Finn, I; David Douglas, I; Jerry Lee, I; Barbara Ewins, II; Jim Thomson, II, and Bob White, II.

Muleshoe's twirling ensemble composed of Lynn Leaneu, Maria Reed, Gwen Roberts and Sue Willman won a I division.

JayceeEts Install New Officers

The Muleshoe JayceeEts met on Thursday at 2:30 p.m., in the home of Johnnie McMillen for the purpose of installing their new officers for the coming year.

Jean Gillespie, out-going president, installed Anna Copeland as president; Louise Wilson, vice-president; Johnnie McMillen, secretary and treasurer; Amarina Moore, reporter and historian. The state director will be Jean Gillespie.

Following refreshments of angel food cake and punch, the members of the club presented their past president, Mrs. Gillespie, with a lovely bedspread.

Rebecca Phelps Has Birthday Celebration

Friends of Becky Phelps helped her celebrate her seventh birthday at a party given by her mother, Mrs. Bernard Phelps, on Saturday.

Games of bingo, pin the tail on the donkey, fortune telling, and stunts games were played. The guests were served from a table decorated with a pink and blue papier mache lamb and a pale blue birthday cake trimmed with seven pink roses.

Mrs. Harlan Hostess To TEL S. S. Class

The T. E. L. Sunday School Class of the First Baptist Church drove to the home of Mrs. W. B. Harlan for their monthly class meeting on Tuesday.

Mrs. Myrtle Alsop, class president presided over the business and received favorable reports from the various committees. Prayer was led by Mrs. Effie Bray and Mrs. Beulah Motheral gave the devotional.

During the social hour Mrs. Alsop entertained the ladies by showing pictures taken of the beautiful scenery in Alabama when she recently visited her daughter-in-law and grandchildren.

WCS Elects New Officers

An executive meeting of the WCS of the First Methodist Church was held at 1:30 in the intermediate class room with 11 attending.

It was decided that the next general meeting would be a salad luncheon on May 5 at 12:00 in the intermediate class room.

Mrs. Edwin Hall gave a report on the National Convention of Youth that is to be held in August at Purdue University. The local church is to send two youth and one adult to this meeting.

The executive members voted to pay \$25 on the expenses of those making the trip.

All members of the WCS

Band Students Win I and II

Forty band students of Paul Summersgill at Muleshoe High School won first and second division in the interscholastic league Region I solo and ensemble contest at Plainview Saturday, April 4. The winners are as follows: Clarinet Solo, Jeanne Gray, I; Gary Middlebrook (bass clarinet) I; Sharon Millen, I; Kathy Gray, II; L. Nell Boothe, II; and Kathy Moore, II.

The clarinet trio composed of Kathy Gray, Jeanne Gray and Davy Jean Anderson won I division.

Jan McVicker, Sherry Stancell, and Sandra Scott took a I division with their flute trio.

Winning II division was Kathy Moore, Sue Willman, and Diane Fullerton.

A clarinet quartet composed of Jack Griswold, Richard Leveridge, Keith Stephens, and Don Williams received a II place.

Saxophone quartet by Pam Lenau, Charles King, Sharon Millen, and Ronda Wagnon won II.

General Meeting of WCS

The general meeting of the WCS was held in the Youth Chapel of the First Methodist Church at 2:30 with Mrs. H. Jay Weyer presiding.

Mrs. W. D. Moore, chairman of the nominating committee, read the following list of officers who were all elected: President, Mrs. Dean Bishop; vice-president, Mrs. Paul Summersgill; recording secretary, Mrs. Major Woods; treasurer, Mrs. Jack Morris; secretary of promotion, Mrs. Jan Wampler; secretary of missionary education, Mrs. David Stovall; secretary of spiritual life, Mrs. Robert Hooten; secretary of youth work, Mrs. Edwin Hall;

secretary of children's work,

Mrs. Horace Edwards; Secretary of student work, Mrs. Oscar Allison; secretary of supply, Mrs. C. R. Farrell; Christian Social Relations, Mrs. O. N. Jennings; literature and publications, Mrs. Mervin Willterling; and status of women, Mrs. Finley Pierson.

Mrs. Ed Hall and Mrs. Dean Bishop gave a playlet of the Annual District Meeting in Midland.

Mrs. Paul Summersgill gave a report on the book, "Cry Thy Beloved Country", followed by a film strip on "African Panorama."

The devotional was given by Mrs. Jan Wampler, who also read chapter 40 of Isaiah, verses 12-14 and 28.

**Mrs. Melvin Treider Elected Head
Of Lazbuddie P-TA Organization**

The Lazbuddie P-TA met Monday evening in the high school auditorium. Mrs. Clark, local teacher and Mrs. Lust from Farwell presented a group of their FHA girls in a skit, "Romeo and Juliet". Girls taking part in this were Glenda Robinson, Beverly Smith, Penny Grusen-dorf, Geraldine Broadhurst, accompanied by Rosemary Agee at the piano. Girls from Farwell were Linda Berchfield, D'Ann Garrett and Joene Donaldson. This group of girls and teachers will attend the FHA convention in Dallas the latter part of April.

Mr. Black's FFA boys presented a skit with David Parker as master of ceremonies, other boys taking part were Richard Chitwood, Cooper Young, Paul Wilbanks, John Agee, Don Smith, David Smith, James Brown, Jimmy Broadhurst, and Jimmie Seaton.

Charlotte Freeman Davis dressed in a Hawaiian costume rendered two songs, "Hawaiian Rainbow" and "Farewell".

The room count was won with a tie between Mrs. Wilbanks third grade and Mr. Coopers freshman class P-TA. Voted to give the FHA and FFA each \$100 each to help on the expenses of their projects.

Elect Officers
P-TA officers were elected for another year and are Mrs.

Melvin Treider, president; Mrs. D. B. Ivy, vice-president; Mrs. Lee Mason, secretary, and Mrs. J. B. Young, treasurer. They will be installed at the meeting in May.

J. T. Mayfield presented another group of his Cub Scouts and an exhibit of work done by the Scouts were shown. Announcements were made: Mr. Byers will present his music class of 4th, 5th, and 8th grades in a program Monday evening, April 13 in the school auditorium. The first, second, and third grades will present a similar program Monday evening, April 20. Everyone is invited to be present for these programs and see the progress made in the music department this term.

**Muleshoe Wins
Land Judging
Contest Saturday**

Muleshoe vocational agriculture students, with 549 points, took first place Saturday in a Blackwater Valley Soil Conservation District land

judging contest held here Saturday. The Muleshoe team was coached by agriculture teachers Bill Bickel and Jerry Adams. A Littlefield team, coached by W. W. Hall and James Perky, was second, with 512 points and a team from Sudan, coached by Edgar Chance, took third with 509 points. Also entered were teams from Morton and Spade.

High individual scorer was Maurice Jones, Muleshoe. Second high individual was Alfred Lingnau, Littlefield.

Blackwater Valley SCD officials taking part in the show were Dale Fishgrabe, C. L. Girdner, Douglas Lowe, Wilton Green and Sherman Inman.

Derrell Oliver ran third in the 180-yr. low hurdles. George Thomson was 4th in the mile run. Bob Camp wound up the scoring for Muleshoe with a second place in the shot put and third in the discus event.

But it was a well contested meet throughout and it was observed that all 14 teams entered in the AA division made some points, whereas at many meets several teams may fail to get into the score column.

DONKEY BASKETBALL GAME will be played in Mary DeShazo gymnasium at 7:30 p. m. on April 14. The event is sponsored by the Muleshoe FFA chapter, and proceeds will be used for chapter projects.

**Junior Hi Picks
Literary Meet
Representatives**

The Interscholastic League literary district meet will be held in Olton junior high school building Friday, April 10. Muleshoe junior high's representatives in the various events were selected in eliminations held last week.

For the several events in both boys and girls contests the following will represent the junior high school, alternates also being named:

Declamation
Boys: Dick Allison, 8th grade; Mike Connell, 8th.
Girls: Peggy Lewis, 7th; alternate, Lathel Story, 7th.

Spelling and Plain Writing
Joyce Adams, 7th, Sheryl Stevens, 7th; alternate, Barbara Surratt, 8th.

Number Sense
Barry Lewis, 7th; Kay Carlton, 8th; Raxona Hart, 8th.

Three teachers, Mr. Lumsden, Mrs. Watson, and Miss Mickey, will accompany the students to the district meet.

**Mule Got Only
7 Points At Meet**

Muleshoe high school tracksters could muster but 7 points for their efforts in Saturday's Crosbyton Relays, won by Tulsa in Class AA and by Falls in Class A.

Derrell Oliver ran third in the 180-yr. low hurdles. George Thomson was 4th in the mile run. Bob Camp wound up the scoring for Muleshoe with a second place in the shot put and third in the discus event.

But it was a well contested meet throughout and it was observed that all 14 teams entered in the AA division made some points, whereas at many meets several teams may fail to get into the score column.

**LOCAL GIRL NAMED TO
TWU DEAN'S LIST**

Elizabeth Farley, daughter of the John Farleys of Muleshoe, has been named on the TWU Dean's List. Miss Farley is a secretarial administration major. The Dean's list is intended as recognition of superior scholarship and includes only the names of students who make grade point averages of at least 2.3 out of a possible 3.0. This is equivalent to a B-plus average.

IN THEIR STORES WHEN 'ABEL CABLE' GOES INTO REGULAR SERVICE

Subscribers to ABEL CABLE may expect the following advantages by being hooked onto the community antenna cable:

A stronger signal, picked up by the 500 foot antenna tower will reduce the strain on operating tubes and other component parts of your television receiver.

Your picture tube, the most expensive part to be replaced, may also be expected to have longer life, due to the stronger signal and resulting lack of strain.

Service calls will thus be fewer, and a saving in this item alone might well cover the cost of connection to the community cable.

You will of course receive clear, snow-free reception on five channels of your set. These will include A marillo, Lubbock and Roswell, offering you all the major network shows as well as local events, news and weather produced in each studio.

New Use Found For Sesame As Lure For Wildbirds in Restocking Land

Research to develop a high yielding combine sesame at Texas Research Foundation has turned up a plant which is a natural self-feeder in providing birds with highly nutritious seed during the winter months.

"The new plan, Renner Combine Sesame No. 15, scatters its seed slowly during January and February, thereby benefitting all seed-eating birds, especially game birds such as dove and quail", Dr. C. L. Lundell, Director of the Foundation, said.

"Although planting seed is limited, sufficient quantities are available for landowners and sportsmen to make field tests."

Through such provision for wildlife, the landowners easily can raise the winter per-acre ratio of game birds to a level which will assure abundant sport and game during the hunting season and to a level which in addition will leave plenty of birds with ample food supply to stock his land for future shooting.

SOIL CONSERVATION DISTRICT NEWS

Within the past week the Soil Conservation District has assisted several farmers. Bench leveling is in the process of being staked out and the benches are being built on the U-Bar Ranch west of town. By installing benches and concrete pipe, a much more efficient use of irrigation water can be accomplished.

The land where the leveling is being constructed has quite a bit of slope so it was not possible to irrigate properly. Bench leveling consists of forming borders and leveling between them to take out the sidefall. The borders are set to a grade which is applicable to the soil. A concrete pipeline or aluminum pipe can be used to carry water to the benches.

Part of the bench leveling that has been completed on the Herman West farm, north of Needmore has been checked out.

Terraces are still being built on the McDonald West farm, south of Baileyboro. Part of this land is in the soil bank, and terraces are being constructed to reduce water erosion now, and the land will be in good shape to farm when it comes out of the soil bank.

These terraces are being built under the Great Plains Conservation Program which pays 70 percent of the cost.

Farm News

A conservation plan was developed on the Max Self farm over next to the state line south of the sandhills. This farm is pretty rough and it is hard to water out of a ditch. Mr. Self said that he would like to install a sprinkler system in the future. He plans to rotate his cotton with grain sorghum or plant a cover crop of vetch and rye.

A conservation plan was also developed on the Lewis Jordan farm north of Stegall. He plans to terrace his farm in the next year or two if his landlord agrees.

Dave Aylesworth was contracted on his farm south of Muleshoe. He is considering planting most of his land back to grass. He plans to seed switch grass, Indian grass, green sprangletop and sideoats gramma, which are adapted to this type of sandy soil. He also plans to put down some underground steel pipe to improve his sprinkler system.

W. W. Couch has signed a Great Plains Conservation Program contract on his farm south of West Camp. He plans to seed several acres of grass, install concrete pipe and build a diversion terrace. The program will pay for 80 percent of the grass seeding, 50 percent of the pipeline and 70 percent of the cost of the terrace.

David Stovall was assisted in laying out his irrigation system on his farm north of Muleshoe. The ditches were laid out and row direction and length of run were recommended.

R. C. Ethridge was assisted in ditch layout and row direction on his rented place north of Muleshoe.

Iron Chelates Recommend For Yellowed Leaves

Iron chlorosis, a condition of lawngrass and ornamentals characterized by yellow or bleached leaves due to iron deficiency, was favorably combated with powdered iron chelate about 85 percent of the time in 78 demonstrations conducted by county agents last year.

Demonstrations were conducted in various areas of the state in soils ranging from sands to clays and from acid to alkaline.

"The problem is usually associated with soils high in lime, but sometimes occurs on acid soils," explained W. F. Bennett, extension soil chemist. "Nitrogen deficiency symptoms are similar to those of iron chlorosis and homeowners should make sure nitrogen needs are met before treating for iron deficiency."

Mild cases of the deficiency may be corrected with dry applications of iron sulfate, Bennett said. More severe cases on lawn grasses usually require treatment with iron applied as a spray, since it is generally more effective in this form.

Iron chelates are generally more effective and give longer-lasting effects than iron sulfate. Suggested rates vary with the plant being treated and the condition of the soil.

Treatments about every four to six weeks may be necessary to maintain the desired color in areas where the problem is common or severe, Bennett said.

Parmer County Farm Bureau News

You will be happy to know that Mary Ann Stacy, Parmer County Farm Bureau queen for this year, is entering the REA queen contest under your sponsorship. We appreciate her telling us that Farm Bureau stands a chance of getting \$25 if she wins, which we of course, hope she does.

We are glad to note that local and area newspapers are beginning to include the farm and retail store labor problem that is fast developing, in their more prominent items, including editorials. Farm Bureau, and other farm leaders have been meeting almost all over the nation with groups proposing minimum wage expansion of the law to cover this type of employee, in an effort to prevent it if possible.

In the Deaf Smith County Farm Bureau membership meeting Thursday night in Hereford, where more than four hundred people met, we heard the latest report on this subject from Hub King, TFB director from Brownfield. He had just returned from a meeting in Austin regarding agricultural labor problems looming too near farmers heads.

The closest thing we know of was reported by King, as he told of the entry into the office of a labor organizer with papers demanding organization of the employees there.

American Farm Bureau's wheat marketing proposals were presented in the Texas Farm Bureau meeting in Amarillo's Herring Hotel two weeks ago. Point one reads like this: Shift the price supports of wheat to a percentage of the average market price, with an orderly transition. It was pointed out here that the AFBF did not take a statement as to what percent of the previous three year market price should be used in setting the support price, but that this

figure would be worked out by the Congress of the United States and that Farm Bureau would cooperate with the Congress in determining at what level to set support prices.

It was pointed out also that Farm Bureau was opposed to giving the Secretary of Agriculture the authority to set the support price for wheat from 75 to 90% of the average market price.

CONSIDER THIS: The thoughts of the diligent tend only to plenteousness; but of every one that is hasty only to want. Proverbs 21:5.

LONE STAR AGRICULTURE

Marketing Assistance For Texas Watermelon Growers

The multi-million dollar Texas watermelon crop will be assisted in finding its way to markets throughout the nation this year under a new Texas Department of Agriculture-sponsored program.

Watermelon growers in the State's major melon-producing areas in East, North Central and South Texas and the Rio Grande Valley can take advantage of free marketing aid which will publicize facts about their individual crops to buyers in important national markets.

Initially, the program involves getting full information from individual growers as to acreage and variety of melons planted this spring and approximate date of harvest. This information, when compiled, will be published by the TDA in bulletin form and distributed among anxious buyers.

Since Texas not only produces the most melons of any state but also the earliest melon crop, markets are generally most receptive to Texas melons—provided they know about them. In recent years, however, the increased commercial value of melons has brought about added competition, especially in mid-season, and the challenge is to keep the buyers coming back to Texas for all their watermelon

Ripen First In Valley

Texas melons ripen for harvest first in the Rio Grande Valley, followed in a few weeks by the South Texas crop and later by East and North Central Texas production. A survey is already underway among Valley growers to compile and distribute information about their crop well in advance of first harvest dates, and similar surveys will be conducted elsewhere prior to melon season.

Information needed from growers includes grower's name, address (or location in county), number of acres by variety planted to watermelons, and estimated date of harvest.

For further information on watermelon marketing assistance, write to John C. White, Commissioner, Texas Department of Agriculture, Capitol Station, Austin, Texas.

BOB NELMS HAS ROLE IN "WUTHERING HEIGHTS"

Bob Nelms, a former Muleshoe boy, has an important role in the Lubbock Little Theatre production of "Wuthering Heights". His picture appeared in Sunday's Avalanche in connection with announcement of the presentation of the play April 13 through 15.

Bob is cast as Hindley, a supporting role. He graduated from Muleshoe high with the class of '57. His mother and step-father are Mr. and Mrs. Buster Reid, now residing at Lubbock.

Expect Soybean Planting To Double On Plains Over 55,000 Acres in 1958

Inquiries received at the High Plains Station at Halfway indicates that soybean planting in 1959 will probably be more than double the 55,000

acres planted in 1958. This increase will probably follow the trend noticed during the past two years, according to Dr. Johnny H. Davis, Associate Head of the High Plains Station.

Research On Sediment At High Plains

Research started on sediment problems involved in recharging lake water to the underground water bearing sand at the High Plains Station at Halfway in March. The content of water entering the well is being measured and the total amount of silt moved by pumping is being determined in the test. The extent of the movement of sediment in the underground sand is being observed through the use of the three four-inch test wells located 8, 50 and 100 feet from the recharge well. Included in the program is a study of any bacterial pollution for the underground water supply caused by recharging.

The Lee variety is apparently preferred due to the yield and the comparatively non-shattering characteristics. Fifty varieties and strains of soybeans were tested in the 1958 season in the hopes of finding an even better variety suited to the area. Thirty-three of these varieties were experimental.

The soybeans were planted June 14 and harvested November 7. The seeding rates studied were 40, 50, 60 and 70 pounds to the acre. In 1958 the best seeding rates were 60 to 70 pounds per acre, compared to 50 to 60 pounds in 1957. In 1958 the seed showed 80% germination which amounted to 56 pounds of pure live seed at the 70 pound planting rate.

The soybeans were irrigated just prior to bloom, at full bloom and again in mid-September. Fertilizer tests showed 2.6 bushels increase over the non-fertilized plots when 40 pounds of nitrogen and 80 pounds of phosphorus were applied. The increase in yield were not enough to pay for the fertilizer.

The soybean plant fixes nitrogen in the soil and improves the character of the soil. Through inoculation of the seed with bacteria before planting is important. Experiments have shown that failure to inoculate will cut the yield 50%. Soybeans are combine harvested as soon as dry, usually after the first frost.

Avid record collector David Shepherd, Muleshoe, freshman at Wayland Baptist College, gets an autograph from "Grandpa" Jones of Grand Ole Opry fame, who visited briefly at Wayland recently with his brother, Dr. E. W. Jones, professor of history. In the background is Ramona, Mrs. Marshall Jones, who assisted "Grandpa" in an impromptu program of country music for some 150 students and faculty members, March 25, even though they had driven 1500 miles in two days to have the brief visit in Plainview. Wayland students gave an informal reception for the Joneses on the last night before the start of their Easter holidays. David, son of Rev. and Mrs. E. K. Shepherd, is an assistant in the Office of Public Relations at Wayland.
